Meeting of the Board of Directors of the Canadian Kennel Club, Incorporated

THE regular monthly meeting of the Board of Directors of the Canadian Kennel Club, Inc., was held at the Club's Offices, 25 Melinda Street, Toronto, on Thursday evening, July 20th, 1933, at 8 o'clock.

Lt.-Col. G. F. McFarland presided. Directors present were: Col. J. N. MacRae, H. A. Wilson, Brig.-Gen. C. M. Nelles, W. H. Reeves, Wm. Stockdale, Capt. H. Dudley Waters.

The Secretary reported that since the Board had met for May the Club had lost by death H. A. Ross of the Brampton Cocker Kennels, Brampton. That the fancy had lost by death Ben F. Lewis, West Chester, Pa. That Col. J. N. MacRae had been married.

The Minutes of the previous Directors' Meeting were read, and it was regularly moved, seconded and carried:

"That, the Minutes be adopted as read."

The Secretary was instructed to send a message of condolence to Mrs. Ross on behalf of the Board of Directors.

Mr. Reeves reported that the Rules Committee had met during the afternoon, and had made progress in its labors; that an error had been made in rating the shows held outside the Province of Ontario, and that the necessary adjustments would be made.

It was regularly moved, seconded and carried:—

"That, the report be adopted."

A letter from the Live Stock Records Office was read re certain animals involved in the Wizbang Kennels' suspension, and it was regularly moved, seconded and carried:—

"That, where satisfactory identification can be established of animals for which transfer of ownership has to be made, that we concur with the making of such transfers possible."

At this point the President took occasion to present First Vice-President Col. J. N. MacRae with a silver salver and four-piece tea set to mark the occasion of Col. MacRae's marriage which took place on June 24th. The President stated that at times duty and pleasure did coincide, and that this was one occasion when it did. His position as President of the Club was very much of a pleasure when he had Col. MacRae to ably take care of everything when it was impossible for him to be present. He asked Col. MacRae to accept the gift as a token of the great esteem in which he was held by his fellow Directors, as with it went their very best wishes for a long life and great happiness for himself and Mrs. MacRae.

Col. MacRae, in replying, said that he thanked the Directors for such a handsome gift, the mark of their esteem of himself, and for his choice of a wife. I will be glad to take it home to her. I feel thankful that she is not here, else she might do something that you all would like, but which I might not like just as well. However, I take this opportunity to thank all the Directors very, very much indeed for this wonderful expression of your good-will and esteem.

Mr. Stockdale referred to the recent shooting of a dog at Richmond Hill by a County Constable and which had occasioned a feeling of revolt in the community. Col. McFarland said he would look into the matter, but gave it as his opinion that we could not do anything in the matter as a Club, the matter being within the jurisdiction of the Toronto Humane Society.

A letter was read from the Club's Auditors concerning the destruction of the ballots used in connection with the election of Officers for 1933, and it was regularly moved, seconded and carried:—

"That, the Secretary be instructed to secure the ballots and follow the constitutional procedure in connection with same."

A letter was read from Mrs. G. L. Stock, Vancouver, which seemed to qustion the legality of the Records Office refusing to accept items of registration and transfer at non-members' rates from members who had not renewed their membership.

The Secretary read the constitutional agreement embodied in the application for membership form, and it was regularly moved, second and carried:—

"That, we concur with the information sent to Mrs. Stock by the Live Stock Records which was in conformity with our Constitution."

A letter was read from the Live Stock Records Office re the action of Albert Miller, Tavistock, Ont., a member of an affiliated association who had refused to conform to the requirements of the Canadian Kennel Club Constitution. The letter suggested confirming a temporary suspension imposed by the Records Office, and that the complainant be allowed to pay the transfer charges. The Secretary advised that he had concurred in the latter proviso.

It was regularily moved, seconded and carried:—

"That, a letter be sent to the Records Office requesting their reasons for suggesting such procedure in this instance when it had been refused in other cases."

The Secretary submitted a set of proposed forms which had come from the Kennel Club, England, for use in importing dogs from that country. The forms had been found practical in every respect for the purposes of importing. It was regularly moved, seconded and carried:—

"That, the Secretary communicate with the Kennel Club, England, advising that the forms as submitted to the Live Stock Records Office and to the Canadian Kennel Club were satisfactory, and to express the thanks and appreciation of both Offices for the co-operation of the Kennel Club (England) Committee."

A letter was read from the American Kennel Club advising that Dr. E. H. Berendsohn had been granted a temporary judging license for all dogs in the Working and Non-Sporting Group and requesting a similar extension to be granted by the Canadian Kennel Club under the Reciprocity Agreement. It was agreed to conform to the request of the American Kennel Club.

A letter was read from the Deutches Kartell Fur Hundeweson re an agreement between that Recording Association and the Canadian Kennel Club.

The Secretary was instructed to advise the Deutches Kartell that their Association was already recognized by the Canadian Kennel Club as the Recording Club for Germany.

A letter was read from the Federation Cynologique Internationale inviting the Canadian Kennel Club to be represented at a Congress to be held at Monaco during 1934. It was agreed to advise the Societe Canine de Monaco, that, in the event of the Canadian Kennel Club not being represented, it would be greatly appreciated if a report of the proceedings of the Congress was sent to the Canadian Kennel Club.

A letter was read from the Live Stock Records in connection with the Directors' request for a detailed statement showing the number of transactions executed on behalf of the Canadian Kennel Club, and the cost of same, together with a similar statement showing the number of transactions, and the cost thereof to all other affiliated associations.

Mr. Reeves suggested that copies of the letter, together with the accompanying statement be prepared and sent to each of the Ontario Directors.

It was agreed that the Secretary would arrange accordingly.

The President reported progress on the matter of non-member control and others matters referred to him for legal attention.

The matter of recognizing the Stud Books of the Association of Harriers and Beagles, the National Coursing Club, the Irish Coursing Club.

The Secretary was instructed to take these matters up with the Live Stock Records Office, and to continue the search for further information in this field.

A file of correspondence from the Live Stock Records was considered wherein W. H. Foster, Victoria, B.C., alleged that he had purchased an English Bulldog bitch from George Kynoch, Winnipeg, and had not been able to secure the necessary registration showing his ownership. It was regularly moved, seconded and carried:—

"That, Mr. Kynoch be given 30 days in which to furnish the certificate of registration showing Mr. Foster's ownership. Failure to be followed by suspension from the privileges of the Club."

The Secretary submitted correspondence to show that H. Bentley had protested the win made by C. A. Ward's Wire Fox Terrier "Walnut Leader" at the Greater Winnipeg Kennel Club Show, as required by the dog show rules, and that the protest had been sustained by the said Club and that he had been advised that the protest would be appealed. It was regularly moved, seconded and carried:—

"That, in the event of an appeal being received from Mr. Ward, arrangements be made to have the dog brought before the Board of Directors at the next meeting, and that the Club's Honorary Veterinary Surgeon be requested to be in attendance."

MISUNDERSTANDING

Owing to a misunderstanding **Kennel and Bench** reported that Montreal Kennel Association, Inc., had earned a 3 point championship rating for the show held at Montreal on May 20th, 1933, the correct rating being **five points** instead.

We reported that Vancouver Kennel Club had earned a 3 point championship rating for the show held at Vancouver on May 24th, 1933, the correct rating being **4 points** instead.

We reported that Medicine Hat Kennel Club had earned a 2 point championship rating for the show held at Medicine Hat on May 24th, 1933, the correct rating being **3 points** instead.

We reported that Greater Winnipeg Kennel Club had earned a 3 point championship rating for the show held at Winnipeg on May 23rd and 24th, 1933, the correct rating being **5 points** instead.

We sincerely regret this annoying misunderstanding, apologize for it, and express the hope that none of our club executives or exhibitors have been inconvenienced by it.

WESTMINSTER GETS READY

The Westminster Kennel Club, America's oldest show-giving organization, ante-dating even the National Horse Show, has already made many plans for its fifty-eight annual fixture, to be held in Madison Square Garden on February 12, 13 and 14, of 1934. In keeping with its practice of giving fanciers the maximum amount of time to prepare for the biggest kennel event of the year, the club has already prepared its list of judges and announced them yesterday from its offices, 450 Fourth Avenue.

Dr. Henry Jarrett, of Chestnut Hill, Pa., one of the best known and most beloved veterans of the sport, has been selected to make the award of best in the show, most coveted kennel award made during the year. Other judges with their breeds are Anton A. Rost, of Brooklyn, for Afghan Hounds, Chihuahuas, Great Pyrenees, Brussels Griffons, Wire-haired Pointing Griffons, Keeshonden, Otterhounds, Papillons, Pugs, Salukis, Siberian Huskies, Skye and Toy Black and Tan Terriers, Toy Poodles and the Toy group; William A. The show will again be under the direction of the George Foley Organization of Philadelphia, which has been responsible for its successful conduct in recent years. The other details of the show, including the prizes to be offered, will not be announced until nearer the show date but, according to John G. Bates, Chairman of the Bench Show committee of the Westminster Club, will be fully up to the standards of past shows.

The Canadian Fancy

By WALTER H. REEVES, Belleville, Ont.

A CORRESPONDENT from the West writes: "Our club members have read with much interest your references to some of the bulldog matches which were judged by "Points," and as we are thinking of trying out point judging, we would be grateful if you would give some further particulars."

Well, first of all, I am going to discourage my Western friend, and state quite frankly that in my experience it would be quite impossible to judge by points at a show of any size, and also that point judging never did, and never will, in my opinion prove a success. Granted that a scale of points is given for every breed and judges are expected to judge accordingly, but it is generally admitted that although we judge a breed by a standard our final awards are made by comparison. Without comparison awards in the show ring, the placings would be even more difficult to understand than they often are today. We are all apt at times to judge inadvertently by points, especially with local celebrities or in our own kennels. My readers must often have noticed the difference of opinion in the awards of an out of town judge and the local judges in regard to the placings of local dogs. The local judge has seen "Sunset" placed ahead of "Stormcloud" so often that in many instances inadvertently he does not compare the two dogs, and it is not until an out of town judge alters the placings that we find out that "Sunset" has gone off and "Stormcloud" has improved. Many great winners have been sold at nominal prices when puppies, because the breeder compared the litter in their early days and selected his pick and afterwards never troubled to compare the puppies again. I recall a terrier that, on his debut in America, gained reserve for Best Dog in Show at New York Show, which was sold by a famous British breeder far below his actual worth. Often we see a dog distinctly foreign in type that if scored by points would score up well, yet if judged by comparison would be amongst those dismissed from the ring. Type is so hard to define, and it is only by comparison that we find out the dog that has the aggregation of characteristic qualities which placed him ahead of his class or group. The writer has never judged by points, but his mentors in the sport were the great all rounders of thirty years ago, L. P. C. Astley and Geo. Ruper and they always admitted that they were seldom if ever satisfied with their ultimate decision when judging by points and L. P. C. Astley went further and explained that the stumbling block was type. My Western friend can easily try out the method. All he needs to provide the judge with is scales, a measure, and note-book and pencil. In going through my library, I can find only one writer that is favorable to point judging, namely, the late Hugh Dalziel, the author of many books on the dog—probably his best known work being "British Dogs." It would be impossible in the space at my command to give his reasons for favoring this method, but even Hugh Dalziel admits that the present standards and tables of points have been pitch-forked together in higgledy-piggedly manner. He suggests that the "Standards of Points as defined by the clubs should be thoroughly overhauled and rebuilt on a scientific method. The rebuilding should be carried out by a composite committee, consisting of one gentleman who is a master of anatomy and physiology, one or more of the club's own members, and others such as our leading judges who could give valuable assistance and weight to the decisions of such committees." Since this was written the writer is aware that a number of club standards and scale of points have been revised, but today many specialty clubs are using standards that are contradictory and by no means a help either to the novice breeder or judge.

William Graham, of Midland Ave., Toronto, informed me that he has started a small kennel under the name of the Salford Kennels. He has acquired two Cairn Terriers, one from Wm. Routley and one from Mrs. King. Besides Cairns, the kennel is going in for Airedales, and he undoubtedly did right by purchasing one of the Rockley terriers, the latter now being fully occupied rearing a large litter by that great sire, "Rockley Duplicate."

The writer has often through these pages given it as his opinion that Welsh terriers should make more headway than they have in Canada He is therefore pleased to hear that Bryce F. Moffat, of Weston, Ont., has started a kennel. Two years ago he was undecided as to which of the many terriers would "fill the bill," and ultimately he decided that the "Taffy" came nearest to his requirements and he purchased from Mr. Hayes, of Kenmore, N.Y., "Syn Maid," a daughter of the successful winner and sire, "I'm Alone." This spring "Syn Maid" was bred to "Ch. Woulock Roger," the well known winner, owned by Dr. Volgenan, of Buffalo, N.Y. The result of this mating is that there is a very promising litter of puppies, which are evidently giving great satisfaction to their owner and breeder, for he writes:—"I like the breed very much, they are certainly not yappy and do not appear to have that trait of excessive jealously which is so common in many varieties of terriers." The writer hopes that the puppies will fulfil their early promise, and that he will exhibit them at some of the Ontario Shows. At a recent show across the border the writer happened to be speaking to Percy Roberts about Welsh terriers and their well-known handler fully agreed with the writer that the game and companionable terrier from Wales was enjoying quite a boom and that if only his sterling all round qualities were better known, he would give the other varieties more competition than he has in the past. If only a "Taffy" could win the Terirer Group at New York, there would not be enough puppies available to supply the demand. New York sets the fashion in dogs like Paris does for ladies' clothes. This year an Airedale won and the demand for puppies has meant thousands of dollars for Airedale Terrier breeders.

Boston Show usually commands a representative entry from Canada. One of the men amongst the committee who has had so much to do with the success of this show is George S. West, the well-known Airedale and Greyhound breeder. His unfailing courtesy to one and all has made him a general favorite, and he has many warm friends in Canada, who I know will wish to join the writer in offering sincere sympathy on the tragic death of his son, George S. West, Jr.

A very interesting letter has arrived from Fred W. Manning, the well known Pomeranian breeder of London. Although not a very frequent exhibitor my correspondent has been most successful as a breeder, having bred amongst others, "Chiswick Cyril." The son of the family, "Bill," is following in Dad's footsteps and he has induced his father to found a kennel of Wire Fox Terriers—they started about two years ago using the prefix, "Bellrosa." A few Poms will still be kept, but the wires will predominate the kennel. The leading matron of the kennel is "Bellrosa Snowdrift," a daugh-

ter of "Thet Trio." She has, I hear, just returned from a visit to Miss Lena Short's "Loneacre Student Prince," and excellent results should undoubtedly come from this mating. A recent acquisition to the kennel has been acquired from S. M. Stevenson, namely, a son of "Talavera Tantalus," out of a daughter of "Ch. Watteau Review," blood lines, which certainly appeal to the writer, who is firmly convinced that "Talavera Tantalus," the star stud of the Vivadora Kennels, is certain to sire a great winner. He is not only a worthy representative of his popular variety but also a representative of the leading winning and siring strains. "Ch. Beau Brummel of Wildoaks," "Signal Warily," "Ch. Gains Great Surprise," and "Ch. Fountain Crusader," are well-known to breeders on this side, and "Ch. Talavera Simon" has proved a pillar of strength to English breeders. Fred W. Manning continues his "newsy" letter by sending the information that S. M. Stevenson has two really nice youngsters by "Rare Stormer of Earlsmoor," out of a "Thet Trio" bitch, and that Miss Lena Short has some real contestants for future honors by "Ch. Lone Eagle of Earlsmoor," out of a "Lady Twinkle," by "Chappaqua Keepsake"-"Totley Winkle." He concludes with the information that Dr. Towe, of Detroit, has purchased the Pomeranian, "Rosewood Redwing," a four-pound grand daughter of the late English Champion, "Gold Premium."

Mrs. H. M. Fielden takes the writer seriously to task for not having more Chow Chow news in the Canadian Fancy. This well-known breeder writes: "Somehow I feel that you are not interested in the breed even though you judged mine more than once, and helped to make my good female a champion. A year ago last November there were but six Chows at the Winter Fair. Last winter I worked very hard with all owners of Chows and we had fifteen, but Mr. Reeves never mentioned a Chow. Since January, I have had five good litters sired by our "Ch. Muchow of Chia Wan," he is by "Ch. Muchow of Manchoover," and he is by "Ch. Choonan Brilliantine." We purchased him from Mrs. K. E. Spike, of Port Huron, Mich. a year ago and see such an improvement in the puppies sired by him, prior to that just used a Chow in town with a pedigree. A bitch by Mrs. Earnshaw's dog just presented us with some lovely puppies, so with Mrs. Earnshaw's strain on one side and our own we should have some good puppies this autumn." Mrs. Fielden concludes—"I think Chows are such wonderful dogs, it is just a pity so many people class them with the "not trusted breeds"; we haven't a treacherous animal in our kennel."

The writer did not happen to see the Chows judged at the Winter Fair, and it has always been his unbroken rule never to criticize or mention any breed that he did not happen to see in the ring. He has always taken a very keen interest in the breed and was one of the club judges when living in England. Regarding the impression amongst many that the breed is not to be trusted, the breed has had to suffer on account of a strain that were highly nervous and were somewhat difficult to handle in the ring. The writer hopes some day to be able to avail himself of Mrs. Fielden's invitation and visit the kennel.

My remarks in the last issue of **Kennel and Bench** that as far as I knew there were no Canadians taking up Kerry Blue Terriers has brought forth the following interesting letter from Mrs. Ena M. Petersen, of the Blue Chip Kennels, Vancouver. "Doubtless it is my own fault that no one knows of my importations as I have been very lax about sending my kennel news in. However, I hasten to correct that error. Last August, I imported American "Ch. Regina of Oakcrest," now an International Champion, she by "Kingdom Hero of Cheriton," ex "Bantry Beauty of Oakcrest"; incidently she is the only "Bantry Beauty" bitch to be sold, Mme. Soresi keeping the only litter sister, "Oakcrest Moonbeam," which won Best of Breed at the Garden this year even defeating her illustrious dam, "Regina" who won her American Championship in the East at the largest shows at the age of fourteen months. Since her arrival here she has gone Best Terrier twice out of three times and finished her Canadian Championship at the age of two years. Last November I brought out another young bitch from the same kennel by "Ch. Kingdom Hero of Cheriton," ex "Princeton Dorenda," she is also a real quality terrier. I have just purchased "Ch. Kingdom Hero of Cheriton," who has quite a record. Some of his winnings: Green Star Ireland, International Challenge Cup at Cruft's, and the only Kerry East of the Mississippi to go Best in Show all breeds. "Hero" was winners dog at New York in 1931 and 1932, and will be shown at the next shows around Vancouver. "Regina" is nursing a litter of puppies at the present time by "Kerry Tailteann," an Irish importation." The writer sincerely congratulates the founder of the Blue Chip Kennels in acquiring such a remarkable team of Kerries which should result in quite a boom for the breed on the Pacific Coast. He hopes this summer to renew acquaintance with

"Hero," which he saw gain Winners Dog at the 1931 Westminster Show.

J. Eccles, the energetic Secretary of the Hamilton Kennel Club sends some "pointers" for the Rules and Regulation committee for which many thanks. At the same time he included a marked catalogue of the club's summer show, which the writer understands was a success. The show gathered in quite a few entries from across the border, the Happy Valley Kennels having quite a strong team forward. Congratulations are in order for G. K. Alton for winning Best in Show, with the Springer Spaniel, "Lammond Sammy," Reserve, being awarded to Geo. Potts' Old English Sheepdog, "Chollerton Bunty," a daughter of "Ch. Snowflake," her breeder being F. T. James. G. K. Alton must have been gratified at the win of "Lammond Sammy," for he is the breeder of this good Springer which is by "Ch. Inveresk Collyshot," ex "Ch. Bellmoss Fanny Lammond." Major Ward Wright's Sealyham, "Edgewater Careless" has evidently fulfilled the promise she showed at the Winter Fair last November for she has run up a nice sequence of wins since then. What a pity it is that so few Canadian have taken up Sealyhams, for they have few equals and certainly no superiors as companions.

My remarks last month that Canadians are apt to build a seven-foot wall around their kennels and never let their fellow fanciers know about their successes or otherwise evidently fell upon fruitful ground for my mail has been extra heavy this month and the pleasing part is that a number of letters have arrived from those who usually do not avail themselves of the publicity of the editorial columns of **Kennel and Bench.** It has even brought forward an interesting chat on Irish Setters from the dean of the Canadians, C. Arnold Stone, who writes:—

"As you are no doubt aware that my interests to a large extent are confined to the Irish Setters (though I have owned and bred many Pointers, English and Gordon Setters), I have seen them dwindle from 50 to 60 entries to one or two at our shows. During the last few years have endeavored to bring the most beautiful of the Setters to the front, and am quite satisfied at the result of my efforts, consequently we are receiving quite a respectable entry; a large majority being of my own stock. Might mention that in the last ten days have received some 6 enquiries and recently have placed 7 at Toronto, 2 Fenelon Falls, one each at Kirkland Lake, Owen Sound and Moose Jaw, Sask. The type has changed considerable in the last few years, formerly being somewhat large and coarse, hard to handle, inclined to have a bad disposition, but once broken they stayed broken for good. I find them now of a very different disposition, kind, loving, easy to handle and dogs that never quit in the field, and with a distinct type of their own with particular points characteristic to the breed. Am sorry to say that the Standard type, points and rules for judging set forth by the English and American Irish Setter Clubs are

not adhered to at many of our shows, consequently a great diversity of types are placed. In regard to organizing a Field Dog Trial Club for Pointers and Setters, you can count me in. Have in the past been connected with many Field Trials and ran my dogs and see no reason why a first-class club cannot be organized. We have the fanciers, dogs and grounds, and all near Toronto. Two years ago we held, near Burlington, a very sucecssful one-day trial, having a Derby with six and an open stake with eight entries and found lots of pheasants."

Bobby Laskey, of Saint John, N.B., sends a most interesting letter with reference to several matters of importance. He writes:—

"Just a word of encouragement to say there are many of us who appreciate the time, experience and efforts put forward by yourself in committee and otherwise to better and improve our Canadian Kennel Club and show conditions. I feel guilty myself not having given the matter of championship points some practical consideration for the betterment of our present rating, which is very lax; championship titles are at present being far too easy of attainment; of course, the more dogs in a show the better for us, the Canadian Kennel Club.

How often it seems so many members appear to detach the Canadian Kennel Club as though it was a rival concern or opposition party when all the time, we, the members are actually the Canadian Kennel Club. It amused me very much to learn in **"Kennel and Bench"** that some of our readers resented the records office asking that they keep a record of their doggy doings. If their records are true, they should stand inspection, also it did not mean that their private records were open for the curious fancier or rival exhibitor.

It is too much today to expect the novice to compete on a par with the expert and professional dog, man or exhibitor in the show ring. I am still convinced it is up to the judge to say whether or not a dog is overdone, done badly, faked, etc.

To me the judge in the show ring, dogs, cattle or cats—is somewhat the same as a man on the jury, who himself must of his own conviction decide. If the subject is guilty or a doubt of guilt, it is condemned, with or without mercy. There maybe in your mind the assurance of an "Irishman" or Airedale whose coat has been dyed, although you did not see it done, the reasonable doubt of the too rich color or natural appearance allows you to tell yourself—this won't do!—or that smooth coat all so newly razored or clipped about the neck, tail and quarters—No! that won't do! If you must put the dog up because of his excellent type and soundness compared to its rival, then expose the owner and agent in the ring, tell him then and there what you think of the lazy job. If more of the judges would set these winnings dogs back a few times, the owners and handlers would in time learn a better way to do their stuff. I have shown terriers and a good variety of dogs the last 15 years, but yet to own dye, borrow or use razor or clippers on a terrier or other breeds. Old-fashioned or otherwise I still have faith in the stripping comb before show time. "Bob" Ross years ago warned me against clippers, that and his advice re dogs and their ways gave me a good start. Regret at present not being able to attend a few of our Canadian dog shows, but have been convinced the last year or so that we cannot be too emphatic in wanting and expecting better rear action of our terriers. So many get away with a pleasing head and good front. So far none of these have appeared among my dogs, whether they were Setters or Terriers. I've no room for them.

Let us make our dogs ready for the ring honestly. Let us have better champions.

The Alberta News

By Provincial Contributing Editor,
C. H. PARK, Medicine Hat, Alta.

THIS being strictly a holiday month and there being very little news to hand, your scribe, as secretary of a show giving club for the past six years, decided to combine business with pleasure and take a busman's holiday, so bright and early on the morning of July 1st, 5.30 a.m., we were on the sidewalk accompanied by the wire "Medalta Cullud Gal," and the Smooth Fox Terrier, "Calgaree Chosen Damsel," and were soon en route to Lethbridge in the car of the oldest member of the Medicine Hat Kennel Club, John Terry, who was accompanied by his two grandsons and the German Shepherd, "Tarzan of Craigavon," to take in the first show put on by the Southern Alberta Kennel Club since the re-organization of that body. Arriving there at 8 a.m., we were warmly greeted by Secretary J. Clelland, and soon fixed up in our proper places in the Arena, a very pleasant venue for a show. After fixing up the dogs we strolled around till judging commenced and were welcomed by President D. B. Young, of Shaughnessy, who, on being congratulated on the excellent layout of his show, paid us the graceful compliment of saying that it had been patterned as far as possible on the Medicine Hat Show. Well, imitation is the sincerest form of flattery, so we were very pleased to have helped in our humble way to make the show the undoubted success it was. That good old Collie enthusiast, E. F. Brierly, as Show Sup't, had everything in apple pie order and after greeting our old friend, Dick Smith of Lethbridge, whose hospitality we enjoyed whilst there, Joe Craig, of that ilk and the Calgary exhibitors which included Mrs. "Bobby" Thomson, Mrs. Godderidge, Mrs. "Wymund" Render, Lt.-Col. Dave Ritchie, Bill Forrest, Jack Fletcher, "Bobby" Thomson, Ed. Hulse and a host of others whose names escape us for the moment, we proceeded to watch Judge Hughie Leslie go over the 105 dogs benched, in his usual capable manner, finding his best in show in Bob Carter's, of Assiniboia, Sask.'s Boston, "Reigh Counts Sensation." Bobby unfortunately was not there to see his dog jockeyed to victory in the capable hands of Jack Fletcher than whom there is none better. Dr. Kroshus, whose Collies cut such a swath here and at Moose Jaw, was also among the absentees. Though the Lethbridge entry was not all it might have been, it was very creditable after the club lying dormant for some time, and as it is uphill work at any time to get entries, it is doubly hard under these circumstances and reflects great credit on the untiring few who helped to make it a success, including the foregoing President, Secretary, Supt. "Duke" Wellington and Mr. Vorweard, and possibly next year the local fanciers, after seeing the support and encouragement given the Club by outside exhibitors, will rally around and give these good workers all the help they need with their entries to put over a bigger and therefore better show.

These notes are written from Calgary where we are the guest of John E. Hunter, that sterling supporter of anything that is for the good of the dog fancy, both now and for a past number of years, in which he has had at different times very excellent specimens of Manchester, Bull, Wire and Smooth Fox Terriers, many of which have attained their championships and helped to make dog history. John is a member of the Alberta executive of the C.K.C. and has at all times nothing but the good of the dog fancy at heart.

Through the courtesy of Mr. and Mrs. Jullien, whose hospitality was greatly appreciated, and where the writer had the pleasure of renewing acquaintance with that magnificent specimen of German Shepherd, "Ch. Derich of Cosalta," and found Dee Dee, as he is known at home, in splendid condition and developed into a grand dog, also the wire "Calgaree Spark Plug," who can step into a show ring and give a good account of himself at any time, your correspondent had a car to take him around to visit the various kennels in and around Calgary and to date has visited those of Messrs. Hulse, Kennedy, Laybourne, Climo, Ward, Greenhil, Hardy, Davis, Jullien, and Rothwell.

We also visited the training kennels of Mr. Hahn, the new trainer of the German Shepherd Dog Club of Alberta, recently formed. Here we saw the new importation of Miss E. Brown, "Elfe Von Der Polterweise" Sch. H., and found her all we had been led to expect, a beautiful specimen of the breed, under perfect control of her handler, and now in whelp to another imported dog, also entitled to Sch. H. and Champion whose name for the moment escapes us. Three other dogs were also in training. Mr. Hahn, who is very decided in his views when approached for them, and his opinion of the German Shepherd situation here said that the purpose of his breeding German Shepherd Dogs is to bring the breed to what it ought to be.

"German Shepherd dogs are working dogs and have to be raised as such. A shy or nervous dog should not be raised at all as then it is not a Shepherd Dog or working dog. Many dog fanciers do not know today how to raise German Shepherds even if those fanciers have registered stock, but there is too often to much inbreeding of one special dog which has nothing to transmit even if she looks nice to one's eyes. All fanciers of this breed should never raise these dogs for the love of money, but for the love of the breed. To raise dogs of great value is quite expensive, and very often the breeder does not find a buyer for his good stock because any Shepherd Dog, nice looking one, can be bought for perhaps a couple of dollars. Of course nobody knows the father of these "Pure Bred" puppies because the mother has been a straying one and the owner of this female could or would not be bothered to look after her. These things should be a thing of the past now. A couple of months ago there was a German Shepherd Dog Club of Alberta formed and each month at this club lectures will be given on the breeding, keeping, feeding, and training of the Shepherd Dog. To my regret there are not as many dog fanciers training their dogs in the Club as I would like to see, but I am quite sure that when we hold our first field trial here in Calgary, and people can see the value of the Shepherd Dogs after training, we will become a strong Club. The imported dog "Elfe Von Der Polterweise," Sch. H., from Germany, of which our Club is very proud, stays in my care. She has been bred to a good natured and fearless dog of which the father, an imported dog from Germany, has also the honour of the title, "Sch. H.," besides the title Champion. This litter of "Elfes," which I expect on the 6th of Sept. is inbred to "Horst Von Boll" and "Hettel Elkermark." "Horst" has been a well known dog in Germany and "Hettel" was Sieger of Germany in 1906. A dog and bitch pup of this litter are already bespoken. I would like to see all owners of Shepherd Dogs in Alberta join our Club and work with us in Calgary for the best of the breed."

At Calgary, an entry of about 130 was on hand for George Kynoch, of Winnipeg, to go over, and he started judging in the afternoon of the first day, finishing up in the evening of Thursday, when again Bob Carter's good Boston, "Reigh Count's Sensation," in the capable hands of Jack Fletcher, was made "Best in Show." It was a treat to see this master of his craft doing his job, and no dog went into the ring and came out without being shown to the best advantage even if the owner was the veriest novice, as George got all there was out of each dog. Out-of-town exhibitors were entertained to a royal spread each day of the show at

the home of that prince of sportsmen, George Climo, and his very good lady who could not do enough for the various recipients of her hospitality which included amongst others, Archie Semple, looking and feeling better for his trip to the Coast where he judged Victoria, but still far from well, and his good wife, Jack Ayres and his wife, Sandy Robertson and his wife and two sons, who, judging by the very creditable way they handled two of George's Cockers in the ring, are going to be worthy sons of a worthy sire, "Chesapeake" Foster of the "Airlines," C. S. Tyrell of Bottrel, Albert Bean of Medicine Hat, very pepped up over beating an imported champion, John Hunter, and Mrs. Jullien who helped her hostess to minister to our wants and also graciously placed her car at our disposal to get to and from the show. When you meet George Climo or his good Scotch wife, ask them to tell you the joke about the dogs and the roast that disappeared.

The only fly in the ointment in an otherwise perfect holiday is the unrest amongst Western fanciers over the scale of rating that has been applied to our shows despite our most strenuous protests. Goodness knows, it is hard enough to put a show over successfully under present conditions, but with this added burden to overcome, it will be well nigh impossible, as the writer has tried to figure out how many shows here one would have to attend and the mileage to get to same before he could make a champion if these conditions are going to apply. However, these things are, we hope, going to be straightened out at a meeting to be held at about the time these notes will arrive in Toronto, so here's hoping that they down there will see our viewpoint and not kill the shows in the West. There is, undoubtedly, a better feeling in the dog game and from the number of enquiries one hears these days, if we have no other set backs, we shall be able to tide over the bad times.

LANSDOWNE KENNELS TO CARRY ON

We notice that Mrs. B. F. Lewis, West Chester, Pa., had her late husband's old favorite, "The Country Gentleman," an English Setter owned by the Happy Valley Kennels of Dr. A. A. Mitten, Roxborough, Pa., at the Sewickley Show on July 1st, under Judge Frank Addyman, and won for best dog in show from the other 450 odd entrants.

This is very encouraging indeed, and serves to show that the name of "Lewis" will continue to grace the shows in Canada and the United States as heretofore.

KENNEL NAMES GRANTED

The Kennel Name "Breakeyton" has been registered in the name of Ian Breakey, Breakeyville, Que.

British Columbia News

By Provincial Contributing Editor, R. H. F. PURDON, Vancouver, B.C.

A LETTER received from Leo. M. Goldenberg, of San Francisco, gives some interesting news to breeders of Wire Haired Fox Terriers in this wide Dominion. At the recent show held at San Mateo, California, an entry of fifty Wires in a five hundred and forty all-breed show appeared for the appraisal of Forest Hall, of Dallas, Texas. In the Limit dog class, "Kemphurst Craftsman," owned by Mr. Goldenberg, won first and Reserve Winners to a young dog just arrived from New York, "Kisko Drummer Boy," by "Ch. Eden Aristocrat," while in the Open class, Mr. Goldenberg got 2nd to "Drummer Boy," with "Earl of Burlington," bred by Robt. McAdam, Toronto. In the Puppy class the same owner won by the aid of "Goldwyre Student Prince" by "Earl of Burlington" ex "Vanity Lady Luck," a credit to the Canadian breeders of his sire and dam, and further, "Goldwyre Stormy Girl," 2nd in Limit Bitches, while her litter brother, "Goldwyre Sir Galahad," got 1st Novice dogs and 1st in Green and bred by Exhibitor classes. These two are out of an imported bitch secured in whelp to "Ch. Stormy Boy" from Toronto. Winners bitches went to the well known Canadian champion, "Keythorpe Pansy," owned by Dr. F. P. Miller, of California. Mr. Ackerman, who needs no introduction to Canada, won the Limit bitch with "Humberstone Model," and Reserve Winners bitch to Mr. Goldenberg's "Goldwyre Beach Bloom."

The Vancouver Exhibition Association show will be held on Sept. 4th, 5th and 6th. The judge of all-breeds will be Lewis G. Spence, of Dallas, Texas. New and better quarters have been given the show, which will still be held in the same building, but at the north end of ground floor. This will be more convenient for getting the dogs in and out of the building, and very much more suitable for the public generally. Another boon to all, including the dogs, will be getting further away from the diabolical noise of the giant dipper. Changes have been made in the benching which will be appreciated, and a room partitioned off for the judging to ensure the maximum of comfort and the minimum of noise, also there will be ample seating accommodation this time, thanks Mr. Balshaw. The judge, Mr. Spence, is new to Vancouver, and he comes on the recommendation of no less an authority than George S. Thomas. Cups will be given for Best in Show and Group Winners, and cash prizes on a graduated scale similar to last year. The show will be fed by Spillers.

The B.C. Fox Terrier Association are making this show their main event of the year, so all their cups, trophies and specials will be up for competition to be awarded by Mr. Spence, whose prefix, "Lewspen" is well known to Fox Terrier breeders, so a good entry should be forthcoming. As an advertisement for our dogs we have the enormous crowds that visit the exhibition, and this year promises to be bigger and better than ever.

On Saturday, July 8th, the B.C. Fox Terrier Association held their annual summer matinee show under ideal weather conditions in Mr. Lydiatt's delightful grounds which he kindly lent for the occasion. No better hosts could be found than Mr. and Mrs. Lydiatt and their son, Walter, at making exhibitors and visitors alike feel at home. At the close of the show, afternoon tea was provided for everyone. Seeing to this part of the programme were Mrs. Lydiatt, Mrs. Tyrwhitt, Mrs. Swinden, Mrs. Dodds, Mrs. Smith, Mrs. Bromley and Miss Margaret Bromley. It is a great pleasure for me to be able to refer to the very kindly spirit and good fellowship that pervaded the whole of this excellently run show, many remarked this, and I pass it on with the writer's own appreciation of the work of all those concerned with the show's success. A really excellent entry came up for Horace Wilkinson to pass the rule on, and he did it in no uncertain manner, leaving a most favorable impression, and carrying the majority of the rail-birds with him, of which we have a pretty knowledgeable lot in Vancouver. Joseph Dodds' "Tynedale White Knight" won for Best Wire, B.C.F.T.A. silver spoon for best bred and owned by member, as well as taking home the bacon (or was it a ham?) for Best in Show, this special being generously donated by George Jackson of the well known "Tzouhalem" Irish Setters. Best opp. sex, best wire or smooth puppy, and best wire or smooth puppy bred and owned by exhibitor went to H. Swinden's "Hornsey Vixen." Best smooth, also B.C.F.T.A. silver spoon for best smooth bred and owned by exhibitor, J. Todd's "Rochdale Queenie." Best Novice smooth, June Kirschbaum's "Oxford Peggy." Best Novice wire, Mrs. R. H. F. Purdon's "Ulidia Fizzer," who was also presented with the handsome cup donated by W. H. Pym for the winner of the season's puppy matches. Litter class was won by the Hon. Mrs. P. B. Tyrwhitt's entry. At the conclusion of the show, Mrs. S. C. Sweeny, the well known Cairn terrier breeder, gave out the prizes. The Association's President, T. P. Milner; R. O. Bromley, Superintendent; F. Withers, Ring Steward; and Dr. R. G. Cuthbert, V.S., all worked with a will, while the Secretary, Herbert Swinden, upon whose shoulders fell the brunt of the work, put the show over in A1 style, and is to be congratulated on the results.

Mrs. Gertrude Munson, who owns the successful "Of Dene" Cocker Kennels, Vancouver, has, in the short space of three years, achieved successes that take many of us a lifetime to accomplish. Starting off with a bitch from the Brampton Kennels, by name, "Brampton Dainty," Mrs. Munson has specialized in reds, her "Old Ironsides of Dene" is a beautiful dark setter red, whose progeny inherit his wonderful color. "Dainty" produced "Rosemary of Dene," another beautiful red, who unfortunately died after having one litter, however, she left something behind her worth having, her son, "White Hart of Dene" by "Mountjoy Bonzo," has all the qualities of a real typical Cocker and was sold recently to W. T. Oates. At that time, he had won seven points towards his championship, and in his new ownership he went to Best of Breed at Shawnigan Lake on July 3rd, and is now one point off his championship. He sired a nice litter for Mrs. Munson, out of her "Sonia of Dene," a daughter of "Old Ironsides of Dene." "Marriott's Flare" that went to Best of Breed at the May 24th show is another of the progeny of "Old Ironsides," so prospects of a bright future for the "Of Dene" Kennels are promising in all directions.

At the recent Junior Olympic Track Meet held in Vancouver, the mile event was won in convincing style by Ernie Stolzenberg, of Nanaimo. He came to the tape leading by one hundred yards to establish a new junior mile record for B.C. While this has nothing to do with dogs, two very well known Nanaimo fanciers are very closely concerned with the win, and we offer them our congratulations. Young Stolzenberg, is a nephew of Jack Cottle, our Irish Setter friend in Nanaimo, while his trainer is Harold Kneen, owner of the Kerby wires. It may be news to a good many of the present-day fanciers to know that Mr. Kneen was a great four miler in his day, and evidently he still knows how it should be done. While we must leave the training part to Harold Kneen, it is difficult to imagine Jack Cottle not to have had a hand in the conditioning of his nephew, for his "fitness" was on a par with how the Northfield Irish Setters face the judge.

As I was unable to attend the two

recent shows on Vancouver Island, nor have I seen the catalogues, it is impossible to say much about them, no official news of the Victoria show coming my way, not even a Premium List. Best in Show at this fixture went to the Wire Haired Fox Terrier "Craven Fine Cut," now the property of A. H. Dodds, of Victoria, and I'll wager this was a popular award, and duly celebrated at Merston. He is by J. M. Livesay's "Craven Short Cut" ex "Bromley's Dilly Dally," and bred by R. O. Bromley, who, in a quiet but persistent way keeps producing winners. That he knows how to do it is not surprising, for before coming out to this country, he was a successful Irish Setter breeder in England, and won many prizes in the warm competition of that breed.

The runner-up to Mr. Dodds' entry, a Cocker from the well known "Of Moray" Kennels of Mr. and Mrs. H. A. Rhodes, would no doubt have been as popular a win. The runner-up award has now been their lot twice in succession, the previous time at the last Shepherd Dog All-Breed Show. When the supreme award does come "Of Moray" way, the beacons will be blazing at Cowichan Station. Mr. and Mrs. Rhodes' work for the Cocker has been unstintingly given, and provided us with a team of importations from the "Of Ware" Kennel, the greatest in the breed today, and selected with care by H. S. Lloyd himself, probably the most famous Cocker authority of all time.

At the Shawnigan Lake Show, J. Griffiths, of Nanaimo, had some good wins with his Wire Fox Terriers, Best of Breed going to his "Templehill Lad." Best in Show again went to the U.S.A., Mr. and Mrs. F. W. Bjorklund, of Spanaway, Wash., winning with the Bulldog "Sir Boliver Buckshot," while best opp. sex came Vancouver way to H. Lester, with his Smooth Fox Terriers "Oxford Sheba." To all concerned we offer our congratulations.

George W. Jackson, of Vancouver, who has been so successful with his good Irish Setters, writes me a very delightful letter of his recent successes at Shawnigan. His "Ch. Tzouhalem Trail Blazer" won the trophy for the Best Sporting Dog in Show. His sire is "Aintree Golden Arrow" (a finished gun dog) by "Aintree Cariboo Prospector," by the famous "Champion Higgins Red Pat," and his dam is "Ch. Lady Patricia of Dunster" by Wizbang Barrieboy" (Imp.) He is undefeated as a grown dog, and with his sire went Best Brace at the same show. Mr. Jackson has used and bred these good dogs for nearly twenty years, and been showing for the last two or three, and needless to say, he is very proud of "Trail Blazer," as he is of his own breeding. This was Mr. Jackson's first visit to Shawnigan Show, and I have great pleasure in quoting what he says about it: "The atmosphere was of the most sporting and hospitable nature, the weather conditions simply ideal, which made for the writer an experience most enjoyable, and one that will be remembered."

It has been a great pleasure to hear from Mr. Jackson, and to have him now with us as an exhibitor, which should have been many years ago, for I know I used to talk dog to him twenty years back, however, we have him showing now. He is a great asset to local dogdom, and fits in well with his own kindly and cheerful description of Shawnigan Lake Show.

Mrs. Gertrude M. Jarvis of the Drachenfels Kennels, North Vancouver, owner of the Shepherd bitch, "Abarard Lady Tampa," who has just finished nursing a very promising litter of three dogs and two bitches by the young dog "Randal von Drachenfels." "Lady Tampa" is by "Ch. Coltness Flying Dutchman" and a full sister to "Ch. Abarard Dutch 2nd." "Randal" is by "Bello von Bosseterfeld," ex. "Condors Terska von Yougo," and grandson of "Ch. Yougo du Nahon." He went Reserve Winners at the Junior League Show, but was in poor condition this spring after flu, so has only been shown once. There is also in the kennel a nice litter by "Randal" out of a young bitch, a daughter of "Sengs Gerre of Bridal," so bright prospects are in store for the popular owner of the Drachenfels to keep up the standard quality of this kennel.

Jonathan Davies of the Abarard Kennels, Vancouver, as President of the Shepherd Dog Club of B.C., is mostly associated with that breed, he, however, is also interested to a very great extent in two breeds of his native land, Sealyham and Welsh Terriers, not to forget Wire Hairs. In the Sealy's the kennel has had several recent sales, the imported "Ch. Gloyne Betty" going to a new home at Oswego, U.S.A., and the home bred "Ch. Okag Top" to Miss Brook of Vancouver, a member of the Junior League. A very nice pup is waiting to be shipped to Mrs. Peace of Seattle, Wash. Mr. Davies is the only breeder of Welsh Terriers in the West, and says, "To do anything successfully we must have a good foundation, and the Abarard Kennel has spared no expense in getting the right blood as can be seen in the quality of the dogs shown and the number of champions in the kennel, 'Ch. Morawel,' 'Ch. Shemmi,' 'Ch. Shan Hi,' 'Ch. Grug Y Mynydd' and several near champions, others that have never been benched but can hold their own up against the best of them and win". In German Shepherds the dogs are bred to type and standard. Mr. Davies makes a close study of the winning type in Europe as well as in U.S.A. and Canada, so it is not surprising to see his successes. The head of the kennel is the wonderful dog "Ch. Coltness Flying Dutchman," bred by the one and only James D. Strachan, the versatile Editor of **Kennel and Bench**, who, I believe, has also another hobby, a floral one, the cultivation of dahlias,

Our nine-months' old pup, Rockhaven Rocket, completed his championship in competition with matured dogs at Victoria Show and his litter sister, Rockhaven Mermaid, was placed Best Puppy and Reserve Winner Sporting Group at Shawnigan Lake Show.

Puppies For Sale from proven bloodlines as workers and winners on the bench. Kindly and affectionate dispositions, easy to train and handle, and all perfectly conditioned and developed.

Correspondence a pleasure.

for I remember some years ago at a dinner here, given in his honor, there was a great hunt in fanciers' gardens to find some worthy blossoms to place on the dinner table that would duly impress the Secretary of the C.K.C. I believe the winners were eventually chosen from Dr. T. E. Sleeth's garden. But I must not digress from the Abarard Kennels in referring to one dog only, for there you will also find "Ch. Abarard Dutch 2nd" and a dozen or more of the same type and disposition. The Abarard stock are close up at all our fixtures. At the recent Victoria show "Abarard Gretzel" went Winners and Best of Breed under Mrs. Zingler, and the same award came her way at Shawnigan under the popular judge, W. H. Pym, whose judging engagements cover a wide range. The Vancouver K.C. Show saw her Reserve Winners under Frank Foster Davis.

Mrs. F. B. Gillespie of North Vancouver sends along some Scottish Terrier notes, and with all of us laments the death of Mr. Dorrell's "Ch. Gaisgill Great Scott," but was herself fortunate in getting two litters by him, one litter born in February is out of "Touzie Tyke Dora," the other litter was whelped in April, and is out of "Cragside Cruchan Laura" by "Ch. Eglinton Lairdie." There were nine puppies in the two litters, eight of which were bitches. Mrs. Gillespie feels herself lucky in having so many fine promising young bitches with the great "Ch. Heather Necessity" as grandsire, because the puppies are all strong, sturdy and aggressive, and should prove useful for both show and breeding. She finds them the nicest pups she has ever bred, and some the nicest she has ever seen. "Laura" is now due for a rest after three litters in succession. "Dora" died a few weeks ago while out for a walk with Mrs. Gillespie's partner on Kingsway. Getting dazzled by the headlights of a car, slipped her collar and was run over and killed; a very severe loss indeed. Other inmates of the kennel are "Flora," who decided not to rear a family this summer, and "Sunshine Susie," a promising bitch that has been bred for the first time. The guardian of the kennels is "Touzie Tyke Sonny Boy," who objects to being locked up and manages to get out of the kennel somehow. He then lies in front of the door, on the outside. Mrs. Gillespie has the right fancier spirit and in spite of losses and disappointments feels she is at least off to a good start.

The letters received for this month brought me many names of dogs that were extremely difficult to decipher. Would correspondents please write names very distinctly so as to facilitate their appearing correctly in **Kennel and Bench.**

Maritime News

By Provincial Contributing Editor
G. D. ANDERSON, Halifax, N.S.

THE past month has seen quite a lot of general doggy activity in the East, although, for the most part, notes concerning it would not be of general interest to the fancy. However, there are some few items worthy of these columns.

Perhaps I had better report the general news by beginning with the big ones and ending with the breeds which are smallest. Carl Edwards, the well known commercial artist, told me that he recently bred his newly acquired Dane bitch, "Countess Nicoli" to his outstanding stud, "Count Nicoli of Dartmouth." "Count" represents a choicely bred type with "Model of Evangeline" as his dam, and the noted imported "Ch. Cuno von Moritsburg," as his sire. This breeding, he hopes, will produce some Danes of note.

Our old friend, Joe Donahue, recently acquired from Jack Tanner a young Shepherd bitch sired by "Von Hindenburg" ex "Groto." She is a lovely looking youngster with pleasing markings, good body and quarters, and nice expression.

A chat with Eric Flowers was interesting and I learned that his well-known Irish Setter, "Ch. Mike Haliburton" had just visited the female recently imported from England by Clyde Teasdale and referred to in previous issues of **Kennel and Bench.** Here we have a mating that should be interesting in its results. The sire is probably the best show specimen in the East, while the dam was selected and imported because of her working ability.

J. D. Whiteley, of Glen Moir prefix, told me with pleasure that he recently found new owners, at fair prices, for six male Irish Water Spaniel puppies that were whelped several weeks ago by his "Glen Moir Surprise."

J. S. Roy quite recently imported from the Belmoss Kennels a young male Springer puppy, registered as "Belmoss Bulobo." He is a nicely marked liver and white youngster about 7 months old, with all the characteristics that should make him mature into one that will make his presence felt in the show ring.

Sales are good according to Mrs. E. C. Burns, who has disposed of practically all of her Irish Terrier puppies.

W. G. Smith also reports a lot of recent sales of wire puppies. He is pleased with a litter out of his matron, "Bubbles," and sired by "Broomhill Knockout." "Smithie" has a twelve-year-old Irish Terrier female that recently presented him with a litter of nice healthy puppies. It certainly seems as though the Irish are never too old.

"Pelham's Frivolous" just a few days ago presented her owner, Fred Fougere, with a depression litter of two female wires by "Colgrain Sultan."

Bobby Laskey's monthly letter, using his own words says—

Another good terrier gone West!—"where East is West." "Ch. Dorchester Billie Hagerty," illustrated on this page, was until recently owned by Mrs. B. M. Frost, Saint John, N.B., has been sold and safely delivered to Chu-Sen, of Honolulu, Hawaii. It was a long way to send for a good Boston sire, but the new owner reports that he is well satisfied with the risk and purchase.

This very typical Boston, owned from junior age until now a young veteran of five, has well done his bit in making history and a name for good Boston terriers in Saint John. Dogs and bitches sired by him have won over all-Canadian-bred Bostons in Eastern Canada, including some smart imported dogs. Only naming four of the many winners which include:—"Saint John Hagerty King," "Saint John Admiral," "Lady Bessborough" and that ideally modeled junior bitch, "My Little Nominee" who won reserve winners recently to the American Champion, "Ruinart's Demure Jane," at the Montreal Kennel Association Show, Montreal. It is to be regretted that more Maritime fanciers overlooked using this worthy sire.

Mrs. H. G. Black reports the tragic loss of her English Setter, "Young Salop Jr.," sometimes entered by his kennel name as "Welcome II." Motor traffic accounted for his untimely end during July.

At the very recent N.B.K.C. drawing for "Easco Jingo Red," Pointer dog bred and donated by Robert Orr, Saint John, the lucky winner proved to be a Halifax resident, Melvin Smith, whose sire is the popular and successful breeder-exhibitor of Wire Fox Terriers, Wm. G. Smith, of "Atlantic" prefix. "Easco Jingo Red," by "Easco Which-one," the best sire we have of the breed here and "Red's" dam, "Easco Princess Helena," is a producer of good ones.

Some weeks ago Garwood Kennels procured a well-bred "Smooth" sire to replace "Ch. Garwood Tip Top," exported last winter to U.S.A. The new one, named "Happy Lad," is a son of "Ch. Heeley President," his dam no less than the very excellent American Champion, "Lady Crossfield of Pride's Hill." There's room for more and better smooths as well as other dock-tailed terriers!

Cossar Farm, of Lower Gagetown, N.B., report busy doings with their own bred and imported Scottish terriers. The genial Mr. Jackson, who gives the Scotties his personal attention, says his "Heather Margot" is nursing a young litter, sired by their youthful black stud dog, "Heather Highlander." This is his first litter, since which W. W. and R. B. Laskey have a July litter of six by "H. Highlander" that look good.

Ch. Dorchester Billie Haggerty, now owned by Chu Sen, Honolulu.

Saskatchewan News

By Provincial Contributing Editor, W. W. RIOME, Moose Jaw, Sask.

MOOSE JAW show passed so quickly, that most of us scarcely realized we had held a show. While the one day fixture proved a great success from every point of view, we missed the opportunity of visiting with the fanciers from outside points. When fanciers come together just once or twice a year there is always lots to discuss for the good, or ill, of the fancy. Judge T. Kay MacKenzie, Winnipeg, stepped into action in good time, and the judging swung along without interruption, the trophy for Best in Show being awarded by 9 o'clock in the evening, a feature appreciated by all and much to be preferred to dragging along to the early hours of the following day. We were favored with many exhibitors from Winnipeg, Brandon and from the West. They came, they brought the goods, they conquered.

Among our visitors were: Dr. Margaret French, of Saskatoon, with the English champion Airedale, "Wycote Special Edition" (Imp.), and once again posed, as only he can, for the Best of Breed. Mrs. D. C. MacLeod, a new face to the Moose Jaw folks, had a nice string of Scotties and Irish Terriers which added to their already extensive stack of ribbons. Hughie Allen, Winnipeg, a stalwart of the Wire Haired Fox Terriers, always comes along with one or two outstanding specimens, this year with that splendid female, "Antrim Patricia," a youngster with the ring manners of an old-timer, a perfect understanding between herself and her owner, and easily went up in this section. Mrs. G. D. Wrye, of Brandon, had things coming her way in the Pomeranian class with the imported dog "Crest Mite," a showy little fellow in perfect form. Handled to perfection by his owner, he eventually won Toy section, and was runner-up to best dog in show. Monty Wallace can always be depended on to favor us with a nice exhibit. This year it was the Newfoundland, "Thalassa of Drumnod," a female that attracted a lot of attention.

S. Sikorski, of Winnipeg, brought along a brace of Smooths, including "Ch. Danby Mogul." We were all glad to have an opportunity to see "Mogul" and with the sample of female Mr. Sikorski had at the show, this breeder will make history in the Smooth world. Walter Pym had a real Smooth too, a born show girl. His Wires were a nice string, all in good condition and a kennel to be proud of. Mr. and Mrs. Mabson and family, of Regina, spent the morning at the show, then left for California. Their Scottie female, "Fionnghal of Gryffeside" made a nice showing, but had to take defeat to Geo. Kynoch's "Gale May Flower." George also handled Mr. Allen's "Craigieburn Statesman." This Winnipeg entry is a real "die-hard." Too bad Mr. Middlemas of Regina was not able to be present to make the competition a little keener with some of his imported Scotties. Joe Gillan has a nice brace of Scotties, winning 1st in puppy class with "Wyrecote Dougal Craitur." A few more months and "Craitur" will be a hard one to stop, and those who know Joe realize that he will not stop until he gets near to the top in the Scottie world. And by the way, we learned this week that Mr. Murray of Regina is importing a Scottie and a Cairn. No details are available yet, so watch our next issue.

In Irish Terriers, "Erinville Timothy," owned by C. Cowell, Winnipeg, handled by the astute George Kynoch, was put to the top. Mrs. McLeod had "Newtownards Mickey" in her string, he claiming Reserve Winners. For the first time, a Sealyham put in an appearance, the property of F. Beal, Winnipeg, "Prince of Oakdale" naturally had things pretty much his own way. We were pleased to have among our visitors, Dr. Kroshus and daughter from Assiniboia with a string of Collies all groomed up to fight it out with J. Davidson, of Saskatoon, John Stokes, of Winnipeg, and Miss C. D. McLean. **Kennel and Bench** will give a full account of the winnings of these Collies. We missed our Saskatchewan Director, Dr. J. T. Cooper, of "Elmhill" Collie fame from the Collie group.

Mrs. R. O. Matthews, Winnipeg, was present with a brace of Shepherds, taking back the fancy ribbons. Rev. John McKnight had his "Wawato Cheiftain" posing like a statue. Mrs. Winnifred King, Regina, was present with some of her "Kingwin" Pekingese and carried a pile of prizes back to the Queen City. Mr. and Mrs. R. M. Holt, of Saskatoon, provided a nice exhibit with their "Schipperkes" of the "O' the West" strain, which are making history in quick time in Western Canada.

"Bob" Carter, the veteran Boston breeder of Assiniboia, never fails to provide a good string of Bostons at Moose Jaw. It was unfortunate that Mr. Carter had to divide his attention and his dogs between Lethbridge and Moose Jaw. No doubt both shows suffered to some extent clashing on the same date, however, this can, and no doubt will be avoided in the future. Mrs. Kerr of Kerr Kennels, Winnipeg, was also present with a brace of Bostons, making the competition a little too hot to be comfortable for the local entries.

"Jimmie" Booth had a field day with his Whippet, "Portland Boy," completing his championship. Another visitor, Jesse Howe, of Chesapeake fame, had some nice ones along. Geo. Roast, of Regina, was busy handling his own and other exhibits. Jack Favelle, an old-timer, with Russian Wolfhounds, completed the championship for "Queen of Atmen." We have not mentioned all the good dogs owned by Mr. Chevier and handled by Geo. Kynoch. They are well known to all, and many of the cups will again be engraved with the names of these outstanding Winnipeg exhibitors. Much credit is due to the President and officers of the Moose Jaw Kennel Club for the splendid arrangements made for the success of Eighth Annual Show.

Airedales appear to be gaining favor in all parts of the West. T. H. Boeckler, after a long pause, is again taking up the breed with renewed energy.

An enquiry has come to hand for a brace of young champion Airedales. Perhaps someone can supply them. See ad. in **Kennel and Bench.**

N. Watson, late of Moose Jaw, now residing at Nipawin, is making a new start with Wires. He will sure have a time keeping whiskers on them in that bush country.

W. A. Childs, Saskatoon, is making good progress with his Smooths, his "Immortal Longing" going Winners at Moose Jaw.

D. C. MacLeod, Yorkton, has purchased an outstanding Scottie bitch in "Haldon Rainbow" from the Haldon Kennels. "Rainbow" is showing in whelp to "Haldon Minstrel". 'Rainbow" was awarded Reserve Winners at Central Canada Exhibition, Reserve at Ladies' Kennel Club, and Winners at Terrier Specialty Show.

Dr. Fairbairn has purchased another Irish Terrier from Glendhall Kennels to replace the one that so mysteriously walked away and lost himself last year.

The Irish Terrier bitch, "Ardbahn Norah," of Mutual Kennels, winner of puppy and novice class at Moose Jaw, has found a new home with Harry Dargie, Winnipeg. Harry has just completed his vacation tour, spending a little time at Mutual Kennels on his return. "Norah" will shortly be mated to "Ch. Frontier Leader" (Imp).

Mrs. Thomas P. Sulton of Calgary has purchased the Irish Terrier "Mutual Timothy Begorra," he a son of "Ch. Culbahn Molly" (Imp).

Archie and Mrs. Semple were recent visitors at the Mutual home. Archie reports a most successful trip to Victoria and back. He is much improved

in health and has lost the sciatica trouble which kept him confined to his bed for several weeks.

While in Victoria Mr. Semple judged the Victoria Kennel Club Show. Our visitors were loud in their praises of the beautiful Island of Victoria, its people, and also of the quality of dogs that came before him at the show.

J. R. Kennedy of Vivadora Kennels, Toronto, was a recent visitor in Moose Jaw. The short time we had together passed too quickly and naturally Wires and Scotties were the chief subject of discussion.

Pointers are prominent in the eyes of the sportsmen these days. Recently we were asked to recommend a breeder of well-broken Pointers. Couldn't do it. Perhaps some person can. We would also like to have more notes from Pointer breeders in our page.

We were glad to hear that "Steve" May is purchasing a Boston. So far the selection has not been made, but "Steve" will look them over and Mrs. May will do the choosing as the dog is to be her house pet.

At the last moment we are favored with a visit from our old friend, "Bob" Carter, and he gave us the news that his imported Boston, "Reigh Count's Sensation," had once more been awarded Best Dog in Show, this time at Calgary. This makes the third time that "Sensation" has been "crowned king" in a few weeks. At Medicine Hat he received top honors, again at Lethbridge, and each time under a different judge. His "Bell Rock Tiptoes" was awarded Winners Bitch and has since been sold to Richard Forshaw, East Coulee, Alta. "Bell Rock Belladona," a good winner at Moose Jaw, has been sold to Robert Grayson, Medicine Hat. We congratulate Mr. Carter on his splendid wins—and may be continue.

Charlie Cowley has purchased an Irish Terrier female out of "Ch. Culbahn Molly". This youngster will go to swell the Irish family already strong in Winnipeg.

News have just come in that "Ardbahn Moira," Irish Terrier, was awarded Best of Breed at Calgary. This makes her third time out—twice Best of Breed, once Winners Bitch. She is sister to "Ch. Sporting Sheila" and "Ch. Ardbahn Moira," two other past inmates of Mutual Kennels.

The writer has recently purchased "Tim Healey," an Irish Terrier that has already gained points. "Tim Healey" is sired by "Ch. Frontier Leader," he by "Int. Ch. Frontier Optermist". His dam is "Rose D," she by "Int. Ch. Mallow Rake". Pat will make his first bow under the Mutual colors at Regina.

HAMILTON KENNEL CLUB SHOW

The Hamilton Kennel Club president, Walter Foster, Secretary Jimmie Eccles and Executive of the Kennel Club which functions in the Ambitious City are all deserving of much credit for the fixture which materialized at Hamilton on Saturday, July 1st, at the Alexandra Academy. This hall is possibly the best suited for the purposes of holding a dog show of any building available in Hamilton. Used as a skating rink and dancing academy, the building is clean and very attractive always. Benching and ring room being abundant, there was also room for a large gallery, but owing to the day being excessively warm, and a holiday besides, we fear the gate suffered as a result.

Boston Terriers were judged by Mrs. M. Firman, Toronto, who drew an entry of 18. Mrs. James Kellett, Oakville, had also an entry of 18, M. J. Morgan, Niagara Falls, Ont., had charge of the Shepherd Dogs, and an entry of 15 greeted Mr. Morgan. Alf. Delmont, Wynnewood, Pa., had the balance of the breeds as his assignment.

The groups brought some nice specimens into the ring. Amongst them was the Springer Spaniel, "Lammond Sammy," owned and bred by G. K. Alton, Freeman, Ont., and this smart youngster, though not long out of his puppyhood, showed his breeding ("Ch. Inveresk Collyshot," ex "Ch. Belmoss Fanny Lammond") when he was returned best dog in show at the end of the day.

TWO SHOWS AT LONDON

There will be two dog shows held in connection with the Western Fair Dog Show in London again this year, with the London Canine Association Fall Show a one-day event Tuesday, September 12th, and the Western Fair Show a two-day show, on Wednesday and Thursday, September 13th and 14th. This makes the London show one day shorter than previous years, and the sacrifice of the one day, which may mean considerable financial loss in gate, has been made by the Fair Board as a gesture of co-operation with the exhibitors who have felt that a four-day show coming so close after Toronto was perhaps a bit of a hardship.

A study of the Western Fair prize list (if you haven't got one already write in for one) shows that the big prize money offered at this event has not been effected. $3, $4 and $5 for first money in the classes of several of the breeds is still offered and there is no string attached which says so many dogs must be entered in the class. The full money is paid regardless of the entry. The London show is one of the few that is not on the percentage basis. The one-day show preceding the Fair show is on a percentage prize money basis, but special cash prizes are offered for breeds with 10 or more competing.

CANCELLATIONS
VANCOUVER KENNEL CLUB

Labrador Retriever. Novice Dogs, "SHUSWAP JAVELIN," ineligible, having won a first prize in the Canadian-bred Class at Coast City Kennel Club, 1933.

Cocker Spaniels. Puppy Bitches (any solid color other than black). "HOLDFAST RED GOLD ZULETTE," ineligible, being too old for the puppy class.

WHEN THE BONES ARE BROKEN!

When one's bones get broken it is usually a matter of forced resting until the broken member sets again, and this is what Mrs. M. Walker, the energetic secretary of the Pekin Palace Dog Association, Toronto, is doing at the present time.

A few days ago, when running to answer the telephone—a wrong number, too, by the way—she suddenly went lame, and an X-Ray examination showed that she had broken a bone in her foot.

With a home, a kennel, a sick son, and a foot in a plaster cast, Mrs. Walker was in a sore fix for some one to come in and take care of things, but there always was a friend somewhere around under such circumstances, and one of the club members volunteered her assistance, and of course to Mrs. Walker this was a perfect god-send.

Knowing Mrs. Walker's active nature as we do, we trust that she will make a speedy recovery and be able to take over her own obligations at an early date.

SOCIAL BOWLING CLUB PICNIC

Fred and Mrs. Burridge of "Confederation" Boston terrier fame, have been successful in keeping many Toronto fanciers in physical shape these past several winters, and with a view of holding the talent together they arranged for a picnic, which was held at High Park, Toronto, on Saturday, July 8th. The picnickers, to show that they were still in good condition, vied with each other in the several items of a sports programme, which was run off during the day. It was noticed, however, that the best bowlers were not necessarily the best runners, or the best ball players. The unanimous finding was that everyone enjoyed themselves thoroughly, and that they were ready to take their places on the bowling alleys in the early Fall.

OUR FORTHCOMING SHOWS

August and September are going to be busy dog show months, East and West, in Canada. All the clubs and exhibitions which usually function in the dog show field at this time of the year are repeating, and for good measure the York Kennel Club will cater to the wants of our exhibitors on Saturday, August 19th. We trust that the success of this fixture will be its guarantee for becoming an annual event.

Hamilton Kennel Club never quits. No sooner are the workers through with one show at Hamilton than they start in to perfect plans for its successor, and we notice that a show will be held in the same building that housed the summer show, this latter fixture to be held on September 16th.

The Ladies' Kennel Club of Canada (Montreal) were not with us last year, but their plans are well in hand for a one-day show to be held on Saturday, September 9th, at Montreal.

Particularly encouraging is the department of Field Trials. On September 3rd the German Shepherd Dog Club will hold Championship Trials, at Clarkson, Ont.

The Beagle clubs are in earnest when tackling Championship Trials for the "little rabbit dogs." The championship rating having been readjusted to meet the requirements of the sport, the several clubs will cater to Beagling this Fall. The Canadian National Beagle Club and the Hamilton Beagle Club have claimed dates for Trials, the former to be run off at Forest, Ont., from October 2nd to 7th, and the latter on October 21st and 22nd.

We would like to see dates granted to Brantford Kennel Club, and to Welland Kennel Club, if for no other reason than to give extra opportunities to exhibitors to show their dogs in competition as often as possible.

GRIM REAPER BUSY YET

It is really disturbing to notice the many fanciers which are leaving us by death this year; relentlessly are they being withdrawn from our ranks, and our sympathies are sincere for those who are being left behind to mourn their passing and who are obliged to carry on under a severe handicap in these most trying times.

Since **Kennel and Bench** appeared last we have lost R. Lee Wainright, Jerseyville, Ont. Mr. Wainright was a young man, comparatively speaking, and was slightly past 36 years when he died at Brantford General Hospital on Friday, July 21st, after sixteen weeks of patient suffering. Always interested in Canadian dogdom, he had served on the Directorate of the Canadian Kennel Club, and was always in his chair when the Board meetings were called to order. He was a past-president of Brantford Kennel Club and for several years was assidious to its interests. It will be remembered, too, that he was largely instrumental in developing the enthusiasm which made "The Norman K. Swire Memorial" an actuality.

French Bulldogs were his first love, and he successfully piloted his "Wainright's Fanette," "Wainright's Peggy," and the noted "Wainright's Jacques Fournier" to their championships. Later Wire Fox Terriers, then Scottish Terriers were successfully sponsored. A member of the Canadian Kennel Club since 1919 shows 14 years of his life which were shared with his dogs.

The funeral took place at London, Ont., on Monday, July 24th, from Logan's Parlors, where many assembled to pay their last respects. The Rev. J. Zieman, of Talbot Street Baptist Church, conducted the service. The burial took place at Mount Pleasant Cemetery. Fanciers attending that we noticed included Norman Duckworth, Brantford; Bert Swann, Toronto; Matt. Gracey, Toronto; Alex. Donaldson, Toronto; H. M. Jackson, Toronto, and J. D. Strachan, Toronto. The first three named shared the service of the pall bearers. Over 100 others attended at the chapel and at the cemetery.

Just as we go to press we have been informed concerning the sudden and altogether unexpected death of Parker Proctor, Toronto, a member of the Canadian Kennel Club for the past 13 years. Mr. Proctor had not complained of any illness, but on Tuesday morning, July 25th, he complained of his arms and legs having a numb feeling and before medical assistance could be summoned he had ceased to breathe.

Pomeranians were Mr. Proctor's favorite, and he must have had some kennel secrets known only to himself, as his Poms were always full coated when they were brought to the shows. Puppy or grown dog, it was always the same, a large coat of generous abundance and of good quality. It will be remembered that his puppy "Harlow Countess," bred in his own kennel, was declared to be the best puppy in show at Toronto Kennel Club Spring Show, by Judge Walter H. Reeves, nine months old at the time and very small of size, but typical, and coated like a fully matured animal.

WE MISSED ONE LAST MONTH

When explaining our front page illustration on page 19 of our July issue of **Kennel and Bench**, we inadvertently overlooked mentioning the good looking Irish Setter which appears near the left of the picture. So we take this opportunity to remove the apparent oversight.

The Irish Setter is none other than the coming champion, "Forest Lucky Strike," son of "Ch. Forest Larry Lloyd" ex "Forest Nan of Boyne," a daughter of "Ch. Ronald of Boyne" (Imp.) ex "Ch. Forest Nanette," daughter of "Ch. Forest Larry Lloyd."

"Lucky Strike" is one of the 1931 crop from the "Forest" Kennels of our Honorary President, C. Arnold Stone, Toronto, and is a dog that Mr. Stone is very proud of, as indeed he has every right to be, Winners at Toronto Kennel Club Spring Show, Reserve Winners at Montreal Kennel Association Show, and Winners at Ottawa Kennel Club Show this year already, seems to be justification enough for Mr. Stone's high opinion of "Lucky Strike," and we regret that we overlooked mentioning this fine young "Red Jacket" in our last issue.

GERMAN SHEPHERD SPECIALTY

It was a happy lot of fanciers we found at the beautiful Ontario Jockey Club grounds, on Saturday, June 24th, for the Annual Bench Show and demonstration of obedience tests. The weather was ideal, and Mrs. W. K. Close, Detroit, Mich., making her debut as a licensed judge of German Shepherd dogs. The bench show was a success in every respect. True the entry might have been larger than the 30 dogs which appeared, but quality stood up better than quantity on the day.

We hear so much about good, bad, and indifferent judging in these modern times that we take pleasure in saying that the judging effort of Mrs. Close was considered to be eminently satisfactory to winners and losers alike, and no doubt we will see Mrs. Close back judging around these parts again before very long.

As usual the obedience tests were greatly admired, and the dogs were given an opportunity to show to best advantage in the open, and no doubt the outing will give the trained dogs considerable extra confidence to meet the several opportunities that will be theirs to meet in competition at the shows this Fall, particularly at the Canadian National Exhibition, where hundreds gather round the Obedience Class ring to see the dogs perform.

NEW VETERINARIAN FOR MONTREAL

Elsewhere in this issue of **Kennel and Bench** may be found the announcement of Dr. Sydney H. Holloway, V.S., B.VSc., M.Sc., who is announcing the opening of the Westmount Animal Hospital, located at 1320 Greene Avenue, Westmount, Que.

Thoroughly trained in his work, Dr. Holloway is a serious minded young doctor who is making every effort to equip his hospital with modern and up-to-date equipment. His new premises are spic and span and the comfort of his charges is assured, plenty of air and light with excellent ventilation. Dr. Holloway has gained much actual experience from his former connections with the Federal Government and with a well known Boston hospital.

The location chosen is particularly convenient for the citizens of Westmount and western residential areas. We wish Dr. Holloway every success in his new venture and feel confident that with the knowledge gained in leading U.S. and Canadian Universities that he should give much to the betterment of animal life in the Metropolis of Canada.

WRAPPED HER IN HIS HUNTING COAT

Four years ago Mr. Charles Skene, of Moose Jaw, Sask., purchased "Mavis of Lynn," a two months' old liver roan female Springer puppy from the Lynn Kennels, Saskatoon.

Ever since that time "Lassie," as Mr. Skene called her, has been his constant companion, travelling extensively by car all over the Prairie Provinces, the Western States of America, and away down into Mexico.

The car in which they travelled was a big sports model, and although there was nothing to prevent "Lassie" leaving the car when it stopped anywhere, she would never leave her place in the front seat so long as her master was absent, and woe betide anyone who approached too near, a low growl and an upturned lip would be her warning to keep hands off.

A hot dusty trail in summer would sometimes lead to a welcome lake or slough when Charlie would don his enjoy a swim together. No wonder she was always in splendid health and as hard as nails.

In her first hunting season she retrieved one hundred and ninety-seven ducks. Her owner, instead of scanning the sky for ducks in flight, would always watch "Lassie's" tail. The least movement of this fast moving appendage and his gaze would move to her bathing suit and he and "Lassie" would head which would indicate from which direction the birds were approaching, but enough, there is a sad ending to this little story. "Lassie's tail will wag no more.

"Lassie" was out for a walk with her master and in some manner picked up some poisoned bait that had been placed for rats. Nothing was noticed wrong with her until they arrived back at the hotel, when she suddenly stretched out on the floor, evidently suffering terrible pain. Everything possible was done to save her life, but, after all was over, Mr. Skene wrapped her in his hunting coat, carried her out and placed her in a little grave. What finer tribute could man pay to his hunting Pal, when the last shot is fired over her, than to wrap her in his own hunting coat and give her a decent burial.

ACKNOWLEDGMENT

Mrs. Ben F. Lewis takes this opportunity to acknowledge the many kind expressions of sympathy extended to her by Canadian fanciers during her recent bereavement.

KENNEL AND BENCH SELLS THE SURPLUS STOCK

PEKIN PALACE PICNIC

The members and friends of the Pekin Palace Dog Association of Canada chartered a Grey Line bus and hied themselves forth to Huttonville Park on Sunday, June 25th, for a little friendly outing. Mrs. Lewis and Mrs. Pendlebury, with the help of an enthusiastic committee, were successful in making the picnic a most enjoyable affair. So much so, that the members are again clamoring for a repeat opportunity, and no doubt their wishes will be met in this respect before the end of the summer.
