IMPORTANT MEETING!

A GENERAL MEETING OF THE CANADIAN KENNEL CLUB will be held in the Administration Building, Exhibition Grounds on Wednesday evening, September 7th, 1921, commencing at 8 o'clock sharp. A large attendance of members is requested.

"COME ON OVER AND MEET THE BOYS"

Meeting of the Board of Directors of the Canadian Kennel Club

The regular monthly meeting of the Board of Directors of The Canadian Kennel Club, was held at the Club's offices, 774½ Yonge street, Toronto, on Thursday evening, August 18th, 1921, the President, Mr. Jos. Russell in the chair.

The following directors were in attendance: Messrs. V. Perry (London), F. Jacobi, H. Clayton, N. K. Swire and J. Waggitt.

On calling the meeting to order, the president feelingly referred to the great loss sustained by the Canadian Kennel Club through the death of Mr. Arthur Atkinson, the election commissioner of the club, and it was agreed that the secretary prepare a resolution of sympathy in the name of the Canadian Kennel Club, and forward it to the bereaved family.

The minutes of the previous meeting were read and on motion adopted.

The Craig protest was further considered, upon a declaration submitted by the defendant. It was found the declaration did not materially change the evidence submitted at the June meeting, and it was agreed to ask the secretary of the Guelph Kennel Club to prepare a definite statement, and have the same declared to, and submit it to the next meeting of the board of directors.

The secretary reported that a complaint had been lodged by a Mrs. Chadwick, Toronto. That she had purchased a Pomeranian puppy from Wm. McPherson and Mrs. Brownlie, and had paid \$25.00 for the dog, and that registration had been promised her, and afterward withdrawn. Mrs.

Chadwick was called and recited her grievance at length, after which she retired and Mr. MacPherson was called. Mr. McPherson denied selling the dog, but declared having knowledge of the dog being sold as a pet animal. Mr. MacPherson advised the board that Mrs. Brownlie was in reality the seller, so it was agreed to lay the complaint on the table until Thursday, September 15th, and the secretary was instructed to invite Mrs. E. Brownlie to be in attendance on that date.

The secretary reported that Dr. R. S. Richardson was desirous of securing an interview with the board, and that he, the secretary, had invited the doctor to call at the club's offices and that he was now in attendance. The board decided to grant the courtesy requested, and Dr. Richardson was called in.

Dr. Richardson advised the board of directors that he was about to take a complaint to the Kennel Club, England, and that he was desirous of first having the endorsement of the board of directors of the Canadian Kennel Club.

After hearing the Dr. Richardson grievance, and his immediate intentions, it was agreed to instruct the secretary to advise the Kennel Club, England, that the board of directors of the Canadian Kennel Club, unanimously endorses the stand taken by Dr. R. S. Richardson purely in the interests of British fair play and protection for our Canadian buyers.

Several items requiring further detail were left with the Secretary for attention.

THE ALTON COLLIE KENNELS SUFFERS LOSS.

Alick Donaldson reports the loss of two of his imported brood matrons, which he had purchased especially to mate with his Int. Ch. "Alstead Aeroplane" and at big prices. The cause of death is credited to the recent terrible heat, which had evidently been quite a strain on all the kennel inmates, particularly his best-bred stock.

"There are other good ones yet," Mr. Donaldson says, "and I will soon have them here to replace the loss, as I intend keeping the Alton prefix right up to the front in spite of this or any other setbacks which may come along."

ANOTHER "STAR" PEKINGESE FOR TORONTO.

Mrs. M. Redway, Toronto, reports the purchase of the celebrated Pekingese "Rex of Glenlyon" from the famous "Yankibourne" kennels. "Rex of Glenlyon" when he appeared at the New York show in February, 1920, was considered by many as the winner for his sex, and on the day he was only beaten by the Champion "Chun Chang" of Alderbourne and was placed reserve winners. The entry of Pikes at this show was 50.

"Rex of Glenlyon" is a good son of "Leo of Glenlyon," Ont., of Chinkie of Lang and is purchased as an addition to the stud and show strength of Mrs. Redway's already strong kennel of Pikes, where the Champions "Sunni of Somme" and "Mannikin" are lords of the harem.

LEWIS G. SPENCE BUYS CANADIAN DOGS.

"By-Town Selected," the splendid Wire Haired Fox Terrier, that swept the boards and landed "on top o' the pile" at the most recent C.K.C. Show held by the Montreal Kennel Association last May, is now kennelled at the elaborate kennels of Lewis G. Spence, Dallas, Texas, and the new owner is very enthusiastic over his new acquisition, as well he might be and Mrs. Webster, Ottawa, must have had something "real" in view (she always has a few good ones coming along), when she decided to let "By-Town Selected" go.

"Malden Snow Queen" is another good Canadian Wire housed at the Dallas establishment. "Tickle 'Em Jock," the New York winner, is still another topper, and Mr. Spence hopes like an entrant to the hottest kind of competition at the future American Shows, and we wish him the best of luck.

TWENTY PUPPIES IN TWO LITTERS.

Charlie Walker, Brantford, Ont., reports a litter of Collie puppies by Int. Ch. "Alstead Aeroplane," out of his "Lafarge Lady Beth," 6 males and 3 females. "Send me a pad of your Complete Pedigree Blanks," says Charles, "as a litter of this size almost takes a pad itself at selling time."

Wm. Parkinson, Cornwall, Ont., sends us a beautiful photo of his little girl lining up a litter of eleven Collie puppies for the camera. This miniature regiment are also sired by the great "Aeroplane" out of "Lancashire Lass," and look very prepossessing in their photographic setting.

OUR RECENT SHOWS--EAST AND WEST

THE LADIES KENNEL CLUB SHOW.

The Ladies Kennel Club of Montreal held their fourth Annual Show on June 14th, 1921, at the Bonsecours Hall, St. Paul Street, and so arranged their programme that a comfortable margin of time was found for transporting those entered at Quebec the following day. Miss Robson was again at the wheel, assisted by Mrs. A. Trudeau as treasurer, and C. C. Costar as superintendent, and we have it on the strength of Miss Robson herself, that her superintendent was a valuable asset in the smooth running of the show.

Robt. A. (Bob) Ross, Montreal, held as his share of the judging the sporting dogs and all terriers, except Bostons. C. H. Mower, Burlington, Vt., Bostons and other breeds, excepting the Shepherds and Belgians, and these were ably taken by Chs Fleurquin, who is considered an authority on these two breeds, so fast coming to the front in the dog world and featured at all recent Montreal shows.

Two hundred and fifteen dogs were benched and three hundred and fifty-nine entries, showing that the Ladies Show was a popular fixture at Montreal. Two points were earned of the 215 dogs benched, 111 were levied the listing fee, showing 104 without a C.K.C. registration number.

ALBERTA KENNEL CLUB.

The Alberta Kennel Club opened their doors on July 5th for the purpose of holding their Sixteenth Annual Dog Show at the Calgary Industrial Exhibition, and it has been said that the occasion marked the re-birth of the club.

Jack C. Fletcher, the club's president, backed by the best and brainiest fanciers of Alberta, had everything in smooth running order, with Leonard H. Cooper, our Canadian Kennel Club director for that Province, at the clerical end of the arrangements. George Kynoch of Winnipeg judged the 154 dogs benched in a manner that marked his entrance to the ring in the capacity of "ermine bearer" with distinction, and his placings were well received by the "old timers" and the novices alike.

The building was spacious and cool, and was kept thoroughly disinfected all the 3 days of the show. James Moss was superintendent—Jim is better known to the poultry fancy than the dog fancy, but succeeding in being a tower of strength to the dog show executive on this occasion.

Judge Kynoch found his "best in show" in "Hackney Foot Print," a wire haired Fox Terrier, and a real one, owned by Andy Stickney, Rocky Mountain House, Alta.; "Reserve," the famous English Setter, ch. Mallwydd Lillie, owned by Geo. Ridge of Winnipeg. Mrs. George C. Briggs (late of Toronto) Winnipeg, made the trip and had a big slice of the winnings as her share of the spoils.

The Whippet entry was one of the features of the show, 15 of the little "long tails" being on hand. A 200 yard handicap race was run off in heats which gave lots of excitement and a little trouble, which had its ultimate sequel later at a meeting of the club when the following motion was put before the members and carried:

"That J. Donaldson be expelled from the Alberta Kennel Club owing to his unseemly behaviour at the Whippet races held during the exhibition and dog show and that the secretary be instructed to notify him immediately."

Whippet racing is not conducive to a saintly disposition, we'll admit, but if the Whippetters ever intend to make their little "speedsters" popular with the public they must endeavor to cultivate the virtue of courtesy among themselves. It is only too true that loud shouting, mixed with every shade of profanity seems to be the accepted qualification for the Whippet course

and it is not only disgustingly abominable, but it is altogether unnecessary and uncalled for. Let our Whippet fanciers take heed of their weakness in this respect and co-operate with each other to purge their race course to a perfect wholesomeness where a sporting gentleman may feel safe in bringing his family to see "The Sport of Men."—Ed.

The races were well contested and finished as follows:

FIRST HEAT.

Runners	Owners	Colors
1—"Back Again,"	Jack Donaldson,	Red
2—"Roderick,"	G. T. Fowles,	Blue

SECOND HEAT.

1—"Newsboy,"	Conn O'Donnell,	Red
2—"Ch. Alcester Rose,"		Blue

J. W. Ramsbottom

THIRD HEAT.

1—"Mickey,"	Jack Donaldson,	Red
2—"Ch. Rhoda,"	Jim F. Young,	Blue

FOURTH HEAT.

1—"Emily,"	Tom Crutchers,	Red
2—"Nellie,"	Thos. O'Brien,	Blue

After the semi-finals had been run the prizes seemed pretty near and the \$15.00, \$10.00 and \$5.00 almost within grasping reach. "Nellie," owned by Tom O'Brien, Calgary, a 25-lb. bitch, was fancied to win the honor of tucking under her belt the distinction of having won Calgary Exhibition's first Whippet handicap and excitement was running riot when the final was called, and with O'Brien's "Nellie," scratch Donaldson's "Mickey" 2 yards and Donaldson's "Back Again" on 9 yards lined up for the great final race. All three "whirlwinds" got off to a good start and after the "streak" had crossed the tape "Mickey" was 1st, "Back Again" 2nd and "Nellie" 3rd.

The winner was splendidly slipped by C. O'Donnell of Calgary.

Of the 154 dogs benched only 34 carried a Canadian Kennel Club registration number.

REGINA KENNEL CLUB SHOW.

Reported and criticized by the all-round judge, Charles G. Hopton, New York.

The entry and quality at Regina show was quite on a par with former years, with keen competition in many of the breeds. The show building, a huge concrete structure quite as large as Madison Square Garden, was an ideal place for such an event. As a matter of fact it afforded space for a grand entry in draught horses and cattle of many breeds, all judged at the same time as the dogs, with ample space for all. The show committee were most efficient, with such well known fanciers as Messrs. Norman "Polam Maxim" Mackenzie, C. F. Keating, C. Watson, A. P. Semple and J. A. Newman, doing their utmost to make things pleasant. Too much cannot be said in praising Secretary Keating, for his wonderful system; not a single mistake, and awards posted as soon as made, was indeed an achievement that any show might feel proud of.

The imposing gold trophy, donated for best in show by Norman Mackenzie, brought together a very smart class, practically all being good enough for top honors in the East, the winner, "Epping Monaleen," a very symmetrical Wire Fox Terrier bitch, won handily. She is quite in a class by herself. Next best was "Sultan," a topping good St. Bernard, shown in grand form. This is about the best of the breed out today, and should come East. Best non-sporting went to the St. Bernard, while that for best Toy, was a comfortable win for the local-bred Pekingese, Ch. "Cactus Chink," a grand dog and a decided credit to its fair owner.

PROMINENT FANCIER PASSES ONWARD.

Arthur Atkinson, Toronto.

Friend of Man, of Beast, and of Bird —Those Who Knew Him Best,
Loved Him Most.

Late Arthur Atkinson, Toronto. (Formerly of Yorkshire, England).

There are very few of our twenty-five hundred readers who did not know Arthur Atkinson personally or by reputation, while thousands of exhibitors at our great Canadian National Exhibition will immediately recognize his picture as the "human dynamo" who got everything and everybody whipped into line with marvelous alacrity, so that no jar should be felt in the smooth running of the Dog Show department of that great institution, with its many magnificent records—while he was in semi-charge. Great in stature, great in aggression, great in heart. But Arthur is no more, and we have all lost a friend.

Ailing often, but seldom complaining, he passed to his reward on Sunday, July 31st, and was followed to his last resting place in Forest Lawn Mausoleum, Toronto, by a large following of old friends representing many associations. The Canadian Kennel Club was represented by Messrs. Harry Clayton and Jas. D. Strachan. The Toronto Kennel Club was strongly represented by Messrs. Wm. Marr, president; John Kenyon, past president; Tom Harlow, Lance Farewell, Harry (Diamond) Wilson, Fred Lewis, Jos. King, G. and G. E. Ward, Charles Dickinson (Mr. Atkinson's partner in busi-

ness), William McIntyre (Bill came, showing signs of his recent accident), Jack McNaughton, etc., etc. The Sons of England, the Toronto Canary Society, the Yorkshire Cricket Club (founded by Mr. Atkinson), also sent representatives. A perfect bank of floral tributes had been sent by a multitude of mourners, each one conscious of their great loss.

For sixteen years our late brother had been in constant membership in the Canadian Kennel Club, and in that time had graced many of its highest offices, and at the time of his death was our Election Commissioner, and enjoying the complete confidence of our President and Board of Directors.

The late Mr. Atkinson was only sixty-four years of age and was looking ahead to many happy days in the future. A visit next year to his dear old home, Reniston, Yorkshire, England, possibly in the company of his dear old friend, Lance Farewell, Toronto, was a cherished hope, but a hope denied him by the All-Wise.

Wire Hair Fox Terriers were his strong forte in dogdom and his favorite blood blend was the celebrated "Notts" strain, which he closely adhered to. A good one never escaped his eagle eye, and he had a good idea

of a dog's lineage, after a careful study of an individual animal. Birds came close to his heart and only recently when a friend was going home to England to see the "old folks," Arthur said, "Here's \$25.00; bring me back a bird of some kind."

Just a few days before his death, he made the trip to the Claycliff Kennels, there to interview our president (who also is the chairman of the Canadian National Dog Show Committee), in the interests of the Toronto Whippet Association, and by a mutual understanding was happily agreed upon, and we were deeply grieved to learn later that while at the Russell Farm he had complained of not feeling "any too well." The news of Mr. Atkinson's death travelled from mouth to mouth until in an incredible space of time every friend had been advised of his death and a feeling of dire distress immediately took hold of the Toronto fanciers.

Arthur is survived by two daughters (who are simply heartbroken), residing in Toronto: two sisters, and three brothers, residing in Yorkshire.

Kennel and Bench, and its Editor, in common with the Canadian dog and bird lovers, realize the losing of a staunch and trusted friend, and whose passing we bemoan. Yet in our sorrow, we tender to the sorrowing relatives the sympathy of the entire fancy in their deep bereavement.

LATE A. C. HAYWARD, LONDON, ENGLAND.

Our readers, particularly those who are interested in Bulldogs, from coast to coast, have met the genial Hayward, who had the distinction of crossing the Atlantic almost 100 times, in the interest of his firm, and it was on such a trip that the "grim reaper" garnered our old friend in. Of course, this was just as he would have wished it, had the choice been his own. He died within sight of old Quebec, and was buried there by the Masonic Craft whose mystic avenues he had travelled extensively.

Charlie Hopton had arranged to meet his old friend and university chum, at Montreal, before proceeding to Regina Kennel Club Show, but the fates had arranged otherwise, and so friend Hopton left on his western trip with an exceedingly heavy heart.

Kennel and Bench sympathizes with the large circle of friends who are mourning the demise of our brother fancier on both sides of the great Atlantic.

NOTED DOG FANCIER TO VISIT
TORONTO.

CHRISS SHUTTLEWORTH, ESQ.,
Editor, the Kennel Advocate, Re-
nowned Judge and Critic.

There is just a possibility that the well-known Chriss Shuttleworth, of Santa Anita, California, may be one of our distinguished visitors at the Canadian National Dog Show, and few of our visitors will be worthy of a heartier reception. As a writer, judge and handler he has but few equals. Our Collie exhibitors especially will be glad to meet Mr. Shuttleworth, because he has been in close touch with our greatest Collie celebrities for many, many years. In fact he had under his care at one time the illustrious Collies Ch. "Wishaw Leader," and the Collie fanciers' idol, Ch. "Anfield Model" for a period of over 5 years, but that will make another story for a future issue.

In 1909, this lad from Bolton, Lancashire, came to America with W. E. Mason, of Southport fame, to visit the Westminster Show, and as might be expected was not permitted to return, and he went to take care of Wm. Ellery's Collies in California, at that time the foremost on the American continent. Here he had besides those referred to already, Champions "Southport Student," "Princess of Tyton," "Seedley Sapphire," "Belle Arnett Faultless," "Handsworth Vixen," etc. Leaving the Ellery establishment to open up in business for himself, he started a boarding kennel, and many were the winners of international fame which passed through his hands, and representative

of all the most popular breeds.

The Kennel Advocate, one of the smartest and cleanest canine magazines on our exchange list, is managed and edited by Mr. Shuttleworth, but we have never once in several years' reading, noticed where the "Advocate" was used for any other purpose than for the better furtherance of dogdom generally.

Several Eastern shows will be visited when he arrives here, via Vancouver, Calgary, Regina and Winnipeg, then Toronto and Montreal, and then Home; after that Edinburgh and anything worth while that may happen along.

Kennel and Bench will be glad to have Mr. Shuttleworth call, and will be prepared to lay aside the working tools of our profession and show him the courtesies which have made visiting our offices a pleasure to our members, our readers and their friends.

ENGLISH SEALYHAM EXPERT
VISITS CANADA AND AMERICA.

Mr. E. K. Smith, one of England's Sealyham experts, indeed, we have it upon reliable authority that our visitor is actually England's greatest living expert and judge of Sealyham Terriers. He judged the first Specialty Club Show of the Sealyham Club, and drew a gigantic entry—almost 400 Sealyhams—after which he received correspondence seeking his expert advice from all parts of the English-speaking world, and apart from this he has judged extensively at all the leading shows in the British Isles.

Himself a successful breeder, and rearer of much distinction, and only recently won the championship challenge certificate with a puppy named "Duke Devil of Dale," in red hot competition. While at the Kennel Club Show just held at the Olympia his entry won five first prizes and four second prizes (vide press report).

Canadian Sealyham fanciers Kennel and Bench bespeaks for you a kindly, and courteous reception for Mr. Smith wherever you are, and wherever he appears. And for the sake of our distinguished visitor and your good selves we herewith give you an address that will find Mr. Smith for the duration of his three months' visit: Mr. E. K. Smith, care of Brown Brothers, Bankers, New York.

SHORT BARK.

Mrs. H. Peabody, Toronto, has at her kennel 7 typical Bulldog puppies, from her good matron "Ridge Queen," the sire being "Monarch Nightraider."

A. V. WEBLEY LEAVING FOR
OTTAWA.

A. V. Webley, Toronto, reports that he has just about cleaned the "Tolstoi" Kennels of their inmates. Seventeen grown dogs have been sold, and twenty puppies have found new homes in Canada and United States. Champions "Krassai" and "Lodhka" are at the kennels of O. W. Hughes, Youngstown, Ohio, where they are greatly admired, as they deserve to be. A quality bitch is in Toronto at E. Beck's kennel, making a handsome brace of hounds as the foundation of a kennel for the Beck brothers, who are nothing, if not enthusiastic. In October Mr. Webley will begin business in Ottawa, and if aggressiveness takes a man on top in the business world, friend Webley will not remain long at the bottom. We wish him every manner of success.—Ed.

CHAMPION YOUNG KING
NOBBLER DEAD.

Champion "Young King Nobbler," the late sultan of the Northcliffe harem, died recently while being exercised, and leaves a vacancy at the kennels that will be hard to fill. The owners, Messrs. Cornforth & Kay, may be depended upon, however, to fill his place if anything "real good" is being offered.

Since the death of "Young King Nobbler," "Northcliffe Julia" has delivered a litter of seven, sired by him, and "Northcliffe May Queen" promises to commemorate his memory in a similar fashion to Julia at an early date, and if there should be one or more in these litters to compare with "Boxwood Beaconsfield," the New York winner whom so many good fanciers tried to purchase, then there may be bright spots ahead of "Young King Nobbler's" get in the future.

SHORT BARKS.

Harry Armistead, of Montreal, has just delivered to Geo. S. Thomas a trio of Sealyham Terriers, one, imported from England, and two Canadian-bred, and all three good, and it is believed that they are now kennelled at Bayard Warren's Barberryhill Kennels, where Jim Rickey manages things as they should be managed.

Fred T. Worcester, Osgoode Station, Ont., a recent recruit to the army of Boston Terrier fanciers, has purchased a good dog puppy sired by Jackson's Champion "Paddy Dee," as a strengthening to his already good kennel, and hopes at an early date to be able to take his chances with the boys already in the game.

NATIONAL PROGRESS

JOHN G. KENT, ESQ., TORONTO.

Managing Director of the Canadian National Exhibition.
Past President Canadian Kennel Club.

National progress is this year's slogan with the "men behind the guns" of the Canadian National Exhibition at Toronto, and when our new Governor General for this Dominion of Canada, Lord Byng, the hero of Vimy, formally declares the "gates open" on Saturday, August 27th, they will swing open on the greatest success of all time. Many distinguished gentlemen have "opened our gates" before, last year Sir Auckland Geddes, Britain's Ambassador to Uncle Sam's country, and in 1919 by H. R. H., the Prince of Wales, with good reason we worshipped them all, but every Canadian heart today is attuned and ready for the reception of General, the Right Honourable, Baron Byng, of Vimy, G. C. B., K. C. M. G., M.V. O., etc. The "Byng Boys" in common with all our people will make Lord Byng's first official act and visit a memorable one indeed.

The "Big Fair" is "Bigger and Better" than ever. John G. Kent, a past president of ours, says so, and you know that whatever Mr. Kent says regarding the Canadian National Exhibition is essentially correct.

There is the dog show department and that is what concerns you most and the entry this year is limited to the capacity of the building.

New Brunswick Kennel Club show to be held on the same dates as the Canadian National, is hoping for a big entry this year, but owing to our not being kept informed of this club's activities as in former years, we are unable to "boost" for them as strenuously as we would like to do. Here's hoping this show materializes up to the record of past fixtures.

CENTRAL CANADA EXHIBITION DOG SHOW.

Ottawa dog show committee were sorely disappointed when confronted by the actual knowledge that W. J. Nicholls, the English expert, would not judge their show this month, but the nastiness of the jar only lent an impetus to their further exertions and a quartette of judges with international reputations were speedily selected, so that the exhibitors should not share in their disappointments and worries.

In securing the services of W. H.

Williams for Foxhounds, John Dietrichler for Bostons, Jim Lynn for Terriers and the veteran ermine bearer, Charlie Mason, for the other breeds, it looks like a big show at Ottawa and we consider the committee and their exhibitors are very fortunate indeed in the happy selection of the above-named gentlemen as their 1921 judges.

WESTERN FAIR, LONDON.

By their selecting Chas. G. Hopton of New York to adorn the "woolsack" at the Western Fair this year, in the capacity of All-Rounder, the Western Fair officials have gone far towards increasing their entry for this year's dog show. Mr. Hopton enjoys the confidence of an immense following, and as a judge and critic he has but few equals and certainly none can surpass him.

London and Ottawa Fairs are on the same dates and their dog show dates also clash and we usually find the Canadian National Exhibition entry divided between these two shows. London last year benched 138 dogs and are hoping to double that count at their forthcoming fixture.

NEW WESTMINSTER PROVINCIAL EXHIBITION.

The third annual fixture for dogs under the above auspices will be under way on September 14, 15 and 16, at the Queen's Park, when Dan Shuttleworth, Esq., Millbrae, California, will make the awards.

"Best in the West" is the Exhibition's slogan and there is no reason why the dog show building should not prove one of the most attractive of any on the grounds, thus encouraging the directors, the show committee and last, but not least, "man's best friend."

Messrs. Jack Thomson (secretary), Archie Hogg, John J. Jackson, W. M. McCloy and E. Dundas Todd will be in charge of the show, which means "success." Dr. T. E. Sleeth, the popular Vancouver veterinary will look at every dog's tongue, then feel his pulse, before he is permitted to take his place on the bench and they must be fit to pass Doc Sleeth, particularly after he has experienced the quickening benefits of a "quiet" fishing trip. Advisedly we refrain from saying "successful" trip, but we do know that wherever the Dr. is "quietness" must needs be the prevailing essential.

A VICTIM OF THE RECENT "DOG DAYS."

ROCKLEY SILENT WITNESS.

(Owned by Wallace M. Sheehan, Dalhousie, N.B.)

"Rockley Silent Witness," C.K.C.S.B. 16834, probably one of the best of our Canadian-bred English Bulldogs, came to "the end of the ways" during the height of the recent excessively hot weather. He was a boarder at the premises of Dr. J. H. Villeneuve, Montreal, and we take it for granted that he had the very best of veterinary attention.

Bred by Sid Perkins, Toronto, and born on November 18th, 1915, he had weathered many blasts both of heat and of cold, but the heat of 1921 was too much for him, just as it was too much for many a good dog besides him.

At almost twenty of our best shows,

and under our rules, "Silent Witness" was always well in the money, and in twelve starts in the Canadian-bred class, ten firsts, one second and one third were his allowance, which record shows his worth as a home-bred one.

Mr. Sheehan never counted the cost, but fearlessly entered the dog everywhere: five times at Toronto shows, five times at Montreal, twice at New Brunswick, and Oakville, Brantford, London, Ottawa, Cornwall once each, etc.

But our Dalhousie friend is not one to grieve too long over his losses and he will soon have another good one to replace the good "old timer," "Rockley Silent Witness."

WELL-KNOWN SHOW AIREDALE DIES SUDDENLY.

Champion "Claycliff Aviatrix," one of our outstanding Airedale Terrier bitches, died recently at the Russell Farm from some cause at this writing unknown. A winner at the Canadian National Exhibition in 1918, 1919 and 1920, and was entered for the 1921 fixture looking better than ever before, and promising to be a contender for high honors, no matter what the competition had to offer.

"Aviatrix" was a favorite with Mr. Jos. Russell, our president, and was considered by him as one of the pillars of the Claycliff establishment, and when a practical breeder takes into account that this famous bitch, born on

August 13th, 1917, by "Blaycliff Ferocity" out of "Kapuskasing Tricks," was benched at eighteen bench shows, won fourteen championship points, four of which were earned at Fort Garry show in 1919. Attended to her maternal duties with devotional regularity. Such a breeder will at once concede that Champion "Claycliff Aviatrix" was indeed an invaluable kennel asset.

ANOTHER GOOD AIREDALE DIES.

M. U. Bates, Metagama, Ont., is having a streak of ill-luck that threatens to undermine his Hudson Bay Airedale establishment unless there is a let-up at an early date. "Hudson Bay Queen Nobbler"—practically the

last of the "Nobblers"—was heavy in whelp to "Hudson Bay The Black Eagle," was out on her usual trips giving her expected family their prenatal hunting instinct, and was severed in twain by the Toronto Express.

Friend Mike had many hopes centred here, and the tragedy appalled him. So much so that he felt pretty much as Carpentier did quite recently, and allowed himself to take to retrospectively with a vengeance, but the fates proved that their rulings were not so vicious as they appeared to be. A fire ranger pal of Mr. Bates, and the gentleman who discovered the "Queen Nobbler" dead and brought her collar back as evidence, called in a couple of nights later and imparted the grievous intelligence that, that day his—the fire ranger's—little boy had died in St. Joseph's Hospital, which had the effect of immediately and effectively readjusting Mike's perspective.

"It is too bad, Jimmie, about my 'Queen Nobbler' and her puppies, but how about the lad and his little kiddie?" So writes M. U. Bates. And all we can do is to re-echo: "How about it?" and like Mike, readjust our perspective to get the brightest out of the blackest that may confront us as we march the daily paths of life.

Mr. Bates has a programme drawn up, that will strengthen the Hudson Bay Kennel very materially when carried into effect, and for which purpose he will soon visit Montreal, Toronto, and several other noted outposts of Airedaledom.

GOOD BULL BITCH DIES.

Reg. G. Sparkes, Toronto, has lost by death, following a nervous breakdown, his good show and brood matron, "Princess Victoria," C.K.C. 19146. Mr. Sparkes considered this female the most valuable asset of his kennel, and consequently deplores losing her. A good daughter "Kamel Princess Mary" is left, however, and the owner of the "Kamel" prefix is banking on her ability to keep in her mother's tracks and to emulate her every known virtue.

"Princess Victoria" was a full litter sister to Ch. "Princess Pat," and was entered for the Canadian National Exhibition. But such is life.

A recent advertisement in Kennel and Bench disposed of everything Mr. Sparkes could spare from the Kennel, and only last week a puppy was shipped to Minnesota, U.S.A.

PREFIX GRANTED.

The kennel name Glen Arvon has been registered in the name of A. W. Steel, Toronto.

Our Front Page Illustration

International Champion "Ridgewood Dark Boy," Canada's Representative Wire Haired Fox Terrier.

The picture which lends prestige to our Exhibition issue of Kennel and Bench will be immediately recognized by every follower of dog shows in America and Canada, where this topping little dog was fearlessly shown and won championship honors in both countries.

At the Canadian National Exhibition of 1920 this brilliant American-bred son of Ch. "Wirego of Paignton" (he by Ch. "Chunky of Notts") out of Ch. "Cromwell Cheeky," was selected as "top dog" on the day, and those who were present will readily testify to the high quality of the many contenders present. Leaving the Toronto Fair, "Dark Boy" travelled to Central Canada and there under Jack J. Holgate repeated his triumphs.

It was in May, 1919, that James F. (Jimmie) Strachan, secured from the late George W. Quintard his precious "Ridgewood Dark Boy," and the "new master" immediately placed the dog on the circuits with wonderful success.

Sixteen points at ten shows is good getting in the hot competition met in Wires.

We invite our readers to turn to our business pages and there notice the full page advertisement of the "Ormsby" Kennels, which appears there this month.

Seven dogs are offered at stud. Pride of place is given Int. Ch. "Ridgewood Dark Boy," who is now in his prime. Second place is given the sensational winner Ch. "Homeless Ector." Third to "Fair Test," a good son of Ch. "Chunky of Notts," and then come four good sons of "Ridgewood Dark Boy," and a study of the pedigrees of-

ferred show where success with a capital "S" is secured by Mr. Strachan's Kennels, the owner of which is accepted as a "Prince of Good Fellows."

Harry Armistead, the kennel manager, is also well known to international dogdom, and where his charges are, there is to be found Harry also, faithful from first to last, his dogs his first and last thought, and they look it too.

Alf. Delmont, who has so splendidly handled the Ormsby dogs at all recent American shows, also deserves mention in this short review. Where can you find his equal? It can't be done. When the breed under discussion is Terriers of either coat, Alf is recognized as a past master.

It is the intention of the proprietor of the "Ormsby" establishment to continue to stay with the competition that is only found at the "peak" and all his energies are pointed in that direction.

HAMILTON KENNEL CLUB.

Mr. G. Muss-Arnolt of New York will more than likely draw for the new Hamilton and Wentworth Kennel Club, the entry they desire at their forthcoming show to be held in the "Ambitious City" September 23-24. These lads taking time from J. J. Dillon, the hard working but courteous secretary, are working overtime on the small tooth comb, raking in the specials for their premium list, which, when distributed will be found unusually generous in its offerings to the exhibitors. In fact Mr. Dillon informs us that he is amazed at the list of specials which have been secured and are already in hand. "Encouragement from every expected source" is his confession.

The premium list shows a well balanced classification and when tendered for official approval won for Mr. Dillon our congratulations. Hamilton has been dormant as a show-giving city since 1912, and when the doors are opened on September 23-24, it will be found that in their long spell of "resting up" they have gathered a reserve of noticeable vitality.

FREDERICTON KENNEL CLUB.

The Baby Club of Canada, but who claim to be already of full stature, are about to commit their "first offence" and according to British law they are entitled to "extra consideration," and it is banking on this "first offence" allowance that at least a 3-point show is anticipated and better still, Secretary Laskey declares that the rating named will be realized.

Parkdale Kennels

Stop 27, Hamilton Highway, Near Toronto

Mail: Long Branch, P.O.

Shipments: Mimico Station, G.T.R.

Local Address: Dahlia Avenue, north of Highway

(One Minute from Street Cars)

In making this change, we feel sure that it will be beneficial to our clients, both local and distant, the kennels being more "get-at-able" than formerly, either by auto, railway, steamer or street car.

From Toronto we are in a direct line (west) with the famous "Board Walk," and we are served with a 20-minute street car service directly past the kennels.

The establishment comprises lots of space, shade trees, electric light, running water, the whole enclosed within a 6-foot close fence, making it at once private, secure and at the same time assuming an appearance quite in keeping with the class of dogs to be found here.

The kennels, runs, exercising space, show ring, work rooms, etc., etc., are the last word in completeness.

Boarders

Dogs to be boarded for a short time or permanently receive the same regular treatment, both as to food, exercising and general comfort as the most aristocratic inmate. Rates: \$12.00 per month upwards, according to size and accommodation required.

Show Dogs

These can be boarded here permanently or shipped in as occasions require. Preparation for shows a matter of correspondence. With 650 important awards, which included 118 Winners Prizes, 297 First Prizes, 180 Special Prizes and ten times Best in Show to the credit of our charges in 1920, and the present season's wins of the "Parkdale String" fresh in your minds, this subject need not be enlarged upon. Suffice it to say: If it is in your dog to win we can bring it out.

Sale Stock

We have generally an attractive stock of well-bred dogs on hand and can locate your requirements at any time. The prices are right.

Dogs are housed, or kept at this establishment entirely at owner's risk, though the make-up and general completeness of the whole reduce this to a minimum.

Kennel and Bench Christmas Number

The Christmas number of Kennel and Bench will be a real "honest to goodness" Christmas number, and will be published promptly on December 1st, 1921.

For some reason unknown to the present Editor Kennel and Bench has published an illustrated special issue each year in February, and although a misnomer, has been styled the Christmas Number. See, we have decided that our

Christmas Number

will be to all intents and purposes a real Christmas issue, and we make this preliminary announcement in order that our readers and advertisers who desire to purchase space, or special location may do so at once, and thus have plenty of time to prepare pictures of the dogs they propose having illustrated and reviewed.

"The very best paper of its kind out this year," that is what was said of our last special illustrated issue, and the Christmas Number we have in mind will easily eclipse all its predecessors.

The size of our page will, as usual, be 10 inches by 7 inches, and we can use half-tones up to that size, allowing plenty of room for an excellent layout being reproduced effectively.

Half-tones 133 screen are best adapted for our high grade calendar paper, and may be provided by the advertiser, but we will have pictures made into half-tones at cost price plus postage. Cuts will be returned on request.

'TIS DOGS DELIGHT

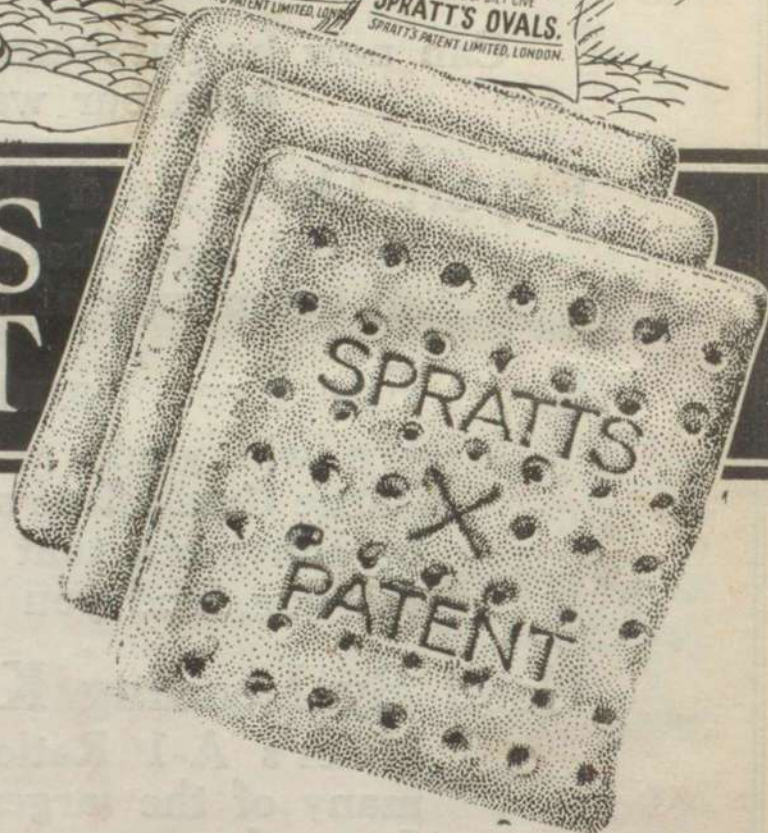

THERE'S nothing delights a dog so much as Spratt's Dog Foods.

Tasty and crisp, they appeal to his palate; they satisfy his appetite; they agree with him thoroughly. And it is only natural.

Spratt's have devoted 60 years to the production and perfection of various dog food specialities. Their name is to-day a household word in the Canine world.

The best diet for big and medium dogs is Spratt's Meat Fibrine Dog Cakes with a change of Rodnim once or twice a week; for small breeds, Spratt's Puppy Biscuits or Ovals with Spratt's Pet Rodnim as an occasional change.

Remember each Biscuit bears the name Spratt's and Trade Mark X; each bag of Rodnim is sealed with metal seal.
