A MEETING OF THE BOARD OF DIRECTORS of the Canadian Kennel Club will be held in the offices of the Club on Thursday evening, March 16th, 1922, commencing at 8 o'clock.

### LAST MEETING OF THE 1921 BOARD OF DIRECTORS

The "good-bye" meeting of the Board of Directors of the Canadian Kennel Club, as composed for the year 1921, was held at the Carls-Rite Hotel, Toronto, on Saturday afternoon, February 18th, 1922, at 2.30 o'clock, the President, Mr. Jos. Russell, in the chair. Other Directors present were: Messrs. Wm. R. Aitken (Quebec Province); Vincent G. Perry (London); Col. G. F. McFarland, J. Waggitt, N. K. Swire, and F. W. Jacobi. Mr. Sydney Harvey, representing the Canadian National Live Stock Record office, was also in attendance.

The minutes of the previous meeting were read by the Secretary and on motion were declared approved.

The Secretary reported that the Pomeranian in the Chadwick-Brownlie-MacPherson case had been registered through the offices of the Pedigree Committee. The Secretary reported that the wins made by the English Setter, "Dell's Lady," at the Guelph Kennel Club Show, on May 26-27, 1921, had been cancelled.

The Secretary reported that he had been in communication with the Health of Animals Branch of the Department of Agriculture, regarding the importation of dogs from the Continent of Europe, as requested by certain importers of Belgian Dogs, but that he had been unable to obtain any relief from the restrictions complained of.

Importation of dogs direct from Continental Europe is absolutely prohibited on account of many dangerous contagious diseases of cattle and sheep, and the only way importation is permitted is to have the dogs quarantined in England for a period of six months, and even after the quarantine regulations had been observed it would be necessary to secure a certificate from the office of the Board of Agriculture and Fisheries in Great Britain. Notice of this instruction has been sent to the fanciers seeking the relief mentioned.

On motion a vote of thanks was extended to the Election Board, after which they were dismissed.

The President announced that the meeting had now reached its most important function, i.e., the consideration of the proposed amendments to the Constitution, which he had sponsored personally, and was supported by Col. G. F. McFarland, the Club's Hon. Legal Adviser. The several amendments were prepared to relieve the tension that had been found interfering with the free functioning of the Club's affairs.

It was agreed to read the amendments and to vote on them in the order of their succession:

That: Article 3—Members. Page 4 of the Book of Constitution, Section 3, which reads: Application for membership shall be in writing on the form prescribed, and each applicant shall agree to be bound by the Constitution and Amendments and all rules of the Club, but the Club shall have the power to reject any application for membership.

Be amended to read:

Application for membership shall be in writing on the form prescribed, and each applicant shall agree to be bound by the Constitution and amendments and all rules of the Club, but the BOARD OF DIRECTORS SHALL have power to reject for CAUSE ANY APPLICATION FOR MEMBERSHIP, PROVIDED THAT THE APPLICANT SO REJECTED, SHALL HAVE THE RIGHT TO APPEAL AGAINST SUCH REJECTION, TO THE NEXT GENERAL MEETING OF THE CLUB, WRITTEN NOTICE OF SUCH INTENTION TO APPEAL MUST BE GIVEN WITHIN 30 DAYS OF SUCH REJECTION.

It was moved and seconded:

"That the amendment be adopted as proposed."

An amendment to the amendment was duly moved and seconded which read:

"That, Application for membership shall be in writing on the form prescribed, and each applicant shall agree to be bound by the Constitution and amendments and all rules of the Club, but the BOARD OF DIRECTORS SHALL have power to reject for CAUSE ANY APPLICATION FOR MEMBERSHIP PROVIDED THAT THE APPLICANT SO REJECTED, SHALL HAVE THE RIGHT TO APPEAL AGAINST SUCH REJECTION, TO THE NEXT GENERAL MEETING OF THE CLUB, WRITTEN NOTICE OF SUCH INTENTION TO APPEAL SHALL BE MADE WITHIN 6 MONTHS OF SUCH REJECTION.

After the members had voted the amendment to the amendment was declared "Carried."

That: Article 3—Members. Page 5 of the Book of Constitution, Section 5, which reads:

The liability of each member shall be limited to the amount of membership or other fees or dues which may owe to the Club.

Be amended to read:

The liability of each member shall be limited to the amount of membership or other fees, FINES, or dues which he may owe to the Club.

It was moved and seconded:

"That the amendment to Article 3, Section 2 be adopted." Carried.

That: Article 3—Members. Page 6 of the Book of Constitution, Section 10, which reads:

The Directors shall have power to suspend or expel any person whether a member of the Club or not, who fails to observe any rule, regulations or By-Laws of the Club, or whose conduct in their opinion is prejudicial to the interests of the Club, and the person so suspended or expelled shall have no claim against the Club or be allowed any of the privileges of the Club, including registration of pedigrees, or be allowed to enter into any competition held under the show rules of the Club. No person, however, shall be suspended or expelled until such person has first been notified of the alleged offence and has been given an opportunity to appear in person before the Board of Directors.

Such person shall have the right to appeal to the Club from the action of the Directors at an annual or general meeting, provided notice of appeal has been given in writing to the Directors, but reinstatement may only be made by the affirmative vote of two-thirds of the members thereat.

Be amended to read:

The Directors shall have power to suspend, expel OR DISQUALIFY A MEMBER OF THE CLUB who fails to observe any rule, regulations or By-Laws of the Club, or whose conduct in their opinion is prejudicial to the interests of the Club, and the MEMBER so suspended or expelled, OR DISQUALIFIED shall have no claim against the Club or be allowed any of the privileges of the Club, including registration of pedigree OR KENNEL NAME or be allowed to enter into any competition held under the show rules of the Club. THE DIRECTORS SHALL ALSO HAVE POWER TO DISQUALIFY ANY PERSON NOT A MEMBER OF THE CLUB WHOSE CONDUCT IN THEIR OPINION IS PREJUDICIAL TO THE CLUB, AND THE PERSON SO DISQUALIFIED SHALL NOT BE ALLOWED TO REGISTER PEDIGREES OR KENNEL NAMES, OR TO ENTER INTO ANY COMPETITION HELD UNDER THE DOG SHOW RULES OF THE CLUB.

No person, however, shall be suspended or expelled or DISQUALIFIED until such person has first been notified of the alleged offence and has been given an opportunity to appear in person before the Board of Directors.

It was noticed that the right of appeal had been inadvertently omitted from the amendment, and upon its

being added, it was moved and seconded:

"That the corrected amendment be adopted." Carried.

The corrected amendment now reads:

The Directors shall have power to suspend, expel OR DISQUALIFY a member of THE CLUB who fails to observe any rule, regulations or By-Laws of the Club, or whose conduct in their opinion is prejudicial to the interests of the Club, and the MEMBER so suspended or expelled, or DISQUALIFIED shall have no claim against the Club or be allowed any of the privileges of the Club, including registration of pedigree or KENNEL NAME, or be allowed to enter into any competition held under the show rules of the Club. **THE DIRECTORS SHALL ALSO HAVE POWER TO DISQUALIFY ANY PERSON NOT A MEMBER OF THE CLUB, WHOSE CONDUCT IN THEIR OPINION IS PREJUDICIAL TO THE CLUB, AND THE PERSON SO DISQUALIFIED SHALL NOT BE ALLOWED TO REGISTER PEDIGREES OR KENNEL NAMES, OR TO ENTER INTO ANY COMPETITION HELD UNDER THE DOG SHOW RULES OF THE CLUB.**

No person, however, shall be suspended or expelled or DISQUALIFIED until such person has first been notified of the alleged offence and has been given an opportunity to appear in person before the Board of Directors.

Such person shall have the right to appeal to the Club from the action of the Directors at an annual or general meeting, provided notice of appeal has been given in writing to the Directors, but reinstatement may only be made by the affirmative vote of two-thirds of the members thereat.

It was moved and seconded:

That: Article 8—Elections, page 12 of the Book of Constitution, latter part of paragraph 6, which reads:

If a member votes for more than the number of candidates to which he is entitled to vote, this shall spoil his ballot.

Be amended to read:

If a member votes for more than the number of candidates for which he is entitled to vote, his ballot **SHALL BE CONSIDERED TO BE SPOILED IN SO FAR AS THAT PORTION OF IT IS CONCERNED IN WHICH HE HAS SO VOTED.**

It was moved and seconded:

"That the amendment to article 8,

paragraph 7, be amended as proposed."

That: Article 8—Elections, page 12 of the Book of Constitution, paragraph 7, which reads:

The Election Commissioner shall forthwith after the last day for receiving ballot papers, open the same and proceed to count the votes, and he shall deliver to the President of the Club, his certificate sworn to before a notary public declaring the result of the election, which shall be final and conclusive. Be amended to read:

An amendment to the amendment was duly moved and seconded, which read:

Each decision of the committee shall be reported to the Directors at the next meeting thereafter.

Be amended to read:

The President and Secretary and one member to be elected by ballot at the annual meeting shall be a committee who shall have the power to adjudicate upon all questions of transfer of ownership and eligibility of all animals for registration.

Their decision if unanimous shall be final, otherwise the question shall be submitted to the Board of Directors for decision. Each decision of the committee shall be reported to the Board of Directors at the next meeting thereafter.

#### CANADIAN DOLLARS NOW TALKING!

John W. Hinde, Toronto, says that although he is not saying much about it, he intends to have a strong hand in Pomeranians at no far distant date, and as a Kennel mate to his imported "Sunbright Mite," he is bringing over the noted English winner, "Parkgate Swell." "Our Dogs" say:

The Almighty Dollar—a Canadian one—has still once more allured one of our loveliest Poms. across the Atlantic. This time it is Mrs. Joe Hargreaves' orange-sable dog, "Parkgate Swell," that has gone to Mr. Hinde, of Toronto. Some idea of his great worth may be gleaned from the fact that he has won nearly one hundred 1st prizes, and several times has been best in show. Mrs. Hargreaves would not have parted with him had she not some choice youngsters coming along that will more than fill his place.

#### NORTHCLIFFE AIREDALE KENNELS.

Are watching several youngsters, sired by Colne Master Oorang, coming along, that will be able to travel the route if the fates treat them fairly.

### Mendon Mike Plays Cinderella

Oh! B(h) oy, when ye see the crates being slung around, and the spalpeen pups being all fussed up, and ye know that the big row is all for the New York Show, and ye figure that yer turn is next, and then the expressman calls and ye're left behoind to play Cinderella—bedad, but it ain't no gr-r-rand and glorious feeling. But, begorra, when they come home and ye lear(r)n that yer own pet daughter "Mendon Spitfire," walked off with the Blue, in the open Bred by Exhibitor Class, and ye rush to her mother's kennel with the news, and ye see her tail bristle with pride, oh B(h)oy! ain't it a gr-r-rand—well, I ain't sayin' a wor(r)d. BUT I DO HAPPEN TO BE HER FATHER.

### Irish Terriers at the Specialty Show, New York

Reviewed by Judge J. R. Thorndike.

Before I start to criticize the dogs at the Irish Terrier Specialty Show, held at the First Field Artillery Armory in New York on February 11th, I want to thank my ring Steward "Bob" Ross for the very efficient manner in which he got the dogs into the ring and also to thank the Show Committee of the Irish Terrier Club of America, and the members thereof, for the large entry they gave me to judge.

The puppy class for dogs brought out six. First to "Aroostock Huntsman," a very promising puppy shown in excellent condition, who won with a lot to spare. He has a very long, lean head of the correct type, good eyes, ears, very good front and body and showed like a veteran, his ears might have had just a little more lift to them, otherwise he was very nearly perfect on the day. Second to "Mendon Mixmore" who lost to first in coat and color. Third to "Mickey Begorra" a bit out of coat. Reserve to "Blarney Bonus," none too good in front and undeveloped.

Novice Dogs—9 in the class. A repeat for "Aroostock Huntsman" and "Mendon Mixmore," Third to "Ballyrush," a good bodied dog not in the best of coat, who lost to second in head, front, eye, and tail carriage. Reserve to "Blinker's Demon" a good dog in poor coat.

American Bred Dogs—8 in the class. First to "Double Shear Tormentor," a terrier a little on the big side with a tremendously long napper, good eyes, ears and expression, might be stronger in quarters. Second to "Ormsby Young Double Shear," a good sound

dog, losing to first in head, third to "Holmehill Dick" an excellent type shown short of coat. Reserve to "Ballyrush" who lost to third in front.

Limit Dogs—7 in the class. First, "Shear Begorra," a sound dog with a typical head, very good coat and color, excellent body, legs and feet. His ears are a bit dead, which detracts from his general appearance, but he is a typical Mick well put down. Second to his litter brother "Blinkmore Begorra," who is straight behind. Third to "Ormsby Young Double Shear," who lost in front, and Reserve to "Brentmoor Blinkmore" who is bad in his action behind.

Open Dogs—3 in the class. First to "Shear Begorra." Second to the "Tattler," who loses behind. Third to "Harlem Master," a nice terrier but far too large.

Winners to "Aroostock Huntsman" who won on condition. Reserve winners to "Shear Begorra" who won over "Double Shear Tormentor" in size and condition.

Puppy Bitches—A class of 10. First to "Blarney Brightlight," a very typical and promising puppy, might have had more coat on her, but won over "Kincora Lady May," placed second in soundness of feet. Both these puppies showed well, but I figured that "Brightlights" soundness, gave her a slight edge on "Kincora Lady May." Third to "Aroostock Lass," who won over "Lady Ellen," a very stylish puppy in maturity.

Novice Bitches—12 in the class. First to "Blarney Brightlight." Second to "Kincora Lady May." Third to "Over The Top," a nice stamp but full in eye. Reserve to "Harlem Dinah," a nice sort who would not show.

American Bred Bitches—4 in the class. An easy win for "Little One," an excellent bitch put down in extra good condition, a very attractive Irish Lady and a hard one in my opinion to fault. Second to "Harlem Dinah," who won over "Teta III" in coat and color. Reserve to "Irish Molly" who refused to show.

Limit Bitches—6 in the class. First to "Little One." Second to "Mourne Model," a nice bitch who beats "Blarney Butterfly" placed third, in condition. Reserve to "Balleymooney Dora" shown short of coat. These were four good bitches.

Open Bitches—4 in the class. First to "Little One," after a very close brush with "Blarney Machree." She beats "Blarney Machree" in length of head and has a little more liberty in body. Both were in very good condition. Third to "Mourne Model," Reserve to "Balleymooney Dora."

Winners—To "Little One."

Reserve Winners—To Ch. "Blarney Machree."

Junior Dogs and Bitches—9 in the class. First to "Aroostock Huntsman" who won in substance, coat and color, over "Blarney Brightlight." Third to "Kincora Lady May." Reserve to "Mendon Mixmore," who lost to "Kincora Lady May" in color, body and style.

Bred by Exhibitor, dogs and bitches—12 in the class. First to "Aroostock Huntsman." Second to "Kincora Lady May." Third to "Mendon Spitfire," who beats "Bells V" placed Reserve in ear carriage and eye.

Maiden Dogs and Bitches—10 in the class. First to "Kincora Lady May." Second to "Mendon Mixmore." Third to "Ballyrush." Reserve to "Ballyshannon," who lost to third in bone, style and body.

Veteran Dogs and Bitches—4 in the class. First to Champion "Brentmoor Blinker," who although quite grey, was in better condition than I have ever seen him. Second to Champion "Brentmoor Bullet," who lost to first in condition and equality.

Brace and Team classes had only Mr. Bate's entries.

Special for best Irish Terrier went to "Little One," with best of opposite sex to "Aroostock Huntsman."

In conclusion, I might add that the general quality of the Irish Terriers shown under me was far superior to what I have seen since before the war. From the interest which I saw in the Irish Terrier Club, I know there is, without doubt, a great future for the popularity of the Irish Terrier, and next year I hope to see still more dogs at the Specialty Show, which has already been heavily subscribed to, and many more members in the Club.

### And Says Brentmoor Blinkmore

### RUSSIAN WOLFHOUNDS AT WESTMINSTER. (Specially Reported).

The entry of 37 Russian Wolfhounds was the largest seen here in a number of years, a tribute to the Judge, and the competition was of the keenest. They were judged by the noted expert Mr. J. Bailey Wilson, of Lansdowne, Pa. He went over each dog with expert precision, and his placings were greeted with much applause from the packed ringside. One of the features this year was the splendid showing of the Canadian entries, 4 Wolfhounds being shown and were superbly handled by their owner, A. V. Webley (Tolstoi Kennels), Toronto. He captured winners dogs, Reserve Winners Bitches and thirty-five special prizes. Blake Johnston, Toronto, got 2nd novice, with a Canadian-bred, "Borloff of Riverdale," sired by A. V. Webley's Champion "Krilenko." The outstanding dog—and centre of attraction, was the 9 months' old puppy, "Morvich of Tolstoi," bred and owned by Mr. Webley, and sired by his Champion "Krilenko," and it was quite a sensation, when this wonderful puppy went clear through from novice to winners and captured the President's Cup for best of the breed, congratulations. This is the first time a Canadian Bred Russian Wolfhound has gone to winners at this great show and his owner should be justly proud of him, and the win which was extremely popular and meritorious. This dog was pronounced by 12 of the leading judges at this show as being the greatest Wolfhound ever produced and his owner was congratulated on all sides on his great victory.

## LETTERS TO THE EDITOR.

Feb. 21st, 1922.

The Editor, Kennel & Bench,  
Toronto.

Dear Sir:—

Re the article in your February issue, under the heading "Are the Evening Shows becoming a nuisance?"

Requires just a little checking up, as you are of the opinion present experiences would bring the specialists Clubs back to the reality that their efforts can be better utilized if retained wholly in the interests of their own particular breed, and we respectfully call your attention to a few facts concerning the actions and the shows that have been conducted under the auspices of the United Canine Specialty Clubs, we have to date conducted eleven shows. There have been complaints made to the Officers that some exhibitors had insulted judges, etc. These complaints have been dealt with as they should be and would say some have been dealt with severely, while a milder method was taken in a couple of cases, as it was thought it would serve the purpose better. We are pleased to say we feel all exhibitors are now working for the object that we have in view, to have plenty of evening shows to create harmony to encourage the novice, and to make a goodly number of fair and broad-minded exhibitors. We feel that there will not be any repetitions of unseemly conduct. We have nothing but praise for the novices who have been exhibitors at our own shows, and do not hesitate to say that when they graduate to the big shows under Canadian Kennel Club rules, they will do that organization a wonderful lot of good.

We believe we have taken as many precautions as are required to do the most good, and feel that people become dog fanciers by choice, and the co-operation of the Canadian Kennel Club would be better than talk of legislation.

The last two shows as a whole have been far above the average and the last one held, the most successful of all. We could handle all the specialty Clubs in Toronto, and with this Union believe we can strengthen the dog sport and create an interest, acquaintance and good feeling among the dog fanciers of all breeds that would know no bounds.

If any cases of conduct unbecoming to a good sport or in any way detrimental to the game have come under the eagle eye of "The Editor" and he is sure that same has not been attended to; the officers of the United Canine Specialty Clubs would be pleased

to have him report same to them, and if the party or parties offending should repeat the offence after they have been warned, we would have no hesitation in supplying you with their names for publication, as being parties who are a menace to the dog game.

Should any of your readers desire a copy of the constitution and by-laws of the United Specialty Clubs of Canada, they can have same by applying to the Secretary of their Clubs (all secretaries having been supplied with them) those not members of the Specialty Club of their Breed would be well advised to join same at once, and secure the benefits and protection accruing from same.

Thanking you Mr. Editor, for your valuable space and wishing you and your associate members and directors of the Canadian Kennel Club a most successful year. We remain,

Yours for the advancement of the dog game.

H. M. JACKSON, WM. STOCKDALE,  
President. Sec.

United Canine Specialty Clubs of  
Canada.

## BRITISH COLUMBIA NOTES.

(By Snap).

Alex McCloy of Victoria, and famous for high quality West Highland White Terriers, which he has made so popular on the Pacific Coast. Alex has several youngsters that are worthy of the best Company and not likely to come off second best to any at bench shows.

Nanaimo Kennel Club members are a fine lot of fanciers and are now pulling together better than ever, which means much more successful times for the club than they experienced last year. The boys of the Coal City deserve every credit for the manner they play the dog game in its entirety.

Nanaimo fanciers are getting together and working in harmony and thereby are determined to stage a two point show this year, they have done it before and can do so again, they deserve all the support they can get.

Mrs. E. A. Dunn, of Vancouver, B.C., has imported that grand little Boston terrier, "Don't Knock" C.K.C. 25399, from the Waverley Kennels, Simcoe, Ont., he is a dark mahogany brindle, even white face markings, full white collar, extra heavy short muzzle and head, is short and cobby with a 100% tail, large full eyes. "Don't Knock" has 20 ribbons to his credit, and siring some very snappy puppies. This sturdy fellow weighs about 18 pounds and is considered by those in author-

ity to have 100 per cent. markings or in other words, is perfectly marked. Mrs. Dunn is very enthusiastic about bringing the Boston Terriers on the Coast up to the standard, by breeding intelligently.

J. Pearson of Nanaimo, reports that his wire dog "Smithfield Challenger" is in splendid condition just now and in consequence is in great demand by some of the best Kennels on Vancouver Island.

H. M. Robertson, of Lamma Park, Cal., is likely to be seen judging at some of the Spring shows in British Columbia this spring. He has become a very popular "ermine bearer" in this province on account of his fair awards.

It would not surprise me to see our old friend George A. Cranfield pay a visit to Canada in the near future, and judge at some of the good shows there. George is a competent judge, executes his work clean cut and businesslike.

Stanley Dorrell of the Swansea Kennel having disposed of all the Poms, he sheltered, has turned his attention to his old fancy the wire fox terrier, which was for several years Stan's favorite breed. In his time he has sheltered some of the best terriers seen on the Coast, and it is his intention of doing so again. He is already in the market for something classy, and to begin with he has imported a dog from Jack Fletcher of Calgary.

Wm. White of Eburne, a fancier who is going in very strongly for a top notch Pom. Kennel. His latest addition to the kennels is Ch. "Jacobean of Granby" one of the best specimens of the breed to be seen probably in Canada. This dog was bought from Stanley Dorrell who made him a champion after importing him from the Old Country.

## LONESOME?

## DO YOU KNOW LONESOME?

"Lonesome" is the property of the genial President of the Ottawa Kennel Club, Mr. Cecil Bethune. He (Lonesome) is a kind of a West Highland Maltese Whippet, and his sense of humor is fully developed.

Last fall he accompanied Mr. Bethune's hunting party, and after studying the Cockers, Setters, and Pointers and their methods, he had a try at it himself. Nosing around he located a bird, stopped dead, lifted his left hind leg up (the son of a gun) and some of the party swear that Lonesome was actually grinning, and it may have been so—even at that, we wouldn't put it past the little devil.

### WESTERN COLLIE CLUB SHOW A SUCCESS.

J. B. Guarnera brought off something in the nature of a coup on Saturday night when his two tri-color collies captured everything for which they were entered at the Western Collie club's evening show, held in the central hall of the Board of Trade building. The two puppies by International Champion "Aeroplane ex Imera Impression," early in the proceedings attracted the attention of most of the collie experts present and when the classes were called Walter R. Wardle, the judge, was not slow to recognize the many good qualities of the aptly named "Imera Sky Pilot" and his litter sister, "Imera I.X.L." In their respective classes this brace accounted for 16 firsts and best brace in show.

A good second to "Imera Sky Pilot" in the dog classes was F. H. Webb's sable and white puppy, "Mayflower Model," the winner of two firsts and five second prizes, while A. Downie's "Lad's Perfection," Mrs. Lieb's "Commander C. Carnegie" and Tom Donald's "Donalda Chieftain" were the pick of the others.

Chas. Rossell's well known dog, "Glendale," was runner-up to "Sky Pilot" in the tri-color events, third prizes being awarded to J. Dineen's handsome dog, "Vingara Chief." Following "Imera I.X.L." in the bitch classes, there was little to choose between "Heatherbelle Brandor Beauty," "Hannahfield Alice," and "Abbotsford All Quality," the judge going over these three very carefully before making his awards. The children's classes were as popular as ever, the winning boy turning up in David Brown who showed "Hannahfield Alice," while Miss Lilas Donald headed the girls' class with "Donalda Chieftain." Walter Wardle discharged his judicial duties thoroughly and conscientiously and there were no complaints.

DANDIE DINMONT, JR.

### HAMILTON KENNEL CLUB KEEPS UP THE INTEREST.

Hamilton is just keeping their steady gait. Three successful matinee shows have held the members together. That they get lots of fun out of their hobby can be realized when you think of their having 120 dogs out at a parlor fixture, and running the show on well after midnight.

Messrs. Wm. Jackson, A. A. Lees, C. Mewburn, "Harry" O'Neill, F. Sinnitt, were only "a few" of the judges who went over the dogs.

### CAPTAIN M. HARBORD, VICTORIA CITY KENNEL CLUB SECRETARY VISITING EASTERN CANADA.

Captain Harbord, while visiting Ottawa on business pertaining to his city, found time to spend a few hours with the boys of the Ottawa Kennel Club at their February Show, when 60 Bostons and 25 Bulldogs came under the rule of "Andy" Armstrong, 500 persons were in attendance at the Gunners Hall. After which he came on to Toronto, exchanged greetings, and would have taken in the Annual Meeting of the Canadian Kennel Club, had it not interfered with his train arrangements.

Registration is a pressing question in the mind of Capt. Harbord, and an opportunity to have expressed his feelings on the matter would have been appreciated by him, but he was obliged to leave before the amendments to the Constitution came up. We were glad to meet Mr. Harbord and he is welcome here any time.

### CANADIAN-BRED SMOOTH FOX TERRIERS WIN WELL AT NEW YORK.

"Clapton Miss Rapture," a Canadian-bred daughter of International Ch. "Sabine Rapture," out of "Clapton Dale Duchess," and bred by Mr. Ernest Parsons of Cedar Dale, made a clean sweep of her classes at the recent New York Show, winning 1st Puppy, 1st Novice, 1st Limit, 1st Graduate Dogs and Bitches, 1st Debutante Dogs and Bitches. James W. Spring of Boston, is the proud owner of "Clapton Miss Rapture," having purchased her from the Clapton Kennels. Mr. Bailey sending her on as good enough to win her classes at the big show. Canada is still producing top notch Smooths, a fact that is again exemplified in the splendid showing of "Clapton Miss Rapture," competing against the cream of America's finest smooths—congratulations to Mr. Parsons in producing such a splendid specimen.

### HARRY E. WHITLEY GETS ANOTHER WIRE.

Harry E. Whitley, Montreal, never quite forgave himself for parting with the noted little "Short Cut," and the fancy will be glad to know that he is back into the swim again, after an absence of about one year. This time with a corking good youngster, a son of Harry's old favourite, "Short Cut." The name of the new dog is "Short Heels," and rumor has it that he will bear close observation.

### ANOTHER NEW CLUB AT THE 'PEG.

Winnipeg Toy Dog Club, is the latest entry for the "Specialty" class, and came into being at the Board of Trade Bldg. on the evening of Feb. 8th, when the following officers were given command for the first year:

President—Mrs. A. B. Campbell.

Vice-President—W. H. Gore.

Secy.-Treas.—Ed. R. Mitchell, 961 Ashburn St., Winnipeg, Man.

Executive—Mrs. A. Brown; Mrs. S. C. Taylor; Mrs. E. R. Mitchell; Mrs. A. Snyder; Messrs. C. A. Robson; G. Boyce, and L. Hinton.

Hon. Vet.—Dr. H. Colebourne, M.R.C.V.S.

It is a source of satisfaction to the new club, that they are to have the services of the veteran fancier, Sam C. Taylor, an authority on everything pertaining to the welfare of the dog.

### GOOD BULLDOG PUP SHOWS UP IN WINNIPEG.

Ed. R. Mitchell, Winnipeg, has secured a nice young "Sour Mug" sired by "Hercules Bill," and who will be known as "The Guardsman." This youngster is said to carry a heap of bulldog character around with him for his age, and will no doubt be seen on the bench.

### FISHER BROS. BUYS MIDKIFF COCKERS.

We are advised that Fisher Bros., St. Francis, Wis., have purchased from W. T. Payne, "Midkiff Josephus," "Midkiff Laddie," and "Midkiff Dottie." The former is a well known Cocker having won well in the United States and in Canada, particularly at the Canadian National, and is credited with having a larger list of winnings than any other black Cocker in the country.

It is the intention of the new owners to place "Midkiff Josephus" at stud in our business papers for the purpose of keeping him before the Canadian fancy.

### A FLORIDA CLIPPING.

Mrs. Maud Matthews, late of Toronto, Canada, who is specializing in Pekingese dogs, has just received some especially fine pups from Chicago and from Canada. These are beautiful specimens—from the purest stock, high-bred, and extremely valuable; and were secured in order to bring her kennels to the highest state of perfection. Although here but a brief time, Mrs. Matthews is fast gaining a reputation for handling super-stock.

**WHIPPETS AT WESTMINSTER.**

The entries of these little "Speed Artists" were made up of 16, which although not quite as plentiful as last year, did not lack any in the quality, type and symmetry of former years.

The judge, Mr. Bayard Tuckerman Jr., an authority on this particular breed, went carefully over each dog in every class and admitted the competition to be very close and with much hesitancy placed the winners of each class.

It was right in the novice class that he discovered a puppy which he had to place first and winners, this being the second time in Whippetdom on this side of the pond that such honors went to a youngster under 12 months old, and which, by the way, in both cases were Canadian-bred.

**Classes.**

Novice Dogs & Bitches—5 entries.

1st.—Edwin D. Morgan's Margie Cameo.

2nd.—E. Geo. Kerr's Baby Grand.

3rd.—A. Lowenstein's Master Mason.

The winner in this class, "Margie Cameo" bred by A. Lowenstein, (late of Toronto) the well known Canadian Whippet and now owned by Edwin D. Morgan Jr. of Westbury, L.I., was sired by "Mischief ex Tight Fit," and represents a true type of its breed, with a good front, head, clean cut features, dark eyes, low brisket, long, body—built for speed, splendid running gears, and with the Judge an expert on the "racing line" he had no difficulty in making his choice.

The second, a real nice little bitch of a type that would appeal more to an English judge of whippets, and who looks for the ideal small dog, of lines and symmetry, than to the racing type.

Third came a dog puppy, six months old, not quite good enough yet to compete with older dogs but easily held his own, and certainly would have stood out in a puppy class, which, however, was not provided for.

Open Dogs—5 entries.

1st.—Felix Angus Leser's Ch. Freemanor Glencoe Supreme.

2nd.—Edwin D. Morgan's Maxim.

3rd.—Geo. Brown's Achilles.

In this class we must truly say the Ideal Whippet was not represented by a long way for such an important class.

Winners Dogs—F. A. Leser's Freemanor Glencoe Supreme.

Reserve Winners—Master Harry E. Damon's Galloping Dominoe.

American-bred Bitches—4 entries.

1st.—Rosemary Kennels' Freemanor War of Rosemary.

2nd.—E. Geo. Kerr's Baby Grand.

3rd.—Felix Angus Leser's Blue Blazes.

4th.—Geo. Brown's Maud of Stonebridge.

In this class Baby Grand should have been placed first as she scored more heavily in the essential points than the winner.

Open Bitches—7 entries.

1st.—Edwin D. Morgan's Margie Cameo.

2nd.—Geo. Brown's Nell of Oxon.

3rd.—A. Lowenstein's Resolute.

The above three made a dainty trio, and with much hesitancy the judge placed the winner.

Resolute could have fared better, but considering the showing and the condition of the puppy, Cameo's win was extremely popular.

Winners Bitches—Ed. D. Morgan's Margie Cameo.

Reserve Winners—Geo. Brown's Nell of Oxon.

**HARRY A. WILSON A BUYER AND SELLER.**

Harry "Diamond" Wilson has extended his business to take in what he claims to be a "Complete Service," and is carried on as follows:

If any person has a single—or any number of dogs, which he, or she is desirous of selling, all they need to do is to give fullest particulars to Harry, who places them on his list—and as dozens call at his store daily, asking for dogs, he readily advises them, just where the dog may be bought that they seek to buy. The seller agreeing to pay Mr. Wilson 10% for this service.

Supposing a party wishes Mr. Wilson to go and buy a dog for them specially, he will agree to do so but, in this instance he will collect 10% from the purchaser, and an additional 10% from the seller. Of course Mr. Wilson is only interested in pedigreed registered stock, first, last, and all the time.

**M. S. KILBY FIRST VICE-PRESIDENT.**

Mr. M. S. Kilby, the noted owner of the "Mendon" prefix, was present at the "Big Noise" at Madison Gardens, and personally piloted his 'Irishmen' through their classes with much success.

At the Annual Meeting of the Irish Terrier Club of America this good Montreal fancier was signally honored, when he was elected First Vice-President of that live Club, for the current year.

**CANADIAN JUDGES AT AMERICAN SHOWS**

From advice notices received by courtesy of Geo. F. Foley, we learn that Lance Farewell will judge the sporting Spaniel entry at Pittsburgh, on April 14-15. No doubt this choice will bring out a "peak" entry for this show, for who is there alive amongst us to-day who has given the Sporting Spaniel as many years of practical study as Lance Farewell, of Toronto, has?

They say, "A prophet is without honor in his own country." Not so with Mr. Farewell in Canada; his opinion is eagerly sought and greedily assimilated, and the Spaniel people who are privileged to meet this dean of Cocker Spanielism speak of him with a respect that really amounts to reverence, and the Pittsburg management has flattered itself in securing Lance Farewell's services on this occasion.

At Canton, Ohio, on March 14-15, Mr. Norman K. Swire will officiate as one of three judges selected to make the awards for the Canton Kennel Club Show. This, too, is a wise selection and there are going to be many satisfied exhibitors leave Canton at the close of the Show. Mr. Swire avoids all contact with interested parties and positively steers clear of all dogs likely to come before him while adorning the "Ermine." Catalogues, or "smart" stewards are taboo. What Mr. Swire asks for is, that the dogs be brought before him; he can, and does, place them where they belong as he sees them, and that is all the fancy should ever expect or look for.

The Pierce County Kennel Club, of Tacoma, Washington, will hold a Show on April 20-21-22, the first to be staged since 1912, when Geo. S. Thomas acted as judge. This year, Norman McConnell, the Airedale expert of North Vancouver, will judge the show, and the management feel pretty certain that his selection will prove a magnet for the largest entry ever benched in that part of the country.

It would be no surprise to find a strong following from Vancouver Island and the mainland at the Tacoma Show, thus adding to the optimistic beliefs of the newly-elected President of the Club, Mr. A. E. Grafton.

## CANADIAN DOGS AT NEW YORK SHOW

There was one phase of interest that strongly appealed to the writer as he viewed the very extensive entry benched at the Westminster Kennel Club fixture, on February 11th and subsequent days, and that was the very large entry from Canada direct, and the many dogs that appeared prominently in several breeds that, though now owned in America, were really Canadian-bred. So fascinating was the discovery that we made several notes on some of the most striking instances, and to do so we were obliged to start at entry No. 2 and finish at entry 1704, always finding the Canadian dog, or the Canadian-bred dog very prominent all the way through.

First were the **Mastiffs**, headed by that magnificent specimen—whose picture appeared in our last issue—"Beowulf," bred, as were the whole entry, by our Canadian Kennel Club Director, Charles W. Dickinson. "Beowulf" not only was one of the first dogs to come into the ring, but, as a matter of fact, he was one of the last to leave it, as he was very prominent in all his majesty of bearing right up to the moment that the prize for Best Dog in Show of All Breeds had been decided. "Cleopatra" won for her sex, and she also was a Canuck.

Entry No. 8 was the Canadian-bred **St. Bernard**, "Hercuven Queen," by "The King's Son," ex "Nydia," and she went to Winners and Special for best St. Bernard, open to all. Great Danes did not show much for the Dominion, which was quite natural, considering that we have so few good Danes in this country, but in **Russian Wolfhounds**, with a 36 entry, Canada had a walk-away from the very first class, when A. V. Webley's sterling youngster, "Morvitch of Tolstoi," grabbed the Blue from Judge J. Bailey Wilson and never let up until he had the "Purple" safe in A. V.'s pocket, with a multitude of special prizes—30 in number, we were told—to keep that purple ribbon salted down. "Czarina of Tolstoi" won 1st Novice and Reserve Winners, then 2nd Team and Brace. Was Webley experiencing the gr-r-r-and and glor-r-r-ious feeling? When old "Master Butcher," our old, revered idol, was put through his paces, and showed his mechanical precision was yet very pronounced—of course he went to Winners.

**American Foxhounds.** W. C. Baldwin, the Ottawa ace, had handed over the noted son of "Prompter," ex "Liz-

zie," "Baldwin's Heffwin," to Benny Lewis, and in the ring looked 100 per cent. and won easily.

**Pointers.** Reserve Winners turned up in the old Montreal favorite, "Rip Rap," a beautiful specimen, but not yet showing a registration number, which is most regrettable for the fancy. Reserve in Bitches was won by the New Brunswick entry, "Jenny Lind," owned by Kiltie Wilson.

**English Setters.** What a beautiful breed is the English Setter. Here three Champions were benched, and 20 others that were surely eligible. Jack A. Newman, Regina, had his Ch. "Beau Bel Mona" benched, and she won 1st in Novice Bitches and Reserve in Limit amongst some red-hot stuff. "Mona" was in fine fettle and was splendidly handled and posed in the ring. "Count May Fly," another long distance entry, owned by Gerald McCarthy, New Brunswick, was early spotted for his outstanding quality and won for 1st Novice Dogs, 1st Limit, 1st Open, and Winners. Congratulations, Mr. McCarthy.

**Irish Setters.** 22 entries, almost half of them either Canadian-bred or sired by Canadian dogs, and some splendid stuff amongst them. Several, with or from the noted "Tyrone" strain. "Ruadh Michael," by "Corney," ex "Patricia," bred by Frank O'Donohue, Toronto, and owned by Master Jack Bain, son of James W. Bain, K.C., Toronto, was in elegant condition and soon caught the eye of the veteran Muss-Arnolt, a Bird dog specialist judge, and from Novice to Winners, with several special decorations, this Canadian-bred and owned Irish Setter was placed on top of the heap.

**Cocker Spaniels.** Three by Ch. "Durbar," and all in the money. "Baby Grand," Joe Hill's best bet, and in the capable hands of "Young" Benny Lewis, and hob nobbing with 50 others, 1st Limit Dogs (black), and 3rd Open (black). Ch. "Lucknow Lottery" went to Winners. J. R. Beard's entry, Winnipeg born and bred by Ed. Sutton, with "Andy" Armstrong's (Ottawa) "Parti-Colored" holding his own with that variety.

**Whippets.** Wherever the "long-tails" have been featured in recent years, whether on the track or on the bench, Canadian dogs have played a telling part; much of this credit was undoubtedly owing to the "pep" put into our Whippetting by Alf. Lowenstein, late of Toronto, and now at Hyde Kennels, Bennett Ave., Hemp-

stead, L.I., New York. Of course Alf. was there with bells on, and so were his good dogs "Resolute" and "Master Mason," who were both in the money, and it is worthy of notice that the winning bitch, "Margie Cameo," was the get of Alf's "Mischiefs," out of "Tight Fit," while "Margie's" kennel mate, "Maxim," won for second place in open dogs. Felix Lesser, of Baltimore, well known in Canada, was all the other works which were left.

**Collies.** Alex. Donaldson had two of his "Aeroplane's" get and handled them to advantage, and after the great English importations had taken their share of the spoils, the Canadian entries were not so far behind. Geo. Gaul's "Seedley Seraph" won for 2nd puppy bitches in a class of 8, then won for 2nd novice, 3rd Limit. "Alstead Chancy Lass," by W. O. Roys (Montreal), "Coila Pawkie Cheil" also won well. "Coltness Chaeroplane" won 2nd Novice, 3rd Limit, and 3rd Bred by Exhibitor, and a couple of Specials to boot. "Alstead Luminary," a son of "Alstead Asphodels," and bred by A. B. Armstrong (Morganston, Ont.), won very nicely in the puppy class of a dozen. George Getty had a nice 10-months-old puppy in this class that was very highly commended, and was unfortunate to meet, not only a big class, but also a huge lot of quality. This youngster will bear watching.

**Smooth Collies.** Only two entries, one of which was absent, leaving "Arndale Controller" (bred by Jack Waggett, Toronto), in full control.

**Shepherd Dogs.** The biggest entry at the Show, about 175, many of which were not for competition, and many for specials only or for exhibition only, and indeed they were truly an exhibition in themselves. Canada had not an entry here that we knew of, but the Star Kennels, of North Adams, Mass., one of our advertisers, had a splendid double sextette benched that were a centre of much attraction. In the Limit Dog class, with 20 entries, their "Alex Von Wolfsbusch" was awarded 3rd place. Dr. O. Elliott and Mr. A. Keith went to the Show for the purpose of bringing back a Shepherd dog to Toronto, and ere long there may be a bunch of them here, as a beautiful female was purchased from the Blue Blood Kennels and bred to one of the best dogs over there. So we expect to hear more about her later.

**Old English Sheep Dogs.** Canada had no representative in this breed either, but it will interest our readers to know that Ch. "International Weather," that splendid "Bobtail" that lent charm to the top right hand corner of page 48 of our Christmas number, and owned by Wm. A. Jamison, Holmdel, N.J., was returned as Winners and Best of Breed, and also a strong contender to the last for Best Dog in Show. The noted Mike Kennedy handled this elegant specimen to perfection. Winners Bitches was the Int. Ch. "May Morn Weather," whose picture appears at the left hand bottom corner of the page we have referred to. Miss A. Coombes had congratulations showered upon her from many quarters, from staunch admirers of the breed.

**Bulldogs**—entry, 46, many of which were stamped "Made in Canada." Albert Ramsden's good brace, by "Prince Albert," gave a good account of themselves, "Prince Raffles" winning 1st Novice Dogs and 3rd Limit. "Lady Betty II" won 3rd Open Bitches (under 40 lbs.). E. Libby and Bob Ross (Montreal) picked out 3rd position with their "Alston Belle" in Novice, and stuck to it through Limit, and Open (bred by exhibitor). Ch. "Duranside Captain" (Geo. C. Briggs, Winnipeg), won 2nd Limit and 2nd Open (45 lbs. and over) and looked trim enough to take on all comers. "Tam's Result," "Princess Edna," "Clevelock Mollie" (absent), "Fernbrook Vamp," "Conqueror Queenie," "Sir Douglas," all seemed to have a touch of Canuck in them somewhere.

**Airedales**—over 100 entries, a dozen of which were from Canada. The first to touch the coveted Blue Silk was Joseph Russell's "Claycliff Commander," and the ring was full of Airedales, too (over 20 in the puppy class). The Claycliff entry had many admirers and won 1st Puppy, 2nd Novice, 2nd Maiden (Dogs and Bitches), 1st Junior, 2nd Debutante (Dogs and Bitches), and it should be noted that the dog that "Claycliff Commander" took second place to was none other than that brilliant Comet Boxwood Barkentine, who was later crowned King of Westminster Dog Show, whose owner, Mr. Frederic C. Hood, had many fine eulogies to offer the Toronto youngster. Another Claycliff Airedale to win was "Claycliff Debit," 2nd Novice, in a strong class. In puppy bitches, "Parkdale Rose," a Toronto-bred bitch by "Claycliff Colonel," ex Matt Willerton's "Briar Rose," came out on top from a class 15 strong, and 3rd in same class was the Toronto-bred "Claycliff Chrystal."

This should serve to indicate the Canadians' strength in young Airedaledom on this continent. This good showing had the effect of bringing everything Canadian into prominence at this show, but that is another story. The other Canadian entries were all high class animals, and it must be borne in mind that the best Airedales alive were competing at this show, where a master hand made the awards, and not even the losers had any criticism to offer, and Theodore Offerman intelligently and fearlessly gave the greatest demonstration of Airedale judging that has ever been witnessed in America, and in saying so, we only reiterate the opinions freely expressed by fanciers qualified to know whereof they spoke.

**Bullterriers**—entry 57, and all the good ones competing, and Vinton Breese, controlling the rule. Ch. "Haymarket Faultless" was not there himself, but sons and daughters of his managed to keep their illustrious father's name to the front. One-fifth of the entry—approximately, was sired by the great "Faultless." "Lionheart," the Toronto-bred son of "Brockley Topper," ex "Belle Mahone," was awarded **Best of Breed**, with all the glory that that comprehensive phrase implies. The breeder, Mr. Fred W. Coles, was present and if there was a happier or more contented person at the Gardens than Fred Coles was after "Lionheart" was judged, then we did not meet that individual, and we met everybody there.

Reserve Winners Bitch, was also Toronto-bred, Ch. "Charlwood Ariel." The one and only John Miles was present, and could be found near the White 'Uns all the time of the show. W. W. Rooney and Stanley Wisdom, Montreal, were other Canadian breeders, who will be gratified to know that their contribution to the competition was very much in evidence in the prize winners' list.

**Boston Terriers**—150, and what class, too. Judge Heinlan should be thankful that the weights keep these classes to reasonable limits, because, if they ever all came together, we hate to think what could happen. T. Joyce, Toronto, won 2nd Novice Dogs, with "Joyce's Atta Kid." J. R. Constantineau (Montreal), Vince Perry and Jack Lunan (London), were only able to touch the V.H.C. mark, but we go bond for the truth of the statement that even V.H.C. was a mark worth striving for in this hotbed of high-class Boston Terrier stock.

**Fox Terriers** (Smooth). Here was a real nice little department, with a lot of nice stuff benched. F. H. Far-

well judged and we will say that he certainly likes a Smooth Fox Terrier better than anything else standing on four legs. Several top-notch dogs competed, and we were obliged to give the credit of their breeding to England and America, but when it came to bitches it was quite different, as the sprightly "Clapton Miss Rapture" took the first blue for her sex, in the Maiden class (Dogs and Bitches), and kept on through Debutante, Puppie (Bitches), Novice and Limit, and then succumbed to the unbeatable Ch. "Sabine Fernlike" and Ch. "Sabine Fragrance." Dr. Jas. W. Spring, the owner of Miss Rapture, was certainly proud of his little bitch.

**Wire Haired Fox Terriers**—140, and what a galaxy of beautiful specimens; 29 were catalogued to appear in the Puppy class, and about 20 actually got there. After a lot of sorting out the wonder puppy of the Specialty Show was placed on top. Novice dogs brought Canada right up, when James F. Strachan's (Montreal), "Ormsby Snowball" touched the red ribbon. In Debutante Dogs, Alf. Lepine's "Malden Dusky Sergeant" won for fourth station. Open (Dogs and Bitches), Bred by Exhibitor, saw the Strachan entry, "Ormsby Wild Rose" and "Ormsby Snowball" 2nd and 3rd, as written. In Novice Bitches, "Ormsby Wild Rose" won 2nd. In Limit, 3rd prize, while in Open Bitches "Ormsby Lillas" was placed 3rd, 3rd Graduate went to "Ormsby Wild Rose." The Ormsby Team won for 2nd Team. In Open Bitches we were particularly interested in the Canadian stuff, which we trust was pardonable, and we watched with abated breath "Ormsby Lillas," "Epping Monaleen," and the wonderful "Shadow Hill Melody" (bred, and lately owned, by Kneen & Pearson, Nanaimo, B.C.), the winner at the Specialty Show, but great minds do not always think alike, and we were off—just a little. The quality of the Wires was scintillatingly brilliant.

**Irish Terriers**—64. Sinn Feiners, and almost "ivery wan in a red coat." Home Rule must have pacified them, because a better behaved and more "gentlemanly" bunch of Micks would be hard to find anywhere. Jack Thorn-dike gives his "whys" and "wherefores" in another part of this issue, and Jack knows them better than we do.

**Kerry Blue Terriers**—10. Here was the disappointment of the show—for us. Only one class was provided, and it was enough—for this start. "Limerick" and "Shelbourne Lady" were both there, and they were responsible for four more, while "Sinn Fein," "Kil-

kenny," "Balgownie Jess" and "Balgownie Mike" either could not, or would not, tell us what they were, who they were by, or when or where they were born. So we hoped, for the sake of dear old Ireland, that the bastes were not Irish at all, at all.

**Scotch Terriers**—The only Scottie we met here, that we knew, was "Rosemere Sensation," an Oakville pup, who met a competition that was too strong for him to tackle—and beat.

**Welsh Terriers**—Here, indeed, was a pleasure, a score of neat and trim little Terriers, not unlike half-grown Airedales, and with heaps of quality to them, and we imagine they will become quite popular in America.

**Pomeranians**—A splendid entry of this attractive breed, and Harry T. Davis (Toronto), drew first blood for Canada, when his very pretty little black (under 7 lbs.) dog, "Wee Fly-away," flew off with 1st Limit and Reserve Winners. A good price was offered Harry for his dog and turned down, as being without sufficient attraction. McNaughton and Wickham won 3rd Limit Dogs (7 and under, sable), with "Pomeria Sunstar"; 2nd in this class was awarded to Mrs. W. Wylie's (Vineland, Ont.) "Cairndhu Goldshade." In Puppy Bitches, Canada had all the trump cards, and McNaughton and Wickham's "Pomeria Montella" won 1st prize, and "Tommy" Johnston won 2nd prize with "Zetland Night Shade"; both puppies are Toronto bred. The Novice class gave 2nd to "Montella" and 3rd to Mrs. W. Wylie's "Cairndhu Tiny Mite." Limit Bitches (7 lbs. and under, Sable). Here "Jimmie" Marshall's (Toronto) "Wee Sable Mite" went to the top, and we believe that "Wee Sable Mite's" new address now reads U.S.A.

**Pekingese** had a beautiful showing and a large entry in Open Dogs (over 8 lbs.). The Toronto entry, Ch. "Lo Hai Chi" won for second place in extremely strong competition.

The Variety Classes were chock full of red hot competition, and the Canadian dog was able to hold his own even when it came to this trying test of quality.

**Sporting Dogs and Bitches, any breed except Terriers.**

1. Dr. Joseph O'Connell's "Celtic Admiration," Irish Setter (bred by Frank O'Donohue, Toronto.)

2. Keltie Wilson's "Jenny Linn," Pointer. ("Jenny Linn" was a New Brunswick entry.)

3. R. F. Maloney's "Lansdowne Prairie King," English Setter.

4. Dr. F. J. Strahan's "Lunesdale Don," Pointer.

## CH. "FLORNELL LUCKY PEBBLE" IN DETROIT.

This well-known imported Smooth Fox Terrier, sire of "Walnut Distinct" and "Walnut Despoiler," etc., has been acquired by F. W. Reynolds, Detroit, from the former owner, E. H. Ingwersen, Chicago. Detroit is getting to be quite a doggie city, and many good dogs of all breeds are now kennelled there.

## BRANTFORD BOYS A LIVE BUNCH.

Brantford Kennel Club keeps at it all the time, and on Saturday evening (Feb. 4th) they pulled off a very interesting little matinee with about 60 dogs present for Doc. Briggs' inspection. Hamilton was represented by Mrs. Gammon, Mr. Smith and others, and they took back with them a goodly share of the specials that were up for competition.

In a recent article which appeared in Kennel and Bench, reference was made of Irish Terriers owned by Fred Kerr, and it has evidently touched a tender place in that old breeder's heart, as we learn that he has bought a good Irish Terrier female and is now on the lookout across the pond for a stud dog.

## CANADIAN WOLFHOOUNDS

Quite a number of new fanciers are taking up the Russian Wolfhound as their choice in dogs, and the good wins made at Madison Square Garden recently by the Toronto entry will, no doubt, add more recruits to those which we now have in mind.

Some months ago Mr. E. Beck, Toronto (who is chiefly responsible for Kennel and Bench when it is at the printer's establishment, and takes the utmost pride in the paper), bought from the Tolstoi Kennels a splendid bitch puppy, and soon was so enamored by his purchase that he induced a brother to buy from the same kennel (sister of the winning "Morvitch"), and now they have formed partners in a kennel, to be known as the "Zahftra" Kennels, and no doubt they will be heard from later.

"Zahftra of Tolstoi," the first purchase, is a sister to the history-making "Morvitch of Tolstoi," but from an earlier litter, has recently whelped a topping litter of nine, every one a nice specimen, and it is from the first purchases, and this newly-born stock, with possibly other buyings, that will form the nucleus of the kennel. Anyway, the Beck Brothers are enthusiastic enough, and all they ask now is, just a little more time. We wish them all success in their new venture.

### COLLIE CLUB OF NEW YORK SPECIALTY SHOW.

This was the 5th Annual Show to be held under A. K. C. rules, and had the best English, American and Canadian Collies benched for the expert Dr. Wm. Burrows, of Philadelphia, to pass the rule over. The Doctor is a breeder, and a good one; he is also a tower of strength to the Novice, as his timely article in a recent issue of our American contemporary, "The Dog Fancier," proves. In that article the Doctor tells everything in an open, frank manner, that must have been appreciated by every Collie lover.

The Alstead Kennels and the Bellhaven Kennels seem to vie with each other as to which of the two kennels shall be strongest in Collies. The former had just received the magnificent Collie female, "Alstead Seedley Queen." This bitch, while in Scotland, was known to the show-ring as "Almondbank Queen," and is by Ch. "Laund Logic," ex. "Almondbank Daisy," and she surely is a Queen indeed. The latter kennel had received the 12 Championship English crack, Ch. "Laund Logic," but even with all this glitter he couldn't pass the more masculine Ch. "Alstead Seedley Supremacy," under Dr. Burrows, which was quite according to Hoyle.

Canada sent two over and they slipped in close behind the English wonders, and had a wonderful time for themselves, and had for their combined share of the spoils, 1 first, 5 seconds, and 2 thirds, with 4 specials. Both were sired by Int. Ch. "Alstead Aeroplane," and were both handled by the sire's owner, Alex. Donaldson.

20 classes, 45 Collies. Best Dog on Show, Ch. "Alstead Seedley Supremacy." Best Bitch, Ch. "Alstead Attractive."

### FOR THE BENEFIT OF THE COCKER SPANIEL.

We have received instructions from Mr. Lance Farewell, Toronto, to reduce the Stud Fee of his great Cocker, "Admiration," the sire of that wonderful specimen, "Man o' War," from \$50 to \$30, which instruction we have attended to in this issue.

"Money is not everything to me, and I want every fancier to feel that my stock is at his service, hence my request, that you lower 'Admiration's' fee to thirty dollars."

We trust that the fancy will take advantage of this liberal concession and avail themselves of the services of this good stud force.—Ed. note.

### MISS LILA IVES DEAD.

The followers of the Pomeranian cult will grieve to learn of the death of Miss L. Ives, the talented authoress of the book, "Show Pomeranians," which has now been revised and published as a third edition. Miss Ives was a lover of Pomeranians, and Pomeranian fanciers, and in return she was loved by that fancy all over the world.

### THE PASSING OF A GREAT BULL- DOG.

One of the grandest Bulldogs the breed has ever known has passed to the "Great Beyond" in Mrs. Paul Malovitz's famous dog, "Irish Challenger," whose many qualities were known to all interested in the breed. His breeding was of the best, being by Ch. "Challenger," out of Ch. "Montem Susie," hence the reason for his exquisite quality. His progeny in England are of the highest possible order, and we hear of several in Canada that are showing promise of making history in the fancy, amongst them is one that Mrs. Malovitz intends bringing out at our future shows, and we hope he will be able to take the place of his illustrious "dad." We feel sure that the fancy in general, and the Bulldog fancy in particular, will sympathize with Mrs. Malovitz in her great loss, for we have lost one of the greatest outstanding dogs of the breed.

### IF WE ONLY KNEW EACH OTHER BETTER.

If I knew you and you knew me—  
If both of us could clearly see,  
And with an inner sight divine  
The meaning of your heart and mine,  
I'm sure that we would differ less  
And clasp our hands in friendliness:  
Our thoughts would pleasantly agree  
If I knew you and you knew me.

—Nixon Waterman.

### VANCOUVER KENNEL CLUB.

Vancouver Kennel Club is the latest addition to the ranks of Canine associations. Their show dates, April 28th and 29th, were granted by the Directors of the Canadian Kennel Club at their last meeting.

Geo. S. Thomas has been named as the judge, and this in itself will be a drawing factor of great power. The officers are very optimistic and are looking forward to one of the most successful shows ever held at the Coast.

Fanciers desiring to make entries will find particulars in our business section of this issue.

## COMBINED "TARRIER" SPECIALTY SHOW

For downright, honest-to-goodness desire to scrap, with or without provocation, you have to hand it to the Terrier breeds. From tail waggin', smirkin', smilin', dancin' roysterers, to tearin', swearin', letmeathim devils, it is only a step, and a short one at that, and if the entry at the First Field Artillery Armories, on Feb. 11th, 1922, had been let loose at each other, terriers in this country would only have been a memory since that day. The cream of all the varieties were out, and the judges had their hands full, pressed down, and running over on the day.

The Airedale Ring was the first to show signs of activity and soon the veteran Wm. L. Barclay was at his task. There were many upsets given to the dopesters' guess, as well there might be, for never, under any one roof, in any country, have there been so many really high-class, typical specimens brought together at any one time, and it must have been a herculean task on Mr. Barclay to have sorted them out as well as he did.

This was Mrs. Baldwin's day, and as an interested ringsider, had the satisfaction of seeing her new dog, "Warland Ditto" placed as best Airedale in his classes, and later for Best Airedale in Show. Chris. Shuttleworth handled his new charge in a masterful way, although the dog gave him a good stiff argument for it all the time.

#### Wire Haired Fox Terrier Section.

For the second consecutive year, Mr. W. P. Fraser, Toronto, placed the Wires at this fixture. Mr. Dan Lynn was the election of the Club in the first instance, but owing to illness was obliged to default. The entry was a flattering one for any judge, and a compliment was paid to Mr. Fraser when not a single entry was withdrawn following his late appointment.

## MONTREAL KENNEL ASSOCIATION'S NEW EXECUTIVE.

Montreal Kennel Association held their annual meeting on Feb. 7th, when real live interest was again strongly in evidence. Scrutineers, Dr. J. H. Villeneuve and "Owd" Bob Mills found the new executive committee to be comprised of Messrs. Lane, Ritchie, Trudeau, Ross, Neville, Robert, Gillespie and Nightingale, and it will be their task to create a consolidated fancy in their good city, where it is not considered crime to own a thirsty dog, or to own a doggie thirst.

## LONDON CANINE ASSOCIATION.

The above club are making ready for their fifth annual fixture, which takes place this year on May 11th and 12th. The President, Mr. Keays, is determined to mark this show down indelibly so that it may in future be known as the best ever put on in London.

Next issue we will be able to advise the extent of the offerings and the name of the judge. London is always an attractive city, and the fanciers there are all likeable people, who vie with each other in making their visitors feel comfortable and at home, and so, this year, we will not be surprised to see a record entry at London.

## A CANINE HERO.

Shortly after midnight on Feb. 27th, a fire broke out in the house of Mr. C. Smith, Archer St., Toronto, whilst the parents and seven children were comfortably asleep in bed. Their faithful dog, ever on the alert, immediately rushed to the bedrooms and by his frantic efforts and "dog sense" managed to arouse the sleepers by barking and scratching at the doors. A hurried exit of parents and children followed just in time, for a few minutes later their home was in flames. Had it not been for the sagacity and timely action on the part of this dog a sad tale would have been told.

## Hudson Bay Airedales

**THREE GOOD LITTERS**  
**Of Real Hunting and Sporting Airedale Puppies**  
**NOW FOR SALE**

From the finest combination hunting and prize-winning stock extant. Hudson Bay Airedales are well fed and kenneled right out in the open on the edge of a Northern Ontario wilderness, and in a temperature commonly of forty below. Not a flea within a mile of the place, and never has been. These puppies were hunted in quality hunting bitches all through the pre-natal stage on both small and big game. Accompanying photo shows a big red deer run down and killed by these Airedales after a four-day and four-night chase in a temperature at night of **fifty below**, during which they dug holes for themselves and slept in the snow! My friends, it takes DOGS to do this. Also some fine hunting bitch puppies from above litters, priced to move quickly. Strong, rugged youngsters, they are, and of unusual vigor and intelligence. Males—make guaranteed guards, pals, sled dogs and hunters—\$75 and \$100 each. Females—same litters—\$30 to \$50 each. Shipped absolutely on approval. If these pups are not found to have **more** intelligence and **pep** than any other dogs of their age the purchaser has ever seen, they may be returned to the Kennels within one week, and the purchase price will be cheerfully refunded.

**THIS STERLING LITTLE TERRIER CANNOT BE EXCELLED AS A SIRE. READ THIS RECORD.**

"Selected" has sired just five litters, last two being only six weeks old. Litter No. 1 produced "By Town Little Lady," Reserve Winners at London, 1921, and since sold to the U.S.A. "By Town Selected," who went so sensationally from Puppy to Winners at Montreal Kennel Association's Spring Show, 1921. "By Town Artist," 1st Puppy, 2nd Limit, Ladies' Kennel Club Show (Montreal) 1921.

#### THREE SHOW TERRIERS IN ONE LITTER!

Litter No. 2 produced "By Town Bootlegger," who went from Puppy to Winners, to Best Terrier in Show, all breeds, at only seven months old. This young dog, now 10 months old, is pronounced by experts to be one of the best now out.

Litter No. 3 produced "By Town Selected White," a beautiful all white bitch which went from Puppy to Winners Bitches and Reserve for Best Terrier, to her kennel mate, "Bootlegger." Then, coupled with "By Town White Lady," was best brace, all breeds, at Central Canada Exhibition Show (Ottawa) 1921.

Surely this constitutes a record—for a sire to produce three winners from the first three litters sired by him.

This really high-class, winning, young Smooth Fox Terrier was easily the sensation of the breed last season, coming out at only seven months of age, at the Fox Terrier Specialty Show, Hamilton, Mass., 1921. ## Would You Give Such Fellows Less Than the Best?

Neither for these fellows nor for the puppies that will become champions, do you want to be satisfied with anything less than the best of foods.

You want a food that can be depended upon to be good every time you buy it! You want a food that will be an actual body-builder—a maker of dog energy and health. But you don't want to pay a fortune for it, either.

Miller's A-1 Ration is fed in many of the highest class kennels all over the United States and Canada. It contains moisture, protein, fats, carbohydrates, ash and fibrous roughage in the scientific proportions for conditioning both puppies and dogs. And it's economical.
