The Canadian Kennel Club is committed to the furthering of responsibility for the ownership of dogs in Canada. As experienced and knowledgeable dog enthusiasts, we come together as members to support the dog-owning public by educating those owners in the responsibilities associated with bringing a dog into the home. This commitment brings with it significant responsibility - to the dog, the family and to the greater community in which you live. From evaluating your readiness for a new dog through determining the breed that is right for you, from integrating the dog into the home through advice on health, training and canine good citizenship, CKC members in large cities and small villages, in every part of Canada, provide the support, advice and guidance to families interested in canine companionship, to better enable Canadians to be responsible dog owners.

MESSAGE from the Board

RDOG '09

The Canadian Kennel Club RDOG initiative took legs last year for the first time, introducing to Canada a national week dedicated to education and focusing on responsible dog ownership. Now the second annual campaign of the CKC goes to the leashes again. Year one RDOG success saw supporters across the country walking their dogs, hosting Responsible Dog Ownership Events, including everything from seminars, Canine Good Neighbour evaluations, fund raisers, public "meet and greets" plus meetings at local schools using the CKC "Children and Safety Around Dogs" material. This special information package, which also contains "Bite Prevention" and "Your Responsibilities in Case of a Bite Incident," was developed for exclusive use by CKC clubs and members and is not available for distribution to the general public. "Children and Safety Around Dogs" is intended as a tool for CKC members to use as core material when sharing our expert knowledge as dog owners with school children in our communities, while "Bite Prevention" is intended for use within the work force for organizations whose workers come in contact with strange dogs, and "Your Responsibilities in Case of a Bite Incident" serves as a fact sheet detailing the dog owner's responsibilities. To be successful, the package must be used, and it is the clubs and members of the CKC who carry the message into the community. Use it whenever and wherever it seems appropriate and where an opportunity becomes obvious. You know your home town and where your knowledge is needed most.

The introduction of this material has been supported from the very beginning by IAMS Brand Dog Food and, through fully funding the development of the project, this significant financial contribution has allowed the Responsible Dog Ownership Committee to make this tool available for CKC outreach into the community.

Saturday, September 19, 2009, kicks off the second National Responsible Dog Ownership Week in Canada, culminating with a national "Walk of Support" on RDOG DAY, Saturday, September 26, 2009. This important and exciting initiative provides a platform of opportunity to engage our community. By hosting events and through participation, our contributions become more noticed. CKC members have always been vital and accessible links to expert advice and through

promoting the RDOG initiative, we can strengthen the acceptance of our dogs within every community. We should be the most visible source of responsible dog ownership in the country and by engaging our communities, make dog ownership a pleasant experience for everyone.

This proactive, grass roots Canadian Kennel Club initiative has caught the imagination of individuals and organizations within Canada by increasing awareness and putting a social focus on the critical need to educate everyone on the responsibilities associated with owning a dog. The program has been widely communicated nationally and embraced at the local community level from coast to coast.

Year one was definitely a challenging experience for the many organizers and participants but provided a truly satisfying and rewarding experience as the membership of the CKC showcased the value, commitment and contributions of our members and clubs across Canada. The initiative highlights CKC membership contributions everywhere and improves our visible image with the general public, legislators and like-minded organizations. It is the knowledge, expertise and skills we learn from our activities within the CKC that we must share. We must share our wealth of information and by doing so, we strengthen our stature as the experts on all things canine! The RDOG initiative has also given us the opportunity to look inward regarding our community role and commitment. The need to be visible as a national organization with positive proactive contributions is the first step to the future. It is of little value having the wealth of experience our membership has if it is "left on the shelf". We must be seen within our communities as positive contributors so take up the RDOG Challenge and support this national CKC initiative by hosting an event...holding a CGN evaluation session with your club...setting up a school visit sometime during RDOG Week or simply join the RDOG DAY walk on September 26. We commend the entire membership of the CKC for your support and contribution to both the inaugural year and RDOG'09!

Well done CKC!

Your Board of Directors.

PROFILING YOUR DIRECTORS: BOB ROWBOTHAM

BOB ROWBOTHAM **CKC DIRECTOR** **ZONE 5, ONTARIO EAST**

Dogs have been a large part of my life for over 34 years. Like many dog lovers, I owned mixed breeds as a child, mostly sporting dog wannabes. My first experience with structured dog involvement came in the early 60's. I attended obedience classes in the basement of an Ottawa church with my sister's miniature poodle. I became the family's official dog trainer and the only one the dog would obey.

Once married and with a new home, the search was on for a purebred. Hours were spent researching the Afghan Hound and our first was bought from Bob Whitney of Cabaret Kennels. Another afghan was soon added from the Telharesha Kennels and the rest is history.

I was encouraged to show and the bug bit hard. For over 20 years I handled professionally, campaigning and exhibiting several breeds in all seven groups. I won over 100 best in shows with dogs I've owned or handled. Many of the dogs placed high in their breed or group standings.

I'm a broadcast journalist by trade, involved in the broadcast industry for over 40 years. All the while I was handling, I was juggling the two jobs, which made for some hectic weeks, especially during the summer months. I currently manage a radio station in Trenton, Ontario.

During the past years, my house dogs have included afghans, salukis, bassets, mini dachshunds, labs, goldens and a Lakeland Terrier. My wife Margot and myself are currently owned by a Cairn Terrier.

I ran as director for Eastern Ontario because I thought I could offer something back to the sport that has given me so much enjoyment over the years. The first few months have been a whirlwind of learning and discovery; the internal workings of the CKC, the various committees and councils, the proper procedures etc. There's been the discovery of events outside the show ring; agility, hunt tests, retriever trials and other disciplines that help me understand the passion members have in their particular field of endeavours.

I will continue to attend and meet with members in all disciplines. I love a good debate and will continue to find the answers to the questions posed by members.

CANADIAN KENNEL CLUB FOUNDATION FONDATION DU CLUB CANIN CANADIEN

2009 ANNUAL GENERAL MEETING
MAY 1, 2009

PRESIDENT'S REPORT

The CKC Foundation is less than one year old and is still in its infancy, but it is developing signs of maturity.

The Foundation Board held its first meeting by conference call on October 27, 2008 at which we obviously addressed basics. The Foundation officers were appointed: myself as President, Michele Loucks as Vice-President, Dawne Deeley as Treasurer and Joe Mauro as Executive Director. We began to define the structure of the Foundation – essentially a committee system – and the road ahead.

The Board met again, by conference call, in December, January, February and April, working to get the Foundation established as a viable entity. I'll take just a few minutes to highlight the important decisions of the Board.

First, we have identified some areas of the By-laws which we are recommending be changed to make the Foundation a more effective and representative organization. We will be addressing these later on the agenda of this meeting.

Secondly, we have approved a basic committee structure to support the Board in its work, and appointed Chairs of these Committees. We have established:

- A Policy and Planning Committee to develop long-range plans for the Foundation and review all proposed policies before adoption by the Board to ensure consistency, to be Chaired by Joe Mauro;
- A Fundraising Committee to develop plans and programs for raising the Foundation's funds, to be chaired by Michele Loucks;
- An Allocations Committee to develop policy and procedures for the submission of applications for funding by outside agencies, chaired by Anita Cairns; and
- A Research Committee to develop policy and procedures for the submission of applications for funding into the causes, diagnosis and treatment of diseases in dogs, chaired by Dr. Jean Sirois.

The Board also approved a CKC Foundation logo for "branding" purposes, which figures prominently on the info brochure printed in March.

The areas of principal concern have logically been fundraising and allocation policies, as these are fundamental to our operation. In December, we took advantage of the CKC membership renewal mailings to solicit funds for the Foundation which produced a very satisfying result. Our task now is to address a broader base of potential donors and to establish the recognition and support mechanisms so that we maintain and properly deserve the loyalty of those who have contributed to our cause.

We also need to develop our allocation policies to ensure that our funds are directed appropriately in support of our defined objects and the statement of activities submitted to the Canada Revenue Agency. We encountered our first hiccup when it was suggested that we contribute to the DLCC campaign in their fight against breed-specific legislation. However, to donate to an organization that was not also a registered charity would put our own charitable status at risk, so we found ourselves facing something of a dilemma. The failure to support a cause so clearly dear to the hearts of the purebred dog fancy could damage the Foundation's reputation irreparably at this early point in its existence. A solution was found through a recommendation to the CKC Board that the profit from March's charity event be split between the DLCC and the Foundation, a recommendation subsequently approved by the CKC Board. In this way the Foundation will be seen to support the DLCC cause both morally and in a tangible way. So the Foundation is up and walking – it would be wrong, perhaps, to suggest we're really running. We are, I believe, moving deliberately along a path that will ensure the long-term health and success of the Foundation, thanks to a dedicated Board, the support of the CKC members, and the help of the CKC staff, on whom we rely totally for our administration. I tip my hat with a hearty "Bless you" to them all.
