PERFORMANCE EVENT NUMBERS

A Performance Event Number (PEN) allows an unregistered dog of a CKC recognized or listed breed to participate in competitive events that are appropriate for the breed. Those events are as follows: Obedience Trials, Rally Obedience Trials, Tracking Tests, Herding Trials, Draft Dog Tests, Agility, Lure Coursing, Earthdog Test, Hunt Tests, Working Certificate Tests, Pointing Field Dog Tests, Chase Ability and Scent Detection. Please note that eligibility for entry into some performance events is dependent on the breed.

Eligibility

In order for a dog to be eligible to receive a PEN, all of the following criteria must be met:

1. The dog must be of a CKC recognized or listed breed
2. The dog, for one reason or another, must not be eligible for CKC registration
3. The dog must be spayed or neutered
4. The dog must be properly identified with a CKC approved microchip (this requirement is not necessary for ILP dogs)
5. In the case of a foreign born dog residing in the USA, in addition to the above, the dog must have been issued an AKC PAL number.

Application Instructions

To apply for a PEN:

1. Complete the appropriate CKC PEN application. If the dog is co-owned, all co-owners must sign the application.
2. Submit the following documentation with the completed application:
 - a) Two recent and clear photographs of the dog in standing position
 - One full frontal view
 - One full profileThe photographs must be signed and dated by a veterinarian confirming type of breed and size of dog, i.e., 20" Golden Retriever
 - b) A veterinarian certificate confirming that the dog has been spayed or neutered
 - c) A statement as to why the dog cannot be properly registered with the CKC
 - d) The appropriate fee, as noted in the CKC Fee Schedule (please include the appropriate taxes)
 - e) In the event that the dog has been born in a country other than Canada and has been issued an AKC indefinite Listing Privilege (ILP) number, the AKC ILP Certificate may be submitted in lieu of the photographs and the certificate confirming spay or neuter

Change of Ownership

Should the dog's ownership change, the PEN number must be transferred into the name of the new owner. This may be accomplished by completing the transfer portion on the reverse of the PEN Certificate and forwarding it to the CKC along with the appropriate fee. A new PEN Certificate will then be issued and forwarded to the new owner.

Note

A dog that is eligible for a PEN may not be entered in events as a listed dog. Dogs may only enter events after a PEN has been issued to that dog. This restriction shall also apply to dogs with ILP numbers.

The CKC may cancel for cause, and previously issued PEN number.
