Use of Live Game and Livestock:

We encourage all dog owners to participate with their dogs in such activities as hunting and field trials, herding, tracking and competitive events intended to improve the overall understanding and quality of purebred dogs. It is indeed through the sport of dogs that reputable dog breeders continue to improve their individual breeds as well as the species itself, for all.

Clubs and those persons taking part in these activities must make every effort to ensure the safety of dogs, as well as live game and livestock, used in these activities. Any person non compliant in the safety of animals, including livestock and game, may be subject to charges of cruelty and those who have been convicted of cruelty to animals are ineligible for membership in the CKC.

All participants must be familiar with CKC Rules and Regulations and also the rules, conditions and provisions of this Premium List. CKC Water Test Rules are available from the CKC.

NOTE: Make sure you review the rules for Water Dog Tests (available on the CKC website: www.ckc.ca)
