

Staffordshire Bull Terrier

General Appearance

The Staffordshire Bull Terrier is a smooth-coated dog. He should be of great strength for his size, and although muscular, should be active and agile.

Temperament

From the past history of the Staffordshire Bull Terrier, the modern dog draws his character of indomitable courage, high intelligence, and tenacity. This, coupled with his affection for his friends, and children in particular; his off-duty quietness and trustworthy stability, makes him the foremost all-purpose dog.

Undershot or overshot mouths. The following faults should debar a dog from winning any prize: Pink (Dudley) nose. Badly undershot or overshot mouth.
