It was moved and seconded that the applicants be received into membership. Carried.

A letter was read, which had been received from Wm. Robinson, a member of the Club, taking exception to the registration and transferring of the Pomeranian "Haughty Lady Betty," (C.K.S.C.B. 23871), (one of the dogs named in the recent forgery trial), and using the phrase "If such is the case, the whole question of registration is a farce."

The Directors ruled that the circumstance referred to in Mr. Robinson's correspondence had been properly treated by the Canadian National Live Stock Records Office, and that there was no justification for the correspondent writing as he did, and, that he be given thirty days to retract, the objectionable letter, failing which, he will be properly dealt with.

A complaint was received from an American fancier, stating that he had paid for a dog to one J. H. Ackerson (a member of the Canadian Kennel Club) last December, and that he (Bickle) could get no replies to his correspondence, and had not received the dog.

It was agreed to send the case on to Mr. Leonard H. Cooper, our Director for Alberta, requesting him to investigate and report.

The Secretary read a complaint made by James F. Strachan, Montreal, against

Alfred Lepine, Brousseau, Quebec, and advised the Directors that the latter had had no time to state his side of the case, and was instructed to advise the parties named: That the time is set for the consideration of the complaint, for Thursday evening, June 15th, at 9 o'clock, when both sides will be expected to be ready to submit their respective evidence to the Directors.

A complaint was lodged against Mrs. W. Wylie, Vineland, by F. Hipkiss, Toronto, regarding the result of a service that he had paid for, but which he claimed could not have taken place. The Directors instructed the Secretary to advise Mrs. Wylie, That in the interest of all concerned, the service fee be returned, and in the meantime the case stand over.

The Secretary reported that he had been advised by the Deputy Minister of Agriculture, that in his opinion, The amendments to Article 3, Section 3; Article 8, Paragraph 6; Article 8, Paragraph 7; Article 16, Sections 2, 3, 4 and 7 be approved.

That amendments to Article 3, Section 5; Article 3, Section 10; Article 11, Article 23, Section 5; Article 26, Section 1, Sub-Sections O and P, and Sections 2, 3 and 6 be rejected. The reasons were stated.

It was moved and seconded: "That the Secretary be instructed to make the necessary arrangements with the Canadian National Live Stock Record Committee with a view to a conference being held between that Committee and representatives of The Canadian Kennel Club, at the earliest possible moment." Carried.

The meeting on motion was declared adjourned.

THE GREATEST MUSER OF ALL TIME

Spent Most of His Life in Harness in Alaska

"Baldy of Nome," once the "toughest dog in all the Northland," died recently in an animal hospital in Berkeley, far from the long Alaska snow trails over which he "mushed" his way to world fame several years ago.

Driven by A. A. ("Scotty") Allan, "Baldy" was the lead dog in the noted racing team, owned by Mrs. C. E. Darling which won six of the All-Alaska sweepstakes races across the Seward Peninsula from Nome to Candie and back, 418 miles in all.

During the war a number of Alaska dogs sired by "Baldy" were shipped to Europe by the French Government for service in the snowclad Alps, and to-day, many are still overseas, where their "grey wolf's blood" won for several of them, the Croix de Guerre.

"Baldy's" last sweepstakes was run in 1917, and after the race Allan brought the dog to Berkeley, where he and Mr. and Mrs. Darling had settled. Two years ago, Mrs. Darling put "Baldy's" life story into a book, and also wrote some verses for the dog—things he would have said, if he could.

In the verse "Baldy," spending his last days here, was pictured as saying in part:

"I doze in the peace of a golden day,
To dream of a white land far away.

And sometimes I start when I think I hear

The peal of bells and a mighty cheer
That marked the end of the killing pace
As we crossed the line in the sweepstakes race."

"Baldy" was fifteen years old, and died of old age. He was born in 1907, and spent most of his life in harness, for he was only two years old when he was made the leader of the Allan-Darling team. He was buried beneath the rose bushes in the Allan yard here.

"He was a crossbreed dog," Allan said after his death. "His mother was a malamute, and the rest of him was 'outside dog,' shepherd and hound. He won the first three Alaska sweepstakes, and later three others. In all he ran in hundreds of races."—(New York Herald).

ASHTON MORE HU SHI COMES TO CANADA.

Dr. A. Bedard, St. Hyacinthe, Que., has just received the Pekingese Ashton More Hu Shi, from Mrs. Raymond Mallock, England. This fine female arrived carrying a dense coat of splendid texture and possessing a jet black mask that is much admired. Before shipment Hu Shi was mated to Ashton More Foo Kwai, and if the fates are generous, a substantial addition to our already strong hand in Pekingese should be the result.

Doggy Notes and News From the Old Country

By CAPTAIN R. J. DARTNELL, OF
THE "DOG WORLD," ENGLAND.

THE SHOWS

Entries keep rolling in, and week after week, the various Show Secretaries are writing of a new record in entries by their Societies. Manchester had 2,381, Kensington a one-day show, 3,607, and just as I am writing this, I learn that for the Great Joint Terrier Show, Mr. Holland Buckley has received 1,514 entries, and last, but not least, 350 approximately is the entry of Irish Terriers for the London and Provincial Irish Terrier Club Show—what numbers. Yes and what quality we have seen. The judges this year are earning every dollar they receive.

MANCHESTER.

Speaking generally, I was just a little disappointed for many prominent dogs were not benched in Alsations. We saw two new challenge winners, and I certainly consider that the Crufts' and subsequent Holland Park Dog Allahson of If, decidedly unlucky to not get higher than 3rd. Chows were in small numbers, but choice. Fox Terriers were the goods in Wires. Epping Emblem, Mr. A.A.W. Simmonds' well known dog not only took the Challenge Certificate, but won the Grand Challenge Prize for best in show, and it was a popular and well deserved win. Mr. G. S. Thomas with "Heat Wave" won the bitch championship. In smooths, Messrs. Howard and Hull, with "Ch. Adonis" in dogs, and Mr. Tylor with "Aire Belle" in bitches, took the certificates. In Bulldogs, competition was hot, and Mrs. Nichol had out "Hefty Master Grumpy," a big 10 months puppy that did well, and of which much more will be heard of later. In Airedales, Mr. Barker's "Dancing Girl" won the bitch Challenge Certificate, and I cannot do better than repeat the Judge's remark, "She is the soundest Airedale in the Show." She was of excellent type, and wound right through. "Invincible Nut" took the dog certificate. Pokes were good. Mrs. Clarke's "Ashdell Shanghette" scored another popular win in bitches. Collies were big classes of the best. Mr. Robson's "Eden Elegance" in dogs and Mr. Mansfield's "Ch. Laund Lynne" in bitches were the winners. Sporting dogs were numerous and choice. Spaniels being more than an average lot, and required some sorting. Bull Terriers under "Count Vivian Hollander" came up strong. They were well handled, and competition was good. I have a few copies of the full report if any reader would care for one.

HOLLAND PARK.

The great one-day Show of the Kensington Canine Society was a rush and bustle from 10 o'clock in the morning when judging started, until nearly 7 o'clock at night when the judging finished. Personally, a show of this magnitude is too

much in a day. It may be nice for those who do not believe in leaving dogs and benches for fear of accidents, but from a spectator's point of view, if he happens to be interested in several breeds, he has just to make up his mind what classes he will follow, and having picked on Bull-dogs, say by the time he leaves that ring nothing but the Grand Challenge judging remains, and by this time all the other dogs have left the Show. A critique of this Show will appear in my next notes, and by that time I shall have something good for Terrier men from the Great Joint.

Only one class will I mention now, and that is the Kerry Blues. They were a disappointing lot. Color ranged from a reddish black to a dirty grey—no two were alike, and it behooves those who have been pushing this breed, if they wish to succeed to come out right away with the standard of points, type and color, fix it and stand by it, for unless they do, well I think they will soon go under. There was only one really good dog there, and, needless to say, the judge found it allright.

AN INTERESTING DECISION.

At the Airedale and Bulldog Club Show held on Easter Monday, an interesting point arose. The Bulldog Judge, Major Jackson and the Airedale Judge, Mr. E. T. Tree, failed to agree as to which was the best dog in the Show, each wishing to put the best of the breed he had judged up, and neither would give way, and in the absence of an allrounder, Mrs. Phyllis Robson, the editor of the "Dog World," a keen Bulldog expert, was asked to referee, and she awarded the prize for best in Show to the Airedale "Boy," the property of Mr. F. Booker, a real shower, and a grand dog who will be heard of again—a decision that was very well received.

SOME NEW CHAMPIONS.

Amongst the recent new champions are Mr. H. W. B. Tweed's "Scottie," "Lairden Lumen," Mr. W. J. Onion's "Bedlington Deekham Shepherd," W. G. S. Thomas' Wire "Last of Ganster" and Dr. Atkin Greenwood's Pom, "Tweedle-dee of Vertikop."

BREEDING TIP.

The aim of all should be to have the best, and therefore care must be taken in breeding. Never mate two like faults is a maxim that can never be too thoroughly impressed on the novice breeder. Bad eye to bad eye, bad front to bad front, weak quarters to weak quarters, any of these examples and similar ones mean trouble all the time.

Another thing to remember—that the greatest winner and perfect show dog and bitch are not necessarily the best for reproduction. Know the Stud Dog you use, have a good look at the stuff he has

thrown, don't depend on his wins and name in the show ring. Many a dog absolutely useless for show, is often the best Stud Dog, and when you have mastered breeding, you will know who to mate for the Bench. It is just the knowledge that makes for success so that whenever you put a bitch to Stud, first know your Stud Dog, and then no matter if you keep one or twenty bitches, keep a record of the results, and study this at your leisure. You will see where you have gone wrong, if you have done so, and will be able to prevent this next time. It will save you heaps of disappointment and bring you bags of money.

THE KENNEL FLOOR

I was recently very amused at a reply given to a novice by a well-known expert on this subject. The question asked was, what is the best flooring for a Kennel where many dogs are kept, and in his reply, the expert plumped for concrete, stating there is nothing so sanitary, for it can be cleaned with a hose pipe and brush. He then turned to wood and said, a plank floor harbors moisture and, fleas take refuge in the dust between the planks. Ye gods! I was alarmed at first, and then gave way to a quiet chuckle. Now I disagree. Concrete is darned cold, and has a habit of sweating, and I should be reluctant to house my dogs on concrete if I kept a large Kennel. A wood plank floor is good enough for me, if I use a little care and forethought, and if you do so it will be good enough for you, and I will tell you how to proceed. The floor must slope, and under the house at the front you should have an 8 x 2 inch plank, well tarred, which lifts the front of the house eight inches off the ground, and use planks longwise, each rising one inch more, until the last is 12 x 2 inch, this gives a four inch slope from back to front.

Wait, I can still hear you say, but urine will impregnate the boards and make them give off an unpleasant smell, but under my system it will not, for I caulk up between the planks and then cover the planks and the sides of the house from 12 to 18 inches up from the bottom with boiling tar, in which I have dissolved in boiling, about one pound of pitch to a gallon of tar. I can use my hose on this house, and clean it whilst the sides up from the tar I periodically lime wash, and there is no dirt, no smells, and certainly and emphatically, no fleas.

ARE FOX TERRIERS DETERIORATING

This very interesting query that arose in the early part of this year may be of interest to Canadian fanciers. The opinions then expressed over here was that

the high standard of excellence in this grand old variety was hardly so sound as it was in pre-war days.

Now, there can be no gainsaying, that, prior to the war in 1914, the only apt description that could be applied to either Smooth or Wire Fox Terriers was truly wonderful. Even in those days we had fashions in dogs, and while many varieties came into popularity, and then faded away, the Fox Terrier always had a big following, and many a crowd we had to push through at the judging ring when these famous Terriers came up for judgment.

I have no hesitation in saying, however, that in the very near future, that the Fox Terrier will be quite as good, if not better than in 1914, if the puppies that I have seen recently at the big shows are any index of these that are to follow.

What was the cause of this going back? you may ask, and I reply—the war. Whilst in response to a question some may ask as to what the war had to do with the matter? I reply, everything, and if you will bear with me for a short while, I will explain. In the early days of the great war, the breeders of dogs had many difficulties to contend with, for in deference to a request from the Government, the Kennel Club called a halt in dog breeding, and like true sportsmen, dog breeders loyally responded, and in the result, many famous Kennels closed, whilst others reduced their Kennels, and in this way breeders lost the use of valuable brood bitches in top hole form and condition.

The loss of these wonderful matrons in their prime was indeed great, for, many in their patriotism, I believe, destroyed very valuable bitches,—in a recent conversation with an official of one of our greatest dog homes, and an excellent judge and expert, he told me that at the time they were destroying not hundreds, but thousands a week for some time, and dogs of really high quality.

Now, whilst the breed for this reason went back a trifle, there is nothing to get worried about, and probably the matter was ventilated a little by some one who had tried for a good matron, and being unsuccessful, raised the point. For it has been practically impossible to persuade an owner of a good bitch to part for some considerable time, and quite right too. If a man has the goods and knows it, he would be a mug to part.

Towards the latter end of last year, many fine puppies came forward, and they are now coming along, and the right goods too, during the last month or so, and if there was an after-war set-back, it is fast being rectified, for at Leicester, and again at Kensington, we saw some promising stuff.

At both these shows, Mr. Francis Redmond, that great pillar of the Fox Terrier fancy, was showing a bitch puppy for whom I predict a big future, already I

learn he has refused many tempting offers, and I don't blame him for this bitch promises to be as good as any that has come from the famous Tottendge Kennels, and incidentally I heard Mr. Redmond remark he had others equally as good to follow. Now, although I have written in words of great praise of this young bitch, believe me, she did not have all her own way, and that great judge, Mrs. Losco Bradley, had a job with her first four at Kensington, so that even if the Fox Terrier fancy, at the end of 1922 cannot say that they are as good as they were in 1914, I predict that 1923 will see the Smooth and the Wire as good as they ever were on the Bench.

JERRY O'CALLAGHAN HAS LICENSE RESTORED

Irish and other terrier fanciers will rejoice in the knowledge that the popular Jerry O'Callaghan has had his Judging License restored by the American Kennel Club, the same to be effective as from April 18th, 1922. Terrier judges of ability are not so plentiful that men of O'Callaghan's type can be dispensed with, and we are pleased to see him back in the ranks of the "worthy and well qualified."

MENDON MICKS MULTIPLY

An army of Micks,—twenty-one answer the roll-call at meal times—out of "Brentmoor Blinkmore" bitches, and all by "Ch. Mendon Mike," are at present disporting themselves at the Mendon Kennels, and are as husky a bunch of Irishmen as one would wish to meet anywhere, and if growlin' tarin' rarin' an' swearin' are Sinn Fein characteristics, then there must be several embryo de Valeras in the bunch. However, M. S. Kilby hopes that from the crowd, Canada will be worthily represented at New York Show next year, and depends on the combination of "Ch. Reprieve" and "Double Shear Blood" to turn the trick in his favor.

REG. SPARKES GETS IMPORTED BITCH

The live-wire President of the Bulldog Breeders' Association has secured a daughter of "War Loan ex Wooda Molly," and bred by H. Lampson, England, that he expects to introduce to the Canadian Bench at the first opportunity. Shown only once in England, she made her debut notable by winning the following prizes at the Kentish Town Open Show: 1st Novice, 2nd Graduate, 2nd Limit, 2nd Special Limit, 1st Open and 3rd Variety. She is a heavy-weight brindle, and as the above shows, she comes to Canada, well recommended, and should add further strength to Toronto's holdings in Bull bitches.

A NEW FEATURE FOR OUR DOG SHOWS

A very pleasing innovation which was introduced by the **Morgan Supply House, London, Ont.**, and featured with much success at the recent Dog Show held by the London Canine Association, was a duplicate in paper stock of the prize ribbon, and took the place of the well known prize card, that had a certain color, and stated First, Second or Third, as the case might be.

The Morgans House had noticed that fanciers preferred to make a display of the ribbons actually won by their pets, they also had heard of the frequency that such exhibitors had their priceless ribbons stolen, and so the duplicate ribbon was born, and because they cost less than the cards, and because they cannot be distinguished from the genuine silk article, and besides they cling closely to the benching where they may be tacked through a perforation for that purpose, they are bound to become very popular.

Mr. Morgan is very enthusiastic over the idea, and has repeat orders coming in continuously from Show committees who have tried the new scheme out and enquiries from committees who have only heard of the innovation, and he claims that the cost is a mere bagatelle, the only cost being that of the stock, plus the printer's time, as the arrangement is already set up for the silk ribbons that are required by the show giving Club. The size is that of the ribbon itself, and the color the Blue, Red, or Yellow, as required by the rules of the Association giving the Show.

At London, the exhibitors spoke highly in favor of the new idea.

"KINGSWAY MAN O' WAR" A WINNER

"Kingsway Man O' War," the sixteen months old Canadian-bred Bulldog, bred and owned by Dr. T. S. Sleeth, Vancouver, who done so well as a puppy at the Vancouver Exhibition, has matured nicely and won well at Seattle Show, under Mr. Dan Shuttleworth, where he went to best of breed, and came right back to the Vancouver Kennel Club Show, under Mr. George S. Thomas, and again won for his breed, and later for best non-sporting.

This good son of "Kingsway Squire (Imp.)" out of "Futurity Real Lady (Imp.)" she by "Ch. Cintra Sam," was early spotted as a more-than-likely specimen, and has now developed as expected, and if the fortunes continue to favor him, he has still a bright future ahead, to secure further laurels.

PREFIX GRANTED.

The Kennel name "GAINSBOROUGH" has been registered in the name of Mrs. R. A. Lambert, Montreal, Quebec.

Telephone City Kennel Club Show

The Telephone City Kennel Club held its spring show on Monday, May 1, and after two day's hard work had the satisfaction of having it voted a success. The customary raft of special prizes had been collected and placed so that all breeds had a chance to win a rightful share. The banquet, an especial feature of the club, was again arranged for, and provided itself a real homey, get-closer-together affair. Next year this feature will return to the place of its origin—the St. Julien Hotel, where the well-known "Romanoffs" reign and rule supreme, personally, a roll of butter served by mine hosts of the St. Julien, would taste sweeter than all the viands of Brantford, when served by an almond-eyed Celestial, no matter what his caste would be.

Charlie Perrins, the Chicago handler judge, failed to report on schedule, which was very disconcerting to the officials, and for a time they were quite worried. However, this young club has always been favored by fortune, and so it was again, and several fanciers were on hand, any one of which were able to throw out the life-line and save the awkward situation. Mr. G. (Dad) Ward, just returned from England, was first choice. Sam Bamford, Norman K. Swire, and even Bert Swann were named as "likes," but it fell to Mr. Swire to clothe himself with the judicial robes that had been set aside for Mr. Perrins, who, we have since learned, was very sick and could not meet his obligation to the club, much to his chagrin.

Bostons, Airedales, Fox Terriers (wire) and Collies were the strong breeds, and Brantford itself was a strong contender for consideration in all four and scored in Airedales and Collies, quite distinctly as reference to our award columns will show. The show secretary, Charles M. Smith, brought out a home bred in "Brant Mischievous Boy," and the mischief-maker landed on top in the puppy class and held his advantage through to open dogs, where he met the more mature dogs "Lucknow Comet" and "Claycliff Tip Top", who were placed over him as written.

One hundred and sixty-five dogs were benched, and amongst them were most of the best specimens now before the public giving the show a very distinctive appearance. This was very striking in the class for open wires (dogs) when five pretty nifty specimens faced the judge and

brought forth much favorable comment from those well qualified to criticize.

Reverting back to the banquet, we must compliment the 1922 president, Mr. F. Beney, on his arrangements. Here he presided over about sixty fanciers, many of whom we met at the first festive board prepared by the club, and whose presence was a testimony of their loyalty to their club. Several were new faces and likely material. The chairman called upon all the visitors in turn and all had some happy words to offer the show and its management. Mr. Jos. Russell, president of the Canadian Kennel Club, offered a timely talk that was greatly appreciated by one and all. Mrs. A. Patterson was asked to take a huge share of the credit for the success of the fixture, but the lady with the winning ways, very cleverly disclaimed the honor, and in a very neat little speech succeeded in distributing the honors to every one who had, in any way, worked for the club since their last annual gathering, and finished by declaring that the next banquet would be housed at her place, and where she could look after them all as they needed looking after.

The show earned one point. Following are the awards:—

CANADIAN JUDGE MAKES A "HIT" IN THE STATES.

At the Nassau County Kennel Club Show held on May 13th at Belmont Park, L.I., our well-known Pekingese expert, Dr. R. S. Richardson of Mimico Beach, officiated as judge of his favorite breed, the "Pekes," and drew an exceptionally large entry of high-class dogs. His work was characterized by careful and honest decisions which met with the approval of all, and it is quite safe to assume that the doctor's services will be in demand at future American fixtures. Watch him grow popular over in Uncle Sammie's country.

FAMOUS COLLIE MATRON DEAD

"Champion Weston All Quality," who many a time was heralded through the columns of KENNEL AND BENCH, as Canada's best Collie Bitch, after living exactly eleven years, passed on to join the great majority of her kind recently. Bred by Tom Milner, of "Weston" fame, "All Quality" was the progeny of the illustrious Sire, "Champion Southport Sample," out of "Champion Weston Queen O' Quality," and she by the great "Champion Ormskirk Foxall," and so was bred right, and it was no wonder that she produced right.

At the Canadian National Exhibition, held in 1915, "Weston All Quality" went to reserve winners, and with her three sons, and two daughters by "Champion Parbold Picador," who won 1st, 2nd, and 3rd in puppy dogs, 1st and 3rd in puppy bitches, one of the dog puppies going to reserve winners. The gains were \$84.00 cash, and eighteen special prizes, and all from the famous "All Quality" and her family. "Champion Coltness Clinker" was one of the litter, and he brought fame to his Dam by winning 2nd limit and 2nd open at the Dog Show of all Nations, held in connection with the World's Fair at California, November, 1915, where the great W. E. Mason was superintendent and the equally renowned Joe Burrell gave out the prizes.

London Canine Association Spring Show

London Canine Association Dog Show was held this year out at the Western Fair Grounds, the Armouries having been secured by the Royal Guards Band, now touring Canada, otherwise the Dog Show would have been a more profitable affair, from the "gate" viewpoint. Most of the dogs that had been benched at Brantford Show, in hand, and lent a lot of real quality to the feature.

Inside the building were red commodious benching that had been liberally treated to abundance of good oil paint of an agreeable color. Straw was plentiful, and the dogs seemed to be satisfied, and left off growling for a spell. Mr. Keays the popular president, was satisfied, but would have liked a larger entry of dogs, and their supporters. A covered-in space was provided for the crates, which was at once a shelter and a shady spot. The ring was a real ring for the first time, and it was much nicer to have the enclosure for the exhibitors themselves without the trespassing of their friends.

Mr. Jack Meadows was the judge selected, and he carried out his duties to suit himself, irrespective of how they pleased the other fellows, which, of course, was his privilege; yet he seemed to take plenty of time, examined the contenders carefully, and no doubt placed them as he seen them. We noticed several situations where good opportunities were thrown away, by careless handling. While, in one class, we had an exhibition of how to do it, and how not to do it, the class referred to was when the Collies came together for best of breed, here Mr. (Uncle) Ted Ward showed his charge. "Seraph" in the English fashion—on the long lead, and she showed up splendidly, and won many admirers, while he, of the opposite sex was picked bodily up by his handler, and thrown down in a heap, and was expected to "bring home the bacon" that way, but it was too much of a handicap, and the pretty "Seraph" was awarded the honor, although only between coats, and that, quite scraggy. A collie must be handled like the gentleman dog that he undoubtedly is, if his virtues of quality are to be properly demonstrated to the party who has charge of the favors. We appreciated the judge's patience with the dog we have in mind, in this class.

OUR REGISTRAR'S MOTHER DIES.

To every active fancier, the name of Sydney Harvey is possibly the best known of all, his name appearing on every certificate of registration issued, he being registrar for the Canadian Kennel Club Stud Book, at the Canadian National Live Stock Record Office. Well, Mr. Harvey was a mother's especial comfort, a circumstance which gave him much real joy, but on Saturday, April 29th, after a long period of patient suffering, the dear little mother was released from her pain, and slept peacefully into eternity and a well deserved rest.

We bespeak the sympathy of every fancier to our good friend, and trust that the knowledge of our multiplicity of concern, may soften his sorrow and cheer his heart.

Vancouver Kennel Club Show

The first dog show under Canadian Kennel Club rules was held in the British Columbia Manufacturers' Building, which is situated in the heart of the uptown business section. The building was well lighted and well ventilated, while the benching was all new giving the Show an enticing appearance. The Show Superintendent, Norman McConnell, has often been credited with being a past master of show managers, and his personality was in evidence all over this fixture. His right and left bowers were the Club's President, George H. Galvin, and the Secretary, J. C. Davies, (Snap).

George Steadman Thomas judged the 200 entry in his usual able manner, and found quite a percentage of his work brought out but little competition, 1st and 1st and 2nd being the rule in many classes. Airedales came out strongest and in open bitch class eleven faced the judge, 10 of which bore the well known "Skokie" prefix. Bostons, Bulldogs, Cocker, and English Setters, were breeds that came out strong, bringing heaps of real quality along with them. One of the latter, Peg o' My Heart, owned by F. T. Turner, was judge Thomas' choice for best dog in Show. A placing that was well merited and well received by an enthusiastic ringside. "Ch. Billy Obo, Jr." added another high honor to his big list, when he was awarded highest placement for animals of his sex—all breeds.

Two hundred and two dogs were benched (certified) and three championship points earned by a small margin.

"CH. CRUMPSALL STYM" DEAD.

Dr. John Lehner, Pittsburgh, Pa., advises us that his home-bred dog, "Ch. Crumpsall Stym," died, May 6th, at the age of ten years and nine months. Born, August 6th, 1911, a good age for a bulldog.

PREFIX'S GRANTED.

The Kennel name "GLENDALE" has been registered in the name of K. Whitelaw, London, Ontario.

The Kennel name "LIMESTONE" has been registered in the name of Mr. J. E. Brunett, Kingston, Ontario.

NOBODY WANTS AIREDALES.

If any fancier thinks as above, they want to wake themselves up. The Northcliffe Kennels have had ten of their bitches whelp since last September, and have not a young pup to sell to-day, although their females "Northcliffe Julia," "Pansy" and "Floss" are at present rearing 24 babies between them at the Kennels.

"Northcliffe Prospector" will soon be placed at stud on the merit of his blood lines only, and without the advantage of a bench record, and as the Irishman said, "There are 'raisons in everything.'" Possibly this arrangement will not be without reason.

MONTREAL COCKER FOR NOVA SCOTIA.

Mrs. J. H. Enright, Montreal, has sold her noted Cocker Spaniel, "Ch. Enright's Center Star," to a fancier in New Glasgow, N.S. The dog reached his new home on April 5th, and made a favorable impression for himself on his new owner, Mr. James T. Cumming, from the start. Mr. Cumming is very well pleased with "Mick," and in acknowledging his arrival, pays a nice compliment to the seller in the following words:

"He (Mick) is just what you represented him to be, and measures up to the description outlined in your correspondence."

This, as may be supposed, was much appreciated by the former owner of "Ch. Enright Center Star."

An Ancient Landmark Removed by Death

LATE JOHN MILES.

Just as we are closing our last form for our June issue, comes the sad news, that dear old John Miles, of Bull Terrier fame has been called to his final rest. Many of our readers will recall his rollicking jolly banter which was so characteristic of our friend, when he was losing, or when he was winning. In his latter days he had set his soul on the registration of his wonderful Bull Terrier, "Brockley Topper," a dog who had sired many of our present day's best specimens, but his cherished object was denied him for reasons that were absolutely naked of justification, and the denial was indeed a cruelty to a man of such well known integrity, as John Miles, whose memory will long be revered by a million friends, and no enemies. By his death is removed at once a prominent landmark, and a pillar of strength to the dog fancy in general, but particularly so, the Bull Terrier.

The president of the Canadian Kennel Club on learning of the demise of Mr. Miles, ordered that a suitable floral tribute be sent, together with a message of condolence, in the name of the officers and members of the Canadian Kennel Club, to the bereaved family. It will be interesting for Bull Terrier followers to learn that our late member associated himself with our Association on September 10th, 1906, and had been in continuous membership ever since, a period of sixteen years, and that we consider his passing has left a gap in our midst that may never be filled.

To many who can only recall a casual acquaintance, the subject to the left of the page will be well known, as he never tired of singing the praises of the great Inferno. A masterpiece of his generation, and a model for present and future breeders to breed and build to. The White 'Uns—both men and dogs have lost a genuine friend in "old John."

Other Interesting Particulars

Mr. Miles was a Devonshire man, and was born at Chagford, on May 29th,

1845, so he had just approached his 77th birthday, when he was called to rest. Forty-two years of his life was spent in Canada, and over twenty years he lived at 491 Ossington Ave., so long associated with his name. A builder and contractor, he was always busy, but never so busy as to miss a dog show of any importance, and only last February, he had the Show fever so badly that the Westminster Kennel Club Fixture had to be taken in, and although he was quite disappointed with some of the placings, yet no one heard him complain, or met him without his characteristic smile. A much respected member of the Sons of England Society, a connection which gave him much pride. Those left behind are Mrs. Miles, two sons, and two daughters.

The Funeral

There was a great concourse of friends attended the funeral ceremonies. Twenty autos, and each bearing a consignment of mourners. An old friend in the person of Mr. A. Young (father of Mrs. Peter Herd, Toronto), came all the way from Richmond Hill to pay his last respects to a friend of over fifty years' standing. Both men having met and worked together at Montreal, when they first landed in Canada, another old timer to attend the funeral was John H. Kenyon, who felt the loss of his old friend Miles very keenly. The Canadian Kennel Club was represented by Directors Norman K. Swire, Jack McNaughton, Dr. J. A. Campbell, (Hon. Veterinarian), and James D. Strachan; representing the Eastern Collie Club, was Frank Metcalfe. The Bulldog Breeders Association was represented by Mrs. F. Lacey, wife of the Association's Secretary.

Rev. J. G. Bowles, minister of the Wesley Methodist Church, of which the late Mr. Miles was an adherent, officiated in a most sympathetic way, and brought solace and comfort to the large family in their bereavement.

THE GREAT INFERNO,

Sired by Dufferin Ben Hur, Dam, Epsom Countess Grey. Born Jan. 28, 1907. Bred by John Miles, Toronto.

History Making at Montreal Dog Show

The Joint Dog Show at Montreal was the runner up in point of importance to the birthday of the City itself. And concurrent dates proved ample for both events, Montreal scoring its 280th anniversary of its foundation by Paul Chomedey de Maisonneuve, and the Dog Show scoring, beyond the hopes of its most enthusiastic supporters and we have never seen anything approaching this fixture, barring, of course the Canadian National Exhibition, when it is considered that 400 canines were gathered together you will know what we referred to, when we said "History Making at Montreal."

The two all breed Clubs, and the four specialty Clubs that embrace all the fanciers of Montreal had joined together to help make the fixture a landmark in Canada. Did they succeed? Don't be foolish. Why, certainly they did. Montreal Kennel Association entered as their "Team" Len W. Halliday, Chairman, Jack Steer, Bob Ross and Harry Silver. The Ladies' Kennel Club entered Mrs. A. Trudeau, Miss C. J. La Violette, Miss Vera Robson and Mrs. Bourgeois, and in our estimation, they should be placed as written, though under another judge, this placing might easily be reversed. The Bull Dog Club of Canada Incorporated (emphasis on the incorporation) had as their representative, H. J. Thomas. The English Bull Dog Club were represented by their Scotch President, Allan C. A. Chisholm. The Belgian Police Dog Club, was represented by J. T. Neville, and the Shepherd Dog Club of Canada had their interests cared for by Amedee Trudeau, and the combination as a whole was a marvel of efficiency, and Len Halliday was as proud a man as we remember ever having seen in charge of such a varied executive, and drew for them many paeans of praise.

It is hard to mention certain individuals, and leave out others, but in this report we do not intend to do such a thing, and so we come next to Dr. A. A. Etienne, who held the dual office of treasurer and veterinary, and although we cannot say how much he took in, or paid out, we can vouch for his anxiety to see that nothing could enter the building without his giving it a careful scrutiny, and when they got past him, they were fit company for the gathering of the canine clans of Canada, there assembling. The Show Superintendent, C. C. Costar, as his names implies, C. C. seen to everything, and if he had been fixed up with a speedometer, his mileage would have astonished him. They speak of Show Superintendents who can smile and keep their serenity in all the different phases of a Dog Show, but Costar takes the special for best of his breed in that respect. While Secretary A. E. Hutchison, was like the proverbial small boy, he was there

to be seen, but not heard, and true to the tradition, Mr. Hutchison just plugged away continuously and there were no delays from his department, and the joint efforts of the officers we have named and who were in constant attendance through the duration of the Show, was phenomenally successful, and we again congratulate the Chairman, Mr. L. W. Halliday, upon his preferment in leading as good a working aggregation as we have ever seen in action anywhere, and that goes. Mr. Halliday said a mouthful when he said:—

"I would also like to personally thank all the members (especially the ladies) who have laboured long and untiringly on behalf of the fancy at large. This may not be the perfect Show, but we have, each and every one of us, done our utmost to make it so."

This testimony and tribute to the Chairman's co-workers, was eloquently earned, and was at all times easily discernable.

The judges were the well-known American handlers, Ben (Old Benny) Lewis, and Frank Addyman, both men were in rattling good shape, and their task, a real arduous one, was finished in splendid fashion, and with much credit to themselves, and when, on the last evening, and last hours of the Show, and the unclassified specials were called for, they looked as bright as new dollar pieces. The first special was a gorgeous Shield, donated by the chairman of the Joint Show Committee, Mr. L. W. Halliday, who is also President of the Montreal Kennel Association. The special was to be won outright, which was to be expected the donor considered. When the dogs trooped into the ring, they were all sizes, sexes and breeds, foreign and domestic, and the sight was one for the gods, a huge ring had been specially prepared, and the crowd that lined the ropes, was a real crowd of expectant sportspeople. Suddenly all was quiet, not even a bark was heard, F. Addyman looked the contenders over, and it was clearly noticeable that he favored the Winnipeg entry, "Ch. Sultan," a huge St. Bernard, owned by N. Pirroton, and ably handled by Art Picard, who as a handler, is as good as the best. Ben Lewis had them all parade, and then brought to the platform, when several were asked to retire. This weeding out continued until "Ch. Sultan," and the beautifully balanced wire-haired Fox Terrier, "Ormsby Wild Rose," daughter of "Int. Ch. Ridgeway Dark Boy," and owned by James F. Strachan, Montreal who was present at the ringside were left on the platform. Mr. Addyman declared there was nothing to it only "Sultan," but he surely was alone in his contention, and the pretty little "Wild Rose" was a fit blossom for any victor's

laurel, and either way would please the crowd. On the block stood Western Canada's representative, his credentials were the very best, for had he not come here direct from his great Winnipeg triumph best of all breeds,—or as the Westerners say, Grand Champion, and placed there by none other than the expert all-rounder George S. Thomas, also Canada's best bet on the little wire bitch. Benny Lewis just loved her, and found many excuses for returning to where she stood proudly showing off her many charms, finally he yielded in favor of the upstanding "Ch. Sultan" who had been posing beautifully, and the uproar of cheering that followed will long be remembered by Art. Picard who so ably handled the winner. It was a splendid spectacle to see the east and the west on the same block in an eastern city, and the honors handed to the western dog amidst a chorus of approval, add to this the fact that the loser in this case, was one of the first to offer felicitations to the victor, and the sum total will show that the spirit of sportsmanship is pretty well developed amongst our fanciers generally. We congratulate both owners alike, and remark that we note, that it takes real pluck to send a dog carrying so much avordupois from Winnipeg to Montreal for a Dog Show, everything considered.

Only lack of space prevents further notes, but there was lots to write about at this show, and we hope to see many such fixtures materialize in Montreal, and all good sportsmen lined up to participate in the good work.

C.K.C. PRESIDENT IN A NEW ROLE

We have just learned that Mr. Joseph Russell our respected President, will judge the Wire-Haired Fox Terriers at a prominent Specialty fixture down Boston way. The executive in charge are to be complimented on their selection of judge, too.

On Their Golden Wedding Day

MR. JOHN H. KENYON.

It is very seldom that we find the pages of a sedate Canine Journal given over to Society Notices. Still, we must make a precedent—if there is none—and chronicle the festivities that marked the celebration of the Golden Wedding of one of Canada's very oldest dog fanciers, John H. Kenyon, Toronto, who had travelled from May 13th, 1872, until May 13th, 1922, in double harness with the sweetheart of his choice. Repeatedly John had "kicked over the traces," but patient Mary—his better half—had as often righted her high spirited team-mate, John.

Two hundred friends were invited, and they all came, and everyone seemed to have brought another friend along. The venue was the High Park Club Parlors, which were taxed to capacity, and to quote from Mr. Kenyon himself, "Who are they? Where did they all come from? I never knew that we had so many friends before," and Mrs. Kenyon seconded John's motions.

Toronto holds John Kenyon to be the daddy of the dog game in Toronto—if not in Canada.

As a voluntary committee consisting of Dr. J. A. Campbell, Jack McNaughton, N. K. Swire, and J. D. Strachan held up the faithful, and with their booty, secured for the celebrants, an oak case which contained eighty-four pieces of Adam pattern community silver, on two decks. The gift was proudly shown to all and sundry by the recipients, Mr. Joseph Russell, the jolly little president of the Canadian Kennel Club was placed in the position of Toastmaster, and was ably supported by Mr. Jack Doughty, the Mayor of Mimico, and Albert Bromley, old friends of the Golden Bride and Groom, other notables from Canine circles were Fred. W. Jacobi, Norman K. Swire, Jack Waggitt, Mrs. McNaughton, Mr. and Mrs. Wm. Wickham, Mr. and Mrs. Bert Swann, Mr. and Mrs. W. C. Ingram, Mrs. R. S. Richardson, Mr. and Mrs. Jack Bruce, I. Johnston, D. Johnston, Mr. and Mrs. F. Bennett, Mr. and Mrs. James Marshall, and we apologise for the short memory that may inadvertently leave out the name of any other worthy fancier, that we may for the moment forget, Jack Eagan, Galt, and "Bob" Ross, Montreal, were present, only

in spirit, as no doubt many other good friends were too.

The programme arranged that a grand march should line up and greet the silver haired Host and Hostess, and it was clearly evident that a pair of swelling hearts were receiving the good wishes of a myriad of friends, and the Prince of Wales had nothing on our old Jack and his good old wife, in the matter of hearty handshaking, as their admirers passed the chairs of honor.

"It's too much for us, Jim lad." "We can't stand no more of it." That's what John said—but he is still alive to tell the tale, and rumor has it, that he is going to vote for the repeal of the 18th amendment, so that his friends may properly celebrate his Diamond Wedding, which will be held—we hope—on May 13th, 1947, and as the time flies so quickly, that is none too long to wait for the fun.

Toasts to "The King," "The Old Couple," "Our Dear Friends—Past and Present," were drunk with much enthusiasm. Cards, dancing, and general merrymaking was the order of the day. "Bill" Marr, and his talented family, assisted by Wm. Wickham and Miss Muriel Bennet, (Dogdom's favorite elocutionist) had a concert programme that was a wonder for its great quality and variety. The chicken salad, that gave the warning to "Look out,—Bobby Brown's lost his pet pup," and the "Hot Dogs," labelled "Look out—or, you'll miss your chance." Coffee "with a cinder in it—maybe," and so on and so forth, will show our readers, that all differences can readily be forgotten when King Enjoyment is on the throne.

At three o'clock a.m., Chairman Russell called his next item on the programme, and was rewarded by the sight of 300 people getting a "move on" for their coats and hats. Sure, he wondered what it all meant, so, it was quietly explained to the man, that the folks had to be permitted to leave in time to get home for business, which was quite true. So, half a programme of rare quality has been reserved for the Diamond Jubilee.

It is not generally known that our versatile friend John, was a poet of no mean order, but the following lines will prove sufficient to satisfy you all.

OUR GOLDEN WEDDING DAY

**They don't all have them, Mary dear,
They come but once in fifty year.**

They make some folks feel old and grey,

**But then with you, it ain't that way.
Your hair is silver, dear Mary o' mine,
But you're just foolin' with Father Time.**

**You've got a grip of life that'll hold
Land sakes, Mary, you'll never grow old.**

There's love in your eyes—I see it there,

MRS. JOHN H. KENYON

As plain as the silver in your white hair.

It shines from your heart, with a steady ray,

That makes one sure, it's there to stay.

Why, Mary, you're my Sweetheart still,

Through thick and thin—my whole life through,

**My Sweetheart you will always be—
Through time, and through eternity.**

John H. Kenyon.

Mrs. James Marshall sang the beautiful ballad "Mary," and made such an impression on her auditors that the chairman was obliged to ask her to repeat the refrain several times, the effect was electrical, and everyone present felt that they were chanting a paean of praise to the silver haired Mary who with her betrothed were setting out on another stage of life, Mrs. Marshall has sung sweetly at many of our doggie gatherings, but on this special occasion she captured the heart of every one of her auditors.

Both our host and hostess were born in Lancashire, England, meeting at Haslingden, and starting on the race of their married life from there, so the secret of their famous prefix is now solved. Seven children were born of their alliance, five boys and two girls, five of which are dead, and it is rather more than a coincidence, that it is the oldest and the youngest of the family who are now alive, and were present at the celebrations.

Mr. Kenyon spent last winter in Florida, and from photographs (which, some day we may be permitted to reproduce) we have seen, it was no wonder he came back a new man, and full of pep. Next winter we will insist on mother Kenyon accompanying her hubby to Florida. Several of the very first friends made by Mr. and Mrs. Kenyon, after their arrival in Canada, were present, and included Mr. and Mrs. T. W. Sewell, of Windsor, Ont., Mr. and Mrs. Jones, (Mr. Kenyon's Hatter), Hamilton, Ont., while Mrs. Watmouth left Regina to be present, but was obliged to leave the train, en route, on account of sickness.

Now, in the name of the dog fancy on this continent, we offer to Mr. and Mrs. John H. Kenyon, our congratulations.

FORT GARRY KENNEL CLUB SH

Special to KENNEL & BENCH, by S. Jackson, Winnipeg

The Fort Garry Kennel Club, Winnipeg, Man., held their Fourth Annual Spring Show, May 4, 5, 6, at the Board of Trade Building, in the large and spacious Convention Hall.

N. F. Harding is to be congratulated, as Show Superintendent for the manner in which he staged the Show, located the breeds and attended to the feeding and watering of the animals.

T. P. Murray, the new secretary of the Club, deserves a great deal of praise for the able manner in which he conducted the Show, and his courteous treatment to all patrons of the Show.

A five point Show was easily reached by the officials of the Club in the selection of George Steadman Thomas, of Hamilton, Mass., as judge of all breeds, and it is needless to say, Mr. Thomas was the magnet which drew the entries, and the attendance.

The almost unanimous opinion of fanciers and dog lovers was, George Steadman Thomas, is one of the best canine experts who has ever donned the Ermine at a Winnipeg Show.

While there was a few who took exception to his placings in the Wires and Russian Wolfhound classes, the ringside critics, and the big majority applauded his selection heartily.

The Boston Terrier Club, of Western

Canada, made the largest entry, and a pleasing feature was to see Perry Biller score best Boston with his old favorite "Wheatland Shop Girl." "Globe Tiny Tim," the property of Messrs. Lunan & Perry, London, Ont., got Winners Dogs, thereby completing his championship. "Miss Colleen," owned by Mr. W. H. Morgan, Calgary, Alta., got Reserve Winners in females. The judge stated that she was easily the best Boston in show, if she were taught ring manners, and shown a little heavier. Yes, George S. Thomas knows a Boston to a nicety.

Frank Gorth, the veteran Cocker fancier, was well to the fore with his two exhibits, "Swift's Admiration" and "June Blossom," scoring second best puppy in Show, with "June Blossom."

George Kynoch, of the Silverdale Kennels, made a very large entry, and as usual, broke records, carrying off a great many cups and specials.

Harry Selby, the popular Regina handler was on hand with a string of dogs, and took back with him, a number of firsts and specials.

George F. Ridge benched seven of the nicest English Setters ever seen in Winnipeg. It is rumored that for a very large figure, the judge secured them all for his kennel.

Dr. Snider, Hon. Veterinary Surgeon of the Club, neglected his business, and

gave all his time to the Show, to look after the dogs.

The entry of the "Toys" was very poor, but quality good, in poms, and Japs, Mrs. E. R. Mitchell's grand little black bitch, "Highland Primrose Morn," easily secured her championship, and annexed quite a number of specials. In the finals she was awarded, best opposite sex to best in Show. This must have been very pleasing to Mrs. Mitchell, who was told at the last Fall Show that her female was not any good, and did not secure a place.

The selection of such men of integrity, as George S. Thomas, is to be highly commended, and Alex. MacKidd, President of the Fort Garry Kennel Club, who was mainly responsible for the selection, looks like placing the local Club where it belongs in Canadian dogdom.

Springer Spaniels were a big feature of the Show, Mr. E. Chevier, making the greatest display of the breed ever made in Canada. With a few more of our gentlemen fanciers again becoming interested in our sporting dogs, the outlook seems very encouraging.

Racing Whippets were also a grand display. Fred Gates, a pioneer of the breed in Canada, benching about twenty fine specimens.

Mersey Bulldog Kennels had a strong entry of thirty various breeds, and Mr. and Mrs. Adams were very busy during

This magnificent picture shows 16 of the 22 Springer Spaniels benched at the recent Fort Garry Kennel Club Show by the proprietor, E. Chevier, who travelled to Montreal Joint Show and won their class.

The Bulldog Club of Canada Specialty Show

Kennel and Bench, Pittsburgh, Pa.
Toronto, Canada,
Mr. James D. Strachan, Editor.
Dear Sir:—

I certainly was greatly surprised when I entered the show ring of The Bulldog Club of Canada, and saw so many good dogs and fanciers. Competition was keen in a great many classes, making it very interesting for both fanciers and spectators and a better lot of boys I never met in all my life, who won and took their defeat like real fanciers, and always came back smiling.

A brief description of the four winning dogs.

The winning dog, "Realmont Topper," owned by Mr. W. W. Marshall of Montreal, a pure white dog, weighing a little less than forty-five pounds, with a capital skull and foreface, good barrel ribs, layback and under jaw, with plenty of wrinkle and expression, very short in back, and a good reach, good shoulders, finished with a short tail set on low, temporarily a little off in hindquarters, but a very good dog.

The reserve winning dog "Kersal White Gladiator," owned by that brilliant fancier, Mr. Fred Charbonnier, of Montreal, a white dog with brindle markings, weighing about 50 pounds. Very attractive dog, best of condition, with very good shoulders, and nice flat skull, good wrinkle and layback, and a pair of the nicest ears I ever saw, and a very good stop. Could have a little more rib, and a little shorter in back (not to say he is long, I am just comparing with the winner). Believe me, "Kersal White Gladiator" is a hard dog to go over. He gave the winner a very close run.

Winners bitches brought a new one still in her puppyhood, a light brindle heavy weight bitch, weighing about fifty pounds. A bitch of real quality with real bulldog coat, and smashed up face, good bone, layback and lots of underjaw, a turnup, and good stop and sound as a bell. Could be shorter in back and have a little more rib. A good mover, and a dog that will do a lot of winning.

Reserve winners bitch, "Alston Belle," a white bitch with brindle markings, weighing less than forty pounds. Owned by Libby and Ross, of Montreal, with a very good long flat and square skull, nice ears and carried them to perfection. Good cut-up and very short in back, short down tail and fair mover. Could have more rib and better shoulders, but easy the best reserve winner.

Dr. John Lehner, Judge.

BULLDOG FANCIER REAPS FINAL REWARD

The members of the bulldog fraternity and especially those of them who live in Toronto, will learn with much regret of the death of Mr. Wm. MacPherson, who was quite active in Toronto's doggie affairs from the birth of the Maple Leaf Kennel Club in January, 1919, until the date of his death. Bulldogs and Wire Haired Fox Terriers were his favorite breeds.

Our late member had other activities besides the dog fancy, as the following clipping taken from the Masonic Sun (April) will serve to show:

"Bro. William McPherson, head of the 'Alive' Bollard firm, tobacconists, in the Yonge Street Arcade, died last month, after an illness of some weeks, at the residence of his mother-in-law, Mrs. Arthur Bollard, 9 Whitney Avenue. The late Bro. McPherson, who was forty-five years old, assumed control of the business when the late Mr. Bollard retired some years ago, and he was well known, and highly respected in the business community. He was also prominent in Masonic circles, having been a member of St. Alban's Lodge; St. Alban's Chapter, No. 217; Antiquity Chapter, No. 91; Geoffrey Preceptory, and the Shrine."

—Masonic Sun.

We are deeply grieved at the passing of so good a man as our good brother McPherson, whose death only goes to prove the uncertainty of human life. Here was a big, strong, healthy man, in the prime of his life, just snapped like a twig, and is no more, only in the memories of those of us who knew the man, and who loved him greatly, and we extend to his family the sympathy of all our members.

"Hefty Monarch's Progeny scored well at Birmingham show last week. Eleanor of Stourton, the young bitch, took six 1sts, and Barnards Green Charity was reserve for the Bitch championship, and both are by Hefty Monarch."

Isn't that remarkable—"Ten months after this noted sire has been in Canada—almost one whole year? I leave you to judge for yourselves."

THIS STERLING LITTLE TERRIER CANNOT BE EXCELLED AS A SIRE. READ THIS RECORD.

"Selected" has sired just five litters, last two being only six weeks old. Litter No. 1 produced "By Town Little Lady," Reserve Winners at London, 1921, and since sold to the U.S.A. "By Town Selected," who went so sensationally from Puppy to Winners at Montreal Kennel Association's Spring Show, 1921. "By Town Artist," 1st Puppy, 2nd Limit, Ladies' Kennel Club Show (Montreal) 1921.

THREE SHOW TERRIERS IN ONE LITTER!

Litter No. 2 produced "By Town Bootlegger," who went from Puppy to Winners, to Best Terrier in Show, all breeds, at only seven months old. This young dog, now 10 months old, is pronounced by experts to be one of the best now out.

Litter No. 3 produced "By Town Selected White," a beautiful all white bitch which went from Puppy to Winners Bitches and Reserve for Best Terrier, to her kennel mate, "Bootlegger." Then, coupled with "By Town White Lady," was best brace, all breeds, at Central Canada Exhibition Show (Ottawa) 1921.

Surely this constitutes a record—for a sire to produce three winners from the first three litters sired by him.
