A MEETING OF THE BOARD OF DIRECTORS of the Canadian Kennel Club will be held in the offices of the Club on November 18th, 1920, commencing at 8 p.m.

Meeting of the Board of Directors of the Canadian Kennel Club

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club, was held in the offices of the Club, 74½ Yonge Street, Toronto, on October 21st., 1920. In the unavoidable absence of the President, the First Vice-President, Mr. Harry Clayton, presided. Directors present were: Messrs. F. W. Jacobi, N. Renwick, N. K. Swire, and D. Wheeler. Director H. M. Jackson, detained out of town on business.

The Minutes of the previous meeting were read by the Secretary and on motion, were declared adopted.

The Secretary introduced some important correspondence bearing on the documents essential to registration (referred to in last month's minutes) and it was the unanimous finding of the Board of Directors to hand the case over to the Directors of Quebec Province, and asking them to handle the matter there, as a convenience in getting the parties together.

A Protest having been filed by Vincent G. Perry, London, "Against the win of the Boston Terrier 'Ch Count Dee Cee' owned by H. Shaw, Toronto, at the Dog Show held in connection with the Central Canada Exhibition, Sept. 14-15-16-17, 1920, on the grounds that:

"Said Champion Count Dee Cee was entered at this Show for Specials only." The Protest having been laid to comply with the requirements of the Dog Show Rules and Regulations, and the fee deposited, was found to be in order. Evidence for and against was produced, including the entry form, and it was moved and seconded "That the protest be upheld, and that Mr. Shaw be informed that the win made at this show has been cancelled and that the dog next in order goes up to first place, and that the Central Canada Exhibition Association to be advised of the ruling." "Carried."

A protest filed by Edward Johnston, in the name of Preston and Johnston, protesting the win of the English Bulldog "Dundee Knight" on account of being under weight for the (heavy-weight class), at the most recent show held by the Bulldog Breeders' Association of Canada. The Secretary advised that the defence had had no opportunity to prepare for the meeting, and it was agreed "To leave

the matter on the table until the next meeting."

The Secretary reported that the Stud Book Committee of the American Kennel Club had adopted the following rule:

"All Canadian bred dogs must be registered with the Canadian Kennel Club, and must show three generations of pedigree, before they will be registered in the American Kennel Club." and was instructed to write the American Kennel Club, that their adoption of this rule was greatly appreciated by the Canadian Kennel Club, who believed that it would ultimately be found mutually satisfactory to both organizations.

NEW WESTMINSTER, B.C., ANNUAL FALL DOG SHOW, September 30th to October 2nd, 1920

(Reviewed by the Judge, Mr. N. K. Swire, of Toronto.)

No more interesting trip can be imagined than that afforded by a journey through that vast part of our country that separates East from West, in Canada. The lakes, rivers, trees and rocks of northern Ontario, the prairie country of the western provinces, with its immense expanse of fertile land, dotted here and there with thriving villages and prosperous towns; then on into the surpassing grandeur of the Rockies, amongst the scenic wonders of an unspoiled Alpine kingdom. Here are majestic peaks, snow-capped and glacier scored, ragged forest clad slopes, beautiful lakes and the headwaters of mighty waters. All these and myriads of other attractions make the strongest appeal to tourists looking for new fields of travel and exploration.

After feasting to my heart's content on this wonderful panorama of scenic beauty I duly arrived to find further pleasures awaiting me. The B. C. fanciers, to a man, are the essence of hospitality. Motor tours through the city and along the beautiful marine drives, excursions to places of interest, including a visit to the Capalino Canyon and other beauty spots are a few of the many pleasurable items that made up a round of delight, never to be forgotten.

The dog show itself was one of those events that tend to stimulate that "get-together" feeling that is so desirable. Fanciers from far and near met in that friendly competitive way that help to make our shows a pleasure and success.

The building in which the show was held is located in the centre of the beautiful Exhibition Grounds, the structure was a new one, clean and roomy, with ample light and ventilation, and the management responsible for the smooth running of this event deserve great credit. Archie Hogg, the superintendent, and Jack Thomson, the secretary, are an ideal "brace," energetic and courteous to all, careful attention to details, along with a thorough knowledge of present day dog show requirements are a few of the assets they possess.

Ever-ready "Nat" McConnell made

an ideal ring steward, on the job from start to finish, no waiting or confusion at the ringside, he knows the "dog game" from A to Z, and is ready at all times to help and advise. He received able assistance in his duties from those staunch and enthusiastic fanciers, J. J. Jackson and A. McCloy. Their task was no sinecure, as the aisles and ringside was thronged with a crowd of interested exhibitors and visitors. There were 163 dogs entered and very few absentees, and the

quality on the whole was good.

The limited space at my disposal will not permit me to elaborate on the many good fanciers I met, so will occupy the remainder of my allowance with a few notes on their dogs.

The first to be paraded was a useful Yorkshire Terrier bitch, named Holland's Joan. Next came Pekingeses, which were of fair quality. My choice for best of breed was a little female named Brockley So Shy. Pomeranians were a nice even lot; very little separated some of the placings. Wee Star, the winners dog, is a stylish

little shaded sable, fair head with small, well placed ears, short back, fine bone and a coat of the right texture. His nearest rival was Strathroyal Tommy Atkins, a small, compact dog, carrying a good coat, loses to winner in head, fineness of bone and style; the latter's rivals in the class for Open Black pressed him very closely. Strathroyal Radah was easily best of opposite sex and carried off special for best of breed; she is a dainty and typical shaded sable, nice head, small ears, short, compact body covered with a coat of the right texture. Princess Patricia, a chocolate was reserve winners. She was closely pressed for that honor by Friesian Girl; the latter is a grand shower, with exceptionally fine bone for her size, loses to above in eye, placement of ears and texture of coat.

Maltese were easily the best collection amongst the Toy varieties, one and all being put down in perfect condition. Studebaker Namur was Winners in the dog section. Pride of place in the opposite sex went to Ch. Melita Snow Dream, also special for best of breed. This exquisite morsel of dog flesh afterwards captured Reserve for best in show (all breeds).

One moderate Badger dog and one Chow was all these varieties could muster. Invertay Dirk was the best Scottie. Irish Terriers saw Peter Gilligan go to Winners dogs and Ch. Brentmoor Borzoi Winners bitches. The former is a nice size, good body covered with a coat of the right texture; a longer foreface and cleaner skull would improve him. Brentmoor Borzoi has a long, clean head with dark eye, good body, legs and feet, and a harsh coat—should like to see her with better ear carriage and set-on of tail.

Kilmartin Possie Nancy was alone in W. W. H. Terriers, a little light in bone, otherwise a good one. Brockley Magic, the winning dog in Smooth Fox Terriers, was put down in tip-top condition. He is a stylish young Terrier, and will do some winning when matured. Airy Fairy Sutton was best bitch. She is a typical bitch, teeming with Terrier quality; a little more bone and strength of fore-face would place her amongst the first flight.

ALEC. McCLOY, Ass. Secy.

Second and third in the Open Bitches were both good, but on the large size. My choice for Winners Dogs and best of breed in the Wires was Flornell Rapid Fire; his many outstanding Terrier qualities, coupled with his exquisite ring manners, made him an easy winner. Next in order came Buxton Ben, a youngster of more than average quality, strong fore-face, dark eye, well-placed ears, good neck, shoulders, legs and feet and a harsh coat. When this fellow fills out in body he will be a "hard nut to crack." He was closely pressed in Puppy class by Sandbach Ted. The Winners bitch, Snowdon Miss Flip, is a youngster that I predict great things from in the future. She was put down and handled to perfection, and won with a big margin.

In Bull Terriers, Bow Belligerent was winners dog. He is a well balanced dog, with exceptional strong fore-face, dark eye, correctly placed and grand body, a trifle heavy in skull and shoulders. Anzac White Countess was best of opposite sex; a little more strength of foreface would make this bitch a topnotcher. The Reserve winner, Richard's Salome, has also many of the fine qualities that are found in the make-up of the "White 'Un's."

Airedales topped the lot for numbers, and also "topped the lot" for variations in sizes and types. The winner of the puppy dogs, Skockie Tillicum is a well-grown youngster, with long head, short back, grand

bone, good coat and was shown in splendid condition. Ch. Harvie Warlock, the Winners dog, had quite a tussel for that honor with a dog named Kingston Pat. Both were put down in good form; the latter just looses in skull and coat. The third dog, Ch. Connaught Gossoon, is a typical little dog, a great shower, but on the day was short of coat. Harvie Duchess, the Winners bitch, had her work cut out to defeat Glenside Peggy. It was the latter's indifferent ring manners that prevented her going on top. Skockie Imp, the 3rd open bitch, is a very useful sort, excelling in bone, coat and soundness.

Boston Terriers were few in numbers, but up to the average for quality. Yankee Speed King was Winners dogs and best of breed; the winner bitch pressed him closely; she is a trappy little bitch, well marked, with deep square muzzle, but did not show her qualities to advantage. The Reserve winners, Reno's Jewel, looses to above in head and markings.

Bulldogs brought out the best specimens in the West. Kingsway Squire went to Winners and best of breed. He is a cloddy built dog, with good bone for his size, good head, neck and shoulder formation, and has the desired roach, which put the finishing touches to a well balanced dog. Lobengula, the Reserve, is a sound, white pied dog, with much to recommend him, but looses to winner in face finish and lowness to ground. Other good dogs in this section were Vesey Viceroy, Who Goes There, King Jack and Failsworth White Count. In bitches, Futurity Real Lady went to Winners with ease; she is a well balanced white bitch, nice finish of face, with good expression, big skull, good spring of rib. Next in order came Warfleigh Molly and Kingsway Rhodora; the latter is a very useful one; on the day she lost to the above pair on condition.

Collies. The Winners in the dog section was a dog named Hannafield Duke, a big, strapping dog, long head, well carried ears, excellent legs and feet, good body and was shown fit. Reserve to him was Lochaber Loyal, a good one, with nice head piece. looses to above in size, bone and coat. Bitches brought out a youngster named Dewsbury Doreen, similar in type to the winning dog. She is a good one and will do some winning. Lochaber Lorna was Reserve. She also possesses many fine Collie characteristics, looses to winner in length of head, eye and bone.

JOHN THOMPSON, Secretary.

In Cockers nothing sensational appeared in the juvenile classes. The only real contest was in open dogs, when Billy Obo, Jr., and Ch. Moore's Master Key met. I placed them in the order named. On the day the former was sounder, better mover, carrying a good coat and in tip top condition. Junetta Obo had no difficulty in getting the Winners ribbon in bitches. She is a black of superb quality and was shown to perfection. The contestants in parti-colors were fair in quality.

English Setters came next. This useful and beautiful sporting variety were well represented, most of the exhibits being put down and handled to perfection. The winning dog, Bachelor's Racket, is a wonderful bodied dog, good neck, shoulders and the best of legs and feet and moves to perfection, his faulty headpiece being his only drawback. Reserve to him was Rowland's Credential, much better in head than the winner, but loses to him in body, coat, movement and condition. Other good dogs that came before me were Pathfinder, Glen Moray King and a promising youngster named Snowdon Major. In bitches I placed Peg o' My Heart on top. She is symmetrically built and has nice action, her head could be improved, otherwise she is a good one. Rowland's Lady Sensation was Reserve winners. She is a very useful one, but loses in shoulders and movement. The remaining Setters were moderate in quality.

Pointers were few in numbers but

of good quality. Lord Kitchener, Leland Peggy and Yvone Belle were easily the best. The former was best dog and the two latter were placed in the order named in bitches. Very little separated the two bitches. Both are good, and it was a case of "splitting hairs" to arrive at a decision.

Old English Sheepdogs turned out well, Lanok Mack, the winner, just beat Craige Bobs. The latter is a very promising dog, and will do some winning when in full coat. The remaining varieties call for no comment. Following is a list of the awards:

BULLDOG SPECIALTY SHOW IN TORONTO

Notes by the Judge, Dr. T. E. Sleeth, of Vancouver, B.C.

The seventh annual Specialty Show, held under the auspices of the Bulldog Breeders' Association, took place in the Labor Temple, Toronto, on Oct. 18th. The excellent classification, with liberal prize money and a big list of specials, drew a remarkably good entry for me to adjudicate. I had often heard and read about the good Bulldogs in the East, so was naturally delighted at having the opportunity of going over them, and after doing so have no hesitation in saying they are, as a collection, the best I ever seen. There was over 70 dogs benched, 90 per cent. of them being Toronto dogs, which proves that the "Queen City" is strong on the "Sour Mugs." The classes were all well filled, the largest being that for Canadian-bred bitches, where no less than 19 came in for competition. Other good classes were limit bitches with 16, novice 14 and junior with 12.

My choice for best of breed was Roxton Mickey, who went through from junior to winners. She is a real topper of the cart-horse type. Her head is a study, good, wide, well turned underjaw, deep wide muzzle, good layback, nice eye and ear placement, correct expression, long flat skull with plenty of length from eye to ear.

Dr. T. E. SLEETH, Vancouver, C.K.C. Director, Province of B.C.

correct shoulder formation, low to ground, with deep brisket and good spring of rib, short roached back and immense bone. She could be a little lighter in hindquarters. It was a battle royal between the winner and reserve winner in the dog section, with several other good ones pressing them closely. Many of the classes were of an even nature, and very little separated the successful ones. Type with soundness was my strong point, and

stuck to it right through. I wish to thank the officials for their excellent services, superintendent, secretary and stewards worked hard, and it was largely through their energies that the event was brought to such a state of perfection.

POMERANIAN CLUB OF CANADA, SPECIALTY SHOW

Specialty Reported for Kennel and Bench by H. Hurst, Toronto.

(By arrangement of the Pomeranian Club.)

The Pomeranian Club of Canada held their first Open Toy Dog Show in Alhambra Hall, Oct. 18th. One hundred and ten dogs were entered, which gives them a two-point show held under C. K. C. rules. A good quality of dogs were shown, but the gate receipts were disappointing, a pity, as this was to have been an annual event.

The first to come before the Judge was Italian Greyhounds: 1st, Mrs. Delaney's "Lord Bobs," a nice Greyhound with nice length of head, good ears, nice neck, good body, legs and feet put down in nice bloom. Open Bitches: 1st, Mrs. Delaney's "Ch. Lady Grace," grand head and neck, good arch back, deep chest, good legs and feet, a good mover shown in nice condition; 2nd, Mrs. Delaney's "Lady Lena," another nice bitch, nice neck, a trifle longer in head would improve, good legs and feet, a very nice bitch; 3rd, Capt. Card's "Roma of Venice," not quite the quality of those above her, but a nice bitch, will do better later on. Winners bitch: "Ch. Lady Grace." Winners dogs: "Lord Bobs."

Pomeranians.

Puppy Dogs: 1st, H. T. Davies' "Wee Flyaway," a grand little Pom, nice in head, very small ears well placed, very short in body, fine in bone, good legs and feet, and sound as a bell, in color, and carries a good coat. 2nd, W. H. Robinson's "Rotherville Sun Ray," nice head, good ears, rather dark in color, would like him a little better graduated in color, good legs and feet, in good coat and a good mover. 3rd, W. S. Wickham's "Shaftesbury De-fiance," good sound color, good legs

and feet, heavy coated, but inclined to be curly and flat.

Canadian-bred Dogs: 1st, W. S. Wickham's "Shaftesbury Supreme," whose best feature is his heavy coat, might be shorter in muzzle, finer in bone, good legs and feet and put down in nice bloom. 2nd, H. T. Davies' "Wee Flyaway," should have been placed first, as he is a good, sound black, finer in bone, smaller in ears, shorter in body than the winner; he should have also gone to winners dog; this decision we could not follow. 3rd, Mrs. Wylie's "Cairndhu General," a nice wolfe sable, carries a good coat of good texture, small ears, good legs and feet, a little coarse in head.

Novice Dogs: 1st, Mrs. Wylie's "Cairndhu General"; 2nd, W. H. Robinson's "Rotherville Sun Ray," previously reviewed; 3rd, Mrs. J. W. Sparks' "Bold Buster," a very nice, sound, chocolate dog, nice head and ears, little high on the legs, would do with more coat, good legs and feet.

Limit Dogs (under 7 lbs.): 1st, W. S. Wickham's "Shaftesbury Supreme"; 2nd, Mrs. Wylie's "Cairndhu General"; 3rd, H. T. Davies' "Wee Flyaway."

Open Dogs, Black (under 7 lbs.): 1st, H. T. Davies' "Wee Flyaway"; 2nd, J. Waggitt's "Wee Bombing Plane," a very small, compact little dog, not quite sound in color, might be better in coat, not quite sound behind, very fine bone, but wants more coat; 3rd, W. S. Wickham's "Shaftesbury De-fiance."

Open Dogs, Orange, or Orange Shaded: 1st, W. S. Wickham's "Shaftesbury Supreme"; 2nd, W. H. Robinson's "Rotherville Sun Ray," previously reviewed; 3rd, W. S. Wickham's "Gold Security," nice small ears, very good color, rather too fine in muzzle, would do with more under-

coat, but he did not move so well; he was lucky to get over "Laudervale Shell Fire," who is a nice little cobby dog, good color, very short in back, and a good mover, a nice little Pom.

Open Dogs and Bitches, Brown or Chocolate (under 7 lbs.): 1st, W. S. Wickham's "Shaftesbury Decision," head just a shade coarse, carries a good coat, not quite sound in color, good legs and feet; 2nd, F. Shawley's "Mongolian Magneto," very small and dainty, very fine bone, nice head and ears, good body, legs and feet, should have been placed first, is better in color, finer in bone and shorter in body than the winner; 3rd, Mrs. J. W. Sparks' "Bold Buster," previously reviewed.

Open Dogs, Any Other Color (under 7 lbs.): 1st, Mrs. Wylie's "Cairndhu General"; 2nd, Mrs. G. Briggs' "Askern War Cloud," nice small ears, fine bone, good legs and feet, but do not like his color, is too dark on head, and not well graduated, otherwise a nice Pom.; 3rd, T. Murray's "Wee Fido," good coated wolfe sable, a little long in back, good body, legs and feet.

Open Dogs Any Color (under 7 lbs.): 1st, W. S. Wickham's "Shaftesbury Supreme"; 2nd, Mrs. Wylie's "Cairndhu General"; 3rd, H. T. Davies' "Wee Flyaway."

Open Dogs, Any Color (under 5 lbs.): 1st, Mrs. Wylie's "Cairndhu General"; 2nd, H. T. Davies' "Wee Flyaway"; 3rd, Mrs. J. W. Sparks' "Bold Buster."

Open Dogs and Bitches, White (7 lbs. and over): 1st, Mrs. W. Leach's "Cairndhu Duke," a glorious coated white, pure in color, good legs and feet, good tail carriage, and shown well; 2nd, Mrs. Hussy's "Tango Billy," not as good in coat, style and shape as the winner, good body, legs and

feet, very good in color; 3rd, Mrs. Farrel's "Teddy Best," fair in head and ears, good body, legs and feet.

Open Dogs and Bitches, Any Color (7 lbs. and over): 1st, R. Thompson's "Dandy's Double," a black with a wonderful coat for his age, good body, legs and feet, small ears, put down in grand bloom and shows well and carries his tail flat on his back; 2nd, W. Leach's "Cairndhu Duke," previously reviewed, loses to winner in shortness of body; 3rd, J. Marshall's "Reliable," nice in head, ears, short in body, good legs and feet, might be better in color. Winners dogs: "Shaftesbury Supreme."

Puppy Bitches (under 7 lbs.): 1st, J. McNaughton's "Pomeria Princella," a nice little Pom, very small in ears, good coat, might be warmer in color, not quite level in mouth, with a faulty tail, good legs and feet, and a good shower; 2nd, Mrs. A. Burt's "Dorset Pearl," a nice typical little bitch, with small ears, carries her tail well, but I would like her a little warmer in color, and she is not quite sound behind on her legs, otherwise a nice bitch; 3rd, C. Perrin's "Millicent Sable Midget," very small, fine in bone, good tail carriage, good legs and feet, but wants more coat.

Canadian-bred Bitches (under 7 lbs.): 1st, J. McNaughton's "Pomeria

Princella," reviewed in previous classes; 2nd, Mrs. Burt's "Dorset Pearl"; 3rd, J. Marshall's "Wee Sable Mite," no harm would have been done had she been placed first, she is a nice little bitch, nice type and quality, a little uncertain in ears, she is very short in body, fine in bone, good legs and feet, and tail flat on her back; she scores over the winning bitch in mouth, tail, shortness of body and fineness of bone.

Novice Bitches (under 7 lbs.): 1st, Mrs. R. Burt's "Dorset Pearl"; 2nd, C. Perrin's "Millicent Midget"; 3rd, "Wee Sable Mite," should have won, as she beats 1st and 2nd in shortness of body, and is finer in bone, and a better texture of coat.

Limit Bitches (under 7 lbs.): 1st, "Pomeria Princella"; 2nd, "Dorset Pearl"; 3rd, "Wee Sable Mite."

Open Bitches, Black (7 lbs. and under): 1st, H. Hurst's "Little Ivy," a nice little black, good in color and type, good legs and feet, a little wavy in coat, tail flat on her back, a nice little bitch; 2nd, A. J. Davis' "Dainty Damsel," a nice little black, nice type, good head and ears, a little flat in coat, and not quite so short in back as the winner; 3rd, J. Waggitt's "Ardale Negress," nice in head and ears, good legs and feet, a trifle long in back, and flat in coat.

Open Bitches, Orange or Orange Shaded (under 7 lbs.): 1st, "Pomeria Princella"; 2nd, C. Perrin's "Millicent Sale Midget."

Open Bitches, any other color (under 7 lbs.): 1st, Mrs. H. Burt's "Dorset Pearl"; 2nd, "Wee Sable Mite"; 3rd, Mrs. W. Campbell's "Sable Beauty."

Open Bitches, any other color (under 7 lbs.): 1st, "Pomeria Princella"; 2nd, "Dorset Pearl"; 3rd, "Wee Sable Mite."

Open Bitches, any color (under 5 lbs.): 1st, "Pomeria Princella"; 2nd, "Dorset Pearl"; 3rd, C. Perrin's "Millicent Midget."

Veteran Class: 1st, R. Thompson's "Dandy Double"; 2nd, "Cairndhu Duke"; 3rd, A. J. Davis' "Pomeria Queenie." W. McPherson's "Wee Meg" should have been in the Ribbons in this class, as she is a wonderful color for her age, 14 years, truly a veteran.

Winners Bitches: "Pomeria Princella." Best Brace: W. S. Wickham. Best Trio: W. S. Wickham. Best Team: W. S. Wickham.

Critique on Toy Spaniels, Maltese Terriers, Toy Terriers and Pekingese held over until December issue.—Editor.

NANAIMO KENNEL CLUB SHOW

Notes by the Judge, H. M. Robertson, Lamanda Park, California.

The seventh annual show of the Nanaimo Kennel Club was held at the Agricultural Hall, there, on Sept. 21st and 22nd. The building was ideal and the show all through was one of the cleanest and best conducted that I have attended for a long time. The benching, built and erected by members, was very practical, almost entirely new and the last word in comfort for the dogs. The aisles were wide and well able to accommodate the crowds, still leaving lots of space for a large ring. The dogs were exercised in a large enclosed park just outside the main door, and the weather, although showery at times, was very pleasant. Messrs. Kneen and Pearson as president and secretary respectively; Mr. R. W. Watson as superintendent; Mr. J. W. Thompson, the ever-pleasant ring steward, put in some honest, hard work before and during the show, with Messrs. J. and J. J. Cottle, Mr. Hickling, Mr. Mercer ably assisting.

There were 170 dogs entered, with few absentees, making an easy two

points on the Coast rating. Best in show, all breeds, went to Chinook Kennels' English Bulldog, "Vesey Viceroy," shown in ideal condition and handled to perfection by J. C. Fletcher. He is a very sound, little dark, golden-brindle dog, with proper skull formation, perfect ears and expression and pretty well made up in fore-face. Good shoulders, lots of rib, extra good turn of forearm and a nice mover. Best opposite sex to Mrs. Fred Wild's Boston, Ch. "Rellim Wee Wee," beating the English Setter bitch, "Rowland's Lady Sensation" on condition. The Boston bitch is well known and can win anywhere in the shape she was here. She is also a sound bitch with a taking head, good eye placement and nice outline. Best puppy in show was easy for Mrs. E. E. Gravell's "Snowdon Miss Flip," who earlier went to best Wire in excellent company. She is a good headed bitch, with lots before the eyes and balanced all over, right in expression, fair in ear, nice neck, good rib and sound behind. Could be better in feet, but a Terrier all through.

Best owned by a member of Nana-

imo K. C., was won handily by Mr. Walker Wilgress' Setter, "Rowland's Lady Sensation," shown like a statue by the owner, and much improved since I last saw her at Victoria. She is better in shoulder now and better in rib and a very good headed, sound bitch, with lots of bone, good lip, nice expression and well carried ears. Best opposite sex—also a Setter—Mrs. N. A. Kennedy's Irish Setter, "Golden Rufus," in very fine show shape. He is a big dog who moves well, good body and fair brisket. Good in fore-face, could be better chiselled below the eye and better in eye placement. Best puppy, owned by a member, went to Mr. R. Mercer's Wire, "Buxton Ben," previously winners in Wire dogs. He is a typey little dog and a shower. Good ear and eye and lean skull. Good rib for age and extra good behind, sound coated, could straighten up a little in front. Best owned by a member of the Terminal City K. C. was won by Mr. Norman McConnell's Ch. "Killarney Tittle Tattle," entered for specials only. In beautiful shape after her recent victorious California trip and far too well

known to require description. She won easily and well, a real bitch and a wonderful laster. She was not brought in for any other special. The evidently coveted special for Best Coated Terrier of any breed was also very easy for Mrs. E. D. Todd's Aire-dale puppy bitch, "Skokie Nova." Same owner showed four, either one of which could have won this or a best-conditioned-dog-in-show special. In their earlier classes they failed a little sometimes to the winners, but for quality of coat and general condition, they are the last word. Best Brace Sporting to Rev. Christmas' Pointers, "Whitfield Wanderer" and "White Queen," a nicely matched brace. The runners-up, Mr. F. J. McGauvran's brace of Cockers, are each better individuals, but not so good as brace. Best Brace Non-Sporting to Mrs. J. C. Fletcher's brace of biscuit Pekes, far ahead of the competition in this class. Best Sporting Dog in show to the Setter bitch, "R. L. Sensation."

English Toys were fair. 1st Open to "Jack Presto," a King Charles of pretty good type, good front, a little flat in skull. In bitches, "Nancino," a better typed Ruby, beat "Nero" in front and skull. "Queenie Crest" was shown a little heavy in flesh. In Peke dogs, "Peko of Ashstead" was alone. A very good type of stud dog with excellent flat skull, good eye, could be shorter faced, a really good fronted dog, well boned and right action. Just a little larger than I like. In bitches, "Brockley Woggie" won; same type as "B. So Shy," and both biscuits and short-faced. The winner moves and shows better. In Poms, "Grandview Little Tich" won, in excellent coat, small boned, short-backed black, small ears, could sometimes be carried closer. 2nd Limit to "Lindum Sable Atom," a very showy little, light-colored dog, just failed a little in head to winner and is inclined to stand low in front. "Strathroyal B. Goldmint," a very good coated dark Orange Sable, fails in size only. In Open, "Tich" went over "Jacobean of Granby," well known and good type, but here out of coat. "L. S. Atom 3rd" and "Grandview Meph" reserve. Latter a small-boned, nice size Chocolate in poor coat. Winners as last class. In Bitches, "Lindum Chocolate Drop" won Novice. A stylish little bitch with good texture of coat for a Chocolate. Could be a little cobbler. "Frisian Girl" won in Limit. A really good bitch, but not in as good coat as last time I judged her and consequently lost in Open to "Strathroyal Rajah," right in coat and proper texture. Very

good, foxy head, small ears, properly carried and shows like a Pom. "Princess Patricia," marked third, I do not remember, was probably absent. In specials the bitch "S. Rajah" outshowed the Black dog. Spitz were much of a type and sameness, the winners going up on coat and color. English Setters were excellent for quality, as were all the Setters shown. In puppies, "Snowdon Major," a good, sound, promising puppy with very taking head, beat "Stylish Major," the Novice winner, in movement fore and aft.

Limit dogs had three outstanding Setters. "Dannemore Craig" eventually won on condition. In comparison to "Rowland's Credential" (2nd and reserve winners), he is better in rib and not so good in head or shoulder. At this show "Craig" was in perfect feather and condition and "Credential" failed just there. 3rd to "Nichol's Noble," another splendid headed dog and sound. Also in very poor flesh. The puppy winner did not turn out for winners and they went as in Limit and Open. "R. L. Sensation" had it mostly her own way in bitches, winning special for best. The reserve winning bitch, "Snowball," is a nice stamp of bitch. Irish Setters were of very level quality in dogs. The puppy winner, "K. Barney," went reserve winners to "Golden Rufus," mentioned above. The puppies were litter brothers and much of a type, good in color and good in body. 1st and 2nd moved better than 3rd. Novice repeat. Bitches were not so good with a few rather undersized. Winners eventually to a well set up good type bitch on coarse side and very broody. My catalogue is not marked. Neither have I the placings in Gordons. There were some nice classes, quite a few on the fine order for Gordons and five of same litter all failed in eye placement and expression.

Cocker Spaniels—Nothing special in puppy or novice solid color Cockers. Open had two good ones, 1st to "Billy Obo, Jr.," a sound, workable show dog; perfect front and feet, good in skull, and before the eyes. Might be trifle lower in station, moves perfectly. 2nd to "Ch. Master Key," rather blocky in skull, not so good in shoulder and moved stiffly. Shown in perfect condition, good eye, well off for bone. There was a red dog with lots of quality, lacked lip. The others were fair. In Limit Bitches, "Miss Tip Top" won. Also in good shape, rather low stationed, especially in front, hampering her action. "Junette Obo" won a nice class in Open and later best bitch; good size, very sweet in head and

another sound mover. 2nd, "Dainty Dianna," a good typical bitch, could be better in front and straighter on top. Reserve winners to "Red Judy," very good color, failed in feather on the day, but a classy bitch. In Parti dogs, "Ch. Phillip," a showy dog of nice type and beautiful coat, won easily. In bitches, "B. Freckles," another nice type on broody order, won over "Baroness Second," shown devoid of coat. Placing will be reserved later. Special to Black dog; Black bitch Best Opp.

Wires are indifferently marked in catalogue and I may have some names wrong, but they were very good for quantity and quality, with well filled classes and many good ones without a card. "Buxton Ben" won a nice class of puppy dogs; 2nd to "Ulidia War Cry," an all white, stylish, with good coat and good ears, wants to fill out in body; 3rd, "Ormands Special" was best size in first three for age. A good, short-backed, showy dog, just a little overdone in ear and soft in expression. Reserve, "Third Attempt," also nicer size, but shown in undercoat only. Could have less eye and leaner skull. "Monksray Boy," very sound, on large order and trifle full in skull, was unplaced here, and 2nd Novice to "O. Special." In Limit, "Point Grey Scamp" won, a very sound dog and a shower, is just a little over-size to shoulder. 2nd, "Stormy Dark done in bone and rib, although good Night" is a right sized dog, with very good texture of coat. Not yet acclimated and so lost a little on condition. "M. Boy" 3rd and two nice stamp dogs unplaced. Open mostly repeat with "O. Special" showing well for a pup 3rd and "M. Boy" reserve. In Winners, "B. Ben" not so good in front as reserve, but more refined, was placed over "P. G. Scamp." In bitches, "S. Miss Flip" won easily; 2nd, "Point Grey Sunbeam," same order as 1st and a nice, clean built, showy bitch. Could stand a little more flesh and more depth of pad. 3rd, "Tillikum Girl," same stamp as reserve puppy dog. "Pearl White," reserve, is a good typical brood bitch. "River Beauty" and "Lady Phillips" lost to "Sunbeam" in Novice in refinement. In Limit, a showy bitch, "L. Helpmate," 2nd to "Sunbeam," 3rd to "Point Grey Supreme" might have changed places with 1st without criticism. A very sound little bitch, with lots of bone, sound coat and beautiful little ears. She has an honest foreface and best quarters of any shown. I only adhered to type in putting the others up. Open I have not marked. Winners to "S. M. Flip," with "P. G.

Sunbeam" reserve. There were a few bitches of really good quality not placed high—one on large side with half marked white head is proper stamp of brood bitch shown in good condition and very sound. Another that might have gone better if she were closer in front was shown by Mr. Purdon, and the only Wire shown in just right condition. Might have had more coat on sides.

Balance of catalogue is not marked, but I can run over them from memory. The winning, smooth dog, very nice type that can win well, might have harder expression and less length from rib to loin. The two Limit bitches were much of a type and the real kind. One, the 2nd, had a little too much coat for Smooth and both on large order. The winning bitch, "Airy Fairy Sutton," was best of breed. A real good bitch well put down and shown well. Just a little small all over, good colored eye, but also not so good in expression. One good, well boned good headed O. E. Sheepdog in rough coat. Frenchies also, only one and much better than the average. A good headed bitch for type, but might be larger in head. One Great Dane bitch, light brindle, good, sound big dog, moves well for a Dane, could be leaner in skull for a bitch. There was better quality in Boston bitches than dogs. Both dogs were shy of markings and on long order. The winners dog was better in coat and better in feet and front, the reserve winner not making the best of himself. "Ch. Relim Wee Wee" had special and winners over a very nice type of bitch on same order. "Reno's Jewel," a very classy little bitch who failed only in mouth. Bulldogs had not so much in puppy dogs, a big white puppy, "Tavistock Brutus," winning over "Hector." Former any amount of substance and pretty good type, a bit high in stern. Both went down to two new ones in Novice, which I have not marked. The winner was a white dog with better skull formation, shoulders, and sounder behind. Limit brought out "Vessy Visroy," again winning in Open over "Lobengula" on condition. Latter had gone off his Victoria form, but there is no denying the dog's quality. A nice natural fronted dog with good bone and good shoulders, fair in rib and moves well, has good roach and a taking head with well turned under jaw. The 3rd dog, "Kingsway White Pride," is a very well balanced Bulldog, with better layback and more wrinkle, stands well on his feet and very sound; malformation of underjaw accounted for his place. Reserve was a big, dark brindle dog, also good type,

but poor in flesh for a dog of his substance. "Ashgill Pansy," who won in Puppy and Novice bitches and 3rd Open, a brindle and white puppy, still a bit soft with good substance and nice stamp. The Winners Bitch, "Warfleigh Molly," same color as Winners Dog, was in fair condition, plainer in head than the dog. "Futurity The Real Lad," nice shaped body and well finished; 2nd bitch, "Kingsway White Pride," has more substance and same balance as little brother. She was inclined to fold an ear and failed to winner in underjaw. Collies were light, "Lochaber Loyal," well known and in fair shape, winning special over kennelmate. A nice type of dog all over, but trifle effeminate and a little erratic in tail carriage. One really good puppy bitch that would have gone right up if she could have been tempted to make anything of herself. But here ringshy. Very good before the eyes, with great length of head, right expression, lean skull, good ear carriage when right, well boned and good in front. Fair texture of coat and lots of it. Just a little masculine for age. Scotties brought out "Argyle Dirk" in class of three dogs. He is the right stamp of Scottie, with good coat of a taking color. Was not in best of shape, but lots of character and show type. The 2nd, "Brockley Whats Wanted," is better fronted dog of good balance. Beautiful ears and stylish shower. Was trifle short of cast. 3rd, "Caddie," is a bit on the leg and inclined to be coarse. Three good dogs in Irish Terriers, all nice for size and correct type. "Brockley Historic" is a good color, but short of coat on the day. All were good in feet and ear for the breed. The winner, "Peter Gilligan," could be one size larger, but is a sound, good Mick, with real coat and cobby body. Should do the breed some good. The lone bitch, "Brentmoor Borzoi," is all to the good, a good, big bitch, with a very good head, eye and ear. Moves well. Stern a trifle low set. Airedales were also good, with nothing outstanding in puppy or novice. In Limit, "Kingston Pat" went first and later Winners and Best. "Pat" is a dog of proper type, short back, well ribbed, extra good bone, good fore and aft and clean in shoulder. He is straight topped, fair neck and extra good head. Skull might be leaner, but is nicely proportioned. Good in muzzle, could have darker eye, with better expression. 2nd to "Pottery Invader," a good, big dog, who failed in action behind. "Skokie Dick Turpin," 3rd, best coat and color, shows too much white. In Open, "K. Pat" beat "Vickery Vesu-

vius," a good, big dog, on rangy order, just a bit open in coat on the day. Ch. "Connaught Gossoon," well known, went to third. A little wide in front and not so good in feet as other two. He carries a tremendous rib now which affects his front. In very nice shape and showing all the time.

Bitches were also good. Two nice puppies in the Todd condition. The winning Novice bitch is a rangy, well set up bitch with fair coat, lean skull, good front and good feet. Name is "Nymo Maid" at a guess. Latter would have gone Winners, but in later classes refused to show at all and went 2nd in Limit class of nine to "Roberta," a very stylish bitch, showing all the time. Might be better in coat and but good color for her age. Short coupled and right in action with real expression. Only one Irish Water Spaniel, sound, good working stamp, and well off for size, might be better in curl.

This has taken about three times the space I anticipated and may have to be run as a serial. Some of the names may be misplaced, but it is only from memory and a half marked catalogue after my return home. I don't want to take up any more space, but I should just like to express my appreciation of the good time that everyone—exhibitors and members—showed to Mrs. Robertson and myself. It was one of the most enjoyable shows I have ever attended.

OUR FRONTISPIECE

The very pretty study which adorns the front page of this, our November issue is the well-known Irish Setter bitch Champion "Sonora Nancy" (C.K.C. 22017) bred, and owned by that true-blue sportsman Amedee Trudeau, Longueuil, Quebec, and sired by "Montrose Shamus O'Brien 3rd." (C.K.C. 12223) out of "Sonora Eileen" (C.K.C. 17647).

Apart altogether from her many excellencies in all-over quality—great as any observer of her picture easily will find those to be—her show triumphs are what friend Trudeau actually rejoices in from the Central Canada Exhibition in 1918, up to, and including our latest shows, hers has been in all truth

A Triumphant March.

Montreal Kennel Association, May 1919 Winners, best of breed, and with "Sonora Shamrock" best brace, Judge Charles Mason, N.Y. Cartier Centenary Fair 1919, Winners, best of breed, best sporting and best of show all breeds. Judges, E. C. Howard and "Harry" Silver. Trois Rivieres 1919, Winners, best of breed, best sporting and best Canadian bred dog or bitch in show. Judge "Bob" Ross. Sherbrooke Fair, 1919, Winners, best of breed, best sporting dog or bitch,

best Canadian bred, and best specimen in show, all breeds: Judge, Harry Silver. Cornwall Kennel Club Show, 1919, Winners, best of breed, and best sporting variety: Judge, Bob Ross. Central Canada Exhibition, 1919, Winners, best of breed, best limit in show, all breeds: Judge, Robt. A. Ross. Toronto Kennel Club (Fall) 1919, Winners, best of breed, best sporting variety: Judge, Norman K. Swire.

1920 a Red Letter Year.

Westminster Show, New York, 1st Novice, 1st Limit, 1st Open and Winners. Nine special prizes, but above all; twenty-nine Irish Setters competing, so incidentally another victory for a Canadian bred Setter, and a Canadian owner: Judge, J. S. Wall, Brooklyn, N.Y. which is particularly worthy of note. Maisonneuve Canine Club Show, 1920 under "Charlie" J. Hopton, N.Y., Winners, best sporting dog and bitch, best in show, all breeds. Montreal Kennel Association, 1920, best of breed, best Canadian bred—all breeds—and reserve best specimen in Show, all breeds competing. Judges "Len" Brumby, N.Y., and McClure Halley, N.Y. Ladies' Kennel Club, 1920, Winners, and best in show all breeds,—a truly great achieve-

ment this. Judges, Helen M. Talbot, Mass. and C. J. Hopton, N.Y. and so on and so forth the list may be repeated at all Eastern shows to date and Mr. Trudeau thinks that like "Tennysons" brook champion "Sonora" can go on and keep her show career indefinitely.

"Sonora Shamrock" and "Sonora Peggy" are other Irish Setters sporting the "Sonora" prefix that lend charm to our show benches and Canada owes a debt of gratitude to Amedee Trudeau for his enthusiasm in Canadian Dogdom and we sincerely wish him many happy days yet, in his hobby of dogs.

Hugh Leslie, Scotia Kennels, Vivian, Man., reports breeding his sweet Collie bitch, "Scotia Sapphire" to Ch. "Heather Belle Bradnor Chief" and naturally expects to "land the goods for coming events" from this mating.

"Limerick Molly," the recently imported Irish Water Spaniel, owned by A. M. Belcher, and who was bred to "Gorey Boy" before leaving England, has whelped four male puppies which are valuable additions to this rare breed in Canada.

BOSTON TERRIER CLUB'S EVENING SHOW

The Boston Terrier Club of Toronto opened their winter season with an All-breed Show on September 27th, and which reflects much credit on the management, headed by the Club's President, H. M. Jackson, of "Town Talk" fame.

Toronto has an enormous appetite for these evening events, and everyone is well patronized, but this one

particularly so, the good dog-show building, Alhambra Hall, on Spadina Avenue, being packed to suffocation with fanciers and their charges.

Good prizes and careful and systematic advertising, coupled with popular judges, who were for this occasion as follows:—Boston Terriers, Mr. R. E. Stonehouse; Pomeranians, Mr. W. S. Wickham; Collies, Mr. T.

Milner; Bulldogs, Mr. Ed. Johnson; Pekingese, Mr. J. Treleven; all other breeds and general specials, Mr. Jack Meadows—turned the trick, and brought out some real classy stuff in every breed, making strong competition the order of the evening, and the winners were a happy bunch as they hied homewards at an early hour in the morning.

BRITISH COLUMBIA PROVINCIAL EXHIBITION

The Dog Show of the above Institution was held at Victoria, B.C., on Sept. 23-24-25, under the auspices of the Victoria City Kennel Club, and under Canadian Kennel Club Rules. The judges were: G. Fletcher, Esq.; T. P. McConnell, Esq.; and A. C. Hayward, Esq. (England). One hundred and seven dogs were benched, and a one point rating earned.

Secretary Montague D. Harbord sends along the information that the management of the Exhibition have handed over the dog show building to the Victoria City Kennel Club, who in turn will have it equipped bang up to date for the purpose of their business, and no doubt future shows will be on a par with the best on the Coast.

SHERBROOKE DOG SHOW.

The Dog Show held in connection with the above institution, was held at Sherbrooke, Que., on Sept. 1 and 2. Sydney E. Francis, the energetic Secretary, was most anxious to have an improvement on the entry of former years, and succeeded in doubling his 1919 entry, but in view of the fact that this show was extensively advertised, and the services of H. McClure Halley, N.Y., retained for Terriers, and "Benny" F. Lewis, Jr., Pa., as all-rounder, a still greater entry was anticipated, and just what it was that kept Sherbrooke from a 2-point margin is still a matter for conjecture.

The 1921 Show will have the advantage of the personal supervision of Mr. Francis, and will, no doubt, bring him the satisfaction he had hoped for this year.

THE AMERICAN WHIPPET DERBY

By Felix Angus Leser.

(Written especially for Kennel and Bench.)

Twenty of the best little longtails from Canada and America that ever toed a handicap mark started in the first annual American Whippet Derby on October 1st at the Vermont State Fair at White River Junction, Vermont. That interest in Whippets is on the increase was evidenced by the large number of society people who motored up the hundred and eighty odd miles from Boston, and also the large number of fanciers who came from many distant states to enter their little fleet-footed canines in this event, which marked the turning point in the popularity of the breed. From almost utter obscurity a few years back, the Whippet is now coming into his own, and is gaining new friends and admirers every day, until the time is not far distant when he will be one of our most popular sporting dogs.

It was a pleasure for the writer to meet, the night before the race, in Woodstock, where most of the Whippets gathered, the plucky contingent from the Dominion, consisting of Mr. and Mrs. Alfred Lowenstein, Mr. and Mrs. Stanley Grimshaw, the younger Mr. Grimshaw and his wife, Mr. F. Monson and Mr. Walter Stroud. The only grievances of the evening was the loss by Mr. Grimshaw of his great little bitch, "Hula Maid," from her crate in Montreal (fortunately upon his return he found her in good condition), and the fact that none of the "cup that cheers" had been brought over with them. However, even with these handicaps, we had a most enjoyable evening, talking Whippets, Whippets, Whippets until the "wee sma' oor's o' th' mornin'" rolled around.

Although it had poured cats and dogs the day preceding the race, October 1st dawned bright and clear, and after a brisk walk to unlimber

the miniature greyhounds, all the Whippets motored over the 17 odd miles to the fair. The little dogs created no end of amusement and curiosity among the rural New Englanders, for the greater proportion had never seen a Whippet before.

The first heat brought together Bayard Tuckerman's "Black Prince" and "Ch. Gamecock June," J. G. Gilligan's "Gilligan's Daisy" and Frank Tuffley's "Super Six." "Black Prince" won, with "Juno" second. "Super Six" being called off the track.

In the next heat, G. F. Brown's "Silver Heels," the writer's "Broadway Admiration," J. G. Gilligan's "Gilligan's Dick," and the Misses Theodora and Anne Ryer's "All Blue" faced the start. "Silver Heels" won, with "All Blue" second.

The third heat was composed of Alfred Lowenstein's "Hasty Daisy," Bayard Warren's "Bonnie Boy," W. B. & N. F. Emmons' "Lady Chauffeur" and G. A. Wilson's "Billie White." "Bonnie Boy" won, with "Hasty Daisy" second; the others being disqualified.

G. A. Wilson's "Sunshine," F. Monson's "Lady Mile," W. Gourd's "Whiz Bang" and Frank Tuffley's "Angela" started in the fourth heat, which was won by "Sunshine," with "Whiz Bang" second.

The last heat was the only disputed race of the meeting. It was composed of W. Stroud's "Mickey," A. Lowenstein's "Tight Fit," the Misses Theodora and Anne Ayer's "Tip Toes" and Bayard Tuckerman's "Jock." According to the writer, who was standing at the finish, Mr. Lowenstein's imported cream bitch had it all her own way, winning with two lengths to spare, but the judges thought otherwise, and their decision was "Jock" first and "Tip Toes" second. The trouble was that the other three dogs were bunched on the extreme left of the track and were bumping badly, and

it is thought the judges were giving them the once over and failed to see "Tight Fit," who choose as her lane the extreme right, come home with the bacon. They refused to change their verdict, so it was decided to run the heat over. This was done, but "Tight Fit," having just left her crate from England, was not in the best of condition, and was beaten by "Jock" and "Tip Toes."

The semi-finals were run in good order and the following dogs qualified for the finals: "Sunshine," "All Blue," "Black Prince," "Bonnie Boy," "Jock" and "Tip Toes." Excitement ran high when the little racers were placed on their marks, for quite a nice purse was at stake, besides many side bets having been made. "Prince" and "Bonnie Boy" were considered by the dopesters as having the best chance, but, unfortunately, there were several "outsiders" who had not been considered.

At the report of the gun they were off like the wind, every dog being slipped to a nicety. "Sunshine," who was lead dog, held her position throughout the race and was never headed, winning with two lengths to spare over "All Blue." "Black Prince" and "Bonnie Boy," who finished third and fourth respectively, were the back dogs and could not get through the field, otherwise the results might have been different. The owner of the winner of this first great American turf classic, G. A. Wilson, of Lawrence, Mass., was highly complimented over his dog's performance, and was also offered a goodly sum running well into the three figure mark for her, but he decided to take her home with him. One remarkable instance in this race was that "All Blue," who finished second and "Tip Toes," who qualified in the finals, were both owned, trained and handled by the two Ayer girls, aged 14 and 16 years old. So it seems that mere novices in the Whippet game can put one over

on the old timers occasionally. Taken, all in all, the meeting was a great success, and much credit is due to Mr. W. B. Emmons, the race-secretary, for his untiring efforts in bringing this event about.

While it has not been definitely de-

cided, it is understood that the American Derby next year will be held at a larger town, with better railroad facilities. It might also interest Canadian fanciers to learn that they will in all probability have a good American entry at the 1921 Canadian Whippet

Derby, for several fanciers, including Bayard Tuckerman, Bayard Warren and Frank Tuffley, have intimated that they will take their strings up and thus assist in further popularizing this speedy side of sport in the Dominion.

WHIPPET WHEEZES

"TIGHT FIT," TYPICAL WHIPPET Imported by A. Lowenstein, Toronto.

We have much pleasure in reproducing the picture of M. A. Lowenstein's beautiful cream Whippet, "Tight Fit," recently imported, and who is proclaimed by authorities to be the truest and gamest finisher that ever entered Canada.—Ed.

By Whippeter.

Looking up and down the line, no programme of any specialty club has more pressing engagements and business on hand to register than the Toronto Whippet Association, whose ever hustling secretary, Alf. Lowenstein, reports that with 10 important handicaps already run this summer, and more to be run off before the racing season comes to a close.

The handicaps run by this association have been responsible for the elevation of the sport of Whippet racing, and thanks to a powerful and fair-minded executive, whose tact, foresight and diplomacy is a credit to any institution, the near future will see the "little longtail" the finest sporting proposition in the world. Colonel Mitchell, the president, says: "If you fellows have any disputes to settle, don't use the hammer to settle your arguments, but pick up your dogs, take them to the back alley, and run a race, and the dog that wins, let that settle it."

The breeding of good racing stock

has become a fine art amongst the whippet fanciers, and much money is being expended in securing the right blood, dating back to dogs, and ancestors of dogs bred and imported by such men as Charlie Keyes, G. West, G. Pearson, Dr. J. A. Campbell, Colonel Mitchell, G. F. Gooderham, J. J. London, etc., the pioneers of the Whippet game on this continent.

Then, the American Derby, a recent institution, held and patronized by the most prominent and enthusiastic fanciers across the International boundary, has proven a huge success, particulars of which are fully covered in the special report of Felix Angus Leser, appearing, I understand, in another part of this issue of our good paper, K. & B.

We learn that A. Lowenstein, Toronto, has imported a wonderful cream colored bitch by the name of "Tight Fit," who came straight from her shipping crate, to the American Derby, and without any reasonable opportunity to limber up, won her heat easily, and disposed of Bayard

Tuckerman's "Jock," the Misses Theodora and Anna Ayer's "Tip Toes," and W. Stroud's "Mickey." On the race, as a show specimen, she strongly appealed to a "trio" of American judges at the Woodstock specialty show, held Sept. 30th, and got winners bitches, beating Bayard Tuckerman's "Ch. Gamecock June." Surely a step in the right direction and at a speedy gait.

"Fair Montague" has been sold to Stuyvesant Peabody, of "Hinsdale" fame, who reports absolute satisfaction with this beautiful and typical Whippet, bred by Alfred Lowenstein, Toronto. It is a safe bet that Mr. Peabody will soon be on or near the top in Whippets, as soon as a representative kennel of the "longtails" can be gathered together, and will become an ardent lover and supporter of the sport.

Dame Rumor has it that two more Whippets will soon leave the Old Country for the Dominion, to the order of a prominent fancier, both of which are being counted upon to help popularize the "fleetfoots" still further.

"Hasty Daisy," the fastest Whippet out this year, another of Mr. Lowenstein's speed artists, is at this writing showing heavy in whelp to his "Prince Charming," the sire of "Whiz Bang," "Mickey," "Lancashire Lad," "Super Six," all winners of important track events this year.

"TOLSTOI" KENNELS LOCATE IN TORONTO.

The "Tolstoi" Kennels, Regd., have brought their entire kennel of Russian Wolfhounds to new and spacious quarters, which have been erected for their comfort and convenience at 1227 Pape avenue, Toronto, where breeding operations will be carried out more extensively.

The kennel boasts of four champions, and everything looks bright for its further usefulness. A great and growing demand exists for this aristocratic looking breed of Hound, and orders are plentiful from all parts of Canada and the United States.

SCOTTISH KENNEL CLUB SHOW

Notes from the Ringside by "Observer"

The Scottish Kennel Club held their thirty-seventh Championship Show in the Waverley Market, Edinburgh, on the 6th and 7th October. On the whole the entry was disappointing, owing, no doubt to the threatened coal strike at the time of closing of entries and also the increased cost of travelling. Of the Toy breeds, Pomeranians were undoubtedly the best filled classes under Mr. J. J. Holgate. The open dog class produced nine beautiful dogs. The winner was Mrs. Judge Browns' Ch. "Sunbright Sun." He is a lovely colored orange with short back and lovely head; in my opinion he is "overtrimmed." Second went to Mrs. Langton Dennis' "Offley Revival" a very small, short-backed orange shaded sable, who wants to grow more coat. 3rd Mrs. Bromhead's "Sherdon Goldwyn" who was decidedly lucky to be placed 3rd in such keen competition. He is a small brilliant orange, a shade long cast and in very poor coat. Reserve, Mrs. Lightbody's "Flemington Model" we thought might have been higher, he is a quality orange with the right class of coat. Mrs.

A. M. Souters' "Lilyhill Gold Dust" was unlucky to be between coats yet he is full of type, and his action and style are perfect. He is probably one of the heaviest coated dogs we have. Mrs. Shaw's "Octo" failed to catch the judge's eye. He is a tiny heavy coated sound black, with very few faults.

The Open Bitch class produced only five entries. There was nothing of outstanding merit. The winner Mrs. Macpherson's "Raitts Beauty" is a nice orange with good head and ears. She did not show to advantage and therefore appeared long cast. 2nd Mrs. Findlay's "Ardeer Princess" is a very brilliant red orange sable. An ideal brood bitch. 3rd. Mr. G. Jacks' "Calder Lass" a small orange shaded sable, wanting coat and whose hind action is not quite correct. The remaining classes brought out nothing else of great merit.

Pekingese under Mrs. H. C. Holder were disappointing in numbers. The principal winners were Mrs. E. Ashton Cross' "Chuty Loo of Alderbourne"; Mrs. Paterson Waldie's "Priorwood Petal" Miss Duff's "Too Shi of Earlsferry"; Mrs. Paterson Waldie's "Priorwood Peach"

and Miss H. Louise Morgan's "Tai Yen of Craiglea."

Pugs under Mr. W. J. Nichols, were also disappointing. With four championships to be won, Mrs. Demaine's "Dark Ducas" won 1st and Ch. Fawn Dogs. Mr. R. Banks' "Punchy Boy" was alone in black dog class and won Championship Fawn Bitches were headed by Mr. J. F. Parks' "Overtown Queen" who won Fawn Bitch Championship and Mrs. E. M. Power won 1st and Ch. in black bitch class with "Prowett Pansy."

Toy Spaniels under Mr. W. J. Nichols were also a failure, only three turning up. The winner was Mr. B. M. Kemps' "Goulders Brough Carlo" a very taking ruby, absolutely noiseless and good domed skull.

Yorkshire Terriers under Mr. W. J. Nichols produced four entries. The winner Mr. G. Lockhart's "Latest Perfection" was decidedly lucky to be placed over 2nd Mr. W. Abernethy's "Family's Pride" who is one of the most perfect "Yorkies" of the present time. He only requires more length of body coat to make him perfect. The winner failed to him in color and texture of coat and is full big in size.

Are Modern Collies Any Improvement All Over on the Type of Twenty Years Ago? Musings by a Mutt

Dear Mr. Editor: I am sorry that I cannot announce myself as an experienced Collie fancier. The truth is, I am young in the game and know little about the breed. It is only nineteen years ago since I became the owner of a registered Collie dog. He was domed in skull, strong in boned grand spring of rib, tail a bit gay, and he had a glorious coat. At that time I thought he was the finest Collie that had ever been born. Now, through the spectacles of modern experience, I see him as a mere mutt. Why? We have made a houndish head-piece the first and chief qualification of a show Collie. I have heard Collie men argue about the relative merits of their dogs under the new dispensation, and the chap who could prove that his dog had a 12 inch head against 11 1/2 inch of his opponent won the argument. It seems to me that we are overlooking other and equally essential qualities in the Collie in the rage for long and narrow heads. I have no use for a bull-headed Collie, but I do think every Collie should have a real brain pan, and let me tell you this: In the olden days, the high skulled fellows like old "Cockie" were not unworthy representatives of the breed. I appreciate the improvement in the Collie fancy that has been

achieved in the last fifteen or twenty years. Packman and Tait and Ainscough and Stretch and Lord and Stanfield have accomplished wonders, but they have not made the head-piece the sole and only measure of the Collie standard. Size, and bone, and feet, and carriage of tail, and quantity and quality and texture of coat enter more largely, I am convinced, into the consideration of the merits of a dog over these than they do here. More than that, the Collie expression means so much. The dark, small eye, finely placed, and the tender look count for a great deal in the competitions for supremacy in the Motherland.

Only the other day I was talking to a Collie fancier in the United States. I wanted to buy a good bitch and he said to me: "This one is a bit coarse in head, but she is sound, and your Canadian bitches are notoriously weak in that regard." Is this the case? For myself, I would rather have a dog or a bitch a bit coarse in head and sound and strong in every other particular than a houndish head with spindly legs and all that that combination means.

I wonder if there are many of your readers who agree with me along those lines of thought. If there are, I wish they would tell us about their ideas

in the matter. It would help to stimulate greater interest in this good breed of dog.

I have often wondered why motor car owners do not more generally insure their cars against theft by securing a good dog for the garage and the trip. The other day, in an Eastern city, a crowd was gathered in front of a leading hotel. A large touring car was standing at the curb, but it was not the object of interest. On the running board, protected by a low rail, lay at full length a beautiful Collie. He was quietly surveying the group of admirers and apparently oblivious to their expression of admiration. One of the bystanders expressed the sentiments of all, when he said: "I wouldn't like to take a chance on stealing that car."

Do Collie breeders appreciate the great service the aristocrat of dogdom can perform for the motorist? A companion as well as a guardian, he would add to the interest and enjoyment of every trip and afford the owner a comfort that only security can give. I would rather leave my Collie in the car or on the running board than have a policeman stand watch. Some policemen are poor shots. The cop on guard might miss his target; the Collie wouldn't.

YOU ARE SATISFIED WITH THIS BREEDING. ANYONE WOULD BE.

This magnificent trappy little Boston was whelped March 23rd, 1918, and is without any doubt the best Middle-weight Boston Terrier at stud in Canada to-day. He has already made a name as a reliable sire of perfectly marked, small, classy puppies that are easily whelped by their matrons. Ch. "Yankee Speed King" is a real, rich seal brindle, with absolute perfect markings and tight screw tail. He has a very strong head, large expressive eyes, set wide apart, broad flat skull with well-defined stop, short, broad, square, deep muzzle, very cobby body, grand conformation and a sound mover. He is a guaranteed sire of the type of puppies that sell for high prices. A glance at his pedigree will convince you that his blood lines cannot be beaten. As a show dog, he has been a sensation already. At the Westminster Kennel Club Show in New York City, February 11 to 14, 1920, he was awarded 1st Limit in a class of nineteen dogs of the richest quality, second open to the winner's dog, "Arroyo Arbitrator."

ANNOUNCE THE PURCHASE OF

Strathway Kennels

Having purchased the entire collection of WINNING BULLDOGS owned by Alex. H. Stewart, of Chicago, Ill., and combining these with the already famous collection owned by us, it affords us extreme pleasure to announce THE LARGEST AND GRANDEST COLLECTION OF BULLDOGS, NOT ONLY IN THE UNITED STATES, BUT IN THE WORLD. We question if any kennel on earth can show a team of such quality, or twenty such Bulldogs as are housed in our kennels at the present time. We have, at all times, quality dogs and bitches that can win—brood matrons of the best blood lines and puppies of all ages—if you are in the market for anything good in the Bulldog line it will pay you to inspect the Warfleigh stock.

We Offer at Stud

(Each Dog is Limited as to Service)

White Hope

The grandest bulldog living—a brindle pied heavyweight of 56 pounds. Awarded winners at the Westminster Show, New York City, and the Chicago Specialty Show, also "Best in Show" at the latter. Produces the best—watch for his "gets" at the coming shows—\$4,000.00 recently refused for three youngsters in the same litter. Fee, \$30.00.

Dum-Dum

Sired by that wonderful Bulldog, Ch. At Last, to whom he bears a close resemblance. A heavy lightweight of 44 pounds, dark fawn with a black mask. Has the same beautiful headpiece as his sire—skull is well wrinkled, ears are perfect, stop in deep and his underjaw is wide and well turned up. His enormous shoulders are well placed and his front extremely wide, while his body is the true pearshaped, with a beautiful tuckup of loin and a short tail. Fee, \$30.00.

Goytside Demand

Next to Ch. Strathway Prince Albert, the best lightweight imported to the States. At his last show in England he won ten firsts and special for Best In Show and left behind some pups that money cannot buy—he has repeated in this country. He weighs 42 pounds and is possibly the best balanced Bulldog in America. Is a dark brindle pied dog—has a grand head and ears, is extremely short in back and has a genuine roach. We claim he is the biggest-boned lightweight living and is bred to produce the best. Fee, \$25.00.

Pressgang

The dog whose head is a study—extremely short in foreface, great sweep of underjaw, has a broad flat skull, topped with the neatest of rose ears. He is considered one of the grandest headed dogs to-day. Fee, \$25.00.

It Costs Nothing to Breed

We know our dogs are producers—we guarantee each service—we simply hold the fee until the bitch proves in whelp—if not the fee is returned—stud card tells the conditions.

OUR FEBRUARY SPECIAL NUMBER

EVERY year denotes a decided improvement in the Special Issue of our publication "*Kennel and Bench*," and we are resolved that our February, 1921 Issue will not only equal its predecessors, but will altogether out-rival them. Space will as usual be sold to cover cost of production and the necessary business margin of profit only.

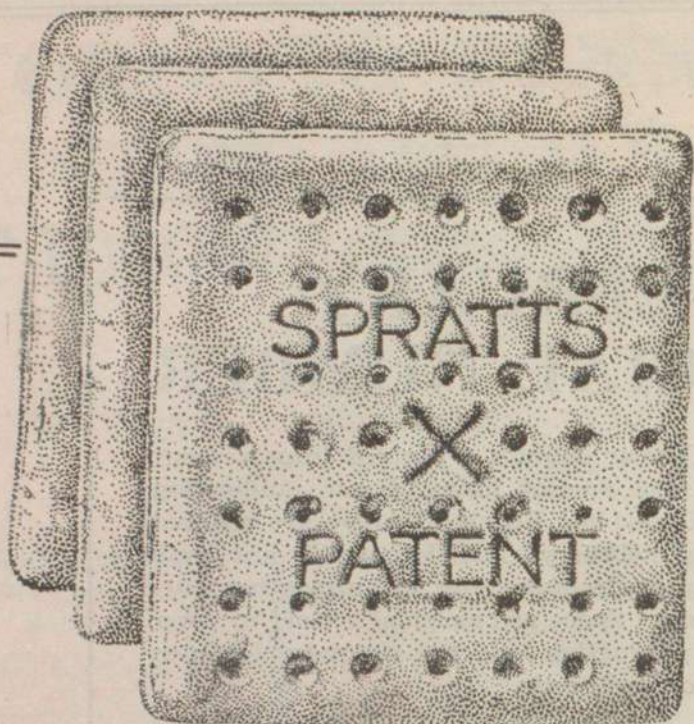

Already many pages have been reserved, several to American Kennels who evidently appreciate our low advertising rates and our high advertising value. Our circulation has grown by leaps and bounds and is now double what it was a year ago.

Co-operate with us by sending your application for space at once, we have no favorites and first come first served is our policy for this particular issue. Let us have your cheque, copy and half-tones as soon as possible. If you have no half-tones, but some good pictures, we will have the half-tones made for you and charge for them at strictly cost price.

Get yourself interested and then interest your friends. **DO IT NOW** and the price for space is only \$20.00 per page; \$12.00 per half page; \$8.00 per third of a page.

Several pages sell for \$25.00 and they have already been taken. Send your cheque for the space price and we place your advertisement strictly in the order of our receiving your application.

We can make our 1921 February Issue of *Kennel and Bench* just as big and profitable as you wish to see it. We await your further commands now.
