CKC AND SUBARU CANADA, INC. CONGRATULATE SUBARU AGILITY TEAM CANADA ON GREAT PERFORMANCE AT THE AKC AGILITY INVITATIONAL

Four members of Subaru Agility Team Canada (SATC) travelled to Orlando, Florida, to represent Canada at the American Kennel Club

Agility Invitational held on December 16 - 18. CKC's four invitees joined approximately 700 other dogs for three days of rigorous competition and fast-paced fun! This year's SATC competitors were Debby DaCosta with "Krystal" (Small), Anneli Hilton with "Arson" (Medium), Tiffany Salmon with "Chill" (Large), and Junior Handler, Kyra Salmon with "Covey" (Large).

The competition began Friday with the Junior Handlers where Kyra/Covey took home second place in Jumpers with Weaves (JWW) and 4th place overall in Juniors! They took their momentum in to the main competition and finished 7th in Time to Beat Open Obedience & Advanced Rally.

Tiffany/Chill faced challenges in the first three rounds of JWW but their persistence and drive led the way to a clean run in the 4th round, taking home 4th place. Chill was awarded the Certificate for Top International Dog for 20" height category.

Anneli/Arson competing in the medium dog, 16" height category wowed the crowds with their 1st place finish in Time to Beat (Regular), 1st place in Round 1: JWW and 3rd place in Round 2: Standard. For their amazing work, Anneli and Arson were awarded 2nd in Sporting Dogs after Round 2.

In the small dog category, Debby/Krystal faced fierce competition, finishing 11th of 129 dog/handler teams in Round 1: JWW and 10th in Round 2: Standard, giving them an 8th place overall after Round 2.

"Congratulations to all SATC members who participated in Orlando. The enthusiasm and dedication to working toward their goals at such elite levels is inspiring," said Joe Felstein, Subaru's Director of Marketing.

Linda Barton, Team Leader, could barely contain her enthusiasm at the end of the weekend, "it was an absolutely amazing event! Loved every minute of it." SATC would like to thank Subaru Canada, Inc. for their generous support in 2016.

Congratulations again to all of the SATC competitors. We look forward to cheering you on in the international ring in 2017!

If you are interested in participating in Agility Trials with your dog, you can view upcoming opportunities in your area on the [Events Calendar](#). For more information on SATC, including eligibility and selection process, please visit [SATC's website](#).

CHANGES TO TORONTO ANIMAL CONTROL BYLAW COMING THIS MARCH

As you may know, the City of Toronto Municipal Licensing and Standards Division recently reviewed its animal control bylaw [Chapter 349, Animals](#) to determine how the City could effectively balance, manage and address dog behaviour, owner responsibilities and public safety in the City.

In late 2016, CKC encouraged Toronto/GTA members to participate in the City's Responsible Dog Ownership survey regarding the proposed bylaw changes and CKC was also invited by the City to submit a position statement on this subject.

Thank you to all members who participated in the survey. The results of this survey were considered as part of the City's report to the Municipal Licensing and Standards Committee. [View survey summary](#).

The proposed changes to Chapter 349, Animals were considered by the Municipal Licensing and Standards Committee on November 30, 2016 and adopted with amendments. Toronto City Council adopted these proposed changes to Chapter 349, Animals without further amendments on December 13, 2016. The bylaw is expected to be enacted at the Council meeting end of this month.

Importantly, amendments to Chapter 349 are effective March 1, 2017 and include:

- New definitions for dangerous dog, dangerous act, attack and extreme weather
- Requirements for owners of a dangerous dog and muzzling, microchipping, special dog tags, warning signage, prohibition from off-leash parks and training
- An extreme weather provision to ensure that the dog is adequately protected from the elements
- Time limit of one hour that a dog can be tethered
- A prohibition on the use of choke collars, choke chains, pronged collars or any similar device on dogs for tethering.
- No person shall walk and have control over more than three dogs unless authorized by a commercial dog walker permit.
- Prior to the determination of a dangerous dog, the Executive Director, Municipal Licensing and Standards is to consider whether the dog was acting in self-defense when the dangerous act leading to the order to comply under Chapter 349-15 occurred.
- Increased fines and penalties for those who do not comply
- Authority for Officers to inspect for compliance on private property. Note: an officer may enter upon land within the City at any reasonable time for the purpose of carrying out inspections to determine compliance.

For more details, please [view all Amendments to Chapter 349, Animals](#).

LAUNCH OF THE NEW PUPPY LIST

Did you know? In 2016, breeder ads were viewed over 675,000 times by people seeking to purchase a puppy, resulting in nearly 7,000 emails being sent to breeders!

We are delighted to announce the arrival of the new Puppy List! As part of our ongoing IT4You project, the Puppy List has recently undergone a transformation and is ready to launch. Going forward, the new and improved Puppy List will be an invaluable tool for all CKC breeders.

Basic Members

All Basic Members are provided a basic listing which displays your name, breed and email contact form. Basic membership ads have a conversion rate of about 1% (1 in 100 people contacted the breeder). In order to take advantage of this listing, you must choose to display your ad via the 'My Profile' section after logging into the member site. Find the opt-in by scrolling down to the Puppy List section. Here you will be able to opt-in to the Puppy List and upgrade to a Membership Plus account if you wish.

Membership Plus

Those with a Membership Plus account are automatically provided with an enhanced ad listing, no opt-in necessary! These enhanced ads display your name, breed, email contact, website address, phone number, ad copy, as well as up to THREE pictures! In addition, enhanced ads can also be updated as needed. Once logged in to your account, you will be able to enter your ad details for free. Enhanced ads have a 38% conversion rate (4 in 10 people that view an enhanced ad contacted the breeder). By upgrading to Membership Plus, you are 37% more likely to get contacted by a prospective puppy buyer.

We encourage all our members to log in to their 'My Profile' section of the website to check out what the new Puppy List has to offer.

If you have any questions or concerns over the new Puppy List please feel free to contact us at information@ckc.ca or toll free at (855)364-7252.

DISCIPLINE COMMITTEE REPORT

The following report is of disciplinary action taken by the Discipline Committee at its meeting held on November 19 and 20, 2016. All penalties commenced as of December 24, 2016.

Please note that subsequent infractions, not necessarily of the same offence, will carry penalties of increasing severity. Consequently, in those cases where an individual has been found guilty on a separate offence, the penalty will be more severe than for a first time offender. The reference to the penalty continuing means that the penalty will continue until such time as the provisions of the Animal Pedigree Act, Club's By-laws, rules, regulations, policies or procedures have been satisfied.

CANADIAN KENNEL CLUB MISSION STATEMENT

Who We Are

The Canadian Kennel Club is a national, member-based, non-profit organization, incorporated under the Animal Pedigree Act of Canada. It provides registry services for all officially recognized breeds of purebred dogs and provides governance for all CKC approved shows, trials and events. Finally, the CKC is a communication organization informing all people interested in dogs.

Mission

The Canadian Kennel Club will service its membership and the community at large by giving support, understanding, help and guidance in all their canine-related endeavors. CKC will work so that members will be proud of their affiliation. The Club will recognize, promote, and publicize the actions of responsible breeders and owners.

Vision

The Canadian Kennel Club, with its members, will be a dynamic service organization, a recognized authority for purebred dogs, and an advocate for all dogs.

Values

The Canadian Kennel Club will embrace integrity, openness, honesty and compassion in its dealings with all of its members and customers.
