## CKC PRESENTS 2014 AWARD TO AVC STUDENT

The Canadian Kennel Club is pleased to congratulate Jessica Rock – the recipient of this year's CKC-sponsored student award in support of the University of Prince Edward Island, Atlantic Veterinary College (AVC).

Each year, the CKC makes a financial donation towards a student award to support Canadian veterinary colleges like AVC.

Dwain McLean, CKC Board Member for New Brunswick and P.E.I., presented the award to Todd Stoddard, who accepted the award on behalf of Jessica, at the Atlantic Veterinary College Recognition Night, October 8, 2014.

Fourth-year student Jessica cites her grandmother as the major influence for her love of animals and keen interest in the heritage of dog breeds and is the proud owners of four pets, including two smooth Fox Terriers. Jessica is grateful for having worked with many outstanding teachers and mentors throughout her life, including many members of the Atlantic dog community. Congratulations Jessica! CKC wishes you continued success in all your future endeavors.

## WEAR A CKC FOUNDATION PIN AND SHOW YOUR COMMITMENT TO CANINE HEALTH AND WELFARE

The Canadian Kennel Club Foundation has commissioned two beautiful lapel pins featuring its brand new logo. There are two different pins: one available to anyone making a minimum donation of \$10 and one pin is available to those making a minimum donation of \$50.

Plans are to make new pins in subsequent years marking your annual commitment and continuing support for the work the Foundation does in providing grants to improve canine health and to promote the benefits that dogs bring to our lives.

If you or your club would like to make a donation, please mail a cheque to the CKC Foundation (200 Ronson Drive, Suite 402, Etobicoke Ontario, M9W 5Z9) or [click here](#) to donate via the CKCF website ([www.ckcf.ca](http://www.ckcf.ca)) through PayPal. Your donation is eligible for a tax deductible receipt.

Watch for the availability of pins at dog shows and events very soon. Please show your support—for the good of dogs and the good that dogs bring.

## CKC FOUNDATION ANNOUNCES FUNDS FOR LYMPHOMA TREATMENT AND EXCESSIVE BLEEDING IN PREGNANT BITCHES

Dogs have an ally in efforts to address the effectiveness of lymphoma treatments and excessive bleeding in at-term pregnant bitches. The Canadian Kennel Club Foundation, a nationally registered charity, has announced it will provide \$32,500 in funding to two research projects related to these serious canine issues. Seventeen-thousand-seven hundred (\$17,700) will be provided to lymphoma research and \$14,800 to excessive bleeding in at-term bitches.

Lymphoma (a type of cancer) treatment is costly and a heartache for dog owners and there are many different possible approaches to treatment so it's important to determine as soon as possible whether the selected approach is working so that alternate treatments can be considered. The research project would help identify effectiveness of the treatment method.

There are incidences of at-term bitches experiencing inexplicable traumatic and catastrophic blood loss during puppy delivery and/or during Cesarean sections. The research project will track a sample of bitches throughout pregnancy and attempt to identify, through low-cost blood serum tests, those that could be at-risk for severe bleeding during delivery.

Organizations eligible for Canadian Kennel Club Foundation funding were invited earlier in 2014 to submit applications for funding in a competitive process. From eight very high quality applications received, a sub-committee of the Canadian Kennel Club Foundation consisting of research scientists reviewed and recommended the two approved applications, both from the University of Guelph in Ontario.

“Both of these projects offer the potential of high success which could result in helping affected dogs. That said, scientific research is a moving target and each step takes us forward to possible health care solutions for our beloved companions even if an initial project’s hypothesis fails,” said foundation board member Dr. Rod Jouppe, DVM. “With these grants, the Canadian Kennel Club Foundation is stating that it supports improved health of our canine companions and of reducing the grief to owners when their dogs face health challenges.”

To find out how you can support the CKCF’s goals with a donation, and receive a tax-deductible receipt, please contact [click here](#) or [info@ckcf.ca](mailto:info@ckcf.ca).
