BRAEMORE KENNELS Reg'd

26 OXFORD STREET

TORONTO, CANADA

Offers at Stud the Following High Class

Ch. Walnut Rattler (Imp.)

Wire-Haired Fox Terriers and Scottish Terriers. Dogs which have been most consistent winners in the show ring. Dogs which have proven their worth in the stud kennel.

CHAMPION WALNUT RATTLER (Imp.)

A double cross of Champion Fountain Crusader, and a sure fire producer of high class typical stock, too well known to require any further comment here. **STUD FEE, \$20.00**

WYRECOTE WATALAD (Imp.)

The hound marked sensational son of Champion Talavera Simon, an honest winner and a real producer. A big winner in England prior to his coming to Canada and in Canada he has come within striking distance of his championship. At Hamilton, under the English judge, Guy Cowper, Wyrecote Watalad went on to Best of Breed, beating the several champions in competition there. At Nova Scotia last October this smart Wire went to Best Dog in Show All Breeds, under Judge Robt. A. Ross, at the N.S.K.C. Show, and he was Winners Dog at both the Nova Scotia fixtures. **STUD FEE, \$15.00**

WALNUT LEADER (Imp.)

By Champion Weltona Pebble, a really outstanding wire, smallest of dark eyes, long, clean cut head, and a coat of pinwire texture, a consistent winner, and a stud dog who has enjoyed the companionship of over 30 visiting matrons from the United States, and whose services are in great demand in Canada. **STUD FEE, \$15.00**

WELBECK CRUSADER

A Wire Fox Terrier which is an ideal cross between Champion Fountain Crusader and Champion Epping Extreme. A many times winner, and the conqueror of Ch. Walnut Rattler at Montreal in 1931. He is particularly suited for bitches lacking in size and substance. **STUD FEE, \$10.00**

BRAEMORE SCOTTISH TERRIERS

offer the very choicest blood combinations obtainable in the Scottish Terrier world today.

CHAMPION WALNUT ROUGE (Imp.)

A black brindle "Scottie," who is a splendid son of the world's greatest Scottish Terrier, Champion Heather Necessity. **STUD FEE, \$25.00**

TARVIT TORCH (Imp.)

An extremely smart "Scottie," who shows twenty-seven champions in his five generation pedigree. He is by Champion Albourne Barty, ex Mannock Mikadoo, who is a full sister to Champion Albourne Arthur. **STUD FEE, \$20.00**

KEMPTON MacADAIR

Very black brindle, short back and tail, low to ground, a real Scottish Terrier. **STUD FEE, \$20.00**

BURKET MORVIN

Dark brindle, by Burket Luminary, dam Burket Barbara, who has Rookery Robin for her sire. This little dog has all the qualifications, but have too many dogs at the present time, and offer him for sale for \$100.00. **STUD FEE, \$20.00**

FOR SALE

Wire Haired Fox Terrier puppies, and Scottish Terrier puppies from choicely bred and carefully selected matings, and a few nice Scottie females, due soon in season. Reasonable.

YORK KENNEL CLUB FIRST ANNUAL SHOW

The Town Park at Aurora was the destination of close to 200 exhibitors and around 350 of their best dogs, on Saturday, August 19th. The recently organized York Kennel Club was holding its first licensed all-breed show, and the response was apparently immediate and generous. It was not hard to find the attraction as one viewed the special prize table, and remembered the generous cash prize list which had appeared in the premium list.

Dr. C. R. Boulding had the assistance and co-operation of as many splendid co-workers as we have noticed at any show held hereabouts in recent years. True there were annoying delays in getting the dogs into the several rings, but this was accounted for through the dogs being benched in a building which was quite a distance from the judging rings. The dogs were judged in the open air, and at all times the judging was closely followed by large galleries of interested spectators, and no doubt there will be a demand for dogs of all breeds following the show.

Adding spice to the final interest of the day's proceedings was the presence of two of the outstanding dogs of the continent in the English Setter "Blue Dan of Happy Valley," and the Airedale Terrier, "Warland Protector of Shelterrock." Both were capably handled and nicely presented. Judge Chas. G. Hopton found the latter to be the most impressive, and so the choicest award in the gift of the Club was awarded to the Airedale who has the distinction of being a Champion in England, in the United States, and it looks as if he would soon add to his laurels by adding the Canadian crown.

The weather, though quite hot, was tempered by a nice breeze, and the out-door idea was warmly received, and granted favorable weather conditions similar shows will always be welcomed by the exhibitors.

A word of praise is certainly due George H. Brooke, the show secretary. Mr. Brooke was equal to everything which his onerous position called for and we hope that the York Kennel Club will convince him that the position of show secretary is his just as long as he cares to function in that capacity.

Thirty Beagles and ten English Foxhounds were features that were much admired, Mr. Hopton declaring that the quality of the latter could not be duplicated south of the line.

The entry of Dachshunds and of Keeshonds added further colorful variety to the fixture and we predict popularity for both breeds from now on, as really they are both extremely

attractive breeds and deserve to find many new friends for themselves.

Best in Show, Airedale, Int. Ch. Warland Protector of Shelterrock, S. M. Stewart.

Best in Sporting Group, English Setter, Blue Dan of Happy Valley, Happy Valley Kennels.

Best in Working Group, Great Dane, Ch. Ironwood Queen of Sheba, Mrs. Geo. W. Hyslop.

Best in Terrier Group, Airedale, Int. Ch. Warland Protector of Shelterrock, S. M. Stewart.

Best in Non-Sporting Group, English Bulldog, Ch. Marwell Marquis, H. A. Wilson.

Best in Toy Group, Pug, Ch. Winna Treasure, Miss Victoria Bouchard.

BOSTON TERRIER - AT STUD

Champion Kaye Don II (C.K.C.S.B. 101895)

Champion Kaye Don II has proven himself to be one of the most consistent winners in Canada. His most recent win was Best Boston Terrier at York Kennel Club Show on August 19th, 1933.

Other important wins include: Winners Dog at the Boston Terrier Club of Toronto Specialty Show, October, 1932. Winners Dog and Best of Breed, Montreal Kennel Association, Inc., May, 1933. Winners Dog and Best of Breed at Hamilton Kennel Club, July, 1933.

The foregoing wins which were won under Specialty judges stamp Ch. Kaye Don II as being a dog of great quality and of correct type, and his breeding assures his ability to produce stock which will inherit his virtues in every respect.

The Canadian Fancy

By WALTER H. REEVES, Belleville, Ontario

CHAMPIONSHIP points or rating has always been a bone of contention not only in Canada but in all parts of the world where dog shows are held. Mrs. J. L. Ethel Luscombe, very clever confère in England, who writes with such a flowing pen for our American contemporary on English shows, wrote as follows in a recent article—"A certain feeling of injustice as regards the geographical distribution of championship shows is frequently sensed by exhibitors whose homes lie in the north and west of England. London and the south claim the favored venues, and although, admittedly, the metropolis also acts as a magnet to the northerner, the latter complains of the tax on his time and purse, which would be lightened were even a few of the championship fixtures within easy distance of his kennels. To meet this difficulty the Kennel Club has granted championship status in 1933 to two shows, viz.: those held at Blackpool in Lancashire, and at Abergavenny in Monmouthshire." The English championship shows and our shows are entirely different but both work out to one end, the making of champions. In England, a certain number of shows are allowed to award championships and the number is very limited, because the English Kennel Club realizes that if championship shows were too numerous the value of a championship would soon be of little importance. To those not familiar with English shows and distances, I might say that during the month of August considerably over two hundred shows will be held all within a radius of two hundred miles from London. Our shows are so different, the distances to shows are so great and then think of the difference in prize money, a good puppy in England during the month of August can easily win five hundred dollars besides many silver cups; here an exhibitor is lucky if the prize money partly pays the freight, let alone the exhibitor's expenses. The writer has lived long enough in Canada to realize the difficulties, monetary and otherwise, that the Canadians have to contend against, and he and the other members of the Rules Committee wish to suggest a championship rating that will be workable and fair to all parts of the Dominion, but not so liberal that it will tend to lessen the value of a Canadian champion dog. Exhibitors often seem to forget that the chief recompense for travelling thousands of miles in the quest of championship points is that, if they are successful, the title of cham-

pion means a greatly increased value on the dog, and if the Canadian Kennel Club did not keep a tight hold on championship rating our shows would suffer in entries and Canadian champions would be so numerous that the title would have no value at all. My committee are at present trying to work out a fair rating and we do want the help and assistance of all clubs, so that when it is brought forward at the Annual General Meeting it will be the combined efforts of the Canadian Fancy; from time to time as these suggestions come in they will appear in these pages for the comment of the members of the club.

W. H. Pym, our Director in British Columbia, writes as follows:—

"Attached you will please find a schedule showing the number of dogs eligible to compete for Championship points at the five dog shows held in British Columbia this year, also a suggested scale of points for each sex in each breed common to this district. I cannot agree with any system that permits any dog to win a Championship without competition, nor do I agree with a system that will permit say an entry of two males to receive the same rating as an entry of eight females of the same breed. Thus the necessity for a "Best of Winners" class. We have actually seen on two different occasions last year, and on one occasion this season, a singleton entry win his group and later awarded best in show all breeds, hence my maximum point rating for the group winner and the winner of best dog in show. I have refrained from making a sliding scale for the different breeds for the reason that one or two breeds have on occa-

sion benched abnormal entries, while the majority of breeds are extremely low; I realize that we may never again see these few large entries duplicated and it would, therefore, be unfair to base a scale of points on the large entry. The financial side of the matter has been kept in mind, and for that reason the show secretaries approve of my suggestion that singleton entries will receive one point if they are awarded winners. I heartily agree with you that a new system will work to the benefit of the show giving club, in that sponsors of individual breeds will work to increase the entry. My schedule will give you a fair idea of our conditions under the present point rating, and I believe you will agree that my proposed rating is as fair to all concerned as it is possible to get it. I have used the abbreviations (d) for dog, and (b) for bitch, and in red ink* the number of points allowed under the proposed rating appears under the number of dogs competing in each section. At the bottom of each column is the number of points that are allowed under our present system. I have seen other suggested plans from Western Cities, but so far none of them have considered the necessity for a best of winners class, but I attribute this to a lack of knowledge of the success of this class at American Kennel Club shows, and it might as well be admitted that we are attempting to adopt a similar system to the A.K.C. A casual observer of my plan may think I have been too generous, but I have kept in mind the fact that you intend to bring in a plan that will be adopted instead of submitting a plan that will be opposed, and I believe I have the system to make a start with at least. Last night a meeting was held in my office and those attending were delegates and principal officers from the Vancouver Kennel Club; the Coast City Kennel Club; the Shepherd Dog Club of B.C.; and the British Columbia Fox Terrier Association; as well as the Mainland branch of the B.C. Provincial Committee. This meeting condemned any system that does not segregate the sex of each breed, and approved of my plan unanimously; and I was instructed to submit copies of this plan to all Western and the Maritime Provinces with the view of securing perfect concord for a substitute to our present Western and Maritime Provinces' rating, and if this plan meets with the approval of your committee, we would then be in a position to give you 100% support.

Suggested scale of points allotted at any show Port Arthur and West

1 2 3 4 5

Number of dogs of each sex required to win the above points

1 3 4 6 10

The attached schedule of Championship points is based on the theory that merit must be consistently rewarded, and that no dog can complete a Championship without competition, and he shall win his Championship points at least three different Canadian Kennel Club Shows under at least three different judges; one of which shows must be of Two or more points rating, and every dog that is awarded "winners" shall receive at least one Championship point notwithstanding lack of competition. A new class to be known as the "Best of Winners" shall be provided for, and the sex of each individual breed shall be divided as provided herein, and the best of "winners" shall receive the highest point rating for that particular breed. As an example: Assume that in Scottish Terriers there are six males competing, the winners male would receive four Championship points; assume also that there are but one or two Scottish Terrier females in competition, the winners female would receive but one Championship point, but if the winners female defeated the winners male for best of winners, then the best of winners female would have her rating increased from one point to four points for the reason that she defeated the four point winners male. Group classes: Assume that an Airedale without competition was awarded winners and one point, and subsequently won the Terrier Group defeating dogs that had won two, three, four, or even five points in their regular breed winners class, then the Group winning Airedale should receive the highest number of points won by any defeated dog in that Group. Best in Show all breeds: The same principle as employed in the Group classes must also apply to the dog that wins the award of best in show, for the same reason that he has defeated every dog in that particular show and is therefore entitled to the maximum number of points allotted at that show.

No breed of dog in above schedule could have completed a Championship under four shows.

Only three males and one female could have completed a Championship at our five shows under proposed rating.

*In order that our members may follow the scales easily, we mention here, that the second line of figures for each breed should be considered as being printed in red. See explanatory text.—Ed.

A breeder who does not wish his names to appear, writes:

Having bred and shown dogs in the Old Country for a number of years and been a dog lover all my life, may I comment on the subject of shows under the C.K.C. and its rules as it strikes me? To whom are championship points awarded? I know it is assumed to "Winners," but where is this specifically laid down? Not in rule 41, the only rule referring to champion. Now as to champions: From what I have seen and from talking to breeders and others, it is evident that the present system needs revising. To one with experience of showing in the Old Country it seems absurd for it to be possible for a dog to become a champion without any reasonable competition. To see a single representative of a breed (often hardly recognizable) solemnly paraded to receive ribbons for classes, winner and best of breed is a dreadful farce, but would soon end if clubs had to pay cash for every ribbon so awarded. But to revert to our subject, the value of the title taken all round is very small due to the fact that it can be won too easily.

To ensure competition in a breed it is necessary to make those interested see that it is to their own interest to help secure competition and not as it is now, let the whole onus of procuring entries rest on the hard-working show secretary. The more entries in other breeds and the fewer in his own the better for an exhibitor who is out to make his dog a champion. When, however, an increase in the number of dogs benched in each breed means an increased number of points towards a championship we shall find some efforts being made by fanciers of each breed to help in getting entries. My suggestion to alter the present method of championships would be somewhat on the following lines: Rule 41, Champions. Championship points shall be awarded to "Winners" of a breed. A total of 15 points shall qualify for a champion, these points to be gained at not less than three shows under three different judges. The winner (e.g., as before). Insert Rule 41 (a). Championship points shall be awarded to a breed as follows: Five points when the number of dogs benched of that breed number not less than

twenty-five, in not less than ten separate ownerships; four points when the number of dogs benched of that breed number not less than twenty in not less than eight separate ownerships; three points when the number of dogs benched of that breed are not less than fifteen in not less than six separate ownerships; two points when the number of dogs benched of that breed are not less than ten in less than three separate interests. When less than ten dogs of a breed are benched no points shall be allotted for a championship.

One point extra will be awarded to "Best of Breed" when not less than fifteen dogs of the breed are benched in not less than eight separate interests. Should the number of dogs benched be sufficient but the separate interests be not sufficient, the number of points awarded will be that for which the number of interests is sufficient, e.g., dogs benched, 20, interests, 7, points awarded, 3, not 4. The object of ensuring dogs in separate interests being entered is to prevent a kennel filling up numbers just to get the points and to increase the number interested in the breed.

In conclusion, I would suggest something be done to curtail the unnecessary lengths to which shows are drawn out which are due to unpunctuality in starting, long intervals, and judges' dilatory methods. In the Old Country shows start about 10.30 a.m. and are over by 6 p.m., and though the judges have far larger numbers to go over, I have never heard any complaint that judging has been unduly hurried or any dog overlooked. Why can't we "get on with it?"

F. G. Rowe, the secretary of the German Shepherd Dog Club of Montreal, writes: "Re your inquiry regarding championship points, I refer to the stand I took at the annual C.K.C. meeting in 1932. As Montreal is the only Quebec city holding shows and the heavy expense involved compared with other cities and towns which have fair grounds and buildings, I believe that the best interests of dogdom will be served by leaving the championship ratings just as they are. Also by the report of shows held in the Prairie Provinces, where it was supposed to be held under the new ratings, the result was very detrimental to the shows: very small entries, which would place the clubs in bankruptcy. The above club goes on record as to leaving the championship ratings as they are, except to increase the points in smaller Ontario shows."

The president of the Ladies' Kennel Club of Canada, Incorporated, Mrs. J. H. Enright, sends the following: "In spite of the fact that I have much more to do than two hands dare try to accomplish, I feel I must answer your appeal in **Kennel & Bench** asking for our views on championship points in the province of Quebec, or rather for all Canada. I think the easiest way for both of us is to refer you to **Kennel & Bench**, where the minutes of the annual meeting were published after I obtained the present rating for Quebec. I think it was March issue, 1931. We have not advanced any since then; 1932 did not see a single C.K.C. show, except Sherbrooke, in the whole province of Quebec. This year Sherbrooke, even with the attraction of an exhibition, is not running a show. True, our show Saturday, September 9th next, will be the second in Montreal this year. The first one, held by the M.K.A., Inc., May 20th, barely cleared expenses even with the existing rating, hence I am afraid a rating such as exists in the U.S.A. at the present time will wipe Quebec off the map of C.K.C. dog shows, and I cannot suggest anything. At the moment I am slaving and hoping against hope that our show, September 9th, will be a success. That there is a lamentable showing of indifference in the actual running and ultimate success of a show here is very evident especially

by those from whom the show-giving clubs expect support."

"The few who are really interested and willing to devote their time and money are in the minimum, hence my humble opinion is that no matter what is done in other provinces, Quebec should be left as she is regarding championship rating until some recovery can be accomplished."

Mrs. M. B. Purdon, Vancouver, writes:—

"In reply to your notice in **Kennel and Bench** asking for the opinions of C.K.C. members regarding championship ratings. My idea of a suitable rating for this country would be something along the lines of the Bruce suggestion, but with the rating applying to each sex separately. Our present system is a perfect farce as regards the qualifications for making champions of merit, nothing worse could have been devised. From my point of view I want to see a Canadian championship difficult to win, and one that will bring prestige and credit to the dog. With best wishes for a really good system."

W. P. Bowden, secretary of the Victoria City Kennel Club, Victoria, British Columbia, writes:—

"I am writing to advise you that at the last meeting of the Club the matter of the championship rating was brought up, and it was unanimously decided that the present system is unsatisfactory and a change to the American system, or some modification thereof, the details of which to be worked out by your committee, would be preferable."

The Collie, one of the most useful varieties, is sadly in need of a boom. There have been signs of a revival of interest from time to time, but the breed has not yet staged a real comeback. What is the reason of the breed's lack of popularity? A year or so ago I was talking this matter over with a farmer who goes in heavily for sheep breeding and who was keeping five or six nondescripts as sheep tenders. He laughed at my suggestion that some well-bred collies would be an asset to his farm and that he could build up a working strain of well-bred collies. However, after a deal of argument I induced him to try out a bitch bred by my late friend, Harry Hungerford. The trial was so successful that the nondescripts have been discarded and pure-bred collies only are used. A few days ago I saw the trial of a young dog and I have never seen a better performance even by some of the great winners at the sheepdog trials in England and Scotland. The well-bred collie for some reason has been given a bad name for lack of brains, and those in the know are perfectly aware that the craze for

Dogs of Distinction

AT STUD

The Sealyham Terrier
"Ch. Margaret's Marquis"
(Imp.)

A Terrier of merit, real character and expression. A proven sire and transmits his sterling qualities.

FEE - \$20.00

The property of Mrs. G. M. Pitfield.

Scottish Terriers
The "Masher"
(Imp.)

He is the only brother Ch. Heather Fashion Hint has and the owner has been induced to make him available to breeders who desire to improve their stock, and keep in the winning line. The "Masher" is "Multum in Parvo" and a real Scottie. See his progeny at the Ladies' Show, Montreal, Sept. 9th, 1933.

FEE - \$20.00

The property of Mr. G. W. Murray.

Heather Marten
(Imp.)

A genuine brindle and a worthy son of a worthy sire, Ch. Heather Fashion Hint. He is a low cloddy dog with beautiful head and expression, well ribbed and strong quarters, a sound little dog.

FEE - \$20.00

The property of Mr. J. Nelson McKim.

"Glen Garrell Boy"
(Imp.)

A real hard coated black dog and sired by Ch. Loemont. This is breeders' opportunity to keep to type by using him. Short and sturdy and already a sire of quality puppies.

FEE - \$20.00

The property of Mr. H. M. Long.

Puppies by the above dogs are available now and all inquiries should be addressed to

R. H. WADDELL
Glen Garrell Kennels
DORVAL, QUE.

long, narrow heads did considerable harm to the breed. However, be that as it may, sane and sensible breeders have of late years been breeding a collie that is not only beautiful but fit and able to carry out the work the breed is supposed to do. G. S. Fraser of Guelph writes in glowing terms of some young stock he has in his kennel, the sire being "Ch. Laund Lukeo" and the dam "Strathisla Lassie" and "Emerald Queen," both of which own "Eden Emerald" as their sire. Anyone interested in the breed will find the time well spent if they visit this kennel.

Recent news from the Cedric Kennels is to the effect that "Cedric Margaret" has been sold and that she has presented her new owner with five puppies, the sire being "Cedric Black Knight". Thanks, Mrs. Atkinson, for the news item, but will you in future please give the name of the purchaser? News like this, incomplete, is of little interest to the Scottish Terrier fancy unless full details are given. The reason that the writer is publishing it is that so many of my correspondents fail to give full details and that I hope that in future important news items, when sent to the writer, are complete. The name of the purchaser is so often omitted that there must be a reason for its omission. What is it?

A newsy letter has arrived from Mrs. Batt of the Haldon Kennels. First of all the writer passes on the news that a good team of Haldons are being fitted for the circuit; amongst the team being several youngsters that are making their debut. The home-bred, "Haldon Minstrel," sired by another home bred, "Ch. Haldon Julius," has completed his championship. "Heather Lady Alice" has also completed her championship. This good little "Diehard" was imported by Dr. Fayette Ewing and he and others interested in the breed will ere long find out whether "Alice" is going to prove as successful in the breeding kennel, for she has been mated and shows unmistakable signs of being in whelp to "Ch. Haldon Minstrel." "Alice" will have plenty of company in the matron hospital, for "Ch. Haldon Linda" and about six other Haldons will be there all trying their best to help their owners realize their great ambition, namely, to breed and own a New York championship winner.

The game and companionable little Cairn continues to make steady but ever increasing strides in popular favor. Miss Kathleen Thorp of the Somerset Farm Kennels, Ingersoll, Ontario, sends some interesting news of her kennel. This keen breeder came to Canada in 1930 and was accompanied across the ocean by her well-known little Cairn, "Golden Dawn of Netlands," who has presented her owner with two nice

Once a Week for your dog's sake—do this.

Every dog has his off-days. Some have more off-days than others. The quickest way to cure a doggy ailment is to give Karswood Dog Powders. But you *can*—and for your dog's sake you *should*—do better than this. Every Sunday morning give your dog a Karswood Dog Powder—regularly, without fail. This is what the World's leading dog breeders are doing to keep their dogs fit and happy all the year round.

Karswood Dog Powders are an entirely new improved dog remedy, containing specific nerve foods and organic salts which are not contained in the dog's ordinary food, but which are necessary to the perfect functioning of his system. Get a packet to-day—and give your dog a powder next Sunday morning. Miss F. Ethel Dixon, owner of the famous Champions *Karzadoc*, *Honeystake*, etc., etc., says: "Karswood Dog Powders are now a regular part of my Kennel equipment."

Here is another enthusiastic testimonial:

"Splendid Tonic and Conditioner."

I sent to you some time ago for some of your well-known Karswood Dog Powders, and found them of great benefit. As I dare say you know, I am an exhibitor at most of the leading shows, and I have to keep the dogs in good show condition, and I find a weekly Karswood a splendid tonic and conditioner. I am enclosing a photo of a few prize-winning Cocker, which speaks for itself.

(Miss) B. A. CLIFT.

litters since coming to Canada. By the way, speaking, or rather writing, of Cairns reminds me that the Cairn Terrier Club of America have revised their standard and that it has been approved by the American Kennel Club. In a future issue the writer will go carefully over the changes. In the meantime, judges and breeders should secure without delay a copy of the new standard.

Captain G. Brine, the owner of the Rathlin Kennels of Scottish Terriers, of King, Ontario, sends news of important importations from England of a breed that is making great strides on the American Continent, the Long-Haired Dachshund. Two have been imported, a dog and bitch. The dog is nine months old and is registered as "Rupert of Primrose Patch". He was bred by Mrs. Smith Rewse, the largest breeder of Dachshunds in England. His sire is "Otto von Fels," imported into England by Col. Bedford. "Otto von Fels," the writer understands, is a beautiful black and tan dog and came to England with an unbeaten show record in Germany. Col. Bedford has a wonderful team and he mated "Otto von Fels" to "Golden Patch," one of his great show and brood matrons, and one of the results of this mating was "Rupert of Primrose Patch," which is to make his Canadian debut at the Aurora show. "Rupert's" companion will be "Bartonbury Vogue," and she is due to arrive in a few days. She is a deep red, and before leaving England she was mated to "Ch. Captain of Armadale," a red brindle bred by Col. Bedford, which, amongst his long list of honors, has two challenge certificates won at the great Crufts show two years in succession under German judges. The Long-Haired Dachshund's place of origin is Bavaria. They make splendid companions, and the writer understands that the breed is enjoying quite a boom in England, not only at shows but also in the shooting field, many sportsmen preferring them to Cocker Spaniels.

Harry Fraser of Ottawa asks my opinion on the controversy with respect to blacks and brindles in Scottish Terriers. My correspondent is right when he states that the brindle-colored Diehard usually has the better coat, and I share his opinion that the present craze for all blacks is not doing any good to the breed. In my experience it is indeed difficult to breed a hard-coated black, but here in my opinion comes the reason for the present vogue of blacks: You cannot grow the nanny goat beards and excessive leg featherings favored by many American judges on a real sound coated dog. I would like to see one of these heavily whiskered and profusely feathered caricatures of Scotland's Terriers trying to hunt vermin with snow on the ground. Whiskers and leg

LAKELAND TERRIERS

THE DOG FOR COMPANIONSHIP
AND FOR SPORT

Lord Lonsdale claims that the Lakeland Terrier is the genuine indigenous Terrier of the Borders. At Lowther Castle the carefully kept Stud Books prove that the Lakeland Terriers have been persistently bred on the estate since the year 1732.

FOR SALE

We offer for sale choice puppies which may be selected from three different litters. Males and females are available at prices from \$25.00 up.

Sires—Ch. Gamester of the Screes (Imp.) and Egton Paddy (Imp.), Dams, Ch. Chloe (Imp.), Egton Fluff and Egton Girlie—daughters of Egton Paddy ex Ch. Chloe.

feathering cover up a lot of faults, but how many of these over-dressed terriers could keep up their reputations if they were without these adornments? In the writer's opinion the chance that the Scottish Terrier had of being the most fashionable terrier on the American Continent has been ruined by the vogue of exhibiting the breed with a super and unnecessary abundance of hair. Thank goodness the fashion has not been introduced in Canada. Fox Terrier breeders viewed with alarm the popularity of the Diehard a year or so ago, but they know now that it was a war threat that was never more than a threat; an invasion that halted on the start through too much baggage. The postscript on the standard of the Cairn states: "One of the features of the breed is that it does not need the services of the professional handler. Any owner can put a Cairn down in the condition required." The same conditions should apply to one of the gamest and most companionable terriers, the little Scotty. When these conditions prevail, if they ever do, the "Diehard" will be more than a threat to the Wire-Haired Fox Terrier.

JUNIOR LEAGUE KENNEL CLUB

This is another new club to be added to the fast growing list of all-breed clubs functioning in Canada, and no doubt owes its origin to the successful show held under the auspices of The Junior League of Vancouver All-breed Show held at Vancouver on November 25th, last year. The newly organized club will enrol its membership from the Junior League entirely, this being on condition of membership.

It is the intention of the Junior League Kennel Club to hold an all-breed dog show at Vancouver on Saturday, November 25th, and committees are already at work to ensure the success of the fixture.

OUR FRONTISPIECE

Our front page feature for September, the month of exhibitions and fairs, is the typical Airedale Terrier, "Warland Protector of Shelterock," owned by Mr. Sheldon M. Stewart, Montclair, New Jersey, U.S.A., and chosen by Judge Charles G. Hopton, New York City, as the best dog of all breeds at the York Kennel Club Show, held at Aurora, Ont., on Saturday, August 19th.

"Warland Protector of Shelterock" was born in England on May 15th, 1931, and quite early demonstrated his great worth by earning a championship there. And when he came to the United States and made his debut at the Airedale Terrier Club of America under Russell H. Johnson, Philadelphia, he created a sensation when he took the measure of one of the greatest and choicest collection of Airedale Terriers ever seen at this important fixture.

Commenting on the show the Judge said: "Open dogs was the signal for the first appearance of English Champion 'Warland Protector of Shelterock,' which had climbed to stellar heights on more than one occasion at leading English championship shows. He had arrived on a recent boat in company with his great kennel mate, English Champion 'Covert Dazzle,' in charge of Robert Barlow, of the famous Crackley Kennels, who made the trip to handle the perfectly conditioned brace through the eastern circuit.

"'Warland Protector' made a fine impression on the ringside and more than reversed any unfavorable criticisms which all outstanding examples are heir to, by going to the top."

Not only did "Protector of Shelterock" "go to the top" at the specialty show, he came back at once to West-

minster Kennel Club Show, under Mr. G. L. L. Davis, West Chester, Pa., and repeated. And later, and at the latter fixture, he went right on to be crowned best dog in show all breeds by Mrs. Hartley M. Dodge, of Madison, N.J., to the entire satisfaction of one of the most enthusiastic ringsides ever seen at a New York show.

The "Covert Dazzle" referred to by Mr. Johnson in his critique was winners bitches at both fixtures and was considered to be almost equally as good as the great "Protector of Shelterock" himself.

Such then was the dog who won at the York Kennel Club Show, won for best Terrier, for best in the Terrier group, and who won for best dog in show.

Mr. Johnson spoke of "Protector's" wonderful condition at the specialty show, but the writer believes that this dog has never been in the condition that he is in at the present time. At Aurora he was presented in faultless fashion by Ted Ward, of Oakville, Ont., who was in charge of the handling at that show. And, if this splendid Airedale is to be campaigned in Canada for his Championship, it will only be the matter of a short time before he accomplishes that further distinguishing mark.

Anyone interested further in this great Airedale may communicate with Mr. Ted Ward, Oakville, Ont., or with Mr. Harry Livesey, Madison, N.J., U.S.A.

Maritime News

By Provincial Contributing Editor
G. D. ANDERSON, Halifax, N.S.

THE main doggy interest in this part of the world is now centered on the New Brunswick Kennel Club show, which is to be held in Saint John early in September. The dates appear elsewhere in this issue. The judge of all breeds will this year be Clarence Gray, of Boston, Mass.

The hospitality of the New Brunswick Kennel Club members is indeed exceptional, and all visitors and outside exhibitors are assured of a royal welcome and real cordial treatment during the show.

From New Brunswick comes a very newsy letter from R. B. Laskey, who deplores the fact that Russian Wolfhound news has been so lacking in our columns, and the entries of that breed in the shows are so few. A new breed for New Brunswick, the Irish Wolfhound, is represented by "Terragh of Ambleside," who was recently imported by Stanley E. and Mrs. Clark, of Renfrew, N.B. This young male was born in March and is developing wonderfully well. He is a nice brindle color, has a long, powerful head, a big frame with plenty of bone, and a truly typical disposition. He was purchased from, and bred by, L. O. Starbuck, of Augusta, Michigan. "Terragh's" dam is "Top Lady of Ambleside" and his sire is the well known imported "Ch. Sulhamstead Dan of Ambleside." It is to be hoped that this Irish hound, who is a good specimen, will revive the interest in this breed which was first created by Mrs. Ora Doherty, of Halifax, about five years ago, when she imported a lovely brace in "Felixstone Kilmena" and "Wiltonwood Kilbarry." Unfortunately both of these were victims of a distemper epidemic which carried away a large number at that time.

Bob Laskey, who showed Smooth Fox Terriers during the great war, and later "Ch. Crown Ajax" and "Ch. Cariana," is breeding them again. He has just weaned a lovely marked litter of this captivating Terrier off his "Bandon" bred bitch, "Crown Gloria." They are sired by the well bred stud dog, "Happy Lad," of Garwood Kennels, whose breeding and references appeared in July **Kennel and Bench**.

Ralph Preston, who owns a busy Kennel at Glen Falls, N.B., is happy over a litter from his Wire-matron "Calex of Caree," imported from the English breeder, M. V. Hughes. The sire used was the noted "Thet Trio," of Vivadora Kennels.

Arthur Morris, the Collie breeder, also reports similar good news by announcing that his Wire bitch, "Glen-

fall Twinkle," has a very doggy litter of four males sired by J. R. Kennedy's "Talavera Tantalus." We regret to say that Commissioner Wilson's Wire bitch that went to the same kennel has completely disappointed him.

At present Saint John seems well off for Boston Terrier sires. A new one has come to Geo. T. Kane named "Ringmount Lindy," a very smart junior bred by J. H. Dunlop, Finlay, Ohio. "Lindy's" career as a sire as well as his show career began early with first prize puppy honors at Eastern Dog Show last February in Boston, also at Springfield where Boston classes are always well filled. He is a fourteen pound, nicely colored dog, with nice markings, good body conformation, and moves right on all fours. His very typical head and style will appeal to lovers of a good Boston. "George" also has a new bitch who also won her classes at a New England show. She is the same age and weight as the dog, her name, "Cinema Girl." Glen Craig Pikes, owned by Mrs. F. C. Cannon, Sandy Point Rd., Saint John, have quite a number of inquiries and report a few sales for this sturdy toy breed. Mrs. Cannon's new ones are out of "Glen Craig Ise," by her stud dog, "Cedarcrest Rogue." Another real showy Peke unreported in these columns but this month transferred to his new owner, Mrs. N. L. Brennan, Saint John, is "Choo Li of Wang." He is a red dog with white markings and a dark mask, and is sired by "Ch. Tong King of Wangza."

We in Nova Scotia are glad to welcome to the columns of **Kennel and Bench** a new local advertiser, the National Fish Co., who in their official debut to the doggy world are offering their prepared ration called "Dog Dinner." For many months this feed has been available for local breeders and owners and a goodly number of them have used it with exceptional results. It is to be hoped that the advertising campaign which this company has planned for **Kennel and Bench** will be met with by real co-operation on the part of the fancy.

The Nova Scotia Kennel Club is busy in arranging the final details for their two fall shows which are to be held in early October. No effort is being spared to make these two shows the best ever held in Halifax. The competition this year will be keener than ever before in some breeds, particularly Boston and Scottish Terriers. There is every indication of a real large entry and the show committee, in order to avoid confusion of any kind, will accept no post entries.

The Kennel news for the month is quite interesting and indicates real en-

thusiasm on the part of most breeders despite depression days.

Mrs. Margeson, of the well-known Cedarcrest prefix, in a very interesting note gave me lots of news. She writes that she has been indeed fortunate in being able to secure the stud services of "Boltonia Pung T'Sun," who is a real good son of the famous English Ch. "Pung Chow of Alderbourne." He was bred by Mrs. I. M. de Pledge and has a very lovely dark red color with a jet mask, an absolutely flat face, splendid body, is very low, and moves with the much desired rolling gait. This dog has already been used on some of the best bitches at Cedarcrest and real things are expected of his progeny.

"Biondina of Cedarcrest," in whelp to "Sundah's Master," was shipped, a few weeks ago, to Mrs. Schaeffer, of Riverside Kennels, Milwaukee, Wisconsin, who is well pleased with her.

Mrs. Margeson reports quite a busy summer with quite good sales.

Bert Martin has disposed of nearly all the members of his litter of Collies described in July issue of **Kennel and Bench**. One, a female, went to S. Bradford, of Hamilton, Mass. Two years ago Bert shipped a male to Mr. Bradford, who was, and still is, so well pleased with him that he came back for the second one to complete the pair.

A male from the same litter has gone to Donald Ellis, of Port Williams, N.S., who has for years been a breeder and fancier of the English Bull.

Mr. Benton, of Armdale, has taken a male and this makes the third Collie that he has purchased from Oakland. His first two were, unfortunately, killed, but his persistence is more than indicated by his act in buying still another.

W. H. Schwartz, of Princes Lodge, is taking the pick of the males and it is indeed a mighty promising youngster. There remains at Oakland but one male for sale and one particularly choice female that money cannot buy.

Bob Edens is indeed pleased with a litter of most attractively marked Wires out of his "Eden's Lady," who is by "Broomhill Knockout" ex "Pelham's Frivolous." This litter of three males and two females was sired by W. G. Smith's "Humbervale Cracker."

Harry Willis, the ever enthusiastic lover of the Smooth Fox Terriers, tells me that he has just added to his kennel a classy little female from the Hali-gonian group in "Danby Model II." "Model" was bred by C. L. Mewburn, of Hamilton, in 1930, and boasts very choice breeding. Her sire is "Ch. Heeley President" imp., and her dam is "Lady Crossfield of Prides Hill" imp. It will be remembered that "Ch. Danby Mogul," who has recently done so well

GOOD NEWS!

HALIFAX, N.S.

in the West, was sired by this same dog.

Mr. Willis also reports the sale of "Haligonian Sprite" to Ben Van Buskirk. "Sprite" is by "Danby Marksman" and ex "Prides Hill Sapphire." She is also the dam of "Result of Bedford," a young smooth dog that is being retained at Bedford and of whom great things are expected.

Roy McKay's Kennels are really very active these days and a lot of news comes from him. Roy, you know, is one of the pioneers in Nova Scotia and for a goodly number of years has bred and shown Bostons. In an early issue I am going to recount, in a brief way, for the benefit of some of the old-timers, the story of the Boston in Nova Scotia.

While at Mr. McKay's Kennel a day or two ago I looked with pleasure upon a litter of Wire Fox Terriers out of "Mac's Wire Girl," by "Colgrain Sultan." "Wire Girl" is a real producer and this time had five bitch and two dog pups. She is by "Warraw Demon" ex "Atlantic Rags."

I also saw "Blue Belmac Chico," a Boston recently purchased from Mrs. M. G. McKinnon, of Kingston. This matron is a proven producer of quality pups and at the time of writing is in whelp to "Laddie Champson."

Here I should say that "Laddie

Champson" was very recently purchased from John Fry, Jr., by Mr. McKay. "Laddie" is an exceptionally choice Boston and, what is quite exceptional in this breed, boasts an American Champion for his sire as well as his dam. He is by "Ch. Ringmount King O' The Avenue" and is out of "Ch. Noel's Bebe." He is a dark brindle and white and has done his part for his breed by sireing a goodly number of pups during the last four or five years.

Still another new one at this kennel is "Wright's Surprise," a well marked, mahogany brindle, middleweight female

that represents some of the choicest Boston breeding available. "Surprise" was formerly owned by Mrs. Leon Moss.

And still another new female was just acquired by Mr. McKay from Alex. R. McLeod, of Westville, N.S. She is a small, attractive, thirteen-pound matron and is now in whelp to "Laddie Champson."

A new stud-dog, only a short time arrived at this same kennel from the U.S. He is a thirteen-pound, dark seal brindle, perfectly marked, with a nice large expressive eye, a real clean muzzle, good head, neat tail, and a good body set on perfect limbs. He is a good mover and is indeed one of the best in the East. He is by "Sensation Toss" and is ex "Mistress Tom Haggerty." He has already visited one of Mr. McKay's females, who is showing heavy in whelp at the time of writing. He was bought from J. J. Briggs, of Arlington, Mass., through Fred O'Connell. Fred is a real good friend of Mr. Briggs and has established a connection which is doing a lot of good for the breed in Nova Scotia. I can most truthfully say that the breed has received a real boost in Nova Scotia since Fred started importing from Mr. Briggs, and the stock that is now owned in this province is going to be very hard to beat.

CARD OF APPRECIATION

May I be allowed to use the columns of Kennel and Bench to express my thanks and appreciation for the many kindnesses and tokens of sympathy tendered in the loss of my husband, Parker Proctor.

The Canadian Kennel Club and the many Canine Clubs throughout the City and vicinity have been extremely kind in expressing their feelings of regard and I am desirous of offering my thanks to all concerned.

Yours very truly,
MRS. B. PROCTOR.

MR. H. M. McLEOD, Show Secretary, 475 Barrington St., Halifax, N.S.**WELCOME THE DACHSHUND**

One of the most recent recruits to the fancy in Canada, is Mrs. M. E. Hanson, of the Prince Albert Kennels at Cooksville, Ont., where Dachshund of the better kind will be bred from now on.

The first importation to arrive for the Prince Albert Kennels was "Wiggler," a red son of "Ch. Ratzmann Muck of Voewood." Shortly afterwards "Antonia of Greenville" came to the Kennels. She claims the noted Wittelbach breeding. "Antonia" has already made good headway in her quest for championship honors, and at the recent Hamilton Kennel Club Show this flashy black and tan bitch was returned best of breed on the day.

This year's importations include "Meera Von Sollinge," a female puppy sired by "Held Von Erlbachtal," another female puppy "Babette Kiven" is sired by the great "Ch. Ego Assmannsheim." In the brood females we find "Hulda Flag Boy," a granddaughter of the International Champion, "Kensal Call Boy." "Hulda" whelped a fine litter of puppies in Canada sired by "August der Kleine of the Ark." Two weeks ago a litter sister of "Hulda," namely, "Bona Flag Boy" arrived at the kennels bred to "Alphator," who won reserve winners dogs at the 1933 Westminster Kennel Club Show in New York.

In the above is combined the breeding of the leading Dachshund in America.

The last importation of note is a ten months' old male puppy, "Wohlgeboren Abend" from the noted Wohlgeboren Kennels in England. In this young dog's pedigree are such noted English dogs as "Ch. Honeytime," "Ch. Faust Von Forstenberg," "Honey Mine," "Ch. Dicker Von Komerpark,"

"Dusk of Greatwood" and so on. This breeding is represented in the show winning dogs of today in the United States.

1933

"THE NOBLE DANE"

The Great Dane certainly got a boost in Canada when Lt.-Col. and Mrs. J. De B. Cowan crossed the Rocky Mountains with six specimens for the Alberta Kennel Club Show. From British Columbia to Alberta with half a dozen Great Danes is an accomplishment well worthy of notice. "Rungmook Rama" and "Rungmook Ranee" were winners dog and winners bitch respectively, furthermore, they were litter brother and sister as well.

Rungmook Great Danes are well known in England, as the kennel was really established there when Mrs. Cowan was better known as Miss Dickinson, distinguished by having judged Danes at Cruft's world famous show.

Coming nearer to home we find the interest in Great Danes developing

rather steadily. Quite recently Mrs. Hopkins, Toronto, secured a harlequin male to head her kennel, and now we find Mrs. Hyslop, Toronto, in possession of the famous bitch, "Ch. Hayda v. Rhoen," and a litter of puppies out of this female sired by the German Champion, "Cyros v. d. Pissa," and this enlargement to our Dane holdings should give an impetus to the breed, sufficient to make the entries in Great Danes interesting at our 1934 shows.

The breed is most popular in England today, and this popularity seems to be spreading in the Motherland. The Great Dane entries at Westminster Kennel Club Shows since 1930 has been exceptionally strong, and no visitor can possibly miss the attraction. Three score Great Danes at any show must always be a feature, and that was the entry at the Garden this year. "Haida v. d. Rhoen" was entered, but we did not notice her and believe that she was not shown.

Mrs. Hyslop's new importation won the Youth Class in Germany in 1931. Winning a championship in the United States quite easily, she returned to Germany and won the championship class at Dortmund in 1932. "Haida" is quite a young bitch, having been born on April 11th, 1930. Bred by C. E. Saechay. Sire, "Douglas v. d. Rhoen," Dam, "Asta v. Odenwald."

When Mr. G. Andrade brought "Haida v. d. Rhoen" to the 1931 shows at Halifax and St. John he created quite a stir in both places, so much so, that a new enthusiasm was born for the breed in Eastern Canada.

We congratulate Mrs. De B. Cowan for her pluck in bringing her Rungmook dogs so far afield, Mrs. Hopkins on her importations, and Mrs. Hyslop for bringing such a celebrity to our own doors.

British Columbia News

By Provincial Contributing Editor,
R. H. F. PURDON, Vancouver, B.C.

SOME news of the Santa Cruz, California, show, held the end of July, will be of interest to Canadian breeders of Wire Haired Fox Terriers, particularly so in Ontario. "Goldyre Student Prince" by "Earl of Burlington" ex "Vanity Lady Luck" won for best puppy dogs, and "Goldwyre Lady Patricia" by "Kemphurst Craftsman" was best puppy bitch. Winners dogs drew out a select entry, "Earl of Burlington" going Reserve, being nosed out by "Glynhir Gladiator" by "Ch. Gallant Fox of Wildoaks," who got the honor, while the royally bred "Beau Geste of Wildoaks" by "Ch. Eden Aristocrat" ex "Ch. Gains Great Surprise," lost to the "Earl." The judge was Dr. Frank Porter Miller, of California.

It will be good news to the canine fraternity in this province to know that a real dog lover has been appointed to the high and honorable position of County Court Judge at Vancouver, in the person of Judge C. J. Lennox, who, with his wife, are the possessors of three Scottish Terriers, "Heather," "Bruce" and "Duffy," all personal pals and companions. A native of Dundee, Scotland, he studied law in Edinburgh University, coming to Canada in 1907. He was called to the bar of Saskatchewan, practicing in Moose Jaw. He went overseas in 1915 as a Major in the 46th Battalion, and on his return in 1918, was made Lieutenant-Colonel, and appointed Judge Advocate General of Saskatchewan, holding this position for two years before coming to Vancouver in 1919 to practice law.

Harry Lester, the Smooth Fox Terrier breeder of Oxford Kennels, sends along in the most friendly spirit a slight correction for my notes of last month. I referred to "Oxford Sheba" in connection with Shawnigan Lake Show, instead of "Oxford Sheba 2nd," who happens to be a daughter of "Ch. Oxford Sheba" and "Ch. Summerhill Beau"; this good bitch completed her Canadian championship at Shawnigan Lake at the age of 15½ months, also going Best of Breed, Best Terrier, Best Canadian-bred, Best Dog or Bitch from the Mainland and Best opposite sex in show. She has since been sold and delivered to T. C. Hudmon, of Atlanta, Georgia. Although shipped in the warmest weather for the long and trying journey south, she arrived in really good shape, and the new owner is very satisfied with his purchase. This is the second bitch of Mr. Lester's breeding

to go to Atlanta, "Ch. Oxford Fairy" having previously gone there from the kennels of W. W. Riome, our **Kennel and Bench** correspondent for Saskatchewan. Mr. Lester hopes that the day is not far distant when the

Smooths will gain a portion of the popularity which has been sadly lacking in the past few lean years. On this point, I take issue with Mr. Lester, in the same spirit in which he writes to me, the Smooths have always been popular, but the Smooth breeders have kept their dogs in the dark. Now at the shows of the B.C. Fox Terrier Association, the Smooth entries have almost invariably been of the most meagre, many uninteresting classes of one and two entries, which is not good advertising, nor likely to draw new recruits to the breed. With the B.C.F.T.A. liberally supporting both coats on an equal footing, Smooth breeders do not make the most of their opportunities. A few third and fourth Shebas emulating the wins of the first and second, would do the breed much good, also well filled classes of game and assertive terriers; the public like to see these, and not the "sissy" brand.

Stanley Dorrell of the Swansea Kennel of Scottish Terriers, has, during the month of July, been selling some of his stock in all directions. "Gaisgill Heather," in whelp to his "Swansea Technocrat," has gone to John Fletcher of Calgary; a young dog by "Ch. Gaisgill Great Scott" to Mrs. Goodwin-Gibson, of Vancouver; a bitch by "Ch. Albourne Simon" to Mrs. Underhill, of North Vancouver; a bitch by "Ch. Albourne Simon" to Mrs. Underhill, of San Diego; a young dog by "Ch. Albourne Simon" to Mr. Millar, Vancouver, B.C., and a bitch by "Ch. Albourne Simon" to Mr. Cameron, of Vancouver, Washington. The litter out of "Gaisgill Daphne," who was im-

FRANK NOTT

806 Hornby Street
VANCOUVER, B.C., CANADA

ported in whelp to "Gaisgill Nicholas" are very promising, and will soon be seen out in competition at our shows.

In August issue *Kennel and Bench* appears a notice asking for the expression of opinions on the matter of championship rating to be sent to the chairman of the rules committee, Walter H. Reeves. The task of satisfying the various provinces in this vast Dominion will not be an easy one, and will require careful consideration, with a great knowledge of dogdom in all its phases.

In our chairman, Mr. Reeves, no more suitable man in Canada could be found to head the committee, his long connection and high reputation in all branches of the game, judging, breeding, journalism, and his connection with the Canadian Kennel Club eminently fits him for the onerous position. Personally, I should feel quite satisfied with his own settlement of this vexed question, if that were possible.

I am sorry to have so little news for this month's issue. Many breeders are at present off on their holidays and enjoying the lovely weather on the various islands, bays and pleasure resorts with which this beautiful province abounds. With the Exhibition show in the offing and the improvement in conditions now being felt, kennel activities will again be in full swing at an early date.

WHAT DOG-OWNERS WANT TO KNOW

One of the many enquiries received regarding the care and management of dogs in the home is—"How often should I wash or clean my dog?" A simple question, perhaps, yet one demanding an answer varying with the circumstances. It may, perhaps, come somewhat as a surprise for dog owners to learn that "cleaning" does not necessarily mean "washing"! The use of soap and water is certainly desirable at times, but it is far more important to be insistent upon the daily use of stiff brush and comb.

Some people only "clean" their dogs when they look dirty, forgetting that dirt is not always visible. Mud leaves its trademark; whereas dust has an

unfortunate knack of collecting under "the surface". It is from this "under-the-surface" dirt that unforeseen troubles continually arise, since it harbours germinous and parasitical growth. The more frequent the brushing and combing the less danger of the "enemy" element finding a footing.

To digress for a moment from the exterior to the interior of a dog. Great care should be taken in so arranging a dog's food and feeding, that the digestive organs are not clogged with indigestible or unclean foodstuffs. Home treatment is mainly responsible for the former evil and street scavenging for the latter. Both conditions are easily avoidable. Although a dog can "exist" on almost anything—household scraps or gutter refuse for the matter of that—sooner or later the question will arise, "What has gone wrong with my dog?" The answer is, "Your dog has a dirty 'inside'!" Prevention is always better than cure—don't feed him on indigestible household scraps or encourage him to scavenge.

To return to a dog's "exterior". The necessity for regular "dry" grooming has been referred to. Wet "toileting" calls for discretion and a knowledge of each particular dog. Generally speaking, the tendency is to bath too frequently. The water should be warm—never hot. A dog is far more susceptible to heat than a human being. After soaking the dog, lather the hands with soft soap and work it into the coat, making certain that the skin is reached. When dealing with the head, take care that the soapy water does not run into the dog's eyes. When the lathering is complete, thoroughly rinse him with clean warm water, squeezing surplus moisture from his coat with the hands. Have the towels in readiness.

After a bath, the dog should remain indoors for an hour or so, since there is a risk of him catching a chill if liberated too soon. "Dry-cleaning" by means of powder is a method sometimes favoured by "professionals." The amateur is, however, well advised to rely upon the daily use of brush and comb, and a bath now and then upon the lines indicated. And now a word regarding a clean bill of health for your dog. Remember that he is as liable to ills of the flesh as you are and remember, also, that home-doctoring—unless the complaint has been correctly diagnosed—is usually worse than useless. The moment your dog is "off-colour" take him to the nearest "Vet" and get expert advice. All the "cleaning" in the world will not have such a marked effect on his appearance as the keeping of him physically fit and well!

(From "The Tail-Wagger").

Saskatchewan News

By Provincial Contributing Editor,
W. W. RIOME, Moose Jaw, Sask.

REGINA'S seventeenth annual show held under the auspices of the Regina Canine Society, and in conjunction with the World's Grain Show, will be remembered by one and all who were fortunate to attend. The show, so capably managed by Charles Keating and his staff, was all that could be desired. The show was well attended by the general public and at all times the ringside seats were filled. The Judge, Enno Meyer, of Milford, Ohio, U.S.A., and of International fame, handled the classes in a masterly way, and left no doubt on the minds of the exhibitors when he handed out the rewards. The Scottish Terrier "Gale May Flower," owned by Geo. Kynoch, was chosen by Mr. Meyer as the "pick of the flock." This female just asked for the ribbon, and no one could deny her getting it.

Most of the exhibitors found time between the judging hours to visit the World's Grain Show, truly a magnificent display of exhibits that will never be forgotten. We are proud of the fact that J. C. Mitchell, of Dahinda, Sask., an ardent follower and exhibitor of the Smooth Collies, is also a past Wheat King, and this year divided his time between exhibiting his dogs and carrying out his duties on the executive of the wheat board. It would be impossible to mention in these pages all the exhibits and exhibitors who attended the Regina Show. So we confine our notes to those who were good enough to send their news along. This method, however, does not always prove successful. This last month I got the "once over" for not being a mind reader. Good thing we can take these little scoldings with a smile.

The next big event to record was the Eleventh Annual Summer Show at Saskatoon. President G. C. Hanselman and his staff were on the job every minute of the day and night, too. The show this year was held in the stadium building, a splendid location for the purpose and large enough to easily accommodate a four or five point show. Jack Ayre had the classes all arranged and timed to make the judging interesting over the three day period. Art Picard, the Winnipeg judge, was most painstaking in his work, and carefully went over each dog. There were no hurried decisions, for all the dogs could quite easily have been judged in a day. We appreciate the quiet, cool manner in which Mr. Picard goes about his work, always leaving the feeling that he has placed the exhibits just where they belong by

merit on the day. We must offer a word of congratulation to the Saskatoon Club for their splendid new benching. The lumber for the benches, we understand, was donated by a kind hearted follower of the fancy, and the work of making the benches was all done and donated by Frank Jackson of Bulldog fame. Frank must have had some of his bulldog pluck, to have stayed with the job to a finish. The benches are made in sections of four or five and so constructed with hinges, hooks and eyes, that the sections can be quickly folded up for storage or erected for use in a few minutes. Probably, before next season, some good fancier will offer to paint the benches in Saskatoon colors. This would prolong the life of the benching and enhance its beauty. The ring was encircled with a portable fence that can be placed in any position, then rolled up for storage purposes. Another feature we, as visitors to Regina and Saskatoon Shows, all appreciated, was the friendly hospitality, perhaps it is this friendship and good-will amongst fanciers that makes the dog show game so fascinating as it is. The banquet held in the Saskatchewan Hotel, Regina, was a great success. "Walter Pym," Regina's President, presided, and after justice had been done to the sumptuous dinner, Mr. Pym called on the visitors for a talk. We found this to be most interesting and practical. It would be better for the fancy if we could meet together more frequently and ventilate our opinion at such social affairs. At Saskatoon we were also subject to the greatest kindness. In fact, it was a matter of drawing up a programme in order to try and fix in all the invitations so cordially extended. On the last day the President, Mr. Hanselman, provided a Dutch lunch for all the members and exhibitors, a real gathering. After the lunch, speeches were in order and all voted that we had spent a happy and profitable time. In the past, there has appeared to be some misunderstanding among the fancy with regard to points obtained at the recent shows. At Saskatoon, the Manitoba and Saskatchewan directors, Mr. Geo. Kynoch and Dr. Cooper, made this quite clear, and general satisfaction was expressed among the rank and file. It seems very evident that the Western fancy are opposed to any alteration in the rating system at the present time. Several expressed an opinion that any alteration would be fatal to the future success of our Western exhibitions. It means a lot of hard work, plus endless enthusiasm, to stage a show at all. Saskatoon worked harder as a body to stage a one point

show this year than was necessary, a few years ago, for a three point. The same applies to other cities and a pile of credit is coming to the men and women who persevered to make even a one point fixture a possibility. The men and women fanciers of the West are abounding in faith and can be relied upon to persevere and keep up the good work. They have faith in their directors to do the right thing and carry out their united wishes at the annual meetings, and further, they have great faith in the Canadian Kennel Club and its officers as a whole, believing the future has great opportunities and that the Dominion will stand out as the greatest dog loving country in the world. The general excellence of our dogs stands second to none. We were a little more favored with news notes this month, so will endeavour to get them written up.

We are glad to report the English Setters owned by Dr. Irwin Robb, of Regina. It is about twenty years since Dr. Robb first became interested in this beautiful breed, and has steadily made progress since then. Another time we may give you the various dogs that have passed through Dr. Robb's hand, feeling sure this would be interesting news to breeders. The climax of the breeding programme is the production of a litter from the bitch, "MacAllister's Orange Lily," bred by Dr. J. E. Hair, Bridgeport, Conn. "Lily" was, in turn, mated to "Ch. Blue Dan of Happy Valley," whose wonderful record is well known, both in the field and on the bench. Four of the puppies were shown at Regina Exhibition, and they had only just passed the 6 months' limit. No doubt Enno Meyer, the judge, had quite a task to separate them, a more even bunch of puppies, all showing such excellent quality, would be hard to find. Mr. Meyer found his Winners Dog among the three, with "MacAllister's Orange Lily" bowing gracefully to E. Chevrier's beautiful bitch, "Maesydd Merry" for Reserve Winners, "Merry" adding further laurels to her crown by winning Best of Breed.

For the first time, Geo. Roast, of Regina, has favored our page. We are rather surprised that Geo. has not been a constant contributor, for few men have handled more clients' dogs at Regina than he. Also his own kennel inmates including Setters, Springers, Bostons, etc., dogs that have been at, or very near the top. No doubt George received quite a thrill when he campaigned the Curly Coated Retriever, owned by J. Brunner, to the best sporting dog. "Ch. Darkie O' Boy" is a well known exhibit, and we congratulate both handler and owner on their suc-

cess. We understand this Retriever has never suffered defeat, and has been Best Sporting Dog on three occasions. Mention must also be made of Mr. Roast's English Setter, "Heather Grouse," this bitch was awarded two firsts and two specials at Moose Jaw, also giving a good account of herself at the Queen City.

H. Middlemas, of Regina, has purchased the well known Scottish Terrier bitch, "Gale Mayflower." Geo. Kynoch, her previous owner, considers her to be one of the best of her breed in Canada today. Her winnings in the ring prove her worth, and she is a great producer, her last litter contained nine. "Gale Mayflower" was shown under Mr. Picard at Saskatoon, where she once more went to Best Dog in Show. Her sire is "Ch. Sella Mac" (Imp.), her dam, "Mayday Mollie" (Imp.), she will give the Scotties in the West a great boost. She will be bred to her owners imported stud, "Ruglen Rabbie." Further sales are reported from "Wyrecote Kennels" include a Scotch Terrier female, five months old, to Harvey Brock, Regina. She is by "Ch. Ruglen Rabbie" (Imp.) out of "Heather Sunflower" (Imp.)

Walter Pym, of Bron Wyn Kennels, Regina, has had marked success with his Wires, his "Bron Wyn Stormfiend" getting Winners at Regina and Saskatoon with "Bron Wyn Obah Toba" Reserve. The females were equally successful, "Bron Wyn Queenly" and "Dark Blossom" getting first in their respective classes.

Glendhall Kennels, Yorkton, have made several sales, also several purchases during the past month. An Irish Terrier puppy, "Glendhall Kelly II" to Mr. Smallman, Regina, and a female Scottie puppy to Mr. T. Webster, of Ponoka, Alta., "Glendhall Thistle." Mr. McLeod also reports that "Haldon Rainbow," the recently purchased winning Scottie, has presented her owners with a nice litter sired by "Haldon Minstrel," who went Best of Breed in Montreal and again at Halifax this summer, completing his championship. The "Mac's" are looking for something good in this litter.

Glendhall Kennels are also adding "Bostons" and have purchased "Bell Rock Paddy Intruder" from "Bob" Carter, Assiniboia. "Paddy" has made a good showing this season. The bitch, "Bell Rock Daisy Hagerty," has also been purchased, and will remain at "Bob's" "Bell Rock Kennels" until mated to "Reigh Counts Sensation," the little dog that has brought so many honors to Bell Rock Kennels in a short season, his latest win being Best in Non-Sporting Group at Saskatoon.

Hans Rothgardt has added more championship points to the records of

his Saint Bernards since our last report, his "Cypress Carmen" going to Best of Breed at Regina. Those interested in Huskies should get in touch with J. S. Bower, Regina. Mr. Bower exhibited enough dogs to make a real good sled team, all these fellows were of one type, all big and strong, they made a good showing, and appealed to the ringside. Mr. Bower hopes to keep this Canadian dog before the public, and hopes that others will take up the breed, and help to get it firmly established.

One of the most enthusiastic fanciers we have met for a long time is the owner of the O' the West Kennels. R. M. Holt took up Schipperkes a few years back, and has shown fearlessly under judges at all the Western cities, as far as Vancouver and east to Winnipeg. At Regina, "Royalist O' the North" completed his championship. The little "Skipper," "King O' the West," a 13 months' old dog, obtained 5 points at Winnipeg, and has since been sold to a fancier at Edmonton. While her owner was at Calgary, "Diana O' the North" introduced three nice puppies to the world, their sire being "Royalist O' the North." We are glad to see this interesting breed becoming more popular, and larger classes will be the result in the near future.

Another new face to the Smooth Fox Terrier followers was F. E. Braine, of Saskatoon. Mr. Braine owns the Smooth "Gebfo Democrat," bred by T. S. Capel, Ottawa. Sire, "Ch. Little Snip Snap," Dam, "Cotton Fly Girl" (Imp.). It is the intention of Mr. Braine to secure a female of equally good breeding as his dog and breed a few Smooths. It is most encouraging to see a few more Smooths making their appearance.

At this season's shows, Mr. Sikorski, Winnipeg, has had a nice brace along in "Ch. Danby Mogul" and "Sutton's Bona." Then Walter Pym has the Smooth bitch, "Your Choice." A Yates, Saskatoon, has "General Maxwell," needing only a couple of points. W. A. Childs with "Immortal Longing," cleaning up the Winners and Best of

Breed. By the way, we saw a couple of dandy females at the Childs' home.

The writer has shown "Mutual Darella," each time going to Winners—she is by "Ch. Suttons Gwynne Darrell," and out of "Ch. Danby Molly." There is lots of room for more Smooths.

The thrill of the Toy section at Saskatoon was the placing of Mrs. Fred Eagle's Toy Poodle, but in this section "Fairfield Toodles," who is only seven months old, won over her kennel companion "La-Chere." The young lady was prepared and handled by Mrs. Monty Wallace, who had her looking perfection in her spotless white costume. Of course, the credit for her ring manners goes to her owner, Mrs. Eagle, who takes a great pride in this interesting variety. At the time of our visit, there were 7 or 8 of these dogs, and all were whiter than the snow. Mrs. Eagle has seen her dogs handed many ribbons over a number of years but this was the one big day, when the puppy went "over the top."

Monty Wallace is usually associated with Newfoundlands, and, of course, Monty won the Working Group with his "Ch. Shelton Cabin Boy" (Imp.). His good bitch, "Thalassa of Drumnod," went to Winners. Naturally we were anxious to know why Monty was so interested in a certain Sealyham. Mervyn Lloyd proved to be the owner of the dog in question, but it was in Monty's charge at this show.

We understand Lloyd is a nephew of the well known authority on dogs and hunting, Freeman Lloyd, and has kennels and training grounds at Green Lawn, Alberta. His exhibit in the Sealyham Terriers was the imported dog, "Manorbier Mascot," bred by Miss Hilda Thomas, Wales. His sire is the well-known "Brash Benidict," his dam, "Moselle o' Manorbier." "Mascot" was beaten for Best of Breed by Dr. A. W. Hogg's Winnipeg entry, "Felcourt Select," a female handled by George Kynoch.

Mrs. A. Henderson, of Winnipeg, entered her Chihuahua at both Regina and Saskatoon. This tiny specimen, named "Ramona," won the winner's ribbon at both shows, defeating the writer's "Santa Juana II." "Juana" was bred by Mrs. Gwen Smith, Moose Jaw and was sired by "Champion Perriot Meron," imp., and out of "Santa Juana," imp. We were pleased to hear there are two more of these interesting little Toys in Winnipeg, so next year there may be keener competition. No doubt these terrier like little dogs will become popular as they become better known and understood. The short hard coat is easily kept in perfect condition. They are keen

guards and born hunters after small vermin, and come in a wide range of colors.

"Tim Healey," the newly acquired Irish Terrier, came into his own at Saskatoon, collecting the purple ribbon. "Ardbahn Patricia," also did her part and was awarded Best of Breed. This more than completes the necessary championship points for "Patricia," and makes the third daughter of "Ch. Culbahn Molly," imp. to become a champion. Mutual Kennels have sold all "Ch. Culbahn Molly's" litter, and have two other litters by "Ardbahn Tim," he by "Culbahn Con." At Saskatoon, "Mutual Defiance," female Wire by "Thet Trio," imp, was placed Reserve to "Hughie Allen's," "Antrim Wedding Belle," who completed her championship. Howard L. Riome was successful at Regina and Saskatoon with his Whippets. At Regina "Flying Nomad" went Winners Bitch, with his "Ch. Calgary Silver Slippers" receiving Best of Breed. At the Hub City "Flying Nomad" went Winners.

The Wires, "Mutual Information" and "Mutual Soloist," both sired by "Thet Trio," imp., have litters sired by "Talavera Tantalus," imp. Both the latter studs are owned by J. R. Kennedy, Vivadora Kennels, Toronto. These litters by "Talavera Tantalus" will be carefully watched for show prospects. "Farncliffe Dora," by "Osmundthorpe Wire Boy," also has a litter sired by "Mutual Perfection," he by "Int. Ch. Beckside Bonus."

Owing to the Western circuit shows being over, fanciers should have a little more time to send in news of their kennels. We must not overlook the necessity of reducing stocks before the cold weather sets in. **Kennel and Bench** reaches practically every country in the world, and therefore is the best medium to advertise your surplus stock. With the interest revived in the game birds of Saskatchewan, a market should be opened for bird dogs; why not tell the other fellow just what you have for sale. Birds liberated from Moose Jaw's Wild Animal Park have been seen in many points of Saskatchewan, and in a few years will be found all over our province. The pheasants will probably be protected for a couple of seasons.

Friends of "Paddy" Driver will be pleased to know that he is able to be around once more, after a close call in an auto accident. For quite a time Mr. Driver was confined to Regina Hospital, where at first he was in a very dangerous condition, but thanks to a rugged constitution and a "never-say-die" spirit our good friend pulled through. Paddy shows signs of the damage to his nose and jaw and must

"Where can I buy the best Life Insurance Policy?"

Several things enter into the consideration of this important subject. What is the premium rate charged? What dividends are given on the policy? Is the company economically managed so that its future prospects for dividends are good? Does it earn a good interest rate?

WEST HIGHLAND WHITE TERRIERS

Open and Winners Bitches and Best of Breed—J. D. Wade's Ardsheal Morvern.

ODDS AND ENDS

If you take the matter of breeding seriously, you should subscribe for "Kennel Science," edited by Leon F. Whitney, New Haven, Conn. Mr. Whitney is the author of the book "The Basis of Breeding," and he knows all about bringing science into the kennel to a breeder's advantage.

Genial "Tommy" Grisdale is back in harness again and will judge Bulldogs, English and French, at Camden County Kennel Club on September 24th, and who knows these breeds better than Mr. Grisdale, may we ask?

"Int. Ch. Dainty o' Toole," bred right in Toronto by Mrs. A. R. Kittermaster, is now kennelled at Portland, Oregon, and no doubt the new owner, Mrs. M. Bingham, will produce some good Pomeranians from this wolf sable daughter of "Ch. Schoty o' Toole," ex. a daughter of "Glen Rose Flashaway."

George Steadman Thomas is back in England. On the way over his judicial eye appraised an iceberg to be 1,000 feet high and a quarter of mile long. Mr. Thomas does not say whether he considered the iceberg to be in proportion or not.

There were as many Great Danes at Aurora as there were German Shepherd Dogs. In fact the Danes passed plenty of breeds heretofore considered as being popular, and the best is yet to come, they say.

Wires, Scotties, Cairns and Beagles were all strong entries at the same show. Sixteen of the latter breed in competition and thirteen for exhibition only. Seems to suggest that Beagles are catching on, too.

Five Dachshunds and seven Keeshonds found plenty to admire them at York Kennel Club Show. The long-haired Dachshunde was a sleek, silky looking dog suggesting tip top condition on the day.

We are nearing the end of our dog show calendar for 1933. By the time these notes appear in print, the Canadian National Exhibition, Ladies' Kennel Club (Montreal), Western Fair and London Canine Association fixtures will be happening, or getting ready. Then Welland Kennel Club will function on September 27 and 28, with Alex. Stewart of Chicago and Airedale fame doing the judging. Boston Terrier Club of Toronto, Specialty, and Fort Garry Kennel

Club at Thanksgiving time, then the National Kennel Club during the Royal Winter Fair, then curtain, unless Greater Winnipeg Kennel Club and Alberta Kennel Club surprises us by holding shows around Christmas.

We hear that Mrs. J. R. Kennedy of the Vivadora Kennels, Toronto, has sold her imported Wire Fox Terrier, "Thet Trio," good producing son of "Ch. Bean Brummel of Wiloaks," ex. "Simons Dimple," daughter of "Talavera Simon". J. Proctor, Toronto, is the new owner. Another to leave the Vivadora Kennels for a new home is the imported bitch "Cypris," who has gone to H. B. Savage, Little Rock, Ark., U.S.A.

The latest arrivals at Vivadora are five Wire puppies by "Talavera Tantalus," ex. the consistent winner, "Ch. Lights o' Loomland". Five from this union made their appearance on August 2nd.

Harold Shaw, Toronto, has been elected president of the Boston Terrier Club of Toronto, replacing R. H. D. Sims, who sought to be relieved from the post he had held for three years because of health reasons.

Mrs. W. C. Edmiston, judge, handler and writer, of Ralston, Nebraska, is now in England looking for a first rate Peke. No doubt we will find some new faces in the Pekingese section at Westminster next February.

We notice that every judge invited to officiate at the forthcoming Westminster Kennel Club Show will be professionals. In this respect Canada has always been strong for the same arrangement.

Fox Terrier breeders (both coats) should have a copy of the Wire Fox Terrier Association's Year Book as edited by A. A. W. Simmonds, if they are to be informed up to the minute on all matters pertaining to the Fox Terrier breed in England.

Capt. H. Dudley-Waters, Highland Creek, Ont., will judge most of the Terrier breeds at the forthcoming New York State Fair, September 7-8.

Walter Lee, Welland, Ont., will judge all Setters, Pointers and Irish Water Spaniels at the Erie County Field Dog Club Show at Hamburg, N.Y., August 30, 31.

Some smart Foxhounds—English and American—were greatly admired at the

York Kennel Club Show. Several from England recently were really attractive.

Lt.-Col. Frank H. Addyman, Mayor of Ardsley, N.Y. When in the "Big Scrap" it was Major Addyman. Now it is Lt.-Col. Addyman of the 77th Division, so Lt.-Col. F. H. Addyman has been advised by the Army Department at Washington, D.C. Congratulations, Colonel!

There were 2,155 dogs, making 4,277 dogs in 912 classes at the Richmond show (England). This was an open air fixture, such as the Morris & Essex, and the York Kennel Club. We are going to have more open air shows in Canada—wait and see.

Shepherd Dog breeders should read Miss Marie J. Leary's article in "Popular Dogs" issue of August 5th, 1933, if in need of encouragement to pep them up. Miss Leary is a doughty warrior in the cause of the Shepherd Dog, and morning, noon or night she is always ready for the fray in defence of the breed that lies closest to her heart on her own admission.

Colorful Vinton P. Breese of Caldwell, N.J., is again kneeling by the "Woolsack". "Vint" will judge at Tuxedo Park, N.Y., on September 16th, 1933.

There are many heartaches in dogdom, many that we hear about, and plenty that are borne in silence. "Pett of Wallon," a German Shepherd dog which first saw the light of day in England during March, 1924, had been the friend and associate of Mary Macmorine, Kingston, Ont., for the last five years, but "Pett" died recently, and this is how her owner takes the loss:

The Late Pett of Wallon (Imp.) (55292)

Born: 11th March, 1924, in England.

Died: 17th August, 1933, at Boldrewood Kennels, Kingston, Ont.

Full of years as dogs go, but alert, vigorous and true to the last. Unexpectedly "Pett of Wallon" quietly died in her sleep on Thursday, 17th August, 1933.

Though missed she leaves behind her a very beautiful young son, "Lucky von Boldrewood," who is the image of his late mother.

As the shades of night were fleeing
O'er the darkening purple sky.

In her slumber gently dreaming

Dear old "Pett" passed out to die.
Oh! Thou heart so true and loyal,

Courage dauntless, fear unknown,
Tell me surely, thou wilt meet me
At the Gate beyond the Throne.

—Mary Macmorine.

Did you notice the little poem written by Winnifred D. Blood, which appeared in our valued contemporary "Popular Dog," issue of August 19th? and captioned, "To Benny Lewis." It is a positive denial to the suggestion, so oft made, that there is little of human feeling in modern dogdom. We believe that the heart of our sport is as big and as warm as ever it was, possibly more so to today than it ever was before.

But let Miss Blood give as an example:

"The call came suddenly, and found you where

You loved to be, at work with your whole heart;

Life surged about you, death a thing apart,

Yet all at once you looked—and it was there.

Softly it came, mysteriously, to tear You from the life you loved and made an art,

To bid you go, alone, without a chart, And leave the world that you had found so fair.

"So suddenly, so quietly, so still, Time and Eternity approach and meet; The bustle of the ring, the noise—then, hark!—

You seemed to stand upon a peaceful hill,

There came a patter and a rush of feet

And all the air was filled with welcoming barks."

(Courtesy "Popular Dogs").

DOGS FOR FEATHER AND FUR

Auction sale of foxhounds and beagles will be an unusual feature of the Bryn Mawr Hound Show this year. The 17th Annual Bryn Mawr Hound Show will be held on September 27, 28 and 29 at Bryn Mawr, near Philadelphia, simultaneous with the 37th Annual Bryn Mawr Horse Show.

The Bryn Mawr Hound Show is considered the prototype of the great Peterborough Hound Show in England. The Bryn Mawr Show is under the auspices of the Masters of Foxhounds Association of America and the American Foxhound Club.

On the first day, American foxhounds are judged; on the second day, English and cross-bred hounds and on the third day, beagles. There are classes for dogs, bitches and packs. The Second Rose Tree Challenge Cup, offered by that hunt, is for the best American stallion hound, and the Second Huntingdon Valley Hunt Challenge Cup is for the best American bitch hound. The Third Boggestowe Cup, offered by Mrs. J. Stanley Reeve, is for the best American or English bred stallion. The Vernon-Somerset

Challenge Cup, offered by Richard V. N. Gambrill, is for the best five couples of beagles.

WELL KNOWN TORONTO FANCIER DEAD

Arthur F. Godson, Toronto, a member of the noted firm of contractors bearing his name, died, after a long siege of illness, on Wednesday, August 9th. Mr. Godson favored sporting dogs exclusively, and was particularly fond of the hound family. His enthusiasm was on a par with the man himself, large and robust. Bloodhounds of note were imported from the best known kennels in the United States, several came all the way from England, and Mr. Godson was wont to work the Bloodhound and the American Foxhound together, the former for his scenting power, and the latter for the real job of hunting, and he believed that a cross of the two breeds would produce the ideal hunting dog.

The late Mr. Godson joined the Canadian Kennel Club at the end of January, 1918, until the end of 1932, and no doubt he was still a member in spirit at the time of his death. We regret the passing of Mr. Godson and extend our sympathies to his wife and son.

DISTEMPOUT—ON THE NOSE

Kennel and Bench had the pleasure of meeting Mr. R. A. Miniely, of Dunblane, Saskatchewan, the other day, and we were thrilled as we listened to the almost unbelievable story of success which has followed "On the Nose" since the first day it was made available to the dog lovers of Canada, and the United States.

We do not say that "On the Nose" will cure distemper, but Mr. Miniely showed us a portfolio of correspondence which he had received from literally hundreds of the larger kennels to say that it will—and does. The demand for "The Tested Specialties" has been a revelation to Mr. Miniely, and to meet his market he has arranged for a 100% increased production over last year, so that no one will be disappointed, or kept waiting for supplies.

AIREDALES BY THE DOZEN

That is how the Airedales arrive at the Rockley Kennels of Sid Perkins, Toronto, in the good old summer time. "Quality Peggy" (Imp.) (Ch. "Junemore Bonnie Boy" ex "Brompton Miss Quality") recently produced a litter of six males and six females, the sire being Ch. "Warbreck Mixer" (Imp.) (Ch. "Clee Courtier" ex a daughter Ch. "Flornell Mixer"). Eleven of the twelve have assured Mr. Perkins of their intention to live and to do their share for the breed in Canada.

The Alberta News

By Provincial Contributing Editor,
C. H. PARK, Medicine Hat, Alta.

It was with a feeling of relief and satisfaction that the writer read the announcement in the August number of *Kennel and Bench* that the old scale of championship point rating is still to be in force outside of Ontario. This must have been shared by all fanciers to whom this rating applied, judging by the adverse comments that had been heard around the different shows. In this regard, congratulations are due our hard working Alberta representative and his committee, as we understand that a meeting was held during the Calgary show week, and as a result strong representation on this point was made to Toronto which, with the strong backing of other club representatives, had the desired effect.

We understand the Alberta Kennel Club is seriously considering the idea of staging another show this fall and we believe that a meeting to forward this idea is to be held this week, the show to be held in October or November, and it is the hope and intention of "Big Chief" Ritchie, and his able executive, to obtain a three hundred entry. Well, here's wishing them all the success in their laudable endeavors. It is to be hoped that the fanciers will back this idea to the utmost with their entries.

Very disappointing indeed was our inability to attend the Edmonton show as had been our intention, but we were represented in the entry list. From all accounts the show was a pronounced success, and a three point entry faced Jack Fletcher in his capacity as judge and crowned the efforts of Secretary Young and his executive. J. G. Young also had the pleasure of seeing his good Scotty, "Normandy Ascot," go "Best Dog in Show." Congratulations. The writer is also receiving congratulations on his Smooth Fox Terrier bitch, "Calgaree Chosen Damsel," having been admitted into the charmed circle of champions, having obtained her final qualifying point at Calgary. "Damsel" was bred by John E. Hunter, of Calgary, by "Ch. Prides Hill Resultant," which was, unfortunately, killed in a kennel fight, her dam being that beautiful bitch, "Shaughnessy Oates," which dog "Damsel" defeated in the Open Bitch class at Calgary when gaining her qualifying point.

From Mrs. Florence E. Jullien, of Calgary, whom we regret to hear is indisposed and hope is now recovered, comes the news that the German Shepherd Dog Club of Alberta is hoping to have a Field Trial in the early fall; the exact date has not as yet been ascer-

tained, but it probably will be on one of the holidays in the fall season. The Club is hoping to have several dogs from Lethbridge and from the Eastern part of the Province. They hope to be able to announce at an early date who will be appointed to judge the trial. Any person in the Province who has a trained dog and who may be unknown to the members of the Club is asked to get in touch so that they may be furnished with a copy of the exercises that are required for trial work. The trials are to be held in Calgary for this year, but it is planned to change the location every year so that as many as possible may see the dogs at work, which is most interesting.

From the Calmas Kennel of our C.K.C. representative, Geo. Climo, comes the news that "Lucky Girl" is nursing three male pups, they being of the same breeding as this year's winners and they are certainly beautiful pups. "Calma's Jelsen" has been bred to "Crusader," and this mating is expected to produce something good. "Calmas Lady Winsel" has been mated to "Calmas Recorder". George has just disposed of a beautiful red pup, "Calmas Field Marshall 2nd," the purchaser being H. P. Saunders. He is also receiving numerous enquiries re stud services to "Calmas Crusader," but at the present time he deems it advisable to withhold him from public stud as his age is against him. "Calmas Quality Girl" has been entered at the Canadian National Exhibition, and in all probability "Crusader" will go to the Coast. He further advises that he has received word from Mr. Strachan advising that the old point rating will remain in effect until rescinded by the members, and the new rating will apply to Ontario and to Ontario only until rescinded. In the C.K.C. report of the Calgary show the win of Geo. Climo of Best Canadian-bred is left out and we trust this is only an error on somebody's part.

D. B. Young of Shaughnessy, President of the Southern Alberta Kennel Club, says: "I have been very busy lately and my kennel is increasing, which is a constant demand on my spare time. As you well know, a kennel of twelve dogs takes a lot of work to keep them all in shape and the kennels clean. I get a great kick out of my hobby and I enjoy it. I was unable to attend Calgary or Edmonton this year, a fact that I very much regretted, but, as with us all, business comes first. We as a club are quite satisfied with our efforts at putting on a show and hope to do much better next year. We have the satisfaction of knowing that our show paid its way which is a little more than most of us expected. We feel that because of our show, a few more fanciers will be out to support

us next year. So "watch our dust." Personally, I was very pleased with the way dogs of my breeding acquitted themselves at Lethbridge. In Springers, 1st Novice, 1st Can.-bred, Winners and Best of Breed were bred in my kennels; also in Pointers, 1st Open Dogs, Winners and Best of Breed were bred here. As usual, I hope to do better next year. My Scotty bitch, "Glendhall Johanna" has presented me with six pups, four males and two females, born on the 8th June. They are now two months' old and all look pretty good. Their sire is "Haldon Baronet." In Springers, I have bred my "Aristocrats Ideal" ("Ch. Aristocrat of Avandale" ex "Placid of Avandale") to "Kootenay Emperor" ("Ch. L'ille Messenger boy" ex "Kootenay Belle"). If blood lines and type count for anything I should have something good here. "Little Mistress of Burnside" is also bred to "Piyami Prince," the dog who did so well at Lethbridge. My Wire Haired Terrier bitch is also showing in whelp to a dog of your breeding. I expect to breed both my Setter bitches next month. You will see from that line up I am in for a busy time. To date, I have sold every available pup I had except the Scotty pups and they are just ready now. Naturally, as the grain turns golden and the ducks begin to fly, we think of shooting again; get the old shotgun oiled up and ready for action. The little Springer bitch I showed at the "Hat" is all ready for the ducks and she is a very reliable retriever. My bird dog is a Setter, "Dennis O'Brien" and he is rarin' to go. He was Reserve Champion at the Alberta Field Trials this spring at Calgary. Back in 1929 he was Champion of the Alberta and Pacific Coast Field Trials, so you will see he is no dud. "Duke" Wellington has a male Springer pup from "Golden Oriel" and "Kootenay Emperor" with which he hopes to clean up next year.

Secretary J. Clelland has a litter of nine pups from "Ada of Picardy" and "Nappo Von Westfalenheim," who were both winners at Lethbridge. According to Jimmy, they "are all coming champions," however, we will wait and see. A cheery letter from Vic Williams from Vancouver tells us that he was thinking of us on May 24th and wishing he had been with us, and the wish was mutual. His friends in Alberta, and they are numerous, will be glad to hear that his latest venture, manager of the Live Stock and Pet Dept. for Woodward's Ltd., is a success, and he is in a business into which he can put his whole heart and soul. He wishes to be remembered to all the boys.

 LLOYD BROS.
 Greenlawn, Alta., Canada

From Mrs. James Waite of the Sun-
 dance Kennels, Cochrane, who was at
 Calgary Show and who was one of the
 few Alberta fanciers we did not have
 the pleasure of meeting, comes the fol-
 lowing cheery contribution: "As an in-
 terested Alberta member of the Cana-
 dian Kennel Club, may I send in a few
 notes, hoping you may find room on our
 nice newsy Alberta page of **Kennel and**
Bench for them. My breed is Black
 Pomeranians. You will have record of
 the show awards from Calgary, but I
 might just say that the 7½ months' pup
 that I showed is a real beauty, being
 under four pounds and has many
 splendid points (though not very well
 trained for show). He is 'Sundance
 Mahatma,' and I believe shows every
 sign of being a better show dog than
 his sire, 'Melbourne Black Abbott,'
 who went Reserve Winners over some
 imported orange on July 24. I also
 have two very lovely litters just now.
 One is out of 'Cairnside Mimi' by 'Mel-
 bourne Black Abbott,' three females,
 solid black and as like as three peas. It
 is an exceptionally even and pretty
 litter. The other is out of a daughter
 of 'Cairnside Mimi,' 'Sundance Prin-
 cess,' and sired by 'Melbourne Black
 Abbott.' We were unfortunate in los-
 ing the little male of this litter at birth
 and the little mother is left with one
 female born July 15th, the other litter
 coming one week earlier. This young-
 ster is also solid black and shows every
 sign of being in the same class as her
 older brother, 'Sundance Mahatma.'
 Judging by the enquiries at the shows,
 the black color is not the past tense of
 the Pomeranian breed, but is very much
 the present, and seems to be increasing
 steadily in popularity. We very much
 enjoy **Kennel and Bench**, but it seems
 only natural to turn to the Alberta
 page first and it seems to be more in-
 teresting this year than ever and we
 extend our best wishes for your con-
 tinued success."

We welcome this month a newcomer
 to our columns in the person of John
 J. Patterson, Mill Creek Newfoundland
 Kennels, Edmonton, who says: "This
 will be my first, but I hope not my
 last communication to you since your
 appointment as Provincial correspond-
 ent to **Kennel and Bench**. I have had
 no news of interest to report up to last
 month. I have a nice litter of nine
 puppies, five males and four females,
 born July 2nd, by my dog, 'Turk 2nd'

out of 'Caradoc Mermaid.' I had no
 sale for puppies last year so have kept
 only the males. I have sold one to
 date and have other four to dispose
 of. I could not show any dogs out of
 town this year for financial reasons,
 but had three at Edmonton last month.
 'Turk' and two of his last year's pup-
 pies between them took two Reserve
 Winners, five firsts, a special and three
 seconds. I will be pleased to advise
 you of any happenings of interest in
 my kennels as they arrive."

Owing to a misunderstanding, we
 were not able to include notes from
 Trevalle Kennels as both the writers
 were at Calgary show at the time the
 notes were due in, however, it is nice
 to know they were missed, judging by
 the enquiries received as to their
 whereabouts, so it is with pleasure we
 are able to include them again this
 month. "The summer months are
 rapidly passing away and already the
 puppies are developing so that they
 may be sorted out. By the time this
 gets into print, the summer shows will
 be of the past. I was pleased to meet
 many of the Southern Alberta dog lov-
 ing fraternity at the Calgary show,
 where an enjoyable couple of days were
 spent. I was also fortunate in having
 the opportunity to see the newly im-
 ported Sealyham belonging to Mrs.
 Kerfoot of Cochrane. He arrived a day
 or so preceding the show from the
 Manorbier Kennels, S. Wales, and is
 a son of the English "Ch. Manorbier
 Molly." He is a particularly nice dog
 and should be a valuable addition to
 the breed in Alberta.

It is also interesting to note the in-
 terest that is now being taken in Labra-
 dors. Without any doubt they are a
 suitable and serviceable Retriever for
 this climate. The Honourable Dudley
 Ward, who now resides in Calgary, has
 recently imported some fine specimens.
 I am looking forward to seeing these
 dogs at work during the season, as it
 will be interesting to see the dogs,
 trained in England, in the field under
 our Western conditions. At home, we
 have some nice litters of Springers and
 also a litter of six Setters, sired by the

U.S. Grouse Dog Champion ex "Tra-
 vallen Beryl." They are all doing very
 well and should be a nice age for hand-
 ling in the field next summer. The
 training season is in full swing now
 and the birds are becoming strong on
 the wing. The very dry season does
 not seem to have hindered their pro-
 gress in any way, and the prospects
 for the shooting season are bright. We
 are fortunate in being located near the
 Saskatchewan River, which will ensure
 plenty of water for the ducks during
 migration, since many of the sloughs
 have become quite dry. There will be
 an abundance of food left on the fields
 for all feathered game, as the very
 short straw will render it impossible
 for the farmers to reap the grain
 cleanly, and much will remain on the
 ground. There is already a keen de-
 mand for well trained Springers, the
 popularity of these dual-purpose dogs
 is ever on the increase in the West.
 We have just received a nice brace
 of six months' dog puppies from New
 York. They are a mixture of the "Flint
 of Avandale" and "Powder Horn"
 strains. If they prove to be as good in
 the field as they are good in appear-
 ance, they should become a valuable
 addition to our kennel."

We must apologize for the omis-
 sion of a name in our account of our
 visit to Calgary in last month's notes
 and it was quite unintentional. We
 refer to Geo. Kirkwood, who so kindly
 conveyed us to Geo. Climo's place and
 went out of his way to show us many
 kindnesses. We understand that owing
 to illness the Carr Fox Terrier Kennel
 is being dispersed and the sales are
 many these days. The writer is re-
 joicing in the arrival of a nice litter of
 six Wires from his "Medalta Dusky
 Damsel," litter sister to "Medalta Cul-
 lud Gal," who did so well at the West-
 ern Shows and "Vivadora Masterpiece,"
 he by "Ch. Watteau Review." Three
 other bitches have been bred to this
 good dog who is siring big litters of
 wonderful puppies. The Smooth bitch,
 "Calgaree Maid of Mirth," has also just
 returned from a visit to "Calgaree Real
 Spice," "Winners Dogs" at Calgary, so
 there should be some good pups to pick
 out next year's winners from. Harry
 Champ of Cliff Kennels has been busy
 lately selling the Wire pups, a new
 fancier in Brandon having got one of
 Cliff Becky's offspring, another going
 to John E. Hunter, Calgary, and an-

other to Mr. Penland, also of Calgary. His Scottie, "Cliff Bonnie Lassie" has just returned from a trip to Calgary where she was mated to her maternal grandsire, "Ch. McWilliam of Tayside." Scientific breeding? His dog, "Vivadora Masterpiece" has also been kept busy lately, and he is siring a preponderance of dog pups.

Wm. Burrows is wearing a very confident smile these days, as at the present time he figures he has the best Springer pup that he has seen in his kennel, this being from his good blue dog "Toddler of Beechdale" and "Bridgewater Belle", and raised by W. W. Riome, of Moose Jaw. There are also two litter sisters of this dog in the kennel that should make history. Kenney Rogers' Springer bitch, "Flo of Cadillac," is also nursing a litter of ten blue roans and liver and whites by W. Burrow's "Lammond Successor," and the old stand-by "Girlie of Beechdale" has her usual litter of ten by the same dog who is full brother to "Ch. Lammond Mike," and the recent Hamilton winner, "Lammond Samny."

The writer has been very gratified with the drawing power of the advert. he is running in this magazine as evidenced by enquiries from Vancouver to Quebec, and pups have been shipped recently to Vancouver, Calgary, Lethbridge, Assiniboia, Moose Jaw and Regina. A good Boston has been sold through this kennel to Dr. Slack of Medicine Hat, and another goes to Shackleton, Sask., tomorrow, both raised in the Bell Rock Kennels of R. B. Carter and worthy sons of "Reigh Counts Sensation." Another good Boston has found a home with Dr. McEwen of Medicine Hat.

EDMONTON DOG FANCIERS' CLUB SHOW

Dogs benched, 201.

Championship points, 3.

Best in Show, Scottish Terrier, Normandy Ascot, J. G. Young.

Best in Sporting Group, Beagle, Giralda Commodore, Lloyd Bros.

Shawnigan Kennel Club, 1932, 1 point; Junior League of Vancouver, 1932, 5 points; Victoria City Kennel Club, 1933, 3 points; Shawnigan Kennel Club, 1933, 2 points.

WHEN IMPORTING DOGS

The following details appertaining to the importation of dogs are of more than ordinary interest to the Canadian breeder and importer.

Importations to Canada are for the most part from the United Kingdom. At the present time there is a prohibition on shipments from Continental Europe.

1. The buyer should make himself acquainted with the terms and conditions of sale or more specifically the place where the ownership changes hands. In general the British breeder and exporter sell at kennel and all transportation from that port is for account of the Canadian buyer.

2. As transportation charges to destination must be prepaid to the carrying company, the buyer, as a rule, leaves it to the shipper to arrange for transportation, charges for which are usually prepaid by the sender and debited separately to the purchaser. It is possible to place the whole of the transportation, kennelling, insurance and feeding with one firm. It obviates inconvenience both to the buyer and the seller.

3. The seller may wish to supply his own kennels, if so, the buyer should have assurance that they are constructed of lightest material, compatible with soundness and safety. They should have hinged doors to ensure that the animal contained therein can be easily removed from the kennel for exercise and to relieve itself. The placing of battens to fasten the dog in the receptacle should never be permitted.

4. Seller should be instructed to have a water vessel placed in the kennel. An

experienced shipping firm will always see that this is done. If it is available the human element will invariably see, whether instructed or otherwise, that the animal receives water. If one is not available, it means placing a burden on other people.

5. Importers should at all times either supply a collar and lead for their dogs or arrange for it to be done by their shipping agent. It ensures the dog's removal from the kennel to receive exercise. No dog should be shipped abroad without this all-important matter having been attended to.

6. While a veterinary certificate is not required by the Canadian Customs authorities, it, nevertheless, is preferable that this certificate be included with the shipping documents in order to avoid any possible delays at quarantine.

7. Delays on arrival can also be avoided by having pedigree certificates mailed a week before the animal. These certificates must be submitted to the Canadian National Live Stock Records at Ottawa, upon receipt of which the Department in turn issue an import certificate which permits free entry. Should this import certificate not be available in time for clearance of the animal through the Customs, a deposit of duty will be required by the Collector of Customs which will later be refunded after presentation of the import certificate and the entry.

8. When enquiring for rates, the breed, sex, age, color and marking should always be given. It will also assist the shipper if he will give as close an estimate as possible of the actual weight of the animal. If insurance is to be effected, the value of the dog should be indicated, and the shipper should consider adding the approximate cost of transportation to arrive at the insurance value. The age of the dogs, on the general insurance cover, is for six months of age and over and free of distemper. If the animal should be a bitch in whelp, this fact definitely must be stated, otherwise the insurance becomes void in the event of a claim for mortality.

9. Freight to England from Canada is at per animal and consequently weight does not matter if delivery is taken at Canadian seaboard. If the dog, however, is to be conveyed to the interior in its kennel, then the carriage to the port is on weight and consequently the weight of the container matters.

10. Anyone desiring further detailed information on any points should apply to the Livestock Department, Bush Service Corporation (Canada) Limited, 231 St. James Street West, Montreal, or National Cartage Building, Winnipeg, Man.

THIS PAGE SELLS DOGS; \$4.00 prepaid, will put your card in the BREEDERS' REGISTER for 12 months.

R-M's Prevent

“Unconscious Cruelty”

The starving of dogs may be done quite unconsciously, but it is just as hard on the dogs as deliberate maltreatment. It is cruelty to dogs to feed them improperly. Over-cooked scraps and mush may lack just those food elements which dogs require. Health, comfort and good-temper depend on the diet being balanced and complete.

Ross-Miller Dog Foods provide everything dogs need to make them strong, active and healthy, to bring out the best in their breeding and nurture. The constituents of the biscuits are scientifically blended to attain this result. The elements—proteins, carbohydrates, minerals, and vitamins—are all there.

You can rely on R-M.'s to give your dogs square meals and a square deal.
