season will be especially good to transport dogs from Canadian conditions and everything in our power will be done to make exhibitors feel at home here. A settlement of the election of a most favorable nature in the minds of business men has started up renewed life and activity and Canadian breeders will not have for many seasons such a chance as this to present their claims for public patronage. Especially with the Cocker Spaniel breeders is this true, and Canadian Cockers stand so high that with the demand for this dog in the States Dominion breeders will find it very much to their advantage to be in strong evidence at Boston in February. Mr. Little is the Secretary of the Bench Show Committee, and we know that personally he will do all in his power to further the ends of those Canadians who enter at this favorite fixture.

A SOUVENIR OF MONTREAL.

Our thanks are due Mrs. Pitt for one of the "committee" badges worn by the management at the recent Montreal show. In design it is both unique and costly looking.

A TOMBULA, OR DRAWING,

of high class dogs donated by friends of the Association is to be held in Montreal on December the 19th. The dogs are a miscellaneous lot from a Russian Deerhound to a Yorkshire Terrier, and number according to the list seven teen, though it is expected this number will be augmented. Tickets are \$1 each to be had from any member of the Association or from the Secretary. Any surplus after expenses are paid will be applied to the reduction of the debt incurred by the last show.

THE INTERNATIONAL FIELD TRIALS.

The International Field Trials closed on Nov. 19th. They were held at Mitchell's Bay, fifteen miles distant from Chatham. The Derby was won by Brighton Joe (T. G. Davey, London), Millbrook second (R. Bangham, Windsor), Heatherbloom third (Graydon, London), Spotted Star fourth (Sam Holmes, Chatham). The great event, the All-Aged Stake, resulted as follows: Dash Antonio, English Setter, black, white and tan, won, owned by R. Bangham, President of the International Field Trials Club. This dog was first winner of the Peninsular trials, Leamington. Cleopatra, English Setter bitch, black and white, second, owned by W. B. Wells, Chatham, Secretary of the International Field Trials Club. This bitch was first in all-aged in 1894, and also third in North-western Field Trials. Third divided between Luke, English Setter, black, white and tan, and Lock,

NOTES AND COMMENTS

THE BOSTON SHOW.

MR. Jas. L. Little kindly supplies us with the following information: The New England Kennel Club will hold its 13th Annual Show for Dogs at Mechanic's Hall, February 2nd to 5th, 1897. This is a new departure so far as dates go, and it has been welcomed and highly approved of by all the exhibitors and breeders as far as heard from. We especially desire as large a representation of dogs from the Dominion as can be made, and hope to break the record in this particular. The

black, white and tan, owned respectively by Wells and Bingham. This dog was third at Leamington in the same stakes. The weather was splendid, ground good, birds plentiful and the quality of work higher than at any previous trials.

"MADE" FRONTS IN BULL DOGS.

Our Dogs in commenting on the fallacious idea that Bull dogs chest are widened writes as follows:

"I know there are plenty of novices in the breed who firmly believe that they could make their Bull pups wide-chested, and stand straddling any amount of width in front, if those "in the know" would only tell them where to get "the apparatus" the successful dogs in these points are made to wear during their rearing, whilst other tyros fancy that screw tails can be produced by certain "masters in the art of faking." But such fancies are all bosh, absolute rubbish and complete nonsense, though I am quite ready to believe that severing the lip-strings and curtailing tails of undesirable length are practices by no means uncommon. But these operations require no surgical skill, and only involve a certain amount of risk of being discovered."

MR. C. Y. FORD,

has added to his kennel the rough Collie dog Canadian Monarch imported from England by the Maple Leaf Kennels, Harriston. He is by Scotforth out of Invercauld Beauty, and is the winner of many prizes, Mr. Mortimer giving him first open and three specials at the late Toronto show.

AMERICAN COLLIE CLUB.

At a meeting of the Collie Club in New York, a committee was formed to revise the constitution of Mr. Jas. Watson, Mr. Samuel L. Stewart and Mr. C. Y. Ford representing the Canadian members.

MR. HENRY JARRETT

has sold the Collie bitch Roslyn Gaylass in whelp to champion Christopher to Dr. Webster, Toronto, who it will be remembered purchased the Toronto winner The Nun; it seems that many a good Collie is coming to Canada.

COLLIE ITEMS.

Two or three new dogs have lately crossed the briney for Canada, but as yet we have been unable to get particulars. Mr. Smith "Auchairnie" of Montreal has, we understand, a string of about a dozen picked out to arrive in the near future. Mr. H. B. Hungerford, Toronto, has bought Beulah bred by Mr. McEwen from Mr. Jno. Corley of Mount Forest.

CHAMPION DUSKY TRAP

that sturdy old stud Fox Terrier sold by Mr. Bell to a western fancier about a year ago has at last joined the great majority full of years and honors.

MR. PARKER THOMAS

is offering for sale his imported stud Fox Terrier Vice Doge who has proved himself of value in his capacity as a sire; also the wire bitch Tough winner of second at Kingston in a mixed class.

MR. GEO. BELL, JUN.,

adds two black Cocker dogs to his stud list this month in Say a son of champion Fascination, and The Almighty Dollar, who owns the great champion Black Duke as his sire. Mr. Bell has rescued from oblivion a young black bitch which when shown will prove a hot one. She has grand legs and feet and splendid body and typical head, coat is lacking just now but that is coming.

ST. JOHN, N.B. TO VICTORIA, B.C.

In a recent issue of the GAZETTE Mr. A. A. Macdonald offered several Terriers for sale, of which he has since disposed of the following:—A smooth bitch by Von Voigt out of Bonaily Belle to Rev. F. W. Flinton, Victoria, B.C.; a wire puppy by Aldon Quaestor—Aldon Dahlia to Mr. J. S. McLaren of St. John, N.B.,—of the D'Orsay puppies two went to Mr. A. P. Burritt, Toronto, and one to Mr. Chas. McCormack, Kingston. Many other applications were received which may yet result in business.

DUNOWEN,

Mr. Lindsay's Irishman is to take up his residence in "the States" shortly for an extended stay, combining business with pleasure. The dog has done well in the stud here and from moderate bitches has sired some very promising puppies, this property being inherited from his sire champion Breda Mixture.

MR. ED. MACK, TORONTO,

has become enamoured of the Irish Terrier Nutcrack's Mate, who has been under his charge for some time and so has purchased him from his importer Mr. Geo. Bell.

THE RAVEN KENNELS

sold at the Brooklyn Show the red Cocker dog Raven R. to the Swiss Mountain Kennels. It will be remembered that Mr. C. H. Mason placed him over Hamilton Jack at Kingston.

MR. C. Y. FORD

sold the well known red Cocker bitch Red Dolly to Mr. Geo. Green while at the Brooklyn Show.

BROOKLYN SHOW.

THE Metropolitan Kennel Club may be congratulated on having brought together upwards of 700 of the *creme de la creme* of the fancy, and upon having such a man as Mr. Mortimer at the head of affairs to whom is attributed all the hard work, besides hundreds of personal letters written as reminders that once more "The City of Churches" would have a show. The result was strongly in evidence. Everyone was there, and all joined in the excellent luncheon tendered by the Club on the first day. A few Canadians were on hand. Mr. L. A. Klein once more showed his fine sportsmanlike spirit and entered a number of his well known winners, but alas it was the same old story, a telegram arrived saying that his dogs were held by the Customs, so rather than cart them further they were returned to Black Lake; luckily What's Wanted had been sent some days ahead so represented the kennel by winning first. Unfortunately Warren Smuggler suddenly became indisposed so Mr. Macdonald was unable to send him, had he been there I feel sure that he would have been in the money; if I remember rightly Von Voit also disappointed his owner by preferring home to the New York show, last year; however if all goes well the advocate of the "cork" will surprise the talent at the New York show of 1897. No less than fourteen judges were down to officiate of which Mr. Farrar Rackham was unable to keep his appointment to judge the toy dogs. An invitation was extended to Mr. C. H. Mason, but eventually Mr. Mortimer took the classes himself to the general satisfaction of exhibitors.

St. Bernards numbered 47, of which Leed's Barry was probably the best, a large sound dog with grand head and expression, shown too light in flesh; that grand old bitch Empress of Contoocook was shown in excellent condition, and it is doubtful if there is a younger one to rival her. *Mastiffs*.—These together with *Bloodhounds* were judged by Mr. H. W. Lacy whom all were glad to see in the ring once more. Dr. Lougest supplied the winners which have often been shown. *Great Danes*.—Thirty four, rather a phenomenal entry, a few of which actually pleased the fastidious Mr. G. Muss Arnolt. *Newfoundlands*.—One miserable specimen, it is to be hoped that Mr. Leslie Gault will save the breed at New York by sending his grand dog Wallace

shown at Montreal. *Deerhounds*.—Had it not been for his bad hind foot the Imperial Kennels' General Gordon would have won, as it was he was a close second. *Wolfhounds*.—Pretty much the same old lot, of which that lovely creature Modjeska was the best. *Greyhounds*.—Four in the challenge class is rather an unusual thing, Southern Belle owing to poor condition had to give way to Spinaway who loses in long feet and muscular development to the winner, the unlucky ones were Ch. Lord Neverstill and Southern Rhymes. *Foxhounds*.—Two bad ones, undoubtedly. The Toronto Hunt lead in this breed. I hope to see them represented at New York. There was an excellent turn out of *Setters and Pointers*, the famous old champion King of Kent, now ten years old, can still rival any of his younger opponents. The principal winners in Setters were shown in Canada last fall. *Spaniels*.—The "Canadian" breed had an excellent showing, though in field and Irish water the best of which are owned in Toronto and Kingston their absence was felt. Mr. Wilmerding judged them fairly well considering that the light was very poor. Drayton Warwick the field disposed of Dennis the Irishman, the decision is mostly a matter of fancy. Mr. Henry Jarrett had had all the winners in *Clumbers*, most of which were at Toronto and Montreal. In fields Wordsworth Sweep now in fair condition was easily first, however there are two in Toronto that can beat him. *Cockers*.—Four in challenge class of which Lorraine spent three days packed away in his crate being overlooked. Goldie S. by his better head and body beat Commodore. Nothing much turned up in black dogs. In bitches Dart won being closely pressed by Woodland Belle. Miss Phyllis was for specials only, as I predicted at the last Boston show she proved her worth by winning the special for best Cocker, Red Dolly being a close runner up, her litter sister Miss Jury V.H.C. might have been 3rd. She was purchased by Mr. Bloodgood for \$200 a good investment as will be proved later on, say next spring. Red dogs, Brookside King good in body, bone and head won, here Mr. Wilmerding seemed to miss Raven R. the dog that won at Kingston, though in poor condition he should easily have been second, Robertson's Rufus, reserve, was beaten by age only, he will make a hot one in a few months. In bitches Red Dolly had the easiest of wins. Mr. Fred T. Miller was unfortunate in having Bayview Meig arrive too late as she might have been second. *Collies*.—Probably this was the best turn out seen for years numbering 49, and not a bad one in the lot. In challenge Wellesbourne Charlie easily disposed of Curzon who has a lovely head, ear and expression. Open dogs—Domino II. the large black, white and tan that did so

well at New York two years ago won, the length of his head is phenomenal. Brookside Beacher of the same color was second, he has a very narrow head and good ears, but there is nothing else to him, reserve or v.h.c. was the place for him, with Wellesbourne Wonder a dog with a nice head and pleasing expression second, and Doctor David who barring his being a bit domed in skull, can come up with any of them. Bitches.—A grand bitch is Hazelwood Victor, her only fault is her being a trifle straight in shoulder. Wellesbourne Goldmine is also very nice. Next I liked that good puppy that won at Montreal, Highland Victoria v.h.c., she was placed ahead of Woodlawn Sunset first at New York 1895, and Hempstead Dorothy first last year, not to speak of a host of others, thus proving her worth. She is a decided credit to her owner Mr. Alex. Robertson and to Canada. Bull dogs.—Wal Hampton improved in condition was alone in challenge dogs, and that old Slave Saleni once more took the blue in bitches. A bad error was made in open dogs in placing L'Ambassador over Beaver Brook Sultan, who smothers him in ear, body and lay back. Bull Terriers.—The same old lot principally owned by Fred. Church and Mrs. F. F. Dole, who showed at Montreal. Boston Terriers turned out well, most of the cracks being present, they did not seem to be quite as popular as at former shows. Two French Bull dogs recently imported were also shown, barring the fact of their having tulip ears they strongly resembled their Boston cousins. Smooth Fox Terriers.—Most of the cracks were present, Warren Safeguard was placed over Prisoner in challenge dogs, both have their friends, it is a case of a workman *vs.* a gentleman. Warren Capture was alone in challenge bitches. I liked her kennel companion Warren Dusky much better, she having much the best head and shoulders. Wawaset Actor the puppy that has caused such a sensation was first in open dogs; he was dragged around the ring with his tail between his legs, and in spite of his phenomenally long head and equally good front and bone, his lack of character should have placed him in reserve; an excellent young dog is Warren Nigger, who with a bit more muscle is sure to do a lot of winning. In wires Mr. Great Snap represents the challenge dog class and Norfolk Fidget was a good winner in challenge bitches. Thornfield Knockout will now have to go into the challenge class; probably the best wire dog now in the open classes is Endcliffe Nipper, who was shown by that immensely enthusiastic fancier Mr. W. P. Fraser, as Furze Bush at Toronto; this dog in good condition will be hard to beat at New York. Mister Crib and Mister

Nobs are both good in head, ears and coat. Mr. Gooderham had that old bitch Norfolk Promise winning 2nd. Irish Terriers—Outside the old winners nothing worthy of notice was shown. Skye Terriers.—The same old lot that have often been shown in Canada were on hand here. Black and Tan Terriers—A lucky dog was old Broomfield Sultan to catch Rhodes Orme out of condition and thus win first. Perfecto could only get second here, his front will always handicap him, otherwise he is very good, especially in head. Yorkshire Terriers.—An excellent entry of five. Harboro Swell II. was easily first, his immense length of coat placing him above Lady and Endcliffe Model, who have the better tan markings and size. Pugs—Everything fell to the Kingston winners comprising Champion Otterburn Treasure, Pearl, Penrice and Finsbury Buttons. There was a grand entry of Toy Spaniels all the cracks being present, however I doubt if there is a team in America that can out-point those shown at Montreal by Mrs. Pitt. I hope to see them at New York. C. Y. FORD.

CANADIAN WINNERS.—Fox Terriers, wire, challenge, G. H. Gooderham, Norfolk Fidget, 1st, open bitches Norfolk Promise 2nd also reserve novice; puppy, Norfolk Blazer 2nd. Black and Tan Terriers, challenge, Raven Kennels Rhodes Orme, reserve. Open dogs, Ed. Mack's Perfecto 2nd, do. bitches; Ed. Mack's Canadian Duchess 2nd, Topsy and Sue Kitty v.h.c. Deerhounds, open dogs, Imperial Kennels General Gordon 2nd. Collies, Alex. Robertson's Highland Victoria v.h.c., open, reserve novice and puppy. Cocker, open bitches, T. McK. Robertson Red Dolly 1st, Raven Kennels Raven R., v.h.c. Pugs, challenge, C. Y. Ford champion Otterburn Treasure 1st, open dogs do. Otterburn Penrice 1st, open bitches do. Otterburn Pearl and Finsbury Buttons 1st and 2nd.

KINGSTON AND MONTREAL SHOWS.

Editor Gazette:

TO avoid misapprehension, I should perhaps explain that when it occurred to me that it might be by some construed as an attempt to injure the prospects of the September shows at which Mr. Mason was to judge, if my letter explaining the cause of my resignation from the Hon. Advisory Board of the Kingston Show, and my protest against judging appointments that ignored certain fundamental principles people are supposed to recognize in the conduct of life, were published in August, I

directed, as you are aware, Mr. Editor, that this letter should be held over till after the shows, but the notice reached you too late to allow of this being done.

The sole purpose of my letter in the October number of the GAZETTE was to protest against one-sided reports of shows being published. Those in one part of the country are often induced to hold a show or to refrain from it because of the success or failure of one in another part. Now, if everything that is published regarding a show is rose-colored, while the real facts of the case, if known, would greatly alter the complexion of affairs, surely it is likely that not only an entirely wrong general impression will be produced but that practical harm may result.

I made use of the facts of the Kingston and Montreal shows simply to illustrate my stand. So far as Kingston is concerned I can prove general dissatisfaction among exhibitors by several well known show goers, who voluntarily complained loudly to me of the manner in which they were treated. As to injudicious classification, etc., etc., at Montreal, with corresponding results, the facts speak for themselves.

It is, of course, easy to attribute unworthy motives and to ground actions on personal feeling even in the face of the explanations I made in my first letter, but those who take this course assume a good deal of responsibility.

I have no intention of entering into any controversy with Mr. Ford, especially after the construction he has seen fit to place on my course. Life is too short for that sort of thing. I have striven and will strive for principles. I have not in the past contended, and will not now, over purely personal matters. My feelings have been and are friendly to both the Kingston and the Montreal Kennel Associations, but a man should first of all be loyal to the truth, though in trying to do so he will no doubt be often misunderstood and have wrong motives attributed to him. No cause gains in the end either by exaggeration or concealment.

Yours truly, WESLEY MILLS.

Montreal, Dec. 5, '96.

Mr. Gooderham's kennel of Fox Terriers did well at Brooklyn, winning in addition to the list given elsewhere, the special for best kennel of wires.

Mr. Ed. Mack won the kennel prize on black and tans, and Mr. C. Y. Ford that for Pugs. Mr. Klein's dogs were also well in the specials.

We are sorry to know the show was some thousand dollars behind, but notwithstanding this, preparation is already being made for a "repeat" in 1897.

NOTES.

MR. Mortimer writes us he is delighted with the success of the Brooklyn show and feels personally extremely gratified at the noble response made by exhibitors, as the number and quality of the entries was far ahead of anything he had ever hoped for, and he therefore feels almost as if he was under a personal obligation to each and every exhibitor. He regrets that the element of uncertainty as to obtaining possession of the building, as there was a hitch in the authority of the lessee of the building to sub-let it, prevented him from advertising to a great extent, and there was insufficient time to work up an interest among the Brooklyn people to make the show successful from a monetary point of view. Still the attendance was good and now that it has been demonstrated a good show can be held in Brooklyn, already steps have been taken to secure the building for the corresponding week in 1897.

The interest in bulldog competition at New York promises to be very lively. Several new dogs have been imported and others on the way. Mr. Bulkley Wells cabled last week to George S. Thomas the "necessary" for three bulls that he has picked out to beat anything in open classes we have on this side. George makes few mistakes in cases of this sort and we look for something good. They will arrive, two bitches and a dog, early next week on the Lancastrian. We learn also that Mr. Sam Woodiwiss will bring over a team of six bulldogs for New York show and have a shy at the Bulldog Club Cup put up for foreign competition. Further we learn that the English Bulldog Club will put up a similar prize for competition by dogs from this side. Mr. C. G. Hopton set a good example last summer and some one else should endeavor to hold up the Stars and Stripes at the next Bulldog Club show.

Mr. C. H. Tweek, of New York, has purchased the noted Scottish Terrier, Kildhu, from Mr. Ludlow, of England. *Our Dogs* says he teems with character, is very short in the back and has beautiful head and ears.—*The American Stock-keeper*.

This paper is mailed regularly to its subscribers until a definite order to discontinue is received and all arrears are paid in full.

Either of the two complete stories in *Outing* for December would be worth the price of the magazine. In the "Pectoral Cross," a tale of the stage, by Justine Ingersoll, we are given a view of the play of passion behind the scenes, together with some masterly character sketching. This story will be read and appreciated. Another capital tale is "Zinto," by H. F. Munn. It deals with the Indians of Great Slave Lake, and sustains its interest to the end. "Hare Hunting," by Ed. W. Sandys; "American Amateur Athletics of '96," by W. B. Curtis; "Golf in America to Date," by Price Collier, and "Racing Schooners," by R. B. Burchard, are among the prominent features of a strong number.

Two Subscriptions for \$1.50.

If you send us the name of a new subscriber together with \$1.50 we will extend your own subscription for one year as well as send *GAZETTE* to the new name for one year. This makes it but seventy-five cents each. The only condition we make is that the name of the subscriber be a new one and not a renewal.

SEND A STAMP FOR REPLY.

We receive annually some hundreds of postal cards asking for information not of a business nature. Each reply costs us a three cent stamp, not to mention the trouble. The latter we don't mind, but don't you think the enquirer should bear the former expense? We do and in future no enquiries not relating strictly to business will be answered unless such is attended to.

RED COCKER SPANIEL RED COAT

At Stud—Fee \$15.

Sire Red Leo (C2985) dam Red Vixen (C2987). Red Coat's first appearance on the show bench was at Hamilton Kennel Club Show held in Spring 1896, where he won 1st open, 1st novice and two specials. His next appearance was in England at Wellington, July 31st 1896, where he won 1st in a class of seven. The following is a criticism from *Our Dogs*, "In Cocker, Canadian Red Jacket (now Red Coat) by no means in good form, was still good enough to win. He is a nice headed dog, but shines most in his beautiful symmetry and proportion, and is of a rich red color, with low tail carriage and good movement." Criticism from the *British Fancier*, "Cockers saw our Canadian visitor exhibiting his charming red Cocker. He is a rich Irish Setter red, with an exceedingly flat coat, characteristic head, grand legs, feet, and body, and the correct tail carriage."
