MISSED THE 2016 CKC AGM? NOW YOU CAN WATCH IT ON YOUTUBE

With close to 70 attendees, it was a full house at this year's Annual General Meeting, held in Quebec City on Saturday, June 4.

Highlights included a special presentation on veterinary ophthalmology by the Dean of the Faculty of Veterinary Medicine, Université de Montréal, Dr. Michel Carrier, DVM, M. Sc. Following his presentation, Dr. Carrier was recognized for serving as 2015 Honourary Veterinarian. Ed Graveley was also recognized as the 2015 Honourary Chair.

CKC was also pleased to recognize local members, including Mario Beauregard, DMV, Hélène St-Hilaire, Annie Vézina and Suzanne Labrie for their time and contributions to the world of purebred dogs.

Fifty-year members, Sharon Derrick and Robert E. Healy were also presented with plaques in honour of their long-time service with the Club.

Once again, we would like to thank our sponsors: Pets Plus Us, BFL Canada, TLC and Ricoh for their generous support of this year's AGM. Also, thanks to Linda St-Hilaire and her local organizing team for their hospitality. We also thank our clubs and members who made the trip to join us at the AGM.

CKC TEAMS UP WITH PET VU INC. TO HELP MEMBERS KEEP THEIR DOGS SAFE

PET VU
 GPS PET TRACKER

CKC is pleased to announce its new alliance with Pet Vu Inc. to bring members an exclusive offer featuring Pet Vu's cutting-edge technology that allows owners to track their dog's location at all times, using Pet Vu's GPS tracking device.

Pet Vu uses mobile technology and offers its GPS tracker in conjunction with a mobile app that

is downloadable via The App Store or Google Play. The device can be attached to a dog's collar, or to the collar that comes with the unit. Once it has been attached to a dog and a profile set up on the owner's mobile device, the dog's location can be tracked.

"According to statistics, one in three pets will become lost during their lifetime and only one third of dogs will be reunited with their owners," said Omar Malik, Pet Vu's Founder and CEO. "We are proud to partner with the CKC to give CKC members a proactive rather than reactive solution in the event their dogs are lost."

CKC members receive a 20% discount on all purchases using a special CKC Member Code. In addition to the 20% discount on the GPS tracker, Pet Vu is waiving the first six months of service fees for CKC Members and has negotiated an exceptionally low data plan rate with Rogers Wireless.

CKC Executive Director Lance Novak is pleased with CKC's new alliance with Pet Vu. "We are working on many levels to deliver exceptional value to our membership and building relationships with companies like Pet Vu is just one example of how we are doing that. CKC member-preferred pricing makes the device more accessible to our members and may help keep their dogs safe," said Mr. Novak.

To access CKC's Member Code, please log into the [CKC Member's Only website](#) under Membership Services/Affiliate Offer Codes.

It provides registry services for all officially recognized breeds of purebred dogs and provides governance for all CKC approved shows, trials and events. Finally, the CKC is a communication organization informing all people interested in dogs.

Mission

CKC will work so that members will be proud of their affiliation. The Club will recognize, promote, and publicize the actions of responsible breeders and owners.

Vision
