NOTES AND COMMENTS

Poison: Mr. James Stewart, Toronto, has lost by death the English Setter, Spot Melrose, a many time winner. Mr. Stewart suggests poison. We have in Canada now so few half decent English Setters that we can ill afford to lose poor old Spot.

* * *

A sad bereavement: Collie fanciers especially will sympathise with Mr. J. T. Reeve, Toronto, on the untimely death by drowning of his only son. The lad was seventeen years old and a vigorous swimmer. In the opinion of the doctors death was caused by shock or cramp, so fatal in the cold water of Lake Ontario. The sad event occurred on August 6th.

Mr. J. T. Reeve, it will be remembered, imported Ch. Woodmansterne Conrad, a dog that made Collie history in his day.

Dr. Mole dead: The editor of this paper was one of the first to welcome Dr. W. Mole, V.S., when he came to Canada from England many years ago. He lived in Hamilton for some two years prior to his change to Toronto, where he sought a wider field for his energies and ability. Never a robust man, he, in his quiet, smooth way, gradually found a foothold here that placed him at the front rank of his profession. A man widely read, he devoted more time to the dog and his ailments than does the ordinary veterinarian. An account of his death, which occurred on August 6th, is as follows:

X William Mole, the widely known veterinary surgeon of Bathurst Street, died early yesterday morning at the General Hospital. Mr. Mole himself believed his illness was due to having contracted rabies a month ago, but

Drs. Fotheringham and Tyrell said death was due to nervous breakdown from overwork. His death occurred in about twelve hours after he was taken to the hospital.

Mr. Mole, who was a graduate of the Royal College of Veterinary Surgeons, London, England, in 1876, for years enjoyed a large practice there. Ill-health brought him first to Hamilton, Ont., and thence to Toronto in 1892. He looked after the city animals at Riverdale and High Park, and was also in the employ of the Dominion Government in a consulting capacity. The Humane Society also valued his services, and his evidence in cruelty cases was many times taken in the Police Court.

Mr. Mole was an authority on most scientific subjects, being a regular attendant at the Canadian Institute lectures. He organized the Toronto Association of Veterinary Surgeons. In religion he was an Anglican and fraternally a Mason.

The widow, three sons and three daughters survive.

Our front page: The Airedale Caerphilly Marvel was whelped November 3, 1905, his breeder Mr. William Evans, Caerphilly, Wales.

This dog is a beautifully shaped Terrier of the best possible breeding. He has tremendous bone and substance, and is one of the most compact Terriers living. He has extra clean shoulders, the very best of legs and feet, good neck, grand level top and splendidly carried stern. His head is long and very lean and well chiselled, with small, dark eyes, and he has the best coat and color of any dog on the bench.

Marvel is sire of Caerphilly Admiral, winner of fifty prizes—mostly firsts—as a puppy. Now in England. Sire of Nomination (a big winner); Nomination, sire of Unexpected, sold to New York parties at a big figure. Tyrnant Beauty, winner first Crystal Palace, London, and also at Cardiff. York Four Leaves his latest, now in New York, imported by Theo. Offerman, Esq., at a big figure. And many other good ones.

His breeding is classic, his sire being Crompton Marvel, a son of Ch. Master Briar. His dam is the Ch. Rock Salt bitch, Caerphilly Princess. Thus on both sides Marvel goes back to Briar Test.

What little use has been made of Marvel in Canada points him out as a sure stock-getter, the sire of vigorous, healthy puppies.

Mr. P. Bawden, Ridgeway, Ont., is his owner.

Montreal Show in October: The Montreal Kennel Club Company is a new organization, of which Mr. H. L. Thomas, the well known Bulldog breeder, is manager, and Mr. J. R. Innes, Sec'y-Treas. Mr. Innes has piloted several big shows, and under his management the late show of the Montreal Boston Terrier Club was a great success.

These gentlemen have purchased outright from Messrs. Spratts Patent, the benching imported into Canada some years ago. They hope to be able to revive dog shows in Montreal, and incidentally to place them on a sound financial basis.

The Company, with this end in view, has claimed dates with the C. K. C. for a show to be held on Oct. 5th, 6th and 7th next, the locale being the Coliseum, on Guy St. A liberal clas-

judges appointed. As October is one of the pleasantest months in the year in which to hold a dog show, Montreal should be able to put up a good all round show of at least four hundred to five hundred dogs.

* * *

Kennel Manager: To any one needing a kennel manager, we would say that we have on our list an efficient man, who has had a long experience in

both England and Canada. This is an all round dog man and he can produce all references.

London Show: The date of closing of entries, Sept. 5th, for London should not be forgotten. This is a pleasant little fixture and one that is growing fast, too.

That well known dog judge, Mr. James Watson, Hackensack, N.J., will judge all classes. Mr. Watson is

equally well known on both sides the line. The entry is a bagatelle, \$1.00 for first entry, 50c. for each subsequent entry of the same dog. Judging will begin at 2 p.m., Tuesday, Sept. 12th. Dogs sent on from the Toronto Show will be cared for and fed until the show opens. A representative of the show will be at Toronto to solicit and take entries, thus making it easy for those exhibitors who purpose taking in both shows.

WINNIPEG DOG SHOW.

A CLEAN, QUALITY SHOW, THE BEST SHOW EVER HELD IN THE PRAIRIE PROVINCE.

The dog show held in connection with the great Industrial Exhibition at Winnipeg was without exception the best yet. The quality was good, and the entries numbered 823.

The show was well benched and the dogs had every attention. The committee worked hard with the welfare of both dogs and exhibitors ever in view.

Mr. Swann, of Toronto, assisted by Mr. Kynock, took a carload of Eastern dogs out and managed to walk away with a good slice of the prize money in their pockets, the dogs under their care doing well. Dr. Foster, of Pom. fame, was also an enthusiastic eastern exhibitor and had a nice string of some 12 Berwick Poms. with him. Both Mr. Swann and Dr. Foster were loud in their praises of the hearty reception given them, anything they required being at their disposal.

Dr. A. W. Bell was as usual interested in the doggy end of the fair.

Mr. Theo. Marples, editor of "Our Dogs," came from Manchester, England, to place the awards, for the first time in Canada, using "Our Dogs" award cards and judges' book.

St. Bernards were a nice display, Ignomar of Parkdale is a nice one, with a good head, expression and nicely marked. Prince of Parkdale, another nice headed dog, but hardly as sound behind. Keeper, second novice, is a very nice dog, but fails in size. In limit dogs the new one to get in the money was Pedro; second is a nice bodied dog, but is weak in foreface. In bitches, the smooth, Princess Victoria, won out, a nice bitch, nice size, but badly swollen in stifle. Lady May sec-

ond, a nice typical bitch. Flordelice of Parkdale a nice bitch, bit weak in head, but good body.

Great Danes were a fine class of Harlequins. The winning dog, Meadow-spring Pascha, good in head and neck, foreface and color; second, Glen Rock Hylas, is a nice one, fails to 1st in foreface and front principally. Beechwood Billiken, nice, bit off in color. Bitches: the winning bitch, Meta H., is a good all round bitch, excelling in head. Minerva H., second, was expected to win, better in color, front and chest. Beechwood Nyla third, fair. Irish Wolfhounds and Deerhounds were somewhat mixed. The exhibitors evidently did not know which was which. Russian Wolfhounds brought out a nice string, Dr. O'Brien's kennel being among the best we have seen. His winning dog, Genest of Rosseau, is a good one, nice head, well set up and nice coat, has size. Ch. Odin of Rosseau, second, is another good one and a worker. In bitches, the winner Thelma of Rosseau, is good in head and has a nice body; second, Zola H., a nice headed bitch, but little out at elbows; third, Thora of Rosseau, also has a nice head, but lacks roach.

Greyhounds were not strong, but contained a nice pair of blacks in Onie and Queenie. Only three Foxhounds put in appearance. Fatal won easily.

Pointers were, as usual in the West, out in full force. The Western Pointer is generally a field dog as well as a bench show dog. Mr. Marples upset previous decisions considerably by taking a bench show type of dog, leaving the smaller field trial dogs out of it. Cash, first puppy, is a promising youngster, as yet undeveloped. Can

improve in head. Second, Starlight Peggy of Kent is snipy in head and has but a fair body. Canada Sport was first in novice, limit and open purely a bench show type of dog, hollow in back and straight in head. Unkas, second novice, but fair. Glen, third novice, second open and limit, little off in head, otherwise nice, good back, tail and front. Kamsack King is a nice one, short in back, very fair front, looks a worker. Lady Selkirk, first novice bitch and second in limit and open, is ordinary, weak in body, only fair head. Clip is fair, but coarse in head. Willing Wench nice but snipy. The winning bitch, Rodondo Prairie Queen, elegant body, all a Pointer, nice front but bit doggy. Lue Pearlstone third; good head, nice in body and front. English Setters: Ranger, the novice winner, has a nice head and front, good style. Cluaran Black Pride good in body, chest, legs and feet, but wedge shaped in head, and has too much drop before the eyes. Tige is fair type, but coarse in head. Winter's Sport, the winner, is a good one, nice head, size, an all round Setter. The winning bitch, Lucy Grey, good type of bitch, nice all round, but not up on toes. Fanny, we do not like, mediocre. Countess May Cam a nice headed bitch, very fair quality. Irish Setters were not out very strong. Killarney Mike won easily. He has a nice head and good color. Gordon Setters were only four.

Dalmatians, only two. Topsy is a nice specimen. Two nice Chesapeake Bay dogs put in appearance, the winner, Fieri Facias, is a very fine specimen. Irish Water Spaniels were out

in goodly numbers, the much-talked-of Rass took Mr. Marple's fancy and went through to winners. He is a typical dog, good in head and body. Could have stood more fixing, looks a worker. Nora O'Brien, the winning bitch, is also a nice one. A few nice Retrievers were benched.

Cocker Spaniels a big class of good quality. Manitoba Duke took first in puppies, a nice bodied dog with a good head. Manitoba Bessie, second, is another nice one. Third, Bessie, a red bitch, out of condition. Thelma, also a red one, nice but out at front. In novice, black, Ottawa Don, a very fair dog, nice in head and eye, took first, with Satan, a long bodied one, but otherwise nice, second. Third, Manitoba Duke. Limit went to that small but exquisite little bitch, Ottawa Iona, perfect in type and hard to fault. Second went to Ottawa Don, with Rellimderf Rowena, a nice bitch, with nice bone and coat, but is thick in skull and out in front. Open dogs: first, Ottawa Don. Second, Pauline's Dare, big and in bad shape. Open bitches, black, the new one here was Mabel M., third, strong in skull and long. Novice, A. O. S. C. than black, first, Ottawa Nellie, big, straight in front, a nice one. Polly, nice but short in head. Lady Nellie went in good shape. Limit second went to Brookdale Red Lady, a small bitch, nice type, sound. Blazer is a cobby little dog of very fair quality, fails in front. Open dogs, first, Brookdale Bonfire nice but shown fat and out of coat. Third, Rellimderf Red Man, fair, off on head. Open bitches brought in Bess, third, a big coarse bitch. Parti-color, novice, Black Hawk Fairy a nice bitch, trifle snipy, but otherwise nice head, good front. Second, Manitoba Bessie. Limit, first, Ottawa Romeo, nice, but out in front, good head, third went to Rellimderf Fairy, might be better in head, but a nice bodied one.

Collies: Puppy dogs was an easy win for Corona Magnet, might have been in better coat, but has the head and good ear carriage. Imera Pierre fails to Magnet in ear carriage, nice type, Sir Desmond is a nice dog but for a thick head. Novice, first, Braemar Surprise was the new-comer here, has size and head, nice front. Limit, first, Bramar Perfection, grand head, nicely carried ears, backed by a good

body. Ormskirk Oberon, nice, but hardly in shape, second. Open was a repeat. Puppy bitches, first, Corona Lily, is small, but has quality. Second, Bellina, could be improved in head. Same might be said of Imera Ruby, good body. Limit introduced the well known King Edward Prunella, who went right through to winners. She was in fine coat and is a grand bodied bitch, with a good head. Third went to Corona Daisy, nice, but out of coat. Weston Queen O'Quality a nice bitch, might have been placed higher. O. E. Sheep Dogs a fair lot. Poodles mustered six, of which Peter the Second was pick.

Bulldogs, puppy dogs, Stonehurst Beauty won from Bessie, the latter is bit long in face. Beauty is nice in face and turn up. Novice dogs, first, Tommy Burns a nice cobby dog, nice skull, good turn up and sound. Second, Prince William, fair. Limit dogs, Kilburn Hercules, first, has a good head, foreface, but is weak in hind-quarters. Third, Golden Star, a nice sound little dog, nice in front, could do with a little more under jaw. Open was a repeat through. We could not follow Mr. Marples in some of his placings. Novice bitches, first, Stonehurst Beauty. Second, Duchess Ivel, other than a plain face, has a very nice head. Crescentwood Tillie, a low bitch, well coupled, bit long in face. Winning bitch, Trafford Bullacity, is a nice one, good head, nice front and fair in rib. Two nice French Bulldogs and two Beagles were the representatives of these breeds.

Fox Terriers, smooth puppy, Garry Bubbles won in dogs and Garry Maybloom in bitches, both dogs of quality in good condition. Garry Mainstay won the novice with Garry Bubble second. Mainstay is a stylish little dog, with a good head and nice eye. Bobs, third in limit, nice but long. In bitches, Sabine Famous, first in novice, has the style, good head and eye. Limit dogs, Oxford Rake, first, is a nice Terrier, could be improved in feet, but nice head, body and front. Ottawa Marquis second, and Cross Country third. In bitches, Aldon Mystery won out, a nice bitch in right trim, good head and eye. Second, Clapton Felicia nice, good head, but thick in shoulder. Open dogs brought out the winner, Clapton Blue Blade. It was a tussle between him and Ox-

ford Rake, but Blue Blade had the best of it in legs and feet, so won out. Wires, the winning dog, Donington Prince, is a nice bodied dog, with good coat and head. Next to him was Silver Fox, loses in head, but a nice one. Donington Princess, a trifle long, but good in coat, head and front, won in bitches. Boston Terriers were few, and the winning dog, Edgewood King, is nice, but overshot. Dandy Hooker, fair, teeth gone. Lady Dimples is a nice bitch and won out.

Irish Terriers were a very fair class, the winning dog, Knockrea Moira, is a good headed one, has the stamp of an Irishman. Quarrywoods Dolinda, the winning bitch, is nice in body, good coat, but bit out in head. Airedale Terriers, Auckland Sensation excelling in head, won the puppy class. She has a good front. Jess is a nice bitch, with good coat and color. The winning dog, Auckland Lucky Stone, is a nice one, good head, coat and color, with nice expression. Cheltenham Venus, the winning bitch, is also a good one, has style. Grayston Reflector was second in dogs and is a good one.

Bull Terriers, the winning puppy, St. Bass, has the type and is promising, but would not stand up in the ring. Ch. Inferno again ran through to winners. He is well known. Was shown trifle fat. Edgecote Colin, second, is a nice one, good head and body, bit wide in front. Epsom Countess Grey was returned winners in bitches, she is a nice one. Lady Slick of Belmont, a light weight, was second, with Dudu Archdale third. There was quite a collection of A. O. C. Bull Terriers. Two nice Scotties, one Dachshunde, one Bedlington, one Skye, two Yorkshires, two Pugs, two Italian Greyhounds, a nice class of Whippets, two Toy Poodles, a couple of good English Toys and an excellent class of Poms completed one of "Canada's best" shows.

MEETING OF EXECUTIVE COMMITTEE. HELD AUG. 4TH, 1911.

In the absence of the President and Vice-Presidents, Mr. Atkinson was duly appointed chairman.

The minutes of last meeting, as published in Gazette, were taken as read.

1. Protest, Boston Terrier Maxman II. Secretary read certificate from Dr. Campbell to the effect that this dog's tail had been cut. It was then moved by Mr. McFarland and seconded by Mr. Miles that protest be not sustained. Carried.

2. Minutes of meeting of Pacific Advisory Board, held April 7th, 1911. Secretary pointed out that these minutes were published on page 137 of July Gazette. Business arising out of these minutes was dealt with as follows:

TERRIER ITEMS.

Mr. Walter S. Glynn, of England, who judges Bull Terriers at Mineola except Bostons and Bull Terriers, gave the utmost satisfaction. His classes were well filled, and every exhibitor was well pleased. One exhibitor was heard to say that it was very gratifying to win or lose under Mr. Glynn, as you can bet you were getting what belongs to you. Mr. Glynn's many Canadian friends will be pleased to know that he gave such satisfaction on this side of the border.

Canada and Toronto are to be congratulated in getting Mr. Francis Redmond, the great Fox Terrier judge, over to pass on the Terriers at the Toronto Show, and there is no doubt but that he will have the largest entry of Fox Terriers ever judged in Canada, as all the big kennels in the States will be glad to have such a Terrier man as Mr. Redmond pass on their dogs. Such kennels of smooths as the Sabines, Rutherfords and Ingerswens, will give him a good entry. Besides these, Mr. Frothingham will send such wires as Champion Live Wire, Grandemia and Third Rail. Mr. Keyes will send Champion Corn Cob. Mr. Higginson will enter Middlesex Pride and President. Mr. Renshoff will send Johnny Canuck. Besides these, other small exhibitors

will enter, so Mr. Redmond can be assured of a big entry of Terriers from the States.

One of the largest deals in Irish Terriers that has come off in the States in a long time is the purchasing of Champion Thorncroft Sportsman by Mr. Wolcott from Mr. John Thorndyke, of Boston. Mr. Wolcott will show this Terrier at all the leading shows.

TERRIER CLUB.

In July issue of Gazette I notice an article by Arthur Ellison, who sug-

gests that a Club be formed to promote the interests of the Terrier in Canada. As a breeder of Terriers, I would like to see such a club formed, which would embrace the Sporting Terriers, the names that are suggested by Mr. Ellison. A Club of this sort could hold successfully an all-Terrier show. Just recently the American Fox Terrier Club and the Irish Terrier Club held a successful joint show which drew a good entry. Surely in Canada an all-Terrier show of Sporting Terriers would be a success.

I would like to hear what the rest of the sporting Terrier men in Can-

CH. BLUE BLADE DEAD.

Mr. A. P. Mutchmor, Winnipeg, is mourning the loss of his grand smooth Fox Terrier dog, Ch. Blue Blade, that took winners at the recent Winnipeg Show. Blue Blade was well known to the fancy both in the east and west, and his loss will be felt.

Mr. Mutchmor is not discouraged, but is looking for a high class dog to take Blue Blade's place at the head of his kennel.

WESTERN FAIR DOG SHOW.

Prize lists for the dog show to be held in connection with the Western Fair, London, Ontario, September 12th to 15th, have been sent out by the management. There is a fine classification this year and good cash prizes, also a long list of specials. Mr. James Watson, of Hackensack, N.J., will place the awards this year, and his reputation as a judge should bring out a large entry in all classes. Entries will close September 5th. All entries carry with it an exhibitor's pass to the Western Fair for the entire week. A cat show is also being held the same dates and entries close the same time. Prize lists, entry forms, and all information, on application to the secretary of the Western Fair, A. M. Hunt, London, Ontario.

OTTAWA KENNEL CLUB WILL PROVIDE FEATURE.

After having been denied permission to hold the annual dog show at the Central Canada Exhibition last fall, owing to prevalence of rabies, the Ottawa Kennel Club will come into existence again as part of the exhibition programme this year, and previous records will be quashed when the several breeds of the dog character line up before the judges in September.

The fact that new and spacious quarters have been prepared for the use of the Kennel Club this year, is a fact which shows that the Central Canada programme committee think highly of

this division of the fall events, the old machinery building which has been renovated completely to accommodate several hundred canines, being the largest that the club has ever been presented with.

Huge preparations are at present being made by those in charge of the

programme, and with an entry list which promises to include the best breeders in America, and one which will break all previous records in size, promised, the affair will certainly meet with unbounded success. The prizes will be worth several hundred dollars and everything for the benefit of the entries and spectators is being done.

Imported Ormskirk Chancellor FOR SALE

A big winner in England and America. Won everything in sight at Toronto Exhibition, 1909, including medal for best Collie in show, under Mr. Ormiston Roy. Also the same in Detroit at State Fair, 1910, under Col. McEwen. He is the sire of the winning Blue Merle puppy at New York last February. Is now in grand form and very successful at stud, and his head is as fine as ever. I think he can beat anything in Canada to-day. Will be sold for one-third his value. Am going out of business.
