HOMESAFE/RDOG PROGRAM

February 1, 2010

The Canadian Kennel Club, primary registry for purebred dogs in Canada and PetLynx Corporation, innovative, cutting-edge facility provider to the pet industry, are pleased to announce a new partnership initiative. Under the terms of this agreement the Canadian Kennel Club will collaborate with PetLynx to expand permanent identification and automated recovery services for all dogs in Canada through the PetLynx Subscription & Registry Services Unit. This national recovery service will be known as **HomeSafe RDOG™**.

For all dog owners across Canada the blending of the PetLynx HomeSafe program and Canadian Kennel Club National Responsible Dog Ownership Group (RDOG) initiative has created the largest single point access recovery service and owner support network in the country.

Pet families who register their dogs in the PetLynx HomeSafe™ Canada initiative using microchips, tattoos, licenses or other forms of identification will also have the opportunity to register for the CKC, RDOG portion of the HomeSafe program. Responsible pet families will be directed to use PetLynx portals and CKC services to maintain their RDOG compliance. By using these programs, pet families can achieve complete compliance with National Codes of Conduct as established by the members of the National Companion Animal Coalition. The two parties will collaborate to expand Responsible Dog Owner Programs at the community and provincial levels through their affiliates across Canada.

"Collaborating with CKC to add their RDOG program to the PetLynx HomeSafe™ Canada initiative will not only increase the number of responsible dog owners across Canada, but provide national stewardship and valuable resources to the entire value chain supporting these pet families" said Larry R. Evans, President & CEO of PetLynx Corporation. "By working together with the rest of the industry, I am confident that we will establish a new level of enjoyment and wellbeing for every dog in every community across Canada."

"We are very excited about the opportunity of expanding the RDOG program and our relationship with dog owners across Canada," said Joe Mauro, CEO of the Canadian Kennel Club. "The Canadian Kennel Club is an organization that has served the needs of dog breeders and owners in Canada for more than 120 years. Our breeders and breed clubs are the subject matter experts in our communities who can help Canada achieve a leading role worldwide in responsible dog ownership and industry compliance."

ALL CLUBS HOLDING AGILITY TRIALS

Effective January 1, 2010, in accordance with Motion 27-03-09, all clubs holding Agility Trials must offer Selected, Regular and Veterans Classes at all CKC approved trials. Listed below is the new Section 8.5, Veteran, of the Agility Rules & Regulations. For the breakdown of levels of competition please refer to Section 8.1.1 of the rule book. Questions should be directed to the Event Planning Department in the Shows and Trials Division at CKC Head Office.

8.5 Veterans Class

8.5.1 At the option of the handler, a dog 7 years of age or older may be entered in the Veteran Class. Once a dog has been designated as a Veteran and entered in this class, the dog cannot revert/transfer back to the Regular or Se

lected Classes. The dog will retain titles and/or Qualifying scores towards titles accumulated. Any new titles earned will be designated with the letter 'V' for Veteran following the title, (e.g. AGMXV).

8.5.2 All veterans will compete as if running in the Selected Classes at one or two jump heights lower than regular and with the 10% additional time allocated for the Selected Class.

8.5.3 Selected, Regular and Veterans Classes must be offered at all CKC approved trials. Veterans Classes run the same courses as the Regular and Selected Classes and dogs entered in these classes run concurrently in the respective jump heights."

CKC NEWLY APPROVED NON-MEMBER EVENT PARTICIPATION FEE

It is commonly accepted by membership organizations that participation in club events and activities is considered a significant benefit associated with membership and in some instances non-member participation in activities is allowed on a “pay-as-you-play” basis. For both long time CKC Members and our new members this approach reinforces the associated value of being part of our CKC tradition.

The \$3.00 fee for non-member participation in CKC events was recently endorsed by the Board at the December 2009 meeting with an implementation date of June 1, 2010. We recognize that some people may now choose full membership in the CKC (\$35.00) and others may wish to continue participating by remaining a non-member. We invite all past and future participants to join our 25,000 members and avoid the newly initiated fee. It is however an individual choice of whether you choose full membership in the CKC or continue in the sport of dogs as a visiting participant...in either case you will be welcomed at our events. Your membership or your participant fee will positively support not only the work of the CKC but your local organizing club as well.

DETAILS FOR NON-MEMBER PARTICIPANTS

The fee applies to all entries by non-members, however non-members co-owning dogs with CKC members are exempt.

- The fee is \$3.00 with \$1.00 retained by the club and \$2.00 remitted to CKC
- The fee is applicable by event and not by class or stake entered, for example; in Conformation when two shows are in one day the surcharge is applied to each show, if a club has three days of separate shows the charge is applicable for each show; in Agility, if a club has six trials in one weekend the surcharge is applicable to each trial entered

DETAILS FOR EVENT SECRETARIES

- A club may choose to forego the \$1.00 and simply collect \$2.00
- Entry forms have been amended to include membership numbers for the owner of the dog
- The new forms are available on the CKC website or can be obtained by contacting CKC order desk 1-800-250-8040

Clubs calculate and report the non-member participant fee totals and remit the total fee when submitting results.

- The Statement of Event fees includes a new section on the calculation of the surcharge and how to apply the appropriate taxes
- CKC will verify entry forms for membership. If found to be in violation and the individual does not rectify the circumstances by taking out a CKC membership or paying the non-member fee, the awarded points will be cancelled.

Further Information?

Should you require further details or explanation on how the new Non-Member Participant fee is applied or for CKC Membership information contact CKC Client Services at information@ckc.ca or call (416)674-3699.
