ADVERTISEMENTS

The Advertisements should reach us not later than the 26th.

WHAT about an auction sale of dogs in aid of the War Fund? We hear from a great many of our friends that they are overstocked with dogs and puppies. We believe we could get in Toronto the necessary advertising, an auctioneer and a place for the sale without cost. All that remains to be done is that the doggie men donate their dogs. This would be a good way for those who are unable to make cash donations to help on a good cause. At an auction sale good prices would be realized, especially at the present time when dogs would make good Christmas

presents, and the dog men would feel satisfied that all receipts would go to the fund without any commissions. If they will do their part, we will do the rest. We ask the earnest attention of everyone to this idea. If you have not a dog that you can donate yourself, buy one from those overstocked and present it, thus helping the game all around. The idea should also be carried out in Winnipeg, Calgary, Edmonton, Vancouver, Victoria, Montreal and others of our large cities, and there is no time like the present.

✱

Our American Bulldog friends have seen the error of their ways, and have finally decided to completely do away with the dudley nose at their shows. In the first place, we believe, the disfigurement was introduced into the American standard intentionally by the efforts of those interested in having it allowed and was permitted to slip in by the indifference of the balance who were not far-seeing, and, therefore, did not understand the consequence of their indifference. The intention is well shown by an advertisement stating the dudley advertised to be the dog that was instrumental in altering the standard. In this connection, it is only fair, in support of the good sense and judgment of our Canadian Bulldog fancy, to state that this dog was first foisted on them and shown with a black nose. Trouble for his owner followed, and the judge, who placed him up, will never regain the confidence of Canadian Bulldogdom. They would have none of the dog. The indifference of the American fancier to the introduction of the dudley was shown by the good-natured badinage contained in the letters of a controversy on the subject, which controversy, however, in no way seemed to recognize the seriousness of the subject. Of course, the dog in question was a good one, otherwise he would have been drowned young, but he was a most pronounced dudley from

nose to stern, and no amount of faking of his nose could make him otherwise. However, fortunately, some power for good existed somewhere in the land of Stars and Stripes. We wish we knew where to bestow the praise. Now, the dudley nose is barred, and properly so, and none too soon to save the breed from the introduction of this, its worst blemish. We would like to push the matter further and advise our breeders to go another step and to avoid the blood containing the fault. We, personally, and hundreds of others know how it will crop out in the most unsuspected and unexpected and undesirable places.

✱

We call the attention of our readers to a very good suggestion in support of the Canadian Kennel Club War Fund, which is carried out in this number by one of our advertisers. The idea is that a certain percentage of all the sales, stud fees, etc., should be set aside to augment this fund.

✱

An inspection of our list of new champions will show that, though numerous, the quality of the dogs winning the title is so high as to thoroughly deserve the honor and make the winning of the title a foregone conclusion.

Winnipeg Kennel Club Show

While the Winnipeg Kennel Club is determined that the show shall be conducted in a clean, sportsmanlike manner, it realizes the fact that irregularities may occur. Should anything of this nature be observed by any exhibitor or patron, they will confer a favor by reporting same to J. Milner (Superintendent), or S. C. Taylor (Secretary).

This is a very high ideal for any club to set, still higher to aim for and almost impossible to attain. Still, the Winnipeg Kennel Club succeeded in all three. All around it is the best show we ever attended. We do not mean the biggest, or the best quality of dogs, but the general management, order and system were just about perfect, and carried out to the letter. Very few of our Eastern breeders have had much experience with Western shows, for their benefit we state that we have nothing we can teach the westerners in management.

The Winnipeg Kennel Club should succeed, for it is composed of the most energetic lot of fanciers, and real workers, we ever met, although as usual the bulk of the work was left to a few, still we found many arduous and unpleasant duties undertaken by members, such as looking after the tickets and gate, for which down East we have to pay someone, especially in the case of a four-day show.

The hall was not available until midnight of Monday night, as there happened to be a concert on Monday evening; but by twelve o'clock there was a splendid band of workers with saw and hammer and by nine o'clock things were in fair shape, but on account of this delay the opening of the show was put off until Wednesday morning. The benching was all new and of the very best. The partitions were kindly loaned by the Canadian Industrial Exhibition. The benching now is the property of the Winnipeg Kennel Club and is a valuable asset for future shows.

The Winnipeg dog fanciers have a tremendous advantage over any other city we know of in the Industrial Bureau Hall for holding shows. It is the old station of the Canadian Northern, we understand, and the best way to describe it to the easterners is to liken it to Convention Hall, Buffalo, where the Buffalo Kennel Club held their shows. It is very large, well lit and well warmed, with a concrete floor that

series, and 1,000 with them. It is situated on Main Street, in practically the very centre of the city. Combined with the above advantages is the low price of rental, as the hall belongs to the city and is used for the purpose of encouraging just such shows as this. It fills the place that the old Pavilion filled in years gone by in Toronto. We in Toronto are sadly in need of such a building, had we one we could hold five or six shows every year.

The weather for the show was perfect, just cold enough to be pleasant and clear and bright.

It is hardly fair to individualize anyone, as the whole club and committee seemed to be there and working. However, we cannot help pointing out the perfection in clerical work and detail due to the untiring perseverance of the secretary, Mr. S. C. Taylor. Many nights he must have spent with his clothes on. In fact, we know he did. The catalogue was practically errorless, and while we are at this point, let us give the greatest praise possible to the stiff standing the secretary and club took on the very important point of late entries and the count of the dogs. Every dog judged was benched, every dog benched but one, due to an oversight, was catalogued, and the count was the count of the dogs benched. Many dogs were offered for entry at the opening of the show, but refused, and this is the more commendable when it is understood that the count of the dogs benched was within twenty of a five-point show. We may safely say that no show in Winnipeg of recent years can point to such a clean record. The superintendent, Mr. Jack Milner, also deserves special credit. The show was clean, even as Spotless Town, which was very much appreciated by the exhibitors and visitors, especially the ladies, of whom there were many. In this connection we think the club was remarkably successful. The number of lady exhibitors greatly helped on the pleasure of the show, and we hope and think they will give their

the slightest objection, from any point of view. The Winnipeg Kennel Club do wisely in recognizing the strength and importance of this element.

The size of the hall made the attendance look small. It would take over a thousand people to make an impression on it, and the general depression of war times accentuated this. Under the circumstances we think the gate was good. We predict a brilliant future for the Winnipeg Kennel Club, and the reputation of this show will unquestionably make future events easy, and we already hear of more to come.

The strong drawing card of the show was the judge, Mr. James Mortimer. In securing him the club placed the hallmark of sterling quality on their show, for only they can possibly secure such a judge in Winnipeg. Many who had had their dogs experimented on by various imitators were eager to have a proper decision from Mr. Mortimer. He was in splendid fettle. We never saw him looking better; in fact, he seemed to enjoy the bracing weather of Winnipeg and the dog show. His judgments gave great satisfaction, as usual.

Mr. Trautman, the president of the club, very ably helped on the show, and Dr. Kenny, president of our Advisory Board, must have got into serious trouble through the neglect of his practice. The two of them kept things running very smoothly. For ring stewards Mr. Mortimer had Mr. Belcher and Mr. Ayre. We have frequently marked out some of our men down here as strong at ring stewarding. We retire them all or cut down their salaries to war-time figures. Messrs. Belcher and Ayre have a permanent job. Then there were a host of others, almost too numerous to mention, some of which were Messrs. Harvey, Boucher, Village, St. John, Tom Milner and H. Leslie.

Ontario sent up a carload of dogs with Mr. Bert Swann, and we wish to point out that these dogs, thirty-two of them arrived in Winnipeg in better

and on return to Toronto they had still further improved. They were the cream of many of our breeds and accounted for a very heavy share of the prizes.

Mr. Dan Thody brought up the Edmonton dogs, also in the pink of condition. Among them were some of the finest sporting dogs we have ever seen. The Edmonton fanciers are splendid supporters of all the shows and deserve credit for it, but without Dan Thody they would be lost. It is a case of a good man making a doggie town.

The whole show was in splendid condition, not a questionable dog was benched, another point on which the Winnipeg Kennel Club insisted strongly.

We wish to personally thank Controller Midwinter for the active interest he took in the dog show, being present most of the time and assisting in giving out the special prizes. We hope the boys will remember the Controller and that he in turn will prove a good friend to the Winnipeg Kennel Club.

The dogs themselves were a representative lot of very high quality, with, of course, the sporting dogs, except Cocker, standing out strongly. Here we saw Irish Water Spaniels in good numbers, and several Field Spaniels, such as we would not see in Eastern Canada in any show outside of our Exhibition, and the Otterhound was represented with one splendid specimen. Big dogs came out strongly in both St. Bernards, Newfoundlands and Great Danes, though the latter were poor in quality, and the prizes in the former were accounted for by Eastern dogs—wherever represented. Russian Wolfhounds were grand. Our Edmonton fancier, Dr. Chas. J. Reid, showing his top-notchers. Greyhounds, but one, the recent importation of our worthy president, but made up in quality for lack of quantity. These were three Irish Wolfhounds that would make a sensation in Toronto. In English Setters and Pointers the exhibit was grand, but the tendency is to the field type, but isn't this right? If the hunter by experience proves a certain type more suitable, should not the bench show follow? We think so. Here they have what is called the "Fifteen-minute" dog, smaller than our show dog, hard as nails and thin and very quick travellers, the idea being to put down a dog in a field for fifteen minutes only. To do the work in that time he must go some and stick strictly to business. The Airedales and Collies were both large classes

with really high quality, especially in the Collies. Cockers seemed to want encouragement, as they do in the East, and there is little to the credit of the Eastern fanciers that not one Cocker went up to the show. They are sticking to their dog in the manger policy, and the results are showing everywhere. English Bulldogs were in good numbers, but only fair quality in the dogs, the bitches were better, contrary to the usual. Smooth Fox Terriers were stronger than the Wires, due to the support of the Sutton and Madison Kennels, who seem to be about the best supporters, both in quality and numbers, this breed has in Canada. Bull Terriers were fair. We wish we could have shown the Winnipeg fanciers some of the Glenedyth cracks. Boston Terriers, outside of a few, very few, were not good enough. Whippets were a strong class, both in quality and numbers. Toys were very strong. A new breed to our shows, and a very interesting one, were the Cairn Terriers, represented by several very high-quality dogs. We hope they will come east for some of our shows. Two other strangers were a Belgian Sheep Dog and a Husky, of the very best. Special mention should be made of the very strong showing of Pomeranians, a good team of four could be picked out in Winnipeg to come down to our Exhibition and keep them all worrying here.

ST. BERNARDS—Puppy dogs and bitches—1st, Lord Snookums, a dog of good size, with great bone, profuse coat and the front of a terrier, but not good in muzzle. His coat might be straighter. Novice, a repeat. Limit—1st, Avenue Lord, good size, lacks quality of head and tail too high. He is better behind than the second and better in head. 2nd, Lord Snookums. Open dogs, a repeat. Winners, Avenue Lord. Reserve, Lord Snookums. Novice bitches—1st, Alta Princess, a big, heavily-boned, good color and sound bitch, moves well, good coat, beat her kennel mates in soundness, though not so good in head. 2nd, Bella, a fair sort, but light all over. Limit bitches, a good class of four; 1st, Alta Princess. 2nd, Lady Carlisle, a good colored big bitch, with great bone and front, a little off in one hind leg, but moves well. She lost to the winner in head, leaning a little too much to the Mastiff in wrinkle only, could do with more lip corner. 3rd, Dame Mirza, sound, good coat

and color. Bitches—1st, Lady Carlisle. 2nd, Alta Eva, who loses in soundness only, but her typical head, grand condition and real St. Bernard character we think should have placed her one higher. Winners, Alta Princess. Reserve, Lady Carlisle.

GREAT DANES—Puppy dogs and bitches—1st, Olga, an unfinished brindle, wants to fill out. Limit dogs and bitches—1st, Otto, a typical black, with a good head and ears, good body, but a bit throaty, and crooked in front. 2nd, Lady Cora, a Harlequin, a bit long and plain in skull, good bone and body. 3rd, Blue Boy, good in body only. Open dogs and bitches—1st, Olga. 2nd, Otto, a mistake, as this was the most typical of the class, but was placed down for bad condition, and was badly shown. 3rd, Lady Cora.

NEWFOUNDLANDS—One only, the well-known Ch. Earl of Suffolk, a show in himself.

RUSSIAN WOLFHOUSES—Puppy dogs—1st, Prince Rexall, a fair puppy. Puppy bitches—1st, Thelma III., rather too long in body. Limit dogs—1st, Czar Michael, wins easily on size and substance, and grand heart room. His action is beautiful and he was in the pink of condition. 2nd, Prince Rexall. Open dogs—1st, Ch. Genest of Rosseau, great size, grandest possible depth of brisket, good body and hindquarters, and shown in grand condition. He was one of the attractions of the show. He is a little bit plain in head, and just commencing to show the effects of time. 2nd, Czar Michael. 3rd, Prince Rexall. Novice bitches—1st, Frieda of Rosseau, was a very listless shower, and lacks length of head. 2nd, Thelma III. Limit bitches, a repeat. Open bitches—1st, Ch. Caerhysddu Ellka, not looking at her best, grand size and depth, good head, a little uncertain in front.

IRISH WOLFHOUSES—Puppy dogs and bitches—1st, Prince II., a real good puppy, great bone, sound and lots of character, only wants size which age will surely bring to make him win in much stronger company. 2nd, Jack, a litter brother, well grown and sound, not quite the character of the winner. Limit dogs and bitches—1st, Mutt, who won on maturity only, a very fair dog, leaning too much to Scottish Deerhound type. 2nd, Prince II., who, on superior type should have won. 3rd, Jack. Open dogs and bitches, a repeat.

BLOODHOUNDS — Limit dogs and bitches—1st, a class of three, in which Wynyard Brenda stood out, a grand bitch in every way, good body, bone, substance and sound, grand head, beautiful wrinkle, we would improve a little in peak. 2nd, King Max. 3rd, Cuban Prince, these two were just fair. Open dogs and bitches, a repeat. Winners, Wynward Brenda.

GREYHOUNDS — Open dogs and bitches—1st, Master Butcher, who made his first bow to Canada at this show. He is a grand addition to our ranks, being probably one of the best, if not the best, dogs we have of any breed. We do not know where we could fault him, as he exactly fills the eye, his outline being the most graceful possible. He stands out, however, strongest in depth of heart room, neck and feet, and in no place whatever is he weak.

FOXHOUNDS brought out two very fair ones in Prisoner and Blue.

OTTERHOUNDS brought out a new exhibitor in Mr. A. W. Riedle, proprietor of the Edelweiss brewery, of Winnipeg. The dog Trueman is a magnificent Otterhound, good enough to show and win anywhere in America, and we hope his owner will be so generous as to let the fanciers in Toronto have a look at him at the next Exhibition, that they may see what an Otterhound should look like.

POINTERS—Novice dogs—1st, Edmonton's Best, straight on his pins, regular Foxhound front. His shoulders are right, being fine and well placed. His head a good length and square cut, steady shower, not deep enough in muzzle, and might be improved in middle piece, but will get that with age. 2nd, Trilby, shoulders coarse and not enough power behind, but otherwise good. 3rd, Prince Albert, lots of bone and fair head, but out at elbows and not enough liberty, being all of a heap. Limit dogs—1st, Kamsack King, a grand stamp of the old field trial type, and in good field trial condition, a little loose in front, in spite of his age, he still retains a good head, which is level. In fact, he has the best head of the class. 2nd, Edmonton's Best. 3rd, Prince Albert. Open dogs—1st, Kamsack King. 2nd, Yuma's Tonti, the real English type, very good in head and a splendid dog all through, but thick through the shoulders. 3rd, Edmonton's Best. Winners, Kamsack King. Reserve, Yuma's Tonti. Puppy bitches, a good class of

grand expression, fair eye, bit twisted in left leg. 2nd, Nellie. 3rd, Yuma's Fly, has more size and we like her as well, if not better, than any in the class. Novice bitches—1st, Nellie. 2nd, Yuma's Fly. 3rd, Kent's Tango Tonti, heaps of bone, and well grown for age, but is throaty, too coarse and light in eye. Limit bitches—1st, Ozark Belle. 2nd, Kent's Tango Tonti. 3rd, Flush. Open bitches—1st, Ozark Belle. 2nd, Rodondos Prairie Queen, a grand one, full of quality, but showing age. 3rd, Yuma's Fly. Winners, Ozark Belle. Reserve, Rodondos Prairie Queen.

ENGLISH SETTERS brought out a very fair lot, 1st limit, 1st open and winners going to Royal Count Bowser, a lemon and white with a good front and bone, but plain in skull. 2nd open and reserve winners, Golden Rule, a real good one and our choice for winners by a mile, very deep in brisket and splendid lines of head. 1st open and winners bitches went to Victoria, a grand headed bitch, very much the same type as Ch. Golden Rule.

AIREDALE TERRIERS—Puppy dogs—1st, Donald Smart, a big, well-grown puppy, good head, strong foreface, fair eye, good ears and a very hard coat, could be improved in front, might have more bone. 2nd, Woodhall Sharp, a short hard coat and a good eye, not big enough. 3rd, Paddy. Novice dogs—1st, Kingsway Mack, a good color, fair bone and coat, good set-on of tail, strong enough in skull and very light in eye. 2nd, Red Rock, good foreface, good feet and bone, light in color and long in back, common in skull and strong in shoulder. 3rd, Donald Smart. Limit dogs—1st, Midland Romulus, grand expression, good color and splendidly shown, good top, good coat and neck, his eye though large is of good color, and he might be heavier in bone. 2nd, Caerphilly General, very big with good neck and bone, good foreface, good ear carriage, soft in coat and a bit long in body and about as bad a shower as we have seen. 3rd, Thunder Bay, the Port Arthur winner, we were a bit disappointed in. He has a stiff coat and long foreface, but his expression is not good, his body is long and not level. Open dogs—1st and winners, Moorside Rock, intensely terrier and in far better show condition than we ever saw him, and behaved in the ring for the first time as if he wished to win. We consider his win clear cut. 2nd, Mid-

the best legs and feet and body we ever saw and a good dog all over. His eye is very dark and his expression good. He was shown too heavy and looked coarse all over, which might have been improved, had his coat been trimmed. His place was first or third and the judge decided on third, but it was no easy task. We would consider Winnipeg very fortunate in having two such dogs as Midland Romulus and Woodhall Bob at stud. Junior dogs—Kingsway Mack. 2nd, Red Rock. 3rd, Paddy. Reserve winners, Midland Romulus. Puppy bitches—1st, Gypsy Queen, we did not note. 2nd, Solitaire, good size, bone and coat, might be better in feet. 3rd, Lansdowne Belle, good color, good bone, and good shape of head, with a dark eye, but very young. Novice bitches—1st, Woodbine Nell, good size and good body, but wants bone, has a low set-on of tail and not level in top. 2nd, Elmwood Lustre, a cracking good head and foreface, good in bone, might be better in feet, eye and length of body, showed badly. 3rd, Lansdowne Belle. Limit bitches—1st, Ellwyn Lady, good short body, front and bone, good coat and color and good eye, might be more level in back and stronger in foreface. 2nd, Silver Birch Falka, beautiful front, good foreface and eye, full of style, but carries one bad ear. 3rd, Woodbine Nell. Open bitches—1st, Ellwyn Lady. 2nd, Silver Birch Falka. 3rd, Woodbine Nell. Junior bitches—1st, Gypsy Queen. 2nd, Elmwood Lustre. 3rd, Patsy, good feet and legs, but plain in skull. Winners bitches, Ellwyn Lady. Reserve, Silver Birch Falka.

IRISH WATER SPANIELS brought out a real good lot, 1st open and winners dogs going to Bally Water Mike, with a good head, though rather pointed in muzzle, good eyes, but a little light in color, good ears, good back, but thin in loin, good tail, good hocks and feet, fair feather. He was too light in color and his coat was woolly instead of a hard curled coat. Reserve winners was Briarwood Rass. Winners bitches, Irish Molly, not in show condition. She has a good head and fair muzzle, good eyes, but might be darker, good ears, back and tail, good hocks and feet, fair muzzle, too light in color and should be harder in coat. Reserve winners, Spooksie, good head, eyes, ears and muzzle, good legs and feet, solid in loin and hocks well set, coat short, but

vim, but owing to the season, like the rest of the class, she lacked a hard curly coat, and long feather on head.

FIELD SPANIELS brought out two very fine ones in Sir Ebony, 1st in limit, open and winners, and Lady Ebony. These are the best we have seen in Canada.

COCKER SPANIELS on the whole were fair, but the blacks were below the standard. Novice dogs, black—1st, Durbar Donald, good eye and fair front, but too coarse in head. Limit, open and winners, a repeat. Puppy bitches, black—1st, Manitoba Minnie, a good eye and fair muzzle, but too fine in bone. Open dogs, any other color than black—1st, Blazer, nice cobby bodied, but gone at the shoulder, and showing age. Limit bitches, any other solid color than black—1st, Alberta Rose, a nice body and eye, fair muzzle, but bad in front. Open bitches, any other solid color than black—1st, Alberta Rose. 2nd, Manitoba Corette, a nice body, and a fair front, light in eye and shown too fat. Novice dogs, parti-color—1st, Jimmy Bennett. Open dogs, parti-color—1st, Manitoba Swift, a really nice Cocker, with a good muzzle and front, fair body, but too light in eye. 2nd, Jimmy Bennett. Open bitches, parti-color—1st, Black Hawk Fairy, away above the average, a nice mover, good in front, clean in shoulder, but too light in eye.

COLLIES—Puppy dogs—1st, Sceptre, we thought this was a lucky win, good body, bone and substance, true in front and carries good coat. His head is good, but devoid of expression, and looks rather plain. His ears, though large enough, were well carried. We preferred the second, Scotia Sensation, good head of the right type, nice eye, a good true expression. He was rather light in the middlepiece and did not stand right, but will fill out with age. 3rd, Elmwood Emperor, a fair-headed one, a little full in eye and ears not quite a pair, and might be smaller, good body, legs and feet, good coat. He was shy and handled badly. Novice dogs was a repeat. Limit dogs (sable) brought out two new ones in Weston Emperor and Weston Master Sample. The awards were a repeat. Weston Emperor we would like flatter in skull, but this disappears when his ears are up. He is grand size and coat, with tremendous length and strength of foreface, good front and bone, but we never

and absolutely refused to put his ears up. Limit and open (other than sable) went to Scotia Supreme. Corona Cyclone was unplaced in these classes. He is a grand puppy with a splendid head, though his nose is a little inclined to Roman, perfect front, he wants body and coat. Weston Master Sample, unplaced, is a good one, but carries one bad ear. Open dogs was headed by that grand dog, Parbold Picaroon, who here completed his championship. He was in great form, a beautiful head of excellent type, grand foreface, good eye and expression, a flat skull which must not get any stronger, and ears carried well. He also has a good body, legs and feet, true in front, sound hindquarters and a stylish mover. With the absence of Sceptre in the open class Scotia Sensation was placed second. 3rd, Elmwood Emperor. Winners, Parbold Picaroon. Reserve, Sceptre. Junior dogs—1st, Sceptre. 2nd, Scotia Sensation. 3rd, Elmwood Emperor. Puppy bitches—1st, Meteor Marvel, a real nice puppy, beautifully chiselled head of the right type, nicely filled up foreface, flat skull, dark eye and showing the real Collie expression, ears well carried, nice body, legs and feet, a shade light in bone, but if she improves, as she should, she will make a hard one to beat. 2nd, Weston Lady O' Quality, a rich colored sable and white, a trifle weak in muzzle, flat skull, small dark eyes, good ears and good straight coat, a shade on the small side, but a good one. 3rd, Hannahfield Duchess, a tri-color shown in poor condition, but a good one, though hardly the right type in head qualities, ears carried wide and looks a trifle low in front. Novice class, a repeat. Limit bitches (sable)—1st, Meteor Marvel. 2nd, Weston Lady O' Quality. 3rd, Tiny, much too small, as her name implies. Limit bitches (other than sable)—1st, Billesley Blue Broddie, a blue merle, her head is not what we like, being plain in skull, weak in muzzle, and full in eye, and almost pricked-eared. She has a good body, legs and feet, is true in front, and shown in good condition. 2nd, Hannahfield Duchess. Open bitches (other than white)—1st, Hannahfield Duchess. Open bitches (sable) a good class of seven. 1st, Seedley Smile, she is a large one owning a good head of the right type, might have a darker eye, sound body and hindquarters, good legs and feet, but not in the best of coat. 2nd, Corona Daisy, nearly five

everlasting kind, a big sound bitch. Her head is still good, shows a little weakness in muzzle and her ears are a bit slack, best of body and a great depth of chest, sound behind, showing age in the eye. The judge gave us a surprise in placing Billesley Blue Broddie third, he was carried away by her beautiful color, but she could easily have given way to Meteor Marvel. Scotia Supreme shown very thin, hardly right in head and a shade small. Winners bitches Seedley Smile. Reserve, Corona Daisy. Junior bitches—1st, Meteor Marvel. 2, Weston Lady O' Quality. 3rd, Weston Primrose, a very large one, a shade weak in foreface, in fact, too fine in head, excellent body and sound hindquarters, and the sort to breed from. She was bang out of coat. The provincial class brought in Sundridge Peggy. She took third over Weston Primrose, and as she is wrong in skull, full in eye and pricked-eared we could not follow the award.

OLD ENGLISH SHEEP DOGS — Limit, open and winners went to Beauty, a real good one, but too flat in coat.

ENGLISH BULLDOGS—Puppy dogs—1st, Nick, very young, good body, bone and skull, a really promising puppy. Novice dogs—1st, Lucky Strike, good bone and body, big in skull, poor expression and ears too high. Limit dogs, heavyweight—1st, Chinook Courtney Coronet, a white pied with a grand rib and body, good front, low to ground, sound, but wants bone. His tail is set too high. He has a grand girth of skull, which makes its extreme shortness more noticeable. This is probably the worst possible type of skull, and being down-faced, almost to frogginess and with a tiny nostril, the whole expression of the dog is spoiled. In fact, he is deteriorated extremely since we saw him in Toronto, and not for a moment can we excuse his placing. The dog that should have been first and winners beating him by a mile was the good brindle Trafford Bill, who has a good skull, good layback, good wrinkle, a fair turn-up of underjaw, and good expression. His body is short and good, well roached, and he has a splendid front, and is sound. His foreface was wide and square. 3rd, Ironsides, a big boned brindle with a good roach, narrow in foreface and underjaw, and walks badly. Limit dogs, lightweight

Bill. 3rd, Moston Marshall, too well known and too often reviewed to stand repetition. He was in grand condition, but is showing age. In spite of all this, however, he should have been an easy second to Trafford Bill. Reserve, Goodshot, who has not improved. He seems to have gone slack and shows want of exercise. He has a grand shoulder, good front, good skull and a deep stop, might be stronger in body and better in turn-up. Barring his condition, he should have been third. Open dogs, lightweight—1st, Elmora Nuffed. Junior dogs—Lucky Strike. Winners dogs, Chinook Courtney Coronet. Reserve, Trafford Bill. Puppy bitches—1st, Good Fortune. Novice bitches—1st, Princess Patricia. 2nd, Good Fortune. Limit bitches, heavyweight—1st Chinook Tenacity, a fawn with a grand layback and cushion, good skull and foreface, good body, but a bit high, a real good bitch all over. 2nd, Glenville Pride, a very fair stamp of a white pied bitch, good body, bone, and sound, fair skull, could be improved in foreface. Limit bitches, lightweight—1st, Trafford Kitty Karnation, one we reviewed at the Exhibition, and a beautiful quality bitch all over, though we think she looked a little slack in body at this show, in good firm condition no other Bulldog at this show could have touched her. 2nd, Crescentwood Tillie Glennan, a white pied bitch with a splendid body. 3rd, Chinook Queen, a red, good body and well wrinkled on skull, a bit plain in foreface, weak in pasterns and lame. Open bitches, heavyweight—1st, Chinook Tenacity. 2nd, Glenville Pride. Open bitches, lightweight, was a repeat of the limit. Winners bitches, Chinook Tenacity. Reserve, Trafford Kitty Karnation.

FRENCH BULLDOGS—In bitches Josephine was alone, a rather good French, shown too fat and several sizes too large. Jacques Jr., the only dog, just fair.

FOX TERRIERS (Smooth)—Puppy dogs—1st, Tim, a good type all over, but big. 2nd, Prince, a tan-marked dog, good bone, legs and feet, and a better size than the winner, but loose in shoulder and plain in skull. Novice dogs—1st, Tim. 2nd, Garry Magnet, good legs and body, plain in skull. 3rd, Coeur de Leon Sutton, good front, good size and a long way the best head in the class, but has one bad ear, barring this fault he was one of the best smooths in the show, and even with it he should

have been second in this class. Reserve, Garry Mainmast, very common. Limit dogs—1st, Madison Magnet, a real good one, and we never saw him looking so well. He is a good size with two minor faults only, a little low set in tail and uncertain in elbow. 2nd, Rustem Sutton, a splendid foreface, skull and head, and a good shower, not the best of feet. 3rd, Slater's Jack, has a good front and feet, good head. Open dogs—1st, Madison Magnet. 2nd, Sabine Ringgold, lost on coat. 3rd, Winsome Punch, plain in head and full in eye, he should not have beaten Rifle Sutton. Junior dogs—1st, Tim. 2nd, Garry Mainmast. Winners dogs, Madison Magnet. Reserve, Sabine Ringgold. Puppy bitches—1st, Madison Arabella II., she has got a clean good front and feet, but a little long in body. 2nd, Nancy Sutton, a real good puppy, but young, good head, dark eye, short back and grand hindquarters. 3rd, Mimi. Novice bitches—1st, Madison Arabella II. 2nd, Garry Matilda, common in head, long in loin, not a show specimen. Limit bitches—1st, Texas Sutton, nice size, fails in bone, good head and body. 2nd, Garry Matilda. Open bitches—1st, Princess Patricia, a real good one, just about a pound too light, grand foreface, skull and dark eye, good front and short back, a bit plain over the loin, and her ears are not just right. 2nd, Garry Merry Girl, a big plain bitch and very fat. Junior bitches, Texas Sutton alone. Winners, Texas Sutton. Reserve, Princess Pat.

FOX TERRIERS (Wire) — Puppy dogs—1st, Seldon Sockett, a very trappy white, good head and foreface, a little long in body. Novice dogs—1st, Seldon Sockett. 2nd, Oxspring Tommy, a good headed dog with a strong foreface, lots of bone, and a good coat, which was too short, and on the day he was lame, and was withdrawn from subsequent classes. Limit dogs—1st, Madison Dare Devil, full in size, but a trappy kind of dog. Could be improved in front and foreface. 2nd, Seldon Sockett. 3rd, Grovefield Don, a little one with a grand head, perfect body, best of legs and feet, but shown in poor shape and untrimmed coat and dirty. His excessive coat gave him the appearance of being heavy in shoulder and wide in front. We believe that if he was properly trimmed he would be the best Wire Fox Terrier we have in Canada. Junior dogs—1st, Seldon Sockett. 2nd, Grovefield Don. Novice bitches—1st, Leeds Daffodil, just a fair

bitch. Open bitches—1st, Waltz Dream, well known, good bitch, so often reviewed. Winners bitches, Leeds Waltz Dream. Reserve, Leeds Daffodil.

BULL TERRIERS—Puppy dogs—1st, Epsom King, good body, good eye, and a down face, but too broad in skull. 2nd, Franklin Gallahad, a good long head and face, grand eye and lots of bone, perfect ear carriage, wants flesh and a bit shy when handled. 3rd, Muggs. Novice dogs—1st, Franklin Gallahad. 2nd, William the Silent. Limit dogs, heavyweight—1st, Franklin Dynamo, in grand form and showing splendidly. He is a real good dog and stood out fairly clearly in this company. 2nd, Epsom King. 3rd, William the Silent. Limit dogs, lightweight—1st, White Star, a little strong in skull, good front and feet, rather large in eye. 2nd, Dixie. Open dogs—1st, Franklin Dynamo. 2nd, White Star, we don't agree with this placing, as we think this dog should have given way easily to Epsom King, who was third. Junior dogs—1st, White Star. 2nd, Epsom King. 3rd, Franklin Gallahad. White Star should have been satisfied with third in this class. Winners dogs, Franklin Dynamo. Reserve, White Star. In bitches, outside of Princess Patricia, the quality was not strong. Princess Patricia, looking well, took winners.

AMERICAN BULL TERRIERS—The first dog was Ginger. He was a clean dark brindle with good legs and feet. The 2nd dog, Porthos, we thought, was big and coarse. In bitches, Lady Croff was placed first, a very fine saffron brindle on quality lines. 2nd to her was Trike, a beautiful dark brindle with a good front. The judge gave his decision in this breed on the regular Bull Terrier type.

BOSTON TERRIERS—Puppies were not very high quality. Novice dogs—1st, Tony Ringmaster, a very good head, but shown too thin, and is out in feet. 2nd, Onadaga's Busta, poor crop and undershot. Limit dogs (12 to 17)—1st, Ingram's Little Man, a very trappy little Toy, splendid color and markings, good legs and feet, good head, little uncertain in mouth and might be more level in back. 2nd, Tony Ringmaster Jr. 3rd, Onadaga's Busta. Open dogs (12 to 17)—1st, Ingram's Little Man. 2nd, McGlynn's Delight, so nearly black as to be questionable. 3rd, Tony Ringmaster Jr. Limit dogs (17 and under 22)—1st, Bostonia II., a fair

type, but not good in head. Open dogs (17 and under 22)—1st, Bostonia II. Winners dogs, Ingram's Little Man. Reserve, McGlynn's Delight. Puppy bitches—1st, Dainty, not good in markings, lippy and coarse in head, otherwise a fair bitch. 2nd, Pearl Hooker, a very young one, nearly all white, needs time. 3rd, Mary McDonald, altogether too big and mismarked. Novice bitches—1st, Bell Rock Queen, nice legs and feet, good color, clean head, long enough in muzzle, and gay in tail. 2nd, Bell Rock Trixie, good color and markings, good legs and feet, too long in muzzle and body. 3rd, Peggy, long in muzzle, as were all first three, and undershot, nice body, bad feet. Limit bitches (12 and under 17)—1st, Bell Rock Queen. 2nd, Bell Rock Trixie. 3rd, Peggy. Open bitches (12 and under 17)—1st, and 2nd, repeats, 3rd, Sweet Mary, nice head, good color and markings, bit up in the air, straight in hocks and lacks substance. Limit bitches (17 and under 22)—Mary McDonald. 2nd, Miss Jackson. Open bitches, Mary McDonald, 1st. Limit bitches (22 to 28)—1st, Tiny. Open bitches (22 to 28)—1st, Judy. Winners bitches, Bell Rock Queen. Reserve, Bell Rock Trixie.

IRISH TERRIERS — The winning dog was Quarrywood Paddy, a puppy with good color and lots of bone, in fact, a fair one, but he must not grow. The winning bitch was Quarrywood Biddy, too well known for description.

SCOTTISH TERRIERS — The winning dog was Emigrant McIvor, a grand headed dog, a fair coat, but too long in body. Reserve winners, Knockrea McGregor, fair head, good ears, soft in coat and shown rough. The winning bitch was Betty.

WEST HIGHLAND TERRIERS brought out a good lot, The winner was Strath, who won on his small size, but had a flesh-colored nose. 2nd, Muligatawany, a real good terrier, good in color and coat, good type all over, is better in nose than the first and lost only in size. 3rd, Rhue, another really good one. These three winners in White West Highlnds might be shown anywhere in any company with a good chance of winning.

SKYE TERRIERS—The winner Ladner, a real good dog, a little short of coat.

WHIPPETS—Puppy dogs—1st, Lemberg, a black, too big and high on leg, and straight behind, otherwise a very

nice one. Novice dogs—1st, Lemberg, 2nd, Deerslayer, coarse. Open dogs—1st, Granite Oak Masterpiece, the well-known winning red, built on very fine lines and a real good one. Winners dogs, Granite Oak Masterpiece. Reserve, Lemberg. Puppy bitches—1st, Lady Friar, a big black, too high and more of the racing type. 2nd, Granite Lass, still too soft, but when muscled up and in shape will easily dispose of any of her competitors. 3rd, Worley Floss, in good shape and condition, a very young fawn, but will probably grow coarse, but on the day she looked well and might have changed places with the first. Novice bitches—Worley Floss. Limit bitches—1st, Flower Girl, a fawn, good all over, but a little plain in head. Open bitches—1st, Granite Oak Molly, wins in heart room, body shape and neck. Junior dogs and bitches—1st, Lady Friar. Winners bitches, Granite Oak Molly. Reserve winners, Flower Girl.

CHOW CHOWS brought out a real topper in Chang II., a black of the best type and quality. He would be an addition to our Eastern shows.

POMERANIANS—Puppy dogs and bitches—1st, Ruby, a very small, cobby wolf sable, good plume, good head, skull and ears, but flat in coat. 2nd, Tango, a bit strong in skull. 3rd, Babbington Bennie, good head and ears well carried, a wolf sable, wanting coat, good tail and good shower, but high enough. Novice dogs—1st, Fiji, too big. Limit dogs and bitches (chocolate or brown)—1st, Jesmond Pansy, a chocolate, nice size and good coat, what there is of it, but a bit leggy. 2nd, Babbington Bruce, lots of coat, but too flat and inclined to be strong in skull. Open dogs—1, Babbington Bruce. Open dogs (black)—1st Bobby, very good color, good style, not good in tail carriage, coat of good texture, but not enough of it. Open bitches (black)—1st, Tiny, a very small one, good tail, good body, legs and feet, but a bit grey in muzzle. Novice dogs and bitches (white)—1st, Pansy, flat coat, not a show specimen. Limit dogs and bitches (white)—1st, Pansy. Novice dogs and bitches (A.O.C.)—1st, Babbington Bennie. 2nd, Admirator, too big. Limit dogs and bitches (A.O.C.)—1st, King of the Sables, a sable, or you might call him a cream, grand coat, short body, grand shower, good black nose, in fact, a good one all over, a little large in skull. 2nd, Dolly Gray, a wolf

sable, very small, grand plume, fair coat, cobby, grand color, bit strong in skull. 3rd, Misty Morning. Open (A. O. C.)—1st, King of the Sables. 2nd, Admirator. Open bitches (A.O.C.)—1st Vanity Sunbeam, grand orange, good coat, small and cobby, finest possible color. This is a real good one. 2nd, Dolly Gray. 3rd, Snookum, too high and big. Open bitches (over 7 lbs)—1st, Knockrea Saucy Atom, a chocolate wanting in coat. Winners dogs, King of the Sables. Reserve, Bobby. Winners bitches, Ch. Tiny. Reserve, Vanity Sunbeam.

TOY POODLES were not shown in good condition. It was a big class of good quality.

ENGLISH TOY SPANIELS—Limit dogs and bitches, both rubies of good type. Espero Fairy shows shading and was beaten by Celamo Red Clover in face, color and type. In Prince Charles and Blenheims—1st, Evensong Fame, a grand Prince Charlie, a bit high set in ears, good head markings, and face type, but a bad shower. 2nd, Ashton Lalla Rookh, smaller, too small in skull and face, better in body and moves well, loses a little in face markings to first, better set of ears and should have won. 3rd, Celamo Jaimie, just a fair Blenheim, out of coat. Reserve, Evensong Charlie, a Blenheim, too big, but grand coat and color. Winners, Evensong Fame. Reserve, Ashton Lalla Rookh.

YORKSHIRE TERRIERS were four, the winner, Wellesley Prince, is lower to ground and more level in back than the second, Victor of Roundhay, who is broken in head color, but has more quality, better head and more fall than the winner.

PEKINGESE SPANIELS—Ch. Dode-tainme was a very easy winner, looking better than we ever saw him before and putting on a body coat. The reserve winner, Li Hung Chang, a sable lacking mane and plume, but good coat and good skull.

Two splendid **CAIRN TERRIERS** were shown, the first we have seen here, and declared by the judge to be very high-class specimens of the breed.

The miscellaneous class brought out by far the best collection we have seen in this class for a long time. The winner, Prinz, was a Belgian Sheep Dog of the very best type, and the Husky, Coffee, we understand, is one hard to beat.

New Brunswick Kennel Club Show

Specially Reviewed for Kennel and Bench.

The annual bench show was a success, both in quality and numbers, and Mr. Chas. H. Mason's judgments were very thorough.

ST. BERNARDS—In this class entries were small and poor in quality, lacking shortness and depth of muzzle, all shown too light and out of coat.

NEWFOUNDLANDS — This class brought out a good winner in P. Killorn's Fly, about the right size, good in coat, bone and skull, could be shorter and deeper in muzzle.

POINTERS—Mr. Seth Jones' Buck, shown in good shape, was quite the choice of the dogs, while with the bitches, Betty was the surprise of the show, Betty, owned by Miss Winnifred Ross, a black and white, put down fit, she has a nice expression, excelled in head, neck and shoulders, with deep ribs, and well let down behind, giving the body a very racy outline, she also secured the special for the best in the show.

ENGLISH SETTERS—This was a good class and some showed quality. Winners in the puppy class was a nice home-bred, good in head, shoulders and body. Winners and open dogs was Wyoming Valley Shallop, a good one with beautiful head, a strong square muzzle, nicely placed ears, good in bone, deep well-sprung ribs, a nice mover, could be flatter in coat, but shown too fat. Winners bitches brought out Wyoming Valley Flash II., a ticked lemon and white. She has a nice head, with low-set ears, big in rib, short back, with a good coat, could be darker in eye.

IRISH SETTERS—This class showed seven good ones, with three new faces to us, Ch. Shamus O'Brien, Ch. Pride of Erin and Red Maize. Winners dogs was the well-known veteran, the international champion, Ch. Shamus O'Brien, being put down fit as usual, and too well known to describe, one has to see those eyes and note the "rale Oirish" expression, not seen often enough in the new ones coming out. Reserve winners, Barney, good in coat and bone, but coarse, too much on the Red Irish Setter type. Winners bitches showed another veteran, senior to Ch. Shamus O'Brien, in R. B. Laskey's Ch. Pride of Erin. This is a well-preserved bitch of racy outline, carrying good length

of head, right in muzzle, nice eyes and low-placed ears, good neck, well set shoulders, deep in chest and well-sprung ribs, and shown in good condition. Reserve winners, Red Maize, good in coat and outline, good size, a little light in eye, wants time.

COCKER SPANIELS, numbering twenty-six, quantity rather than quality, the blacks were on the small size, most lacked condition, and weak in foreface.

PARTI-COLORS showed a few of better quality, the winner, L. W. Lehrle's Sir Bonnie Kelso, a good dog, too heavy, with a nice body and with good bone. Winners bitches, Durbar Dora, a young one, fairly good type, very good in body, flat coat, nice skull, ears well placed, muzzle could be shorter.

FIELD SPANIELS—The winner, Alwyn Coristine's Braeclough Marsdon Banker, a good one, grand in skull, and low-carried ears, nice body and feet, shown in good condition.

COLLIES—Fourteen, only a fair lot, poor headpieces, light in bone, and poor coated, the winning dog, Watch, only a fair one, lacks length of head, could carry more coat. Winners bitches, too late for the catalogue, lacked finish to coat, but better in head and outline than winners dogs.

FRENCH BULLS — Winners dogs, Bilbouquet, only a fair one. Winners bitches, Gaby D'Athos, has a nice body, nice skull, lacking in foreface.

BULL TERRIERS showed a number of home-breds, which lacked length of head, and filled-up forefaces. Winners dogs, a new face in Charleswood Imperial, put down to the minute, nice in body and length of head, good shoulders and feet.

PIT BULL TERRIERS need no encouragement from the bench, and any judge is more or less at sea in placing them. 'Nuff sed.

BOSTON TERRIERS—Sixteen, only a fair lot. Winners dogs, Spider, not cobby enough, could be shorter in body, off in markings. Winners bitches, Princess Patricia, went from puppy to winners, shown quite fit, not even in blaze, tail rather long.

AIREDALE TERRIERS had eight entries, with H. A. Rutley's Colne Express Order taking winners, with nothing near him in type or condition, good

length of head and muzzle, plenty of bone and hard coat, needs more of it. Reserve winners, Scottie Brier, just dog, placed over Heather Jock, could not follow the judge in this placing, as Heather Jock is nearer the correct type.

FOX TERRIERS (Smooth) were a fairly good lot. Elore Ruler, a fair head, good ears, eye and body, nicely marked. Reserve winners, Oxford Nemo, good type, could be a little larger. Next, Blue Nose Billy, a short-backed one, rather high on the leg and too fine.

FOX TERRIERS (Wire) were not up to the average. Winners, Wilson's Brier, a well-known dog here, shown in better form than usual. Winners bitches, Wilson's Northern Janet, a veteran, good in bone, eye, hindquarters and feet.

TOYS showed one Black and Tan, a fair one, nicely marked and in good condition. The best Toys were Mrs. F. Gruenwald's Pomeranians. Of the three Little Nipper was showing the best, a black, showy one, nice in feet and expression. Little Nipper and Sir Bruce taking winners for the best brace in the show.

Winners of Variety Classes, Sporting dogs and bitches (Terriers barred), Ch. Shamus O'Brien. Reserve, Ch. Pride of Erin.

Non-Sporting dogs and bitches (Toys and Terriers barred)—L. MacLaren's Bulldog bitch, Ivanhoe Violet, winners. W. W. Laskey's Bull bitch, Pitlands Blackberry, reserve.

Terriers, dogs and bitches—Winners, Mrs. R. A. Ross' Scotch Terrier, Drumclaph Laird. Reserve, Mrs. Ross' Scottie, Ch. York Scotch Highball.

BULLDOGS — Puppy dogs, Lord Argo, alone in his class, a brindle-pied youngster, that shows promise, good in bone, short back, looks as though he would make into a very good dog. Limit, 1st, Silver Reflex, a brindle-pied with nice set-on of shoulders, good in roach, and free mover, shown in good condition, nice head and foreface and good rose ears, could be shorter in body, with better spring of ribs. Reserve winners, Kingsdale Nipper, dark brindle, very short in body, a little on the leg, loses to winner in head and movement. Limit bitches brought out two

Review of the Breeds by the Judge, J. H. Bailey.

good ones, the winner, Ivanhoe Violet, a very short-bodied one, low to the ground, good shoulders, very good head, skull somewhat rounded, nice rose ears, tail set on somewhat high, as she is so short, it gives her a wedgy movement, could have more spring of ribs. 2nd, Patricia of York, good in shoulder formation, nicely sprung ribs, good cut-up of loin, with beautiful hindquarters, and low set-on of tail, nice head, perfect rose ears, but loses to the winner in foreface. Limit bitches, (over 40 lbs.), Pitlands Blackberry, alone in her class, a dark brindle, shown in perfect condition, low to the ground, big-boned, good hindquarters, well cut-up of loin, grand shoulders, not very good in ear carriage, head a little small, with a wonderfully well-filled-up foreface. Winners bitches, Ivanhoe Violet. Reserve, Pitlands Blackberry. These could be placed either way without error. Ivanhoe also won special for the best Bull.

SCOTTISH TERRIERS—Local dogs, Jock Scot, 1st., a black one, with small eye, harsh coat and long head, marred by a bad front. Winners dogs brought out the home-bred of Mrs. R. A. Ross, Drumclaph Laird, a credit to his owner and will probably make into our best Canadian-bred. This stylish dark brindle is cloddy, with deep well-sprung ribs, good front, beautiful quarters and nice stern, his head is long, with nicely-carried small ears, rich dark eye, a hard-bitten terrier.

IRISH TERRIERS—Winners dogs, Bob Ross, Thornecroft Dictator, 1st, a mick all over, a little on the large size, nice racy outline, good shoulders and bone, coat a little dark. Winners bitches went to Ch. Aroostook Belle, a nicely modelled one, brick red color, harsh coat, good head and expression. Reserve winners, Katie Brogan, a nicely-balanced terrier, correct in size, good harsh coat, the best of legs and feet. This puppy went from puppies to reserve winners. As she is a young one she will be heard from later. In closing would say the class and quality of Irishmen would be worthy of our largest shows, and it was a pleasure to meet Mr. and Mrs. Powers, from Houlton, Maine, and we trust to see them again with us, as they made many friends.

A hot fight was put up for the best in the show between the Pointer bitch, Betty, and Ch. Shamus O'Brien, the former winning.

Bob Ross, with his string of dogs, accounted for 8 cups out of 20.

AIREDALES reigned supreme as far as large entries were concerned and brought out some really good dogs, there being 24 dogs benched. It took some careful judging to select the winners in some of the classes—it was just a case of they could not all win. Open dogs brought out 12 entries. 1st went to H. A. Ruttan's Caerphilly Thunder Bay, a grand type of Airedale, and shown to perfection, a dog that is hard to find fault with, has good bone, good coat and has a good clean-cut head, could be a little better in ears. 2nd went to G. T. Home's Red Rock, another good type of Airedale, but loses to the winner in skull and coat, but a good showy dog. 3rd went to Peter Ross' Midland Romulus, a grand showy dog, put down in fine condition, had he more bone he would have done better. Winners, Caerphilly Thunder Bay. Reserve winners, Red Rock. Open bitches in Airedales was another good class and brought out some classy types there being seven entries in the class and mostly all of them good. 1st went to S. C. Taylor's Elmwood Illustrious, a grand type of Airedale, good bone, good coat and finished off with a good long head of the proper type and a good shower. 2nd went to Dr. R. W. Kenney's Betty Sharp, another good type, and gave the winner a close call, but did not show so well. Tao reverse the decision would do no great harm. 3rd went to S. S. Naylor's Woodland Gipsy, a good type, and made a good third, but did not show quite so good a coat and lacked expression. It was a case where she did not care for honors, but nevertheless a nice bitch. Winners, Elmwood Illustrious. Reserve winners, Betty Sharp.

COLLIES brought out another large entry, being next to the Airedales in number benched, and there were some hot classes; another case where they could not all win, although some of them fairly begged for the ribbons and showed more love for one another than did the Airedales, and by the tossing of shavings by Mr. Village and Mr. Picard they mostly all managed to keep their ears in the proper style. The open class in dogs was a class that would do justice to any show ring and a class where the ribbons would only go half-way, as there were six dogs in

this class. 1st went to W. Bartlett's Corona Cyclone, a good big sable and white Collie, good bone, good head and fairly good coat, and above all a dog that shows well in the ring. 2nd, Geo. Gerrard's Napoleon, another sable and white dog that made a good second, and a dog that can make the best of them travel to pass him for the honors, could stand a little more foreface. 3rd went to Weston Emperor, of the Weston Collie Kennels, a Collie of the correct type, good bone, and was much the best in coat in this class, but lost to the above mentioned dogs in skull and eyes. Winners, Corona Cyclone. Reserve, Napoleon. Collie bitches were not quite as strong as dogs, but showed some fairly good type, winners going to Jas. D. Strachan's Coltness St. Mary, a good sized sable and white bitch, with good bone, good head and ears, but could stand more coat and ribs, but being quite a young bitch, no doubt with age will make a grand showing; reserve going to F. McDonald's Tinie, a good showy young bitch that does justice to her age, being only eight months old, no better could be expected, a very classy young bitch.

FOX TERRIERS were well represented, they came third in the number benched, and there were some real Fox Terriers of the proper type, the winners in dogs going to Rustem Sutton, of the Sutton Kennels. Rustem Sutton is one of the finest types of Fox Terrier dogs, he has no glaring faults, being well ribbed-up, good deep chest, good legs, well-tucked-up loins, good ears, and good coat, and the real expression. Reserve winners, J. Slatter's Slatter's Jack, another good type of Fox Terrier of the same class, but loses to the winner in chest, stifles and foreface. Bitches were not so well represented as dogs, but there was some real type. Winners in bitches went to S. C. Taylor's Texas Sutton, a real classy bitch and a good shower, could stand a little more rib, but she can make the best of them go for the ribbons. Reserve winners, going to Madison Arabella II., of the Madison Kennels, a good showy young bitch, but too young to compete against the winner. Among the other notable Fox Terriers that graced the bench was Ch. Arabella, of the Madison Kennels,

head, off in color. 3rd, Peggy. Local dogs—1st, Rugged Iron Duke. 2nd, Rugged Gentleman Monk. Local bitches—1st, Bonnie Vic.

BEAGLES—The winning dog and winning bitch were Mr. T. R. DeGeer's well-known Blythe Brush Bugle and Queen of Trumps.

FOX TERRIERS (Smooth)—1st and winners dogs, Sabine Ringgold, well known. 1st and winners bitches—Sabine Filmy, a good bitch, good head, ears and front, bit long in loin and light in eye.

FOX TERRIERS (Wire) — Limit, open and winners to the well-known Walnut Regalia, a grand wire all over, especially good in body, legs and feet. Milton Magpie was absent. In bitches, Hillcrest Feature was alone. Leeds Waltz Dream being withdrawn. She has a neat head, lots of bone, nice body and good top.

IRISH TERRIERS—1st and winners in dogs went to Thorncroft Dictator, thoroughly Irish, and a good one all over, but a little big. In open class second to him was Jack Canuck. In bitches, Quarrywood Biddy got winners, with reserve to Biddy O'Gowan, a short-haired red, hardly show type. The special for best Irish Terrier was awarded to Quarrywood Biddy, over Thorncroft Dictator, which we consider was a mistake.

Only one **SCOTTISH TERRIER**, in Ashburnham Premier, one we liked much, as he is of the cloddy, low-set type, with plenty of substance everywhere and good length of head. Mr. Ward's exhibit was absent.

In **BEDLINGTON TERRIERS** John Kenyon's exhibit, Haslington Pride, who completed her championship here.

POMERANIANS—Limit dogs—1st, Kelvinside Kewpie, a black with good head, lots of coat, but flat. Open dogs—1st, Kelvinside Blackie, splendid color, good in body, has improved in coat since the Exhibition. Open dogs—1st, Goldmine Birdie, a beautiful colored orange-shaded sable, also improving in coat. Winners went to Goldmine Birdie. Open bitches and winners went to Kelvinside Kewpie.

YORKSHIRE TERRIERS — Open dogs—1st and winners to Victor of Roundhay. 2nd, to Derby Ted, fairly close together. Open bitches and winners, Churchill Pansy.

PUGS—The well-known Dine, alone.

WHIPPETS—Granite Oak Masterpiece accounted for the dog section, and Granite Oak Molly for the bitches,

two top-notchers, well on their way to championship.

PEKINGESE—The well-known Dode-tainme was alone.

Miscellaneous—The miniature Boston, Queenie, went through her classes.

NEW CHAMPIONS.

TRULY A CHAMPION.

CHAMPION DODETAINME.

In every issue of Kennel and Bench since the arrival in Canada from England of F. C. Hunt's marvelous Pekingese dog, Ch. Dode-tainme, we have foreshadowed his success and winning qualities, which he has lived up to all expectations, having at Winnipeg completed his championship with all the glory it has been possible for him to achieve, having competed in every show held since his arrival in Canada, June 6th, he has never been defeated by a living Pekingese either dog or bitch, having at every show won the special for the best Peke, dog or bitch. He has gone through winning his classes with ease. At the Canadian National Exhibition and London Shows he won the special for the best Toy dog in the show, any breed, also at London the cup for the best non-sporting dog.

To see this wonderful little lion dog is to see the nearest approach to the perfect Pekingese that has been seen in this country, with his enormous flat skull, large eyes, flat square face, massive bone, and well-shaped legs, and undoubtedly the heaviest coated dog in Canada, carrying an enormous mane and plume.

Mr. Hunt's only puppy by Dode-tainme, while only four and one-half months old, promises to be equal to his sire in every way, and will no doubt create a sensation on the show bench equal to his sire's record.

A number of our best bitches have been bred to him and being as active and strong as a terrier should produce stock equal to himself, we expect a great boon to the breed in this country by the use of this dog.

SHORT BARKS FROM WINNIPEG.

Mr. S. C. Taylor has run up against real dog luck. After giving all his time and energy to the Winnipeg Kennel Club Show, his reward was to lose his splendid little Boston bitch, Little Pearl. She died whelping at the end of the show. It will be remembered that at her last appearance at Thunder Bay Show she was one of the attractions of the show, cleaning up the breed with ease. We have never seen this little bitch, but from what we heard when in Winnipeg from those who know she could just about account for winners bitches in any Canadian

show. We would very much liked to have seen her in competition with the two Sparklings.

Another loss to Winnipeg in Boston bitches is Mr. J. A. McGlynn's May Saxon.

While on Boston Terriers we must not forget to mention Ch. Bright Eyes IV., who was entered for specials only, at Winnipeg, and won all she competed for. She is looking, if anything, better than ever.

We have to add to the already large list of dog men at the front, Mr. J. Adams, of the Mersey Kennels, Winnipeg. Mr. Harry Sampson, Mr. Fred Gates and Mr. Roche.

The silver medal presented by Mr. P. Ross, of the Winnipeg Kennel Club, for the best specimen in children's classes was won by Miss Mary Dowbriggan, 73 Lansdowne Avenue, Winnipeg.

Mr. Ed. Sutton, of the Major Oak Cocker Kennels, of Winnipeg, reports the following litters: Three dogs and three bitches, by Major Oak I, ex Brookdale Blossom. Six dogs and three bitches by the same dog, out of Ch. Ferndale Goldie, and four dogs and two bitches by Durbar, ex Brookdale Irene.

The Weston Collie Kennels have just received another letter of satisfaction from Mr. Taylor, Chicago. He states: The two puppies arrived safely and in good condition. I especially like the larger one and will keep her. The other one I sold and it will have a home on a 300-acre farm at Wineconsin. He mentions also that he has two puppies by Weston Emperor that he is proud of.

Weston Admiration has recently been mated to Weston Emperor.

SHORT BARKS.

Mr. B. Wellbanks, of Quill Lake, Sask., has imported from Mr. Evans, of Caerphilly, Wales, a bitch by Ch. Midland Royal, out of a Ch. Crompton Oorang bitch, named Cardiff Topsy. The name of the bitch Mr. Wellbanks is importing is Caerphilly Victoria, and she is in whelp to Ch. Caerphilly Performer. We see that Mr. Evans in "Our Dogs," speaks very highly of this bitch.

Weston Primrose has been mated to Corona Commander.

We hear of something "rather warm" about to make his debut from the above kennels in Weston Marquis, by Weston Emperor, ex Weston Lady Sample.

Weston Emperor is proving himself a great sire. The first exhibited was Willow Patience, winner of 2nd at C. N. E. At Winnipeg Kennel Club Show his progeny to make their first appearance were Meteor Marvel, winning five firsts and special, Weston Lady of Quality, five seconds. In the dog section, Scotia Sensation, six seconds; Elmwood Emperor, one first, six thirds and special for best bred and owned in Winnipeg.

Among the visiting bitches to Midland Romulus last month was the prize-winning Woodhall Daisy, owned by Mr. Hugh B. Crawford, of Moose Jaw, Sask. Mr. Crawford is confident that he will get some toppers from his bitch this time to make up for past disappointments.

A very promising litter of orange-shaded puppies has just arrived to Mrs. Walker's noted Pomeranian, Orange Bon-Bon, which she brought over from England with her a few months ago, and judging by present appearances, they should prove worthy successors to Orange Cracker, one of a former litter of this bitch, which won so well at the Queen City Kennel Club and the Canadian National Exhibition Shows held in Toronto this year.

Mrs. Foster, Mrs. Walker's sister, and owner of that beautiful little black bitch, Mabfield Cinderella, by Little Nipper, which also distinguished itself at the above mentioned shows, has purchased a shaded sable bitch of Ch. Mars strain, with which she intends breeding, and she is completely satisfied with her purchase.

There is no doubt that these two ladies, who have already done so well on the show bench, have got together some very good stock, and should produce striking results.

Both ladies are members of the recently formed Pomeranian Club of Canada.

The Mount Royal Kennel Club have sent us a notice of their first evening show, to be held on Nov. 12th, but as "Kennel and Bench" will not be issued until after that date it would be only a case of padding our paper to publish full particulars when it would be of no value to the club. We have no doubt the show will be a complete success, as this club have very well mastered all the details.

Mr. W. Aitkens, of Montreal, has just imported by the S.S. Leuticia, a Scottish Terrier dog, Teviotside Tinker. He is a two-year-old of the Ch. Claymore Defender strain, and is described as of the cart-horse type, dark brindle, on the small side. He will be a grand addition to our stud dogs in this breed.

The winning Old English Sheep dog, Lord Chester, who won special for best of all breeds in Seattle and special for the best non-sporting dog at the Terminal City Kennel Club, was bred by Mr. Fred Edwards, of South Vancouver, B.C. It is far more creditable to breed a top-notch than to buy one.

Brother Wilfred, of La Trappe, Que., has bought the Irish Terrier, Kilbarron Molly, from Mr. Joe. Meehan, of Montreal.

Jack McCormack, of Yorkville Fire Hall, has lost his tri-color puppy, The Clansman, from distemper, contracted, we believe, at Toronto Show, and aggravated, no doubt, by being sent to London immediately afterwards. It is altogether too bad, for the "Veteran Fireman" had built his hopes high on this youngster as a comer, and I feel sure we all sympathize with him in his loss.

Mr. Jas. Strachan writes: "The bitch which I recently registered as Coltness St. Mary won everything at Fort William, came back to the Weston Kennels and succumbed to a severe attack of pneumonia. Some luck, but are we downhearted? No, apples will grow in Egypt yet."

The stork called on Sunday to Ch. Weston All Quality, who presented her owner, Mr. James D. Strachan, of Toronto, with no less than nine Parbold Picadors, five dogs and four bitches. They are all doing well, and should make a very strong mark on our Collies.

We hear from the Bull Terrier Specialty Show that our Ottawa enthusiast, R. H. Elliott, came out a good second in his match. The winning dog, Wellington Invasion, is a short-headed lippy dog of out-of-date type, and has no license at any time to win in this company. If the reports we have of Matford Ted are even near correct he should outclass the winner, and Mr. Elliott's good dog puppy, Haymarket Patrician, should beat him easily. In bitches the winner was Noross Radiant, placed over Burning Daylight, and Wiliston Rose, two bitches that can swamp her at any time. This looks like some queer judging.

Mr. Sam Bamford has imported a very fine lightweight Bulldog, which he places at stud in our columns. He is named Walnut Crib, and is a brindle full of character and will fill a very empty place in our lightweight stud Bulldogs.

Mr. Harry North mourns the loss of his grand Airedale, Adam Bede, which did better than any of our home-breds at the National Exhibition, but Mr. North is not discouraged and says "better luck next time."

The Patriotic War Fund amounts to \$99.05.

Mr. LeBaron Wilson's Wire Fox Terrier bitch, Northern Janet, which he imported from England some years ago, whelped four nice puppies by Walnut Regalia on Sunday, Oct. 11th. One puppy is entirely white.

Ch. Corry Law's kennel mate, Glencho Coreen, was shot and killed when she was hunting in the woods by a man who was afraid she might kill some sheep of his, which he keeps in a pasture near the woods. Mr. Sturdee calls it hard luck. We wish we were on the spot to express our opinion in rather stronger language.

Mr. R. Fred Pettit, of Albuquerque, New Mexico, whose bitch, Seedley Smile, took winners at Winnipeg, notifies us that another Collie bitch of his Ch. Seedley Sonsie, has just finished her American championship at Wausau, Wis., and another of his bitches, out of Seedley Smile, took winners twice in two weeks, at Fremont, Neb., and Dallas, Texas.

Another of our executive has joined to fight with the second contingent, Mr. E. Alban Sturdee, our vice-president for the Maritime Provinces, has enlisted with the New Brunswick Infantry, and is in Halifax now with that battalion.

Mr. John Tomlinson, of Toronto, is unfortunate in losing Toy Black and Tan Terrier, Ch. Izzy Busy, and also his winning dog, Jeff, from the results of pneumonia.

Mr. P. Bawden, of Ridgetown, Ont., also is importing several high-grade puppies from the Caerphilly Kennels.

Mr. Ernest Bailey, of Kingsville, Ont., is hoping for some good luck in the 1915 shows with several new litters of puppies by Sabine Radical, out of Sabine Filmy. Filmy is by Ch. Sabine Reckoner, out of Sabine Fine Form (Ch. Sabine Rifle, ex Sabine Fernie).

The worthy Bob Ross did fairly well, to say the least, at St. John Show, for among the many other firsts and specials which he carried off were the specials for the best specimen in French Bulldogs (Frank Lamb); Airedale (H. A. Rutley); Field Spaniel (Alwyn Coristine); Irish Setter dog (J. C. Hanna); Scottish Terrier dog (Mrs. R. A. Ross).

We have news from Mrs. W. C. Lee, of the Alta Kennels, Toledo, Ohio, that she had two of the best bitch puppies by Alta Big Ben that she ever bred. From Mrs. Lee this means a great deal.

Mr. Bert Swann has sold a three-months-old St. Bernard dog puppy to Mr. J. T. McCulley, of Winnipeg. He is by Alta the King, out of Shadow of Parkdale, and is one of the best ever bred by the Parkdale Kennels.

We are always pleased to receive advertisements for dogs at stud, but particularly so when advertising a top-notch, for it reflects credit on our paper, and we are sure of satisfaction to those who answer the advertisements. In fact, all round, it is a good proposition, therefore, when we received an advertisement from Dr. C. E. Johnson, of Winnipeg, for Ch. Yuma's Tonti, we were particularly gratified. Having seen this dog frequently and also having heard of his great capabilities as a field doog, we do not hesitate to recommend him without reserve.

Mr. A. K. Butchart, of Oakville, has a litter of Collies, out of Corona Sweet Rosie, by Parbold Picaroon. There are two dogs and one bitch.

Mrs. Howarth's advertisement for sale of Poms. contains a good idea for our advertisers, namely, she offers 10 per cent. of her sales between now and Christmas to the Patriotic War Fund of the Canadian Kennel Club. This is not Mrs. Howarth's first gift towards the war fund. The white Pomeranian auctioned at Massey Hall and bought by Dr. Norman Allan, of Toronto, for \$100, was the gift of Mrs. Howarth. She has been named Betsy Vanderelda.

Mr. Wilson has sold Black Diamond to H. Rider, Toronto.

The dog show in connection with the Thunder Bay Agricultural Society, as usual, was the attraction of the fair. The gate receipts, at ten cents per head, amounted to well over \$400.

Topsy Turvy, the Airedale bitch, presented her owner, Mr. B. Wellbanks, of Quill Lake, Sask., with nine dog and two bitch puppies, by his Stormy Weather, recently purchased from Mr. Walter Berwick.

We are informed by Mrs. Horowitz that her husband, the well-known journalist—a Russian by birth, but a naturalized Englishman—has joined the Army Service Corps as despatch car driver and interpreter. His knowledge of six languages, viz., English, Russian, French, Italian, Dutch and German, should be of very great advantage, and we trust he will safely return to his journalistic occupation when his services at the front are no longer required.—Kennel Gazette.

The beautiful Bull Terrier bitch, Charlwood Rose, winners at the Canadian National Exhibition, has been sold by the Lewis Bros. to Mr. T. Dickinson Smith, of Boston, Mass., the secretary of the Bull Terrier Club of America. Our American cousins are learning where to come for the good ones.

Mr. Reid's imported Bull bitch, Belle of Vancouver, is showing heavy in whelp to Sutherland Roy. Several tempting offers have been refused for this bitch.

Ingram's Little Man is the Boston Terrier that has been cleaning up at all our fall shows, having taken winners straight through, including London, Shelburne and Winnipeg, and at the Canadian National Exhibition he took the special for the best Boston dog in the show, though unfortunately he was not entered in any class giving him the right to compete for winners. He started his winning nearly a year ago in the puppy classes of the

Fat Stock Show, and the Boston Terrier Specialty Show. Up to recently he was shown only in the toy classes, being under twelve pounds, but now having put on weight he is in the regular lightweight classes, and is the dog they have all to beat to go to the top. He is a beautiful little dark brindle with perfect markings, clean head, splendid ears, good legs, feet and body, in fact, one of those whose faults are hard to find, and only of a minor degree.

Are you looking for a stud Boston? If so, the offer for sale of Conewango by Mr. Wm. Austin should attract your attention. Conewango has proved himself a grand show and stud dog, going to reserve winners at the last C. N. E. show. He is yet in his prime, and one of his get, Lady Heartless, has reached championship honors in the United States.

The imported English Bulldog, Sutherland Roy, (C.K.C.S.B. 14216) is in great demand among Western Bulldog fanciers. The latest to send their matrons to him were Mr. I. C. McLeod, who sent the imported bitch, Lady Wimberton; Mr. E. S. Earle, Nanaimo Matty"; Mr. R. Ruddick, "Venus II," and Mr. Ewart's brindle bitch, "Lulu." Sutherland Roy is by Max London, out of Kiddie Penfold.

Mr. W. A. Vanwart, of Fredericton, owner of the Irish Terrier, Mickey of York, has purchased from Bob Ross an Irish Terrier bitch puppy of promise.

Mr. Dennison has a litter of seven French Bulldog puppies, out of his bitch, Pudge, by Mrs. Halstead's Ch. Charlemange. There are five dogs and two bitches, all lusty and strong. One of the white bitches has already been named Princess Pat, and the finest of the dogs, Sir Donald Mann.

Lancashire Lass (15026), the property of Mrs. J. Wright, London, Ont., whelped eight puppies, four male and four female, on the 20th Sept. Sire, Soudan Prince. They all seem to be good husky fellows. There should be something good out of this litter, considering the breeding of the dam and sire. Already they are showing they are terriers without a doubt.

The arrival of a litter of noseless Kings and Rubies, sired by Celamo Little Lad, and a litter of noseless Kings, sired by Celamo Baron, is most pleasing to Celamo Kennels, of Rochester, N.Y., who make a specialty of high-class English Toy Spaniels. These doggy babies will be just the right age for the Christmas trade and who would want a nicer present. The same kennels report several other matrons heavy in whelp to Celamo noseless studs.

Dr. J. E. Tisdale, Kenton, Manitoba, writes that his Airedale bitch, Qu'Appelle Pagan, presented him on the 18th of last month with a grand litter of eight by Midland Romulus, five dogs and three bitches. He states these are real Airedales and that he never saw better colored pups in his life.

Look out for the stud advertisement of Weston Emperor in next issue.

AIREDALE TERRIERS

Airedales For Sale

The demand for these grand dogs is rapidly increasing; every week brings me enquiries from all over the continent, and every few days sees one leave my kennels. I have a few more young ones coming on, that show great promise, and I will be glad to hear from anyone wanting an Airedale. If I can't satisfy you nobody can.

Palmer's New Book

(4th Edition) will soon be out, and will give new items pertaining to Canadian Airedales, both on the bench, and as workers. Will be glad to receive any orders now. "Green's Book" How I made \$2000 in one year, in my back yard also for sale. Both these books sell for \$1.00 each, and you will enjoy them immensely.
