NOTES AND COMMENTS

A SPRING SHOW IN TORONTO.

The Canadian Fox Terrier Club will repeat its success of last year by holding a show for all breeds the last week in March. This time C.K.C. rules will govern and puppy, novice and open classes will be offered all through. It is unlikely that regular cash premiums will be given but all breeds will be well looked after in the way of specials. The location will probably be the same as last year, though this has not been definitely decided on, nor has the list of judges yet been chosen. Mr. A. V. Pearce, the secretary, Logan Ave., will be pleased to mail premium lists, which will be ready about March 1st, or they may be had from this office on application. Anyone desirous of donating a special is asked to kindly correspond with Mr. Pearce.

THE DERBY STAKES.

of the Canadian Fox Terrier Club will be judged at this show.

STAKES NOW OPEN.

Entries may now be made for the second division of

the Produce Stakes to be judged at a spring show in 1900.

The St. Leger stakes to be judged at fall show 1899.

The value to the winner of the first division of the Produce stakes to be judged at fall show will amount to about the neat sum of \$75, so Mr. Jacobi informs us. A prize worth trying for, surely.

MR. JEFFS' LETTER

on the proposed Spaniel Club should arouse the numerous breeders of this popular section to immediate action. A Spaniel club for Canada has been proposed several times but unfortunately the proposal died in whelping. Too bad that it should be so and we trust that a similar fate may not happen this time. It will afford satisfaction to know that Mr. John G. Kent, President of the Canadian Kennel Club, has kindly consented to act as president in the interim.

MR. JOHN G. KENT

paid a visit to the Gore Kennel Club, Hamilton, opportunity offering at one of the Club meetings. Mr. Kent went to push the interests of the C.K.C. and to clear away the mists which apparently surround some would-be members. Several members joined as a result of his visit and many more have promised to do so. It was hoped this club would have been the first to affiliate with the C.K.C. but as yet it has not done so.

NEW YORK SHOW

will be largely attended this year by Canadians. In addition to the usual contingent, Messrs. Macdonald, Gooderham, Douglas, Dunn, etc., Mr. Reeve is taking his Collies Woodmansterne Conrad and Benedick, Mr. Fraser a youngster of the wire persuasion, and many others. Hamilton will send Wolfhounds and Greyhounds from the Terra Cotta Kennels, including their new dog Dictator, Mat Richardson's black Cocker Park Crow, G. W. Small's black Cocker Lady Rosey, Wentworth Kennels' Bull Terriers, Raven Kennels several red Cockers, including Red Raven and Red Topsy and the smooth Fox Terrier puppy Bachelor; Red Barney, another red Cocker, also goes, so that it looks as if the Canadian reds would be unusually strong as doubtless Mr. Ford will show his team also.

A KENNEL CLUB

we hear is in process of formation at Vancouver, B.C., and a show at no distant date is a probability. Mr. George A. Walkem, B.Sc., is taking an active part in the inaugural proceedings.

"DOGS ARE ALMOST HUMAN,"

Polk Miller's ad. says, and we know it is so and that they therefore require almost human treatment. We have used, and still use Sergeant's Condition Pills, which is the highest praise we can give them. They are effective, as are this firm's other preparations.

OUR PHOTO ALBUM

has been enriched by a dozen nice pictures of Boston Terriers taken from inmates of Dr. Kendal's kennels. The subjects include Puck, Dabster, Sam, Shawmut, His Nibs, Squanto and one, not the least pleasing, of "Puck and his master."

DR. WALLWIN

offers the Bloodhound Longworth at stud to approved bitches. His breeding is of the best, being by champion Jason ex Songstress. Cards and further particulars may be had from the dog's owner.

MR. JOS. A. LAURIN.

sends us a very excellent photo of his Bloodhound bitch Ingleside Princess, that has been so successful on the bench.

WINTER PUPPIES

are not a success in Canada, at any rate, so says Dr. Boulton, whose three nice litters of "Dachs'" have all but one succumbed to the cold. The hardy survivor is out of his winning bitch, Penelope, and promises to be of more than ordinary merit.

MR. C. Y. FORD

was invited to judge the Collie classes at St. Louis, but was reluctantly obliged to decline, though a pressing wire followed his refusal. Mr. Ford thinks it an honor to Canada, so do we, and to Mr. Ford.

REV. THOS. GEOGHEGAN

is mourning the loss of Blackbrook Ben the imported Irish Terrier. He was found dead in his kennel on Jan 29th. Mr. Geoghegan remarks "that in spite of

the fact that he was not a favorite with the judges in this country he was considered by competent judges in England an excellent type of the breed. He certainly had the Terrier snap, eye and expression. After all it is every man to his fancy. Kathleen, an Irish Terrier bitch, that has always stood well and done some winning is at present on a visit to the Norfolk Kennels' Red Inquisitor. There should be good returns from this union. With best wishes."

We reciprocate both best wishes and "expectations."

A CORRECTION.

In the entry of the Bull Terrier bitch, Miss Gully, 4484, date of birth should have been given as Aug. 7, 1897, not Oct. 7. In color she is white with a small black spot over left eye. Mr. Glanton G. Duncan is her owner's name and not Mr. Geo. G. Duncan as handed to us and as it appeared in last C.K.C. minutes.

BEDLINGTON TERRIERS

have become such rareties that two pleasing photos of Mr. P. Bawden's good bitch Beechgrove Gipsy make a welcome addition to our canine photo album. At one time this breed could show a dozen or more good specimens in Toronto alone.

MR. H. B. DONOVAN'S

Dachshund bitch, by Mr. Loeffler's Creeper, out of Mirsa V, was bred to Flying Dutchman on Jan. 30th and Feb. 1st, and is to be shipped to her Canadian home at once.

DR. FAYETTE C. EWING'S

Scottish Terrier bitch Royne Ginger is now on her way across the ocean. She is one of the best, if not actually the best bitch living and comes over in whelp to champion Gair the great prize winner.

CLAUDE DUVAL,

the great smooth dog, at last met defeat at the hands of True, owned by the English breeder Mr. J. C. Tinne. This item is of particular interest on this side as showing the ability of the Norfolk Kennels' Veracity to beget the best, True being a son of Veracity.

GO BANG

who comes out to the New York show had also to go down, being defeated at Derby by Barkley Ben, owned by Mr. Swinger of Leicester. Barkley Ben is eighteen months old and is by Meersbrook Ben.

A READER OF THE GAZETTE

in the U.S. is very desirous of ascertaining the present abode—if he is still alive—of the imported Fox Terrier dog, Raby Reckon. Can any one oblige him? A dog of this name has recently been offered for sale in Chicago but it is doubtful if he is the "ould original." Any information will be gladly received.

WE WERE IN ERROR

in stating the sire of Dr. Milne's Red Rex as Red Leo, it should be Robertson's Red Wonder.

OTTERBURN SOPRANO

who won first at Toronto and New York last year and whom Mr. Ford sold to Mr. G. A. Walkem, Vancouver, B.C., has whelped two dogs and two bitches to Ch. Meersbrook Bristles. Mr. Walkem will have the honor of raising the first litter in America by Bristles. Otterburn Georgina, 1st novice F.T.C. show last spring, and Otterburn Contralto, 2nd Toronto and 1st and 2nd Peterboro, have both been down to Meersbrook Bristles. They are both sisters to Otterburn Surprise who is now classed as about the best wire haired bitch in America.

MR. J. WALLACE WAKEM

will judge all Fox Terriers at the Toronto spring show.

NEXT MEETING

of the proposed kennel club in Vancouver will be held on March 1st.

A NEW COLLIE STAR.

The Mountaineer Collie Kennels (Chas. Thomson, 2450 St. Catherine St., Montreal, and H. B. Hungerford, of Belleville, Ontario, proprietors) have imported from England the great stud dog, Rufford Ossory, claimed to be the best son of champion Rufford Ormond.

Rufford Ossory is a winner of over fifty prizes in England and is the sire of over one hundred winners. Is said to be the heaviest coated sable and white Collie living. He is a very large dog with beautiful head and splendid ear carriage. He is advertised at stud in this issue at a very moderate fee and we hope to have a photographic reproduction of him in next issue. Those who have seen him, especially Montreal breeders, are warm in his praise, and no doubt but from his breeding and his individual merit he will prove in Canada as great a sire as he has been in England.

CANADIAN KENNEL CLUB.

MEETING OF EXECUTIVE COMMITTEE, FEBRUARY 15, '99

THE Executive of the Canadian Kennel Club met on February 15th, in Toronto, with the President, Mr. J. G. Kent, in the chair, and worked through a large amount of business.

MINUTES of last meeting, as printed, taken as read.

SECRETARY'S REPORT.

MR. PRESIDENT AND GENTLEMEN :—

It has not been usual to present a detailed report at executive meetings but so much of importance is to come up for your consideration at this meeting that I think it wise to do so.

FINANCES. I am glad to be able to say that we have been enabled to increase the balance accruing from last year by a very substantial sum. The figures are here for your perusal.

MEMBERSHIP. We have to-night a list of 63 new members to elect, the largest number ever proposed at a meeting of the Club. It is a matter of regret, however, that so comparatively few of the old members have yet paid their fees for the current year.

Two hundred and five letters written by your President have been sent out to members, or those who once were members of the Club. This has resulted in much good, though the return has not been as free as was expected. Replies from different locations have brought out some curious enquiries. One man wanted to know what more members were to get than the privileges enumerated on the application blank.

THE STUD BOOK. Some misapprehension appears to have arisen as to this matter. The first volume printed contained the names of sire and dam only, as extended pedigree was not required for registration. Now three generations are asked for and full details will be printed in Vol. III (Vol. II must wait until the Club has sufficient funds to publish it). Vol. III will consist of the registrations received from Sept. 1, 1898, to August 31, 1899, and will be issued as soon after the latter date as the compilation, printing and binding can be consummated. This will be some time before the end of the year 1899.

Every member of the year '98-99 will receive a copy

free. Failure in the past to issue an annual Stud Book was due to the Club's lack of funds but owing to an arrangement with the publisher of the GAZETTE this trouble has now been overcome.

CONSTITUTION AND BY-LAWS. The committee will report to you at this meeting.

SHOW RULES. These are to be corrected and printed. I feel that we should work carefully here. It was suggested to copy, as far as feasible, the rules of the A.K.C. but it appears to me they are as yet far from a solution of the difficulty. I trust whatever is done may be of a permanent character—that changes may in the future be few and well considered.

LISTINGS.—I find it impossible to keep any correct record of "listed" dogs, and it seems to me that of late "listing" has been taking the place of registration, leading to endless trouble in the tracing of pedigrees. Listing was never intended to displace registration and should not be allowed to do so. Some action should be taken to correct this. I agree with Mr. Vredenburgh, the A.K.C. Secretary, who finds the same difficulty that I do, that the listing of a dog should cover only the year in which the entry was made, compelling relisting each subsequent year. Possibly a rule that "no dog eligible for registration should be listed" sounds too drastic, but it is worthy of consideration and discussion.

NEW WESTMINSTER SHOW. I have been unable, after repeated enquiries, to get returns from the secretary of the show held under our rules in New Westminster, B.C., on Oct. 5, 6, 7 and 8, 1898, and would ask for instructions as to how to proceed.

NEW MEMBERS. The following nominations for membership have been received. (See list next page).

SPECIAL PRIZES. The President and myself took the liberty of donating cash specials from the Club funds to the Montreal and Peterboro shows and I have told the Canadian Fox Terrier Club, who have decided to hold a general show in March under our rules, that we would donate them ten dollars. This action should be endorsed at this meeting, if you see fit.

PETERBORO SHOW. Through error of the secretary—which he admits—the Setter classes for dogs and bitches were amalgamated and one first and one second awarded. As there were but two entries, one dog and one bitch, I have suggested that the secretary get the judge's permission to award firsts to each. In the

event of his doing this I would ask for endorsement of it.

CORRESPONDENCE. The attached letters are for your consideration.

H. B. DONOVAN,
Toronto, Feb. 4, 1899. Secretary-Treasurer.

PRESIDENT'S REPORT.

Gentlemen:—

I am sure that the report of the Secretary will be received with a great degree of satisfaction.

We will have the pleasure of electing to membership the largest number of applicants (some 63) ever yet proposed at one meeting, and it is, I hope, only the forerunner of still greater things, while our finances, regardless of the fact that we have donated a cash special for every show held under C.K.C. rules during the year, are still flourishing, and our balance on hand is, I think, satisfactory in every way. You will notice in the report that I have written some 205 letters to our various members. This is an affliction that I do not intend to impose on them very often, but I regret that I have not seen better results from some, from others I was more than satisfied and must express my thanks for the interest shown on the whole by our membership, and I hope it will grow and every meeting will find a good list of new members nominated and elected.

The Stud Book, Vol. 2:—One proposition regarding this is that a sinking fund be started and a certain amount laid aside annually until such time as we have sufficient funds to pay the cost of printing. Another suggestion was, that the book in two or three years would be so old that it would be of little practical use, and therefore it would be a waste of money to publish it, but that, instead, the money be expended for wire or other benching, which could be loaned to clubs throughout the country holding shows under our rules. This matter might be discussed to-night with a view to deciding on a plan at a later date.

Listings:—You will notice the Secretary has brought the question up, and I think it is one that will stand looking into, though possibly not acting upon, at this meeting. It certainly does not seem proper that it

should ever take the place altogether of registering, and personally, I think the Secretary of the American Kennel Club has struck the right key in his suggestion to his club.

C.K.C. shows:—I felt that it would be in the interest of the club if I should pay a visit to as many of the shows held under our rules as possible, and therefore I had the pleasure of being both at Montreal and Peterboro and was delighted to find that there was a strong feeling in favor of keeping the C.K.C. alive, and a promise of taking more active interest in doggy matters in the future, and I hope at no distant date we will have the satisfaction of welcoming both the clubs into the C.K.C. as club members. Upon invitation I paid the Gore Kennel Club a visit on February 3rd, and discussed C.K.C. matters pretty fully with them with good results I hope. It was suggested by them that the rules re clubs joining should be amended so as to give larger clubs a greater representation on the executive upon paying an increased fee. For instance clubs of 50 members or less should join as the present rule reads, but where membership is over 50 they may elect two members to the executive upon doubling the entrance fees and number of members joining. To this I see no objection.

I have been asked to bring up the question of express charges and try to have some scheme devised whereby the express companies should be made to be less unreasonable in their charges, and I would like to see this matter fully discussed and suggestions made in the next issue of the GAZETTE as to how best to grapple with the question. Another member has written regarding "classes" and feels that we have too many classes, and could with profit do away with all but open and challenge.

I would suggest that we have stereotypes of rules governing shows held under C.K.C. made for the purpose of loaning to show committees holding shows under our rules, as the expense of setting up type each time is considerable and really unnecessary, and this, I think, would be appreciated by many of the smaller clubs at any rate. It would also establish a uniform size for catalogues, which would be very handy for filing purposes.

Yours truly,
JOHN G. KENT.

MEMBERSHIP—The Secretary cast one ballot for the following list of new members :

proposed by E. Edmund Starr. Wm. Ware, Montreal, proposed by W. D. Strachan.

SURPLUS FUNDS—Considerable discussion arose as to the disposal of the Club's surplus funds. Amongst the proposals brought out were : To provide a sinking fund by laying aside an annual sum for the printing of Vol. II. of Stud Book ; to purchase wire benching divisions for use of C.K.C. shows ; to procure a Club die and have medals struck off to be used as specials at C.K.C. shows ; to offer cash specials at C.K.C. shows. These and other items are printed so that members may be able to discuss them intelligently at the meeting to be held in Toronto in March.

It was resolved that all members who have paid for the current year be granted full club privileges—this will now include those who paid prior to last meeting.

NOTICES OF MOTION for next meeting were given : That listing fee be 25c. per annum for each dog. This means that the right to show under listing rule would terminate at the end of each year unless fee was again paid.

That we recognize all A.K.C. wins.

CLUB SEAL—The Secretary was instructed to procure a club seal.

THE LATE NEW WESTMINSTER SHOW—The Secretary was instructed to write Rev. J. W. Flint, the Club's Vice-President in B.C., asking for his assistance in getting this matter cleared up.

SPECIAL PRIZES—The action of the President and Secretary in offering special prizes was commended and endorsed.

PETERBORO SETTER WINS—Action of Secretary endorsed, subject to approval of judge.

Mr. Elliott, of Brandon, Man., an active member of the Club, was present and spoke on various matters. The Brandon Club of thirty members desired to join to a man, if satisfactory arrangements could be made and Mr. Elliott expressed the same opinion regarding the one hundred members of the Winnipeg Club. The advantages of C.K.C. membership under the new regulations were emphasized and indication was given of what a small part of the fee the Club really retains for actual running expenses.

A GENERAL MEETING is to be held in Toronto during show week and at this time the show rules will be finally revised and issued. All members are urgently requested to have a say in this, no matter whether able to be present or not. The executive only desires to please all as far as possible and to frame a set of rules that will be workable and not too harsh. Now, will members read this and at once write the Secretary, giving their opinions as to classification, registration

and listing fees, etc. Do it now and then it won't be forgotten.

STEREO PLATES of the rules will next fall be made for use of committees, thus avoiding expense of resetting.

EXPRESS RATES—Mr. Sanderson, of Woodstock, N.B., wrote protesting against the present exorbitant express rates on dogs. The matter will be thoroughly thrashed out at next general meeting and an effort made to induce the companies to reduce present rates.

LETTERS FOLLOWING WERE READ.

To the Secretary Canadian Kennel Club, Toronto.
Dear Sir—

In the matter of show classification I would be strongly in favor of the following:

Puppy, Novice, Limit and Open classes. Puppy and Novice classes to be as they now stand. Limit to be for all dogs having won less than 4 firsts—same as our now existing open class, excepting that prizes would not count towards any higher honor. The open class being open to all—equivalent to the American "free for all." Eight firsts in this class, four of which are to be won at shows having no less than — entries, to entitle the winner to a "champion" certificate. This would make the coveted title far more difficult to attain, and therefore more meritorious. Under our existing classification after a dog has won 4 firsts, entitling him to "challenge" honors, one might say he is comparatively "out of reach," and may become, although only a fair specimen, a champion of record before being defeated. It is of the highest importance that only the "cream of the fancy" should get this honorary prefix. We can hardly make it too difficult to attain. In the less popular breeds there is hardly ever a challenge class provided with the consequence that, when the challenge class is reached, dogs have to remain at home and the show people thereby lose the entries; whereas, if they were allowed to compete in the "open class" they would surely be shown.

This classification strikes me as being more useful when one takes into consideration that it would save prize money to the show people—we must help the smaller shows along, as they tend to increase the interest in dogs, which means more members and a more substantial club, etc.—in this way, that in the less popular breeds an open class could be provided which would draw all the entries, yet would not mean any more prize money, if not less. Take, for instance, our largest show, Toronto, one will find that out of some 20 challenge classes that were provided 12 had but one entry each—meaning a net loss of \$74—one had 2 entries—loss \$4—one had 3 entries—loss \$2—the other 6 not filling. The total loss for the above is \$80 and it might have been some \$36 net more had these classes filled. Challenge wins could be counted towards the

championship. A dog winning three firsts in the open class to be eligible to registration.

Truly yours, JOS. A. LAURIN,
Vice-President Canadian Kennel Club.
Montreal, February 3rd, 1899.

H. B. Donovan, Esq.:—

I have not been able, owing to pressure of work, to give that careful attention to the by-laws, constitution, etc., of the C.K.C. which would enable me to express an opinion on the whole subject in detail. One rule should, I think however, be made if it is not already in existence, viz.: A rule prohibiting exhibitors from posting in shows any advertisements, any lists of winnings, prize cards, or indeed, anything relating to the animals exhibited prior to the completion of the judging, and at no time prize cards obtained at other shows.

Expressing my appreciation of the energy, intelligence and enthusiasm of the President and other officers of the club, I remain,

Yours truly,
Montreal, Feb. 8th, 1899. WESLEY MILLS.

H. B. Donovan, Esq., Toronto.
Dear Sir—

I will be unable to attend the meeting on Friday night. The only suggestions that I have to offer are that when a person joins the club the year should begin on the date that he joins. This would make more work but would help in getting members from this till the end of the C.K.C. year. I do not think there is much use making the classification at our shows the same as the American as outside of the fall show at Toronto I think most show committees find the present classes quite numerous enough. I would like to see the novice class fixed so that winners from the Old Country and the States would not be eligible.

I remain, Yours truly,
Stratford, Feb. 8th, 1899. H. L. JEFFREY.

MY DEAR SIR:—

I am glad to learn that you suggest a settlement of the listing question. Advantage is being taken of the privilege of listing, and if men will not register, they out to pay an equivalent in listing each year. The idea of such a plan is to force registration solely.

Yours truly,
A. P. VREDENBURG, Sec. A.K.C.
New York, Feb. 11, 1899.

What the executive desire is that every one interested, member or not, will read this report carefully and at once write the Secretary on any point that he thinks desirable. Do it to-day.

H. B. DONOVAN,
Secretary-Treasurer.

THE LATE BARRIE SHOW.

EDITOR GAZETTE—

SINCE reading Dr. Nicol's letter in your January number I must say there is not much there either instructive or interesting to dog fanciers, and also conclude that Dr. Nicol's friends, were indeed friends when they advised him to decline the position of judge—for subsequent developments have given ample proof they knew their man.

The letter of sympathy he received from the champion tennis player of Ontario, his first cousin, must have been consoling, a veritable balm.

The comments referring to myself I leave to the judgment of those reading both letters and also a letter in the "American Field," January 7th, 1899, relating to novice judging and the injury to breeders. Regarding Capt. Bird—a courteous gentleman in every respect—who has always actively encouraged and assisted in every manner the introduction and improvement of all matters pertaining to dogs; who was for years in close touch with some of the finest kennels in England and a constant patron of all the better shows—was chairman of the bench show and saw that every dog came forward properly tagged and rendered all reasonable assistance to the judge and certainly opposed to anything savoring of meddling or dictation.

Not wishing to continue this controversy further and thanking you kindly for your space.

I am

Yours very truly,

H. WALLWIN.

Barrie, February 8th, 1899.

EDITOR GAZETTE—

I have just finished wading through Dr. Nicol's "full particulars"! Brevity as the soul of wit is evidently not one of the tenets of his faith! He is rather long winded and fantastic and not always to the point.

I gather that because "The Northern Advance" publishes an article—which, I may here say, I never read or heard of till this perusal of "the full particulars"—the Barrie Dog Show Committee are for ever damned!

It is only after reading the judge's criticism in the GAZETTE of October that I "rushed into print."

I am indeed sorry that Dr. Nicol's "amor propre" has been hurt, but I fail to see how his lengthy discourse advances matters, when read side by side with the previous letters—except that Dr. Nicol appears to glory in the fact that he can "hoist himself with his own petard," and yet care not one penny.

I am quite at a loss to understand what "dog lore" has to do with the "International Dog Show, Toronto, in the years 1896, 1897 and 1898."

Yours faithfully,

E. E. GODFREY BIRD.

Barrie, 24th January, 1899.

[We think it very desirable this correspondence should now cease and can not see that any good can be done by prolonging it.—Ed.]

NOW UP, NOW DOWN.

SO WAGS THE WORLD.

EDITOR GAZETTE:

I enclose you herewith \$2.00 and application for membership to the C.K.C., I will send you registration later on. I happened to find in my office a copy of the October number of the GAZETTE in which you comment on the dogs shewn at Toronto in September and I see that you are of the same opinion as I am re the Foxhound Ornament, of which I am the owner. But strange to say he was placed third at Peterboro, being beaten by the same dog that beat him in Toronto and being beaten by a dog that was V.H.C. or H.C. in open in Toronto when I got third. But such is luck and I will try him again.

If you send me some applications I will try and get you a few members as I want to see the C.K.C. placed on a good footing so as to compete successfully with the A.K.C.

I will do all I can in that way and would have become a member sooner had I read Mr. Kent's letter in the October number before; I only read it yesterday.

Yours &c.,

Pembroke, Jan. 16, 1899.

W. H. WILLIAMS.

FROM ONE OF THE "YOUNG" BRIGADE.

A NEW BILL OF FARE WITH WHICH THE GAZETTE
HEARTILY AGREES.

EDITOR GAZETTE—

I HAVE watched with considerable interest the progress of the Canadian Kennel Club during the past two years, and although I allowed my membership to lapse on account of amalgamation with A. K. C. in 1897, I have not lost my interest in the old club. I think I may say that move which was considered by many to be the death of our national club but which has subsequently proved to be the beginning of a new era in doggy affairs throughout our fair Dominion, much I may say to the chagrin of a select few who would be most likely to benefit by the change to the detriment of the average dog man of Canada. Thanks to the loyal members who have put their shoulder to the wheel and pushed the old cart out of the rut in which it has been running so long, we are now on the highway to prosperity and success under the direction of a model president whose past record is a sufficient guarantee that dog affairs will be run on business principles.

The record of the past year stands as the banner year in the history of the C. K. C., a number of good shows, viz., Toronto Spring Show, Industrial, Woodbridge, Barrie, Hamilton, Peterboro, Montreal, and although all were not under C. K. C. rules let us hope to see the same clubs holding shows under the government of the national club with many more added. There is no reason why we cannot kindle sufficient enthusiasm to hold shows in such towns as Brantford, London, Guelph, Woodstock, Chatham, Windsor, Belleville, Kingston, Ottawa and many more too numerous to mention. Now boys, you fellows, who like myself have been on the fence the last two years, get down and get to work. Hand in your application as I intend doing at the first opportunity. I often think it would be a good scheme to interest more of the ladies in kennel affairs, for you know anything woman takes an interest in is bound to go. As most of you are aware there are shows conducted entirely by the ladies in various places in the United States and known as "Butterfly Clubs." In future numbers of your paper I hope to see comments on

this branch of the work. We have now in our club what an old dog crank would term "a good strong healthy pup with plenty of bone and muscle and should make a winner." But we must have food and nourishment for the pup. I should think about the best bill of fare would be as follows:

More new members.

More shows.

More Canadian judges.

Yours truly,

ROBERT J. JEFFS.

Toronto, January 30th, 1899.

PROPOSED SPANIEL CLUB.

WHAT ARE YOUR VIEWS?

To the Spaniel breeders and fanciers of Canada.

Ladies and Gentlemen:

I beg the privilege of thus addressing you, my one object in so doing is to get your wishes and views on the organization of a Canadian Spaniel Club, a deserving duty which has been long neglected. At this time I recall with satisfaction the work done and the improvement made in the various breeds by the Canadian Fox Terrier Club and Canadian Collie Club, and I am sure we, the Spaniel people, wish them all the success they deserve. But why should we not have a Spaniel club? Here in Canada we are breeding some of the best the world can produce, especially so in Cocker.

My intention was, if it is your wish, to call a meeting at the Toronto spring show, which we expect will be held the last week in March. This would be convenient for a great many and insure a good attendance. Of the exact date I will advise you next month both through the columns of the GAZETTE and by circular. The objects of the club would necessarily be along this line: for the promotion of pure bred Spaniels; to publish standards of the true types and urge the adoption of such types on judges, breeders and show committees as the only recognized standards by which Spaniels should be judged; by giving prizes, supporting shows and in every way forwarding the interests of Spaniels.

In order to make the preliminary arrangements (which work I volunteer to do until such time as you

are enabled to meet in convention and elect your own officers) a success, I ask the hearty support and co-operation of every one interested in Spaniels in Canada. Additional to this open letter you will receive a circular by mail and I would ask you all to kindly detach the attached coupon and return to me with questions answered at your earliest convenience. Any other suggestions you can offer I will be thankful for and they shall receive every consideration.

Yours obediently,
ROBERT J. JEFFS.

39 Afton Ave., Toronto,
Feb. 9th, 1899.

The questions referred to by Mr. Jeffs are as follows: Are you in favor of the club?

Are you in favor of making it open to membership for aliens, or a purely Canadian club?

Are you in favor of embracing all breeds of Spaniels?

Do you wish to exclude any one or more breeds, if so name same?

What would you consider a reasonable annual fee?

Could you attend meeting, if not will you become a member?

Dear Sir:—

The bitches arrived in good shape on Monday, 5th inst. They were entered in Oakland Specialty Show

(Collies and Cocker) on December 8th, 9th and 10th, "Your Choice" winning first in open class and "My Choice" first novice. I am perfectly satisfied with them. They have the best bodies and legs of any on this Coast. The judge told me after the show that had it not been for "Your Choice" being wide in front she would have won special for best bitch in show.

Thanking you for past favors,
I am, Yours respectfully,
Signed, PERCY WARD.

Dog Love

Some one asked Landseer, the great artist, "How is it you paint dogs so well?" The answer was: "Because I love dogs."

Most readers of "Recreation" are familiar with Landseer's famous picture, "The Shepherd's Chief Mourner," which is crudely shown here. There is the deepest pathos in that picture. The dog sits beside the coffin of his master, in an attitude as pathetic as that of a father bending over his dead son.

Dogs are almost human. They have ailments and diseases much the same as men. They should have medical attention often when they are neglected. Every true lover of dogs should keep a supply of

Sergeant's Condition Pills

a preparation that has stood the test of time. It is for the cure of Distemper, Mange, Loss of Appetite, Fevers and General Debility. It restores the healthy functions, increases strength and gives vigor of action to the system. It makes sick dogs well. Price 50c. and \$1 a box. By mail, postage prepaid.

Sergeant's Sure Shot

for canine worms are just what the name implies. They rid the puppies' systems of worms, and induce healthy growth. Strength is imparted to bones and muscles, and a vigorous constitution is insured. Price 50c. Sent anywhere by mail. The usual trade discount is allowed to keepers of large kennels if Sergeant's Dog Remedies are ordered in lots of a dozen or more at a time.
