The minutes of the September meeting were read by the Secretary, and on motion were declared approved.

And it was moved, seconded and carried: "That the bills be paid."

The following applications for membership in the Club were presented by the Secretary:—

Albert Forget, 631 St. Andre, Mont-

real, Que.; A. W. Willgress, Nanaimo B.C.; S. Free, 743 Ossington Ave., Toronto, Ont.; Dr. James W. Ross, 64 Bloor St East, Toronto, Ont.; Cecil Taylor, 66 Westmoreland Ave., Toronto, Ont.; F. G. Mansfield, 94 Rose Ave., Toronto, Ont.; J. M. Rudolph, 503 8½ St., N.E. Calgary, Alta.; Greenwood & Lockhart, Beamsville, Ont.; George H. Fields, 83 Simcoe Street E., Hamilton, Ont.; R. G. Marshall, Milden, Sask.; Robert Magee 180 Waterloo St., St. John, N.B.; Charles A. Flower, Uno, Manitoba; I. J. Finlay, Rapid City, Manitoba; L. Coutard, 100-104 Fourth Ave., Verdun, P.Q.; Wm. Crawford and Jos. Perkins, 205 Queen St., Toronto, Ont.; Fred G. Wheldon, General Delivery, Windsor, Ont.; S. McLaren, 111 Seaton St., Toronto, Ont.; Theodora Katharine Smyth, Strasbourg, Sask.; Forest T. Keene, 22 Walton Ave., Sherbrooke, Que.; Humphries & Cowell, Box 238, Norwood Grove, Man.; Dr. J. A. Archambault 59 St. Catharine Road, Montreal, Que.; J. H. Milburn, 323 Fourth Ave. S., Saskatoon, Sask.; H. G. Nelson 37 Forbes Avenue, Guelph, Ont.; Mrs. T. S. Boldero, Vancouver, B.C.; W. B. Cleland Lynden, Ont.

And it was moved, seconded and carried:—"That the applicants be received to membership in the Club."

The Secretary read the following complaint and protest submitted by James Cassina:—

"Dear Sir,—I beg to enter herewith a formal complaint and protest to the Directors of the Canadian Kennel Club, under the provisions of Section 3, sub-section 10 of the Constitution and By-laws of the Club, against William Stockdale, for refusing to deliver to me a dog named "Dauntless Dan," entered by him at the Dog Show held in connection with the Canadian National Exhibition on September 3rd, 4th, 5th and 6th, 1923, at the price of \$200.00 which

dog was claimed by me at that price in accordance with the rules.

I submit herewith in support of my complaint a statutory declaration made by myself and exhibits referred to."

Declarations were read and exhibits carefully scrutinized and as the principals were in attendance the Board agreed to hear them. Mr. James Cassina was supported by his agent, Mr. Bert Swan, and a witness in Mr. Thomas McEwan, while Mr. Wm. Stockdale appeared in his own defence. After hearing both sides, there was a doubt remaining, that it was considered the Superintendent of the Canadian National Exhibition could only break, and the matter was left over for decision until Mr. F. W. Jacobi could be present or make a statement.

The Secretary read correspondence from the Canadian National Live Stock Records Office, and was instructed to prepare an article for Kennel and Bench on the matter, and it was agreed:—

"That Mr. C. S. Scott be prohibited from becoming a member of the Canadian Kennel Club, and that the registration of any dogs bred, owned or imported by him be excluded from registry dating from Dec. 8th, 1921, the date on which he fyled the spurious pedigree."

The Secretary reported that he was waiting to hear further from Dr. Charles Madden in respect to the Madden vs. Malovitz complaint.

A petition signed by twenty-four members of the Canadian Kennel Club was submitted, which read as follows:—

"We, the following members of the Canadian Kennel Club, request you to call a Special Meeting of the members; you to state date and place."

The Secretary reported that the petition only showed nineteen members signing who were in good standing in the Club, and pointed out one signature who had not paid dues since 1920. The Secretary was advised to communicate this intelligence to the party concerned, that was impracticable, there being no address showing whereby any principal could be communicated with. Agreed to lay the matter on the table.

Mr. Charles Bowerbank was present by invitation of the Board of Directors. Upon entering the room, the Secretary told of the several complaints that had come from Mr. Bowerbank's customers, from the Records Office, of his (the Secretary's) own complaint. The corre-

spondence was on exhibit. The Secretary told also of abuse received from Mr. Bowerbank over the telephone. Mr. Bowerbank indignantly denied the several impeachments, and after he had retired it was moved, seconded and carried:—

"That Mr. Charles Bowerbank be given 30 days to tender an apology to the Secretary of the Canadian Kennel Club."

This being the business coming before the meeting, the meeting was declared adjourned.

#### DOGGIE DOINGS AT VICTORIA, B.C.

The Victoria City Kennel Club opened their winter programme with a Parlor Show on Saturday evening, Oct. 13th. Mr. C. A. Goodwin judged the shooting dogs and Mr. J. W. Creighton judged the remainder.

Twenty-seven different breeds were represented, and the total entry was ninety-seven dogs.

Mr. Creighton started off with Pomeranians. The sizes of these varied somewhat. The bigger ones were truer to type, but they certainly were larger than the prize winners at home. There was one marvellous little miniature model called "Baby Huffy." It took the special for best Toy puppy in show, best novice Toy dog and best non-sporting puppy. This puppy stood out (in spite of its absurd size) among the other exhibits.

There was not much competition in Pekingese, and these again would not go far in strong competition. The winner, an imported dog, "Sutherland Avenue Mitsu," was quite good. Personally, I prefer Pekes to be chun red in color and do not so much like fawns or sables or parti-colors or blacks. However, "Mitsu" eventually took the special for best Toy dog, and he deserved it.

Maltese, Japanese, Welsh Terriers, Sealyhams and Bull Terriers produced one specimen only, and therefore had "walk overs."

Two excellent specimens of Griffon Bruxellois were shown. They both belonged to the same lady, and were called "Pinochie" and "Fudge" respectively.

There was more competition in Spitz—in fact they were the largest class in the show. Four white ones and one black one competed. The "colored gentleman" had faulty ear carriage. The others were a level lot, but one was not up to standard in coat.

The Airedales were distinctly good,

but came in singly with no competition.

Wire Fox Terriers were disappointing, but I fancy the best one met with an accident and did not compete.

The Smooth Fox Terriers had nice, long lean heads and straight fronts, but were far too big.

Irish Terriers again gave no competition except in open dogs, when two specimens came in the ring. These were all larger than they ought to have been, and one was not true to color.

There were only three Scottish Terriers; one of these, "Craiglands Heather Bloom," was best Terrier in show and best members' Terrier.

The White West Highland entry was poor—one puppy and one adult.

Three Bulldogs were exhibited, all of them white with pied markings. The winning dog was a great fellow, and he took the special for best non-sporting dog, and richly deserved it.

There were several Boston Terriers. This is a breed that is never seen in England, so I must hide my ignorance under the cloak of silence.

In the Collies there was a puppy I liked immensely. He had great length of head and dense coat.

The English Setters were a really nice lot. The winning puppy, "Broomfield Challenger," also took three specials. He was best sporting pup, best dog pup, and best puppy in show.

Gordon Setters could be improved upon, and there was only one Irish Setter, and he was a huge dog.

The Spaniels, Springers and Cockers were, as might be expected, good.

One team of Retrievers was shown. They were a lovely lot, especially the dog "Puck." I understood he was imported, and he certainly favored the type of Flat-coated Retriever that I know so well. This dog took the special for the best sporting dog in show.

From my experience of show specimens it appeared that some of the dogs were bigger than their show standard. This was most noticeable in the Smooth Fox Terriers and the Irish Terriers. Some of the Toy dogs were shown out of coat, which was a great pity.

All the same, it was a very nice little exhibition, and it is most cheering to know there are so many good dogs in Victoria.

## Nova Scotia Kennel Club Show

Nova Scotia is the baby club in Canada in name only. As it has been written down in history that their first show earned the possible number of championship points, an achievement when the geographical location is considered, is nothing short of phenomenal. With fear and trembling, their venture was born, and from a few local supporters their club grew in strength, until barristers, ministers, King's councillors were all enrolled as members, and to their great and lasting credit they all felt it their duty to "take hold of things," and they did. Mr. Robt. A. Ross, the Montreal "ace," was selected to place the entries, and Robert ("Bobby") Laskey was imported from New Brunswick to superintend. So with these two hustling "Bobbies" steering the show ship it ran in smooth waters from first to last, and at the banquet which followed Mr. R. H. Murray, K.C., the club's president, who presided, was enthusiastic as to the success of the venture, and to all who had in any way made the show the huge success that it certainly was. Many little helps were called in while the club was organizing, and the show problem was being considered. Our New Brunswick director, Mr. W. W. Laskey, going down to Halifax when transportation was practically at a standstill, by the will of God. Bill, having wide experience in show work, no doubt proved a tower of strength to his Nova Scotia friends, and he is deserving of much credit for his voluntary assistance. Mr. J. H. Crockett, Field Secretary for the Canadian Young Men's Christian Association, a valued member of the Canadian Kennel Club, and the sportsman unanimously selected to be general supervisor of Canadian athletes at the Olympia, also did his little bit to encourage the lads of Nova Scotia, who were just "tuning in" on doggie affairs. On top of this a secretary was found who proved himself a diamond, Mr. C. St. C. Stayner, his assistant, Mr. T. L. MacDonald, was an "aide-de-camp" worthy of the name. Mrs. M. G. MacKinnon, show secretary, also calls for special mention, but we are advised that the effort was a common one, and no slackers were found in the outfit responsible for the fixture. We are able through the courtesy of a Nova Scotia admirer to reproduce a picture which serves to show in a practical way the public support given. See the crowd around the ringside? It is as dense as any to be found at any of our larger

shows. The light thrown on the judging block unavoidably blurs what otherwise would be a most interesting group of fanciers and dogs. The benches, loaded down with their canine occupants, can be seen tier after tier as far as the eye can travel. Mr. Ross is down in a characteristic position "taking the quality" of the exhibits before him. The blackboard may be seen, and it is intelligently posted. The ring is commodious, and the "block" is roomy, the whole a perfect setting for the purpose of dog showing. Every dog from far and near was on the bench, and still we notice that Mr. Ross, who is the greatest exponent of withholding prizes for lack of merit, a valuable trait in the man, seldom withholds for this cause at Halifax show.

Officially, we have never done business with show officials in Canada who gave us more satisfaction than these men at the Eastern Coast. Everything called for by our rules was lived up to, no minor detail was overlooked, and it is with much pride that we introduce to the show-attending public of the Dominion the officers and members of the Nova Scotia Kennel Club.

#### SIR LOMER GOUIN GETS GOOD COCKER.

Mrs. J. H. Enright, Montreal, has just delivered a splendid specimen to Sir Lomer. The youngster is by "Ch. Ottawa Fascinator," out of "Enright's Blossom," and is only one of a great many puppies sent out to exclusive homes where their value is appreciated, and Mrs. Enright was quite unable to meet the demand, so plentiful were enquiries after good Cocker this year.

## Beagle Trials and Bench Show

The recently-organized Central Ontario Beagle Club staged four days of good sport at Mono Road, Ont., commencing on October 9th. The weather conditions, while very pleasant for the gallery which followed the trials, was not considered ideal by any means by the judges who were in charge of the fixtures. i.e., Mr. A. J. Ridenour, W. J. Archibald, and John H. Klein. Mr. Frank Walker, the Kennel Editor of Rod and Gun in Canada, and secretary of the Canadian National Beagle Club, was marshal, and in conjunction with the other judges made the sport very interesting indeed. We had anticipated a report from Mr. Walker, but as we are compelled to close and go to press without the report, we naturally feel disappointed. The trials were the first in Ontario for a long time, and were worthy an expert write-up.

**Class A, Derby for Dogs and Bitches** (13 inches and under), whelped on or after Jan. 1st, 1922, had 7 entries, and finished: 1st, Dr. Haigmeir's (Kitchener) Haig's Flossie; 2nd, A. Selling's (Elmira) Elmira Blue Sox; 3rd, Dr. Haigmeir's (Kitchener) Haig's Twister; Reserve, R. Long's (Elmira) Swastika Topsy.

**Class B, Derby, for Dogs and Bitches** (15 inches and under), 7 entries: 1st, Harry Taylor's (Toronto) Dick Swiveller; 2nd, J. Parry (Sandwich), Chippawa Lady; 3rd, Thos. Beath's (Detroit) Jim Hendricks. Reserve, W. Fliman's (Aldershot) Yankee Doctor.

**Class C** (all age bitches), 8 entries: 1st, W. Rankin's (Elmira) Walls Fairy; 2nd, Robertson & Crothers (Toronto) Monte; 3rd, E. W. Marshall's (Woodville) Gypsy. Reserve, Mrs. Jas. Hendricks' (Windsor) Canadian Belle.

**Class D** (all age stake), for bitches 15 inches and under, 7 entries: 1st, Dr. Haigmeir's (Kitchener) Buckeye Bess; 2nd, Harry Nolan's (Brantford) Swampy Maid; 3rd, Harry Taylor (Toronto), Scott's Melody. Reserve, Jim Hendricks' (Windsor) Jenny Lind.

**Class E** (all age stake), for dogs 13 inches and under, 3 entries: 1st, R. Long (Elmira), Swatskia Duke; 2nd, Robertson & Carrothers (Toronto), Robertson's Chum; 3rd, E. W. Maxwell's (Woodville) Sport.

**Class F** (all age stake), for dogs 15 inches and under, 9 entries: 1st, H. Taylor (Toronto), Dick Swiveller. (The congratulations to Mr. Taylor were so noticeably sportsmanlike that we will not readily forget the exhibition of it at this fixture.) 2nd, H.

Nolan (Brantford), Mackenzie King; 3rd, J. Hendricks (Windsor), Hendrick's Jerry. Reserve, E. Robertson's (Toronto) Robertson's Banjo. The trials were held under Canadian Kennel Club rules.

A bench show was held on the second evening of the trials, Oct. 10th, when Mr. Norman K. Swire, Toronto, judged the entry. The show was unique in the annals of Canadian Kennel Club history, inasmuch as it was held in the country, in the evening, and on as dark a night as one could well imagine. The lights were mainly the headlights of the assembled automobiles plus a lamp that is credited with burning 98 per cent. air, but it certainly did credit to its fuel. Enthusiasm was marked, and again supreme sportsmanship was much in evidence, and most noticeable. The merry little Beagles seemed perfectly at home in the show ring, which was the loading platform at Mono Road Station. Mr. and Mrs. Mono Road and all their families were turned out to a soul, and everyone anxious to assist in any possible way. Harry Taylor and Emerson Robertson, the club's president and secretary, respectively, had forgotten nothing, and the experience was a pleasure. Mr. Robertson had been threatened with appendicitis, and regrets were universal, but, staff in hand, he found his way to this Mecca of sport, and we are advised that the effort had no bad after-effects, for which we are indeed thankful. The first class called was **Puppy Dogs and Bitches** (any height), and brought out Oscar Pierson's Pierson's Scout and W. Langdon's female (we didn't get her name), and they were placed as written, and the show was under way. **Canadian-bred Dogs** (any height): 1st, Al. Young's Barney Boy; 2nd, Harry Taylor's Dick Swiveller,

3rd, Jack Pardue's Regal Pleader. **Novice Dogs** (any height): 1st, Oscar Pierson's Dempsey II.; 2nd, Dick Swiveller; 3rd, E. A. Marshall's Marshall's Colonel. **Limit Dogs** (over 13 inches and under 15 inches): 1st, Barney Boy; 2nd, Dick Swiveller; 3rd, Shaw's Regal Pleader. **Open Dogs**: 1st, Barney Boy; 2nd, Dick Swiveller; 3rd, Shaw's Regal Pleader. **Winners Dogs**, Al. Young's Barney Boy, Reserve Winners, Oscar Pierson's Dempsey II., **Canadian-bred Bitches** (any height): 1st, Robertson & Crothers' Robertson's Flue; 2nd, Wm. T. Johnston's Debonair Belle. **Novice Bitches** (any height): 1st, W. Rankin's Walls Fairy; 2nd, Debonair Belle. **Limit Bitches** (under 13 inches): 1st, Walter Langdon's Langdon's Bess; 2nd, Debonair Belle. (Dr. Haigmeir's Haig's Beauty was entered in this class, but was not present when called.) **Limit Bitches**: 1st, Oscar Pierson's Charmion Crocus. **Open Bitches**: 1st, Dr. Haigmeir's Haig's Frantic; 2nd, Robertson's Flute; 3rd, Langdon's Bess. **Winners Bitches**: Oscar Pierson's Charmion Crocus. Reserve, Haig's Frantic.

The large crowd was thanked for its support, and a vote of thanks enthusiastically given to the farmers of Mono Road district for their co-operation towards the success of the Trials and Bench Show. The farmers had given unrestricted facilities to traverse their lands, and rabbits being plentiful, a most enjoyable meeting was the net result, and it was the consensus of opinion that, given grounds convenient to any main railroad line, future trials could be doubled in entries. The Central Ontario Beagle Club wishes us to tender in their name the deep gratitude they feel towards everyone who supported their initial trials in any way.

## Frederickton Kennel Club Show

Sept. 18th, 19th and 20th, 1923.

Heartly congratulations to this go-ahead Society for the really excellent show they held in conjunction with the Fair. The entry would, no doubt, have been much stronger if the premium lists had been sent out earlier, but I never remember judging a show in any part of the world where the all round quality of the exhibits were so good—competition in all classes being keenly contested.

The Frederickton Kennel Club are undoubtedly fortunate in having a sporting brace of fanciers as the brothers Laskey, who worked early and late to make the show a success, and it is certainly due to them, and my ring steward, Mr. C. Sullivan, of St. John's Kennel Club, that everything went so well. The New Brunswick Fanciers, I found a real good body of fanciers, who, one and all, are out to help along the interest in dogs, and with the many excellent dogs they own, I am of the opinion that many champions will be bred from their present stock. Very much interest was taken in the judging—the best classes that came before me being Wire-haired Fox Terriers, Setters, Irish Terriers, Pekingese, Pomeranians and Pointers. Cocker Spaniels were somewhat disappointing, being very varied in type. The awards were as follows:

**Newfoundlands:** First, "Rising's Rover," a well-grown black puppy, who just needs to strengthen up a little in stifles—very nice skull, body and class of coat.

**Russian Wolfhounds:** First, Patterson's good hound, who held a big advantage over second, "Lehen's Rex," in head properties. Patterson also won in bitches, with a very shapely all-round hound, lacking a little in size and coat. The best of the Pointers was the winning bitch, Wilson's "Ridgeway Gamefeather," who could hold her own amongst the best in England. In English Setters, Swann's "Straitaway" could not be denied, one of the best I have seen for many years, a real Malwyd Setter in head but with exceptional shoulders and a beautiful free mover. When shown a little heavier in condition he will always be there or thereabouts when competing for best in show. Second, Ch. "Count May Fly," a sound typical Setter, who lost in quality of head, carriage of stern and shoulders, but scored to-day in body. "Bluestone Meriam Jay" scored in bitches. All-round she is nice,

but could be cleaner in shoulders, and have more finish in foreface. Mr. G. B. Taylor played a very strong hand in Irish Setters, benching two grand puppies in "Barney Bing" and "Connemara," and gaining winners in dogs with Ch. "Barney 2nd," who nears perfection in outline, coat, feather and shoulders. To be very critical, he is, to my mind, somewhat eeminate in head properties. Another more than useful dog, was the winner, in J. S. Seaton's "Tyrone Tim O'Shay." The best of the Collies was Cameron's "Ormskirk Squire," a good all-round dog, who is somewhat listless in the ring. Mr. McGuire had a really beautiful bitch forward in "Campbell Stylish," who can hold her own easily in the best of company, to-day a little shy of coat.

**Bulldogs:** Winners in dogs, I awarded to Malovitz' brindle pied, who is an exceptionally good headed dog, owning an immense flat skull, and wide well-turned up underjaw. He could be better sprung in ribs, and here all that is needed is time. Cassina's "Lady Stewardess," a great bodied little brindle, light weight, with a nicely finished head, which could be improved if only she had larger nostrils, stood right away in bitches, her nearest opponent being Laskey's fawn "St. Roch Daisy," a more than useful stamp, perfect in shoulders, placement and having the correct Bulldog gait.

**Airedale Terriers:** A very easy journey for Laven's "Chamberlain Dick," who has improved since Toronto. Second, a real nice bodied Terrier, who, with a better eye and a little more finish in head could trouble the best. Third, Kierven's "Bellevue Ranger" could be more level on top, otherwise a compact well-built Terrier. Clayton's beautiful Terrier, Ch. "Silver Birch Ladylike," was easily the best of her sex.

**Irish Terriers:** A very useful puppy led in puppies, "Muldoon Spitfire," who is owned by Vanwart and Laskey, capital coat and color, racy in outline and with a quality head. Second, Magee's "Maritime Dictator" is more made up than the winner, but loses in quality. In open, Gray's "Warrior Rhid Imp," racy in outline, grand coat and color, typical head, with very fair front. Second, Magee's "Maritime Michael," in many ways a beautiful Terrier, but to-day shown in poor coat, nice type of head, ears carried a little too forward to be real Irish, might be better in front.

Third, Gray's "Wrose Red Hot," might have been at some time of his career, but not to-day, for his head lacks quality and his eye is light, racy outline with good legs and feet. Vanwart's "Munster Vixen" is a more than useful Terrier, capital coat and color, typical head and expression, with good outline, at times, a somewhat indifferent shower.

**Fox Terriers, Smooth:** A fight in open between Clark's "Bellum Flicker" and Laskey's "Crown Ajax," placed as written, purely a matter of taste, which way they are placed. The latter is far away the better size, the winner being bang up to size and a shade long in loin. His head and front are exceptionally good. Clark easily held the advantage in bitches with "Bellum Carrie Mia," and Opoline," two fair all-round Terriers, the former being cleaner in skull. Third, McLaughlin's "Bellum Foxie," who reaches her back badly at times, very fair head and front. Wires were very strong in quality. Doyle's "Morningside Dictator," a useful puppy, who takes after his sire in body. Strachan's "Ormsby Metagama," awarded winners in dogs, held an advantage over "Preston Rightaway" in head and coat. The latter is a really nice little Terrier, and I should imagine, could have held his own amongst the best in his young days. Third, Doyle's "Wrose Tickler," a long-headed Terrier, who if he only had a shorter back, could hold his own amongst the best. **Open Bitches:** Strachan's "Ormsby Lightning," one of the very best bitches I have ever judged. She has what all breeders are striving to obtain, a long clean head and a short back. She is a beautiful size, with big ribs and quarters, perfect neck and shoulders. Great credit is due to Harry Armistead for her condition and handling. She stood right away, when competing for best, any breed in the show. Her two nearest opponents being the smart Greyhound belonging to Mr. J. G. Kent and the English Setter "Straightaway." Cocker Spaniels were disappointing. Easily the most typical dog forward of any color being Whitebone's Ch. "Enright Centre." Madame Beland's beautiful team of Pomeranians caused a deal of favorable attention as did the splendid team of Pekingese benched by Mrs. Margeson. The many beautiful trophies were awarded as follows: Best Toy, Mrs. Margeson's Pekin-

gese, "Ting Ling of Cedarcrest." Opposite sex to Madame Beland's Pomeranian, "Perivale Dainty Dawn." Sporting brace, Paterson's Russian Wolfhounds. The best puppy to Madame Beland's "Perivale Dainty Dawn." Best exhibit in Nova Scotia, "Ting Ling of Cedarcrest." Local, to the Irish Setter, Mr. Taylor's Ch. "Barney 2nd." Non-sporting, McGuire's "Campbell Stylish." Terrier, "Preston's Rightaway." Children variety, to Master M. Shute's black Cocker, "Teddy," who was admirably handled by a very keen young fancier. The Earl of Ashburnham Trophy for the best Setter in N. S. to Ch. "Barney 2nd." Strachan Trophy for best Canadian dog or bitch, donor not competing to Swann's English Setter, "Rightaway." Best exhibit from Quebec, Doyle's "Wrose Tickler."

Best sporting, Terriers barred, Kent's Greyhound; opposite sex, Wilson's Pointer, "Ridgeway Gamefeather." Non-sporting, McGuire's Collie, "Stylish"; opposite sex, Malovitz' Bulldog. Best Terrier, Strachan's "Ormsby Lightning"; opposite sex, Strachan's "Ormsby Metagama." Best dog owned and bred by a member of the Club, Laskey's Fox Terrier, "Crown Ajax." Best in show, Strachan's "Ormsby Lightning"; opposite sex, Kent's Greyhound.

# New Brunswick Kennel Club Show

St. John, New Brunswick, "went to the dogs" again on September 3 to 5. It was their "Fifteenth Annual." Mr. George Steadman Thomas, Hamilton, Mass., was the judge selected, but evidently the attractions "over home" were too strong one way and another, and, of course, the St. John officers were placed in an unenviable position at the proverbial "eleventh hour." However, Dr. Jas. E. Hair, America's oldest English Setter fancier, was obtainable, and that genuine old sportsman, with the assistance of Mr. M. S. Kilby, of "Mendon" fame, was able to handle the 214 dogs benched with much satisfaction to all concerned. One of the features of the show was the placing of a Pointer puppy owned by Mr. Keltie Wilson (the chairman of the Show Committee for this year), and aptly named "Ridgeway Gamefeather" as best dog in the show, all breeds, which is possibly the greatest honor which has come Mr. Wilson's way up to this time, and the award, coming from Dr. Hair, will make the honor doubly welcome. The youngster is a home-bred one, by McAvity's Duke, out of Jenny Lind, was born on December 21st 1922, so was only really a trifle over 9 months old at the time of the show, and in case we may have left the impression that Ridgeway Gamefeather saw a he-dog, we will just maintain that she is a member of the "fair sex" instead. Congratulations, Mr. Wilson. Best of opposite sex went to the English bulldog, Smiler Glamore, property of Mr. H. C. Croft.

By way of showing the loyalty of the Eastern members to their club we would just mention that the 234 dogs entered actually piled up 710 entries, or a trifle better than an average of 3 entries per dog entered, which must be very satisfactory to the club's officers.

New Brunswick Kennel Club has two honorary members, Messrs. Ralph Preston and Ex-Mayor H. R. McLellan. The latter presented the club's trophies to the successful competitors, and in addition presented Mr. M. S. Kilby with a beautiful smokers' set of pipes as a token of the club's appreciation for his timely assistance in a judging capacity.

Mr. C. C. Sullivan was again secretary, and, backed by Dr. F. G. Sancton and an able Show Committee, the fixture was indeed a pleasure to the exhibitors and general public alike.

#### ALL TERRIER CLUB OF CANADA'S FIRST DOG SHOW.

The All Terrier Club of Canada, which may be aptly named the baby club of Manitoba, with headquarters at Winnipeg, having assembled their several parts, find the result a good workable machine ready for operation. And from circular letters received their activities will soon be felt in Canadian dogdom.

All Terrier, the club's name, is at once suggestive enough as to explain its own mission. Produce stakes are to be featured, embracing Airedales, Fox Terriers (both coats), Irish Terriers, and Boston Terriers. These produce stakes have never been featured in Canada as they should have been, for what reason we do not know, but by entering one's best brood bitches, and nominating all or a portion of their progeny, it is easy to see where values are at once greatly enhanced. The stakes have no ironclad individual or club restrictions attached to them, but are offered impartially for competition to all concerned, and to enable the club to get going standing rules will, for the present, be waived in regard to 1923 puppies whelped before July 1st, and entries may be made for bitches that have whelped between Jan. 1st and Jun 30th, 1923.

In addition to desirable stake money, the Silverdale Kennels, 50 Whitehall Ave., Winnipeg, are offering \$50 cash for the best Airedale in the second division of the 1923 stakes sired by one of their Silverdale stud dogs. The club's secretary-treasurer is Mr. A. P. Mutchmor, 70 Furby St., Winnipeg, and he is extremely desirous of having every terrier fancier in Canada appear on the membership roll of his club. The fee now is only \$1, and the advantages worth many dollars, as the club's specials and other favors will be broadcasted across Canada at all the shows.

A show will be held on Saturday, December 1st, at Winnipeg, for the Terriers embraced in the club's classification. The show will be under the Canadian Kennel Club's Dog Show Rules and Regulations, and will, no doubt, be a most successful fixture.

#### A POOR SPECIMEN.

"Where are you going with that miserable-looking dog, Johnny?"

"Takin' him to the dog show."

"But you can't win a prize with him."

"Well, maybe they'll give me a special prize for showin' the kind of dog that no dog ought to be."

#### MORE SPRINGER SPANIELS FOR EASTERN ONTARIO.

During the past two weeks, Mr. Herbert Routley, Peterboro, Ont., has received another shipment of six more Springers from England and Scotland. Two beautiful liver and white bitches, sired by "Champion Andon of Leam" and out of a winning daughter of "Champion Little Brand," a black and white bitch sired by the great "Flight" and out of "Cassio Trixie," she by "Rivington Bobstay," the dam of many winners. Another very beautiful Springer is the daughter of the great "Double Champion Flint of Avendale"; her dam is a bench winner of the "Abinger" strain. A dog by "Champion Andon of Leam," who is out of a daughter of "Champion Flint of Avendale." Another dog by "Double Champion Horsford Hetman," out of a daughter of "Champion Little Brand." A well-known Spaniel judge has pronounced him to be as perfect as possible, and one of the finest Springers yet seen. If "blood will tell," Mr. Routley must have some fine Springers in his small but select kennel, as he undoubtedly has some of the finest breeding that it is possible to obtain in the Springer world to-day.

#### SILVER FOX BREEDERS TO ORGANIZE IN ONTARIO.

A meeting to organize an Ontario branch of the Canadian Silver Fox Breeders' Association will be held on the evening of Friday, November 23, at the Carls-Rite Hotel, Toronto. Mr. Geo. W. Gillies, of Arnprior, Ont., a director of the National Association, is calling the meeting, and it is expected that Mr. John A. Webster, of Charlottetown, P.E.I., President of the Canadian Silver Fox Breeders' Association, will occupy the chair. All members of the Canadian National Association are invited to be present.

# Nanaimo Kennel Club Show 1923

The tenth annual dog show to be held by this staunch Coast club was held on Sept. 7th and 8th at the Armouries, when ninety-three dogs were benched. To most of us this looks like a small entry, and, of course, it is a small one, no denying that, but when it is considered that Nanaimo is on the island, and quite a distance from Vancouver and Victoria, and that the entry is about 50-50 Nanaimo and Vancouver dogs, then even 93 dogs make quite a showing. The officers being all real dog men, the fixture is always a pleasant one. This year Mr. T. P. McConnell and Mr. Stanley Dossett were the selected judging material, and a successful show was the result. Following are the awards:

On page 16 of our October issue, bottom of third column and under "Prefixes Granted," a typographical error appears, and the correct rendition is as follows:—The kennel name DE LUXE has been registered in the name of Arthur Harris Sharpe, Toronto, Ontario.

On page 22, Mrs. M. Mitchell's "Fan Ting of Badmington" (Pekingese) appears as winning 1st Canadian-bred, 1st Novice and 1st Breeders. To be correct the wins should stand as stated, but in favor of the same owners, "Beau Fang of Badmington."

On page 25, following the words: Novice Dogs (Pekingese), a line of type has been left out. This should have read: Novice Dogs, 1st, "Chinky Chog of China; 2nd, "Chinke Chog." Limit Dogs, a repeat.

**TORONTO KENNEL CLUB TAKES ON NEW LEASE OF LIFE.**

Reminding one of the lively pre-war days of this long-established canine club were two reorganization meetings held at Toronto on Thursdays, October 25th and November 1st. The meetings were largely due to the initiative of Messrs. Geo. Ward, Edward Ward and George Eastham, and these men must have felt that their efforts have not been without reward, as well over one hundred fanciers attended both meetings, and most of these later paid a membership fee, demonstrating that the enthusiasm was of the kind that remains even after the pocket is touched, and it augurs well for the immediate and future usefulness of this club of ancient vintage, which has for many years concerned itself with the good and welfare of all breeds of dogs in its locality; and probably there is no show-giving club, unless perhaps the Canadian National Exhibition itself; that is so universally known and as greatly respected as the old Toronto Kennel Club.

The club has been inactive for a considerable time, and before it will have its doors open for the next all-breed show a period of three years will have elapsed. Some of the old dyed-in-the-wool pillars of the club dropped out, some of them answering the "Last Post," as did the revered officers, Arthur Atkinson, John H. Kenyon, and the more recent loss, Tom De Geer. No doubt these deaths meant a calamity to the club, for the reason that the persons named were of the indomitable type that, no matter how hard was their gruelling experiences, they always came back with a smile, inviting more; and no doubt it is the spirit of the old association that is being felt in Toronto to-day.

The meeting was called to order by Mr. George Ward, who explained to the assembly the reasons which prompted the calling of the meeting and the purpose for which it was called. He explained and declared the meeting was open to one and all present, discussion would be open, and opinions heard. It was early apparent that the rank and file had been forced to notice in a most unmistakable way that the all-breed club was more of a necessity than they had imagined, and that they were there to admit it in a practicable manner. Nothing but a brand new canine association was the predominating desire of the promoters, but the saner elements centered their effort on what was already a known quantity

and right at their hands, and so in the end the general feeling was to collect information that would reveal the desirability or possibility of raising the new banner atop of the dormant Toronto Kennel Club.

At the second meeting the Secretary called the meeting to order, and advised the crowded room that the Acting President had been obliged to leave the city on urgent business. Messrs. J. D. Strachan, Jack McNaughton and Reg. P. Sparkes were all named as chairmen, and all were old Toronto Kennel Club supporters. Mr. R. P. Sparkes accepted the honor and brought satisfaction to the position. After explanations by Mr. McNaughton, the club honored itself by condescending to be known as The Toronto Kennel Club, and by so doing found themselves already supplied with good benching for over 300 dogs, medal dies and other necessary paraphernalia requisite to an active club, making it possible to start business at once and unhampered. Against these valuable assets are several minor liabilities. The constitution was checked by a two-thirds vote of the members present, making it possible to nominate and elect new officers at the one stroke. The interest was intense, and the several positions were strongly contested, giving the meeting every opportunity to make careful selections. The ballot voting was adopted, and the following members were selected as officers for the first year:—

President—Mr. J. McNaughton.

Vice-President—Mr. Edward Ward.

2nd Vice-President—Mr. Reg. P. Sparkes.

Executive Committee—Messrs. Bert Swann, H. M. Jackson, Matt Gracey, Peter Herd, C. M. McQuillam, J. D. Strachan and Wm. Austin.

Secretary—Mr. Stephen Wilkin, corner of Colbourne and Market Sts., Toronto.

Treasurer—Dr. J. A. Campbell, B.V.Sc.

Auditors—Messrs. Geo. McFadden and Jack W. Bruce.

The new (old) President thanked the large gathering of fanciers for their support and confidence, and assured them that the club would function quickly and healthily under his guidance, supported by his officers. Calling for his executive to remain after the close of the meeting, he declared the session adjourned, and thus closed the best attended meeting of dog fanciers that has been held in Toronto for some years.

## Canadian Bostons Go Over the Top

Specially reported by V. G. Perry,  
London.

The Buffalo Boston Terrier Specialty Show was probably the most successful ever held in this famous Boston Terrier city. Buffalo show is always a fast one; but this year it was a speed demon. Well over one hundred Bostons passed before the expert, Thomas Hunter, Jr., of 'round Boston way; and Mr. Hunter saw every one of them, went over them, and satisfied the exhibitors with a fair decision. Some judge, this man Hunter, without any erratic fancies; with an eye on the right end of the lead only, and a sticker for soundness, but not such a sticker that he couldn't see quality where it outweighed defects in action.

To begin with, Mr. Hunter gave a junior puppy dog winners, in a class of dogs that was superior to any we have seen Buffalo way. This puppy, "Buffalo Again," made his debut here, and annexed the first five points to a title that he will probably gain, barring accidents, before another two months have passed. He's a fast one, and was put down in grand form by Mrs. Dr. Albert Brennan—her first good one for five years, and one certainly worthy of the name of "Buffalo Again." What's more, Mrs. Brennan bred the pup herself, from her own stud dog, "Brennan's Best Pal," a son of "Why Not try."

Mrs. M. C. McGlone, of Mosholu fame, came from New York with another green dog, "Little Tommy Tucker II." "Tommy Tucker" pressed very closely the winning dog, and ringside opinion was pretty well divided. These two dogs will meet again later no doubt, and the decision of Judge Hunter can be reversed without any great hardship to the Buffalo victor. "Little Tommy" is another fast one by the great "Ch. Mosholu Blink."

In males our Canadian dogs didn't figure high. The best of the wins went to H. M. Jackson's "Jackie's Friend." In the juvenile puppy class of thirteen he got third ribbon. Fourth in this class went to another Canadian, "Lad of League," owned by Mrs. C. E. Singleton, of London. The winners dog was first in this class, so the going was strong.

"Little Mickey Ringmaster," owned by H. J. O'Neil, of Hamilton, captured fourth place in lightweight open; but fourth was a good win in company so fast. It was nothing to see dogs that had been sold for over a thousand

dollars getting left out altogether at this show.

"Ch. Globe League o' Nations" was entered, but a cold of some days duration kept him at home.

Canada came in to her own in females. Never was there such a victory for Canadians as in the female section of this big show. Not only winners and reserve winners bitches where owned in Canada, but every blue ribbon in the female classes, with the exception of the American bred, novice middleweight, and senior puppy classes.

The winning female, "Nation's Little Queen," owned by A. J. Ship, of St. Thomas, Ontario, was handled by the writer, who will not attempt to laud her praises, except to say that it was very gratifying after some recent defeats to see her go to the top in such company, and under a judge whose placings carry so much prestige as do Judge Hunter's.

The reserve winners female, "O' Glos Beauty," owned by A. A. Ogilvie, of Toronto, and put down in the best form we have ever seen her by the queen of all handlers, Mrs. M. C. McGlone, of New York, has been doing a lot of winning in the east, and indeed a week or so before went best in the show, champions barred under the same judge at Taunton, Mass.

In limit lightweight classes, first, second, third and fourth females were all from Canada. The big surprise of all was the puppy, "Chamber's Small Portion," who has come forward with remarkable strides since the Canadian National Exhibition, and is a female to be reckoned with, as she demonstrated by winning best female puppy in the show and second in the limit class to the winners female. She is owned by H. A. Chambers, Toronto, who has had her cropped since her last appearance. If she continues to strengthen in bone and body it will take a real one to pass her. "Little Cupid," owned by Lorne Anderson, of Toronto, was third in the limit and second in the open. Here is one whose quality carries her over very faulty hindquarters; but it is quality that cannot be denied, even by a judge like Mr. Hunter, who is a strong advocate of soundness and proper action. "Dee Welsh Countess," owned by I. Whittleton, Toronto, was fourth.

The middleweight limit and open went to "O' Glos Beauty." Closely running with her in second place was a fast puppy from Cleveland, "Roman Georgette," who has been annexing a

number of championship points in her locality. "Kurtz Whispering Hope," another championship contender was third here. So our Canadian representative had no easy wins, but she proved equal to her competition and with something to spare.

The heavyweight classes went to another Toronto entry, "Raffles Sou-brette," owned by H. A. Chambers.

The winners class was left to the three Canadian females. Think of it, three Canadians to fight it out for highest honors at this big American specialty show. The competition narrowed down to the lightweight and the middleweight, and when after a thorough grueling, Judge Hunter handed the purple to "Nation's Little Queen" the rafters of the monstrous Elmwood Music Hall echoed with the cheers and applause, which were repeated with every bit as much force when reserve winners went to "O' Glos Beauty."

For the cup for best female in the show, "Nation's Little Queen" met and defeated two American champions.

### SPARKS FROM SPOKANE.

"Multomah Prospect," the winning Wire at Spokane, held September 3, 4, and 5, has the distinction of being Canadian-bred, he having been raised at the Bytown Kennels of Mrs. I. Webster, Ottawa, and is well on his way to an American Kennel Club championship, having already traveled two-thirds of the road that leads to canine triumph.

"Stokle Buccaneer," the winning Airedale, went through his opposition easily; he, too, is Canadian-bred, and before joining P. Lancaster's stable was the property of his breeder, Mrs. Todd, of New Westminster, B.C., and a good son of Nat. McConnell's noted stud force, "Home Ruler."

Mr. Harold Kneen, who, by the way, is one of our British Columbia directors, and whose home is at Nanaimo, B.C., was judging at this show. With Mr. Kneen was his wife and Mr. N. McConnell; the trio were the guests of Mrs. C. Stiltz, who had the great misfortune of having her home, barns, kennels, and some of her beautiful Collies destroyed by fire on the opening day of the show. The Canadian guests lost all their reserve clothing, Mr. McConnell losing his gold watch, and what was a much greater loss to him was the loss of "Home Ruler," his pal dog, who has sired so many good Airedales.

## JUST A WORD TO THE LADIES.

"The ladies, God bless 'em," is what we would like to say when referring to our lady members. We have often said it, and we will say it again. But, what we want to emphasize here is as follows:—

Mrs. Mary B. Purchase is a good member of the Canadian Kennel Club, a fact which we fully appreciate. She registers quite a number of dogs; but one time she will sign herself as **Mary B. Purchase**, and maybe on the next application we will find M. B. Purchase; and another time she may sign as Mrs. Mary B. Purchase, neither of which is correct. So we must ask all our lady members to remember that our index is about 2,000 names, and duplication of names is a great vexation and a source of trouble to us. Therefore, if they will co-operate with us by signing properly, which in this instance to be correct should read:—

(Mrs.) **Mary B. Purchase.**

Supposing that Mary had remained single, then she would have signed:—

(Miss) **Mary B. Thankfulasyouare.**

May we depend on your future help by remembering to always sign the very same way, and in the prescribed manner? Thanking you.

CANADIAN-BRED BULLDOGS  
WINS WELL IN U.S.A.

We notice that "Piccadilly Princess," bred by Mr. W. E. Cooper, London, Ont., has travelled the strenuous route from puppy to winners at the Nassau Kennel Club show, and later at the West Chester Kennel Club show. This bitch is referred to in our American contemporaries as a "massive, cloddy, low-to-ground bulldog, that is prepared to meet all comers." Piccadilly Kennels exported "Piccadilly Rex" to an American buyer, and on the first time out the Canadian-bred son of "Hefty Monarch" met and defeated the noted "Ch. Magnet Ginger." With such a showing we are not surprised to learn that the Piccadilly Kennels have outgrown themselves, and have been obliged to secure new quarters comprising four acres, which will be devoted entirely to bulldogs. "Piccadilly Victorious," a litter brother to "Princess," and a winner himself, is being introduced to our readers in this issue, through our business columns, as a stud force, and if breeding counts for anything, he may be depended upon to prove himself an influence for good to the breed.

STILL MORE POMS FOR MONT-  
REAL.

Mrs. D. Beland keeps on importing Pomeranians from the "Old Land." Recent importations include "Perivale Bitter Sweet," "Fireglow of Pomona," an enormously coated 7-lb. dog, by "Firelight of Dara." "Perivale Maureen," a tiny mite, who has done some nice winning on the English show bench. "Authority's Gem," a seven months' old, black, which is under 3 lbs. weight. Other dogs for the stud kennel are due any day at their new home at Pointe Claire.

It will be remembered that Mr. Barlow's pretty little specimen, who has just finished her championship efforts, was bred by Mrs. Beland, and was by "Ch. Stormlight of Dara," ex "Pomona Chocolate Fry."

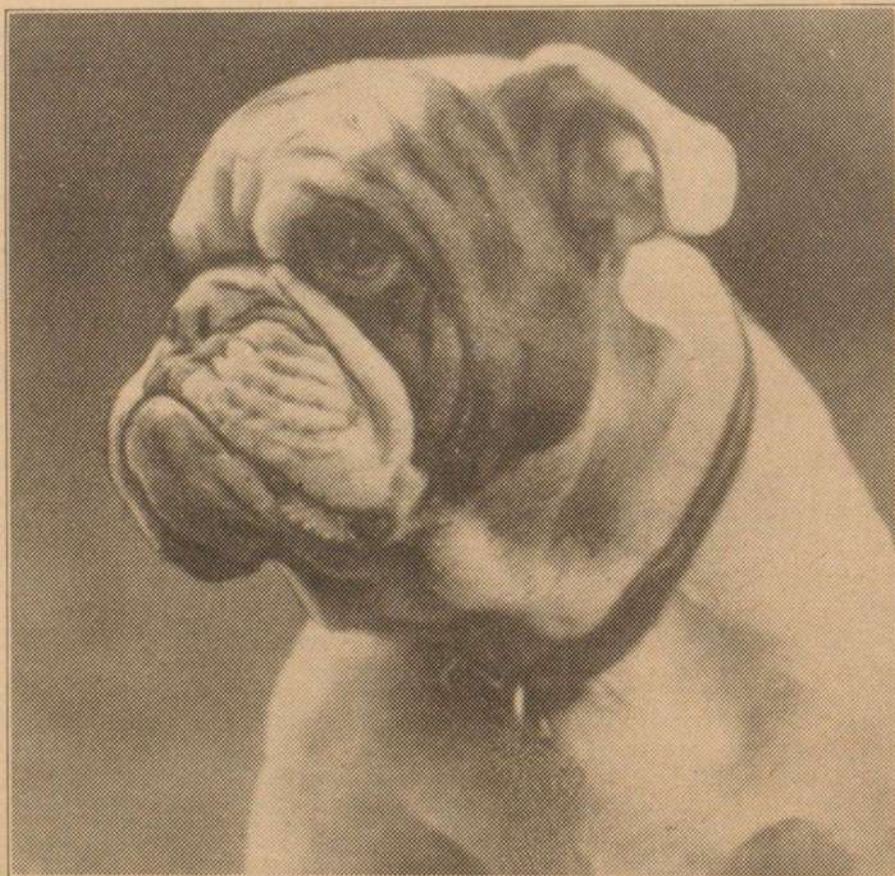

JOE HILL STILL AFTER THE  
GOODS IN COCKERS.

This old timer looked into our office the other day to place his Christmas work for Kennel and Bench; and after delivering his instructions and we had informed him of a \$40 credit he had with us that he had entirely forgotten, we were able to hold him long enough to ferret out what he had up his sleeve in Cockers.

Seven beautiful lady puppies by "Farewell's Man-o'-War," out of his old reliable "Belle Ewart" ("Sir Obo"- "Lindella," and she by "Ch. Farlow," and a dog puppy by the above sire out of "Bonnie Bird," that Mr. Hill thinks is the whole works, and he knows the good ones blindfolded.

## DR. GLENN ADAMS TO JUDGE BULLDOG SHOW.

Dr. Glenn Adams, Cincinnati, Ohio, the proprietor of the Auburncrest Bulldog Kennels, and Secretary-extraordinary to the Cincinnati Kennel Club, has accepted the onerous task of judging the Specialty Show of the Bulldog Breeders' Association on Thanksgiving Day, November 12th, at Community Hall, Toronto. than when "shooting Bull" (dog) at anyone interested enough to listen; and if you get a chance to listen, take it. He knows what he is talking about. We show here a picture of his massive "Sour Mug" Warleigh Nabob, just to show that the Doctor keeps some good ones himself, and, therefore, can be depended upon to recognize quality in another's dog when he sees it. We predict a big entry to greet the genial Doctor on November 12th.

#### TELEPHONE CITY KENNEL CLUB ELECTS OFFICERS.

On Friday, October 5th, the Brantford fanciers met in annual session and looked over the past, and planned for the future, and a bigger and better show than ever is under way for the spring of 1924. Fanciers who attended the Telephone City Kennel Club this year will regret to learn that the President, Mr. Lee Wainright, of the Wainright French Bulldog Kennels, has been very sick since, and has undergone several operations at the hospital in Brantford, and has been convalescing at his father's home in London for some time. Here's hoping Lee will soon be restored to a full measure of his old time health and strength.

Mr. Glyn Bowden, the new President, is a well-known Boston Terrier fancier, who has been with the Brantford Club since its inauguration, and will give the position that time and attention it requires to make the club's efforts successful. Mr. N. Duckworth retains the secretaryship, which ensures success in that important department of a kennel club's activities.

Following are the new officers:—

President—Mr. Glyn Bowden.

Vice-President—Mrs. Alex. Patterson.

Second Vice-President—Mr. A. Patis.

Secy.-Treas.—Mr. Norman Duckworth, Box 97, Brantford, Ont.

Show Supt.—Mr. T. Grant.

Veterinary—Dr. Porter.

Ring Steward—Dr. Briggs.

#### GOOD FOR THE FLEAS.

"Say, Jim, you know a lot about dogs, so tell me what can I do about old 'Towser's' fleas?"

"Well, Bob, a little wash with 'Spratts' soap would be good for them."

"Yes, but darn it, Jim, I want something that will be bad for the 'suckers.'"

#### DR. J. A. CAMPBELL AT MONTREAL.

Dr. J. A. Campbell, the official veterinarian for the Canadian Kennel Club, took a very prominent part in the programme of the American Veterinary Medical Convention which was held in Montreal last month, and which was easily the largest gathering of that honorable association on record. Veterinarians from all over the world were in attendance, and our Dr. Campbell was the head-liner in demonstrating his operations on small animals, for which he is famous. His methods in handling whelping cases, for which he is so well known in Canada, was of great interest to the visiting veterinarians.

The genial doctor, with his well-known personality, in speaking to his audience, gave the credit of any skill he displayed to the fact that he had labored professionally amongst the best dog fanciers that could be found anywhere, and in the greatest dog-breeding centre in the world. It was the support and encouragement that he received from these fanciers that gave him the experience he possessed. Those of us who know Dr. J. A. Campbell best know that he is an artist in his profession, and that his staunchest clients are the oldest living fanciers, men who have grown with the Campbell surgery and who have marvelled at its development.

If our canine associations generally only realized the power that lay so close to their hand they would see to it that "Big Jim" had a place on their winter programmes for an educative talk on canine subjects. The results of such lectures could only end in the fancier having a deeper knowledge of the anatomical angle of his canine charges. Everyone cannot be an anatomist, and not every veterinary can successfully anatomize; but, as we said before, here in Toronto we have an artist at his profession, and for our mutual advantages we should make the most of our opportunities. Dr. Campbell is the curator for all the Toronto parks, a prominent Rotarian, and a good Mason; his obligations must necessarily keep him extremely busy. Nevertheless, he is easy of approach, and any spare time he may have is always at the disposal of the dog fancier for the good of the dog. Canada is proud of Dr. J. A. Campbell, B.V.Sc., and Toronto claims him as her own.

### NOTED SMOOTH A GREAT PRODUCER.

While preparing our large list of champions who finished following our recent shows, we noticed that only one Smooth-haired Fox Terrier appeared on the honor roll, and that one was "Champion Walnut Distinct," who has been so much before the public since he came out at the Canadian National Exhibition in 1921, under the "Clapton" banner as a puppy, the breeder, Mr. Sam Bamford, being particularly impressed with his quality. At Central Canada the following week he went to reserve winners, a position he held at Hamilton later in the same year. About Christmas, 1922, Dr. R. E. Webster, Ottawa, became the owner of the embryo champion, and turned the dog over to his kennel manager, Mr. Ed. Flemming, notable for the finish of all his charges wherever they appear, and it was not surprising to see "Walnut Distinct" come out in perfect condition at Montreal last May, where he scored his first two points under the expert judge of terriers, Mr. Walter Reeves, where he annexed his first two points in the championship race; from there on he has appeared at Sherbrooke, Canadian National Exhibition and Central Canada, and won at them all, finishing under his breeder, Mr. Sam Bamford.

It is not as a bench show dog that he excels most, although we have shown that he was some show specimen; but at stud is really where he shines most, and it has been said that he has sired the best in Canada and America. The New York sensation of 1923 was "Walnut Distinct," as far as smooth coats were concerned, was sired by the new champion, "By-Town Biddy," who was so much admired at Central Canada and at Montreal, is a daughter of his. "Miss Canada," who wins so well at Uncle Sammie's shows, is another daughter. "By-Town Butternut," as slick as his well-fitting name, who went from puppy to winners at Ottawa recently and clinched honors for best of breed there, is by "Distinct"; and so it goes. Tom Rice Varick, the New England supporter of smooths, has a litter by him out of that wonderful producer, "Jane of Monmouth Road," and these will surely be heard from later.

The By-Town Terriers have been summering at Maitland, Ont., and have just returned to the capital for the winter, every individual terrier as fit as the proverbial fiddle. Plenty of young stock of the By-Town type is on hand, and from these many will

be chosen to fight for their kennel colors. One has only to notice the breeding of many of the winning smooths in both countries to realize the By-Town Kennels are doing their rightful share for the breed.

### "I'LL TELL THE WIDE, WIDE, BLINKING WORLD."

"I meant to write you before, but, really, I have been so busy selling and shipping dogs since my advertisement appeared in Kennel and Bench that I have not had a moment to spare.

#### "Kennel and Bench"

is some advertising medium, I'll tell the wide, wide, blinking world. I advertised six dogs and a litter. I have sold five dogs and could have sold the sixth half a dozen times over, but at the last moment I decided to keep him, as he represents the last of my imported "White Tank" strain. Honestly, I could have sold 50 dogs if I had had them. Mr. Wills, Fort Worth, Texas, wired for my best price on the whole offering. I wired back, 'All gone but three,' and he replied by return wire, 'I'll take what's left.' So I shipped three all the way to Texas, amongst them my two favorites, 'Lord Lorne' and 'Lucky Lorne,' the latter showing in whelp. A good bitch went to Brandon, Man., and the new owner, Mr. Camp, is so pleased with the purchase that he has asked me to reserve 'Alban Sally' for him. A wire came from New Orleans, asking for two females. Alas! they also were too late. A good Victoria, B.C., fancier actually wired me the cash for 'Lord Lorne,' which I was obliged to return with my regrets. The litter by 'Ch. Yamamoto Challenger' have all gone but two, leaving the Lorne Kennels more depleted than they have been for many years.

"I'm satisfied that if a man offers good goods at reasonable prices and deals straight, advertising in Kennel and Bench will be like the rotten egg—hard to beat."

We are pleased to receive such a letter as this from a conservative fancier like Mr. Chisholm, who as the fancy knows has been sick for some considerable time. But, thanks to our Canadian celebrity, Dr. Banting, Allan is steadily gaining strength, and we hope to see him back stronger than ever in the game before very long. As a lover of the national breed of England he is an outstanding figure in Canada.

### OUR FRONTISPIECE.

Our front page illustration for this issue is the Toronto-bred Wire-haired Fox Terrier.

#### "Brock Blusterer,"

owned by Mr. L. C. Anthony, 148 Lee Ave., Toronto. Every picture tells a story they say, and the story told by the picture of our front page this month is that of a compactly built, long-headed, Wire-haired Terrier, owned by one of the newer recruits to the Wire-haired Fox Terrier fancy. The dog owns a grand front, good neck, ears, eyes, is well ribbed, with the hindquarters of the proverbial washerwoman, nice set on of tail, and 100 per cent. terrier, fire and go.

It has been claimed that he is a trifle on the large side, a circumstance which is cheerfully conceded, but, after all, isn't that a virtue in a stud dog? Anyway, if he had just been a little bit smaller he would surely have stopped the very best of them in the show ring. A grandson of "Consulter of Notts" and "Ch. Mickey's Model," and should—if breeding and looks count for anything—breed a rattling good pup.

The other inmates of this small but select kennel are bitches by "Selected of Paignton," "Wycollar Barrister," "Ch. Bytown Spice 'Em," and we hear that the latest addition is a dark horse, bred in the purple, sired by "Ch. Barrington Bridegroom," out of "Clonmel Chef d'Ouvre"—a bitch that, when owned by the noted Holland Buckley, of Clonmel, fame, did all that was asked of her in England.

This newcomer is at present in New York, and will be bred to the sensational "Ch. Deykin Surprise" before taking up her maternal duties in Toronto. The resulting litter from the breeding mentioned should, with any degree of luck, produce something well above the average, and as Mr. Anthony is wise in the ways of successfully raising his young stock, the chances are all to the velvet. He is a terrier enthusiast, and recently went to England and looked over the best of them over there. Any fancier feeling like talking terrier can always find an attentive auditor in Mr. Anthony. "Brock Blusterer" will be advertised in our business columns, and we predict that his services will be in demand shortly, and at some future time we hope to have the pleasure of recording some champion that has been bred at the Brock Kennels.

# GERMAN SHEPHERD DOGS (ALSATIAN WOLF DOGS) AT THE CANADIAN NATIONAL EXHIBITION.

By the Judge, R. M. Cleveland, N.Y.

I want first to express my cordial acknowledgments to the Shepherd fanciers in Canada for inviting me to judge their breed at the National Exhibition. It was a pleasure to do so, and the general quality of the animals exhibited gives encouragement that many good things may be expected of the Maple Leaf Fanciers from the beginning which has already been made.

Report on the dogs which came before me as follows:

(Note: The letters V. G., G. and F. after the descriptions of the dogs stand for the breeding qualifications, Very Good, Good, and Fair.)

## Class 141—Puppies, Dogs—

1st: Erich von Bern—Correct type, good proportion, good angulation front and rear. Needs chest development, especially in forechest, but this can hardly be expected at his present age of eight and a half months. Stride good, temperament good. Very promising pup. V.G.

2nd: Dinty—Proportion fair, angulation insufficient. Steep in shoulder. Slightly cow-hocked. F.

## Class 142—Novice, Dogs—

1st: Erich von Bern, already described.

2nd: Sunniday Plolf—Too high for length. Loose in shoulder. Slightly wide-set ear. Good bone, good feet. Temperament not perfectly sure, but not bad. G.

3rd: Sunniday Erie—Also wrong in proportion. Temperament rather better than the foregoing. Strong back. Tail has slight hook, and is carried gay. Ears set on wide. Both these dogs show power in gait, but not sufficient length of stride. In this respect the dog placed second is better. G.

## Class 143—Limit, Dogs—

1st: Erich von Bern, already described.

2nd: Sunniday Erie, already described.

3rd: Bruce V. Strassburg—Fair proportion. Straight in shoulder, therefore short stride in front. Strong back. Too short in croup. Feet soft. Temperament good. G.

## Class 14—Open Dogs—

1st: Erich von Bern, already described.

2nd: Bruce von Strassburg, already described.

Winners Dog—Erich von Bern.

Reserve—Sunniday Plolf.

## Class 145—Puppies, Bitches—

1st: Elsa von Bern—Quality good. Nice proportion, good hindquarter, good movement. Slightly weak in muzzle. Ears not yet up. Temperament good. G.

## Class 146—Novice, Bitches—

1st: Elsa von Bern, already described.

2nd: Greystock Nona—Good proportion, somewhat fine all over, very fine in muzzle. Light eye. Rather weak in back. Good stride. Temperament satisfactory. G.

3rd: Asta von Langeloh—Should

be longer in proportion to height. Good chest. Excellent temperament. Rather steep angulation. G.

V. H. G.: Bobow—Good conformation, excellent stride. Nervous and timid. F.

## Class 147—Limit, Bitches—

1st: Winterview Blanka v. Kobelsberg—A bitch of correct proportion and good conformation. Strong bone. Good feet. Good expression and temperament. A little uncertain in the right hood, perhaps due to an injury. V.G.

2nd: Onga—Should be a little longer for height. Good in body and ribbing. Angulation behind better than in front. Tail too short. Expression and temperament good. Gait satisfactory. G.

3rd: Elso von Bern, already described.

V. H. C.: Asta von Langeloh, already described.

## Class 148—Open, Bitches—

1st: Winterview Blanka v. Kobelsberg, already described.

2nd: Elsa von Bern, already described.

3rd: Asta von Langeloh, already described.

V. H. C.: Bobow, already described.

Winners Dog—Winterview Blanka v. Kobelsberg.

Reserve—Onga.

# ALSATIAN (GERMAN SHEPHERD) DOGS AT OAKVILLE.

An interesting and representative entry of Shepherds came before me at the Specialty Show of the Alsatian Shepherd Dog Club of Canada. It was a great pleasure to see the earnestness of the breeders assembled and the general good quality of the animals exhibited. I believe that the Canadian fancy has an unusually good start, and trust that they will have every success by careful selection of stud dogs and of breeding material in general.

## Puppy Dogs, 6 to 9 months.

1st: Eric v. Bern, owner Dr. J. N. MacRae. This is a long, well proportioned pup of unusually typical conformation and expression. Far-reaching gait. Exceptionally good angulation and back. Gives high promise. Not yet firmly knit, but this would only be natural at his age. V. G.

2nd: Flock v. Ramsen, owner Mr. F. D. Henry. Puppy, barely at the age limit. Slightly too short for his height, but otherwise of good type and conformation. Excellent bone and unusually well cut head, good expression, ear and tail carriage. Promise of good gait with further maturity. Excellent temperament. G.

3rd: Edi von Bern, owner Dr. J. N. MacRae. Litter brother of the First Puppy. Also well-proportioned, somewhat loose in shoulder, showing rather less good angulation than Eric. No so clean-cut in head and with ears still soft. G.

## Puppy Dogs, 9 to 12 months.

1st: Eric v. Bern, already described. Competing out of his age limit, but with the best quality of his class.

2nd: Baron II., owner Mr. C. W. F. Howard. Very large, somewhat coarse pup of good length. Rather too round in rib. Somewhat straight fore angulation, good hind angulation and rather good propelling power. Decidedly on the coarse side. G.

3rd: Edi v. Bern, already described.

## Novice Dogs:

1st: Barbo of Oakridges, owners L. G. Baker. Nicely proportioned. Black. Little weak in back, but with good stride and desirable angulation. Nice head and expression, good front and feet. V. G.

2nd: Baron II., already described.

3rd: Flott von Bern, owner Edward Last. Puppy with an excellent back, but too short in proportion to his height, nevertheless long and beautiful stride. Good temperament, good depth of chest and rib. G.

## Canadian-bred Dogs.

1st: Wolf Pal of Mitchell, owner Mr. Gladstone Perry. Dog of striking conformation when at rest. Loose in shoulder and with too steep shoulder angulation. Also somewhat weak in hock. Good proportion. G.

2nd: Flott von Bern, already described.

3rd: Major Coleman, owner Brant Coleman. A dog without outstanding faults, but somewhat round-ribbed and coarse. F.

## Limit Dogs.

1st: Eric v. Bern, already described.

2nd: Drusus v. Felsenmeer, owner Dr. H. T. Gaetz. The decision between these two dogs was very close, but I finally awarded the first prize on typical Shepherd dog structure of the immature dog. The dog Drusus is an outstanding good specimen, with a great deal of power, excellent shoulder and feet and good croup. Slightly weak in back, but this back weakness disappears in motion. He is, however, rather round in rib and wide in front, and has too much hock action or lost motion when in full trot. His gait, though powerful and outreaching, lacks the smooth effortlessness so conspicuous in the puppy. V. G.

3rd: Barbo of Oakridges, already described.

## Open Dogs.

1st: Eric von Bern, already described.

2nd: Drusus v. Felsenmeer, already described.

3rd: Barbo of Oakridges, already described.

Best Dog, Erich v. Bern.

Reserve, Drusus v. Felsenmeer.

#### Puppy Bitches, 6 to 9 months.

1st: Queen of Baimore, owner Dr. G. C. Brink. This is an outstandingly good pup, very strong, excellent substance, good length. Strong back and unusually good chest promise. Desirable angulation. First-class temperament. If she does not get too coarse she is a pup with a future. V. G.

2nd: Irma v. Bern, owner Mr. J. D. Strachan. A very feminine and appealing black pup with beautiful proportion, litter sister of the best dog. If anything even better in angulation than the first, but not so good in substance and one ear still soft. V. G.

3rd: Elsa v. Bern owner Dr. J. N. MacRae, another sister, also of good proportion and angulation, and with the same nice ease and length of stride as the foregoing, but not so good in head points, and with soft ears. G.

#### Puppy Bitches, 9 to 12 months.

1st: Irma v. Bern, already described.

2nd: Flora, owner Mr. J. C. Smith. Could be longer for her height. Good in bone and angulation. Good temperament. G.

3rd: Betty of Westerly, owner Mr. H. G. Habel. A bitch of attractive femininity, but round in rib and steep in angulation. F.

#### Novice Bitches.

1st: Palisade Rea, owner Mrs. Kellet. This is a bitch of very desirable proportion and angulation. Excellent head points. Good depth of chest and forechest. Strong back. Powerful reaching gait. An easy first. V. G.

2nd: Queen of Baimore, already described.

3rd: Betty of Westerly, already described.

#### Canadian-bred Bitches.

#### ANOTHER FRENCHIE FOR BRANTFORD.

Mr. W. J. Riesberry, Brantford, Ont., has purchased from Mrs. J. W. Woo, of Minneapolis, Minn., a splendid male specimen named "Woo's La-Von," a son of that noted French Bulldog, "Ch. Sans Prix." The newcomer is only in his third year, so should be an asset to the breed in Canada. A small cobby dog, weighing 20 lbs., black brindle, short body, grand head, with broad turned-up muzzle, which is embedded in a mass of deep wrinkles. He is a splendid Frenchie, and will be seen at our future shows competing for premier honors with our other good French Bulldogs in Canada.

#### "CHAMPION HAZELBRAE GLEGG" IS DEAD.

Scottish Terrier fanciers could not fail to notice the nifty little puppy bitch owned by Mr. George Robertson, Ottawa, that came out at Montreal last May under Judge Reeves, who thought the baby came pretty close to the ideal, and had his opinion corroborated by every judge who had the pleasure of going over her during the succeeding shows in Ontario and Quebec; so much so that "Hazelbrae Glegg" finished her championship while yet a puppy, and with 3 points to spare—quite a record for one so young and in this particular breed.

On October 21st the little lady champion had the misfortune to get mixed up in a scrap with a relentless automobile, and, of course, she lost out. This is a hard blow to Mr. Robertson, as he was very proud of his home-bred daughter of "Hazelbrae Pep" ex "Hazelbrae Hempie," which we must admit was quite excusable. "Hazelbrae Hempie" is now in whelp, carrying a litter similarly bred, and we trust that a duplicate of "Champion Hazelbrae Glegg" will be found amongst them.

#### "PERCIVAL'S" PRIVILEGES.

Haughty Madam: "Surely, sir, if I pay fare for my little dog 'Percival,' he will be treated the same as other passengers who have paid?"

Cute Conductor: "Sure, madam; but he must not put his feet on the seat, you know."

#### A COMPETITION OF POLICE DOGS.

The Shepherd Dog Club of Canada, held the 12th inst., in accordance with the rules of the Central Society of Paris, a competition of Police Dogs on Mr. Pleau's farm at St. Vincent de Paul. All the best dogs of the Club took part in it. The Belgian Dog figured in the trial with a marked advantage. Mr. Oscar Cyr experienced the power of "Dax's" jaw, property of Mr. Rouley, when he tried to steal the object the dog watched.

Mr. A. Pleau, Mr. A. Trudeau and M. Mitchell composed the jury.

The vast field at the disposition of the dogs proved the inconvenience there is in training dogs on small grounds.

I want to call special attention to the remarkable work done by the two Malinois in their search of a hidden object. "Canada," property of Mr. Pilon, found the object in less than one minute. "Xenia des Hallattes," property of Mr. G. Domus, in her turn brought the object in less than two minutes—the object being hidden in a wood. The distance was six acres. An accident forced this latter to retire from the contest.

On fifteen engagements I was present, and in spite of the forenoon's rain, a considerable crowd was assembled.

1st. "Canada" (Malinois), belonging to Mr. Pilon, introduced by S. Laramee.

2nd. "Galopin" (Groenendael), property of Mr. G. Domus, introduced by M. Domus.

3rd. "Joffre," property of M. E. Pilon.

4th. "Xenia des Hallattes" (Malinois), property of Mr. Domus.

5th. "Fydo," property of Mr. Doyle.

6th. "Le Loup," property of Mr. R. Goyette.

7th. "Congo," property of M. Mayraned.

8th. "Conny," property of Mrs. Rouley, introduced by herself.

9th. "Mannon," property of M. G. Cliche.

In the trial of searching the apache, "Galopin" found l'apache in less than two minutes, winning the first place, followed closely by "Canada," taking three minutes, and "Joffre" came 3rd by working five minutes, the limit of time allowed.

The two "Apaches," Mr. Oscar Cyr and John Huet, performed a very dangerous and remarkable work.

They had to face dogs determined to prove the valor as guardians and protectors of their masters.

All the exercises done by the dogs never failed to produce the well-deserved applause.

### "DOES HE BITE?"

Out exercising my bulldogs the other evening, a man asked me the above question, as my dogs ran up to him in a friendly, "how do you do" kind of way. My answer always being, "Oh, no, they are not a bit hungry." I would think that the case of a dog walking up to a person and deliberately biting him without provocation seems a very rare one. In any case it is the timid and "undoggy" person who would be the first to get it.

Those who love dogs, whatever their breed or quality, very rarely encounter even an attempt at a bite.

A judge's immunity from injury comes very much from his skill in handling dogs and his understanding of canine character. No man or woman who has an inherent antipathy to dogs ever reaches the position of being asked to act in the judicial capacity. One does not become an expert on animals one dislikes.

The dog has marvellous and unerring instinct in immediately recognizing a person who is genuinely doggy.

This can be tested by going round the benches at a show and noticing how any particular dog will raise a friendly paw to one visitor and curl his lip at another.

It may possibly depend upon the person's manner of approach, upon his confidence or his timidity, but we should attribute the discrimination to sheer canine instinct, to the dog's mysterious power of discerning on the instant whether the person is or is not doggy. It is people like these that we may call timid, or undoggy, that cause considerable trouble to owners of our most noble friend the dog.

Yours,

H. G. JEFFERY,  
Westboro, Ont.

## SPRATT'S FOOD FOR DOGS

"THE BACKBONE OF THE CANINE RACE"

The dog constitution needs a dog diet. Table scraps—toothsome and tasty though they may be—are not only totally unsuitable for the physical requirements of the dog, but are more often than not a direct cause of unfitness. ### Spratt's Food for Dogs.

## Spratt's Foods

Obtainable Throughout  
the Dominion

### SPRATT'S "Meat-Fibrine" DOG CAKES

Hold the premier position among the world's Dog Foods. Made of pure Meat-Fibrine and selected Wheatmeals and suitable for all large breeds. They are hard and crisp—for a purpose, and are invaluable for keeping dogs fit.

### SPRATT'S "Meat-Fibrine" PUPPY BISCUITS

They form the best and most nourishing diet possible to give young dogs to develop frame, body and muscle in proper degree. As an occasional change give steeped in broth, but usually, DRY.

### SPRATT'S "RODNIM"

This is our special meal which we recommend as an occasional change from the biscuit diet. It can be given dry, or mixed with water, broth, or gravy, or added to a dish of cooked vegetables and given in "mash" form, when it is highly appreciated as a relish.

### SPRATT'S "OVALS" "The Pocket Dog Biscuit"

About 160 of these little "Ovals" go to the pound weight—hence the dog-owner who takes his dog long walks running over an appreciable length of time can put a few in his pocket without inconvenience to himself; they are, moreover, thoroughly sustaining, a great point in feeding a dog with anything between his meal time. These "Ovals" are excellent for all breeds.

### SPRATT'S TERRIER BISCUITS

Terriers may be classed as midway between the medium breeds and toy varieties in both their nature and their requirements, yet Spratt's cater for their wants. Their Meat-Fibrine Terrier Dog Cakes or Puppy Biscuits given as the staple food, with the occasional change of "Rodnim" is the surest way of keeping them fit.

Also many other biscuits and meals for various purposes and remedies. See the name "Spratt's" on every package.

# WORLD'S DOG-OWNERS AGREE

That for keeping dogs in sound health, brimming over with vim and good spirits, fine coat and pearly teeth, there is nothing like a regular meal of Spratt's. Opinions may differ on minor points. Some prefer the big, sustaining Dog Cakes, others like the dainty little "Ovals," quite a number decide on a meal they can mix with water, but there is no doubt that, generally speaking, the whole dog world to-day says "Spratt's."
