CKC JUNIOR HANDLER RECOUNTS AMAZING JOURNEY INTO CONFORMATION WORLD

The Canadian Kennel Club is delighted to acknowledge CKC Junior Handler, Stephanie Poot's incredible achievements and dedication to the sport over the past three years as detailed in her recent biography in the June 2015 edition of *The Dog Show Journal*.

In this heartfelt article, Stephanie expresses great joy in accomplishing more than she had ever expected and chronicles her remarkable journey into the conformation dog show world—earning great respect and innumerable wins in juniors and the conformation ring along the way.

Stephanie is a passionate purebred dog advocate and recognizes that the juniors are the future of conformation shows. A 2014 Zone 7 Junior Handling finalist, Stephanie will once again represent her zone at the Canadian Junior National Finals this November and we look forward to following her success.

We encourage you to view this wonderful biography in its entirety on pages 74 to 78 [here](#), and be sure to click on the camera icon on page 76 to view some incredible photos of Stephanie in action.

CKC AND NESTLÉ PURINA PETCARE CANADA PRESENT CHEQUE TO LIONS FOUNDATION OF CANADA DOG GUIDES

The Canadian Kennel Club, in partnership with The Purina National sponsor, Nestlé Purina PetCare Canada, was pleased to present a cheque for \$29,283 to the Lions Foundation of Canada Dog Guides on Sunday, May 24, 2015.

The presentation was aptly made at the Harbourfront Purina Walk for Dog Guides, a Lions Foundation fundraising initiative, which raises funds to help train Dog Guides for Canadians with visual, hearing, medical or physical disabilities.

The Lions Foundation of Canada Dog Guides works to assist Canadians with a medical or physical disability by providing them with Dog Guides at no cost. To achieve this goal, the Foundation operates Dog Guides Canada, a national training school and charity that assists individuals with disabilities through specialized Dog Guide programs.

“CKC is thrilled to have been a part of this special event and is pleased to support the important work of the Lions Foundation of Canada Dog Guides” said Andrew Patton, CKC Communications Manager.

More details about this exciting event can be found [here](#).

SUMMER RESTRICTIONS FOR PET TRAVELLERS

Thinking of flying with your dog this summer? Be sure to check with your airline carrier as there may be pet travel restrictions due to high temperatures and heavy loads during peak summer travel periods.

We are happy to report that [WestJet](#) accepts pets as checked baggage during the summer, with the exception of [select locations from May 15 to October 31](#). [WestJet Cargo](#) planes are temperature controlled and can transport pets during the warmer months on domestic flights only. For more information, including details about shipping dogs, please call WestJet at 1-888-937-8538 or WestJet Cargo at 1-866-952-2746.

[Air Canada](#) is not able to transport pets as [checked baggage](#) from June 20 to September 10, 2015. However, [Air Canada Cargo](#) is specially equipped for the transportation of animals during the summer months and will accept pets during this period with the exception of select cities. Importantly, Note: Air Canada Cargo cannot accept most animals for transportation when the outside ground temperature is 35°C or higher (including the humidity level) at any location in the routing.

Also note that [Air Canada Cargo](#) does not accept [Brachycephalic breeds](#) on days where the temperature is higher than 24°C, at any point of the journey, due to an increased risk of [heat stroke and breathing problems](#). For further details, including information on shipping dogs, please call 1-800-387-4865 or contact [your local Air Canada Cargo office](#).

As always, we encourage CKC members to review [country-specific regulations re: restrictions on the entry of animals and vaccination and documentation requirements](#), prior to booking.
