Important election information will appear in the August Kennel and Bench and on the CKC Website next month. Stay tuned for further details!

GEARING UP FOR THE FOURTH ANNUAL RDOG DAY

Join us for this year's RDOG Day – a *CKC Responsible Dog Ownership Committee* national initiative that serves to promote responsible dog ownership through education and support, while recognizing the positive contribution that canines make to our society.

RDOG events will begin Saturday, September 17, 2011 and will culminate in a national dog walk of support on **CKC RDOG Day, Saturday, September 24, 2011** at 11:00 a.m.

As experienced and knowledgeable dog enthusiasts, CKC clubs and members are encouraged to share their collective expertise by reaching out to their communities to demonstrate the benefits of responsible dog ownership – and what better way to spread the word than to host an RDOG event!

It's never too early to start planning your RDOG event – and let us help you promote it! Whether you plan to hold a dog walk, host a Canine Good Neighbour or obedience demonstration, give an in-school canine safety presentation, host a microchip clinic or feature an expert, be sure to enter all details of your event on our website.

Feel free to print off the RDOG poster, flyer and post card from our website to help promote your RDOG event, including an RDOG arm band for dog walk participants. Additional RDOG event resources will be available on-line shortly.

Complement your RDOG event with our **CKC Dog-Friendly Educational Guides** featuring relevant topics such as 'Bite Prevention' and 'Children and Safety Around Dogs'. To access, simply login and go to *CKC Resources/Dog-Friendly Educational Guides*.

In the coming weeks, please look for **RDOG special offers** on our website – an excellent way for event organizers to reward participants for supporting responsible dog ownership and CKC RDOG Day.

More further RDOG information, please go to *CKC Services/CKC RDOG Day*.

UPDATED LIST OF APPROVED MICROCHIPS

An updated list of approved microchips acceptable for purebred dog registration is available on-line and can be accessed at any time via *CKC Resources/FAQs/Dog Identification*. Note that only microchips that have successfully completed the NCAC review process and appear on the official notice are acceptable by the CKC for purebred dog registration.

MILESTONES

We regret to announce the passing of the following member. The Canadian Kennel Club wishes to extend condolences to family and friends.

- **Patricia Ann Plante** of Windsor Ontario
- **Charlie Francis** of Surrey B.C.

The Brand Vets Recommend Most For Dog Safety and Freedom

The Canadian Kennel Club is committed to the furthering of responsibility for the ownership of dogs in Canada. As experienced and knowledgeable dog enthusiasts, we come together as members to support the dog-owning public by educating those owners in the responsibilities associated with bringing a dog into the home. This commitment brings with it significant responsibility - to the dog, the family and to the greater community in which you live. From evaluating your readiness for a new dog through determining the breed that is right for you, from integrating the dog into the home through advice on health, training and canine good citizenship, CKC members in large cities and small villages, in every part of Canada, provide the support, advice and guidance to families interested in canine companionship, to better enable Canadians to be responsible dog owners.
