### ADVERTISEMENTS

The Advertisements should reach us not later than the 26th.

WE are contemplating publishing another Supplement to the January issue of "Kennel and Bench" similar to the one issued last year, which was appreciated by most members and exhibitors to the extent that they have placed it on file. Although we had a double amount printed, the demand was away beyond the number available. Those who were in it last year have enjoyed a standing advertisement as a result. Our patrons who intend securing space in this issue would be consulting their own interests, as well as those of this paper, if they would kindly book their spaces without delay, and those who have not already done so, get the dogs they intend to have illustrated in this number photographed NOW, whilst the weather is so favorable.

A determined demand has been made for a repetition of a Supplement, by

those who have been in previous years. It will be distributed free to all subscribers and purchasers of the regular January issue. The style and type of last year's issue will be closely followed, and will be profusely illustrated on the best possible paper.

The reading matter will be descriptive of the dogs and their kennels, and will not resemble straight advertising in any way. All matter, including cuts, MUST be in our hands before December 15th. Those who have photos only can give their orders to us, and we will execute them at cost. Those who get new cuts should use a 133 screen on copper. No orders will be accepted for less than a half-page in the Supplement, though the regular January issue will contain the usual advertisements. For further particulars, please see advertisement columns of this issue.

The lifting of the ban, under which a large number of Winnipeg and Western dog owners and exhibitors were prevented from showing their dogs under Canadian Kennel Club Rules, should greatly benefit the fancy, and incidentally encourage exhibitors to work together. Members and others who had been so disqualified are now at liberty to apply individually for membership in the Canadian Kennel Club at any time they wish. Forms for membership will be gladly sent on application to the Secretary of the Canadian Kennel Club, or the Accountant, National Live Stock Records, Ottawa.

The reason the committee are asking for individual membership applications is simply because our constitution calls for same, under our present incorporation under the National Live Stock Records. Every member, old or new, has been required to fill in one of these forms.

### MEETING OF BOARD OF DIRECTORS OF CANADIAN KENNEL CLUB.

The meeting was held in the offices of the club, 774½ Yonge St., Toronto, and was called to order at 8.15 p.m.

Mr. James W. Bain, K.C., was in the chair.

Charges against Mr. Walter M. Berwick by Mr. Perkins: Moved and seconded that this matter be taken up at the next meeting finally.—Carried.

Charges against Mr. R. J. Hotston, by Bulldog Breeders' Association, and Mr. G. R. Farquharson: First charge was for removing dog from show without permission; 2nd charge was for using insulting language about the judge and Mr. Farquharson, ring steward, and the third charge was for selling a dog which was only out on breeding terms.

Moved and seconded that whereas the first charge was a technical breach for removing the puppy from the show, he did all he could to obtain the necessary leave, and the committee doesn't think it necessary to do anything further in the matter.—Carried.

Moved and seconded that in connection with the second charge that Mr. Hotston be asked to apologize to the secretary of the Bulldog Breeders' Association and Mr. Geo. R. Farquharson for using such language.—Carried.

Moved and seconded that the third charge be withdrawn, as it was a personal matter.—Carried.

Letter Blue Cross Society: Moved and seconded that as the Blue Cross Show is being held in aid of horses and dogs at the front, and as all specialty clubs are represented on the show committee, that all fees be waived.—Carried.

Mr. Geo. Barron, the honorary secretary, presented to the meeting the correspondence in connection with the Vancouver Exhibition, and it was resolved that the Canadian Kennel Club recognize all wins made at the Van-

couver Exhibition Show, for the years 1914 and 1915.—Carried.

Moved and seconded that the Quebec Advisory Board agreement be accepted as follows:

Memorandum of agreement entered into between the Canadian Kennel Club and show-giving kennel clubs in the Province of Quebec, Canada, regarding the government of kennel affairs in Quebec.

1. That an Advisory Board be established in the Province of Quebec.

2. That the Advisory Board have full powers to deal with protests, disqualifications, suspensions, etc. To receive and approve of premium lists and catalogues of clubs in the Province of Quebec, giving shows under C. K. C. Rules. All powers subject to clause (5) of this agreement.

3. That the Advisory Board be made up of five (5) members of the C. K. C. resident in the Province of Quebec. The chairman of the Board to have the casting vote in case of a tie.

4. That the members be elected annually by the Executive Committee of the C. K. C.

5. That the Advisory Board have the practical management of kennel matters in the Province of Quebec, subject to C. K. C. rules, i.e., that any question regarding kennel interests in the Province of Quebec shall be submitted to the Advisory Board and dealt with by them, subject to the approval of the Executive of the C. K. C. in Toronto.

6. That the Advisory Board have power to grant dates for the holding of shows in the Province of Quebec.

7. That the Advisory Board shall meet at least twice in each year, and that notice of such meeting be given to all members.

8. That a full report of the proceedings at all meetings of the Quebec Advisory Board be sent immediately after each meeting to the C. K. C. at Toronto.

9. That nothing in this agreement shall be retroactive.

It was moved, seconded and resolved, that the disqualifications of the following, namely:

be rescinded, and that hereafter any application for membership from any of the above mentioned persons so disqualified, be considered individually on its merits, and in accordance with the constitution and by-laws.—Carried.

The meeting then adjourned to Oct. 6th, 1916.

#### ADJOURNED MEETING, CANADIAN KENNEL CLUB BOARD OF DIRECTORS.

The meeting was called to order at 8.15 p.m. in the offices of the club, 774½ Yonge Street, Toronto.

Mr. John G. Kent, president, in the chair.

There were present Messrs. James W. Bain, K.C., Geo. Barron, Fred W. Jacobi, E. C. Budge, Nicol Jeffrey, T. E. Milburn, Jos. Perkins.

Charges against Mr. W. M. Berwick by Mr. Jos. Perkins.—It was moved and seconded that Mr. Berwick be suspended until he personally appears before a meeting of the Board, in order that same might be gone into more fully.—Carried.

Correspondence Boston Terrier Club of Western Canada.—After a lengthy discussion, the honorary secretary was asked to write several letters, which will result in an amicable settlement, it is hoped.

## SHORT BARKS.

Mr. Reuben White, of Galt, a late recruit of the Collie fancy, has purchased from Dr. Ford the good young bitch, Nightingale, (Ch. Knocklayde King Hector, ex. Otterburn Blonde Beauty), and purposes breeding her to his dog, Sir Walter Scott, which he showed with success at the recent Canadian National Exhibition. Mr. White, after doing his "bit" in France, was invalidated home on account of wounds received. He and his wife are ardent dog lovers and hope to figure prominently at future shows.

Mr. R. F. Sanderson, of Oakville, has bred his good Collie bitch, Corona Sweet Rosie to Ch. Parbold Picaroon.

Mr. Jos. W. Burrell, of Woodcliff Lake, N.J., reports a grand litter of ten Collie puppies, some weighing 14 ounces at birth, by Ch. Parbold Picaroon, ex. his famous Ch. Knocklayde Queen Mary. Mary was the dam of that wonderful dog, Knocklayde King Bert, the sensation of 1915, who unfortunately died of pneumonia following a brief but phenomenal career on the bench. He was acknowledged to be the greatest puppy seen in years, and Mr. Burrell's selection of Picaroon for this mating is the highest possible tribute to this good dog, and Canadian breeders are fortunate to have him at their doors.

Mr. Geo. A. Dixon, of Ottawa, Ont., reports a nice litter of four puppies, two dogs and two bitches, out of his Toy Poodle, Dimples (15504), by Wee Jock (15483). All are pure white and doing fine. Wee Jock took 2nd prize at the Ottawa Dog Show held September 12th to 15th, 1916.

Mr. R. H. Falconer's Cocker Spaniel, Miss Canuck, bred to H. J. Bailey's Togo B. (both registered) has given birth to an exceptionally large litter of solid red pups.

In our advertisement columns it will be noted that Mr. F. W. Thurlow, of High Wycombe, Bucks, England, is offering for sale some high-class Airedales, Wire-haired Fox Terriers, Sealyhams, and Cocker Spaniels. Mr. Thurlow is a successful breeder and exhibitor in the Old Country of many years' standing, and we are satisfied that any-

one doing business with him would get a square deal. Photographs and particulars of some of the Airedales he is offering for sale may be seen at this office.

At the regular monthly meeting of the Edmonton Kennel Club, held Aug. 10th, Mr. Griffin gave a medal for the best Bulldog puppy, which was awarded to Mrs. A. G. Shute's Coronet Centaur II, which she recently refused \$150 for. The puppy was sired by Ch. Courtney Coronet, out of Saltown Star Turn.

Mrs. Anna R. Judd, of the Melita Kennels, Seattle, Wash., reports that in a litter last May of Maltese Terriers, by her English champion, Impy, out of her imported brood matron, Normacot Camille, the smallest weighs but 2½ pounds at the age of 4½ months.

Mr. P. R. Hilborn, of Preston, Ont., advises us that he has bred his two Airedale bitches imported from Theo. Offerman, namely, York Galt Girl and York Rhyburn Clover, to York Safety First. York Safety First is a full brother to York Master Key.

Moore's Cocker Kennels, Medicine Hat, Alta., have had some very good sales recently, which shows that the Cockers are booming out in the West. They shipped one dog and one bitch, out of Moore's Killarney, out of Moore's Blandom Buff, to Mr. D. J. Dugan, West Chester, Penn.; one male to Mr. D. J. Carney, Sask.; one male to Mr. W. Collett, Winnipeg; one to Mr. Alf. Russell, Calgary.

Mrs. F. V. Kennedy, of Calgary, purchased at the Calgary Exhibition, a little Blenheim (English Toy Spaniel) bitch, Lady Madge, sire and dam both imported. She is described as being a good, cobby, well-set-up little thing, and Mrs. Kennedy intends breeding her to one of the best Celamo studs this coming fall.

Mr. W. A. Twigg, of Kingston, Ont., sold the following Cockers at Toronto Show: Twigg's Red Boy, to Mr. A. Clinton; black dog to same owner; a red dog to Mr. N. A. Gunn, Toronto; Twigg's Red Ruby, in whelp to Twigg's Red Boy, to Mr. Chas. Bowerbank.

Lieut.-Col. F. Nicholls, of Toronto, has taken upon himself to foster the cause of the Chow Chow, and to anyone acquainted with the Colonel and his thoroughness in all the things he undertakes it will be generally admitted that this quaint specimen from the Far East has got a good "backer," and we may reasonably expect to see the Chow Chow at no distant date take a prominent position at our shows. A small but select kennel is headed by a new importation, Felicity's Blue Jacket. This dog was a winner in England at specialty shows, and when we remember that Bert Swann's instructions to his English agent were to "get the best," we know that the same source from which have sprung so many celebrities on the bench to-day, put forth its best effort and the blue Chow dog whose arrival was looked forward to so anxiously filled the bill. He will make his debut at New York in February.

Mrs. J. W. Weldon, of Galt, Ont., has sold two Scottish Terriers and two Bulldog pups to Mr. Reuben White, of Galt.

Mr. Dan Thody, of Edmonton, Alta., who is visiting in Detroit, Mich., advises us that his Boston Terrier, Wampagne Marie, won 1st novice, 1st limit, 1st open and winners, special for best Boston in show, and best opposite sex to best dog in show (60 dogs benched) at Detroit State Fair. Also, at Grand Rapids, Mich., she won 1st novice, 2nd limit, 2nd open, special for the best Boston in Michigan, dog or bitch (champions barred).

Mrs. J. W. Weldon, of Galt, reports a litter of eight Bulldogs, five dogs and three bitches, by Coster's Diamond, out of Prestonian. One of the dog pups looks exactly like his sire, and if luck is with them, he should do some winning, and will be known as Coster's Imp.

Mrs. George A. McBean, of Montreal, has purchased from Mr. J. N. Drummond, of Montreal, two Airedale dog pups, by Colne Express Order, who had Ch. Rockley Oorang for his sire.

## OUR LONDON LETTER

If I were asked which breed of purely show dogs will be, commercially, the most popular after the great war, I would unhesitatingly say, the Fox Terrier, and, especially the wire-haired variety of same. In England, of course, the Fox Terrier was, is, and will always be the most popular breed of dogs; in France, where I have judged, it is in great favor, and some of their home-bred ones could easily hold their own with our best; in Italy, where I have also judged, they are very popular; and Russia, whose shows I visited, possesses some splendid specimens of the breed, especially in the smooth-coated variety. That, in England at least, the Wire Fox Terrier will, after the war, beat the smooth hollow, goes without saying, and the young, but very go-ahead Wire Fox Terrier Association will surely see to that. Apropos of this association, I must say a few words of the very useful Year-Book and Register for 1916, which has just been published by same, under the very able editorship of Mr. W. J. Cecil Hayward, the honorary secretary and honorary treasurer of the association. Published at 1s. 6d., plus postage, that book, with its 125 pages, contains a lot of very important information, as well as a register of pedigrees of 241 wire dogs and 244 wire bitches. In the words of Mr. G. C. Anne, the original idea was to provide a means whereby small owners, who cannot afford expensive stud books, could trace the pedigrees. Every year the pedigrees of all Terriers qualifying for free entry in the Kennel Club's Stud Book were to be included. Gradually the pedigrees of past useful Terriers would be worked in. In making up the first instalment of the Register, Mr. Anne took five or six Terriers whose names are household words, and worked their pedigrees back as far as was useful—Collar of Notts was one, one or two of the Royston Terriers others. But in this way you get such animals as Admiral All Bristles, All Cackler, Art Critic, etc. Once entered, a Terrier should not have to be put in again. He gets a number, and if his name crops up as a sire, the searcher after knowledge is referred back to his number; say it is Dusky Collar, sire Collar of Notts (20), the number takes one on.

In his article, "The Past Year," Mr.

Hayward says that "a great many Terriers still keep going across the water. Chs. Wireboy of Paignton, Corker of Notts, Cromwell Bantam's Model, and the record-breaker, Ch. Wycollar Boy, are but a few. Happily, good ones keep coming to light to gladden the hearts of their breeders, and to uphold the prestige of the fancy."

In her article on the "Wires, 1915," H.G. the Duchess of Newcastle airs her views on the size-of-sire controversy. She says that the chance-bred, good-looking one can never be depended on to reproduce himself. She proceeds: "As to size, it depends entirely on what you are mating: a tall, light, long-backed, long-shouldered bitch mates best with the thick-set, strong, little dog, and the stuffy bitch to the quality, long-necked and shouldered dog. One point, however, never to lose sight of is that if either your little dog's sire or dam was a big one, the chances are strongly in favor of big bitches breeding over-sized ones to him, and the contrary applies to the big dog from small parents."

Mr. Theo. Marples and Mr. L. P. C. Astley have articles, the former on the "Fox Terrier, Size, etc.," and the latter on the "Influence of the Smooth Cross on Wire-Haired Fox Terriers," reproduced from "Our Oogs" and "Illustrated Kennel News," respectively.

Mr. T. Reeks' remarks are of great interest. He says: "I am personally a strong believer in using sires on the big side, but I am not going to say a small sire should never be used; on the contrary, both are necessary in producing what we are all trying to get—a well-balanced Terrier, with substance and of medium size. I have looked up the pedigrees of the champion dogs and bitches shown at the Club Shows from 1901 to 1914, and find that out of 14 dogs, 11 were by dogs on the big side, and 3 were by small dogs. The dams of these 14 dogs include 11 small ones. The size of the other 3, including the dams of Gipsy Joe and Levenside Luke, I cannot state. Out of the 14 bitches, 8 were sired by dogs on the big side, and 6 by small dogs, or, I should state, dogs the correct size. The dams of these bitches were all a nice size. This proves that a dog on the big side does not necessarily get big stock unless there is big blood behind him."

Of other articles I must quote that of Mr. Holland Buckley on the "Wires in America." Here it is: "The sight of that amazing crowd of great dogs and bitches at Mineola Show, last May, gave me 'furiously to think': will our fellow fanciers over the other side make as much progress in the cult of the Wire as they indubitably have done in the case of the Airedale Terrier; indeed, I feel certain that a challenge will be thrown by these keen breeders, whom I met in America, in the by no means distant future. I am reminded that it will only be a case of history repeating itself. For that old-time genius in the cult, Mr. Reggie Mayhew, almost 'put it across us' some years ago, with a Terrier who enjoyed the piratical piece of nomenclature of 'Hands Up,' who only missed by a narrow margin being the greatest Terrier of his generation. . . . Mrs. M. E. Gates, who has bred a few good Airedales, scored with Malvern Darby. One is interested to know that the popular Mr. Theo. Offerman is the breeder, and Bishop's Selected the sire, while the Northampton breeder, Mrs. M. Smith, would be delighted to know that St. Giles Sonia, who has bred his before, is the dam. Mr. Daniel Lynn, who made the acquaintance of many of us in 1914, is generally thereabouts in the prize list. His Lynfield Adriatic being much above the average, he being by the expatriated Wireboy of Paignton. Others could be mentioned, but enough has been written to show that our cousins are just as apt at putting two and two together as our English breeders. I personally am strongly convinced that, given the right stock, fanciers the other side possess as much breeding flair as we do ourselves, and this I know will be amply and scientifically proved as the years roll on, and what a line of 'all the talents' they have to go on. Just think of the galaxy of stars that could be seen altogether at a really great show in the States. Brockley Crasher, Antiseptic, Wireboy of Paignton, Raby Dazzler, Guycroft Salex, Vickery Revoke and Emroy Patrol Leader. And then the dazzling array of charming Fox Terrier ladies: Cromwell Cheeky, Matford Vie, Biddy of Holyport, Vickery Estelle, Gipsy Moth, Tuckley Tart, Kiumaju of Chuffs, Collette of Paignton, Clonmel Satiety,

Holmbury Rene, Vickery Wimetka, and many others. If some of the grandest whelps ever seen could not be evolved from the above creme de la creme, then the breeding by high-class show stock is all a delusion and a snare."

The Fox Terrier question being of great interest and France playing a very important part in this breed, I will, in my next "Letter," give the opinion of French breeders, gathered during my peregrinations from one big show to another in France.

G. HOROWITZ.

#### BLUE CROSS DOG SHOW.

"The Greatest Show on Earth."

What promises to be the greatest show ever held in Toronto is scheduled to take place on October 27th and 28th, 1916. The location will be the Granite Rink, Church St., Toronto, where every freedom for dog and master will be the order of the day, and given proper attention. There is no reason whatever why any sickness or distemper should follow any canine home from this show.

The Blue Cross Association were fortunate indeed in finding the entire and immediate co-operation of every specialty club at their disposal. Seldom has the undivided efforts of clubs and individuals been more noticeable than it has been for this unique fixture. "Every club a band of willing workers." The word "slacker" is not to be found in their vocabularies, some looking after printing, some locations, some advertising, while everyone is hunting the necessary specials to make success altogether possible.

It may be well to mention here, this fact, that in spite of the very many calls on the public to "dig down again" for patriotic and other commendable purposes, we have found them very willing indeed to help out for this worthy cause. The cause of our brave, patient, always ready, horses on the battlefields of Europe. It does not require any great stretch of imagination to figure out the terrible sufferings of those dumb workers, silently, and without murmur or complaint, doing "their bit" amid the roar of cannon and the spit of gunfire. Yes, and the dogs are there, too. Don't forget that their "little bit" has been well done, and carefully noted. Don't let us forget the cur Collie, who, keener to observe than even the humans were, cuddled

into the apparently dead sailor warrior, along Engand's coast line, at the early days of this great struggle, and by constant licking with his little warm tongue, and giving off the heat of his dear wee body, rekindled the spark of life, and thus preserved a human soul to further fight for Britain's glory on the treacherous seas.

Then let everyone who loves a horse, or a dog, and who believes something, aye, everything, should be done to ameliorate and alleviate their distress, get together shoulder to shoulder and boost, boost. Send in unlimited entries. Classes will be provided for every requirement. Special prizes in abundance have been collected from every available source, "from a Collie pup to a silver cup," "from a pound of tea to a box of cigars," anything, everything. All we want is your dogs, and your help, and we are counting on both items.

For further information write, or phone, the Blue Cross Dog Show Secretary, Mr. J. E. Dowling, 42 Elmer Ave., Toronto, Beach 1668, when all enquiries will be cheerfully and carefully attended to.

Are you helping? Will you help? We are depending on you.

#### DUNCAN, B.C., SHOW, SEPTEMBER 20-21, 1916.

The Cowichan Agricultural Society are to be congratulated on the success of their efforts to promote a dog show, which was held under C. K. C. Rules, in conjunction with the annual Fall Fair, and probably proved the most attractive feature of the exhibition.

Some 108 dogs were benched, and the quality on the whole was excellent. Duncan, B.C., where the show was held, is quite a sporting little town, and although the majority of the eligible male population are absent, serving their King and country, the local entries surpassed expectations, both in numbers and quality. Victoria, Vancouver and Nanaimo also contributed largely to the making of a good show. The dogs were housed in a section of the Agricultural Hall, a well-lighted, spacious building, with ample ring accommodation, and the benching and other arrangements left nothing to be desired for the comfort of the exhibits.

The success of the undertaking was mainly due to the untiring energy of the president of the society, Mr. P. W. Anketell-Jones, of Chemainus, and the

secretary, Mr. W. A. McAdam, of Duncan, the latter having on his hands, in addition to the dog section, the whole of the secretarial duties incidental to an agricultural show, no light task, considering the efficient manner in which the work was handled. Members of the Bench Show Committee who did good work were, Rev. F. G. Christmas, Messrs. E. Stock, H. W. Bevan, W. H. Mahon and H. J. Ruscombe Poole, the latter excelling as a ring steward. Dr. A. W. Lehman was the veterinary surgeon. Mr. J. W. Creighton, of Victoria, was the judge of all breeds, his awards being received with very little adverse criticism.

ENGLISH SETTERS were represented by such high-class specimens as Ch. Arbutus Swallow, Arbutus Lady Bird, Cinderalla, Victoria Colonel, etc.

In IRISH SETTERS, Pat and Rouge were quite above the average, the latter, in the opinion of the judge, being one of the best seen on the coast for a long time.

Sport is a GORDON SETTER of great merit.

POINTERS and FIELD SPANIELS showed quality. In the latter breed, Mr. D. W. Campbell's Yoho Laddie is a puppy of great promise.

CLUMBERS were a fine show, some really good specimens being benched.

Miss Wyllie was showing some JAPANESE SPANIELS recently imported, which should go a long way towards improving this breed in Canada.

Mr. Heaton's kennel was well to the front with his COLLIES, FOX TERRIERS, smooth and wire, and a crack-erjack in the way of a COCKER SPANIEL puppy.

Mr. J. J. Jackson's brace of BULL-DOGS, Failsworth Buckler and Failsworth White Countess, can give points to any Bulldogs lately seen on the coast. The latter had just returned from a successful tour in California. The owner is to be commended on his enterprise in importing such good ones, and we wish him the best of luck in his venture. Mr. Watson's Bulldogs from Nanaimo also made a fine show.

BOSTONS were not numerous, but included such well-known winners as Wildwest Dimples, Kitchener, and Lord Buster Arden.

Smooth FOX TERRIERS were moderate, with the exception of Coat's All Rustem, Filey Flittergirl and Salome. In the wire-haired variety, the Madrona Kennel team were a show in

themselves, and Mrs. A. H. McConnell is to be complimented on the fine trim in which they were put down. Ch. Madrona Match is a sweet bitch, improving with age, correct size, nice head, ear carriage and expression, coat like wire, to be critical, a little more bone would make her hard to fault. Mr. Heaton's puppy is a smart one, good head and eye, short back, heaps of bone, and full of terrier character. Jeatt & Tyndall's Longstone Evasion should make a useful brood bitch.

SCOTTISH TERRIERS were well represented by Mrs. Russell and Robbie Burns.

AIREDALES brought out a good one in Lion Swiveller, long, clean head, good coat and body conformation, put down in tip-top form, might be little more compact in feet. Oakdene Chinook is a good type, but inclined to coarseness in skull, and not shown in the best of trim. Gipsy Queen is a nice sort, and should be valuable as a brood bitch.

Mr. Hickling's POM, Lindum Imp, had the distinction of winning special for best of all breeds in the show; a big win, considering the quality with which he competed.

Following will be found a complete list of awards:

McConnell; Pomeranian, Lindum Imp, P. H. Hickling; Collie, Seedley Prince, W. Heaton; Field Spaniel, Yoho Laddie, D. W. Campbell.

#### CANADIAN NATIONAL EXHIBITION.

**ST. BERNARDS** made a nice section and are always much admired by the visitors. Junior dogs, F. Bennett's Prince, had a walkover, which for him was fortunate. Novice dogs, 1st, Bert Swann's Kingsman of Parkdale, a big, good-colored 2-year-old, grand bone and sound, short in head, with lots of face work, needs more body and short of coat. 2nd, A. J. Coreoran's Oakworth Middy, grand bone and body, fails in skull and face finish. 3rd, R. E. Maxwell's Nicholas. Junior bitches, 1st, W. E. Harkness' Queen of the Alps, a big, well-grown and grand-colored youngster, a little more bone would improve her. 2nd, Bert Swann's Isabel of Parkdale, lacks bone and size, too

small in head, nice color and sound. 3rd, N. F. Duckett's Lady Dudley, just a fair one. Novice bitches, 1st, Queen of the Alps. 2nd, Isabel of Parkdale. 3rd, W. J. Hume's Oakworth Girlie, nice type and possesses lots of bone, beautiful face finish, her head lacks markings, and she loses in movement. Limit dogs, 1st, Bert Swann's Facsimile of Parkdale, easily the best, this good dog was in great form, scoring in shortness of face, massiveness of skull, movement and general finish, should like to see him better in his front pasterns. 2nd, C. Glover's King George, particularly sound and good body, with lots of bone and substance, just lacks a little quality. 3rd, Oakworth Middy. Open dogs, 1st, and winners, Facsimile of Parkdale. 2nd, W. E. Harkness' Ch. Alta the King, looking well, he fails to improve in head and hindquarters only. 3rd, King George. Limit bitches, 1st, Queen of the Alps. 2nd, Bert Swann's Alta Eva, wonderful head and face qualities, loses in size and front. 3rd, W. J. Hume's Oakworth Girlie. Open bitches, 1st and winners, Queen of the Alps. 2nd, Alta Eva. 3rd, C. Glover's Dudley Bell, shapely body, nice bone and coat, fails in head.

**GREYHOUNDS** were a small but select group. Kenmare Big Drive, the new addition to Mr. J. G. Kent's team of longtails, made his initial bow in the Canadian show ring, but was only entered for specials. He is a grand specimen of the breed and when in condition can top the list. He excels in conformation, bone and substance and possesses the best legs and feet of any Greyhound on this continent. Novice dogs and bitches, 1st, J. Coulter's Prince III. 2nd, Nellie III, two moderate specimens. Limit dogs, 1st, J. G. Kent's Kenmar Lancer, nice head, neck, legs and feet, fails in body, put down fit. 2nd, Prince III. 3rd, Nellie III. Limit bitches, 1st, R. F. Lewis', Jr., Lansdowne Sunflower, beautiful outline and type, deep brisket, nice quarters, a real topper, teeming with quality. 2nd, J. G. Kent's Kenmar Iris, another quality one, with very few faults, not quite so typical as the winner. 3rd, B. J. Lewis', Jr., Lansdowne Blue Bonnet. Open dogs, 1st and winner, J. G. Kent's Ch. Master Butcher, this well-known dog was looking fit and wins easy. 2nd, B. J. Lewis' Lansdowne Storm Cloud, a big upstanding dog, failing to win in conformation. Open bitches, 1st and winners, B. J. Lewis' Lansdowne Sun-

flower. 2nd, Kenmar Iris. 3rd, Lansdowne Blue Bonnet.

**MASTIFFS** had 3 entries and all from the kennel of that staunch supporter of the breed, C. W. Dickinson, his newly imported dog, Priam of Wingfield, had no difficulty in annexing winners, he possesses a good head, excellent body properties, immense bone and substance, and is well-balanced all over. 2nd, Duchess of Wingfield, a dark brindle of nice all-round quality. 3rd, Parkgate Duchess.

**BLOODHOUNDS** made a nice section, but I could not follow the placings. In open dogs, W. H. Pearson's Dr. Russell was awarded 1st and winners, a big dog, but lacking in type and quality. 2nd, J. R. Tennant's Umpire, a quality one, and should have been an easy winner, his head would be faultless and his all-round conformation and type was far ahead of anything in this section. 3rd, W. M. Sheehan's Dalhousie Mischief. Open bitches, 1st and winners, J. R. Tennant's Pauline. 2nd, W. M. Pearson's Britannia, two moderate specimens, the winner scoring in size and head properties.

**NEWFOUNDLANDS**—Novice dogs, 1st, J. McFarland's Nig, just a fair stamp of black. Open dogs, 1st and winners, W. Hunter's Albert, a Landseer, with fair head, shapely body, lots of bone, good legs and feet, and well broken in color.

**GREAT DANE** classes were well filled. Junior dogs and bitches, 1st, Mr. G. S. Langley's Donlands Langley, a fair type, nice bone and condition, not a very pleasing color. 2nd, Golden Langley, a kennel mate to above, fails in head. 3rd, H. Schumacker's Figaro le Grand, a very promising young Harlequin, and when matured will give a good account of himself. Novice dogs and bitches, a repeat. Limit dogs and bitches, 1st, J. P. Hare's Leonine, a big, straight-limbed Harlequin, with excellent bone and substance, nice conformation, fails in head. 2nd, Donlands Langley. 3rd, Dr. Johnson and Reid's Fort George II, a big, massive, golden fawn, nice quality all over. Open dogs, a repeat. Open bitches, 1st, Dr. Johnson and Reid's Venus of Zebra, a dark brindle of fair type, but lacks bone and substance. 2nd, Juno, a kennelmate to above. 3rd, J. Bowin's Thorah, just a fair one.

**RUSSIAN WOLFHOUNDS** were moderate in quality. Novice dogs and

bitches, 1st, Mrs. P. F. Matkin's Countess Ellka, nice type, but on the light side and needs more coat. 2nd, A. W. Steel's Theda Bara Admirer, possesses fair and nice body properties, good legs and feet, shown a little short of coat. 3rd, W. M. Pearson's Cleo Madison, lacks the type and quality of the above. Limit dogs and bitches, 1st, H. C. Nickles' Petrovisky of Addlestone, owns a long head of the correct type, nice placement of eye, deep brisket, nice loins and hindquarters, moves well. 2nd, Sophia, a kennel mate of the above, possessing a grand head and nice conformation. 3rd, Countess Ellka. Open dogs and bitches, a repeat. Winners, dogs, Petrovisky of Addlestone. Winners bitches, Sophia.

ENGLISH FOXHOUNDS had only two entries. Mr. F. E. Smith's Palmers Pride being placed 1st in novice, limit and open over J. R. Tennent's Pressman. The latter is the best specimen of the variety I have seen, his head is a study, his neck, shoulders and body properties cannot be improved, and his wonderful bone, legs and feet leave nothing to be desired. In fact, he is a mile in front of the winner for type and quality.

AMERICAN FOXHOUNDS made a nice section, all the classes being well filled. Junior dogs and bitches, 1st, W. C. Baldwin's Baldwin's Rene. 2nd, W. J. Archibald's Lassie. 3rd, the same owner's Rally. Novice dogs, 1st, Baldwin's Hobo. 2nd, Rally. 3rd falling to Ranger, from the same kennel. Limit and open, a repeat. Novice bitches, 1st, W. C. Baldwin's Rene. 2nd, Lizzie, a kennelmate to above. 3rd, Lassie, Limit, a repeat. Open, 1st, Rene. 2nd, Lizzie. 3rd, A. Hogarth's Lucy. Winners dogs, Baldwin's Hobo. Winners bitches, Rene.

POINTERS—Novice dogs and bitches—1st, W. C. Dennis' Lady Lou, nice type, fair head, good body and hindquarters. Limit dogs, under 55 lbs., 1st, Bob White Victor, grand head, with nice face finish, shapely body and nice mover. 2nd, N. Davey's Jack, just a fair one, lacks size and substance. Open dogs, a repeat. Limit dogs, over 55 lbs., 1st, Bob White Gettsdale Ronald, a cracking good dog, with few faults, who afterwards won open and winners. Limit bitches, under 50 lbs., 1st, Bob White Ginger, nice type of body and good legs and feet, fails in head and muzzle. 2nd, Lady Lou. Open bitches, a repeat. Limit bitches, over 50 lbs.,

1st, Dr. C. M. Johnson's Yumas Fly, a well-balanced one, who won limit and 2nd open to Bob White Kennels' Ch. Lansdowne Prim, a real quality bitch, who had no difficulty in accounting for winners.

ENGLISH SETTERS—Junior dogs and bitches, 1st, H. H. Marrot's H.M. Echo, a beautiful finished head, nice type all over, lacks bone and condition. Novice dogs, 1st, Mrs. B. F. Lewis' Lansdale Royal King, a wonderful headed dog, nice shoulders, legs and feet, good hindquarters. 2nd, H.M. Echo. Limit dogs, 1st, R. H. Thorp's Claude of Camlin, grand type, nice coat and shapely body. 2nd, H. F. Weisser's Mr. Senator, grand head, body, legs and feet, nice coat, lacks condition. 3rd, R. J. Tough's Mallwyd Billy, grand body properties, nice legs and feet, moves well, loses in head and coat. Open dogs, a repeat. Canadian-bred dogs, 1st, Mallwyd Billy. Novice bitches, 1st, Bob White Kennels' Countess, a good one, but out of condition. Limit bitches, 1st, Bob White Attraction, a well-balanced specimen, in nice coat, good in feather. 2nd, Reinstone Blue Bell, fails in head to above. Open bitches, a repeat.

IRISH SETTERS—W. J. Wright's Larry Clunderbrick was alone in puppy and junior. Limit dogs, 1st, J. C. Hanna's Montrose Shamus O'Brien II, a well-balanced dog, typical head, nice coat and rich colour, he afterwards went through to winners. 2nd, O. Allen's Aberdeen, a well-set-up dog, nice bone and substance. 3rd, Moroney & Johnson's Commander Law, fails in head and condition to the above. Open, a repeat. Novice bitches, 1st, Moroney & Johnson's Brownie, grand head qualities, nice coat, fails in bone and condition. 2nd, J. C. Hanna's Montrose Aileen, a useful type with nice head and shapely body, a little loose behind. 3rd, J. Harrop's Erin Beauty. Limit bitches, 1st, Brownie. 2nd, Mrs. E. L. Clarkson's Lansdowne Colleen. 3rd, Mr. G. W. Statzell's Lansdowne Novern. Open bitches, 1st, and winners, Bob White Red Storm, excellent type and conformation, good color and coat. 2nd, J. C. Hanna's Ch. Montrose Ruminantly Rhu, a quality one, loses in condition only to winner. 3rd, Brownie.

AIREDALES, with Mr. J. J. Lynn, the Port Huron expert, on the wool-sack, were a big collection, 40 dogs being actually benched, whilst nearly every point of the compass was repre-

sented, including Montreal and Winnipeg. Puppies on the whole were an improvement on last year, and were noticeable for the fact that representatives of the stock of Ch. King Nobbler's Double lifted the Airedale Terrier Club's shield for each sex. Puppies dogs, 1st, Silver Birch Nobbler, a youngster with grand bone and substance, nice color, strong foreface and nice set-on of hindquarters, too big in ears, and lacks ring manners. 2nd, J. Russell's Clayfield Terror, a very attractive dog, with good head, nice color and coat, plenty of bone and substance, should like to see him with smaller ears. 3rd, G. Higbee's Pelham Master Key, a big, stylish dog with grand coat, nice bone and sound, his ears are set on too high and he lacks face character. Junior dogs. Here the sensation of the day appeared in Polam Maxim, who spreadeagled this class with ease, afterwards going through to winners. This was Maxim's first appearance before the Canadian public in real competition, and a description of this great terrier will not come amiss. Comparing him with his first appearance, when I saw him at New York in February, he has improved beyond recognition. Granted he has the same grand head, coat, dark eye, beautiful long face, rich color and the correct terrier expression, but maturity has improved his body lines, strengthened his pasterns, let down his brisket, settled his movements and to-day Polam Maxim is one of our greatest Airedales, past or present. Critics would have more of him, but the dog is absolutely up to standard and on the day put down and handled in Swann's best form, he won by the biggest of margins. 2nd, G. H. Cass' Brant Ranger, a well-balanced dog, failing in coat and color. 3rd, Clayfield Terror, a well-balanced dog. Novice dogs, 1st, J. Russell's Clayfield Second Sight, a nice little terrier, fails in head. 2nd, Silver Birch Nobbler. 3rd, E. W. Billinger's Morning Recruit, a promising youngster of fair all-round quality. Limit dogs, 1st, N. Mackenzie's Polam Maxim. 2nd, E. W. Billinger's Morning Admiration, a well-balanced dog, full of terrier character, not shown in his usual good form. 3rd, Brant Ranger. Open dogs, 1st, Polam Maxim. 2nd, Morning Admiration. 3rd, J. Russell's Clayfield Pennant, a stylish dog, possessing lots of bone and substance, grand legs and feet, and a coat of the right texture, fails in skull and

face finish. Breeders' dogs, 1st, Morning Admiration. 2nd, Brant Ranger. 3rd, P. Hamer's Newbold Commander, a fair dog, grand coat and nice bone, shade thick in skull. Canadian-bred dogs, a repeat. Puppy bitches, 1st, J. Russell's Clayfield Cricket, a typical young bitch, shapely body and nice bone, weak in foreface. 2nd, J. Russell's Mary Pickford, just a fair one, lacks bone and poor ear carriage. 3rd, H. Clayton's Silver Birch Princess, a useful stamp of youngster and very promising. Junior bitches, 1st, H. North's Mona Liza, nice size and bone, fair coat, fails in feet and placement of ears. 2nd, Clayfield Cricket. 3rd, P. Hilborn's York Ryburn Clover, nice size, fair bone and coat. Novice bitches, 1st, J. Russell's Clayfield Peggy a very typical bitch with the correct terrier expression, grand body and bone, nice legs and feet, fair coat. 2nd, York Ryburn Clover. 3rd, J. Perkins' Jane Straight, a nice all-round specimen, a shade houndy in ears. Limit bitches, 1st, N. Mackenzie's Sunshine, a big, upstanding and typical bitch, grand foreface and skull, lots of bone, fair coat and color, should like to see her shorter coupled. On the day she won easy and went through to winners. 2nd, J. Russell's Rhosdue Victory, a typy one, put down fit, nice bone, and a good harsh coat, fair head, could be improved in placement of ears. 3rd, Mona Liza. Open bitches, a repeat. H. Clayton's Ch. Brickfield Molly must have been overlooked in this class, despite the fact that she was a little out of coat, her other sterling qualities should have landed her near the top. Canadian-bred bitches, 1st, Clayfield Peggy. 2nd, Mona Liza. 3rd, J. Russell's Morning Sunbeam. Breeders' bitches, 1st, Mona Liza. 2nd, Sid Perkins' Rockley Military Maid.

NORMAN K. SWIRE.

#### KENNEL MEN WILL HOLD FIELD TRIAL.

The Regina Kennel Club met recently in the Board of Trade offices and elected officers for the coming year. Lieutenant-Governor Lake was unanimously re-elected honorary president, and Norman Mackenzie was placed again in the president's position. Owing to the resignation of A. P. Semple as the club secretary, C. S. Keating, another enthusiastic kennel man, was elected to fill the vacancy.

The men interested in the kennel world of Regina stand high up in the

business world, and ensure a success of any proposition which they may wish to consider. The newest thing which will be introduced to Regina is the proposed entering of the club into field trial competitions for next summer. There are some of the best specimens of Pointers and Setters in the local kennels that are to be found anywhere in Canada, and the club sees no reason why the success in this line of sport by the Manitoba rules cannot be duplicated in Saskatchewan. This new branch of sport interests many more kennel owners and will no doubt be a feature of the club activities next year. A close study of the Manitoba methods will be gone into at once. The fact that Grady Smith, the famous field dog trainer from the States, handled many Regina dogs this summer at Glenavon has turned the interests of local fanciers in that direction strongly.

Another matter that was definitely decided was that the Regina Kennel Club will send a carload of dogs to the Winnipeg show, which opens on the 24th of October. A. P. Semple and H. M. Clements will be in charge of the exhibit. The late trip, managed by Mr. Semple, was very successful and Regina dogs figured largely in the scoring. The Winnipeg men are enthusiastic over the increased interest in local kennel men and at the recent show here, during the Exhibition week, sent a whole carload of dogs here to help out what they knew would be only a small show. This fact cannot escape notice and now it is Regina's turn to return the favors.

The interest manifested by the women in dogs has caused the club to elect a ladies' associate executive composed of Mrs. A. P. Semple, Mrs. A. E. Downes and Mrs. H. M. Clements. At Regina's two shows, these women were very active and greatly assisted in making them a success.

The club will meet again in two weeks for another general meeting to talk over future plans and to consider important matters that have been presented lately.

The complete list of officers elected for the next year are as follows:

Hon. President—Lieutenant-Governor Lake.

President—Norman Mackenzie.

1st Vice-Pres.—J. A. Wetmore.

2nd Vice-Pres.—A. C. Paterson.

Secretary—C. S. Keating.

#### CALGARY SHOW.

The recent show held in Calgary under A. K. C. rules, at which Mr. Griffin was judge, was held in aid of the Prisoners of War Fund, and proved a success. Some of the awards were as follows:

The best dog in the show went to Chinook Supreme, owned by the Chinook Kennels, Lethbridge.

Best opposite sex, Mrs. Wm. Wheeler, of Edmonton, with Ch. Lady Reno.

Best Airedale went to Mr. W. V. Gordon, of Kindersley.

Best Fox Terrier went to Mrs. Robt. Thomson, of Calgary, with Ch. Lavender Lavenger.

Best pair Collies went to Mr. De Mar, of Calgary.

Best Boston pup, sired by the Kilmarney Kennels stud dogs, went to Mr. Charison, of Bassano.

Best Scottish Terrier went to Mr. Wallace, of Calgary.

Best American Bull Terrier went to F. W. Wilds, with Lady in Red.

Best Great Dane owned and bred by the exhibitor went to D. C. Samson, Calgary, with Prince Rupert's Double. This dog also took best Great Dane in show.

Best Cocker went to J. F. Thompson, Calgary, with Boston Nigger.

Best American Bull Terrier sired by any of F. W. Wilds' stud dogs was won by Mr. Vardenson, Calgary.

Best Boston other than champions went to Mrs. Wm. Wheeler, of Edmonton.

Best lady handler, Mrs. Kennedy, of Calgary.

Best English Bulldog was won by the Chinook Kennels, of Lethbridge.

Best Irish Water Spaniel was won by Dr. Hall, Calgary.

Best soldiers' class was won by an Airedale, General Joffre, owned by A. Stickney, who is now on his way to the front.

Best novice Bulldog was won by Mr. L. H. Cooper, Calgary.

Best lightweight Bulldog went to

Coppul Randy, owned by W. H. Pym, Calgary.

Best Russian Wolfhound was won by Mr. Lester, of Edmonton.

Best Boston Terrier, sired by Ch. Major Reno, was won by Mrs. Duff, Calgary.

Best Toy in show was won by Mrs. Wilson, of Edmonton.

#### SHORT BARKS.

At the recent Thanksgiving Dog Show in Calgary, Mrs. Kennedy exhibited a litter of Rubies (English Toy Spaniels), sired by a Celamo dog, Ch. Red Beau, which attracted much attention. They took first and special—a bronze medal given by the A. K. C.—for best litter in show. The dam, Red Queen, was also sired by a Celamo dog, and these puppies show the result of selecting good breeding stock. They are quite noseless, lovely high domes and large ears, and are cobby in build and action.

The Chinook Kennels, of Lethbridge, Alta., reports that their Bulldog, Chinook Supreme, was awarded special for the best dog in the show, any age, at the recent Calgary show.

Mr. Sam Bamford, of Walnut Kennels, Lambton Mills, Ont., has purchased the Irish Terrier, Baughell Banshee, an international winner. Probably her most notable win was under Mr. James Mortimer at Danbury.

Mr. Ben Roberts has bred his Wire Fox Terrier, Sunset Sataenea, to Drumclaph Darkie.

Mr. Worgan, of Weston, Ont., has bred his Airedale bitch to Walnut Directum.

Mr. D. A. Lynn, of Dixie, Ont., has bred Dufferin Dixie to Walnut Directum.

Mr. Sam Bamford, of Lambton Mills, reports a litter of Airedales, out of Walnut Marguerite, by Cormack, an imported son of Ch. Flornell Oorang.

According to Dame Rumour, Mr. Lepine, of Montreal, has a new addition to his kennels in a Wire Fox Terrier by Ch. Wire Boy of Paignton, supposed to be a real smasher.

The Bull Terrier ranks are mourning

the loss of Ch. Sound End Sombrero and Ch. Heamoor Ted.

We understand that entries for the Blue Cross Show will be accepted up to Monday morning's mail, the 23rd October.

Mr. Sam Bamford, of Lambton Mills, purchased two Boston Terriers from Mr. Davies, of Ottawa. One is the imported dog, Cliffside Raffles.

Mr. Chas. T. McKay, of Kingston, Ont., reports a litter of Boston Terriers, out of O'Connor's Trixie, by Lord Lovat.

Chum's Model, the Boston Terrier owned by the Casino Kennels, Winnipeg, described as a very handsome, typical dog, correct in color and markings, a perfect terrier in showing. He has already won three firsts at Boston, reserve winners at Somerville, a 2nd and 3rd at Canobis Lake, N.H. His sire is the famous Rockdale Chum, and his dam, Lady Model II.

Novelty is another of the Casino Kennels stud dogs and bench show winners that is making a great name for himself though only fifteen months old. He has already been placed winner at Calgary and has won firsts at Winnipeg and several shows in the United States.

Among the matrons in the Casino Kennels is Keewatin Jane, who is nursing a grand litter of pups by Novelty, that have already attracted much notice from connoisseurs of the breed.

Our Montreal Kennel Association show report has not yet arrived on going to press, but the tid bit of the show seemed to be that Mr. Wm. R. Aitken's German Dachshund won the special for the best team, beating the English Bulldogs and Airedale Terriers, etc.

The Blenheim Toy Spaniel, Lady Madge, owned by Mrs. F. V. Kennedy, of Calgary, Alta., has recently paid a visit to Celamo Kennels, of Rochester, N.Y., to be bred to the international champion, Celamo Daydream. The combination of such blood lines should bring exceptional results, Lady Madge having a number of the best-known champions in England back of her, and Celamo Daydream being a grandson of

the Hon. Mrs. Lytton's wonderful Blenheim, Ch. Windfall.

Kalmar Borzoi Kennels reports the sale of four dog puppies during the last month, one each to Dr. D. C. Meyers, 72 Heath St. W., Ivan of Kalmar; Mr. S. Stamp, 2 Sully Crescent; Mrs. W. C. Routley, 73 Triller Ave., and W. E. Lech, 366 George St., Peterboro, Alexis of Kalmar.

Mr. Geo. A. McBean, of Montreal, recently purchased from Mr. S. Almen, of Montreal, an English Bulldog puppy, Rodney Mac, by Blackstone, now six months old, accounted for three firsts, three seconds and a special, which was for best Bulldog puppy in show, at recent show in Montreal.

We are pleased to announce this month the entrance of Lincoln Kennels into the dog game, with kennels located at Merritton, Ont., owned by Jack McLaughlin and Ed. Doig. They are making a specialty of Bulldogs, Boston and Manchester Terriers, and at the present time they have three Bull Terrier pups by Ch. Noross Patrician, ex a Ch. Sound End Sombrero bitch, while only three weeks old they look very promising. They have two Boston bitches in whelp to Ch. Picktime Glencoe, which are due to whelp in November. They have purchased the good Manchester Terrier, Willowdale Darkie, from Mr. F. C. McLean, also a Bull Terrier bitch from the Noross Kennels, New York, as it is their intention to keep nothing but the best blood in their kennels. We are assured that the fanciers will hear from them at the coming shows.

**Register your dogs now.** Don't leave it until the last minute. After January 1st, 1917, your dog will be valueless for breeding if not registered, as after that date no dog can be registered unless the sire and dam are registered. You have three months, do not leave it until the third.

#### CORRECTIONS.

A few of the wins published last month were in error. Airedale puppy dogs at London should have read: 1st, Pelham Master Key, owned by Mr. Gordon Higbee; 2nd, Claycliff Terror, owned by Mr. Jos. Russell; 3rd, Silver Birch Nobbler, owned by Mr. Harry Clayton.

Questions relating to the treatment of ailing dogs MUST be addressed to the editor of "Kennel & Bench" and must reach us no later than the last mail at the end of each month, if answer is to appear in next issue. Advice to breeders in this column is free of charge.

ADVICE BY MAIL — Where an urgent reply is requested a fee of \$1.50 must be enclosed with letter to the editor.

### Post Mortem Examinations—

Carcases for examination MUST be sent prepaid to Dr. J. A. Campbell, 8 Edward St., Toronto. A fee of \$2.00 MUST accompany the carcass in all cases, or else it will be destroyed without examination.

Questions must be brief. In every case breed, sex, age and conditions observed should be given; proper name and address must be given (not for publication), also nom de plume over which he wishes questions answered.

R. S., Toronto:

Q. I have a Great Dane dog, eighteen months old, who suffers from a sore at the tip of his tail. He is constantly banging it against the sides of his kennel, which makes it bleed profusely. What can I do for it?

A. This is a common thing in Great Danes, and is most difficult to cure. Thoroughly cleanse the wound with antiseptic lotion, and when well dried dust over with powdered iodoform; cover with gauze, and over this place some good sticking plaster. Keep the dog chained in a large room where he cannot injure the tail.

Fort William, Ont.:

Q. I have ten Airedale puppies in one litter, which have done well with the

exception of two. They seem to go off on their feet when they attempt to walk. After going a few steps, appear to have cramps in their forelegs, stop for a very few seconds and often roll over, and push themselves along the ground with the help of the nose. What do you think is the matter with them, and can anything be done?

A. You have not stated what age your puppies are, which would assist in making a more definite diagnosis, but there is no doubt that the trouble is rickets, and I would advise you to destroy the sick pups. The bitch will have all she can do to raise the remainder of the litter. Next time you breed the bitch you should see that she is properly fed with a liberal supply of meat while she is carrying pups.

F. J., Toronto, Ont.:

Q. What is good for sore eyelids in a French Poodle?

A. Bathe the eyes with a fresh boracic acid solution, twice daily, afterwards smearing the lids with vaseline and boracic acid ointment.

S. Y. M., Toronto:

Q. Is it advisable to breed a Cocker Spaniel two and a half years old, that had pups last April. I expect her in season next month. Her last litter of three pups died when they were a week old, through no accountable cause. I am told that there may be risk in breeding her so soon again.

A. It is not advisable to raise puppies in the depth of winter; I think it would be the wiser plan to wait till next spring, and be on the lookout for a foster mother, when she is due to whelp. I would not trust her with pups again.

### BULLDOG BREEDERS' EVENING SHOW.

The first evening show of a series of shows to be held this winter by the Bulldog Breeders' Association of Canada was held at Occident Hall, Wednesday, October 11th.

The crowd was small, but select, all being interested in the breed. As usual the old fanciers were there, the new ones seem to be growing in numbers, showing the good work this specialty club is doing. There were over thirty entries. Considering that there were

only classes for puppies and novice bitches, it was very good. The average quality was very high, not a mutt among them. We are very sorry that for lack of time we cannot criticize the classes fully. The judging was very ably done by Mr. R. Scott Wilson, of Oakville, general satisfaction being expressed on every side.

The outstanding dogs were Mrs. H. Peabody's Cheetham Double, well named, who was first in novice, and landed the special for best in show, beating Mr. Johnston's Oakland White Mar-

quis; Mr. Gubb's Oakwood Marquis, a very cobby pup with lots of promise, was first in the class under four months, and went through all the other classes, only being beaten when he got to the eight to twelve months. The results of the different classes are as follows:

Class 1, puppies, either sex, up to 4 months—1st, Gubb's Oakwood Marquis, 2nd, Gault's Sandfield Molly, 3rd, Gault's Sandfield Marquis.

Class 2, puppies, 4 to 8 months—1st, Gubb's Oakwood Marquis, 2nd, Hornbee's Jellicoe, 3rd, Renwick's Lucky.

Class 3, puppy bitches, 4 to 8 months—1st, Mrs. Peabody's Black Pearl, 2nd, Munson's Snowball Louvain, 3rd, Mrs. Graburn's Pudge.

Class 4, puppy dogs, 8 to 12 months—1st Johnston's Oakland White Marquis, 2nd, Dowling's Gammon of Lambare, 3rd, Gubb's Oakwood Marquis.

Class 5, puppy bitches, 8 to 12 months—1st, McEwen's Topsy Turvy, 2nd, Mrs. Peabody's Black Pearl, 3rd, Marsden's Woodhey Pluckess.

Class 6, novice bitches—1st, Mrs. Graburn's Pansy, 2nd, Giles' Sunny Morn, 3rd, McEwen's Topsy Turvy.

The specials were given out as each class was judged, and this method proved popular and successful.

#### BULLDOG BREEDERS' SHOW.

The Bulldogs Breeders' Association of Canada held the first of a series of evening shows on Wednesday, October 11th, at Occident Hall. The classification was unusual. The Show Committee confined the classes to puppies and novice bitches. This arrangement was quite successful, as was apparent from the entries, there being thirty in all. Six classes were provided and a handsome silver trophy was given for best dog in each class.

Mr. R. Wilson, of Oakville, made the awards. His decisions were well received and supported by the armchair judges. (Armchair judges are appointed from on high to judge the judge). We liked especially Mr. Wilson's determination to see each dog move and move plenty. You will never get away with a bad mover under this judge.

First class, for puppies up to four months old; there were four entries in this class, three of them under 3 months; the winner, Mr. Gubb's Oakwood Marquis, a compact, deep-bodied brindle, with an exceptional long, deep skull, nice ears and square muzzle, good bone and nice tuck-up of loin, showed like a veteran. 2nd and 3rd prize win-

ners were Gault's Sandfield Molly and Sandfield Marquis, respectively, a pair of likely looking white and brindle puppies, but, like the 4th pup, Mr. Rann's Bud, too young to be criticized.

Class for puppy dogs, 4 to 8 months old—1st, Mr. Gubb's Oakwood Marquis, low to ground pup, nice spring of rib, lots of bone, good skull, wants to open out in shoulder. 3rd, Mr. Renwick's Lucky, it was lucky for him that there were only three in the class.

Class for puppy bitches, 4 to 8 months old—Six entries in this class. 1st prize to Mrs. Peabody's Black Pearl, a very dark brindle pup, with a grand head and expression, well sprung ribs, very short in back, a real nice pup. 2nd, Mr. Munson's Snowball Louvain, a white and brindle, teeming with quality, beautifully shaped head and foreface, nice turn-up of underjaw, small ears, good shoulders, we make her to be too light. 3rd, Mrs. Graburn's Pudge, a very taking pup, but was never seen to advantage owing to bad handling. Exhibitors should have one eye on the judge and the other on the dog and always be ready to obey the judge's requests.

Class for dog puppies 8 to 12 months old—4 entries. 1st prize, Johnston's Oakland White Marquis, a big white with a smashing big skull, good turn-up of underjaw, and the correct sour expression. He has let down considerably in brisket since last we saw him, a much improved dog. 2nd, Mr. J. E. Dowling's Gammon of Lambare, a pied white and brindle; he owns a big, wide, flat skull, short back and nicely tucked up body; he moved badly. 3rd, Oakwood Marquis.

Puppy bitches, 8 to 12 months old—Six entries. 1st, McEwen's Topsy Turvy, a big, useful white and brindle dog, good bone and low to ground, moved well, little long in body. 2nd, Mrs. Peabody's Black Pearl. 3rd, Mr. Marsden's Woodley Duchess, a much improved pied bitch, very low to ground, good bone and excels in body qualities, doubtful in ear carriage.

Novice bitches—1st, Mrs. Peabody's Cheetham's Double, a striking white and brindle; this bitch has about the best head and expression of any of our bitches, her skull is both long and deep, well filled in before the eyes, good muzzle and Bulldog expression, short in back and deep body. 2nd, Mr. Giles' Sunny Morn, this bitch is "the type," low, cloddy, heavy boned, barrel ribs, short back, active and strong; we can

only fault her in front of the eyes. 3rd, McEwen's Topsy Turvy.

Mrs. Peabody's Cheetham's Double was judged the best dog in the show, and Johnston's Oakland Marquis best of opposite sex.

There are two cups to be competed for during the series, one for the best dog, donated by Mrs. Graburn, and the President's Cup for the best of opposite sex.

GEO. R. FARQUHARSON.

The following is some valuable information to Breeders:

All litters born after January 1st, 1916, must be reported to the Canadian National Live Stock Records within 60 days of date of birth, otherwise individual registration will be refused. Forms for the purpose supplied on application.

After January 1st, 1917, only the produce of recorded sires and dams will be eligible for registration. Be governed accordingly.

Individual pups of a litter with unrecorded sire and dam placed on record will be eligible for registration this year. After January 1st, 1917, only produce of recorded sires and dams will be eligible.

Dogs out of bitches recorded in the Canadian Kennel Club Stud Book which are sent over to the United States to be bred will be eligible for registration providing the sires are recorded in the American Kennel Club Stud Book in the name of the party who certifies to the service.

When a pure-bred dog is sold, to go to the United States, the vendor should fill in an application for transfer of ownership, and forward it with the certificate of registration, along with the necessary fee for transfer, to the National Live Stock Records, Ottawa. The name of the purchaser will be endorsed on the back of the certificate, which should then be sent to the purchaser.

Below is printed some information regarding shipping of pure-bred animals to the United States.

"Animals to be eligible for free entry into the United States must trace, in all their crosses, to registered animals in the country where the breed originated, or to animals which are proved to the satisfaction of the Department of Agriculture, Washington, to be of the same breed, and that have been imported into the United States or Canada from the country in which the breed originated.

"Export certificates are issued in order to assist Canadian exporters, and are not a guarantee that the Bureau of Animal Industry at Washington will issue certificates of pure breeding entitling animals to free admission to the United States. It is advisable that export certificates and Canadian certificates of registration be forwarded to Washington a day or two in advance of shipping, so that there may be as little delay as possible in issuing certificates. In no case are certificates issued until animals have been examined at the port of entry into the United States and their description forwarded to Washington. Certificates are not sent to the importer, but to the Collector of Customs at the port of entry.

"In the absence of certificates of pure breeding the importer may give the usual bond under the regulations of the United States Treasury Department to provide certificates within a period of six months.

"You must sign the Export Certificates as vendor, and then send them to your United States customer, who must sign as purchaser, and then forward with the Canadian certificates to the Chief of the Bureau of Animal Industry, Washington, D.C., U.S.A.

"The fee for an export certificate is 50 cents.

#### "ACCOUNTANT,

"Canadian National Records,  
"Ottawa, Canada."

**Register your litters now.** This costs you nothing, not even a postage stamp, and saves you a lot of trouble when registering the dogs of that litter, as it will not be necessary to fill in the certificate from the owner of the sire, after the litter is registered.

Mr. Norman MacKenzie's

### New Champion Airedale "POLAM MAXIM"

The newest champion in the Airedale world, viz., Mr. Norman Mackenzie's Polam Maxim, is the subject of our front cover.

With a world-wide reputation which this dog started to build for himself at the tender age of 5½ months, it is but natural that his doings in Canada are to us the most interesting of his many feats.

To date he is, we believe, a "record" champion, he having gained the title at four shows, viz., Oakville, Toronto Ex., London and St. Johns. Four winners, 11 specials, including three times cup for best Airedale in show.

He has beaten every Airedale he has

met, of either sex, whether Canadian-bred or imported, with one exception, viz., his illustrious kennel mate, International Champion King Nobbler's Double.

To describe him would be superfluous here, his photo, which is from life, speaks for itself, and we commend our readers to the report on him by our representative at the Canadian National Exhibition in this issue.

We congratulate Mr. Mackenzie on the possession of another champion and trust that Maxim will bring home many more honors. He is at public stud, his fee being \$50. Further particulars may be obtained from Bert Swann, Parkdale Kennels, Humber Bay, Ont.

## Coast Native Prince

Property of Mr. Hewett S. Smith

This young dog is of the very highest quality, bred in the purple, absolutely sound and is a full brother to that grand bitch "Coast Native Maid" one of the greatest living specimens today.

At the recent Oakville Kennel Club Show, under that expert terrier judge, Mr. Vincent P. Breese, of New York, Prince not only beat all competitors in this breed, but was awarded Special for the best sporting terrier; also Special for best in show any breed, and at Toronto Exhibition was awarded limit, open and winners.

Coast Native Prince possesses the true characteristics essential to this breed, which he is bound to transmit to his progeny. For particulars apply

**FOR SALE****AIREDALES OF QUALITY**

Having become overstocked with both grown and young stock the Claycliff Kennels are offering every animal in their kennels for sale at prices that should ensure their quick sale, among the lot are show and stud dogs that are able to hold their own in good company, such as Moorside Bonsor one of the best big ones. Then comes Tintern High Explosive a big winner in England, taking best in Show at one Show and winning nine firsts in another big English Show, he is certainly getting great puppies. Next we have Claycliff Pennant a dog that is strong in Primrose Blood, a winner last fall at Toronto Exhibition Dog Show and at London, he also is a good stock getter, being one of the short backed kind with great legs and feet. Next is Claycliff Second Sight, one that can make them all hustle and that has very few faults and is improving every day. Then we have a son of the great Champion Tintern Tip Top 8 months old, a big one and growing and will be a late finisher. The bitches are Rhosddu Victory, winner of 36 firsts in England, Askern Model, another English bred one by Ch. Crofton Chum, Sunset Queen who took winners at both Toronto and London last fall, Morning Sunbeam the mother of Morning Admiration, Claycliff Peggy, Betty Rags by Wyndmoor Rags out of a Clonmel Monarch bred mother. Claycliff Jewel by Abrecon Gold Edge, and several others.

In puppies we have three litters of excellent prospects one lot born Feb. 10th, by Tintern High Explosive, out of Walnut Christian, a splendid lot, priced from \$15.00 each, up.

Another lot by Claycliff Pennant out of Primrose Regard the bitch that took winners at Albany and Utica last fall, they were born on Feb. 12th, and are a classy lot, priced at \$15, \$25 and \$35.

Third lot by Cheltenham Cadet, an English Sire out of Rhosddu Victory, one of the best bitches in this country and the puppies born March 3rd, are as nice a lot as one would wish, true and sound in every way, they are priced at \$15, \$25, \$35, and every dog, bitch or pup will be sent on approval.

## AT STUD

## The sensational young Airedale "MORNING ADMIRATION"

Airedale fanciers wishing to breed winners cannot do better than give him a trial; his breeding is of the best, being by the great international champion, "King Oorang," out of "Morning Sunbeam," she out of probably the greatest winner producer in America to-day. Admiration's success at all the leading shows in America, under judges of world-wide reputation, such as Messrs. Geo. Thomas, Wolcott, Spring, DeMund and Ober, make him without a doubt the best Airedale ever bred in Canada. His latest success at the Westminster Kennel Club Show, New York, was 2nd limit, 3rd open, and special for best dog or bitch bred by exhibitor, beating, among others, the great "Patrick Oorang," also Canada's latest importation, "Polam Maxim." At Toronto Kennel Club Show he won 1st Canadian-bred, 1st limit, 2nd open, two specials, and with his kennel companion got special for best brace, beating the imported brace, "Nobbler's Double" and "Sunshine." Another success was his son, "Morning Recruit" at eight months old, shown at Oakville, where he won 1st puppy, special best Canadian-bred dog or bitch, special best bred by exhibitor.

Fee, \$15.00, for a short time only. Further particulars from

 EYE ANTISEPTIC**

All Wounds and Inflammation of the transparent part of the Eye involve danger of permanent injury to the eye. Treatment should be commenced immediately the slightest sign of a film or spot appears on the eye.

**Dr. Cecil French's Eye Antiseptic**

quickly allays all kinds of inflammation of the eye, and should be used at the first sign of trouble. It is a unique remedy. It comes in the form of a soothing powder which is dropped on the eyeball. At once nature secretes tears, and these tears dissolving the powder, carry the latter all over the surface of the eye to exert its beneficial effect. Two or three treatments usually suffice to effect complete cure.

**Dr. Cecil French's Canker Granules**

Canker of the Ear can be quickly and effectually healed with the aid of this remarkable remedy. Two or three applications suffice.
