## SUMMER RESTRICTIONS FOR PET TRAVELLERS

Flying with your dog this summer? Then here are some dog-specific travel options to keep in mind:

We are pleased to report that WestJet accepts pets as checked baggage during the summer, with the exception of select locations from May 1 to October 31. WestJet Cargo planes are temperature controlled and can transport pets during the warmer months on domestic flights only. For more information, including details about shipping dogs, please call WestJet at 1 (800) 581-9499 or WestJet Cargo at 1 (866) 952-2746.

Due to potentially high temperatures on the ground, Air Canada and Air Canada Express flights operated by Jazz are not able to transport pets as checked baggage from June 20 to September 10, 2014.

However, Air Canada Cargo is specially equipped for the transportation of animals during the summer months and will accept pets during this period with the exception of select cities. Importantly, at any time when the temperature is over 29.5 °C, Air Canada Cargo may not be able to accommodate animals. For further details, including information on shipping dogs, please call 1 (866) 615-1155 or contact your local Air Canada Cargo office.

As always, we encourage CKC members to review country-specific regulations re: restrictions on the entry of animals and vaccination and documentation requirements, prior to booking.

Happy Flying!

## SYNOPSIS OF THE MARCH 2014 BOARD OF DIRECTORS MEETING

The following is a brief synopsis of the key items of business that were addressed at the March 29 & 30, 2014 meeting of the Board of Directors held in Etobicoke, Ontario. Please note that rules and policy changes shown below are paraphrased for the sake of brevity. In the event of dispute, the specific wording of such changes should be taken from the official minutes of the Board meeting. The detailed minutes of the meeting will be formally approved at the next regular meeting of the Board.

1. The meeting was preceded by an all-day strategic planning session held on March 28, 2014. During that session, the 2012-2015 Strategic Plan was reviewed against the current environment and performance to date, issues were defined and validated, and a "go-forward plan" with recommendations is being developed.
2. Minutes of the December 7 & 8, 2013 Board of Directors meeting were approved.

9. The following amendments were made to the Agility Rules and Regulations, effective immediately:
  - a. Chapter 1 - Interpretations, Section 1.2.4 - Agility Trials Defined & Classified. The amendment was made because when a new rule was passed, there were some issues raised on the number of courses to be offered by a club. The motion raises the number of courses to 10 (from 6) thus allowing all of the new classes to be offered.
  - b. Chapter 2 - General Rules & Regulations, Section 2.1.4 - Eligibility of Clubs to Hold Agility Trials was amended to encourage more clubs to offer more trials because it is impractical to limit the number of trials a club can hold in one day.
10. Amendments were made to the Agility Rules & Regulations such that mixed or unrecognized breed dogs are allowed to participate in the CKC Performance Events of Agility, Obedience and Rally Obedience Trials. The amendments are effective July 1, 2014.
11. The following amendments were made to the Conformation Show Rules & Regulations, effective January 1, 2015:

  - b. Chapter 14 - Disqualifying or Excusing Dog, Section 14.1.2 - Disqualification & Section 14.2.1 - Excusing was amended such that if a dog is twice excused for menacing or threatening, it shall have the status of a

disqualified dog and if a dog is excused three times for not being able to be examined, it shall have the same status as a disqualified dog.

12. The following amendments were made to the Earthdog Test Rules and Regulations, effective January 2, 2015:

- a. New Section, Chapter 1 - Interpretations, Section 1.1 - Definitions was amended to correct inconsistency in terminology.
- b. Chapter 4 - Premium List, Catalogue & Judging Schedule, Section 4.1.3 (g) - Premium List was amended to correct inconsistency in terminology.
- c. Chapter 4 - Premium List, Catalogue & Judging Schedule, Section 4.2.2 - Catalogue. The amendment was made to open up options because obtaining and maintaining rats as quarry in some areas is problematic.
- d. Chapter 4 - Premium List, Catalogue & Judging Schedule, Section 4.3.2 - Judging Schedule. The amendment was made in fairness to the brace mate and the club running the test.
- e. Chapter 6 - Entries & End of Test, Section 6.1.10 - Entry Requirements was amended for consistency with Section 3.2.3.
- f. Chapter 7 - Unsportsmanlike Conduct, Section 7.5 was amended to correct inconsistency in terminology.
- g. Chapter 8 - Test Area Size & Dens, Section 8.10 - Practice Session was amended to clarify the intent of practice restrictions.
- h. Chapter 8 - Test Area Size & Dens, Section 8.18 was amended to make it consistent with description in other areas.
- i. Chapter 9 - Quarry Requirements & Care, Section 9.1. The amendment was made to open up options because obtaining and maintaining rats as quarry in some areas is problematic.
- j. Chapter 10 - Tests & Qualifying Performances, Section 10.2.2 (e) - Introduction to Quarry (Qualifying Performance) was amended to reinsert the definition of when time begins which was inadvertently omitted in the 2012 rule changes.
- k. Chapter 10 - Tests & Qualifying Performances, Section 10.3.2 (e) - Junior Earthdog Test (Qualifying Performance) was amended to increase the time limit the dog has to reach the quarry from 30 seconds to 45 seconds.

- m. Chapter 10 - Tests & Qualifying Performances, Section 10.4.2 (f) - Senior Earthdog Test (Qualifying Performance) was amended to correct an error in the rules and make it clear that "a dog which false marks by working in the false den area for more than 15 seconds cannot pass".

n. Chapter 10 - Tests & Qualifying Performances, Section 10.5.2 (h) - Master Earthdog Test (Den Design) was corrected to remove an option which causes confusion to newer Canadian judges.

o. Chapter 10 - Tests & Qualifying Performances, Section 10.5.3 (o) - Master Earthdog Test (Qualifying Performance) was corrected because the wording causes confusion to newer judges.

16. A motion to amend the Havenese breed standard was lost.

17. Michael Catton, Gail Forsythe, Bruce Fraser, Robert Lindey and Lionel Whittaker were appointed to the Appeal Committee for a period of three years or until the Board appoints a new Committee.

18. Thora Brown was appointed to fill the vacancy on the Event Officiating Committee to the end of the current Committee's term.

19. An outline of a Puppy List proposal was received as information and will come back as a fleshed out formal proposal.
