## CKC INTRODUCES NEW CHASE ABILITY TEST

CKC is pleased to introduce the new Chase Ability Test to the CKC line of events, effective March 1, 2016.

This exciting event, developed after the ever-popular Lure Coursing, allows dogs to uncover their natural prey drive through chasing a lure - all while having lots of fun. The Chase Ability Test also provides purebreds and mixed-breeds with the opportunity to compete and earn multiple titles and certificates in a field event that all dogs are capable of performing.

Two types of courses will be available: one for dogs shorter than 12 inches at the withers or brachycephalic dogs and another course for the remainder of the dogs entered. The Chase Ability program is a pass/fail event. How does your Dog earn a Pass? A dog must run alone, chasing the lure and complete the course with enthusiasm and without interruption.

Any CKC-recognized Club approved to hold Lure Coursing Trials is automatically approved to hold a Chase Ability event. Applications are to be made a minimum of 180 days prior to the event. To apply, [click here](#).

Watch this space for more information about this exciting new event.

## CKC EXHIBITORS TRIUMPH AND INSPIRE

When it comes to training, dogs are willing participants. For some trainers, running through their paces can be a challenge, but recent success stories have highlighted that having a physical disability isn't a barrier to reaching the top.

Fifty-year CKC member, Sharon Palmer and her Shetland Sheepdog Sky\* were invited to represent Canada and defend their Jumpers title at the ParAgility World Cup (PAWC) in Austria on August 27-30, 2015. The team won two Silver medals, placed second overall and is currently ranked second in the world!

This is just the tip of the iceberg of what Sharon has been able to achieve. Once she began experiencing mobility issues, Sharon moved to a smaller breed. Over the years, her dogs have excelled in obedience, agility, rally, conformation, flyball and herding.

Sky's predecessor Tyler earned 135 performance titles, and Sky has 102...so far. Tyler and Sky are two of just five Shelties to have earned the Working Trial Championship title for herding, since it was first offered by the ASCA in 1957. In 2014, Sky not only qualified for PAWC, but also qualified for the Canadian Herding Championships and finished fifth in both ducks and sheep. These are incredible accomplishments for dogs that are, first and foremost, Sharon's service dogs.

*\*Sky's full title is CH. WTCH, ATChC, C-ATCH, U-CD, UR-O3, VCX, VTCH, U-AGII, MVS JUBILEE DARK SIDE OF THE MOON, CKC CD, RAE, CRNMCL, CRAMCL, CRXMCL, CRXT, CRB, CRS, AGMX, AGXJ, MSCDC, ExStB, ExJB, ExGB, ExSB, ExSCB, VBA, JS-N, ChST, FDCH-s, AKC HT, CKC HI, HI-sd, HA-sd, SDI, HTT, AHBA HTADI-d, HTADII-s, TT, DOT, CGN.*

At the Forbidden Plateau Obedience and Tracking Club in BC, September 26 & 27, 2015, Saturday's two High in Trials were won by exhibitors who used walkers the entire time they were in the ring. Jacqueline Boyd and Vizsla Akar

Little Deuce Coupe picked up their HIT from the Open B class and June Kerr and Labrador Retriever Massie's Cayenne Pepper competed in Novice A and earned their CD title on the same weekend. Sunday's two trials were both won by Vizsla Ch., AGMCh. & OTCh. Jaybren's Fine Gold CGN, IP, TD, DDX, AgMX, AgMXJ2 and Blair Kilgour, who requires braces on both legs. Just goes to show that everyone can participate, as long as they wish!

## WOOFSTASTIC TIME AT WOOFSTOCK!

It was all wagging tails and wet noses at this year's Woofstock in the Toronto beaches and CKC was there to greet the dog-loving crowds and spread the word about the benefits of purebred dogs and responsible dog ownership.

This year, we were pleased to offer Canine Good Neighbour testing throughout the weekend and CGN Evaluator-extraordinaire, Naomi Kane, was busy from start to finish as dogs of all kinds were taken through the twelve important steps and all dogs but one passed with flying colours!

We were thrilled by the positive, public interaction with our Canadian indigenous Nova Scotia Duck Tolling Retrievers at the CKC booth, who took in all the praise and petting that passers-by had to offer. Our Toller breeders: John Hobden, Barb Rudolph and Angela Sokol were on hand to answer any questions and impressed a good number of attendees with their passion and deep knowledge of the breed.

Many thanks to all of our volunteers. We couldn't have done it without you. Hope to see you all at the next show!
