Men Prominent in Canadian Dogdom

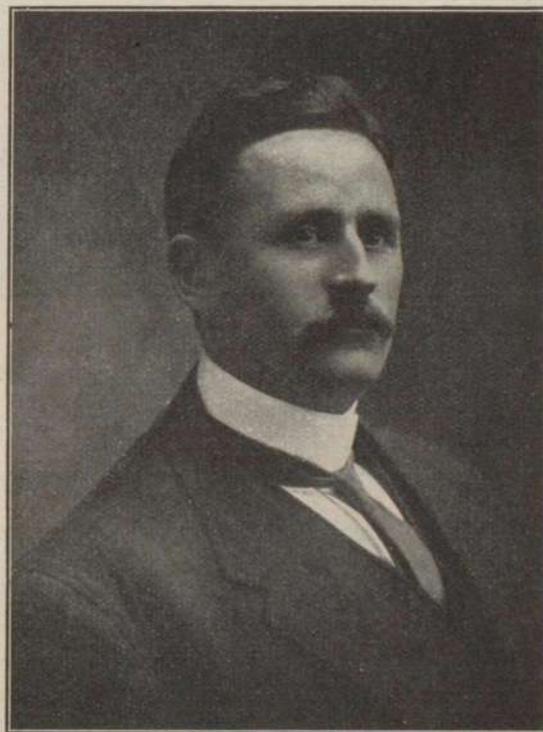

MR. W. ORMISTON ROY, MONTREAL

Wherever in North America the word Collie is mentioned the name of W. Ormiston Roy, Montreal, at once suggests itself. Mr. Roy has been for so many years prominent in Collie circles, both in Canada and the United States, that it is hard to realize he is but thirty-seven years of age. He spent an afternoon and an evening with us soon after his return from Europe and we can vouch for it that he was looking younger than we had ever seen him instead of older. A clean sportsman, leading a healthy outdoor life, the years touch him with a gentle hand.

W. Ormiston Roy was born in Dorval, near Montreal, and is a Scotsman through and through, albeit the best of Canadians. He has been president of the Montreal Canine Association, when big shows were the order of the day. Also a Vice-President of the Collie Club of America, and held various other offices in connection with kennel matters in Canada. As a judge of Collies his services have been requisitioned for some of our biggest shows, including the second largest Collie show ever held in America, Madison Square Gardens, New York, when he placed the famous Squire of Tytton at the front. As an exhibitor the Coila and Balmoral Kennels, of which Mr. Roy is owner, have always been in the front rank, in fact, with Parbold Provost he won in the largest Collie entry ever got together in America. At the International Collie Club Show at Boston, the third largest show of Collies ever held on this side, he won premier place. At one of the Montreal Canine Association shows he actually benched thirty-five Collies, the biggest entry of Collies ever shown by one exhibitor. Mr. Roy is more than an exhibitor, he is a breeder and has been most successful in winning in classes for American bred, and bred by exhibitor.

In his opinion probably the best dog he ever owned was Night Errant II., the

white dog he imported, with his partner of that time, Mr. A. J. Motherwell, now of Kilmarnock, Scotland. This dog was lost on Long Island. He was by Heather Ralph and was a half brother to the great Ch. Ormskirk Emerald. The International Champions, Balmoral Baron and Balmoral Rex were imported by Mr. J. Cromwell Cox of Ottawa. Soon after their importation Mr. Roy entered into a

Mr. W. Ormiston Roy, Montreal

kennel partnership with Mr. Cox, on the latter's retirement from the fancy, taking over all the dogs himself. These were possibly the most successful brace of Collies ever owned in this country and were too well known to need any comment to present day Collie breeders. On the ladies' side Mr. Roy considers Coila Sonsie, by Ch. Balmoral Rex, to be the finest bitch he ever saw. She was bred by Mr. Roy

and won, amongst other famous prizes, the Strathcona Cup at Montreal show for best in any breed. Here Coila Sonsie defeated her sire and all the Airedales and other cracker-jacks in the show. Mr. Roy competed for the Strathcona Cup four years, winning it the first and second year, getting reserve the third year and winning it outright the fourth year. He has won with his Collies upwards of one thousand prizes, and has a room full of cups, medals, ribbons, etc.

While owing to business necessities he has been obliged to decline many important judging engagements, he has filled the judicial role at our most prominent shows, including New York, Toronto (twice), Danbury, Conn., Chestnut Hill, Pa., and many others.

Mr. Roy visited England and Scotland this year, seeing all the best kennels, and was royally entertained. He considers Seedley Stirling the best dog he saw in England.

Mr. Roy is well known in other branches of sport, particularly in the curling world, and this year is President of the Montreal Caledonia Curling Club, one of the oldest clubs in the country. While in Edinburgh he was honored by being elected Vice-President of the Royal Caledonia Curling Club, one of the rare occasions when an officer has been chosen from outside the British Isles.

By profession W. Ormiston Roy is a landscape architect, following the naturalistic exclusively. In his work he advocates strongly the use of our own native trees and bushes in landscape planting. He is the Superintendent and Manager of Mount Royal Cemetery, Montreal, and his work of fifteen years here will always be a lasting monument to his ability.

On the trip of the Scottish Curling Team to Canada last winter, while on a visit to Montreal he got up the Souvenir Programme, an artistic work of great

merit, and was presented with a beautiful memento by Col. Robertson-Aikman and the team. Mr. Roy got to know the members very intimately.

He is still actively engaged in breeding Collies, though not to the extent he was in years past, and we hope to see many of

the product of his kennels at our Canadian shows. Just now Collies in Canada want a good deal of an uplift, in Eastern Canada at any rate. We count W. Ormiston Roy amongst our closest and best friends. He is very excellent company and withall a high minded man of many parts.

latest of these is the "The Morse Lodge Trophy," presented by Mrs. Tyler Morse, for the best puppy owned by a lady member. It becomes the property of any one winning it three times, and will create an international rivalry among the fair sex, being offered for competition at the Toronto, Winnipeg, New York, Chicago and San Francisco shows.

The Collie Club of America and the Collie Standard.

The Collie Club of America, organized August 26, 1886, not of the United States nor of Canada, but the organization that fosters and encourages the breeding of pure-bred Collies on the Continent of North America, generally speaking. Collie clubs have sprung up in various parts of Canada and the United States, and

care of its Canadian members and welcomes any suggestions that may be offered. In order to give as wide a scope as possible and enable members in all parts of Canada and the United States to have something tangible to show in breeding rather than buying a good puppy, there are now in preparation six solid

Secretaries desiring to have Collie Club specials offered at their shows, or any one wishing to become a member of the club or desirous of obtaining any information pertaining thereto, may be assured of courteous prompt attention by writing the Secretary, Mr. H. P. J. Ernschaw, Meriden, Conn.

C. Y. Ford,

President Collie Club of America.

A group of Collies, embracing several prize-winners, the property of W. Ormiston Roy, Montreal

have done well for those in their immediate vicinity. The Collie Club of America welcomes such enterprise, and stands ready to extend any help that may be requested. That Canada plays an important role in the affairs of the club may be easily verified by a glance into the Year Book—the annual publication of the Club. For the present year, it will be found that the President and four of the officers are Canadian citizens.

To encourage its members the Club possesses some twenty-four valuable trophies and cups which are offered at shows held under Canadian, or American, Kennel Club rules, according to the importance of the show. Many medals and other special prizes are offered to be won outright. The Club has steadily grown in importance and is now taking especial

guinea-gold trophies to be won outright by the exhibitor and breeder of the best puppy at the following shows, each country being divided in three sections: New York, Chicago and San Francisco to represent the A.K.C. shows, and Toronto, Winnipeg and Vancouver to represent C.K.C. shows. This, of course, means the large annual fixture and not local shows, though they too will have every encouragement. These trophies are of very beautiful design, being the size of a guinea in order that they may be worn as an ornament by the exhibitor fortunate enough to win one. In order that all may have a fair field and no favor it is so arranged that only one trophy may be won by the same member during the year. Lady members are well looked after, and special prizes offered to be won by them. The

THE COLLIE STANDARD.

General Appearance—A lithe active dog with no useless timber about him, his deep chest, sloping shoulders and well bent hocks showing strength and speed and his expression high intelligence. The face should bear a sharp doubtful expression. As a whole, he should present an elegant and pleasing outline quite distinct from any of our other domesticated breeds, and show great strength and activity.

Head—Moderately long in proportion to the dog's size, covered with short, soft hair. Skull flat, moderately wide between the ears and gradually tapering to the eyes. There should be a very slight elevation of the eyebrows and very little stop.

Muzzle—Of fair length, tapering to the nose, which whatever the color of the dog,

should be black. The teeth which are white and of good size, should neither be overshot nor undershot—both are faults, the latter the greater.

Eyes—Almond shaped, of fair size but not prominent, placed rather close together and set obliquely in the head, which gives that cunning foxy expression so characteristic of the breed. Color, any shade of brown, the darker the better; yellow eyes being a great fault. Dogs of a mixed color should have a mixed or china eye and sometimes both eyes are of the same color.

Ears—Small, placed rather closely together at the top of the head, covered with short, soft hair carried semi-erect when at attention, at other times thrown back and buried in the frill or ruff.

Neck—Long, arched, and muscular.

Body—Rather long than short, ribs well rounded, chest deep and narrow in front, but of fair breadth behind the shoulders which should be oblique. Loin rather long and slightly arched showing power.

Legs and feet—Forelegs straight and muscular, but a fair amount of good flat bone, the forearm moderately fleshy, the hindlegs less fleshy, very sinewy, and hocks well bent. Pasterns rather long and flexible. Feet oval in shape, the soles well padded and the toes well arched and close.

Tail—Moderately long, carried low when the dog is quiet, gaily when excited, and almost straight out when running.

Coat—This is a very important point. The coat, except on the head and legs, should be abundant, the outer coat harsh to the touch, the inner coat soft and furry and very close, so close that it is difficult on parting the hair to see the skin. The hair very abundant round the neck and chest, which is termed the frill. The mask (face), is smooth, the forelegs slightly feathered, the hind legs below the hocks smooth. Hair on tail very profuse, and on the hips long and heavy.

Color—Any color.

Height at shoulder—Dogs 21 to 24 inches, bitches 2 inches less.

Weight—Dogs 45 to 60 lbs., bitches 40 to 50 lbs.

Faults—Domed skull, too much development of occiput, heavy pendulous ears, full soft eyes, heavy feathered legs, short tail.

a decision that met with very general approval.

It goes to show what rapid strides have been made in breeding blue merles the past five or six years.

Grey Mist is the property of his breeder, Miss Hydon of Bogota, N.J. A model of his head is being used to adorn one side of the new guinea gold trophies offered by the Collie Club of America.

CORRECTIONS IN POM WINS AT MONTREAL.

Will you be kind enough to correct the mistakes you've made in the last Canadian Kennel Gazette published concerning my dogs which I exhibited in the recent show here. I can't imagine how such mistakes can possibly be made and I want you to correct them as soon as you can: You have Mrs. Stegall's dogs as beating my Sir Bruce, also her Sable Luster as getting a first and my dogs second to hers.

Mrs. Stegall has never exhibited on this side so consequently had no dogs in the show. She entered her two dogs but for some unknown reason or other withdrew them.

You also have my Little Sir Bruce as being owned by Mrs. Stegall. He has always been my property since leaving the breeder's kennels. So if you will kindly correct these mistakes at an early date I shall be very much obliged to you for same. Thanking you in advance.

Sincerely,

Mrs. F. Gwenwold.

Montreal, Oct. 22, 1912.

Note.—The marked catalogue we have gives Mrs. Stegall's Little Codogan, 1st novice, black; Mrs. Stegall's Sable Luster, 1st novice, orange or orange sable.—Ed.

POMERANIAN SHOW.

The annual show of the Pomeranian Club to be held at the Waldorf-Astoria on January 10, 1913, will be managed by Mr. C. G. Hopton, who seems to have an especial forte for these swagger functions.

We hear that a surprise will be sprung this time in the shape of a judge who is practically unknown to the American fancy but of prominence in England, where he has officiated at the important shows, and has produced many well-known winners. This should be good news for the Pom. fancy, as an unbiased and most experienced opinion is sadly needed in this fashionable breed.

It is the intention of the committee to publish a catalogue de luxe this year in which will be portrayed many of the noted winners and a history of the breed. All members and admirers of the Pomeranian are earnestly requested to communicate with the honorary secretary, or to Mr. Hopton, whose address is 2 Stone Street, New York City, so as to ensure a record entry.—Field and Fancy.

NOTES AND COMMENTS

Field and Fancy is kind enough to again refer to the Canadian Kennel Gazette in eulogistic terms, and "H. B." and the rest of our staff greatly appreciate the courtesy. Here is what Field and Fancy says:

"The enlarged, remodelled, and we might say rejuvenated, "Canadian Kennel Gazette" is making a name for itself in Canada, and under the able directorship of Mr. H. B. Donovan will greatly benefit the fancy across the line. The two numbers which have been issued after dropping the term "official" are of the utmost interest, and we bespeak for "H. B." every success possible. The personal reviews, the current gossip and the "Men Prominent in Canadian Dogdom," will be greatly instructive and helpful to the novice and professional. Mr. Donovan's long experience in the Canadian fancy justly entitles him to the appellation of the "Father of the Fancy" in Canada."

One dollar pays for a year's subscription to the Canadian Kennel Gazette, anywhere in Canada, United States, or Britain. Have we received yours yet?

A post card dated Toronto, signed "A Dog Fancier" and bearing the following inscription, has reached us. "I do not think it is fair for a deaf dog to go to winners, that is what — did, owned by Mr. —. It is a shame, it should be seen into. It is not honest and we all know you are fair."

While appreciating the compliment conveyed we cannot act on an anonymous epistle such as this. It is a matter for the judge, assisted by the veterinarian, to decide. If we were in the position of "A Dog Fancier" we would refer the whole matter to the Canadian Kennel Club, which is a clearing house for all such troubles.

The promoters of the Terminal City show, held at Vancouver, have good reasons for congratulations. It is plain evidence that our own Canadian organization is very much more popular with the average Canadian dog owner than is the American Kennel Club, at any rate on our own ground. There is a hint here for other show-giving clubs and associations who may feel like flirting with the gentle-

men in New York. The entry of three hundred and two dogs was not a padded one, two hundred and seventy-two were actually present, making a four point show for B.C.

We were glad to have a chatty letter from Mr. E. Wrightson Thorpe, who, as we announced some time ago is now located in Okotoks, Alta., where he is doing a satisfactory business in various breeds of live stock, including of course, dogs, and more especially his old favorites, Aire-dale Terriers. Mr. Thorpe has recently returned from California after a very enjoyable trip. He had a record entry in nearly all breeds at the show of the Ladies' Kennel Association at San Francisco. He also judged the Lethbridge, Alta., show. So well have his awards been received that he has several invitations to act as the all-rounder at shows from Minneapolis to the Pacific Coast. Mr. Wrightson Thorpe has had many years experience, his judgment is unbiased, and we hope to see him next season more frequently in the judges' ring.

We are sorry to announce the death of Mr. W. J. Bulloch, of Gananoque, Ont., which occurred rather suddenly early last month. Mr. and Mrs. Bulloch some time ago were quite enthusiastic about Collies, securing several dogs of note from Mrs. Gordon of Toronto.

We were surprised, and grieved, to learn of the sudden death of our old friend, Alexander Smith, otherwise "Aucharnie," who was killed two weeks ago at Barrington, Ill. He knew the Scottish breeds particularly well, also Wire Hair Fox Terriers and had a good all-round knowledge of most breeds. He was a good fitter and handler, with the ability to bring every ounce out of a dog that was in him. When we saw him at Toronto we little supposed that he would be taken away so soon and so suddenly.

New Glasgow, N.S., held a show on Nov. 13, 14, 15, at which Mr. Tom McCullough of St. John, N.B., was the judge.

Major C. M. Nelles is now living in Toronto and purposes moving his extensive

kennel of Bulldogs to Canada. It is probable that Mr. Bert Swann will have them in charge so that we hope to see Major Nelles' kennels frequently represented at our Canadian shows.

The many expressions of appreciation that we have received since we commenced publishing Canadian Kennel Gazette in its new form are most encouraging, and to us are an incentive to further effort.

Mr. Wm. Daly of Merritton writes:

"Let me congratulate you on the improvement in your paper. It is clean, bright and newsy and I wish you every success."

Mr. R. N. Clark, Berwick, N.S., wishes us every success with our enlarged paper, and in addition encloses a cheque with order for renewal of his advertisement. By the way Mr. Clark is offering a new Boston at stud, and a good one, in Acadian Prince II., a medium weight, dark brindle. Mr. Clark has had this dog in his kennel for over a year and now places him at stud after a thorough trial.

Then going on to the other extreme of this great Dominion, Mr. W. M. Coats, Vancouver, B.C., writes:

I received the October Gazette and must congratulate you on the great improvement you have made in it. It now compares very favorably with any dog journal published in the United States, and as always the leader in Canada."

Coming a bit further east Dr. A. W. Bell, General Manager and Secretary of the Canadian Industrial Exhibition Association, Winnipeg, Man., offers his hearty congratulations.

Our old friend, Col. Robert McEwen, of Byron, Ont., says that "we have certainly set the pace," and he should know. Perhaps we might say in passing that Col. McEwen has just returned from his Western trip, and tells us that he had little spare time to look up any dog owners. In walking through the streets of Victoria and Vancouver good looking Terriers were in evidence everywhere, and as for Calgary, there appeared to be more "growlers" on parade than in any other town Col. McEwen had ever visited. He

saw Mr. Geo. A. Hull while there and visited his new kennels where he viewed Mr. Hull's latest importation in Collies, a tri-color bitch, nursing a promising litter. Col. McEwen has a keen eye for the horse also, in fact he is the manager of the splendid horse show being put on annually at Guelph in December, and found here a useful stamp of a Hackney brood mare.

While in Winnipeg Dr. Bell was called upon and as he could not overcome his disposition to do the agreeable to visitors, Mr. Fred. Miller and Mr. A. P. Mutchmor were called upon to complete the quartette.

By the way, those who may have puzzled over Mr. Fred Miller's kennel name, "Rellimderf" should read it backwards. This is the work of that arch-conspirator, A. P. Mutchmor, an all-round good fancier, who is as familiar with feathers as he is with hair.

Mr. F. C. McLean of Hull, P. Que., in sending us his subscription for the Canadian Kennel Gazette asks us to note the fact that his unfortunate Black and Tan, Willowdale Kaiser, at the time of his death was but four years old, not ten and a half years as we had it. Our information was secured from the Toronto catalogue, which gives Kaiser's date of birth as Jan., 1902.

The Gore Kennel Club, Hamilton, have a dog show on the tapis, but at this writing no details have reached us.

The Joint Terrier Association, the organization meetings of which are reported in this issue of Gazette should be a power for good in the Terrier ranks of Canada. Where a number of little clubs could hardly stand alone a big society such as this has the men and the money behind it to make it go and stay. This, paradoxical as it may read, is solid truth. The names of the promoters are all well known to us. They are workers and no novices at the game. The all Terrier show to be held on December 30th is sure of a successful issue. It is holiday time, people are out to see the sights and to spend their money. Efficient management will do wonders for such a club and such a show, that we hope may be but the first of a long series.

Mr. J. S. N. Dugan, the owner of the winning Collie dog at the recent Montreal show, has purchased the new Collie dog, Coila Swaith, personally selected by Mr. W. Ormiston Roy while in Europe this summer. A mention of the dog appears in Montreal report.

Mr. Howard S. Kimmell, Bristol, Tenn., has bought from Mr. Payne, the Cocker

dog, Jocko Ringwood, who took winners at the Canadian National, Toronto, in September.

The meeting of the Boston Terrier Club of Montreal, called for November 6th, was quite enthusiastic about holding a show. Ways and means were discussed and the meeting adjourned to meet again on Friday, November 22nd. In the meantime Mr. F. R. Phelan, the Hon.-Sec'y., would be glad to hear from Boston Terrier fanciers in Montreal and vicinity who would interest themselves in the advancement of a dog that is now so popular and so numerously kept.

Mr. George A. Cranfield, now of Vancouver, who drew a record entry at the Terminal K. C. Show reported in this issue, is no novice at the game. Mr. Cranfield has judged at many shows in Eng-

Dr. A. W. Bell, the able manager of the Winnipeg Show.

land, Australia and the U. S., as well as two shows in B.C.

The North Vancouver Kennel Club will give a show on December 7th. The following are the officers of the Club: President, Mr. W. Gordon; Vice-Presidents, Mr. Colin F. Jackson, and Mr. Sidney Humphries; Directors, Mayor McKeish, Messrs. E. A. Bridgeman, and Peter Larsen; Secretary and Manager, Mr. George A. Cranfield; Treasurer and Show Superintendent, Mr. Leonard J. Ching.

Mr. Bert Swann notifies us that Mr. H. A. Fleming has purchased through him, from Mr. Houliker of England, the well known Irish Terrier bitch, Straight Flush, a winner of thirty-eight prizes, the first five times shown including, 3 firsts and championship at Edinburgh.

Mr. Jas. Mortimer, New York, to whom we are indebted for the Collie Standard in this issue, will judge all classes at the all-Terrier show to be held in Toronto on December 30th.

At a C.K.C. executive meeting held on October 30th consideration of the appeal against the protest lodged against the Boston, May Saxon, at Winnipeg was again deferred awaiting documentary evidence from the veterinarians examining the dog.

Mr. Elmes withdrew his protest against the win of the Irish Terrier bitch at the same show. Mr. Mewburn, Hamilton, also withdrew his protest against the win of the Winnipeg Fox Terrier, Madison Monarch, at London, a dog by the way we are sorry to announce has gone the way of all flesh.

Mr. Frank Britton gave notice of motion to advance the cost of registration of prefixes, affixes and kennel names to \$5.00 each, the fee for transfer of same to be \$2.00.

Mr. Chermont, of Cochrane, Ont., reports a fine litter of Bulldogs by Mr. Barr's Moston Brant.

Goldie Moston has been used to a nice bitch of Mr. Thornton, Brantford. Also to a matron owned by Mr. Schmidt, Berlin, and one from Mr. Barr's own kennel.

In sending in his "sub" Mr. Jno. C. Fletcher, Winnipeg, wishes our "enlarged paper, which I think excellent in every respect, every success."

Now if Mr. Fletcher would just send us a bunch of newsy notes occasionally he would add to the pleasure he gives in above. There is no East and West in the Canadian Kennel Gazette. It is all Canadian with outside fringes for good weight.

In January Canadian Kennel Gazette we intend to devote a good deal of space to the Bulldog. The front page has been engaged already for one of our foremost winners and we are promised other photos and much attractive material. Bulldog men should be in this issue.

For next number, December, we are featuring the Airedale. A splendid portrait of Grayston Growler will adorn the front page, and we already have about enough Airedale matter in to fill one entire issue. Mr. Joseph Perkins, Mr. J. W. Bain, Mr. E. Wrightson Thorp, and others are writing special articles for us. The complete Airedale Standard of the Airedale Club of America will be given, in addition to numerous other features. Every Airedale man in Canada should be represented in our December issue.

(Continued on page 231.)

BRITISH BREVITIES

The death is announced of the famous Bloodhound Ch. Mirables Mischief. This old Hound was whelped July 5th, 1901, and was by Ch. Hordle Hercules, ex. Mar-sea. She was first shown by Dr. Semence at Richmond in 1903, where she won right through her classes. She was last exhibited at the Kennel Club Show, Crystal Palace, 1910, where she won the bitch challenge certificate, (making the 12th), and the RoRo shield for best Bloodhound in show. Her show career was practically one series of successes.

"Our Dogs" in its issue of Oct. 11th. reports a case which shows the value placed on dogs in the Old Country, and indicates the legal responsibility of owners for the acts committed by their dogs. The case is as follows:

£35 DAMAGES FOR LOSS OF KING CHARLES BITCH.

Killed by Bull-terriers.

At the Buckinghamshire County Court, before His Honour Judge Sculby, a case of considerable interest to dog fanciers was heard. Mr. John Wentworth Gosnell and Mrs. Audrey Wentworth Gosnell, of Reynolds Road, Beaconsfield, made a claim against Mr. T. H. Keys, of Reynolds Road, Beaconsfield. Plaintiffs claimed £50 for the loss of a King Charles Spaniel bitch, which it was alleged was killed by defendant's Bull-Terrier on June 14, 1912. Plaintiffs' bitch, Winnie, was the dam of a well-known dog called Peter the Painter. When it was a puppy plaintiffs gave 30 guineas for it. On June 14 Mrs. Gosnell was going to the railway station, and saw defendant's three dogs—two loose and one on a chain. Two of the dogs bowled Winnie over. Mr. Smith, a friend of the defendant's, came up with the third dog on the chain, and as soon as the dog could reach Winnie he picked her up by the back of the head and held her for two minutes. Without any one doing anything, the dog dropped Winnie dead on the road. His Honour, in giving his verdict, said he could never see why a dog should have a special privilege of having one bite. He held that Mr. Keys' dog was what the law called "savage," and the owner knew it, because he always kept in on a chain. He could not find any evidence to support the assertion that

Mrs. Gosnell was negligent. He found for plaintiffs in the sum of £35 and costs.

The Skye Terrier Club of Scotland has just finished a very successful financial year, having some fifty pounds balance in the bank, in addition to a number of solid silver trophies. We hope some of these days to see Canadian Skyes take their old place in both Canadian and American shows.

"Our Dogs" of Oct. 4th says:

"That old and successful curly Retriever fancier, Mr. James C. Swanson, of Motherwell, is sailing on the 12th of this month for Prince Albert, Saskatchewan, to take up the duties of chief clerk to that constabulary. Mrs. Swanson, who usually led the inmates of their kennel to victory, accompanies her husband, and they tell us they will look forward weekly to Our Dogs, as their interest in the doings of the canine world will be as keen as ever. We wish them luck in their new and distant home."

We heartily endorse "Our Dogs" good wishes to Mr. and Mrs. Swanson, and tender them a good Canadian welcome.

The Griffon, Cophorn Tip Top, sailed from England with his new owner early in October. Morween Sludger has also been sent over to Mr. Capern of New York. Sludger was bred by Mrs. McCurdy and is a son of Cophorn Bandit.

THE KENNEL CLUB SHOW.

According to the English Kennel Gazette for October, the Kennel Club's fifty-seventh exhibition of Sporting and other dogs, held at the Crystal Palace, Oct. 15, 16 and 17, was in every respect a most successful one. Owing to the somewhat decreased classification and same adjustment of big specials, there was a drop in the number of entries. The attendance at the show was abnormally large. We have already given a list of the judges. With one exception they kept their engagements. Irish Terriers were judged by Mr. F. M. Jowett, in the absence, through ill-health, of Col. R. M. Ireland. Mr. Desmond O'Connell, so well known to many Canadian dog men and women presided at the luncheon given on the first day of the

show. Lord Vivian, Lord Kensington, Major Gen. Vesey-Dawson, C.V.O., Mr. Theo. Marples, F. Z. S., and Mr. E. V. Joachim, responded to the various toasts, which as usual were quite limited in number.

Part of the judges' reviews appear in the Kennel Gazette and they are most interesting. That of the Duchess of Newcastle on wire hair Fox Terriers is as follows:

FOX TERRIERS (WIRE).

Nothing of very great merit came out in the four first dog classes at the Crystal Palace.

I made Oldiffe Chunky a long way best, shown at a great disadvantage, having been bitten right through his near fore-foot. I satisfied myself that in reality he was very sound, a trifle plain in head, but a rare bodied, shouldered and quartered dog, with a capital coat, shown in a very natural condition. The 2nd prize dog, Emray Patrol Leader, was not so good in this respect, nor was he so well coupled up, but he had a good head, sound front, shoulders and hindquarters. 3rd, Newmarket Ginger Pop, a trifle toyish, and short in shoulders. I did not quite like his hind movement. All coat, good head and expression. Reserve, Melton Peppercot, a terrier like dog, a trifle strong in shoulders.

Morden Brawler, 3rd in Novice, has a good head and front, but very bad behind.

Grovefield Darkie, 2nd, Graduates; 3rd limit, is good in type, splendid legs, feet, neck and shoulders, but fails behind.

Rattleden Messenger, 3rd, Graduates, has good head and front, coat fair, and weak behind.

Limit dogs.—1st, Wrose Collar Boy, a very good, sound dog, rare short back, well-sprung ribs, best of legs and feet, coat and hindquarters, his head is not his fortune. 2nd, St. Giles' Revoke, a tremendous long and powerfully headed dog, failing in coat, body and hindquarters to the winner. 4th, Morden Bystander. I was sorry to see this Terrier so sadly out of form, as I had thought when last I saw him he was going to make up into a real good one, his head and coat remain, but he has lost all muscle, and is in consequence down on his heels.

ACROSS THE LINE

Dog papers may come and dog papers may go, but there are mighty few of them that go on forever. Canadian subscrib-

The former deserved a much better fate, but evidently it was too expensive for the American fancy to support. This leaves

Chicago, Field and Fancy being the only pure and simple dog paper. Evidently the old distich "off with the old love, on with the new" is not any nearer the truth in canine circles than in others. Here is the way Mr. Lacey views the situation. It is a plain vindication of our old friend, whose experienced hand has kept the kennel end of the American Stock-Keeper going right for so many years:

"With the sudden departure of its editor for England for various reasons best known to himself on the morning when he should have appeared before the Investigating Committee for his editorial strictures on the Lenox judges, "International Dogs" fell into innocuous desuetude and pulled down the editorial blind. "Dogs in America" has also suspended publication. We are sorry for the latter and its editor, Mr. Sternberg. The roof was too heavy for the walls. There is only one way to build a paper and that is from the bottom up. Every successful journal that knows how, begins modestly and depends on its own inherent worth to make good. It may not draw the shallow pated but it finds and holds the good fellows—the worth whiles. We have had four conspicuous instances where papers in the dog business have thought it necessary to go out of their way in the matter of splurging to begin with and when they had to come down to tacks the contrast was suicidal and only the astuteness of the man behind one of them saved it from the down and out and made it a good business proposition."

The Philadelphia judges so far assigned are as follows:

Thomas Cadwalader, Airedale Terriers; William G. Rockefeller, Beagles; J. B. Cooper, Collies; Joseph N. Dale, Boston Terriers; Victor Mather, Foxhounds; Alfred B. Maclay, Dalmatians, Dandie Dinmont Terriers, Greyhounds, Old English Sheep Dogs, Sealyham Terriers, Whippets; W. E. Lockwood, Pointers; G. V. Glebe, St. Bernards; James Mortimer, Bedlington Terriers, Manchester Terriers, Bloodhounds, Bull Terriers, Dachshunde, Fox Terriers, Irish Terriers, Poodles, Sporting Spaniels, Toy Poodles, Toy Black and Tan Terriers, Welsh Terriers, Yorkshire Terriers. The date of the show is Dec. 5th to Dec. 8th, 1912.

BATAVIA SHOW.

The eighth annual show of the Genesee Valley Kennel Club was held Sept. 19-21, 1912 at Batavia, N.Y. Although the cash prizes and specials were liberal there were only about one hundred and fifty dogs benched. However, it was a pleasant little show and everything passed along smoothly with that grand old man, James Mortimer, as the all round judge.

The special for best English Toy Spaniel, any variety, either sex, was won by the King Charles, Celamo Little Lad, who, it will be remembered, took 1st and winners at the recent Toronto show.

In Pomeranians, Princess Una and Little Billie, owned by Miss Ida Roberts of Rochester, won everything to be won.

The Dog Show held by the Kodak City Kennel Club at Rochester, N.Y., in September was a flattering success, both financially and otherwise. Although not under A.K.C. rules and no cash prizes offered, over two hundred and fifty dogs were on the benches, and the quality all through the different breeds was far above the average, which proves that Rochester has her share of people who love their canine friends and are proud of doing so.

As usual the Toy breeds attracted the most attention and were given a prominent place in the front part of the tent.

In Pomeranians, Mrs. F. C. Brown, won for best Pomeranian in the show with her Brighton Trixie. Her white silk Poodle, Tiny Man, also went through his classes taking the special for best Toy Poodle in the show.

The best in Pekingese was awarded to Genesee Valley Kennels.

The special for largest and best exhibit of Toys was awarded to Celamo Kennels who exhibited thirteen English Toy Spaniels, all fine specimens and in the pink of condition.

The Celamo team was awarded the special for best team in the show, any breed, the prize being a \$35 gas range.

In Bostons, Ch. Revillo Peach, owned by F. G. Pfister, was awarded best in the show.

In Setters, Mrs. C. C. Shannon's Ch. Micky Flynn won for best Setter, any variety.

There was a large class of Collies as well as Bostons and Bull Terriers, and a good variety of other breeds was benched.

The judges were all from Rochester with the exception of Wm. Silvey of Buffalo, who judged Bostons, French Bulls and English Bulls.

Mrs. C. C. Shannon judged all Toys and proved herself equal to any professional. Very few complaints relative to the awards were heard concerning any breed.

We were very sorry to learn of the death of two of Mrs. Howorth's little Poms., Kelworth Sweetheart and Kelworth Jewel. Several other of the little mites have been very ill but are now on the mend. Mrs. Howorth had Sweetheart at the Canadian National and thinks that while there she contracted distemper and carried it home to the rest of the kennel.

The Kelworth Kennels have just moved to their new commodious quarters where everything will be done for the welfare of the dogs.

One of the best English Toy Spaniels that has left old England in some time is the Blenheim, Ashton Blanco, a son of the well known Blanco Advocate and a great grandson of the wonderful Ch. The Advocate, owned by Mrs. Pinto Liete. Ashton Blanco is absolutely noseless, beautifully broken in color, has a perfect spot and a head like his illustrious grand-sire. He will in future abide with Celamo Kennels of Rochester, N.Y., and no doubt will make a name for himself later on when shown.

We are sorry to hear of the death of the good little Italian Greyhound Zetta, a big winner at Toronto. These fragile little mites have little constitution to stand the wear and tear of a four day show.

The Poodle, Reba Wee Wee, owned by Mrs. Williams, very successful as a winner, we regret to say has also gone the way that all dogs, both good and bad, must eventually go.

One of the strongest kennels of Pomeranians in America is that of Mrs. N. L. Hartridge, Calgary, Alta. Mrs. Hartridge has a most extensive kennel consist-

ing of about thirty-five Poms., all colors, including black, chocolate, orange, orange shaded sable, blue, and white.

Amongst the most recent importations are Nethdale Sable Atom, sired by Little Comet and a grandson of Ch. Dragon Fly, winners wherever shown in England and Scotland. Another is Dark Atom, a beautiful black, who won three firsts and specials before being shipped on Oct. 4th. Still another is Dublin Dandy Girl, mated September 4th to Ch. Fire-Fly.

Mrs. Hartridge has been breeding Poms. both in England and Canada for the last seven years and undoubtedly knows a good one. The winnings of the kennel this year at Lethbridge, Calgary and Edmonton, include thirty firsts and eleven specials, the latter embracing two championships. Mrs. Hartridge has applied for membership in the Toy Club of Canada and expects next year to exhibit at most of the large eastern shows. At the Edmonton show Mrs. Hartridge was winner of gold medal for best Pom., silver cup for best Toy dog, and silver cup for greatest number of points.

Another Western lady who is accumulating a select kennel of Pomeranians is Mrs. Andy Stickney, Ogden, Calgary, Alta., whose Endcliffe Magpie and Western Heather Lad are being offered at stud in this issue. Endcliffe Magpie is a big winner at New York and other shows, under Mrs. Mayhew, Mr. Mortimer, etc. He is a parti-color and one of the most perfect Poms. ever imported to Canada. His get are mostly small sables. Western Heather Lad is a shaded orange sable of the most classy breeding, who sires chocolates, blacks and sables. Puppies from these dogs can usually be secured at quite reasonable prices.

Mr. G. C. Hopton will again manage the Pekingese show to be held in New York in January. It is now stated that Mrs. Herbert, who was to judge the show, will be unable to leave England, and other prominent Pekingese breeders have been cabled to.

We understand that Miss Vassilupole, an ardent votary of the Great Dane on the other side, is shortly coming to Toronto to reside, and expects to bring with her

the famous bitch Atlanta of Marathon. As we do not know of a single lady in Canada addicted to the Great Dane, Miss Vassilupole will be doubly welcome.

While Mrs. Pitt's recent importation, the black Pomeranian Stables Madge, did not present her with a very large litter, the two puppies by Mrs. Greenwald's Cheeky Boy, are beautiful little specimens of the breed and we hope will both develop into winners.

NOTES AND COMMENTS

(Continued from page 227.)

Mr. John F. Campbell, Montreal, did not long remain without a "pal" to take the place of his deceased Boston, Taxman. Mr. Campbell has bought from Mr. Silvey of Buffalo, the seal brindle, with perfect markings dog, Sullivan's Jack, A.K.C., 164172. Jack was whelped on June 18th, 1911, his breeder being Mr. John C. Sullivan of Charlestown, Mass. He is by Ch. Revilo Peach, out of a King Robertson bitch, Sullivan's Beauty. This breeding goes back to Ch. Sportsman, Cracksman and other pillars of the breed. Ch. Revilo Peach is too well known as a producer to need any mention. Sullivan's Jack, that we saw in Montreal two weeks ago, is a dog of splendid type, full of fire and go, a very excellent front, nice clean neck, with other Boston points well exemplified. In Mr. Campbell's capable hands he is certainly one of the coming Bostons. It took a small fortune to buy him.

Mr. T. E. Milburn, President of the Boston Terrier Club of Canada, is another Canadian who has just dipped into the Sullivan blood. This is a two year old, fourteen pound, unshown, dark seal brindle, called Totem Boy, purchased directly from Mr. John C. Sullivan, Charlestown, Mass. We understand he is to make his debut at the coming show in Toronto.

Mr. Norman McConnell, North Vancouver, B.C., has asked us to make arrangement for the reception of his great Aire-dale, Ch. Killarney Queen. She is to be mated to Mr. Jos. A. Laurin's world fa-

mous Ch. Rockley Oorang. Sending valuable specimens this distance is exceedingly risky and we have suggested that the services of Mr. "Bob" Ross might be secured, Mr. Ross living within some twenty miles of the Colne Kennels. Mr. McConnell previously mated two matrons to Ch. Prince of York, but without results.

Writing of Mr. Ross reminds us of his new battle cry:

"Scots,

Good Scots.

Lots of Scots."

This effusion is signed "Bob, Mrs. Bob and the Babies."

We understand that Mrs. Ross has an eye open for another good Scottie.

The meeting of the Toronto Kennel Club, Tuesday, Nov. 26th, should not be forgotten. Visitors are always welcome. This will be Match Night, open to all breeds, two or more dogs must compete in each breed, owners themselves must arrange to meet. The following breeds will be judged for the Crawford medal and for eligibility for the President and the Crawford cups: St. Bernards (rough and smooth), Great Danes, Mastiffs, Newfoundlanders, Russian Wolfhounds, Greyhounds, Bloodhounds, Whippets, Beagles, Harriers, Dalmatians, Foxhounds, both American and English.

Mr. Jno. Lyndon, Toronto, is importing through Mr. Chris. Houliker, our recent English visitor, a well known Whippet, one of renown in Britain.

BRITISH BREVITIES

(Continued from page 228.)

In open, there was no denying Collarbone of Notts pride of place; he also won special for best wire, beating the winning bitch in quality of bone and hindquarters. I have never seen him look better than he did to-day, and I must compliment his kennelman on the way he turns him out and myself on having bred him!

Bitches were a very good lot, hardly a bad one in any of the classes.

St. Giles' Peggie, 1st in puppy, novice and mixed selling, is a very charming all-white bitch, not overdone in length of head, but a beautiful fronted, shouldered and bodied Terrier, looking a workman all over.

Deirdre, 2nd, puppy; 1st, Maiden and Graduate; 3rd, limit; 4th, open, would have won outright in the first three classes had she been shown less gross, as her condition made her shoulders lumpy, a very beautiful bodied and fronted Terrier, short back and long head, not quite pleasing in expression. 3rd, Elfrida, beautiful head, neck, front and shoulders, a trifle light in eye; also long in back and straight in quarters. Barrington Charm, 3rd, is also long in back, but has quality, head, neck and shoulders of the best. Brockley Collarette wants time, but a very neat one.

Limit.—Estelle, 1st; also 1st open. A very beautiful specimen, a trifle overdone in ears, and her bone just not quite below near knee. Still, whoever has a better is lucky.

Champion Greenlands Retort, 2nd in open, was not in her best coat. Having lost a good deal off her legs made her bone not quite perfect below knee, beautiful head and outline, but not so hard in coat or good in body as the winner.

Wyfold Sting, 2nd, limit, another good quality one; and Kingsgate Katrail and Hedera, were not very far behind even in this good company.

What struck me most to-day was that hindquarters want a great deal of improvement, and so many of the Terriers failed in spring of ribs and length of back. I think this is where we must try to improve our wires.

I must thank my ring stewards for the way they looked after me, so helping me to get through my task in good time.

K. Newcastle.

Some of the other reports of special interest to Canadians we hope to use as opportunity offers. Mr. Francis Redmond's report on the smooth Fox Terriers is very thorough, we wish we had room for it in this issue.

Canadian Kennel Club, General Meeting Held October 18, 1912.

The special general meeting of the C.K.C. was held in Toronto, October 18th. There were twenty-seven members present. In the absence of the president and vice-presidents, Mr. A. Atkinson was appointed chairman. The minutes of the previous meeting were read and with the correction of Dr. C. Y. Ford's initial from E. to C. were adopted. The Secretary reported the death of Mr. J. O. Albee, vice-president for the Western States.

The following notices of motion from the Executive Committee, meeting

Sept. 27, were then acted upon. That all gold medals be of 12 carat gold. Carried.

Mr. Bain, to amend by-law No. 8, to read that "the official organ of the Club shall be published by the Secretary-Treasurer of the Club, on such financial arrangements as shall be acceptable to the Executive Committee, and that all notices of meetings and such are to appear therein."

Mr. Bain said that this was a mistake in the copying down by the Secretary of his motion, it should have

read, "Canadian Kennel Gazette or such other paper as the C.K.C. decide." After some discussion the following amendment was voted on and carried. "That the executive committee decide what paper should be the official organ, and all reports, notices, meetings, registrations, etc., be printed therein." The following three notices of motion were then brought up in order.

Mr. Britton, that the price of listing be raised to fifty cents each.

Mr. Bain, that the dog show rule referring to championship cups, to read as follows: "If registered in Stud Book be entitled to a championship certificate, and upon application to receive a Canadian Kennel Club champ-

ionship cup at a nominal price of \$5.00.

Mr. Atkinson, that dog show rule reading, "Ten points which must be won—championship," be amended to read "three different judges" instead of "two different judges."

There was much discussion on the above motions especially that of charging for the championship cups. It was the opinion of the Secretary and several other speakers that as the fanciers in the West had not had a chance to express an opinion on these matters, and as they are so vitally interested in them that they be allowed to stand over till another general meeting to be called in December. In the meantime the Secretary was instructed

to write the Provincial Vice-Presidents in the west also the Secretaries of the different Western Associations asking for the opinions of their Associations on these matters. This was carried.

The following committee were appointed to draft up a revision of the by-laws of the Club, to report at the annual meeting. Mr. Jno. G. Kent, Mr. Jas. Bain, Mr. G. F. McFarland, Dr. Boulton, Mr. H. Dymont.

Mr. Britton understood that the ex-

ecutive meeting held September 27th was to have been resumed after the general meeting, October 18th. The Secretary had not taken this down in the minutes. Mr. Britton stated that he had made the motion, Mr. Dymont seconded it, and it had carried. However as the Secretary had not sent out notices of the meeting as he had told several parties interested that their cases would not come up. The executive meeting was left over for about two weeks.

TERMINAL CITY SHOW, VANCOUVER

Under C.K.C. Rules.

The first show held by the Terminal City Kennel Club was a great success, 302 dogs were entered, making a total entry of 494. Dogs benched 272, making a 4 point show, the best show ever held in Vancouver and passed off without a hitch of any kind. Everything went as smoothly as clock work. Old time fanciers were greatly surprised at the quality of all breeds a marked improvement being noticeable in almost every breed. The arrangement of the show was almost perfect, President Frank D. Elkins is the right man in the right place, a great general indeed, handling everything in a business like manner and most pleasant at all times. Right here I may say a president like Mr. Elkins has all to do with the success of any club and too much credit cannot be given President Elkins for he was at the show from early morning until the lights went out, Vice-President William Gordon worked hard to make the show the success it was, spending three days at the show doing everything in his power for the exhibitors. Vice-President T. Wyndham also was on hand and helped the ring stewards all he could. Vice-President W. M. Coats assisted throughout the show. The directors, His Worship Mayor Findlay, President Frank D. Elkins and Geo. J. Dyke, Esq., were directly responsible for a great deal of the success of the show.

The Bench Show Committee included Messrs. N. McConnell, J. E. Owens, J. L. Bamford, F. Edwards, Albert Greenwood, and these gentlemen made a good committee. Superintendent E. James Parish handled the show in a very able manner indeed and under his guiding hand everything went with a swing, every one was pleased over the way he had his staff looking after the comforts of all the dogs.

Veterinary Surgeon, Dr. T. R. Hoggan, was on hand and thoroughly examined every dog and also kept watch over the entire show all three days, therefore a clean show was recorded. Doctor Hoggan took a great interest in the show which greatly pleased the exhibitors. Secretary Mr. R. K. MacRoberts filled his office as it never has been filled before in Vancouver. We must all take our hats off to Mr. MacRoberts. He handled his end of the show to the entire satisfaction of all playing no favorites but treating every one alike, being painstaking and obliging at all times and high was the praise of everyone of his good work. No doubt of it, he is the best secretary since the old balmy days when Geo. J. Dyke handled the books. This was Mr. MacRoberts' first term as secretary but he took to his work as naturally as a duck to water. It is to be hoped the club will be fortunate enough to secure his services for another term.

NOTES OF THE SHOW.

There were more lady exhibitors at this show than at any other show ever held in Vancouver. It was a great

pleasure indeed to see the interest taken in this show by the fair sex. The Toy classes were larger than at any previous show. Mrs. Frank D. Elkins, wife of the President, announced the week before the show that Little Kaffer would not be shown for the President's cup or other specials. No doubt Little Kaffer would have annexed some of the specials had he competed for Little Kaffer is a rare good Yorkshire. This act of good sportsmanship by Mrs. Elkins was greatly admired by all fanciers and further proves in the President's wife, Vancouver has one of the truest fanciers following the game. Mr. Reginald Hanson owner of the Trewanta Wire Hair Fox Terrier Kennels of Victoria was over as a guest of the club. Mr. Hanson's dogs were unfortunately out of condition so he did not enter. Mr. Hanson was loud in his praise of the good management of the show and said it was by far the best show he had ever had the pleasure of attending in Vancouver, as he remarked, and such good fellowship seems to prevail throughout the show. Mr. Reginald Hanson is a great Wire Hair Fox Terrier fancier and a true fancier.

Mrs. A. H. McConnell, owner of the Madrona Kennels of Victoria, exhibited Wire Fox Terriers and Scotties and secured a number of ribbons. Mrs. McConnell is a keen fancier and a welcome addition to the Terrier ranks. The Madrona's were all good Terriers which their winnings proved. Mr. A. H. McConnell also attended the show. The best decorated kennels were judged by Mrs. Findley, Mrs. Edward Cook and Mrs. Harrison and their awards were very popular. Mrs. Cookerly won 1st, decorated by a lady and it was a beautiful kennel, the electric display was grand while the kennel itself was all lined with rich red plush and in it was a White Spitz (Don Quixote), from Australia. First in the gentleman's class went to J. E. Owens, owner of the Cheshire English Setter Kennels. The Kennels were all covered with autumn leaves and mounted ducks, pheasants, etc., placed all around it, under which was grouped about a dozen English Setters, making a very pretty sight indeed.

Mr. and Mrs. Ross Welsh, of Bellingham, Washington, were visitors to the show and won with Madame Mallwydia, the cup for best English Setter in the show and medal for second best of all breeds in the show. They also showed a nice Setter in Lola Silver Heels.

Mrs. Capt. Geddies, of New Westminster, was over with her Greyhound, Bob Ketchener, and won the cup for best Greyhound in show.

Mr. J. J. Jackson of Edmonds was over with a nice string of Collies and made a clean up, getting winners in both dog and bitch classes and won the cup for best in show and the cup for best of opposite sex, also the cup for best bred by exhibitor.

Mr. Colin F. Jackson, owner of the well-known Lonsdale Kennels, of North

Vancouver, showed a nice pair of Collies in Lonsdale Hero and Lonsdale Jean, both of his own breeding. Hero took reserve winners in dogs and Jean also reached reserve winners in bitches. Mr. Jackson also showed Skookum Crackerjack of his own breeding and Crew So, Royalist, an imported one, in the Airedale classes which were well up in the running in their classes.

Mrs. Ellen Rousseau, of New Westminster, was over as a visitor not showing Handsome Fritz or Peerless Count as Mr. Rousseau has taken them in training for the pheasant shooting which opened three days after the show.

Mrs. Everett Babcock went successfully through to winners with her fine English Setter, Major Totem, and won the cup.

Miss Gladys Creighton, of Victoria, showed a beautiful lemon ticked English Setter, Jesmond Venus, and won the trophy for best Setter shown by a young lady.

Mr. Robert Large of Victoria, cleaned up everything in the Gordon Setter classes, winning the cup.

Mrs. A. G. Mitchell Innis, of Victoria, won the cup for the best St.

Mr. Geo. A. Cranfield, Vancouver, B.C.
Judge at the Terminal K. C. Show

Bernard with Ch. Knight Errant of Aislan.

Mrs. Eva Hutchinson was successful in the bitch classes getting winners with Goedisa and reserve winners with Flossie.

Mrs. J. A. Stewart exhibited the only Wolfhound.

In Scotch Deerhounds Mrs. Vere Agnew's Sheila, won 1st limit and Mrs. Grace M. V. Richard's Deucation, 1st open and winners and E. James Parish's cup for best Scottish Deerhound in show.

Mr. R. G. Monteith, of Victoria, won the John Robertson cup for best Pointer in show with Redwing.

Mrs. H. K. Vickery's Gilbert was reserve winners.

C. W. Brown won the cup with Nellie for best of opposite sex.

Dr. H. B. Findley won 1st puppy dog and 1st puppy bitch in the Pointer classes. Miss Irene Owen won 1st puppy and special in the English Setter classes. Miss Green, of Victoria, won W. F. H. cup with her good Irish Setter, Ch. Killarney Roy. Mrs. John Colbeck's Vivian Lady won 1st puppy, 1st novice. Dr. W. H. B. Medd, Victoria, the Blake Wilson for the best Irish Setter in the show. Mrs. J. W. Creighton, of Victoria, won in Cocker classes 1st with Jesmond Gloria in blacks, 1st with Jesmond Venetia in parti-colors, and 1st with Jesmond Nemo in any other color other than

black. Mr. Hale Woolliam's Black Beauty went through to winners in blacks. The Pacific Kennels, Pleasant Hill Bob, went through to winners in parti-colors. Geo. J. Dyke Cup was won by Pleasant Hill Bob. McDowell and Monat trophy was won by Geo. J. Dyke's Plutto II.

Miss A. L. Campbell's Chilco Jean cleaned up her classes and won the special for best red Cocker shown by a lady and the cup for best of opposite sex.

Mrs. Nora Coy's Dachshund, Gretchen, won the trophy for best in show.

In curly coated Poodles Miss Ione W. Wichwire's Buster won the limit and J. W. Robinson's Buster, the open. Miss V. G. Smith's Duncan Grant, second in open. Mrs. R. Montador's Jeff won the special for best Chow in show.

In Dalmatians, best in show went to Mrs. Adam Hicks, Allen Dale Liver Pill winning trophy. This is a rare good Dalmatian.

In Bulldogs, the best class ever shown in Vancouver, winner dog and the cup for best in show was won by Mrs. R. W. Watson with Ashgill Jim. Mrs. G. E. F. Lee won 1st novice with Billy Lauder, looking very fit. 1st in limit going to a nice dog in Senator, owned by W. I. Hunter. T. H. Foster's Rufus, 2nd and Mrs. W. J. Lutley's Rolling Starlight, 3rd. The dog classes had fourteen and a lot of good ones they were. Mr. F. W. Lantz's John Bull and G. M. Gibb's General Buller got excited and became rather wild. They were ordered out of the ring after John Bull had sampled a mouth full of clothes and some flesh from W. M. Coats' arm. Mr. Coats was handling General Buller. The bitches were not so strong a class. Mr. E. G. Rolston won the cup for best bitch, also the trophy for best Province bred.

Airedales was one of the best classes in the show. In puppy dogs six fair ones faced the judge. Mr. P. Woods won 1st, Mr. C. P. Ashmore 2nd, and Mr. E. Dowie 3rd, all three being of the well known Killarney strain. In the novice class seven dogs were entered, Mr. S. Humphrey's Redaire Rufus, by Ch. Killarney Regent, again put the Killarney strain on top, 2nd going to Mr. E. Dowie's Redaire Peter, also sired by Ch. Killarney Regent. J. Thurston's Pleasant Bob was placed 3rd. The limit class saw Mr. Albert Greenwood's Bradford Prince and Mr. Colin F. Jackson's Skookum Crackerjack fighting it out for first place. Both these dogs were bred by their exhibitors and are two nice ones. Prince won out, Crackerjack taking 2nd. Mr. D. P. Ames won 3rd with Bob. In the open class there was a battle royal, the judge taking some time to separate the first three, 1st going to Kootenai Chinook, of Butte, Montana. Chinook also took winners, the Kootenai Kennels have done a lot of winning with Chinook this year. 2nd went to Mr. Colin F. Jackson's imported young dog, Crew So Royalist, also reserve winners. Mr. Albert Greenwood won 3rd with Bradford Prince. While Prince was placed 3rd, the 1st and 2nd did not have much on him. In puppy bitches seven entered the ring and here Ch. Killarney Regent was the sire of the first three, all good ones. Mrs. D. C. Scott's Killarney May winning 1st, Mr. Wm. C. Prosser's Briar Betty II., 2nd, and 3rd going to Mr. W. G. Payton's Vancouver May. In novice Trevor H. Bagot's Katie won 1st. 2nd going to Mrs. H. G. Brown's June. Limit, Mr. W. J. Roger's Highgate Nellie won 1st. Mr. N. McConnell's Killarney Dolly 2nd. 3rd going to D. P. Ames' Garden Girl. Open, Mr. W. J. Rogers' Highgate Nellie 1st, also winners. Mr. N. McConnell's Killarney Christmas Bells was right up to Nellie, 3rd going to Mr. D. P. Ames' Garden Girl. Mr. N. Mc-

Connell's international champion, Killarney Queen was entered for specials only and won everything in sight.

Bull Terriers, puppy dogs, 1st, 2nd and 3rd were all from that good dam, Dorian Grey. Mr. Milne Hamilton's Hamilton Prince, 1st, M. J. Howard's Haymarket Jack 2nd, Mrs. E. Parish's White Hope 3rd, all three nice pups. Novice 1st H. Mansel's Vancouver Bob, 2nd Haymarket Jack. Limit dogs saw 8, all pretty good ones, in the ring. Here the running was very close, the judge took his time and looked them over very carefully. After weighing them up he placed Mrs. J. A. Wagner's Edgecote Colin 1st and winners, Jeatt & Tindell's Haymarket Terror 2nd, 3rd going to Hamilton's Prince. Open a repeat. Novice bitches, Mr. E. Halliday's Dorian Rose 1st. Open, 1st, Alec. Gregory's Dorian Grey, also winners and special for best Bull Terrier in show, 2nd R. E. Schmidt's Capitol Queen, 3rd Lyncotte Biddy.

French Bulls were not of a very high class, only 3 being benched. Mr. James Deck's Louis won the trophy for best in show. Mr. W. Heyn's Reiny won special for best of opposite sex.

Boston Terriers drew the largest crowd of the show, every inch of space was taken around the large ring, fully five hundred of Vancouver's leading society people were on hand to watch the judging of this breed and great interest was taken in every award. Mrs. Tom Milne showed a very nice one in Nemo which went from novice to best Boston in show winning trophy for best in show. Mrs. Alfred Watson showed a nice one in Vancouver Billy and won 2nd novice in limit, Nemo 1st, 2nd going to Mrs. F. E. Harrison's Gift, a beautiful Boston but failed to show well, 3rd S. Estrange's Billy. Open had 8 nice ones, 1st going to Nemo, 2nd Gift, and 3rd to Billy. Mrs. F. A. Townsend showed one of her own breeding in this class, Kinky Boy. Gift was awarded reserve winners. Puppy bitches, 1st Miss Nifty. Mrs. E. G. Blackwell's Princess won 2nd in this class and was greatly admired. Novice bitches, 1st E. S. Earle Princess Patricia, 2nd Princess, 3rd went to Mrs. E. A. Dunn's Nibbles, a nice one. Limit brought out a high-class one in Lady Halstead, owned and shown by Mrs. A. G. Halstead, 2nd Princess Patricia, 3rd Mr. S. Estrange's Remona's Princess. In open Lady Halstead again got the blue, also winners, 2nd Lady Frou owned by Mr. Geo. E. Tuck. This is a nice type of a Boston, 3rd Princess Patricia. Lady Halstead won cup for best of opposite sex. Nemo had nothing on Lady Halstead for best in show.

Fox Terriers had 45 benched. In the Smooth coats Lady O'Rustem was easily the best and in the specials won the cup for best smooth Fox Terrier and was placed 3rd best of all breeds in the show being beaten only by Ch. Killarney Queen and Madam Mallwydia. Lady O'Rustem was placed 1st at Victoria's last show over all breeds in the show. She is a sterling little Terrier, of the proper type, and has never yet failed to get winners under a Terrier judge. Best of opposite sex went to Prince owned by J. Simpson.

Wire Fox Terriers were a good class all through. 1st puppy dog went to Mr. P. Alberto's Tobasco II, a beautiful little Terrier and sure a chip of the old block, looking the very picture of his sire, Prince Rogue. Tobasco the special for best novice, also secured reserve winners. Miss M. E. Maltby won 2nd with a nice puppy in Carrington Cockled and Mr. E. Kennedy won 3rd with Young Briar. Novice, Tobasco repeated, 2nd going to Madrona Bunka, owned by Mrs. McConnell. Bunka has a grand body but

fails in head. C. B. Stewart won 3rd with Almondale Hustler, quite a nice one all over. In limit Mr. P. Alberto's Prince Rogue won 1st, Mrs. McConnell winning 2nd and 3rd with Madrona Bogie and Madrona Bunka. Open saw 8 fine ones fighting for the blue. The final lay between Ch. Emroy Bristles and Prince Rogue, two nice Terriers of the proper size and also strong on type. Mr. H. L. Cocksedge won out with Bristles, also got winners and afterwards won the special for best wire in show. Prince Rogue won 2nd and another entry of Mr. Cocksedge's was placed 3rd, St. Giles Slam. Limit bitches, 1st Strangeway Mysore Mine, a nice size one, with wonderful substance, 2nd Miss Circuit, another nice one full of quality, 3rd H. M. Fleming's Mischief, a nice one but in too warm company. Open Miss Winsloe's Strangeway Mysore Mine, Mr. H. L. Cocksedge's Miss Circuit, and Mrs. Thornton Sharpe Catch of Paignton, all imported from England and 3 good ones meet. Strange these 3 have now all won a first, Mrs. Thornton Sharp's being placed 1st at the Vancouver Exhibition, Mr. Cocksedge's 1st at Victoria Exhibition and Miss Winsloe's first at this show. Strangeway Mysore Mine won 1st and winners, special for best of opposite sex, Miss Circuit second and Catch of Paignton 3rd. The wires at this show were the best class all round ever shown in Vancouver.

Irish Terriers. Dr. Hoggan had this class pretty well to himself, winning 1st novice with Mary O'Brien and 1st limit and open with Neta, two good ones. J. F. Wooley's Mona was 2nd Novice, 2nd limit and open. Dr. Hoggan with Neta cup for best in show, cup for best of opposite sex going to Chas. Herbert's Barney, not a very good one.

Scotch Terriers had 5 benched, of this lot Mr. C. B. Stewart's Camosun Wuffy won the cup for best. Trophy for best of opposite sex was won by V. G. Smith's Duncan Grant.

Black and Tan (Manchesters). Mr. Jack Glover showed nice pair in North Road Startler and Thoughtless Pride, the dog being a nice one indeed.

Pomeranians benched about twenty-five nice ones, in fact this class of Poms far surpassed any exhibit of Poms ever shown in Vancouver, both in numbers and quality. Puppy dogs, 1st went to Mrs. A. Alcox's Little Bille, a nice little fellow, black in color, 2nd going to Vivian Dwarf, orange sable in color, this little fellow at ten months weighed 2 lbs., 3 oz., and is a grand little dog and sure to be heard from later. He is owned by Mrs. John Colbeck. Limit, 1st, Mrs. John Colbeck's Vivian Darkie, a grand Pom, in fact a hard one to beat and shown in grand bloom, 2nd Little Bille, 3rd Mr. McEwen's Black Jack, another good one. Vivian Darkie is the sire of all the Poms above. Vivian Darkie won 1st open, winners, and the trophy for best Pom in show. 2nd open Mr. E. H. Parker's Little Goldmine, another nice one, Black Jack won 3rd. Puppy bitches, 1st went to Dr. W. H. B. Medd's Joan, a beautiful little chocolate which looks like a sure comer. 2nd Mrs. A. Alcox's Lady Peggy, a nice little Pom. Limit had seven nice ones, all good. This was a hot class and took some work on the judge's part to separate them. 1st went to Mr. E. H. Parker's Bolton Tabby, a good one indeed, 2nd to Mrs. Maggie Reid's Southern Bell, a very close second, 3rd to Little Joan, only eight months old but right up in the running. Open was a repeat for 1st and 2nd, Joan dropping out and Dr. W. H. B. Medd putting Edgeley Nymph in her place in the open and won, 3rd also a nice one. Bolton Tabby won the trophy for best of opposite sex to Vivian Darkie.

English Toy Spaniels. 8 nice ones were benched, not a poor one in the bunch. Mr. Robert Gibson won the cup for best in show with Teddie. Mrs. Pelletier and H. P. Dumbrell showed some grand Toys in this class and also won specials.

Japanese had four nice ones benched. J. J. Wilson carried off everything in this class.

Yorkshire Terriers had six benched. Mrs. Elkin's Little Kaffier won the special for best in show, and Mrs. R. Worrell's Marge won cup for best of opposite sex. Mrs. A. E. Short and Mr. S. Cox also showed some nice Yorkshires.

Maltese Terriers. Mrs. P. M. Cathcart's Toney won 1st and T. Newcombe's Topsy 2nd. Toney won the cup for best in show.

Toy Terriers other than Yorkshires. Mrs. Beaudro's Black Beauty won the cup for best in show.

Whippets had seven benched. Mr. Wm. Gordon's Black Bess won the special for best in show.

In the Miscellaneous class, two Schipperkes won 1st and 2nd. Mrs. E. Lamplugh's Brum won the cup. Mrs. A. G. Henderson's Togo was 2nd in this class.

The prizes were presented to the successful winners by Mrs. Elkins, wife of the president, in a very pleasant manner at the finish of the judging. Mrs. Elkins on behalf of the exhibitors presented the judge, Mr. Geo. A. Cranfield with a handsome gold locket in appreciation of his good work, which was most satisfactory to all exhibitors. Mr. Cranfield replied in a neat little speech thanking the exhibitors for their kind token of appreciation.

The Terminal Kennel Club will put on another show next Spring when they will be in line with all the Spring shows and after the showing made at this show no doubt the Spring show will be another banner show.

The great drawing feature for the last day of the show was the Whippet races which were held on the Cambie Street grounds, courteously placed at the disposal of the Club by the Board of Park Commissioners, fully 2500 people being present.

This being the first time Whippet races were ever held on the Pacific Coast, the entries were accordingly small. There were six entries, the races being run in three heats of two to a heat. The final being eventually won by Mr. George White's White Lily, the runner up being Mr. William Gordon's Black Bess, who had to allow her opponent a start of twelve yards. The full course of 200 yards was run, Black Bess losing by the small margin of a foot in the remarkably good time of 11½ seconds. Whippet racing is rapidly coming to the front in British Columbia, a Whippet Association having been lately formed in Vancouver and it is hoped by its members that over fifty of these fleet footed dogs will be seen here next spring.

Mr. Norman McConnell's Airedale, the international champion, Killarney Queen was to the front again, winning special for best Airedale in show, special for best sporting dog in show, and to top all carried off President Elkin's beautiful cup for the champion dog of all breeds in the show. Mr. Ross Welsh's of Bellingham, Washington, English Setter, Madam Mallwydia was reserve for best in show. Mr. Ernest Langford's Old English Sheep Dog, Sir Alex. was best of opposite sex to Champion Killarney Queen. The Canadian Kennel Club medals for the best six dogs, two silvers went to Killarney Queen and Madam Mallwydia and the four bronze were placed as follows: Coat's Lady O'Rustem, Sir Alex., Ch. Emroy Bristles, and Strangeway Mysore Mine.

Victoria, B.C., Show

September 25th to 28th inclusive.

Victoria held an exceedingly nice little show under the patronage and authority of the B.C. Government and the Corporation of the City of Victoria. The judges were Mr. C. Minor of Victoria, who took Setters, and Mr. Jack Bradshaw of San Francisco, all other breeds. The manager of the show was Mr. G. H. Jeatt, the Superintendent, Mr. C. A. Goodwin, and the Secretary, Mr. George Sangster.

There were about one hundred and thirty dogs entered and practically all present. While there were four Great Danes entered, winners prizes were withheld. There was considerable competition in English, Irish and Gordon Setters, and the Cocker entry was a nice one. There was a good class of Airedales, especially on the female side of the house. The Fox Terriers, both smooth and wire, also provided keen competition. There were three Scotties, one white West Highland, and but one Bulldog. Poms were quite heavy classes. Best Cocker in the show was Mrs. A. J. Garesche's Victoria Tiny. The best Fox Terrier, smooth or wire, was Mr. Coats' Coates' Lady O'Rustem. She also won special for best Terrier in show, and then went right to the top as best dog of all breeds in show, Hickford and Wither's Ch. Arbutus Swallow taking reserve. The special for best in show, exhibited and shown by a lady, was won by the Cocker Spaniel, Jesmond Venus, owned and shown by Miss Gladys Creighton. The following is a full list of awards:

THE BOSTON TERRIER CLUB OF CANADA.

I received my copy of your October issue, and wish to congratulate you on dealing so thoroughly with that most popular breed, the Boston Terrier.

In your short editorial under the heading "The Boston Terrier as a Canuck," I note you say that you cannot quite understand Dr. Snow's reference to the C.K.C. It is true that we have held our last two, in fact our last four annual shows, under C.K.C. rules, and all wins have been fully recognized by the C.K.C.

The idea, I think, Dr. Snow wishes to convey is that the Boston Terrier Club of Canada should be in the same position as the Boston Terrier Club of Boston, that is the parent Club of all Boston Terrier Clubs.

Their Club, I believe, is so recognized by the A.K.C., and any Club wishing to hold a purely specialty Boston Terrier Club show must apply to them first, and through them, get sanction from the A.K.C. to hold such a show.

Of course on the other side of the line, where the breed originated, they have a large number of Clubs, and this perhaps is necessary. We here have

only the one at present but am pleased to see that Montreal Club are going to try and reorganize and hold a show next Spring, and for this reason we intend at some future date to take this matter up with the C.K.C. and see if they will not put us on the same footing as the Boston Terrier Club of Boston occupies with the A. K. C.

Another thing: We have again secured St. Andrew's Hall for our fifth annual and sixth specialty show to be held on Wednesday, Jan. 1st, 1913, and are sparing no expense or trouble to make it the largest and best specialty show ever held outside of the large centres on the other side.

Exhibitors need have no fear of dis-

THE LATE ALEC. SMITH. AN APPRECIATION, BY W. ORMISTON ROY.

Poor "Auch airnie"! he was a fine fellow and the best handler of a Collie I ever saw. Thanks to his handling I often won. I was instrumental in introducing him to Mr. Untermyer.

He taught us more about Collies; when he came to Montreal first, than we ever knew before. When first he landed he was the sweetest singer of a good Scotch song I ever heard. We will all miss him.

The late Alec. Smith, "Auchairnie"

THE TRAGIC DEATH OF ALEC. (AUCHAIRNIE) SMITH

Through his close friend and fellow countryman, Donald Munro, we learn that poor Alec. Smith came to an untimely end on the night of October 29th while driving in the vicinity of the Vickery Kennels, of which he was manager, in the suburbs of Chicago. The story goes that Alec. was driving a spirited young mare when suddenly, without warning, another trap loomed up out of the darkness. A collision was unavoidable and Alec.—a thick-set heavy man—was thrown head first into a ditch. Poor chap, he never knew what struck him. A broken neck caused instantaneous death. He will be mourned by many of his Canadian friends, who knew him so well, and hundreds in the States and Britain.

temper or any other disease attacking their dogs after the show, as it is the intention of the management to have everything thoroughly disinfected both before the show as well as while it is going on.

The hall is warm, dry, sanitary and well lighted.

We expect to have one of the best known judges from the other side hand out the ribbons.

Already we have some fifty specials offered and before the prize list is sent out expect we will break all records for specials.

Trusting that you will give this letter publicity so as to place both Dr. Snow and the Boston Terrier Club of Canada right before the C.K.C. and dog fanciers who subscribe to and read your valuable paper.

T. E. Milburn,
President Boston Terrier Club of Canada.

CORRECTIONS.

In September issue of the Canadian Kennel Gazette, I would like to draw attention to an error on page 186 in the third column. You say "Walmer Blackthorn, good sound color, stiff coat, nice skull, and good in front of eye, that is a bit light, but down by one who evidently knows how."

I don't think the one in question does know, as a matter of fact the dog has a very dark eye. Would you kindly have this corrected in your next issue and oblige.

Yours very truly,

H. A. Fleming.

Toronto, Oct. 29, 1912.

Would you kindly allow me to point out a few errors which have crept into your report in the October number of the Canadian Kennel Gazette, re the Toys at Montreal Dog Show, held Sept. 17th, 18th, 19th. Mrs. Steggall's Little Codigan was not shown, as she kept all her entries at home, reason for doing so, she explained, they were out of condition. Mr. Bentley's Little Snitch took first in limit, first in open, winners, two specials for best Toy in show. Sir Bruce, a son of Little Snitch, and owned by Mrs. Greenwald, took first in novice, then ran next to Little Snitch all through.

J. B. Bentley.

Montreal, Oct. 28, 1912.

London, Ont., Dog Show

With two hundred and fifty dogs and over five hundred entries this was the largest and best show ever held in London. A show in the States the week before London and supported by the dog show trust had, I am informed, over five hundred classes and there were in competition just about one hundred dogs! This was just about the worst on record and when we find that a Cocker Spaniel that won third prize at Mineola under a judge of the breed won the special for best dog in the show, practically without competition in her class, we realize to the fullest extent the marvelous accuracy of the show report which told us the affair was short on dogs but long on quality! The truth is exactly what I told your readers many months ago: that the show trust is killing dog shows in the States and that shows in Canada will improve and gain strength so long as trust methods are excluded. Picture five hundred classes at London competing for four inches of cheap ribbon after the riff raff of the district has been raked in! Fancy five classes for each dog; most of these dogs worthless, and the reader has a line on the up-to-date dog show—so called—in the States. As to the show reports of these events you couldn't find a half dozen capable ones in twelve months. Fortunately such conditions cannot possibly last; they are, in truth, tottering and on their last legs now.

As very many of the dogs shown at London were also at Toronto and as you have published a report of the latter event comment will be brief.

The pick of the big dogs was without doubt Mr. F. A. Stewart's rough coated St. Bernard, Lady Wolfram, whose stern isn't right and condition might be better. Ivan Turgenoff and

Beeloi O'Valley Farm were the leaders in Russian Wolfhounds but they must keep clear of the cracks. The latter should improve some, especially in body.

In Greyhounds I of course reversed the Toronto judging where Fiery Fox beat Coldstream. The former's running gear isn't right nor has he the type nor the quality of the latter. Mr. B. F. Lewis, Jr., showed a grand bitch in limit and open for the sex and to her I awarded special for best sporting dog in the show. Her condition needs attention. Excellent front, back and quarters, one of the best seen in many years. Lottie placed second to her and in the same ownership is smart but lacks the size and the look-out of the winner.

London Hunt Club's Foxhounds are just fair Bosco and Queenie headed the Americans. Their game is work rather than show.

Pointers much the same as at Toronto, with Mr. E. B. Chase's Wyoming Valley Siski, in good shape, a comfortable best and Mr. B. F. Lewis' Red Banks Boy the winner in his classes. Mrs. Chas. Waters showed one or two useful looking ones the pick of them being Jingo's Della that begins to show age.

In English Setters the novice winner London V., is grand behind the head and just missed being a wonderfully good one. He was second in open to Mr. Chase's Lansdowne Ruler whose head more nearly approaches the standard but not so his body. Mr. Chase was first and second with the bitches, Lena and Rudness June, the former a pretty lemon belton whose front will beat her in better company than she faced on this occasion. Mr. J. C. Hannah's Montrose Paddy Tonar was the best of the Irish Setter dogs with Killarney Tim second, St. Lambert of Montrose did not fill his engagement. Killarney Pat and Killarney Tim and Barnev may improve some. Tim won in puppies and in limit. Tyranny in the bitch class is much above the average and her color is correct.

Nell of Mary won in Clumber Spaniels without competition. Not in good coat making her seem higher on the leg than is the case.

Cocker dog puppies just fair with Durbar and Belmont Toby absent. In novice black dogs Midkiff Darkie won easily from Adprick and two others, repeating in the limit but halting in the open where Martello proved the winner by reason of his better front and body without losing any in head. Mr. Tomlinson also put down the winners in novice other than black, in any other solid than black and in particular colors. Speculator, Climax and Red Mack all in good shape, did the business. St. Elmo seems well nigh the 24 lb. limit. Buster is not high-class. Bessie Obo in the bitch classes for blacks has excellent body and condition but Edna's better head called her to the front. In novice other than black Okla was alone; good body and limb, faulty face. Brownie one of Mr. Tomlinson's reds beat her in any other solid open class. With Ottawa the same week Cockers mustered only about twenty dogs and forty-three entries.

Beagles about the same as at Toronto, with F. E. and L. Smith and B. F. Lewis supplying most of the winners. Riverdale Pleader out of it at Toronto I put to the front in limit and open dogs and I prefer his head and body coat and bone. Lansdowne Ruby was the best of all classes.

Komet S. and Daisy S., the Dachshunde, were at Toronto.

Lt.-Col. R. McEwen, Dr. C. Y. Ford, Mr. John McCormack showed the best of the Collies, whilst Miss L. H. Grant, Mr. Frank Shaw and Mr. D. Stanton each had fairly good ones. The McEwen entry triumphed in the

specials as she did the week before, but in the American breeds Dr. Ford's Otterburn Overture was at the head of affairs. All were in good shape except Otterburn Dial whose body needs building up.

Nothing high-class in Old English Sheep Dogs or Poodles or in Dalmatians but there were lots of entries in the latter breeds.

Cheetham Squire first Winnipeg and second at Toronto won here in Bulldogs. Swanbrook Tiger the puppy and novice class winner is quite promising. Layham Pride, that won all before her at Toronto, fell to second in her classes owing to her faulty hind parts and gait and the sound Toronto's Daughter, third at Toronto, won. The loser is better in front and in back. They were well ahead of the others.

The Terrier classes were well represented. In the absence of Ch. Prince of York Mr. P. Bawden's Caerphilly Marvel, a very nice one, although showing age some, won easily from Graystone Reflector and the novice class winners, Windermere Growler, and W. Monarch. Mr. Bawden also supplied the winner in the bitch classes other than puppy and novice where Mr. Bert Swann's Parkdale Priscilla was at the front. The dog won the special for best. Dulverton Marvel and Wentworth Mary headed the Bull Terriers which were rather light with only seventeen entries. Of the three French Bulldogs Lansdowne Cline pressed by Don Caesar was best. Bostons were light numerically considering they had a specialist for judge—thirteen dogs, twenty-seven entries, but they introduced a nailing good one—about the best youngster I have ever seen—in Sparkling Jewel, a daughter of Revilo Oxonian and Cubanna Dazzle. She was easily the best Boston in the show. There were a number of good ones in Fox Terriers, Madison Monarch being again the pick of the smooths. There were two nice dog puppies in the class of four and both should be heard from again. Oxford Rake second in open was at Toronto and was favorably noticed there by Dr. Ford. Princess Pat and Aldon Mystery headed the bitches and I reversed the Toronto placing, but it was close. The best of the wires were Donington Jack and Rollstone Honey-suckle but several others possessed merit. Mr. Lynn's exhibits were absent.

Dr. Niven had Roseneaths to himself and Paddy was the only Black and Tan with show merit. Bedlingtons were at Toronto. Mr. Fred Bramhall supplied the six entries. A nice Skye in Queen Alexandra was alone. Several fair Yorkshires, thanks largely to Mr. John Kenyon.

Toy Spaniels had two nice ones in the bunch and Sailor Boy won for Miss A. B. Lewis with something to spare. He is a Blenheim of nice size, good body and coat, fair head and limbs and is sound. Mrs. O'Rourke's Poms were quite out of condition and Mrs. Herd's Kelvin and Totty in good shape won easily. Mr. L. Parker had a fair one or two but neither in head nor in coat did they equal the winners. Twenty-three entries in Whippets with Lansdowne Truro Boy and Jenny the best in their present condition. Several were dead out of shape and that counted against them.

Toronto Kennel Club's Beagle Field Trials

Thanksgiving Day, October 28, 1912.

A small group of enthusiastic Beagle fanciers composed of J. A. Campbell, V.S., I. R. Sagier, E. T. Campbell, Harry Taylor and Philip Cozen, journeyed to the Royal city on the first train out of Toronto that Monday

morning. Arriving at Guelph they were met at the station by the Messrs. Smith, well known in Beagle circles and others whose names escape my memory at present. It was decided to put the dogs down at Parker's bush, some three miles out of town. Arriving there in due time, grounds were looked over by the Rules Committee and decided as satisfactory.

The entries were as follows, Beagles over 13 inches, Primus, dog, 15 months old, owner, F. E. Smith, Guelph; Sunbonnet Sue, bitch, 4 years old, owner, Hiram Card, Elora; Wee Melody, bitch, 15 months old, owner, T. R. Degier, Toronto; Champion Yodler, aged, owner, J. T. Smith, Guelph; Gypsy, bitch, 4 years, owner, Geo. Palmer, Guelph.

Beagles under 13 inches, Elora Jennette, owner, Hiram Card, Elora.

Sunbonnet Sue, Yodler and Gypsy were put down at 11.05 and immediately ranged away in good form, trying well in several likely places without a cry. There was considerable water lying about in most of the flat places worked over, which made it extremely hard for the dogs to get scent sufficient to make a start, although the three hounds whimpered occasionally as if some scent was still lying. Dogs were lifted at 12 noon without a start.

It was decided by the Committee to try a swamp a short distance away, where there was a good ridge along it, where conditions might, or should, be more satisfactory and where there was expected some hares would be found.

At 12.30 p.m. same three dogs were cast off again for another try and were soon lost to view of the spectators. Gypsy was the first to tongue and was quickly joined by Yodler and then Sue chimed in. They were running well with a grand burst of music, rattling bunny clear through to the other side of the swamp to a check. After several casts the line was again picked out by Sue and ran considerable before being joined by the other two who only just got nicely into a check. It was some time before the line was straightened out and owned by Yodler for some considerable distance when all three dogs settled down again to a real good run for thirty minutes, to a loss. Dogs were then called up, the heat being awarded to Gypsy, who in the last 20 minutes running well ahead all the time easily showed the speed to the others and was a keen tireless worker who was hunting every minute she was down.

Wee Melody and Primus were taken to the east end of the same swamp and turned loose. Both hounds ranged well and were soon heard giving longue. Unfortunately for this brace some other hounds were heard coming up the swamp in full cry and this pair barked to them and soon were out of hearing. It was surmised these dogs were running a fox. After a wait of 30 minutes, hounds not returning were counted out.

The only entry in the under 13 inch in Elora Jennette, was then put down and furnished a really genuine surprise to a great many of the spectators the way she worked. After two or three casts she owned a scent and in a few jumps was trailing her hare at a real good clip without a loss, for fully two hundred yards. The check was short and soon again she was hustling the rabbit along in really high-class form, and was easily entitled to the honor of winning the silver cup for Beagles under 13 inches presented by the Toronto Kennel Club, also a special prize of a pair of hunting boots donated by D. Pike & Co., Ltd., for the best Beagle owned by a member of the T.K.C.

3 o'clock. Primus and Wee Melody, up to this time not returning were counted out.

3.10. Gypsy and Elora Jennette were put down to decide which hounds would win the honor and title of champion, for 1912. It was an uneven trial, in one sense, but the "little un" demonstrated to a great many of us that it's the size of the heart, not the quantity of lumber, that wins oftentimes, and makes the ideal hunting dog. This pair put a hare up and down the swamp, now a loss, then in full cry, both working keen for a quick find after every check.

I could do nothing but award the championship to Gypsy, for speed, other qualities being equal. Gypsy also won the Fred Smith cup for best hound over 13 inches. Champion Yodler second, Sunbonnet Sue third. Several new members were added to the T.K.C.

Harry Taylor, Judge.

BULLDOGS AT MONTREAL.

I received a copy of the Canadian Kennel Gazette, and would like to know how I stand re the subscription of same, as I would like to continue. I am very glad to see that the paper is becoming more wide awake and interesting, and improving in size, and I believe, from the present copy, that the price of same will be much less than value received by subscribers, will you send me two more copies of the October number.

I notice in the Montreal awards of Bulldogs, page 212, in the limit and open bitches, under 40 lbs., the awards are reversed, the bitches in the limit class are 1st Pazan, 2nd Silver Rosa, 3rd Woodcote Merry Girl; res. Strachan's Midget. The open bitches under 40 lbs., 1st Pazan, 2nd Lady Trixy, 3rd Midget, was my bitch given res. and the award over the previous reversed, or is this a printer's error. Thanking you in advance, I remain

Yours truly,

Wm. W. Laskay.

Fredericton, N.B., Oct. 23, 1912.

The awards as given are exactly as marked in catalogue supplied us. We are sure Mr. J. R. Innes, the Superintendent of the show, would be glad to give you any further information after reference direct to the judge's book which he holds.—Ed.

THE JOINT TERRIER ASSOCIATION OF CANADA.

The want of such a Club as the above has been felt by many of our best Canadian Terrier men. A very enthusiastic meeting was held at the office of the C.K.C., on October 21st when the Joint Terrier Association of Canada was formed and well started on its way for the betterment and encouragement of the breeding of all breeds of Terriers. Such old and enthusiastic fanciers as Mr. Arthur A. Atkinson, Mr. Frank Britton, Mr. Jas. Bain, Mr. Walter Sands, Mr. Jos. Perkins, Mr. Bert Swann, Mr. Bamford, Mr. E. T. Campbell and many others were present.

Mr. Jos. Perkins was elected chairman by the meeting, Mr. Atkinson acting as secretary. After the meeting had been called to order by the chairman, the name "The Joint Terrier Association of Canada" was adopted. Mr. Jas. Bain was then elected President of the Association, Mr. Atkinson Secretary, and Mr. Swann, Assistant Secretary.

The breeders of the different breeds of Terriers then expressed their views as to the present condition of their particular breed. Every speaker spoke with enthusiasm and the general opinion was that the fancy as a whole was never more flourishing than it is to-day.

The main business, that of holding a Terrier show in Toronto, was brought before the meeting. It was decided to hold an all-Terrier show in Toronto on December 30, 1912. The following gentlemen were appointed to look after the various details of the show. Mr. Miles and Mr. Swann, benching; Mr. Atkinson, printing and rosettes; Mr. Britton, disinfectant. The meeting then adjourned to meet again Thursday, October 24.

The adjourned meeting of the Joint Terrier Association of Canada, was held on October 24. The main business of the evening was the forming into a permanent Association, and confirming the motions passed at the previous meeting.

It was decided to leave the drafting of the Constitutions and By-Laws in the hands of Messrs. Jos. Perkins and Bert Swann, who are to present same at next meeting. When the matter of

a show room was brought forward Mr. Atkinson reported that St. Andrews Hall could be obtained for the day. A number of other places were suggested but the meeting felt that no better place could be found, and Mr. Atkinson was instructed to engage the Hall. As to entries and classification it was decided to close the entries on 22nd of December, and with one or two exceptions to follow the Terrier classes as used at the Canadian National Exhibition.

PEKES AND POMS.

Allow me to heartily congratulate you on the wonderful improvement made in the Canadian Kennel Gazette, it certainly has become a "live wire" and my profound wishes are that the fancy in the Dominion will do likewise.

I shall endeavour to send you occasionally some notes from this side, and if there is anything, within my power, that I can do for you on this side of the Frontier, I am at your commands.

The enclosed clippings may be of some use. For the Peke show we have engaged, by cable, Mrs. Sealy Clarke, who is one of the leading authorities and a lady of much prominence in the Peke world, who has bred many of the best and has judged at the leading shows in England.

For the Pomeranian Club Show, we

have got another Britisher, or one might say an Anglo-American, as he has been in America for the past two years, Mr. M. Rueben Clarke, late of London, who has had much experience with Poms., both as a breeder and judge at the leading shows. He is now a resident of New York City.

With every good wish and all sincerity I remain your well wisher.

C. G. Hopton.

THE BOSTON TERRIER CLUB OF CANADA MEETING.

Following is a list of the officers elected for the year ending Oct. 31st, 1913. President, T. E. Milburn; Vice-President, M. A. Smith; Secretary-Treasurer, C. L. McQuillan; Executive Committee, W. A. Currie, Wm. Austin, S. R. Rowland, and G. A. Beaumont; Official Judges, Mrs. W. C. Ingram, G. A. Beaumont and C. L. McQuillan; Official V. S., Dr. J. A. Campbell.

The Superintendent and Ring Stewards for the coming show, January 1st, 1913, are, W. A. Currie and F. R. Williams respectively. Everything is progressing favorably and rapidly for our New Year's Day show. We will offer about one hundred specials, most of which will be cups and trophies, ranging in value from \$5.00 to \$50.00.

Annual Draft of Smooth Fox Terriers

As we have not room in our winter kennels for all our stock, we offer the following for sale. Space will not permit of our giving a description of each here, but we shall be pleased to answer all enquiries. The dogs are all in good health and the best possible condition, and are being offered at prices much below the usual price asked for the same quality. A glance at their breeding will serve to convince any one that it comprises the blood of the best Terriers of recent years, and the quality of the stock offered justifies the selection of the breeding stock.
