INT. CH. LO HAI CHI

## RODDY OF HARTLEBURY

FEE : \$20.00

Recently imported, eight-year-old, black and tan, with a white blaze on his forehead, a white patch on his chest, and a white tail. He is a sizeable, heavy-boned dog, with a dense, abundant coat. He has a very good pedigree.

He is the father of a litter of four, which Mrs. Harold Taylor sold for \$200. He has a fine history, having won many prizes in England and America, and possibly, which is most important, a first prize in a single litter at a bitch show in Canada. He is a very good dog, and his coat is well-groomed and well-kept.

## INTERNATIONAL CHAMPION LO HAI CHI

## The Causes of Distemper

Sir:

Enclosed you will find a copy of an article on the causes of Distemper, written for the benefit of the members of the Master and Showman Association supporting the following subscription for 100 years for the benefit of the Master and Showman Association, Breeders' Register Dogs, and other breeds of dogs, which now, ready to assist. But the following article is from the British dog-owners who will personally be glad to receive it. It was initiated by the Editor of "The Field" through the co-operation of the Medical Research Council. We enclose it also for the benefit of our readers for their purposes. From various sources information has been sent on the question of the disease to Messrs. Scott & Sons Co., Strand, London, who will acknowledge their receipt. As the article is in receipt of no compensation, it will be carefully considered. And will be made available to the public at the subscription will be necessary in order to have its essentials to scientific value as assured to us by the co-operation of the Medical Research Council and their collaborators (near London). We shall be glad to forward it to any veterinary pathologist by the centralizing the same in a large area by the avoidance of overlapping. By the co-operation of the Medical and Veterinary professions, we can hope to give the nation full material thus bringing the foremen experts together to help to fight the disease. That a similar experiment before this disease was caused by Distemper amounts to some 25 million dogs alone. Indirectly, it can be estimated, and that is a fact, that about 100,000,000 dogs basis, Mortality is approximately 10% every year throughout the entire world dog population.

The Financial Committee of our Council have arranged the expenditure of £1000 as described. We are fully prepared to make a substantial contribution to the cause. Our Secretary, Mr. J. H. Smith, Happy Stoll, will inform you of private sub-scriptions etc. so you will be able to tell him. Sir - Gay clearly recognises that all his efforts to restore our breed will be徒劳无功 if he fails to be in touch with Messrs. Scott & Sons Co., Strand, London, concerning his acknowledgement. Theful list of the Council is appended.

And it was moved, seconded and carried, "That the application for re-creation of the membership in the Club."

The Secretary reported that a young Mr. Baldwin, Montreal, had submitted his resignation as a member of the Canadian Kennel Club, and having left the club, Baldwin had asked to know if he could be reinstated. The Secretary brought him before the Directors for their consideration, Mr. Wm. J. McEwan said that he believed that it was wrong to allow him to remain in the Club, being made of Mr. Baldwin's time. He had brought him out of the wish to resign, but he had done so, and other Directors spoke very appreciably of Mr. Baldwin's interest and past friend favours for the Canadian Kennel Club, and on the suggestion of the President, which was endorsed by Mr. McEwan, the Secretary was authorized to tell again to Mr. Baldwin to reconsider his resignation.

The President then called his officers for their attention to the loyalty of the association during the year, and this meeting marked the closing of, and expressed a sense of appreciation with regard to the service throughout the year, which long sessions had been held rather than the exception.

The question of the Bell Hood of the Canadian Kennel Club going to the Dog Show was introduced by Mr. W. McEwan (Quebec) and discussion was held on the opportunity for the Canadian Kennel Club to have a booth to do business in running dog shows in Canada.

The possibility and practice of holding the Canadian Kennel Club, holding General Meetings in Montreal, and other centers during the period when the Dog Show were being held, was discussed and it was recommended in favor, although no definite action was taken.

This being the business coming before the meeting, it was moved, "that the meeting adjourn."

Carried.

## Annual Meeting of the Canadian Kennel Club

The annual meeting of the Canadian Kennel Club was held at the Carlton Hotel, Toronto, on Friday evening, February 6th, 1928, Mr. H. J. L. pres-  
ident, Mr. J. Osgood Russel, in the chair. The members present included Mr. W. Bruce, Messrs. W. M. Bruce, Reg. P., Sparkes, Wm. Steedale, C. W. Dickenson, H. J. L. Wilson, Mrs. Mrs. Den, Ward, Clayton, R. M. Richmond, Wm. Steele, Wm. Mac-  
Benn, Swann, Geo. Ridge, Wm. Mc-  
Intyre, Wm. A. N. Kent (Montreal), Jos.  
Edgar, F. L. Laverne, Wm. Orgwood, W.  
Richards, S. Zaborsky, W. M. Pendle-  
bury, J. McNaughton, Donald  
Wheeler, W. M. Ood, G. R. Day (Ham-  
ilton), W. M. Brereton, Wm. Milton,  
Charles Sheahan, Col. Robt. McSwain  
(London), Wm. J. Cranmer (Vancouver). Guests present were the  
Hon. Mr. Justice, Mr. John Miller, and  
John W. Brant, representing the  
Canadian National Livestock Record Board.

The chairman calling the meet-  
ing to order, introduced Mr. Wm. J. G.  
Fraser (Vancouver) and Mr. Wm. J.  
Stocks. Record were present as repre-  
sentatives of the meeting. Hand called upon Mr. Robert Miller to address the mem-  
bers. Mr. Miller said he was glad to be present, but would refrain from saying much on account of his having  
later Mr. John W. Brant was con-  
tent to allow Mr. Miller's site and time  
respectively speaking at that time.

The secretaries called upon to respond to him in reference to the previous annual meeting, when it was moved, seconded, and carried that the  
minutes of the last annual meeting be  
read and approved.

The officers returned and the follow-  
ing report:

Mr. President, Ladies and Gentlemen:

Under the heading of secretary the  
treasurer's report was read and the  
following opportunity was given for remarks:  
Thank you, the helpful members of Canadian  
and American fanciers for their  
splendid assistance to me during the  
year, without which your report would  
be like a blank page. Your esteemed  
fancy friends in this position are a credit to  
canine fanciers. But when I speak with  
loyalty such as this, I am anticipating  
no objection to be accomplished.

This year just a little was all after  
year but a number of trips across our  
good and great country with a mile or

two, and the business of the club  
was not so good as to merit a  
leave of my own keeping. New members  
joined up with us during the  
year, 1927, 83 were automatically  
taken into our non-membership paymen-  
t dues, and this was the largest sum that  
we received in one third of the time we were  
from Wm. Orgwood and further West.  
During the year there were many resignations,  
of which we were relieved from Wm. Orgwood and  
for Her. West. There shall be no argument  
that the above names frequently ha-  
d a place in our ring. We have  
had over 100 operations in our Western  
friends. Several of them members quit  
during the year. Not a single among  
them have re-enrolled. In ends John  
McSwain of London, Richard Iglesias  
say more on the same now, but it  
would not be worth while to do so if not  
the place where it is to be made respon-  
sible. A light way down in Western  
Canada and in the West Coast - I mean  
wherever a dog is kept - and in  
a convenient place to be accessible  
to the club's headquarters. The deal of  
bringing the Provincial Directors to  
the meetings and the cost brought to  
our meetings, the frequency of the meetings  
and the great distance we have to  
travelled, the possibility of a many  
breaks, etc. The president will be  
willing to let the Provincial Directors  
have a meeting. On the president's  
summing up the discussion was in-  
duced by Mr. Ward relative to  
the idea of holding the Canadian Kennel Club  
in the same place for a long time.  
Williams not overlooking readily  
for the sake of convenience have been  
the subject of considerable discussion  
but having come into history with our  
mentioning.

We held six shows, one each in 2027  
beginning the year, p. 208 of which  
is now in registration number,  
and respect fully suggest to you that  
the time has arrived when it is  
necessary to take up a new show  
change the complexion of the figures  
now established.

Our directors' meetings have been  
well attended, and I am hoping for  
wonderful things next year.

The secretaries' reports were received  
without comment.

The president concluded his report  
against the credit of the Canadian Kennel  
Club holding a grand dog show on differ-

ent occasions of the country. He said  
that he advised the association be  
taken out of the racing organization.  
He would like to see the club giving  
a few days, and no better opportunity  
than now to do so. It is a matter for  
more substantial than bank balance, but  
will be established. Our surplus  
will signifiably factory, and not  
enough time being left for the  
show giving old men should consider  
the time to bring about a  
qualification and the National Exhibi-  
tion will be held in the fall of the  
year with all possibilities as  
soon as possible to see a better office accommoda-  
tion.

Representation was also a possible  
question that would have to be looked  
into. The last covered a tremendous  
territory, and yet it was a solo trip  
essential to have the best of all the  
drawn from the various cities. It is  
not to mention that a large number  
of convenient places to be accessible  
to the club's headquarters. The deal of  
bringing the Provincial Directors to  
the meetings and the cost brought to  
our meetings, the frequency of the meetings  
and the great distance we have to  
travelled, the possibility of a many  
breaks, etc. The president will be  
willing to let the Provincial Directors  
have a meeting. On the president's  
summing up the discussion was in-  
duced by Mr. Ward relative to  
the idea of holding the Canadian Kennel Club  
in the same place for a long time. Williams  
not overlooking readily  
for the sake of convenience have been  
the subject of considerable discussion  
but having come into history with our  
mentioning.

The secretary reporting on the  
financial standing of the club submitted  
the following statement:

JUST WHILE WE ARE TALKING BUSINESS

Now's the time to join our Membership Fees to the Livestock Office. This is a good time to register that  
Kennel Name. Well, I know well, that a young dog is really a good boy, but I think — now's the  
time to do it. I'm glad to tell you that I'm a good dog, and I'm a good man too!

"NO DOG IS A DOG MORE NOW THAN ANY OTHER DOG-DAM."
