NOTES AND COMMENTS

Credit due: The very able and interesting article, "Fox Terriers in England," printed in last Gazette, was written for us by Mr. W. D. Bruce, of Vancouver, B.C. In more than one quarter Mr. Bruce's letter has received very favorable comment. From it it is easy to judge that the day of the "big" Fox Terrier has passed. Let him rest in peace, he at any rate gave us foreface.

A sad ending: The regrettable death of William Fox, Toronto, a devotee of the Bull Terrier, and the breeder of at least one famous litter, is a sad commentary on the brevity of life. It appears that he was suffering from a cold, and at night, mixing a home-made cough medicine, got in too much laudanum. His wife found him unconscious in the morning when she attempted to arouse him. He was hurried to Grace Hospital, but the efforts of the physicians were unavailing, he passed away about noon.

The late Mr. Fox was an Englishman, an all-round fancier, and though in humble circumstances he was not afraid to pay for what he thought he wanted. His strains of Cavies and rabbits were known all over America, and at one time, too, he was a big winner in pigeons. In fact in "fancy" matters he was a universalist.

Our personal acquaintance with him extended over a long term of years.

Toronto Hunt: The second large fire in short time occurred on the premises of the Toronto Hunt this month. This time the extensive kennel buildings went but fortunately the dogs of the Hunt were all saved.

Bloodhounds now: We have run across Mr. J. A. Laurin more than once lately on our weekly trip between Toronto and Montreal. Around the holiday season we saw him twice accompanied by Mrs. Laurin, who, with her husband had been spending the joyful season in Orillia.

Mr. Laurin is going back to one of his first loves (nothing personal—can-

ine) and a kennel of the dignified Bloodhound is on the tapis for the Colne Kennels. The consignment is to consist of four bitches and one dog or more.

Bloodhounds have come and gone in Canada, we rarely see more than one or two even at our largest shows. For this reason we welcome any serious attempt to popularize the breed here.

A good Airedale gone: Colne Master Royal, the dog that helped make Mr. Laurin's kennel of Airedales famous, has gone the way of all flesh, canine

as well as other. He was not an old dog, being about seven years of age, and succumbed to a severe attack of gastritis.

New Westminster Collies: Mr. Jno. J. Jackson, New Westminster, B. C., has purchased Mr. R. H. Lord's interest in Seedley Solace, Seedley Sunbeam and Seedley Sousie. Also Seedley Scout, a young dog of quality quite recently imported.

Suit for damage: The Winnipeg Exhibition Association was recently the defendant in a case of vital interest to all show-giving associations and clubs. Briefly, the plaintiff exhibited several Japanese Spaniels at the Winnipeg Show of 1909, claiming loss through distemper incurred at the show. This defendant disclaimed. Dr. Bell tells us the case occupied the time of the Court about four and a half days, and that nearly forty witnesses in all were examined. Judgment has not yet been rendered.

A local paper reports the case as follows:

The case of Coltart vs. the Winnipeg Exhibition Board was concluded this forenoon before Prendergast J., in the King's Bench Court. Mr. Blake submitted the argument on behalf of the plaintiff, stating that the evidence was conclusive that there was distemper at the dog show during the Winnipeg exhibition of 1909. In at least one case it was at such an advanced stage that anyone could see there was something wrong with the dog, and claimed that the evidence of Dr. Smith supported this contention. The veterinarian whose duty it was to inspect the dogs either did not do so, or if he did, did not do so competently. It had been shown, he stated, that 22 dogs died from distemper and that a number of them were permanently injured. He

submitted that the proper methods had not been adopted which should have been taken when disease broke out. Counsel concluded by a reference to the evidence given as to the value of the dogs.

A. B. Hudson, for the defence, stated that plaintiff, when he sent the dogs to the exhibition, reserved the right to take them away at any time that he might not find the conditions suitable. Some of the dogs that died, he claimed, were not amongst those that had been sent to the Winnipeg exhibition, but there were some dogs that had been previously exhibited at the dog show at the Horse Show building, and he claimed that one of the dogs that died from distemper had apparently been amongst the latter. Dr. Shipyard saw practically every dog that was taken to the exhibition and had testified that he had not seen the slightest signs of illness. It was true that a Terrier was found to be affected at the exhibition, but it was found to be suffering from a cold. There was no evidence to show that any dog at the exhibition had distemper. Mr. Coltart had stated that the first signs were shown a week after the dogs got back to Miniota. He further stated that Mr. Coltart was himself present most of the time at the exhibition.

In reply to this latter contention, Mr. Bergman, for the plaintiff, said that the fact that Mr. Coltart was assisting the attendants who were looking after the dogs would not release the exhibition from liability to do their part.

The main argument of the defence was that the distemper was not contracted at the exhibition, but apparently from dogs of the plaintiff having distemper which were not sent to the exhibition.

Decision was reserved.

Canadian Kennel Club Meeting: A meeting of the Canadian Kennel Club Executive will be held in Toronto on Friday, February 3rd.

Quarantine does not apply to Canada: Information reached us last month that the United States had put into force a two weeks' quarantine against the "Collie, Shepherd or Sheep Dog." The reason given for this action being the peculiar statement

that sheep were liable to tapeworm transmitted through the dogs.

When we got knowledge of this we wrote the Department of Agriculture at Washington, asking if this regulation applied to Canada. We append the reply of Mr. Hickman, Chief Quarantine Division. This we take to be eminently satisfactory.

Following is Mr. Hickman's letter: United States Department of Agriculture, Bureau of Animal Industry, Washington, D. C.

Address reply to "Chief of Bureau of Animal Industry," and refer to U-438.

January 5, 1911.

Mr. H. B. Donovan, Toronto, Ont.

Sir,—Referring to your letter of December 27, making inquiry as to whether or not the provisions of this Bureau's Order No. 176, copy enclosed, compels a two weeks quarantine of Sheep Dogs from Canada, you are advised that dogs from Canada (a North American country), are not covered by this Order. As to whether or not it may be deemed necessary to make this Order applicable to Canada has not been determined.

Very respectfully,

R. W. Hickman,

Chief, Quarantine Division.

The order in detail is as follows: United States Department of Agriculture, Bureau of Animal Industry.

Order providing for the inspection and quarantine of Collie, Shepherd, or Sheep Dogs imported into the United States, or the Territories thereof, from any country of the world except North America.

U. S. Department of Agriculture, Bureau of Animal Industry, Washington, D.C., November 25, 1910.

The fact has been determined by the Secretary of Agriculture that Collie, Shepherd or Sheep Dogs are subject to the infection of tape-worm (*Taenia coenurus*), the infective element causing gid, sturdy, or staggers in sheep, through the invasion of the brain and spinal canal of these animals by the cystic form of this parasite (*Coenurus cerebralis*):

Now, therefore, I, James Wilson, under authority conferred by section 2 of the Act of Congress approved February 2, 1903 (33 Stat., 791), do hereby order, and notice is hereby given to the owners, officers and agents of all steamers and other vessels of all

descriptions, plying between any foreign country, except the countries of North America, and the United States or the Territories thereof, and to all stockmen and all other persons concerned in any way or manner in the importation of, or traffic in, Collies, Shepherd or Sheep Dogs, that all such dogs entering the United States or the Territories thereof shall be subjected to quarantine for a period not to exceed two weeks, or until it can be determined by inspection or examination by an inspector of the Bureau of Animal Industry, as to whether such dogs are the hosts of *Taenia coenurus*. In the event it is found by such inspection or examination that such animals are so infected, they must be medically treated under the supervision of an inspector of the Bureau of Animal Industry, and held in quarantine until it can be definitely determined that they are free from such infection before being allowed to be imported into the United States or to mingle with sheep or other live stock in the United States.

The ports of entry for such dogs are limited to the ports designated in the regulations of this Department for the entry of animals which are subject to both inspection and quarantine, viz.: On the Atlantic seaboard, Boston, Mass.; New York, N.Y.; and Baltimore, Md. On the Pacific seaboard, San Francisco and San Diego, Cal., and Port Townsend, Wash.

This order will take effect immediately and will continue in force until otherwise ordered.

James Wilson,
Secretary of Agriculture.

New U. S. Customs ruling: For some time it has been within the power of the American Kennel Club to issue Customs Certificates to dogs seeking free entry into the United States. This was not, of course, a privilege of the American Kennel Club alone, but was the ordinary custom of all recognized live stock associations. We learn that the Department of Agriculture, Bureau of Animal Industry, at Washington, has issued a circular to the importers of all domestic animals, rescinding the regulation that has obtained heretofore, by which the Secretaries of the American Associations in all breeds of domestic animals were authorized to issue Customs Certifi-

cates, by which such domestic animals could be entered into any port of entry in the United States free of duty. On and after January 1, 1911, it became necessary to obtain the official certificate of free importation from said Department at Washington.

Frankly, we doubt the wisdom of this. It seems to us as though the supervision and examination had been taken out of the hands of experts familiar with such work and had been assigned to others whose knowledge of names and other details must of necessity be more of a general nature. However, there the matter now rests.

Dr. Ford abroad: We last heard from Dr. C. Y. Ford from Athens, Greece, from whence he was leaving within a short time for Egypt as part of his professional tour of the world.

While in Turkey he had an opportunity of looking into the alleged cruelty of placing the hundreds of street dogs of Constantinople on a desert island to starve and consume each other. From good authority — and the "Young Turks" who have replaced the old regime are a type to be respected — he found that the dogs were fed and poisoned by degrees. That they were a mangy, diseased lot, starving in the streets, and in type anything but domesticated is the conclusion arrived at by Dr. Ford.

Skyles — Yorkshires: Mrs. Crowther's lately imported Skye Terrier bitch, Flora Scott, has given birth to nine healthy puppies, seven dogs and two bitches. They are by Champion Wattie Scott, also that her Yorkshire Terrier bitch, Trixie, two days previously gave birth to three, two dogs and one bitch, by Champion Teddie Tip, the winner for three consecutive years at Toronto Exhibition.

An old standby gone: Mr. A. A. Lees, Hamilton, one of our most prominent Bulldog breeders, and one who has stuck to the game through good and ill, is mourning the death of that good old inmate of his kennel, Shield's Rodney Stone.

Shields Rodney Stone was whelped on July 24th, 1899, so that he was somewhat over eleven years old when he died. Not a great age as dogs go on the average, but a goodly number of years for a Bulldog.

A dark brindle, he was by the famous Ch. Rodney Stone, out of Lady Capena, a bitch that on the sire's side—Stockwell — ran back to Don Pedro and Lady Disdain. He was a persistent winner in Canada, and more than that a sire of winners. In England his record was twenty-seven firsts, seconds and thirds.

We hope that Mr. Lees has been fortunate enough to retain a strain of the "Stone" blood that is so valuable in Bulldog breeding.

Some more: Another Bulldog breeder who is to be sympathized with is Mr. J. A. Irving, of Toronto, and Mineral Springs, Ont. His old brood bitch, Moira May, died of old age on Christmas Day. She was a dark brindle too, by Sir Launcelot, by Ivel Doctor ex. Leeds Girl, by Lord Durham, ex. Naughty Girl II., by Duke of Almarle. She was famous as the dam of the big winner, Crumpsall Pyramid Jr.

This is not Mr. Irving's only loss, his brindle and white pied bitch, Moira Fascination, dying of paralysis. She was by Shootown Pride ex. Lady Roy, and took winners at the Canadian National Show in 1910.

This is a heavy loss, but Mr. Irving is one who loses and comes again. He is still right in the game.

Good Friday Show: The Toronto Kennel Club have claimed dates with the Canadian Kennel Club for a one-day show on Good Friday, April 14, 1911.

BOSTON TERRIER SHOW.

The third annual show of Boston Terriers, held under the auspices of the Boston Terrier Club of Canada took place January 2 in Toronto. There were fifty dogs benched and the show was a decided success in every particular. Nearly all the classes were well filled and the competition was very keen. Dr. D. C. King, of Peterboro, Ont., officiated as judge, and his decisions were, on the whole, well received, although the awards were inclined toward the bully type.

Among the Buffalo dogs exhibited Revilo Beauty was a decided favorite, with Clinker II. and Silver Girl well up. Picktime Did, a well-marked dog, was not in good condition. Leon, a heavyweight, but very uniform, might have been placed better.

Revilo Yankee won the special for the best dog from Montreal. Revilo Beauty II. won the special for the best dog from Hamilton. Belrose Girlie

won the special for the best from London.

The feature of the show was the presentation of a handsome gold medal, suitably inscribed, to Mr. W. A. Little from the officers and members of the club as a mark of their appreciation of Mr. Little's services as secretary-treasurer.

Over 100 special prizes were awarded, comprising many valuable silver cups and medals. Tom Boy and Revilo Beauty carrying off the prizes for the best dog and bitch in the show.

WHIPPET RACING.

ORDINARY RULES—CUP RULES—RACING RULES OF A PROMINENT ENGLISH CLUB—OTHER DETAILS SUPPLIED BY THE HON. TREAS. OF THE WHIPPET CLUB.

As we stated some months ago the Kennel Club (England) assumes no control over Whippet Clubs or Whippet racing. Neither does the American Kennel Club control the little Whippetting done in the United States. Still, as the source of all canine lore in England, the Secretary of the Kennel Club, Mr. E. W. Jaquet, has kindly procured for the Canadian Kennel Club—Affiliated with the Kennel Club—a fund of expert knowledge that will greatly help the Executive of the Canadian Kennel Club in arriving at a wise decision as to whether it should and can take charge officially of Whippet race meets in Canada.

Through Mr. Jaquet, Mr. Lewis Renwick, Llandoŵ, South Wales, supplies us with the following information. Perhaps, on behalf of the Canadian Kennel Club and Whippetters here, Mr. Renwick will permit us to thank him for the interest he has taken. This gentleman writes:—

WHIPPET RACING.

PRIZE MONEY: Sometimes to the extent of £100 is given weekly at Oldham, but the average handicap is worth £25, the sum of £16 going to the winner, the remainder to the "runners up."

HANDICAPPING: Whippets are handicapped according to weight and merit, but at the root of the whole system of allotting the starts are the performances the dogs might have shown "against time."

The following gives some idea of a handicap list:—If a dog runs 200 yards in 11½ seconds, in 1-16 second it runs 1 yard, 7 inches, and so on, and from taking 19 yards, 4½ inches as the distance a dog can run in 1 second a handicap list can be made.

As an example of handicapping take the following:—One dog can run 200 yards in 12-2-4 seconds, and another the same distance in 13½ seconds, the faster dog should concede 11 yards 4 inches and they should finish a dead heat.

THE GROUND has marked out on it a 200-yards straight, spirit-levelled,

cinder course, and ten yards from the finish is a line behind which the owners or trainers of the dogs stand (only one for each dog).

The dogs are started on a pistol being fired, and run to the owner or trainer who is calling loudly, whistling and waving a cloth to attract the dogs.

Each dog has a different colored ribbon round its neck to correspond to that marked on the catalogue, and at the end of the race a flag is hoisted to correspond in color to that worn by the winning dog. Cottages or sheds are generally provided to accommodate the dogs during their rests between the heats. 5 dogs run in each heat.

THE RACE-CARD is a quiet affair, sold at a penny, and contains as well as a full and accurate description of each dog, its starts and weights, the rules for slippers, for disqualification, and cautions to owners on the score of cruelty.

MEMBER'S CARD.

In addition to above we have received a member's card for 1910 of the Cambridge Whippet Racing Club. It is a blue linen faced card of 4 pages, each page measuring 3 x 4½ inches. Page one contains the name of the club, the year and a list of the officials, i.e., chairman, vice-chairman, honorary secretary, honorary treasurer, committee (which consists of five), and auditors (two).

Pages 2, 3 and 4 contain the appended rules. In addition, on page 3 are blanks for the member's name and number.

ORDINARY RULES.

1.—That this Club shall be called the "Cambridge Whippet Racing Club."

2.—That the objects of the Club shall be to further the interests in Whippets, and provide straight running Handicaps and Scratch Races.

3.—That the Officers of the Club shall be a Chairman, Vice-Chairman, Secretary, Treasurer, and a Committee of five Members, to be elected at the Annual General Meeting.

4.—That two Auditors be elected at the Annual General Meeting; one from the Committee and one from the general body of the Club.

5.—That the Annual Subscription shall be 2s. 6d., which includes free admission to all meetings held during the year (Members to produce their cards at the gate, if requested to.)

6.—That the entire control and management of the Club, including the election and expulsion of Members, shall be vested in the above Officers and Committee. Five Members shall form a quorum.

CUP RULES.

1.—That the Cup be called "The Cambridge Whippet Racing Club's Challenge Cup."

2.—That this Cup be competed for annually the distance being 140 yards, at 1 yard to the lb.

3.—That the Cup must be won three times (in all) by the same owner before it becomes his absolute property.

4.—That all dogs must be registered 28 days before they are eligible to compete in Cup Races. Registration fee 1s.

5.—Once a dog is registered, the same registration will always stand for that same dog, providing it does not change ownership. Should a dog change ownership it will require registering afresh.

6.—That the winner of the Cup must find two bondsmen, including himself.

7.—Any contingency arising not covered by these Rules to be decided by the Committee.

RACING RULES.

1.—All dead heats that occur must be run off.

2.—If dogs are not on the mark when called for the heat will be started without them.

3.—All dogs must weigh in before running. Any dog increasing in weight will be penalized at the rate of 2 yards to the lb. (6 ozs. only allowed).

4.—Any dog winning a heat with any but its right color on will be disqualified.

5.—No two persons allowed to run up for one dog, or same will be disqualified.

6.—Any dog being slipped before the pistol is fired, or not being slipped to the Steward's satisfaction, will be penalized two yards. Second offence in same heat, disqualified.

7.—If any dog be disqualified after winning, the second in the heat to be

placed first; if not possible to judge the second all dogs to run again, except that one disqualified.

8.—Runners-up must be over the trig line, or their dog will be disqualified.

9.—Should any dog foul another whilst running, same to be disqualified and the heat to be run again.

10.—All dogs must run to rag only.

11.—All dogs known to be vicious must run in muzzles.

12.—That all members' dogs must be registered seven days before close of entries. Registration fee 1s. All dogs must be seen by the Registration Committee.

13.—Any person wishing to raise an objection must do so before racing commences, or it will not be considered.

Vancouver Kennel Club Elects Directors For The Year.

SPLENDID SEASON ENJOYED BOTH FINANCIALLY AND OTHERWISE.

MR. COLIN F. JACKSON PRESIDENT (*PRO TEM.*).

The annual meeting of the Vancouver Kennel Club, Limited, was held in the Hadden Block last month, when the report of the secretary-treasurer showed that the club was in a very healthy condition and was now financially sound. There is now enough benching of the most approved and up-to-date kind to accommodate 325 dogs, while there are still 75 of the old but still serviceable benches. Four years ago the assets of the club were \$45 but today they total \$1745.13, and the club is one of the richest of its kind in the Dominion. The club has 14 challenge cups which are won from year to year.

The following were elected directors for the ensuing year: H. M. Cottingham, Colin F. Jackson, T. M. McAuliffe, Thos. W. Wyndham, Jno. J. Tulk, Jno. J. Bostock, F. C. Hill, C. B. Stewart, J. Littlewood and W. M. Coats.

The meeting passed the following resolution: "That the C. K. C. be asked to give certificates of championship to all dogs upon winning ten points, that are registered in the C. K. C., and when the owner has been a member of the C. K. C. during the time all the points have been won he be presented with a championship cup."

Mr. Welsh was then asked to vacate the chair and Mr. Colin F. Jackson moved a very cordial vote of thanks to the retiring president, Mr. F. W. Welsh, and Secretary, Mr. E. C. Powell, for their services in behalf of the club. Mr. Jackson regretted their loss as their places would be hard to fill, and hoped that it would only be a short time before they once more returned to the fold.

Replying to a vote of thanks for past services, the retiring president said: "I appreciate very much the vote of thanks you have so kindly passed. I regret that circumstances have arisen that in my opinion make it unwise for me to accept any office for the coming year. There has during the past year been such a persistent misrepresentation of so many of my actions that I have decided for the

time being to withdraw from actual work. I am glad that the Kennel Club has during my occupancy of the president's chair made such splendid progress. This has been due to the very loyal help of the directors and particularly of the secretary.

In the future I hope the club will continue to prosper, as it will, I am sure, if you eliminate petty differences of opinion and work together for the common good. New blood is a good thing for any institution, and old fanciers, such as myself, who for the last seven years have been active workers, are entitled to a rest. I have good dogs and intend to still keep them, and while in the near future I shall not be a participant, I shall always be keenly interested in your shows.

"I trust your new president will have your hearty support. He needs your help and not your criticism. Too often members find criticism easier than work."

Mr. Powell thanked the members for the hearty manner in which they had passed the resolution. Referring to his stewardship, Mr. Powell said that four years ago the Secretary, Mr. George J. Dyke, was compelled to resign through pressure of business. Proceeding, Mr. Powell said: "For some little time we could not find a secretary so I offered my services for three months to tide you over the spring show. At that time I was absolutely ignorant of all matters pertaining to a dog show, but I felt that under the guiding hand of our President, Mr. Colin F. Jackson, and the assistance of the bench show committee we could pull through somehow. Much to our surprise, the show turned out to be a success from every point of view, numbers, quality and finances.

"I then wanted to resign, but was persuaded to wait until the annual meeting in the fall, there being very little to do. During the summer I thought of several ways in which the show could be improved, so accepted office for another term. The show of 1908 was a decided improvement, and the methods used then are still in

force. It was a success financially as well. At the next annual meeting I decided to accept office for the last time and then came the disaster of 1909. We offered very liberal cash prizes, too liberal, in fact, with the result that we wound up with a deficit of nearly \$400. Face to face with this serious problem, we decided to hold another show in the fall which would be of largely an experimental nature. A fall show, one day duration and amateur judges, and also for the first and only time in our existence to try to make a little money to pay off the debt.

"To further assist us, the several members of the club turned out and worked all night putting up the benching and acted as handlers during the show, thus saving considerable in the amount of labor. So successful were we that with the profits of the show and membership fees, we reduced the deficit to practically nil at the end of the year. Had your club been free from debt I would have then retired, but I felt that I could not leave it in debt, so took hold for another year. Our show last spring was also a grand success, and, like previous years, we were rated five points, the highest that can be obtained at any one show; which honor is only shared by three other clubs on the continent, New York, Toronto and Winnipeg. The quality of the dogs showed a great improvement and the financial report shows that the profits were the largest in the history of the club, being only second to the one last fall, where the members strained every effort to reduce the deficit.

"The profits of the various shows have been invested in wire benching of the most up-to-date and improved kind. The partitions are of wire, while the floors and backs are of wood, in sections of ten feet and can be erected and taken down in a very short time and at little cost. You now have sufficient benching to accommodate 325 dogs. Perhaps the most marked improvement is in the dogs themselves. Year by year we

see this improvement and only in few instances does the same dog prove a winner two years in succession. This is attributed to the increased interest taken in the fancy, as shown by the number of dogs that have been imported from the east, the United States, and more particularly England, the home of the good ones. But while some have been importing others have been breeding, and with marked success, for on many occasions has the home bred, both at home and abroad, been declared the winner over his imported cousin. That the quality of the dogs of this city are not only equal, but superior to those of other cities is shown in the records of shows held at Victoria, Seattle, Tacoma, Spokane, Portland, Calgary, Winnipeg and Toronto, where our dogs "Came, Saw and Conquered."

"Four years ago your assets were \$45 and your club stood on an even basis. To-day your assets are \$1745.13 and you have a credit balance in the bank."

"If you are satisfied with this state of affairs please blame your directors and committees who have worked untiringly to further the interests of your club and the dog, but more particularly Colin F. Jackson, H. S. Rolston and F. W. Welsh, your presidents, who have been the guiding hands that have steered your club through trial and adversity, success and honor."

"During the time I have had the honor of being your secretary I may have made some friends, some enemies, perhaps neither, possibly both. If any friends, then I thank them for that friendship and trust that it may always remain so. We all know that the dog is the most faithful of animals; that a friendship once formed is only broken at the grave. So, too, let their masters. If there are some who are not pleased or are dissatisfied with the way I have done my work, then I can only ask them to forgive and forget. During the time a show is on, everything is in a rush; the dogs are being brought into the ring, questions are asked and answers returned; everything is done on the spur of the moment; there is no time to think, and if in the heat of excitement I have ever done or said anything to offend, I can only say now that it was not done so intentionally, and only through an over zealous desire that everything should go right. I do not wish to be severe; I do not wish to criticize, but on behalf of other secretaries and those who will come after me, I would remind exhibitors that nine times out of ten it is they who are at fault and not the secretary. Time and time again I have had exhibitors complain about an entry in the catalogue. I have told them it was an exact copy of their entry forms, at which they would wax warm, and nothing would satisfy them until I had shown them the entry. This has happened on a dozen occasions, with dog fanciers, with business men—men who should know bet-

ter; and never in a single instance have I found a mistake made by the club. Therefore, I would ask all to be more careful in making their entries, and if they see anything wrong to be sure they are right before taking the secretary to task, for his is not a bed of roses, and many are the thorns laying by the roadside only too ready to prick him in the side should he deviate even the slightest from the straight and narrow road to success."

"To you, the members of my club, I thank you again for your vote of thanks. If you are pleased with my

efforts on your behalf then I am satisfied. I have done my best. I am leaving you now and would ask you to give my successor that assistance and devotion you have always accorded me, and while I may be absent from you in body, yet I am with you in spirit, for your interests and my interests are centred in the dog."

After the meeting the directors assembled and elected Mr. Colin F. Jackson, acting-president, and Mr. T. M. McAuliffe, acting-secretary, until Jan. 9, when the regular officers will be elected.

THE WESTERN CANADA KENNEL CLUB, WINNIPEG.

The members of the Western Canada Kennel Club held their monthly members' show on Dec. 12. Thanks to the generosity of A. A. Gilroy, manager of the T. Eaton Co., Limited, the meeting was held in the Garage on Donald Street, connected with the big store, and although of fair dimensions the venue proved altogether too small for the crowd that endeavored to squeeze its way in, and it was only with great difficulty the committee were able to make a ring large enough to allow of the dogs being judged in. The breeds selected were Airedale Terriers, St. Bernards, Whippets, Greyhounds, Borzois and Great Danes. The Airedales were taken in hand by Mr. A. P. Mutchmor, his awards being 1st, Jerry Sharpe, a seven-months puppy put down in the best of condition and carrying a good hard coat, he owns a good head, good straight back and front, but might improve in feet, should get better as he matures, as he has now lots of bone and substance for his age; 2nd, Becky Sharpe, a little weak in muzzle, but full of Terrier action, and shows herself to good advantage, another two or three months should improve her, both owned by Dr. R. W. Kenny; 3rd, Firefly, owned by W. J. Harper, a good bitch, but unfortunately a trifle on the small side. St. Bernards were judged by Mr. C. W. Twaites, the winner being found in A. F. Picard's Pedro, a big fine grown dog with good bone and good head, but fails in movement; 2nd, Mrs. Warren's Trusty, a grand dog who has already 8 points towards his championship and has been mentioned in these columns too often to need further comment; 3rd, Porter Louxe-Prince. In bitches the first was awarded to Mrs. Peareth's May, while the second was found in H. W. Sampson's Princess Victoria.

Whippets were also taken by Mr. C. W. Twaites: 1st, Happy Jack, a good all round dog and put down in fine form; 2nd, Fly; 3rd, Worley Sweep, all three being owned by J. Cook.

Greyhounds only brought out one entry, the judge, C. W. Twaites, award-

ing second prize to T. H. Gilmour's Vaughan.

Borzois brought out some splendid specimens. The judge, Mr. John Milner, in giving his awards, exhibited a good knowledge of the breed, every dog coming under his notice receiving a thorough overhauling, and he paid particular attention to condition. His awards were: 1st, Thelma of Rosseau, a fine bitch, grand body, straight legs, with good roach back, possessing a nice eye, a good bitch, too well known to need further comment; 2nd, Bottles of Rosseau, a beautiful 7-months-old bitch, as tall as winner, she has a long, lean head, nice dark eye, good straight legs, wants a little more chest development and should not be long before she is heard of again; 3rd, Rags of Rosseau, a pretty bitch with a splendid coat, will probably be always a little on the small side, all three being owned by Mrs. M. C. O'Brien, of the Rosseau Kennels.

Great Danes were judged by Wm. Cundell, and although there were several present only one was entered for competition, 1st prize being awarded to Veda, owned by Mr. L. A. Gibson, a fawn bitch of fair type with good eyes, good legs and feet, well filled under eyes, muzzle not square enough and should be a little broader shoulders, back and loins good, with well sprung ribs, with proper care and handling should turn out much better than when shown at this meeting.

At the conclusion of the judging each judge was called upon to give a lecture, describing the various points of the breed taken by him, and giving a general outline of the present day standard, as well as answering any questions put by the members pertaining to that particular breed. The W. C. K. C. has passed a resolution that no one can judge at these monthly shows unless prepared to do so, some very useful information being brought out in this manner, which is proving invaluable to the younger enthusiasts.

After the lectures were over, Dr. M. C. O'Brien gave a very interesting ad-

dress on distemper, which was also greatly appreciated by the members, commencing with the first symptoms, its development and final stages. He also gave some very useful information for the benefit of the kennel owners, which should prove of very material use in the prevention of this disease, which is probably the worst the canine lover has to contend with. The W. C. K. C. has now a fully paid up membership of over 100, and new members are being enrolled at every meeting. Indications at the present time point to the coming year being the most successful in the history of the west. Before closing, I would like to remind exhibitors who have not already entered their dogs for the February show to decide at once and participate in making the Winnipeg show the best ever held in the Dominion. We are offering specials worthy of the very best, and already at time of writing, Winnipeg merchants and friends have donated 40 handsome cups as well as numerous other prizes, while the offers of medals and specials kindly donated by the different clubs are pouring in by every post. The W. C. K. C. have been fortunate in securing the services of Mr. Frank Dole, New-haven, Conn., to act as all-rounder, and we confidently look forward to a most successful show.

Henry St. Lawrence.

THE TALE OF A DOG.

He was only a dog, with a tail that was brief,
But waggish, as tales often be;
His name had been Sport, but his life had been grief,
And he clung like a brother to me.
His life had been hard and his bark on the seas
Of adventure and piracies grim,
And he raised wonderful, mathematical fleas;
For they multiplied quickly on him.

He was only a dog, with a passion for cats —
A subject he often pursued;
His pleasures came mostly from worrying rats
And ransacking rubbish for food.
He gathered great stores of old footwear and clothes
And offcast supplies and debris,
And filled the back yard with old trousers and hose;
And he clung like a brother to me.

He was only a dog, with a bark that was stout
And a quite irresistible whine;
He rolled in the mud when the clothes were hung out
And shook himself under the line.
He loved to pursue the sweet study of flowers,

Nor had he a teacher—the elf;
But spent many studious summer-day hours
In digging things out for himself.

His welcome was kind as a welcome could be,
For up to my friends he would slip,
Ere they were aware of his proximity,
And give them a sly little nip;
Through night's stilly hours he would lie at my door
And rattle betimes on the latch;
And rythmical noises on rug and on floor
Told me he was toeing the scratch.

He was only a dog, with no pride of descent;
And one night where the stars gleam and shine
I found him asleep with the life in him spent—
When the town clock struck eight he strychnine.
'Twas meet thus in meat he should meet him the end
Of his tail, which was short, as you see;
And I don't grudge the tear in my eye for a friend,
For he clung like a brother to me.

CH. KEPPOCH DUGALD.

Scottish Terriers have become so popular of late that they far exceeded in number the ever popular Fox Terrier at the last New York Show. Canada has the honor of being the home of the first importer of this variety to America, for Mr. W. P. Fraser, of Toronto, made them known to this continent twenty odd years ago, and is quite the authority in this continent. Our illustration is that of Champion Keppoch Dugald, bred and owned by Mr. T. W. Macdonald, of Southampton, England. Dugald is not a chance bred one, for his pedigree goes back of the potent blood of Champions Heworth Rascal, Hyndman Thistle, Seafeld Admiral and Heather Prince. Since the debut as a puppy at the great Birmingham show of 1909, where he annexed five firsts and championship, his career has been an unbroken line of successes. His owner has only shown him at championship shows, and under different judges in most instances—the only true test of a real champion. He has been awarded the championship no less than ten times, his last victory being at the Kennel Club Crystal Palace Show in October, when he was adjudged the best Scottish Terrier in the show under Mr. Holland Buckley.

COLLIES ON THE COAST.

Just a line about some of our Collies. It seems that this noble breed has been overlooked from this part of the country of late, though we have some rare good ones here, Collies that could hold their own in the warmest of good company.

J. J. Jackson, of New Westminster, has a grand young dog in Seedley Scout, just out direct from Lord's Kennels, England. All going well, this Collie will be heard from at our spring shows. Mr. Jackson imported this dog to mate with his handsome bitch, Seedley Solace, and her two daughters, Seedley Queenie and Seedley Flossie, who were so successful at our exhibition show under Mr. H. W. Lacey. They are doing splendidly and fast developing into beautiful types of Collies.

Mr. Jackson has had four bitches to his new dog. Among them was Skookum Jean, owned by Colin F. Jackson, of North Vancouver. Jean has greatly improved since last shown. Colin F. Jackson has his old stud dog, Ballyarnet Student, looking like a pup. I think Student is perhaps one of the richest colored Collies living, he has proved a grand stud dog as well

as a good prize winner. His Champion Ormskirk Hollyhock looks as good as ever. She has been mated to her kennel mate, Ballyarnet Student.

Mr. Pottinger has a very promising young Collie dog which he purchased from Mr. J. J. Jackson. He is a son of Seedley Chief ex. Seedley Solace.

Robert Patterson has a pair of high class Collies, both have done some winning, and Mr. Patterson expects to send them over the route to all the spring shows.

Geo. Hunter imported a fine Collie bitch from the old country in whelp to one of England's best stud dogs. Mr. John McIntosh, of Victoria, has Willow Prince looking very fit indeed. Mr. McIntosh is importing two high class Collie bitches and a grand stud dog he says. The Wellows Kennel of Collies will be second to none in America when he gets his new stock. More power to Mack. Mr. George Tinto, of Seattle, he of Collie fame, has Seedley Chief looking better than ever. Chief has improved wonderfully under Mr. Tinto's care. He is a grand Collie and has proved a great success at stud. Mr. Tinto has disposed of all his other dogs, and is now living in the city and has Seedley Chief by

his side at all times, so he looks as if he just dropped out of a band box.

W. R. Bradbury's Glen Tana Scottie is improving nicely and will be heard from again at the spring shows. Mrs. C. B. Payton, of Seattle, has a good one in Handsome Jim. Mrs. Payton has done a lot of winning with this young dog, and no doubt will send him to all the spring shows. A much improved dog, Jim is a Collie all over, and all going well will no doubt win some silver for his owner.

English Bulldogs At Stud

MOIRA MAGNET

A white dog, with brindle head markings, weighs 44 lbs. At New York, 1910, whilst yet in his youth he proved himself one of the sensations of the show, and was pronounced by experts the most exquisitely finished bulldog ever seen, with the desired substance and lowness, and at this event money was fully offered to match him on points against any bulldog in America. Mr. Coghlin, at the B. D. B. A. Show, when explaining his decisions, in passing on MAGNET, said with great emphasis, "That is a bulldog". He is active, vigorous and a prolific sire, is a richly bred dog on thoroughly typical lines.

ANNUAL DRAFT—The Sabine Kennels DOGS

- No. 1. **SABINE REGULAR**, No. 113192. Whelped May 29, 1907, by Ch. Sabine Recruit, ex. Sabine Fiancee. Black head with blaze, black on body and down left hind leg to hock. "Regular" owns a long well shaped head, dark eyes, perfect shoulders, legs and feet, cobby body and, what is not common in Terriers, the correct hindquarters. He was shown at the four shows in Texas this fall and won very easily, as he can do elsewhere. We have used him considerably and he is the sire of "Sabine Reliance" and "Sabine Friendly," also "Sabine Fearsome"—a topper offered on this list—and many others. Having his litter brother Reckoner home, we have decided to let this one go. A rare chance at \$200.00
- No. 2. **SABINE RESISTLESS**, No. 140555. Whelped Sept. 20, 1909, by Ch. Sabine Ruler, ex. Ch. Sabine Fad. Same breeding as Ch. Sabine Rarebit. In markings and general style he resembles Ch. Sabine Resist very much. A long headed youngster with perfect neck and shoulders, good legs and feet, deep ribs, cobby body and good quarters. Resistless is worth the price on his breeding alone, but as he is eligible for novice and all other classes, and Produce Stakes to be competed for at New York, he is more valuable yet. Price \$150.00
- No. 3. **SABINE REALIST**, No. 142444. Whelped Nov. 9, 1909, by Ch. Sabine Reynard, ex. Sabine Frugal (by Dasher). Marked very much like his sire, who he resembles to a marked degree. He is built like a cart horse, and it is hard to fault him anywhere. What we said of No. 2, as to classes and stakes applies to Realist as well, and between them it is a matter of breeding preference. Price \$150.00
- No. 4. **SABINE REDCOAT**, No. 142110. Whelped Dec. 10, 1909, by Sabine Reddy, ex. Sabine Fiancee, dam of Frills, Reckoner and Regular. A heavy tan marked little dog that we exhibited at the Texas fixtures as a puppy and who made No. 1 hustle for winners. To properly describe him would take too long, but briefly he is a big-hearted, courageous "little 'un," beautiful head and expression, wonderful front, legs and feet and very cobby body, like Rarebit. Eligible for all classes and a game, classy shower. Price \$100.00
- No. 5. **SABINE RIP RAP**, No. 140557. Litter brother to No. 2. Black and tan head, with blaze, black body markings. A dog very much like his sire only more of him. He is a bit on the leg as yet, but is rapidly making up into an exceptional Terrier. Very long head, well laid shoulders, good bone, legs and feet, cobby body and good hindquarters. Eligible for all classes and a rare bargain. Price \$100.00
- No. 6. **SABINE ROWDY**, No. 137897. By Ridgetop Racket, ex. Ridgetop Ruse (by Ch. Sabine Ruler). Black and tan head, blaze; black on body. A large dog, very much on the order of Rajah, but resembling Result very much. We purchased him from Mr. Tyler Morse for stud purposes and he has some fine youngsters coming on to prove his worth. His best qualities are those the average bitch lacks, hence is worth the price, backed by his matchless breeding. Price 100.00
- No. 7. **SABINE RACER**, No. 140553. Whelped Aug. 19, 1909, and bred by Mr. Feckheimer. By Multnomah Blue, ex-Multnomah Flashlight (litter sister to "Beau Brummel," the wonderful little dog of Vancouver). Racer reminds us of Resist also, being of his markings, style, size and make-up generally. Beautiful head, shoulders, legs and feet, deep ribs, cobby body. A credit to his breeder. We have and are using him freely and he is an exceptional sire. Price \$100.00
- No. 8. **YOUNG DOG**, litter brother to No. 4. Heavy tan markings. If you are hunting a game youngster, here he is. A head as marvelous in length as one could desire; front that is ideal, with the legs and feet of a Foxhound. An unshown youngster worth twice the money. Price \$50.00
- No. 9. **YOUNG DOG**, whelped January 5, 1910, by Sabine Reveller, ex. Sabine Footfall, by Recruit.
- No. 10. **YOUNG DOG** litter brother to No. 9. We can best describe Nos. 9 and 10 by saying that they are very heavily black marked, plenty large but owning long heads, dark eyes, splendid top, good legs and feet and bodies. They are very game and a wonderfully fine pair of young Terriers. Price, each \$40.00
- No. 11. Five undeveloped youngsters by various sires, coming on nicely. If you want a chance here you are, for they are nicely bred and we expect to pick 1911 fall showmen from them. Price, each \$30.00

BITCHES

- No. 12. **SABINE FEARSOME**, No. 140559, whelped March 26, 1909, by Sabine Regular (No. 1), ex. Sabine Fenella, by Reynard. All white, black patch on head. A nice headed bitch with marvelous front, bone, legs and feet, cobby body and perfect hindquarters. Eligible for all classes. We offer her because she is a good, sound, splendid stamp and a winner. Price \$150.00
- No. 13. **SABINE FARRAGO**, No. 142114. Litter sister to Nos. 9 and 10. Black head with blaze, heavy black body markings. Resembles Ch. Sabine Frills very much but young and needs to grow a bit, and of course unshown. A perfect little gem. Price \$100.00
- No. 14. **SABINE FOXENA**, No. 129100. Whelped March 3, 1908, by Norfolk Huntsman ex. Sabine Follette. Heavy tan markings. She is a beautiful size and type, resembles her sire very much in style and coat, and has his shoulders; cobby body and hindquarters. Recently bred to Sabine Reveller as we are seeking a Hunton cross. As a raw puppy won 2nd novice F. T. C. show, June, 1909. She is still able to hold her own and we have few better. Price \$100.00
- No. 15. **SABINE FADIST**, No. 105833. Whelped February 15, 1906, by Ch. Sabine Result, ex. Sabine Fairy. Black patch on head, white body. A bitch we showed fearlessly in 1907 and 1908 with success. A neat size, beautiful body, legs and feet, and grand hindquarters. She is producing good litters, just in her prime as a brood bitch and a gem. We will breed her to any of our stud dogs, bar Rarebit, at the price and she is a bargain. Price \$100.00
- No. 16. **SABINE FLURRY**, whelped June, 1906, by Sabine Reviver ex. Sabine Fly, by Dark Blue. Black head with blaze; heavy black body markings. A typical bitch of a beautiful size, owning a head of rare length and keen expression; perfect shoulders, legs and feet, exceptional cobby body, and The Type in hindquarters. We exhibited her at Dallas and San Antonio last year. She has a daughter by Reynard that looks like a gem and just left another litter to same dog. Do you want a bitch of the Rarebit stamp from which to breed? We will mate her same as 15. Price \$100.00
- No. 17. **SABINE FELICE**, No. 96301, whelped July 6, 1905, same breeding, one year older than No. 15. Black head, black on body. About a 15 lb. bitch, just good all over. We exhibited her at St. Louis in 1906 and retired her to the harem, where she has been worth her price many times over. A splendid mother. We will breed her to any dog, bar Ruler and Rarebit at the price. Price \$75.00
- No. 18. **SABINE FROLEEN**, whelped July, 1906, by Sabine Reviver, ex. Sabine Frolic, by Capt. Coe. Black patch on head, white body. To describe her we should say she is a flyer in every way spoilt by biggish ears, and when you penalize her here you have said all. She is truly a beautiful Terrier, wonderfully bred. Soon in season and we will mate her same as No. 17. Price \$75.00
- No. 19. **YOUNG BITCH**, whelped March 29, 1909, by Ch. Sabine Ruler, ex. Sabine Frieze, by Rajah. Black head markings, white body. Litter sister to the Sabines Frou Frou and Phill. She was shown at New York 1910. This young bitch is a bit on the small size, but a truly big little one, possessing marvellous bone, legs and feet. Cobby body and hindquarters. She has the style of her sire and is worth the price for she is eligible for all classes and can win. Price \$75.00
- No. 20. Five young bitches by various sires, bred to keep and from which we shall pick our 1911 fall winners. Like No. 11 if you want to share our responsibility we offer you the pick. Price each \$30.00

It has been recently said, we believe, we only offer to sell when we have a better one held back. This is human nature we admit, but for all that there are dogs and bitches drafted here that, barring a limited few, top-notchers that we would sell at a price, can win in the warmest company. Every Terrier noted was especially brought to the attention of George S. Thomas on his recent visit here, to whom, if you choose, we refer you. Telegrams given preference.

THE SABINE KENNELS, ORANGE, TEXAS, U.S.A.

Mrs. Florence Brydon, of Seattle, who owns the grand young Collie which went through to winners at Seattle and Victoria, will be heard from again, as this is a high class Collie. I am very sorry, but at present I cannot recall his name. Then there is Mr. Arthur Murphy, of Seattle, who always has a few good ones to spring on the boys. He has some high class stock and is at all the shows picking them over.

All the Collie fanciers are good sports, none better, and no show is complete without them. Mr. McFarland has his old dog and some young stock, he may spring a winner at any time.

Miss Leigh-Spence has a fine kennel of Collies, but owing to poor health she has not been showing of late. Mr. McFarland and Miss Spence are two keen fanciers, and it is hoped they will be back in the game when the spring shows come around. When the two Jacksons, Tinto, Murphy, Patterson and McIntosh get together, how the talk does fly! If it all were in print what a Collie book it would make! I certainly would like to have the sole right to sell it.

We have other Collie fanciers here, but at time of writing I don't remember their names, but these few lines will let the people know that the Collie game is a very live one in this part of the country. With all the old winners, the imported stock and the young stock coming on, things look like a warm meeting at the spring shows, when they all get together. Yours for good Collies. W. M. Coats.

Vancouver, B.C.

MISSISSIPPI VALLEY KENNEL CLUB.

December 28th, 1910.

At a meeting of the Mississippi Valley Kennel Club, held last evening, it was decided to give a bench show at the handsome new Coliseum Building in this city on April 3rd, 4th, 5th and 6th. The exhibition held under the auspices of this Club last spring was the most successful in the history of the organization and we have every reason to believe that the coming event will be much bigger and better.

We have received all sorts of encouragement and trust that you can make some mention of the affair and the dates claimed by us in your forthcoming issue.

Very truly yours,

J. W. Kearney, Sec'y.

Mississippi Valley Kennel Club.

LONDON SHOW.

The London Canine Association held a nice little show in London during the holiday week. Col. Robt. McEwen gives us a little news about it in a recent letter. He says:

The show was held in the City Hall, on the 29th December, with 108 dogs benched. Some valuable specials were offered, otherwise the prizes were simply ribbons. The entry fee was 25c., with 10c. for each additional entry of the same dog. Dr. Palmer Smith, the new and energetic secretary, is deserving of great credit for the manner in which he discharged his duties. Other members of the club who also contributed much to the success of the show were President J. S. Niven, Dr. Drake, S. Little, Walter Smith, W. Robinson and W. Leonard. The judges were Mrs. Watters, St. Thomas, and Dr. Lynn, Port Huron, whose awards gave entire satisfaction.

THANKS.

I would like to thank, through the medium of the Canadian Kennel Gazette, Mr. Donald Wheeler, Bedford Park, Toronto, who I unfortunately burdened from March until the release of the recent embargo, Dec. 7th, with my Collie bitch, Weston Queen O' Quality. It was from the Ontario Kennel Club's catalogue that I picked Mr. Wheeler's name and asked him would he kindly see to my bitch entering the ring, also to see her shipped home again, but without my having any notification whatever she was sent right into the infected area. Mr. Wheeler had the pleasure of steering Queen O' Quality right through her classes, winning six firsts, four specials and winners. I have now received my bitch safely home after an absence of almost nine months, and I might say she never looked better except being a little out of coat.

Taking into consideration the strict laws that have been in force during embargo and the care he has taken of above bitch, his kind action should commend itself to all dog lovers. Trusting you will find room for the above letter of thanks, I remain, yours sincerely,

Tom Milner,

Weston Collie Kennels.

Winnipeg.

In addition to the above, we are asked to say that Messrs. Harvey and Jno. Milner have now no connection with the Weston Collie Kennels.—Ed.
