A MEETING OF THE BOARD OF DIRECTORS OF THE CANADIAN KENNEL CLUB will be held at the offices of the Club, 774½ Yonge Street, Toronto, on Thursday evening, June 19th, 1924, commencing at 8 o'clock.

Meeting of the Board of Directors of the Canadian Kennel Club

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club was held at the Club's Offices, 774½ Yonge Street, Toronto, on Thursday evening, May 15th, 1924, at 8 o'clock, the President, Mr. Joseph Russell, in the chair. Directors in attendance included Col. G. F. McFarland, Messrs. J. W. Bruce, N. K. Swire and W. B. Cleland.

The minutes of the April meeting were read by the Secretary, and on motion were declared adopted as read.

The Secretary read correspondence from Mr. E. Bristol, solicitor for Mr. Wm. Stockdale, which showed that the copy of the transfer as required by the directors had been delayed only for the reason that plaintiff's agent had not completed the judgment of the Court. The transfer was given conditionally. Further correspondence advised that the purchase price (\$200) was now paid and the transfer released. The Secretary advised that the transfer had been forwarded to the Records Office immediately upon its release.

It was moved, seconded and carried:

"That the suspension of Mr. Wm. Stockdale be now raised."

The Secretary reported that the Industrial and Educational Publishing Company had met his requirements for extra page prices in connection with printing *Kennel and Bench* for the twelve months commencing June, 1924, and it was agreed, "That the contract be awarded to the above firm."

The matters of Perkins-Scudder and the H. B. Charlton alleged irregularities were left on the table.

The Secretary reported not having received any reply from Mr. L. L. Broley to recent correspondence, who had been given until May 17th to meet the requirements of the Directors in connection with the returning of certain prizes won by the

Boston Terrier "O' Pal Midget," since December 17th, 1921, when shown as the property of Mr. L. L. Broley.

The Secretary reported that the matter of the identity of the Western Collie Club had come before Judge Stubbs in the County Court at Winnipeg, and that the original Western Collie Club, Regd., of which Mr. George J. Binnie is secretary, had been recognized and awarded the custody of the Club's books.

The Secretary advised that he had received from the Records Office the files covering the investigation of the affairs of J. E. Pilon, Montreal, in connection with alleged irregularities in dealing with registered animals. Col. G. F. McFarland, who had gone into the file closely, explained in detail the extent of J. E. Pilon's alleged offence, and it was moved, seconded and carried: "That, on the evidence submitted, Mr. J. E. Pilon be expelled from the Canadian Kennel Club, and that we recommend to the Canadian National Live Stock Record Board that they shall cancel the registration of the animals 'Jacques' (Alsatian) (33302) and 'Byng' (Alsatian) (33403)."

This being the business coming before the Directors, it was moved: "That the meeting adjourn."

Silver Birch Banker" out of "Wychwood Turra" (20504), a daughter of "Ch. Silver Birch Banker." Last year this good Airedale had a conspicuous appearance on the bench during the fall circuit, and won for reserve winners at the Canadian National Exhibition, Fredericton and Nova Scotia; and at Ottawa won the winner's prize, and special for best Airedale in show. THE BRITISH EMPIRE EXHIBITION and SPRATT'S PATENT, LIMITED.

With the Dog Section at the British Empire Exhibition at Wembley, which was being prospectively organized by the "Empire Canine Bureau," abandoned, the great doggy catering firm of Spratt's Patent, Ltd., have, we Eight Kennel Middleton.. are informed by Mr. S. T. Lethbridge, the managing director, been allotted the space at the Exhibition which was to have been occupied as a Dog Section by the Canine Bureau. In this way, although the great Empire Exhibition will be bereft of a Canine Section, which, in our humble opinion, under such special circumstances, is a poignant misfortune to the "poor dog," yet it is some satisfaction to know that such an eminent firm of manufacturers of dog foods, kennels, collars, chains, coats, and every equipment for dogs, will take its place, and a display of all the multifarious wares and requisites which genius can devise for the health and comfort of the canine race, wherever his lot may be cast, whether in hot, cold, or temperate climates of the earth, will be on view at the Exhibition.

Spratt's Patent purpose in erecting an imposing building at the Exhibition, which, besides providing for a splendid display of the firm's manufactures, will contain ample office space for the use of home and overseas visitors to the Exhibition, and form a convenient tryst of the doggy clan gathered together from all parts of the world.—Theo Marples in Our Dogs (Eng.).

A letter from Mr. S. T. Lethbridge, Managing Director for Spratt's Patent, Ltd., to Kennel and Bench advises that a fully-equipped reception room, writing rooms, etc., has been provided for the accommodation of the firm's overseas visitors and friends. All dog-lovers from Canada will naturally just be made welcome, and at home, and if necessary they may have their mail addressed Care of Spratt's Stand at the Exhibition. And other facilities will be offered to make Canadian visitors comfortable.

Spratt's Patent Limited never do things by halves, and we hope that any of our readers or members who may visit the British Empire Exhibition this year will write and tell us of their experiences, and especially of their visit to Spratt's Stand.—Ed.

MAY---The Merry Month of Dog Shows

LONDON CANINE ASSOCIATION'S TWO SHOWS.

The two shows held at London on May 7th and 8th could not be truthfully declared huge successes. London, like Toronto, and in fact most large cities for that matter, find it increasingly difficult to find suitable buildings wherein to hold their dog shows. This year it must have been nigh to heart-breaking for the London executive to have had the Armories, then the skating rink, and then to be obliged, after all, to take a vacant down-town building as a last resort. At that, the building had its redeeming features, because of the nature of its construction many natural benches were furnished, but it was dirty, the glass-work and the wood-work were both dirty and uninviting, an absence of the clean looking sawdust was responsible for our noticing the begrimed building so much.

The management seemed to be in the hands of Messrs. F. F. Simmons, V. G. Perry, Geo. Bowman, and Mrs. F. B. Singleton, with Mr. Simmons apparently doing it all himself, and much credit is due him for his tireless efforts during the show; his task was indeed a hard one, and if there is a live club in London, with a live Ladies' Auxiliary, both were conspicuous by their absence, and we say again that Fred was the whole visible works of the show.

Quality in the entries was quite outstanding, with Springers, Bostons, Fox Terriers (Wire), Russian Wolfhounds, Bulldogs and Collies offering stiff competition and lots of surprises. The "wiseacres" said that the judges would meet and compare notes at the end of the first day and everything would just be so so, but reference to our award columns will reveal the extent of their error, and the truism of "many men, many minds," is fully brought out in comparison. A real fight was on when the bulldogs, "Hefty's Best" and "Beach Park Dauntless Dan" came together in their classes, a pair of real good dogs and both sired by the late "Hefty Monarch" (Imp.). "Dauntless Dan" won the verdict, and as Judge Hopton explained to the ringside, he was obliged to resort to point judging to separate the sons of the Great Sire. Bostons furnished a thrill, too, when "Ch. Oglo's Beauty" came out on top on both starts with quite some to spare, and dogs that had been entered "for specials only" were brought into the ring to stem the tide, but it was no use, the sweet little daughter of

"Our Bob," ex a daughter of "Ch. Derby's Speed," won, and on the day she was in splendid bloom.

Two puppies were on "raffle" and over 5,000 tickets were sold, the stubs for these filled an ordinary sized water bucket, and we believe the Club's coffers were enriched to the extent of about \$500 from this source alone, and possibly it was this activity that accounted for the scarcity of help around the show building. The Canadian Kennel Club was well represented at the show, the President, Mr. Joseph Russell; Directors Mr. J. W. Bruce, Mr. M. Gracey, Dr. J. N. MacRae, and the Secretary all being present. The rating was 2 points for each show.

"THRILLS."

To M. G. F., by Witty Warren.

My life has been one of adventure.

I have sought the world over for thrills.

I've been wrecked in the Indian Ocean.

I've smoked the green opium pills.

I've tasted the lips of a princess.

I'll prove it if you'll bet the dough.

I've been lost in a northern blizzard.

When the glass was sixty below.

I've found virgin silver in Cobalt.

And gold on the Yukon's shore.

My broker has paid me thousands

For a day on the exchange floor.

I've seen a torpedo coming

Without even a chance to run.

I've looked without even a tremble

In the eye of a bandit's gun.

I've watched the Derby winner,

When he won at a killing pace.

But the thrill that held me longest

Was the end of a WHIPPET RACE.

This confession of "Thrills," by our genial contributor, Witty Warren, of Montreal, almost stopped our breathing. We always knew Witty to be "hail fellow well met" and all that, but never once had we thought of him as a smoker of opium pills, nor swanking after an Indian Princess, and it just shows again how one can be fooled by the other fellow. However, there's no denying the thrill that comes with the end of a Whippet race, and no doubt Witty thought that we would only be able to see the "doggie" part of his splendid rhyme. The promised introduction of Whip-

peting to Montreal patrons is all ready. All that is required now is the hour and the parties interested.

CASSINA WINS WELL AT GRAND RAPIDS.

Mr. Jim Cassina, Toronto, took in Grand Rapids Show and earned three championship points when his good bitch "Ch. Lady Stewardess" pulled down two firsts, winners and best of breed. "Beach Park Dauntless Dan" winning two first prizes, on top of this brilliant winning, the Beach Park dogs won for best brace of bulldogs. The dogs are now back at the kennel and in good shape for the Spring Circuit in Canada.

THE NOTED SMOOTH, "SABINE RICOLA" FOR HAMILTON.

Mr. Chas. L. Mewburn, Danby Kennels, Hamilton, Ont., one of the oldest breeders of Smooth Fox Terriers in Canada, is going in strong for his favorite breed once again; he has purchased from Bailey & Gromoll, Ottawa, the celebrated imported winning Smooth Dog "Sabine Ricola," a dog though retired from the show ring, has beaten all the top-notchers of his day, campaigned by Alf. Delmont on the American circuits for three years for his then owner, Mr. G. G. Sinclair, of Toledo, Ohio. "Sabine Rivola" did a tremendous lot of winning. He is most beautifully bred, by "Sabine Rare Jack," and is thus a grandson of the "Great Sabine Rarebit," and is a Sabine-bred one all through. Announcement of his stud offering will appear through these columns at a later date.

"CHARLIE" STONE'S DOG.

Mr. Charley A. Stone, the first Secretary of the Canadian Kennel Club, holds the distinction of having registered the first dog in the Canadian Kennel Club Stud Book. The dog was really a bitch, and was named "Forest Fern" (C.K.C.S.B. 1). That was away back in the early "eighties." Our old friend Stone owned this beautiful Blue Belton English Setter, daughter of "Prince Royal," out of "Forest Ruby," and he also bred her—he says with pride. Well, it is a long hark back to 1884. But from then until now Mr. Stone has always been fond of a good dog of the Setter families, and at the end of 1923 he became the second owner of "Forest Larry Lloyd" (C.K.C.S.B. 37398), and at the recent show of the Toronto Kennel Club. The same old Charley led his beautiful Red Irish Setter, son of "Shaun Rue" ex "Glencho Sally Lloyd," into the ring with pleasure beaming out of every crack in a face that has weathered eighty summers, more or less, and when the judge gave "Larry Lloyd" the ribbon, Charley led his dog out of the ring as proud as any king, and with a step as light as that of the proverbial Irish ragman.

FOODS AND FEEDING.

Here is a problem that has given every pretentious fancier more or less concern, even the oldest and most experienced dog man is always ready to listen to a discussion of the subject. The question, "What do you feed?" is often asked and as often answered, and what a variety of feeding arrangements we hear of from time to time. Potatoes are banned and carrots are lauded at some kennels, and the reverse arrangement may be the keynote of success at another, and the whole question in the show down becomes as clear as mud.

Field and Fancy Publication Corporation, N.Y., has just published their "Popular Dogs of the Day," No. 2. Kennel Craft, No. 1. **Foods and Feeding.** A cleverly written treatise on this very important subject. The book deals with "Feeding of dogs from every point of view," "The value of foods in the breeding and general care of the dog," "Food classification," "Proteins," "Carbohydrates," "Vitamins," etc., and is by Josephine Z. Rine. The book is profusely illustrated by many "popular dogs of the day." We heartily recommend this new work to our many members and readers, and if necessary we will be glad to procure the book for anyone. Price is only \$1.00.

POMERANIANS---BREEDING FOR COAT

By LILLIAN C. RAYMOND-MALLOCK

(Special to Kennel & Bench.)

The exhibition Pomeranian of to-day may be said to consist of, at least, half coat. The standard allows 25% of points for coat alone. Taking into consideration that a good coat will hide a multitude of sins and the enhancement it gives to the dog's general appearance, it is certainly not an overstatement to say that half his show points are in his coat.

A good coat does not necessarily mean one of great length. Harshness of texture and density will give the dog the appearance of carrying a much heavier coat than he actually possesses. Still more will that desired effect be produced if the hairs are fairly equal in length, otherwise the longer hairs will detract from the appearance of the heavy coat. I have known special prizes offered for coats alone, and even for the heaviest coated Pom in the show, to be awarded to dogs which did not carry any great length of coat, and who were certainly beaten by others if the judge had been influenced by mere length or profusion. In describing the coat to breed for, I have not mentioned the undercoat. This is scarcely necessary, as very few of the Poms of to-day fall in this respect, and those who do, I suspect have had their undercoats ruined by inexperienced exhibitors indulging in an injudicious use of the comb. I do not consider it to be a natural failing in the breed and it is only necessary to see that it is not absent in either the sire or dam.

The chief difficulty in breeding for coats is that it is not known how many distinct inheritable qualities go towards the making of the ideal coat. Dogs breed too slowly and in too few numbers and are too expensive for

CH. CHISWICK MARQUIS, IMP.
Mrs. J. W. Bruce, Toronto, Owner

use in experimental breeding for the purpose of discovering heritable qualities and their nature. For such uses the scientist turns to poultry, rabbits or mice, hence little is known of the dog with any degree of scientific accuracy. What little is known has been deduced from the results of breeding for exhibition, which is quite another matter from breeding with the sole object of establishing the existence of certain governing tendencies.

With this reservation I give, as the result of my own observation, that soft coats are dominant to harsh coats, because in mating a harsh coat to a soft one a few of the puppies are occasionally harsh-coated, although the majority fall in this respect. To make my meaning quite clear, I will put it this way: The sire may be harsh-coated and have been bred from harsh-coated ancestors. If the bitch mated to him is soft-coated and has been bred from a harsh-coat on the one side and a soft-coat on the other, she is obviously hybrid for coat. The sire, being pure for harsh-coat, can only transmit qualities containing the harsh-coat tendency, while the dam supplies two sets of qualities,

the one lot carrying the soft-coat tendency, the other the harsh.

To ensure good coats it is therefore necessary to be sure that both sire and dam are harsh-coated, and have been themselves bred from ancestors with correct coats. Too much importance cannot be placed on this. At the same time some allowance can be made for the bitch if she has had many litters. A Pom bitch's coat softens after she has been bred from many times, but she ought to have carried a coat of correct texture when a maiden.

I rather think that faults in coats can be traced as frequently to the sire's influence as to the dam's. In great measure this is due to the universal habit of allowing exhibitors to keep touching up their dogs while in the ring with the brush. Many a poor coat can be made to look like a good one by frequent attention in the ring. Such dogs win when they really do not deserve it, and are used more or less extensively at Stud on the strength of their wins. I advise novice breeders not to select a sire solely on his appearance in the ring, but to look at the dog again some time afterwards. Remember, it is the natural coat of the dog which is inherited, not the stand off appearance which may be given to a poor-quality coat by the frequent application of a damp brush.

One special word of caution may be useful in breeding blacks. I have found that the pure glossy black coat, absolutely free from any grey hairs, is not only of poor texture but breeds soft and floppy coats. A black must be sound in color according to the standard, but I consider harshness of equal, if not of more importance. To meet as far as possible both requirements in breeding blacks, I select parents who, to outward appearances, are sound blacks (not glossy), but whose coats will disclose a very few

steel-grey hairs on careful examination. White hairs should be avoided and the steel-grey hairs should not be observable on an ordinary examination. I have found such parents to produce the best-coated puppies. At the moment orange or shaded sables are all the rage, and the blacks have had their noses put out of joint temporarily. However, there is really nothing nicer than a tip-top black, and I think that on the whole they are easier to breed than the sables.

CH. STORMLIGHT OF DARA, IMP.
Mrs. D. Beland, Montreal, Owner

Color is all very well, and important in its way, but as I said at the commencement of this article, half the dog's show points really lie in his coat, so it behooves the breeder to pay special attention to this all-important feature, and not be carried away by shades of color, as is so often the case, especially with new beginners.

ALSATIANS AT UNITED CANINE ASSOCIATION SHOW.

(Special to Kennel and Bench—Dr. J. N. MacRae, Judge.)

At this show we had a mixture of very good quality and very poor quality. We saw the results of people buying dogs just because they were called Police Dogs, without endeavoring to find out something of the breed first. We, in Canada, are now passing through the stage that those in the United States passed through several years ago, when they were overrun with straight-hocked, round-barrelled and short-bodied animals, and which some of the breeders over there are still willing to foist on an innocent public. They may look all right as a backyard watch-dog, but on the Bench or as a working dog they are absolutely out of place. They must have confirmation either on the bench or at work. The Alsatian is a working dog and must be judged for the bench according to his ability to work. He is a trotting dog. A trotting dog is longer over all than he is high. He has an oval chest, not a barrel chest, in order to allow free movement of the shoulders. He must have a long stride and, in order to have this, must have good slant of shoulders and bend of hock—the so-called angulation.

When our Alsatianists pay more attention to structure as laid down by the Standard, we will have better bench and working dogs.

The dispositions of our Alsatis shows an improvement.

Below is given a summary of dogs shown:—

Bitches.

No. 70—Giralda's Frigga Berggeist: Winners, bitch. Excellent proportion, gait and disposition. A trifle straight in shoulders, but this does not show in her gait. A large bitch with excellent length of body. Excellent disposition.

No. 78—Palisade Rea: Reserve, winners. Good proportion but rather barrel-shaped chest. Gait hardly out-reaching enough. Good disposition.

No. 77—Rosanna of Kalso: A beautiful-headed puppy of excellent conformation. Very shy and showed poorly. Would easily have been reserve winner had it not been for her disposition.

No. 82—Flora: Shoulders straight barrel-chested, ring tail, flat feet, wolf claws.

No. 73—Lady Vimy: Badly twisted tail, round barrel, straight angulation and straight hocks.

Dogs.

No. 69—American Ch. Shatz von Hohentan: Winners dog. In this

we find the results of spending a little time to develop ring manners. Put down in excellent condition, a slight binding in gait only showing the results of being on the show bench for the last few weeks. Real shepherd type with good proportion and angulation, good shape of chest and ribs, might be a shade deeper in chest to make it perfect. This dog has the slanting, almond-shaped eye, so noticeably lacking in the majority of the other exhibits. His right hind foot is bad, said to have been caused by being stepped on by a horse. Excellent disposition.

No. 80—Drusis von Felsemeer: Reserve winner. A very deceptive dog until handled. His thick coat hides his quality of conformation. Good all around, especially in gait and in proportion. Excellent in disposition.

No. 75—Barbo of Oakridge (3rd in open): Very good conformation and excellent gait, a trifle heavy in skull. A dog that in Canada will go a long way to improve the type of the breed. Good disposition.

No. 74—Lilliom—Reserve: Very good conformation, very heavy, thick skull; gait very good, but spoiled somewhat by wolfclaws. Good feet, but bad teeth. Good disposition.

No. 79—Arno v.d. Ferdinandsgruft: But for his gait would have given the second dog a very stiff run. I was very much taken with the conformation of this dog until he moved. Left hind leg very uncertain in action and front legs brought up very high in moving. In fairness to this dog, it was stated that the dog had been sick and had had little exercise. Excellent disposition.

No. 84—Bruce von Strassburg: Fails in angulation, has a very square rump, preventing length of rear stride and not slanting enough in shoulders. If used for breeding, bitches should be very carefully selected to keep away from his weak points. Good disposition.

No. 76—Felix von Whitof: Very shy, soft ears and light round eyes. Conformation not extra good. This dog should not be used for breeding, as he will not improve the breed.

No. 270—Billo Boy: Small and thick-set, lower front teeth worn down. Not recommended for breeding.

No. 72—Rex: Showed poorly, not good conformation, tail short. Not recommended for breeding.

No. 81—Officers Rex 3rd: Fox head, bad tail, poor angulation, round barrel chest. Not recommended for breeding.

No. 83—Mark: Very straight shoulders, chest not deep enough.

VANCOUVER KENNEL CLUB SHOW

Vancouver Kennel Club Show has again passed into history, and two championship points were earned by the narrowest margin, 152 dogs being claimed as benched, and 151 was found in the official check; still that is as good as 45 more dogs could make it. With only one club in the show business on the Coast—as there should be—a 5-point show could be easily made. The show was well patronized by the general public and was considered quite successful from every viewpoint.

The Coast wonder, "Ch. Man o' War," our director, Dr. T. E. Sleeth's home-bred bulldog (English) won for best dog in show, winning the handsome trophy offered by the Vancouver Daily Province. The win was a popular one, as the merits of this grand young dog are well known to Vancouver fanciers. Best opposite sex was won by the Airedale terrier "Killarney Kimm," property of Mr. Peter Spohn. These dogs naturally won for best Non-sporting and best Sporting, and on the day annexed for their owners quite an assortment of prizes. Dr. Sleeth also had the distinction of benching the best bulldog bitch in his "Burnaby Belle."

English Setters, Boston Terriers and Collies were the prominent breeds at the show gauged by the number of entries, with pride of place going to the Setters, so popular at the Coast.

The judges were: Dr. L. W. Brydon, Seattle, Wash., U.S.A. (Collies and Bobtails), Mr. G. C. Newell, Seattle (Boston Terriers), the other breeds being cared for by Mr. J. J. Cottle of Nanaimo, B.C. Mrs. E. A. Dunn, who had been indisposed before the show, happily had everything in splendid shape. Dr. T. R. R. Hoggan had charge of the veterinary inspection, and that was well taken care of.

OUR FRONTISPIECE.

Down California way, where everything worth while is said to be located, there are many kennels of noted dogs, but perhaps none of these is so universally well known as are the Humberstone Kennels, of Mr. Irving C. Ackerman, sportsman, breeder and judge. And this month we are privileged to show our many readers two of the prominent Wire Haired Fox Terriers, from the many good ones kennelled at the Humberstone establishment.

"Humberstone Wrose Corn Cob," (Imp.) is by "Ch. Barrington Bridegroom," weighs about 17 pounds, and possesses the beautiful rich tan hound markings of his celebrated sire. As his name suggests, he comes from the noted "Wrose" Kennels of Mr. Sam Wilson, of Blackpool, England. Whilst in England "Corn Cob" won many firsts at championship shows during the last year, and was dubbed by experts, "The phenomenal headed Wire, with the short back." It is conceded that long heads generally bring the long back, and to have this order changed over, so that the long head and the short back are secured, sure enough the circumstance may justly be termed phenomenal. He is a grand terrier all over, long, clean head, topped with small, well carried ears, dark eyes, shortest of backs, good bone, shoulders, legs and feet, and an excellent mover. Coat of splendid texture.

The other party in the picture is none other than "Humberstone Wyche Wayfarer," the well known English winning Wire who is possessed of all the essential excellencies of the breed, absolutely sound, and a perfect mover fore and aft. In England he took firsts at the Crystal Palace, National Terrier Club Show (Championship), Crufts and Birmingham Championship shows, in tremendous classes and under such outstanding judges as Mr. Francis Redmond, Mr. George S. Thomas, Mr. Roger Phillips, and Mr. E. R. L. Hoskins.

Such dogs as these are a great asset to our American fanciers, and this is forcibly noticeable at all our shows, where the American-bred dog takes some of the highest places. The Humberstone management will be glad to communicate with interested fanciers at any time.

Training the Shepherd Dog

The Judy Publishing Company of Chicago has just published a neat little book which has been written by Mr. Fred Kollet and is illustrated by several pen and ink etchings. The book comes at a timely moment to Canada, as the several clubs are now busy preparing for their summer and fall trials. We will send this book to any reader postpaid. Price \$1.00.

UNITED CANINE ASSOCIATION SHOW

The United Canine Association of Toronto held their first Dog Show at the Toronto Hunt Club on Friday and Saturday, May 9 and 10, which proved to be quite successful, everything taken into consideration. Recent rains had made the roads very bad, and on the opening day the weatherman opened his valves wide, and a more disagreeable day could hardly be imagined, the continuous downpour discovered all the leaky places, and by nightfall the building was quite damp. On Saturday "Old Sol" was on the job, and the fanciers were allowed to see just what the privilege of being the guests of the Toronto Hunt Club really meant. They are magnificent, and the building itself could accommodate from 800 to 1,000 dogs in comfort.

We hope to see other shows there. No doubt about the crowd getting there. The gate was quite remarkable.

Russian Wolfhounds were a spectacular showing, 25 of these aristocrats were benched and were a show in themselves. Collies were 24, and quite the best aggregation seen at any show for a long time. Bostons counted 30, with most of the recent winners in competition. Bulldogs 27, and a nice lot. Alsatisians furnished 16 dogs, and marked the advance that the breed is making in Canada. Two hundred and eighty-three dogs were entered altogether.

The judges were all on the job, bent on giving a good account of themselves, and whilst there were many complaints, no doubt, the judges at least were fair and pleased with themselves. They were Dr. J. N. MacRae, Galt (Shepherd Dogs—Alsatisians); Mr. H. A. "Diamond" Wilson (Bulldogs and Pekingese); Mrs. E. J. Graves, Detroit (Boston Terriers); Mr. R. Tyrwhitt, Oakville (Cockers), and Mr. Jack T. Waggitt (all other breeds).

The show was well managed, and the President of the Club, Mr. Wm. Stockdale, is to be congratulated on its success. We need not mention any other officer further, suffice it to say that every one on the list was on the job and doing his darndest, and did it, too.

Alsatisians were gratified to find some real high-class specimens benched. The Giralda Farm had three of their good dogs benched; Dr. Gaetez one, and the good local dog "Barbo of Oakridge," owned by Mr. L. G. Baker. These dogs were pretty nearly placed as written by Dr. MacRae. Major J. J. Cawthra had a nice brace of Bedlington benched that were much admired. Whippeters

hung around the special bench, where Master H. E. Damon's noted "Nomad Nancy of Oxon" and "Freemanor Gallop Dominoes" were benched. This brace is the living proof that the track and bench Whippet may be found on the same collar and under the same blanket.

Mr. Chas. G. Hopton was an interested visitor; he was on his way to Winnipeg, where he judged on May 15-17, and it is likely that he will return by way of Montreal for the big doings there on May 22, 23 and 24.

WARREN KENUCK COMES TO CANADA.

(Smooth Fox Terrier.)

Messrs. Bailey & Gromoll, Clapton Kennels, Ottawa, Ont., have purchased from Mr. Winthrop Rutherford, Warren Kennels, Allamuchy, New Jersey, the Smooth Fox Terrier, "Warren Kenuck," a son of the celebrated Canadian-bred champion, "Clapton Johnnie Canuckian." We are informed he is a replica of his great sire, only a size smaller. His breeding combines all the great Old Warren strain as well as that of "Ch. Cromwell Ochre," "Ch. Cromwell Ochre's Legacy," "Ch. Orkadian," "Ch. Darrell," "Ch. Barnard's Chief," "Ch. Walnut Distinct," "Ch. Sabine Rapture," and the greatest of the pillars of the Sabine strain, and the Wires, "Ch. Wycollar Boy," "Ch. Raby Dazzler" and "Wireboy of Paignton."

"Warren Kenuck" will make his first appearance at the Canadian National Exhibition, Toronto, and will be offered at stud through these columns later.

GOOD-BYE, "AJAX."

A Dog's Tale.

Our Ajax was a frisky pup,
Each morning ere the sun was up
He went the rounds into each room
'Twas then that all things met their doom.

A silken stocking off a chair,
A good suit spoiled by rangy hair,
A slipper chewed into a wreck,
A rag doll torn from foot to neck—
A reader wrecked beyond repair,
A ham-bone smuggled to his lair,
Are just a few of Ajax's chores,
Before we chased him out of doors.

A consultation soon was held,
Where 'twas agreed he must be quelled,
A vote was taken—two to seven,
And Ajax was consigned to heaven.

Alas! up there they're sorely tried,
With Ajax ever by their side,
He barks at every saint in sight,
Till girlie angels flee in fright,
He stands with Peter at the gate,
And so pays off old scores of hate,
By nipping heels he knew on earth,
Of grudges held there was no dearth,
But we must end this tale of woe,
And will—by sending him below.

Toy Dog Club of Montreal Show

The usual Summer Show of Toy Dogs was staged by the above club on Saturday, March 15th. We regret the long delay in reporting the awards, but we were unable to do so before owing to the incomplete returns being sent in to the office. As a matter of fact we were not satisfied that the record was complete until Wednesday, June 4th. We merely mention the circumstance so that the exhibitors might know where the trouble lay.

"YANKEE FIXIN'."

Lady Fancier—"It's perfectly wonderful how those Yankee experts can fix up a dog."

Old Fancier (doubtfully)—"So?"

Lady Fancier—"Yes. Mrs. Houghtayre tells me that her husband can make a dog all over."

Old Fancier (more doubtfully)—"So?"

Lady Fancier—"Oh, yes, he can. He can take a regular bulldog and make it into a Boston Terrier."

Old Fancier (most doubtfully)—"And I suppose he can take a regular Boston Terrier and make it into a Bull?"

Lady Fancier—"I guess so."

Old Fancier—"Some Bull."

ENGLISH BULLDOG CLUB OF CANADA SPECIALTY SHOW.

The English Bulldog Club does nothing by halves, and this year the show was given the distinction of international convention. The award

column will not show the international aspect, still we believe it was a great little fixture at that, and those who were fortunate enough to attend will long remember a very pleasant time at the metropolis of Canada. Dr. George Anderson, New York, was judge, and as Dr. George is a scion of the noted race of Andersons, whose domicile is at Dundee, Scotland, and whose bulldogs are as equally noted as the Anderson family, it will be understood that judging bulldogs was quite in the doctor's line.

Mr. Allan C. A. Chisholm found time from playing host to his guests to gather in a goodly share of the prizes offered for competition, among them Reserve Winners Dogs and Winners Bitches, and with Mr. Paul Malovitz (whose dog, Yamamoto Challenger, was returned best of breed), shared the highest honors when his Lady Lorne won for best of opposite sex. Montreal Kennel Association's Shows

Montreal Kennel Association Ltd. made it "Two in One" this year, when they decided to hold an "All Sporting Terrier" show on Thursday, May 20th, and "An All Breed" show on the 30th and 31st. Both fixtures drew a creditable entry, and next year will show the fruits of the seed sown in the 1924 shows. The venue was the Forum Building which, because of its great size, the 298 dogs entered were scattered somewhat, and the show did not look as thickly populated with dogs and their admirers as was actually the case, and when the Club Secretary mentioned the amount of the gate we were not surprised at all, and speaking of the "gate" we would mention that the gate of a Montreal show is supposed to be what it says it is, and to show itself in round figures after the doors have been closed. The show was well advertised, and everywhere one's eyes travelled, there was the invitation to "Come and see the dogs." In Mappin & Webb's store the trophies were on view and arrested the close attention of the passers by. A plaque given for the best Canadian bred Irish Setter was particularly pretty, and a pile of yellow gold coins aggregating about \$400 was placed in the centre of the window and were later boxed attractively and given to the lucky winners. We do not know of any show within the last 10 years that gave as much money to its exhibitors—in gold.

Many of the fanciers of ancient vintage were out as usual, some of whom talked of days and of dogs that lived before we were born, and it is always pleasing to have a "chin" with these old supporters of the game. One real old timer though was not in his customary place and we missed him every day. That man was old Joe Reid, the eastern Collie authority whom we hope to meet at the "great re-union" in another world.

The officials were in attendance from the patrons to the catalogue boy, and their united effort resulted in a smooth running brace of shows. To the Secretary, Mr. S. B. Picken, and his assistant—his able assistant—Mr. P. E. Aird, a word of praise is due. Their work left a smoothness of operation seldom seen at our dog shows. Mr. Aird's own judge's books were fool proof, leaving him master of the judging operations at all times. The judge was only allowed the book for one breed at one time, so that switching the judging to suit the exhibitor was not possible, and any changes from the strict catalogue order were only those changes arranged for by the officials beforehand.

"Sporting Terriers" held the stage on Thursday, but a telegram from the judge appointed, to say that he could not fulfil the engagement owing to illness, caused some consternation among the exhibitors. However, Mr. Sam Bamford, Toronto, was present and kindly agreed to take over the judicial task that had been allotted to Mr. Joseph Perkins, Toronto, and did his job well.

The All Breed show was in the keeping of Mr. Vinton P. Breeze, Caldwell, U.S.A., he taking on all breeds, and gave great satisfaction all round. One noticeable upheaval of experts' opinions came to the surface in Airedale Terrier dogs, when the winners dog of one day was placed in fifth place the day following, making the incident one of the most striking we have ever seen, and one that would seem to call for some explanation from the judges participating in the placings on the two days. Wire Haired Fox Terriers were the strongest breed and made the pace in the general competition. In fact, in the final analysis the "limelight" dogs were the noted "Ch. Gang Warily" (Mr. and Mrs. Reggie M. Lewis), handled by Mr. Alf. Mitchell and in wonderful shape, which won for best in show from "Ch. Ormsby Lightning" (best opposite sex) property of Mr. James F. Strachan (the Association's ruling President) Montreal, handled by Mr. Alf. Delmont. The runners up were the most attractive "By Town Bit O' White" (Mrs. I. Webster, Ottawa) ably handled by Mr. Ed. Fleming, and the wonderful Alsatian Giralda Farm's "Giralda's Schatz v. Hohentann," property of Mrs. Geraldine Dodge, Giralda Farms, N. J. The excitement as this special was being competed for was very tense indeed, as it always is at Montreal when the best are being shaken through the judge's sieve. Mr. James Howie, the superintendent, kept the floors clean and well disinfected at all times. The President, Mr. James F. Strachan, acted as "big brother" to the out-of-town friends of the Club.

Many requests were made with the writer for special mention to be made in Kennel and Bench of many dogs at this show, but this must be confined to the award columns where our readers will readily notice the degrees of merit as indicated by the judges' awards. We would like to give every dog and owner a full page but that is out of the question.

A pretty social feature of the show happened on Friday afternoon when Lady Taylor, wife of Sir Frederick Williams-Taylor, General Manager of the Bank of Montreal, in a neat little

speech, declared the show officially opened. Mr. S. B. Picken was in attendance on her ladyship who, when in the ring, was presented with a beautiful floral bouquet by little Miss Aileen Miller, Rosedale, Toronto. Miss Miller is a niece of Mr. S. B. Picken, Sec'y.-Treas. of the Club, and looked very pretty in her flaxen curls.

LONDON AND WINNIPEG SHOWS

(Special to Kennel and Bench)

By CHARLES G. HOPTON, N. Y.

Coming through the woods of Northern Ontario, it suddenly dawned on me that a few notes on the three recent shows judged by me might be of some interest to your readers, so, with your kind permission, I will send you my impressions. It afforded me much pleasure to see improvements in several of the breeds, especially in the majestic Russian Wolfhounds, where Canadian-breds were well up in the running when it came to top honors. As a matter of fact, I am of the opinion that the Dominion has dogs and bitches in this impressive breed that can hold their own with the best in the States. Such kennels as the Vaski, Romanoff, Beck, Morton and others have the very best blood lines, and, with concerted action of all to keep to type, not the exaggerated "Roman-nosed" sort, but with just a suggestion of the "down-face" with clean shoulders, deep chest and powerful loin and quarters, for one must not overlook the fact that soundness is a paramount feature in this working breed. The future of the "Borzoi" is particularly bright for the Canadian fancy. There were several very promising puppies at London, one in particular being the rare-headed "Baby Orloff," at present somewhat unfurnished in body, otherwise most typical, which made the going very heavy for the more matured and good-bodied "Lodecia." But the star attraction was the recent acquisition of the Vaski Kennels, the noted American champion, "Galaroff o' Valley Farm," a most impressive red brindle and white, which should do the breed a lot of good, as he is all type, with the best shoulders, legs and feet, and quarters seen for many a show, and he is quite "orthodox" in head, with the right texture of coat, in all a dog that should make his mark both on the bench and as a sire. He was rightly best of the breed, and had he been brought in for the Unclassifieds might have been adjudged best of all breeds, but his worthy owner, E. M. Burke, a most enthusiastic sportsman, gallantly withdrew so that competition might be more open. Next in order was the much-improved "Nicholas Romanoff," a very typical sort with lots of power. In looking over the sires at the Vaski Kennels, we espied the famous international champion, "Ostrand o' Valley Farm," still able to hold his own with the very best extant, and the exceptionally well-bred "Pertzoff o' Valley Farm," sire of "Nicholas Romanoff" and other noted winners; these, with

"Galaroff" and several young dogs of much promise, makes the Vaski team an important factor in this beautiful breed.

Bostons were somewhat mixed in type, but there was no questioning the ultimate winners. Under my colleague, Alva Rosenberg, quite one of the best judges on the trappy Boston, the local favorite, the well-known international champion, "Nation's Little Queen," not at her best perhaps, having just left puppies, was best of breed, with the very stylish "Ch. O'Glos Beauty," in very close attendance, while in dogs there were at least four that were good enough for top honors, viz., Hughes' "Doodle Doo," a very impressive reddish brindle, a rare stationed sort with clear markings and sound front; "Ch. Paramount Ketason," possibly an improvement in head but not quite so cobby in body; the evenly balanced "Ch. Prince Conde"; the good-headed "Little Oxonian Intruder," and the trappy "Blucher King." On the morrow "Nation's Little Queen" was absent, which left it fairly easy for the most impressive "Ch. O'Glos Beauty," in rare bloom; if my memory serves rightly, she did very well at the Brantford show as a puppy, where I acclaimed her one of the best debutantes I had seen for many a show. She has come along nicely and can trouble the best.

Bulldogs were a very nice lot, with a keen race in dogs, when my old favorite—I use the term "old" as an endearment for Mrs. Mills' great little dog, who came out at the Toronto show under me and did very well. He is all real "bulldog" in type and royally bred, and should be a bench champion and a sire of note, but he had a worthy rival in the now-famous "Beach Park Dauntless Dan," a very sound and most typical fallow and white. I believe a half-brother to "Hefty's Best." "Dan" had a shade the best of it in cushion, reach and gait—a very near thing, however. Then came an exceptionally good-headed fawn, "Beach Park Locker," one of the best-headed dogs seen for quite some time, which won his classes easily, but lacked the cloddy body lines of the others. In bitches there was a slight difference in the awards, as Mr. Rosenberg made the good-bodied "Lady Betty" best over "Morning Glory" and "Shirley Kellogg," whereas I turned them about, the last-named a very good-headed all-white having the pull in finish of

face, length of skull and lowness to ground, a real good trio, however, and all good enough to win.

Collies were only fair, though the winners, "Stanley Secure," a good-headed sable and white with lots of style, and the promising pup, "Neat Girl," were rightly best in their classes and worthy of the honors—both could do with more substance. Shepherd Dogs were easy wins for the famous American champions "Ch. Schatz von Hohentann" and "Ch. Giralda's Frigga Berggist," both in rare bloom and an object lesson in type and angular quarters that Canadian fanciers of this sagacious breed should study. It was a close race for second in dogs between two young dogs, "Erick von Bern" and "Prince Wilma von Blaisenberg." The former had the advantage in age and maturity, but needs to improve in ears.

Airedales were not quite what one expected for a show so near to Toronto. Best of breed went to an impressive puppy, "Glendale Pride," excelling in texture of coat, color and head, compared with the evenly balanced "Polam Silver Birch Maxim," too light in tan, and "Northcliffe Rascal," a rare colored sort, too light in loin and quarters and might be darker in eye, otherwise quite a useful sort. "Birchcliffe," a quality puppy, was easily best in bitches.

Fox Terriers were good so far as they went, with keen competition in Wires, best going to the well-known all-white dog "Ormsby Snowball," which Armisted had in wonderful form; next in order was the international winner, "Wrose Tickler," short of coat and too light in flesh, which was somewhat lucky to have beaten the very sound and stylish "Whiskaway," cleverly shown by that most enthusiastic fancier, Miss Short, a veritable encyclopedia on terrier lore, whose services as judge should be much in demand. She knows the breed and has the courage of her convictions. Two very good puppies lead in bitches, "Ormsby Skeezix," a duplicate of her sire, the noted "Ch. Ormsby Typhoon," and "Vanity Powder Puff," the former winning; the latter made it most interesting for her grandly-bodied dam, "Vanity Fair," which, if properly mated, should present her charming owner with some future champions. Sealyhams were extra good, but there was no denying the keen "terrier" character of the dog "Twicham Brigand," who is quite good enough to cross the line.

Springer Spaniels had some quality. In dogs the order was "Corselett's Son of a Gun," a good-headed black and white, not in the best of form, which had very little to beat the local favorite, "Belvidere Hetman," while in bitches a very typical liver and white, "Belvidere Belle," shown too heavy in flesh, was rightly best over "Duchess of Craigie" and "Eskdale Beauty."

Whippets had the famous Nomad pair, about the best in America, "Nancy of Oxon" and "Gallop Dominoes," the former at the three shows accounting for the specials donated for best of the sporting breeds.

Beagles and Foxhounds were good, with the right type winning. In the former breed, "Mackenzie King" and "Rambler" had a close race, and were placed as written, while in bitches "Nolan's Pansy" won handily, but was beaten by the dog for the special.

Pekingese had several of promise, but easily best of breed was "Sam Pan of Balcroft," a grand-headed grey sable, with splendid bone and front and plenty of coat; same owner won in bitches with the good-headed red, "Ral Ling of Norton."

Pomeranians were keenly contested, with little between the winners; best of breed went to the noted orange shaded "Cairndhu Goldshade," which has been criticized as being "coarse"; while it is true that he is a trifle heavier in bone than some of the "miniatures," his wonderful coat, both in profuseness and texture, his superb color and splendid head, ears and expression, not forgetting his real "Pom" carriage, are indeed hard to beat. He will at times favor his right fore foot, which is just a trifle weak at pastern, but when thoroughly tried out for soundness he is as sound as the majority. On the first day, under Mr. Rosenberg, he was beaten by the noted "Scotty O'Toole, a grand-coated sable, which did not compete on the morrow, so Cairndhu Goldshade won handily from the very stylish and richly-colored orange, "Perivale Ambergold," the shorter in body and finer in bone, but he was not in the best of coat and a trifle larger in ears; then came the very sound-coated "Cairndhu Sun Bright," best of the others. Best in bitches was a very typical black, with perfect bone front and action, but she was not in good coat; still, her pronounced type rightly placed her best of her classes.

While one might criticize the lack of ring service and the manner in which the books were made up, the show as a whole at London was quite good, reflecting much credit on the hustling secretary, Fred F. Simmons,

and Mrs. Singleton, who worked like veritable Trojans. With more concerted action, future London shows should be quite prominent among the Eastern events, as there are heaps of true fancier spirit in this beautiful little town. All that is needed is closer co-operation and a well-organized show committee.

Speaking of concerted action and organization, these essentials were much in evidence at Winnipeg, where a very good "four-pointer" greeted me, and several breeds most keenly contested, especially in Whippets, Collies, Airedales and Bulldogs. As a matter of fact the first-named breed was by far the best seen at any show this year, with two "unknowns" scoring, one eventually winning for best of all breeds. The winner was "R. A. F.," a superb black bitch that can make the famous "Nancy of Oxon" go some, shown in truly remarkable form. Major Nivin's nomination completely surprised me. I thought she won the special handily, and is most aptly named "R.A.F.," as she is truly a "Flyer" of the very first flight and a credit to her gallant owner.

It was the sixth annual event of the Fort Garry Kennel Club, an organization that is destined to be one of the most important in the Western Provinces, and, with such a sincere group of sportsmen and sportswomen at the helm as one met, there should be record entries at future shows here, especially so if held in such a magnificent venue as the commodious Amphitheatre Rink, where whippet sprints might be held as an added attraction.

The list of trophies was an extensive one, with the keenest of competition prevailing, especially when it came to the imposing "Berkeley" Cup for best-owned by a member of the Fort Garry Club, which practically settled the question of best in show. After about twenty dogs were eliminated, the placings were as follows: First, the Whippet "R.A.F.," the Pomeranian, "Ch. Torquil," an exceptionally sound-colored orange, cleverly shown by G. Fulljames, a most enthusiastic fancier; then came a topping good black Cocker bitch, "Ch. Lady Betty," with the noted international winning Bulldog, "Ch. Ace of Aces," and a remarkably good Springer spaniel puppy, "Marvel of Avondale," in close order, all good enough to go East and meet the best at the Great National at Toronto and the Westminster at New York. Best of a smart lot of Toys was the Pomeranian, "Ch. Torquil," who headed the very evenly-balanced Fulljames entry, an easy winner for best brace and team of all breeds. As expected, with such a

wonderful collection to draw from, the Avandale Kennel of Springers furnished the best in this very useful breed, "Ch. Laverstoke Powder Horn" winning in dogs, but in bitches the English champion, "Little Merle," had to take second position to the aptly-named puppy, "Marvel of Avandale," the best Springer puppy ever benched on this side of the Atlantic, which, in the subsequent specials open to all, won for best puppy in show.

Best Terrier was the popular champion, "Silver Cadet," a rare-boned sort shown by Geo. Kynoch, who had a remarkably fine string from his well-known Silverdale Kennels.

Best Non-sporting was a popular win for the Pomeranian "Ch. Torquil," with the Bulldog "Ch. Ace of Aces," quite one of the best in the lightweight division out to-day, in close attendance.

The Toronto Kennel Club trophy for best Novice went to the Airedale puppy "Ambleside Workman." He had the pull in coat and ring manners compared with the very good puppy "Strategy O'Dell," which, when thoroughly fit and showing well, should make all the winners look to their laurels, as she is exceptionally good in all head points, with perfect front and shoulders and evenly-balanced body.

A striking pair and easily best in the larger sporting breeds were the Labrador Retrievers "Wolferton Sapper" and "Munden Simla," while the pick of a great entry in Collies was the tri-color dog "Black Knight," which had the better coat compared with a nailing good sable and white bitch puppy, "Madison Heather Belle," which topped a good entry in bitches. Bulldogs found "Ch. Ace of Aces" rightly best of breeds, as was the massive red brindle "Mersey Sally II.," well shown by that ardent admirer of the breed, Jack Adams. Bostons were decidedly mixed in type; best went to the noted "Ch. Joyce's Prince," shown in the best of form, while in the useful Chesapeake the typical "Ch. Bang," somewhat loose in shoulders, but all type and wonderfully fit, won handily from several who were plenty big enough and somewhat coarse in skull.

The Ottawa entries, "Ch. Fascinator," the noted red and white, and "Sabra," a rare-bodied black bitch, headed the Cocker classes, the latter closely pressed by "Rekeo Lady," not in coat; but best of breed was an easy win for the very typical and wonderfully sound black "Ch. Lady Betty." She has a truly great litter by the noted "Farwell Man-o-War," which should make history when fully matured.

Robson's "Sam Pan," a rare-bodied, richly-shaded sable, was easily best of the Pekes, one that should be heard from.

One cannot close without expressing heartfelt thanks to Major Nivin, by the way a very worthy son of that famous fancier, Dr. Nivin of London, Ont., one of the earliest of Canadian fanciers, and F. W. Walkerdine, a most energetic secretary (whose very typical fawn bulldog, "Moravian Model," beat a classy lot for Reserve winners to "Calgary Challenger," a white with brindle patch, who had a shade the better finish of face and gait). Both were most sincere in their self-imposed tasks, for which repeated thanks.

VICTORIA CITY KENNEL CLUB SHOW

Victoria City Kennel Club has just held the most successful and largest show held under their auspices for the past twelve years. Mr. George Pearson who was the "all rounder" acquitted himself to the crowd's taste, and that is saying a great deal, but there was less grumbling heard this year than in any other year within the memory of the oldest exhibitor. Mr. G. Kennett brought a string of 28 dogs from Duncan, and Vancouver came across with a large entry which was greatly appreciated.

Over 100 specials were competed for and were handed out before the exhibitors left the show. This was made possible only by the Secretary's aggressiveness, ably supported by a bench committee who knew how to "shed their coats" and hats. There were 228 dogs entered, 222 of which were benched, giving the show a three-point rating. Following are the awards:—

POSTPONED.

On account of the quarantine at the present time existing between the various counties of the State of California and throughout the Western States, due to the prevalence of the foot and mouth disease, the Golden Gate Kennel Club has decided to postpone its annual dog show, scheduled for May 30-31, 1924, until further notice.

TELEPHONE CITY KENNEL CLUB SHOW

The Telephone City Kennel Club Show was held at Brantford on May 15th to 16th, and was a typical Brantford show, homey and friendly. The location was its worst feature, but fanciers generally realize how hard it is to get adequate accommodation for all breed shows. Several of the breeds made a wonderful improvement on previous years; especially was this noticeable in Beagles, which were a real feature. This was much enhanced when Mr. Robert A. Ross, the main judge, found his winning dog in Mr. Harry Nolan's beautiful puppy, Swampy Bandit. Bulldog classes filled up well. Russian Wolfhounds were outstanding in numbers and quality, leaving no doubt as to their present popularity. The competition for best of this breed was indeed tense as it was sultry. Gagaroff O'Valley Farm, the winners dog, and Romanoff Kennels' Baby Orloff, the winners bitch, ran a nip and tuck race for the supremacy. Mr. Robert A. Ross, taking lots of time to get them right, added to the anxiety of a large ringside assemblage, and when he decided in favor of the Romanoff Kennels the cheers were loud and long. Boston Terriers, Pomeranians, Pekingese, Collies and Cockers, all had many admirers.

All the officers were in attendance, from the President, Mr. Lee Wainright, down to the catalogue boys. Doc Briggs, Brantford's chief ring steward, was on the job as usual, and that meant a whole lot too. Doctor J. W. Porter had the health end of the show well in hand, and the Secretary, Mr. N. K. Duckworth, "ducked" everything but the work of the show, and of this he had the lion's share, which he took with his usual good nature and cheerful smile.

Alsatian Activities

The Alsatian Shepherd Dog Club of Canada, at their recent annual meeting, elected new officers for the coming year:

Hon. Pres.—Mr. F. C. O'Connor, Toronto.

Pres.—Dr. Orvil A. Elliott, Toronto.

Vice-Pres.—Dr. W. S. T. Connell, Hamilton.

Sec.—Mr. John Law, 469 Gladstone Ave., Toronto.

Directors—Dr. J. N. MacRae, Galt; Mr. G. S. Moffatt, Toronto; Mr. N. D. Clinton, Hamilton; Mr. F. C. Shipp, Toronto; Mr. H. T. Bailey, Toronto.

Since the annual meeting the committee elected to promote life, vim and activity in the Shepherd Dog life of Canada have selected June 14th as the date, and the Old Mill, on the Humber, as the location for a Bench Show and Field Trial.

For the Bench Show the usual full list of classes will be maintained, and it begins to look that, instead of and in addition to the usual ribbon as a prize, silver cups in each class will prevail. (That "instead of" and "in addition to" might seem a little ambiguous, but, if you are interested, come to the Old Mill on the 14th and you will be "hep to it.")

In the Field Trial we have been promised that a trained dog from "Little Old New York" will be over to "cop the bacon" and take the Canadian championship back to the States with them. Perhaps they will—!

The location is particularly well chosen in view of the fact that along the banks of the Humber there is plenty of ground to give the dogs room to work and the 300-yard tests will be given a good razz—whatever that may mean. At any rate in the Advanced Tests the public can be assured that the winning dog is a trained one, even though he may be short on "cute little house tricks."

The location is particularly well chosen too, in view of the fact that for the water tests we have water that is not too wide in case the watch is to be put on the dogs and it is not influenced by the wind.

The committee in charge of the Bench Show and Field Trials are leaving no stone unturned to ensure a successful meet, and every Alsatianist will experience an enjoyable afternoon.

Following is the complete schedule for the information of all Alsatianists interested in Field Trial work:—

The Alsatian Shepherd Dog Club of Canada, Registered.

The Field Trials in connection with

Alsatian Shepherd Dog Club of Canada are divided into two classes:—

"A." Preliminary.

"B." Advanced.

The preliminary tests are open only to members of the Club and to dogs trained by the owner.

The advanced class is open to any trained Alsatian, whether trained professionally or not, and need not necessarily be shown by the owner or a member. It is open to all.

A dog competing in advanced section must also compete in preliminary section, where, if it wins, special ribbon will be awarded.

The tests in the preliminary section are as follows:—

- (3) 1. Heeling on leash.
- (3) 2. Heeling without leash.
- (5) 3. Following loose through groups of people with dogs.
- (10) 4. Lying down, loose, at distance of 25 yards or more, for three minutes.
- (5) 5. Retrieving objects.
- (5) 6. Retrieving objects over obstacle on yard high.
- (5) 7. Retrieving objects from water.
- (10) 8. Giving voice on command.

The tests in the advanced class are as follows:—

- (5) 1. Retrieving objects weighing three to five pounds.
- (10) 2. Retrieving hidden objects at end of trail, 300 yards or over.
- (10) 3. Retrieving hidden objects at end of trail, 300 yards or over, trail to be laid by stranger.
- (5) 4. Retrieving objects let fall inconspicuously by the handler of dog.
- (10) 5. Refusing food offered by a stranger.
- (10) 6. Guarding an object.
- (20) 7. Dog to lie down, handler to move off 100 yards or more out of sight, dog to remain stationary five minutes.
- (20) 8. Dog to lie down, handler to move off 100 yards or more, dog to advance on motion, lie down on motion, and advance to handler on motion.
- (10) 9. General obedience, avidity for work and obedience to handler throughout the complete trials.

Note.—

- (A) No savage dog allowed to compete.
- (B) All dogs must be under perfect control.
- (C) All dogs must be on leash when not competing, whether under control or not.

WINNIPEG WHIPPET DECLARED GRAND CHAMPION OF SHOW.

Major H. W. Niven, Winnipeg, Man., son of the late Dr. J. S. Niven, London, a member of the Executive Committee of the Canadian Kennel Club in 1892, had the extreme pleasure of seeing his Winnipeg bred Whippet "RAF," winning her breed classes: "The Harmony Cup" (presented by Joseph Russell, Toronto) for best dog in show; "The Berkley Cup" for best dog or bitch owned by a member of Fort Garry Kennel Club; "The Manitoba Cup" for best dog or bitch bred in Manitoba; "The Eaton Cup" for best any variety open class, and special Grand Champion in show (Best of all breeds). The Major thinks—and we agree with him—that this is a wonderful achievement for a whippet. Mr. C. H. Hopton, who judged the show, declared the little black bitch "RAF," to be about the best whippet alive. There is only one cloud in Major Niven's sky, and that is the fact of the Grand Champion being unregistered, and he is busy now endeavoring to prove the dog's right to the Stud Book. The bitch is 3 years old and has beaten for international champions in open competition, and was bred by Mr. Fred Gates, Winnipeg.

History of the Boston Terrier Club of Canada

By CHARLES L. McQUILLAN, Toronto

Jan. 1st, 1914.—After the usual fuss and worry to get things into shape, the time finally arrived to start the show. Mr. John Deitschler of Buffalo was on hand to act as judge. The junior and senior puppy classes were won by the afterwards famous "Ingram's Little Man." "Little Man" also accounted for the lightweight novice and limit. Mr. J. R. Phillip's "Nemo's Surprise" was the contender, with Albert Quinn's "Quinn's Dadie 3rd." Open lightweight went to Mr. T. E. Milburn's "Totem Boy."

The middle weight classes from novice to limit was won by Geo. Kerr's (Buffalo) "Dictator III." with "Clifton Star" and T. E. Milburn's "Hillcrest Star" running him close. "Clifton Star" had just recovered from a long siege of distemper and pneumonia and was in very bad condition.

The heavy weight classes was won by Mr. T. E. Milburn's "Hillcrest Crackers," with Wm. Austin's "Cone-wango" and W. A. Currie's "Gordon Delhi" as the main contenders. Junior and senior puppy bitches went to Mrs. R. B. Birkell's "Beautiful Doll," with Mr. F. C. F. Turner's "Blackbird" second, and Mrs. Ingram's "Ingram's Girlie" third.

The novice, limit and open lightweight bitches was won by W. G. Parker's (Sarnia, Ont.) "Sparkling Beauty," with Otto W. Knapp's "Lady Mirthless" second, and the same owner's "Dolly Rex" third.

Middle weight bitches was won by McQuillan and Milburn's "Ashland Pride;" Mr. Wm. Austin's "Lady Ver-na" was second; and T. E. Milburn's "Hillcrest Girlie" third. The heavy weight bitches was won by Miss Florence C. Reid's "Lady Helpless;" W. A. Currie's "Victoria Lil" second; and Miss R. Lappan's "Queenie" third. Winners dogs, "Dictator III." Reserve, "Totem Boy." Winners bitches, "Sparkling Beauty." Reserve winners, "Lady Mirthless."

The clean up on specials made by the beautiful little bitch "Sparkling Beauty" is worth recording. I have attended a great many shows in the United States and Canada, and have never yet seen one dog win anything approaching the number of valuable prizes at one show. The following list will give some idea of what she carried off:

Walker House trophy for best in show, value\$100

Milburn trophy for best bitch in show, value 50

Croftregis trophy for best bred and owned by a resident of Canada, value 40
Norman Northcote trophy for best novice dog or bitch, value 75
Otto W. Knapp trophy for best not having won five championship points, value 15
Reinhardt and Burns' trophy for best Canadian bred dog or bitch, value 40
J. W. Bain, cash \$5 for best Canadian bred bitch, value 5
Club silver medal for best bitch 12 to 17 lbs., value 5
Frank Magann prize for best novice bitch, value 10
Standard Silver Co. cup for best Canadian owned bitch, champions barred 40
Ira Bates cup for best bitch 12 to 17 lbs. 10
S. F. Major cup for best in novice classes owned in Canada 40

Total\$430

Needless to say Mr. Parker was a very proud man. Just how he got all his prizes home I can't say.

TOTEM BOY

Owned by Mr. F. E. Milburn. "Totem" is famed as the sire of Patsy Ringmaster, who in turn is famed as progenitor to a large percentage of the big winning Bostons in the U. S. during the last few years.

During the spring and summer of 1914 our young Canadian bred stock began to develop. My own "Clifton Star" was returned winners at the Queen City Kennel Club show in Toronto, also at Montreal; Wm. Austin's "Prince Rexworthy" at the Canadian National Exhibition, and "Ingram's Little Man" at London, Ont. There was U. S. competition at each of these shows, but the Canadian bred ones were coming into their own.

The interest in the great little dog was increasing all the time. At the annual meeting of the Club in October the former Vice-President, Mr. M. A. Smith, was made Hon. President.

Mr. T. E. Milburn was again elected President. Mr. Otto W. Knapp was elected Vice-President and myself Secretary.

Every member put his shoulder to the wheel to make a success of the 7th annual show. Up to and including our 6th annual show, there were no prizes for the classes. All prizes were specials and usually placed by the donor. After "Sparkling Beauty" carrying away so many valuable prizes and other big winning dogs going home with little or nothing but the ribbon, we began to wake up and upon the suggestion of Mr. Thos. Easby a rule was passed that the specials be so distributed that every dog winning a ribbon gets a prize as well. This rule has been strictly adhered to ever since and has been copied by a great many show giving clubs both in Canada and the United States.

Mr. J. E. Carroll of Buffalo was selected to do the judging for the New Year's show Jan. 1st, 1915. A few of our younger and unmarried members had gone to the war, but those left determined to carry on, so on Dec. 31st, 1914, everything was in readiness for the 7th annual show of the Boston Terrier Club of Canada.

TORONTO MAYOR OPENS PEKINGESE SHOW.

His Worship the Mayor, W. W. Hiltz, Toronto's popular Mayor, "went to the dogs" with both feet on Friday, May 30th, when he visited the King Edward Hotel, Toronto, and there declared the parlor show of the Toy Dog Club of Toronto officially opened. There were nigh to 100 dogs benched in a show that was redolent with the perfumes of a hundred coat dressings, it being a well known fact that every lady has her own secret preparation for her dog's coat. The show was held in the Pompeian room and was well attended. The judging was in the capable hands of Mr. Jack T. Waggitt, Toronto, who has been entrusted with the judging of the Toy section at many of our recent shows. Toronto papers declared that \$100,000 worth of dogs were benched, so we will be content just to let it go at that.

SPRATT'S FOOD FOR DOGS

"THE BACKBONE OF THE CANINE RACE"

The dog constitution needs a dog diet. Table scraps—toothsome and tasty though they may be—are not only totally unsuitable for the physical requirements of the dog, but are more often than not a direct cause of unfitness.

For sixty years SPRATT'S have made dogs and their requirements the subject of continual observation and research; and to-day for every dog, old or young, healthy or sick, there is a Spratt's Food guaranteed to suit exactly his requirements.

BELOW WE LIST AND DESCRIBE SOME OF SPRATT'S FOODS AND REMEDIES REGULARLY STOCKED

(Prices Subject to Market Changes)

Spratt's Food for Pups.

6816 Meat-Fibrine Puppy Biscuits—A complete and perfect food for puppies from weaning time onwards, and for small breeds as a regular food instead of Spratt's larger Dog Cakes. \$16.25 per 100 lbs.; \$8.40 per 50 lbs.; \$4.50 per 25 lbs.; \$1.85 per 10 lbs.; 95c. per 5 lbs.; 50c. per 2½ lbs.; 22c. per lb.

6828 "Pupillac"—Dried full-cream milk. A perfect substitute for the milk of the bitch; for rearing orphan puppies, for weaning time, for the bitch just before and after whelping, and for ailing dogs in sickness or convalescence. Valuable as a food for cats and kittens. In airtight tins. Each, \$1.00.

6824 Malted Puppy Food—For puppies that are weak and without stamina; tempting to shy and dainty feeders. Price in tins, 55c.

6830 Plain Puppy Meal—Should be used during, and for a short time after the weaning period; is a great aid in ensuring vigorous, well-developed puppies; extremely valuable also for old dogs unable to tackle the hard biscuits. 100-lb. box, \$16.75; 50-lb. box, \$8.50; 25-lb. box, \$4.50; 10-lb. pkg., \$1.85; 5-lb. pkg., 95c.

6827 Pepsinated Puppy Meal—For Delicate Puppies—Should be used instead of Spratt's Plain Puppy Meal for puppies with weak digestion; is extremely assimilative and will make most unpromising youngsters thrive. In tins, 55c.

6833 Bone Meal for Puppies—A great preventative of early weakness in growing puppies; contains all the elements needed to ensure vigorous frame; prepared in a form for easy mixing with the staple food or with Spratt's Chemical Food (see list of remedies). 100-lb. box, \$11.75; 10-lb. package, 95c. each.

Spratt's Toilet Requisites for Dogs

No. 1 Dog Soap—Prepared especially for coat and skin condition; used all over the world by exhibitors in preparing their dogs for show; prevents scurf, mange and other parasitic affections. Lathers freely. Per cake, 30c.

"Fomo"—A liquid shampoo; slightly wet the dog's coat and sprinkle on a few drops of "Fomo," and instantaneous thick lather results; largely used by exhibitors; good also for children for nursery toilet use. Per bottle, 60c.

Dry Cleaning Powder—Preferred by a large number of dog owners for the winter cleaning of their dogs; needs just to be rubbed in and brushed out of the coat. Package, 35c.

Special Canister Brushes—For use with Spratt's Dry Cleaning Powder. The powder is placed in a small canister attached to the brush and perforations near the bristles allow it to shake out into the coat as the brushing is done. Each, \$1.50.

Spratt's Specials for Dogs.

Pet-Rodnim—A finer grade of Rodnim produced specially for small dogs and toy pets. \$17.00 per 100 lbs.; \$8.65 per 50 lbs.; \$4.75 per 25 lbs.

"Weetmeet"—A Meat-Fibrine-Biscuit Meal of particular value for Bulldogs. \$17.00 per 100 lbs.; \$8.65 per 50 lbs.; \$4.75 per 25 lbs.

6811 Fibo—A unique dog food containing in addition to Spratt's world-famous Meat-Fibrine, pure yolk of egg; is very tasty, and for shy or dainty feeders offers an excellent method of bringing them on to a rational dog diet; a very nutritious meal for delicate dogs and puppies; can be given either dry or soaked. \$16.75 per 100 lbs.; \$8.65 per 50 lbs.; \$4.50 per 25 lbs.; \$1.85 per 10 lbs.; 95c. per 5 lbs.

6813 Charcoal Biscuits—These biscuits are quite easily edible; the charcoal absorbs impure gases in stomach and intestines, and acts as a corrective of internal ailments, fetid breath, etc. One charcoal biscuit regularly each week will be found an excellent preventative of canine ills. In tins, \$1.00.

6807 Tasteless Aperient Biscuits—Offer a simple method of administering periodic doses of aperient medicine. Dogs eat them readily and without coaxing. Per package, 90c.

We also stock a very complete line of Spratt's Dog Requisites, including Steel and Stripping Combs, Curry Comb Brushes, Wire and Bristle Brushes, Dog Gloves, Dog Dishes, Leads, etc.

Spratt's Food for Dogs.

6800 Meat-Fibrine Dog Cakes—For sixty years the standard dog food; used by leading breeders and at shows throughout the world; should preferably be given dry, not soaked, as their being gnawed compels a copious flow of saliva in the dog's mouth which, being mixed with the food before it enters the stomach, materially assists digestion. These cakes keep the dog's teeth and gums in fine condition. \$15.50 per 100 lbs.; \$8.10 per 50 lbs.; \$4.20 per 25 lbs.; \$1.70 per 10 lbs.; 90c. per 5 lbs.; 45c. per 2½ lbs.; 1 lb. 20c.

Terrier Biscuits—A Meat-Fibrine Biscuit prepared especially to be the staple diet of the hardy but small terrier class; \$16.25 per 100 lbs.; \$1.85 per 10 lbs.; 95c. per 5 lbs.

6804 Cod Liver Oil Cakes—Extremely valuable aid to convalescence of sick dogs, for old dogs, and for puppies not making due progress; dogs eat them without coaxing. \$16.25 per 100 lbs.; \$8.50 per 50 lbs.; \$4.50 per 25 lbs.; \$1.85 per 10 lbs.; 95c. per 5 lbs.

6826 Ovals—The Pocket Dog Biscuit—A small Meat-Fibrine Dog Biscuit, suitable as a staple diet for small dogs and toys, and to be carried in the pocket as an occasional snack when on a ramble with the dog. \$17.00 per 100 lbs.; \$9.00 per 50 lbs.; \$4.75 per 25 lbs.; \$1.85 per 10 lbs.; 95c. per 5 lbs.

6812 Rodnim Meal—The twice-a-week change from the hard biscuit diet. RODNIM can be given dry, soaked in water, broth or gravy, or mixed with boiled chopped green vegetables; a fine food for old dogs whose teeth are out of condition. \$16.25 per 100 lbs.; \$8.50 per 50 lbs.; \$4.50 per 25 lbs.; \$1.85 per 10 lbs.; 95c. per 5 lbs.; 50c. per 2½-lb. package.

PICCADILLY VICTORIOUS
as he is to-day—twenty months old

Here is a young stud dog that can improve your Bitch whether she lacks head, bone or body. Real pear shape. Young and vigorous. In fact, when Scott Wilson described him as a "real good youngster" in the Detroit Free Press, April 6th, 1924, he said it right. A winner on both sides of the border.

Look him over! Stud fee (we pay freight one way), \$25.00

CITO VON ISCHELAND
Sire—Arno v. d. Furstenburg
Dam—Cleo v. Grafenwerth

Write for further Particulars.

Don't mate your bitches with just any dog. This method is very detrimental to the breed. The dog may appear to be a beauty, but his breeding will probably conflict with the blood of your bitch—which means cross-breeding and very often bad results.

SEARCH FOR THE RIGHT STUDDOG

We are offering at stud Cito v. Ischeland, an outstanding producer of prize winning puppies.

Send for a stud card and note the wonderful array of dogs and the scientific selection. We recommend him for bitches carrying the older Kriminalpolizei and Starkenburg blood.

INTRODUCING THE SALESMAN.

Mr. Chas. S. Webber, Glenarden Bulldog Kennels, says:—"The power of Kennel and Bench to introduce, plus my salesmanship, are some brace." When an Ocean Falls, B.C., client sent his cheque for well over the three figures, accompanying the cheque was a Kennel and Bench clipping. Fortunately for Mr. Webber, the female specified had been sold, and he was able to duplicate the order, to the satisfaction of his customer.

Moral.

RATIONAL DOG FEEDING

There is only one rational method of feeding a dog.

He should be given Spratts' Meat-Fibrine Dog Cakes or Puppy Biscuits as his staple food.

Large, crisp and wholesome, they establish and maintain doggy health and stamina, harden the gums, and keep the teeth in fine condition.

They have been the only rational foods for dogs for nearly 70 years !

Twice a week give him Spratts' Rodnim Meal. Mixed either with broth or gravy it provides a nourishing, welcome change of diet.

But be sure you get Spratts'. Look for the name on the white cotton bags, and when buying Rodnim Meal, make sure that the seal is intact.

Cheap substitutes for Spratts' are as detrimental to doggy health as promiscuous "table scraps" feeding. Your dog deserves the best---see that he gets it
