### Meeting of the Board of Directors of the Canadian Kennel Club

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club was held at the offices of the Club, 774½ Yonge Street, Toronto, on Thursday evening, April 15, 1920, the Second Vice-President, Mr. Fred W. Jacobi in the chair.

The following members of the Board of Directors were in attendance: Messrs. D. Wheeler, N. W. Renwick, H. M. Jackson, N. R. Miller and H. Clayton.

The President, Mr. Joseph Russell, and Directors Messrs. Geo. Ward and N. K. Swire were attending Guelph Kennel Club Show, and of course unable to attend, while Mr. Geo. Briggs was out of town on business.

The Secretary read correspondence from the Kennel Club (England), also from Mrs. E. G. Turner, in reply to the messages of condolence sent on the occasion of the death of Dr. J. S. Turner (late Chairman of the Kennel Club for the long period of twenty years), and was instructed to have the letters appear in "*Kennel and Bench*" in the interest of the readers.

They are as follows:

Kennel Club,  
84 Piccadilly,  
London, W.I.

James D. Strachan, Esq.,

Dear Mr. Strachan:

I brought your letter of the 27th ultimo to the notice of my Committee at their last meeting.

My Committee directed me to thank you for your charming letter, and to send a copy to Mrs. J. Sidney Turner, which has been done. Mrs. Turner, I understand, has written you.

Yours faithfully,  
WALTER BOYES,  
Assistant Secretary.

Stanton, Anerley, S.R.,  
March 22, 1920.

The Board of Directors,  
Canadian Kennel Club, Toronto.

Dear Mr. Strachan:

The very kind and touching resolution of sympathy wished me, passed by the Board of Directors of the Canadian Kennel Club, was forwarded to me on Saturday, and has touched me deeply, and I pray you to accept yourself, and to convey to the Directors, my deep and grateful thanks in their affectionate appreciation of my dear husband, Dr. Sidney Turner, and their heartfelt sympathy wished me in my unutterable grief.

The love and reverence expressed will always be a bond of sympathy between us, and my thoughts will often travel across the ocean with gratitude to the kind friends who mourn so truly with me and feel so sincerely for me.

That God may bless you all, as He has blessed and comforted me, is the prayer of,

Yours in sorrow but in hope,

## From East to West

### Toronto Kennel Club

Toronto Kennel Club's Seventeenth Annual Spring Show, was voted the best to date. The officials were on hand all the time, Secretary McFadden was a wonder, and anything he lacked by way of inexperience, he made up for in courtesy, accuracy and speed.

The building was ideal, though at times a little chilly, still it came pretty near being the best building secured by Toronto Kennel Club in many moons. Visitors were plentiful, every Province east of Manitoba being represented. James F. Strachan Montreal, was in constant attendance for the duration of the show, and when the breed associated with his name, came to the "block" it was quite noticeable that he was perfectly satisfied.

"Bob" Ross was bearing the Ermine with his usual equanimity.

#### REMARKS

Commencing with Big Breeds we first came to Mastiffs, and found a useful-looking collection, all of them being products of the Wingfield Kennels. St. Bernards came next with five entries, from the well-known Clamont Kennels, the choice of these being Ch. The King's Son. Two fair Bloodhounds was all this variety could muster.

Russian Wolfhounds were plentiful and of good quality. A. V. Webley, of Ottawa, produced the Winners' dog in Orloff of Tolstoi, and A. O. Beardmore the Winners' bitch with war Baby. They were a nice, uniform lot and much admired by the visitors.

Greyhounds, Beagles and Whippets call for no comments, the quality and quantity of the exhibits being of a moderate order.

A useful collection of American Foxhounds were up for competition; W. J. Archibald produced the winners in both sexes. Only three Setters were on hand, which is rather regrettable, as this useful and pretty variety have many admirers.

Cocker Spaniels had 48 entries. The outstanding dog in this section was Dr. J. A. Campbell's Oakley Jackdaw, who carried off Winners' solid color and Special for best of breed. Imp. Trey, owned by Chas. Bowerbank, was Winners in parti-color. Mrs. T. Worthy's typical bitch, Jenny

June, was easily the best amongst the solid color bitches. Midkiff Christina went to the top in parti-colors. She is a new one, brought out by R. Tyrwhitt, and will do some winning.

Airedales were plentiful and made a nice, uniform collection. Claycliffe Tip Top carried all before him until he reached the Open, where he met that sensational Terrier, Ch. Polam Maxim, who carried off premier honors with ease. Claycliffe Colonel was placed second to his kennel mate, Tip Top, in all his classes. Representatives from the Claycliffe Kennels also figured well in the bitch classes. Claycliffe Beauty and Claycliffe Avatrix ran a neck-and-neck race, and were only separated in the Open class when Parkton Arlette stepped in between them. The latter is looking her best and is hard to fault.

The Irish Terrier, Ch. Mendon Mike, was put down fit and won with ease, his nearest rival being North End Muddler. J. D. Strachan's newly imported Cairns carried off Winners in both sexes.

The sensation in Wire Fox Terriers was Mr. J. F. Strachan's puppy, Ormsby Snowball, an eight months old son of Ridgeway Dark Boy. This youngster is showing exceptional promise, and will make a name for himself. His quality can be gauged from the fact that at this show he was placed over such good dogs as Claycliffe Corker, Wycollar Terrier and Parkton Collarbone. Bitches was an easy thing for Ormsby Artist Model, who was put down in tip-top form.

Karswood II. was Winners in the Smooths. He, however, was closely pressed for that position by Peerless Prince. The Winnipeg bitch, Ch. Madison Atlanta, was easily the best of opposite sex.

Bull Terriers were few in numbers, and produced nothing sensational. Mr. F. Coles' good bitch, Belle Mahone, was shown in A1 condition, and was easily best of breed.

Bulldog with 57 entries was quite an attraction. The placing of the Montreal dog, Who Goes There, to Winners met with the approval of the ringsiders. Reserve to him was Southport Joffre. That typical bitch, Princess Pat, once more went to Winners. We considered her daughter, Jellico

Lady, unfortunate in not being Reserve, as they are both the same type and make a wonderful brace.

Collies turned out well, there being some keen contests amongst the 65 entries. The sensational dog, Ch. Alstead Aeroplane, made his initial bow in Canadian show-ring, and created quite an impression on the Collie "fans." His superb quality landed him on top and Special for best of breed. Ch. Quarrybrae Coleen was put down in nice form, and won over that good bitch, Weston Attraction.

In French Bulldogs the Wainwright Kennels of Brantford produced the winning dog in Henderson Jacques Fournier. Pride of place in the opposite sex went to Doncella, who had travelled all the way from St. John, N.B.

Twenty-four Boston Terriers were benched, representing an entry of 55. A new face in this popular variety was M. J. A. Gouins' Yankee Speed King, who went to Winners with ease. Reserve to him was that good dog, Jackson's Paddy Dee. Speed Queen, owned by A. T. Calhorn, was Winner of the opposite sex.

Mr. J. W. Weldon showed two nice Yorkshire Terriers, which went to Winners.

Pomeranians, with over 60 entries, were the best collection in the Toy section. The Montreal dog, Stormlight of Dara, was awarded Winners; Rotherville Merville being Winners' bitch. There was the keenest of competition in this section, and many good dogs had to be placed amongst the "also rans."

Pekingese were the next best collection, and are making headway at a rapid rate. The quality in this variety was very noticeable, and we saw one of the best collections ever brought together in Toronto. The Peke "fans" were somewhat disappointed in the placings, as many of the best specimens had to be content with red and yellow ribbons. Yen Li was placed as best dog, and Yuk San of Eccleshall as best female.

One English Toy Spaniel and two Maltese were all these varieties could muster.

Mrs. Delaney's Lord Bobs was Winners' dog in Italian Greyhounds, and his kennel-mate, Ch. Lady Grace, Winners' bitch.

Toy Poodles was an easy thing for Mrs. J. W. Weldon's Snowball 8th. A still easier victory was the same owner's Miss Snookie, who got Winners bitch.

Three moderate Chows brought the Breed Classes to a conclusion. Then followed the Variety Classes which created much interest amongst the exhibitors and ringsiders.

## The Bulldog Club of Canada

This enterprising specialty club, held their annual Specialty Show at Montreal, under Canadian Kennel rules, on Saturday, April 17th, 1920, when Harry Peabody (late of Peterborough), Toronto, veteran breeder and exhibitor, was on the woolsack, and, by special arrangement with Kennel and Bench, herewith tells "his reasons why.—Editor.

**Judges' Report, by H. Peabody, Toronto.**

The Bulldog Club of Canada Show was held at the Stanley Hall, Montreal, a highly fitted building for a Specialty Show, being large, well lighted, free from drafts, a sensibly large ring with plenty of sawdust.

The executive worked splendidly together and the record entry, and numerous specials made it quite a gala day for the ancient and historic bulldog.

First fourteen classes were confined to exhibitors resident within 25 miles of the city of Montreal, and produced some most excellent specimens, and considering the long trying winter were in splendid condition.

In dogs "Alban Bunch" was a real good low to ground type, might be better in pasterns but the winter does not permit of much exercising, good body, and in front of the eye classic.

In bitches (25 miles radius) "Lady Douglas Haig" was also a good one, without any glaring faults. "Realmont Blaze" is a really good type low, cloddy, and genuine bulldog character. She was much in evidence in the open classes.

Limit (under 45 lbs) was headed by Diamond "Thornfeild Pride," beating "Lord Darkie" who needs time to make up into a good dog, possessing as he does many excellent points.

Open dogs (under 45 lbs) brought out "Roxton Boy" and a real good bulldog, excelling in underjaw. Stop, turn up (and in fact, you can touch his underjaw, and top of skull, without touching his nose by a quarter of an inch), short backed, roach, big in skull for his weight, and though appearing lacking in heart room, really was bigger round than "Diamond Thornfeild Pride" when the tape measure was used, by 2 inches.

"Diamond Thornfeild Pride" is a brindle pied, very typical, low made, good ears, bone to burn, with a good body, but is not so good in squareness and turn up, loses to above in facial properties.

Colwyn Buller, a really good all

round little one, that will come out on top when matured. I expect a big future for this dog as he excels in the foreface, low, and general appearance open dogs (over 45 lbs) was headed by the grand heavy weight dog "Tam Hin," good ears and skull but very long caste.

Winners dogs, "Roxton Boy."

Res, Winners dogs, "Tam Hin."

Bitches were very good, and all shown in grand condition. "Miss Cheetham" winning first in Canadian bred, is well known, and considering her age, wears well, and is still up to show form. "Strathtay Supreme," a good quality bitch was second.

"Sally of Montreal," first in limit class (over 40 lbs), a splendid bitch all over, underjaw might be better, and turn up more developed.

"Dundee Lady Rhoda," first in open (under 40 lbs), a real high class bitch, on the small side, reminding me very much of the celebrated champion "Queen Mabs."

"Roxton Miss" appeared in Junior, a really good bitch, big in skull, wide in chop, good turn up, good bone, excellent feet. She beat "Sally of Montreal" in head properties, feet and bone, and lost to her, in spring of rib.

She was winners in bitches after considerable pains in adjudicating, further criticisms might be advanced, but I must not transgress too far on our valued space.

## Guelph Kennel Club

The First Annual Show held under the auspices of the newly formed organization took place on April 14th and 15th, and will go down in history as one of the best "first attempts" it has been our pleasure to review, and we extend our hearty congratulations to the Guelph Society on their splendid achievement. The officials, one and all, had a thorough grip of the requirements of the present day dog exhibitions, and left no "stone unturned" in their efforts to bring the event to a successful issue.

The official returns show that 130 dogs were benched, representing an entry of 286. Add to this a clean and spacious building, cash prizes for the successful ones, specials galore, a competent and willing staff of officials, and a judge who knows his dogs, and we have an ideal show that any town ought to be proud of. The attendance during the two days was remarkable, and would put to shame many we have seen at our larger cities. Toronto was well represented both by exhibitors and dogs, and cut a wide swath in the prize list. We

also noticed several from Oakville and Hamilton, and a few from far-off Winnipeg and Montreal.

That capable all-rounder, Mr. "Jack" Meadows, of Oakville, was the judge-elect, and to say his decisions met with the approval of the exhibitors and ringsiders is putting it mildly. His work was characterized by careful and honest placings, and we heard no kicking, everybody being satisfied that they had received a "square deal."

In conversation with Mr. Meadows regarding the merits and demerits of the exhibits he adjudicated upon, he volunteered the following brief criticisms: The winning St. Bernard is just a moderate one and could be improved in hindquarters. "Lady Romanoff," the winning Russian Wolfhound bitch, is very typical and sound; her companion, "Ch. Petrofski of Addlestone," is a slashing, big upstanding dog, just beginning to age. "Nolan's Dempsey, a young Beagle," impressed me very much, and will do some winning when matured; for quality and type he stood alone in this section. There was nothing worthy of note amongst the Foxhounds. Cocker Spaniels turned out well; "Oakley Jackdaw," a black dog of exquisite type and conformation, was far away the best. It was in the Open Dogs for Parti-colors where the closest contest appeared, and very little separated the first two. The bitch classes brought out nothing outstanding.

I was much impressed with the quality of the Airedales, a section that was made interesting by the presence of the Claycliffe representatives, who had eight dogs entered. Their good dog "Tip Top" lost on the day to "Harvie Warlock" in length and strength of foreface, bone and coat. "Claycliffe Colonel" was a close contender. Bitches were particularly good. Several youngsters of exceptional promise came before me that will bear watching in the future. The Open Class was a mighty hot one, and brought out Canada's best. "Parkton Arlette," whom I gave Winners, is looking at her best and scores over the Reserve, "Ch. Parkton Sweet Olive," in shortness of back, spring of rib and all-round conformation. Next to this pair was "Claycliffe Aviatrix," a real good one, but does not do herself justice in the ring. "Mona Liza" is a useful one, but was shown short of coat.

Irish Terriers were few. The newly imported dog, Moorlaugh Manus, is a real good stamp of a Terrier and won easily. The Winners' bitch,

"Mendon Patricia," is also a useful one.

Scotch Terriers were a nice, even lot, and very little separated them.

Wire-haired Fox Terriers provided an eye-opener. Seldom, if ever, have I seen such a collection in Canada as came before me in the class for Open Dogs. "Walnut Master Key," whom I placed on top, is a grand Terrier—nice size, good bone and excellent coat. "Wycollar Terror" and "Claycliffe Corker" gave him a close run for top place. I was much impressed with a young bitch named "Judy Mulvaney," who has the makings of a real top-notch, and is hard to fault.

Smooths were not so plentiful, the outstanding ones being "Peerless Prince" and "Ch. Madison Atalanta."

The only Bull Terrier present was "Belle Mahone," who was put down in top-notch condition, and shows all the qualities that this breed of terrier calls for.

"Southport Joffre" was easily the best Bulldog. A short, compact dog with nice bone, his closest contender was the old warrior, "Baron of Lambare," who is looking as well and fit as ever. "Lady Godiva," the Winners' bitch, is a low, cloddy one, and won over a moderate collection.

"Ch. Alstead Aeroplane," the tri-color Collie, had matters somewhat his own way; his wonderful head, front, bone and general Collie character made him an easy winner. The Reserve dog, "Coltness Commander," has improved beyond recognition since last I saw him, and can do some good winning. The Winners' bitch, "Ch. Quarrybrae Colleen," is looking well and won with a big margin.

Two fair Dalmatians and one French Bulldog call for no comment.

My hardest task was in Boston Terriers, where, after awarding Winners' dog to "Yankee Speed King," I was confronted with the above-mentioned dog and the two Toronto dogs, "Ch. Joyce's Prince" and "Ch. Count Dee Cee" for Special for best of breed—three grand dogs, all showing their best. Very little separated the latter pair, and it is a case of "splitting hairs" to divide them. After a most careful scrutiny I decided in favor of "Count Dee Cee." "Pretty Mickey," a promising young bitch, was the best female. The next best was "Wonder Girl." Both these young maidens are by "Ch. Count Dee Cee."

The two outstanding dogs in the Pomeranian classes were "Lillyhill Model" and "Jumbo." The former scored in coat and color. "Chocolate Dot" was easily the best female, and won with a big margin.

Pekingese produced a few of the best. "Walnut Mannikin," the winner, is better in head and hindquarters than the Reserve dog, "Sunni of Somme." In bitches I placed "Mowata Tai Pey" over "Tuk San of Ecclehall." The latter has a good coat, plenty of plume and feathering, but lacks the type of the winner in every other essential.

One pair Toy Spaniels and one pair Maltese we will pass by. "Snowball" and "Miss Snookie" are two Toy Poodles that impressed me very much, and were easily the best in their respective classes.

I wish to thank the officials for the excellent service they rendered me in the ring, and in conclusion must express my appreciation on the splendid management of affairs.

**Victoria City Kennel Club Show**

Victoria City, B.C., after a long rest, which seemed to leave bright and anxious for something really worth while this year, came back full strength on April 13 and 14, when H. M. Robertson, Lamanda Park, California, had the colossal task of judging the entire entry, comprising all the recognized list of breeds, and several more.

"Harry" Robertson, the judge, in commenting on the Show, had an especial tribute to pay to the very fine array of really high-class Pomeranians entered at this Show, and a great tribute was paid to sporting dog fanciers at the Coast, when the much-travelled judge declared that the entry of English Setters were the best he had seen anywhere in recent years, and fully equal to those shown at Westminster Kennel Club Show this year.

It has come to us from an unbiassed correspondent that the work of the judge was quite the best he had seen anywhere since the days of the late James Mortimer. Surely a compliment to the Victoria judge.

There were 175 dogs benched and 294 entries made, two points being earned.

## Importing the Illegimates

Hundreds of inquiries have come to this office seeking for information under this heading, most of the inquiries being of the opinion that dogs born during the "prohibited period" (September 7, 1917, to January 24, 1919) could not be registered.

Here are the details; save them for future guidance:

On September 7, 1917, the Kennel Club (English), in consequence of communications from the British Government, were obliged to pass a resolution that from the date of the resolution they would not register any dogs born after September 7, 1917.

On November 20, 1918—after the signing of the Armistice—it was decided that on and after November 22, 1918, breeding operations might be resumed, and that puppies born on or after January 24, 1919, would be eligible for registration.

On February 5, 1919, the committee of the Kennel Club (English) carefully considered the question of registration of dogs which had not been born under the license of the Kennel Club, and decided that they be registered, and referred the matter to the Annual General Meeting, held on February 26, 1919. At that meeting the decision of the Committee was upheld, and it was further decided: "That dogs born between September 7, 1917, and January 24, 1919, should be allowed to be exhibited not for competition only.

The registering of the dogs in question is made in the regular way, and on the regular forms, the difference being that the words: "This dog if exhibited in Great Britain or Ireland must be shown as 'Not for Competition Only,'" are stamped across the face of the certificate of registration.

Therefore the only privilege now denied the "Illegitimate" is that he cannot be shown in Great Britain or Ireland for competition. But he can be registered.

Readers will preserve this for reference.

"PRINCESS PAT" (C.K.C. 19144).

"Princess Pat" (C.K.C. 19144). One of Canada's typical bulldogs, and who completed her championship at the Spring Show held by the Toronto Kennel Club, April 2 and 3, 1920.

Though only 2½ years old Princess Pat has set a record for Canadian Bred Dogs by completing her championship in four successive shows. Her first entry in the show ring was at the Canadian National Exhibition, 1919, where she won four firsts, three specials and winners. From there she took the Fall shows in rotation, being returned winner at every show, only retiring from the ring while in litter. Being again in condition she was entered in the Spring Show of the Toronto Kennel Club and was once more an easy winner so that she missed no show while in condition, and is today a champion with the record of still being unbeaten.

"Princess Pat's" type is so pronounced great credit must be given the owner for she is a Canadian Bred Dog raised from a puppy by the present owner.

"Princess Pat" is not only an ideal show specimen but is a perfect mother. She has borne puppies every time, bred and raised every puppy. It is a general impression that her puppies are so uniform it is absolutely impossible to pick the best from a litter until they are well over one month of age.

Although the owner has made careful selections of sires, it is only necessary to refer the reader to the winnings of "Lady Jellicoe," "Princess Disdain," and "Advance Guard," not overlooking the marvellous career of "Princess Roland," and her little brother, to prove that the stock obtainable from Princess Pat is some of the best in America today.

# Items of Interest--Far and Near

Miss Vera H. Robson, the energetic secretary of the Ladies Kennel Club of Canada, has secured a beautiful country place at Calumet, Quebec, with plenty of ground, where her Sealyham Terriers can live happier lives, than city life affords. Same owner has recently disposed of a pair of Sealyhams to a New York client, for a good price.

E. C. Howard, Montreal, the well known Irish setter breeder and exhibitor, whose prefix "Tyrone" is universally known, has sold his good dog Ch. "Tyrone Larry" to Dr. J. D. De Ronde, New York. "Larry" goes across the line to head the Doctor's Kennel. "Tyrone, Queen of Erin," also has found a new American home with Mrs. Alban Sturdee, of Springfield, Mass., late of St. Johns, N.B., and well known to all lovers of Irish setters. We trust that it does not mean anything more than making room for coming champions of the Tyrone strain.

Mrs. M. Matthews, Toronto, reports a litter of four Pekingese puppies, one male, three females, out of her good brood matron "Lu Lu," sire Mrs. H. Wilson's Imp "Diamond Right Kind," all black masks and are beautifully marked, healthy and strong.

Mrs. N. Wilkinson, Rochester, N.Y., was a visitor at the Toronto Kennel Club spring show, where she purchased from Mrs. H. Hussey, Toronto, two Pomeranian Bitches, "Briscoe Belle," and Imp. "Brockville Tot."

Scott Bros. (Ripley Collie Kennels), Regina, report Collie business in the Middle West as being in a flourishing condition, and a great demand for young stock, which seems to be growing all the time.

Jack Newman is back from "Blighly" again. He arrived in Regina on April 13th, fit as a fiddle, and ready to jump in, just where he left off. He is slated to superintend the big summer show. As he has already acted in that capacity it goes without saying that his re-election spells "Johnnie on the Spot."

Joseph Russell, ex-M.P.P., President of the Canadian Kennel Club, has been enjoying the sea breezes at Atlantic City for the past two weeks,

and from correspondence received at this office we gather that he has been constantly thinking of the activities of the Club. "Send me premium list for London, for St. Catharines, for Brantford, for Montreal, for Detroit," are a few of his wants; and the straw in the wind seems to indicate where his thoughts are most of the time. We trust he will be greatly benefited by the change.—Editor.

Albert Payson Terhune's new Collie, "Sunnybank Sigurd," keeps up his winning stride, commenced at the Collie Club of America Show, where he won puppy and novice classes. At the Interstate Collie Club Show he won in puppy, limit and American-bred, and at Westminster itself, puppy and novice. The youngster will have every possible chance to develop his characteristics under ideal conditions at the "Place," where the "Mistress" and "Master" will see to his necessary wants. "Lucky dog."

"Dick Chadwick," the sensational young English Bulldog, heralded as being the best in England, is expected in Montreal any day now, to the order of a prominent Montreal fancier.

Sid Perkins received so many inquiries for young stock recently advertised in Kennel and Bench, that he take this opportunity to thank all unsuccessful applicants for puppies from the "Rockley Raider," ex "Newbold Vixen" litter. Several of this litter crossed the international boundary, and many enquiries have been received asking if "Rockley Raider" was for sale. To all enquirers the answer was the same, "Not for Sale." Sales at the Rockley Kennels are plentiful. Two dogs by R. Raider ex "Vixen," and 1 dog by "Repeater" ex "Militant Maid," went to W. McKay, Secretary, St. John's Kennel Club, N.B.; 1 bitch to Hugh McGuire, St. John. A male and female to Mr. Baird, Hamilton. A female to H. Christie, Toronto, 2 females to A. Johnston, Mount Dennis. Sid is a busy man, and selling is his specialty.

Reg P. Sparks, Toronto, has recently mated his good bulldog bitch "Meddlesome Miss" to "Kilburn Banker," and expects a litter of "real stuff" as the result.

Mr. Stapleton reports a grand litter of Boston Terriers "real stuff" from his "Lady Roxy" the sire, Ch. "Count Dee Cee."

M. S. Kilby, Montreal, has sent two Irish Terrier puppies (real Micks) by Ch. "Mendon Mike," ex "Mendon Patricia," to Toronto, for a course of schooling in ring manners, at the Parkdale Kennels, previous to their taking on Canadian and American circuits, the Ladies' Kennel Club, Morristown Show, the Irish Terrier Club Specialty Show, etc. It will be interesting to follow the "Irishmen's" fortunes.

A. V. Webley, Ottawa, has imported another Russian Wolfhound, "Webleys Krilinka," and at the Ottawa Kennel Club evening show, won special for best specimen either sex.

O. A. Shaw McKean, Prides Hill Kennels, has just sold five very high class bitches to Mr. Irving Ackerman of San Francisco. Among them is "Prides Hill Flash" by Ch. Prides Hill Tweak'em," first puppy at New York, 1919; "Prides Hill Fox Trot" by "Ch. Short Circuit," first American bred and winners at Pinehurst, 1919; "Prides Hill Fervor" by "Ch. Prides Hill Tweak'em," a big winner as a puppy; "Pride's Hill Fortune," by Ch. "Pride's Hill Tweak'em," also a winner in puppy and American bred classes; and a very attractive bitch by "Prides Hill Thrasher," he by "Ch. Prides Hill Tweak'em." These bitches should very easily go to the top in shows on the coast. The "Tweak'em" bitches all show very markedly the stamp that their sire puts on his get.

The first litter of Collie puppies to be reported as being sired in Canada by Champion Alstead Aeroplane, have the distinction of being whelped at the Coltness Collie Kennels, and consists of 6 splendid specimens. The dam is by "Int. Ch. Parbold Picaroon," (he by "Int Ch. Parbold Picador"), and out of "Otterburn Fashion Plate" (she by "Southport Sign," out of "Southport Source").

The owner of the sire is highly delighted, while the owner of the dam keeps on smiling.

## Our Front Page Illustration

PRINCE ALBERT (C.K.C. 21541).

The subject of our frontispiece for the current month is the well known home bred English Bulldog Prince Albert. A good son of "Devon Squire" (he by "Radiant Stone" and he by "Rival Stone"), and out of "Katerina," she by "Prince Albert's Double," and out of "Lady Lillian," and she by "Ch. "Cheetham Squire," out of "Stonewall Jane." A combination of the best bloods there is to be found in bulldogs.

Mrs. H. Peabody is extremely proud of this young dog, and who is there amongst us, could challenge her right to be pleased with this, the product of her own kennel. The picture is untouched in any shape or form, and was taken when "Prince Albert" was only 10 months old.

He is a short, up faced dog with plenty of wrinkle, skull  $18\frac{1}{2}$  inches, grand rose ears, well carried, weight 43 lbs, he is very low to ground, exceptionally wide in front, good roach back, and pear shaped body, in fact has all the characteristics we so often hear about, but only see once in a long while.

Puppies already sired by "Prince Albert," give promise of maturing splendidly, this can hardly be wondered at when one considers the pedigree, which shows direct descent from "Ratapull," "Bombard," and "Rodney Stone." He is particularly suited to care for all long bitches, his stud fee is \$20.00.

Mrs. H. Peabody will be pleased to have all correspondence and enquiries addressed to her at 132 Ranleigh avenue, North Toronto, Stop 24 Metropolitan.

## Great Scots!

Donald McKellar, Oakville, is daily expecting the great Scottish Terrier, "Tullibardine," winner of five firsts and reserve championship, Joint Terrier Show, London, England. "Tullibardine" is reputed to be the best youngster which has left Scotland for many years.

"Scott" Wilson, Oakville, is daily expecting a young English Bulldog from the kennels of his old friend, "Davie" Anderson, Dundee, Scotland. The dog, besides being a specimen of great quality, carries with him a pedigree that is a study worthy the consideration of any student of the national breed of Britain. The name of this good youngster is "La Foch."

## Short Barks

Mrs. M. Walker, the well-known Toy judge, Pom and Peke breeder, has left her Moscow Ave. address, and is now located at 781 Gerrard Street East, to where she has transferred all her quality dogs and an immense number of puppies. Her "Ching Fee" (Peke) is nursing a litter of four by the well-known "Tsung," owned by Mrs. Daney.

Mrs. Foster, Toronto, reports a nice litter of two orange-shaded Pomeranians, sired by Mrs. Walker's "Sable Style."

Wm. Robertson, Toronto, is elated over his several successes at Toronto Kennel Club Show, particularly his "Rotherville A. Merville" (Orange Sable), not yet ten months old, who went to winners. This is friend Robinson's home-bred stock, the sire being his "Wood View Honeydew."

Frances Pratt, Winnipeg, reports a fine litter from "Sour Mugs," five in number, with three males from the good bitch "Betty Stuart" (recently purchased from Roy Spence, Toronto), the sire being "Ch. Jellico." Our Winnipeg correspondent will be remembered as the purchaser of "Prince Roland" from G. P. Farrel, Toronto, a dog that made a wonderful showing at Winnipeg Show, and observes: "Toronto certainly has the goods."

The Robinhurst Cocker Spaniel Kennels have had as Kennel visitors to their Exhibition winner "Foreglow" red bitches from the Kennels of A. D. Heward, Oakville, Fred Lewis, Toronto; Chas. Bowerbank, Toronto, and W. J. Jackson, Hamilton. This is a practical evidence of activity in the re-organised Cocker Spaniel Club.

P. T. Bould, Kingston, reports that his Airedale bitch, "Gypsy Queen," has given birth to a litter of seven (five dogs and two bitches) by his stud dog "Pelham Master Key." All are doing well and are large strong typical specimens.

Mrs. P. A. Margeson, N.S., has recently purchased from Mr. W. J. Mountain, Toronto, a litter of 4 pekingese puppies, sired by "Ch. Chuen Chuen," ex "Wang Ching," also a male St. Bernard puppy sired by the "King's Son," ex "Morning Glory."

## Western Notes

Regina Summer Show will have two "Ermine bearers" at their disposal this year. E. E. Gravell, the well known setter breeder of Vancouver, who can be taken as an authority on the sporting breeds, and Norman K. Swire, Toronto, all other breeds. Mr. Swire is taking a trip to see "The old folks at home," but fortunately has been able to so arrange his programme, that he will arrive back in Canada in comfortable time for the Regina Show.

Herb Clements, Regina, says he is working towards an entry of 50 English setters, for Regina Show, and what Herb says generally goes. The sporting men of Regina are also arranging to hold Field Trials in the Fall, and the enthusiasm is running high for them even now.

Mrs. Anna R. Judd, Seattle, has sold the far travelled, prize winning Maltese, "Melita Maid O' My Dreams" to Mrs. M. Prior, Boston, Mass., at a big price. The little female was greatly admired at New York, Philadelphia and Boston, and the Judges, Swire, Hopton and Eskrigge were unanimous in declaring her to be "the perfect Maltese puppy."

Alex Mackidd, Winnipeg, would like to know what has become of the Airedale Terrier Club of Canada? Well Alick, this Club is very much alive, and will surely be heard from at an early date. At a meeting held a few days ago, a programme was drawn up, and the shingle is out again, with the legend, "This Club is now open for business." Will all past present, and prospective members take notice.

We have just received information from the Coast to say that Mrs. Bert Finch (the good wife of our brother scribe of that name) is very sick, and we feel sure we are voicing the sentiments of the Kennel Press in general, and the Fancy in particular, when we say that we trust to hear of her convalescence and complete restoration to health in the immediate future.

Mrs. J. A. Hawley, Kelso, B.C., is going in strong for English Toy Spaniels, and has purchased from A. J. Lewis, Gray Creek, B.C., several of the King Charles variety, and some Rubys as well. Business being very good at the Marlborough Kennels.

# The Russian Wolf Hound

## (Borzoi)

By A. V. Webley, Ottawa

(Member Board of Governors, The Russian Wolfhound Club of America).

[The following very interesting essay on the Russian Wolfhound was read at the regular monthly meeting and show of the Ottawa Kennel Club on Wednesday evening, April 14th, and it gives me great pleasure in reproducing the article in "Kennel and Bench" this month for the benefit of our Wolfhound fanciers particularly.—Editor.]

The "Borzoi," or, as it is called in America, the Russian Wolfhound, is one of the most beautiful and aristocratic animals of the canine world. Its early history shows them to be one of the oldest breeds of dogs, and it seems sure that all breeds of Russian Wolfhounds came from one common root, namely, from the crossing of the Asiatic, or Eastern "Borzoi," which penetrated Russia some hundreds of years ago with the Northern wolflike dogs, and even with the wolf itself. This is proved by the ears and the long hair on the neck.

The Courland "Borzoi" seems also to have added its blood to the breed, and given to it the long, curly hair. Also there is a marked family resemblance of the long-coated Greyhounds of Eastern Russia, Persia, and that section of Europe and Asia which demonstrates very clearly that there has been for many years a defined type of Greyhound, or racing hound, which we have known in America for thirty years as the Russian Wolfhound.

In the early days of the "Borzoi" in England a few were exhibited at the Kennel Club Shows, and among the best was the Prince of Wales' "Moloditz." Later owners were Queen Alexandra and the Duchess of Newcastle, who was also the largest importers from Russia at that time.

The Russian Wolfhound is one of the latest breeds to be introduced in America, and judging by the way it has increased it has come to stay. The first to arrive in America was in the early nineties, and as far as is known it was brought from England by Mr. Wade, of Hulton, Pennsylvania, followed by several others which also came from England, and some direct from Russia.

Probably the man who gave the

breed the greatest impetus at this time was Mr. Joseph B. Thomas, of Yale University, who went to Russia and brought over to America several very fine specimens from the Grand Duke Nicholas' kennels at Gatchina and from M. Balderoff's kennels at Perchina, which laid the foundation of the Valley Farms Kennels at Simsbury, Conn., U.S.A., and which later became famous for their splendid Wolfhounds.

The three most famous Wolfhounds which Mr. Thomas imported to America were "Bistris of Perchina," "Zyclon" of Perchina, and "Yarki of Perchina." "Bistris" was three times winner at the Westminster Kennel Club Show in New York, and "Zyclon" twice winner at the same show afterwards. Their blood is still to be found in most of our leading Wolfhounds to-day.

In 1903 a Specialty Club was organized for the amelioration of the breed, and known as the Russian Wolfhound Club of America, and at its inception it contained such well-known men as the late Jas. Mortimer, Dr. J. D. Mund, and Jos. B. Thomas, and from the time of the founding of the club in 1903 great advances have been made for the breed in the show world, and the club recommends an up-to-date list of judges, and many specials have been offered for competition through the Club's efforts.

The Russian Wolfhound was used in its native land to hunt the wolves that are still plentiful in some sections of the country, and are kept in a more or less wild state for this purpose. In Western Canada they are still most profitably used for hunting wolves and coyotes, which infest the prairies, and two hounds have been known to kill three coyotes in fifteen minutes.

The Standard calls for a handsome, graceful and powerful dog, built on the general lines of the Greyhound, but taller and more developed. The Russian Wolfhound has a character that is lovable, and you also have a dog that is noticeable anywhere. He is most affectionate, and loves only his master, and is termed a one-man dog. He is most remarkable for his love for home, and when trained makes a splendid watch dog. Although savage by reputation they are far from it. They are great hunters,

and run by sight only. They have the speed to catch the swiftest jack rabbit and the pluck and grit to kill the wolf if necessary. They are credited with being the swiftest dog in the world, and have records which show they have done 25 yards to the second, or a mile in 1 minute and 15 seconds, or about 50 miles an hour. By careful handling and judicious breeding they have become so domesticated that they are perfectly eligible as family pets, and make splendid companions, and have always been prominent as fashionable pets also. In fact, the greatest artists the world has ever known have depicted the Royalty of various countries accompanied by this grand and stately animal, and to-day you will find many specimens in the Royal kennels of Europe. In America to-day also the Russian Wolfhound is often seen in our moving pictures with the best actors and actresses, and splendid pictures they make. They are also a very hardy type of dog, and can stand the coldest climates, and mature Wolfhounds require no heat in the coldest weather, as they are well protected by their magnificent coats of long white hair. The coats of Show Wolfhounds on the back and neck should be brushed forward in order to enhance their rough appearance. They do not require any special food from that which is given to the ordinary dog, but must have plenty of exercise daily. The Standard for Russian Wolfhounds, as adopted by the Russian Wolfhound Club of America, is as follows:

**Head.**—Skull, slightly domed, long and narrow, with scarcely any perceptible stop, rather inclined to be Roman-nosed; jaws, long, powerful and deep; teeth, strong, clean and even, neither pig-jawed nor undershot; nose, large and black.

**Ears.**—Small and fine in quality, lying back on the neck when in repose, with the tips, when thrown back, almost touching, behind the occiput; raised, when at attention.

**Eyes.**—Set somewhat obliquely, dark in color, intelligent, but rather soft in expression; never full nor staring, nor light in color; eyelids dark.

**Neck.**—Clean, free from throatiness, somewhat shorter than in the Greyhound, slightly arched, very powerful and well set on.

Shoulders.—Sloping, should be fine at the withers and free from coarseness or lumber.

Chest.—Rather narrow, with great depth of brisket.

Ribs.—Only slightly sprung, but very deep, giving room for heart and lung play.

Back.—Rising a little at the loins, in a graceful curve.

Loins.—Extremely muscular, but rather tucked up, owing to the great depth of chest and comparative shortness of back and ribs.

Fore legs.—Bone, flat, straight, giving free play for the elbows, which should be neither turned in nor out; pasterns strong.

Feet — Hare-shaped, with well-arched knuckles, toes close, and well padded.

Hindquarters.—Long, very muscular and powerful, with well-bent stifles and strong second thighs; hocks broad, clean and well let down.

Tail.—Long, set on and carried low, in a graceful curve.

Coat.—Long, silky (not woolly), either flat, wavy or rather curly. On the head, ears and front of legs it should be short and smooth; on the neck the frill should be profuse and rather curly. Feather on hindquarters and tail, long and profuse, less so on the chest and back of forelegs.

Color.—Any color, white usually predominating, more or less marked with lemon, tan, fawn, brindle, grey or black. Whole-colored specimens of these tints occasionally appear.

General appearance should be that of an elegant, graceful aristocrat among dogs, possessing courage and combining great muscular power with extreme speed.

Size. — Dogs: average height at shoulder from 28 inches to 31 inches; average weight from 75 to 105 pounds. Larger dogs are often seen, extra size being no disadvantage when it is not acquired at the expense of symmetry, speed and staying quality.

Females are invariably smaller than the dogs, and two inches less in height and from 15 to 20 pounds less in weight is a fair average.

## WHAT THE CLUBS ARE DOING

Ottawa Kennel Club held their semi-monthly meeting and show recently, and featured Russian Wolfhounds and American Fox hounds. When W. C. Baldwin donned the ermine. An additional attraction was the exhibition of "Baldwin Heffwin," the American Foxhound, who brought fame to Canada from New York Show last February.

Instructive papers were read on both breeds. Dr. Robert Barnes, speaking for American Foxhounds as an authority, and Mr. A. V. Webley sponsored the aristocratic Borgoi.

In view of the success of the recent shows, the Ottawa Club proposes to put on a big exhibition at Lansdowne Park next month. Every recognized breed of a dog will be judged.

Montreal prize list and classification is to hand, and is the most elaborate and generous to come from that old organization. All you require in order to have a busy day with "Towser" is a good big wad, the number of entries are almost without end, and if the aforesaid "Towser" is a winner, you need have no worry about the "winter's coal."

\$600.00 in cash is offered, besides the other trophies, medals, etc., which are offered in wild profession. Support has been sent in from many Canadian and American Clubs, and many American fanciers have signified their intentions of being present, so it will be up to "our boys" to bring out their very best,—of course they always do that for Montreal Show, anyway, and generally come out on top.

A substantial handler's prize will be offered in order to get the competitive support from that quarter, while something really worth while will be offered for the "Best in Show" attraction. Montreal' premium lists will draw them the entry they want.

Trois Rivières Kennel Club, are nothing at all if not a live bunch of good sports. After their successful show last year, they again claimed dates (July 7-8) for a summer show, to be held in connection with their city's Festival Week, and also contemplate holding their usual Fall Show, at their Annual Fair.

Fanciers who visited the first show promoted by the Three Rivers Club, were loud in their praises, for the thoughtful and considerate arrangements made for fanciers and their dogs, and it is surely those pleasant

recollections that makes our Dog Show sport worth while.

The Cocker Spaniel Club of Canada held a well attended meeting at Toronto Kennel Club show. The president was unable to attend and "Charlie" Bowerbank, Vice-President was called to the chair.

The secretary reported 28 paid up members on the books, and \$73.00 in the bank, which was considered prosperous. It was decided to support all shows held under Canadian Kennel Club rules, with club specials, same as offered previous to the war.

This club propose holding their club meetings bi-monthly, and general meetings quarterly, and expect to become a far reaching power, in the best interest of the "Merrie Cocker."

Ottawa is out to make the 1920 Dog Show in connection with Central Canada Exhibition a three point show.

The Committee has already settled down to work and prospects are very rosy. Dr. Geo. Hilton is again the Chairman of the Committee, the other members being, Geo. Robertson, F.C. Taylor, Humphrey Elliot, W. C. Baldwin, J. H. Cameron, W. Macdonald, T. A. Armstrong, Dr. R. Barnes and J. A. Ferguson.

The Directors of the Exhibition have arranged for big improvements to the building which is admirably fitted for a Dog Show. Entire new benching for the whole show has been purchased and every arrangement will be made for the care of Dogs and the convenience of exhibitors and visitors. With the object of making sure of a three point show the prize-list has been increased to \$2000 in cash prizes. In addition valuable specials will be offered.

The dates for the Ottawa Exhibition are September 10th to 20th, and the Dog Show dates will be Tuesday to Friday, September 14th to 17th. The prize-list will be out at an early date and may be had by application to Mr. James K. Paisley, manager and secretary, City Hall, Ottawa.

# Around British Columbia

## Around the Coast

By H. Leslie, Winnipeg.

Victoria went completely to the dogs on 13th and 14th April. They ran a show.

Vancouver fanciers did their best to walk away with the silverware.

Mrs. S. Dorrell, with her winning dog and bitch Pomeranians, will take a lot of stopping. This applies to Mrs. F. Wild's Boston bitch, "Rellim Wee Wee."

McGauvran had a brace of Cockers that got no more than was coming to them, that was everything in classes, and with one exception, everything in their line of specials.

Mrs. Pete McLauchlan's collie, "Ch. Lochaber Llewellyn," was easy money for Winners' bitches, but Pete's young dog, "Lochaber Loyal," slipped into 3rd Open. Cheer up, Pete! You have a Collie there that will yet take the best of them to beat him. He is a model of that breed and a credit to any kennel.

Perry's Bulldog, "Lobengola," beat Jackson's "Fallsforth White Count" in the Open class. It was a tight fit, but "Lobengola" was in best condition.

Jackson's dog can claim the highest honor of all dogs there, however. The quiet-loving citizens of Victoria gave him the freedom of the city. Anyhow, I noticed they politely moved off the sidewalk when they saw "Tiger" coming along on the leash at exercise.

Willgress has a Setter in "Rowland Credential" that would give a New York judge food for thought.

McConnell was there amongst the Airedales, and handling winners also.

Gravells, who is to judge sporting breeds at Regina, was there, like myself, minus any dogs, but ready for all the fun that was going.

Doc. Sleeth was also among the visitors, and I heard him trying to appease the wrath of a Spitz exhibitor, who imagined the judge did not linger long enough on the beautiful (?) quality of his dog.

Hogg of New Westminster was amongst the ribbons with his "Scot-tie Inverlay Dirk," a really good one.

The judge, H. M. Robertson, of Lamanda Park, California, came as near giving entire satisfaction as any all-round judge I have seen since the days of the late Mr. J. B. Mortimer. He deserves the highest of praise, and handled his work in a manner which clearly showed he knew his business.

One of the officials at least would have done well had he made the same study in courtesy as Mr. Robertson has command of and extended this to the judge. It does not carry away a good impression when the judge gets told where to get off at in a public dining-room for being ten minutes late through no fault of his.

I will take off my hat to the fanciers at the Coast for being a bunch of the sportiest sports I have yet met, and wish them all the success they are entitled to.

By Archie Hogg.

April 13th saw a large influx of fanciers from Vancouver and New Westminster at Victoria, this being the occasion of the annual spring show of the Victoria City Kennel Club. In all about fifty dogs made the trip, and gave a good account of themselves, bringing many trophies back to Vancouver, and what is better winners Ribbons. New Westminster dogs usually in the money seemed to have an off day. The type from the Royal City not seeming to meet with the approval in the judicial eye. The show was well attended and was a credit to the officers of the Club and to the fancy in Victoria. This being the first show of the year, a nice time was spent renewing old acquaintances, and making new ones. The feature of the show seemed to be the preponderance of lady fanciers, the latter giving just as good an account of themselves at handling dogs as the stronger sex.

Britisher McCloy, a Canny Scot frae New Westminster, is the proud possessor of a fine litter of five white West Highlanders, all males, out of his good bitch, "Poosie Nancy." They are a healthy looking lot, all snow-white, and have all earmarks of coming champions.

Mrs. Thornton Sharp has just bred her Wire bitch, "Lyncote Happy," to Mr. Purdon's imported "Watteau Warcy." This dog is a grandson of "Ch. Chunky" and "Ch. Corker of Notts," and "Happy" is a granddaughter of "Ch. Collarbone" and "Catchem of Notts," so with such excellent breeding behind them, the coming litter should contain some exceptional specimens. Happy has already produced "Lyncote Hayseed" and "Sonning Record," the two Wires which gave such good account of themselves at the late New York Show.

Mrs. Dorrell, the well-known fancier of Vancouver, has just received a splendid specimen of Pomeranian flesh from England. This bitch, "Friesian Girl," came from the kennels of Mr. Barnes, Liverpool, and before leaving was bred to "Ch. Minegold Monsieur." At the late Birkenhead Show, the only time out, "Friesian Girl" received the award of best bitch in show. Mrs. Dorrell is also the owner of the well-known imported winner, "Jacobean of Granby." These two make a brace that will bear watching at the coming shows.

Dr. Hoggan, the well-known veterinary of Vancouver, is expecting a litter of Irishmen out of his good Irish Terrier, "Mary O'Brian," by his latest importation, "Peter Gilligan." This bitch has already produced some good ones, among them being "Ch. Harwood Finnegan." Peter is by "Ch. Turf Commander," and accompanied the Doctor on his return from France and England lately.

Frank Archer, the Cocker celebrity of Vancouver, has just imported a grand specimen of his favorite breed from the Obo Kennels of Denver, Colo. She is a parti-color, a daughter of the famous "Ch. Braeside Baron," and is nursing a nice litter of three females sired by "Ch. Braeside Baron." Visiting matrons to Mr. Archer's kennels have been numerous and of high quality, while the sale of puppies has broken all records.

He has a very strong head, large expressive eyes, set wide apart, broad flat skull, with well defined stop, short, broad, square, deep muzzle, very cobby body, grand conformation and a sound mover. He is a guaranteed sire of the type of puppies that sell for high prices. A glance at his pedigree will convince you that his blood lines cannot be beaten. As a show dog, he has been a sensation already; at the Westminster Kennel Club Show, in New York City, February 11th to 14th, 1920, he was awarded 1st Limit in a class of nineteen dogs of the richest quality, second open to the winner's dog, "Arroyo Arbitrator." His first time out in Canada was at the Toronto Kennel Club Show, Toronto, April 2nd and 3rd, 1920, where he won: 1st Limit, 1st Open, and Winner's dog, defeating all comers. Watch him at the coming Shows. What do you want more to breed to this big-little, all-Boston for results. His services at twelve dollars are strictly payable at time of service, with usual return privilege. Bookings should be made in advance. Large, heated Kennels and every possible care given visiting bitches.

# AT PUBLIC STUD IN TORONTO----Canada's Best Irish Terrier CHAMPION MENDON MIKE

(By "REPRIEVE," Ex "BALLYHAISE JUDY")

The Property of M. S. Kilby, Montreal, P.Q.

The powers of Mendon Mike as a stud dog have been amply demonstrated, and his value to the Irish Terrier fancy lies chiefly in his breeding. For a foundation on which to build a kennel of winning Irish Terriers, the blood of Mendon Mike cannot be surpassed. In a recent litter by him out of "Mendon Patricia" ("Endcliffe Red Cloud" ex Ch. "Leonora") are a dog and a bitch puppy that will make Irish Terrier history in Canada and the States. These puppies are in the care of Bert Swann at the Parkdale Kennels, and may be seen by arrangement. They are living testimonies of Mike's ability to sire good Irish Terriers.
