

CKC Breed Standard Amendment Service

This service is for individuals, clubs and event secretaries that have purchased a complete set of Breed Standards and wish to receive updates as breed standards are modified.

Further, as new breeds become eligible to compete, they are included in the breed standard amendment service updates.

All of the current additions and modifications to breed standards will be provided to you automatically if you have subscribed to this service. The subscription is annual and must be renewed each year.

Please refer to the Schedule of Fees on the CKC website for the cost of this service.
