NOTES AND COMMENTS

Mr. J. C. Dalgleish, of Galashiels, Scotland, spent a day or two in Montreal last month en route to Edmonton, where he judges all classes. From Scotland to Alberta is no small journey to judge a dog show, but to the "Baillie," as he is familiarly known it is but part of the work for the uplift of the dog that he has lent himself to. A great talker is the Baillie and from his varied experience, a most interesting one. He kept us up one night—or morning—till one-thirty together with the Hon. Joe Meehan, M. P. X. Y. for Griffintown. Dog, dog, dog, naught but dog. Mr. Ormiston Roy took him in hand, driving him around Montreal, and suburbs seeing the sights of the city and some of its prominent people and including that good old Scot, Mr. Joe Reid. We saw Mr. Dalgleish off on his C.P.R. train at 9.45 p.m., giving us just nice time to find our own bunk in the G.T.R. 10.30 for Toronto. Mr. Dalgleish expressed himself as delighted with his initial reception in Canada and requested us to express his thanks to all those who made his visit to the city around the mountain pass so pleasantly. Mr. Jno. Campbell and Mr. Kellie were others that the Old Country Scot met.

Mr. Joe Meehan placed a commission with Mr. Dalgleish to pick him out a good Irish Terrier, one that can win.

Mr. Ormiston Roy's family have re-

turned after a residence of about a year in Europe, principally spent in France. As Mr. Roy himself says he expects them

equally well a gift that sometimes led him into trouble with his better half in their honeymoon time as W. O. R. had a habit of saying endearing nothings in his sleep—and always in French. But that is another story.

What close friendships there are in this dog business after all. Distances are as nothing and we know each other on sight. A pity we have the bitter with the sweet, but perhaps the bitter makes the sweet all the sweeter.

Things have been happening in C.K.C. circles as the official minutes printed elsewhere in this issue will show. Briefly the position of the Executive has been found to be untenable in regard to the suspensions reported in June Canadian Kennel Gazette and the action taken at the meetings of May 27th and July 23rd, has been cancelled and the minutes of these meetings expunged from the records of the Club. This action of necessity covers all the resolutions passed at these two meetings. We are glad to know that wiser counsels prevailed and that justice has been done Mr. Atkinson and the other members of the Executive concerned.

Referring to the minutes of July 23rd it may be just as well to place on record a fact not mentioned there and that is that Mr. Bain did not act as chairman throughout the entire meeting. After the

action taken on the Joint Show Committee Mr. Bain had to leave the meeting to keep another engagement and Mr. Arthur Atkinson was voted to the chair and presided to the close. This may be of more importance than appears on the face of it as we have here a member of the Executive suspended at one meeting, restored and acting as presiding officer at the next. And there was no reason why he should not do so. It just shows the see-saw of kennel affairs.

The Ottawa people are out for an increased entry this year and are bringing on Mr. Delmont to help, as he has never before judged in Canada. A liberal classification is offered and many cups, medals,

and other specials as well as cash prizes.

The dates of the show are September 9th to 12th and secretary G. M. Tyrell will be glad to give any further information asked for and to send lists too. Ottawa is counted amongst the regular fixtures and can be depended upon to give a show year in and year out.

Mr. C. S. Crabtree, Toronto, an old Bingley man, who returned from a visit to his old home a month ago has been unfortunate enough to lose by ptomaine poisoning a most promising young Airedale in Ashton Turk. We saw the dog soon after his arrival here and were greatly taken with Turk especially his clean cut head and well placed ears.

Winnipeg promises a nice little entry for Toronto. They have the stuff and want to show others what they can do.

This reminds us that the Toronto list has been mailed and Manager Jacobi and the office staff are now sharpening their pencils for the big entry expected this year. Entries close on the 15th of this month so the Gazette will come as a timely reminder that tempus fugit and there is no time to lose if the Canadian National is to bench your exhibits. The show lasts from 1 p.m. Monday till 10 p.m. Thursday, judging commencing at the former hour and date. We have gone fully into details in previous issues, the

A PAGE FOR LADIES

Edited by a Lady

We should not forget that Poms are to be featured in October Canadian Kennel Gazette. This perky little mite is essentially our own and we should show the editor what we can do when put to it. We understand the front cover page may yet be secured for the picture of some prominent Pom but he or she must be a good one. The editor of this page would greatly appreciate articles or items of news on the Pom for this number, or indeed for any issue, but October in particular.

We hear that a nomination meeting of the Toy Dog Club of Canada is to be called almost at once. This should lead to a lively election and we advise that the offices in the club's gift be as widely distributed as possibly can be. In other words let it truly be a CANADIAN Club.

The Toy Spaniels offered in this issue by the Espero Kennels should not remain long without new homes.

The Court of Appeals has reduced the verdict Miss Rosalie Stewart secured against the A.K.C. from ten thousand to two thousand five hundred dollars. We do not know if the case is to go, or can go, higher.

The L. K. A., of Massachusetts, held an election some time ago and the resulting squabbles are not pleasant to read about. The whole case eventually went to the law courts. It seems that proxies were used that should not have been. The judge's decision in part says:

"The selection of officers to manage the affairs of the corporation calls for the

exercise of judgment and discretion. It is plain that they must be elected by ballot at a meeting in which every member has a right to participate. A right to vote by proxy is not a common law right and not necessarily an incident to membership.

In the absence of any by-law or long continued usage giving the right to vote by proxy, it follows that the power conferred by the charter and our laws to elect a president and secretary can be exercised only by members of the corporation who are present and vote therefor."

At the close of the hearing in the case Judge Braley said the partisanship in the organization was intense, and he suggested to counsel to try to harmonize the differences among the members, remarking that unless that were done the value of the Association would be lost.

NOTES AND COMMENTS

(CONTINUED FROM PREVIOUS PAGE.)

classification is complete and the specials are "too numerous to mention." Get your entries in.

September issue of the Gazette will be filled with show and other reports but for October we hope to feature that most popular toy dog the Pomeranian. Let us have a bumper issue and show what we can do on this side.

Just two years old—he was whelped on August 29th, 1911—is that famous grizzle and tan Airedale, Champion Clipstone First Shot. What a Terrier looking chap he is!

Bred by Mr. E. Wrightson Thorp he is by Clipstone Voucher that is by Commodore of Clipstone ex Clipstone Betty by York the Haymaker, ex Clipstone Sunbeam. The sire is pure "Clipstone" and the half outcross certainly resulted in "the right kind." On the dispersal of Mr. Wrightson Thorp's kennels, Mr. Mutchmor, always a plucky buyer purchased the entire kennel of Airedales and First Shot was amongst them. He has not been shown many times and has never been de-

feated. He came out at Calgary in 1912, taking first in limit, open and winners classes, all specials and the grand championship. At Fargo, N.D., and at Moose Jaw in the present year he repeated his regular wins and was reserve grand championship in both cases. At Lethbridge and at Winnipeg (May), he did the same trick in limit, open and winners and retrieved his position in specials at both shows taking the "best in show any breed" cups. We hope Mr. Mutchmor, one of these days, may conclude to try out conclusions at some of our big Eastern shows, with his "crack." He will meet foemen worthy of his lead.

The Dufferin County Agricultural Association intend giving a one day dog show in connection with the fair at Orangeville, on September 19th. The train service is such that Toronto men can leave in morning take in the show and be back at Toronto the same night, doing it all in just twelve hours.

Mr. Jas. Lindsay is in trouble over his Scottie, Lamdon Leslie, champion getter, that recently got badly smashed up in a fracas with a couple too big for him, a Collie and a Foxhound. The dog was

summering in the country, something us poor scribes can't manage and is now recuperating in Montreal under Mr. Lindsay's personal care.

We hear that Mr. W. P. Fraser has got over a cracking good stud Scottie but with his usual, shall we say ring shyness, W. P. F. has not posted us on his good points. Good luck.

Mr. F. W. Lewis, Toronto, has sold the grand little Cocker Calmo Ogo, by Calmo Don Carlos, ex Deer Park Tilly, to Mr. F. H. Gill, Toronto. This puppy is but four months old and it is expected will develop into a winner. Mr. Gill has taken Ogo up to Beaumaris for the summer, and expects to show him next month.

Mr. Arthur Ellison, who has taken on his shoulders the preliminary work in connection with the proposed Scottish Terrier Club, tells us that a meeting of Scottish Terrier fanciers will be held during the holding of the C.N.E. At this meeting it is hoped that the organization of a club may be accomplished. The date and hour will be made known at the show.

BRITISH BREVITIES

Mr. and Mrs. Michael Murray van Bueren, of New York, were among the visitors to the L.K.A. Show, and being on the look out for a good Sealyham, they quickly claimed Mr. Fred W. Lewis' winning puppy, Dibble, at his catalogue price; and the dog and his new owners sailed for the land of Stars and Stripes on Wednesday.—Our Dogs.

The same journal laments the death of an Airedale whose "Tone" strain has been familiar to us since ever we knew anything of the breed. We refer to Mr. G. H. Elder, M.R.C.V.S., the well known and clever veterinary surgeon, of Taunton, who was better known in the dog world as the owner and breeder of the "Tone" Airedales—not so very long ago the most successful kennel in the country.

Following so soon after Taunton Show, where he was carrying on so ably and diplomatically his duties of chairman of the Show Committee, and where many remarked how well he was looking, the news of his death naturally will come as a great shock to all who met him there, and a still greater one to his immediate acquaintances in Taunton, many of whom saw him as late as Monday afternoon in, to all appearances, perfect health. We understand that a slight fainting fit on Monday necessitated the summoning of the doctor; but after spending Tuesday morning in bed, our old and esteemed friend got up, feeling very much better, and was quite cheerful. He retired to bed about 9.30 and slept well, but alas! Mr. Elder passed away on Wednesday morning without gaining consciousness, the trouble a long standing heart affection, we believe.

Mr. Elder, who had endeared himself to all the Airedale community, was one of the pioneers of the breed in his day, and in the "eighties" and "nineties" was not only prominent as an exhibitor, but as chairman and president of both the Airedale Terrier Club and the South of England Airedale Terrier Club, where his tact and sound judgment were invaluable. He was always ready to help financially, and in any other way he could, the advancement of the breed that was so dear to him, and it is greatly due to the inter-

est he and a few others in the South of England showed in the Airedale that it has reached the prominent position it now occupies in the canine world.

A few of the great dogs he owned were Ch. Tone Crack, Ch. Tone Jerry, Ch. Tone Regent, Ch. Tone Masterpiece, Ch. Clonmel Kitty, and Ch. Tone Chief.

Mr. Elder has been prominently connected with Taunton Dog Show since its inception eleven years ago, was vice-chairman for eight years, and chairman during the last three years. The great knowledge of canine matters was of immense service to the committee. He was a great "sport" locally, and though not much of a shooting man, he took part in hunting and supported field trials, etc., including those of the Western Counties' Spaniel Club. He was veterinary surgeon to the West Somerset Yeomanry, from which he retired with the rank of major, and held several appointments of inspectorship under the Board of Agriculture.

The deceased was a Scotsman, and was 59 years of age. He leaves a widow and family of one son and two daughters, to whom the sympathy of the whole canine world will, we feel sure, go out in their sad bereavement.

Mr. Walter Glynn, whom we hope to again see some time in the Canadian show ring, has been having mighty hard luck with his Welshmen having lost several through ptomaine poisoning, accidents and other causes.

Mr. F. H. Farwell, the owner of the famous Sabine Kennels of Fox Terriers, has for many years been hoping that the quarantine laws would be relaxed, so that he could send a team of his own breeding over here to compete. A year or so ago he sent Ch. Sabine Forever, who qualified last year as an English champion. The success of this beautiful Terrier has encouraged Mr. Farwell now to brave the trouble and expense of quarantine, and he has kenneled at the Charlton Kennels four smooths of his own breeding, three of which are bred the same way as Ch. Sabine Forever. They are Sabine

Ringmaster, Rarewon, Fine Figure, and Fallacious. The two first-named are the two dogs which did so well at the Mineo Show. Fine Figure is an American champion, and Fallacious is by Ch. Sabine Rarebit, and has won a number of firsts including reserve winners at New York. Mr. Dyer, the manager of the Charlton Kennels, is giving particular care to the charges, and hopes that they will leave the kennels as fit and well as Ch. Sabine Forever, who, it will be remembered, a few weeks after being released, gained the challenge prize at Manchester. The pluck invasion by Mr. Farwell is sure to make the competition interesting, and we wish him the very best of luck.

Mr. Chris Houlker has again been invited to judge Fox Terriers of both varieties at the Birmingham Championship Show, which is to be held on Jan. 21 and 22 next.

Quite a sensation was caused at Weston super-Mare Show by Mr. Geo. S. Thomas, who claimed the wirehaired Fox Terrier Greenbank Selection, who gained the reserve challenge prize at the National Terrier Show to Champion Collarbone of Notts, and also won a similar award to Ch. Cocker of Notts under Mr. R. Vicar at Weston. Greenbank Selection is most attractively marked Terrier, with a really beautiful head, and when shown fit and well is sure to do well for his pluck purchaser.—Illustrated Kennel News.

Again from the same source.

"England is about to lose two of its best Bull Terriers in Willowdene Wizard and Willowdene Gay Girl, two youngsters that when fully developed and with ordinary luck would have made themselves champions in this country. They leave Mrs. Mumford's celebrated kennel to go to Canada to the order of Mr. Bert Swann, of the Parkdale Kennels, Humber Bay, Ontario, who has done such execution with the Airedale Terrier Kingsman Oorang and the Irish Terrier Straight Flush, both of which won the championship and the special for the best of each of their breeds at the Calgary Show."

ACROSS THE LINE

Field and Fancy is responsible for the following:

Information has come to us from a most reliable source that the American Kennel Club will extend the present rating allowed shows in the Mid-West to the Southern States. The club is to be complimented upon making the move, as it is a much needed one and has been recommended by us on several occasions. The territorial division will probably be represented by the northern line of Virginia, West Virginia and so then along the Ohio to the Mississippi River.

Mr. Earl Warren in the same paper heads a letter "Boost your own show first." Good advice no doubt but why not "boost" all shows? Again, "knocking" other shows is not the way to boost the home show. Mr. Warren does not do this.

While in Montreal last month in conversation with "Baillie" Dalgleish, we asked him as to the status of the Black and Tan Terrier in England and the prospect of getting over a good dog or two for a fancier friend. He in reply simply threw up his hands and plainly stated that the handsome B. and T. was practically down and out. Little interest has been taken in the breed of late and the edict against the smart cut ear has helped to put the Manchester—temporarily we hope—on the shelf. We in Canada should use freely the few good ones we have and for this reason we don't like to see them getting away to even so close proximity as the States.

Mr. Lacy, in Stock-Keeper, refers to a change or two and grows reminiscent on the breed:

"Naturally when the late Henry Lacy named the Manchester, or rather suggested it, and most of our boyhood and youth was spent among the black 'uns, we feel greatly interested in the really sound boom the breed is having around this section, several of our sport-boys having taken fast hold of the handsome Terrier. We hear that things in the Club

look very prosperous, Mr. Harry McKean has bought from Canada the bitch Willowdale Mystic, and Mr. Oliver Turner has also bought one from the Dominion. A family note is the litter of four that Dreamwold Dainty, formerly imported and owned by Mr. Lawson, is now mothering by Champion Leader, long the winning dog, Mr. Thos. Carberry of Worcester, also has an imported dog, Watland's Starlight, which he mated with Mr. Dickson Smith's youngster Brush Hills Mixer, that spreadeagled them all at the Ladies show when but nine months old. It is rather a peculiar incident that the black and tan being one of the very few breeds identified by a name that signifies local supremacy in numbers and estimation, should settle so numerous around the Hub of another breed, that assumed a local cognomen, the Boston Terrier. Later we learn that Mr. Smith has bought from Alf. Delmont the very good dog Leeds Imperative, who is, or lacks only a point or so of being, a champion. Mr. Frothingham, we rather think we noted some time ago, sold his good bitch Defender Girl to Mr. George Brown of the Easterners, and no doubt will soon have a good one to keep Defender Boy company. This gives Boston and vicinity a very strong hand, in fact the strongest of any section and as they are owned by live men they will hold on we are sure. There is no sharper watch dog on earth than a black and tan, and as for rattling the way he can put the rodent out of business is simply the poetry of motion."

Mr. Jno. Campbell about our oldest B. and T. breeder will be interested in this reference.

A sensible man is Judge Cutler of Chelsea, Mass. In a recent case brought against the owner of a barking dog, he ruled that it was as natural for a dog to bark as to wag his tail and threw the case out.

So poor old Sportsman is dead. Well, there was but one Sportsman that we can think of at the moment and he was Irish. A queer sort this Ch. Thorncroft Sportsman. He had not so much of the devil-

may-care of his son Marksman, though we have on occasions seen him shoot up, and just as often have we seen him shy. He was game but he needed a thorough shaking up to find it, for shyness was ever his besetting sin when a youngster, and until "Jack" Thorndike bought him he was a hard dog to handle. But as a sire of winning Irish Terriers nothing has ever approached him; his record of winners at New York under Vicary was something wonderful including 11 first winners and both winners. His most illustrious son is Ch. T. Marksman who is ably carrying the banner raised by his father.—Stock-Keeper.

The death of Singleton Van Schaick, Secretary of the Irish Terrier Club, leaves a gap hard to fill. Personally we were indebted to him for many little courtesies. Ch. Leeds Muddler was probably the greatest dog that he was ever interested in. Old pedigrees will show the influence this great Terrier had on Irish Terriers the world over.

Just as we expected, we have some lively competition in old English sheepdogs with the importation of the Kinnelon crack, Ch. Barkis, the best dog in England when he left, news came just too late last week that he had succumbed to the heat on his way back from Auburndale, Mass., where he won leading honors and three points for his champion title. In the greatest lot of sheepdogs seen in many a day Barkis won first limit at Mineola but had to be content with lesser honors in the open where the greatest cracks of years were gathered and it was a good deal on condition, for really the showing of these dogs is an art that few have mastered. He was by Falcon Valentine out of Country Lass and just over four years old. The loss of this dog is a most severe one to the young kennel owned by Messrs. Kinney, for they had selected this dog while in England as the best possible to mate with their bitch es. This kennel, we learn, has left John White's quarters and is now at the home place at Butler, N.J., where an immense estate of 7,000 acres is being licked into shape.—Stock-Keeper.

The North Vancouver, B.C., Kennel Club Show

The North Vancouver Kennel Club held its second annual one day show in Hastings Park on July 1st. The Club is to be congratulated for the smooth businesslike manner in which the show was run with the able assistance of Mr. E. J. Owens, a superintendent who has been one of the most extensive and consistent exhibitors of English Setters during the past ten years.

Dr. T. Glendon Moody, who has purchased five of the best Bostons that could be obtained, including Champion Wampagne Delight and Champion Brownie the 3rd, from the States of New York and Massachusetts, made a most able president. It is generally to be found that the president of canine exhibitions is a figure head but in Dr. Moody the Club is to be congratulated upon having a real worker and one of the most popular business men and sportsmen in Vancouver. Mr. William Gordon who has been exhibiting dogs since Cardiff show, 1875, is a real hard worker for the betterment of the dog and not for any monetary part that might be obtained from breeding.

Mr. J. H. Hickford of Victoria, who has been breeding Setters and Pointers for the past twenty years and once owner of Champion Mallwyd Bob, and who now has that beautiful English Setter, Champion Arbutus Swallow, that has never been beaten, judged all Setters, Pointers and Field Spaniels.

Mr. John L. Bamford from the Emerald Isle, judged all Terriers except Bostons and Toys and Mr. George Tinto, of Seattle, an old time judge and a specialist in the Collie line passed on all breeds not assigned to other judges.

The show was a great success and a sum of money was handed to Miss M. McCallum, the treasurer, for safe keeping to purchase more cups and medals for next year's show.

Thirteen beautiful cups and over one hundred and fifty silver and bronze medals were offered for competition including ten solid gold. The principal classes filled were Setters, Pointers, Fox Terriers and Airedales.

The cup for best Setter in show went to Silver Heels the property of Mr. Ross Welsh, of Bellingham, Washington, a bitch that has only been beaten by her litter sister and one other.

Mr. J. Wolfenden of Victoria brought a very fine team of Pointers and swept the boards. It was conceded on all sides that he should have won with ease the handsome H. R. Montgomery Breeders' Cup for the best four dogs in show bred by one kennel but once more it goes to show what a farce these specials are, for one judge admitted that outside of Terriers he did not know the first thing about any other breed and in his ignorance voted for a kennel of collies who were dead out of coat, whereas the Pointers shown by Mr. Wolfenden were in perfect condition and a team that would be hard to beat anywhere this side of Chicago.

It cannot be said, that Mr. John L. Bamford gave good satisfaction when judging the Terriers for many comments were made on some of his awards. Perhaps the biggest mistake was in placing the smooth Fox Terrier Champion Brynmore Toff, a dog that is loaded in shoulders, gone a bit in cheek, not correct in front and

only fair in body, special prize for best Fox Terrier in show, whereas in the writer's opinion either of the following excellent Terriers can beat him with ease.

Mrs. A. H. McConnell, Wire Hair, Madrona Drive, A. E. Loos, Wire Hair, Crashers Model, Jeatt & Tyndall, Wire Hair, Long Stone Darling, Miss M. Winslows, Wire Hair, Strangeways Puck, and W. M. Coats, Smooth, Champion Lady O'Rusten.

The Champion Wire Hair, St. Giles Slam was put down in poor condition otherwise he would have been near the top, if not at the top for premier honors.

Dr. Moody seems to have scared the Boston Terrier exhibitors with his grand kennel; therefore these classes were not so good as usual, but henceforth he will exhibit for specials only. However, Mrs. F. W. Hild, who knew that Champion Wampagne Delight would be exhibited was game enough to travel from Portland, Oregon, with Monte Del Rey, and obtain reserve winners.

Mr. Henry L. Cocksedge had a field-day by winning best Fox Terrier in show, also specials for best Airedale dog or bitch in show.

Bulldogs were not extra good in quality and poor in numbers, special for best dog going to Champion Mersey Silver Shekel but was hard pressed by Mrs. H. Hooper's Prince, who beat the former in every point behind the collar. Mr. James Services, won in bitches with Madam de Rosa, one that will be hard to beat around these parts; she was put down in perfect condition. Some excitement was caused in the Old English Sheep Dog classes when it came to special for best in show, after due consideration the award going to the Champion Sir Alex with General Wainwright reserve. These dogs have now met three times Sir Alex having the best of it on two occasions.

The Canadian Kennel Club medals for the best six dogs in the show, were won in the following order:—

LONDON DOG SHOW.

The dog show to be held in connection with the Western Fair, London, Ontario, September 9th to 12th, will certainly be a hummer this year. Over \$1,000.00 in cash and specials is offered in the prize list. There is a list

of nearly one hundred specials in addition to the regular cash prizes. This show is noted for being one of the best in the country, exhibitors once showing always like to come again. Prize lists are being sent out by the Secretary With Mr. Jas. Mortimer, of Hempstead, L.I., as judge, there should be a very large entry. All information from the Secretary of the Western Fair, A. M. Hunt, London, Ontario.

CANADIAN NATIONAL DOG SHOW NOTES.

The prize lists for the 25th International Dog Show to be held in connection with the Canadian National Exhibition, are now ready. The classification has been extended and the list of special prizes is the largest yet.

The judges are well and favorably known.

Since going to press a class for Canadian bred Scottish Terriers has been added, this class is No. 237A.

Special prizes are still coming in. The Cocker Spaniel Club have offered their valuable list of specials.

The Ladies' Kennel Club of America six cups and one medal.

The Bulldog Club of America have offered the breeders special, Governor's Trophy, and President's Cup.

The Cocker Spaniel Club of Canada offer a special club cup for the best decorated kennel.

The Whippet races promise to be better than ever. Word has been received that some of the best Whippets in the West will be here.

Exhibitors are reminded that entries close with Dr. J. O. Orr, Toronto, on Aug. 15th.

The Kinnelow Kennels offer \$20.00 for the best Mastiff dog or bitch.

that it is easy to win in the West as competition is not very keen. Well that may have been some years ago, but not now, and the only way to find out is to go out there and see, and if you don't happen to win you will come back knowing that they have the right stuff and also the right kind of men looking after things.

Mr. Mutchmor, whom Mr. Jackson had heard about but never met before, was particularly busy looking after the welfare of all he came in contact with, and he is what one would call a prince of good fellows. He has great faith in the Dominion Kennel Club and there can be no doubt with that kind of man connected with it there is only one goal ahead. There are many one could mention but being poor to remember names some may be overlooked but the following are a few who can always be found ready to boost in the right direction: Messrs. Spurgeon, Love, Aldritt, Dr. Smith, Fletcher, Kynock, Miller, Guarnera, etc.

Some fifteen or sixteen years ago Mr. Jackson was in Winnipeg and thinks the dog show held then was their first and it was a pretty small affair, there may have been twenty dogs and that is all you could call them but like everything else in that country they are drawing away from the East.

Brandon fair was also taken in it being one of the best in the Dominion. Their strong attraction is live stock (not side shows) and they certainly have that. Outside of the Toronto Canadian National they can discount anything he has seen. Besides, the stock from that district goes a long way to keep the Toronto where it is. The only thing lacking was a dog show in connection, following the next week to Winnipeg. But prospects look good for next year.

WINNIPEG AFTERMATH.

What the Free Press Says.

On Saturday afternoon the grand champion of the exhibition dog show was announced, and it fell to a very handsome Cocker Spaniel, Durbar, and the dog deserved the win, which was awarded him, being a beautiful specimen and a most perfect dog. He is the property of W. J. Jackson, 41 Wentworth Street, Hamilton. The reserve winner, and a dog not behind the champion in any way, was Garry Matchmaker, an excellent Fox Terrier, the property of A. P. Mutchmor, Garry Kennels, 279 Cathedral Avenue, Winnipeg. Both Mr. Jackson and Mr. Mutchmor are regarded by the dog fanciers throughout the Dominion as being real good sports, and either can lose or win with a smile. Mr. Jackson in speaking of his dog said: "I have never seen him shown before, although he won at the May show in your city and at the recent Montreal show. I never thought I had such a dog. He certainly looked good when I saw him compared alongside the other dogs."

MUTCHMOR HAS CLASSY TERRIER

Mr. Mutchmor's Smooth Fox Terrier, Garry Matchmaker, the reserve winner, is a perfect specimen, having lots of bone, nice straight fore legs, great body, very fine head and ears, stylish little dog in the ring, everything that can be desired, and put down in the very best possible condition in the ring, he was a great credit to his owner. At the May show the Canadian Kennel Gazette says: "Garry Matchmaker, their new dog, was shown too fat, but will take some beating when put down in shape."

It would be as well to state that at the spring show this dog had just been purchased in England by Mr. Mutchmor, and had only been in the Garry

PAWNBROKERS GET THE PET ANIMALS.

Owing to the discovery that one or two second-hand dealers are in the habit of buying pet dogs and other live stock which have been stolen from their owners, notice of motion will be given at the special meeting of the Montreal City Council to have a by-law introduced compelling all dealers who buy or lend money on these animals to register the sale with the police department, just the same as other second-hand dealers who conduct a pawning business have to do. The complaint is that officers of the detective force searching for missing dogs and other pets frequently find them in these shops. It is said that a considerable trade in buying missing dogs is carried on in some shops in the city.

MR. JACKSON IS ENTHUSED WITH THE WESTERN SPIRIT

So says our Hamilton Correspondent

Mr. W. J. Jackson, Hamilton, who has been spending three weeks in Winnipeg, has a few good words to say about the dog show held there July 9th to 12th. After winning everything that his dog competed for quite naturally he feels pretty good. But apart from that he never in all his experience at dog shows, and that covers some years, has come across anything like the treatment he received at the hands of the Winnipeg fanciers. He says everything seemed so different they all wanted to do something to make all outsiders feel right at home, nothing too much trouble, no "kicking" or soreness at not winning, but general good feeling all through. Easterners generally have the impression

Kennels a few days prior to the show, which did not give his owner the necessary time to condition him.

POPULAR VICTORY.

In speaking to many of the D. K. C. members and exhibitors the decision will have some bearing considering the way all who were interviewed expressed their opinion, which follows:

What Exhibitors Say.

A. P. Mutchmor—I think the best dog won.

Dr. Smith—He is an awfully nice dog, and is a characteristic Cocker type, put down in perfect condition.

V. C. Kobold—I think that is the way I would have fixed it myself.

J. B. Guarnera—The Cocker was in splendid condition and at this season of the year was undefeatable.

Jack Miller—I think it's a peach, and the best that ever struck this country.

Jack Fletcher—I think Mr. Jackson's Cocker deserved his win in every way, he is a grand little dog, put down in the best of condition and a credit to his owner. A good sport, with a good dog, I wish him continued success.

C. W. Twaites, Moose Jaw—I think the winning dog deserved it, and was pleased to see it go that way.

W. A. Love, Superintendent—I think he is an exceptionally nice dog.

Dick Elmes—I think he is a corking nice little dog and deserved his win.

F. T. Miller—I think it was a good decision, neither of these judges are Cocker breeders. I am perfectly satisfied.

W. Parkinson, Moose Jaw—I think he is a perfect specimen, one of the nicest I have seen in this country and is entitled to what he got.

R. Inkster—I think he is the best specimen I have ever seen, and think he was entitled to what he was awarded.

G. Humphries—I think it was a very good decision.

U. S. TERRIER NOTES

FAMOUS WIRES LAND.

On July 11 the famous Wire-haired Fox Terrier, Guycroft Salex, accompanied by the less famous but even more sensational young bitch, Biddy of Holyport, landed in New York after a trip from England aboard the Adriatic. The dogs will find their new home at the Conejo Kennels, Huntington, L.I., under the expert care of Donald Munro. By the purchase of these dogs Mrs. Rainey has secured a pair of the best Wires alive and they will doubtless go bang to the top on this side of the water. Guycroft Salex has been previously spoken of in these columns and the bitch Biddy of Holyport represents a very keen "buy" on the part of Mrs. Rainey, who picked her out and secured her through the well known Terrier expert, Mr. Holland Buckley. Regarding the purchase "Our Dogs" has the following to say:

"Something of a sensation was caused at Taunton show by the first appearance of the Wire-haired puppy, Biddy of Holyport, catalogued at £25. Biddy was spotted by many of the 'rail birds' as a proposition for future emittance. She is certainly one of the best puppies benched for many years. Strenuous efforts were put in to either buy or claim her by Messrs. Andrew Albright, Hildebrand Wilson, S. Warburton and J. J. Holgate and at one time Biddy was actually ordered up for auction—a course that was vigorously protested against by the first claimant after the set time—Mr. Holland Buckley; and after inquiry and investigation by the chairman, the correct interpretation of the rule was settled.

This beautiful daughter of Collarless will therefore grace the Clonmel Kennels in the future. Many offers have since been made, but all have been turned down. This case well illustrates the upjump in value of first-class pedigree stock, for less than a month ago this puppy was bought for £3.

These Terriers, also the famous Wires from the Victory Kennels, will be shown at the Toronto show.

Mr. Daniel Riker, of New York, has bought the imported Wire Fox Terrier bitch, Mannville Guide, which Tom Ashton sent over to Alf. Delmont.

The Fox Terrier fanciers ought to give Dr. Ford a big entry as he is a man who knows them, and no doubt he will draw well from the U. S., as such Terrier men as Mr. Ingerswien, Mr. Perrien, Mr. Lynn, Mr. Hunnewell, Mr. Keyes, and Mr. Farmer, have always supported the Toronto show and with Mrs. Rainey's new brace there ought to be some hot classes. Then Mr. Moore, of Montreal, is always sure to have some good ones.

Alf. Delmont, of Devon, the well known Terrier handler has been engaged to judge all breeds at Ottawa show.

The Smooth Fox Terrier, Sabine Ringgold, No. 166019, that has done so well for the Sabine Kennels this year, with winners at Boston, Chicago and Wissahickon, has been sold to Mr. Ernest Bailey, Kingsville, Ontario. Mr. Farwell disliked to see him go, for while the "Saline" type is black heads and markings, he is personally fond of a good white one, and Ringgold was one of the best unmarked dogs seen in many a day. Also a nice little Terrier, a son of Saline Red Gem, was shipped via steamer to Buenos Aires, which is quite a long journey for an American dog.

Mr. Daniel S. Riker, of New York, has just bought the Wire Fox Terrier bitch, Southboro Rose, from Mr. Daniel Lynn of Port Huron, Mich. This bitch has done a lot of winning since Mr. Lynn imported her and she is the dam of his famous Ch. Lynfield Salex, Lynfield Sportsman, Lynfield Louise and other puppies which have done all the winning the last three years at New York, Chicago, Boston, Philadelphia and other big shows.

Miss Maud Kennedy, of New York, who is the daughter of a wealthy lawyer is going in heavy for Welsh Terriers and has given a commission to buy the best in England.

Mr. Farwell of the Sabine Kennels, intends to send that sensational

As the C.K.C. executive meetings are not open to a C. K. G. representative we have to do the best we can with the material at hand and with what outside information available. These minutes have been supplied us by the Secretary. We are not sure of the date of the meeting, which is not given, but it was held early in August. The action on Mr. Miles' motion is not given.

In regard to the Joint Show matter an amendment to a motion should be put first. This may have been done but the minutes do not say so. If the motion was put and carried the amendment was out of order. These details may seem trivial but are not so in the case of a governing, finding body like the C.K.C.

C.K.C. NOMINATION MEETING.

The annual nomination meeting of the C.K.C. was held in the office of the club August 6th at 4 p.m. There were about 18 members present making up a very representative meeting. In the absence of the President the first Vice-President, Mr. A. A. Lees, of Hamilton, took the chair.

Dr. Wesley Mills, London, England, was elected Honorary President, and Mr. Jno. G. Kent, President. Mr. Jas. W. Bain was nominated for president but withdrew in favor of Mr. Kent, expressing his appreciation of the good work Mr. Kent has done for Canadian kennel affairs.

Mr. Kent having arrived took the chair. Mr. Jas. W. Bain was elected 1st Vice-President and Mr. E. D. Adams of Calgary, 2nd Vice-President. The Provincial Vice-Presidents were nominated as follows. Where there is more than one nomination a ballot will be necessary. Ontario, A. A. Lees, Hamilton; British Columbia, Geo. A. Cranfield; A. Greenwood, and W. M. Coats, all of Vancouver; Saskatchewan, C. W. Twaites, Moose Jaw; Manitoba, Jno. Milner, Winnipeg; Alberta, Geo. A. Hull, Calgary; Quebec, T. A. Moore, Montreal.

The following were nominated for the executive committee, twelve are to be elected: Messrs. J. F. H. Ussher, R. Nordheimer, G. F. McFarland, H. A. Wilson, E. T. Campbell, Jos. Perkins, W. E. Baldwin, Col. C. A. Nelles, T. Sharpe, Geo. Barron, M. A. Smith, Bert Swann, Fred Jacobi, L. Farewell, Walter Sands and Geo. Harlow, all of Toronto. Mr. H. A. Dymont, Barrie, Mr. E. W. Greene, Ottawa; Chas. Mewburn, Hamilton, and P. Bawden, Ridgetown.

NORTH VANCOUVER SHOW.

The July 1st show was a great success in every way until it came to the Terrier judge and he certainly got off wrong. I felt sorry for him and if he had only kept his mouth shut he would

have been excused, but he knew it all and started telling them all about Terriers. That was his undoing. I think it is a safe bet he never did have any experience in Terriers. The Irish Terrier fanciers simply went up in the air. Still the Terrier fanciers at Seattle, Victoria, Vancouver and North Vancouver have all been up in the air over the awards. It seems a hard task to pick a good Terrier judge. J. S. Hickford and Geo. Tinto gave good satisfaction in their classes and the show was managed in a very able manner by Mr. Geo. A. Cranfield, who has had a vast experience in that work as well as judging. Dr. Moody made a good president one of the best yet. The directors and bench committee all worked hand in hand, everything went off fine and many fanciers were heard to remark about the businesslike manner in which the show was handled.

In Greyhounds the limit and open classes have been divided, viz., class 24, limit dogs, class 24A, limit bitches, class 25, open dogs, class 25a, open bitches.

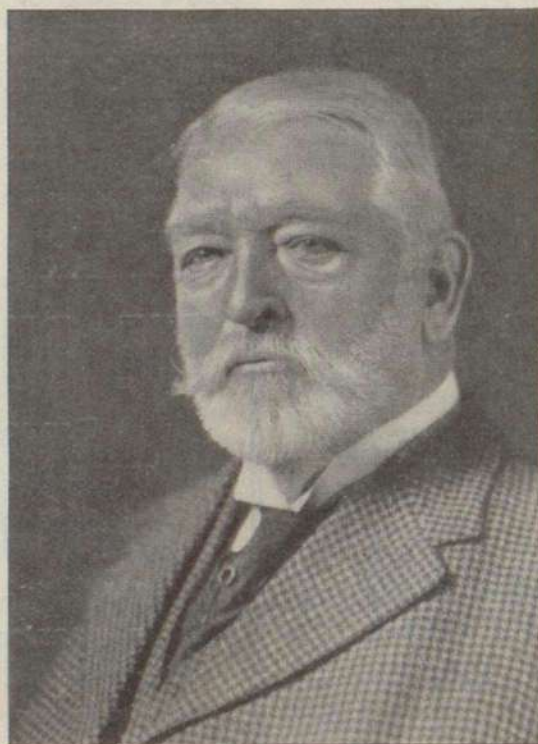

In Dachshunde the limit class has been divided, viz., class 258, limit dogs, class 268A, limit bitches.

In Scottish Terriers, class 237A, Canadian bred bitches has been added.

The Kinnelon Kennels, Butler, N.J., offered \$20.00 for the best Mastiff. There is a silver cup for the best kennel of four Smooth Fox Terriers owned in the States. Also a silver cup for the best kennel of four Wire Haired Fox Terriers owned in the States.

Fred W. Jacobi,

Supt. Dog Show.

MR. JAS. MORTIMER

Who Judges all classes at the London, Ont., Dog Show, September 9th to 12th, 1913

The North Vancouver Kennel Club invited the exhibitors to a banquet held at the Strand Hotel, the president was in the chair. Speeches were made by the following: Dr. T. G. Moody, Wm. Gordon, W. M. Coats, Geo. Tinto, of Seattle, J. S. Hickford, Jack Bamford, G. A. Cranfield, Geo. W. Dyke, J. J. Jackson, Ross Welch, of Bellingham, and H. L. Cocksedge. Every one spoke high in their praise for the good management of the show. The club also made some money, this may be credited to the able manner in which manager and secretary Cranfield handled the show, no doubt their October one day show will be another success.
