Your Dog Needs Good, Wholesome, *Nourishing* Food

The real test of value of a dog food is its protein content. It must be a good food and wholesome too, of course, but its real value depends the quantity required for the natural growth and development of the animal.

Your dog is a meat-eating animal and while cereals and vegetables are needed to supply certain vitamins and mineral elements, it is protein food—meat—upon which the dog depends for nourishment.

Dr. Ballard's Health Food contains all the essential food elements and vitamins necessary for the maintenance of health of the dog and it also contains the highest percentage of protein that it is possible to put into a perfectly balanced ration. **It contains more nourishment per pound.**

CO-OPERATIVE EFFORT

All the Vancouver Kennel Clubs are combining their forces to put over a show at Vancouver on Friday, November 25th, under the auspices of the **Junior Service League. This show must be good.**

The best friend a man has in the world may turn against him and become his enemy.

His Son or Daughter that he has reared with loving care, may prove ungrateful.

Those who are nearest and dearest to us, those whom we trust with our happiness and our good name may become traitors to their faith.

The money that a man has he may lose. It flies away from him, perhaps when he needs it most.

A man's reputation may be sacrificed in a moment of ill-considered action. The people who are prone to fall on their knees to do us honour when success is with us, may be the first to throw the stones of malice when failure settles its cloud upon our heads.

The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous, is his dog.

CHAMPION CREWE SO FAVORITE (IMP.)
is a 50 lb. dog that has won splendidly in England, the land of his birth, and in Canada, the land of his adoption.

CH. CREWE SO FAVORITE
(C.K.C.S.B. 78534)

STUD FEE, $35.00

He is a white with very attractive markings, with great head and face properties, topped by small well carried ears, low to ground, massive body and bone, and moves with a typical Bulldog roll. Above all, he is a prolific sire of quality puppies.

CHAMPION MARWELL MARQUIS
represents the outstanding Bulldog of 1931. At four shows under four different judges he won his championship crown without knowing the taste of defeat; not only that, but he has been placed Best of Breed on three occasions—the sure test of quality. He is wonderful in all head properties, massive bone, low to ground. Pear shaped body, and sires large litters of strong even puppies. He is a 52 lb. dog.

CHAMPION MARWELL MARQUIS
(C.K.C.S.B. 88532)

STUD FEE, $25.00

The breeding of the above dogs are equally attractive and meet the requirements of most breeders.
Stud cards will be sent to interested fanciers upon request. Puppies by both above sires usually for sale. Visiting Bitches Given Personal Attention.

Meeting of the Board of Directors of the Canadian Kennel Club, Incorporated

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club Inc. was held at the Club's Offices, 25 Melinda Street, Toronto, on Thursday evening, September 22nd, 1932, at 8 o'clock.

Presiding, Vice-President Col. J. N. MacRae. Directors present included Brig.-Gen. C. M. Nelles, Capt. H. Dudley-Waters, Peter Herd, Walter H. Reeves, Harry Clayton, John W. Bruce, Vincent G. Perry and George Kynoch (Winnipeg).

The Secretary advised that the President, Lt.-Col. G. F. McFarland, would not be present on account of certain matters being on the agenda, which concerned him personally, and that Major E. Ward Wright was out of town on vacation. The Secretary further reported that Director Arthur Wright (Alberta) had been obliged to take up residence in Vancouver on account of business reasons. The Secretary further reported an improvement in the health condition of Director Wm. R. Aitken (Montreal).

The Minutes of the previous meeting were read, and it was regularly moved, seconded and carried "That the Minutes be adopted as read."

Director W. H. Reeves reported that the Rules Committee had met in the afternoon and that one of the most successful of the Committee's sessions had been experienced, and expressed the hope that one more meeting would be sufficient to finish the Committee's labors.

The Secretary reported that he had been advised by the Kennel Club (England) that the Kennel Club Committee were quite prepared to issue a special certificate for the purposes of exporting dogs to Canada, the Certificate to show a full three-generation of pedigree. The Committee could not give any undertaking for the furnishing of a Certificate as to the mating of a bitch, but referred to a possible service in this connection, conditional upon the Committee being furnished with a supply of printed certificates in the form likely to be required for this purpose, such Certificate to be signed by the owner of the bitch and attached to the Export Pedigree.

It was agreed to suggest to the Director of the Canadian National Live Stock Records the possibility of having the Kennel Club arrange for the issuance of an Export Pedigree Certificate that would show three generations of pedigree for the bitch and three generations of pedigree for the service animal in connection with the exportation of a bitch which had been bred in Great Britain before exportation to Canada.

The Secretary advised that he had written J. N. Cawsey, Bassano, Alta., on August 27th in connection with the registering and transferring of a pure-bred animal now the property of H. P. Bleakley, Sanguido, Alta., and it was agreed to again leave the matter in the Secretary's hands.

A letter was read from J. R. Kennedy, Toronto, drawing the attention of the Board of Directors to the class of judging which had materialized at the Canadian National Exhibition Dog Show. The Secretary was instructed to advise Mr. Kennedy that there were three judges officiating at the Canadian National Exhibition, and to suggest to Mr. Kennedy that he specifically name which of the judges were referred to in his letter.

A letter was read from Fort Garry Kennel Club and it was ordered laid on the table temporarily.

A letter was read from the President of the Canadian Kennel Club in connection with the licensing of dogs, and it was agreed to leave the matter in the hands of the President and Secretary.

A letter was read from Mrs. W. C. Routley, Toronto, preferring charges against Mrs. "Alva" McColl, Toronto, and the Secretary was instructed to write Mrs. McColl and ask for an explanation of the complaint registered against her alleged action at the Canadian National Exhibition Dog Show, as mentioned in Mrs. Routley's complaint.

The Secretary advised that he had notified R. Scott Wilson, Toronto, to attend this meeting of the Directors, and that he was now in attendance. Mr. Wilson was invited to the Board Room and was introduced in the regular manner. The Vice-President read Mr. Wilson's letter of July 19th and asked if he had written the letter. Mr. Wilson acknowledged having written the letter, and advised the Board that he had not been charged with anything according to the Constitution and requested to be advised what he had been summoned to attend for. The Vice-President advised Mr. Wilson that he was present to show cause why he should not be suspended or expelled from membership in the Club. Mr. Wilson stated that he would not make any explanations until proper charges had been laid, and until he had been notified of the same as required by the Constitution. Mr. Wilson having retired it was regularly moved, seconded and carried that the matter be left in the hands of Director Major E. Ward Wright and the Secretary to arrange for the preferring of charges to be made in the specified manner.

The Secretary advised that Charles Bowerbank, Toronto, had been summoned by registered mail to appear before the Board but had not been advised of Mr. Bowerbank's intention to appear, and that Mr. Bowerbank was not in attendance, and it was regularly moved, seconded and carried, That Charles Bowerbank, Toronto, be suspended from the privileges of the Canadian Kennel Club.

The Secretary reported that the matter of copyrighting the entry form furnished by Mr. Herd had been referred to the Club's Solicitors for attention and that forms were on hand for the author's attention. Mr. Herd advised the Directors that it was his desire that the form become the property of the Canadian Kennel Club, and if it was to be copyrighted, it should be copyrighted as the Club's property. It was agreed to refer the matter back to the Club's Solicitors with a view to having the document copyrighted in the name of the Canadian Kennel Club.

The Secretary referred to the matter of difficulties having been experienced by dog show-giving Clubs in arranging for the Canadian Kennel Club trophy to be awarded at their shows, and was instructed to take the matter up with Mr. Reeves.

The Secretary advised that the only other item on the Agenda was the charges of Fort Garry Kennel Club against Director George Kynoch (Winnipeg). The sworn evidence of both parties were examined in detail, after which Mr. Kynoch was requested to retire. After Mr. Kynoch had retired, it was regularly moved, seconded and carried, That President Lt.-Col. G. F. McFarland, or (in the event of the President being unable to comply), Vice-President Col. J. N. MacRae comply with the request of the Board of Directors to arrange to hear the evidence in conjunction with the Manitoba Provincial Committee at Winnipeg.

This being the business coming before the Board of Directors at this time, it was moved that this meeting do now adjourn.

Note.—These minutes are subject to correction when presented for adoption at the next meeting of the Directors.

Notes from Old Quebec

By FRED LARUE,
Cap Saint Martin, Quebec

IN sending the Central Canada Exhibition Prize List, J. W. Brant wrote to the prospective exhibitors. "I doubt if there will be any 1932 Dog Show in Canada, outside the Canadian National Exhibition that has such a liberal premium list as this association."

This indeed was true but there was something else which is also very true and which is drawing as many entries as the premium list—it is the personal influence of such names as Brant, Gundersen, McGuirl, MacDonald, Coleman, Briggs and others, too numerous to name here on the show committee, names that are stars in the sky of cooperation when working for dog shows.

This coupled to such a healthy looking, ever smiling, honest dealing judge as George Kynoch of Winnipeg, made the 1932 Ottawa Dog Show one that will stand out for years to come as a perfect specimen of public entertainment. That the awards were well received by the exhibitors and fanciers could well be seen when the Best in Show Cup was presented to G. A. Taylor for his beautiful Doberman Pincher, the beautiful son of "Lux Von Der Blankenburg," and "Ilisa of Pontchartrain."

Sporting breeds — Beautiful English Setters were exhibited at Ottawa and Sherbrooke. Leo Charlebois of Hull always exhibits some useful specimen with hunting noses and brains.

Another great English Setter Stud made his Eastern debut in Sherbrooke, "Alexander," a lemon marked, owned by the Wizbang Kennels, and bred in Victoria, B.C. He and S. T. Doyle's "Parjaro Diane" made a beautiful pair. "Diane" has been a consistent winner in Eastern Canada and should be a champion by this time. A great tricolor female, "Wizbang Jessica" must also have finished her championship in Ottawa.

Beagles — W. Baldwin had a nice, short, coupled little bitch, sired by "Ch. Swampy Diamond," a great mover and am told a perfect hunter. Mr. Baldwin also owns a classy Foxhound by the name of "Baldwin Walkwin" which may some day bother the best of the other sporting breeds in the groups final.

Cockers—Fred L. Coleman of Hull has done something really handsome for this Province by purchasing the Black Cocker, "The Coming Storm," bred by Charles L. Bowen of Kingston, Ont. This dog finished his championship at Ottawa, and will probably be entered in New York next winter. But I know of a young black who intends to make the running hot for "Storm" when fully matured. He sports a name that means a lot to a proud puppy, "Enright's Orphan," and the fact that he got the special for the best headed Cocker in the hottest competition will explain his swollen pride. But the eternal triangle in the Cocker family for the Province of Quebec is being brought in by A. W. Hatcher of Sherbrooke, with his beautiful pair of parti-colors, "Queen of Hearts" and "Middlesex Mercury." Both are outstanding specimens of the modern upstanding Cockers and great producers. We understand that "Mercury" finished his championship at St. John, where he was ably handled by Ted Ward. We also admired Mr. Hatcher's kennels, a beautiful red and sporting the name of "Intermountain Red Lilac."

Terriers—Airedales are gaining every day in popularity. With such breeders and exhibitors as Mr. and Mrs. F. L. Coleman, the breed is bound to catch on in this province. Most ably handled by Mrs. Coelman herself, the dog, "Kaye Don of Airevalley" which we prophesied in our March issue would beat everything, has now made good.

"Kaye Don" is a greatly balanced dog with big bone, small dark eyes, full of Terrier expression, good neck and short back. He is a son of "Ch. Warbeck Mixer," out of "Ch. Walnut Fashion Plate" and was bred by B. J. Eggins of Ottawa. His litter brother got best puppy in New York last February and was sold for a big figure to a Chicago millionaire.

R. H. Waddell, Montreal, was handling a nice string of Terriers in Ottawa, including the Smooth Fox Terrier, "Glen Garrell" which he claims to be the best headed Fox Terrier in the world. The Wire Fox Terrier female, "Barbara Wire Girl," a real typical specimen, a good West Highland Terrier, sired by the late lamented, "Noah of Dane End," whose death was such a lost to the fancy, a classy Sealyham, owned by Walter Rimmer and a son of "Ch. Wolvey Meta," and such a beautiful string of Scotties! These included "The Masher," owned by W. G. Murray of Montreal, and bred by B. J. G. Donald, of Scotland.

Another Scottie who is coming into its own stride and gave a good account of himself at both the Ottawa and Sherbrooke Shows is "Craigside Confident" imported by William Dingwall of Montreal. The winning bitch, "Glen Garrell Cutie," owned by the same party and bred to the above dog gave birth to 7 males and 3 females.

Albert Collins of Montreal, also had his Scottish Terrier, "Iona Donald" entered in Ottawa, but the dog took sick and had to be withdrawn. Albert, however, was successful in the handling of "Corsington Cyclone," which was only beaten by two International Champions and both "Cyclone" and his own entry, "Wynot Corporal" were commented upon by the judge as carrying the best Wire coats in the show.

Toys—Montreal was well represented at Ottawa by the splendid Japanese Spaniel, "Chiya," owned by Mrs. W. G. Ross. Mde. D. Beland of "Pomona Fame," easily won in "Poms" with her "Champion Fairy King of Pomona" and "Elite of Pomona." Mrs. M. S. Threlfall and Wm. Steggall and L. Heald had a great string of Pugs, topped by "Ch. Budworth Babs." The great black, "Ranjitsinhji," with his shining coat was a center of attraction.

Non-Sporting, Boston Terriers—The Elmo Kennels, owned by Mrs. J. A. Robillard of Montreal, have been most successful with their exhibits lately. First "Billy Disturber" ably handled by Alf Loveridge, finished his championship at London, Ont. Then "Sweeping All," a son of "Disturber," owned by J. Constantineau and bred by Mrs. Robillard, was sold to Mrs. Stevens of Toronto for a very high figure. The Elmo Kennels also brought a 13-lb. Stud named "Katinka Going On," sired by "Katinka Going Up," and bred at Melrose, Mass. This is the same sire as "Ch. Million Dollar Kid Boots" considered by many to be the best Boston in the United States. You may rely on the French people from this Province to keep the Boston Terriers ahead as our T. "Moses" Girouard mostly of Hull, Que., has brought out a good one in "June Rose 3rd," sired by "Come Again Hagerty." She is a dark seal brindle, weighs 15½, and was good enough to beat some international champions.

Bulldogs—Whoever writes the word "bulldog" cannot help thinking of our own Allan C. A. Chisholm, better known as the bulldog man. There are many bulldogs but there is only one Allan C. A. Chisholm, and he is known all over America and the British Empire as "the Bulldog man." His genial smile, his witty remarks spread sunshine wherever dog men gather. His dogs are always up in the winning. He knows something about breeding, and some more about showing and whatever he does not know is not worth knowing. His "Lorne Pugilist" and "Lady Lorne Pugilist" as can be seen by the award columns, made some performances which made Allan C. smile wider than ever if that was possible.

The Canadian Fancy

By WALTER H. REEVES,
Belleville, Ont.

THE writer has received several letters recently asking what steps, if any, are being taken with regard to the registration of our unregistered champions. Amongst others the following from the very well known Airedale fancier, A. O. Bean, of Medicine Hat, Alta. "How is the campaign coming along! Do you think you will get anywhere with it? I would surely be glad if you do, I have purchased three Int. Ch. Warland Ditto bitches from W. A. Childs, of Saskatoon, and Mrs. Bean is at present in Toronto negotiating the purchase of a stud dog for me."

For the information of the many, I am publishing the reply I have received from J. D. Brien, the Chairman of the Canadian National Live Stock Records Committee.

Sept. 10, 1932.

Mr. W. H. Reeves,
156 Bridge St. E.,
Belleville, Ont.

Dear Mr. Reeves: Owing to the time of the members being taken up with duties connected with the Imperial Conference, I could not arrange a meeting with the Record Committee.

Am going to Ottawa in the near future, and I have hope of arranging a meeting. With kindest regards, I am,

Yours truly,
J. D. Brien.

Very welcome news is on hand with regard to the National Kennel Club Show, which is held each year in conjunction with the Royal Winter Fair. The dates have now been arranged, November 21st, 22nd and 23rd. As this show ranks in importance in Canada to the English Kennel Club Show in England and the Westminster Kennel Club and Madison Shows in the U.S.A., it behooves every exhibitor to start planning at once to be well represented at the National Kennel Club Show. The venue gives ample room for benching as big an entry as obtained at the Westminster Kennel Club Show and it is always favored with a very large and fashionable attendance, making the show without any question of doubt the one Canadian show at which exhibitors have to be represented. This year, I believe, handlers living in the Western and Eastern Provinces would find that if only they approach their clients in time, they would be able to gather a representative team together. The writer would particularly like to see a real team of sporting dogs from the Pacific Coast. Real money will be paid in the East for an English Setter that can go on top, and I know there are several embryo champions around Vancouver and Victoria and from information received the Pacific Coast Fox and Scottish Terriers and also Bulldogs, have never been better in quality. Winnipeg, Edmonton, Saskatoon, Regina and Medicine Hat could easily muster a real middle west team, and the Maritimes can do theirs. So let's go and make this year's National Kennel Club Show not only a record for numbers, but a record for quality.

The following story in view of the agitation in Toronto against the Shepherds is particularly apropos. It was sent to the writer by G. A. Moore, the breeder of the dog. "Whilst strolling through the Canadian National Exhibition, I noticed the name Touser Von Whitoff, and that he was to be awarded a medal for bravery. Neither dog nor owner were present that day, but I ascertained that they were to be present the next day. Sure enough, dog and owner were there, on the following day, the old boy fat and sleek and we immediately became friends and I heard from Touser's owner the following remarkable story. D. W. Rodgers is a dentist by profession but on account of ill health was obliged to give up his practice and take a farm at Bellwood, Ontario. Walking over the farm one day he was attacked by an angry bull. The dog did not witness the attack but hearing a commotion, at once started to the rescue, jumping a six-foot fence, seized the bull by the nose, and held him until Dr. Rodger's sister helped him to the house. Touser then drove the bull through a fence and thence into his stall and barked at his heels until attendants came and tied the bull up. Then Touser went to the bedside of Dr. Rodger and never left him until the patient was able to get about again. Touser's owner broke down and wept when he was telling this story and stated that if it had not been for Touser he would not be here today." My correspondent concludes this remarkable story of the bravery of a Shepherd dog with the following:— You know the dog, a black with tan markings, you often saw him when you called on me at Wellington, Prince Edward County. Perhaps some of the present agitators in Toronto, if they were shown this true story, might change their attitude and come to the conclusion that every breed has its "gangsters," but that is not sufficient reason to try and warn the general public that all Shepherds are unreliable and a menace when on the streets to the general public. The writer, like many others, was more than surprised at the report given on the breed by the Royal Humane Society, and would like to know if a representative of the Society was present at the Trials given by Shepherd dogs at the Exhibition.

At the annual general meeting of the Canadian Kennel Club, the directors were thoroughly in agreement with the members that our present system of Championship Rating was obsolete and our President, Col. G. F. McFarland, at once appointed a committee to go over our Dog Show Rules and Regulations and suggest a new system for Championship Rating, that would be workable in different parts of the Dominion. The committee found that not only our Championship Rating but also that many of our present Rules and Regulations needed to be brought up to date, in fact the other Rules and Regulations have fully occupied the Committee's attention at their meetings each month.

At the last meeting of the committee they were shown the very able letter sent by John W. Bruce and it was then decided to let this letter appear in **Kennel and Bench** before drafting a new system, as it was thought that maybe this letter might bring forth valuable expressions of opinion which would assist the committee. The letter certainly served its purpose and judging from the replies, John B. Bruce's suggested Championship Rating with some slight alterations will be popular. Very naturally some fanciers cannot see eye to eye with John W. Bruce, the chief objection being that under the suggested system it would be far more difficult to gain the necessary points to gain the prefix of Champion granted, but although the suggested system will undoubtedly make it more difficult to gain the necessary championship points, a Canadian champion which gains his title under the new system will have to meet competition, we will not have so many Canadian champions and a Canadian champion will be worth more than a great many of our present champions. Many fanciers take exception to John W. Bruce's contention that some of our present champions are not worthy of this title. Well it is no use disguising the fact, we, all of us, know of many specimens that under the present system have gained the coveted prefix of champion practically without competition and that if they had had com-

WIRE HAIRED FOX TERRIER---AT STUD

Walnut Huntsman, Imp.

(C.K.C.S.B. 103378)

FEE - - $20.00

Walnut Huntsman is the winning son of Champion Grandon Masterpiece. His dam is Hunting Belle, winner of 100 firsts, and daughter of Champion Talavera Simon.

Walnut Huntsman during his show career was a winner every time out, including Best in Show under three judges—365 entries at Wavertree, Liverpool.

This dog is the correct size. Grand length of head, tremendous bone, very best of legs and feet, good front and hindquarters, short back, good body and coat.

petition, the title of champion would not now be in front of their names. Personally I don't blame our present system of Championship Rating as much as the Judges, who in spite of the fact that before judging they have received instruction from the Canadian Kennel Club that they were not to award points to mediocre specimens, did so because they were afraid of criticism. No system that mortal man can devise can give backbone to a Judge, but the new system does insist **on competition.** I thoroughly agree with the suggestion of one correspondent who writes, "That before any dog becomes a Canadian champion, it should have won winners at two three-point shows." Another correspondent gives it as his opinion that the new or suggested system would have a detrimental effect on entries. Only time and experience can prove this. The suggested rating would place greater value on Canadian champions and I for one heartily agree with another correspondent, who is of opinion that it will pay exhibitors to support shows even at a distance where there is a likelihood of gaining a three-point win, and exhibitors will do their part, which in many cases they are not doing today, to assist shows in getting a representative entry of their breed. In fact I am optimistic enough to believe that in the course of time the suggested rating would so materially increase entries at shows that all our shows would be able to afford to give money prizes in every class and do away with ribbon shows. The prize money would certainly help to pay the cost of transportation and any assistance in this direction will certainly help to swell the ranks of exhibitors. In conclusion I wish to impress this point on Canadian exhibitors that if a new system is passed at the annual general meeting and it is found in the course of time that it is not meeting with success, it can be changed at the next annual general meeting. We seemingly are all agreed that the old and present system is obsolete and personally I am firmly convinced that a new rating such as suggested by John W. Bruce, with some slight alterations, cannot fail to work out to the advantage of exhibitors and shows in Canada.

Well, they say variety is the spice of life, and we certainly have had variety of breeds gaining the title of Best Dog in Show on the Eastern Circuit, a Doberman at Ottawa, Flat-coated Retriever at Sherbrooke, a Smooth Fox Terrier at the National Exhibition and Hamilton, and a Pomeranian at London. The writer was particularly pleased to hear of the win of the Smooth Fox Terrier at the Exhibition, for it is surely time that the Smooth came back. I happened the other day on an old copy of the American Stockkeeper and Fancier, in which my late friend, dear old Harry Lacy sums up the situation in 1927 as follows:

We now have separate judges for each coat and this is a good move. It has been said more than once that a smooth man can judge a wire but that the wire fanciers per se rather look upon the smooth as a dead one. If any such feeling exists it is due to the inactivities of the owners of smooths. They won't toe the mark with advertising or publicity but at the least little spurt made by the breed at a big show they holler "We're coming." Then they seem content to sit back and watch the wires do what they should do. In other words there is no "pep" in the coat. If the organization of a separate club would stimulate the breed, by all means throw tradition and sentiment aside, and organize. But of course this to be in no sense antagonistic to the dear old club that has served both coats so well for forty years. And any move that might be taken should be with the full approval of the parent club. What is wanted more than anything else is a spirit of co-operation among the "smooths," encouragement of a demand for smooth puppies, and, above all, a greater eagerness to show smooths at any and every show. It is not very inspiring to open a catalogue and see no entries of smooths, or else a solitary one or two from some local kennel. There are a lot of smooth people scattered all over this great country and they should be brought together in a separate club, and as a correspondent writes us: "they could put up as strong a showing as at any time in the history of the breed." We do not say quite that, but they could improve matters a whole lot. This same correspondent adds: "I wonder if our smooth fanciers realize fully the part played by American and Canadian-bred Terriers in the ancestry of the 'great and near great' in England? Look back at the pedigrees of most of these Cromwell

bred Terriers and their near relations and you will find Raby Ruler, formerly Sabine Repartee, Warren Variety and his forebears, Norfolk Ranger, Norfolk Dark Blue, etc. We still have them but should be making better use of them." Conditions in 1932 are practically similar to what they were in 1927. Although the winner at the Canadian National Exhibition was shown by an American exhibitor, Canada again played her part as she has done in the past, for the dam of the winner came from Canada.

W. A. Childs, of Saskatoon, is trying hard to help along the smooths in his part. Recently he has purchased a very nice smooth bitch from W. J. E. Newton of the very best of breeding as the following past and present celebrities appear in her pedigree, Ch. Little Aristocrat, Llandorf Tarton, Little Live Wire, Ch. Selecta Ideal and Llandorf Dinah.

The London Canine Association held a most successful show in conjunction with the Exhibition. The building was most suitable, but the judging ring was far too small. A resumé of the classes follows: Pekingese were good, Mrs. R. S. Quigley's "Sutherland Av Hanshih," a glorious headed biscuit, standing right away. Pomeranians introduced the Best Dog in Show. Mrs. J. W. Bruce's "Melbourne Supreme," without a question, in the writer's opinion, the best of his breed seen for many a year. "Supreme" is a rich orange in color, with a wealth of coat of the right class and texture, absolutely perfect legs and feet, and excelling where so many of his breed fail today, in hind action. "Supreme" is also very short in back and his head, eye and ears approach perfection. Sincere congratulations Mrs. Bruce in breeding a specimen so nearly perfect as "Supreme." Fox Terriers, both smooth and wires, were good. C. A. Ward's Scottish Terrier, "Walnut Rouge," stood out, a game typical Diehard. Albert J. Milne's "Kempton Mac Adair" has sterling merit, not at his best on the day, being shy of coat. Springer Spaniels were a nice quality group, "Belmoss Fanny Lammond" qualifying for her championship by her win. John Ritchie's "Ch. Follow Through of Solway" was by no means in show form, shy of body and leg coat. Bostons, a real good quality entry, but what a pity it is that breeders do not pay more attention to legs and feet. C. Hammett's "Rock-around Rosie" gained the special. Vincent G. Perry introduced "Miss Haggerty Again," which has only to live to quickly gain her title. Mrs. Martha Stevens' "Sweeping Al" was the best of the dogs. Bulldogs proved quite a field day for the well known and successful London breeder, C. S. Webber. H. A. Ross had the best of the Cockers. Beagles introduced a hound with a future, Oscar Pierson's "River Park Some Boy." Erik Bergishagen in English Setters could not be denied with "Tula II Jagersbo" and Dr. G. C. Brink continued his recent successes with a real good Irish Setter in "Red Pat of Briwore." The Romanoff took another best of breed with "Ch. Romanoff Tamara." Mrs. Mercedes Gibson had quite a nice team of Newfoundlands competing.

WINNING COLLIE FOR SALE

Stonehaven Blue Bonnets

A seven months', splendid Blue Merle bitch. She has just taken winners bitches at St. John this month (September), and she is good enough to show anywhere and win. Beautiful head, good ears and expression, and exceptionally well developed. Her sire is Stonehaven Silver Cloud, who is a double grandson of the great English champion, Mount Shannon Blue Splendour. Silver Cloud is also the sire of Stonehaven Blue Splendour, bred by ourselves, and the winner of 1st Novice and 2nd (Open Blue Merle) classes at the Eastern Dog Club Show, Boston, 1931. The dam of Blue Bonnets is Annahassit Alright, a daughter of the famous Champion Mossview Melody and Wellcroft Winsome.

An exceptional Bargain at $75.00.

Also—Stonehaven Blue Cloud, a litter brother to Blue Bonnets and a dog that shows exceptional promise. Extra long head, good ear carriage, heavily coated, and a most desirable size for his age.

A Nice Offering—Price, $40.00.

A very newsy letter has arrived from Mrs. Luscombe, of London, Ont. The kennel has been very successful with Scotties and now Irish Terriers have been added. "Fermanagh Nell," the dam of two champions, and sister of another is busily engaged rearing a litter by the imported "Venta Vat" by "Ch. Rambling Sandy" out of a bitch by "Ch. Boy," blood which must commend itself to any student of breeding. There are also a number of promising Scotties by "Heather Braw Lad," a Terrier very highly thought of by R. Chapman. An acquisition to the Scotties is "Briar Barty," recently purchased from Leonard Brumby, the new Terrier is by "Ch. Heather Goldfinder," the winner of the stud dog prize at the Specialty Show. "Briar Barty" is a descendant of the greatest brood bitch of modern times, "Annie Laurie." With two such Terriers as "Briar Barty" and "Heather Braw Lad," one should expect to see many good winners bred at this kennel.

Writing of Scotties reminds me of a notable win made by J. G. Young, of Edmonton, with a home bred, "Normandy Ascot," gaining the much sought after honor of Best in Show all Breeds at Edmonton. I hear from one, whose opinion I value, that the Normandy Kennel has a number of puppies that if they live should be able to add considerably to the prestige of the kennel.

Through lack of space this month, I have to leave out a most interesting letter received criticising our present system of licensing Judges. Will my correspondent accept this reply to his letter. I hope to be able to refer again to it in the next issue of **Kennel and Bench.**

Following my remarks in the last issue on the progress of Bulldogs around Montreal, the writer notes with interest that Mrs. O. L. Billings, of N.Y., has just recently been visiting the prominent kennels around Montreal and was accompanied back to New York by two most promising puppies by "Son O' Pugilist" acquired from the Mis Not Kennels.

The many friends of Dr. C. Y. Ford will be glad to hear that this popular Judge has completely recovered from his recent indisposition. Sea air, sea breezes, and sunshine on the upper deck of a not too speedy liner are the best medium for a run down condition and they have just about set me right again, writes my friend. I recall you enjoying this remedy a decade ago! While sauntering along the sands in Normandy on a Sunday morning I saw approaching me a French lady accompanied by her small daughter and the best black Pug dog I ever saw. My admiration for the Pug was aroused and I asked if she would sell. With almost a look of fear she snatched the little chap off the sands and in rapid fire French said, Sell "Le Noir"—I would as soon part with my Marie, and moved on. The last I saw of Marie and "Le Noir" they were in pursuit of a ball. On reaching London I found the terrific heat wave in progress as it had been in Paris 92 deg. to 98 deg. One evening I took a taxi to call on Professor R. H. Roberts, who breeds the type of Collie we see shown by the Bellhaven Kennels. I had a good look at the Professor's latest acquisition, "Ch. Netherkeir Starboy," the best Collie at the last Crufts Show and said to top the lot in England. The Professor is a stickler for type and quality like the late Harry Hungerford and fairly sees "red" when a Roman nosed Collie is mentioned. The Cunarder that brought me back from Southamp-

ton to Montreal had but one canine passenger, the pet of the ship, a most charming little black Pug bitch of the famous Broadway strain consigned to Mlle Victoria Bouchard, of Montreal. It looks as though Montreal was destined to bring back to popularity these erstwhile dogs of fashion and become a veritable Pug centre. Thanks, Dr., for a most interesting letter and sincere congratulations that sea air and breezes have enabled you to give me such pleasure in hearing of your complete recovery from your indisposition. Here's hoping to see you at the National Kennel Club Show.

W. C. "Doode" Baldwin, although best known as one of the leading Fox Hound breeders and exhibitors on the American Continent, has always taken a keen interest in the merry little Beagle. He has been trying for some time to combine bench and field qualities in them and with this laudable ambition in view has been on the look out for a real stud force. At the New York Show he saw "Ch. Delco Minor" and considered that he was the best Beagle he had seen for years. "Doode" at once opened up negotiations with the owner of the Delco pack and after considerable trouble became the owner of "Delco Marshall," a son of the great "Minor" and a full brother to the 13-inch "Ch. Pepper Martin." A postscript to "Doode's" letter gives an important news item to Bull Terriers men. "I was down to Humphrey Elliott's last night and he showed me a young Bull Terrier which had recently come in from his 'walk.' If this pup does not go to the top he won't be far from it."

Geo. Bailey, of Ottawa, has just returned from his camp, which is situated away up the Gatineau, where he has spent a very pleasant holiday with plenty of fishing, since his return sales have been particularly brisk. "Thet Timberson," the noted Wire Fox Terrier, has been sold to Carl F. Weffenach, of Columbus, Ohio, who also acquired "Barrack Hill Fortune" and "Gatineau Hill Marie," which were both in whelp to "Thet Timberson." Mrs. Grace Strickland, of Providence, R.I., has, after considerable trouble, induced a change of kennels for "Thet Topsy," another famous Wire. Mrs. M. G. Render, of Calgary, has materially strengthened her kennel by the purchase of three good young Wires by "Thet Trojan." The West is going to be rich with sons and daughters of "Thet Trojan," for J. B. Woodwark, of Edmonton, has now a son of "Thet Trojan." No signs of depression are apparent in Wire Fox Terriers at the Ottawa Kennel, for the sales go on and on. E. W. Travis, of Endicott, N.Y., has purchased "Barrack Hill Fashion," in whelp to "Timberson." George Bailey is right in line for the Smooth boom, for he has imported from G. H. Bishop, of Watford Heath, Herts, England, "Stall Superb," a grand Smooth dog, by "Ch. Chosen Won of Notts," England's best sire. Smooth breeders should note the fact that "Stall Superb" is available at stud at a most moderate fee. Further particulars will be found in the advertisement pages of **Kennel and Bench** this month. G. H. Bishop is sending a daughter to the Barrack Hill Kennels and from the accounts of her quality this bitch will be able to toe the line with the best. George Bailey also sends the news that he means to be in the running again next summer with Clapton-bred Smooths, for he has already availed himself of the services of "Stall Superb," having bred him to a daughter of "Ch. Snip Snap." This newsy letter from Geo. Bailey concludes with the very important information that Miss Dixon has sold him "Thet Sunny Trace," a son of the great "Ch. Talavera Pegasas" and "Simons Dimple," the dam of many of the great Wires out today.

SMOOTH FOX TERRIER BEST IN SHOW AT CANADIAN NATIONAL EXHIBITION

The dog show at the Canadian National Exhibition is almost as old as the Canadian National Exhibition itself, and the dog show this year was the forty-fourth, although the Exhibition strictly speaking is fifty-four years old this year. Anyway, to take forty-four years from 1932 would give us 1888 as the first year of the Canadian National Exhibition dog show, and the old timers will remember that it was in September, 1888, that the Canadian Kennel Club itself became a National organization. It is a well-known fact, that both organizations have been closely identified down through the years. As a matter of fact, the late John G. Kent, Manager of the Canadian National Exhibition for so many years, was also president of the Canadian Kennel Club for 18 years.

Entries were as strong numerically this year as in former years. There were 555 dogs benched, which totalled an entry of 1,108, and giving the show a 5 point championship value. The number of exhibitors counted up to 299, and only about 4% of these came from the United States. The Best Dog in Show, All Breeds, was the property of H. E. and Mrs. Warwick of the Warwell Kennels, Hamburg, N.Y., and probably because of the rarity of a Smooth Fox Terrier winning for Best in Show All Breed award, there was a moment's hesitancy before the import of this happening was sensed by the ringside.

Owing to the depression which has been very much in evidence at this year's Exhibition generally, and the splendid weather which prevailed, the dog show was at all times comfortable. The great crowds, and the greater heat which mark this particular show were both modified to an appreciable extent. This condition may be the better realized when it is understood that the general attendance at the greatest fair of its kind in the world was down a quarter of a million this year, and on the opening day of the dog show, the general attendance was down 56,000, and this condition was quite noticeable in the dog show.

Three extra features of the show this year were the Obedience Tests put on by the German Shepherd Dog Club of Canada, a feature which will no doubt be repeated in the ftuure, if one may judge from the large crowd which surrounded the ring, and the hearty applause which greeted every dog as he, or she, took the tests. The several tests included : (1), Heeling off leash; (2), sit, down and sit again on command (no leash); (3), Retrieving; article to be thrown a minimum distance of 25 yards; speed and method of delivery to count; (4), Retrieving one obstacle four feet in height; method of delivery to count; (5), making "down" whilst heeling in motion (no leash); (6), Lying down for five minutes in the absence of guide and owner (no leash). The several tests gave proof of careful training, and of an almost uncanny understanding between the dogs and their owners.

The second feature was the "Hero Dog" exhibit presented in masterful fashion by V. E. Byfield, Toronto. Mr. Byfield, whether by intention or by good fortune at this particular time in Toronto, had four real dog heroes lined up for public approval, and no less than three of the four were Shepherd dogs. In the ring we noticed Major L. Plummer, first Vice-President of the Toronto Humane Society, and Ald. F. Johnston of the C.N.E. dog show committee. Major Plummer presented the "Dog Heroes" with medals, and suitable collars on behalf of the Humane Society.

The "Heroes" were Towser of Whitoff, who tackled an infuriated bull, and saved his master from possible death. When this dog had been decorated, a lady rushed in from the ringside, and in the joy which brings the tears to human eyes, she told the dumb animal again, as she had possibly told him hundreds of times before, of her own great appreciation of services rendered in time of direst need. Rex swam out into Lake Ontario a quarter of a mile or so and rescued a lad from drowning after the boy had been upset from a canoe. Cutie was another Shepherd who won his fame by saving his young master from drowning in Wilcox Lake. A good, honest looking old Airedale was honored for his heroism. Pingo dragged the mother of his young mistress from the water after the ice had broken. Pingo just looked like a dog particularly suited for just such a noble cause. The "Dog Heroes" were most favorably received, and the feature was well worthy of Mr. Byfield's preparation and time.

The feature which caused the greatest interest, as far as the officials of the show were concerned, was the rule prescribing the weights for Cocker Spaniels, i.e., 23 to 28 lbs. Dogs under the weight, were fed and watered to make the weight, dogs over the weight were exercised to make the grade, and the new rule came in for endorsation and condemnation in shares which were not at all in proportion, and in the writer's opinion the weight rule should be expunged from the Canadian Kennel Club Dog Show rules and placed in the Standard where it rightly belongs, and the judges held to a proper interpretation of the Standard. The Judge, W. T. Payne, of Kingston, Pa., being one of the "Originals" in the making of the Standard for Cocker Spaniels, declared that the whole arrangement was a farce more or less. Nevertheless, he was the least disturbed looking individual, throughout, what must have been to him, the most trying period of judging that he had ever experienced in his long career.

ADVERTISE --
AND DON'T SHUT OFF YOUR MOTIVE POWER

It is related that a man travelling on a train with the late William Wrigley said to him: "Don't you know you are wasting a lot of money?"

"In what way?"

"Why, in advertising. Your product is so well known now that you don't need to advertise."

"My good man," Mr. Wrigley answered him, "do you know what would happen if the engine were shunted off from this train?"

"The train would coast a while and then stop, I suppose."

"Exactly," said the gum manufacturer, "and that is just what my business would do if I cut off advertising. Advertising is the engine that furnishes the motive power."

WANTED
A PROPERTY PROTECTOR

We know of a party in Toronto who believes that the Bull Terrier is a dog with a fighting heart, and a dog likely to lay down his life for the protection of his master and his master's property. This friend of the "White 'Uns" is desirous of purchasing a male Bull Terrier, white (a mark or two will be no handicap) and Registered. Must be able to take care of himself, and of the property which will be placed implicitly in his care.

"Where can I buy the best Life Insurance Policy?"

Several things enter into the consideration of this important subject. What is the premium rate charged? What dividends are given on the policy? Is the company economically managed so that its future prospects for dividends are good? Does it earn a good interest rate?

THE OBEDIENCE CLASS AT THE CANADIAN NATIONAL EXHIBITION

Judges—R. B. Gilmore and A. C. Corry

THE obedience class made its debut to the fanciers and general public at the 44th International Dog Show of the Canadian National Exhibition at Toronto. This is the first time that a class of this nature has been held at an All-Breed Dog Show in Canada. The obedience class proved its merits as a drawing card by the large crowd in attendance. The ringside could not begin to accommodate the hundreds of people crowded around its four sides to watch the dogs in action. The upper gallery was crowded and it was observed that people were standing on chairs, benches and up the two stairways in order to get a glimpse of the proceedings. This was all very gratifying to the sponsors of the class, The German Shepherd Dog Club of Canada, who are desirous of having the Obedience Class adopted as a regular feature at all C.K.C. Shows.

The Obedience Class was open to dogs of any breed and drew an entry of seven Shepherd Dogs with one absentee in A. L. Gooderham's "Northmere Dawn of Fortune." It would have proved interesting to have had representatives from other breeds entered in the competition but this will come in time when the class gets better known. There was one lone Collie fancier on the verge of entering the competition but decided at the last minute to view what the dogs had to do first in order that he would be better prepared the next time. There were six simple tests that any dog is capable of doing and the total possible score was 100 points. The two judges scored the dogs independently and the placings were determined by averaging scores.

The competitors included Int'l Champion and 1932 Field Trial "Champion Hettel von Bodman, S.D.", owned by A. L. Gooderham; the 1932 Reserve Field Trial "Champion Rex von der Koniginstadt, S.D.", owned by Z. J. Joyce; "Mathilda von Rhein, S.D.", owned by Dr. H. H. Hodgson; Wolfe von Stettin, C.D.", owned by C. W. Radford; "Blue Magic of Northmere, C.D.", owned by A. L. Gooderham; "Caesar", owned by Steven S. Bond.

The awards were as follows:—

1. "Mathilda von Rhein" with a score of 97⅛ points out of a possible 100. "Mathilda" lost ⅝ of a point in Ex. 1—Heeling, ½ point in Ex. 2, Sit, Down and Sit, 1¼ points in Ex. 4, Retrieving over Obstacle and ½ point in Ex. 5, Making "down" whilst heeling in motion.

2. "Hettel von Bodman" with a score of 97 points. "Hettel" was the only dog to make a perfect score in Ex. 1, Heeling. He was faulted ½ point in Ex. 2, 1 point in Ex. 3, Retrieving, 1 point in Ex. 4 and ½ a point in Ex. 5.

3. "Blue Magic of Northmere" with a score of 95¼ points. "Blue Magic was faulted 3½ points in Ex. 1 for wandering, but for this she might have been the winner. In Ex. 2 she was faulted ¼ point, Ex. 3 ½ point and Ex. 5 ½ point.

4. "Rex von der Koniginstadt" with a score of 93½ points. Like "Blue Magic", "Rex's" downfall was in the Heeling where he lost 3 points. He was also faulted 1 point in Ex. 2, ¼ point in Ex. 3, ¾ point in Ex. 4 and 1½ points in Ex. 5.

5. "Wolfe von Stettin" with a score of 91¾ points. "Wolfe" lost 1¼ points in Ex. 1, 1¾ points in Ex. 2, 2½ points in Ex. 3, 2½ points in Ex. 4 and ¼ point in Ex. 5.

6. "Caesar" with a score of 14½ points. "Caesar" only attempted three exercises out of six. Of those he tried he lost 6 points in Heeling, 4½ points in Retrieving and scored nil in Ex. 6, Lying down for five minutes in the absence of guide and owner.

It may be of interest to those who witnessed the class being judged that when the individual score cards were totalled, Judge No. 1 score card placed the dogs in the following order: "Blue Magic," Mathilda," "Hettel," "Rex," "Wolf," "Caesar." Judge No. 2 score showed "Hettel' and "Mathilda" tied for top honors, then "Blue Magic" "Rex," "Wolfe" and "Caesar." When the scores were added together and averaged the above were the official placings.

The average temperament of the six dogs entered was very pleasing. Each personified courage, vigor and skill which is the inherent right of every dog given the proper environment and companionship. Despite the myriad of distractions which the crowd and the constant barking of dogs in the building offered, the dogs performed their tests in a most pleasing manner. Mr. Bond is to be complimented on his courage in entering his dog "Caesar" in the contest with little or no training. "Caesar" with a little time spent on him is capable of doing much better next time.

We wish to thank Mr. McDowell, our efficient steward, for the services he rendered in explaining to the spectators, through a megaphone, the manner of performance expected for each test. His was the most difficult task, for without this necessary explanation many would have wondered what it was all about.

The Canadian National Exhibition are to be commended on their foresight in trying out an attraction of this nature at their Dog Show. It is to be hoped that other Show Giving Associations will follow their example.

TWO PERFECTLY TRAINED GERMAN SHEPHERD DOGS

THE GERMAN SHEPHERD DOG CLUB OF CANADA ANNUAL CHAMPIONSHIP FIELD TRIAL

By A. C. Corry

THE first Championship Field Trial under C.K.C. rules of the German Shepherd Dog Club of Canada was held on September 4th, at Manor Farm, Clarkson, Ont., the Club's Hon. Vice-President, Col. J. N. MacRae, M.C., of Galt, Ont., was the judge. Our old friend "Jimmy" Strachan performed the duties of honorary field steward. T. W.

Lee, Chairman of the Field Trial Committee, acted as field marshal. There were two distinct trials, one for Service Dogs in which the championship was awarded and one for Companion Dogs. In both trials the dogs had to score at least a minimum of 75% of the possible points in order to qualify as Service or Companion Dogs.

On the morning of the trials the weather was unsettled, it having rained hard during the night, but our luck held out until three o'clock in the afternoon when we had real downpour. Fortunately at this time we were back at the house just about finishing lunch and thinking about starting again, so we did not suffer much. "Beta von Prinzenhof" was among the missing at the trials and many enquiries were asked concerning her.

The Companion Trial was the first on the list and got under way at about 11.30 p.m.

Companion Dog Trial

Total entries, 4. Total points, 320.

Minimum points required to qualify for Companion Certificate, 240.

Entries

"Wolfe von Stettin," "Mathilda von Rhein," "Rex von der Koniginstadt" and "Blue Magic of Northmere."

First C.D. with 315 points out of a possible 320 and qualification "Excellent" was "Rex von der Koniginstadt," a dog that was admired very much by the judge for his steady temperament and cheerful demeanor in executing the commands of his guide. "Rex" was faulted in only one exercise; namely, in Ex. 8, giving voice on command, where he dropped 5 points.

Second C.D. with a total of 310 points and qualification "Excellent" was "Wolfe von Stettin," who was faulted by the judge in Ex. 1, "Recovering an object dropped by guide," 5 points for having to be sent back twice before he found the object, and five points in Ex. 13, General Demeanor.

Third C.D., "Very Good," with a total score of 283 points was "Blue Magic of Northmere," who lost full marks in Ex. 1, 2 points in Ex. 5, Retrieving, 2 points in Ex. 7, following loose at heel through groups of people and dogs, 1 point in Ex. 8 and 2 points in Ex. 13, General Demeanor.

Fourth C.D., qualification "Very Good" with a total of 264 points was "Mathilda von Rhein," who lost the following points: 30 points in Ex. 1 for failing to recover the object, 20 points in Ex. 2, "Trailing from Guide's Scent," 2 points in Heeling, 2 points in Ex. 7, 2 points in Ex. 9, "Optional Exercise."

Service Dog Trial

Total entries, 4. Total points, 500. Minimum points required to qualify for Service Certificate, 375.

Z. J. Joyce, and his dog Rex Von der Koniginstadt, accepting the reward designating the winner of the Companion Dog Trial.

Entries

"Ch. Hettle von Bodman," "Wolfe von Stettin," "Mathilda von Rhein," "Rex von der Koniginstadt."

First S.D. with 447 points out of a possible 500 and qualification "Very Good" was "Hettel von Bodman." "Hettel" is unquestionably the best worker; he knows what it is all about, and any faults he made are due as much to a lack of understanding between guide and dog. "Hettel" lost points in only five exercises out of sixteen, two major and three minor.

Second S.D. with a total of 427 points and qualification "Very Good" was "Rex von der Koniginstadt," the winner of the Companion Trial. Ex. 12, "Giving voice continuously on command and stopping on command" was "the nigger in the woodpile" for "Rex." If it hadn't been for a major fault in this test he would have given "Hettel" the run of his life for first place. If Mr. Joyce, his owner and trainer, sticks with "Rex," he should roll up a very interesting score next year.

Third S.D., "Very Good," with a total score of 419 points was "Mathilda von Rhein," a repeat from the Companion Class. "Mathilda" performed much better in this class. Her chief faults were in Ex. 1, where she drew a blank. However, she did very well in all the rest of the tests but had lost too many points to catch up with the fast moving dogs "Hettel" and "Rex."

Fourth (no award) with qualification "Good" and a total score of 323 points was "Wolfe von Stettin." "Wolfe" was short 52 points to qualify him for the Service Certificate. Failure in Ex. 2, "Trailing from stranger's scent" was what put him out of the running. 'Wolfe" would be a nice trailer if he were to keep his nose to the ground. He knows he has a good nose and trails high, hoping perhaps that a more interesting scent will cross his path.

When we take into consideration that all the dogs but one were schooled by amateur fanciers, the results obtained can be looked upon with satisfaction and the field trial group should be proud of its achievement. "Hettel von Bodman" with his win in the Service Trial is now the 1932 Field Trial Champion and "Rex von der Koniginstadt" the 1932 Reserve Field Trial Champion, the first to be awarded in Canada and recognized by the C.K.C. Our best congratulations to the winners.

LOOK OUT FOR THE "TRADE SHIP"

The White Star Liner "Laurentian," which is visiting Canada as a "Trade Ship" for exhibition purposes is due to arrive at Montreal on October 9th. The exhibition of the goods on board will be from October 10th to 14th.

On the "Trade Ship" will be a consignment of Bull Terriers from the famous "Fod" Kennels, Dunfermline, Scotland, and very likely the consignment will be under the personal supervision of the owner, Mrs. D. W. Mitchell. The general public will only be allowed on board in the afternoons on and after Tuesday, October 11th. The whole of Monday, October 10th, being reserved exclusively for "Canadian buyers and firms interested in the exhibits."

Persons interested in having Bull Terriers brought over to their exclusive specification as to age, sex, price and etc., should lose no time in stating their requirements to Mrs. Mitchell beforehand. Such an arrangement would prevent possible disappointment, as the limited number available in the exhibit might easily be sold before the general public had any chance to see them. Those wishing to have a dog brought over for them, can arrange for shipment from Montreal to their kennels in Canada.

Buy Your Bull Terrier From The "Trade Ship" "Laurentian"

If booked beforehand, I can supply:
Bull Terrier Puppies from £15.
Puppies over 6 months from £20.
Male—one year, very smart, £25.
Bitch—ten months, small mark on one eye. A shower, £25.
The famous **Fod Punch**, winner of two Challenge Certificates, and sire of winners. Offers will be considered.

Particulars
of others will be supplied according to purchaser's requirements.

HAMILTON KENNEL CLUB SHOW

A one-day show housed in a building that did not lend itself to speed made things rather trying for President Walter Foster and a lot of willing workers who seemed to have only one object in view—to put over a good show for Hamilton. With about half as much additional building space to allow for more ring room, and room for a freer movement of exhibitors and the general public, the comfort of the show would have been assured. As it was, it was the best available so that's that.

Frank T. Eskrigge came up from Boston to fill the all breed judge role, but had the assistance of Mrs. M. Stevens, Toronto, who judged the Boston Terriers. Mrs. M. Walker, Toronto, who judged all Toys, and of Guy Cowper of Champion "Gay Lally" fame, who judged Wire and Smooth Fox Terriers. Here the best dog in show all breeds at the Canadian National Exhibition had to be content with a second placing in his breed classes, but it was something of a coincidence perhaps, when a Smooth Fox Terrier was again the judges' choice for Best Dog in Show All Breeds. To have a Smooth Fox Terrier placed on the very top of the award column at two consecutive shows, and to hear of one of England's best Smooth Fox Terriers coming to Canada, all in the one week, seems to herald the near approach of popularity for the Smooth, a breed that must necessarily appear in the ring at his face value, no advantages, which are so peculiar to many breeds, are at the disposal of the Smooth Fox Terrier, and the Hamilton winner was a much better specimen than the C.N.E. winner.

BOSTON TERRIERS AT HAMILTON

By Judge Mrs. M. Stevens, Toronto

The entry of twenty Boston Terriers at Hamilton was very gratifying to me and I wish to thank the fanciers for their kindness and support. I found my best classes in the females of which six were of exceptionally good quality. The uniformity of type was very apparent. I found my winners females and best of breed in E. A. Runions "Ruinart's Demure Jane," who moved beautifully. Reserve females, W. A. Girouard's "June Rose II," she is also a good bitch, but on the day I liked "Ruinart's Demure Jane" better. In the puppy dogs, Mrs. A. Allen's "Allen's High Hat, Jr." impressed me very much, a flashy little dog who is destined to follow in his sire's footsteps, he needs to tighten up in order to top the other classes. I placed him over Mr. Runion's "Queen Street Beauty" as the best puppy. My winners dogs was Mrs. E. Horning's "Horning's Honey Boy," a strongly built dog looking at his best; "Jubilee Chummy Boy" was placed reserve, as he did not show as well as he might have done. On another day the decision might easily be reversed, but all the dogs showed signs of being tired out as might well be expected after the three day show at the Exhibition. I found my best dogs and females in the middle weight classes and from them selected my winners and reserve. The light weights certainly made very keen competition, "Hagerty's Naughty Girl" gaining first place, but I found that many of the Bostons simply would not show, and one expects good ring manners to count when the competition is so keen.

TOYS AT HAMILTON

By Judge Mrs. M. Walker, Toronto

Pekingese—My best dog and best of breed went to Mrs. H. Stroh, St. Jacobs, with "Shensi Ming Toy." I liked this dog very much, a real good allround specimen, not too big, lots of coat, and good head qualities. Good carriage and typical. Winners female, Mrs. Warrington's "Nancy Coo," a very good female with lovely skull and eyes, would like a more level mouth for her.

Pomeranians—Winners dog and best of breed went to Mrs. J. W. Bruce with "Melbourne Supreme," a lovely little fellow, real pom coat and plenty of it, his type and style was that of a real Pom., although just a trifle nervous. I liked him very much indeed. My winners female went to Mrs. S. McConachy's "Fairbank Red Blossom," a grand orange shaded female, can show with any of them, not a bit nervous. She is very typey, has a good coat and is stylish all through.

Black and Tan Terriers—Winners and best of breed to A. A. Hall, "Delta Spider," a real good terrier. Sorry there was not more competition here as he is good enough for any company, and I heard that he got his points at Hamilton and is now a champion.

Yorkshire Terriers—Winners female and best of breed to H. Smith's "Haslingden Rags," a lovely little Yorkshire, good coat for color and texture, very alert and a good mover. Ideal for size, and a typical Yorkshire.

Dogs benched, 205.

Championship points, 2.

Central Canada Exhibition Show

The manager of the Central Canada Exhibition advertised that no late entries would be taken for the above fixture, and apparently he meant exactly what he said, as about 50 entries which arrived the morning after the advertised closing date were promptly returned much to the dismay of the last minute entry makers who considered the action both arbitrary and drastic. Of course, no one can complain unnecessarily as the intention to close at a stated time was clearly stated in the premium list, and if other clubs would follow this lead it would go far towards the elimination of the aggravating "additional entries" with which we are all so familiar at the present time.

Two hundred odd dogs faced Judge George Kynoch, of Winnipeg, and from reports to hand this popular Westerner gave an excellent account of himself in the ring.

Dr. W. G. Ballard came all the way from Vancouver to supervise the feeding of the show, his display booth was well patronized, and he made many new friends for his several lines of dog foods.

An entry of seven Old English Sheepdogs, most of which came from the Kennels of Mrs. H. L. Roesler, Great Barrington, Mass., and the entry was a feature of the show.

The Bulldog entry suffered terribly owing to the extremely hot weather prevailing on the second and third days of the show, but because of the freedom allowed to the Bulldog exhibitors, and to a plentiful ice supply there were no fatalities reported.

JUDGE'S COMMENT (OTTAWA)

By Judge George Kynoch, Winnipeg, Man.

A fine assembly of really good dogs came before me at Central Canada Exhibition, which caused me to feel, that all the best dogs in Canada were not to be found west of the Manitoba boundary, although we have a goodly share of choice specimens in Western Canada. I tip my hat to Ted Gunderson, what a show manager this chap is capable of being any day.

Sporting. Here was the richly furnished Irish Setter, "Ch. King Morello Oge 2nd," a chip of the old block, "Ch. King Morello Oge." I faulted him in head properties, nevertheless he could not be denied his place at the top of this group.

Working. To top this section I found the Doberman Pincher, "Ch. Navigator of Pontchartrain" outstanding, and as this group left the ring I felt that he was not finished just then as far as this show was concerned.

Terriers. "Ch. Vivadora Orphan Annie," a Wire-haired Fox Terrier bitch, was chosen as best here in competition which made her win worthy of the splendid competition which she met on the day. This one is very hard to fault, unless Terrier fire and go was insisted upon, grand head and expression, good wire coat, short back, and the very best of legs and feet.

Toys. What a magnificent Japanese Spaniel was "Chiya," looked as if a master painter had given him the most evenly marked jacket that I have ever seen on a Jap. In fact, "Chiya" is the best Japanese Spaniel I have ever seen and the owner should certainly take this choice morsel of dog flesh to New York Show next year. I liked the Peke, "Sutherland Av Hanshih" tremendously in spite of a rather faulty mouth condition, and this dog had to be good to beat the Jap at that. The Peke is just so good in so many ways that I had to put him on top.

Non-Sporting. Was made for the Boston Terrier, Int. "Ch. Highball Miss Canada." This bitch has her faults, and no doubt her owner knows where they are and yet she is undoubtedly one of the best Boston Terriers in Canada today, and as her international title denotes, she has been found worthy many a time before she came before me at Ottawa. She is a wonderful shower who knows how to "plead her own case" before any judge.

Best in Show could not be denied the Doberman Pincher, "Ch. Navigator of Pontchartrain," a beautifully moulded dog that showed off his virtues like a million dollars, a genuine winner this and no mistake.

Best Canadian-bred was a new one to me. He was the Wire Fox Terrier, "Extremist," a Wire that any owner might be proud to have in any kennel.

Following are the awards:—

Dogs benched, 219.

Championship points, 2.

Following are the awards:—

Best in Show, Doberman Pinscher, Ch. Navigator of Pontchartrain, George A. Taylor.

JUDGE'S COMMENT (LONDON)

By Judge George Kynoch, Winnipeg, Manitoba

I was pleased to meet old John Tomlinson of Woodstock again, and such chaps as Charlie Webber, Vint Perry and etc. I was glad to notice the handlers all busy getting their charges ready for the ring. Space in **Kennel and Bench** for October being at a premium this month, I will content myself with referring to the higher lights remaining to contest the higher places of the show.

Sporting furnished the English Setter, Tuela II Jagersbo," a lemon belton of beautiful type and quality, and one of the best in America today.

Non-Sporting gave me C. S. Webber's Bulldog, "Ch. Glenardon Regal Presence." I cannot understand why this dog has not been sent to the larger shows on both sides of the line, as there can be no competition too hot for this dog's quality, he can match strides with the very best of them. Take him to New York, Mr. Webber, that is where he belongs.

Terriers, "Walnut Rogue," an easy winner here.

Working. "Arry of Dellpark" was best. Here is a German Shepherd that is very typical, a wonderful mover with a gait that stands by him going and coming.

Toys brought the Pomeranian, "Melbourne Supreme" to the ring and after winning for his group, he came back to the ring to do battle with the other group winners and being one of the best Poms that I have seen out at the shows in years, I chose him as my best dog in show all breeds. This Pom is a grand shower and carries an abundant coat of lovely color and texture. He is a dog likely to make his presense felt in any competition.

New Brunswick Kennel Club Awards

JUDGE'S COMMENT (ST. JOHN)

By Judge George Kynoch, Winnipeg, Manitoba

My heartfelt thanks to the splendid fellows of St. John, who vied with each other in their efforts to make my visit to their city a pleasant one. To C. C. Sullivan, to the "Laskeys," Robert and William, particular thanks. The trip to Fredericton by the river road, and back over the hills will always be a memorable experience with me.

The one and only John Scott had the show waiting my pleasure and surely he is a past master at this kind of work. I would have liked to mention many dogs I noticed during the show, but the Editor has advised me that if I say too much he will bring the "blue pencil" into action as October issue is likely to be rather bulky taking care of so many show reports, list of members, etc.

Sporting. The Irish Setter (no name in catalogue) was best. I believe it was a "Wizbang" dog, a real typy bitch that could have been better furnished on the day, but a good one and may have been "Wizbang Champagne."

Terriers. I found the Wire Fox Terrier, "Humbervale Cracker" best. He is a grand little Terrier, carries a splendid jacket on an ideal body for size and was shown to perfection by his owner.

Non-Sporting. Best was the Boston Terrier, "My Little Nominee." This one went to the top with plenty to spare, in fact, the youngster is one that I would like to own.

Working. This group brought in a typical German Shepherd in "Coltness Shepherd," she is a bitch that will do the breed a world of good if mated to proper bloodlines.

Toys. This group failed to furnish anything alarming, the choice fell on a Toy Spaniel, named "Amos' Bundy," owned, I believe, by Mrs. P. A. Margeston from the slopes of the Atlantic.

My Best in Show was the Wire Fox Terrier, "Humbervale Cracker," owned by W. G. Smith of Halifax. This dog was also the recipient of the Canadian Kennel Club Trophy for Best Canadian-bred in Show.

Following are the awards:—

Dogs benched, 154.

Championship points, 2.

Following are the awards:—

Best in Show, Wire Fox Terrier, Humbervale Cracker, W. G. Smith.

Best Canadian-bred, Wire Fox Terrier, Humbervale Cracker, W. G. Smith.

Best in Sporting Group, Irish Setter, Wizbang Champagne, Wizbang Kennels.

Best in Working Group, Shepherd Dog, Coltness Shepherdess, W. H. Murray.

Best in Terrier Group, Wire Fox Terrier, Humbervale Cracker, W. G. Smith.

Best in Non-Sporting Group, Boston Terrier, My Little Nominee, Mrs. B. M. Frost.

Best in Toy Group, English Toy Spaniel, Amo's Bundy, Mrs. P. A. Margeson.

British Columbia News

By Provincial Contributing Editor,
R. H. F. PURDON, Vancouver, B.C.

THE Vancouver Exhibition Association show was held on Sept. 2nd and 3rd, judged by A. P. Semple, of Regina, who took great care in his awards and gave satisfaction. The show was well patronized by the large crowd attending the exhibition, the new quarters are excellent for a dog show, there is ample room for the visitors and a spacious ring for the judging. Exhibitors, I feel sure, appreciated the liberal supply of chairs which add greatly to the comfort of a show.

The feeding of the dogs was in the hands of Dr. Ballard, who as usual, provided a royal doggy banquet, his biscuits and hamburger were supplied lavishly.

To Oswald Balshaw, show secretary, Mrs. Dunn, assistant secretary, and Albert Kerr, superintendent, much of the success of the show was due.

One hundred and sixty-nine dogs were entered and they represented thirty-three breeds made up as follows: Shepherds, 22; Wire Fox Terriers, 20; Cockers, 16; Cairns, 15; Pekingese, 12; Sealyhams, 8; English Setters, 8; Irish Setters, 6; Airedales, 6; Scottish Terriers, 5; Springers, 5; Bulldogs, 4; Whippets, 4; Dobermans, 3; Shetland Sheepdogs, 3; Golden Retrievers, 3; Pomeranians, 3; Smooth Fox Terriers, 3; Chesapeakes, 2; Pointers, 2; Rough Collies, 2; Kerry Blues, 2; Pit Bulls, 2; Chows, 2; Bostons, 2; Pugs, 2; Chihuahuas, 1; Yorkshires, 1; Bull Terriers, 1; Irish Terriers, 1; Schnauzers, 1; Welsh Terriers, 1; Labradors, 1.

The above thirty-three breeds can be considered a fair proportion for a show in the province of the eighty-eight varieties recognized by the Canadian Kennel Club, and to which an all breed judge must have a license to warrant his knowledge of these breeds, and others that are from time to time added to the list.

I have not yet heard the number of points granted the show, but it does not seem reasonable that the breeds with singleton entries should be able to gain the same championship points as those with the larger entries, our present system is crying out for a change, why not let us have a system where competition will at least count.

In the September issue of **Kennel and Bench** appears a carefully thought out article on this subject by J. W. Bruce under the title of "Championship Ratings," and it is apparent he has given the matter much consideration, but I should have liked to see him go much further than he does and make his scale of points apply for each sex of the breed, and no singleton entries being awarded points unless winning their group class, then give them the maximum number of points of the nearest dog that they defeated in that group. Our aim should not be, how easily a champion can be made, but rather how to make a really worthy Canadian champion, and one that has at least had to win his spurs in the stiffest competition possible before receiving the accolade, with no loop-holes that allow entries of "not for competition" or "specials only" contributing to the points.

We take pleasure in congratulating Miss M. Robertson, of Victoria, on winning the award for best in show at the Vancouver Exhibition with her Sealyham bitch, the imported "Brampton Buttercup."

A pleasing feature of the show was the representative entry of Cairns, it goes to show what can be done when good fanciers get together determined to bring their breed into prominence, this has been made possible by the consistent efforts of J. A. H. Irving, Mrs. S. C. Sweeny and Miss F. E. Garnett, the latter we regret to hear is leaving these parts to reside in England. Since coming to this province, Miss Garnett has been a liberal supporter of our shows, and with her imported Cairns has done much for the breed, our best wishes go with her to England. Her good imported "Ch. Sammy of Bourton," a winner of two firsts at Cruft's, has been purchased by Mrs. S. C. Sweeny, of Vancouver, and will no doubt prove a very valuable addition to this already strong kennel. Mrs. Sweeny must be delighted with her win of "best of breed" made by the imported "Carmen of Mercia" in the best and largest entry yet seen on the Coast.

Cairns have arrived and there is an increasing demand for the stock. Mrs. Sweeny's Kennel now contains six bitches and the two stud dogs, two puppies are waiting to be shipped to Seattle and one to Portland, there is a very promising pup in the kennels bred in California by Mr. Frank Simmons by his good dog "Ch. Andy McGumpus," he will be shown next spring.

Dr. John D. Calvert, of Armstrong, who has been a subscriber to this paper since 1925, keeps the Springer interest going in his parts, and in the Okanagan district, where there is probably as fine pheasant and upland bird shooting as can be found anywhere in Canada, finds the Springer particularly suitable for this kind of work. Our sporting medico has been breeding Springers for some time, with an eye chiefly for work, but has a young dog which he plans to exhibit at the shows next spring, he is by "Lille Donson" (Imp.) ex "Rough of Blair," a field trial bitch imported last year by Mr. Chevrier, and as he numbers amongst his grand parents such names as "Ch. Lille Ladybird" and F. T. "Ch. Brucefield Sniper," naturally great things are expected of him. We are glad to include Dr. Calvert's advertisement in our columns this month, where he is offering some Springers for sale of the choicest bloodlines.

In Dr. Calvert's letter to me, he says: "I have never broken into print before." Well, we are glad he has at last made a start, and now that he has, trust he will keep it up. There is a fertile field in the interior of our province for the dog game and it has often occurred to me that there should be a good opening for a show in connection with some of the Fairs they hold so successfully.

My first outing for four months was to be taken to the Vancouver show to see the Wire Fox Terriers judged, and then home again—after the paucity of Wire entries at the spring show it was heartening to see them take second place in number of entrants, all the same, with many Wires being bred, the entry can easily be trebled.

The annual winter show of the B.C. Fox Terrier Association will be held on Nov. 12th, anyone desiring Premium Lists or any information regarding this show should apply to the secretary, Mrs. C. E. Hatley, 5654 Sherbrooke, Vancouver. The appointed judge is Wm. J. Moffett, of Burnaby, and no better selection could have been made. Mr. Moffett knows every angle of the game, breeding, selection, preparation, handling and judging. He began with dogs in the Old Country and for about twenty years has had experience in the States, coming to this province some years ago. While in the States he handled many Wire and Smooth winners, mostly in California, but even as far off as the great New York show. He is a careful and painstaking judge, who gives the exhibits a chance to make the most of themselves, none will be overlooked. The Association are most fortunate in their choice of Mr. Moffett as far as his qualifications to judge, wherever he is known, his integrity and honour are unquestioned.

This Association put on one of the best all breed shows possible, numerous specials and the club's wonderful array of cups will be up for competition. It is to be hoped that all exhibitors will make that extra entry that ensures a show's success.

George Pearson, of Vancouver, will

judge all breeds at Vancouver, Wash., on October 1st, 2nd. Mr. Pearson tells me that he is importing an English Bull bitch by Int. "Ch. Bachelor's Birthday," and that a Wire Fox Terrier bitch will shortly be coming out to him, bred to a prominent English champion, so evidently he intends to again take an active part in the fascinating game of dog breeding and exhibiting.

Since the above notes were written, I have had a letter from Miss Garnett, advising me that she may be going to England in October and that the Garforth-Ramsdell Kennel partnership has had to be dissolved at any rate for the time being. Mrs. Arnold will still carry on with the Scotties and Dandies, and is also keeping a promising Cairn puppy bitch "Ramsdell Tansy" by "Silver Tassie of Bourton" ex "Ramsdell Sonia." "Ramsdell Fioma" has gone to Mrs. Irving of the Bonshaw Kennels.

"Ramsdell Jester," "Ramsdell Tam" and "Ramsdell Dick" have also gone to new homes. Miss Garnett is hoping to dispose of the remainder of the kennel before leaving. This kennel has been built up from imported stock only, with careful thought given to line breeding. Miss Garnett finds it a terrible wrench to disband her dogs but says, as the old saying goes, "what mun be mun be," and also that she hopes to come back with something to really "startel the natives."

Please send in your notes as early as possible in the month.

NEW KENNEL IN ENGLAND

Mr. and Mrs. George Eastham have arrived in England safely, and have located at Pendledene, 17 Harwood New Road, Great Harwood, Lancashire, in a home that is entirely to their liking. Quite naturally one of the first visits paid to friends in England by the Eastham's was to Sam Bamford. They found Sam very happy and comfortable with a few really high-class dogs of different breeds around as usual. One in particular is a fine "Scottie" that Sam is campaigning the shows with, and taking a large share of the best prizes with him.

Mr. Eastham has purchased an Airedale bitch whose pedigree boasts "Int. Ch. Flornell Mixer," "Int. Ch. Warland Ditto" bloods and she will be bred in due course to the best available stud force in England. A good "Scottie" bitch will be the next purchase, and for the present all purchases will be typical well bred stock of the gentler sex. Mrs. Eastham is spending part of her time looking for something suitable in Pekes for her own share in the new kennels affairs. Friends in Canada who feel that Mr. and Mrs. Eastham might be able to look over something good on their behalf, are assured of getting every consideration because of the old friendships now separated by the Atlantic.

TELEGRAPHIC VETERINARY SERVICE

Shortly after the judging started on Labour Day, at the Canadian National Exhibition, the Canadian Pacific Telegraphs handed a telegram to the Editor of **Kennel and Bench.** The telegram was from a B. M. Adams, New York, and advised that his dog had been badly bitten in a scrap in the baggage car on train 26 en route from Parry Sound. The telegram was sent from Bala in the Muskoka district.

Dr. J. A. Campbell, veterinary for the dog show at the Exhibition was consulted, and arrangements made to meet the situation promptly, and the result was, that Dr. Banks met the train, gave the dog all necessary attention and treatment, collected his modest fee of $3.00, and thus brought comfort to the dog, and contentment to the owner in a rather unique way.

Commenting on the foregoing, Dr. J. A. Campbell told the writer, that the telegraph, telephone, and particularly the long distance telephone, plus the automobile was a combination that had practically revolutionized the modern veterinanian's business, and the problems of emergency being taken care of by night and day service, the worries of sickness or accident in a kennel had been reduced to a minimum.

THE INDIAN'S DOG

A Chippewa Indian up London, Ontario way had a dog that would rather kill chickens than play with any ball, ran foul of the law the other day, and the poor Indian was summoned to court to answer for his dog's weakness for feather. To get to court, the Indian had to travel 26 miles from the Reserve, but that was nothing to him in any matter which concerned his dog, so scraping his scanty cash together, and setting out for the courthouse at 4 a.m., he was in time to meet the demands of the summons, and to tell the court of many good qualities possessed by his canine friend. So much did the Indian put into his plea, that the court gave the dog another chance, and the happy owner set out with a smiling face to retrace his steps over the 26 long miles back home.

And then some one will still doubt the honesty and strength of the ties that bind a man and his dog so strongly together. Surely some dog lover should have arranged for the Indian's return to the Reserve in comfort.

CHAMPION WATCH THIS ONE

When Jim Hendrick, of Sandwich, Ont., was advised that his Beagle "Watch This One" had completed his bench championship at the Canadian National Exhibition, it is reported that he drank to a toast, which called for the day when no sporting dog could possibly be recognized as a champion until it had proven its ability on the Field as a worker on fur or feather.

All in favor say "Aye."

Those otherwise minded say "No."

Count the votes.

VANCOUVER KENNEL CLUB SHOW

Judges' Remarks by A. P. Semple, Regina.

A VACATION, a Dog Show and a wonderful trip through the Rocky Mountains, what a marvellous combination.

It may have been your privilege and pleasure to visit the Pacific Coast making the journey by train and the rapture you experienced was justified but if you wish a real life-long thrill make this wonderful trip by automobile.

To me, being raised among the hills of Scotland, the Rocky Mountains appeared colossal and the thrilling experience of climbing up and around those narrow ledges where there is not sufficient room for cars to pass one another except at specially prepared places is something to remember for years to come.

Then there is that feeling of emptiness when, after a long climb you suddenly come to what seems the end of everything and you look down at what appears to be miles below you.

When you do, and really you must make this trip, take along with you your favourite dog, just to sound the alarm. Mrs. Semple and I had for our companion, Champion "Which One of the North," also her boy friend, Master David Greig.

After a most delightful trip through several ranges of mountains, orchards, deserts, dry falls, wet-falls, thrills aplenty that would take too much space to describe, anyway, I have no intention of spoiling your trip. Go yourself and you'll never regret it.

The drive up the Pacific Highway is one of the world's wonders. The roads are a motorists' paradise, but you don't want to speed, there is so much to see after our prairie, the flowers, the green grass, the trees, in fact everything is a sight to remember.

We arrived in Vancouver three days before the show and decided to visit Victoria on the island, being advised by the C.P.R., that the most wonderful drive in the world is from Nanaimo over the Malahat Mountain to Victoria and that the boat left in two hours. Tickets were purchased and we had some good eats (you can leave your appetite at home, you get a brand new one on the Pacific Coast). I then phoned Mr. O. Balshaw, the Secretary-Treasurer of Vancouver Kennel Club and advised him of my arrival; also of our intention to visit the Island before the show and received advice on a round trip coming back by another boat from Sydney to Stephenson. I pass on this advice to you, don't miss this trip, it is most enjoyable.

The sail over to Nanaimo was fine but the trip next morning over the Malahat was all and more than was promised us and it is useless to try to describe it without detracting from its beauty.

Arrived at Victoria, we called and paid our respect to old friends, Mr. and Mrs. Alex. McCloy. Mr. McCloy is co-director with Mr. Wm. Pym for the Island and Mainland of the Canadian Kennel Club. Mr. and Mrs. McCloy took us out for an evening cruise in their car, giving us an opportunity to see that world famous sight, the Butchard Sunken Gardens. This also is beyond my poor description. You see Japanese, Italian, and other National gardens. What a sight: What a blaze of color:—and to end a perfect day, one of Mrs. McCloy's wonderful meals.

Next day was a salmon fishing excursion. Trout fishing is the real fisherman's idea of a perfect pastime, but to a person who has never raised anything bigger (in reality) than three or four pounds to find that he has one twenty pounds is the thrill of a lifetime.

This was a wonderful day, deep sea fishing with mountains on either side. We caught four and like all fish stories two more got away, however, one was more than enough to feed the party.

Thursday morning we had a very fine sight-seeing in Victoria and in the afternoon we motored to Sydney where we caught the boat which took us back to the Mainland at Stephenson from which town the Salmon Fishing Fleets go out.

It is quite a sight to see the fleet go out at night, to put the nets down. It is composed of small boats.

Camps are now equipped so well that it is necessary to carry only bedding, a frying pan, a kettle and a teapot. The cabins are very comfortable and the rental very reasonable. Vancouver is especially well provided with up-to-date camps, with cabins equipped with showers, and everything modern, even to frigidaires.

The Empress of Russia was docked on Friday morning, and you can imagine my surprise when I met an old friend and "brither Scot," Mr. K. McNaughton, who is also the Chief Electrician on the Empress of Russia. He immediately extended an invitation to visit him and he would show us over the ship. Well, all I can say is: "What a ship! What a host! What a dinner! and How he can make a Cocktail." Thanks Mac, I would like a trip on that boat.

Now for the Dog Show and a little work. First of all, a word about the show building and an introduction to the several parties who made such a fine show possible.

The show was housed in a nice, clean, airy building, upstairs, with an approach of some twenty wide outside steps which led to as fine an exhibit of dogs it has been my pleasure to pass judgment on.

Several of the breeds were few in number but all were high in quality.

On reaching the building, the first person I met was Director Wm. Pym, who turned me over to the ever present Vet., who was checking them carefully over. This honorable gentleman is also the president of the Vancouver Kennel Club, Dr. T. R. R. Hoggan, M.R.C.V.S. I was promptly made acquainted with Mr. Oswald Balshaw, the Secretary-Treasurer and with his able assistant, Mrs. E. A. Dunn, who took charge during the opening day. Next I made the acquaintance of Mr. Albert Kerr the Superintendent, and W. A. Coull, Ass't Superintendent; then I met an old friend, Mr. T. P. Murray, Ring Steward and his two assistants, Mrs. S. C. Sweeney and Miss Ena Dodds and I feel compelled to congratulate Superintendent Albert Kerr on his wonderful coterie of co-workers. Each one a cog in a well oiled machine making everything click with a precision that showed experience in "putting it over."

I must also mention the general exhibitors who displayed such fine sportsmanship in their acceptance of my awards. I had always heard that fine sportsmanship was a tradition at the Coast, now I am sure of it.

The feeding of the dogs at this show was well looked after. Dr. Ballard's animal food products being used exclusively, each dog receiving a ration of meat and biscuit and I understand the products are well favoured at the Coast.

I wish to thank all of the Officials and Staff of the Show, also the various fanciers who contributed so much to make our visit to Vancouver so enjoyable.

Once a Week

for your dog's sake—do this.

Every dog has his off-days. Some have more off-days than others. The quickest way to cure a doggy ailment is to give Karswood Dog Powders. But you *can*—and for your dog's sake you *should*—do better than this. Every Sunday morning give your dog a Karswood Dog Powder—regularly, without fail. This is what the World's leading dog breeders are doing to keep their dogs fit and happy all the year round.

Karswood Dog Powders are an entirely new improved dog remedy, containing specific nerve foods and organic salts which are not contained in the dog's ordinary food, but which are necessary to the perfect functioning of his system. Get a packet to-day—and give your dog a powder next Sunday morning. Miss F. Ethel Dixon, owner of the famous Champions *Karzadoc*, *Honeystake*, etc., etc., says: "Karswood Dog Powders are now a regular part of my Kennel equipment."

Here is another enthusiastic testimonial:

"Splendid Tonic and Conditioner."

I sent to you some time ago for some of your well-known Karswood Dog Powders, and found them of great benefit. As I dare say you know, I am an exhibitor at most of the leading shows, and I have to keep the dogs in good show condition, and I find a weekly Karswood a splendid tonic and conditioner. I am enclosing a photo of a few prize-winning Cockers, which speaks for itself.

(Miss) B. A. CLIFT.

The Alberta News

By Provincial Contributing Editor,
J. G. YOUNG, Edmonton, Alberta

IT was indeed a pleasure for a number of the Edmonton fanciers to have the privilege of entertaining Harry Champ of Redcliff, Alberta, when he spent the day in our city on September 4th, 1932, on his way to Jasper, and we are sincerely thankful the station agent at Redcliff misinformed Harry of the train connections available at Edmonton, otherwise we would not have had the pleasure of his company. Harry is a most ardent exponent of the qualities of the Wire-haired Fox Terrier, and the winnings of some of the dogs he has owned and bred, including "Cliff Becky," carry out his statements; but now he owns a Scottie which he acquired from the kennel of the well-known George Lydiatt of Vancouver, I am afraid his first love is going to have to take second place to the "Diehard." While such may be the case with Harry, I don't think his son, who has so successfully handled the Wires at shows on the Western Circuit, will ever change his opinion of them. While in Edmonton, Mr. Champ arranged for the mating of his Scottie bitch to the Normandy Kennels' good black brindle dog, "Normandy Ascot," and if the bitch is anything like what Harry says she is, such a mating should produce some real ones.

At the time of writing the press of this city are busily engaged in endeavoring to disqualify the usefulness and abilities of the German Shepherd dog. This is probably due to the fact that a number of the employees of the leading local newspapers were former members of the staff of the Toronto paper that instigated this propaganda against the breed in their paper a few weeks ago. However, one owner of this much persecuted breed, who is also a trainer, brought his dog to the editorial rooms of the paper that is endeavoring to copy the activities of its Toronto superior, and had his dog gave a most marvellous display of the abilities of the breed, which naturally called for a more favorable story in today's paper. I am sure the large number of owners of German Shepherds will thank Mr. McClure for the creditable display of intelligence exhibited in the editorial rooms of the local newspaper, and wish him continued success in his breeding and training of German Shepherds. Speaking about German Shepherds, it may be of interest to those partial to this breed that on page 49 of the October, 1932, issue of "True Detective Mysteries" there is a story of the successful work accomplished by the breed in its employment with the police in the Canton of Vaud, Switzerland. The dogs used by the police in that Canton are furnished by Mrs. Harrison Eustis' "Fortunate Field Kennels." Mr. Eustis is also the sponsor of the "Seeing Eye" movement throughout Europe and America. The purpose of this organization is to furnish the blind with fully trained dogs to lead them through life without God's gift of sight. To the readers of **"Kennel and Bench"** who are in a position of affluence and looking for a worthy charity to assist, I would like to suggest that the activities of "The Seeing Eye" are deservant of their highest indulgence.

Every so often the press of our country find it necessary to discount the ability and usefulness of any breed they happen to pick on, but if the fancy will persist in the training of their dogs for the avocation for which the breed was intended, and have fully qualified, trained specimens to bring before the press, whose desire seems to be to disqualify our various breeds, it will not be necessary for any breed to fall into disrepute.

Within the next few days J. B. Woodward, Edmonton, expects to receive his Wire-haired Fox Terrier bitch, "Barrack Hill O' Canada," who has been on a visit to Geo. W. Bailey's "Barrack Hill Kennels," Ottawa for a mating to "Thet Timberson." Mr. Woodward also advises of the arrival of a most promising male puppy from Barrack Hill Kennels, sired by "Thet Trojan." When mature this puppy should be a valuable addition to the many good Wires available for breeds in this part of the country. Mr. Woodward was formerly a Cocker fancier, but has disposed of his entire kennel of that breed in order to be able to devote all his time to "Wires," and I feel sure the foundation stock he is collecting should assure some measure of success in his chosen breed.

Mr. Macpherson, Edmonton, reports the whelping of three males and two females from the mating of his Scottie bitch, "Lassie" to Normandy Kennels' "Albourne Adventure" (Imp).

Sandy Robertson, "Merrie Cocker Kennels," Edmonton, advises that he is trying another experiment in breeding, but fortunately Sandy's experiments usually turn out successful. He has mated his red bitch, "Merrie Dot," who is by "Calma's Red Boy" ex "Ch. Alberta Patsy" to his good red dog, "Merrie Duke." "Duke" is a litter brother of that sensational black Cocker, "Ch. Merrie Durbar," both being from the mating of "Ch. Calma's Durbar" to "Ch. Merrie Beauty." It is interesting to note in this experiment that "Ch. Alberta Patsy" is the dam of "Ch. Merrie Beauty," so Cocker breeders here will watch with considerable interest the result of this mating.

Normandy Kennels (Regd.), report the sale of a grayish brindle Scottie, eight months old, to Robert Simpson, Winnipeg, Manitoba. This dog will be registered in the name of "Normandy Erich." A dog of "Erich's" breeding, who is by "Albourne Adventure" (imp.) ex "Ch. Heather Lulu" (imp.), should be of immense value to owners of bitches, sired by "Ch. Normandy Airth," as his bloodlines are most ideal for knicking with that dog's. If Mr. Simpson's remarks as to his satisfaction in his purchase are sincere, we look to do further business with this gentleman, and if we do, we can assure him in any business he transacts with Normandy Kennels he will receive the same courteous treatment and candid statements as to the quality of any dog offered for sale. This kennel also reports the sale of another grayish brindle puppy, two months old, of the same breeding as "Normandy Erich," to Mr. Fraser, Edmonton. While Mr. Fraser professed to know nothing of the distinctive qualities of a Scottie pup, it was very significant that he selected the best offered for his inspection. The youngsters from the mating of "Albourne Adventure" (imp), to "Normandy Cachette," who is by "Heather Jock" (imp), ("Ch. Heather Necessity" ex "Ch. Ornsay Baba"), ex "Ch. Heather Lulu" (imp), are still on hand, and when ready will be offered for sale through the advertising columns of **"Kennel and Bench."** Those who know quality say, "keep 'em all," but unfortunately we have not the accommodation to do that.

Mr. and Mrs. P. M. Render's kennel of "Wymund" Wire-haired Fox Terriers seem to be forging ahead. Finding their quarters in the city of Calgary inadequate to carry on their breeding operations, these sterling fanciers have acquired one and one-half acres of land in Windsor Park, at the corner of the Chinook Trail, and the entrance to the Country Club, where they become the neighbours of that well-known Calgary veterinarian, Dr. W. B. Price. At the present time the Renders have a carpenter busily engaged adding to, and erecting new buildings on their property in order to provide proper facilities for the rearing of litters on hand and those from expectant matrons.

Miss M. E. Brown, Calgary, reports the sale of an exceptionally promising

German Shepherd puppy, "Adonis of Braunberg," who is sired by "Ch. Derich of Cosalto" ex her "Calupso von Braunberg," to a fancier in New York at a very fine figure. The exchange broke right for Miss Brown in this case, as the purchase was made and paid for in U.S. funds.

A. O. Bean, Medicine Hat, Alberta, advises that he has sold his Airedale bitch puppy, "Goldendale Bacchante," who has eight points towards her Canadian Championship, to Fred Hutchings, Barrons, Alberta. He also informs me that while in Eastern Canada, Mrs. Bean purchased a most promising Airedale Stud Dog in "Rockley King," (C.K.C. 79438,), who is sired by the English Champion "Ileene Brigand" ex "Ch. Rockley Reminder." This new aquisition should do much to enhance Mr. Bean's position as one of the premier breeders of the grand old breed in Canada, as he has a number of most promising young bitches who are sired by "Rockley Cragg 15th" out of an Int. "Ch. Warlands Ditto" bitch to carry on his breeding activities. If blood will tell, here's an opportunity for it to paint a regular picture.

I am very sorry that a considerable number of breeders in this Province have failed to take advantage of the valuable publicity offered them gratis through the medium of "Alberta Notes." I am sure that those who have taken the trouble to inform the writer of their breeding activities and sales have had some measure of success in disposing of their surplus stock, and, in order to make the Alberta section of **Kennel and Bench** in the Christmas Number (December issue), I would like to hear from every member of the Canadian Kennel Club in Alberta telling me of their activities in the dog game in 1932.

To those members who have taken advantage of the opportunity presented to them in using these pages to keep the fancy informed of their activities, I would like to remind them that the success of any magazine or newspaper is dependent upon the revenue derived from its advertising columns, and it would indeed be most gratifying to see these members' advertisements in the Christmas Number of our magazine. The terms for various size advertisements can be found on the first page of **"Kennel and Bench,"** and if you will forward your ads, together with the necessary remittance to the writer, I will see that they are included in the Alberta section of our magazine. If you have cuts of your stud dogs or brood bitches, they should be included in your advertisements, as they will greatly enhance the value of same. Any particulars as to the breeding, winnings, etc., should be given the writer so that the quality of advertisers' dogs can be referred to in his columns. Let all we Alberta breeders show our appreciation of the free publicity offered us during the year in the "Alberta Notes" of **"Kennel and Bench"** by using as much advertising space as possible in the Christmas Number of **"Kennel and Bench"** in order to make the pages devoted to our Province at least a repilca of the supplementary section of "Our Dogs" Christmas Number.

Mrs. M. J. Carr, "Farleigh Fox Terrier Kennels," Calgary, reports the sale of eighteen Terriers during the month of July and August, which is quite exceptional as these months are looked upon as being in the category of "slack," with almost everyone away on their holidays. The so-called depression has certainly not affected the Farleigh Fox Terrier market, nor are people buying Terriers to scare it away, as puppies have gone to Mrs. J. H. Hartley, Seattle, Wash., another to J. McKay in San Francisco; a dog and a bitch to Dr. J. M. Harvey, Saskatchewan, one to Mrs. Arthur Grey, Toronto, one to Winnipeg, one to Nordegg, Alberta, two to Victoria, B.C., and the rest locally, and prices were exceedingly good. Mrs. Carr also advises that she is adding an addition to her winter kennels, which, when completed will be able to house fifty Terriers, with exceptionally large covered runs for winter puppies. These kennels have heat, light and water laid on with exceptionally large windows with celoglass facing south to derive the full benefits of the winter sun. The spring crop of puppies have been entirely disposed of, but seven more will be ready for sale shortly, and five bitches have been mated in anticipation of Christmas sales. It is no wonder that the "Farleigh" youngsters are a sound and healthy lot, as they have acess to forty acres of playground.

The matinee show of the Alberta Fox Terrier Association appears to have been a great success, ideal weather prevailing for the occasion. The show was held in the grounds of the President of the Association, the ring being set on the lawn amidst flowers and trees. Thirty-six Terriers were benched, and a crowd of some sixty enthusiasts watched the judging. F. A. Wetherall, a real old-timer in the Fox Terrier fancy was the adjudicator and created a record—in that he satisfied everybody. Not a single grumble was heard, but perhaps the kickers were absent at this show. Best in Show went to the Smooth Fox Terrier, Int. "Ch. Oltee Lempal," bred by Mr. Boultilier, Oltee Kennels, Pennsylvania. Best Smooth Puppy, "Farleigh Westward Ho," bred by Mrs. M. J. Carr. Best Smooth bitch, "Farleigh Fortuna," bred by Mrs. Carr. Best Wire in Show, "King's Jester," bred by Mrs. P. W. Gooderidge. Best Novice Wire in Show, "Just Jannette," bred by Mrs. P. W. Gooderidge. Best Dog owned and bred outside the city of Calgary, "Farleigh Simple Simon," bred by Mrs. M. J. Carr. Best bitch owned and bred outside the city of Calgary, "Rockcroft Chic," bred by W. A. Childs, Saskatoon, Sask. Best Dog owned and bred inside the city of Calgary, "King's Jester," bred by Mrs. P. W. Gooderidge. Best Bitch owned and bred inside the city of Calgary, "Tysbutt Sarah Ann," bred by Mrs. J. Daintry, Calgary. At the conclusion of judging the exhibitors and their friends were entertained by Mr. and Mrs. M. J. Carr.

If you want your advertisement to appear in the Alberta section of **"Kennel and Bench,"** please remember that your copy should be in the writer's possession not later than November 10th, as well as the particulars of the dogs you are advertising. Come on gang, let's show the world that depression has not hit Alberta like it has any other part of the globe, by using the advertising columns of the December, 1932, issue of **"Kennel and Bench."**

At the present time our Province is in the unfortunate position of being without a director to the Canadian Kennel Club. Through business reasons, Arthur Wright, when he returned from his vacation to the Pacific coast, found that he was out of employment, and as he owned property there, thought it would be to his advantage to occupy the same instead of renting it, and I am sure that the members of the Canadian Kennel Club in this Province will join me in wishing Mr. Wright success in his new environment; knowing that Alberta's loss is British Columbia's gain.

Sherbrooke Exhibition Show

The Show at Sherbrooke was again favored with real summer weather, and the heat played havoc with the temperaments of exhibitors and dogs alike. And it was considered quite a relief when the curtain was lowered for another year.

"Bob" Ross was to have judged the Show, but a change in the dates for the Milwaukee fixture upset the plans and at the last moment Willoughby Mitchell was chosen to do the judging, and his choices will be found in the accompanying award lists.

THE GOLDEN RETRIEVER

Ch. Saffron Peter Boy

One of our summer crop of champions is "Saffron Peter Boy," who was bred in England, and imported in dam early in 1930 by E. N. M. Vernon, Kaleden, B.C. The new champion is a son of "Ch. Haulstone Dan," who was a son of "Ch. Balcombe Boy," and his dam is the imported bitch "Dame Daphne."

When battling for his championship crown, "Saffron Peter Boy" was obliged to take part in a dozen engagements. In seven of these, which took place in his adopted province, he received the reserve winners prize, and once the coveted purple, but a couple of trips over the Rocky Mountains was sufficient effort to complete the grade of the championship heights.

FOX TERRIERS AT HAMILTON KENNEL CLUB SHOW

By Judge Guy A. Cowper

It was a great pleasure to me to pay a return visit to judge the Fox Terriers at the ninth annual show promoted by this progressive Club and I wish to thank the exhibitors for their entries.

With the exception of some of the outstanding winners, I did not think the quality was good in either coats, so as space is valuable I will only mention the leading exhibits.

In Smooth dogs, I awarded to "Call Again," first Open, Winners, and Best of Breed Wires or Smooths. This dog is almost impossible to fault; he owns a beautiful chiselled head; small dark eye; small, well placed and well carried ears; cleanest of shoulders; short back; body, bone, legs and feet are all of the very best, truly a compact terrier in every way with a coat the real thing, and shown in the pink of condition.

It was very gratifying to me to see this dog add to his laurels by winning the Terrier group and finally annexing the award of best in show given by that capable judge, Frank E. Eskrigge.

I withheld the award of Reserve Winners on account of insufficient merit.

In Smooth bitches, 1st Open and Winners, was given to an eleven months' bitch "Kenmuir Lucky Selection." This is a charming quality bitch all through, a little light in body properties which maturity will rectify.

Reserve Winners, "Warwell Fascination." This bitch is too full in size for my fancy, somewhat heavy in ears; has a shapely head of distinction; good legs, feet and front, long and slack in back which a low set tail accentuates; fails in quality to the winner. She was well handled by my friend, Arthur Cartledge, who by the way, I believe piloted that wonderful Smooth bitch "Ch. Sampler Maymorn" to win over ten challenge certificates in England, and of which I had the pleasure of awarding the first certificate at her age of eleven months.

In Wire dogs, "Wyrecoat Watalad" took first Open and Winners. This dog should do the breed a deal of good for he possesses all the essentials of a successful stud dog. Owns a long, clean cut head, with plenty of foreface and underjaw; smallest of ears well carried; nice dark eye, good bone, legs and feet, sound quarters, excellent mover and has a coat of the correct texture.

Reserve Winners, "Daviburn Blarney Boy." A nice type of sturdy terrier; still in puppyhood days, will improve with maturity.

In Wire bitches I made "Extremist" first Open and Winners. A bitch somewhat masculine in type but nevertheless possesses outstanding points that will always bring her into the limelight in the best of company.

Reserve Winners, "Westdale Miss Tossup." The best bodied and boned bitch in the classes, has an excellent coat, but fails in head properties to the winner.

Two good wires were paraded that had quite recently been stripped of their coats. To show a dog so treated is a sin against the breed and very uncomplimentary to a judge.

THE PUG—HISTORICAL

There can be no denying that the short-nosed Pug has a very decided fascination for many people today, just as the breed has always held a fascination for many sensible folks for several centuries past.

The breed probably originated in China and spread from there to Japan, and thence to Europe. Pugs became very popular in Holland. Sir Roger Williams in his "Actions of the low Countries (1618) gives the reason for this. After describing conditions and dangers and difficulties, he refers to Julian Romero, who made an attack on the Prince but failed.

"For I heard the Prince say often, that as we thought but for the dog he had beene taken . . . that the place of armies took no alarme until their followes were running in with the enemies in their tailes, whereupon this dogge hearing a great noyse, fell to scratching and crying and withall leapt on the Princes face . . . For troth, ever since, until the Princes dying day, he kept one of that dog's race."

So did many of his friends and followers. The most or all of these little dogs were white little hounds, with crooked noses called Camuses. Howell, in 1660, writes in his "Dictionary" that the word "Pug" means "Safrette, Garce, my pretty Pug, ma belle M'Amie.

Tate, in 1685, in the "Cuckholds-Haven," introduces a Pug when Clogg, handing over a letter to Wynifred, Security's wife, after stating that he has neither the symmetry nor the complexion "to boast a sovereignty over ladies hearts," adds: "Dear, delicate madam, I am your little Paraquit, your Sparrow, your Shock (Maltese dog), your Pugg, your Squirrell."

Gay, 1728, also introduces the Pug in one of his charming verses:

"Poor Pug was caught, to town conveyed,
There sold, how envied was his doom,
Made captive in a lady's room."

Even David Garrick (1740) introduces the Pug dog into "Lelhe Æsop in the Shades," in which Mrs. Tatoo describes what it is to be a fine lady. She explains: When she is her own mistress then comes the pleasure. . . She lies in bed all morning, rattles about all day, and sits up all night . . . tells fibs, makes mischief, buys China, cheats at cards, keeps a Pug-dog, and hates the parsons."

When Mrs. Hestor Piozzi visited Italy in 1786 she wrote: "A very veracious man" informed her "yester morning, that his poor wife was half broken-hearted at hearing such a Countess's dog was run over; 'for,' said he, 'having suckled the pretty creature herself, she loved it like one of her children,' I bid him repeat the circumstance, that no mistake might be made; he did so; but seeing me look shocked, or ashamed, or something he did not like, 'Why, madam,' said the fellow, 'it is a common thing enough for ordinary men's wives to suckle the lap-dogs of ladies of quality'."

In the same work she writes that "A transplanted Hollander, carried thither originally from China, seems to thrive particularly well in this part of the world, the little Pug-dog, or Dutch Mastiff, which our English ladies were once so fond of."

Bewick (1790) says the Pug "in outward appearance is every way formed like the Bulldog, but much smaller, and its tail curled upon its back." It was formerly very common in many parts of England, however, at present, it is rarely to be met with.

Edwards, about the same time, refers to the Pug twice: first on his chapter on Bulldogs, where he suggests that the small "Dutch Mastiff or Pug-dog was much in fashion." The other reference is in the part devoted to the Pomeranian—in which he remarks that the Pomeranian was used in Holland in opposition to the Pug by the partisans of the House of Orange.

Richardson, in 1872, bemoans the extinction of the Pug-dog in England, it being replaced, he tells us, by the Italian Greyhound and King Charles Spaniels."

In 1858 Stonehange gave two pages to the Pug, "This curly (tailed) and pretty little toy dog was out of fashion in England for some years, but has recently come again into such vogue that a good Pug will fetch from twenty to thirty-five guineas."

The British breed, however, was never entirely lost, having been carefully preserved in a few families."

The Dutch have always had a fondness for the Pug-dog, and in Holland the breed is common enough, but the same attention has not been paid to it as in England, and yellow masks, low foreheads, and pointed noses are constantly making their appearance in them, from the impure blood creeping out.

Mr. Morrison, of Walham Green, brought his stock to a high state of perfection. Affectionate and playful they bear house confinement better than very many other breeds and take as much pleasure in running over the carpets as other breeds take in running over the fields. Mr. Morrison's strain was a rich-colored and yellow-fawn, with moderate black, and lineally descended from stock possessed by Queen Charlotte, one of which is seen in the portrait of George III at Hampton Court. Mr. Walsh suggests that the Morrison strain had been obtained through servants which caused this gentleman to prefer to keep the story of how he had obtained his stock a close secret. It is known that the two great strains known as the Willoughby and the Morrison strains had descended from Dutch and Austrian bloods, and later from the royal family.

It may be of some interest to say that the color of the pure Morrison strain is a yellow-fawn, and the color of the Willoughby strain is a cool stone, or light drab, the two strains are much interbred, and now good Pugs of many various shades are to be met with.

In the early days of dog shows at Birmingham, in 1860, the first show in which non-sporting dogs were catered for, was a class for Pugs, but there were no entries. At Leeds, in 1861, a class was made for Pugs, and 1st and 2nd were awarded, but not the third. At Manchester, in 1861, the first prize was awarded to the female "Blondin."

The early fawns of note were Ch. "Confidence," Ch. "Grindley King," Ch. "Stingo Sniffles," Ch. "Earl of Presbury," Ch. "Royal Rip," Ch. "Julius Caesar," and Ch. "Sylvia." In Blacks, Ch. "Duke Beira," Ch. "Chotee," "Jack Valentine (purchased by the Marquis of Anglesey for £250, and Ch. "Bobbie Burns."

Lady Brassey introduced the Black Pug, from China, at Maidstone show, 1886, where Blacks were shown for the first time in England.

So much for the historical end of our little friendly Pug-dog, but it is most refreshing at this date to notice an increased flow of popularity rising for the breed in England, in the United States and in Canada. Here in Montreal we have the joy of seeing some beautiful Pugs at any time, and importations are being made to further the popularity now so much in evidence, and we hope to see large entries appearing at the shows in 1933, because after all is said and done, it is reading about the Pug in the canine press, and looking at the Pug at the dog shows that will surely do the most to speed up popularity for a breed that has enjoyed the confidence of the very best people for hundreds of years.

Even in this very issue we are privileged to introduce a pair of Pugs that are very much alive, and very popular indeed, around Montreal at the present time. Both animals are the property of Mlle. Victoria Bouchard, Montreal. On the left is "Winna Treasure," by "Tally Ho of Broadway" (Imp.) ex

LAMMOND KENNELS — G. KENNETH ALTON

R. R. No. 2, FREEMAN, ONT. **'Phone 16, Ring 2, Burlington**

Notes from Manitoba

By Provincial Contributing Editor, W. B. R. KNOWLES, Winnipeg, Man.

I WAS more than delighted when I read the article "Championship Ratings" by Director J. W. Bruce, in the September issue of **Kennel and Bench**. I say this because I know that other Manitoba readers of **Kennel and Bench** hold the same or similar ideas on this important subject. I maintain that any dog that is awarded championship points, should be good enough to hold his or her own with the best dogs of that particular breed at any dog show. I sometimes think that some judges in their desire to pick out the better dog of the two, or the best dog out of a given number of dogs, lose sight for the time being of the ideal or standard, and award championship points, where a first would be sufficient and sometimes more than sufficient; championship points being withheld.

The Fort Garry Kennel Club held a general meeting of its members on August 26th. Unfortunately I didn't receive word of the meeting until it was too late. The President usually advises me when any meeting is being held, but this time I suppose he just forget. Anyhow I was advised by one of the executive committee that the report on the June doy show was tabled, and I am sure everyone interested will be pleased to know that financially it was a success. I understand, too, a matinee show will be held this autumn, and this will be an opportune time to bring along young dogs and give them some schooling on the judging enclosure. We trust that success will attend the efforts of those who undertake the work.

I understand, too, that some of the members are of the opinion that I do not report Kennel Club Meetings sufficiently. I think it would be impertinence on my part if I was to report to the Editor of **Kennel and Bench**, the Minutes of the Fort Garry or any other Kennel Club, not alone because all the members of the Fort Garry Kennel Club are not also members of the Canadian Kennel Club, but also because the minutes or proceedings of the Fort Garry Kennel Club are its own property. But if the club wishes to have its proceedings published, then it becomes necessary for the club to authorize its secretary to attend to that business.

There are many classical events that interest and appeal to dog fanciers on both sides of the water. The Canadian National and Specialty Shows of Canada, the Westminster, Morris and Essex and Specialty Shows of the United States, the Sieger Shows of Continental Europe and the Championship Shows of England. But the greatest of them all is Crufts. The adjudicators at these shows are chosen because of the vast knowledge of the breeds they judge; and this knowledge is the outcome alone of a natural or inborn ability, brought to maturity by a long experience.

Any entry at these great shows that receives an award is immediately stamped with the "Hall Mark" of quality. And it is no wonder that the owner of such an animal is thrilled with the pride of ownership. Several Manitoba fanciers have, in the past, experienced this particular joy; and I am sure that Manitoba fanciers will be pleased to hear that in addition to owning "Ch. Elnor Mite," the wonderful Pomeranian that was awarded 3rd limit at Crufts. H. Bentley of Winnipeg has recently received the Wire-haired Fox Terrier, "Patria Revival" that was awarded two seconds and a third at Cruft's in 1930 by Judge A. A. W. Simmonds. That this specimen possesses an abundance of quality will be noted, not alone by the awards he has received, but by the names of the judges who awarded the honors. A note of the awards appears below.

Irish Setters—I received a very nice letter from Mrs. Fisher of Stony Mountain which was just too late to appear in September notes, and it contained notes of a wonderful litter of puppies. However, a few days later, Mr. Eamon called me up and asked if I would care to run out to see them. So when the opportunity offered, we, in company with Mr. Corson, went out to Stony Mountain. Mr. Corson, by the way, was a breeder of gun dogs in "Bonnie Scotland" particularly English Setters and Springers. He has a very intimate knowledge of the breeds and his conversation on breeders and dogs that have been in the limelight is very illuminating. He owns too, two English Setter puppies by "Vernon Major" ex "Elgin Lady" which he is already training to the gun. How one wanders off the subject when some thought comes into the mind. We were writing about Mrs. Fisher's Irish Setter puppies. "Assinawa Lady" is five years old, and she has persistently refused to get in whelp until this year, when she whelped twelve puppies to "Assinawa Rory." As this large number was considered to be too heavy a drain on the dam, four were mercifully "put away." The condition of the eight remaining puppies proves the wisdom of the decision. They are a fine, healthy lot of puppies, but then the Sire and Dam are good dogs.

Besides winning championship points at the shows, they are what is of greater importance to the sportsman, gun dogs. Because, whilst Mrs. Fisher is a wonderful hand with puppies, Mr. Fisher is concerned mostly about their sporting qualifications, and he trains the dogs to the gun. And what an opportunity he has in the beautifully wooded country to the north. Mr Fisher has moved to where he has spacious exercise grounds for the dogs, and he has recently put the finishing touches on two large kennels. Mr. Eamon, too, has a very aristocratic looking young female, the only one saved when "Ch. Tipperary Sheelah" died when whelping.

German Shepherd Dogs—Mrs. R. O. Matthews, Fort Garry, Manitoba, whose Ad appears elsewhere in this issue, has a nice litter of puppies by "Ch. Armor von Vogel" ex "Belle von Grafenwerth." These puppies contain in their breeding, through their Sire and Dam, all the qualities so much eulogized by Dr. J. W. Shearer, who judged the German Shepherd Dog Club of Canada Specialty Show. Of "Erich von Grafenwerth," grandsire of the puppies, he says, in August issue of **"Kennel and Bench,"** I would capture in my ideal Shepherd the upstanding masculinity and fire of an "Erich von Grafenwerth." Of "Cito Bergerslust," "Armor's" grandsire on the dam's sire, he says, "I would capture in my ideal Shepherd the almighty stride of that paragon of angulation, "Cito Bergerslust."

I always wondered where "Armor" got his spacious stride from, and therefore thank Dr. Shearer for his article.

Sam Tretiak has a very nice and attractive litter of puppies, in fact, I have not before seen a litter of Shepherds that showed such an attractive expression as these puppies exhibit. They are by A. Woodfield's "Wolf von Ripley" ex "Gipsy von Eldon," an "Erich von Grafenwerth" bred bitch.

Mr. Wilson reports a beautiful litter of puppies by "Wolf von Ripley" ex "Vera von Saalewehr."

English Bulldogs—"Charie" Joplin's "Ch. Semper Fidelis" has been bred to and is now showing heavy in whelp to "Ch. Markus Samson." "Ch. Semper Fidelis" had a good litter by the same Sire early this year, of which litter, two only, remain at the Joplin kennels. One male puppy, "Tug of War" was recently sold to J. H. King of Winnipeg. And now Charlie is in a quandary. He doesn't just know what to do. A very persistent customer has tried time and time again, to induce him to sell "Major," a very attractive short-bodied puppy, and Charlie is wondering whether or not he will get any-

thing just so good in the coming litter.

Boston Terriers—Some people get all the breaks. I mentioned in September notes that there was a nice female puppy in a litter of four by "Ch. Trapystok Personality" ex "Ch. Mac's Queen of Hearts" at the Kerr Kennels. I had the good fortune to see her again a week ago. She is now three months old and possesses all those desirable qualities in a Boston Terrier puppy that raise the hopes of zealous and studious breeders. I miss my guess if she doesn't outclass her illustrious dam.

I omitted to mention last month that J. Droppo of Moose Jaw, Sask., was visiting our city. I spent a very pleasant time with him (which was altogether too short) at the home of Mr. and Mrs. Harry Baker. Without being too inquisitive, I gathered he had seen some of the Boston Terriers of Winnipeg.

Wire-Haired Fox Terriers — I said above, I would give a note on the awards won by H. Bentley's newly-imported Wire-haired Fox Terrier. Here they are:—"Patria Revival" (imp), Sire, "Patria Pacemaker," Dam, "Patria Pandora." His extended pedigree contains such dogs as, "Ch. Fountain Crusader" and others bearing the "Beckside," Barrington" and Of Notts prefix.

Awards — Two seconds, one third, Cruft's, 1930, judge A. A. W. Simmonds.

Best in Show, Kendal, Judge Chris. Houlker.

Mr. Bentley also imported at the same time the female, "Sandhills Delight," whelped April 12th, 1930, Sire, "Stormy Joe," now advertised at stud in "Our Dogs," He by "Ch. Stocksmoor Storm," and He by "Ch. Young Warily," Dam, "Wildeer Distinct," She by "Ch. Wycollar Distinction," He by "Ch. Wycollar Trail." This female will shortly be bred to "Patria Revival," as she appears to be coming in season and there should be some puppies of real quality from the mating. "Patria Revival" is the best bodied dog I have yet seen in the West, and he has a remarkable Wire Coat. The bitch is good too, and has a delightful expression and a remarkably lean, clean cut head.

CH. GREYHOPE GRIT
(Imported)—(C.K.C.S.B. 79930)

Champion Greyhope Grit

represents a choice combination of the world famous Barrack and Romany strains. **He is a real Scottie** in every sense of that term—a dog of the highest quality; strong and vigorous.

Ch. Greyhope Grit is just that kind of Sire that compensates for anything lacking in the matrons that visit him, and breeders are enthusiastic over the stock he produces.

Pomeranians—Mr. Bentley has imported another dog in "Sandhills Rufus." He is the same breeding as "Ch. Gold Puff." Mr. Bentley advises me that Mr. Lowey bred two females, "Hazel" and "Michie," one to "Ch. Elnor Mite," the other to "Sandhills Rufus."

He also advises me that visitors to his kennels this morning were Mrs. Droppo of Moose Jaw, also Drs. Morrow and Kenny. Dr. Morrow says, and we agree with him, that Mr. Bentley is doing more than anyone else to improve the breeds he owns.

The Cromwell Kennels have done well this year, three dogs have been pilotted to their championship by the owner, viz., "Ch. Elnor Mite," and "Ch. Sandhills Cherry," both Pomeranians, and "Ch. Cromwell Peppy Girl," Boston Terrier.

West Highland White Terriers—Mr. Ridge reports a beautiful litter of three male and one female puppies by "Ardsheal Snowman," the dog that deservedly went to Best of Breed at the Fort Garry Show, Ex "Springburn Lass," although but four weeks of age, one puppy has already been sold.

NEW CHAMPIONS

"SURREY GOLDDUST" (87114) Pomeranian, bred by V. H. Harrison, Saskatoon, Sask. Sire, "Ch. Cairndhu Sunbright," Dam, "Orange Girlie." Regina Kennel Club, 1930, 3 points; Saskatoon Kennel Club, 1931, 3 points; Regina Exhibition Dog Show, 1931, 3 points; Regina Canine Society, 1932, 3 points.

CORRECTION

On page 11 of our September issue, bottom of right hand column, we mentioned that Peter Smith's recently imported Whippet ran into 2nd place for the Lord Lonsdale Cup during the 1921 racing season. This should have read "the 1931 racing season," instead, so that Mr. White's dog is not so old as our printer tried to make him out after all. Sorry, Mr. Smith.

Saskatchewan News

By Provincial Contributing Editor, W. W. RIOME, Moose Jaw, Sask.

I wish to thank Hugh Leslie, of Rosetown, for the following Swift Current notes:

To those interested in the rapid advance of the popularity of the Scottish Terrier, a new contender will be in the field at the Spring and Summer shows. We make reference to Mr. MacKay. He is the proud possessor of six healthy, low to the ground Scotties, four females and two males. Every one of these have real headpieces, good eyes, harsh coats, and tails carried correctly all the time. They are by "Normandy Andrew" ex "Maybank Margaret" (Imp.), Harry Amos, also of Swift Current, has a very promising young Springer female. She is out of Hans Rothgardt's "Flossie," who, unfortunately, passed out after whelping. They were sired by the same owners.

Mr. and Mrs. Hans Rothgardt are well pleased with the success of their Saint Bernards that have done so well during the past season.

There is a lot of credit due to Mr. Hanselman, of Saskatoon, and Mr. Rothgardt, for staging a comeback with this "saintly" breed.

Regarding the proposed forthcoming show at Swift Current, it is regretted that owing to the present financial stress, this event will have to be postponed. However, a kennel club is being organized and interest in Doggie matters kept up, with a view to yet holding this feature at a later date.

Hughie Leslie, of Rosetown, is still persevering with the Scotia Collies and besides this old favorite breed he has decided to take up the black, curly-coated Retrievers. Hughie is fully convinced they are the best all-round gun dog living, and towards this end he has obtained from Mr. Noden, at Provost, Alberta, the female that has produced so many curly's now in B.C., and which are so highly rated there for their work in field and water. No doubt Hugh will be trying out this "Dark Lady" during the next few weeks.

We have a new fancier in the person of Mrs. B. Buggey, of Mayfair Apartments, Regina. Mr. Buggey was at Mutual Kennels and made the selection of a male Wire puppy sired by "Mutual Dividend" and out of "Victory Gingersnap"; the little Wire promises to be a real showman.

Another Wire puppy of promise sired by "Mutual Dividend" ex "Medelta Charmaine," owned by Chas. Park, Medicine Hat, was purchased from Mutual Kennels by Mr. F. W. Shepperd, Shaunavon. Mr. Shepherd was very pleased with his puppy and asked that he be named "Mutual Aristocrat." We intended to keep this one, so we now hope he continues to mature into a real one.

In our last issue we were not able to say much about D. C. Macleod's new Irish Terrier, "Newtownards Mickey." Since then this Yorkton enthusiast has given us more detail. "Mickey" is 29 lbs. in weight, good all round, nice red color and wonderful disposition. He won 1st Open and Winners at London, Ontario. His sire is "Ch. Celtic Poteen," dam "Peggy 2nd." The owners of Albany Kennels are handling a puppy of "Mickey's" at Aalantic City; she is expected to do big things, as she is all an Irishman should be, and that's saying a lot.

J. E. Hunter, Calgary, is very enthusiastic over a litter of Wires. These puppies were sired by a Saskatchewan breeder's dog, for Mr. Cross is making his home in Saskatoon and he is the owner of "Vivadora Masterpiece." We hope Mr. Cross and "Masterpiece" decide to make their permanent home there at the Hub City. The dam of these youngsters is "Mutual Confidence," sired by "Antrim Joker," he by "Talavera Joker," brother of "Ch. Talevera Simon."

Through the courtesy and bigheartedness of John Hunter, Mutual Kennels were able to get a lovely female out of this litter, a charming little bitch to be sure. Money won't buy this one, for she is the best we have seen for a long time. She will be registered "Just May." Richard Bailey, of Moose Jaw, has undertaken the task of raising this prospect. "Dick" will give her his personal care and attention.

Must ask our genial Editor to pardon this page being a day late. Your correspondent couldn't resist the call of the 15th Sept. At 3 o'clock a.m. we were all aboard the car and started for the hills. It was a cold morning and at dawn of day the ducks were flying in every direction. We had the Springer along and he worked well, considering it was his first trip since last season when he was just five months old. He picked his birds up well and retrieved in a very creditable manner. We bagged twenty-six ducks and then made a hasty return to the city to start the day's work.

Mrs. Nancy Driver, "Wildlands Kennels," Moose Jaw, has sent her Irish Setter female, "Wildlands Colleen Bawn," to Nipiwan, in the North country, to be thoroughly broken. Wild fowl abound in plenty around the lakes and in the forest of this wonderful North country and in capable hands should return a past master at her profession.

Another young Irish Setter has been sold to Mr. Jack Wall, of Donlands, Sask. This pup is out of "Kate Kearney" and sired by Charlie Hume's "Ch. Hume's Madoc Chief." The Irish Setter bitch, "The Maid of County Down," has also been bred to "Ch. Hume's Madoc Chief."

Ed. Mabson, of Regina, has purchased a Wire bitch puppy, 3 months old, from H. S. Schaeffer, Billings, Montana, U.S.A. This young bitch is by "Comrade Bouncer" ex "Queen of Billimont. Mr. Mabson and family visited Mutual Kennels last week end and brought the little Wire along. She looks good at her age.

R. O. Kennedy, the popular manager of Hotel Saskatchewan, Regina, is an ardent lover of the Wire Fox Terrier. His trim little dog, "Redcliffe Bouje," bred by the well-known breeder, Geo. Lydiatt, Vancouver, is a great pet at the hotel and admired by the many guests. Mr. Kennedy is a valuable asset to the Regina Canine Society, placing at their disposal the club room for their meetings and social evenings and helping along with any activities that present themselves.

"Briarcliffe Showdow Boy," owned by B. J. Clarke, Regina, is another popular Wire. "Showdow Boy" is a son of that old-timer, "Briarcliffe Gunner," who has sired many very useful Wires in Saskatchewan.

Walter Pym's Wire bitch, "Seven Towers Bridesmaid," whelped 3 males and 2 females sired by "Moat Hill Dark Boy." They are a strong, healthy litter, and all doing well.

The Regina Canine Society members have arranged their Winter programme. The first social will be held at the Saskatchewan Hotel. Whist drives are arranged with prizes offered. It is hoped by this means funds will be secured to assist the 1933 show.

Dr. and Mrs. Fairbairn, of Estevan, Sask., were visitors at Mutual Kennels and purchased an Irish Terrier male puppy out of "Ch. Culbahn Molly" (Imp.).

Another Irish Terrier male was sold from the same kennels to Mr. Crawford, Regina, this puppy being out of "Ch. Sporting Sheila."

This Chihuahua is a breed we don't hear much of out west. Mrs. Gwyn Smith, of Moose Jaw, has a very select kennel of this most interesting variety of Toy dog, all imported stock. A young dog sold from this kennel during the summer to Mr. Jensen, Shaunavon, unfortunately got killed and Mr. Jensen quickly sent in a repeat order. Other puppies have rapidly been

secured by interested purchasers as far east as Montreal.

Miss Freda Henderson, M.J.K.C. secretary, reports the sale of a Pekingese. Mrs. Martin Doan is the new owner. Miss Henderson holds several outstanding Pekes, all of which are exceptionally well bred and of show calibre.

"Joe" Gillon is well pleased with the success attained with his Scottie female and has again bred this little winning matron to "Normandy Airth."

Mutual Kennels, Moose Jaw, are pleased to announce the arrival of six Wire puppies, "Ch. Iclas Altheway" is the dam and the sire is "Thet Trio" (Imp.). The puppies are a nice lot.

"Mutual Custom" is the latest matron to take a trip to Vivadora Kennels. "Custom" is a Talavera-bred one, of correct size and quality. She has been bred to Mr. Kennedy's latest importation, "Talavera Tantalus." Those who have seen "Tantalus" consider him to be one of the best shipped into Canada for a long time. So this litter will be looked forward to with expectation.

"Faircliffe Dora," a daughter of "Osmondthorpe Wire Boy," has been bred to "Mutual Dividend." "Dora" is a daughter of "Faircliffe Ruby" and she by "Ch. Olcliffe Captivate." The Smooth, "Ch. Oxford Fairy," has a litter by "Ch. Chosen Don" that are very promising.

Through the medium of **Kennel and Bench** advertisements sales have been quite satisfactory. At the present time we have orders for five Wires and Smooths that will have to wait until puppies are old enough to leave. Two more litters of Wires are expected between the 17th and 21st Sept.; both these matrons have visited "Thet Trio" (Imp.). One is a daughter of "Int. Ch. Beckside Bonus," the other a daughter of "Wireboy Simon."

Long familiar to Saskatoon residents as a faithful old Airedale, that was always to be found near his master, "Prince," Jock Cameron's dog, has gone to the happy hunting grounds of his ancestors.

Seriously injured when hit by a car recently, the aged dog had to be destroyed. The loss is keenly felt by Mr. Cameron, who tells of two occasions when his life was saved by "Prince." On one occasion he was knocked unconscious by a falling tree in the north country, and was saved by the dog, which summoned aid. On another occasion the master fell through the ice and succeeded in drawing himself to safety, from the icy cold water, through the assistance of faithful "Prince."

Please send your news in good time and include an advertisement for **Kennel and Bench** and let the other fellow know where he can get some of the same stock that you write about. Address to 320 Caribou St. W.

"IN THE GRIP OF THE LAW"

THE Federal Act of Parliament, known as "George V., Chap. 121, R.S. 1927,"an Act respecting the incorporation of Live Stock Records Associations, an Act cited as "The Live Stock Pedigree Act" and assented to on April 1st, 1912, having become more and more inadequate to the proper controlling of modern record methods in the world of National Live Stock Records, was replaced by an amended Act—22-23 George, Chap. 49, which was assented to on May 26th, 1932.

So far reaching is the new Live Stock Pedigree Act in all its ramifications, that we have deemed it wise to specifically draw the attention of our people to new provisions which have been fitted into the Act for control and for discipline. Students of **Kennel and Bench** will be familiar with the several instances where individuals ran foul of the "Old Act", and in truth, the punishment seemed sufficiently severe. However, the provisions which functioned for offences and penalties under the old Act, were inadequate. This New Act provides for speeding up the observance of law and order in record business affairs in a manner that makes it compulsory for our members and others, to make themselves familiar with the Act which governs their participation in breeding pure-bred animals in this country.

In any event Section 17, Clause C, of the Act **"Offences** and **Penalties"** provides for the safe guarding of Canadian National Live Stock Records in all conceivable respects.

Quoting from the Act, we show Sections 17 to 22, which Sections deal with well defined "Offences and Penalties."

Offences and Penalties

17. Every person who
    (a) knowingly and with intent to deceive, signs or presents or causes or procures to be signed or presented to the recording officer of an association, or to the person in charge of the Canadian National Live Stock Records, any declaration or any application for registration or any transfer of ownership respecting any animal or bird containing any material false statement or representation; or
    (b) falsely holds out any certificate of registration as applying to an animal or bird other than the one in respect of which it was issued; or
    (c) wilfully commits any act in contravention of the rules promulgated by any association or Canadian National Live Stock Records, is guilty of an offence and liable to a fine not exceeding five hundred dollars and costs and not less than one hundred dollars and costs and in default of payment to imprisonment for any term not exceeding two months.
18. (1) When by the constitution, by-laws or rules of an association incorporated in accordance with this Act, provision has been made for the registration of any class or breed, and export from Canada, or transport from province to province within Canada, or the sale or contract to sell of any animal or bird of such class or breed as pure-bred without furnishing the actual buyer a certificate of pedigree registration issued by such association, is prohibited, every person who
    (a) exports from Canada or transports from one province in Canada to another province in Canada, any animal or bird of such class or breed as pure-bred without furnishing to the actual buyer in connection therewith a certificate of pedigree registration as issued by such association, or
    (b) as owner sells or contracts to sell any animal or bird of such class or breed as pure-bred without furnishing or agreeing as an integral part of the contract of sale to furnish the certificate of pedigree registration together with the duly recorded transfer of ownership thereof to the actual buyer, is guilty of an offence and liable to a fine not exceeding five hundred dollars and costs and not less than one hundred dollars and costs, and in default of payment to imprisonment for any term not exceeding two months.

    (2) Any animal or bird owned in Canada of a class or breed for which no record exists in Canada and duly registered in a foreign book of record recognized as authentic by the Canadian National Live Stock Records Committee, shall for the purposes of this section be deemed to be pure-bred.
19. It is an offence to use without authority the name of Canadian National Live Stock Records, Canadian National Live Stock Record Board, Canadian National Live Stock Record Committee or of any association incorporated under this Act, or any name or colourable imitation of or so nearly resembling any of the said names as to deceive the public.
20. Every offence against this Act or against any order or regulation of the Governor in Council shall, for the purpose of proceedings under this Act or under such order or regulation, be deemed to have been committed, and every cause of complaint thereunder shall be deemed to have arisen, either in the place in which it actually was committed or arose or in any place in which the person charged or complained against happens to be.
21. Every penalty imposed by this Act shall be recoverable with costs before any two justices of the peace, or any magistrate having the powers of two justices of the peace under the provisions of the **Criminal Code** relating to summary convictions.
22. Section eleven hundred and forty-two of the **Criminal Code** shall not apply to any proceedings in respect of any offence under this Act.

It will be noticed that section 17 of the Amended Act very thoroughly covers any offences which may occur. Particularly does Clause "B" of this Section make it a serious offence when a Certificate of Registration for an animal is represented to belong to another animal.

The old bogey of persons or organizations conducting a record for a breed if an association has been incorporated under the Act to register that particular breed, has now been destroyed.

By virtue of section 4, subsection 2, which reads, "Save as provided by this Act when an association for a distinct breed is incorporated under this Act it shall be unlawful for any other person, in respect of such breed, to conduct a book of record or to issue a Certificate of Registration or any document purporting to be a certificate of breeding."

It is equally important that subclauses m, n, o, p of section 5, subsection 5, should be carefully considered. They are (m), the keeping by its members of private breeding records and the manner in which these shall be kept; (n), a practical and effective system of identification; (o), authority to conduct an inspection on behalf of the Minister, of the association, or of the Canadian National Live Stock Record Committee in a manner therein defined by private herd records and of the manner in which the system of identification as required by the Constitution is being practiced; (p), the manner in which unsatisfactory practices in respect to identification shall be dealt with.

It will have been noticed that section 18 is indeed very drastic, but it only comes into operation when its provisions are incorporated in the consti-

tution of organizations. The Canadian Kennel Club comes within its scope however.

Section 22 reads: "Section eleven hundred and forty-two of the Criminal Code shall not apply to any proceedings in respect of any offence under this Act. This simply means that formerly a prosecution could not be laid if it was not done within two years of the offence, but with the removal of Section 1142 of the Criminal Code, there is now no time limit at all.

No one intentionally runs foul of the Criminal Code.

Let no one knowingly infringe the Live Stock Pedigree Act!

PITY THE POLICE DOG!

Perhaps it would be infinitely more appropriate to paraphrase our caption "Pity Those Who Believe That They Know What a Police Dog Is." Anyway, a breed described as "The Alsatian Wolfdog" (hideous name), "Police Dog," "German Police Dog," "Alsatian Police Dog"—always the—**Police Dog**—has featured Toronto newspapers this last month back. Editorials have berated the Police dog. Headliners in color have drawn attention to the "Wolf" streak in the—Police dog. Cartoons have shown the smiling dog known in this country as the German Shepherd Dog, and as a shadow is shown a wolf with dripping fangs and both apparently waiting the approach of innocent, playful children to satisfy their craven tastes. Heyde-Jekyll idea!

"Big Police Dog Attacks Boy at Play" —"Police Dog Attacks His Mistress," and such sensational headlines have compelled reader attention, and have caused many well-balanced dog lovers to ask many serious questions. Well, we may just as well look the matter straight in the eye at once. It is a fact that the Alsatian is a prolific breeder. Dogs of the recognized strains call for high stud fees. There is always a percentage of dogs allowed to live from most litters that should have been destroyed at birth. The same can be said of bitches. These undesirables are sold cheaply, many of them to pet shops. The result is an indiscriminate breeding of animals that are not at all representative of their breed any more than they are suited for breeding purposes, and it is these over-sized, under-sized animals of questionable temperaments and breeding that have given rise to most of the trouble we have already referred to—undesirable at home, unwelcome abroad, the poor things are often half starved, wholly misunderstood creatures of circumstances that are harried from pillar to post—but they are said to be Police dogs, and as such, it is alleged that they are not considered desirable as dogs for such places as the city of Toronto.

Not all Toronto papers have identified themselves by the "scarelines" but sufficient has been accomplished to hurt the breed in a most damaging manner, and we are obliged to wonder whether or not we will ever be able to educate intelligent admirers of the German Shepherd dog that they must become their own missionaries if the breed is ever to reach the heights of popularity that it so richly deserves. The missionary work calls for careful culling of all litters born, so that only the best and most dependable specimens may be allowed to mature. Again, those who really love the breed, must volunteer the practice of having their dogs under restraint when they visit the public places. Muzzling we can never recommend, but the breed can be controlled, and it should be controlled. As a matter of fact, it must be controlled, otherwise our "City Fathers" will feel compelled to take the "controls" into their own hands.

Whether it is because of the foregoing circumstances or not, we are not prepared to say, but it is a matter of known fact that hitherto the German Shepherd dog has been a prime factor at all shows for the last decade or so. Topping the entry at many of the largest shows in Canada, it is also known now that the entry for German Shepherds at the Canadian National Exhibition Dog Show was but a mere skeleton of its former strength.

No breed can afford to lose the favor of the general public, and, least of all, a foreign breed such as our sagacious friend, the German Shepherd Dog, or any dog of the larger breeds that have been given the reputation of being vicious, whether the claim for viciousness has been established or not.

Some foolish person once declared that the Collie was a sneaking, treacherous rascal. This declaration may have been made a long, long time ago, but whereever you take your best-loved Collie, you will always find someone to tab him "dangerous." "Give a dog a bad name—then hang him," but the German Shepherd Dog is far too desirable an animal to have his popularity impaired by antagonism, and when that antagonism is led by an influential newspaper, the whole thing is to be sincerely regretted.

It is hard to suggest the remedy, and yet it seems logical to place the full responsibility to the avarice of a certain type of breeder—the type we have all met, the "your dog and my bitch" clan—and they are numerous, too. Always easily recognized by a yard full of yapping, snapping youngsters that are badly handicapped even before they are born. Surely experienced breeders are called upon to impart their knowledge to all and sundry, now as never before.

ROMANOFF ENTERTAINS DISTINGUISHED VISITOR

Mrs. Nellie L. Martin, of the Zenovia Russian Wolfhound Kennels, Hatfield, Pa., and author of "The Russian Wolfhound" spent part of her vacation visiting the Romanoff Kennels of Mrs. A. Paterson, Brantford, Ont., and she has passed on her impressions of the visit to the American Canine publications.

Mrs. Martin says in part: "It is doubtful if there lives a breeder today who has the Russian Wolfhound so near to her heart as does Janet Paterson, founder and owner of the (Canadian) Romanoff Kennels, she simply lives and dreams of them. In actual figures, I found twenty-one high class dogs—to say nothing of fair ones—in her kennel, which, if exhibited in the States under unbiased judges, would certainly change the order of things here. Moreover, the general public would be convinced that a Russian Wolfhound properly bred and reared is as much of an aristocrat today as in the days of the nobility. The (Canadian) Romanoff dogs are bred for quality, regardless of what this or that judges' preferences are. Janet Paterson cares not a whoop for how much Judge Jones or Judge Smith raves over a miniature, or a Newfoundland skulled type of Borzoi; she knows in her heart they are all wrong, as well as the judge, and proceeds to breed for a magnificent animal, built on long graceful lines and truly worthy of the name aristocrat. One word more about her dogs, and that is disposition—when Janet opens the door, a dozen of these monstrous hounds make a dash for her, seemingly to get the first kind word from their mistress. They are not the quarrelsome, vicious animals that are sometimes seen in this country and called wolfhounds. It is regrettable indeed, that our American shows do not attract more of the Canadian-bred real Russian Wolfhounds."

Well that's just fine, Mrs. Martin, you have not over emphasized your word picture of Romanoff one iota. Mrs. Paterson has invaded the United States shows successfully before, and no doubt she will do so again, and when she does—look out—for she knows how to breed them, and having bred them she knows how to raise them, and having raised them she surely knows how to present them for judgment, and having so many "strings to her bow," she is always prominent in any competition, and she is just that kind of a breeder who will always want to improve on the best that she has produced.

"When do we eat?"

"Some folks don't know how hungry us young dogs get. They give us bread and potatoes and mushy table scraps---that's not the stuff we need to grow on and build bone and muscle. No wonder we get hungry. Give us Ross-Miller Dog Foods and then see us grow!"

Ross-Miller Dog Foods are prepared by experts who know what nature requires. Their recipe includes high grade beef and pork cracklings, bone meal, fish meal, alfalfa meal, milk, cod liver oil and other ingredients in studied proportion.

Ask your grocer to supply Ross-Miller Biscuits for your dogs, regularly. They cost about one cent per meal.

MADE IN CANADA FROM CANADIAN PRODUCTS

Supreme of their kind!

In "doggy" circles, Spratt's Meat-Fibrine Dog Foods are everywhere regarded as representing the highest standard of correct canine diet.

The reason is not far to seek. Veterinary surgeons, breeders, exhibitors, handlers and dog owners generally, have learned from direct experience that Spratt's crisp, meaty biscuits and wholesome, vitamin meals are the purest and most nourishing foods that science, coupled with the makers' unrivalled specialized knowledge of the subject, can provide for the daily diet of dogs, whether of the sporting or non-sporting variety, of large, medium or toy breeds.

In the kennel, on the bench and in the ring itself, the splendid condition and stamina of the "Spratt's-fed" dog invariably "tell" in the "hottest" company. Elsewhere than in show circles, the ordinary pal-dog, reared on a "Spratt's" diet, is everywhere a credit to his owner.
