Notice to all Dog/Puppy Owners who Purchased A Dog/Puppy to be Registered with the Canadian Kennel Club

Due to a number of unfortunate circumstances, the Canadian Kennel Club (CKC) is delayed in issuing dog registration certificates and pedigrees for applications that were submitted after September 30th, 2019. We anticipate the backlog will continue into the coming weeks.

If your breeder has indicated that they are delayed in providing you with your dog's CKC registration certificate, please understand that this is not in their control. CKC will not penalize any breeder for a delay in providing certificates due to these circumstances. CKC staff are working diligently to clear the backlog.

If you have any questions, or would prefer to confirm this delay with a CKC staff member, please contact us at information@ckc.ca or 1-855-364-7252.
