Ten cents per copy. One dollar per year

## AT STUD PRESENTLY IN WINNIPEG

THE GREAT ENGLISH BULLDOG

**Chinook Courtenay Coronet**

Weight, 49 lbs.

March, 1911

By the International Champion Ch. Centaur, Ex Roly Poly, a Big Winner.

Coronet made his first appearance in a Canadian ring at Toronto, Nov., 1913, winning 2nd limit and 2nd open, doing what no other Bulldog has ever done in Canada, viz., beat the well known Champion, Cheetham Squire, at the first time of asking. See judge's report.

**Don't be misled by wire pullers**

but use the dog who has proved his quality by winning recently in England under such specialist judges as S. Crabtree, Capt. Beamish, G. Weinberg, S. Deacon, H. Clarke, G. Parker, etc., at championship and leading open shows, and class enough to be SELECTED TO REPRESENT LANCASHIRE versus YORKSHIRE and beat his opponent. CORONET has beaten some of the best living championship winners in England and also the latest sensational winner in the States—Bertie's Best. Last time shown in England, 1st Chester, August 27, 1913 (not five years ago) under S. Crabtree, Esq. (an open, not a member's show), that recognized authority reports in "Our Dogs," August 29, 1913, "Courtenay Coronet could not be denied premier honors: a rare-bodied brindle pied, with a wide front, good shoulders and bone, a big skull and nice turned-up under-jaw."

Don't be satisfied to use a second-rater with such a dog as above described at your service. FEE \$25.00.

**Also Chinook Silent Prince**

by the great English sire, Wroxham Silent Prince (the only living son of Champion Heywood Duchess) ex Dereham Dolly; Prince is own litter brother to Eyot Exchange and Kimberly Knut, both big winners in England. Is a very massive white dog, 56 lbs., exceptionally strong in foreface and underjaw of rare width. Just over two years and improving. Winner two seconds at Winnipeg behind Champion Chincham Tormentor and 1 second and fourth at Calgary. FEE \$15.00.

Prince first time shown in England, February, 1913, won 4th Crufts in a class of 24 dogs, under that well known judge, Sir E. H. Bowers, beating big winners. t.f.

Matrons not proving will be given a return service free.

**CHINOOK KENNELS, 619 14th St., S. Lethbridge, Alta.**

Bitches to J. C. Fletcher, Winnipeg.

## At Stud—

**ACADIAN PRINCE II.**

C.K.C. 12498

Medium weight, dark brindle, correct markings.

FEE \$10.00

Services guaranteed. t.f.

**ACADIAN BOSTON TERRIER KENNELS,**  
Berwick, - N.S.

**E. N. Barker, Cardston, Alta.****Real Estate—Loans—Insurance**

Being resident in Alberta, and with 26 years' knowledge of the country as experience, I am prepared to handle business for non-resident customers who have interests in Alberta, or may wish to invest in good, solid securities. Valuations made, confidential reports given, or money invested at GOOD INTEREST ON FIRST MORTGAGES. GOOD REFERENCES CAN BE GIVEN EAST OR WEST and strict attention to business is guaranteed. t.f.

**GOOD PRINTING FOR EVERYBODY**

We Print The Canadian Kennel Gazette

— ALSO —

CATALOGUES, CIRCULARS, INVOICES, ENVELOPES,  
LETTERHEADS, BOOKLETS, CARDS, ETC., ETC.

**THE BUSINESS PRINTING CO.,**

184 Adelaide St. W., Toronto, Ont.

**A Poultry Paper Free for one year**

Send us two new names for Review, with the regular price of 50c. per year each, \$1 in all, and we will send you the Canadian Poultry Review for one year for yourself, entirely free. Sample copies free for the asking. Best all-poultry paper published. Practical, sensible, big staff of writers; a money maker. Address

184 Adelaide Street West  
Toronto, Canada.

**DR. FORD WISHES TO ANNOUNCE**

That having disposed  
of his Collie,

**Otterburn  
Diamond**

he is withdrawn from  
stud.

**A Collie of fame  
and exceptional  
merit will shortly  
be offered to  
Canadian breeders**

Young stock and show  
specimens are offered  
at reasonable prices.

PARTICULARS FROM

## Notes and Thoughts on the St. Bernard

BY F. E. STUART, MONTREAL, P.Q.

In taking up, at the request of Mr. Donovan, the subject of the noble and gentle St. Bernard, I am reminded of the limited number of fanciers there are in Canada, a condition which, first, the size of the dog and the space necessary, and second the cost of raising them, is responsible, yet a condition in which the shows have had no small share. Twenty years ago the St. Bernard was one of the features at all big shows, and on looking up we find that large breeds were allowed considerably more prize money than the average, while to-day we find the fifteen pound dog gets just as much as the one hundred and seventy-five pound dog, though it has cost the owner of the larger animal five times as much in express charges to send his exhibit to compete for the same money, as we will now prove. As an example, let us take our two largest shows for 1913. St. Bernards, with 8 dogs at the Canadian National Exhibition Show in September, total prize money offered being \$140.00. Cocker Spaniels and Fox Terriers have about the largest classification, so we will take their figures, thus placing the St. Bernard against two of Canada's most popular breeds. Cockers at this show numbered 69 dogs, prize money \$400.00. Fox Terriers 43 dogs, prizes \$370.00. The figures of the National Live Stock Association last November are: St. Bernards, 19 dogs, prize money \$120.00; Cockers, 19 dogs for \$300.00; Fox Terriers, 33 dogs, prizes \$345.00. Average prize for Cockers and Fox Terriers, both shows, \$8.85. Average prize for St. Bernards, \$9.60. These figures, which include money specials, show that the exhibitor who contemplates sending a large dog any distance is under a great handicap, as after deducting express charges he has little left. Should the exhibitor be one who prefers cups to cash, his remuneration, to use a Scotchman's phrase, "Is seldom whatever," and these two shows we have quoted have one more class, or \$15.00 more than

had been offered for some years previous. Any one who reads may see there is still room for further legislation.

A limited review of the dogs of the present day shows that little improvement is necessary to place them on a par with the dogs that were winning some years ago. That there were a greater number who stood out prominently then, mainly in consequence of the larger number of breeders, cannot be denied, but the foundation of the breed appears to stand in as good a position now as ever it did. I make this observation after seeing most of the

breeding stock of the big kennels this past year. The best rough dog is unquestionably Mrs. Lee's Alta Big Ben, he excels in all essential points and is a dog whose all-round grand quality will impress all lovers of the breed. Splendidus, the smooth owned by Mr. Kahn, is easily the pick of the short-haired variety. His color being nearly all white, is not attractive, but he possesses a strong foreface, good body and great bone. His kennel mate, Princess Nan, another smooth, whose perfect color, skull and muzzle cover, to a great extent offset her deficiencies in bone and tail carriage. Her sister, Valais Flo, owned by Mr. J. T. Croxall, is another grand headed smooth, heavier in bone and body, but nearly all white. Of the rough bitches there are several grand specimens, notably Miss Davies' Lady Wolfram,

CHAMPION LADY WOLFRAM.

The Famous Rough Coated St. Bernard. Sold to Miss Davies, of Tennessee,  
By Mr. F. E. Stuart, Montreal.

Mr. Kahn's Elkwood Perfection and Queen of Pearls, the first and the last named, though small, possess heads which in width as well as squareness are seldom equalled. While on the question of heads, the greatest and squarest of any St. Bernard of the last few years was, in my opinion, the late English Champion Marmion. His muzzle while very deep, did not show any of that houndy appearance so common on this side of the water.

I am glad to be able to state that there is a renewed interest

being taken in the big dog in Canada, especially in the West, from whence I have received a great many inquiries. In Toronto alone we have now three very strong kennels owned respectively by Messrs. Bert Swann, W. E. Harkness and Giles & Spence.

This means more puppies and keener competition and the next year or two should produce a lot of new winners.

Mrs. Lee, who is slated to judge St. Bernards at New York this year, a selection which should be heralded with thanksgiving by all who have seen the efforts of some of the judges at this show, is responsible for the following: "The great boom that was creating a flurry of excitement in St. Bernard circles about two years ago has fallen about as suddenly as it arose, leaving the breed in a quiet, healthy condition and with some grand youngsters. Some of the kennels that imported lavishly and largely, spending large sums for England's best, have met with almost unusual ill-luck, in death by poisoning and other causes, until it seemed natural that they should become disheartened. Others have dropped out mainly because the best dogs that England could furnish, and at very big prices, were beaten by American-bred dogs. One thing the influx of England's best dogs has proven, and that is that we have better dogs at home to-day than can be bought abroad, which surely should make the American breeders congratulate themselves. When an English judge places our American bred dogs over English champions the claim of our superiority would seem to be proven. The English, in my judgment, after having seen their best dogs and studied their pedigrees, breed too closely and too much for head type alone, no matter how faulty in other points. Hence they have lost in body proportions, in size, except in a few isolated cases, and in soundness and to a great extent the perfect coloring and markings. As a class the English dogs excel our dogs, as a class only, in head properties and for breeding purposes, both the dogs and bitches fail lamentably. With all our importations of England's best within the past few years. Ch. Altadorf is the only dog, either sex, that has left his mark on the breed. The Swiss and German St. Bernards are very sound and strong, but are what we designate as the old type, and of course the Swiss naturally contend their type is the correct one. One thing has been proven over and over again, and that is the Swiss dogs that have come over to America cannot win under our present-day standard, although twenty-five years ago such dogs as Apollo Hector and Melrose carried all before them. One Swiss exhibitor and breeder who was present at the judging of one of the big shows in England a few years ago remarked the English dogs are fine, and giants in size, but they do not show them right. They need two persons to bring them into the ring, one to hold the chain and the other to bring the hind-quarters in a wheelbarrow. Many have asked me to give them the secret of my getting such great size combined with soundness. There is no secret, only constant personal attention, miles of exercise daily and a liberal meat diet."

In face of all this it must be apparent to all that the greatest sires America has ever had, have come from over the sea, and the writer of the foregoing has acknowledged to me that a great deal of the misfortune attending importations can be traced directly to the inexperience or want of sufficient time to give the proper and necessary care required. The sire of Mrs. Lee's Big Ben and the writer's Beethoven is an English importation, and there are several others winning now who all owe their parentage to imported animals. Few have the experience, and fewer still have the time this big breed require to handle successfully.

#### CHANGES IN NEW YORK LIST.

An error has been made in the premium lists of the Westminster Kennel Club in the classification for Poodles. Class 311 should read:—Limit dogs (21 inches and over) instead of under. Class 313 should read:—Open dogs (black, 21 inches and over) instead of under. Class 320 B should read:—Open bitches (black 20 inches and over) instead of under. Classes have been made for Chihuahuas. Class 704—Open dogs. Class 704 A—Open bitches.

Yours truly,

Jas. Mortimer, Supt.

## THE ST. BERNARD STANDARD

*Adopted by the International Congress, held at Zurich, June, 1887*

*Translated by K. E. Hopf*

### Short-Haired (Smooth-Coated) St. Bernard.

**General Character.**—Powerful, tall (upstanding), figure erect, strong and muscular in every part, with powerful head and most intelligent expression. In dogs with a black mask the expression appears more stern, but never ill-natured.

**Head.**—Like the whole body, very powerful and imposing. The massive skull is wide, slightly arched and sloping at the sides, with a gentle curve into the very well developed cheek bones.

**Occiput** only slightly developed. The supra-orbital ridge is strongly developed and forms nearly a right angle with the horizontal axis of his head. Between the two supra-orbital arches, and starting at the root of the muzzle, runs a furrow over the whole skull; it is very deep between the supra-orbital arches and strongly defined up the forehead, becoming gradually more shallow toward the base of the occiput. The lines at the sides, from the outer corner of the eyes, diverge considerably toward the back of the head. The skin on the forehead forms somewhat deep wrinkles, more or less distinct, and converging from the supra orbital arches toward the furrow over the forehead; especially in action they are more visible without in the least causing the expression to become dark. The slope from the skull to the muzzle (stop) is sudden and rather steep.

**Muzzle.**—The muzzle is short, not snipy, and the depth, taken at the root (at the stop), must be greater than the length of the muzzle. The bridge of the muzzle is not arched, but straight, and in some good dogs slightly broken. From the stop over the entire bridge of the muzzle to the nose runs a rather wide, well-marked, shallow furrow. The flews of the upper jaw are strongly developed, not cut at right angles, but turning with a graceful curve into the lower edge, and are slightly overhanging. The flews of the lower jaw must not be pendant. The teeth, in proportion to the conformation of the head, are only of moderately strong development. A black roof to the mouth is desirable.

The nose is very substantial and broad, with well dilated nostrils, and, like the lips, always black.

Ears are of medium size, set on rather high, with very strongly developed burr, they stand slightly outward at the base, then drop with a sharp bend to the side and lie closely to the head without a fold. The flap is thin and forms a rounded triangle, slightly elongated toward the point, the front edge lying closely to the head, whereas the back edge may stand away from the head somewhat, especially when the dog is listening. Ears lightly set on, which at the base lie close to the head, give it an oval and too slightly marked appearance, whereas a strongly developed base gives the skull a squarer, broader and much more expressive appearance.

Eyes set more to the front than the sides, are of moderate size, brown or nut brown, with a sagacious and good-natured expression, set moderately deep. The lower lids do not, as a rule, fit close to the eyeballs, and form toward the inner corner an angular wrinkle. Eyelids which are too pendant, and showing conspicuously the lachrymal glands, or a red thick haw, are objectionable.

**Neck.**—The neck is set on high, very strong, and in action is carried erect, otherwise horizontally or slightly downward. The junction of head and neck is distinctly marked by a line. Neck very muscular and rounded at the sides, which makes it appear rather short. Clearly noticeable dewlaps, but too much development of the same is not desirable.

Shoulders sloping and broad, very muscular and powerful, withers strongly defined.

Chest well arched, moderately deep, not reaching below the elbows.

Back very broad, slightly arched in the loin only, otherwise perfectly straight as far as the haunches, sloping gently from the haunches to the rump, and merging imperceptibly into the root of the tail.

Hindquarters well developed. Thighs very muscular.

Belly showing distinctly where it joins the very powerful loins, only slightly drawn up.

Tail.—Starting broad, and powerful directly from the rump, is long, very heavy, ending in a blunt tip. In repose it hangs straight down, turning gently upward in the lower third. In a great many specimens the tail is carried with the end slightly turned to one side (as in all former Hospice dogs, according to old pictures), and therefore hangs down in the shape of an f. In action all dogs carry the tail more or less turned upward. But it dare not be carried too erect, or by any means rolled over the back. A slight curling over of the tip is sooner admissible.

Forearms.—Very powerful and extraordinarily muscular.

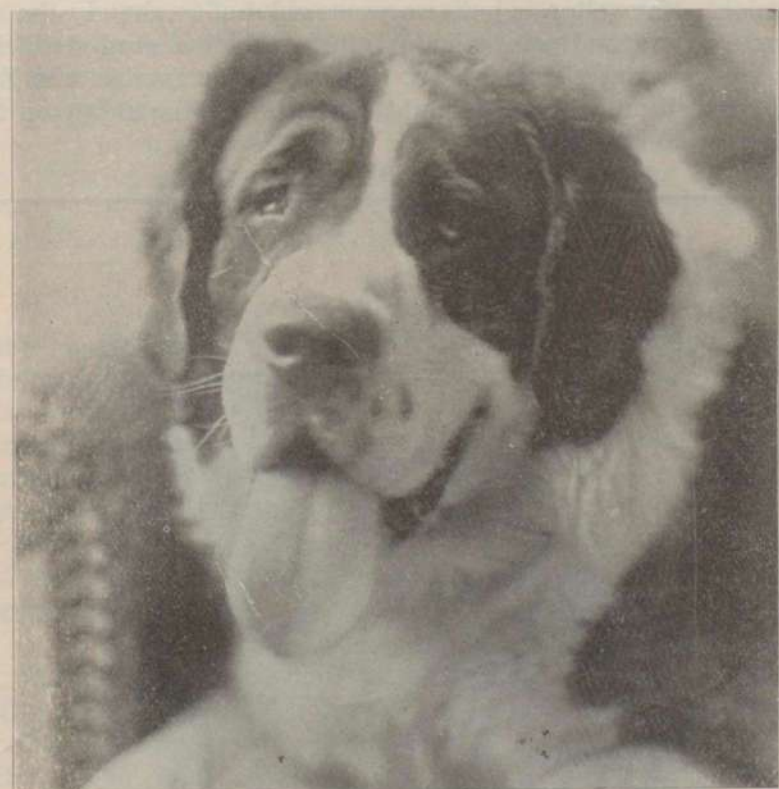

Forelegs.—Straight, strong.

Hindlegs.—Slightly bent in the hocks, and, according to the presence of single or double dewclaws, the feet turn outward more or less, which, however, must not be understood to mean cow-hocked.

Feet.—Broad, with strong toes moderately well closed up, and knuckles rather high. The single or double dewclaws set on low, so as to be almost on a level with the pad of the foot, giving a greater surface, and preventing the dog from breaking so easily through the snow.

There are dogs which have on their hindfeet a regular developed fifth toe (the thumb). The so-called dew-claws (Wolfsklauen) which sometimes occur on the hindlegs, are imperfectly developed toes; they are of no use to the dog, and are not taken into consideration in judging.

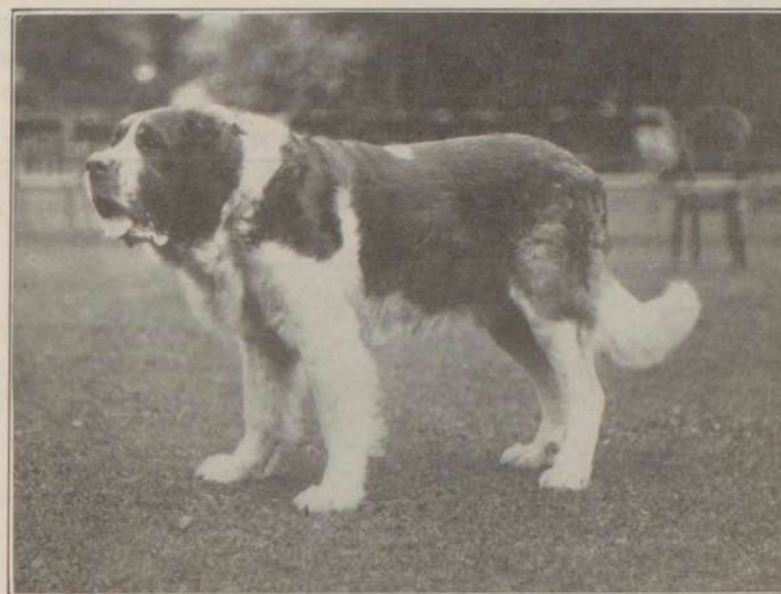

Coat is very dense, broken-haired (stock-haarig) lying smooth (flat), tough, without feeling rough to the touch. Thighs slightly bushy. The tail at the root is covered with longer and more dense hair, which gradually becomes shorter toward the tip. The tail appears bushy, not forming a flag.

THE HEAD OF A GOOD ONE OF PAST DAYS.

Color and Markings.—White with red, or red with white, the red in all its various shades, white with light to dark barred brindle patches, or these colors with white markings. The colors, red or light brindle, and dark brindle are of entirely equal value. The following markings are absolutely necessary. White chest, feet

and tip of tail, noseband (white muzzle) and collar; white spot on the nape and a blaze are very desirable. Never self-colored or without any white. Faulty are all other colors, except the very favorite black shadings on the face (mask) and ears.

THE ST. BERNARD CH. CINQ MARS. A FREQUENT WINNER IN ENGLAND.

Height at shoulder of the dog (measured with the hound measure) ought to be 70 centimetres minimum (27.56 inches); of the bitch, 65 centimetres (25.59 inches). The bitches are throughout of a more delicate and finer build.

As faulty are to be considered all variations not in accordance with these points.

#### The Long-Haired (Rough) St. Bernard.

The long-haired dog is perfectly similar, with the exception of the coat, which is not "stock-haarig" (broken-haired) but moderately long, flat to slightly wavy, but which ought never to be either rolled or curly, neither ought it to be shaggy. On the back, especially from the region of the haunches to the rump, the hair is generally more wavy; this is moreover also slightly noticeable in the short-haired dogs, even in those from the Hospice.

The tail is bushy, well covered with moderately long hair. Rolled or lanky hair on the tail is not desirable. A tail with parted hair or feathered is faulty. Face and ears are covered with short and soft hair, longer silky hair is allowable at the base of the ears, in fact, this is nearly always the case. Forelegs only slightly feathered; thighs very bushy.

Faults are especially all such formations as indicate a Newfoundland cross, such as sway-back, disproportionately long back, hocks too much bent and spaces between the toes with upward growing hair.

No scale of points has been adopted.

The above Standard was adopted by the St. Bernard Club of America at its inaugural meeting on February 22, 1888, and was modified at the meeting of February 19, 1889, as follows:

Color and markings.— \* \* \* \* \* The following white markings are absolutely necessary: Nose-band (white muzzle), blaze, chest, legs and tip of tail. A collar or a spot on the nape are very desirable.

Editor's Note.—Mr. Dudley B. Waters, Secretary American St. Bernard Club, Grand Rapids, Mich., has been kind enough to supply us with the foregoing Standard. He states, in sending it, that it is soon to be revised. It evidently needs revision and modernizing.

# MEN PROMINENT IN CANADIAN DOGDOM

MR. F. E. STUART, MONTREAL, P.Q.

In specializing on the St. Bernard in this issue, it did not take us long to consider to whom we should apply this page, our thought at once jumping to Mr. F. E. Stuart, Montreal, P. Que. Mr. "Frank" Stuart has been interested in St. Bernards for some fifteen years,

Personally, we value his acquaintance and friendship, as we know do many others, not alone in Montreal but in other parts of the Dominion and in the States also. He is a breeder of the right type and it gives us pleasure to state this, and to wish him and his kennel nothing but good for the New Year.

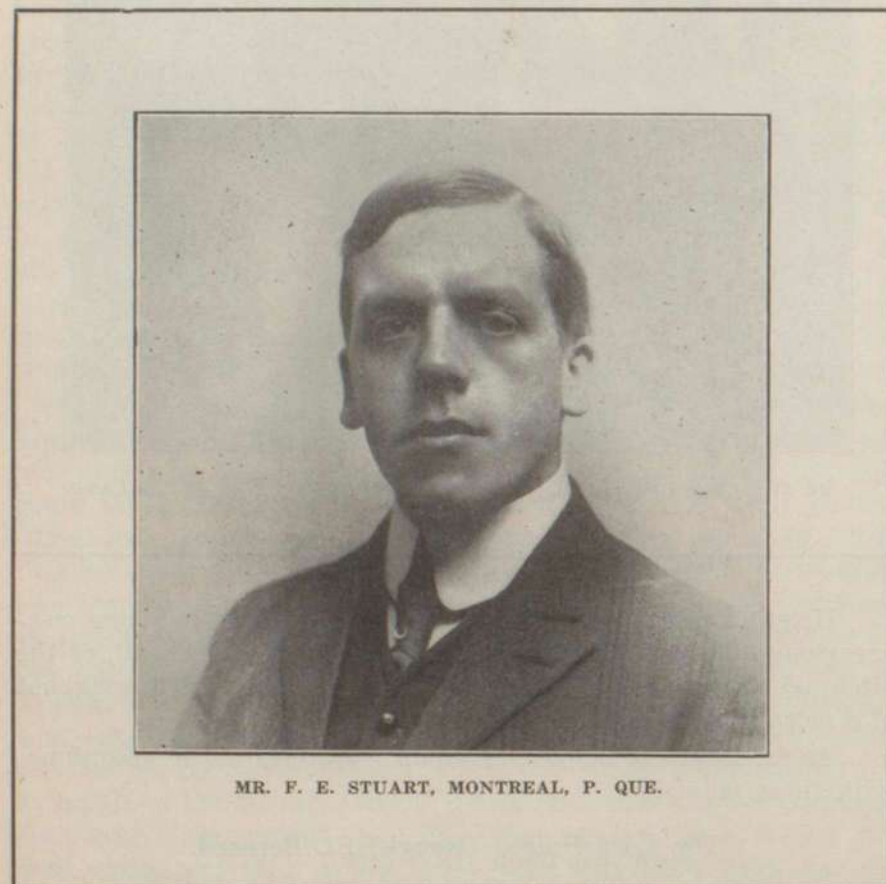

## ST. BERNARD NOTES

The St. Bernard, Ch. Agawa Duke, has just been sold by Mr. Stuart, to Mr. J. F. Porter, Paris, Tenn. We are sorry to see this old friend of ours leave Canada, but Mr. Stuart evidently knows that he has something better and more to follow.

To Mr. Chas. H. Mason we are indebted for the following note on Champion Florentius, of whom an excellent illustration appears in this number. Florentius was one of the very best smooth coated St. Bernards in England fifteen to twenty years ago, and won for Mrs. Jagger nearly one hundred first and special prizes. The head of this grand specimen suggests the question: Have we any that are better to-day, or even quite so good? If we can beat that sort of a head, and beat it with an American or Canadian bred, then indeed are we progressing.

As we are also giving a photo of Ch. Alta Big Ben, which Mr. Stuart refers to as the best St. Bernard of the present day, a comparison of Florentius and the present-day champion will be of interest.

The Alta Kennels have just imported the rough St. Bernard, Alta Maxwellton, sired by Saxony. Dam, Ch. May Bloom, by Ch. Marmion. Maxwellton is but two years old, but is already the sire of some very grand prize winning stock. He is a good sized dog, with a very square, typical head. He was never exhibited in England, but will probably be brought out at the spring shows on this side.

MR. F. E. STUART, MONTREAL, P. QUE.

and in this time has never been without good ones. Mr. Stuart is a careful observer and has acquired such a thorough knowledge of the breed that he is able to write and speak most interestingly on his pet subject, and his views are looked upon as those of one with authority.

We have known Mr. Stuart for many years as a quiet, thoughtful, painstaking fancier, and one who is more than a purchaser, he is a breeder of St. Bernards. He recognizes the claims of other kennels and is not afraid to go outside his own kennel in the accomplishment of his desired ends.

At present there are eight St. Bernards in his kennel, including Montphosa, by Ch. Lord Montgomery, ex Phosa, Beethoven by Ch. Altadorf ex Hellgate Fedora; Valkyrie, by Hellgate Meteor ex Hellgate Isabella; Montroyal, litter brother to Valkyrie; Sarah Gamp by Remnant Barry ex. Sinamons Sister; Robert the Bruce and Thanksgiving, the two puppies by Beethoven ex. Montphosa, and Rainbow by Alta Prophet ex. Ch. Duchess of Arslan.

He is pinning his hopes on the young dog Robert the Bruce, that did so well against full grown dogs at the late National Show in Toronto, being at the time but seven months old. Mr. Stuart considers Alta Big Ben the best St. Bernard living, and we cannot but agree with him.

Mr. Stuart is well known in Montreal, being a member of the firm of James Stuart & Sons, Custom House Brokers and General Forwarders. He is a regular attendant at our largest shows, including Madison Square, N.Y., and Gazette readers will remember that his reports on St. Bernards have proved most interesting reading, and more than that, have been referred to by more than one other kennel paper.

ALTA BIG BEN.

Owned by Mrs. W. Lee, Toledo, Ohio. This photo does not show Ben's hindquarters to advantage. He is very strong and grand in this section.

## NOTES AND COMMENTS

The Airedale Terrier Club of Canada (Incorporated) has issued a very neat little booklet containing amongst other matter the accepted Standard of the breed. It also gives a list of the officers, Constitution, By-laws, etc.

In this connection we might say that the Secretary-Treasurer of the Club, Mr. H. Dudley Waters, has very kindly volunteered to give us an article on the breed of which he is a devoted admirer. We expect it to appear in next issue of Gazette.

A little bird from Ottawa has whispered to us that several Ottawa kennels will be represented at New York next month. The fancy in the Capital is growing daily and many new men are taking it up with vigor.

Mr. R. H. Elliott has a fine litter of Bull Terriers from Ch. Glenwood C. Queen by Ch. Patrician, three of each sex, that are now four months old. Our informant rather pointedly adds that "they are Bull Terriers and not White English Terriers."

Mr. W. C. Baldwin has about the best looking American Fox Hound bitch that he ever owned, and if time can be spared he will show her at New York, together with the brace he so successfully exhibited last fall.

The mention of Bull Terriers calls to mind the eulogistic comments on exhibits of the breed entered at recent shows. It isn't always healthy to go into ecstasies. The classes, as a whole, have not been as good as they were two, three and more years ago, and we are gradually losing some of the distinctive type that made Canadian bred Bull Terriers famous. We must hold on to the true Bull Terrier body shape, the head, well filled foreface and keen, dark well placed eye that was, and is, in some dogs, distinctively Canadian. At more than one recent show one could pick from amongst the winners dogs varying greatly in type from the long and shallow bodied to the chuckle headed "fighting" type. Watch type and quality everlastingly. They go easily, far too easily.

We intend trying to help along a fellow countryman next month, and "Paddy" will be largely featured. The Irish Terrier is gaining friends, he is all Terrier, and if given a chance will hold his own anywhere and in any way. The Standard of the breed will be printed, together with other matter pertaining to him. We want engravings of good dogs, and will be glad to quote terms for insertion on receipt of photos.

Irish Terrier breeders are invited to come in. Send us articles and notes on the breed. Have a photo and advertisement of your dog in this issue, February. Help the Irishman along.

Western Bulldog breeders will note with satisfaction that the well known dogs of the Chinook Kennels, Lethbridge, are now offered at public stud. Chinook Courtenay Coronet is a 49-lb. dog, right in his full vigor, being whelped in March, 1911. He has been a consistent winner in England, and at the recent National Show in Toronto won second in both limit and open classes, beating many of our best known dogs. He is by the famous Champion Centaur, out of Roly Poly, a big winner. He excels in body, front and bone, and will surely beget good ones if given any reasonable opportunity.

His kennel companion, Chinook Silent Prince is a dog of classic breeding, and a good all-round Bulldog, a massive heavyweight, white, exceptionally strong in foreface and underjaw. From the

stud announcement we note that the dogs are located in Winnipeg and are under the care of that most careful of handlers, J. C. Fletcher. Matrons visiting the "Chinooks" will be absolutely safe in his hands.

Messrs. Quilley Bros., of Edmonton, have added to their kennels the winning Airedale bitch Loper Gold Pan, also a puppy from this bitch by Honslow Royal. This brace were formerly owned by Mr. W. Irwin, also of Edmonton.

Our thanks are due to Dr. Norman T. Harris, of Chelsea, Mass., for very excellent photos of the Bostons, Evergreen Evelyn III., and Evergreen Pro. Both photos show really capital Bostons.

The Corona Kennels have bred the winning Collie, Corona Carnation to Dr. Bennett's Parbold Picador. This bitch is a litter sister to Corona Premier and the dam of Corona Commander, also the dam of Corona Curfew. The latter is still out at walk, but is said to be a startler.

Dr. O'Brien has sold the famous Russian Wolfhound Ch. Genest of Rosseau to an Edmonton fancier, Dr. Reid. He was shipped to his new home on Dec. 22nd. Odin, from the same kennel, was sold some time ago.

No details are given in the announcement of the annual draft of Fox Terriers from the famous Sabine Kennels, of Orange, Texas. The reason for this is that the owner, Mr. Farwell, prefers to negotiate privately for the sale of the dogs, especially those that have won. Some of the Terriers on offer are equal to any the kennel has ever sold for show dogs, and good dogs of both sexes may be had anywhere from one hundred to one thousand dollars. Special terms will be given anyone interested in a brace or team and who will go direct and choose for himself. Mr. Farwell's whole aim is to spread the gospel of the Fox Terrier to the end that more interest may be brought into the game.

Amongst our happiest holiday remembrances is an excellent photo of the parti-color Cocker, Kulshan Niban, with the good wishes of Mr. Roland G. Gamwell, Bellingham, Wash. The photo shows a dog good enough for his record of 1913, five times best Cocker in show.

Mr. C. Plomley, of St. Thomas, Ont., has what must surely be a record in Airedale litters, thirteen, of which no less than nine are dogs. They are by Mr. Bawden's Caerphilly Marvel, and show how potent this good Airedale is.

Mr. Bob Ross's New Year's "shake" the other day was none the less welcome because it was accompanied by several bits of live news.

For instance, he tells us that the Mount Royal Kennel Club will hold at least three evening shows this winter, the first due to come off on January 15th.

Classes have been provided for Terriers (Toys barred). Champions also are barred in regular classes, but there is a champion class (all breeds of Terriers) provided, and two cups up for competition, one for best Terrier dog shown, and one for best Terrier bitch. Then there is to be a "variety class" (Terriers barred).

champions eligible, with a cup here too. Entry fees, 25c. each class.

Show to be in the Riding Academy, Westmount, with Mr. Thos. Moore judging Fox Terriers, wire and smooth; Mr. Jas. Lindsay, Irish, Scotch and Airedales, and Mr. Frank Stuart, remaining breeds.

There is promise of two more dog shows during the winter months, one for all sporting dogs and Toys (Terriers barred), the other for non-sporting (Terriers barred). Dates, etc., will be announced later.

Mr. Wm. W. Laskey, of Fredericton, N.B., has just purchased a Bull bitch by Ch. Pitland from Mr. B. Y. Lewis. She is an all-brindle heavyweight, one of the low, massive, cloddy kind, and is to be sent back to be bred to Hewlett King Orry when ready.

Messrs. Green & Carroll's Cocker bitch, Carroll's Betty, is nursing a fine litter by "Andy" Armstrong's Champion Ottawa Don.

Mr. Alwyn Corestine's black bitch, Rockfield Signet, has just returned from a visit to the same dog.

Mr. F. W. Cook (Rockfield) has bred a nice black and white bitch by Cascade Ottawan to Mr. Alwyn Corestine's black and white dog which he bought recently from "Bob" Ross.

We are sorry to hear Mr. Corsetine's new black and white Cocker dog has mysteriously disappeared from his home in West-

This makes three in all. First to disappear was a black and white bitch in whelp to Speculator, then Rockfield Riot went, and just the other day this new dog disappeared. Hard luck this.

Mr. Corestine's Braeclough Dark Gem, we hear, paid a visit recently to Ch. Martello. Cockers certainly appear to be looking up in the east.

Mr. J. C. Hanna's great Irish Setter bitch, Ch. Rhuminantly Rhu, was mated recently to Ch. Conn Law, who went through to winners at the National Live Stock show, under Mr. Mortimer.

Mr. M. F. Dolan, of Rockfield, Que., seems to be quietly getting a nice little kennel of St. Bernards together. We hear he has three nice young bitches coming on, which he intends breeding to the very best dogs when ready. These should make a very welcome addition to "the Saints." This breed looks as if it is coming back to popularity again in Canada, and well it might do, for what is more handsome than a real good, well marked St. Bernard?

A new recruit has come into the Collie fancy in the person of Mr. Murray Kennedy, of Cobalt fame. Mr. Kennedy has established a farm in the Niagara district, and has purchased Dr. Ford's famous international winner and sire, Otterburn Diamond, together with the young winning bitch, Otterburn Delight, in whelp to the Toronto winner, Imported Sable Prince, and the young tri-color, Otterburn Dark Daisy, a daughter of Southport Salvage, and the famous blue-merle, Champion Oakhill Bloom. With this blood Mr. Kennedy should jump to the fore as a breeder and exhibitor of Collies of the first rank. It is understood that Otterburn Diamond will be available to Canadian breeders.

We hear that Dr. Ford will shortly have a new stud Collie of the very best to replace his consistent sire of winners, Otterburn Diamond. Several purchases have been made of late that bear promise of keeping up the prowess of the "Otterburns."

Champion Durbar's services are evidently in demand, judging by the number of Cocker bitches that recently received his attentions. These include matrons from the kennels of Mr. Gammon, Mr. Lucas, Mr. Stern, Mr. Knapp, and several others.

Mr. Gus. Langlier, Supt. of the Government Farm at Cap Rouge, P.Q., while visiting the Winter Fair at Guelph, laid over at Hamilton for a day, and took home with him from Mr. Jackson's kennels a very promising Red Cocker dog.

Another Quebecer, Mr. Douglas T. Taylor, of Quebec City, a good all round fancier, has been to Mr. Jackson's kennel, too, his purchase being a young black dog of great promise. Mr. Taylor is greatly pleased with the dog, and at his request we publish the following:

Quebec, January 2nd, 1914.

Canadian Kennel Gazette, Toronto.

I have lately purchased from Mr. Jackson, of Hamilton, one of his Champion Durbar Cocker dog puppies, and to say that I am pleased with him is putting it mildly. I am also very much pre-possessed with Mr. Jackson's business methods, and if he treats all customers as he has treated me, feel sure that nothing but success lies before him.

As I believe in giving credit where credit is due, I would be pleased to have you publish this letter in your next Gazette.

Wishing you the compliments of the season,

Yours truly,

Douglas T. Taylor.

Does persistent advertising pay? Well, just ask W. J. Jackson, he will tell you. Persistent publicity, coupled with honest treatment go hand in hand.

Common report in Toronto has it that the newly formed Queen City Kennel Club has protested the dates of the Toronto Kennel Club, April 9th, 10th and 11th. When do the Toronto men intend to get together and bury the hatchet—or use it? Is there not some canine Moses who will lead us out of the wilderness? The existing state of affairs is hurting the Queen City in the eyes of outsiders.

Mr. A. M. Belcher, of Winnipeg, has just added a brace of Black Field Spaniels to his kennel of Cockers. They were imported through Mr. Marples of "Our Dogs," and are classically bred. The dog, Sir Ebony, is quite a youngster, and has not yet been shown. He is by Ch. Garnfield King ex Normanton Surprise, breeding that goes back to Ch. Druid on both sides, and others of his kind. The bitch has done very well on the bench in England and Wales. She is a full sister to Ch. Carnfield Queen, generally acknowledged to be the best black Field Spaniel bitch of the day. Mr. Belcher has renamed her Lady Ebony. She was known in England as Long Lady.

This brace are to "come out" at Winnipeg, and will probably be shown in Toronto and other eastern points next fall. We hope to see Canada take her old place in the breed. We have gone back woefully of late years, and more's the pity.

Things are occurring so fast in the West that it makes us staid Easterners blink our eyes. Prairie gives us a big budget this month, and gives it while it is hot. No less than three new "Dominion" specialty clubs, and the others active. Now, keep them going, something doing each and every month. Keep the "pit" out of the American Bull Terrier and he will go. Keep him out of the pit, too.

The officers alone of the new Dominion English Bulldog Club form the membership of a fair-sized club, and this is but the nucleus. It is astonishing how the Bulldog cult has grown in the West, and the number of good ones that are finding their way to the land of promise.

The Collie men have chosen a worker for the first President of the Dominion Collie Club, and from what we know of Mr. Tom Milner, when he puts his hand to the work his soul goes with it.

## BRITISH BREVITIES

It is pleasant news that the Cairn Terrier is so far establishing a footing in America that, according to an American contemporary, a class is included for the breed at the forthcoming Westminster show in New York. From the same source we learn that the miscellaneous class (answering to our "variety") was won at the recent Danbury Show by Mrs. Henry F. Price's Peter Out of the West, imported a couple of months ago by that lady from Mrs. Fleming's kennels at Birlingham. Peter Out of the West is described as being "the gayest little dog in the show." Another American to be bitten with the Cairn craze is Mr. Leonard A. Yerkes, who took a fine specimen with him when he sailed the other day on the "Oceanic."—Illustrated Kennel News.

road ; it was only getting on to its feet when the car caught it. The defence was that the car was being driven to avoid the dog, and when close upon it the animal flew across the road and came in contact with the near front wheel. His honor said he did not think anything could excuse the chauffeur for not immediately stopping. Dogs were a nuisance on the road and often caused accidents, but they had as much right on the road as anyone. A verdict was given for the plaintiff with costs.—Illustrated Kennel News.

A show for Chows, Dachshunde, and Pekingese was held facing the Royal Boxes in the Crystal Palace and we venture to say a

OUR BRITISH PORTRAIT.

The Dandie Dinmont Ch. Gordon Prince. (By special arrangement with Illustrated Kennel News, England.)

### Dog's Right on the Road.

At the Ripon County Court on Saturday, before his Honour Judge Templer, Charles Fenwick Bruce, of Masham, dealer, sued Joseph Duckett, Four Gables, Wellburn Drive, West Park, Leeds, for £5 5s., the value of a dog killed at Masham owing, it was alleged, to the negligent driving of a motor-car by the defendant or his servant. It was stated that on Sunday afternoon, October 5, the plaintiff was sitting on a seat on the Grewelthorpe Road, and his dog—a young Dane—was lying on the road, when a motor-car came up at a fast rate. Although the plaintiff tried to stop the car by signalling, it went over the dog and killed it. The car went on and the occupants looked back to see what had happened. The number of the car was taken and the defendant traced. In cross-examination the plaintiff denied that he called the dog across the

more uneventful show we have not attended for a considerable time.

The Chinese Chow and the Dachshund Clubs joined hands and held their annual fixture. The former had a fine turnout of 159 entries, but the latter was disappointing with but 81, and Pekingese totalled 201, making a nice exhibition.

Mr. Ed. T. Cox, the secretary and manager, had matters splendidly arranged, and when once the machinery was started going there was not the slightest semblance of a hitch.—Our Dogs.

Mr. W. Newton, Ottawa, who sticks to the Fox Terrier, has imported a good smooth bitch that was bred in England before leaving to a prominent sire.

## A PAGE FOR LADIES

*Edited by a Lady*

The Pomeranian Club had a meeting on the second day of the Palace Show. Messrs Bowler and Dennis have kindly accepted the office of permanent scrutineers. The forms A and B of Produce Stakes are to be combined on form A. According to this arrangement, bitches need not be entered until mated, when the one sheet will contain the two events. A general meeting will be held at the next Kennel Club Show instead of in May. The present committee will serve until Dec. 31, 1914, by which time a new one will have been elected. Mr. Bowler proposed that a pool should be formed to cover the loss possible in the coming show, to be held at the Botanical Gardens on March 18. There may be no loss at all, in which case the pool would not be called in, and in any event no one would be responsible for any amount beyond that promised. A ready response was made to Mr. Bowler's proposition, and £15 among those present was promised. This gentleman would be glad to receive further promises, and even the humble half-crown would be very gladly accepted by Mr. Bowler, Pinecroft, Purley, Surrey. Mr. A. Parkinson will judge at the March show.—Our Dogs.

Mrs. Wylie, the well known Pomeranian fancier of Canada, we hear, is contemplating selling out her entire kennel of dogs and returning to her native land, Scotland. Mrs. Wylie's dogs include many noted winners and some excellent breeding stock."

The above is from Field and Fancy, though a hint of Mrs. Wylie's leaving had already reached us.

A joint meeting of the Executive Committee and Advisory Board of the Toy Dog Club of Canada was held at the apartments of the President on Saturday, Jan. 10th, at 7.30 p.m., President, Mrs. Carruthers, in the chair.

The minutes of last meeting were read and adopted. The President left the room and Miss Donovan took the chair, while certain charges made by Mrs. Wylie against the President were discussed. Moved, seconded and carried, that Mrs. Wylie be requested by registered letter to appear before the Executive Committee, with the exception of the two principals in the matter, at a date between Jan. 15th and 25th, not later than 6 p.m., in the Canadian Kennel Club office. Specific date and hour to be set by Mrs. Wylie to substantiate her charges.

A letter was read from the National Fat Stock Show, requesting that suggestions be made re the improvement of their dog show. Moved, seconded and carried that members of Executive make such suggestions as occur to them, and come prepared to lay them before the next meeting.

Re Club specials at Montreal Show: The Club is very anxious to have these sent to winners, but it has been impossible to get a correct list. The secretary submitted a marked catalogue, marked by the Canadian Kennel Club, from which the winners were to be taken, but on looking over the wins, Mr. Gruenwald, Montreal, stated that the wins as marked were not correct. So this matter had again to be left in abeyance. The Secretary was instructed to communicate with the C. K. C. to this effect, and to again endeavor to get a correct list.

A letter was read from H. B. Donovan re the judging of Toys on the first day of Canadian National shows. He stated that Mr. Jacobi had never received a formal request for this change, and

suggested that this request be sent, signed by as many members as possible. Moved, seconded and carried that Mr. Donovan's kind suggestion be acted upon at once, as this is one of the things the Club is most anxious to see in force.

After the general business the matter of Constitution and By-laws was brought before the meeting. These were drafted and will be presented in full to a later meeting.

After the meeting adjourned the members partook of the President's hospitality.

At the (English) Kennel Club dinner, the toast of "The Ladies" was proposed by Mr. W. R. Temple, in his best form, and made a bright speech, sparkling with witty and quaint notions. He mentioned that at the K. C. Show, out of 950 exhibitors, 420 were ladies, and at smaller shows the number of lady exhibitors frequently predominated. But also as judges ladies are now in the first rank, and he considered that there were many who are as good judges as any man in most breeds from Bloodhounds to Toy dogs. Mr. Croxton Smith, who for the nonce pretended to be a member of the fair sex, quaintly responded, and justly maintained that the K. C. on these festive occasions were very fortunate in their guests, who contributed so much to success. The Hon. W. Le Poer Trench, C. V. O., proposed "The Chairman," and the toast was drunk with musical honors and cheers for Mrs. Turner and Miss Turner. Mr. Sidney Turner, in responding, alluded to the six secretaries which the club has had, and that since 1901 they were fortunate to have Mr. E. W. Jaquet in that important office, and a better secretary could not be imagined. This remark caused an outburst of applause, and that gentleman's great and universal popularity is shown by the fact that that token of approbation was repeated as often as his name was mentioned. Mr. Turner also spoke about the general registration rule, and said that 2s. 6d. insured a dog's name for life, and if a dog was worth anything it was worth that to insure its identity for all purposes. With regard to the foolish writer who insinuated that the fees were partly used for the social side, it is a positive fact that many members of the committee come to the meetings not only at considerable trouble, but are heavily out of pocket through expenses. The chairman then proposed the health of the secretary, Mr. Jaquet, who replied in a neat and quaint little speech, and expressed his indebtedness to his good staff.

Mrs. Bob Ross's Scottie, Drumclaph Jade, is nursing (with the help of her litter sister, Drumclaph Jane) a grand litter of four dogs and three bitches, by Ch. Beechers Brook, whelped Dec. 1st, 1913, all strong, healthy, husky little brutes.

Mrs. Bell, Toronto, received a pleasant surprise at Christmas, a friend sending her a very fine Collie bitch puppy from Mr. Hull's kennel. This puppy is three months old and is by the winning sire, Braemar Perfection. She looks like a comer.

That splendid little Yorkshire, Mrs. Weldon's Edna of Roundhay, completed the required ten points at the Joint Terrier Show.

## ACROSS THE LINE

Here is the New York Show come round again! It seems but the other day that we reported the last show. When we say "New York Show" we mean the one and only, guided by Mr. James Mortimer. This will be the 38th annual show of the Westminster Kennel Club, whose official address now is Room 801, Townsend Bldg., 1123 Broadway, New York. Phone Madison 1761. The entries for this show will close on Thursday, January 29th. A complete list of judges for the New York Show follows. Several Canadians have intimated to us that they intend to exhibit, and these include entries from Montreal, Ottawa, Toronto and other places.

### JUDGES FOR THE WESTMINSTER KENNEL CLUB'S 38TH ANNUAL DOG SHOW.

Mrs. A. W. Lee, Toledo, Ohio—St. Bernards.  
Mrs. R. P. McGrann, Lancaster, Pa.—Pekingese.  
Roger D. Williams, Lexington, Ky.—Bloodhounds, Otter hounds, Irish Wolfhounds, Eskimos and Whippets.  
Dr. Henry Jarrett, Chestnut Hill, Pa.—Mastiffs, Irish Setters, Black and Tan (Manchester) Terriers, Pomeranians, English Toy Spaniels, Pugs, Yorkshire Terriers, Maltese Terriers, Toy Black and Tan Terriers, Griffons Bruxellois, Chihuahuas, Italian Greyhounds and Miscellaneous.  
Geo. F. Eggert, New York, N.Y.—Great Danes.  
Chas. G. Hopton, New York, N. Y.—Russian Wolfhounds, Poodles and Toy Poodles.  
E. L. MacKenzie, Netherwood, N.J.—Scottish Deerhounds.  
Dr. E. Lester Jones, Montpelier Station, Va.—American Foxhounds, American Foxhound Packs.  
G. Muss-Arnolt, Tuckahoe, N.Y.—Pointers, Dachshunde, Retrievers, Japanese Spaniels.  
Jos. E. Lewis, Noroton Heights, Conn.—English Setters, Gordon Setters, Chesapeake Bay Dogs.  
L. Farewell, North Toronto, Canada—Sporting Spaniels.  
Elliot Cowdin, II., New York, N.Y.—Beagles and Beagle Packs.  
Dr. O. Prescott, Bennett, Washington, Ills.—Collies.  
Lieut. Barone von Forstner, Stuttgart, Germany—German Shepherd Dogs, Boxers, Doberman Pinschers.  
Edwin L. Boger, Philadelphia, Pa.—Old English Sheepdogs.  
John Sergeant Price, Jr., Chestnut Hill, Pa.—Chow Chows, Dalmatians.  
Capt. Beamish, Mill Hill, London, England—Bulldogs, Miniature Bulldogs.  
Theodore Offerman, New York, N.Y.—Airedale Terriers.  
John W. Britton II., New York, N.Y.—Bull Terriers.  
Chas. E. Townsend, Charlestown, Mass.—French Bulldogs.  
A. G. Rohr, Germantown, Pa.—Boston Terriers.  
Winthrop Rutherford, Allamuchy, N.J.—Fox Terriers, Irish Terriers, Welsh Terriers.  
W. F. McCandlish, Redditch, England—Scottish Terriers, West Highland White Terriers, Skye Terriers, Dandie Dinmont Terriers, Sealyham Terriers.  
Albert Francke, Lawrence, L.I.—Schipperkes.  
Midgley Marsden, Whaley Bridge, England—Variety classes and unclassified specials.

The Genesee Valley Kennel Club, which has just organized in Rochester, has obtained license for a show on March 13th and 14th in Rochester. This club has bought the membership of the Kodak City Kennel Club in the A. K. C. The show will offer money in

three classes, and will do all in its power to give Canadian exhibitors a hearty welcome and a square deal. The following judges have accepted:

Mr. F. M. Jowett, of Shipley, Yorkshire, England, for all Terriers and Hounds. He is too well known to need to say anything about him.

Mr. Geo. H. Keyes will do English and French Bulldogs and Boston Terriers. Mr. Keyes has judged the specialty shows of the New England French Bulldog Show on two occasions, stands well with the Boston Terrier crowd, and is one of the oldest Bulldog breeders in the country. He has not judged Bulldogs recently, and should draw a corking good entry.

Miss LeDoux, of England and New York, will do Pekingese, Japs, Maltese and some of the other Toy breeds. Miss LeDoux judged at one of the large Pekingese Specialty Shows in England last year.

Dr. DeMund will do the large breeds and some of the Toys.

Acceptance has not yet been received for the judge who has been asked to take on sporting dogs.

The officers of this club are: President, Mr. S. J. Macy; Vice-President, James W. Gillis; 2nd Vice-President, Geo. D. B. Bonbright; 3rd Vice-President, Charles Perrin; Secretary, Mr. Eben Halley; Treasurer, Mr. James Wilson.

Any information relative to the show will be gladly furnished by Mr. A. B. Proctor, Chairman of the Bench Show Committee.

Possibly, of all breeds that are indigenous to Canadian soil, the Cocker Spaniel occupies a premier position. For years beyond remembrance of the oldest Cocker inhabitant, Cockers hailing from Canada have made the blue ribbons fly Dominionwards when it came to shows where competition narrowed down to the very best produced in North America. A generation ago, were a "Cocker Hall of Fame" to be established, the names of Niven (the father of the Canadian fancy), Luckwell, Douglas (the only George still going strong), Nelles (now all for the British Bulldog), Laidlaw, Dunn, Lance Farewell (stronger than ever), poor old George Bell, and a host of others from Woodstock, Hamilton, Toronto, Kingston and Ottawa, would all have their especial panel with many a good one put down to their credit. Perhaps it may be the "Increased cost of living," or perchance more serious home ties, but at any rate, of recent years, there has been a slowing down of entries from Canadians at the great Westminster Kennel Club Show in New York, and like fixtures of the first magnitude. Though we may be lacking in mere entries, our cousins across the border usually call upon us for judges that may be relied upon to pass upon the true merits of the various breeds of Sporting Spaniels. The two clubs that foster the breed in the United States are hard to please when it comes to the selection of judges for the big shows of first importance and it's always a poser for the impressario to know which way to turn in order to bring together the principal kennels and thus stimulate genuine competition. The ball is opened this year with Boston, Feb. 17-20, when Dr. C. Y. Ford has been assigned Sporting Spaniels. Then follows New York, Feb. 23-26, when the only Lance Farewell officiates. As these Canadians are official judges of the Spaniel Club of America and approved by the Cocker Club, they are likely to draw a representative entry. Philadelphia, March 3-5 has cast tradition to the winds, for we find an Englishman entrusted with the jealously guarded breeds. Sir William Savory, well known as a Terrier man, will adjudicate upon "Sporting

Spaniels." As is well known, the English type of Cocker is as far removed from what we consider typical in America as chalk is from cheese. The judging must develop surprises. Mr. Winthrop Rutherford, whose prefix "Warren" is a household word in the Fox Terrier fancy, will judge the breed he has been identified with for over thirty years, at New York. This is a happy choice, for Mr. Rutherford will play no favorites, and may be considered immune from the hypnotic influence of professional handlers, "second prices," "extravagant press notices," and other artificial aids to success. The mere dog is likely to have his day irrespective of ownership et al.

We want to emphasize the following excerpt from a very able article on the Bull Terrier in Field and Fancy:—

#### The Right and Wrong Type.

"This article is written expressly to call attention to the fact that the sturdy built dog with the true Bull Terrier expression and character should always have the call over the fakey, elongated looking animal that finds favor with some nowadays."

And let us add that a mixture of types—a type hodge-podge, will surely lead us astray.

The same paper says, in reporting the Bull Terrier Show:—"Two exceptional entries came down from Canada, the bitch Princess Patricia, and her puppy, Glenedyth Imperator. The puppy took first in puppy, novice and limit, second to his dam in the Canadian class, and five specials. He is of the narrow-headed type and looks not unlike Faultless of the Point. Has the unusual combination of long head and short back, plenty of bone for his type, beautiful shoulders and neck and fine head carriage, eye not small enough, but well shaped and well placed. His most noticeable failing is his light eye. Patricia took first Canadian, second members', second open and two specials. The only bitch that beat her was Noross Radiant. The judge had quite a problem to solve in separating these two."

### NOTES AND COMMENTS

(Continued from page 8.)

The Dominion Airedale Club are out with a very handsome book of rules, etc. It gives the Airedale standard in full detail, constitution, by-laws and full details of the produce, puppy and stud dog stakes. All in all it is most creditable, and should lead to a greatly increased membership in the club. The officers for 1913-14 are as follows:—President, W. W. de Rossiter, Moose Jaw; First Vice-President, C. H. Baird, Winnipeg; Second Vice-President, H. A. Ruttan, Port Arthur; Secretary-Treasurer, Shirley M. Mutchmor, 279 Cathedral Ave., Winnipeg; Executive—J. P. Hall, Lethbridge; W. A. Irwin, Edmonton; Ernest K. Hicks, Calgary; J. N. Robb, Moose Jaw; A. C. R. Smith, Winnipeg; C. B. Beardsley, Winnipeg; Geo. Kynoch, Winnipeg. Looks as though the whelps were being brought up to follow the old dog. Eh!

As the matter appears still to be sub judice, we think we had better not comment on the formation of the new C. K. C. Advisory Board nor endeavor to make suggestions. We hope its birth may lead to a coming together of all interests. The report of the meeting does not make it clear whether the proposed Board is for all the Prairie Provinces or for Manitoba alone. We presume the latter, judging by Mr. Milner's notice calling the meeting, as it distinctly confines itself to Manitoba members. If it were otherwise we should judge the notice would have been extended to all members in Manitoba, Alberta and Saskatchewan.

Mr. Stuart and Mr. Ross will be among those to visit the New York Show next month. Mr. Stuart will probably show Beethoven, Montphosa, and his new youngster to get Mrs. Lee's opinion of what a St. Bernard should be.

Mr. Ross will have Mr. Hanna's Irish Setters, some of his own well beloved Scotties, and probably a few others also.

It is now Champion Hawes Broom, his final point being won at the Terrier Show. We are sure the very sportsmanlike owner of this excellent wire would have been better pleased if the dog had been up against something worth while beating.

Mr. A. H. Fraser, of Vancouver, B.C., has purchased from E. James Farish the Bull Terrier Ch. Dorian Grey. She was exported to Canada by Mr. Geo. A. Cranfield in 1911. She is the dam of winners, and has won winners at Denver, Col., Sioux Falls, S.D., Pasadena, Mill Valley, Vancouver, B.C., Victoria, B. C., and reserve winners to Champion Bow Bells at San Mateo, Cal.

On February 1st reduced express rates go into effect. Breeders and fanciers should see that they get the benefit of these lower rates.

Clonmel Master Crack, the Airedale that was so much admired, and for which Mr. James Bain had several offers, has changed hands, Mr. H. Dudley Waters, who has a keen eye for a "Terrier," being the successful one. We hear that only a handsome cheque would induce Mr. Bain to part with him. We understand it is the intention of Mr. Dudley-Waters to give "Crack" a short rest, after which he will be placed at stud in these columns.

## Dog Doings in the Prairie Provinces

#### American Bull Terrier Club.

A meeting of those interested in Pit Bull Terriers was held in the parlor of the Printer's Club this 4th day of December, 1913.

Mr. J. Ritchie was appointed chairman, and A. P. Mutchmor, Secretary.

The chairman explained that the object of the meeting was for the purpose of considering the advisability of forming a club. At the present time this breed was not recognized by the Dominion Kennel Club, but that pressure was being brought to bear with the Executive of that club, and it would now appear that the only thing lacking to obtain recognition, was organization of the breeders.

Mr. F. W. McGill spoke of the work that had been done so far in an effort towards recognition, and called attention to the article appearing in a late issue of the Canadian Kennel Gazette, in which the demands and rights of the breeders were clearly and properly set forth. He had been given to understand by members of the Executive of the Dominion Kennel Club that if the breeders would organize and place their claims before the Executive of the Club, that due consideration would be given them; and as he had personally canvassed all the members of that Executive and found no personal objection of a serious nature, he agreed with the remarks of the chairman, that the only thing now lacking was organization. The only objection he had met with was in the name the breed had been going by, and personally he was in favor of dropping the word "Pit" and selecting some

other that would not be so objectionable.

It was unanimously agreed that a Club should be formed, and that the Club should be known as "The American Bull Terrier Club of Canada."

It was agreed that the officers of the Club should consist of a President, First Vice-President, Second Vice-President, Secretary-Treasurer and an executive of ten members.

The election of officers then took place and resulted as follows:—

President—Mr. J. Ritchie, Winnipeg.

First Vice-President—Mr. F. W. Wilds, Calgary.

Second Vice-President—Mr. L. A. Farley, Winnipeg.

Secretary-Treasurer—Mr. F. W. McGill, Winnipeg.

Executive—Mr. P. O. E. Clute, Edmonton, Alta.; Mr. L. S. Dumford, Portage la Prairie; Mr. Donnelly, Fort William; Mr. C. H. Payne, Rivers; Mr. H. L. Johnston, Winnipeg; Mr. C. Thompson, Winnipeg; Mr. M. Fly, Winnipeg; Mr. E. O. Houston, Winnipeg; Mr. L. Schuan, Winnipeg; Mr. J. H. Lemire, Winnipeg.

As the hour was late to properly consider the Constitution and By-Laws of the Club, it was agreed that a meeting should be held in the near future for this purpose.

It was agreed that the Club should adopt the standard, a copy of which appeared in the Canadian Kennel Gazette, and the annual dues were fixed at \$1.00.

The meeting then adjourned.

#### C. K. C. ADVISORY BOARD.

A meeting of the Manitoba members of the Canadian Kennel Club

will be held at the Industrial Bureau on Tuesday, December 30th at 8 p.m. for the purpose of considering the formation of an Advisory Board. You are requested to attend.

John Milner,  
Provincial Vice-President.

Pursuant to above notice, a meeting of the Manitoba members of the C. K. C. was held this 30th day of December, 1913.

Present:—Provincial Vice-President John Milner in the chair, and Mrs. Rigby, Messrs. R. Cowan, J. C. Fletcher, Tom. Milner, W. J. Harvey, A. C. R. Smith, A. P. Mutchmor, P. Ross, S. C. Taylor and J. T. McCully.

A number of others who are interested in kennel matters were also present but took no active part in the conduct of the meeting. Mr. W. A. Love was appointed Secretary.

In opening the meeting the chairman spoke of the object in calling the members together. He had received a letter from the Secretary of the C.K.C. asking him to take this course and when in Toronto last month had had several talks with Dr. Boulton along these lines. He read a copy of the agreement between the C. K. C. and the Pacific Coast Advisory Board and which he had been given to understand would be the basis on which an Advisory Board (if appointed by this meeting) would act. He asked the meeting for an expression of opinion as to whether they wished the appointment of an Advisory Board.

Moved by Mr. Taylor, seconded by Mr. Ross, that an Advisory Board be not appointed at this meeting but that a meeting be called at a later date to consider the question.

In speaking to the motion, Mr. Taylor pointed out that he was a member of the C. K. C. but had not received a notice of this meeting and thought that others who might be members may not have received notice. In this respect he would advise the adjournment of this meeting in order that all members might be notified. He drew attention to the fact that Mr. McCully, who was also present, was a member and had not received a notice.

The chairman submitted a list of Manitoba members as given by the Secretary of the C. K. C. and read the names that appeared thereon. This list consisted of eleven names, two of which were outside the City, leaving nine in Winnipeg.

Within the last week or ten days he had received an application from Mr. Fletcher which brought the number in Winnipeg to ten, and nine of these were present. On this list from the C. K. C. office neither Mr. Taylor's nor Mr. McCully's names appeared, but the meeting took no objection to both of the gentlemen voting.

In order to avoid any possibility of later members not receiving a notice of this meeting, the chairman had addressed a letter to the Secretary of the C. K. C. asking for the names of additional members, but not having had any reply, he took

it for granted there were no names to add.

Moved in amendment by Mr. Fletcher, seconded by Mr. Harvey, that we form an Advisory Board.

In speaking to the amendment Mr. Fletcher said that it appeared to him that the meeting had been properly called and that the chairman had shown an effort on his part to have all the members present. He could hardly be expected to notify those who he was not aware of as being members, and he had done all that could be expected of him in notifying those whose names appeared on the official list. Mr. Fletcher spoke of different conversations he had had with the Secretary of the C. K. C. when in Toronto last month and as touching the formation of the Advisory Board. With the two governing bodies now in the field, it appeared to be a most opportune time to find out what the feeling was in respect to two clubs. The formation of such a Board, would have the effect of placing before the two governing bodies, the true state of affairs, and without any consideration of personal grievances or biased opinions.

Mr. Mutchmor asked the chairman to instruct the Secretary to note in the minutes that he was not voting.

On a vote being taken the amendment was carried.

It was agreed that the Board should consist of five members, the Chairman, Mr. John Milner, as Provincial Vice-President to be chairman as the appointee from the C. K. C.

Nominations were made, and Messrs. Stirling and Constable were appointed scrutineers.

While the scrutineers were counting the ballots the chairman asked for suggestions to the Board as to any other matters that they should consider. Personally, he thought that they should try and find out the existing differences of opinion as between the two governing bodies and with a view of trying to arrange these differences satisfactorily or at least a mutual recognition of wins.

The scrutineers handed their report to the chairman, who announced the following elected: Messrs. J. C. Fletcher, R. Cowan, W. J. Harvey, Tom. Milner and A. C. R. Smith.

Mr. Mutchmor was asked to state if the D. K. C. would be prepared to meet this Advisory Board half way. In replying to the question, Mr. Mutchmor wished it understood that he was only present at the meeting by invitation, and as a member of the C. K. C. he had no authority to speak for the executive of the D. K. C. nor was he present as from, or as, a member of that Club. He would take it upon himself however, to promise the Board, that whenever they had anything they wished to discuss with the executive of the D. K. C., that the latter would attend any meeting that the Board would arrange, but in order to facilitate matters and that the executive of the D. K. C. could attend such a meeting with full power to act, he would ask that sufficient notice be given him of the date of the meeting, to enable him to obtain the wishes of the out-of-town members of

the executive and also that the subjects to be discussed should be contained in the notice, so that the views of such members of the executive might be had before the meeting. He would assume that this newly appointed Board would first obtain the ratification of the C. K. C. as to their appointment and the powers that were given them to act. He assured the Board that the records of the Dominion Kennel Club were open to them, and on all matters affecting the dog, the betterment of Western conditions or in any effort to increase an interest in the game, that they could count on the executive of the D. K. C. joining them, and rendering all the assistance in their power.

It was suggested that the Secretary forward a copy of the minutes of this meeting to Kennel & Bench and the Canadian Kennel Gazette.

The meeting then adjourned.

W. A. Love, Secretary.  
John Milner, Chairman.

At a meeting of the newly appointed Board, held after the close of the general meeting, Mr. R. Cowan was appointed Secretary.

#### DOMINION ENGLISH BULLDOG CLUB

A meeting of English Bulldog fanciers was held at the Industrial Bureau on Dec. 16th., 1913.

A. P. Mutchmor was appointed chairman and J. Cowan, Secretary.

The chairman stated that the meeting had been called for the purpose of considering the formation of a Bulldog Club. As there were so many fanciers of the breed in the West, it had been considered a move in the right direction to organize, in order that the claims of the breed might be placed before show committees, as coming from an organized force.

Discussion then took place as to the name the new Club would adopt, and it was finally agreed that a club should be formed and to be known as the Dominion English Bulldog Club. The annual dues were settled at \$3.00.

A telegram was read from Mr. Bert. Finch of Edmonton, tendering his congratulations and best wishes towards the success of the new Club, and guaranteeing at least ten members from this city.

The proprietor of the Chinook Kennels of Lethbridge also wired his support to the new Club and endorsed the formation thereof.

The election of officers then took place and resulted as follows:

Hon. President, Hon. Robt. Rogers; Hon. Vice-Presidents, Messrs. Jno. Moxam, Calgary; J. H. Holman, Winnipeg; H. B. Stiles, Winnipeg; President, Mr. R. Cowan, Winnipeg; Vice-President, Mr. R. G. Persse, Winnipeg; District Vice-Presidents, Messrs. Bert. Finch, Edmonton; E. P. Tuson, Lethbridge; M. Cochrane, Fort William; Secretary-Treasurer, Mr. J. Cowan, Winnipeg; Executive, Messrs. F. C. Mahen, Edmonton; Shillum, Calgary; Claire Foster, Medicine Hat;

Mrs. R. G. Persse, Winnipeg; Messrs. J. J. Adams, Winnipeg; J. C. Fletcher, Winnipeg; E. Dwyer, Winnipeg; Hastings, Winnipeg.

A draft copy of the Constitution and By-Laws was drawn and it was agreed that each member should be sent a copy, and a meeting would be called later for the final adoption.

The meeting then adjourned.

#### DOMINION COLLIE CLUB

A well attended meeting of the Western Collie fanciers was held in the Industrial Bureau, Winnipeg, on Tuesday, Dec. 23rd., the object being to consider the advisability of forming a Collie Club.

Mr. J. B. Guarnera was appointed Chairman, and A. P. Mutchmor, Secretary.

The Chairman explained the object in calling the meeting, and the advantages to be gained through organization.

It was unanimously agreed that a Collie Club be formed.

Discussion then took place as to the name of the Club, and on motion of Mr. Tom Milner, seconded by Mr. John Milner, it was unanimously agreed that the Club should be known as the Dominion Collie Club.

Nominations for officers then took place and the scrutineers reported the following elected:

Hon. President, Controller Midwinter, Winnipeg; Mr. W. H. Fares, Winnipeg; Hon. Vice-Presidents, Messrs. A. M. Nanton, Winnipeg; J. H. Holman, Winnipeg; Donald Wheeler, Toronto; W. Ormiston Roy, Montreal; President Mr. Tom. Milner, Winnipeg; First Vice-President, Mr. Jno. Milner, Winnipeg; Second Vice-President, Mr. Geo. A. Hull, Calgary; Secretary-Treasurer, Mr. P. M. Walker, Winnipeg; Executive, Messrs. J. Warren, Brandon; W. Armstrong, Medicine Hat; C. M. Harrington, Moose Jaw; E. T. Stradman, Strassburg; Henderson, Saskatoon; Geo. Binnie, Winnipeg; J. B. Guarnera, Winnipeg; W. J. Harvey, Winnipeg; Rae, Winnipeg; Martin, Winnipeg.

It was agreed that a meeting should be called later on for the purpose of considering the Constitution and By-Laws and in the meantime each one present was given a draft copy of those proposed to be adopted.

The meeting then adjourned.

#### WESTERN NOTES

I am informed by the proprietor of the Garry Kennels that he has sold all his Airdales to J. C. Fletcher. This includes Ch. Clipstone First Shot, "the Airedale that came back," his dam Clipstone Betty, a brood matron by Ch. King Oorang, ex Clipstone Betty, and six puppies by First Shot. This is one of the biggest sales recorded in this section for some time and Winnipeg is congratulating herself that this kennel of Airdales is not leaving the city. Mr. Mutchmor informs me that his only reason for disposing of them, was, that his work in connection with the Dominion Kennel Club is growing so rapidly that he has not sufficient time to give the

dogs the care that they deserve, and it did not seem right to keep a young dog like Cliptone First Shot out of the show ring. He had no regret in parting with them, as they were going over to good hands, and, in fact, would hardly have allowed First Shot to go elsewhere. He also informs me that it is intention to cut down his kennel of Smooth Fox-Terriers to four or five, as this number will be sufficient to keep his hand in, and the work in connection with them will not interfere with his office duties for the D. K. C.

I have been shown a letter by the Secretary of the D. K. C. asking what salaries are being paid by that Club for the work they are having done. This letter is not signed so it is impossible to send the information to the writer. In case he may be a reader of the Gazette, I am authorized to state that no salaries are paid nor will be under the present management.

The Dominion Airedale Club have opened an extra puppy stake and to be judged at the July show of the Canadian Industrial Exhibition. The stake will be open to puppies whelped subsequent to July 1, 1913. Entries are to be made on or before February 1, 1914, and nominations on or before July 1, 1914. In addition to the entry, election and nomination fees, there has been added \$40.00 in cash, by friends of the Club, and it is expected to make this stake amount to, at least, one hundred dollars.

I am in receipt of a very attractive stud card, issued by the Chinook Kennels of Lethbridge, and in which they advertise their heavyweight Bulldog Chinook Courtenay Coronet. This dog does not need any boosting, as he comes with a long list of victories. A number of local owners have used him, and I hear that some of the first matrons bred are showing.

"Bobby" Thompson has sent out a Pointer bitch, Lucky Triumph, (Ch. Lucky Pioneer—Mignon) and from the list of her winnings all over England, she must be a "guid 'un." A wire came to the city to-day that she had whelped six puppies in transit.

At a meeting of the Kennel Club the other evening, "Jack" Adams announced that he had bought a heavy weight dog and he would be here for the February fixture. We also hear that his new bitch has just won at Liverpool.

The Field Trial men are getting busy as all are anxious to get a Derby candidate. Dogs eligible for the 1915 Derby must be whelped after Jan. 1st, 1914. The owner of the Pearlstone Kennels, whose ad. appears elsewhere, informs me that he has had a number of visitors lately. The owner's Pointer bitch, Elsie's Dot, (Fishel's Frank—Elsie) to Ch. Prince Cash. Geo. Carruthers' Pointer bitch, Belle L. (Southdown Sam — Pat's Hallie) to Ch. Prince Cash. Mr. Wm.

Brown's Pointer bitch, Queen's Lady, to Ch. Prince Cash. Mr. Ed. Bisset's Pointer bitch, Fishel's Dot (Fishel's Frank—Rodondo Prairie Queen) to Ch. Prince Cash. Mr. Kobold's Pointer bitch, Dora Pearlstone (Hard Cash—Hamber's Bess) to Sir Royal Tick. Mr. Ed. Bisset's two Pointer bitches Girlie Cash and Birdie Cash (Prince Cash—Fishel's Dot) to Sir Royal Tick. Messrs. Parks and Bronson, Craik, Sask., English Setter bitch, Saskatchewan Belle (Albert's Lucky—Wyoming Gypsy) to Ringo. Mr. Kobold's English Setter bitch, Jessie Roe (Roe's Sport—Jess) to Ringo.

The Bulldog classes will miss two well-known entries in February, Cowan's Peggy and Lady Valeria, are both in whelp to Chinook Courtenay Coronet. There will be new ones to take their place, as I hear of four that will be on their way here within the next few days.

Mr. Geo. A. Cranfield, of Vancouver, B. C., has been chosen as judge of all breeds for the Western Canada Kennel Club show in February. Mr. Cranfield is well-known in the East and has officiated at a number of their big fixtures.

Prairie.

#### PROSPECT HEIGHTS NOTES

We have not had much time to sit around the old hot blast, smoking and discussing our favorite breed, figuring on future matings, etc., though it is truly a pleasure to meet an old timer and listen to their story of their troubles and successes years ago, before we ever thought of breeding dogs. We have found time enough, though, to fix our newly built kennel up inside, so that one not knowing, would think it were the home of a photo or ribbon collector. The entire border of our main kennel building is filled with photos of Frenchies, everyone neatly framed in mission frames, making a most pleasing appearance. We have left nothing undone to make the Prospect Heights Kennels, the most beautiful of all French Bull Dog Kennels this side of the Never-Never-Land.

Our sales this last month have completely cleared us up of what we had to dispose of, and incidentally, took some we had never expected to part with. A dandy little puppy left us for Mr. Darlington, Allendale, S. C. He was not a winner, by any means, but served the purpose he was wanted for to perfection, that of a pet house dog. Mr. Belanger, of London, Ontario, Canada, bought from us, Naughty Marietta of Prospect Heights, a very well built, seal brindle of the correct type. Before shipping she was bred to Polo, and Mr. Belanger is now looking forward to some excellent puppies. An excellent show prospect in a puppy was sold to Mr. Eichorn, of this city, and he reports that pup is doing fine. An exceptionally small specimens was bought from us by Mr. Wm. Bryan, this city, and they were delighted with their purchase. Mr. V. Rouleau, E. Peoria, Ill., came out to the kennels,

and took a young female away with him, which he intends to breed to Polo when the time comes. Also sent a male to Fort Wayne, Ind., who was sold for us by Mr. Harvey Porter. Our studs have been kept busy as usual, Polo and La Sauterne keeping up their record, we using Athos Descendant only occasionally now, as he is not in the demand like the other two. Mr. Dittmore, Charlotte, Mich. sent a very fair specimen to La Sauterne, Mr. Carey, this city, bred his Snookums to Polo. Our own Miss

Gamin and Miss Hunk were both mated with Polo, while our Le Roi's Belle was sent to Camo for service. We also have our Bovette heavy in whelp to Dr. Murphy's Lebeau, and as this mating with our Fanto produced such a grand litter, we are naturally looking forward to some stock. We are always glad to hear from anyone interested in the Frenchmen, and have a plentiful supply of stamps at all times.

Reyburn P. Crawley.

Peoria Heights, Ill., Dec. 30, 1913.

## BREEDING ST. BERNARDS

*Mrs. Lee, of the Alta Kennels, tells her experience and gives advice on the keeping and rearing of St. Bernards*

As it has so often been asked me how I obtain such great size, combined with perfect soundness, it might be of more interest than anything else I could write, to give other breeders a few of my ideas and methods.

In the first place, I do not believe anyone can truly make a success with a lot of St. Bernards unless the conditions are so favorable that the combination is an almost impossible one. The late Dr. Inman made a huge success on a very large scale, but his surroundings were ideal, with a kennelman that was almost one of the family and was heart and soul in his work. I have bred and owned almost every breed of dogs, but I have never seen a breed that were so sensitive to rearing and environment, as the so-called Holy Breed. They certainly reflect their master, not only in disposition but in development. A "Saint" can be made into almost any kind of goodness and marred into nearly all kinds of badness. Of course there are always the exceptions which prove the rule, and not only the individual, but that individual's ancestry or strain he comes from, plays a large part. I have aimed always in breeding for an ideal, not only in quality or type, size, soundness, color, markings, but also in disposition and intelligence. Where one has selected and weeded out, using only the best animals for years, the result should be what is desired by the breeder. Of course, it is not given to all, both the eye and judgment in making and matching pedigree and individual, but keeping only a few, as near one's ideal as possible, so that they can have individual care and attention and not be crowded, nor kept like wild animals in yards and just fed, is in my opinion the only way one can truly make a success of the St. Bernard.

The only condition that a St. Bernard cannot stand is intense heat. My kennels are raised 18 inches above the ground and closed around three sides, so the dogs can crawl under and lay on the damp, cool earth, away from the flies. Any other weather conditions never seems to affect my dogs; they sleep right out in the snow in preference to going inside. They are never doped or given medicine, except in cases of distemper. They are never sick, or off

their feed when at home. My puppies always live and thrive, and to me they are just the easiest dogs possible to rear. While mine are never coddled, they certainly do get the best, always plenty of fresh, dry straw and clean kennels, hardwood oiled floors. The best of food, no tainted meat, or mouldy bread, and their meals right on time.

The puppies, when first weaned, are fed at 6 a.m., and every three hours up to 9 p.m. I think it is in the first few months they get the foundation for future soundness and size. When they are four weeks old, my puppies are eating nicely, but only food in liquid form, easy of digestion, is given. When I hear of so much ill luck, of breeders losing their bitches whelping, their puppies gradually dropping off and going wrong it really seems difficult for me to understand. The causes are, however, crowding, which causes tainted milk in bitches, and puppies become unthrifty for lack of proper food while in whelp, or inbreeding with unsound specimens. I witnessed a feeding experiment not long ago, on two little pigs, out of one litter. They were kept under same conditions and given the same amount of food, but not the same kind. One gained 11 lbs. and the other 58 in the same time, and both equally well and healthy.

Breeders of large dogs should study well these problems. A St. Bernard puppy should weigh from 20 to 25 lbs. at 8 weeks, and after three months old should gain from 20 to 30 lbs. a month. After this the growth is much slower. So the real growing period is very short and the puppies must have the proper kind of food to make a big dog. Some, of course, will never make really big St. Bernards, but none will make big ones save on the proper food.

Adele W. Lee.

Toledo, Ohio.

#### THE BULLDOG BREEDERS' ASSOCIATION OF CANADA.

At the last monthly meeting of the above association, some interesting matches were decided by Mr. Jos. Perkins, who was the evening's judge.

Mr. Bailey donated a cup for competition at the 1914 shows, to be won by best puppy born in 1914, shown and owned by exhibitor.

## Joint Terrier Show

The Joint Terrier Association of Canada held their second annual show in Toronto, January 9 and 10, with an entry of seventy-eight dogs less a few absentees. The entry was somewhat of a disappointment and outside of Airdales with 27 entries and Bull Terriers with 17, the classes were meagre. The show was well looked after and was a nice little show, but the attendance was small. Arthur Atkinson, the Secretary had the affairs of the show under his capable management.

Mr. Chas. G. Hopton, of New York placed the ribbons and upset somewhat the opinions of local fanciers in the Bull Terrier bitches and also in the Airdale classes.

tish Terrier, Avondale Adam. Best team and best trio Irish Terriers, Geo. Barron.

Airedale Terriers were the banner class of the show, a nice tidy showing. Rugged Mr. Bub, who has improved a lot since the National Show, was first puppy, lacking in foreface, but good in coat, he showed well. Second, Rugged Gentleman Monk, a fair Airedale, skully and lacking in foreface. Third, Rockley Ranger, a bit heavy in skull, fourth, Moorside Bonsor, a nice one that would not show. Limit brought out Buster Briar as the winner, a big one, but even all over. He has a heavy skull, but this is offset by his good foreface and size. Moorside Rock second, a

should have been placed. She has a good muzzle and nice coat, but rather foreign expression. Silver Birch Patricia was third in puppy, junior and novice, a very fair small one. First limit was Rockley Logical Point, a nice, good all round, even bitch, good front, legs and feet, little light in eye. Caerphilly Betty second, a nice one, little light eye. There was another bitch, No. 9, that was not catalogued, that deserved mention. We believe she was one of Sid Perkins and a sister of Logical Point. She has a nice eye, good body, best of coat, not in condition.

Bull Terriers, puppy dogs was won by Glenedyth Imperator, good in head, face and body, light in eye. Inferno Secundus, second, a nice headed one with a good muzzle, could be higher up from the ground. Third in

chase, went unplaced, for what cause we do not know. She is the equal of any bitch in the show, though we have seen her in better condition. She was shown too light.

S. H. Fox Terriers were very light and outside of a couple, of moderate quality, Sabine Ringgold, a nice one, was the winning dog. Mr. Hopton did not consider any of the bitches good enough for winners. W. H. Fox Terriers had only one entry, the good Hawes Broom.

Irish Terriers were also a small show of about ten dogs. Quarrywood Commander was the winning dog, and Rory reserve. In bitches, Killarney Belle was winners. She is out of coat and a bit shy on the muzzle. Ch. Walmer Straight Flush was reserve. Mr. Bamford showed a nice young bitch in Walnut Colleen that was badly used, nice head, eye and muzzle and a good type though small.

Donald Scott was alone in the Skye classes again. In Scotties the well known good one, Avondale Ascot, was the winner. Albany Sandy is a nice coated one, with a nice eye, bit shy on muzzle. Mr. Ellison brought out a very promising puppy in Avondale Adam, a nice, cobby little chap, good body and nice headpiece, he should have plenty of substance when he develops.

One West Highland White was shown. In Bostons which only mustered about seven, Hillcrest Totem Boy won out in dogs with Ingram's Little Man reserve, Ashland Pride and Pretty Bessie II. being placed at the head of the bitches in the other named. Three real good Yorkshire were shown and two Toy Terriers completed the show.

H. B. D. Jr.

### AWARDS.

#### Airedales.

Puppies, 1. E. Bingham's Rugged Mr. Bub, 2 T. D. Murray's Rugged Gentleman Monk, 3 Sid. Perkins' Rockley Ranger, 4 Frank Wood's Moorside Bonsor, 5 Fred Hudson's Dufferin King; Junior, 1 Bingham's Rugged Mr. Bub, 2 Murray's Rugged Gentleman Monk, 3 Perkins' Rockley Ranger; res., Wood's Moorside Bonsor; Novice Dogs, 1 Murray's Rugged Gentleman Monk, 2 Perkins' Rockley Ranger, 3 H. Bickmore's Birchcliff Boy; Limit Dogs, 1 H. Clayton's Buster Briar, 2 Good's Moorside Rock, 3 Bain's Birchcliff Nailer; res., Bain's Clonmel Master Crack; open dogs, 1 Bain's Birchcliff Oorang, 2 Clayton's Buster Briar, 3 Wood's Moorside Rock; breeders, 1 Wood's Moorside Rock, 2 Bingham's Rugged Mr. Bub; Canadian bred dogs, 1 Clayton's Buster Briar, 2 Wood's Moorside Rock, 3 Bingham's Rugged Mr. Bub; winners, Bain's Birchcliffe Oorang; res., Claxton's Buster Briar; puppies, bitches, 1 Billinger's Morning Sunbeam, 2 Reg. Pellatt's Casa Loma Lady, 3 Clayton's Silver Birch Patricia; res. Bamford's Walnut Capacity; junior bitches, 1 Billinger's Morning Sunbeam, 2 Pellatt's Casa Loma Lady; breeders, 1 Perkins' Rock Patricia; novice bitches, 1 Billinger's Morning Sunbeam, 2 Pellatt's Casa

A TYPICAL ST. BERNARD OF SOME YEARS BACK. HAVE WE IMPROVED THEM?

Mr. Bain's good Airedale, Birchcliffe Oorang, took the special for the best dog or bitch in show, the Bull Terrier, Glenedyth Imperator, taking the specials for best puppy and best Canadian bred. Best bitch in show was won by Miles & Coles, with Inferno Queen. In the breed specials Moorside Rock took best Canadian bred Airedale and Rugged Mr. Bub best puppy. S. H. Fox Terriers, best Canadian bred, was Danby Dragoon, best dog or bitch, Sabine Ringgold. In W. H., Hawes Broom was alone. Irish Terriers, best exhibited by a lady, Rory; best in show, Quarrywood Commander. Best Scottish Terrier, Avondale Ascot. Best Yorkshire, Edna of Roundhay. Best Toy Terrier, Bonnie Boy II. Other general specials were best Canadian bred Scot-

good one all over, nice head, ears and body, bit light in eye. He did not show well, but even then might have gone higher than he did at this show. Third, Birchcliff Nailer, a very nice all round one, inclined to be skully. Clonmel Master Crack was placed reserve. He should have done better, good head and eye. He was shown light. In open, Birchcliff Oorang was first. We have seen him in better coat. He is a bit cheeky and is heavy in ear. In bitches, Morning Sunbeam was first puppy, a nice coated one, bit domey in skull and shy in foreface. Casa Loma Lady second, a very fair all round small one with a Dudley nose. Beacon Flash but fair, lacks muzzle and has a poor coat. Birchcliff Babs placed last in this class, a bitch we like and

Junior was Franklyn Dynamo, lacking in substance. Novice, first, was Glenedyth Bob, not as well filled in in muzzle as he might be, and badly cropped, but a very fair bodied one. Inferno Buster was second in limit over 30 lbs., good in eye, front and feet, lacking in foreface. Third, Victor Lavender, a good all-round sort. In bitches, Inferno Firefly was the winner of the puppy class, a nice headed one, good eye and foreface, long cast body. Second, Glenedyth Elfin a nice one, but bit gone in front. The winning bitch, Inferno Queen, came out in the limit over 30 lbs. She has a good eye and head, shown too fat and could be tighter in shoulders. Princess Nordica, a nice one, bit shy in foreface, was second. Princess Patricia, Mr. McFarland's recent pur-

Loma Lady, 3 Clayton's Silver Birch Patricia; res., F. W. Cole's Beacon Flash; limit bitches, 1 Perkin's Rockley Logical Point, 2 Bowden's Caerphilly Betty, 3 Pellatt's Casa Loma Lady; open bitches, 1 Bain's Ch. Culmington Nettle, 2 Perkin's Rockley Logical Point, 3 Bawden's Caerphilly Betty; res., Pellatt's Casa Loma Lady; breeders, 1 Perkins' Rockley Logical Point, 2 Bain's Birchcliffe Babs; Canadian bred bitches, 1 Perkins' Rockley Logical Point, 2 Pellatt's Casa Loma Lady, 3 Clayton's Silver Birch Patricia; winners, Bain's Ch. Culmington Nettle; res., Cole's Beacon Filly; best brace, any sex, 1 J. W. Bain; best kennel of four, any sex, 1 Bain.

#### Bull Terriers.

Puppy dogs, 1 R. Nordheimer's Glenedyth Imperator, 2 Miles & Cole's Inferno Secundus; junior dogs, 1 Nordheimer's Glenedyth Imperator; 2 Miles & Cole's Inferno Secundus, 3 G. F. McFarland's Franklin Dynamo; novice dogs, 1 Nordheimer's Glenedyth Bob, 2 Miles & Cole's Inferno Secundus, 3 McFarland's Franklin Dynamo; limit under 30 lbs., 1 Miles & Cole's Inferno Secundus, 2 W. P. White's Inferno You Don't Know; limit, over 30 lbs., 1 Nordheimer's Glenedyth Imperator, 2 Miles & Cole's Inferno Buster, 3 Nordheimer's Victor Lavender; open dogs, 1 Nordheimer's Glenedyth Imperator, 2 Miles & Cole's Inferno Buster, 3 Nordheimer's Victor Lavender; Canadian bred dogs, 1 Nordheimer's Glenedyth Imperator, 2 B. A. Thomson's Inferno Prince; winners, dogs, Glenedyth Imperator; res., Inferno Buster; puppy bitches, 1 Miles & Cole's Inferno Firefly, 2 Nordheimer's Glenedyth Elfin; junior bitches, 1 Miles & Cole's Inferno Firefly, 2 Nordheimer's Glenedyth Elfin; novice bitches, 1 Inferno Firefly; limit, under 30 lbs., 1 Miles & Cole's Inferno Firefly, 2 Nordheimer's Glenedyth Elfin; limit, over 30 lbs., 1 Miles & Cole's Inferno Queen, 2 Mrs. Lane's Princess Nordica, 3 Nordheimer's Glenedyth Elfin; open bitches, 1 Miles & Cole's Inferno Queen, 2 Mrs. Lane's Princess Nordica, 3 Nordheimer's Glenedyth Elfin, Canadian bred bitches, 1 Miles & Cole's Inferno Queen, 2 Mrs. Lane's Princess Nordica, 3 Nordheimer's Glenedyth Elfin; winners, Inferno Queen; res., Princess Nordica; best brace, 1 R. Nordheimer, 2 McFarland; best kennel of four, R. Nordheimer's.

#### Smooth Haired Fox Terriers

Novice dogs, 1 Sharpe Bros'. Wharncliffe Crack; limit dogs, 1 Bailey's Sabine Racer, 2 W. Clelland's Tillbridge Pegman, 3 Sharpe Bros'. Wharncliffe Crack; open, 1 Bailey's Sabine Ringgold, 2 Clelland's Tillbridge Pegman, 3 Sharpe Bros'. Wharncliffe Crack; Canadian bred dogs, 1 C. L. Mewburn's Danby Dragon; winners, Sabine Ringgold; res., Tillbridge Pegman; junior bitches, 1 Sharpe Bros'. Wharncliffe Belle; limit bitches, 2 Sharpe Bros'. Wharncliffe Belle; 3 Mewburn's Danby Blue Bud; open bitches, 2 Sharpe Bros'. Wharncliffe Belle, 3 Mewburn's Danby Blue Bud; breeders, 2 Mewburn's Danby Blue Bud; Canadian bred bitches, 2

Sharpe Bros'. Wharncliffe Belle, 3 Mewburn's Danby Blue Bud.

#### Wire Haired Fox Terriers.

Open dogs, 1 Perkins' Hawes Broom; winners, Hawes Broom.

#### Irish Terriers.

Puppy dogs, 1 G. Fraser's Bystander; junior dogs, 1 G. Fraser's Bystander; novice dogs, 1 Bystander; limit dogs, 1 Mrs. MacDonald's Rory; open dogs, 1 G. Barron's Quarrywood Commander, 2 Mrs. MacDonald's Rory; breeders' dogs, 1 Quarrywood Commander; Canadian bred dogs, 1 Barron's Quarrywood Commander; junior bitches, 1 Bamford's Walnut Colleen; limit bitches, 1 Barron's Killarney Belle, 2 F. West's Molly Asthore; open bitches, 1 Barron's Killarney Belle, 2 H. A. Fleming's Ch. Walmer Straight Flush, 3 Barron's Quarrywood; Canadian bred, 1 Barron's Quarrywood Biddy, 2 F. West's Molly Asthore.

#### Skye Terriers.

Open dogs and bitches, 1 Mrs. Ferguson's Donard Scott.

#### Scotch Terriers.

Puppy dogs, 1 A. Ellison's Avondale Adam, 2 Dr. Richmond's Roderick; junior dogs, 1 Dr. Richmond's Roderick; novice dogs, 1 Ellison's Avondale Adam, 2 Dr. Richmond's Roderick; limit dogs, 1 Ellison's Avondale Ascot, 2 Mr. Danzell's Albany Sandy, 3 J. Forbes' Lonach Bonaccord; res., Roderick; open dogs, 1 Ellison's Avondale Ascot, 2 Danzell's Albany Sandy, 3 Forbes' Lonach Bonaccord. Canadian bred dogs, 1 Forbes' Lonach Bonaccord, 2 Dr. Richmond's Roderick; winners, Avondale Ascot; res., Albany Sandy.

#### White West Highland.

Open bitches, 1 Forbes' Lonach Lass.

#### Bostons.

Tuesday, April 28, 1914.

Final judging of the winners in each class of each breed for their respective trophies.

Awards of all trophies.

#### WHAT OUR BUSINESS PAGES SAY.

Ch. Prince Cash, the well known field trial and bench winning Pointer, is offered at stud by Mr. V. C. Kobold, Winnipeg. Mr. Kobold also offers the service of English Setter dog Ringo, a big Western winner. Something choice in Pointer pups by Ch. Prince Cash out of Elsie's Dot are also offered—these should be in big demand.

E. Bailey, Kingsville, Ont., offers at stud the coming S. H. Fox Terrier Domino of Kingsville, by Sabine Racer, ex. Wise Girl. Mr. Bailey also has four good puppies to dispose of.

A W. H. Fox Terrier bitch, four years old, and a dam of winners, is offered by W. W. Shortt, London, Ont. The price is \$25.00. Also a dog puppy three months old is offered at \$10.00 in Mr. Shortt's ad.

Two other winning Western Pointers are offered at stud by Dr. C. E. Johnson, Winnipeg. Yuma's Tonti is by Beppo B., ex. Ch. Yuma. His is a young dog and a proven sire of good, strong puppies. Kamsack King, the other one, is by Ch. Prince Cash, ex. Ch. Rodondo's Prairie Queen. With this breeding King should be in good demand.

The Birt Saddlery Co., Winnipeg, offer a full line of dog gloves, toe nail clippers, collars, chains, leads, etc.

The Smooth Fox Terriers Ch. Oxford Rake, Danby Dragoon and Danby Rake-off, are offered at stud by Chas. L. Mewburn, Hamilton. His ad. gives you their breeding and stud fees. Danby Dragoon and Danby Blue Bud are offered for sale. Mr. Mewburn will be pleased to send particulars and pedigrees of any of these dogs.

Garry Kennels, Winnipeg, offer about twenty brood bitches in S. H. Fox Terriers. Prices from \$10.00 up. A good chance to get started in this breed.

A four and one-half months old black Pom. male and two S. H. Fox Terriers are offered by A. E. Field-Marshal, Beamsville. These will be sold cheap.

G. B. Wincott, Glen Ewen, Sask., has pure bred old and young St. Bernards from English and American stock.

#### WESTERN CANADA KENNEL CLUB SHOW.

The Western Canada Kennel Club will hold their annual show February 3, 4, 5 and 6 in Winnipeg. Mr. Geo. A. Cranfield of Vancouver will judge all breeds. A splendid classification is offered, as well as 200 special prizes. Entries close January 23 with the Secretary, Mr. W. A. Love, 495 Newman St., Winnipeg.

#### USEFUL IN THE HOME

By Tom Jackson

A Dachshund isn't beautiful, but love you long he will. He looks like a suspension bridge when he is standing still, and though his head and tail may be a yard or so apart, up somewhere in his forward end there beats a faithful heart. In winter when the icy winds begin to howl and roar, he makes a first-class weatherstrip across the kitchen door. If you've a stove-pipe to be cleaned, call on your son or brother to put the dachshund in one end—you whistle in the other. He will go through that pipe, he will, with nary yap or squeal and turn around inside of it just like a turbine wheel. And when he comes out of the pipe 'tis best, good judges think, to give some boy a cent or so to hold him in the sink.

He is the only dog that you can tie up in a knot. Therefore, in small, congested houses, he is used quite a lot. He is a handy pet to have within a city flat; just throw him in a loop and hang him up beside your hat. And if your razor-blade grows dull, your shave you need not stop. Make him stand up beside a chair and use him as a strop. He does not fight like bulldogs do, he hasn't got their sand; but for domestic uses he just leads the canine band.

#### CORONA PREMIER DEAD.

It is with very great regret that we hear of the lamentable death of that famous Canadian Collie, Ch. Corona Premier. Dr. Bennett, who bought him from his breeders, the famous Corona Kennels, will have the sympathy of all good Collie men.

#### POINTER CORRECTION.

At the recent National Show, Toronto, Dr. J. Peg's Yuma Tonti was the winning Pointer dog, not Red Bank's Boy, as stated in our Notes and Comments.

**Domino of Kingsville**

C.K.C. 14230.

Sire, Sabine Racer. Dam, Wise Girl.

HAVE FOUR YOUNG PUPS TO DISPOSE OF, Smooth Fox Terriers. Dog and bitch pure white; other two nearly all white. Now 4 weeks old, beautifully bred. Full particulars. Write 1.14

E. BAILEY, Box 26, Kingsville, Ont.

**WANTED.**

Every dog owner to learn how to prevent his dog from worrying sheep. I have two successful methods; viz., the Dog Ring, and the Sight Obstructor, anyone can make the Ring at his home, it will break a vicious dog off the awful habit of worrying sheep. The Sight Obstructor keeps a dog safe at all times. He can have exercise without fear of running down any object. Any harness maker can make the Sight Obstructor. I will send drawings and directions to any address for one dollar, express or postal order. P.S.—I obtained U.S. Letters Patent for Dog Ring a short while ago. Address: 1.14

WM. GRAHAM, Cookshire, P. Que., Canada.

**BOSTON TERRIER CLUB SHOW**

The sixth annual show of the Boston Terrier Club of Canada was held in Toronto on January 1st. The show was a small one, fifty-seven dogs being catalogued. The show had a winners value of one point. It was a nice, well-run, little show. Mr. Milburn, the President of the Club, with a few other members, gave the show good attention. A nice list of cups and other specials were offered. Mr. Jno. Deitschler of Buffalo handed out the ribbons; the latter were indeed worth having. The winners' ribbons were especially novel and attractive.

The winning junior puppy dog, Ingram's Little Man, is a nice youngster and should make a name for himself when he develops. Second, Nemo's Surprise, a nicely marked, uncropped one. Third bit domey in skull, a nice bodied one. In novice the third one, Peter, was the new face, good in body, but lacks muzzle. Limit first, 12 to 17, was Billy Buster, a good one, nice in markings, body and face. In open, 12 to 17, first was Totem Boy, well known, a nice bodied one, but grubby in muzzle. Novice, 17 to 22, went to Clifton Star, a nice bodied one and well known. Third, Little's Shongo, a high Terrier stamp, good head and muzzle. Limit first, Dictator III, who went through to winners, good in markings, shows well. Third, Rexonian's Kid, could be better in muzzle. In the heavy weights, Oxonian's Rex was the best, a nice bodied one, dark in color, good in face. Second, Sam Shongo, cheeky and off in markings. Third, Lord Rufus, could be better in hindquarters, a fair one.

Junior puppy bitches was won by Beautiful Doll, a nice one, good in markings. Second, Ingram's Girl, a nice bodied one that should come on well. Third, Reba, immature. Novice, 12 to 17, brought out the winning bitch, Sparkling Beauty, and a sister of the famous Sparkling Jewel, a nice bitch all over, good in body with a nice head and muzzle. Second, Dolly Rex, a nice, all round bitch of the right stamp. Lady Mirthless, second in limit, and another good one. In the 17 to 22 section Lady Verna was placed first, a nice bodied one and a good shower. Second, Ashland Pride, a bit long cast and did not show. Third, Peggy Quigley, nice in markings, not quite right behind.

In the heavies Lady Helpless, good body and markings, bit cheeky and heavy in shoulders, was first. Second in the novice, Queenie, weak in foreface. Third, Vina, a very fair body but off in foreface. Victoria Lill, second in the limit and open, a nicely marked one, carrying too much fat.

Toy Boy was the only one shown in the Toy class, a nice bodied one and a very fair head, bad in eye.

H. B. D., Jr.

**AWARDS.**

Junior puppy dogs (over 6 months and not exceeding 9 months), 1 Mrs. W. C. Ingram's Ingram's Little Man, 2 Jas. R. Phillips' Nemo's Surprise, 3 Albert Quinn's Quinn's Sadie.

### AT STUD—THE SENSATIONAL BULL TERRIER

## Champion South End Sombrero

A.K.C.S.B.  
No. 167303

LIMITED TO TEN BITCHES AT \$20.00 EACH.

Ch. South End Sombrero is a grandly bred dog, full of the blood of Ch. Woodcote Wonder, a sure sire of high class stock, and with most limited opportunities, having always been practically buried in Oregon. He has just been purchased at a long price and is now for the first time offered to the Eastern fancy at stud.

Sombrero won for best Bull Terrier dog at Westminster Kennel Club Show, New York, 1913. Has won any number of times for best in show, all breeds, on the Pacific Coast. He will be at all the big Eastern shows this winter. For particulars apply to

KENNEL MANAGER, BAUGHFELL KENNELS,

'Phone, Market 5066.

56 Ferry St., Newark, N.J.

## BIRCHCLIFFE AIREDALES

THE PROPERTY OF JAMES W. BAIN,  
TORONTO, ONTARIO

### AT STUD

## BIRCHCLIFFE OORANG

A big winner at the Canadian shows, his latest win being winners and best in show, all breeds competing, at the recent Joint Terrier Show in Toronto.

## BIRCHCLIFFE NAILER

One of the best Airedales offered at stud in Canada. He went through to winners at the Canadian National Exhibition in 1913, and took the special for best Airedale in the show.

Fee, \$15.00. Ship bitches to Sid Perkins, 144 St. Helens Ave., Toronto. 2.14

### BACTERIN TREATMENT FOR CANINE DISTEMPER.

Mr. A. A. Hermann, D.V.S., Littleton, Colorado, in American Journal of Veterinary Medicine, writes:—

In presenting this paper upon distemper in dogs, my aim is not to be profoundly technical nor mathematically exact but rather to present a report of typical cases with special reference to the bacterinotherapy and its apparent influence upon the severity and duration of an attack of this malady.

During the winter of 1910 the writer requested Dr. B. F. Kaupp to make an autogenous bacterin for distemper, as the doctor had previously prepared autogenous and stock bacterins for me which had proved highly efficient in combating septic conditions and contagious diseases such as equine strangles and influenza.

Doctor Kaupp placed at my disposal two preparations, the first, an autogenous bacterin made from a pure culture of the B. bronchisepticus and the second a mixture of the above with the addition of killed streptococci and staphylococci (several strains).

Case 1. Show terrier, weight thirty-five pounds.

History: Ill during entire week previous; with fever, loss of appetite, thirst, emaciation, abdominal pain and restlessness. The feces were fluid in consistency and of fetid odor. The owner had housed and fed a sick alley dog nine days previous to the attack of this dog.

Symptoms: Pulse 110; with temperature 104.4 degrees F., respiration accelerated, muco-purulent nasal discharge, conjunctivitis, photophobia, nausea and diarrhoea.

Treatment: One-half a Cc. mixed bacterin and four Cc. diluted nuclein solution hypodermically once daily for four days. One five-grain intestinal antiseptic tablet (Abbott) three times a day.

The animal was dismissed on the sixth day, as at this time the appetite was normal and practically all symptoms of the disease had disappeared. In this case the temperature dropped steadily from the third day. There was no apparent increase of severity of any symptoms from the day following the commencement of treatment.

Case 2.—Collie, weight thirty-eight pounds.

History: Was noticed to be ill the day before I was called.

Symptoms: Respiration accelerated, constipation, temperature 102.7 degrees F.; pulse eighty-five, strong and full.

Diagnosis: Distemper with pneumonia.

Treatment: Warm blankets; castor oil, one-half ounce; tincture aconite and nuclein in four Cc. doses daily; as a precaution two-thirds of a Cc. of bronchisepticus bacterin was given on the first day. More definite symptoms of distemper was noted on the second, confirming my first suspicion of the presence of the malady; and the bacterin was repeated on the second and fifth days. Nuclein was given orally. Recovery.

Case 3.—Grade Poodle, weight eleven pounds.

Symptoms: Labored respiration;

pharyngitis; stiff neck, with swelling extending over the pharyngeal region.

Treatment: The swelling was blistered and disappeared in three days; liquid food was given; later the swelling reappeared and became so severe that deglutition was impossible until it had again receded. One-third of a Cc. of mixed bacterin and two Cc. of nuclein were given. Recovery.

Case 4.—Boston Bull, weight fourteen pounds.

History: Ill ten days.

Symptoms: Broncho-pneumonia; diarrhoea, corneal ulcers, nasal discharge, fever, accelerated pulse.

Treatment: Argyrol two per cent. sulpho-carbolates twice daily. Injection of nuclein and vaccine. Recovery slow but was complete in fourteen days.

In conclusion I may state that several animals have received carefully graded doses of bronchisepticus bacterin and later been exposed to distemper and none have been known to develop the disease.

### HOW DOGS GO TO SLEEP.

Every reader, we should think, at some time or other has watched a dog lying down and preparing to go to sleep. Most dogs, large and small alike, twirl or turn themselves round and round several times before they keep still. It is a strange habit, and people have puzzled their heads a good deal in trying to explain it. Some cats, too, have been noticed to have this habit, but not all of them, for cats are not quite so fidgety as dogs.

The famous naturalist, Darwin, had his idea about it, and many people think he was right. What he said was, the early home of the wild dog, ancestor of all other dogs, was on the prairies, covered with long grass, and to lie down comfortably the dogs had to turn round and round till they got a resting place they liked. But then somebody who had travelled over several prairies pointed out that, supposing a dog did curl himself under the long grass, he would find it a rather difficult matter to get up again! There is to be seen, too, on some prairies an animal called the prairie dog (though it is not exactly like a dog, but more like a sort of mole) which never lies in the grass, but throws up a mound, by digging, upon the top of which it sits or sleeps.

Another idea has been that dogs have a fancy, when sleeping, that the head should be in a particular direction towards the sky, so they move about till they think they have found this position, north or south, or whatever it may be. There are other cases of this. Some plants even seem to observe the sun, and twine or creep to the east or west, as may be their natural habit. Some people who think themselves wise say that even men and women, boys and girls, should have their beds placed, if they can, with the head to the north and the feet to the south, because our bodies move as the earth moves.

One naturalist says he is quite sure that the dogs which twirl about most are the smooth terriers and others with short hair, while the long-haired or shaggy dogs generally drop to sleep at once. So that, after all, it may be only a sort of fidgetiness in many dogs and a few cats which makes them go to sleep in this fashion. At any rate no one is really certain of the reason.

### THOMAS JOHNSON, OLD-TIMER, DEAD.

Thomas Johnson, of the G. F. & J. Galt Company, died at the residence of his family, 3 Academy Road, Fort Rouge. He was a native of England and had been a resident of Winnipeg for the past 32 years. For some time past he had suffered from dropsy, but his illness only assumed an acute stage about a month ago. He was 63 years and 9 months old, and leaves a widow and grown-up family. The interment was in St. John's cemetery.

The late Mr. Johnson, as a prominent old-timer, was well known in almost every part of Canada. He was the founder of the Commercial Travellers' Association, and was one of the first commercial men to travel over the western country before its unlimited wealth had been discovered, and when it was still spoken of as a barren land.

It is now almost thirty years since he severed his connection with the Commercial Travellers' Ass'n, of which he was the founder and president. In the early days of the west, in the prosecution of his mission as a drummer of trade, Mr. Johnson entered upon fields never before travelled by the knight of the grip. Even Hudson Bay officials and Dominion Government representatives declared the land through which he travelled as barren and unsettled waste, unfit for cultivation or agricultural purposes. Since that time a real army of agriculturists has entered into possession of the land, and the country has developed until to-day it is second to none in the Dominion.

Old-timers will remember the banquet and presentation tendered to Mr. Johnson on the occasion of his retirement from the presidency of the Commercial Travellers' Association. The largest hotels in town were taxed to their utmost capacity to receive all those desirous of attending, and the largest hall in Winnipeg was secured for the banquet, the capacity of which was filled to overflowing. Among those present were the lieutenant-governor of Manitoba, the premier, and many cabinet ministers, together with a vast number of the leading citizens of Manitoba.

#### Popular Sportsman.

Thomas Johnson was one of the most popular of western sportsmen, and as a practical and accomplished dog man his fame is known throughout the American continent. Not only had he been the breeder of some of the finest Pointers and Setters that have ever entered field trial competitions, but his services many times have been sought after to officiate as judge at a great many of the continent's largest gatherings. He has officiated as judge at the Western Canada field trials and at the North Dakota trials, where his decisions gave the utmost satisfaction.

A fearless rider, with a keenness of vision which took in every point of the trial from start to finish; a knowledge of the dog such as is possessed but by few sportsmen; a passionate

# ANNUAL DRAFT OF Smooth Fox Terriers

¶ Can be seen by appointment or negotiated for by mail.

THE  
SABINE KENNELS  
Orange - Texas

love of the sport itself, and a native honesty which was above suspicion, Mr. Johnson's verdicts always found a ready acceptance on the part of the owner of winning or losing dog alike.

Mr. Johnson had also bred and owned some of the best bench show specimens ever exhibited. He won the Westminster Kennel Club's special prize two years in succession for the best English Setter. This show is held annually at Madison Square Gardens, N.Y. This was in 1888, when Winnipeg was little known of in modern New York. The following is the comment of the New York Herald on this award: "It seems preposterous, after our millionaires have spent thousands trying to get the best, that an aborigine from the North Pole should step in and freeze them out."

Mr. Johnson had also won the highest honors in field trials with his Pointer, Manitoba Rap. This dog is recognized by the sportsmen of today as the greatest Pointer that ever lived. He was sold about a year ago to Mr. Pace, of Nashville, Tenn., for the sum of \$1,500.

#### OBITUARY FOR A DOG.

Glasgow, Jan. 10.—The insertion by the Reverend J. G. Lyon, parish minister of Carmylie, Arbroath, of this advertisement in a local paper has been the subject of some criticism:

"At the Manse of Carmylie, on the 10th inst., Argus, for many years the faithful, sagacious, sympathetic friend of the parish minister, who, by this lamentable demise, suffers an irreparable loss. 'Until the day break and the shadows flee away.' Canadian papers please copy."

Argus, it seems, was a favorite dog.

#### EIGHT WHIPPETS HANDICAP RACE AT WINNIPEG.

#### J. F. Young's Strathcona Boy Wins Finals After Four Heats Are Run Off.

On Saturday, Dec. 13, the Whippets were running in Winnipeg. Many members of the Winnipeg Whippet Club taking advantage of the fine weather, held a handicap meet at the Exhibition Grounds. Eight dogs ran.

Heats were as follows:

1. J. F. Young's Strathcona Boy beat George Humphries' Flower Girl; 2. J. F. Young's Girl beat H. Holmes' Flossie; 3. George Humphries' Shamrock beat J. F. Young's Strathcona King; 4. W. H. Spear's Fly Boy beat S. Jones' Beauty.

The four heat winners ran in the final, which was won by J. F. Young's Strathcona Boy, Shamrock second. Strathcona Girl third, only inches separated the dogs.

#### ST. BERNARDS AT THE NATIONAL.

It was Alta Eva who has the peculiar crooked fore legs, and not, as given in your very interesting report. Please correct.

St. Bernard.

729 Queen's Avenue, London, Ont.

### NOTES FOR NOVICES.

From Our Dogs.

Some fanciers dose their dogs with sweet oil or linseed oil the night before they give worm medicine. This is undoubtedly an excellent plan, as it prepares the bowels for what is coming; and it is especially useful when male-fern oil is the vermifuge intended to be used, because that's one of the medicines that cause more or less intestinal irritation, and it is well to "make the way smooth," as it were, and thereby obviate the possibility of the dog vomiting up the dose. This vomiting is not by any means infrequent—in fact, some dogs make a habit of it. The dog having been prepared in this way overnight, should have the vermifuge early next morning, and about half an hour afterwards a dose of castor oil, followed in a few minutes by some warm broth, which will assist action—and the result should be noted. If no expulsion of tapeworm takes place, the same treatment may be gone through again in about ten days' time, and yet again a third or even a fourth time, so long as the presence of tapeworm is suspected.

When a dog gets into the habit of vomiting medicine, the usual plan adopted is to tie up his head so that he cannot get it down between his front legs—an attitude that is necessary to enable him to eject anything from his stomach. As a rule the habit is one that ought to have been prevented. Some dogs are very sensitive in matters of this kind, and to attempt to force nauseous medicine down their throats as some owners do is the surest way to make them reject it. There are not many medicines nowadays that cannot be obtained in the form of gelatine capsules, which dogs can be got to take quite easily and in entire ignorance of what they really are taking; but even where there is something to be given that cannot be prepared in that form—as for instance, a large powder—this can usually be enclosed in a bit of sausage-skin or be sewn up in a piece of meat, so that it can be "bolted" without being noticed. But never struggle with a dog over a dose of physic; that always does more harm than good.

There are times when a good "drench" has to be given to a dog, and if he be a big strong animal some care is necessary; but here the great thing is to have everything ready, and carry out the "drenching" expeditiously. Nothing in the nature of a struggle should be made possible; and the idiotic idea of opening his mouth with a view to pouring the physic down should on no account be attempted. A dog can be much more easily dosed with his mouth closed than open. If the jaws be held firmly together, the lower lips can be made into a funnel into which a liquid can be poured; the liquid will run at once through the lower teeth, and the dog must swallow it. Experienced kennelmen almost invariably dose their dogs in this way. There are also patent medicine-givers sold, consisting of a glass with a small piece of rubber tubing at the end. The medicine is poured in at the top. Some of these are very convenient, because the glass part of the apparatus is marked with different measurements, so as to ensure an accurate dose.

CANADIAN KENNEL GAZETTE

## AT STUD THE WINNING POINTER YUMA'S TONTI

(Ch. Beppo B.—Ch. Yuma.)

This young dog is a proven sire of good strong puppies, and in addition to his numerous bench winnings, both in Canada and U. S. A., his pedigree is full of Field Trial blood. His being reserve winners dog at last New York Show should be sufficient guarantee of his quality. Fee to approved bitches, \$25.00.

## KAMSACK KING

(Ch. Prince Cash, Ch. Rodondo's Prairie Queen.)

The breeding of this dog is too well known to need comment. Fee to approved bitches, \$15.00.

For further particulars, apply to

## CANADIAN KENNEL CLUB STUD BOOKS

Many volumes of the series are now quite rare and, of course, will never be re-printed. For this reason some of the earlier volumes have now attained a value far beyond their original published price. Below we give the actual number in stock, the published price and the present price. No up-to-date kennel library is complete without a set.

	In Stock	Pub. Price	Price Now		In Stock	Pub. Price	Price Now
Vol. 1.	70 Copies	\$1.00	\$1.25	Vol. 9.	14 Copies	\$1.00	\$1.50
" 2.	Not published			" 10.	164 "	"	1.00
" 3.	3 Copies	1.00	2.00	" 11.	174 "	"	"
" 4.	37 "	"	1.25	" 12.	260 "	"	"
