INAUGURAL SPRINTER EVENT A HUGE SUCCESS!

The first weekend of CKC sprinter events was held by the Alberta Lure Coursing Association (ALCA) on July 1st and 2nd near Edmonton; a total of four events — two per day — saw incredibly strong entries of 72 and 74 entries for the first day, and 64 and 61 entries for the second day. Participants ranged from a tiny Toy Poodle to a brawny Bullmastiff, not to mention a sizeable contingent of Boxers. Amazingly, it is reported that 13 dogs received their CKC Novice Sprinter titles (Pending CKC Verification) on the 3rd test and 29 dogs on the 4th test. The ALCA's inaugural sprinter event has given us the very first CKC Novice Sprinter (Pending CKC Verification) titled dog: a Pembroke Welsh Corgi named "Cohen." Congratulations to all the dogs who participated, their proud owners, and to ALCA for running a fantastic first CKC Sprinter Event!

NEW NUMBER SYSTEM FOR DOGS ENTERING SHOWS AS "LISTED"

This year, CKC is moving forward with an enhanced computer system, offering users an improved online experience with tools that make doing business with CKC much simpler and faster. It will also accommodate the submission of electronic event results. To facilitate these new processes, each dog must be able to be identified by the system (i.e. have a unique number).

When the system is implemented, CKC will initiate a new process requiring all recognized breeds that are considered listed dogs entering events to obtain a Temporary Competition Number (TCN). The TCN allows a dog that is eligible for CKC registration or an Event Registration Number (ERN), to participate in CKC events.

Temporary Competition Numbers must be obtained before the closing date of entries. Once the dog is permanently registered or has an ERN, the TCN will no longer be valid.

While there is no fee for the Temporary Competition Number, exhibitors will still be required to pay listing fees when entering events.

The request for a TCN will be self-serve; exhibitors will be directed to the CKC website to complete an online application and a TCN will be issued instantly. Exhibitors may also obtain

a TCN by completing a printed application and submitting it to the CKC, or by contacting the Shows and Trials Division by telephone.

This initiative was passed by the Board and is effective July 1, 2018; however, the Temporary Competition Numbers will not be available until the new system is implemented. In the meantime, we will continue to provide updated communication regarding this matter.

The Temporary Competition Numbers will also allow results to be posted sooner. As the launch date for the new computer system approaches, and throughout the transition, CKC will be working with clubs and event secretaries, and will provide members with e-mail updates, and postings on ckc.ca and Facebook.

If you have any questions regarding Temporary Competition Numbers, contact Membership Services at 416-675-5511, 1-855-364-7252 (toll-free), or email at information@ckc.ca

QUEBEC GOVERNMENT REMOVES BREED SPECIFIC LEGISLATION FROM BILL 128

Most recently, CKC reported that the Quebec government was planning to amend Bill 128 before the summer recess and as promised, removed any breed specific provisions after finding that there was no scientific consensus that banning breeds was effective or enforceable.

As of June 13, the **updated Bill 128** (An Act to promote the protection of persons by establishing a framework with regard to dogs) became law in the Province of Quebec and includes rules regarding dog breeders and dangerous dogs, and we encourage members to review the updated regulations.

New Montreal Animal Control Bylaw Introduced

The City of Montreal's recent adoption of a new animal control bylaw brings welcome change, such as the removal of any breed-specific provisions, in favour of stricter dangerous dog regulations. The new bylaw, currently **available in French only**, also aims to increase safety and reduce the number of biting incidents—and ultimately to make the owner more accountable.

Montreal's proposed animal control bylaw was developed following public consultations earlier this spring, after the City suspended its breed-specific laws on December 20, 2017. While the new regulations are generally positive and seek to promote responsible dog ownership and protect dogs, along with Montreal residents, CKC will further investigate provisions that may adversely affect our members.

For example, the City has proposed a ban, effective January 1, 2020, on choke collars, a prong collars, and e-collars—integral and effective tools used responsibly by dog exhibitors, trainers and evaluators. As we have seen with the recently suspended ban on these collars in Toronto, the decision to ban these collars is misguided and falls short of its intent to target irresponsible dog owners. CKC continues to support positive and humane training methods for dogs and believes that positive owner influence and education are paramount throughout the training process. Other provisions to note include mandatory harnesses or head halters for dogs 20 kg+, limitations on number of pets owned and mandatory spay and neuter for cats, dogs and rabbits that are not registered with a recognized breed association.

Please watch for more details as we work to further clarify aspects of the new bylaw and contact the appropriate Council members to ensure that the interests of our members and their dogs are well represented.

BACK ON TRACK NOW AVAILABLE AT SHOP.CKC.CA!

Dog sport is physically challenging for dogs and their handlers. From the concrete floors of indoor conformation to the tight turns of agility courses, a full weekend can create as many sore joints as proud moments. The post-event recovery is

just as important as preparation and performance – for you and your dogs.

Back On Track®'s products - already a favourite of CKC's Top Agility Dog teams – are renowned tools for pain management,

reducing inflammation and promoting healing. As partners of the Canadian Police Canine Association, Back On Track® is knowledgeable and ready to support high performing dogs and their handlers.

CKC members receive 15% off and free shipping* on all Back On Track® products purchased through Shop.CKC.ca! Get the

member only discount code under Discounts when you login the member only site.

*Free shipping only applies to Back on Track® products. Shipping fees will be applied to any other items in your cart.

CANADIAN KENNEL CLUB MISSION STATEMENT

Who We Are

The Canadian Kennel Club is a national, member-based, non-profit organization, incorporated under the Animal Pedigree Act of Canada. It provides registry services for all officially recognized breeds of purebred dogs and provides governance for all CKC approved shows, trials and events. Finally, the CKC is a communication organization informing all people interested in dogs.

Mission

The Canadian Kennel Club will service its membership and the community at large by giving support, understanding, help and guidance in all their canine-related endeavors. CKC will work so that members will be proud of their affiliation. The Club will recognize, promote, and publicize the actions of responsible breeders and owners.

Vision

The Canadian Kennel Club, with its members, will be a dynamic service organization, a recognized authority for purebred dogs, and an advocate for all dogs.

Values

The Canadian Kennel Club will embrace integrity, openness, honesty and compassion in its dealings with all of its members and customers.
