SPRATT'S FOOD FOR DOGS

"THE BACKBONE OF THE CANINE RACE"

The dog constitution needs a dog diet. Table scraps—tasteful and tasty though they may be—are not only totally unsuitable for the physical requirements of the dog, but are more often than not a direct cause of unfitness. For sixty years SPRATT'S have made dogs and their requirements the subject of continual observation and research; and to-day for every dog, old or young, healthy or sick, there is a Spratt's Food guaranteed to suit exactly his requirements.

BELOW WE LIST AND DESCRIBE SOME OF SPRATT'S FOODS AND REMEDIES REGULARLY STOCKED

(Prices Subject to Market Changes)

Spratt's Food for Pups.

6824 Malted Puppy Food—For puppies that are weak and without stamina; tempting to shy and dainty feeders. Price in tins, 55c.

6830 Plain Puppy Meal—Should be used during, and for a short time after the weaning period; is a great aid in ensuring vigorous, well-developed puppies; extremely valuable also for old dogs unable to tackle the hard biscuits. 100-lb. box, \$16.75; 50-lb. box, \$8.50; 25-lb. box, \$4.50; 10-lb. pkg., \$1.85; 5-lb. pkg., 95c.

NEW POMERANIANS FOR TORONTO.

We learn that Mrs. J. W. Bruce, the well known President of the Pomeranian Club of Canada, and owner of the equally well known "Melbourne" prefix, has just imported the brilliant orange Pomeranian, "Perivale Ambergold," from England. The little stranger will no doubt be welcomed by the fancy as he is a beautiful specimen, splendid in all head qualities and carrying a wealth of coat seldom seen in this country; his type is that of the Standard. Before deciding to adopt Canada as his home he was a consistent winner on the English bench. His prizes varied, as they were numerous: First and Best Pom at Bath, First and Special (cup) at the Kennel Club (England) show, 1923, a wonderful win; First at Brighton, Second at Crufts, 1924. We compliment Mrs. Bruce on her continued support for the Pomeranian, and her enterprise is worthy of emulation by other stalwarts who at the present time seem to lack their well known interest for the "Perky Pom," but who know this importation may just be the incentive that will raise their dormant enthusiasm. Mrs. Bruce surely is building up a strong kennel, and as we go to press, we hear of two further importations that are tagged "Melbourne Kennels."

PROMINENT FANCIER GETS PROMOTION.

Fanciers who have been fortunate enough to have met Dr. George Hilton

at the dog shows held by the Central Canada Exhibition during the years he acted as chairman of the Dog Show Committee, will be delighted to learn that on March 10th he was promoted to the office of Veterinary Director General for Canada, and our congratulations are now in order.

No doubt about Dr. Hilton filling this important office with all necessary qualifications, and we will always feel satisfied that, insofar as the interests of our dogs are concerned, they will be in perfectly safe keeping with Dr. G. Hilton.

To the Members of the Canadian Kennel Club:

As your elected representatives to the Royal Winter Fair, it was our duty to attend the Annual Meeting which was held at the Carls-Rite Hotel, Toronto, on March 7th, 1924. The usual business routine was followed, and under the heading of New Business, our opportunity presented itself. The following clipping from the Globe (Toronto) issue of March 8th, speaks for itself, and is correct:

"Practically the whole of the afternoon was taken up with the application of the Canadian Kennel Club, for admission to the Royal. The club wanted to see a dog show established, claiming that the thing will carry itself eventually. The argument was finally clinched when the representatives of the Kennel Club pointed out that the Canadian Kennel Club as an organization had \$15,000 in the bank. With this announcement the tone of the meeting immediately changed from rather hostile to friendly, and a resolution was passed favoring the establishment of a dog show at the next Royal Winter Fair, if there is suitable accommodation."

As your representatives, we feel sure that this will be received by our fellow members with delight and we can assure you that we will carry the fight to a finish in your interests and in the interests of the dog fanciers in general of Canada, for the holding of a dog show next November at the Royal Winter Fair.

Signed on behalf of my colleagues, Messrs. C. L. McQuillan, Wm. Stockdale and myself.

Very truly Yours,
Reg. P. Sparkes.

IT is a lot easier to find six men to say how a thing should be done, than to get one to do it.

As We Were Just Saying

Exceptionally encouraging as our business year was for 1923, everything points to 1924 becoming the best year in our history. Expressions of confidence are reaching us from Coast to Coast, and members of yesteryear, who did not see eye to eye with the Canine Government of that day, are coming back into membership almost daily. This, of course, must not be considered in the sense of a surrendering principles on their part, as much as a manifestation of their decision that they can become instrumental in bringing about those changes for what they believe will be for the betterment of the fancy in general, much more successfully inside the camp than they would or could do if they remained outside. The Association has grown, and is growing so vigorously in recent years (and the growth had been steadily of a general character), that the circumstance has become pronouncedly noticeable. Western Canada, from Manitoba to the Coast, is due for a revival of enthusiasm for the Canadian Kennel Club, and we would not be a whit surprised to see our membership in this locality double itself this year.

We have always endeavoured to be strictly fair to our members and to ourselves when writing under the caption of "What We Were Just Saying," and in our October issue, we made reference to the matter of the duration of shows, which came before our general meeting, held on September 6th, 1922, in which we used certain words, to which a member has taken objection, in speaking of the duration of shows in Europe, Great Britain and America.

We collected information upon which was based our assertions—Europe having quite a different system of holding shows to us, the associating of Bench and Field fixtures to run concurrently, so common in Europe, being practically unknown in England or America. Great Britain's Kennel Government drew the line of demarcation strictly at the "three days," America allowing the "four days," as we had known it hitherto in Canada. On this information we wrote quite fair and without malice to anyone, and sincerely regret that any of our members should have seen fit to take exception to the article referred to, or to any part of it. Getting down to

technicalities, possibly the member could show that shows of three days or less were favored in the countries he named; we frankly admit that he would have no difficulty in doing so. He could prove that the shorter duration was generally favored in Canada. We also agree with him in that. We knew all these things at the time we penned the article objected to, but it was permissible for any dog show-giving club in America or in Canada, to ask for and secure a license to run a dog show for four days—therefore, we are still unable to see where in we wronged any member in that wholly truthful article. However, rather than hurt any member's feelings, by written deed, or spoken word, we go on record as regretting the publishing of the paragraph complained of, and trust that this explanation will be sufficient apology to the aggrieved member.

The Spring Circuit is ready to open, and many shows are on the calendar. The Specialty shows at Winnipeg, Toronto and Montreal (two), will start the fireworks for certain popular breeds. Then Vancouver Kennel Club, London Canine Association (two), United Canine (Toronto), Telephone City (Brantford), Fort Garry Kennel Club (Winnipeg), Victoria City Kennel Club (Victoria, B.C.), Montreal Kennel Association, Ltd. Of these shows, eleven will be held during May. Several of them will be operating on the same days, and no doubt at the same time. Some—such as the United Canine Association, and the London Canine Association (Ladies) are running shows for the first time, the whole pointing to a splendid year in 1924. The question of judging material is a live question with many associations, and many enquiries relative to the standing of certain American Judges in Canada, continue to reach us, so for the information of show-giving clubs generally, we would just mention that any American Judge not actually suspended or disqualified by the American Kennel Club, are considered to be in good standing in Canada. The "Black Lists" specifically mentioned in the "Reciprocity Agreement" between the Kennel Club (England), The American Kennel Club (New York), and the Canadian Kennel Club, as being mutually reciprocal, distinctly mentions "suspended or disqualified." A man

may have his judging license revoked or refused, but suspension or disqualification are the only counts that would bar such a man from judging in Canada if he was selected by the executive of a show-giving club to judge its show. We trust that this will be perfectly clear to all concerned.

Mr. Joseph Russell, our worthy and respected President, who has been so long indisposed, seems to be taking hold of a new lease of life, and will no doubt be seen at the Spring and Summer Shows with a string of Wires and Smooths—and possibly Airedales, too—that will help to make things interesting in the competition of these breeds. With Harry Doyle, of Quebec, looking over the good available stock at New York, plus his present holdings, James F. Strachan, Montreal, with his young "Red Hots" of both sexes, plus his known stock, Mrs. I. (By Town) Webster, Ottawa, with her dependable string of both coats, Matt. Gracey, Toronto; J. A. Thomas, Toronto; Sam Bamford, Toronto, etc., together with the All Terrier Club of Canada (Winnipeg), fostering things in Terrierdom generally over Canada, big things are anticipated on the circuits.

It is quite possible that we will see much activity in the classification for the Terriers. The circuit is easy to manage, and convenient for most of our fanciers, and we would not be surprised to see good shows and good championship ratings this year.

THEY'RE OFF AT MIAMI.

Through the courtesy of our First Vice-President, Col. G. F. McFarland, we are in possession of a race card of a Greyhound meet held under the auspices of the Miami Kennel Club at Hi-a-le-ah Park, on March 9th, 1924, and marks the sixty-fourth day of such racing for the present winter season, and like the pony racing programme, it features seven events: 1. 3-16 mile; 2. Futurity; 3. Futurity Course; 4. ¼ mile; 5. 3-16 mile; 6. ¼ mile, and 7. ¼ mile steeplechase over four hurdles. Many of the entrants show that they were imported animals, although the placings show no partiality to the imported hounds. The respective timings are not shown on the card, but Col. McFarland's friend assures him that the card produced a real day's sport, and that the steeplechasing event was one of the prettiest things that he had ever witnessed.

This may be all right for some "lucky dog," but why make us so envious of him?

History of The Boston Terrier Club of Canada

MONDAY, January 1st, 1912. It took a lot of work as usual to get the benching in place, the ring laid out and other detail work attended to. There is always a great deal more work attached to the running of a dog show than is visible to the naked eye. When you tell this to some people they ask, "What is there to do? And they have got you there, as you can't explain just what has to be done. Just the same as a man telling his wife that he worked hard at the office all day. If she asks him what he did, she has him up a tree.

However all was in readiness. Before the judging started the Secretary, Mr. W. A. Little, presented the Judge, Mr. A. E. Qualfe, with an enlarged photo of "Ch. Ted Shongo." "Ted" was not a champion at that time, but was improving daily. The Junior puppy class was won by Mr. E. Cowan's "Innis Ardens Kid Boy," and the Senior puppy class by my own "Clifton Rex." Both the pups were imported.

The lightweight classes, Novice and Limit, were won by Picktime Kennels of Buffalo, N.Y., "Picktime Glencoe," and the Open by Otto W. Knapp's "Wampagne Prince." The middleweight classes from Novice to Open, were won by "Dallen's Pal," owned by J. E. Hoffman, of Buffalo, N.Y., and the heavyweight, also from Novice to Open, by "Peach's Surprise," owned by K. C. Spencer, of Buffalo. Winners dogs went to Otto Knapp's "Wampagne Prince," with E. J. Bernhardt's (Picktime Kennels) "Picktime Glencoe," reserve winners. It is a noticeable fact that all the above dogs were U. S. bred and with the exception of "Wampagne Prince" and "Clifton Rex," were also owned in the United States. This was not as it should be. We had not yet arrived at the time when we could hold our own with the U. S. bred Bostons, but we were on our way.

The Junior puppy bitches was won by "Innes Arden's Kid Girl," a litter sister to the winning puppy dog, and the senior puppy bitches by Mrs. K. C. Spencer's "Beautiful Beauty." Lightweight Novice and Limit were won by Picktime Kennels "Charity By-The-Way," and the Open by the same owner's "Revillo Beauty." The middleweight classes were more mixed up. Novice bitches going to the writer's "Evelyn M," Gordon Smith's "Lady Bell Rock 3rd," accounting for the others, with Miss R. Collins' (now

Delhi's Punch

The great white dog who was awarded winners' at our second annual show in 1910. In all over conformation, style, etc., "Punch" was just about as good as they ever made them.

Mrs. W. C. Ingram) "Bell Rock Sweetheart" running her close. Winners' bitches went to "Revillo Beauty" with Otto W. Knapp's "Bright Eyes" reserve. With the exception of "Bell Rock Sweetheart," all the winning bitches were also imported.

The show being over, the members of the Club and Canadian Boston Terrier fanciers in general, decided that it was about time things took a change. We were just about "fed up" with the Yankees coming over and taking away our best prizes. Most of our good stud dogs were either lost or dead, so it was up to us to make a move. We had a number of good brood bitches, but our stud dogs were not producing the right kind. Our President started the ball rolling by importing the celebrated stud dog, "Totem Boy," who was the sire of the more celebrated "Patsy Ringmaster." I followed this importation up by buying the beautiful "Aristocrat"; the latter was half brother to the great "Ch. Major Raffles." Both were bred by Pluethuer and Barr, of Buffalo. "Totem" lived to a ripe old age, but was not a prolific producer. My experience with "Aristocrat" was a very sad and unprofitable one; just two weeks after I brought him home he died suddenly from acute indigestion. He had never been used at stud in Canada, although a number of bitches had been booked to him before he died. After losing "Aristocrat," I purchased "Yankee Doodle Doo" (afterwards Clifton Yankee Doodle) from J. E. Carroll, of Buffalo, but it remained for G. A. Beaumont to pull

the greatest one ever. During a motor trip to Buffalo, he bought "Onadaga." This funny little "mutt" had never been used at stud to my knowledge in Buffalo, but he had the blood lines and a lot of other features which made him a good stud prospect. These, coupled with Beau's persuasive personality, were the cause of him being used extensively at stud in Canada. This little dog mated to our well bred bitches most of whom were by, or descended from "Revillo Oxonian," produced the strains which drove out the invading hosts from across the border, and left us in almost undisputed possession of the ribbons and prizes offered at our annual show. All this did not happen immediately, but it was the turning point mark that we had been striving for.

At the annual meeting in October, I was elected Secretary and Treasurer, with Mr. T. E. Milburn, President, and Mr. M. A. Smith, Vice-President again. The membership continued to increase and the enthusiasm was unabated, the new members and old members combined to push the fifth annual show, which was slated to take place on Wednesday, January 1st, 1913. Mr. V. E. Haywood, of Detroit, Mich., was selected to act as Judge. St. Paul's Hall on Yonge Street (north of Bloor) was selected as the stamping ground, so on December 31, 1912, everything was in readiness to celebrate New Year's Day, 1913, as it should be celebrated by all good Boston Terrier fanciers in Canada.

WANTED—A BOSTON.

New Fancier: I want to get a nice Boston Terrier, not a show dog you know, but a nice, little, trappy, dark brindle, with a screw tail, even head marking and white collar and feet, short blocky head, not wrinkled in the muzzle or skull, but heavy and square in muzzle, nice even teeth and—

Old Breeder, interrupting—Young man, the foundry where they cast those closed down before the war and ain't opened up since.

OLCLIFF SNOWBALL JOINS THE YORICK KENNELS

"Olcliff Snowball" (Imp.), a good winner at the Wire Haired Fox Terrier Specialty Show (England) last August, and imported by Mr. Jack Steer, Montreal, has been sold to the Yorick Kennels, Rochester, N.Y., and joins a former kennel mate, "Olcliff Print," formerly of the Warrior Kennels, and now at the Yorick Kennels.

All Terrier Club Bench Show---Winnipeg

THE second Bench Show of the All Terrier Club of Canada was held on Saturday, March 15, at Winnipeg. With 80 dogs benched, an entry of 221, this should give a one point rating. The number of dogs benched shows a substantial increase over the show of December 1st, so that the club should feel that their efforts are appreciated, and that additional interest is being taken in the Terrier breeds.

Dr. R. W. Kenny, of Winnipeg, placed the ribbons in his usual capable manner.

The ring was well served by Messrs. R. C. Henderson and Geo. M. Potts, and although matters dragged a little towards the last, this can be attributed to the ring being on the second floor and the dogs benched on the first floor. Time was lost in getting the dogs up, but this can be remedied at future shows. Judging did not start until 4 p.m., as advertised, and time can be gained on future occasions by commencing earlier. The conduct and management of the show was in the hands of the President of the Club, "Jimmy" Woodend, and this appointment is always a sufficient guarantee that nothing is left undone, but that all details are looked after in that careful systematic manner, for which "Jimmy" is noted. "Jimmy" chose the wrong prefix when he selected "Ambleside", as there is nothing suggestive of ambling, in either his or his Airedale's makeup, but rather to the contrary.

The new benching of the Club was up for the first time, and although not fully completed, it gave a very good idea as to what it will be when finished. The usual wire division has been discarded, and a solid partition substituted. The material used for both backs, bottoms and partitions, is tongue and grooved lumber dressed both sides. The benches are made in two sizes, the largest giving a space for each dog of 2 ft. by 3 ft., and the smaller 1½ by 2 ft. The back, bottom and straw board are hinged so that they fold together for convenience in storing. Sufficient benching for 106 dogs is made. The ring is built in sections so that it can be put up to suit the size of the building to be used. Messrs. Woodend, Kynoch, Henderson and Alldritt, came in for a lot of well deserved praise for their work in connection with the building of this benching, and here again the guiding hand of "Jimmy" Woodend shows itself. Nothing over-

looked to the smallest detail and the workmanship of the best, a number of features about this benching are entirely original, and originated with these four gentlemen, as we have never seen benching before that was similar in design nor that can be put up and taken down as quickly. It was remarked that if the Club are given the building two hours before the time advertised to receive dogs, that everything will be ready for all dogs at the time advertised.

"Scotty" Kynoch handled all the dogs entrusted to him in a very capable manner, and there is no doubt in our mind that the handling and set up of the dog goes a long way. This struck us very forcibly in one class, where we noticed an entry which looked very ordinary, and which we thought was beaten, but when George stepped in and took the lead and got her set up, she looked like a million dollars, and won handily.

DOG FOOD COMPANY TO ENLARGE PLANT

Building Program Follows Incorporation for \$50,000

BIGGEST PLANT OF THE KIND.

New Addition Made Necessary by
Manufacture of Dog Biscuit This
Year

ANOTHER Battle Creek industry is to enlarge its plant. The Battle Creek Dog Food Company, that just incorporated for \$50,000, is to increase its capacity by the erection of an addition to its present factory at 51-53 East State Street, Battle Creek, Mich., work to commence in the immediate future.

The new building will be 50 by 60 feet in dimension, providing ample space for future increase in production. The company is also to install a 12-shelf reel oven, which will be the largest of its kind in this part of the country, this being the style of oven used by the large cracker and dog food concerns.

This company is the largest manufacturer of dog food in the Middle West, having enjoyed a very rapid growth. But seven years ago the industry was started here, but its product has become very popular with large kennel owners and veterinary hospitals throughout the country. The food is known as MILLER'S A-1 RATION and comes in granular form. Cereals, meat bone and blood meal enter into its composition.

The first of this year the manufacture of MILLER'S A-1 BISCUIT was started by the company and business has increased so rapidly that the enlargement of the plant became necessary. There is everywhere an increased interest in the breeding of thoroughbred dogs, largely because of the increase and betterment of the dog shows held not only in the East but all over the United States and Canada.

MILLER'S A-1 PRODUCTS are sold by dealers all over the United States and Canada.

TERMINAL CITY KENNEL CLUB LTD.

The Terminal City Kennel Club Ltd. held the last of its winter's series of parlor shows on March 19th, when Pekes were the strong entry, which shows that the "Heathen Chinese" is taking a hold for itself at the Coast. A number of real smart youngsters of several breeds were uncovered here, and will be seen later at the licensed fixtures. English Setters were strongly represented. A puppy by Ch. Rowland's Credential, and shown by Wally Wilgress won the puppy Sweep-stake, the open Sweep being won by Lady Evelyn, an English Setter owned by J. Baserin.

Mr. Fred Wilds (late of Calgary) was the "Ermine Bearer" for the evening. Fred has been long enough with them to know 'em, and he expressed himself as being surprised at the quality of the exhibits and the enthusiasm of the fancy generally.

We understand that the usual Spring licensed event will take place on May 23rd and 24th, (dates not yet applied for officially), and that Mr. Jack Meadows of Oakville will "pass the rule" on the exhibits.

Heroic Mother Saves Babies and Puppies

Just when cold, blustering March was blowing her icy breath over the country, the home of our member, Mrs. Allan Laurie, of the "Sun" prefix, Chaudiere Basin, P.Q., was unfortunately burned down. Mrs. Laurie made three trips through a broken window, successfully rescuing her two young children, and ten of her valuable Pekes. Her old favorite, "Wendy of Alderbourne," four Cocker Spaniels, her home and all its contents, were destroyed. In making the several trips through the burning house, Mrs. Laurie had both of her hands burnt quite seriously.

Just when we are recording Mrs. Laurie's fight against adverse circumstances for her children and dogs, we notice the following in this morning's (March 27th) Mail and Empire (Toronto):

TRYING TO SAVE PUP, LITTLE GIRL DROWNS

Dog Had Ventured Out on Ice at Wingham and Tragedy Resulted
Wingham, Ont., March 26.—Marion Signock, the five-year-old granddaughter of Mrs. Wesley Girling, was drowned in the Maitland River here this afternoon. The child and a little playmate, Marie Reed, accompanied by a puppy, were playing near the

river, now swollen by the spring freshet. The dog ventured out on some ice at the edge of the river, and, hastening to the rescue, the Signock child fell into the water and failed to come up to the surface.

The other child raised an alarm and a searching party dragged the river without success until darkness prevented further search. It is probable that dynamite will be used tomorrow.

The father of the drowned child died some time ago from illness resulting from his war service. The mother is living in Kitchener.

March 28th, the following pathetic paragraphs appeared in the Mail and Empire (Toronto):

GIRL'S BODY FOUND IN MAITLAND RIVER

Puppy for Which She Gave Life Sought to Awaken Corpse

Wingham, Ont., March 27.—The body of five-year-old Marion Signock was recovered from the Maitland river this morning within a few feet of the point where a clairvoyant declared it would be found.

During the late hours of the night the river subsided about a foot and

George Cruickshanks, one of the most diligent of the searchers, observed strands of hair on top of the water. The body was in an upright position, the back of the dress being caught in a submerged willow tree.

Close at the heels of Mr. Cruickshanks when he made the discovery was the pup for the love of which Marion gave her life, and which had hardly left the bank of the river from the time Marion was drowned. Frantically did the little animal endeavor to awaken his mistress, until it was necessary to put him under restraint.

And so it is: One time the human is called upon to pay the penalty of the devotion which exists between man and man's Best Friend, but much oftener is the penalty paid by the larger souled loyalty of our canine friends, and as time goes on, the exemplification of the arrangement under review becomes daily more pronounced. There is more than a mere coincidence here. The baby girl loses her life for her puppy, and the puppy, with all his supposed lack of understanding, realizes, and refuses to be comforted. We deplore the accident, and admire the pup.

What the Clubs Are Doing

ALBERTA KENNEL CLUB.

The annual meeting of the Alberta Kennel Club was held in the Council Chambers, Calgary, on February 28th. The president, Mr. Leonard H. Cooper (our Alberta director), presided over an enthusiastic gathering of twenty members.

During the course of the year three shows were held under the auspices of the club, the first with date of April 11th last, the Annual Spring Matinee Show of the Club, an evening fixture, and on which occasion 147 dogs, representative of the best known breeds, were benched. At this time the club decided upon the institution of a charge at the gate for non-exhibitors, and a very satisfactory sum was forthcoming from these proceeds.

At an executive meeting of the club, held on the 20th April, 1923, a resolution was adopted fixing the dates of the Annual Summer Show and all necessary arrangements in connection therewith. We were fortunate in being able to secure the services of Mr. Bert Swann, of Toronto, to judge the annual summer event, and he gave the utmost satisfaction to all in the various awards, 235 dogs were benched on this occasion. The club has come into possession of two new silver cups for competition at the annual summer fixture, and these will be placed to the best advantage by the executive of the club. Special worth-while prizes were also awarded to winners at this event, and met with the general approbation of not only those who received them but those in attendance at the time they were given out.

The Annual Fall Matinee Show of the club was held in November last, and on this occasion 187 dogs were benched. A special feature of this show was the benching of seven Alsatian police dogs, very fine specimens, indeed, according to the word of the judge, and there is apparently quite a fancy for this dog locally.

The annual report of the secretary contained a suggestion to the club that they should take under consideration the promotion of and establishment of, under the auspices of the Alberta Kennel Club, of Field and Water Trials for sporting dogs. A very lively interest appears to be taking hold in this respect over the entire province, which would no doubt reflect very considerably in favor of the club if these Trials were undertaken. The suggestion met with the approval of all present, and the secretary was instructed to

secure the necessary particulars in this connection.

The annual balance sheet of the club showed a credit balance of \$202.80 on the year's operations, and furthermore, that the assets and properties were all intact and in good condition.

Good Friday, the 18th of April next, has been fixed as the date of the Annual Spring Matinee Show, and it is intended to bench dogs on this occasion, the event to commence at 2 o'clock in the afternoon and continue on into the evening. A light lunch will be provided by the lady members of the club on this occasion.

Officers for the season were elected as follows:—

Honorary President—Mr. E. D. Adams.

President—Mr. L. H. Cooper.

Secretary-Treasurer — Mr. J. M. Miller, City Clerk, Calgary, Alta.

1st Vice-President — Mr. C. Y. Howlett.

2nd Vice-President—Mr. William Forrest.

3rd Vice-President—Mr. M. R. Christie.

Executive Committee—Mr. W. Brown, Mr. Geo. Westmoreland, Mr. E. E. Ellis, Mr. W. G. Climo, Mr. C. B. Payne, Mr. E. P. Tuson, Mr. J. M. Rudolph, and Mr. Jas. Young.

Club Veterinarian—Dr. A. M. McKay.

Assistant Show Secretary—Mr. W. G. Climo.

The secretary was instructed to get into communication with several of the prominent judges in Canada and the United States with the object of enlisting their services in connection with the judging of the Annual Summer Show, which will this year be held in conjunction with the Exhibition and Stampede.

VICTORIA CITY KENNEL CLUB.

The stage is almost prepared for the Victoria City Kennel Club Spring Show on May 16 and 17. Mr. George Pearson has been allotted the entire show. He is a fancier with 30 year's experience behind him, and has the confidence of most of the Coast fanciers at all times. Mr. Pearson has kept all the recognized breeds, and at present specializing in English Setters. He has judged 15 shows in Canada, twice in succession the Pacific Toy Dog Club Show, and not so long ago the Vancouver Exhibition Association gave the breeds over to Mr. Pearson.

The club is offering its most attractive premium list, the best yet at-

tempted, and already enquiries for premium lists from over a large area are reaching the Show and Club Secretary, Mr. Bert Pritchett. Mr. Harry Dodds will have the superintendent's duties, and he himself is an attraction.

LONDON COLLIE CLUB.

It did not take this—the youngest Collie Club in Canada—new organization very long to test its strength, inaugurated this year a show, held on March 7th, was amongst the first activities to be tried out, and for that purpose the Reliance Garage was secured for the show, Mr. John Patton, of the "Breadalbane" Collie Kennels, Brantford, was selected to judge, and when the opening hour had arrived it was found that over 150 entries had been taken, a showing that augers well for the future of the club. In their enthusiasm, and minus experience, they had a full classification, and, if you please, **Winners and Reserve Winners for Dogs and Bitches**, and we hope this will not happen again anywhere, as one associates the word "winners" as applicable to a dog taking its championship points, and "reserve winners" to the animal placed second in case of dispute, protest, or automatic cancellation.

Col. Robt. McEwen had a recently imported collie out in "Wishaw Banker" said to be quite the best specimen that Colonel McEwen has had out for a long time, and landed the prize for the best collie in the show. Mr. Patton was quite enthusiastic about the entry and believes that London Collie Club has prosperous times ahead of itself yet.

WITH THE CALGARY WHIPPETTERS

Special to Kennel and Bench, by
C. B. Payne, Calgary

On Saturday, Feb. 16th, the Annual Whippet Races under the auspices of the Calgary Winter Carnival, took place at Victoria Park on the Race Course, when 19 Whippets were entered. They were run under unique conditions for some time, and up to three days previously, Calgary had enjoyed most beautiful Spring weather, but on Wednesday and Thursday it snowed very heavily, until about 10 inches of snow covered the ground. The only means of having the races was by getting the Race Course cleared by snow-plough on the day it took place. The weather was very cold, making it

very hard on the dogs, and not very pleasant for the spectators, but it was indeed a great sight to see the dogs coming down the course of 200 yards with both sides banked up with snow. If such a thing had been talked about a few years ago, one would have been laughed at and told that it could not possibly take place in the Northwest, almost under the brow of the Rocky Mountains in the month of February, but it was carried out even under these conditions, and it is the third year that the Winter Carnival Executive have done so, and they were rewarded by seeing some exceptionally good races. In some, the result was only a matter of inches between the dogs.

The winner in the Open Handicap was O'Brien's Nellie, which was in very fine style, being very fast, and it is doubtful if there is another Whippet in Canada that can beat her. This is the third year she has won this Handicap, so her owner now holds the Silver Cup as his property. In the final, both Pete and Wildfire were going great guns, but she was drawing away from them at the finish at every stride and won by 6 yards. It was, indeed, a great performance.

There is a great probability that as Mr. O'Brien is now in the States, that the family will move there this summer. If so, Nellie may be seen on the track over there, and it will need a real whirlwind to beat her.

She was prepared for these races by Jackie O'Brien, a boy of 14 years, and was slipped by our old Whippetter, James Young.

In the puppy race of four entries some good running was seen. Moore's Rags won a good race with Donaldson's Midget 2nd, while Payne's Lady Teasel and Herter's Fanny were close up.

MONTREAL ALL "HET UP."

The Montreal fancy is all "het up." The enthusiastic Secretary, Mr. P. E. Aird, seems to have given his followers "a shot in the arm," and calls for his recompense, their loyal co-operation in connection with the newly incorporated association's forthcoming All Sporting Terrier Show, to be held on May 29th, when Mr. Joseph Perkins, Toronto, will be the "master of the rule." Also the All-breed Show, to be held on May 30th and 31st, when Mr. Vint Breese, the noted judge, will "bear the ermine," and when 500 dogs benched is the goal that "the boys" down there are aiming to reach, and there is no good reason why this modest object should not be attained.

Every member get a member is another slogan that is engaging the Montreal talent, and it is going to be "put across" in fine shape we are told.

GEORGE KYNOCH AT CHICAGO.

We learn that George is off to Chicago and Milwaukee shows with a string of Winnipeg's best specimens, twelve in number. The only "Scot" in the party, i.e., "Jock McGraw," made his presence known at Chicago and won for best novice dog, limit dog, and reserve winners. That there will be more outstanding wins made is quite possible, and we will hear of these later.

PEKE FANCIERS IN JOVIAL MOOD

Toronto Pekingese fanciers are going the fast pace these days. Not so long ago they forced the Toronto fancy to sit up and take notice, when they held a matinee show at the King Edward Hotel. Soon after they held a members' banquet at the same venue, where they dined and danced until the cock crowed in the morning. Mr. Chas. DeGuerre was toastmaster, and was quite at home in the premier position. Dr. J. A. Campbell, Messrs. H. M. Jackson, Wm. Stockdale, Fred Shawley (President), and "Ye Editor," with their wives or sweethearts, were honored with head table positions, and a select little gathering was the outcome. The Club's next venture is a parlor show, to be held at the King Edward Hotel on May 30 and 31. Part of the proceeds will be handed over to the Toronto Humane Society, an attraction in itself, when we know that the Society is at present experiencing troublous times endeavoring to make both ends meet.

The kennel name "Walkley" has been registered in the name of H. Draper, Toronto, Ont.

Boston Terrier Club of Toronto Specialty Show

The Boston Terrier Club of Toronto is at its high enthusiasm peak to-day (April 4th), and will continue tired but happy to-morrow, the fifth annual fixture having all its predecessors faded into oblivion, successful as some of them were. The venue is the ballroom of the noted Toronto Hotel, the Prince George. The club's colors, purple and white, predominate everywhere, the white benching is draped halfway down in purple, and the effect is more pleasing than striking. The ring is commodious. The floor is covered with new cocoa matting. The "block" is a foot high and roomy and the ladies find it more convenient than the conventional just-up-off-the-sawdust-block so often in use. The dogs, as if in awe of their elegant trimmings, are very modest and quiet. The hotel management says, "No bother to us, and they will be welcome to come back again." The corded plush covered chairs are inviting as they are comfortable. The "score board" is kept up to the minute, and every class judged can be seen from one end of the room to the other. The catalogue is a masterpiece, and equal to the best published in England, or in the United States. The half dollars are changing hands for tickets for this and that "coming" show. The dogs from Buffalo are hitting the "high spots." The smile of the local talent refuses to yield even to that. The crowd is dressed up to beat the cars and the whole is beautiful.

Dr. O. M. Deems, of Springfield, Mass., U.S.A., has very definite views regarding Bostons, and has no especial favor—that we can see—for the "bully" or the "terrier" types. It looks as if the best of each had a good chance in the ring together. He works on the end next the cocoa matting and he is giving out his favors to suit the Doctor's own self. The proper way. And he has promised to write up the show for Kennel and Bench.

The President, H. M. Jackson, is not winning much, but he is the happiest man in the crowd. Earl Brown, C. B. Firman, and the Club Secretary, H. A. Chambers, are "seeing to things generally." Lorne Anderson and R. H. D. Sim are the show superintendents. "Bob" G. Long and "Vic" Mathewson are the hustling ring stewards, and their work looks smooth to-day. The man at the Board may be A. E. Downes—we don't know—anyway, he's a real "schoolmaster." The team work, for which this Club is justly noted, is evident everywhere.

The dogs themselves are the evenest collection of type that has been seen for many moons, and the judge acknowledges their wonderful, all-round quality, in no uncertain way. The show committee is the Club's membership—a great idea, this. And now, just as we go to press, we have left the banquet table, and it, too, was a huge success—every plate found someone to keep it in company. After a dinner of Turkey and trimmings—all was duck. At the head table was Mr. H. M. Jackson, Dr. O. M. Deems, Judge (the guest of honor), and the Club's officials. Convenient were the Buffalo and Detroit exhibitors. After dinner, the toast, "To the King," was pledged with musical honors. Other toasts were, "The Canadian Kennel Club," to which the Secretary, Mr. Jas. D. Strachan, replied; "Kindred Clubs," proposed by Mr. H. A. Chambers. Replies from Messrs. H. B. Charlton, Brantford, L. H. Graeber, who reminded the diners of the Boston Terrier Club of Buffalo Show, to be held October 15 and 16, and invited the Toronto Boston fans to come over at that time; George Duncan, Winnipeg, who invited all parties to attend Fort Garry Kennel Club Show, May 15, 16 and 17. "Our Guest," proposed by Mr. Vint G. Perry (London), and ably responded to by Dr. O. M. Deems, who said that he had enjoyed the show immensely; it was one of the finest shows that he had ever attended and quite the equal of the Boston Terrier Club of New York Specialty Show, held at the Waldorf Astoria Hotel, where no doubt they had some wonderful dogs benched, but they also had a lot of others of indifferent types, but for all-round evenness of type and quality, the Toronto show would be hard to equal anywhere, and as far as he could see the Toronto fanciers had no need to back up for anyone. I would like to see every Boston Terrier under 15 lbs. hung, Dr. Deems said. The Boston Terrier was a man's dog, and should be able to take good care of himself, the kind that could drink water out of a catsup bottle without touching the sides were not at all desirable amongst fanciers. Type could not be kept when the dog was being sacrificed for size. The only logical reason for their existence at all was because some fanciers who were commercializing the dog, had to produce the "sleeve specimen" to meet the whim of the moneyed buyer who wanted "a small dog," but the practice, if continued, would surely kill the Boston in time.

The craze amongst buyers was to ask, "Who is the sire of this puppy," as if the sire was everything. You never hear a word of enquiry regarding the dam, which was equally as important a question, as good specimens cannot be bred from "weedy" bitches. To the breeders he said, "Get good, sound doggy bitches, give them due consideration, then go ahead." A Boston Terrier should be built like a hackney horse, and should move like one. He knew a bitch as big as a pet bull terrier that had whelped a Boston Terrier that was only 12 pounds, but that specimen whilst the popular weight was possibly the product of malnutrition, maybe the result of rickets, and not at all desirable for breeding purposes, the big, healthy, typey bitch will get the good pups.

Dr. Deems had many who agreed with him, but it was quite noticeable that some (possibly the owners of the lightweights) present did not agree with all he had said. However, he knows the game and all about it, calls a spade a spade, and is as frank in his expressed opinions as they make them nowadays, and no doubt Dr. Deems will be invited back to Toronto to judge Bostons again before long.

"The Boston Terrier Club of Canada," proposed by Mr. R. H. D. Sim, was replied to by Mr. Jack Schaefer (President Boston Terrier Club of Canada). Mr. Schaefer paid a glowing tribute to Mr. Earl A. Brown, when he said, "I believe that Earl Brown has done more good for the Boston Terrier than any other man in Canada, and while I would not seek to interfere with the internal workings of the Boston Terrier Club of Toronto, I would like to see you give him a gold medal with the fitting inscription, 'For Services Rendered.'" Mr. Schaefer made a plea for assistance for the Toronto Humane Society, and asked permission to take up a collection for the Society's work. President Jackson conceded, and a nice little sum soon covered the plate. "The Ladies," proposed by Mr. A. Sharpe, was pledged in good white wine drawn from old Lake Ontario's crystal bosom.

Musical numbers interspersed the programme, Miss Audrey Firman singing two very pleasing selections to an able accompaniment. The little Misses Burton and Wills contributed duets on their violins, much to the enjoyment of an enjoyable evening. The Show is continuing to-day, Specials, etc., only requiring attention.

Fidelity! Fidelity!

The Toronto Humane Society is in distress. The City Council has refused their permission for the Society to hold a "Tag Day." The Civic Fathers may be right—who knows? I believe that they are wrong.

A Dog's Fidelity

"That neither bribe nor threat can move or warp."

Just think of that.

And the Toronto Humane Society actually brought 4,629 of these little chunks of solid unalterable fidelity into their shelter last year, 3,996 were humanely destroyed and released from their suffering, 533 were placed in homes, 109 were claimed by their owners, and this showing only covers their work.

For Dogs Alone

last year. And so the Toronto Humane Society calls for the attention of every dog-lover in Toronto. The city has been circularized this week, and I ask every fancier who receives the circular, which is really an invitation to join the society and contribute a trifle to its maintenance.

We owe it to our dumb friends.

What do you do when your best dog gets lost?

I can tell you.

You 'phone the Humane Society. Then the nearest police station. Then pray for its safety, and the Society often helps you out. You know that is true.

Then, just send that little cheque. Pin it to the face of any of the three invitations that suits your means.

THE LONDON SPRING SHOWS.

A Word of Explanation by Vincent G. Perry.

WITH the biggest and best building for holding a dog show in the Dominion of Canada, a special grant from the City Council of London and stacks of more money to offer for big prizes, the London Canine Association is getting away this year to the biggest start in its history. The two one-day-all-breed-shows that will be held at the Arena, London, on May 7th and May 8th, promise to eclipse all records made in Ontario for the Canadian National Exhibition only.

Picture the London shows this year. Wednesday morning the first show opens in a brand new building, the dogs benched on freshly painted benching of the highest order. Two big rings will occupy the centre of the large airy building, and two New York judges will commence work. Mr. Alva Rosenberg, the Boston Terrier and Toy expert, who is now recognized as one of the best of the new generation all-rounders in one ring, and the veteran of a thousand shows, Mr. Chas. G. Hopton in the other. Neither judge will have an opportunity to see the placings of the other—as they will be kept too busy for that. The first show will be judged by 10 o'clock on Wednesday night.

The second show opens the following day, Thursday. Dogs from the previous show and entered for the second show (and we believe all the dogs will be entered for both shows) will be brought in again and benched. If their owners find it more convenient they can leave their dogs on the benches all night following the first show, but this is not at all compulsory. The judging will start promptly with Mr. Rosenberg and Mr. Hopton again in the rings—only, on the second day Mr. Hopton will judge those dogs Mr. Rosenberg judged at the first show, and Mr. Rosenberg will take on the dogs that Mr. Hopton judged the first day. Mr. Rosenberg will not judge the gun dogs and sporting spaniels, however, as these will be taken on by Mr. John Bowden, of Brantford, one of the old-timers, who has retained a keen interest in sporting dogs and dog shows. In this way and in two days exhibitors will have had their dogs judged at two distinct shows, and will have had them passed on by two distinct judges of international repute.

It is not the intention of the London Canine Association to cheapen

the dog game in anyway or to lessen the value of championship ratings—but it is our aim to increase interest and to stimulate competition by offering this opportunity for exhibitors to get a double championship rating in the same length of time that in which a single rating was ordinarily earned. We have long felt in London that our Association was big enough and strong enough to hold two shows annually—and the fact that we are able to have them, one the day after the other has lessened our expense considerably, and also the expense of the exhibitors in like ratio. We will raise enough dogs in London to make a two-point rating for both shows—and we are leaving it to the out-of-town exhibitors to support us to the extent of a three-point rating for both shows. Think of it—six points won fairly in two days! Under ideal show conditions, big worth while prizes, ample classification, Al dog show building, courteous officials, and capable judges.

Now bring along the entries and let's get going.

OUR FRONTISPIECE.

The feature of our front page for this month is both timely and interesting. It seems to suggest that we are travelling from winter's snow to summer sunshine, as indeed we are, and before our readers have had time to digest this number completely we will be standing on the threshold of summer, bedecked with cheery blossom. We can hardly say the subject of the picture is unusual, because the sport of dog racing over long distances of snow covered wilderness is yearly becoming more and more prevalent.

In the picture is seen a team of seven likely looking dogs, strong of body, and long of limb, the sleigh and "hitch" are those known to Ontario "Mushers," and when the Alaskan outfit has been adopted, this same team will be a contender for the first place.

It will come as a surprise to our readers to learn that the man in the heavy furs, appearing in the picture, is Mr. James F. Strachan, Montreal, our Second Vice-President and Fox Terrier breeder extraordinary. This sport has an ever increasing fascination for Mr. Strachan; the thirty miles which comprise the course is a hard task for both man and beast, yet it is one of the greatest sports in the world. The dogs are half Great Dane and half Russian Wolfhound; some are half Great Danes and half Greyhounds. They have been bred for

speed and stamina, and over good roads they must be hard to beat. As it is, they ran into a \$200 prize, which was third money. When the dogs came in they were soon kennelled, and as they lay down they stretched their legs straight out, as a horse would do, and not curled up, as we would imagine they would do.

At "hitching" time, as soon as a collar is lifted every dog stands up and waits for his collar, all so anxious to be "off," and seem to enjoy the sport as keenly as their master surely does enjoy it. Over one hundred thousand people lined the course to see the race, and circled around the mountain three times, each time passing through one of Montreal's main streets, and the streets and intersections were jammed by the light-hearted crowds that were out to see the fun. An automobile ran into the team, in our picture, and hurt the lead dog, which necessitated changing him back to third place, but there he raised such a racket that he had to be taken back to his own place; the incident meant a loss of time amounting to about 45 minutes, and as there were only a few minutes between the teams placed one can easily imagine the chance Mr. Strachan's team would have had barring the accident. Seven teams entered the race and six finished, the James F. Strachan entry finishing third.

BEACH PARK BULLDOGS AT DETROIT.

As we go to press we hear that Mr. Jas. Cassina has had a big innings with his bulldogs at the Detroit Kennel Club Show just closed, his "Beach Park Jewell" having been awarded 1st puppy, "Beach Park Bailiff" (formerly "Dauntless Dan"), 1st limit, 1st open (under 45 lbs.) and reserve winners to the noted "Brantford Fair Play"; "Young Locker," 2 seconds; "Ch. Lady Stewardess," 1st limit, 1st open (light-weight), and winners; "Morning Glory," 3 firsts and reserve winners. We understand that \$800 was offered for "Morning Glory" and that \$1,500 was refused for "Beach Park Bailiff." Mr. Cassina is extremely enthusiastic over the show and the officials of the show, the judge, Mr. Alex. Stewart, of Chicago, and of "Int. Ch. Abbey King Nobbler" fame, and, of course, of his own great success at the show.

LETTER TO THE EDITOR.

IMPORTANT!

Exhibitors, Read This.

J. D. Strachan, Esq.,

774½ Yonge Street,
Toronto.

Dear Sir,—

As Honorary Solicitor of the Canadian Kennel Club, I feel it is my duty to call the attention of the members to certain legal principles affecting dog owners and dog exhibitors, which were laid down by His Honor Judge Denton in a written judgment given by him after the trial on the 25th March, 1924, of the action Cassina vs. Stockdale.

As you know, this was an action to recover a dog which had been claimed at the Canadian National Exhibition at the price placed by the exhibitor in the column on the entry form, "Price, if for sale," and also the price which appeared in connection with the name of the dog in the catalogue of the Show.

It is not necessary to go into the intricacies of the case. Suffice it to say that the plaintiff went to the Assistant Superintendent of the Show, put in a claim in writing for the dog at the price mentioned in the catalogue and gave the Assistant Superintendent his cheque for that amount. The sale was disputed by the owner of the dog.

I cannot do better than quote certain extracts from the actual judgment as delivered by His Honor Judge Denton: "The question now is whether there was any legal contract under which the plaintiff is entitled to say that he bought this dog and is entitled to possession of it. The dog was exhibited at the Dog Show of the Canadian National Exhibition last September. The rules of the Exhibition governing that dog show have been put in and one rule states that each exhibitor is requested to state price for which he will sell his dog or mark it not for sale. The entry made by the defendant who then owned the dog stated that the price he put on it "if for sale" was \$200. The dog was then shown at the Show.

There is no pretense on the part of the plaintiff that any express authority, written or otherwise, was given by the defendant to the Exhibition Superintendent to sell this dog for him for \$200, or for any other price, but what the plaintiff contends is that under the usage of trade and the custom and practice at these shows, the Superintendent of the Dog Show has the right to sell the dog to any person who claims it and at the price stated by the owner, that is

in this case, \$200. . . . I have come to believe that such a usage of trade or custom has been established. . . . Many witnesses have been called who have been exhibiting dogs for years and have told us that there is that usage, custom and practice under which the Superintendent has the right to sell a dog at the price which is given, in other words, that there is that implied authority given on the part of the owner to the Superintendent to sell, based on the usage. I think that usage of trade may be said to be certain and reasonable, and I think, too, . . . that it is generally known. . . . If that usage is established, then the Superintendent of the Show had the right as agent of the defendant to sell this dog."

I have been informed that it is the intention of the Committee now revising the Dog Show Rules of the Canadian Kennel Club to cover this point, but in the meantime it may be valuable to our members to know that the Courts have given a definite judgment on the subject.

Yours truly,

G. F. McFARLAND.

REPORT SASKATOON KENNEL CLUB SHOW.

Special to Kennel and Bench by
John C. Fletcher, Calgary

The Spring Dog Show given under the auspices of the Saskatoon Kennel Club was a huge success viewed from all angles. The venue of the affair was a spacious well-lighted store. The show was clean and the benching arrangements ideal. One hundred and sixty-five dogs were actually benched. The veteran show superintendent, D. C. Samson, was in charge of affairs and did everything in his "SAMSONIAN" style, which is the "hallmark" of how to run a dog show. Large as the building was, it couldn't begin to accommodate the crowd. From the time the doors opened there was one incessant stream of visitors, and as they were admitted at "two bits per" the exchequer of the Saskatoon Kennel Club was swelled materially.

The type of dogs benched were well above the average; in fact, they would have done credit to a championship point show. The writer has seen many point shows that could not boast the quality exhibited here. Most of the exhibits were locally owned, but several came from outside points. The judge, Mr. Wm. Pym, the well known breeder, of Calgary, officiated as all-rounder. His work while quite

devoid of frills, was a treat to watch, and his thorough and workmanlike manner in the ring stamped him as master of the situation, and one could see at a glance that "Billy" was no novice at handing out the awards—which were well received by the ring-siders and exhibitors alike. While he worked fast, it was impossible to expect him to get through such heavy classes in the limited time at his disposal, so the writer relieved him of the Bostons and Toys, and ran the rule over some excellent specimens in these classes.

The Committee of the Saskatoon Kennel Club are a live bunch. The President, Major J. D. Gunn, was on the job throughout the day and was instrumental in keeping things moving. He was ably assisted by Messrs. Watson, Brown, Lawson and Neil. We were royally entertained by that prince of sports, R. J. Hinds, who was not an exhibitor, but nevertheless an enthusiastic supporter of the show. At an informal dinner given by Mr. and Mrs. D. C. Samson, I was presented with a beautiful solid gold fountain pen by Major Gunn on behalf of the Saskatoon Kennel Club. This gracious act was a complete surprise and I value this gift very highly. If we had any complaint to make about our treatment in Saskatoon, it would be that the Saskatoon boys are the champion non-stop pleasure hunters of the world who keep you going days and nights without sleep, and what more could the heart of mortal man desire?

ENGLISH BULLDOG CLUB—MONTREAL.

At the annual meeting of the English Bulldog Club, which was held at the offices of the Drs. Etienne, 67 Drummond Street, the whole of the officers were re-elected with the exception of president, F. McKeen, and secretary, J. Noel, who retired on account of pressure of personal business. Mr. Noel was awarded a hearty vote of thanks for his arduous and highly satisfactory work during the past year, whilst Mr. McKeen was elected hon. president by a unanimous vote of the committee. The club's treasurer, Wm. Aitken, was able to report a highly successful financial year, the club now owning outright, an up-to-date and entirely new set of benching, many handsome cups, etc., including the famous Texas Trophy, besides a substantial cash balance in the bank and not a cent of outstanding unpaid accounts.

This enviable position is entirely due to the team work of the members, there being an utter absence of strife, each and every member putting his shoulder to the wheel, when there was work to be done, in the interests of what the "Bulldog Boys" proudly term "Our Club."

Mr. German, a young and enthusiastic bulldog fancier, has consented to act as secretary and as he is one of the club's most popular members, the choice is an exceedingly happy one.

By a unanimous vote of the members, Allan C. A. Chisholm, a former president of the club, was re-elected president, and in the course of a short concise speech, thanked the members most sincerely for the great honor they had paid him, concluding his remarks by saying: "Ladies and gentlemen, without your help and co-operation, I can do nothing, with them we can do most anything." Already a most ambitious program has been mapped out, whilst something really sensational, and different from anything ever before attempted by any canine club, on the agenda for 1924. Full particulars may be had from Secy. German, 709 Galt avenue, Verdun, or by ringing Uptown 4680W.

REVISING THE CONSTITUTION.

It has been known for some considerable time now that our Constitution and Dog Show Rules were hindering the proper functioning of our Association's activities, and as our Club forges ahead in leaps and bounds this weakness becomes more and more pronounced, and to bring us abreast of present day requirements, and to permit of our functioning properly with the requirements of the Pedigree Act, a general revision has been deemed absolutely necessary, therefore, if our members will look upon the copy of the constitution which they have received in the light of a modern treatise on our governed affairs, not an amendment here or there, but a practical essential revision. The revised Dog Show Rules is simply a strengthening of the weak places, which have come to the surface in actual practice. A separation of the Dog Show Rules from the Regulations covering dog show management, why they were ever sent out together seems peculiar. At the present time any evil disposed fancier can make a barrel of trouble, put another fancier to great expense and worry, to say nothing of endangered reputation, and all for \$5. The proposed new way will call for real thought at the time of making a protest, and \$25 will be asked as the fee, then, if the defendant claim is upheld by the Directors, his expense may in some measure be taken care of at the discretion of the Directors.

Then there are certain questions bearing on the registration of certain well known dogs, Canadian-bred dogs that have been registered with the American Kennel Club, before a Canadian National Live Stock Records certificate of registration was demanded, certain dogs that have been registered with the Dominion Kennel Club up to a certain date, these essentials will all be found in our proposed revision of Constitution and Dog Show Rules, and it is hoped that every sincere member will go into the matter carefully and intelligently, and if they can see where an improvement can be made here or there that would tend to be for the greater good of our Association's work, we will be glad to receive such suggestions from any member in good standing, and any such proposed amendments will be received by the writer up to April 26th, 1924, and will appear in our May issue for the instruction of the members who will be present and voting on these all-important matters at the special meeting to be held at the Carls Rite Hotel on Tuesday even-

ing, May 26th, 1924, commencing at 7 o'clock. We want every member to feel that it is his or her duty to be present on this occasion.

SPRATT'S PATENT, LIMITED, ANNUAL MEETING

THE Thirty-eighth Annual Ordinary General Meeting of Spratt's Patent, Limited, was held yesterday at the Cannon Street Hotel, E.C.

Mr. S. T. Lethbridge, Chairman and Managing Director, presided.

The Secretary, Mr. A. A. Stow, having read the notice convening the meeting and the report of the auditors,

Tribute to the Late Chairman

The Chairman said: Gentlemen,—Before we proceed with the business of the meeting, I must refer to the great loss which we, as a board, and the company, have sustained by the sudden and unexpected death of our late chairman and managing director, Mr. Stephen Wingrove, who passed away within three weeks after he had presided over our last annual general meeting. I think that most of you in this room are aware that Mr. Wingrove had been associated with this company for upwards of 50 years, and there is no doubt that its present sound position is very greatly due to his careful management and foresight. I was invited by my colleagues to fill the vacant posts, and, as the wish was unanimous, I accepted with the knowledge that I should receive their full co-operation and support, which has been given me during my term of office. That is why I am occupying the chair this morning.

You will see from the report that Mr. J. J. Mason has been appointed deputy manager in my stead, and, with his general and specific knowledge of the business extending over a period of 38 years, he is fully qualified for that position.

Now for the business on the agenda. As the accounts have been in your hands for some days, I presume it is your wish that they be taken as read as usual. ("Agreed.")

Improved Results

It is with very great pleasure that we present to you a balance-sheet which cannot be viewed as other than satisfactory in all respects. It is admitted that the year under review was not an easy one for industrial concerns owing to the state of trade and unemployment. In addition, there was the dock strike, which we passed through in July of last year, and which cost this company several thousands of pounds in order to main-

tain supplies of manufacturing materials to avoid the closing down of our factories, which would have been the only alternative. Despite those drawbacks, we are able to show you an improvement over the results of 1922, and what is more satisfactory is that our sales were larger in all branches, including our subsidiaries, and these are many and varied, not, as many people have the impression, confined to the manufacture of dog and poultry foods, although those still form a very large portion of our trade and continue to contribute substantially to our profit.

Company's Varied Manufactures

We deal very largely in grains, seeds, cereals, and pulse, and for this business we have three stands on the London Corn Exchanges and one each at Manchester and Liverpool. The head of that department is my colleague, Mr. J. W. Openshaw, who does his work well.

Then we have a separate factory for the manufacture of equipment for the kennel, the poultry farm, and game-rearing estates, including ranges of kennels from the largest to the smallest sizes, poultry houses, coops, Hearson's incubators and foster-mothers. Hearson's incubators have a world-wide reputation for efficiency and durability—(hear, hear)—and we are constantly receiving letters from owners of these machines who have had them in use for between 20 and 30 years. These are shipped by us in very considerable numbers to all parts of the globe.

The Hearson Factory

Then we have the Hearson factory at Willow Walk for the manufacture of scientific apparatus, and I imagine that very few of our shareholders are aware that these include apparatus for bacteriological, biological, pathological and physiological work. There are few laboratories in the world where something of Hearson's is not installed, and their apparatus is certainly known to every authority on scientific research work. (Hear, hear.)

The discovery of the insulin treatment of diabetes has greatly benefited us, as for some time past we have been employed in the production of an apparatus which is indispensable to that treatment, and the value of that article runs into three figures.

Increased Profits

With reference to the balance-sheet, I do not think it calls for any special explanation from me. It is set out in the usual manner, and, I think, is quite clear to you all. You will see by the profit and loss account that our profits, including dividends and inter-

est on shares and debentures in subsidiary companies, show a very satisfactory increase over those of the previous year. As regards the appropriation of the profits shown on the front page of the report, we propose, subject to your approval, to pay a final dividend of 1s. 6d. per share on the Ordinary shares, making, with the interim dividend, 2s. 6d. per share for the year; to write off from the first item on the assets side £7,000; to place to special reserve account £10,000; to add to the pension fund £5,000; and to put to the employers' liability fund £5,000. This last named we consider necessary owing to the increased liability of employers under the Act.

I should like to state that the policy of the directors in regard to dividends and reserves will be one of caution, as it has been in the past—a policy which has placed this business in a position second to none in the City of London. (Hear, hear.) As to the future, in these days of uncertainty, or uncertainties, it is not safe to prophesy, but, in the absence of the unforeseen happening, I do not see why we should not maintain both our output and our profits, though, of course, you will not naturally accept that as a promise.

The Staff

Now a word about our staff, our relations with whom, including the employees at the factories, are of the best. That is a position of which I think we should be proud in these days. (Hear, hear.) In all the branches they have given of their very best, which we rewarded in suitable ways; and I have reason to know that this is greatly appreciated. In our representatives—and they are many—we have a body of men upon whom it would be difficult to improve for keenness and ability. In our counting house all are loyal and enthusiastic in their work from the heads of departments downwards. As regards our employees at the factories, I am informed by Mr. Mason that the works never ran more smoothly. Thus you will see, gentlemen, that altogether we are a happy and united family, and I am sure that you will all join the directors in a very cordial expression of thanks to the staff for their services. (Hear, hear.) For the first time this year every employee at our factory at Poplar will have holiday with full pay, and I have no doubt that this concession will be repaid by them with increased efforts in the production of your goods, which have built up for this company a reputation second to none, which I hope will be maintained. (Hear, hear.)

PROMINENT AIREDALE DEAD

We regret to report the passing of what was one of Canada's most prominent dog fanciers in the person of the late Mr. E. W. Billenger, Toronto, the owner of the well known "Morning" prefix, for several years so pronouncedly before the Eastern exhibiting fancy, but of late years less heard of, for the reason that poor Walter had been in very uncertain health. About two years ago it looked for a while as if he would rally, but the improvement was but temporary at best, and the months dragged along with ever decreasing resistance, death overtaking him on Saturday, March 22nd. Knowing that his time was about come, he was quite prepared and offered little or no trouble to those whose business it was to make his failing strength as tolerable as they possibly could. "Walter"—for it was always as Walter that his friends knew him, was beloved by many, and his friends of the kind that makes life so desirable to us all—was an adept at blending Airedale blood to get what he wanted most, and when once he had what he wanted, he knew how to condition it, and prepare it for the show ring to the last expert touch. Those of us who attended the Airedale Terrier Club of Canada Specialty Show on November 27th, 1917—and it was one sweet show for management and inducement, with lots of big money being handed out to the top-notchers, \$8.00, \$5.00 and \$3.00, with special cash prizes of \$5.00 cash, for best in each class—well remember Walter cutting off large chunks of the cash, and winning many of the cups with his "Morning Commander," and the sweet puppy bitch, "Morning Sunshine." Mr. Billenger was a Vice-President of the Airedale Terrier Club at that time. "Morning Admiration," "Morning Acceptance," were other of Mr. Billenger's Airedales, too well known to the fancy, to require further comment.

The funeral was largely attended and the officiating clergyman, Rev. John Bushell, most impressive, his message of comfort to the deceased family being a benediction to those attending. The offering of flowers bore their silent tribute of respect from many sympathizers. Mr. Harry Clayton and Mr. Matt. Gracey (pall bearer) represented the Canadian Kennel Club. (The writer being unavoidably absent owing to court proceedings going on, and which are reported elsewhere in this issue). Both these men are old Airedale fanciers and were friends of the deceased.

I want to purchase a typical specimen of the Manchester Terrier breed.

Must be registered, or eligible therefor.

Lots of tan coloring will be no objection, but will be preferable, everything else being right.

Tail must be first class.

Weight—around 22 lbs.

If you have such a dog and wish to sell him, write me at once.

A Dog's Progeny Decides His Value at Stud

STOCKFIELD DESIRE, the splendid son of the great Ch. Warland Ditto, is proving the title of Canada's greatest Airedale Stud. Watch report of All Terrier Club Show in Winnipeg, held under Canadian Kennel Club Rules, March 15th, 1924. Here you'll see a record seldom approached—in an entry of 38 Airedales benched, the progeny of STOCKFIELD DESIRE, with none over 10 months old, beat every Airedale Dog and Bitch in the Show and claimed winners in both sexes, and five special prizes. Dogs—1st and 3rd Juvenile, 1st Puppy, 1st Novice. Winners Bitches—1st Juvenile, 1st and 3rd Puppy, 1st Junior, 1st Novice, and Winners—One of these has previously won 7 firsts and Championship of Show.

Breed to a dog that will get you quality. The stock costs no more to rear and it brings you better prices.

His Stud Fee still remains at \$25.00

White Challenger
AT STUD**

This noted English Bulldog has been imported at big expense from the world famous kennels of Sam Crabtree, Manchester, England. "Challenger" is one of the best of his breed, and has beaten some of the leading dogs in England.

All his wins have been at open and championship shows, not Saturday afternoon public house affairs. He has been many times best of his breed, and has also gone best dog in show all breeds. Last time out at Liverpool, England, with sixteen in a class, he beat such well-known dogs as "Dunscar Draftsman," "Woodhouse Nudd," etc., etc. He is a young dog of the best possible breeding, in the pink of health, and is a proven sire of quality pups.

Full particulars of "Challenger," also "Lorne Lion," the perfect-bodied bulldog, from their owner, Chisholm.

RATIONAL DOG FEEDING

There is only one rational method of feeding a dog.

He should be given Spratts' Meat-Fibrine Dog Cakes or Puppy Biscuits as his staple food.

Large, crisp and wholesome, they establish and maintain doggy health and stamina, harden the gums, and keep the teeth in fine condition.

They have been the only rational foods for dogs for nearly 70 years !

Twice a week give him Spratts' Rodnim Meal. Mixed either with broth or gravy it provides a nourishing, welcome change of diet.

But be sure you get Spratts'. Look for the name on the white cotton bags, and when buying Rodnim Meal, make sure that the seal is intact.

Cheap substitutes for Spratts' are as detrimental to doggy health as promiscuous "table scraps" feeding. Your dog deserves the best---see that he gets it

Spratt's Dog Specialties are stocked by stores throughout Canada. In case of local difficulty in securing supplies, get in touch with your nearest territory agent:
