A MEETING OF THE BOARD OF DIRECTORS of the Canadian Kennel Club will be held in the offices of the Club on Thursday evening, October 20th, 1921, commencing at 8 o'clock.

General Meeting of the Canadian Kennel Club

The customary General Meeting of the Canadian Kennel Club, was held at the Administration Building, Exhibition Grounds, Toronto, on Wednesday evening, September 7th. The President welcomed the members, who numbered twenty-two, and included Messrs. F. Coles, J. Miles, M. Willerton, C. Faux, C. Deas, M. Gracey, W. Sands, R. N. Miller, F. Metcalfe, F. Slattery, A. Donaldson, J. Bewick, J. Forster, A. Steele, M. U. Bates (Metagama, Ont.), H. Clayton, B. Swann, Dr. J. H. Villeneuve (Montreal), Alf. Lepine (Montreal), P. Malovitz (Montreal), Mr. R. Fleming, the popular 1921 Manager of the Canadian National Exhibition, and another member of the Directorate were present and each voiced a hearty appreciation of the Dog Show Department of Canada's International Exposition. Their remarks were well received by the members present.

The minutes of the last general meeting were read by the Secretary and adopted on motion.

Mr. Russell reported on the question of registration at considerable length, and explained that the findings of the Committee ordered at the previous general meeting had not appeared "in the notice calling the Annual Meeting," and that the technicality had apparently nullified for the time being all their efforts in that direction.

Several members related their experiences in attempting registration, which brought forth vitriolic comment from the members, and the Directors were given a fresh mandate to prepare constitutional changes, that will keep the Stud Book records pure, and at the same time be less provocative to the fanciers when making application.

The matter of the Pedigree Committee was discussed, and it was moved and seconded:

"That this meeting of the members of the Canadian Kennel Club recommend that the Pedigree Committee begin at the practical end, and be composed of the President and Secretary of the Canadian Kennel Club, and the Registrar of the Canadian National Live Stock Records. The Secretary of the Canadian Kennel Club, to be the Secretary of the Committee." Carried.

Further discussion was all centered on the grevious theme of registration, and it was clearly apparent that the members were in no temper to tolerate a continuance of existing conditions.

The meeting closed at 11 o'clock p.m.

FIRST COME, FIRST SERVED.

To Joe Hill, Toronto's noted Cocker Spaniel enthusiastic breeder and judge, belongs the distinction of being the first to buy and pay for one full page space in our forthcoming Christmas Number.

SCOTTISH POMERANIANS FOR CANADA.

The "Lilyhill" Pomeranian Kennels are exporting quite a few of their "good ones" to Canada, and we hear that two labelled Toronto, and three labelled Montreal, are either all delivered or will be before this appears in print. Messrs. Jack McNaughton and Jack Waggitt are the lucky Toronto receivers, while Mrs. Lambert and Mrs. Beland receive the "Lilyhills" for the "City of Plenty." We wish these recipients the best of good fortune with their latest purchases.

NOTICE -- ELECTION -- NOTICE

October is here again and with it comes the preparations for our annual election of the officers of our Club for the year 1922.

Read the following excerpts from the Constitution carefully and they will guide you in making your nominations:

Who are entitled to vote?

Members in good standing in respect to voting, or holding office, are members whose membership fees for the current year have been paid on or before the 30th day of September, 1921.

Article 3, Section 9, reads:

No member shall hold office or be entitled to vote at a meeting if at the time in arrears for membership fees, and no member shall be entitled to vote who was not a member of the Club at the time the notice was given calling such meeting.

Article 7, Sections 1, 2, 3 and 4, reads:

1. **President.**—The President shall be elected in each year, previously to the annual meeting of this Club, by ballot of the members in good standing on the 3th day of September preceding. Nominations for President shall be made in writing and shall be signed by at least two members in good standing, and shall be sent to the Secretary of this Club, so as to be received by him on or before the 15th day of November.

2. **Vice-President.**—The Vice-President shall be elected in a like manner and at a like time to the election of the President.

3. **Second Vice-President.**—The Second Vice-President shall be elected in a like manner and at a like time to the election of the President and Vice-President.

4. **Directors.**—Directors shall be elected in each year previously to the annual meeting of this Club, by ballot of the members in each respective Province in the manner hereinafter mentioned, and shall hold office until after the close of the next annual meeting.

The number of Directors to which each province is entitled, for the year 1922:

The Province of Alberta shall be entitled to one Director; the Province of British Columbia, two Directors; the Province of Manitoba, one Director; the Maritime Provinces, one Director; the Province of Saskatchewan, one Director; the Province of Ontario, seven Directors, and the Province of Quebec, two Directors. Total, fifteen.

How to nominate:

Nominations for Directors allotted to each respective Province shall be made in writing and shall be signed by at least two members in good standing in the respective Provinces, and such nominations shall be sent to the Secretary of the Club, so as to be received by him on or before the 15th day of November of this year, on which date all nominations close.

Nominate early. Nominate clearly. Nominate your very best and most enthusiastic members **who are in good standing.** Unless this provision is observed, your labor, however well considered, will be entirely lost; which, of course, is to be deplored and, if possible, avoided.

Do not nominate anyone, before first referring to the list of members given hereunder, and thereby making yourself sure of their eligibility.

AN OBO COCKER WINS AT THE COAST.

Champion "Billy Obo Jr." made a sensational win at the Vancouver show by going to the "very" top, not only in his own particular breed, but best dog in show.

"Midkiff Seductive," Billy Payne's wonderful female, made Cocker history by her win at the Garden last February. She was a home-bred making the win popular and interesting, and by going to "best of all" at the Vancouver Exhibition Dog Show, "Billy Obo Jr." has done as much for the breed in Canada. Both these wins are peculiar in virtue of the fact that it was the first time in both cities that a Cocker had won the high distinction of best dog in show.

F. J. McGauvran, the owner of "Billy Obo Jr.," is not ashamed of being a novice at the Cocker game. True he has had many magnificent wins within the last two years, with his dogs, but they have grown so rapidly, and came to the climax so sensationally, that all he can say is: "I certainly feel pretty proud." A cup for the largest and best exhibit by the same owner, won for best Cocker, for best Parti-Color, a brother and sister Champions "Billy Obo Jr." and Ch. "Junette Obo," have never tasted defeat since they left their puppy classes, and now they are only two years old, and their whole lives before them, in a manner of speaking. Further, as if enough had not already been said, every winning puppy or novice at this show was sired by Ch. "Billy Obo Jr.'

OUR FORTHCOMING SHOWS.

October 20-21-22, Fort Garry Kennel Club, Winnipeg, Man., Geo. C. Briggs, East Kildonn, Winnipeg., Man.,Manager and Secretary.

November 7th, Pomeranian Club of Canada (affiliated with the Pekin Palace Club), Fred Shawley, 27 Westminster Ave., Toronto, Secy.

January 2nd, 1922, the Boston Terrier Club of Canada (specialty), Chas. L. McQuillan, 123 Stair Building, Bay St., Toronto, Ont., Secretary.

COMING EVENTS CAST THEIR SHADOWS BEFORE

Fort Garry Kennel Club is on the rampage again and have taken October 20, 21 and 22 as the dates for their forthcoming Fall Show, George C. Briggs, has had his energies harnessed by the Western fanciers, and will hold the dual office of Manager and Secretary, thereby allowing the genial George every opportunity to show off his wares, and we Easterners know that he carries a full line of the show management commodities.

"Uncle Ted" Ward, who is at present in Canada on one of his happy trips, has been selected as judge, and the engagement marks his first kneeling to the woolsack at a Show in Canada held under Canadian Kennel Club Rules. In England, however, Uncle Ted's opinion is often sought and we look to him for an able demonstration of judicial ability on October 20 to 22.

Bert Swann is preparing a string of dogs for this western fixture, and when the canines of Eastern and Western Canada meet in rivalry all that will be expected by the fancy will be that the best dog may win.

The Pomeranian Club of Canada will hold forth at the Labor Temple, Toronto, on Thanksgiving Day, November 7th, and with the co-operation of the Pekin Palace Dog Club of Canada, and the Boston Terrier Club of Toronto, will form a group that will provide interesting variety for the fancy and public on the holiday.

Competent judges whose abilities are well known, and whose opinions are eagerly sought after will officiate, and a splendid day's sport is assured. Premium lists will soon be prepared and we advise all who may be interested in Pomeranians, Pekingese and Bostons to make every possible entry, and further stimulate the prevailing enthusiasm of these three very popular breeds.

MARK THE CALENDAR BOYS

Canada Sells Cocker Spaniel to England

Lance Farewell, Toronto, has just received final instructions for the shipment of his Farewell's Lady Gay, C.K.C.S.B. 25079, to her new owner C. H. Sleigh, Dorset, England. Her Ladyship before sailing is reasonably believed to be in whelp to Farewell's Man o' War, C.K.C.S.B. 25077, having been served on September 1st, 1921, and if the fates are kind, or even considerate, a nice addition to England's Cocker Spaniels may be anticipated.

It is many months now since Mr. Sleigh wrote "Kennel and Bench" asking to be advised regarding Mr. Farewell's address, and we are quite proud that their getting together has consummated in this very satisfactory manner, and may mark the beginning of a market for Canadian Cockers in Great Britain.

"AS OTHERS SEE US"

A VISITOR'S VERSION OF THE CANADIAN NATIONAL DOG SHOW. Special to Kennel and Bench, by Charles G. Hopton, New York.

To one who had not seen the Canadian National show for several years the sight of nearly 800 dogs competing, and the real sincere fancier spirit prevailing, was worth going many miles to see. One feels justified in acclaiming Toronto as the very hub of the dog world on the North American Continent, as the number of real fanciers living in Toronto and its suburbs must outnumber any three American cities. It is the profound sincerity of the exhibitors, and the general public that impressed one. Oh that we could see nearly 10,000 people pay admission to a dog show on the opening day, on the American side of the St. Lawrence! We have many good fanciers in America, but unfortunately not nearly so many as you have in Ontario.

While one misses such genial oldtimers as George Gooderham, W. Keyes, Wm. Rodman, dear old "Pop" Dunn, George Douglas, George Bell, Mark O'Rourke, and others of that ilk, it was most consoling to run across such real fanciers as "Inferno" John Miles, who, by the way, has a topping good young Bull Terrier in "Inferno Caruso"; Lance Farwell, T. A. Armstrong, W. C. Baldwin, John Kenyon, Dr. Johnston, F. W. Coles, Dan Lynn, C. Y. Ford, and others of the old school who were as keen as ever on a good youngster, even though it belonged to a stranger.

As to the management of the show, it was exceptionally good; fault could be found with the lack of space in the exercising rings, but otherwise it was quite one of the best managed shows ever, and one feels perfectly justified in sincerely congratulating all concerned, from that prince of good fellows, John G. Kent, with the same smiling countenance and hearty grip. The courteous chairman, "Claycliff" Joseph Russell, who, by the way, has a remarkably level kennel of Airedales; Harry Clayton, a most efficient steward; "La Petit Corporal" Fred W. Jacobi, a veritable Napoleon, and his ever hustling assistant, Mr. Herd, who was here, there, in fact, everywhere, both night and day, a great combination and a most successful one, to whom I tender my sincerest congratulations.

The list of judges were exceptionally good, all men of experience, comprising Messrs. R. A. Ross, Geo. S. Thomas, Norman K. Swire, A. G. Rohr and Dr. C. Y. Ford, whose awards seemed to meet with approval. With such an array of talent, both in the ring and at the helm, and with a new building and large exercising rings, I have no hesitancy in saying that the Canadian National can be made the largest and best show on the whole continent of America, as it has unlimited fields to draw on, and the very best fanciers behind it.

In place of unclassified specials, the various variety classes furnished some excitement, so much so that John Kenyon made a book on the events, and pulled in several big wagers. Ask him how to handle an Irish setter, and he will give you a pointer or two. Canadian-breds had a nice entry, top honors rightly going to the aptly named "Claycliff Tip Top," a real Terrier and shown in rare form; second was very typical and a sound Irish Setter. Then came a very massive fawn Bull bitch, a wee bit plain at both ends, but all type, with the famous Mastiff, "Beauwolf," fourth. Here is quite the best of the breed seen since the Winchell and Lougest champions, a great credit to that sincere fancier, C. W. Dickinson, who has done so much for the breed. Such a grand head, perfect front and body lines, he might easily have been second here. Best of the remainder was an exceptionally sound and most typical rough St. Bernard, "Beautiful of Parkdale," who might have changed places with the Bull bitch. The breeders class also found a Claycliff home-bred on top in "Claycliff Man-o'-War," a quality sort and very fit. Then came a very, very close struggle for second money, given to that beautifully headed Irish Setter, "Brocade Lassie." Her condition should have placed her behind the Wire Fox Terrier, "Lynnfield Warrior," an exceptionally good puppy in perfect form. A real good trio finished as written in the sporting class, the famous Pointer, "Lansdowne Prairie Belle," quite the best of the breed out today; second, the English Setter, "Beau Bel Mona," a topper, which, when real fit, should trouble the very best, and a very sound and typical Cocker, "College Maid." The Variety Terrier class went to a very smart Airedale, "Albany King Pippin," not in good form, but a rare headed sort, with the best of legs and feet, and sound quarters. The outstanding features of the show were the Bulldogs, Bostons, Cockers and Toys, with quite a nice lot of sporting dogs, especially Foxhounds, where the noted W. C. Baldwin pack could not be denied, all of a type, absolutely sound, and shown in "the pink." Then there were two Bloodhounds, "Beulah" and "Agrippa," quite as good as any seen on the other side, and as sound as any Foxhounds that ran to hounds. St. Bernards were a great improvement on American shows, with some exceptionally good dogs competing, the best being from the Parkdale and Mountain kennels. A very impressive dog was "King Brit," one of the best headed dogs seen for many a show; he might have been higher in his classes. "The Laird of Drumclamph," Robert Ross, made no mistake in English Setters, where the good headed "Glad Jack," won dogs quite handily, best of breed was the Regina bitch, "Beau Bel Mona." A mixed lot were the Airedales, top honors rightly going to the Claycliff team of home-breds, true Terriers, and shown in top form, "Tip Top" was easily the best dog, having much the best of it in condition over the stylish "Albany King Pippen," which, when real fit, should be heard from, while in bitches it was a very close race between Ch. "Ellerslie Queen," and "Claycliff Milady." The former won, having a shade the better eye, and heavier bone; but in texture of coat, soundness, and Terrier character, "Milady" was hard to beat.

Collies were a great entry for the "Otterburn" expert, Dr. C. Y. Ford, who might have weeded out the "culls." He kept to type, however, and pleased the majority when he placed the very stylish "Coltness Chaeroplane," a beautifully headed sable, top dog, with the evergreen Ch. "Coltness Clinker," a close reserve. Here is a real Collie, and as sound as ever. In bitches "Alton Andeen" and "Belle Fields Queen" was the order with quite a few debutantes close up in the running. It is pleasing to note that both the winning dog and bitch were by that wonderful sire, Ch. "Alstead Aeroplane," as clean in skull and shoulders and as fit as on the day that I placed him over the famous champion, "Seedley Sterling," at Philadelphia. Bostons were a decided compliment to the Atlantic City fancier, A. G. Rohr, who was most thorough in his work and kept to type. It was nip and tuck in dogs when the local champion, "Globe League of Nations," and "Highway Bob" met for the special. Both are of the same type, cobby to a marked degree, well stationed and clear in markings. While not quite so clean in shoulders and so sound in hocks, the winner, "Highway Bob," made the most of his

chances, and appeared to be the better in spring of ribs, and pose. In bitches the well known Miss Ingram's pair, "Ingram's Lady Bird" and "Ingram's Sweet Marie," full of quality, and shown in perfect form by the owner, were best of a great entry. Bulldogs, while a great entry, lost some of their charm in the absence of the well known "Duranside Captain," which left top honors in dogs to the Montreal champion, "Challenger Cracker," a very impressive fawn with white markings. While not so heavy in bone, nor as cloddy in body as "Hefty Monarch," he had many admirers. There were several very promising youngsters such as "General Stewart" and "Logan Admiral," that should be heard from when fully matured. In bitches it was comparatively easy for the typical "Roxton Mickey," cleverly handled by Mr. Meadows, which eventually won for best of breed, a great bitch, and quite on the best out today. "Hefty Mickey Too" was best of the remainder. Taken as a whole, Mr. Swire was most thorough and pleased the majority.

It was all John Miles in Bull Terriers, who, as heretofore, proved himself a thorough fancier. Owing to some fault of getting the dogs in the ring, his wonderful puppy, "Inferno Caruso," missed two classes. This should have been rectified by re-judging the classes, but John, with his usual philanthropy, said: "Oh, let it go at that. The fellows who won are true fanciers. Let us get together in the remaining classes." There he won with quite a bit to spare. The winner is a greatgrandson of the famous champion "Inferno," possibly a wee bit finer drawn, but looks like lasting and maturing into a real tip-topper. The grand bodied Ch. "Belle Mahone" was rightly the pick in bitches.

Geo. S. Thomas made a good job of the Fox Terriers. As a matter of fact, there was little to it. Several home-breds from the H. W. Whitsitt kennel might have done better had they shown to advantage. Best of the youngsters was "Lynnfield Warrior," a quality sort all through, with keen expression, rare bone and cobby body, and sound at both ends. He looks like making history when used to the ring. Best in dogs went to "Homeless 'Ector," hero of the recent Fox Terrier club show, in top form and well shown by Delmont, he won from the better footed "Bytown Spice" and "Humberstone-Banalon Bang Up," a lucky winner in limit, where third, "Merton Hotspur," might have won, while in bitches easily best was "Ormby Lillias," a grand bodied sort, shown in the pink, and quite the best of breed on the day. Pomeranians were a great entry, though the majority seemed to be out of coat. The noted sable bitch "Pomerie Princella," a quality sort, and such a shower, was easily best.

Then came Pekingese, by far the best collection ever seen in the Dominion. Best of breed went to the grand headed Ch. "Prince Cha of Alderbourne," not in his best coat, but truly wonderful in head and the shorter in body compared with the well known "Chu Chin Chow," cleverly shown by the owner, Miss C. J. LaViolette, one of the pioneers of the breed, and to whom much credit is due for the vast improvement shown in the Celestial breed. A very stylish dog was the Nova Scotian champion, "Ting Fung of Meridale," a rare bodied light red, with rare expression, in parti-colors. Mrs. M. Redway won with the noted American winner, "Rex of Glenlyon," quite one of the best bodied "Pekes" alive, not in his best coat on the day, but easily best of the color. In bitches there were several among the also-rans that were quite good enough for top honors, one in particular being "Darky of Hartburn," not in good coat, but real good in all head points, with beautiful eyes and sound, heavy bone. Top honors went to the noted Lakebourne kennels, who had a great team. The winner was "Nowata Wee Chun," a very typical red sable, in the best of form, and "Patsee of Lakebourne." Then came the specials, where the grand bitch, Ch. "Young Shi of Homefield," was easily best of her sex, and might have won for best brace when coupled with "Prince Cha." However, the more even matched M. Redway pair won, with the Nova Scotian pair very close up.

I was quite surprised to see so many champions present, not only among the Toys, but in other breeds, and am frank to say that several were hardly of championship calibre, which was hard to understand until I learned the present method of giving championship points. It appears that all breeds receive the same rating on the total number in show, which, looking at it from a truly sporting point of view, is hardly fair, and accounts for the number of champions today. Why not give winners points on the same principle as the American Kennel Club? Here a dog can only make its championship after going through keen competition, whereas in Canada under the present conditions one could make one's dog a champion without ever meeting a dog of its breed. As an example, I have a Pug entered at Toronto, a five point show. There is no competition in the breed, yet I get five points, following up at London and other such shows, I eventually make my dog a champion without ever meeting another dog. Surely such championship honors are of very little value and really detrimental to the fancy. Might I respectfully suggest making each breed responsible for its winners' rating, then we may see a great improvement in the champions.

Hoping that my suggestions will be taken in the right spirit, that of a sincere fancier, and my heartiest congratulations to Toronto fanciers, I remain, most cordially,

CHARLES G. HOPTON.

HORSE SHOES FOR HAMILTON.

Hamilton and Wentworth Kennel Club staged their first Annual Show at the Ambitious City on Sept. 23-24, 1921, and from the very first it was an assured success. Secretary J. J. Dillon and his henchmen had obtained an entry that made them happy. Quantity, and a lot of quality, graced the benches. People crowded the large Armory building, and we were not surprised that the gate for the first day was almost $400, and that the second day was equally as good. Mrs. Gammon (who makes no claim of being Scotch), certainly gleaned in every possible silver shekel that came along her way.

The building was big, clean and airy, the benching (kindly loaned by the Oakville Kennel Club) perfection. In short, everything was remarkably good, and to the Hamilton lads great praise is due for this, their first venture in nine years. Every club member was a worker.

Mr. G. Muss-Arnolt was the judge, and we must not allow our well known goodness of heart to take control of our heads here. The judging was of the poorest kind that we have witnessed in many a day, and without further comment we ask our readers to analyze the show awards for themselves, and to draw their own conclusions. True, Mr. Muss-Arnolt is not as young a man as he once was, but that cannot be taken as an excuse here. Canadian shows must be jealously cared for and only men of ability allowed to adjudicate on the breeds contending thereat, and better, there is plenty of good Canadian judging talent in obscurity that should be sought for and brought to the front, which, when added to that already known, should make this country independent, as far as its judging material is concerned.

The exhibitors were all very good-natured and took their placements in a sporting spirit. The show was brought to a close near midnight on the closing day and no doubt many empty church pews were noticeable next day.

SHERBROOKE DOG SHOW.

This year Sherbrooke had 121 dogs benched, which was a slight increase over the 1920 fixture. Charles G. Hopton was the Judge elect, and the Superintendent was A. L. Robert of Longueil, who, we are informed justified his selection, from the way the show was managed, but the Manager, Mr. L. E. Francis, says, "They must do better yet."

"Epping Monaleen" repeated her Regina performance by securing the "Best in Show Award," while "Duranside Captain" was reserve.

NEW BRUNSWICK KENNEL CLUB SHOW.

The annual show of the above club drew the immense entry of 211 dogs, and 703 entries, again proving the calibre of our Eastern fanciers, but it is painful to notice that of the 211 benched, 197 were listed, and leaves cause for much careful reflection by the powers that be. CENTRAL CANADA EXHIBITION DOG SHOW.

Ottawa always draws a large entry and on this occasion benched 268 dogs, the quality of which was of a high order. All the four judges were in attendance and no one was overworked during the four-day session.

The large and small breeds were to the fore at the finish, with almost equal honors. Beulah, the English Bloodhound, bred and owned by the Princeton Prince, J. R. Tennant. Many capable of offering expert opinion have remarked about the excellencies of the Canadian bred "Beulah." A By-Town entrant was the runner-up, and it is well to notice that this dog is also a Canadian, bred and owned by Mrs. Webster of Ottawa. Both dogs were put down in rare form. Bostons and Airedales were numerous; Poms and Pekes were also well represented.

The building, as usual, was up to "top notch,' and the management the acme of courtesy and efficiency.

WESTERN FAIR, LONDON.

This old fixture added a much needed notch to their show strength. On September 13 to 16, Charles G. Hopton, N.Y., was adorning the "ermine" and it was refreshing to watch the masterful manner in which he passed the "lil' ol' rule" over the exhibits, and to hear his many witticisms as the dogs and their owners came to, and went from that "slab of uncertainty," the examining board. Several dogs, marshalled for judicial inspection, were warned that owing to their "lack of essentials" no prize would be awarded, and if every judge were to discriminate after Mr. Hopton's fashion, there would be less cheap talk of our cheap champions.

Int. Ch. "Polam Maxim" was awarded the highest gift that the show had to offer, when he was given best of breed, best sporting Terrier, and best dog in show, and he earned the distinction, too. Reserve to Maxim was awarded to Joseph Russell's topping Airedale bitch, Ch. "Claycliff Milady," looking fine and very fit. The winner and reserve winner would make a marvellous pair if owned by the same exhibitor.

Two hundred and ten dogs were benched and a two-point rating earned for the first time in several years, which was cause for much enthusiasm from the president to the office boy.

OUT FRONT PAGE ILLUSTRATION.

The subject which adorns our front page this month is an unusual one, in several ways. For instance: it is believed to show a litter said to be the last, and best to be sired by the late "Southport Joffre," a dog too well known to require further mention. The dam, "Jessie Marne," is bred in the purple herself, being a granddaughter of "Radiant Stone" on her sire's side, and a granddaughter of Ch. "Cheethams Squire" on the dam's side, and so is entitled to a full share of credit in the even quality of the large family that appears with her in the picture. The owner, Mr. James Cassino, is an enthusiast who makes no further claim than that of being a novice, ready and willing to learn, and to play his full share in the game he loves.

At the Canadian National Exhibition, Western Fair and Hamilton shows, the subjects of our frontispiece were benched together as Mr. Cassino says: "They were favorably mentioned in the despatches." Mrs. Cassino, we are informed, is as proud of the dogs as is her husband, and to her is due much of the praise for the magnificent physical condition of the Kennel inmates.

We trust that many more good Bulldogs will yet be benched under the Cassino colors.

BILLY PAYNE BUYS TORONTO COCKER.

Mr. W. T. Payne, the American "Ace" in Cocker Spanieldom, made good use of his spare time in Toronto when at the Canadian National, and as a result one of our good stud dogs, "Sir Obo," is now in Mr. Payne's kennels. "Man o' War" and "Mary Canada," another brace of the Deer Park Kennels, was also "dickered" for, but Lance Farewell says: "Not yet awhile," the dogs look larger than the money.

YOUNG "SNAP" ARRIVES—CONGRATULATIONS.

Mrs. J. C. Davies, the better half of our Western correspondent "Snap," was visited by the stork on Sunday, September 11th, who very considerately left with his hostess a big bouncing boy, said to be a heavyweight.

This is the first of a collection that will soon have added to it, by way of variety, several good Pomeranians, the neucles of a proposed strong kennel of that breed.

GRIEF AT THE "CLAPTON" HOME.

Our old friend George W. Bailey of Ottawa, has been grieviously hurt by the death of his only child, Katherine MacEwan Bailey, after an illness of only three weeks duration. Scarlet Fever being the malady.

Little Katherine was a sweet companion to both her parents, and knew every "Clapton" dog on the place, and never had any fear of her canine pets. Naturally Mr. and Mrs. Bailey are heartbroken over her death, and George has decided not to again show a dog until a year has elapsed from the date of her passing.

We know all our readers will sympathize with our Ottawa friend in the calamity that has visited his household.

ONE HUNDRED AND SEVEN DOGS

And 230 classes, was the makeup of a very successful dog show held recently at Winnipeg at a carnival held by, and in aid of, Eaton's athletic organization in that city. George Humphries was at the wheel and the expenses were $3.50 (only three and one-half dollars—can you imagine it?) A. P. Meltchmoor judged Sporting Terriers and in the unavoidable absence of Fred Miller, handled the remainder; the remainder being the breeds left, after Geo. Kynoch judged Bostons, and M. Aldrett, Cockers.

The show was not only an unqualified success, but also a source of solid satisfaction to all who took part, or were interested in it, in any way.

CANADIAN PEKES WIN AT DETROIT AGAIN

Twice in the same year Pekingese from the Lakebourne Kennels, Toronto (Mrs. R. S. Richardson, Prop.) have won premier honors in the breed classes at shows held in Detroit. The Michigan State Fair held recently giving Ch. Prince Cha of Alderbourne the trophy for best of breed, and the same owner's Young Shi of Homefield, trophy for best of opposite sex. This lovely bitch won later at Syracuse, and should soon be proclaimed "International" Champion, a rare honor in Canadian dogdom.

At the Canadian National Exhibition Ch. Prince Cha of Alderbourne won the Pekingese Club Special for best Pek in competition numbering 52 contestants, many of whom were really high class specimens.

General Yu Fu, said to be almost a duplicate of the well known Prince Cha has been secured to strengthen the Kennel, and the pair when placed together make a picturesque brace, that will bear close watching at any future shows where they may appear.

OUT AT LONG BRANCH

Having heard many yarns about an up-to-the-minute kennel that had sprung up with a mushroom growth rapidity at stop 27 on the Hamilton highway, or, to be geographically correct, out at Long Branch, and being curious to satisfy ourselves as to the truthfulness or otherwise of the said yarns, we hied ourselves out to the spot to make personal investigations and here is what we found:

We found a spic and span little homey home, with a frontage of 100 feet and a depth that was a strain on the eyes. A fence engirdled the enclosure. In the place we have described as the "homey" place we found Mrs. Swann unusually happy and satisfied looking, atlhough those who know the little "Mistress of Parkdale" will think we must have been seeing through happy eyes ourselves to notice such a detail, as Mrs. Swann is always a happy person.

To hear the Sage of Parkdale talk dog is worth going a long way to listen to, but to hear Mrs. Swann hold forth on the same subject is indeed a treat, and as she rattled off the many celebrities that had passed through the kennel, we noticed just a slight tremor in her voice as she mentioned the celebrated Greyhound, old "Spring," known to the world as International Champion "Master Butcher," and an old sweetheart of Mrs. Swann's on her own confession. On an easy chair and "master of all he surveyed" was "Bobbie" and here is a dog that is addicted to hero worship if ever there was one, with great eloquent eyes he takes in Mrs. Swann's every movement. "Bobbie" we understand will not actually be at the "Big Show" at Toronto Exhibition, which is hard on the dog, for he never looked a whit better in his life (which is saying something (than he is at this very moment. "Bobbie" and Mrs. Swann are pals whatever happens, let it be lose, win or draw. Who is he? Why he is International Champion "Polam Maxim" and looks the part to a nicety too. He is always in the house with me. I told Mr. MacKenzie I would keep him in the house with me and he is always here

"There is always someone taking the joy out of life," and here comes the boss himself and breaks up quite the most interesting hour which we have enjoyed for some time. Have we seen the dogs? No. Have we seen the new kennels? No. Well come on out. So out we had to go.

"Epping Monaleen," the Regina heroine, my what a sweetness here. Here is quality, type and size in tabloid form and we predict a brilliant run in Canada for little Mona. Do you want to see some Airedales Strachan? Sure Airedales are better than nothing, if there are no Collies around. Holy Jeosaphat, what's this? Looks like the late Airedale Terrier Club show at recess, many are by "Maxim," some by "Warlock," etc., all good and some "real stuff," but what a crowd of them, it put one in mind of being at the Russell Farm; Irish Terriers, Cockers, Collies, Wolfhounds, Bulldogs, all in rare shape. But what were we telling you anyway? It was the new kennels at Long Branch, wasnt it, that we started with? Oh, well, we beg your pardon, but when a dog man sees some "real dogs" he is liable to lose his head and forget there ever was such a thing as a kennel, eh?

Facing south are 20 or more big roomy, clean, well-ventilated, sunny kennels, a regular doggie paradise. At the east end of the kennel is a tremendous dip which spells: "no scratching at Parkdale." Along the eastern boundary are the stables, feed house, coach house and cook house and a meal amaking that makes the lil' ol' mouth water. Then there is a comfortable building for the reception of visiting matrons. Then last, but by no means least, the rabbitry where Master John Swann has his own interests and they too are in fine shape.

All in all, then, the Parkdale Kennels which we knew at the Humber, are practically the same as those now at Long Branch, only they are better laid out, are as Swann says "more get-at-able" and as I say exceedingly "homey," and when you go out the highway, Mr. Kennel and Bench fellow, you keep your eye on stop 27, get off for a minute—you'll be welcome, never fear—and have a chat with Mrs. Swann and her better half (she lets him believe that anyway, as they all do), see the dogs and enjoy yourself. The time will be well spent.

BILLY OBO II. GOES TO CLEVELAND.

Another Cocker to drop out of our business pages is "Billy Obo II.," who has left Canada to join the kennel of Mr. W. Brehm of Cleveland. At the same time a grand puppy, by "Man o' War," accompanied Billy on the trip. Almost a dozen dogs left the Deer Park Kennels following the Exhibition Show.

LETTER TO THE EDITOR

August 30th, 1921.

The Editor, Kennel and Bench,
Toronto, Ont.

Dear Sir:—

I want you to be good enough to insert the following in your next issue of Kennel and Bench:

I note on page 16 of your August issue that Mr. Bob Ross has taken the occasion to write a few notes in regard to terriers at the Montreal Show. I have no criticism to make of his remarks about terriers because he probably knows a great deal more about them than I do. Just why, however, Mr. Ross should have prefaced his remarks by saying that "we are slipping backwards" I do not know. Who are the "we" that he refers to? Certainly not the Montreal Kennel Association.

'Tis passing strange, Mr. Editor, but there are some people in this world who seem to think that if everything is going well with a club that it is their bounden duty to endeavour to discover some kind of trouble.

If there are any "grievances" in connection with the Montreal Show or the Montreal Kennel Association they are as Mr. Ross says "imaginary" and they exist as far as I can ascertain largely in the mind of Mr. Ross.

He says that Montreal should and can be a dog center second to none in Canada. I should like to know who is the first at this time, if it is not Montreal. Does he know of a club that has a larger membership, or that is in a sounder financial condition than the M.K.A.? If so I should like to meet the management of that club and learn from them how we can improve our own.

Mr. Ross addresses himself to "the Boys" in regard to the building. Who kicked about the building? No place in Canada lends itself better to a dog show than the Montreal Forum. Certainly it is large enough to hold four times as many dogs as were shown comfortably. It is light and airy. It is on a main street in Montreal with five tram lines passing it and Mr. Ross is the only one that I have heard that complained about the locus.

Then Mr. Ross says that "there is far too much commercialism creeping in and knocking that goes with it." Speaking of "commercialism" in regard to dog shows and clubs. It has always been a pity to me that there was not a little more "commercialism" around dog show managements so that they could be made profitable to the club as well as instructive and amusing to the public.

I am told Mr. Ross acts on rare occasions as a Judge and draws money for that service, generally speaking, when he acts in the capacity. Possibly this warps his view and he sees the "commercial" end of a show from a different angle to those who are responsible for running it. Since I have been connected with the M.K.A. I have looked in vain for support from Mr. Ross at any of our shows. I believe he is a member of the club, and I suppose that that is what entitled him to speak of the club as "we."

I have no personal feeling in this matter but it is a sad thing to me to know that Mr. Ross is going around feeling that canine matters in Montreal are literally speaking, "going to the dogs." I want to relieve his mind. I wonder if it is possible with a man of so pessimistic a nature to try and give him comfort, and to tell him that even if he did not attend our show that the Montreal Kennel Association is at this time capable of looking out for itself and that there is a better feeling than there has been for the last two or three years, that the club is financially sound, that we intend to hold other shows, that we intend to pick our own location for the shows and to run them just exactly as we see fit.

Our Club is the possessor of some of the most energetic dog men in the City of Montreal, and men with whom I have been associated for a long time, and I will say that when it comes to real hard work and real interest in the dog they are second to none. As Mr. Ross says what we want is more of these kind of men and less of the knockers. I might remind him that anyone can be a critic but it takes a MAN to be a statesman.

I have never had any help from Mr. Ross in running these shows or any helpful suggestions that I can remember. While I feel that we do not know everything there is to know about it, we are always willing to learn, and if we can get helpful suggestions instead of destructive criticism we shall all be better off.

Yours very truly,
W. E. BALDWIN, President.
Montreal Kennel Association.

Kennel and Bench requested the pleasure of Mr. Ross' impressions on the M.K.A. Show, in the interests of its readers, and we believe that Mr. Ross is talking generalities, with no thought of malice to any one, individual, or association.—Ed.

AIREDALE FANCIERS:

We have another litter, whelped July 25th, out of our wonderful producing bitch, "Suncrest Brittania Persaltum" (by Champion "Rex Persaltum). Out of her last litter, by "Broomhill Red Rock," came the following:

SUNCREST TITANIA—1st Limit, Guelph; 1st Canadian-Bred, Brantford, 1921.

BROOMHILL DECISION—1st Puppy, 1st Novice, 1st Limit, Best Puppy, all breeds, Toronto K.C. Spring Show, 1921. Two Firsts, London, Ont., 1921.

BROOMHILL ROYALIST—2nd Puppy Chicago, 1921; 2nd Puppy, St. Louis, 1921.

BROOMHILL DUCHESS—London, Ont., Airedale Specialty Show; Hamilton, etc.

We thought so well of this litter that we bred her again to the same good son of Champion "Silver Birch Banker," and we have another promising bunch of four males and five females. Offers of three figures have been refused for various individuals of the previous litter, and we believe there are even better ones this time.

This is advance notice to our many friends who are continually enquiring for **SUNCREST AIREDALES**, that we are, as usual, keeping one of the litter to continue our own breeding system and the rest are for sale. We get as much pleasure out of breeding a winner for you as in breeding one for ourselves, and the prize lists throughout Canada and the U.S.A. guarantee that we both breed and sell winners. Price on any of these pups is a matter for correspondence and the "Suncrest" reputation guarantees you a square deal.

Pups are at our Welland Kennels and can be seen at any time by appointment.

Real Good Thinking People Go To Church---Why ?

Because of the fact that we have three of the trappiest Stud Dogs before the public to-day, in description, let us say that "The Spirit" has no superior in the Boston Terrier type. He is a seal Brindle, good full eyes and well placed, extra good feet and legs, good tail, a skull and muzzle which can't be beat, and he possesses beautiful, even white markings.

"Peter Church," who has been pronounced by the best judges to be a marvel, is a mahogany brindle, even white markings, 100% tail, and without a doubt one of the best-headed dogs in the Dominion of Canada.

"Don't Knock" is also mahogany brindle, with full white collar, even white face markings, white feet, short, stubby tail, with short, heavy muzzle and skull, particularly sought after for weak-headed bitches.

"THE SPIRIT."

I might say that these three dogs are of distinctly different types, "The Spirit" being of the true Terrier type; "Peter Church" of the happy medium, and "Don't Knock" is a regular cob, which enables us to give you a real intelligent mating.

I HAVE BEEN TO CHURCH!
And will remember it long;
And when there's a chance
I'll sing their song.
The choir is small,
But the SERVICE is good,
There are others who go,
And I SHOULD THINK
THEY WOULD!

The Spirit! Peter Church!! Don't Knock!!!

The Famous Black Pomeranian Champion

"WEE BOMBING PLANE"
(C.K.C.S.B. 21767)

Born June, 1918 Weight, 3 lbs.

CHAMPION "WEE BOMBING PLANE" is absolutely the best black show Pom in the Dominion, as his wins will testify. His latest successes on the show bench were at the Canadian National Exhibition, Sept. 5th to 8th, 1921, the largest entry of Poms ever seen at any show in Canada, where he won 1st Open Dogs (black), 1st Open Dogs (any color), 1st Open Dogs (under 5 lbs.), silver medal for best Canadian-bred dog, special for best black, and winners. Judge, N. K. Swire, Toronto, Ont. London Western Fair, Sept. 13th to 16th—1st Open Dogs, special for best Pom in show, and winners. His triumphs are too numerous to give in detail here, suffice it to say that he has eighteen championship points to his credit, eight silver cups and about 150 firsts and specials. He went to winners at Sherbrooke, Cornwall, Toronto K.C. Show, London, Winnipeg, Canadian National Exhibition and London Western Fair. He is in good health and in rare show condition. A reasonable price is asked. Further particulars, apply

Imported—Correct Weight, 3¼ lbs.

The most brilliant Orange Shaded Sable and outstanding stud dog in the fancy. **"Orange Fly"** is sire of the New York winner, **"Cairndhu Felicitous."** The judge in his report says: "There was nothing to beat this bitch for color, which is magnificent. Why Is "MUFFS" Always

In This Perfect Condition ?

Acting continually in Orpheum circuits, or Keith's or Pantage's or Empress, why is it that his master can always depend on his alertness?

The grace of that poised head, the ever-in-readiness of that eager body, that have gained for him the title of the "World's Greatest Posing Dog" —what makes them possible?

Read what his master, John Roshier, of Los Angeles, has to say about it:

> "Muffs eats Miller's A.1. Ration—that's what keeps him in such good condition. No matter what circuit we're playing, no matter how great are the demands on his strength and keenness of mind, he can be depended upon. I have found Miller's A.1. Ration the best all-round conditioning food for him."

Miller's A.1. Ration is recognized by kennel owners all over the United States as an unusually nutritious and economical dog food. It is all food. Thoroughly cooked wheat, barley, corn and meat are its ingredients. It contains all the natural body-building elements that are necessary to dog health.
