ADVERTISEMENTS

The Advertisements should reach us not later than the 26th.

AS the Incorporation of the Canadian Kennel Club, under the Live Stock Pedigree Act, in the Agricultural Department, becomes a fully accomplished fact, through its ratification by the general meeting of June 9th, we state the changes necessary in the procedure of the Club and of its members in accordance with that Act. We do this to avoid the confusion, and to make easy the difficulties that may arise from the change.

1. Members desiring to discontinue their membership in the Club for 1916 must send in their resignations in writing at once, otherwise they will be treated as members in arrears, before being given a clean bill from the Club. Non-payment of dues does not constitute a resignation.

2. Members desiring to continue their membership must pay their dues before Sept. 1st. After that date they

will be treated as members in arrears and will not enjoy any of the privileges of the Club while in arrears; and the payment of arrears will not entitle them to any privileges while in arrears. This refers to both holding office in the Club and voting in the annual elections. Ballots will be sent out only to those who have paid their dues for 1916. We also call the attention of the members to the annual fee for 1916, which will be \$4.00, to cover the extra four months, Sept. 1st to Dec. 31st of 1915.

3. Exhibitors must give the registered number of their dogs when entering them; it will not be sufficient to say "registered". The number must be the correct number, or a fine of \$1.00 will be imposed.

4. Exhibitors must transfer the dogs they show to their own names before entering them. If a dog is shown in one name and registered in another, a fine of \$1.00 will be imposed on the exhibitor.

5. Exhibitors must enter the breeder's name, date of birth, sire and dam to correspond with the registration of the dog, otherwise a fine will be imposed with each error.

6. Exhibitors who are not members of the Canadian Kennel Club must pay a listing fee of 50 cents for each dog at each show.

We strongly recommend every member or exhibitor to attend to these matters at once and not to leave them until the last moment. Especially do we urge those who intend to exhibit at the early fall shows not to delay.

MEETING OF THE DIRECTORS OF THE AMERICAN KENNEL CLUB.

May 18th, 1915.

(American Kennel Gazette).

The North Dakota Kennel Association accepted entries from a number of disqualified persons. The secretary of the North Dakota Kennel Club advised me that the list of disqualified members of the Canadian Kennel Club which I mailed to them was not received until after the closing of their show. I therefore have cancelled all of the wins made by such disqualified persons, and believe that no further action should be taken against the North Dakota Kennel Club in the matter. The same thing happened with the Seattle Kennel Club, and I took a similar course.

NOTICE

On and after July 1, 1915, all the Records of the Canadian Kennel Club will be made with the Canadian Live Stock Record Board at Ottawa.

Members are not eligible for office unless full paid up for 1916.

Ballots for Annual Election will be sent only to members fully paid up for 1916.

The fee for 1916 (sixteen months) is \$4.00.

CANADIAN KENNEL CLUB MEETINGS

General Meeting of the Canadian Kennel Club

The meeting was held in the offices of the Club on Wednesday, June 9th. Mr. John G. Kent, the President, in the chair.

It was moved by Mr. Dowling, seconded by Mr. Farewell, that the Canadian Kennel Club accept and confirm the Constitution and By-laws as incorporated under the Live Stock Pedigree Act, on April 15th, 1915.—Carried.

It was moved by Mr. Jacobi, seconded by Mr. Barron, that By-law No. 14 be amended to read as follows:

Fees and Privileges of Membership.

14. The following fees shall be charged:

- (1) Annual membership fee \$3.00, payable in advance.
- (2) (a) Cost of registration \$1.00 each. One free each year to each member.
- (b) Cost of listing, 25c each show.
- (c) Fee for search of pedigree, 25c.
- (d) Copy of pedigree, 50c.
- (e) Transfer of registration, 25c.
- (f) Registration of prefix, affix, and kennel name, \$3.00. Annual renewal of same, 50c.
- (g) Transfer of prefix, affix and kennel name, \$3.00.
- (h) Duplicate of certificate, 25c.
- (i) Certificate for kennel licence, \$1.00.
- (j) Any other certificate or search, 50c.

The above fees (2) are for members

in good standing only. To non-members they will be double in every case.

(3) A fee of \$1.00 to cover average cost is charged for the investigation of each complaint not arising out of misconduct of shows, held under Canadian Kennel Club Rules. No charge is made to members.—Carried.

Moved by Mr. Jacobi, seconded by Mr. Barron, that Dog Show Rules III., and V.; and XV., Section 6, be amended to read as follows:

III. Every dog must be the bona-fide property of the person making such entry on the day of closing the entries, and must be not less than six months old. The entry must clearly identify the dog to be exhibited by name. If the dog is already registered in the Canadian Kennel Club Stud Book, the Stud Book number of the dog must be given with the entry, and the dog must be registered in the name of the exhibitor.

V. There shall be a fine of \$1.00 each for all technical errors (unless fraud is obvious) in entries at Dog Shows. These errors shall consist of: Failure to give Stud Book number of registered dog, or for giving the wrong number of a registered dog; for giving a wrong pedigree; for giving a wrong name of breeder; for giving the wrong date of birth; when the name of the dog exhibited differs from that under which it was registered; when the name of the exhibitor differs from that under which it was registered; but exhibitors must abide by any errors in entries in respect to class or sex.

Paragraph concerning winners points in Rule XV., Section 6, to read as follows:

Ten points, which must be won under at least three different judges at three different shows, shall constitute a championship, the winner of which shall be recognized as a champion by the Canadian Kennel Club and duly recorded as such. If all ten points have been won while the dog was registered in the Canadian Kennel Club Stud Book, and while owned by a member of the Canadian Kennel Club, he shall be entitled to a championship cup, if his owner be a member in good standing for three years. In order to comply with the latter condition, owners may pay their annual dues in advance.—Carried.

Notice of motion was given by Mr. G. Frank McFarland that in accordance with the recommendation of the National Live Stock Record Board that registration of litters be required within sixty days of the date of birth, giving number in litter, number of each sex; also the certification of the owner of the sire, the whole certified by the owner of the bitch at the time of birth, under Statutory Declaration, to take effect on January 1st, after being passed at the next annual meeting.

Notice of motion was given by Mr. James W. Bain, on suggestion of the Live Stock Record Board, that on and after January 1st, 1917, no Canadian-bred dog may be registered unless his sire and dam are registered in the Canadian Kennel Club.

Executive Meeting of the Canadian Kennel Club

The meeting was held in the offices of the Club after the general meeting, Mr. John G. Kent in the chair.

There were present Messrs. Farewell, Barron, Jacobi, and Bingham.

The following disqualifications under Rule II., Section 3, of the regulations governing clubs holding shows under C. K. C. Rules were confirmed: John Cowan, Ed. Sutton, A. Stewart, Sam Jackson, P. Ross, C. B. Beardsley, J. Henderson, all of Winnipeg.

The application for reinstatement from Mrs. G. O. Alsen, of Vancouver, was received and was granted.

The Secretary was instructed to write Mr. Jim Bewick, of Seattle, Wash., notifying him that as his complaint referred entirely to events that occurred in the United States, he should refer the matter to the American Kennel Club. The committee confirmed the letter of the Secretary, dated June 1st, to Mr. Bewick.

The following new members were elected: G. S. Cornelius, Sarnia, Ont.; William Kingsmill, Bracebridge, Ont.; Mrs. Mildred Walker, Toronto; Wyatt S. Wood, Oakville, Ont.; D. F. BUTLER,

Secretary, Pacific Advisory Bd.

CORRECTION IN REPORT OF THE MEETING OF DIRECTORS

May 5th, 1915.

The Secretary read the following report of the Pacific Advisory Board:

"As a result of the Board's investigations in this matter we beg to report as follows:

"That W. W. Hocken in consideration of the sum of \$5 furnished to Jas. Folsetter a pedigree to the Airedale Terrier 'Briar Performer,' knowing the pedigree to be a false pedigree, and fully realizing the nature of the offence.

"That James Folsetter accepted the said pedigree and made use of it for the purpose of registering the dog

'Briar Performer,' knowing the same to be false, but being a novice in the game and not fully realizing his offence, a lenient view might be taken of his case.

"The Pacific Advisory Board recommend for the consideration of the Executive Committee of the C.K.C. the following resolution: In the case of W. W. Hocken, that he be suspended from entering, exhibiting, judging, acting as agent, or handler for an exhibitor or taking a dog into the ring at any show, or be connected in any capacity with dog shows held under C.K.C. Rules, for a period of eighteen (18) months.

"In the case of James Folsetter, that he be suspended from entering, exhibiting, judging, acting as agent or handler for an exhibitor or taking a dog into the ring at any show, or be connected in any capacity with dog shows held under C.K.C. rules, such suspension, however, to be removed immediately upon the said James Folsetter returning to the C.K.C. the certificate of registration of 'Briar Performer,' No. 15311, undertaking when exhibiting 'Briar Performer' again to enter him 'pedigree unknown,' and tendering to the C.K.C. an apology for his action in this matter."

The report of the Pacific Advisory Board was confirmed and adopted.

MOUNT ROYAL KENNEL CLUB SHOW

This show was held on May 11th, 12th and 13th, in the Mount Royal Riding Academy, under Canadian Kennel Club Rules, and proved a success in every way, and it is very gratifying to know that financially the Club was rewarded by a good surplus. The Mount Royal Kennel Club is composed of an enthusiastic lot of fanciers, headed by a splendid committee, who each year have gone into a show with financial loss before them. We hope this will be the turning point and that Montreal will take a prominent position in the doggy world of Canada. The Mount Royal Riding Academy is a most ideal place, being large and roomy and very well lit. We understand that the use of it is due considerably to the generosity of the owners, who charge only a nominal fee. The building in day time is used as a riding academy, and, therefore, cannot be used for a dog show, which is unfortunate, as it would make a good place for such a purpose. Therefore, the show was confined to the evenings of the dates mentioned. The dogs were brought in for competition only on the dates set apart for their classes. There was no benching, each owner handling his dog on the lead for the evening. In fact, it was exactly the same as the evening shows held in Toronto throughout the winter. The dogs were carefully checked as they came in and the total counted, and out of 264 dogs entered, 255 were present, making it a two-point show. This was very satisfactory from the breeders point of view, as many dogs completed their championship.

Taking it all through, there is much to recommend the scheme. First and foremost, there is the comfort and health of the dogs, and this is a very great consideration. Many private exhibitors refuse to show their dogs at shows where they must be cooped up on benching for two or three days, exposed to the danger of infection from other dogs. The present method avoids all this and appeals to the owners. The cleaning and brushing of the dogs also can be done at home, and the dogs can be brought to the show ready for the ring. To the business man also, and to the committee it is a great inducement to be able to attend to business during the day, giving up

only the evenings to the Dog Show, and we think everyone is the fresher for having had the days rest. Another advantage to the Club is that probably it brings more gate as the spectators visit the show two or three evenings. From the Canadian Kennel Club standpoint, several rules have to be waived, such as those referring to the benching of the dogs, but that Club is perfectly ready to meet any proposition that will advance the dog shows. The chief recommendation, however, is the undoubted reduction in expense, mostly through the elimination of benching and the cost of labor in putting it up and taking it down. We can see a tremendous advantage to new and struggling clubs in this method, as a show conducted on this principle cannot help but turn out a financial success if ordinary caution is used in expenditures.

There are disadvantages, of course, the principal one being on account of the absence of benching, whereby it is impossible to compare the dogs, and the public have not a fair opportunity of looking them over. From an educative point of view, the method is below par, and as for reporting, it is almost an impossibility, especially with two rings going at once, as it was at Montreal. For visiting dogs and exhibitors, in many cases, it would be very inconvenient to have no benching for the dogs, but in the case of the Mount Royal Kennel Club, the box stalls of the riding academy came in very handy. We would be very sorry to see such shows take the place of the regular bench show; but we do not think this is possible, and it would be the business of the Canadian Kennel Club to put some restriction, if such a tendency became apparent. However, this show fitted exactly to the method, and no complaint can be made, as no advantage was taken, where such might have been done. The Committee had given every thought and consideration to the show, and their experience of the winter stood them in good stead.

We would like to criticize Montreal exhibitors for the condition in which their dogs were shown, and this was not always in the case of novices; but we saw it in Airedales and Fox Terriers and with old exhibitors.

The quality of the dogs was very good, and, in fact, is improving. Fox Terriers, both Wire and Smooth, came out strong in numbers and quality, a compliment, no doubt, to the judge, Mr. Thos. Moore. We hope he will often repeat. His judgment are so sound and given not only from the show point of view, but also from that of the breeder.

Mr. Pitt handled the Toys without any mistake but one, and that is he should have withheld all prizes, bar one in Maltese Terriers, as the exhibits were not of that breed.

The POMERANIANS were a large entry, but nearly all in bad coat, and Mr. Ross made no mistake in rewarding those who were in good coat, especially when backed by quality as well.

BULLDOGS were a surprising good entry, and very strong in quality. Mr. Armstrong handled them splendidly. We can only criticize the placing of Walnut Crib in the limit class where he was an easy second. A surprising good dog turned out in "Nameless" who, if handled well, and taught some ring manners, will go up high in spite of his weak color.

BOSTONS were a large entry, the Ottawa contingent answering for most of the prizes. We understand they were perfectly judged.

AIREDALES were fair only in quality, there being a very large gap between the winning dog and the rest. We think that the Montreal breeders have more to learn in this breed than any other, and this is the more surprising when we consider Montreal as the home of the breed in Canada. This also refers to the condition of the dogs, and the want of knowledge of how to show them. For instance, the reserve winning dog will be beaten by many a mutt, if vast improvement isn't shown in both departments by his handler, and he is too good a dog to be so sacrificed.

IRISH SETTERS, as usual, were a very large exhibit, of very high quality, as were Russian Wolfhounds.

COCKER SPANIELS were well judged, Mr. Armstrong being an expert in the breed.

COLLIES were a big entry, but the quality was confined to a few. In fact, we have seen Montreal do a great deal better. Scotties were extremely strong in quality, especially in dogs. We predict a brilliant future for the winning dog.

BLACK AND TAN (Manchester Terriers) were represented only by Mr. J. F. Campbell's Brilliant Bob.

FOX TERRIERS were judged by Mr. Moore, who expressed to us that his ideas of judging were based chiefly on the desire to be consistent from the breeders point of view, and that he believed the object of shows is to educate the public to what is wanted in the fancy, both from the breeding and showing point of view. The winning dog was "Sabine Ringgold" thereby completing his championship. He is good both in size and type, and was well shown and in good condition; his win was rather an easy one. Reserve winners was "The Colonel" a dog with a lot of quality, but leggy and not compact enough. Bitches were not strong.

In WIRES (dogs) the winner was Barb Wire, a very taking Terrier with the finest possible legs and feet, and lots of bone and substance; but he was shown a great deal too heavy, which accentuated the fact that he was fully large. His head is long, but a bit strong. He has a rare short back and good rib, but not a desirable coat, being too thin and straight, though wiry. He was not in good trim. Reserve was Champion Hawes Broom, a grand head, good type, short in back and the right size, in fact, a quality Terrier; but he loses to the winner all over in substance, especially in bone. We think he should have been retired on his reputation. He also was in very bad trim. In BITCHES two really good ones came out in Walnut Gambol and Walnut Snowdrift, winners and reserve winners respectively. These are two puppies of the same litter, Gambol being the larger and better proportioned; both are good in bone, legs and feet, coats and head, in fact, all over; but Snowdrift has not the proper proportions and symmetry being too low to the ground. Both could be improved in ear carriage. We like the size of Snowdrift the better, though neither are too big.

SCOTTISH TERRIERS brought out a large entry. Drumclaph Laird standing out very strongly. He is a perfect bodied and boned dog, of the extreme cart-horse type and yet small. His coat is grand, his head also is a good shape and he is a Terrier every minute, but we would like to see him a little stronger in head, which really shows too much quality. Reserve winners was Teviotside Tinker, bad in movement and legs, though otherwise a grand Terrier.

WEST HIGHLAND TERRIERS—The dog we did not see, but Morag Bhan was shown in splendid shape and much improved.

IRISH TERRIERS dogs, was easily won by Quarrywood Barney, though he was light in both flesh and coat. Bitches, Copper Queen was alone.

POMERANIANS—Puppies, 1st, Wellington Beauty, a poor shower and in poor condition, a good black, however, and with better care would do well. 2nd, Dainty, a profuse stand-off coat, and a good orange, might be more cobby and finer in bone, and might have better tail carriage. Novice bitches—1st, Hello Girl, a sable, good color and very small, good little head and good ear carriage, but a poor shower and does not look as if she would grow a good coat, might be better in tail carriage. 2nd, Wellington Beauty; 3rd, Wee Jeanette, a black with poor coat and tail up in the air. Trixie, a good black, a good shower, but in poor coat and coarse, was not placed. Novice dogs, 1st, Wee Twiggles we missed; 2nd, Wellington Jack, a large brown and good shower, long in body and poor in coat. Limit dogs, 1st, Sir Bruce, the only dog in the breed and sex with any coat, showing age, but an easy winner and completes his championship at this show; 2nd, Little Snitch, showing age and out of coat; 3rd, Cheeky Tiny Boy, a cobby little black, good color, but rough in coat. Limit bitches, black, no new faces. Open bitches, black, the same. Open dogs and bitches, white, only a fair lot. Limit and open bitches, any other color brought out the winner Cheeky Harrogate Duchess, a beautiful little sable, and the only one with any coat, and she was losing it fast. Hillside Beauty, 3rd was out of coat, too wide in front. In the whole breed there was a marked absence of coat,

the judge properly picking out for first honors the only good specimens that were in good coat.

BULLDOGS—The winning puppy was Colwyn Duke, very good body, low to ground, good foreface and underjaw. 2nd, Calaghan Mac, a red, low to ground, but very little to recommend him. Novice dogs brought out a real good one in Nameless, incorrectly entered, as he was previously shown under the name Drummond Little Irish Boy. He is the son of the well-known Dreamwold Irish Boy, and a worthy one, though a crazy actor, as were most of his class. He is a lemon and white, low to ground, grand body, good skull, good cushion, good ears. Barring his color he is a grand one. 2nd, Callaghan Mac. 3rd, Max, with a good skull, but narrow in foreface. Junior dogs, nothing new. Limit dogs, 1st, Nameless. 2nd, Callaghan Mac. 3rd, Walnut Crib, this is the only place that the judge fell down badly. Callaghan Mac had no licence to be higher than 6th in this class, and cannot beat Walnut Crib anywhere, and at any time. Royal Colwyn, unplaced, a brindle, with a good front, but small head. Drummond, Major Stonewall, a large brindle with a good skull but bad ear, long in body and sway-backed. Pegoh, shallow, long in back, too small in head. Open dogs, 1st, Royal Albert, now, we believe, Ch. Royal Albert, in spite of his age he won easily. 2nd, Baron of Lambare, a big brindle, short in body, splendid wide front, good skull and ears, might be lower to ground, and a little more bone. He was placed reserve winners, for which position we would prefer Nameless. In bitches, 1st novice, Peaceful Hope, a bit shallow in face and body and too much under-shot, she also lacks turn-up of under-jaw, low to ground, wide front. The winning bitch was Tolbar Lady, a buckskin and tan of good bone, a nice short compact body and grand underjaw. We would criticize her color severely as being only one step removed from black and tan. The 3rd bitch was Kildare Lady Cadet, a pied bitch, a little light, very short body and sound, and fairly good all over, but a bit straight in underjaw.

In BEAGLES, FRENCH BULLDOGS and WHIPPETS the only exhibits were the well-known Blythe Brush Bugle, Phil au Rum D'Athos and Granite Oak Masterpiece.

BULL TERRIERS depended on the two Toronto entries, Ch. Glenedyth Imperator and Ch. Princess Patricia for their quality.

AIREDALES brought out a good puppy in Colne Sportsman, we liked his head, his eye, though dark, is on the big side, his ears a little large, but his worst fault was his straight hocks. He had a very good body, good bone and a fair front, but he was shown in shocking condition. 2nd was Newbold Reaction, bad in head and cow-hocked; in fact, not a show specimen. Novice and limit were won by the same two dogs. Open dogs and winners, King Nobbler's Double, very far outclassed anything else in the breed. He was shown fit to the minute and is improving every show, and caused quite a sensation, and when it came to the final decision for the best dog in the show he won in a romp, all the judges being unanimous. The winner and reserve winners in bitches was Newbold Sunshine and Newbold Vanity, two similar bitches, showing quality, good eye, bone and front. The winner in Irish Setters was the well-known Pat O'Brien, shown in good condition.

ST. BERNARDS—Novice dogs, 1st. Pollus, a big dog, lacking quality. Open dogs, 1st, Claverhouse, good smooth easy first. Winners, Claverhouse. Bitches with Thanksgiving absent only left two, Ch. Lady Wolfram, in grand form, easily winning from Fair Weather, who is a good stamp but not quite in show condition.

COLLIES were a fairly numerous entry in dogs, Knocklayde Joe, 1st in puppy and novice, sable and white, good body and coat, long foreface, but a little dished and not correct in ears. In limit and open, Coila Swatch was 1st, big tri-color, showing quality, won very easily. The puppy, Cottress Clincker, was the quality of the show, but has yet to grow. Bitches, Coila Blab and Otterburn Dearest, both good quality bitches.

General specials at Montreal: The Misses Meredith Cup for the best in show, any breed, was won by the Airedale, King Nobbler's Double, the St. Bernard, Ch. Lady Wolfram, being reserve, the latter also winning the Montreal Herald Cup for the best of the opposite sex, the Montreal Cup for the best of the large breeds, also one of the Mount Royal Kennel Club Cups.

Cup for the best Toy in the show was won by Highbury Snowball. A silver cup for best sporting terrier, confined to members, was won by Mr. R. A. Ross' Drumclaph Laird. Cup for the best Boston, Bulldog, Bull Terrier or French Bull, Ch. Glenedyth Imperator. Cup for the best Bedlington, Black and Tan, Beagle, Cocker or Whippet, Mr. Stuart's Cocker, Goodness Sake. Cup for best Airedale, Fox, Irish or Welsh Terrier, King Nobbler's Double.

Best sporting dog, Terriers and Cockers barred, the Greyhound, Master Butcher.

SPECIAL REPORTS WRITTEN FOR "KENNEL AND BENCH."

TOYS AT MONTREAL.

It is rather a difficult task to describe the good and bad points of these classes, particularly as I had no opportunity of seeing the dogs after they left the ring; and therefore can only comment upon those that impressed me at the time of judging.

ENGLISH TOYS—Class 45, Novice. —Only one King Charles and one Blenheim accounted for in classes 47 and 50. Class 47—Open dogs and bitches. —1st went to Queen Bess, a nice little bitch, good head, eye and ear, fair coat, could be more cobby; 2nd, Pooh Bah, fair head, lacking in ear and faulty in coat. Class 50.—Blenheim. The Gibson Girl, fairly good head, too long in body, high on leg.

PEKINGESE—Class 56.—Togo, the only one shown, good head, fair front, rather long in body, lacking in tail carriage.

MALTESE—Class 60.—Highbury Snowball, the only real Maltese in the bunch, a perfect picture and laid down in the pink of condition.

POODLES "CURLY"—Class 62.—Teddy, a very pretty specimen and in the best of grooming.

PUGS—Class 64.—Harlow Major, 1st. A nice dog, good head and wrinkles, faulty in body and tail carriage; 2nd, Ebony Queen, plain in head and wanting in character.

TOY POODLES—Class 66.—1st, Poucet, a nice little pet; we have seen better here.

TOY TERRIERS—Class 68.—Little Nemo, a perfect black and tan, built upon the lines of a Manchester Terrier,

beautiful head, good tan and pencilling, and a coat seldom seen upon a Toy.

YORKSHIRES—Class 70.—1st, Daisy, easily the leader, a pretty little bitch, good color, fairly good coat and carriage. Class 72.—1st, Don Leon, Jr., is rather large, good blue tan, lots of character. 2nd, Introduction, is small and dainty, but is smutty in tan, poor shower.

CHOWS—Class 74.—Sadie, a good specimen, the only one shown; would like to see more of them shown here.

SKYE TERRIERS—Class 76.—1st, Tasker Beau, a good head, eye and body, shown in good condition. 2nd, Tasker Trixie, not as good in head and carriage as winner.

COCKER SPANIELS.

Cockers, on the whole, were stronger at the Spring Show than has been the case for some time. The Judge was heard to remark that he had never seen such a lot of quality Cockers in Montreal before. This quality was especially noticeable among the blacks, the other colors being more on a par with the usual "nice Cocker" line, with the possibility of two or three exceptions.

Among the blacks, mention might especially be made of Jackson's Durbar, and a newcomer in the ranks, namely "Goodness Sake," owned by F. E. Stuart, the latter a good one, shown in splendid condition, small, but full of that sweet Cocker quality so rarely found, and so hard to perpetuate. The surprise of the evening was furnished to the onlookers, when she downed the former (for the special) who from heresay was considered unassailably entrenched on his pinnacle. To do him justice, Durbar was not at his best, being in poor condition and coat. The bitch, not easy to fault anywhere, to be hypercritical, might be better at elbow, particularly the right one, which is rather slack. "Goodness Sake" is a bitch of high quality all through, being a cobby, shortbacked bitch, with well-sprung ribs, straight front, excellent stern, a good head with dark well-set eyes, ample length of neck, plenty of lip, is well coated, and carries good feathering, and has ample bone to carry her. This bitch is sure to be heard from.

Following is a resume of the Classes:

Puppy dogs and bitches—1st, Trudeau's "Joffre," a well-proportioned dog, but rather coarse, and on the large side, also flat-sided. 2nd, Fiskin's Montreal Winnie (the order might have been reversed here) a nice bitch, who when she fills out ought to be useful. 3rd, Mrs. Sturdee's Toby, out of the running.

Novice dogs—(Any color)—1st, Campbell's "Joe Martello," a well-bodied, sound dog, shown too fat, plain head. 2nd, Coristine's Mohican, rather shelly when shown, good body, and, in fact, all over, exceptional head, weak in front, ought to improve with age. 3rd, Trudeau's Pompon.

Limit dogs—(Any color)—A repeat.

Open dogs—(black)—1st, Jackson's Durbar, too well known to need description, shown in poor shape. 2nd, Riddell's Gipsy Count, showing some quality, but coarse. 3rd, Trudeau's Joffre. Winners Durbar Res Joe Martello.

Novice bitches—(any color)—1st, Coristine's Scarab, bit long in back, excellent front and stern, good eye and expression, ears nicely set, but a shade shy on lip, nice type. 2nd, Fiskin's Montreal Winnie. 3rd, Cantin's Red Queen.

Limit bitches—(any color)—1st, Scarab. 2nd, Harmer's Dido, a good bitch of the right type, rather heavy, and plain in head. 3rd, Green's Redeemed, if she had not been quite so fat she would have given Scarab a run for first place as she is much of the same type.

Open bitches—(black)—1st, Stuart's Goodness Sake. 2nd, Harmer's Dido. 3rd, Green's Redeemed.

Open bitches—(A.O.C.)—1st, Garrick's News Girl, good type head, eye and body, off in front, and showing age. 2nd, Parkinson's Welsh Queen, splendid body and color, but her expression and Roman nose are foreign to the breed. 3rd, Fiskin's Cascade Sunset, a bitch who is showing age, but still retains some good qualities.

Winners bitches—(black)—Goodness Sake, Reserve, Scarab.

Winners—(A.O.C.)—News Girl, Reserve, Welsh Queen.

IRISH SETTERS.

These were a good entry, as the red ones appear to be strong favorites in Montreal. Mr. Thos. Moore placed

them right. It is quite evident he believes in the motto he so often quotes, namely: "No legs and feet, no horse." Puppy dogs and bitches were a very moderate lot; some of them immature, and others shown entirely in the rough. Novice dogs, 1st, Bookha, a good up-standing dog that impressed up greatly and should be heard from again with credit to himself. 2nd, Longueil Boy, not in the condition or coat of the winner, albeit, an Irishman. 3rd, Tipperary, fairly beaten by the other two. Limit dogs, 1st, Pat O'Brien, put down fit, a well balanced one this, grand body, bone, coat and color, could be a trifle stronger in muzzle; 2nd, Pookha; 3rd Tonnerre, a rare headed one, with grand body, neck, shoulders, and short tail, but was poor in feet and pasterns, and moves none too free behind. Open dogs a repeat. Novice bitches, 1st, Colleen Oge, a good headed, sound, racy bitch, nice neck, shoulders, color and coat. She had an easy win here, going right through to winners. 2nd, Norma, a very nice bitch, good body, sound legs and feet, free mover, but is not so good in head and neck as the winner. 3rd, Lallah Rookh II., a very useful sort, but looked light all through to us. Limit bitches a repeat. Open bitches, 1st, Norma; 2nd, Ch. Montrose Pride of Erin, much too light in flesh. In spite of showing age, she is still a good one and could have won had she been in anything like condition; 3rd, Lallah Rookh. Winners bitches, Colleen Oge. Reserve winners, Norma.

The Western Fair Association of London, Ontario, will be held this year from September 10th to 18th. The Dog Show held in connection with this exhibition will be from 12 o'clock noon, Tuesday, September 14th, to noon, Friday, September 17th. This is considered to be one of the best Dog Shows held in Canada and this year will be no exception to the rule. On account of changes in the buildings, which have been occupied by the military authorities, a new building will be erected fronting on the old midway next the machinery hall. This will be an ideal location and should mean success for the Dog Show. \$1,000.00 in cash and specials will be offered. Special prize lists are being prepared and will be mailed in due time. All information from the secretary, A. M. Hunt, London, Ontario.

COALS TO NEWCASTLE WITH A VENGEANCE.

CLIFTON STAR (C.K.C. 14185).

At the dinner held during the Westminster Show in the Gregorian Hotel, New York City, February, 1914, under the auspices of the Boston Terrier Club of New York, Mr. T. E. Milburn, president of the Boston Terrier Club of Canada, when called upon for a speech, made the dire threat that before long the Canadian breeders would be carrying coals to Newcastle, or beating them with their own breed.

Mr. Milburn was, of course, cheered to the echo for his hardihood and nerve (-pills), but the cheer that went up contained a laugh, as these gentlemen considered that the producing of real quality Bostons in Canada was practically out of the question. However, in February, 1915, Chas. L. McQuillan travelled again to New York, accompanied by Mr. Milburn, with the good Canadian-bred Boston, Clifton Star, and after winning a first prize sold the dog to Geo. F. Parker for \$1,200.

At the Charity Show in New York in March, Star got winners and special for the best non-sporting dog or bitch in the show. This was 5 points. Then with 2 points at Baltimore, 2 points at Nassau, 3 points at Long Island, and 4 points at Mineola, Star completed his championship in a little over two months, in the hottest company and under the best judges, without once meeting defeat during this time.

This is an almost unheard of record, as it usually takes from one to five years to obtain a championship in the East.

We still have other Bostons in Canada equally as good or better, and intending buyers will do well to look around at home before paying fancy prices for second and third-raters from the States.

Bulldog Breeders' Association of Canada

This club held their second annual specialty show on May 24th in the old Y. M. C. A. building, corner Yonge and McGill Sts., Toronto, under Canadian Kennel Club Rules. We cannot speak with anything but praise for the enterprise of this club in offering as prize money for first \$3.00, for second \$2.00, for third \$1.00, with the low entry fee of \$1.00, and 50 cents for each subsequent entry of the same dog. We have always contended, however, that the best asset a club can have is a substantial bank account. The Bulldog Breeders' Association of Canada had this, but thought it well to distribute it among their members in prize money. We cannot agree with the wisdom of their policy, knowing how hard it is to build up a good surplus to the credit of a club.

The show was a model in good management. The quality of the dogs was very high, but the principal prizes were carried off by old faces. Mr. Peabody judged very impressively, and there can be but little fault found with his placings. Unfortunately, the day proved to be very unsuitable for a dog show. As might be expected, it being the first outdoor holiday of the year, everyone was out of town, and the attendance very poor. However, we must condemn the Bulldog fancy for not supporting the show more liberally. They have no excuse whatever, as the prize money was good, and all arrangements of the best. Where were the Bulldogs from Montreal, Hamilton, London, Oakville, Parkhill and other well-known Bulldog centres? It is a poor rule that does not work both ways, and some of these shows may suffer in the future, and it would not be more than they deserve.

In the puppy class (6 to 9 months) dogs—1st, Pitlands Battler, at an awkward puppy stage, but very like his sire, Ch. Cheetham Squire, at his age, good head and grand underjaw, good bone, fair body, he is a bit up in the air, and his ears uncertain. The next few months will make or break him, and if more attention is not given to his ears it will be a case of break. 2nd, King Albert, too leggy, a fawn with good underjaw and short face. Puppy dogs (6 to 12 months)—1st, Coster's Diamond, improving steadily, he was low to ground, good bone, good skull, beautiful ears, plenty of turn-up of

underjaw, which, however, might be a little wider, a good natural front. He has strengthened in back, and promises to do well. 2nd, Lanfine Chief, good bone and body, good underjaw, but looks unfinished as yet, he is thick in ear. 3rd, Bashful Boy of Lambare, he is high and at a very unfinished stage, especially in skull. Maiden dogs—1st, Rydal Stone Dinny, short in body, good depth of rib, splendid long skull, grand cushion, low to ground, good roach, but has a blue nose. 2nd Lanfine Chief. 3rd, Pitlands Battler. Reserve, Bashful Boy of Lambare. Junior dogs—1st, Coster's Diamond. 2nd, Rydal Stone Dinny. 3rd, Lanfine Chief. Reserve, Rydal Stone Teddy, has a good body and skull, a bit high and a little stiff in action, ears on the big side. Novice dogs—1st, Rydal Stone Dinny. 2nd, Lanfine Chief. 3rd, Rough Diamond, strong in underjaw, good in skull, which might be a little longer. Limit dogs (lightweights)—1st, Coster's Diamond. 2nd, Walnut Crib, a very typical short-bodied Bulldog with good natural front, and shoulders, and good expression, nice small ears. 3rd, Black Diamond, a grand large skull, good ear, grand rib and short body, wide underjaw, which might be a little longer, a sound Bulldog. Reserve, Imperialist, an old face back again, grand depth of foreface, wide underjaw, with good turn-up, good skull, short-bodied, in fact, one of the very best Bulldogs in the show, but a bad shower and badly shown, well handled he would be much higher up. Open dogs (lightweights)—1st, Coster's Diamond. 2nd, Walnut Crib. 3rd, Black Diamond. Novice dogs (heavyweight)—1st, Rydal Stone First Chance, low to ground and good skull, but straight in underjaw and big in ear. 2nd, Rydal Stone Teddy. Limit dogs (heavyweight)—1st, Pentland Clansman, a dog always to be reckoned with, and taken point by point, very hard to find fault with, except that he is a very little long in body, his face is extremely typical, with good expression and lots of wrinkle and a virtue very often lost sight of, namely, a grand big nostril, wide, well turned-up underjaw, good ears and eye-brows that well overhang, grand shoulders and front, lots of bone and good rib. 2nd, Baron of Lambare, a cracking good dog all over with a specially short body and good skull, he wants a little more

width in foreface and might be lower to ground. 3rd, Rydal Stone Teddy. Reserve, Worsley Dreadnought, an old favorite and a good one, but shown entirely too light and out of condition. Open dogs (heavyweight)—1st, Ch. Cheetham Squire, we were going to say "Old Ch. Cheetham Squire," as he has been shown so often, won so often and reviewed so often. He seems like an old dog, yet he is only barely four years. With this win he entered on his fourth championship. We need only say he is looking as well as ever, and is leaving his mark on the coming generations. 2nd, Pentland Clansman. 3rd, Baron of Lambare. Reserve, Moston Marshall, still a fine old dog, and as good as any we have, but age is telling on him. Breeders' dogs—1st, Ch. Cheetham Squire. 2nd, Coster's Diamond. 3rd, Rough Diamond. Canadian-bred dogs—1st, Ch. Cheetham Squire. 2nd, Pentland Clansman. 3rd, Coster's Diamond, a pretty good collection for any show of home-breds. Stud dogs—1st, Ch. Cheetham Squire. 2nd, Worsley Dreadnought. 3rd, Woodcote Merry Boy. Veteran dogs—1st, Moston Marshall. 2nd, Golden Star, lasting very well. 3rd, Woodcote Merry Boy.

Puppy bitches (6 to 9 months)—1st, Lady Lillian, lots of wrinkle for a little one, but shows a good many faults in a straight underjaw, doubtful ears and legginess that time will improve. Puppies bitches—1st, Judy of Lambare, in good condition and much improved, especially in bone, would like her a little wider in foreface and underjaw. 2nd, Wee Diamond, short in body, good length of skull, low to ground, fair bone, but on the small side and straight in hock. 3rd, Guardian, frog-faced. Maiden bitches—1st, Rydal Stone Dolly, good body, low to ground, bad condition and a bad eye. 2nd, Wee Diamond. 3rd, Tiny Diamond, well named, she is too small and lacking in bone, might make a good miniature if she stays small. Junior bitches—1st, Judy of Lambare. 2nd, Rydal Stone Dolly. 3rd, Wee Diamond. Novice bitches (lightweight)—1st, Wee Diamond. 2nd, Mutt, good wrinkle and good foreface, with a cracking underjaw, too big in eye and wants more rib. 3rd, Lady Lillian. Limit bitches (lightweight)—1st, Nelly Diamond, a red brindle of pleasing color and very good expression, grand underjaw, wide in foreface, good ear and body, fair shoulder, but

she stands very high and lacks bone. 2nd, Judy of Lambare, we infinitely prefer for first place, as her general appearance is more typical, being lower to ground and better in bone. 3rd, Titterstone, good short body, good bone, good head and foreface, good shoulder and front, but wry in underjaw. Open bitches (lightweight)—1st, and 2nd, repeats, 3rd, Sheila of Lambare, all white, grand underjaw and very typical, low to ground and compact, might have a little more substance. Reserve, Titterstone. Novice bitches (heavyweight)—1st, Stonewall Jane, a pied bitch, good skull and foreface, extra good body, but a bit high. 2nd, Peggy Pride, good depth of foreface, good layback, good body, but too high and bad in ears. Limit bitches—1st, Cheetham Countess, always a good one if carefully shown, and she was shown to perfection, a brindle of extreme high quality everywhere, and with it lots of substance and a heavyweight. 2nd, Worsley Candida, another grand pied bitch of highest type of quality, a little lacking in bone and bad in tail. 3rd, Toll Bar Judy, badly frog-faced. Open bitches (heavyweights)—1st, Cheetham Countess. 2nd, Worsley Candida. 3rd, Merry Widow Stone, a fawn with excellent body and front, good skull and ears, plain in foreface. Breeders' bitches—1st, Judy of Lambare. 2nd, Rydal Stone Dolly. 3rd, The Little Diamond, who lost on account of a bad eye, which she seems in danger of losing. Canadian-bred bitches—1st, Cheetham Countess. 2nd, Judy of Lambare. 3rd, Sheila of Lambare. Reserve, Titterstone. Brood bitches—1st, The Little Diamond. 2nd, Worsley Peggy, grand depth of face, good body, wedge-shaped skull, narrow in foreface and rather short in underjaw. 3rd, Sheila of Lambare. Veteran bitches—1st, Worsley Candida. 2nd, The Little Diamond. 3rd, Merry Widow Stone. Miniature—1st, Parkdale Miss Muffet, one of the few miniatures that does not need to be starved. Her strong point is her skull, short body and good front. The brace class—1st, Metcalf. 2nd, Wilson. 3rd, Dowling. Trio class—1st, Wilson. 2nd, Dowling. Grand challenge class—1st, Ch. Cheetham Squire. 2nd, Baron of Lambare. 3rd, Moston Marshall. Winners dogs, Ch. Cheetham Squire. Reserve winners, Pentland Clansman. Winners bitches, Cheetham Countess. Reserve winners, Parkdale Miss Muffet.

Pomeranian Club Evening Shows

The Pomeranian Club of Canada held their second evening show April 21, 1915, in the Occident Hall, Queen and Bathurst Streets, Toronto. The show was in every respect very satisfactory and successful there being 13 classes and 15 special prizes. The Judge, Mr. T. McNaughton, of Toronto, got through his work very satisfactorily. The dogs present were about thirty; the spectators numbering about 100, which goes to show that the Pom. Club is making rapid strides. The first class was for Puppies under six months, which brought out six entries headed by Ward's May Duchess, which was an easy win, a good colored wolf sable, exceptionally small and short in body, and thought by many present to be one of the best puppies out for a long time with a great future ahead of her. Second, Snow Ball, a small cream, nice expression, short in body and a good tail carriage. All through a nice quality pup. Third, Floss, another wolf sable, loses to second in type and size.

Class 2.—Puppies, under 12 months (any color)—1st, Mr. Nightingale's brown bitch, Cumberland Pride, a well known winner and in good shape. 2nd, Mr. Thomson's Dandy's Double, a good colored black, looking in good form but too big. 3rd, Mrs. McGuinness' Rose, a chocolate with a good coat, short in body, a good shower, his one big fault is his tail which is much too light in color.

Class 3, novice dogs and bitches (any color)—1st Dandy's Double. 2nd, Cumberland Lad, not in as good shape as the winner. 3rd, Sunnybrook Lil, a nice colored chocolate but a poor shower.

Class 4.—Open dogs (black)—1st, Dandy's Double. 2nd, Cumberland Lad. 3rd, Mrs. Smith's black dog Prince Victor. Another one that refused to show.

Class 5, Open bitches (black)—1st, Mrs. Foster's Mabfield Cinderella, a short bodied bitch, but out of coat and gone grey. 2nd, Betty, a nice brood bitch.

Class 6, Open dogs (brown or chocolate)—1st went to the well known dog Sailor Prince, looking well. 2nd, Rex.

Class 7, Open bitches (brown or chocolate)—1st, Cumberland Pride. 2nd, Sunny Brook Lil.

Class 8, Open dogs (any other color)—1st, Ward's well known wolf sable, Young Comedian, looked in his usual good form. 2nd Mrs. Hill's Orange Burleigh, looking well, but his colored nose is badly against him.

Class 9, Open bitches (any other color)—1st, Mrs. Walker's Orange Cracker which is rightly named as she is a cracking good orange but does not carry enough coat. 2nd, same owners, Orange Folly, another good colored orange. She is badly handicapped with a colored nose.

Class 10, Open dogs or bitches (white)—This class brought out the big ones. 1st, Mrs. Perrin's Tango. 2nd, Mrs. Newth's Carlaw Rex. 3rd, Mrs. Clemment, Beauty.

Class 11, Open dogs (any color, over 8 lbs.)—1st, Lord Burleigh. 2nd, Mr. Howden's Prince. 3rd, Mrs. Halcindus, Beauty.

Class 12, Open bitches (any color, over 8 lbs.)—1st, Mrs. Walker's Orange Bon Bon. 2nd, Mrs. Mopson's Betty. 3rd, Clemment's Beauty.

Class 13, (Children's Class, for boys and girls under 14)—1st, Snow Ball, which won second in puppy. 2nd, Miss Hanson's Sunny Brook Floss. 3rd, Floss.

Special for best dog in show, won by Young Comedian.

Special for best bitch, won by Orange Cracker.

It has also been decided to hold another show on Wednesday evening, May 19th, 1915, in the Occident Hall, Queen and Bathurst streets, Toronto. Judge for the evening will be Mrs. P. Herd, Toronto. We earnestly request all Pom. fanciers to be present and bring a friend. Lots of specials and good company.

MAY 19TH SHOW.

Pomeranian Club of Canada held an evening show in Occident Hall, May 19th. There was an excellent entry of 50; quality as well as quantity was well represented. Mrs. Herd of Toronto made the awards, which were well received.

Class 1, Puppy dogs or bitches (any color, under 6 months)—This was a splendid class of eleven entries. 1st, Mr. Ward's Southern Maid. This is a very nice typical bitch, a quality one, very short and compact with nice

head and well carried ears, she is wolf sable in color with a nice coat, and a topping little shower, a very nice puppy indeed. 2nd, S. Blackburn's Bessie Black is a very good black pup, nice in head and ears but not such quality as the winner nor quite as short, but a nice all round pup. 3rd, Mrs. Smith brought out a very nice small cream. She has a very nice head and very small ears, nice dark eye but her nose is not black, but no doubt will go right as she gets older, then she will do better.

Class 2, Puppy dogs or bitches (any color, under 12 months old)—1st Mr. Nightingale, Cumberland Pride. She is a very nice chocolate bitch with good head, small ears which are well carried, very short in back, in good coat but she shows a little light in color in breechings, all round a very nice bitch. 2nd, Mr. McNaughton, Nellie, a very small black with nice head and ears, with the best of legs and feet and showed very well, she wants to grow a little more under coat. 3rd Mrs. Walker, Orange Folly is a very good orange, good in color, good in head and ears. This bitch has improved since the last time I saw her. She just wants to grow a little more coat and then she will do better. Mr. Thompson's Dandy Double was the runner-up in this class. He was in splendid coat and bloom and was well shown.

Class 3, Novice dogs and bitches (any color)—1st, Mrs. Briggs, Lady Mayfair. She is a light orange bitch in color, very nice head and well carried ears, good body, legs and feet, but wants to grow a little more coat; this bitch should make a splendid brood bitch. 2nd, Mrs. Dennison, Lexmount Belle, black, very fair in head and ears but flat. 3rd, Mrs. Smith, Toronto Queen, another black bitch, she is very small, nice head and ears, she is flat coated and inclined to be wavy, she was very shy, otherwise a nice little bitch.

Class 4, Open dogs (black)—1st, Mr. McNaughton's Masterpiece. This is a very good, sound, typical black with a splendid coat, nice head and very small, well carried ears, his coat is exceptionally sound for his age, he was put down in good bloom. 2nd, Mr. Thompson's Dandy's Double. He is a good black son of Masterpiece which does credit to his sire, he has a nice head, well carried ears, splendid coat, and a nice balanced dog all through. I think the next time he is

shown he will be in the overweights as he is close on and in this class he will hold his own with the best.

Class 5, Open bitches (black)—1st, Mr. McNaughton's Nellie, previously reviewed. 2nd, Mrs. Hawkin's Topsy. This is a good coated black bitch, nice in head and ears. She is a little flat coated but in good coat but not so good in quality as the winner. 3rd, Mrs. Foster, Mabfield Cinderella. She was shown in very good coat, nice head and ears. This is a very short bodied bitch but she is showing age, otherwise a smart little bitch.

Class 6, Open dogs (brown or chocolate)—1st, special, Mr. Eyden's Sailor Prince. He is a very short cobby dog with small, well carried ears which he uses well. He was put down in good coat; he is showing age a little now but he is a good Pom.

Class 7, Open bitches (brown or chocolate)—1st special, Mr. Nightingale, Cumberland Pride, reviewed in previous classes.

Class 8, (Any color than black, brown, chocolate or white)—1st special, Messrs. Ward and Hirst, Sherdon Star, first time out since his victory at Oakville Show. He was put down in splendid bloom. He has a beautiful head and ears. He is the right type, ears correctly placed, beautiful foxey expression, good eye, very fine in bone. His coat is the right texture and he is a beautiful shower. He is without doubt a Pom. from nose to tail and will be very hard to beat. He won the special later for the best dog or bitch in the Show.

Class 9, Open bitches (any other color than black, brown, chocolate or white)—1st, Mrs. Walker, Orange Cracker. This is a beautiful orange bitch, splendid in color, nice head and ears, good eye and expression, a great pity she does not carry a little more coat or she would trouble the best. She is without doubt the best colored orange out. 2nd, Mrs. Briggs, Lady Mayfair, previously reviewed. 3rd, A. L. Collins, Shining Beam, another splendid colored orange bitch. She has a very fair head, a trifle large in ears, and a little out in front. She wants also to grow more coat and then she will do better.

Class 10, Open dogs or bitches (white)—1st, Mrs. Perrins, Tango, very good in color, good ears, legs and feet but too long in back and flat in coat.

2nd, Mrs. Clemment's Beauty is a white, her color is a little tinted with cream, large enough in ears, just a fair specimen. I would like to see whites smaller than they are. 3rd, A. Kyle, Prince is another white tinted with cream, fair in head and ears, good tail carriage.

Class 12, Open bitches (any other color, over 8 lbs.)—1st, Mrs. Walker, Bonnie Orange, very good in color, nice head, small ears, a little light in eyes, a nice all round bitch. She is a lovely brood bitch.

Class 13, Children Class, dogs or bitches (any color or age, shown by a boy or girl under 14 years of age)—1st, Miss Johnson, Lady Mayfair, reviewed in previous classes. 2nd, Miss Hansom, Sunny Brook Floss, a very nice black, very fair in head and ears, in good coat. 3rd, Miss Paradine, Trixie, is a very nice cream puppy, nice in head and ears, very small and fine in bone, will make up into a very nice Pom. The other exhibitors in this class were Miss Bell and Miss Denison.

Class 14, Brace Class—1st, Messrs. Ward and Hirst, Sherdon Star and Winsome Sable Atom. 2nd, Mrs. Walker, Orange Cracker and Orange Folly. 3rd, Mr. Nightingale, Cumberland Pride and Queenie. All previously reviewed.

Special for best dog or bitch in Show was won by Messrs. Ward and Hirst, Sherdon Star, but the special being donated by Mr. Ward he kindly passed it down to Mr. Eyden, Sailor Prince being the runner up.

This brought the judging to a close. A hearty vote of thanks to the judge was proposed by Mr. Ward and well responded to; this brought to a close one of the best evening shows of the Pomeranian Club.

DEATH OF MRS. THEO COLEMAN

Our older members will remember Mrs. Theo Coleman as a great lover of dogs, who frequently exhibited Bedlington Terriers at Toronto Exhibition and other shows, including New York. In fact, she was the last exhibitor to any extent of Bedlingtons in Canada. Her death occurred last month in her home in Hamilton. She was better known as an extensive writer, under the name of "Kit" mostly in the daily papers of Toronto. We extend our sympathy to Dr. Coleman.

WINNIPEG KENNEL CLUB

First Annual Meeting of Winnipeg Kennel Club held in Centre Hall, Industrial Bureau Building, May 17th, 1915.

President, Mr. F. E. Trautman, in the chair.

Mr. Trautman, in his opening remarks, referred with regret to the number of members who were at present on active service, the Executive Committee in particular having lost several ardent workers.

Financial statement was presented by Secretary, who also reviewed past year's work.

Meeting then proceeded to the election of officers for the coming year, as under:

President, Mr. F. E. Trautman (re-elected by acclamation).

Vice-President, Mr. J. Milner.

Secretary-Treasurer, S. C. Taylor (re-elected by acclamation).

Executive Committee: Miss V. C. Rogers, Miss E. E. Marnington, Messrs. I. Kay McKenzie, W. Village, A. L. Boucher, A. F. Picard, J. I. McCulley, J. H. Bailey, W. McCall, W. J. Harvey.

At a subsequent meeting of the Executive Committee, Mr. I. Kay McKenzie was appointed chairman.

The first meeting of the newly elected executive committees of the Winnipeg Kennel Club, took place last Monday night, May 31, and among the important business conducted at the meeting was the reading of the letters sent to the Patriotic Carnival Committees, in regard to holding their proposed show under the recognized rules of the Canadian Kennel club. The Winnipeg Kennel club is still waiting the promised reply from the secretary of the Patriotic Carnival Committee. It was decided at the meeting that if the notification from the secretary was in favor of having the show under unrecognized rules, that there would be no opposition whatever from the officials of the Winnipeg Kennel club, as the purpose of the carnival was to do good, and that the members and officials of the Winnipeg Kennel club were as patriotic as any other body of sports in the city and considered themselves British first and dog lovers second, on an occasion like this.

It was also decided to hold another monthly show during this month; the breeds to be taken being Airedales, Bull Dogs, Irish Terriers, Scottish Terriers and Whippets. Mr. McKenzie promised to judge Irish Terriers and Bulldogs, Irish Terriers being his first fancy, some twenty-five years ago. It was also decided to hold no monthly show in July until the Carnival was over.

The sudden illness and death of W. St. John, the late owner of the famous Madison Fox Terrier Kennels, has caused a shock to all dog fanciers in Winnipeg. Many were not aware of his illness, thinking he was still on the business trip he took to Edmonton two weeks ago. In partnership with Mr. Village, he imported some of the best fox terriers ever seen in Winnipeg, amongst them the great Champion Arabella. He was a good sport in the dog game, and the kind of fancier that will be sadly missed. The Executive of the W.K.C. expressed their deepest sympathy and forwarded a floral tribute as a token of the great regard he was held in by every member of the club.

Somewhere in Belgium is the place where Harry St. Lawrence, the great owner of the famous Bull bitch, Ch. Trafford Bullcity, is stopping at present, but he expects to make a move a long way inland at a very early date. His letter is very interesting and says: "We get plenty of excitement watching the aeroplanes having a scrap. I have seen three Germans brought down lately. The other day one of our airmen got above a German, came down like a hawk, and with a few shots sent the Hunny boy down the big slide. We are in a hot spot just now, getting shelled day and night. One shell burst near us yesterday. It knocked a building down, killed eleven men and a piece of it, weighing 30 pounds or so, fell 200 yards farther on, making a deep hole in the ground. The noise at night is like standing in the centre of 500 exhibitions when it is firework time, and when a 15-inch one comes along it leaves a hole that you could drop an average Winnipeg cottage right into. It is easy to tell

when one is coming. The horses know better than we do, for when they appear to be all tired and asleep they all jump up without warning and then we detect the sound of Jack Johnson. I collected a bunch of souvenirs for the boys, but threw them away again—you could fill a rig in half an hour—but I will bring some back with me. Remember me to all the members of the Winnipeg Kennel Club and give them my best wishes."

Mr. J. I. McCulley of Winnipeg reports the arrival on May 27th of a litter of beautiful St. Bernard puppies, 3 males and 2 females.

Sired by "Alpine Montgomery" he by "Alpine Major" he by "Ch. Agawa Duke," the Dam being the sterling quality bitch "Lady Carlisle," imported by Mr. McCulley, something good may be expected from this litter.

Mr. McCulley deserves great praise for the remarkable courage and persistency displayed in the face of repeated disappointment. Like a true sport he has come back and tried again, and furnishes another example of patience being rewarded.

Madison Kennels, 170 College st., St. James, Winnipeg, June 5, 1915.
Dear Sir,—

I regret to announce the death of my partner, Mr. St. John, after a very short illness, and I feel his loss as a hard blow to the Terrier fancy. I think I am right in saying that he ranked amongst the few that were, and are still fighting for the doggy game in the West, to be played straight. During the six years of our acquaintance we have always held a fairly strong hand in Terriers. After a while when I regain my footing from my recent sickness, I intend to make it warmer.

Yours sincerely,
BILLY VILLAGE.

THE COLLIE CLUB OF AMERICA.

A meeting of the Executive Committee of the Collie Club of America was held at 19 Pearl St., Boston, Mass., April 26th, 1915.

Present: Edwin W. Dwight, S. R. Cutler, J. L. Card, R. A. Murray, W. B. Foster, John E. Comerford and T. E. L. Kemp.

The minutes of the previous meeting were read and, with slight modification, approved.

The following individuals were elected to membership: Dr. Albert C. Thomas, Mrs. A. M. Stocker, Mrs. A. M. Sweatt, Mrs. N. E. Larkin.

It was voted to instruct the Treasurer to pay bills presented by Whitehead and Hoag Co. and Charles G. Braxmar, the sums total forty-five dollars, for medals.

It was voted that the usual Club specials be offered at all the clubs that have recently applied, namely, L.K.A. of America, the L.K.A. of Massachusetts, the Canadian National Exhibition, Long Island Kennel Club, New Bedford District Kennel Club, Duquesne Kennel Club, Nassau County Kennel Club and the Orange Bide a Wee Association.

A special committee was appointed, consisting of J. L. Card, the President and the Secretary, who should have authority to act for the Executive Committee in the matter of the offering of specials in order that more prompt service might be furnished.

The Treasurer's report of specials having been won at the Charity Show at New York was approved with the exception of the puppy win, it being demonstrated from the records that Miss Torrey, who was reported as having won this special, was not elected a member until March 23rd, the Show having closed three days previously.

The application of the Eastern Collie Breeders Association for membership in the American Kennel Club was presented by Mr. J. L. Card. It was voted that this application should be approved and that the Secretary of the American Kennel Club should be so notified.

The Secretary was instructed to furnish E. L. Pickhardt of Milwaukee with the information which would be required by this Club before taking up the question of their application for membership in the A.K.C.

It was voted that the Secretary inform the Interstate Collie Club of

Philadelphia that, while our committee was in many ways in sympathy with their position as to the judging of Collies, we did not feel it wise to take definite action at this time.

As there was some question as to the legality of the call for the previous Executive Committee meeting it was voted that the actions of that meeting of March 23rd should be ratified.

A number of very satisfactory and enthusiastic replies to the circular letter of the President were read.

The meeting was adjourned until Monday, May 24th, 1915.

(Signed) T. E. L. KEMP,
Secretary.

Boston, May 24, 1915.

A meeting of the Directors of the Collie Club of America was held at the office of Dr. E. W. Dwight, 19 Pearl St., Boston, Mass., at 2.30 p.m.

The following were present: Dr. E. W. Dwight in the chair, Walter B. Foster, J. L. Card, W. Ormiston Roy, Judge S. R. Cutler, John E. Comerford and T. E. L. Kemp.

The minutes of the previous meeting were read and approved.

Mr. John H. Blackwood's resignation as Treasurer was read and accepted, but with a great deal of regret. Mr. Blackwood was then appointed Advisor from the Eastern District. Mr. Walter B. Foster of Hingham, Mass. was elected Treasurer.

The Treasurer was instructed to pay a printing bill of seven dollars and seventy cents (\$7.70).

It was voted to notify R. Fred Pettit, Albuquerque, N. M. that the Directors were heartily in sympathy with his efforts to form a Collie Club in his territory and that if his club had eighteen members or more and could bench at the show twenty-five or more Collies they would be in favor of the A.K.C. granting a four point rating on account of the great distance between exhibitors, providing, of course, the regular procedure was taken that applied to all clubs asking for membership in the A.K.C.

The following new members were elected: William Hay Clark, Amesbury, Mass.; Mrs. Lettie Hart, Wellesley, Mass.

Mr. W. Ormiston Roy offered a substitute for the present description in the standard of a Collie's ears to read as follows: "ears, small, covered with short soft hair and set well on top

of the head and carried erect or semi-erect when at attention, at other times thrown back into the ruff".

It was voted to lay this motion on the table, but to publish it in the papers in view of getting a general discussion on the subject.

Mr. Roy read a letter from the A. K.C. accepting him as delegate from the Collie Club of America.

The Secretary informed the Directors that since the last meeting he had sent out entry blanks for the stakes to the members.

It was voted to adjourn until Monday, July 12th.

(Signed) T. E. L. KEMP,
Secretary.

AN EXPLANATION.

To Whom it may concern:—

I received from England on March 29th, 1915, the English Setter, Mallwyd Bobs, the dog that won the Championship at Crufts Show this last February. His first appearance was at Washington, D.C. where Mr. Geo. S. Thomas judged the English Setters. He was put down and when I asked Mr. Thomas after the judging what he did not like about the dog he said he liked him well enough to give him first only upon feeling his tail he believed it had a piece taken off the end and for that reason alone he would not put him up. I informed Mr. Tom Steadman whom I bought the dog from and have received an affidavit sworn to by both he and his kennelman stating that as they had bred and reared the dog up to the time he was shipped to me they were in a position to know and swear that in no way or shape has the tail been tampered with. I also had Dr. Rhoades examine the tail and he has given me a sworn statement that in no way has the tail been operated on and that it is in its perfectly natural condition and length. Dr. Henry Jarrett also examined the tail and is satisfied that the tail is natural.

I ask you to give this full publicity, first to protect the good reputation of Mr. Steadman, to rectify the error made by Mr. Thomas and stop any unfair and untrue rumors that may have been spread, due to the decision, and last to remove if possible an unfair disadvantage placed on the merit of Mallwyd Bobs and give him a fair show for the future.

CHARLES P. BOYD.

April 28, 1915.

Mr. John Miles,
Toronto, Canada.

Dear Sir,—For many months I have given my time to war contracts. God got into bad company when he allowed the Kaiser to choose Him as an ally. However that may be, we will send the Kaiser where we sent Napoleon, or some other place as bad. How would you consider a proposition to send me a strictly good dog to be sold or raffled for the English War Relief Fund? In either case you would receive a satisfactory price.

Some time ago I gave a fine dog imported from Monks, of England, for the same good cause. The poor devils

who are sacrificing their all in order to end Prussian militarism need every penny we more fortunate mortals can acquire for their comfort.

Hoping you are as well and as young as usual, I am,

Yours truly,

F. L. GRAFFLIN.

In answer to the above letter Mr. Miles took up the idea at once and sent his good Bull Terrier, Inferno Slick, to Mr. Grafflin. The idea is a good one and might be followed out here; or, if not, some others might follow Mr. Miles' generosity and send some of their spare dogs to Mr. Grafflin, whose address is 102 West 44th St., New York.

lowered some twelve fathoms to a false bottom where the dog was. The dog was sent up first, Graham, meanwhile, being in great danger. Graham was next pulled up, and when he neared the top, Waddell, at considerable risk, caught hold of him, and pulled him over the wall in safety. Waddell himself was exposed to great danger, as he sat astride on an eight-foot wall, which encircles the shaft, and was the means of communication between Graham and those at the ropes.

The surplus from the Mount Royal Kennel Club recent show was donated to the Red Cross and Tobacco Funds for the overseas contingents.

Prestonpans Miners Rewarded.

Two Prestonpans miners, James Graham and James Waddell, have each received a handsome silver watch and silver badge from the S.S.P.C.A. in recognition of their brave rescue of a dog from a disused pit-shaft.

On Sunday, December 21 last, a company of Prestonpans miners came upon some boys with a basket and a rope who explained that they had been trying to rescue a dog from a disused pit-shaft, whither they had been attracted by its piteous yells. The miners in turn tried to rescue the dog by lowering the basket, but failed in their attempts. Graham, who is a young married man with a family, then volunteered to effect the rescue. When strong ropes had been procured, Graham was

Toby M II is siring some grand puppies, he is solid jet black.

Dr. Chas. Reid of Edmonton has a beautiful litter of nine Russian Wolfhound puppies.

Mr. W. E. Baldwin, Vice-President of the C.K.C. for the Eastern States, has presented to the Divisional Ammunition Column of the Second Contingent through Lieutenant-Colonel G. F. Poussette a splendid Bulldog, Glencairn Stone, to act as the regimental protector.

Mr. Thetford evidently pleases his customers for he has made no less than three separate sales to one of them. They were Wishaw Sparkle, Glendale Queen and a puppy by Wishaw Sparkle; and the pleased purchaser was Mr. Gallagher of Kansas City.

Mrs. Henry L. Cocksedge of the Rougham Kennels, Whonnock, B.C., has a litter of Airedales from which she expects great things. There are five dogs and three bitches all strong and healthy, whelped May 12 by Rougham Critic out of Baughfell Command. Critic is a full brother to Reservoir Thunderbolt, being by Tintern Desire out of Queen of Lud; Command is by King Oorang ex a Prince of York bitch. This should be a grand litter, especially in coat, as Critic is especially strong in this respect.

Mr. G. F. Smith has had the misfortune to lose his good winning Newfoundland puppy, Suffolk Prince; and four full grown bitches from distemper.

Mr. Wallace M. Sheehan of Dalhousie, N.B. has a litter of Bloodhounds, four

dogs and five bitches out of his bitch "Sheehan's Queen" by Dartmoor Chief.

Miss Bethune of Toronto has a litter of Bull Terriers, two dogs and two bitches, out of Glenedyth Pansy, by Mr. Bilton's "Kim".

We have seldom made an announcement, of which we regret the necessity, so much as the following: Mr. Jos. Perkins has had the misfortune to lose by fire his good Airedale "Game Chicken" and his Wire Fox Terrier "Walnut Regalia" which he had just purchased from Mr. Hudson, came through blind and without one ear, and in addition a Wire Haired Fox Terrier bitch puppy was destroyed. The fire occurred in a shed while Mr. Perkins was down town, and was caused by fire crackers on May 20th in the middle of the day. Unfortunately, no one was aware the dogs were in the shed and it was the first occasion that Mr. Perkins had chained them up; otherwise they would have easily got out.

We are informed that Mr. M. J. Kehoe of 218 Sorauren avenue, Parkdale, a well known St. Bernard breeder, paid a visit to Mr. Harkness's St. Bernard kennels, and was very much impressed with a dog puppy by Ch. Alta the King ex Princess Marmion. After much persuasion Mr. Harkness was tempted to part with his puppy for a substantial cheque.

We are also informed that Mr. Harkness has sold another puppy (dog) by same sire ex Dolly Gray II. to Mr. Cawthra Mullock of Toronto, at a very good figure.

When we consider the quality of such a dog as Ch. Alta the King, mated to such quality bitches as above, we are not surprised to learn that Mr. Harkness finds it so easy to dispose of their progeny at practically his own figure.

We have had the pleasure of seeing a litter of Pekingese puppies at the kennel of Mr. F. C. Hunt. These puppies, of course, are by Ch. Dodetainme, out of Shee Mee of Drallo, his imported bitch. At two months old they are extremely promising. The only bitch of the litter is extremely small, a strong red color, splendid head and short face,

large bone and lots of coat. A red dog is very like her, only slightly larger, and a biscuit dog is still a little larger, but full of type. The whole litter is extremely active and healthy and all have smut faces and are small.

Mr. H. M. Dymont is coming back into Cockers again, having recently purchased a red dog and buff bitch from Mrs. Worthy. Both these are by Brookdale Toby, the dog Mr. Dymont formerly owned. He is placing his black dog, Brookdale Billy, at stud in the near future. Billy is remarkably well bred, being by Uncle Billy (half-brother to Billy Obo) and out of the late famous Ch. Brookdale Silver. It is a great thing for Cockers to have Mr. Dymont back in the game. Here's hoping he breeds another Ch. Brookdale Silver.

Dr. W. F. Luton, of St. Thomas, has been killed at the front. He was an Airedale breeder and exhibited his dog, Caerphilly Flicker, at the recent Toronto Kennel Club show.

Miss H. Raymond's Edmonton, Boston Terrier, Sweet Marie, has whelped four dog pups, all well marked, with good tails, and doing well. They are by Lord Buster Arden.

Wampagne Marie, the Boston Terriers owned by Dan Thody, of Edmonton, whelped three dogs and one bitch, sired by Lord Buster Arden. They are all well marked puppies.

Mr. Dan Thody, of Edmonton, reports that business is very lively, his sales last month being three Blenheim Spaniels, one Cocker, two Retrievers, three Fox Terriers and one Airedale.

Mr. Wm. Marr has reneged on his old breed of Pekes and has gone into Cockers and Poms., with the result that after two years study he has a litter of Cockers from his bitch, Lothian Phil by Uncle Billy, a Billy Obo dog, consisting of one black bitch.

In the above we omitted still another breed to Mr. Marr's credit, as he has a litter of one dog and three bitches in Irish Setters by Firefly Paragon out of East Lothian Pride.

Our readers will be sorry to hear that such a good Airedale supporter as Mr. P. Bawden was seriously ill with

Very little need be said about this dog, as he is undoubtedly one of the sensations of this season, both in Canada and the United States. Sufficient to say that he has been shown fearlessly everywhere, including Westminster Kennel Club and Charity Shows in New York, and the Ladies' Kennel Association, Mineola, the three largest shows in the United States, and on but one occasion has he stood as low as third place. At Scranton he won special for best dog in show, any breed, and also at Montreal he won for best in show. He was imported to Canada through Mr. Bert Swann.

As a sire he is as great a success as a show dog. We believe we are correct in saying he has never yet had a bitch missed to him, and in England he has left a storming litter behind him, one of which cleaned up at Crufts last show. His pedigree is of the best; his sire, Wordsworth Royalist, was one of the good things that die young, but in his short life he was a big winner. His dam, Miss Nobbler, is a litter sister to Ch. Abbey King Nobbler, and Ch. Kirk's Patricia, so that it can be seen that he is one of the best bred Airedales in America.

pneumonia, being delirious for some time; but, we can report the good news that he is well on the mend.

Mr. Walter M. Berwick has sent his good brood Airedale bitch to King Nobbler's Double, and another bitch to Caerphilly Marvel.

Miss Circuit (C.K.C. 13150) (Ch. Short Circuit ex Denham Bacchante) has a promising litter of two dogs and three bitches by Madrona Jigger (Madrona Bunker ex Madrona Scratch), whelped April 19th.

We have been informed unofficially that the Dog Show in connection with Edmonton Exhibition will be held under Canadian Kennel Club rules.

The judges announced for the Canadian National Exhibition are Mr. James Mortimer, Mr. Geo. S. Thomas and Dr. Jarrett.

Mrs. Mildred Walker, of Toronto, recently bought a splendid pure black Pom. puppy, two months old, by Nobby, with the intention of keeping him for stud, but someone saw him, took a fancy to him and made a sufficient offer to induce Mrs. Walker to part with him.

Lew Ritchie of St. John has bought of Mr. G. M. Tyrell of Ottawa a brace of Bull Terriers of which he hopes to make a good showing at the N.B.K. Club Show in September.

The bitch, the nicer of the two, we think, should give the Maritime Provinces something good in the near future, she being already bred to a good one in Toronto.

As a producer of large litters, the Collie, Ch. Weston, All quality comes first. By Parbold Picador she raised nine puppies, but her last litter by Otterburn Dial is seven dogs and six

bitches. All of the thirteen puppies were healthy and well developed, and weighed over one pound each.

Winnipeg is talking of having a National Patriotic Carnival from July 1st to 10th, and a Dog Show in connection with it.

Mr. Chas. T. McKay of Kingston has a nice litter of Bostons, four dogs and one bitch out of a Conewanga bitch, by Lord Lovat. There are also three other bitches showing in whelp to the same dog.

We are in receipt of a letter from Mr. Baldwin reminding us that though he is absent, still, he has not forgotten Toronto, and has kept in touch with Canada as shown by his purchase from Mr. W. H. Aitken of Montreal of the Dachshund Woodbine Warrior for Mr. Rumsey of New York and also a St. Bernard dog. From Mr. Bert Swann he bought an Airedale Terrier for Mr. Fitz-Simmons of Birmingham, Alabama.

Mr. Geo. D. White of Toronto has a splendid litter of six puppies, three of each sex, whelped April 28th, by Granite Oak Masterpiece out of Granite Oak Molly.

The Pomeranian Club of Canada are a good example of push. They do not believe in hiding their candle under a bushel. They take advantage of the opportunity given them by Kennel and Bench to publish full reports of their shows and meetings. The consequence is their evening shows have a bumper entry, and the Club is doing real work for their breed. This opportunity is open to every Club. Why not take advantage of it?
