CODE OF ETHICS

The Canadian Kennel Club is incorporated under the Animal Pedigree Act to be responsible for the registration, preservation and promotion of all CKC recognized breeds of dogs in Canada.

The Canadian Kennel Club is a national membership organization representing purebred dog activities. The Board of Directors of The Canadian Kennel Club are elected from the membership representing their regional zones and are responsible to that membership.

In order to achieve the goals and objectives of The Canadian Kennel Club, its members agree to adhere to the following principles:

- All members of The Canadian Kennel Club will comply with the By-laws, rules and regulations established by the Board of Directors of The Canadian Kennel Club and the requirements of the *Animal Pedigree Act*;
- All members of The Canadian Kennel Club will provide their dogs with appropriate housing, food and health care;
- All members of The Canadian Kennel Club will endeavour to enhance the role of the purebred dog in society as an essential member of its communities where it functions as a companion, a guardian, a healer, a hunter, a herder, a teacher and, above all, "man's best friend";
- In order to preserve and enhance each breed's characteristics, The Canadian Kennel Club supports and encourages participation in shows, trials and other events. All members, whether they be exhibitors, handlers, judges or assistants will participate in such activities with honesty, fairness and integrity, ever mindful of the practice of "good sportsmanship";
- Except as provided in the By-laws of The Canadian Kennel Club, all members as breeders of purebred dogs, will include in their programs, only Canadian Kennel Club registered (or registerable) stock which will strengthen the genetic pool and, thus, guarantee further progression toward the ideals of the standard, keeping authentic records of their activities;
- All members of The Canadian Kennel Club will undertake the task of educating and encouraging all newcomers to the world of purebred dogs no matter their interest: pet-owner, exhibitor, trialer or breeder.
