WHAT OUR BUSINESS PAGES SAY.

R. Colvin, Hamilton, has two litters of Bulldog puppies for sale, one by imported Vinemount Clear, and the other by Lodge Keeper. These are strong, massive, heavily boned puppies and are offered for \$35 each, upwards, according to sex and quality. A good puppy from either of these litters should grow into money.

The present management of the Ottawa Kennel Club are very anxious to have any outstanding accounts settled immediately, and those having claims against the Club should send them in at once to Mr. Douglas P. Stewart, Customs Dept., Ottawa. While possibly in the past the business of the Club has not been conducted in as prompt a manner as it should be, the officials and members have a hearty desire to remove all cause for complaint, and so are taking this method of making their wishes known.

Col. R. McEwen, Byron, Ont., has a nice litter of Collies by Wishaw Dazzle, out of the imported bitch, Holyrood Twig, for sale. Also pups that will make winners, by the famous Holyrood Professor.

P. C. Gideon Peer, Toronto, is agent for Moore's Toxine, which he claims is a sure cure for distemper. He will be glad to send full particulars on request.

Mr. S. Black, Toronto, continues his stud advertisement of that beautiful Airedale, Lakeview Admiral, a son of Ch. Commodore of Clipstone.

Mr. W. B. Crowther, Toronto, offers at stud the grand young Cocker Adonis. This dog is a solid black in color, a young dog that is exceptionally well bred. The fee, with return privileges, is very moderate indeed.

Glenholm Farm, Gananoque, Ont.,

the beautiful home of Mr. and Mrs. W. J. Bulloch, are placing at public stud the R. C. Collie, Southport Star, recently purchased from the King Edward Kennels. Southport Star is well known, is a sable and white, a little over two years old and so just in his prime. He is by Ch. Southport Summit, ex. Kirkdale Lady, and as well as being a prize winner himself, he has proved to be a producer of large healthy litters. Glenholm Farm are also offering a litter by this dog, ex. King Edward Prunella, of which prices and description of both sexes will be sent on application.

R. N. Clark, Berwick, N.S., has ten Boston Bitches for sale, guaranteed in whelp. These bitches are of different weights, from 16 to 24 pounds, and are quoted at \$25 to \$100 each, depending on quality.

The famous Airedale, Columbus, is now offered at stud at a fee of \$20. He is a big winner, both in Canada and United States, and is rich in the famous "Tone" and "Clonmel" blood. He has been siring large litters of very promising puppies. Further particulars and stud card can be had from Mr. Walter Scharland, Birchcliff P.O., Scarborough, Ont., in whose charge the dog is.

H. M. Dymont, Brookdale Kennels, Barrie, Ont., is offering for sale the red Cocker Spaniel, Red Sammy, by Red Ross, ex. Red Molly. He was a heavy winner at the recent Canadian National Show, including 1st limit, 1st veteran, reserve winners, etc., and although he is five or six years old, is yet as sound and active as a two-year-old. Until sold he will be at stud at a fee of \$10. Brookdale Kennels always have Cockers, both young and old stock, for sale at reasonable figures.

Geo. W. Bailey, Ottawa, is taking extensive space in this issue to make known the merits and breeding of his winning Fox Terrier Clapton Blue Blade. This dog has surely a future before him, and both at Ottawa and London took 1st novice, limit, open and winners under Mr. Mason and Mr. Lyn. From our London report in this issue it will be seen that Dr. Ford also thinks very highly of him. His breeding cannot be excelled, being by Ch. Warren Blue Blood, that is out of Norfolk Dark Blue, ex. Warren Daffodil, a bitch that has almost numberless champions in her pedigree. At the very moderate fee asked, viz., \$10, the services of this young dog, who is just over two years old, should be greatly in demand.

There are several good things in bargain column this month. W. E. M. Cobban offers two Fox Terrier bitch puppies three months old, that will make winners. W. Webber offers something unusual in four Newfoundland bitches, by Earl Grey's Cabot. T. A. Barr has for sale at a bargain four English Bulldog puppies, by Shields Rodney Stone. Also high class Boston Terriers. Clapton Fox Terrier Kennels make a special offer of two Fox Terrier bitches, one, Aldon Trifle, that is priced at \$30, and the other, a smooth bitch a little over two years old, by Ch. Aldon Cadet, that will go at half this price. These are guaranteed, and are offered for no fault, but to make room. H. R. Seeley has for sale the red Cocker bitch, Glenwood Flossie, a first prize winner at Montreal. Montreal Bird and Kennel Company want to buy three good Field Spaniels for partridge shooting, also puppies of all kinds. The attention of breeders and exhibitors of dogs is drawn to the advertisement of the Kennel Directory, of which a prospectus may be had from the C. S. R. Co., Jersey City.

NOTES AND COMMENTS

Cairndhu Narcissus: The portrait of this famous little sable Pomeranian that appears on the front page of this issue of Gazette, does not do the dog justice. The photo from which the engraving was made was weak, though it shows Narcissus in better and fuller coat than we have been able to reproduce.

Cairndhu Narcissus is a short coupled sable with the desired rough texture of coat and lots of it. He has exceptionally small ears and is nicely placed on a set of good well furnished legs. In weight he is about 5½ lbs. and is sable bred for four generations. For this reason he is a sure sire of the popular sable color as well as of chocolates and blacks. His breeding is of the very best, being by the sable Narcissus of Offley ex. the sable Budport Stella. This breeding places him in the same line as Ch. Sable Mite and Atom, Shelton Spark and many other well known Poms. At Edinburgh Toy Dog Show he won 1st open and 1st in puppy class, while at his first Canadian appearance Mr. George Thomas at Toronto last month gave him five points towards his Canadian championship. We are glad to notice that his services are available to Pom. breeders here, and his owner, Mrs. Wylie, of Vineland, also has Pom. puppies for sale.

"Taking chances": Although Mr. Burnes eventually landed his charges safe at home in Vancouver, the two younger dogs, Sunshine Beau Brummel and First Chance, were taken down with distemper on their arrival. They are convalescing rapidly and no fear is felt for the ultimate result. Mr. Burnes sacrificed his own sleeper accommodation for his charges' sake, in staying over at Winnipeg for a day

to rest, exercise and doctor them.

While in Winnipeg, Mr. Burnes saw Bare Chance, that has developed into a rare good one. He is owned by Mr. G. J. Bury, and Winnipeg breeders should take note of him.

Toronto Boys' Brigade Show: The Broadview Boys' Institute, Toronto, is an institution organized to provide robust, healthy youth, not wingless angels—with clean sport and amusement. It does more than this. It gives technical education of various kinds, including such a wide range as farming, carpenter work and printing. The boys themselves, under proper leadership and guidance, have complete control of their own organization even up to the township law.

For many years an annual show of poultry, pet stock, handiwork, garden produce, etc., has been held on the grounds at Broadview Ave. Three years ago a dog show was added. This year a pony show, riding and driving competitions, etc. Competition is not confined to members of the Institute, but boys from all over the city, under certain conditions, are permitted to compete. A healthy, clean, outdoor life is engendered, much to the moral and physical benefit of the lads.

Mr. J. G. Kent and Dr. A. Boulton officiated as judges at the show of 1908. The dogs numbered over one hundred. There were about twenty-five at the show of 1906, and a pretty ragged lot they were, too. This year the dogs were regularly benched in a large tent, the judging being done in a spacious outdoor ring. While some of the specimens were below par, as would naturally be the case, there were many good enough to compete at much more pretentious fixtures. Amongst the good ones were a very

decent greyhound, a nice stamp of wire Terrier by Coastguard, a quartette of very fair Bostons and a Collie of Mrs. Gordon's breeding that suffered from temporary lameness, a nice clean headed one, with plenty of coat, and showing quality right through. Then there was a very fair Foxhound, a quartette of Dachshunde that are by no means to be despised and a familiar looking Bulldog that won out for best in show, second best going to a Dach., and third to the Fox Terrier. The Cockers were mostly misfits, as were the Irish Terriers, apart from two that showed some redeeming qualities in formation, head, legs and coats. Bright, pleasant weather and a big gate made the Saturday afternoon an enjoyable outing.

* * *

Cockers to Woodstock: Mr. Jno. Tomlinson has bought the Cocker Spaniels owned by Mr. W. J. Stephens, Collingwood, and we understand that the Agawa Kennels will again take up St. Bernards.

* * *

Gananoque Collies: Mr. Bulloch reports the advent of a litter of seven by his new purchase, Southport Star ex. King Edward Prunella. We hope at least one Star may be in the bunch.

* * *

Bull bits: Mr. Dyment has sold the Bulldog advertised in last Gazette to Mr. Perkins, of Toronto.

Mrs. Cartwright's hard luck has not yet all disappeared, as the following letter will tell:

I am sure I shall have the sympathy of all Bulldog breeders in the misfortune which has lately visited my kennel. I lost my beautiful puppy by Tremail Tim Stone, out of Lennox Benita, at three weeks old, from bronchitis. On the top of that my winning bitch, Royal May, died a fortnight ago whelping a litter to Lee

Bank Squire, and none of the litter survived. This is a bad set back, but I hope in the spring to fill up some of the gaps and make a fresh start. These strokes of bad luck, though they are very disheartening at the time, only make one keener to succeed in the end. I sold my young Welsh Terrier bitch, Lennox Glwadys, 2nd at Toronto and 1st at Ottawa, to Mr. R. Johnston, Branson Ave., Ottawa.

Ada Carlos Cartwright.

Mrs. Cartwright's philosophy is commendable, and goes to prove what a hold the fancy has on one who once enters the ranks. The old adage, "Better luck next time," and lots of it.

* * *

Oakville Show: Last year Oakville had a little show of a few scattered entries. This year over fifty dogs were present and there were entries from both Toronto and Hamilton as well as the local contingent. The dogs were tied in the open, but were protected by a wire fence enclosure. Several ladies were present, including Mrs. Anderson, Miss Bell, Miss Domleo, Mrs. Scott and Miss Donovan, Toronto. So beautifully situated, Oakville Fair is becoming quite a gathering place for an afternoon's outing for Toronto and Hamilton people. Oakville, too, has shown that a fair of this kind can be run successfully, free from any of the usual objectionable side show and fakir features of similar exhibitions. Good horses abound, cattle that can win, other live stock, farm

produce, flowers, fruit, etc., including a dog show that was a big attraction to the crowd. We hope next year to see a Canadian Kennel Club show at Oakville. Little more work than was expended this year would be necessary.

Mr. Alderman Jno. Baxter Kent judged all classes and seemed to please those who had dogs present. Perhaps show officials may take a hint that because of an expanding (or is it disappearing?) waist line, the Alderman prefers to handle dogs on a bench about four feet high. But now we are giving away a secret.

The names of owners and dogs are not available at a show of this kind, more's the pity, unless one has a bowing acquaintance with them. A very fair type Beagle won, the other two entered are best passed in silence. Peter Pan won for Mr. Anderson in Bostons, finally taking the special for best of any breed in show, the Bulldog being the runner up, the parti-color Cocker not competing.

Lee Bank Squire had no trouble in going to the head in the four Bulldogs shown, and a good all round stamp of Bull Terrier won, the other being a heavily marked nondescript.

Cocker Spaniels were listed with one class but they turned out so freely that the management were generous and gave four, i.e., black dogs, black bitches, A.O.C., dogs and A. O. C. bitches. The black dogs were a mean lot, but Mr. McDonald, of Hamilton showed a nice all round one of the opposite sex. The second was also a very fair one, whose name or owner we do not know. Amongst the other color brigade, Mr. Jackson, Hamilton, had down his grand parti-color bitch, now six years old, all a sporting spaniel well set up with a good body and nice head. Further

acquaintance with the brush would help her. Mr. McDonald had one or two very fair reds, too. The Fox Hound was passed, as was the St. Bernard, for want of some semblance to the breed. A stylish smooth Terrier won in the hands of Bell Junior, evidently a chip of the old block. A trappy young white dog with bad ears was second, and third went to a skully dog of mature years. A rare old lady won amongst the red coats, in Rampant Regina. Despite her ten years she is clean as a whistle in skull with grand full fore face and neat little ears that are beautifully carried. She was reserve limit and open at Toronto for Mr. Bell, who evidently does not respect the old ladies' grey hairs. The brindle was far the best of the two Danes in head and formation. The blue's excessive fat did not help his plain make-up. A fair pug was the only toy, and a nice-headed bitch all out of coat won in Collies. Second went to a very fair young dog.

Mr. Emsley, an old hand at the game, had the books in good order, Mr. Taylor acting as steward. Mr. Jacobi ran up from Toronto on the lookout for pointers for the next Canadian National, but his interest seemed to lie largely in the edible department of the show, and we heard him eulogising the first and cup "punkin" pie. Why can't we have more of these pleasant free and easy afternoons.

Professor goes West: Collie interests in the West are developing, and another high class dog goes to Calgary. Mr. McEwen, of Byron, Ont., has just sold to Mr. Geo. A. Hull, of that city, imported Holyrood Professor, a dog that has here proven himself the best on the bench as well as at stud, and is bound to be a good investment for his plucky new owner. Collie breeders in the West can make no mistake in patronizing this dog freely.

Clapton Fox Terriers: The Clapton Fox Terrier Kennels, Ottawa, report the arrival of a nice litter of smooths. This time it is the well known imported smooth bitch Little Dutch by Champion Dukedom. Dutch is again the proud mother of a splendid even litter sired by Aldon Captain, by St. Leger. Mr. Bailey states there is every promise of another good one from this one grand little mother. They are thriving, sturdy whelps, and Dutch is in such splendid shape she will raise the entire family. The above bitch is assuredly a great brood bitch, having raised such good ones as Clapton Persist and Clapton Miss Fay, reserve and winners, London show. Also Clapton Lady Margaret, winner one first and three seconds at Ottawa. The above three are by Sa-

B. C. Fox Terrier Club: This live organization has decided to hold another show on Dec. 8th, and application for this date has been filed with the Pacific Advisory Board. Mr. R. P. Forshaw, whom many Toronto breeders will remember will judge both smooths and wires. The B. C. Cocker Spaniel Club has decided not to attempt a specialty show this autumn, but intend taking an increased interest in the spring show of the Vancouver Kennel Club.

Barrie Cockers: Mr. Dymont's Copper Queen presented him with a litter of seven on October 7th. Five of these are dogs, and all are doing well. As they are by the well known sire Ch. Kildare, whose owner received the dogs C. K. C. championship cup this month, there should be more than one

of unusual merit. Mr. Dymont made a new purchase from Dr. King of Peterboro in the black Cocker bitch Lady Silk that was bred by the late Major Howden of Port Hope. She is by Black Silk ex. Lass.

Appreciation and a loss: "The Championship Cup for my Bulldog, Don Ginger Snooks, No. 8704 C.K.C., came to hand yesterday, and I thank you for the same. The cup is certainly more than I expected both in size and beauty. Now I've got a championship cup but no dog. The beggar ran away about a week ago. If you can recommend anything to keep a dog at home give it to me. I've tried everything except the "pills" made by the Winchester Arms Co. However, I again thank you for the cup and trust that I'll be able to bother you for more of the same kind in the future.

He has done a lot of winning in England under good judges such as Messrs Crocker, Marples, St. John Cooper, Astley, etc., and has beaten some of the best known dogs in England, including Rollicking Randy, Bob Upanwyn, Currock Grip, and recently under St. John Cooper at Birmingham received special for best dog in show. Fee \$15.00 prepaid with return privileges. Lee Bank Squire is a very sure stockgetter. Stud card on application. A. A. LEES, of HAMILTON, ONT. Shields Rodney Stone also at stud.

PEDIGREE.

BLUE BLADE is a young dog with a brilliant future and has already defeated the pick of Canadian Terriers. He was placed at both Ottawa and London shows, 1st novice, limit, open and winners under JUDGES MASON and LYN, defeating such dogs as Oxford Rake, Oxford Don and Aldon Orion. The shortest bodied one being shown in Canada today, and absolutely the CORRECT SIZE; he excels in bone, legs and feet; a head of GREAT LENGTH, topped with small, neat ears of correct size, and carriage chock full of the so-much-sought-after FIRE AND GO; a keen dog, a credit to his sire and the great line of blues from which he comes. Breeders who use him will get good ones, and his matchless breeding ensures his success at stud. Above is his extended pedigree. 10.08.

COLLIES.

These classes were assigned to Mr. John Black, of Harrisburg, Pa., who as senior partner of the firm of Black & Hunter, has made a reputation, by his honesty and square dealing, that ably fits him as a judge, he having repeatedly officiated at the best shows in America. This was Mr. Black's initial visit to Toronto, and he expressed himself as delighted and agreeably surprised with the splendid entry that greeted him, and the high quality of the show as a whole. Dog puppies mustered eleven entries. After a careful sorting out the issue fell to Otterburn Orthodox, who will look better when in coat. He must have been closely pressed by Hazelbrae Francie, a big tri-color with lots of coat and a head and ears of good quality. The

third, Kilmarnock Minstrel, is promising, but lost in head and ears. Mr. Joseph Reid's Lord Lovat could not get his ears up so paid the penalty. Novice dogs was a very big class, headed by Chulmleigh Professor, a dog of high quality, whose better condition put him over the puppy class winner. McPherson, an upstanding tri-color with size and coat surmounted by a head and ears of fair merit, occupied the third position and afterwards second in the any other color class. The new faces in the limit and open classes were Selby Squire Jr., Edgbaston Dandy, who were third and reserve respectively. The latter we thought hardly treated, for though the ravages of time are setting their seal upon him, he has quality and coat and an abundance of

Collie character. The only new comer in the other classes was Mr. Roy's good dog, Ch. Balmoral Rex, in grand coat. He still retains his ever typical head and ears. He has grand bone and size. The bitches were much better than the dogs in point of merit. The puppy class was won by Otterburn Olivette by Otterburn Ornament, second going to a lovely puppy. Chulmleigh Admiration, a daughter of Ch. Southport Sample. The limit and open classes were unusually strong. After a careful sorting out Mr. Black placed Otterburn Constance first, Getmore Galatea, second—a bitch of great size and good head and ears and shown in fine condition. Her lack of animation was a great handicap to her. Holyrood Queen third is a recent importation of Col. McEwen's. She owns a head of rare length and finish and perfect ears. But for her lack of coat she must have been higher. She was sold for a big

COCKER SPANIELS.

As calumny and vilification are the usual "thanks" that greet most sporting Spaniel judges at the principal shows it is no small wonder that the task is one shunned by a majority of men and that a mere handful of men are willing to judge even after "election" to the American Spaniel Club's official list. That Dr. Henry Jarret knows them there can be no question of doubt, for he has officiated at many big shows, including New York, more than once, and drawn record entries. It is a simple matter to "pick winners" from a quiet ring-side, but quite a different story when one is placed in a crowded ring with inadequate light. Dr. Jarret judged with great care, and if mistakes were made it was without malice aforethought.

Very big classes were the order of the day, and likewise a medley of types to choose from. No effort will be made to mention all the winners and those whose merit entitled them to higher honors than were theirs on the day—for there were a goodly number who will do better next time. Most of the principal breeders were on hand and many new faces were seen at the ring-side. Mr. Tomlinson, of Woodstock—where innumerable champions have seen the light of day—was most successful. Speculator, a lovely little parti-color by Ch. Lucky, went through from puppies to winners. This little dog is perhaps a bit undersized, but he has plenty of substance—a short, compact body, grand ribs, straight forelegs with bone of good quality and a head-piece of the very best. If he lives he must be returned a winner many times. The novice class for black dogs again found Mr. Tomlinson to the fore with Martello, by Ch. Standard. Apart from rather light bone he is a good one. Our old friend, George Douglas came second with Murad, who has better bone and more substance than the winner, but lost in head. Mr. Clark was third with Le Noir, by Kildare. His head and eye are good, but he is quite unfurnished as yet. The new face in the limit and open classes was that grand dog Kildare, well shown by Mr. Farewell. A great deal of sympathy was shown to Mr. James Clark, who received the news of his dogs' victories on a sick bed. Red dogs were not a strong lot, but were plentiful enough. Mr. Dymont was lucky to win with Red Sammie, as his mouth is very unsound. Apart from age he is a good all-round dog. The unlucky dog of the party was Mr. Davis' high quality Chauncey D., who retains his good

head and Cocker character. The bitches were numerous. George Douglas supplied the winner in puppies with Myrtle S., a promising youngster. The same owner scored all he could with Marion, a daughter of Hindoo King. This is a lovely little bitch and a gay mover. Apart from being on the small side, little fault can be found with her. Mr. Clark came second with Lisette by Kildare. Her head and body are good, but she is a size large and lacks bone to correspond. The unlucky member of these classes was Mr. Huckle's Black Patti H., who, like many a good one before her, was overlooked. She is away above the average in head and eye and owns a good body. She will come to her own another day. Messrs. Sutherland and McMahon, of Kingston, had a field day with their lovely parti-colored bitch, Bessie Adair. She owns a good head and eye, body, coat and bone of the best. Apart from ring-shyness, which prevents her moving well, little fault can be found with her. In the solid color class, other than black, Mr. Clark won well with Silver Queen, a beautiful cream with a grand head and dark eye, and a well-balanced body. She is a gay mover and many thought her about the best sporting Cocker in the show. Mr. Hughes, of Hamilton, did well with his really good bitch, Lady, whose all-round excellence would put her high up in any company.

that was once the pride of a Toronto show. Never, in the recollection of the visitor, has such an even lot been brought together at this gathering of Canadian fanciers. Competition was greatly enlivened, and many Terriers capable of carrying away a blue ribbon at most shows left the ring without a mention to mark the high merit that undoubtedly was theirs. From a retrospective point of view, it is a question whether breeders of the present have not more to fear in their efforts to perpetuate a fixed type, than they have in the past to bring about special points of excellence. Undoubtedly great strides have been made in "fronts" that have clean straight bone that goes to the very toes, and does away with unterrierlike feet. Terrier character with head, ears, eye and expression is well established. The bugbear seemed to be an ever increasing tendency to get too much size, which is productive of a long back. With broad lines so well established and the right sort of sires at our disposal, doubtless this fault will be taken in hand by breeders.

A most pleasing feature this year was the good sportsmanship shown by Messrs. Welsh and Burnes, of Vancouver, B.C., who each sent on a team of smoothies and wires respectively. The only regret was that these good fanciers were not themselves present to see their entries score well merited victories. The judging was in the experienced hands of Mr. George Thomas, whose long connection with Terriers and the many he has imported and

successfully exhibited, ably fitted him for his task. He expressed himself as highly complimented with the magnificent entry that greeted him. Before speaking briefly of some of the exhibits, we would like to call the attention of exhibitors to a growing evil that is absolutely unfair and most annoying to fellow sportsmen in the ring, and is productive of possibly marring the show career of some good dog. We refer to the growing habit of showing Terriers in a crowded ring with abnormally long leads. A strong and fast rule should govern this practice and should immediately be taken in hand by show committees. The average bench show chain is fair to all.

Dog puppies were a good class, but here too much size was in evidence. Messrs. Fraser and Lindsay, who are taking a very active hand just now and have a strong team, were successful with Forester, skilfully shown by Mr. W. P. Fraser, whom all were pleased to see do so well. This puppy has an absolute front and grand bone, but he is much too big, the same applying to his brother, Freebooter, who occupied third place. Mr. Wm. Morris, always an ardent fancier and true sportsman, dropped into second place with Bluebeard, whose short body and better size might have put him at the head of the class. A much better lot appeared in the novice class, and here began hard work for the judge. The final issue found Mr. Rutherford's Warren Distinct, a tan marked son of the wonderful sire, Sabine Resist. He has a lovely neck, shoulders, legs and feet and a well finished head. His eye is a bit full, his expression soft, and his "top" is not pleasing. He was beautifully shown and his condition reflected credit on his handler, Donald Munro. Canadians appreciate Mr. Rutherford's loyalty to their premier show, for he has been a warm supporter of Toronto shows for many years. After Warren Distinct came quite a different sort of Terrier, and surely the lucky dog of the assembly. Levinside Lucifer is just a useful workman with heavy

shoulders and a headpiece of very average merit. He looked very ridiculous so high up, and there were several in the class that might easily have beaten him. Mr. A. A. Macdonald was third with Aldon Orion, whose bone, legs and feet are of the very best. A hardly treated dog was Clapton Blue Blade, a heavily marked son of Ch. Warren Blue Blood. This is a hard bitten Terrier with very few faults. He might easily have been second. The limit class found quality and competition still keener. Warren Distinct again received the blue ribbon. Close on his heels came the Vancouver candidate, Sunshine Beau Brummel. This is really a Terrier of class, and just the right size. He has a long, well shaped head, neat ears, and a keen expression. His neck and front are of the best and he has a good jacket. He is just a bit long in loin, and might move better behind. The long journey across the continent left him a bit listless, but he made many friends. Third came another very high class one in Mr. Fraser's recent purchase, Fra Diavolo—a tan marked son of Ch. Sabine Ruler's—lovely quality throughout. In head, ear, expression, neck, shoulders and front he is Al. His body is short and compact with well sprung ribs. He was handicapped by his poor condition, but is a dog who must make his mark in the show ring and at stud. We congratulate his owner on bringing such a good one to Canada. Aldon Orion was reserve for Mr. Macdonald. The unlucky dog was Oxford Rake, a very compact and high quality Terrier. Open class brought out that wonderful sire, Ch. Sabine Resist, and gave lovers of a really high class Terrier a chance to behold a truly grand dog. Resist retains his wonderful headpiece, but the ravages of time are beginning to leave their inevitable marks, and he should now be retired to the stud, where, as the sire of Ch. Warren Remedy and many other good ones, he must always be reckoned a pillar in the stud. The others in the open and other classes were repetitions.

AT STUD THE SABLE POMERANIAN Cairndhu Narcissus

Sire, Narcissus of Offley. Dam, Budport Stella. Narcissus is without question one of the most distinguished Pomeranians in Canada. He is a short-coupled sable, hair of a good rough texture, and exceptionally small ears. He has won at Edinburgh Toy Dog Show, 1st for best Pom., and at Toronto was awarded first time out. He is bred from sable for four generations and is a sure sire of this much-desired color. Also Chocolates and Blacks \$15 fee. PUPPIES FOR SALE, either for exhibition or pets. Apply MRS. W. WALTER SCHARLAND,**Birchcliffe P.O.,****Scarboro, Ont.**

Smooth bitches were not as good a lot as the stronger sex. The puppy class was headed by Mr. Nelson's Bonnimoor Select, a quality daughter of Sabine Resist. Mr. Fraser won second and third with Fortuna and Formula, both good in legs and feet but a bit long cast. All were pleased to see Mr. Morris win the novice with a really nice quality bitch, Bluegown. Limit and open introduced a good one in Mr. Rutherford's Warren Savory, a bitch of all round merit. The new one in these classes was Mr. Welsh's Sunshine Blue Bell, a really neat bitch, but handicapped for the show ring by being undersized. As the dam of Sunshine Beau Brummel she must be a good brood bitch.

WIRES.

This breed does not seem to make rapid headway, requiring an expert to put them down in the show ring. One may lament the trimming evil, but if there are no evidences of it it is hard to put the offenders under the ban. From lack of "condition" as to coat several good dogs occupied a low place in the prize list. All were pleased when Mr. Burnes captured the puppy class with a really neat one, First Chance. He has a good head and ears and a good coat for a puppy. Novice dogs was won by Miss Naomi Wedd's Master Tip, a tan marked son of our old friend Matchmaker. He has a good wire coat and a fair sort of head with ears a bit high. First Chance was second, and Miss Eadie's grand headed Mix-Up, third. The limit and open was won by Mr. Lynn's Rearguard by Ch. Coastguard. He has a long head and a good front and body. His show of whisker is significant of the fact that he owns a soft coat. Mr. Burnes came second with a good one in Leading Chance. This is

a tan marked dog with very few faults and reminds us of old Meersbrook Bristles. Had he been put down fit he would surely have won all that was asked of him. Mr. Moore, of Montreal, had the best bitch in Donington Hope, a well balanced Terrier. Messrs. Fraser & Lindsay had a successful brace in Fairy Form and Fox Glove.

LONDON DOG SHOW

NUMBER OF DOGS, 235; WINNERS VALUE, ONE POINT.

Slow but sure is a motto that might fittingly be applied to this excellent show—slow only in the sense that the rapid growth and lack of substantial qualities that mar the future of many beginners is not going to be the fate of exhibitions given by the London Canine Association. This will all be regulated another year, for the show is in the hands of the very sort of men, and women, too, who will rid dog shows of objectionable people and elevate them to a standard that will

Hamilton, Ont.

make them an honor to the community where they are held—for surely man's best friend can't occupy too high a position. The President of the Association, Colonel Robert McEwen, was ever about looking after the interests of exhibitors. Dr. Niven, who judged at the first New York show in the seventies, is as keen as ever, and gave a great deal of his time to visiting exhibitors.

To Dr. Drake we owe an especial debt of gratitude, for he gave much of his valuable time to the show and was a liberal supporter of the Fox Terrier classes, where he met with success. A no less ardent fancier is Mrs. Drake, who was an enthusiastic looker-on while the judging was in progress. Mrs. Drake was the charming hostess of a dinner at the London Hunt Club the second evening of the show. Mr. Marshall Graydon, the crack shot, was in constant attendance, and a more charming gentleman and thorough sportsman could not be wished for. George Bowman made an efficient superintendent, and a hard working committee, headed by Capt. Smith, kept everything running smoothly.

The quality of the dogs was of the very best, a feature being the wonderful string handled by B. F. Lewis, which contained the grandest lot of Pointers and Setters that could be procured abroad. Mr. Ross, manager of the Drumclaph Kennels, of Montreal, brought on a big miscellaneous string and was a big winner. His energy and faithfulness to his duties was a pleasure to witness.

The quality of the dogs, as a whole, was ahead of last year, and next autumn we may expect a much bigger show. Great Danes had last year's winner, Mrs. Langley's Imperator, at the head of affairs. He is a big mouse colored dog and shown in fine condition. The Russian Wolfhound, Lelka, is a good specimen. Greyhounds were decidedly good. Ch. Landsdowne Coldstream excelled in neck and shoulders. James Coulter did well with Queenie, and had she a bit more size few could beat her. The London Hunt supplied a representative brace of English Foxhounds. Both are especially good in bone, legs and feet.

Pointers and Setters were a feature

of the show, thanks to the generous support of Mr. George Bleistein, of Buffalo and the able handling of Ben Lewis. Mr. Bleistein has spent a fortune on sporting dogs, having sent an agent to England and Scotland on several occasions with instructions to buy at any price, but get only the best. In Pointers, the veteran Cocker breeder, George Douglas, showed some good specimens and was well up in the prize list. Mrs. Charles Waters, plucky as ever, made a meritorious win with her old favorite, Jingo's Della, that was placed over the crack Ch. Mallwyd Glory.

Cocker Spaniels were the biggest entry in the show, most of the best known exhibitors being present. A glance at the prize list will suffice to show that the winners were at Toronto and hence familiar faces. Dachshunde were well represented, Mr. W. S. J. Saunders, of London, showing a strong trio.

Collies came forward in goodly numbers, most of the best known Canadian kennels being represented. The kennels of Col. McEwen and Mr. W. Ormiston Roy won the lion's share of the prizes, though Daniel Thody, as usual, came in for his share of the ribbons. The open dog class brought together Ch. Balmoral Rex and Holyrood Professor. The latter still retains his typical head and ears and grand legs and feet. He was sadly out of coat, which defeated his chance of crossing swords with Balmoral Rex. Mr. Roy held a strong hand in bitches his typical trio of tri-colors being greatly admired. Col. McEwen showed a really nice tri-color in Holyrood Fly who owns a neat head and ears and grand body. She slipped in after the smart headed Coila Dawtie. Dalmatians were above the average. The winning dog and bitch being well spotted and having sound legs and feet—surely paramount points in a coach dog.

Bulldogs a good entry with lots of quality. The Toronto winner, Crumpsall Pyramid Jr., had to give way to Jack Stone, whose short, compact body, good turn-up and neat ears made him a comfortable winner over the former, who has a long body and a button ear. However, he is a pleasing brindle in color and has a good

head. Mr. Lydiatt held a strong hand in bitches and had no trouble scoring with his beautiful little brindle, Ch. Peggy Stone, who has greatly improved since we first judged her at Toronto. Lady Chesney Stone, Lady Quality Stone and Sally Bombard are all good, useful bitches.

Boston Terriers, a good entry. The best dogs were Dr. Richardson's Peter Pan and Mrs. O'Neil's Sir Preston William. The former scored in head and compactness of body. Both were in grand condition. Mrs. Brennan's Lady Careless—most typical in every way—beat another good one in Mr. Wm. Macdonald's Lady Loo, who did so well at Hamilton last spring.

Fox Terriers: About the same lot that were at Toronto, though the awards were shaken up. Dr. Drake's brace did well and deservedly so. Mr. Bailey came to his own with Clapton Blue Blade, going through to winners. Bedlington Terriers were good classes, most of the prizes going to Mr. John Kenyon's team. Mrs. Theodore Coleman was unfortunate in having her entries a day late owing to an oversight.

Pomeranians were good classes. Mrs. Wylie had her lovely brace of bitches, Ch. Cairndhu Tot and Cairndhu Pearl, placed in the order written. The former, a black, may thank her better condition for upsetting the Toronto award. Dr. Foster's smart little black, Ch. Berwyn Mite, was well shown and easily the best dog. Pugs had three good ones, the best being Mrs. Meadow's black Bartlett Queen—a really good specimen.

THE FIRST ANNUAL SHOW OF GUELPH KENNEL CLUB.

A List of Prize Winners—F. E. Smith won Prize for Best Dog of any Breed in the Show. Big Showing of Canines, Quality Exceptionally Good.

The Royal City seems destined to play no small part in dog show circles. In spite of the crude benching accommodation they mustered well over 100 dogs, practically all local, and enthusiasm on the part of old and new fanciers alike was at high pitch during the whole show. We hope to see the next show held under Canadian Kennel Club rules, which, with a printed catalogue, would doubtless draw a larger entry, besides give a standing to the show. Mr. Geo. Bell passed judgment on all classes to the satisfaction of everyone, and expressed his pleasure at the show and management in general.

Beagles constituted the banner class of the show, Mr. F. E. Smith's bitch, Welcome, capturing the special for best dog, any variety, on exhibition. Welcome is worthy of all the nice things we can say of her—immense bone, grand front and head, absolutely sound and in splendid condition. Her litter brother, Gamey, another grand specimen, though a little long in body,

was the winning dog. There were by actual count 23 Beagles, and lots of good ones amongst them. Mr. Card also figured largely in the winning, though his dogs were handicapped by being thin. They were in good working condition, but this hardly does for a bench show.

Collies were next in numbers, but were a miscellaneous lot, the best only mediocre specimens. There were a couple of very fair Irish Terriers, but Fox Terriers, outside of the winning smooth dog, were only second class. This smooth Mr. Ritchie's Pincher, is a rather good one, good bone, head and expression and fair ears, but was shown far too fat.

There were a couple of very nice Cocker. The black dog puppy, Hottentot, shown by Miss Ruth Smith, is really a very promising one—cobby, good skull and foreface, ears and feather that will improve, and sweet expression. Then there was a very respectable buff dog, Miss Collins' Tip. Foxhounds also were out in fair num-

OTTAWA DOG SHOW.

NUMBER OF DOGS, 225. WINNERS' VALUE, ONE POINT.

We were a little disappointed at not seeing more than 225 dogs at Ottawa this year. The quality was well up to the mark, however, and the judging, which spread over the whole time of the show, kept up the enthusiasm and excitement. Mr. Payne, the Secretary, and Mr. Armstrong, the Superintendent, were untiring in their endeavors to accommodate man and beast, and were ably assisted by other members of the Club. The one and only "Teddy" Carlyle haunted the building both night and day to see that none of his canine charges could complain of poor treatment. Mr. H. L. Thomas, the well known Bulldog fancier of Montreal judged Bulldogs and the remaining classes were consigned to Mr. Chas. H. Mason, of New York. The list of specials was very attractive, and on the last day when specials were being judged, the cups, trophies, etc., were arranged in a magnificent display in the judging ring. We are glad to know that the gate receipts were good this year, as indeed they should be, for beautiful weather prevailed nearly the whole time of the fair.

The large varieties, outside of St. Bernards, were very light and ordinary. Parkdale Kennels' winning bitch, Lucerne of Parkdale, easily stood out as best in St. Bernards. A better turnout of Foxhounds, both English and American, where Mr. Bannister's Watchman (English), a substantial hound with good skull and bone, had not much difficulty in capturing winners.

We looked for more and better Setters and Pointers, but the Cocker exhibit was rather good. In black dogs, Mr. Montgomery kept well ahead of the rest of his class with Little Joker, a good all round dog. Mr. Cook's

Rockfield Dusky Duke, a very fair skulled one with not too good a front going reserve winners. In red and parti-color dogs, winners went to Mr. Montgomery's Red Patsy, a beautiful headed one, but with only a fair front, and reserve to Mr. Webb's Webb's Ottawa. Nothing phenomenal in bitches. Winners in blacks going to Mrs. Ross's Dusky Gem and A. O. C. to Messrs. Stuart's Black Stocking.

Collies made 15, including Mr. Roy's Balmoral Rex, winners dogs, and Coila Curler, reserve winners. In bitches, Mr. Binning's Lucy Glitters went to winners, afterwards winning the Earl Grey Cup for the best dog in the show, owned by a member of the O. K. C., Fox, Black and Tan and Bull Terriers debarred. Mr. Roy's Coila Couthie won reserve winners, beating Mr. Robertson's Hazelbrae Morna and Dr. Ford's Otterburn Olivette. Bull Terriers were a sight well worth seeing. Puppy dogs brought out Mr. Walters' Epsom Young Ajax, an evenly balanced Terrier, good head and excellent in eye. He went reserve winners, being beaten by Mr. Elliott's grand Terrier Haymarket Blazer, still full of quality though not in good condition. It is hard to find fault with Mr. Walters' winning bitch, Epsom Lady of the Snows—fine clean skull, sound, in pink of condition. She impressed the judge so much that he put her over Blazer for a special for the best dog in the show owned by a member of the O. K. C. The reserve winners bitch, Mr. Walters' Epsom June II. is eight years old and certainly a "laster." She is a good sound bitch yet, though a little coarse in skull. Then we would not forget Mr. Elliott's very promising puppy, Haymarket Sweet Marie, nor Mr. Walters' winning novice bitch, Epsom Lady

Beautiful, a good headed one with tremendous spring of ribs.

Bostons made a fairly large class, though there were not too many good ones. The winning dog, Dr. Richardson's Wahneta's Peter Pan, is well known, and the winning bitch, Mr. Stewart's Beacon Beauty, though not a flyer, is a good one. She beat Dr. Richardson's Boylston Lil.

Fox Terriers made grand classes. The winning smooth dog, Clapton Blue Blade, is really a crackerjack, excelling in feet and head. Oxford Rake, which went reserve winners, we have often referred to before as one of the best Terriers of his day. Oxford Brilliant and Oxford Shotover, the winning bitches, are both very good ones. In wires we were glad to see Miss Eadie's grand dog, Mixup, go to winners. He is a typical wire with good skull, foreface and eye. Two of Mr. Moore's bitches, Donnington Hope and Donnington Siren, went winners and res. in bitches, both good ones.

Irish Terriers, though not very many, were good. We always liked Drumclaph Fair Chance: he is a good sensible type of Terrier, great bone, straight front, good feet, and though his skull and ears may be a little thick, he was shown in grand condition, which does a lot to offset these defects. The reserve dog, Mr. Inseley's Cracksman, is a good Terrier, though inclined to be thick in skull. The winning bitches, Drumclaph Mrs. Casey and Drumclaph Flash, are both nice bitches.

Black and Tans, though not as many as we expected, were good, Mr. McLean getting winners on his grand team, Willowdale Golden Rod and Willowdale Beauty. Other classes light, but some good quality.

About fifteen or twenty Bulldogs, a very fair representation, though of course, good ones were not over abundant. We were sorry to see Mr. Brodie's importation, Geo. Martin, arrive too late for competition. He has a good front, great bone, splendid wrinkle, but rather poor ear. With him away, Mr. Williams' well known Duke of Buckingham did not have much trouble in making winners. Mr. Williams also showed a good bitch in Lady Grey of Glenwyth. She beat Parkdale Kennels' Kitty of Ivanhoe, another good all round bitch.

BOSTON TERRIER CLUB.

The Boston Terrier Club of Canada was formed at a meeting held in Toronto on Oct. 8th, and although the attendance was small, those present were very enthusiastic over the prospect of this latest addition to the many clubs, which have for their aim the protection and advancement of many different breeds of dogs. The following officers were elected:— Mr. W. A. Little, President; Mr. C. L. McQuillan, Secretary, 3 Wilton Crescent, Toronto; Mr. C. H. Bellinger, 18 Springhurst Avenue, Toronto, Treasurer. The club was formed to protect the interests of that breed of dogs known as Boston Terriers, and if given the active support of the many who the interests of the breed of dogs advance the value of this breed. Mr. McQuillan and Mr. Bellinger are expecting to hear in the near future from the owners of Boston Terriers and others interested, and hope that when the next meeting is held, Friday, Oct. 23rd, a large number will be present at the English Chop House to identify themselves with the movement. It is the intention of the club to hold a Boston Terrier show some time in January, 1909, this being the best way to create an interest in this line.

was formally organized, with the following officers: Patrons, Messrs. James Wetherall and J. C. Dietrich; Hon. Pres., F. G. Hughes; Hon. Vice-Pres., F. Stewart Scott; Pres., Chas. Robb; 1st. Vice-Pres., H. E. Sheldon; 2nd Vice-Pres., S. J. Cherry, Preston; 3rd Vice-Pres., A. M. Edwards; Sec'y-Treas., W. Twaits; with a committee of seven.

While such matters are a little premature at this stage, the matter of holding a local show, and next year an open show under Canadian Kennel Club rules, was discussed. A constitution and by-laws will be immediately drafted, and we look for the hearty co-operation of every fancier and breeder in Galt, of whom there are more than a few.

I will be pleased to keep you posted on the affairs of the Club as a possible item of interest to the readers of your paper, and trust that our relations will result to our mutual advantage. Yours sincerely,

MORE CHANCES.

The September Gazette to hand yesterday. As a mild punishment for the perpetration of your pun on my registered affix, I beg to inform you that few fanciers get the number of "chan-

ces" I do. While I was taking "chances" with my "chances" at the Toronto show, a whole bunch of "chances" were delivered for me in Vancouver. The first lot contained only eight, of which four were "stern chances," while the other four were for gentler use as becomes their sex. The second instalment contained five, but in the two lots I figure I have "many chances" ranging from a "Queer Chance" to a "Swell Chance." Should you hear anyone complaining that they don't get "much of a chance" let them write to me. I can give them a "Better Chance" if they desire it. I hope to take "another chance" with some of these "chances" at Toronto again, where with a few additions to their coats (the prevalent practice at Toronto) I hope to have a more "equal chance" with those who take a "long chance" with the rules and spirit of fair play.

Explaining. Leading Chance is the sire. My two imported bitches, Dudthorne Belle, by Romulus of Gaywood, and Dudthorne Hops, by Ch. Briar Sportsman, are the mothers of the eight and five puppies. All are strong, sturdy and healthy whelps without a single weakling to weed out, and each will be given a "good chance" to make good. The litter of eight (4 dogs and four bitches) has the Ottawa litter by Ch. Sabine Resist beaten by two holes I think. Yours truly,

H. Burnes.
