CKC PRESENTS 2010 AWARD TO AVC STUDENT

The Canadian Kennel Club is pleased to announce the recipient of this year's CKC-sponsored student award in support of the University of Prince Edward Island, Atlantic Veterinary College (AVC). Each year, the CKC makes a financial donation towards a student award to support Canadian veterinary colleges like AVC.

On behalf of CKC Board Chair Lee Steeves, Ms. Lori Clow, a member of the Lady Slipper Kennel Club, was on hand to present the award to veterinary student, Rachel Purvis, at the Atlantic Veterinary College Recognition night, October 6, 2010.

Rachel was, as she put it, "endlessly grateful" for the award and would be putting the money to good use when she travelled to Haiti, where she would endeavour to provide veterinary aid to the animals and veterinary-related education to the people in rural villages.

PETLYNX REGISTRATION PASSES THE MILLION MARK

PetLynx Corporation announced that it has achieved a significant milestone by registering the one-millionth entity within its automated pet recovery service.

PetLynx services are used in more than 211 urban centres across the country, and is the only internet system in the world that can recover animals using a physical description, with or without any of the common forms of pet identification. Hundreds of times a day, the PetLynx Automated National Recovery System recovers lost pets.

To date, more than 1,002,195 entities are registered in the PetLynx National Recovery System. President & CEO Larry Evans stated that he was very grateful for the assistance of his company's strategic allies in Canada, which includes the Canadian Kennel Club. Currently, every dog registered with the CKC receives a lifetime subscription to HOMESAFE, a pet recovery program that is powered by PetLynx.
