ROYAL WINTER FAIR - - - BAY ST., TORONTO, CANADA

Meeting of the Board of Directors of the Canadian Kennel Club, Incorporated

THE regular monthly meeting of the Board of Directors of the Canadian Kennel Club, Inc., was held at the Club's Board Room, 25 Melinda Street, Toronto, on Thursday evening, September 21st, at 8 o'clock.

The President, Lt.-Col. G. F. McFarland, presided. Directors attending included Brig.-Gen. C. M. Nelles, Col. J. N. MacRae, H. A. Wilson, Wm. Stockdale and W. H. Reeves

The Minutes of the previous Directors' Meeting were read, and it was regularly moved, seconded and caried:—

"That, the Minutes be adopted."

The Secretary advised that C. A. Ward, Toronto, had appealed the finding of Greater Winnipeg Kennel Club in the Harold Bentley protest, and that Mr. Ward had the dog, "Walnut Leader" on hand for inspection.

Col. McFarland asked Mr. Ward when he had imported the dog, and if it had been shown before he became the owner. Mr. Ward advised that the dog was imported in 1930, and that he believed it had been shown before importation.

Dr. J. A. Campbell, the Club's Official Veterinary Surgeon examined the dog's ears, and gave it as his opinion that the ears had been tampered with, and after Mr. Ward and Dr. Campbell had left the room, it was regularly moved, seconded and carried:—

"That, the appeal be not sustained, but that no evidence has been brought before this Board to show that Mr. Ward, the owner of the dog, "Walnut Leader," had any knowledge of the dog's ears having been tampered with."

The Secretary referred to letters which had been received from Mrs. H. A. Ross, Brampton; Mrs. P. Proctor, Toronto; and Mrs. R. L. Wainright, Jerseyville, Ont., thanking the Board of Directors for the expressions of sympathy sent to them in their recent bereavements, and that he had received a letter of appreciation from Mrs. Col. J. N. MacRae for the wedding gift given to her husband marking the occasion of their marriage.

The President, reporting on behalf of Major Ward Wright and himself, on the matter of control over non-members, said that such control was limited to the refusal of Stud Book privileges, and it was regularly moved, seconded and carried:—

"That, the report of the sub-committee be received, and that the sub-committee be requested to draw up such rules as would extend disciplinary powers over non-members in connection with entries made at dog shows held under Canadian Kennel Club License."

The President advised that he had received copies of letters which had been prepared by the sub-committee appointed to draft the letter to be sent to the Minister of Agriculture, and commented on the general excellence of the same. It was moved, seconded and carried:—

"That, a sub-committee composed of the President and Director Wm. Stockdale be empowered to draft a suitable letter, and have the same forwarded to the Minister."

Mrs. Reeves reported progress on the labors of the Rules Committee.

A letter was read from Director A. V. Martin advising that he had inspected the Japanese Spaniels which had been imported by Leo Frank and now owned by Mrs. A. J. Davies, Halifax, and had found them to be fine specimens of the breed, and it was regularly moved, seconded and carried:—

"That, Mr. Martin's report be accepted."

The Secretary reported that he had received advice from Miss W. M. Steggall, Montreal, saying that she would send a further remittance to A. A. Williams, Warren, Ohio, as soon as she possibly could, and it was agreed that no action be taken at present.

A letter was read from J. Brancier, Toronto, complaining that he had received a third prize for his Boston Terrier, "Jubilee's Chummy Boy" from the judge, Mrs. C. Firman, Toronto, at the Hamilton Kennel Club Show held on July 1st, 1933, and that the proper placing, as acknowledged by Hamilton Kennel Club, was second prize, and that as a result he had been denied the privilege of competing for reserve winners. The Secretary advised that the judge's book upheld Mr. Brancier's contention. A letter of explanation was read from the judge, and it was regularly moved, seconded and carried:—

"That, in view of the judge's explanation, no action be taken."

A letter from the Society Canine de Monica extending hospitality to any delegate attending the World's Cynologie Congress when representing the Canadian Kennel Club was read.

A letter was read from the Canine Breeders' and Exhibitors' Association of Canada, concerning certain comment which had appeared in **Kennel and Bench.** Mr. Reeves agreed to take care of the matter.

A letter was read from Mr. Wm. H. Pym, Director for British Columbia. The letter had been prepared for the consideration of the Minister of Agriculture, but no opportunity had presented itself for its presentation to the Minister. The excellence of the letter's content was freely commented upon, and it was agreed that Col. McFarland should write Mr. Pym suggesting that the President be given permission to forward the letter, together with the letter to be drawn up by the sub-committee, and that both documents be forwarded to the Minister.

A letter was read from the International Beagle Federation suggesting an Internationally common plan of awarding Field Trial Championship points at all Beagle Trials held under either American or Canadian Kennel Club license. It was regularly moved, seconded and carried:—

"That, in the event of the ideas set forth in the communication being found satisfactory to the American Kennel Club, the Canadian Kennel Club would willingly endorse them."

A letter was read from Jack Fry, Jr., St. Paul, Minn., showing his plan for the advanced Registry of Chesapeake Bay Dogs, and it was agreed that the Secretary advise Mr. Fry that the Board of Directors are in sympathy with the plan, and to point out that the Canadian Kennel Club had not the machinery to put the plans in force.

A letter was read from the Live Stock Records which advised that W. Burroughs, Palmerston, Ont., had purchased a Newfoundland dog from M. C. Morgan, Kerrwood, Ont., and that Mr. Morgan had not renewed his membership for 1933, and was therefore unable to register and transfer the animal at non-member's rates until September 30th.

Discussion clearly showed that the Directors considered Article 3—Members—Section 7 of the Constitution was working a hardship on Canadian breeders and will arrange to modify the restrictions to something more practicable in the near future. It was agreed that no action be taken in the matter in view of the proximity of September 30th, when the application and transfer would automatically take care of Mr. Burrough's complaint.

Several letters were read from the Live Stock Records Office in connection with complaints of various parties who had purchased dogs from George Kynoch, Winnipeg, and it was regularly moved, seconded and carried:—

"That, the Secretary be instructed to notify Mr. Kynoch, that unless

satisfactory proof is furnished to this Board before the date of the next Directors' Meeting, that all standing complaints now on file have been removed, he shall stand suspended from the privileges of the Club."

A letter was read from the Live Stock Records which showed that A. and E. Warry, Edmonton, Alta., were experiencing difficulty in securing the ownership papers of the Cocker Spaniel, "Fairy Queen" (86945), taken in trade from R. A. Peterson, Edmonton, Alta., and it was agreed to authorize the Records Office, through the Pedigree Committee, to issue a certificate of registration to A. and E. Warry, showing their ownership.

A letter was read from the Live Stock Records Office re certain Thibetan Terriers imported into Canada by Miss M. W. Torrible, Victoria, which Mr. Wm. H. Pym had been requested to inspect with a view to registration, and it was agreed to await Mr. Pym's report on the matter.

A letter was read from the Live Stock Records Office re the desire of H. Shiels, Toronto, to use names in connection with registration which had similarity to the registered Kennel Names of certain members. A letter of permission to use the Kennel Name "Malabar" by the registered owner was read. It was agreed to advise the Records Office that the word "Malabar" would be permissable under the circumstances, in connection with the two dogs to be registered.

A letter was read from the Live Stock Records re a complaint made by Arthur Attridge, Fruitland, Ont., in connection with the registering of certain dogs bred by Dr. H. D. Nelson, Guelph, Ont., and it was agreed that the Secretary be instructed to advise Dr. Nelson that the dogs sold to Mr. Attridge must be registered and transferred as required by the Rules of Entry.

A letter was read from the Live Stock Records Office re the transfer of certain "Wizbang" dogs whose identity could be established, and it was moved, seconded and carried:—

"That, the Secretary advise Mr. Brant that the ownership of such dogs whose identity had been established, and now being held up through Mr. Alexander's failure to furnish necessary information, be now declared by the Records Office."

A letter was read from the Live Stock Record Office, re a litter of dogs born on January 1st, 1932, and recorded at the Records Office in the name of D. L. MacRae, Toronto. Several of the litter had been sold, but the owner had left Toronto, and his whereabouts were said to be unknown. Applications accompanied by affidavits had been placed on file, and the matter was now referred to the Board of Directors, and it was agreed, that in each case where an application was protected by an affidavit, that the Registrar be empowered to register and transfer individual dogs of the litter on behalf of the parties proving ownership.

The Secretary advised that he had not received a report on the J. St. Onge, Montreal, complaint, from the Quebec Provincial Committee.

The matter of recognizing certain English Stud Books other than those of the Kennel Club, for certain breeds of dogs was considered, and the Secretary was instructed to ascertain whether or not the Keepers of such Stud Books would be in a position to meet the requirements of the Records Office and to draw up the necessary amendments to the Constitution to care for this new phase of registering.

GIVING CORRECT DATE OF BIRTH

Exhibitors should consistently endeavor to give correct data in connection with dogs entered at licensed shows, and it would be wise to have registration certificates before you when making the entries, for the reason that every entry is checked at headquarters from duplicate certificates on file at Canadian Kennel Club headquarters.

Quite recently, four dogs from one litter were shown at one of our Western fixtures, one was said to have been born on April 2nd, 1931. Another, September 12th, 1931. Another, June 5th, 1931, and still another, April 24th, 1931.

There can be so possible excuse for our being offered the foregoing particulars of birth dates for dogs known to have been born on April 2nd, 1931, and we bespeak on behalf of our recording clerk, that exhibitors be more considerate when making out their entries from now on.

Master Dog Feeds are built with one purpose in mind,—to properly nourish dogs and keep them healthy! They are "up to the minute" scientifically prepared rations.

MASTER DOG BISCUITS ARE DIFFERENT!

Their cooked base of choice ground cereal grains (not white flour) makes them different in appearance and results. They are brown in color and open in texture.

Additional minerals, milk and meat proteins, and vitamin D. from high grade Cod Liver Oil balance out the ration so every need is supplied!

"HAPPY WOODLAND"—A LAST RESTING PLACE FOR DOGS

At Silverdale Farm, Aurora, Ontario, Canada's First Pet Cemetery Has Reality

One morning, across the meadows that adjoin Silverdale Farm, Aurora, from which its master was temporarily absent, a neighbor saw the portly form of a woman running distractedly. Coming to meet her, she was shocked by the tear-stained face and pathetic distress of Mr. Victor Blochin's old Scotch housekeeper.

"He's dead!" was all she could tell them. And it was not until she added between sobs, "I found him in his basket," that she knew with relief that the tragedy was the sudden passing of "Archy," the West Highland Terrier rather than that of his master!

So that first well-loved Highlander brought with his mate "Diana" from his old home at Dunstaffnage Castle in Argyllshire, died in his sleep at the age of eight, leaving his posthumous children to establish the "Bencruachan Kennels" in Canada, and he himself finding his last resting place in the sun-mottled woodland that has since been set aside as a little "God's Acre" for many beloved pets.

It was for "Archy" that his master first cut the length from his broad kilt that was to shroud the generations of West Highlanders in their turn, until the last scrap of Campbell tartan should be exhausted. And the ritual with which he was laid to rest has persisted to this day, winter or summer, for every little four-footed or winged thing that has found haven there.

In a deep bed of golden sand, lined with cedar boughs and decorated with wild meadow flowers or garden bloom in season, they rest safe and unforgotten. In spring the dog-tooth violets and claytonia carpet their graves with a natural canopy, the wild dog-wood blooms above them. In winter the little pines, baby trees, stand sentinel to mark their beds, hidden under the white counterpane of the snow.

For years, as a private cemetery, this quiet spot has welcomed any little guest that required its shelter. Lately, its fame spreading, it has been thrown open to an animal-loving public and plots have been sold and markers placed. Arrangements have been made for pets buried in impermanent ground in the city to be moved to lasting safety there. During the past summer it has been set aside from the rest of the grounds and beautified by rustic fencing, and a little summer-house "chapel" erected.

Often visitors, coming to inspect it or visit their pets' graves, remain to rest in the rough-hewn woodsy seats in the cool shade of the evergreens, to watch the birds that nest in innumerable little houses built among the trees, or to gather the wild or cultivated flowers that abound there. For the gardens of "Silverdale" have spread to the woodland now, where borders lead up to the pine-tree-guarded entrance.

Rosebushes and perennials have been planted to mark certain graves, on others a little decorative evergreen and a statuette of the pet commerorated may stand. Fresh flowers are often set in water by loving owners who visit the cemetery regularly. A central motif has been begun, which, when inscribed, will express perhaps what every animal lover would wish to say of his pets when they have slipped away: "They lived happy and died beloved."

As one looks back at the green sanctuary where two great trees join arms to form a natural archway, there is a pattern that barely attracts the eye but that someway arrests the heart. It is part of the trees, for it is fashioned of their branches. Against the haze of living leaves it spells the words: "Happy Woodland."

Happy Woodland—where loyal, devoted canines find their final resting place, in Canada's first Pet Cemetery, at Aurora, Ontario.

OFFERS AT STUD

CHAMPION
MELBOURNE SUPREME
The Best—By Actual Test

When any dog of the Toy breeds, and particularly a tiny orange colored Pomeranian bred in a breeder's own kennel, can go out in open competition, make himself a champion and for good measure win for Best in Show at four different Shows, then such a dog makes history for the breed he represents.

Our Champion Melbourne Supreme (Ch. Chiswick Sunkist, Imp. ex Lady Rose Bud, Imp.), won for Best in Show at London Canine Association under W. H. Reeves, September, 1932. At the Western Fair, London, under Geo. Kynoch, was again Best in Show, September, 1932. At London Canine Association, under V. G. Perry, another Best in Show was added to Ch. Melbourne Supreme's enviable list of smart wins, but the greatest achievement of all was the winning of Best in Show under judges, Geo. S. Thomas and Geo. Kynoch at the Canadian National Exhibition, September, 1933.

Surely the best—by actual test.

CH. CHISWICK SUNKIST (IMP.)

Sire of the sensational Melbourne Supreme, and a consistent producer of quality Poms if ever there was one.

CHAMPION
MONTECUTE GOLDEN KING (IMP.)

A golden of his illustrious sire, Ch. Gold Premium.

CHISWICK GOLDEN FIZZ (IMP.)
SUPREME SUNRISE (IMP.)
CHISWICK CHIEFTAIN (IMP.)
PERIVALE FIREFLASH (IMP.)

Besides these imported dogs, we have a number of splendid home-grown specimens, such as Melbourne Red Mite, Chiswick Cyril, Gold Boy Midge and many others of all colors including whites.

Our Stud Fees will meet the pocket book of any fancier, and are from $10.00 up. Our brood stock is the most selective and reliable.

Puppies and grown stock usually for sale.

Satisfaction has been our watchword. Our performance is beyond doubt and the admiration of all.

Our integrity unquestioned.

Gastric Trouble

quickly ended.

Gastric, or stomach trouble, one of the most distressing and at the same time most common ailments in the dog, is also a warning of more serious trouble brewing. Therefore this symptom requires prompt treatment. Give Karswood Dog Powders at once. The trouble then will quickly be ended and all danger removed. Read this letter:—

32, *Sunny Bank, Hull.*

Some weeks ago my Collie dog, Hymer's Sensation, had a very bad attack of gastritis and was in a shocking condition, no appetite and losing flesh rapidly. I tried various advertised remedies, but nothing seemed to help until I wrote for two boxes of your Karswood Dog Powders. After 3 days the dog looked much brighter, and after one box of Karswood Dog Powders, was eating well. He is now quite fit, and has no return of stomach trouble.

(*Mrs.*) *G. C. LEACH.*

Karswood Dog Powders contain specific nerve *foods* and organic salts not contained in the dog's ordinary diet, but which are necessary to enable his system to throw off disease. No other dog preparation contains the same ingredients—hence none is so effective for the purpose. Prove this for yourself.

CORRECTION

In connection with the Jubilee Boston Terrier Kennels advertisement of Mrs. M. Stevens, Toronto, which appeared in the centre column (top) of page 30 of our September issue, we put a caption under the cut used, which read: "Ch. The Burglar Dee Cee." Of course the illustration was that of the well known winner, "Int. Ch. Susan Conde." We regret this error and apologize to Mrs. Stevens for making it.

The Canadian Fancy

By WALTER H. REEVES, Belleville, Ont.

OUR friends across the border have been particularly successful in gaining the special for best dog in show at the many shows that were held in Ontario during August and September, and a sigh of relief was heard distinctly when once more a little Pomeranian came to the rescue of Canadian dogs at the Canadian National Exhibition. Mrs. J. W. Bruce has enjoyed many notable wins with her Pomeranians, but I am confident that the win of "Ch. Melbourne Supreme" at the forty-fifth International Show of the Canadian National Exhibition will always be remembered as the win of wins made by the kennel, and congratulations are in order to "Supreme's" owner and breeder. It is easy providing one has the money to buy a "crack", but owners will bear me out when I make the statement that a great win made with a purchased dog never gives one the thrill experienced when the great win is made with a dog which we ourselves have bred. "Supreme's" win was made under two great all round judges, George Steadman Thomas and George Kynoch, and both men are admitted to be Pomeranian judges. When the writer was living in England and he wanted to find George Thomas at a show, he first went to the Terrier rings, and if he could not find George there, he would find him watching the Pomeranians, and many and many a special for best dog all breeds in show have been obtained—with the many notable Pomeranians owned by Mrs. George Steadman Thomas. The writer was not present at the "Canadian National" but he has been informed that "Supreme" was fifty per cent better than when he gave "Supreme" the most coveted special at London a year ago.

The writer is glad to see that a real interest is being taken by exhibitors all over the Dominion in the championship rating, suggestions having been received by my committee from all the principal clubs; in fact I can only think of one province that has not yet been heard from. As the time is getting very short, the writer hopes that our Maritime Director, A. V. Martin, will send along, before October 21st, the views that the clubs in his province may have on this very all absorbing subject which is of vital importance to exhibitors. W. J. Climo, our Alberta Director, has indeed given serious thought to this problem, and the data he sends along must have taken many, many days to prepare. Some idea of the work involved will be gained when I state that our Alberta Director's solution is that the Rating should be governed in each province by the number of registrations in each breed in their respective provinces. To evolve a plan, Mr. Climo has had to dissect the 1932 stud book—a really stupendous undertaking. I am afraid of the wrath of my editor if I gave Mr. Climo's complete plan in detail, for it would mean several additional pages having to be added to the size of **Kennel & Bench.** His suggestion briefly works out as follows:

Registrations—Breeds. Where there are 75 registrations, 7 points shall constitute a champion; 76 to 150, 9 points; 151 to 300, 11 points; 301 to 600, 13 points; 601 and over, 15 points. The above points to be won under three or more judges. The Dominion to be divided into five districts to be known as: 1, Ontario; 2, Quebec; 3, British Columbia; 4, The Prairie, which shall include Manitoba, Saskatchewan, Alberta; 5, The Maritime, which shall include New Brunswick, Nova Scotia and Prince Edward Island. The number of dogs to compete in the various shows held within each district shall be based by the number of dogs registered of each breed and their owners residing in that district as shown in the previous year's stud book. Number of dogs to compete shall be:

	Points 1 2 3 4 5
Breeds 0- 5 registrations in district	1 2 3 4 5
Breeds 6- 10 registrations in district	1 3 4 5 6
Breeds 11- 20 registrations in district	1 3 5 6 7
Breeds 21- 60 registrations in district	1 3 5 7 8
Breeds 61-120 registrations in district	1 3 5 7 9
Breeds 121 and over registrations in district	2 4 6 8 10

Best of Breed to receive rating with largest entry; Group Winners to receive 5 points. No dog shall receive more than 5 points at any one show. In the event that the number of points required for the completion of championship has been reduced, dogs having completed that number under three or more judges shall obtain their championship certificate. The championship certificate shall show the number of points which constituted a champion at that time when certificate was issued. Before this plan was adopted due consideration would have to be given to the work entailed and also to the fact that a great number of dogs exhibited are never registered. However, I can assure Mr. Climo that his plan will have every consideration given to it by my committee who, I know, will wish to join in sending many thanks.

A. P. Mutchmor of the Provincial Committee for Manitoba sends particulars of a meeting held in Winnipeg, and the plan suggested is much on the same lines as suggested from British Columbia. In fact, my correspondent writes: "British Columbia is very much along the same lines as we suggest; in fact, any difference is possibly in favor of the plan or an improvement on ours. Their plan of dividing the sexes and adding Best of Winners would be quite suitable to Manitoba. Having one rating for all breeds is alright, provided the sexes are divided, and the rating they suggest is adopted. We take exception to the two-point shows being required, as some of our breeds and real good dogs will require ten shows to get their points without this clause, and with this clause they might never get their championship. We think that provision should be made for revision of the rating annually." The following letter from S. S. Magoffin contains a few of the facts of our present system. They may not be pleasant reading to the hunter after cheap and easy championship points but, nevertheless, they are true.

"Your announcement in last **Kennel & Bench,** requesting members to write you regarding their views on championship rating, has just come to my attention. While we have some forty to fifty Golden Retrievers in our kennels, we wish to emphatically state that although we have won some five championships we have done so with the strongest kind of competition. We feel very strongly that no dog should attain championship status without competition. It is certainly eminently unfair for a mediocre specimen of one breed to have the advantage of the large entries of the various other breeds in securing, say, five points towards his championship, such as would have happened at our last year's Junior League Five-Point Show. When we campaigned our Canadian and American Champion, "Speedwell Pluto," in the States for his American championship some time ago, it was rather embarrassing for us on many occasions to have American fanciers remark that 'a Canadian Championship did not necessarily mean anything under your present system'. You must know of many instances where dogs have been sent all over the country to avoid competition in order to get their championship. I have one particular case in mind which happened several years ago, when a Manitoba dog was sent out to our three

shows here in Vancouver, and received his championship within a week or ten days, with absolutely no competition whatever. While this particular dog in mind appeared to me to be a very good specimen of the breed (which, by the way, was not Golden Retriever), I could not help feeling that the purpose and the expense incurred by the Manitoba owner was to gain a championship with little or no competition, because it was well known at the time that very few of this breed were in British Columbia, while they had been popular in Manitoba for a good many years. I know of various other instances where dogs were frankly sent to shows by the owners hoping there would be no competition, so they could get some winners points. You know as well as I do that it is contrary to human nature for a judge to withhold points from a mediocre specimen of a breed, particularly when it is being shown by some novice breeder. We feel, together with all the fanciers I have discussed the matter with here in the West, that unless our championship rating is revised, prohibiting any championship points without competition, dog-breeding is doomed."

My mail this month contained a welcome letter from my old friend, J. A. Carberry, who is, I hear, now Kennel Editor of "The Irish Field". Irish Setter breeders will be interested in the particulars sent of the remarkable winnings of two of the O' Boyne Setters. They are brother and sister, "Ch. Joan of Boyne" and "Ch. Sarsfield of Boyne," and they have a world's record to their credit, having won no less than fifty-seven challenge certificates. They are now seven years old. "Sarsfield" has been retired from the shows, but "Joan," or her owner, evidently have the secret of perpetual youth, for friend Carberry writes: "We have just returned from Limerick show, where 'Joan' won her twenty-sixth certificate and two cups for Best in Show all breeds, being her seventeenth similar honor, and last Saturday she repeated at Dublin."

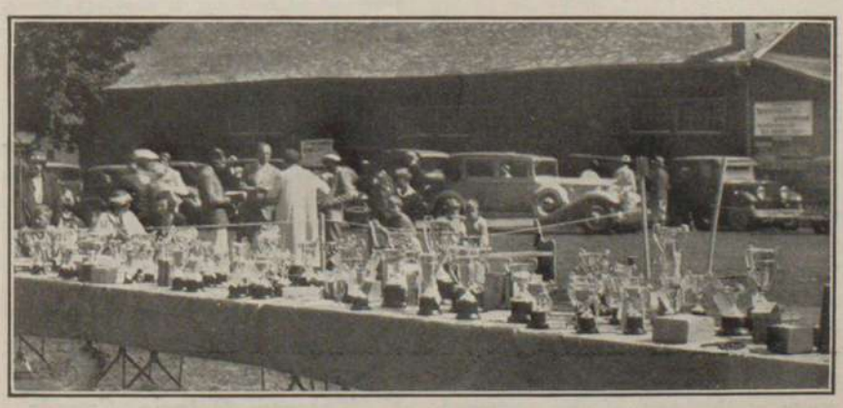

A very well-known exhibitor complains that Rule 16 is not enforced at our shows by American judges. He writes: "I personally made the judge acquainted with it and gave him a copy of same and he only laughed at me. It does not seem fair that the Canadians tried to live up to it and the American dogs walked off with the bacon, they having a nice clean shave and trimmed down in fine condition. If you are going to allow this, why not all do it? I heard several of the exhibitors state they were going home to trim their dogs for the National." Rule 16 reads:

16. Any part of a dog's coat or hair has been cut, clipped, singed, or rasped down by any substance, or that the new or fast coat has been removed by any means except in the following breeds:— Bedlington Terriers, Bull Terriers, Collies, Fox Terriers (Wire and Smooth), Kerry Blue Terriers, Pomeranians, Poodles, Retrievers (Curly-coated), Retrievers (Golden), Scottish Terriers, Sealyham Terriers and Yorkshire Terriers. The old or shedding coat and loose hair may be removed in all breeds.

Surely the rule is plain enough, and it is up to the exhibitors to see that the rule is enforced. If you consider that a dog's coat has been improperly prepared for the show, lodge your objection with the secretary of the show and it will be then the duty of the show veterinary surgeon to examine the coat. His report will then have to be sent to the Canadian Kennel Club. The new rules were brought forward for the approval of the club members only after very serious consideration by your directors. Our shows are becoming too professional, and if something is not done to enforce the rules, dog shows are going to suffer like other kinds of sport on the American Continent.

Our shows can only be successful if the novice is taken care of. Faking of all kinds has to be severely penalized. The Canadian Live Stock Records looks after our pedigrees, but we, as members of the Club, have got to enforce the rules against faking. When we consider the serious financial problems that have been, and are still facing our country, we can feel nothing but pride at the success achieved at the shows that have been held this year. Look at the dogs you see on the streets today and you will have to admit that the day of the mongrel or cross-bred is past. Canadians today take a pride in owning a typical and well-bred dog, and yet, notwithstanding this, we do not get the support of the one dog when at our shows as we ought. No country in the world has shown such an improvement in dogs. I don't mean the dogs we see at our shows, for that is admitted, but the dogs that are kept as companions. When I first came to Belleville, thirteen years ago, I could not find more than six dogs that could be called well-bred dogs, much less show specimens. Today I can show you a hundred and all good enough to exhibit. We have educated the masses to keep a well-bred dog, but nothing is done to induce the masses to show. What we need is another Charles Cruft in Canada. The great entry at Cruft's show is made up largely by novice exhibitors who find that a novice can compete successfully at the English shows. Faking in England means, if the offence is proved, that not only the exhibitor is disqualified but also the dogs owned by the guilty party. Through the kindness of "Bob" Ross I have a number of catalogues ranging back to the times dog shows were coming into vogue in Canada. Take the Canadian National Exhibition in 1904; over six hundred dogs were exhibited. There was some real competition in many of the classes. If in 1904 an entry of six hundred dogs could be obtained it should be an easy matter to get today an entry of a thousand dogs. Ottawa in 1906 had an entry of over two hundred, in 1933 very few more entries were obtained. The Montreal Canine Association show in May, 1905, with Donald Munro judging, all breeds except Toys gained an entry of four hundred, and believe me there was some competition in many of the breeds.

An old breeder of Scottish Terriers writes: "I was very pleased to read your reply to Mr. Fraser of Ottawa in a recent issue of **Kennel & Bench.** The present fashion of blacks is, I fully agree, not in the best interest of the breed nor is the vogue for what you aptly term "nanny goat beards" and excessive leg feathering. The original coloring of this breed was brindle, and pure blacks are usually accompanied by a soft coat, which lends itself to the ornamentations to which you refer. I believe, too, that the temperament of the animal is becoming adversely affected by such artificialities of appearance and

Close upon 100 prizes were handed out at Aurora Kennel Club Show on Saturday, August 19th. Above, one may notice their variety and quality.

we are in danger of losing the characteristics of the breed. Then, again, I do not favor the excessively straight front of the Fox Terrier in a low set terrier as being unnatural in view of its purpose and leading to faulty structure of other parts. A Scottish Terrier should be a solid dog with a solid temperament as befits one whose ancestors were indigenous to the heather hills of Bonnie Scotland." What a world of truth there is in this old breeder's letter. It is to be sincerely hoped that present day breeders will call a halt and cut out the adornments before the breed is ruined.

Geo. W. Bailey of Ottawa has been burning up the Atlantic cables again, and after a deal of persuasion, backed up with a weighty cheque, he has induced C. H. Bishop, the famous Smooth Fox Terrier owner of Watford, England, to part with one of the most successful Smooths of recent years, namely, "Haven Spotlight". As I write this important item of news I have the stud card of "Haven Spotlight" before me and I quote C. H. Bishop's description of this great winner and sire: "One of the longest headed dogs in the breed and a Terrier from stem to stern. Ideal for size". It is to be sincerely hoped that "Haven Spotlight" will stay in Canada, for if looks, pedigree and records are worth following, Mr. Bailey has undoubtedly done his part in helping to place the Smooth Fox Terrier back into popular favor by giving Canadian Smooth breeders the opportunity to avail themselves of the services of "Haven Spotlight."

Great Danes evidently are creating a lot of interest in Canada. I hear that there is a chance of a very famous dog being located in Ontario. Up to the time these pages are being written, I have not been given the full particulars, which no doubt will arrive in time for the next issue. Meanwhile, Mrs. Hopkins sends some interesting news. Dane sales are good, a harlequin bitch having been sold to Kansas. N. R. Howden of Toronto has purchased a brace of harlequin dogs. Mrs. Rence le Breton of Maine some little time ago purchased a brindle bitch in whelp to Mrs. Keenan's "Dick von R," and, I understand, since her arrival has presented her new owner with five beautiful puppies. Mrs. W. B. Keenan has recently made a very valuable addition to her kennel, having induced Mrs. Le Breton to part with the well-known harlequin, "Bonchitchio of Kerr," which should prove welcome news to harlequin breeders. Another important item of news in the letter is, that J. R. Booth of Ottawa has imported a Dane. As I wrote at the start of this paragraph, Great Danes are booming and they are evidently being taken up by influential people.

Mr. and Mrs. J. R. Kennedy
1673 Kingston Road
Toronto, Ontario, Canada

Going through Port Hope the other day we took the opportunity of inspecting the team of Sealyhams owned by Miss Dorothy Grant. There were three youngsters of much promise which made a successful debût at the Aurora show. The dog, if he improves a little in front, should not only be a success at stud, "which he can hardly help as his sire is 'Redlands Royalist of Rensal,' the dam being a bitch which was procured from the famous Rensal Kennel," but also prove a big winner. His two sisters are both most promising.

Writing of Sealys reminds me of some news from Miss O'Brien of Halifax who, I hear, has some extra good youngsters to bring out. I hear that a real puppy was sold from this famous kennel for a companion and that it has matured into a real flyer. This breeder has tried without success so far to buy him back. This is not surprising to the writer for Sealys are such pals, and as I have often written, it surprises me that the breed does not become more popular.

Belleville is becoming quite a successful centre for dogs. What a pity Harry Hungerford is not with us now, for he certainly would have been interested in the success obtained by local exhibitors. C. R. Tilbrook has had a rare sequence of wins with his home-bred Springer bitch, "Lady Walden of Moira," for she gained Winners Bitch at Ottawa, the Canadian National, London, and Hamilton. She is not only a great show bitch but also a breeder, for a son of hers in the kennel looks like making the very best step lively, and personally I have hopes of seeing him gain the special for best Springer at New York next year.

My overseas mail contained a welcome letter from H. S. Lloyd, probably England's most successful Cocker Spaniel breeder. He writes: "The Cocker I imported some years ago from Canada proved a great success especially in the second and third generation." From his letter I gather that Canada may be called upon again to help, not with Cocker but with brown, flat-coated Retrievers, for I hear this color is practically extinct in England. Thanks to that good sportsman, H. V. P. Lewis, we have quite a strain of browns around Ontario, for "Ch. Gronwen Mutant" sired one or more in all his litters. The browns seem to be much more popular with shooting men than the blacks, and therefore those breeders who own browns are trying to get an outcross from England, but from H. S. Lloyd's letter this does not look very hopeful.

Fred. W. Walkerdine, the secretary-treasurer of the English Bulldog Club of Canada, sends the information that

his club are holding their club show on Saturday, December 2nd, and that the venue will either be the King Edward or Royal York Hotel. The judge will be J. Hampton Baumgartner of Baltimore, U.S.A. A feature of the show will be that all cups and specials are to be won outright.

Dr. R. Tennent of Belleville, whose Springer Spaniel bitch, "Lady Blue of Moira," gained Winners Bitch at the Spring shows at London and Hamilton, has recently made a rather important purchase in England, having acquired the Irish Setter dog puppy "Revel of Harperley," a son of the great English winner, "Ch. Forrester of Ardagh," by "Ch. Jim o' Moy," ex "Delaware Peggy," by "Ch. Ravenhill Phil." "Revel's" dam is "Colleen of Harperley," whose sire and dam are "Ch. Gruagach" and "Ch. Heathericks," blood lines which should prove of value to Canadian Irish Setter breeders.

Notes from Manitoba

By Provincial Contributing Editor, W. B. R. KNOWLES, Winnipeg, Man.

I RECEIVED a letter some time ago from Mrs. Wrye of Wryeland Kennels, Brandon. One would judge from the tone of the letter that she is very well pleased with the awards her imported Pomeranian, "Crest Mite," has received at the summer shows. He was awarded two firsts and Best of Breed and I believe best opposite sex to best dog in show at Moose Jaw by Judge T. Kay McKenzie. At the Calgary show he was awarded two firsts and also Best of Breed and best Toy in show, thus winning the George Kynoch trophy. Mrs. Wrye also advises me she has disposed of five real good puppies.

Some of Winnipeg's fanciers who attended the above shows were quite pleased with Mrs. Wrye's "Crest Mite" and the attention he attracted, and went so far as to say he is the best Pomeranian in the West today.

T. A. Smith writes me he has sold his Pug, "Ch. Budworth Big Boy," to B. Harrison Loukes of Nanaimo, B.C. Mr. Loukes is a breeder of Black and Fawn Pugs, and with the addition of "Budworth Big Boy" he should have about as good a kennel as the next, "Budworth Big Boy" being considered one of the best in Canada. We were not a little surprised to hear that Mr. Smith had sold "Big Boy," because although he has a puppy by him out of "Lady Betty of Sigvale," it seems like taking big chances on his pulling safely through to maturity.

A letter from Mrs. A. L. Oxenham tells us she has just received official notification that her beautiful Pomeranian female, "Goldpuff's Tedmite," has completed her championship. She was awarded premier honors at Moose Jaw, Calgary, Edmonton, Regina and Saskatoon during the summer. It will be of interest to hear that she is due shortly to whelp to Mrs. Oxenham's "Minnegold Buddy 2nd," a son of the noted English champion, and sire of winners, "Ch. Minegold Justit." "Minegold Buddy 2nd" also won distinction during the summer show season. Mrs. Oxenham also reports the "Wryeland Katinka," owned by Mrs. Crum, Saskatoon, has been bred to "Minegold Buddy 2nd."

A breezy note from Geo. Duncan tells us that business has been good at the Trapystock Kennels during the summer and also during the show season. He has disposed of all his surplus stock and has several orders yet to fill when stock is available. Four males have gone to V. W. Williams, Vancouver, B.C., one nice male has been sold to Mrs. Hammond, Boissevain, Manitoba, and yet two others, one to Dr. McEwen, Medicine Hat, Alberta, and the other to Dr. Slack of the same city. Mrs. Bertram, Winnipeg, has purchased a handsome little four-months' female. The two Champions, "Personality" and "Headlight," are fairly busy at stud so that he has added "Katinka Up and Up" to the stud force. Since his arrival at the kennels, "Katinka Up and Up" has been given the "once over" by most of the local fanciers, and while they mention this and that, they all remark about his wonderful head, eyes and expression.

George has sold his young dog, "Trapystok Beware Boots," to J. H. Westbrook, Lethbridge. This little fellow, a perfectly marked seal brindle, is by "Ch. Trapystok Headlight," ex "Trapystok Hagerty Firefly." He is now eight months old and developing into a quality Boston. Mr. Westbrook, who is enthusiastic over his purchase, expects he will get his full share of the honors at the shows next season.

H. Bentley writes me that after he had received a few letters from Mrs. Bradley, Victoria, B.C., that she made the trip to Winnipeg to purchase that good young Pomeranian, "Cromwell Red Robin," by "Ch. Elnor-Mite," ex "Ch. Sandhills Cherry," and that whilst she was here she fell in love with "Cromwell Little Wren," a very typical sweet little female of the same breeding as "Red Robin." Mr. Bentley anticipates these two quality puppies will do great things at the Coast, and our wishes are extended to Mrs. Bradley for the best of luck. Bob Thomson of Calgary, whilst visiting in the city, made several trips out to Cromwell Kennels and made several purchases, including the good little stud, "Cromwell Stylish Announcer," which dog only needs four points to complete his championship.

Mr. Bentley further reports he has sold the stylish winning Peke, "San Chan," to B. Scrivener.

Chas. Beatty's "Kickapoo Lady Blue Gown," a very attractive Wire female, has been bred to "Patria Revival," and Chas. Lauder's beautiful young female, "Tip Top Shelah," has whelped a nice litter of puppies by "Patria Revival," imp., and also that his own imported female, "Sandhills Delight," has been mated to "Patria Revival," from which mating he expects something exceptionally good.

"Nankee Panzee of Cromwell" and "Sandhills Flo," imp., the two typical Pekingese females, have been bred to "Sankow Chanticleer," imp.

Canadian National Exhibition and Other Shows

STARTING on Labor Day, Monday, September 4th, the annual dog show held by the Canadian National Exhibition marked the forty-fifth repetition of this famous fixture. The show was held in the "Million Dollar Horse Palace," which building is modern to the last minute in construction. The benching was that of Toronto Kennel Club, and because of its uniformity of make it certainly gave a complete dog show impression to the most casual observer.

Many who had been attending dog shows in the old building and had made many lasting friendships there, found it rather hard to realize that it had become only a memory. The crowding was absent entirely, in fact it was possible for a Canadian National Exhibition distributing truck to drive in one door, go right around the building without using its horn, and that on the afternoon of opening day when over 5,000 admission tickets had been disposed of. One thousand dogs can be benched in this building comfortably.

Superintendent Fred W. Jacobi and his stout henchman, Peter Herd, had everything in readiness before the show and had everything well in hand until its close.

The judges were George S. Thomas, Hamilton, Mass., and George Kynoch, Winnipeg, Man., with the heavier burden falling on the capable shoulders of the latter. Even experienced exhibitors found it hard to determine the best in show award until the award had actually been handed out. The Airedale Terrier, English and American Champion, "Warland Protector of Shelterock," had many admirers, but, unfortunately, he was taken ill at the show and was allowed to withdraw from the Best in Show competition, which was now reduced to four competitors, i.e., the English Setter, "Ch. Blue Dan of Happy Valley," the old English Sheepdog, "Smoky of Clearbrook," son of the noted "Ch. Snowflake," the Schipperke, "Ch. Exceldall o' the North," and the Pomeranian, "Ch. Melbourne Supreme." Each one seemed to have a good chance, and each one was given a generous share of ringside approval as they paraded before the judges. It is safe to say that the chief award, when made, was one of the greatest surprises of the show, not that the little Pom did not deserve the highest honors, but because we so seldom see a representative of the Toy breeds go to best dog in show, that the award almost took our breath away. "Ch. Melbourne Supreme" was bred by Mrs. J. W. Bruce of the Melbourne Kennels, Richmond Hill, Ont., and is one of the greatest Pomeranians ever owned by that famous kennel. The applause, given when this award was made, was generously hearty and must have been very encouraging to Mrs. Bruce. May she breed many more as good as "Supreme" unquestionably is.

After the few General Specials had been disposed of the show came to a close almost instantaneously, the writer remarking to a friend that he had seldom seen a dog show crowd disperse so quickly.

Following are the awards:—

WINNERS OF THE OBEDIENCE TESTS AT THE CANADIAN NATIONAL EXHIBITION

By Judge Randall Perry

1st—With 94 points—**Wolfe V. Stettin**—owned and trained by C. W. Radford. Lost 2 points in Ex. 1 for lagging and slowness; 1 point in Ex. 2 for moving up towards handler; 3 points in Ex. 3 for hesitating delivery and slowness. Applause from the crowd made an entirely different dog of Wolfe from this on and he scored full points in the last 3 exercises.

2nd—Blue Magic of Northmere, owned and handled by Alex. Gooderham, tied for 2nd place with Thos. W. Lee's **Mathilda V. Rhein** with 91 points, but was officially placed 2nd with Mathilda 3rd after a tie-breaking exercise, explained later. Blue Magic lost 1 point in Ex. 1 because of slow sitting at stop and one incomplete sit; 3 points in Ex. 2 for repeated commands and appearance of being slightly crowded; 3 points in Ex. 3 because of extra commands and running off course toward gate; 2 points in Ex. 4 anticipating command to jump; perfect score in last two exercises.

3rd—Mathilda von Rhein, owned by Thos. W. Lee, and handled by Alex. Gooderham, doing exceptionally well under his guidance. She was also handicapped by a lame shoulder. Lost 2 points in Ex. 1 for slight lag and one extra command; full score in Ex. 2; lost 1 point in Ex. 3 for slowness; 1 point in Ex. 4 for sloppy return jump, possibly due to sprung shoulder; 2 points in Ex. 5 for general slowness; and 3 points in Ex. 6 for repeated command and 2 anticipated commands.

4th—Rex von der Koniginstadt, owned and trained by Z. J. Joyce—87 points. Penalized 3 points in Ex. 1 for lagging and inattention; 1 point in Ex. 2 for inattention; 1 point in Ex. 3 for slight slowness; Full points awarded in Ex. 4; lost 3 points in Ex. 5 for not coming once on 1st command and for inattention; 5 points in Ex. 6 for inattention and general slowness.

5th—Gai Cherie of Northmere, owned by Alex. Gooderham and handled by Mr. Thornton—85 points. Lost 1 point in Ex. 1 for slowness at sitting; given full points in Ex. 2; 4 points in Ex. 3 for not sitting immediately on return with object and for general slowness; 4 points in Ex. 4 for slow sitting to deliver and for extra commands; 2 points in Ex. 5 for general slowness; 4 points in Ex. 6 for crawling up after command down and on general slowness.

6th—With 79 points to **Nattie Gallagher O'Page's Hill,** a young Shetland Sheepdog, owned by J. D. Strachan and handled by Mr. Thornton. With the first 3 exercises scored I thought our German dogs were going to have to look to their laurels. Scored perfectly in heeling Ex. 1; lost 1 point for anticipating command in Ex. 2; and wandered slightly in Ex. 3, losing 1 point. In Ex. 4 the little dog could not see the logic in jumping over a 4 ft. barricade to retrieve the same article that could be retrieved by simply running around the jump. Mr. Thornton asked permission to put her on leash to complete this exercise, which permission was granted. Her spirit and eagerness gave her half points on this exercise though I would not have given the same to a larger dog; lost 7 points in Ex. 6 for inattention, slowness and anticipating commands. Should like to see this youngster in future when her training is complete.

7th—With 77 points to **Ismallia's Nores,** owned and handled by R. B. Gilmore. This big fellow is working better every time out and will be up at the top yet if he keeps on. He is just 16 months old and a bit headstrong. Lost 2 points in Ex. 1 for slight lagging and extra command; 3 points in Ex. 2 for moving up and unfinished sitting position; 3 points in Ex. 3 for wandering and slowness; 8 points in Ex. 4 for dropping article and failing to make one return jump and necessary repeat commands; 2 points in Ex. 5 for general slowness and only sitting instead of down, once; 5 points in Ex. 6 for crawling up after commanded down and anticipating commands to come.

Tie-breaker for 2nd position—(Repeat of Simple Retrieve exercise). No doubt many onlookers will be puzzled as to my decision here which was given to Blue Magic of Northmere. It so happened that both she and Mathilda v. Rhein were handled by Alex. Gooderham through the obedience class, Tom Lee, owner of Mathilda being out of town unavoidably. Mr. Gooderham very graciously handled Mathilda in this tie-breaker and gave over the handling of his own dog to Mr. Thornton. Mathilda performed the exercise with less speed and finish than did Blue Magic, but, to the onlookers, may have appeared to make a better job of it. At one point on the return Mathilda seemed to become panicky — stage fright, no doubt—but only for a second. She regained her composure coming to deliver the object which was completed slowly and without her usual perk. Possibly she thought of Tom, up in the North country. My decision was made difficult at this point when Mr. Gooderham took up his stand at the ring-side at the gate while Mr. Thornton handled Blue Magic. On being commanded to fetch, Blue Magic started out, then cut across ring sharply towards Mr. Gooderham, looked up at him and cut back just as quickly to article which she smartly retrieved and gave out, coming to heel in her usual perky manner. Had I not seen Mr. Gooderham, her owner, at the gate, my decision would certainly have gone to Mathilda. On second trial Blue Magic executed the exercise beautifully but for a very slight veer toward the gate and her owner. Her delivery was faultless. I considered that the fault of thinking too much of her owner was less serious than the general slowness of Mathilda, and I could not overlook the slight show of panic which I detected and did not like.

In this class, the prize money was divided among the first 3, 1st getting $30.00; 2nd getting $20.00, and 3rd getting $10.00, all very much worth while.

CRUISING AROUND THE CIRCUIT

When Mrs. H. E. Batt, of the Haldon Kennels, Guelph, Ont., got home from the Hamilton Kennel Club Show, she was dizzy from waltzing around the show circuit. Starting at Toronto Kennel Club Show, almost immediately after Westminster (New York), Mrs. Batt continued to Montreal (May), Ottawa (May), Hamilton (July), Aurora, Ottawa (August), Canadian National Exhibition, Montreal (September), London Canine Association, Western Fair, London, and Hamilton.

To support the shows after the foregoing fashion takes money—and plenty of it, to say nothing of the time taken up getting the dogs ready, keeping them in condition, and the time taken travelling from show to show. We trust that Mrs. Batt was satisfied with the returns earned from her investment of money and time.

THE GERMAN SHEPHERD DOG CLUB OF CANADA ANNUAL FIELD TRIALS

Field trials for working dogs, and for sporting dogs are becoming more popular every year, and it will indeed be surprising if Shepherd dog trials are not held in Western Canada during 1934. Only the owners of trained dogs can appreciate what training means, and those who have been privileged to meet the owners of trained dogs on the trial ground must have noticed the almost uncanny measure of understanding between a dog and his owner.

It has been claimed that training is cruel in every respect, but such a claim can never be sustained when we become eye witnesses to the complete confidence of every trained dog. When a dog has gone through his test, let the result be win, lose or draw, he invariably comes back to his master with the "I did my best" sign looking out of his eyes, and receives his master's encouraging pat on the head. It is quite marvellous, too, to notice the absolute control that the owner of a trained dog has over himself, and we should imagine it being quite essential that a man would have to be master of himself before he might ever hope to train a dog successfully.

In order to encourage the training of working dogs generally, we take this opportunity to publish the scale of tests as drawn up by the German Shepherd Dog Club of Canada, and approved of by the Canadian Kennel Club:—

And now we furnish the Judge's report which makes the interpretation of the various tests quite interesting, and very easily understood. Mr. B. R. Stitt, London, Ont., judged the trials in a manner that left little to be desired and although his report may read rather hard on some of the dogs, still his fairness has been conceded and his work was a pleasure to behold.

The judge's report follows:—

"The annual field trials were held on September 3rd, at Manor Farms, Clarkson, Ontario. A start was made at 11 a.m., which, in my opinion, is a little too late, considering the length of time required for nose work. If there had been more dogs entered it would have been quite dark before I could have finished with them.

"First in the Service Dog class, with qualification 'excellent,' was 'Blue Magic of Northmere' ('Hettel von Bodman,' ex 'Pia von Haus Schutting'), obtained a score of 484 points out of 500. 'Bluey' dropped 5 points in the gun test, 2 points for dropping dumbbell in exercise 6, 5 points in exercise 13 for requiring several extra commands and 4 points in exercise 16 for general demeanor. This bitch is a splendid worker; the manner in which she, at all times, looked to her guide for directions, was a tribute to her trainer.

"Second, with qualification 'excellent' was that splendid worker 'Rex von der Koniginstadt' ('Hettel von Bodman' ex 'Senta von Rhein'). 'Rex' ran up a high total of 467 points out of 500; only dropping 5 points in exercise 3, guide giving too many commands; (I will have something to say later about this test), exercise 12 he dropped 16 points for not barking continuously and also for receiving 6 extra commands to speak; 10 points in exercise 13 for not going in direction ordered and also 2 points in test 16 for not appearing to understand what was required from him in test 13. I might add, that this dog and his guide are the ideal combination and so long as 'Rex' remains with Mr. Joyce, nothing would be difficult for them to accomplish; I was much impressed by the quiet manner in which the dog was handled by his guide.

"Third, with qualification "very good" was 'Matilda von Rhein' ('Hettel von Bodman's ex 'Peggy von Mathildenhof'). 'Tillie' got away to a bad start, dropping 15 points in test 1, for just scouting instead of trail-seeking; 65 points in exercise 2, failing entirely; 10 points in exercise 3, for not recovering one object; 2 points in test 6, wrong position on return; and 2 points in test 11, for stopping an instant. If this bitch's guide would concentrate in training her for nose work I feel certain that she would give a good account of herself next year, as I had ample proof that she has a good nose for trailing. (Be a little keener, also, Mr. Lee, 406 points is not so bad when you consider what you dropped at the start.)

"Fourth, qualification 'good' was that fine old dog 'Wolf von Stettin' (the sire and dam of this dog has slipped my mind for the moment). 'Wolf' showed me quite early that he had gone back a lot from what he used to be; due as much to the fault of his guide as to anything else, in fact I would attribute the cause of the dog failing in exercise 2, to the incessant commands given to the dog by his guide (A dog requires all his powers of concentration to work a trail to the finish and should not have his attention diverted by any more com-

mands than is necessary. A gentle word of encouragement is all that may be necessary and only indulged in very rarely). In exercise 1, 'Wolf' lost one point for having to be sent back a second time; ordinarily I would have taken off 15 points for a second start, but the dog went to the stronger scent of his trailing harness which had been dropped some distance from the start of this test; he returned with it to his guide who sent him back for the right object which he retrieved. I could not conscientiously take off the 15 points, so just penalized him one point for added stimulus. Test 2, he failed altogether, losing 65 points; 10 points in exercise 3 for receiving too many commands; failed in test 4, losing 30 points; 20 points in exercise 6, failing to jump, also did not retrieve once. Exercise 7, 'Wolf' was penalized 4 points for added commands; 25 points in exercise 10, received an audible signal, and also did not heed inaudible signal; test 12, he dropped another 10 points for not barking continuously; exercise 14 he followed in, losing 20 points; and 2 points for test 16. 313 were the marks of 'Wolf von Stettin,' out of 500.

"This completed the Service Dog Class, the Field Trial Championship going to 'Blue Magic of Northmere' and reserve to 'Rex von der Koniginstadt,' this award he received in 1932 also. Service Dog certificates will be given to 'Blue Magic,' Rex' and 'Tillie.'

Companion Dog Class

"First in the Companion Dog class was 'Rex von der Koniginstadt' with 308 points out of 320. In exercise 1, he lost one point for added stimulus; in test 6, he lost one point for requiring another command. I was forced to penalize 'Rex' for demeanour, to the extent of 10 points, having got out of hand when trailing from guide's scent (test 2). When a rabbit ran across the field in front of him, he ran after the rabbit and refused to return when called. If it hadn't been for this, he would have run up a score which would have taken some beating.

"Second, 'Wolf von Stettin," with 293 out of 320. 'Wolf' seemed to perform better in this class. Test 1, dropped 2 points for repeated commands; exercise 3, lost 3 points for added commands; 2 points in test 6 for creeping towards guide and also anticipating a command; exercise 10, he followed in, losing 20 points.

"Third, 'Gai Cherie of Northmere' ('Hettel von Bodman, ex. 'Etoile Fortunate Fields'). This bitch is just 13 months old and performed very well indeed considering her age. Her score was 269 points out of 320. She lost 2 points in test 1, requiring 2 extra commands; 2 points in test 2 for extra commands; 5 points in exercise 3 for faulty heeling; 1 point in test 4 for an added stimulus; 8 points in exercise 5 for failing to retrieve once; 2 points in test 6 for anticipating a command; 1 point in test 7 for an added stimulus; 10 points for defaulting test 8; 20 points for following in, in test 10. I liked this bitch for her demeanour and lovely expression.

"Fourth, to 'Von'. (If I remember right this dog is sired by 'Hettel von Bodman,' ex. 'Ismallia's Nores'). This dog scored 232 out of 320. He lost 30 points in exercise 1, failing altogether; in test 2 he lost 2 points for not giving object in approved form. This was due to the guide being too eager. Test 3, lost 5 points for faulty heeling; failed in test 6, losing 15 points; 15 points in test 7 for interfering with other dogs; one point in test 8 for added stimulus; 20 points in test 10 for following in. I would like to see Mr. Gilmore keep after 'Von' as I feel sure he will improve with further training; he is young.

" 'Rex' and 'Wolf' will receive certificates for Companion Dog, both of them qualifying 'excellent'. 'Gai' will also receive a certificate, having qualified 'very good'. Dogs must obtain 75% of the total score in order to qualify for a certificate. 'Von's' score was 72.5%, so that he was very close to getting a certificate.

"It was a long, hard day for all concerned and I appreciate the patience displayed by most of the entrants. With a little better system a great deal of time could be saved; for example—where a dog is entered in the two classes (S.D. and C.D.) I would suggest that tests 1 and 2, in each class, be performed before going on to the next dog.

"My ruling regarding the manner of performance of test 3, S.D. class, was questioned by one or two members, who felt it was necessary to take as long as they liked and to give as many commands as they liked in this exercise. To my mind, it is not necessary to require a dog to be continually going backwards and forwards across the field, and to be giving him commands every 2 or 3 seconds. That is not the idea of this test at all. If I were to offer a suggestion regarding how this test should be performed I would say—train your dog with the command of the fingers and give the command, 'Seek, to the left'. Dogs get confused by too many commands and lose interest in their work. I saw two dogs that were actually bored and 'fed up' with this test. I also saw Mr. A. L. Gooderham put 'Blue Magic' through this test to my entire satisfaction."

A. L. Gooderham's, Toronto, Blue Magic of Northmere, performs brilliantly in the life saving test.

CH. JACK O' DIAMONDS DEAD

There are but very few lovers of animals who take the loss of their pets as seriously as "Witty" Warren, Montreal, and "Witty" advises us that his old favorite, "Jack O' Diamonds" is now no more as far as this life is concerned.

"Jack O' Diamonds" was bred by F. Tuffley, Cleveland, Ohio, and was born March 13th, 1922. At shows held in the United States, "Jack" had won nine points towards his championship in the land of his birth. In Canada his record stands at 19 points, eight times he was winners, and twice he was reserve winners, a good enough record for any Whippet, and could he run? "Jack" was as fleet of foot as Whippets come, and he was game to the core of his little kindly heart.

Here is Ted's plea for his dog now gone to Canine Heaven. "Oh God of dogdom, before you stands "Champion Jack O' Diamonds", whose spirit seeks a resting place in your kingdom. During his earthly stay he has always been docile, clean, obedient and faithful. His kindly nature has been an inspiration to the humans with whom he has lived, and he has earned a resting place in the "Everlasting Sunshine."

"Why give your heart to a dog to tear,
Some famous author said,
But the man whose heart a dog can't touch
That heart is surely dead."

We trust the vacancies in Mr. Warren's pet quarters will soon be filled again.

GOOD OLD BULLDOG!

A slight error on Edward O'Rourke's part was reported by the police.

They said he aimed a kick at a bulldog, but his carry through was poor, and he fell.

Before he could get up the dog had made a counter attack. At the hospital they counted 200 bites.

British Columbia News

By Provincial Contributing Editor, R. H. F. PURDON, Vancouver, B.C.

THE first letter in my mail this month is from H. E. Fletcher, of the Lucky Bird Kennels, Vancouver. Mr. Fletcher is a member of the Canadian Kennel Club and sends in his initial batch of news for our pages which we are glad to receive. His black and tan Shepherd bitch, "Flora's Tiny," by Hector von Krone," ex the imported "Flora von Wilsona," has just finished looking after an all black and tan litter by her sire, "Hector von Krone." These are very promising puppies, and so far only one dog and bitch are left, which will later be appearing on the bench. In the kennel is also a litter out of "Flora von Wilsona," by Hector von Krone," and "Grandview Freida," a daughter of "Hector" is nursing a litter by "Claus von Oxbo" which Mr. Fletcher recently imported. "Freida" is a litter sister of "Grandview Fritz," who has been winning at this year's Vancouver Shows. Dachshunds also play a large part in Mr. Fletcher's interests, he has two black and tan of this breed due to whelp shortly, from which anticipated litters one dog and three bitches have already been booked. The red dog, "Widbrook Whippy" has been sold to W. T. Oates, who is quite enthusiastic about this breed, so too is Mr. Fletcher who says, "Once you have owned a Dachshund you will always want one, as they make wonderful house pets and are loyal and quaint in their ways." Mr. Fletcher asks me to mention the fact that a mistake has been made in the awards published for the Victoria Show, his Dachshund, "Widbrook Gretchen" went to Reserve Winners at this event, not to "Patricia" as published, and asks me to have the correction made. Well, I can refer to this but I cannot make any correction in show awards as published in **Kennel and Bench,** for the simple reason that I have nothing to do with them.

Mrs. Charles A. McGee, of Shepherdholm Kennels, Esquimalt, reports that her black Shepherd litter out of "Gerri V. Oberlam's" grand daughter ex "Caesar V. Trappenburg's son, has so far been all she could wish. They were born March 31st, two have already left for new homes, and two are being retained, one dog being exceptionally nice in structure, bone and substance, he is great grand sire all over again, so this stud must be producing the goods. Another puppy from a different mating left for her new home in China, at the age of five months. Two litters of Dobermans are shortly expected. There does not seem to be much depression in these kennels for out of six litters this year only five youngsters are on hand. Mrs. McGee is making a trip to the show in Alameda, California, to be held on Sept. 10th, and it is just on the cards that another Doberman bitch may be picked up while there. She finds quite a nice demand for dogs trained in obedience work, and the youngsters in this kennel get as much training along these lines as the time they are there admits. Negotiations are being made for the purchase of a trained Doberman dog from Germany, so we will hope to hear later more of this interesting news.

At present the Shepherdholm Kennels contain about sixteen adult dogs of both breeds, and they are anticipating enlarging the quarters to make accommodation for dogs to be taken in for training. Mrs. McGee would like to have been able to exhibit her Shepherd puppy at the Vancouver Exhibition show but unfortunately he was not old enough.

I am very glad that Mrs. McGee writes about training; for obedience work, as far as exhibitions go, would seem to have been entirely overlooked in this province. These tests are of great interest; many of the shows in England hold them for German Shepherds, or Alsatians, as they are known there; in fact, they were so popular that now A.O.V. (any other variety) tests are also held; these draw entries from Welsh Sheepdogs, Great Danes, Poodles, etc., the latter breed putting up some exceptional performances. In a recent test a Poodle completely outclassed the field, Shepherds and all, by over thirty points, giving the onlookers a most impressive exhibition. I have never seen any of these large Poodles on the Coast, and believe they would be popular; probably no breed of dog is their equal at learning tricks and they make uncommonly good gun dogs. One that I had in Ireland used to come swimming, and perhaps wishing to copy us, used to dive in head first, any other occasion he went in in the ordinary way.

Mrs. G. F. O. Wood, Quandalla Kennels, Victoria, announces the arrival of a litter of German Shepherds on July 11th, by "Abarard Gregg von Dutch" ex "Abarard Minka von Fesha" ex "Abarard Dutch 2nd." One is "Quandalla's Soolbad," winner of first in a class of seven at the Shepherd Dog Show, the other, "Haga von Fesha," winning first novice. In Cockers the recently acquired parti-colour from the well known and highly successful Holdfast Kennels of Mrs. M. Pickford, who is a great favourite with all show-goers, will be known as "Holdfast Quandalla"; he is by "Ch. Holdfast Nil Desperandum" ex "Oates Pansy," and is a nice puppy with good bone, who promises well. At the recent Victoria and Shawnigan shows he went reserve winners at both fixtures, as well as best puppy at the former. A litter of Cockers is due by "Bazlan Jill Bowdler" ex "Tillicum Loo," which are eagerly looked for. Mrs. Wood says that the Victoria parlour show just held was very successful; the use of Mrs. Robertson's beautiful grounds for the show was much appreciated by all.

The Vancouver Exhibition Association Show, on Sept. 4th, 5th and 6th, judged by Lewis G. Spence, of Dallas, Texas, drew an entry of 189 dogs, representing thirty-two varieties, made up as follows: Wire Fox Terriers, 25; Cockers, 23; Shepherds, 19; English Setters, 14; Scottish Terriers, 11; Smooth Fox Terriers, 9; Cairns, 8; Sealyhams, 8; Springers, 7; Irish Setters, 7; Golden Retrievers, 6; Pekingese, 6; Collies, rough, 5; Chows, 4; Dobermans, 4; Irish Terriers, 4; Pomeranians, 3; Yorkshires, 3; Dachshunds, 3; Great Danes, 2; Bulldogs, 2; Bostons, 2; Whippets, 2; Pointers, 2; Welsh Terriers, 2; Kerry Blues, 2; Pugs, 1; Schnauzers, 1; Chesapeakes, 1; Russian Wolfhounds, 1; Newfoundlands, 1; St. Bernards, 1.

This time the award for Best in Show came to Vancouver, being won by G. Tyson's Wire Fox Terrier, "Talavera Marne," her first appearance on the Coast, who showed with the style and presence one expects from a daughter of the great "Simon," the most famous sire in the history of the breed. The Texan's award was a popular one and we offer our congratulations to Mr. Tyson as well as to her English breeder, Capt. H. R. Phipps, M.C. The award was a particularly meritorious one, by reason of the fact that she had to win a very stiff Terrier group with some hot contenders against her.

W. T. Oates was the largest individual exhibitor, with fifteen entries of a strong variety of different breeds; his latest fancy is the Dachshund; his next might easily be a Rhodesian Lion Dog or an Apso.

The show probably suffered by being a three-day one; they are things of the past, or should be. However, it was capitally managed and put through in real Balshavian style. We all must have appreciated the liberal supply of seating accommodation. Whether by design or chance, I know not, but a large garden seat near our own Terriers was very welcome. Giving assistance in various capacities and helping for the show's success were Mrs. Dunn, Mrs. Jarvis and Miss Ena Dodds, Messrs. Pym, Bromley, Irving and Moffit. The superintendents, P. J. McLaughlin,

Collieless, and H. Wilkinson, were efficient at their work and willingly answered to their many calls, the latter by the aid of his Smooth Fox Terriers collected a goodly number of trophies, and I am sure all of us would like to see the former again handling a Lochaber Collie and winning the highest honours.

The Secretary, Oswald Balshaw, ran the show without a hitch, and as usual had the capable help of Mrs. Balshaw. Their tact, consideration and cheery dispositions through three strenuous days is something to be admired.

Dr. T. R. R. Hoggan passed the dogs into the building. An ailment would have to be microscopic to get past the Major's watchful eye. The show was fed by Spillers, as every alternate page in the catalogue told you, and a really good job they made of it, their stand was most attractive, had obliging assistants, and was well patronized.

In connection with the show the B.C. Fox Terrier Association held their annual event, which, as one would for this reason expect, drew the largest entry; although very short of what we got in better times, must today be considered satisfactory. H. Swinden, the secretary, saw that all members were provided with membership cards to place over their exhibits; this was a new innovation, and quite a good one, while a large sign over the dogs of B.C. Fox Terrier Association was very noticeable.

The show brought exhibits from long distances outside the Province—Washington, Oregon, California and Alberta. From the latter Province I met J. G. Young, of Edmonton, who recently was your Alberta correspondent, being piloted round the show by Arthur Wright. Mr. Young had made a Scottish Terrier entry, but it was unfortunately absent. However, Winners Dogs in this breed went to another Calgarian, D. Ritchie, with "Cockpen," bred by owner, who had to gallantly bow the knee to the lady of the Swansea entry, the imported "Gaisgill Daphne," who showed off her charms to advantage, appearing in vastly improved form to her previous outings.

One of the most interested visitors to the show was Jack Cottle, of Nanaimo, who naturally spent a lot of his time with the Irish Terriers, as well as renewing old friendships, and these do really mean much to this loyal fancier; he thanks all those who made his visit so welcome and hopes to meet them again at a future show. Anyone who knows Mr. Cottle will hope to see him here for the Junior League event; his cheerful, happy nature is a stimulant in these uncertain times. He also paid a visit to the kennels of his friend, Geo. W. Jackson, to see the Irish Setters there, and was delighted with what he saw. One puppy under Mrs. Jackson's care took the Northfield expert by storm, and he is no easy one to please where Setters are concerned; to him they must have intelligence, lots of bone, good spring of ribs, in short, be built for work as well as looks.

Some Nanaimo news brings regret at the sudden illness of Mr. Shepherd, which resulted in the absence of his daughter, Miss Rhoda Shepherd's Newfoundland, "Black Bess"; we wish him a speedy recovery.

Wm. Horman's recent purchase, the Wire "Miss Flip," Winners at Shawnigan, was unfortunately killed by a speeding car, and another Wire loss, Wm. Willgress' bitch, died while nursing her litter. However, J. Griffith came forward with the offer of a foster and saved the puppies—they are stout fellas in Nanaimo.

Mr. and Mrs. G. C. Harper, of Agassiz, "new C.K.C. members and breeders of English Setters in a small way," is Mr. Harper's description of the partnership. Dogs bred by them were greatly admired at the Vancouver Exhibition Show. The nine-months'-old dog, "Chepstow Flash," owned by W. T. Oates, went to Winners, while his brother, "Chepstow Peter Pan," owned by Mr. Murdoch, won the puppy class. The dam "Seymour Nora" completed her championship this year, and the sire, "Pal o' Mine," went to Winners at the same show last year. Mr. Harper's hobby is to produce good gun dogs that can win on the bench, and considers "Pal" one of the best gun dogs in B.C. Very favourable comment came my way regarding these Setters, and bright prospects prophesied for them.

Dr. James Walln, of Portland, Oregon, owner of the Scottish Terrier bitch, "Swansea Quality Queen," won the honour for best opp. sex at the recent show in Salem, Oregon; this is still another Stanley Dorrell product.

A very nice evening show was put on by the North Vancouver K. C. on Sept. 9th, during the exhibition of the North Vancouver Horticultural Society, with Mrs. Arnold, secretary, and E. Cargill as superintendent, both most capable officials. Here is one suggestion that they might well consider, to have a veterinary surgeon on hand to examine the dogs, for exhibitors are being asked to take rather too much of a chance when a large number of dogs are gathered together without a Vet's O.K.

Three Vancouver judges made the awards, Gerald Stock, for Toys and Non-Sporting; T. P. Milner, Terriers, and H. Swinden, Sporting and Working Dogs. Best in Show was won by F. Withers' Wire Fox Terrier, "Lyncote Chum," and best opp. sex to Mrs. J. Jarvis' Shepherd, "Lady Tampa."

Those not familiar with these parts must not think that North Vancouver is a suburb of the Terminal City, it is a town, beg pardon, city, on the north shore of Burrard Inlet, twenty minutes distant by ferry from Vancouver, and that is the only way you can get there. Some years ago they had a bridge across the narrows of the Inlet that was smashed by a passing ship, and it has not yet been repaired; if it ever is, these good north shore fanciers will get the entries due them from this side.

In last issue of **Kennel and Bench** appeared a really sensible plan of point-ratings from none other than our C.K.C. director, W. H. Pym. While it is almost impossible to work out any plan that will suit everyone, Mr. Pym offers us something that surely should make us all sink our differences and agree with, in the main at any rate. A better system may perhaps be found, but, be that as it may, Mr. Pym's ratings are fundamentally sound, and the P. R. (Pym ratings) scale may yet prove our

salvation, for the one we are now drifting along with is most unfair to several breeds, besides being senseless, stupid and well nigh valueless to others. A strong argument for the P. R. system can be seen in my resume of the breeds (with number of entries) which appeared at the Vancouver Exhibition show.

The Alberta News

By Provincial Contributing Editor,
C. H. PARK, Medicine Hat, Alta.

AT last we are in receipt of a little account of the doings at the past Edmonton Show and my correspondent, who wishes to remain anonymous, puts this in the form of a series of questions and answers, some of which he answers himself, under the heading of "Things he would like to know."

How many fanciers did not have a good time at the Edmonton Show this year? Was the banquet a success? We'll say it was.

What Jack Fletcher thought about the hound marked "Irish"(?) Terrier?

What the customers thought of the entry of Old English Sheepdogs, and how many enquiries their owner received regarding young stock?

If Mrs. Murison and Mrs. "Wymund" Render, of Calgary, enjoyed themselves, and will they come back again next year?

Why Mrs. Oxenham, of Winnipeg, did not attend the banquet? She missed the time of her life. Be sure and take it in next year.

What Jack Fletcher meant when he told the fanciers at the banquet "That he was just a young fellow trying to get along." I guess it can be translated into the words, he is just as young as he feels.

What the Normandy Kennels (Reg'd) are going to do with the City of Edmonton Trophy valued at $50.00 now that they have won it outright by three straight wins. What the Edmonton Club can do to improve their show? Here's another one we will endeavour to answer—offer cash prizes, but it can't be done with the entry fee $1.00.

How Monty Wallace enjoyed himself and if he is thinking of changing his breed?

What Dr. French's boy told Mrs. C. L. Young at Mrs. Arno's home on that eventful Thursday evening?

How Mr. Lloyd, of Greenlawn, enjoyed the singing of Jack Jones, the comedian, who entertained at the banquet, and whether he is still laughing at the "Song without words"?

Why Mrs. L. E. Wize did not serve tea at the show this year, and if it is true that she made a small fortune at the races?

How much money was taken in at the gate at the Edmonton Show in excess of $200.00?

How Mr. and Mrs. R. M. Holt, of Saskatoon, Sask., enjoyed themselves at the Edmonton Show this year?

Why George Climo passed up Edmonton this year, but sent his dogs along to take premier honors in the Cocker classes? You shouldn't do things like that.

If Dr. French, M.D. by initial and the same by title, will show at Edmonton next year?

Where was Sandy Robertson with his "Ginger Ale" this year?

If Joe Caswell has lost any of his pep when it comes to dancing the Irish Jig? You know, Joe is the only sponsor of the Irish Terrier in Edmonton at the present time, so we think he must have learned the steps of this dance to go along with his dogs.

If Jack Fletcher didn't have a lot of the fanciers guessing, including the owner, when he placed the Beagle the best in the Sporting Group?

What Mrs. Arno's guests on Thursday night thought of her impromptu lunch, and if they enjoyed it? We'll say they did.

What happened to Harry Champ and his dogs this year? When he was in Edmonton just after the show last year he promised us faithfully that he would be back this year. Guess he must have had an extra run on that Redcliff bread.

How the prize winners liked the "Specials" this year?

If Alf. Warry did not make a good job of superintending the Show?

How Mrs. Caudwell will make out next year with her new breed—Bostons?

Why Mrs. Colban did not show any dogs this year?

Why Calgary, Medicine Hat and Lethbridge fanciers were conspicuous by their absence? Just try coming to the Edmonton Show once, that is all we ask, then it will be a hard job to keep you away.

If the Alberta Kennel Club of Calgary missed the Edmonton entries this year?

What are they going to do about co-operation for future shows?

How Harry P. Ellis, of Red Deer, enjoyed himself at Edmonton this year and why he left Mrs. Ellis at home?

Why the exhibitors of toy dogs were so flustered on the first afternoon of the Show?

How Jack (R. P.—Racing Pigeon) Richards liked the placings in the Collie classes this year?

Why Stan. Tyrrell left for home so early? And how much confusion was caused because he took with him C. H. Park's winning Wire bitch "Medalta Cullud Gal"?

What happened to E. Marshall this year? He didn't enter one dog at the Show, but still he is a member of the Edmonton Club.

If Bobby Cross hasn't some real Wire Haired Fox Terrier bitches?

If the exhibition of Chesapeakes at the Edmonton Show wasn't a credit to their breeder, S. W. Foster, Airline Kennels, Edmonton? Where was the competition?

Why was Albert Figg so conspicuous by his absence from the show this year, and if his appointment to City License Dept. has anything to do with this?

Now for the news. Sandy Robertson has a very promising litter of particolor Cockers, sired by his black "Ch. Merry Durbar" ex "Middlesex Sister", there being two red and whites and one black and white. He also reports the sale of a red dog sired by "Merry Duke" ex "Merry Dot" to a breeder in the States who is more than satisfied with his purchase and a friend of whom is presently negotiating for the purchase of that wonderful black Cocker "Ch. Merrie Durbar". Joe Caswell advises that he still has a good demand for the popular "Mick" and will shortly have another litter to offer for sale which will be advertised in **Kennel and Bench.** Normandy Kennels (Reg'd) advise that they have numerous enquiries for high class Scotties. Their stud dogs are in constant use to high class bitches, and "Albourne Adventure" (Imp.) is carrying on the good work he started in the Old Country before his importation by producing worth-while specimens of the breed from all matings. He is inbred to "Albourne Barty," one of the pillars of the breed in Scotland. They are also looking forward with interest to a litter to be whelped on Sept. 2nd, sired by "Albourne Adventure" ex "Normandy Cachette". The last litter bred this way was most satisfactory and when they make their appearance in the show ring will reveal their scientific breeding. Two puppies from the expected litter have already been reserved. Mrs. S. C. Arno, owner of the "Marvel" prefix, reports numerous sales of Pekingese and Pomeranians to out-of-town clients. It has been rumoured that, at a very early date, this Toy kennel will add Japanese and King Charles Spaniels to their fold. Harry Nash's imported Flat-coated Retriever "Ellwyn Earldon" has been very sick, but thanks to the ministrations of Dr. Gourmet, is now on the road to recovery. Dr. Gourmet's services to the dog fanciers of this part of the Province are indeed a godsend, as he is not only a veterinarian, but a scientist, having spent a considerable number of years of his life as a lecturer in Veterinary Science at the Leipzig University in Germany and he is one man in his profession who ascertains the cause of a complaint before he ever endeavours to treat it. Dr. Gourmet has also found, in the examination of the smears of excreta, that hook-worm is prevalent in Alberta, when it was conceded by breeders that this member of the para-

site family was confined entirely to the warmer climate of the southern portion of this continent of ours. Calgary has been honoured by the visit of two distinguished sportswomen in the persons of Mrs. and Miss Christman, of Shreveport, Louisiana, U.S.A., who have made the long trip across the Continent by motor, alone. The object of their visit has been first and foremost to visit the Cossack Kennels of Bottrel, Alberta, owned by R. S. Tyrrell. In June last, Mrs. Christman imported the undefeated Russian Wolfhound "Ch. Cossack Michael" who, following his unbroken success in Canada, was never defeated in the States. One of his outstanding successes was being awarded Winner of the Sporting Group and Best Dog in Show at the Mardi Gras Festival at New Orleans, on this occasion defeating the cream of American dogdom. Mrs. and Miss Christman have expressed their deep appreciation of the kindness and hospitality received from the Alberta dog fanciers, amongst them being Mrs. Jullien, whose celebrated German Shepherd, "Ch. Derich of Cosalta," was much admired. Mr. and Mrs. W. G. Climo, of the Calmas Cocker Kennels, displayed a wonderful selection of Cocker Spaniels and as Alberta Director of the Canadian Kennel Club, Mr. Climo gave the visitors official welcome. Messrs. Hunter and Cheney showed some real specimens of Smooths and Wires. The particular interest of Mrs. and Miss Christman being in Cossack Wolfhounds, their visits to Mrs. Manning, Jr., Mrs. Phillips and Mrs. Proctor, the quality of whose Cossack Wolfhounds they considered outstanding, were of particular interest. The visitors wish to voice their appreciation of the great courtesy and kindness of the many Canadians met during their trip. As a result of their visit they have purchased a brace of beautiful young Wolfhounds, shown with marked success on the summer circuit in Alberta, "Cossack Zeus" and "Cossack Zita," which will be shipped in time for the Fall shows in the States. On their way back to Chicago these ladies passed through Medicine Hat and the writer had the pleasure of showing the inmates of the Medalta Kennels, the visitors being particularly interested in the Smooth "Ch. Calgaree Chosen Damsel," the Scottie bitch "Wyrecote Wee Jean," by "Ch. Ruglen Rabbie" ex "Heather Sunflower" (Imp.), also the many Wire brood

bitches. It is very probable that Miss Christman will be a visitor next year and at the suggestion of your scribe she will probably bring a pair of Hounds and show over the Alberta summer show circuit. When passing through Regina it was the intention of the fair visitors to stop and visit the kennels of Hamish Middlemas, of that city, in hope of being able to find the outstanding Scottie male for which they were on the lookout. Back from a refreshing holiday at the coast, Lt.-Col. D. Ritchie, M.C., accompanied by the Scottie "Cockpen" fresh from the scene of his triumphs, the President of the Alberta Kennel Club gives us the following account of his trip: "I took 'Cockpen' with me, thought I would give him a run for his money when I was going myself. It was a two point show, but there was a lot of quality, the Wires were strong. Mr. Tyson won 'Best in Show' with his Wire bitch. She was up against the Kerry Blue Terrier 'American Ch. Kingdom Hero of Cheriton,' imported from England, Miss Lohman's Chow, 'Brilliant Future of Chow Holly' and many other good dogs. I won 'Open Dogs,' that was the only class in which I entered. The only other dog opposed to me was 'Walnut Reveller,' property of Mr. McDougall, of Salem, Oregon. This is an imported dog by 'Ch. Albourne Reveller' ex 'Rosehall Jean,' bred by Mr. Crawford, of Falkirk, Scotland, about 2½ years. I consider it a great win for 'Cockpen' and the little fellow got a good hand; he appeared to enjoy his surroundings and showed like a million dollars. Stanley Dorrell won Best of Breed with his 'Gaisgill Daphne,' it was quite a battle with the issue in doubt until the ribbon was

handed out. I won the Challenge Cup presented by the New Westminster Legion for the best dog owned by a returned soldier. There were 12 in the class, including Mrs. Murison's 'Tayette' Scottie; this is the one that beat 'Cockpen' for Best of Breed in Calgary. I have shown 'Cockpen' at five shows this summer. He has been 1st three times and twice 2nd in the open class and twice best dog in his breed. Mrs. Murison was 2nd in the Open Bitches and 1st in the Limit Bitches with 'Tayette.' The judge, Lewis G. Spence, Esq., is from Dallas, Texas, and it was the first time he had judged in Canada. He appeared to give general satisfaction and certainly went about his job in a dignified, courteous and business like manner. We are having a committee meeting next week, possibly Tuesday, to decide on dates for the show and no doubt will discuss the judge. It will be an outside man and we have under consideration some outstanding men. This is the first venture for a winter show in Calgary and we are looking forward to a large entry from outside. I hope we will get the support that is so necessary to make the show go over. We cannot function properly unless the fanciers from the West generally support us." Mrs. W. Godderidge, of Calgary, has received a splendid litter of eight puppies from her Blue Great Dane "Rungmook Rwing," consisting of four males and four females, the sire being that magnificent Harlequin, "Ch. Rachchas of Rungmook" (Imp.), owned by Lt.-Col. and Mrs. J. De B. Cowan, of Kaslo, B.C., who, it will be remembered, created a sensation at the Summer Show and also throughout the city of Calgary with their string of six beautiful Black and Harlequin Great Danes this year. Mrs. Godderidge realizes with regret that her litter will have to be culled somewhat owing to the winter ahead, but she has selected a beautiful black dog and Harlequin bitch as an outstanding brace and will give them the benefit of her considerable knowledge of the rearing and training of Great Danes. Mrs. Godderidge, together with knowing a good Fox Terrier, also knows her Great Danes, having lived in contact with both breeds practically all her life. Her father, E. E. Fox, was for a number of years a well known judge and breeder of the Redgrave strain of Danes in England and at the beginning of the war had

24 Danes in his kennel. Mr. Fox was also at one time Secretary of the Great Dane Club of England. Mrs. Fox will be remembered by English fanciers as the owner of the "Just" strain of Wires, also Royal Academy Exhibitor of Canine Miniatures, and at the present time Contributing Editor of "Great Dane Growls" in "Our Dogs." Mrs. P. M. Render has become the proud possessor of a Chow Chow female four months old, bred by Mrs. P. Earnshaw, which promises to be a real beauty if all goes well with it. Her Scottie bitch, "Daisy O'Balgownie," has presented her mistress with a litter of four dogs and two bitches sired by Lt.-Col. D. Ritchie's good winning dog, "Cockpen." Mrs. Render says her Wires (the old stand-bys) always "do their stuff" and she is now anxiously awaiting fresh litters as she has been sold out for some considerable time, and the same seems to apply all over the Province, as never in the writer's experience has there been such a demand for Wires, practically all breeders being sold out of young stock, and there being a steady demand for brood bitches. Const. Thos. Webber, of the R.C.M.P., stationed at Ponoka, sends word of the purchase of a Scottie female, "Glendhall Thistle" by "Haldon Baronet" (100863) ex "Haldon Mary Anne" (104439), who looks like a good one. His Wire bitch "Farleigh Fancy Free" whelped one male pup on Aug. 20th. There is great activity in Medicine Hat doggy circles and many new dogs have been shipped in lately and local breeders have had a fair share of the new business. President W. Armstrong, of the local kennel club, has purchased that good winning Springer, "Lammond Successor," from W. Burrow, and proposes to do considerable showing with him, as he is in grand shape, and there is a keen demand for this dog's services at stud and his services are offered to the public in this number of **Kennel and Bench.** This dog is a full brother to "Ch. Lammond Mike," and of the same royal breeding as "Ch. Lammond Challenge" and "Lammond Sammy," so there is a splendid opportunity for western breeders to obtain these blood lines without a big express charge. The Altawana Kennels of W. Burrow have an outstanding litter by the aforementioned dog, ex "Girlie of Beechdale," this litter being the same breeding as that which contained the three winning bitches which at Regina last year battled for "Winners Bitches." One of this litter, a dog pup, will be shipped to that hot-bed of Springerdom, Edmonton, to the order of A. S. McCormick, and a pup by "Successor" ex "Flo of Cadillac" has been sold to Chas. Carnegy. H. Teel, of Medicine Hat, has purchased a grand black ticked, white Setter male puppy from Fred. Pennington, of Hardieville, Alta., by "Buster Boy Frush" ex "Trevallen Mary," which shows all the ear-marks of a good one. Mr. Fairburn, Chief Engineer to the C. P. Ry., earlier on this year purchased from W. Currie, past-president of the Medicine Hat Kennel Club, a male puppy sired by Mr. Currie's good bird dog, the Springer "Medalta Flash" ex "Successors Girl," but, unfortunately, the litter was accidentally destroyed. Undaunted by this misfortune and determined to have a son of this worthy dog, Mr. Fairburn has purchased a dog puppy by "Flash" ex the young winning bitch "Seafield Sensation" and it is to be hoped that all goes well with this purchase. This litter has practically been sold at birth and other litters are looked forward to. Harry Minor, of Medicine Hat, has purchased a Setter through W. Armstrong from D. Havens, of Patricia, as has H. Duggan and J. Stevens, of Hatton, Sask. J. Marsh and Dr. McEwen are recent purchasers of Boston Terriers bred by Geo. Duncan, of Winnipeg, and a good male from the same kennel has gone to W. Burrow, who now has a very strong hand in Bostons and will be heard of in the near future as it is his intention to be on deck with his Bostons at Calgary, a real good entry being expected to go forward from Medicine Hat to that show if present plans materialize. The writer has disposed of another litter of Wires by "Vivadora Masterpiece" ex "Medalta Dusky Damsel," males going to J. McNeely, H. Champ, and J. McIsaac, of Swift Current, one female going to John Hunter, Calgary, and the other being retained in the kennel. Ere these lines are in print, it is anticipated that two other litters will have arrived, one being due from "Medalta Charmaine" she by "Sultan of Keror" (Imp.), Sept. 23rd, and the others from "Medalta Simons Dimple" she by "Wireboy Simon" (Imp.), on Sept. 30th, the sire of both these litters being "Vivadora Masterpiece." Another litter by this sire is expected Oct. 7th and a litter of Smooths by that good winner "Calgaree Real Spice" ex "Calgaree Maid of Mirth," some of which are already booked.

Notes From Trevallen Kennels, by Mervyn Lloyd

The past month has been crammed with activities relative to the preparation of dogs for the rapidly approaching shooting season. From owners and prospective owners in all parts of the continent come enquiries regarding the progress and ability of the doggy companions who are to share their forthcoming shooting expeditions. Dogs for grouse and woodcock, dogs for prairie chickens and Hungarian partridges, dogs for pheasants and for ducks, picked for the vocations they are to fill, they all must have close attention in order that they may fulfill the hopes and anticipations of their proud owners. Extra care has to be spent in conditioning the dogs so that they may be delivered in sound, hard condition, for even the sight hounds have no greater need to be unmatched for courage, breath and speed than have the bird dogs. The test of endurance is never greater in any branch of sport than the long, hard-going days of the shooting season demand from the bird dog, particularly during the opening days when the weather is often warm. The unusually dry summer we have experienced this year has not been to the advantage of the trainer. The dry heat takes its toll from the excitable youngsters, but at the same time, the same conditions develop their scenting ability to a degree which under more favorable circumstances they never could acquire. The scent is so faint in a dry atmosphere that immediate notice must be taken of the slightest trace, otherwise they are too close on the birds and the result, a disastrous flush. The advent of the Hungarian partridge in the West is certainly a stimulant to the interest taken in the pointing breeds. It is very noticeable that, yearly, as this wonderful game bird is extending its range eastwards, the enquiries regarding suitable dogs for hunting them follows in their wake. Dogs have to get actual experience with them in order to be able to handle them to advantage, for no bird uses more strategy to evade detection, and to hold them successfully to a point, a dog has to perform much more than merely locate them. The interest in Labradors for heavy retrieving appears to be growing, judging from the numbers that will accompany the guns this season. They should prove to be very satisfactory workers under our climatic conditions, but it will be some time before they acquire the present day popularity of the Springer as a general purpose dog.

Maritime News

By Provincial Contributing Editor,
G. D. ANDERSON, Halifax, N.S.

THE spotlight of Maritime dogdom was focused, in September, on the New Brunswick Kennel Club's annual show, which was held in Saint John on September 4, 5, 6. There will probably be a complete story of the show from my ever enthusiastic New Brunswick correspondent, R. B. Laskey, so I will make my comments regarding it of a very brief nature. The show, a two point one, was a great success in every way except possibly the financial. The quality of the dogs benched was of a high order, and real credit is due the sponsors of the show for the orderliness and regularity with which the whole affair was conducted. The judging of Clarence Gray, of Boston, was satisfactory to all and his work was performed in a manner that made it obvious to all present that he knew his breeds to perfection and was well qualified to be making the awards. We, in Nova Scotia, feel indeed pleased that one of our dogs went to the top of the show, and we are also pleased at the winnings of the rest of our entries. Again the hospitality of the New Brunswick members was ever in the forefront and we in Nova Scotia wish to take this opportunity of thanking them for the very cordial treatment we received while guests at their show.

Our New Brunswick correspondent's monthly letter names for us a very recent purchase of a pair of Schipperkes (our Editor-in-Chief will be interested), now owned in Saint John by Miss Dorothy M. Cassidy. These two nice matured puppies, "Little Marquis O' the North" and "Radiance O' the North" are bred by Mrs. E. Brown, whose kennel of this Belgian breed is perhaps the best in North America. "Little Marquis" is by "Ch. Roff O' the North," a sweet bitch of lovely balance and type. The "Radiance" dog is a February puppy by "Ch. Jubilant" out of "Echo," both "O' North" prefix. The dam, "Echo," is sired by "Int. Ch. Coltness Little Skipper." Miss Cassidy hopes to carry on with this Belgian breed—we wish her success as they are a handy size house dog, a very keen and alert watch. This pair is not the first Schips. owned in Saint John, as Scot E. Morrel and Chesely Colwell owned them about 1920, all imported stock.

A Boston Terrier buy of importance was the purchase, in September, by Alf Loveridge, of "My Little Nominee," bred, and recently owned, and exhibited by Mrs. B. M. Frost, Saint John, N.B., whose Boston Kennels of "Saint John" prefix have produced quite a number of consistent winners for the last few years. Mr. Loveridge bought this handsome Boston before she went into the ring at the Ladies' Kennel Club show in Montreal. The fact that she did not place there in the awards under Dr. E. H. Berendsohn did not in the least perturb "Alf.", who recognized her merits and show qualities. "My Little Nominee" was their most promising daughter by "Ch. Dorchester Billie Hagerty" out of "Castlewood Princess," the latter by "Ch. My Nominee." The price must have been a tempting one as Mrs. Frost considered her one of the best she has bred, her last notable sale being "Nominee's" sire to an oriental fancier in Honolulu.

Ralph Preston, of Glen Falls, N.B. our oldest judge, breeder and exhibitor of Fox Terriers, follows up and commemorates the winged victory of the famed Italian air commander by naming his likely Wire puppy "Epping Balbo," a true son of his former winning "Ch. Epping Edict." The year-old "Balbo" is quite a finished Terrier that did well under Clarence N. Grey at the recent N.B.K.C. show, leaping the hurdles from puppy class to winners and best of breed. We heard it said the breeder-owner of "Balbo" refused $200 for him the last night of the show. There's something in a name!

It seems as though the Orr brothers, Robert and George, have the monopoly of breeding the best Maritime Pointers. They benched eight at Silver Jubilee September Dog Show in Saint John and six other entries were of their breeding. They accounted for Winners Dog and Winners Bitch and entered some for specials only. This season the junior brother, George, won supreme honors with his heavy marked liver and white bitch, well matured, puppy, "Miss Smokey," while Robert Orr was a very close second and Reserve with "Easco Grip," a lovely liver ticked bitch that won several local specials from strong competitors in variety classes. It was in this breed, our readers may recall, that last summer the distemper scourge laid low many valuable show prospects, but the survival of the fittest left several who have proved they have the right stuff to win. A few years ago the name of G. B. Taylor was one to conjure with when lining up Irish Setters. His "Ch. Barney" and "Ch. Iowa's Irish Nellie" were big winners but now his hopes are renewed with his "Irish Pat," a promising rich red coated son of "Wexford Danny." A local bred upstanding puppy of right station, make, and shape; already starting out on a winning career at his first show. Another new sporting dog of favorable mention is the attractive red and white parti bitch Cocker purchased this season from the Derby Cocker Kennels of A. R. Stuart, Montreal. She is named "Derby Lovelight," is by "Voyageur Black Watch" ex "Derby Daisymaid." Her new owner is J. G. Cavanaugh, of Cedargrove Kennels, Saint John, who has been having more than a novice's hard luck as a breeder, so we hope the tide turns with a favorable wind and soon a yardfull of real Cocker prospects.

Geo. T. Kane, who expected to take up breeding activities in Bostons with his recent purchases, unfortunately had his new bitch hit by a passing motor car. The "Cinema Girl," a kennel raised one, had not been accustomed to street and car traffic. "Ring Mount Lindy," her team mate, reported in Sept. **Kennel and Bench**, won high honors under the Boston expert, Clarence Grey, who considered this fourteen-pound Boston good enough to win his group class in fast company. "Lindy," we think, looks like the best Boston imported into this city for many years. We hope he sires stock as good as he looks himself.

New Brunswick Terriers supported the Ladies' K.C. September Show in Montreal and found it tough sleddin'. A Halifax-bred (F. W. Johnson) Smooth bitch won her earned points and Winners, named "Haligonian Vamp," with "Crown Glorie" Reserve Winners. Cossar Farm Scotties had stiff competition with at least thirty Scottish Terriers benched. "Cossar Rab," a seven-months' son of "Heather Radiant," was third, seven in the ring. Mrs. Batt's "Haldon Banjo" first, and "Glen Garrel Jimmy" second. Cossar's "Heather Highlander," by "H. Spellbinder" ex "H. Annie Laurie" was first Novice, third Limit and third Open, all good classes with many of the Ontario and Quebec entries there, "Cedric Chieftain" being Winners Dog and Mrs. Batt's "Haldon Troubadour" Reserve. "Cossar Heather Belle," a puppy, was third Novice and Canadian-bred. The Cossar stud dog, "H. Highlander," won the Spiller prize for the Best Maritime dog or bitch. "Highlander's" first showing at the Labor Day show of N.B.K.C. saw him go Winners Dog, while the same owners won first puppy and first Canadian-bred Scottish at the same show with their "Cossar Rab" and "Cossar Kirstie." At this Saint John show seventeen Scots were benched. Mr. and Mrs. Harry Brodie had a lovely exhibit of the breed with their "Kinloch" four, a nice even lot of home-breds and put down in nice form, a credit to any kennel. We thought them deserving higher awards. "Bluenose Peggy" ex "Haldon Gaisgill Maggie," a Haldon-Batt bred one, now owned in Halifax, that did well under Caswell Barrie last year, repeated her success by going to Best of Breed. A very

matured bitch, short of coat, due to a recent litter, but a nice stamp of Terrier and hard to beat.

Our Maritime fanciers who tote a gun and bird dog are asked to remember that the annual New Brunswick Cover and Field Trials are to be about the 13th and 14th of October. David Griffith, Fredericton, N.B., is the association's secretary. Write him now re place, time and classes. He will gladly give all inquiries prompt and full attention. We who attended the Trials last Fall assure you—it's worth while going—it's an international event with some American and upper Canadian field champions competing. Here's a chance to display your wares!

Now that the New Brunswick show is over all eyes are turned to the two two-day shows that are being held by the Nova Scotia Kennel Club in Halifax from October 3rd to 6th inclusive. Real efforts are being made to make these two shows the best ever held in the East and every indication points to success.

So much of our time has been spent in arranging for our shows that other items have been almost forgotten. However, there are some notes of interest which I will saw a few words about.

First of all comes the news that we are to have a new Cocker kennel in Halifax and its owner is none other than Henry McLeod, who for many years has enjoyed Irish Setter fame in Nova Scotia. The first foundation stock consists of two lovely youngsters, light buff in color, out of "Brampton Belle" and sired by "Red Letter." We wish you much success, Henry.

I also learned that James Martin recently added two new Beagles to his string. One of these came from Gordon Carnall's kennel, while the other was bred by W. A. Cornwall.

News is at hand to the effect that there is now on the high seas, heading toward George Goodwin, of Halifax, a trained Irish Setter from England. While the breeding is not known to me at the time of writing, I understand that it is very choice. The dog in question is a real show prospect and has done considerable winning in the Old Country.

While speaking of Irish Setters it is only appropriate that I mention the fact that Lorne Teasdale's imported Irish bitch has presented him with a litter of eleven healthy pups who own "Ch. Mike Haliburton," the property of Eric Flowers, as their sire. The Irish fancy in the East are watching this litter with real interest, because it is hoped they will combine the working qualities of their dam with the show traits of their illustrious sire.

Just today I learned that a Boston Terrier from the U.S. has just reached Miss Molly Steves. His breeding will probably appear in this column at a later date, because from what I can learn of him I am sure that he will be in the headlines on more than one future occasion.

The Boston is enjoying a wave of popularity in Halifax and news of that breed will predominate in this column unless I am very careful. Roy McKay called me a day or two ago to say that he has two lovely litters. One contains four males and one female out of "Bluebelmac Chicko" and by "Laddie Champson," who was out of "Ch. Noels Bebe" and by "Ch. Ringmount King O' the Avenue." The second litter of three males and one female is out of the well known "Mac's Betty" and is also sired by "Laddie Champson." Roy is mighty well pleased with these two litters and tells with enthusiasm a long story regarding the wonderful markings of these pups. Let's hope there is a real flyer among them, Roy.

Fred Fougere had the misfortune to lose—during whelping—that wonderful little Cairn bitch, "Sheila of Glasee." However, she left behind her two pups who will doubtless carry on her name and fame in the ring. The two puppies are being brought up on a bottle and are doing well.

To Sgt.-Major A. J. Hill go our sympathies on the loss of his famous Collie "Seedly Al-De-Ber-Big Ben." "Ben" was twelve years old and was suffering from paralysis and had to be humanely destroyed. He was sired by the famous international champion "Alstead Seedly Victorious." "Ben" was shown many times in the East and easily won his championship. In fact, he was never beaten until he was quite old, and then he bowed only to the then newly imported "Major Lukeo," the property of A. V. Martin.

From Alfred E. Reid, of Milford, N.S., comes some welcome Springer news. Mr. Reid is known as the owner of probably the best collection of Springers in the Maritimes and his stock have carried away the points at Maritime shows in a very consistent way for some years. He reports litters out of "Ch. Nellie of Tantramar," "Connie of Tantramar," who went to the top of her breed at the Halifax shows last year, "Helen of Tantramar," a lovely black and white bitch who will be on show this fall, and also a litter from the aged bitch "Artful of Thorndean." There are lots of these puppies still available, although they are finding owners at a fast rate. Within the last few days one was shipped to Halifax, one to Rothesay, N.B., and one to a south shore town in Nova Scotia.

A great many of Mr. Reid's Springers are to be seen in almost every part of the Maritimes and it is a pleasure to hear the comments regarding their working ability, or to see them winning in the ring. Here is a real fancier who is doing a lot for his breed in a quiet but effective way.

From W. E. Neve, of Truro, comes the news that his Scottie kennel is doing fine. He recently had a litter of nine out of "Hazledean Thistle" and sired by "Hazledean Ace of Spades." Another matron, "Hazledean Molly," did not do so well, but presented her owner with one nice looking female puppy by "Ace of Spades." Mr. Neve reports that sales are not too good so let us hope that the coming shows will stimulate some buying interest in the Diehards.

So long till the shows are over.

Saskatchewan News

By Provincial Contributing Editor, W. W. RIOME, Moose Jaw, Sask.

GUN dog breeders of Saskatchewan are liable to be disappointed with their hunting trips this season. The prolonged dry weather has caused the sloughs to dry up, or nearly so, causing the ducks to become weak and sick. They are dying by thousands. Many reasons have been suggested as the cause of death, generally known as duck disease. There is an abundance of upland game and nimrods will have to turn their attention to this class of hunting. Here is where the Setter and Pointer man will have the advantage.

Phil Lillie, of Moose Jaw, was a recent visitor, accompanied by his black and white English Setter, bred by E. Chevrier, of Winnipeg. The last time we saw this Setter he was just a puppy, very attractive and showing the breeding of his imported parents. Since that time Phil sent him to E. A. Atkinson, Maple Creek, Sask. to be trained.

Mr. Lillie whose experience with Setters dates back over 30 years, says this is the most perfectly trained dog he has ever owned. The dog was returned in splendid condition, well grown, an upstanding speciment to be proud of. The owner and trainer of this Setter have never met. A small advertisement being the connecting link —however, Mr. Atkinson's training stands up, and far more than he guaranteed.

Hamish Middlemas, owner of Wyrecote Kennels, Regina, reports quite an increase in the Scottie world. "Heather Sunflower," Imp. and "Lady Necessity" Imp., both have nice litters, sired by Ch. "Ruglen Rabbie," Imp.; all are doing well and no doubt will develop into future champions under the tender care of the owners of Wyrecote Kennels.

Walter Pym, of Bron-Wyn Kennels, has been making sales quite freely since the last shows. The following Wires have found new homes: "Bron-Wyn Busybody," sold to Tom Redhead, Moose Jaw, who intends to use her for a brood and is now looking around for a suitable mate for her.

"Bron-Wyn Obah-Toba," a nice male, winning two firsts and Reserve Winners at Regina and Saskatoon, sold to Miss Helen Gordon, Regina. Another female, "Dark Blossom," who has done quite a lot of winning, was sold to Leslie Hainsworth, Regina. The Imp. Wire Bitch, "Sans Gift" has produced a litter of five males, sired by "Wyrecote Tempestuous." These puppies are showing great promise. Still another sale of "Bron-Wyn Jerry Boy" to Jack Lapointe, of Regina.

The Regina Canine Society will start its season's activities the first Monday in October, and preparations are being made for a busy season, as far as instructive and social evenings are concerned. At each meeting two of a named breed will be matched for points. A member interested in the particular breed will compare points after which questions will be invited and discussion followed. By this means many breeds will be studied during the winter months and much valuable information obtained by those who attend regularly.

At a recent meeting of the Moose Jaw Kennel Club, President Smallwood reported good progress, and that the finances were in a satisfactory condition. At the next meeting the annual election of officers will take place. The present officers have done splendid work during the last two years.

The untiring effort put forth by the owners of Glendhall Kennels is constantly bringing results. Two Irish Terrier puppies have found new homes, one with Mr. Hugg, of Regina; the other with Mr. Henn, of Saskatoon. The Scottie females, "Haldon Lyra" and "Haldon Tessie," are showing in whelp to "Haldon Baronet." The two male puppies, out of "Haldon Rainbow" are doing well. They are sons of "Haldon Minstrel," who finished his championship and gained Best Scottie in Show at Montreal, Hamilton and Ottawa The new kennels which are now complete and painted make quite an attractive layout. Mr. and Mrs. MacLeod have done everything possible to ensure the dogs comfort during the coming winter, both in the kennels and in the three acre exercising grounds.

Dr. Margaret French, of Saskatoon, has provided ample accommodation for her Airedales at the new residence on Herman Avenue. Beside warm roomy sleeping quarters, the yards are strongly built and enclosed with heavy diagonal fox fencing. At the time of our visit we saw four well grown youngsters out of "Ch. Springlake Mollie," and sired by "Ch. Silverdale Tornado." These big husky fellows have all had the Dunkin Laidlaw treatment for prevention of Distemper, and have never known a sick day. The next litter expected to arrive at the kennel will claim the Imp. "Ch. Wycote Special Edition" as sire. Something good is expected from this mating, the Dam being a grand daughter of Int. "Ch. Warlands Ditto." "Wycote Special Edition's" first litter in Canada contained six males and three females.

Mr. A. A. McLennan, of Lebret, Sask., has joined the ever increasing number of Irish Terrier fanciers. His new purchase being "Mutual Playmate," sired by "Ardbahn Tim," a son of "Culbahn Con."

Bill Orchard, of Moose Jaw, returned from his holiday in Manitoba with a smart little Boston female. Bill had not got her papers when he called, so we are unable to give her breeding. Next year Mr. Orchard intends to try his luck at breeding a few Bostons and supporting our shows.

We are sorry to record the passing of the Scottie Bitch, "Wyrecote Queen O' Scots." This granddaughter of "Ch. Heather Necessity" was heavy in whelp to J. R. Kennedy's "Coxmoor Callant," Imp. "Jean" was staying with friends where she made her home, a phone message said she passed out suddenly.

"Glendhall Annie Laurie," another Mutual Scottie has been bred to Joe Gillans, "Wyrecote Dougal Craitur," by "Ch. Ruglen Rabbie," Imp. and out of "Lady Necessity," Imp.

Bye the way, Mr. Gillan has built an ideal kennel for his Scotch Terriers. The sleeping quarters are cosy and carefully arranged for light, they are draft-proof, the exercising pen is all covered and fitted with storm sash for protection on very cold days. "Dougal Craitur" is the boss and there are two females which have done well on the bench. One female is sired by "Ch. Tayside McWilliam," the other by "Ch. Ormondy Airth."

Ed. Mabson, of Regina, is well pleased with the first year's showing of his Scottie female, "Fionnghal of Gryffeside." Ed., however, is not satisfied with being next to the top and hopes that with a little more time his good bitch will get the coveted ribbon. At the present time this breeder is scouring the Dominion for a Stud that will head his small select kennel, a few puppies will be raised each year and that good one; we all look for, should appear.

Scotch Terriers have increased rapidly the last three years in the West. Several new breeders have joined the ranks, others are anticipating importing, so the future should bring together good classes and stronger competition in this die-hard section.

On Tuesday, September 5th, the Rev. John McKnight was inducted to the charge of Trinity Church, Moose Jaw. For many years Mr. McKnight has taken a keen interest in Shepherds, his ministerial work has been in country points. For city conditions, a smaller dog will probably be chosen, and we somehow think the Scottie will be the favored breed.

Mrs. Gilbert Driver, of Moose Jaw, reports her Irish Setter puppies to be the best she has ever raised, slick and rangy, they have abundant scope for exercise and are regularly taken for a little workout across the prairie.

Mutual Kennels recently sold the Irish Terrier "M. Understanding" to J. Crawford, Moose Jaw, another puppy to J. Williams, "M. Messenger."

Mansel Jenkins, Moose Jaw, recently purchased a Springer Spaniel to assist in filling the bag this fall. Mansel is an ardent follower of outdoor life and takes advantage of every opportunity. We heard of several parties who left last evening to be "all set" for the early morning shoot on the opening day, September 15th.

Mr. Murray, of Regina, is still awaiting the arrival of a Cairn and a Scottie from the "Land o' the Heather."

The front page of September **Kennel and Bench** gave most Terrier fanciers quite a thrill to see the great Airedale, "Warland Protector of Shelterock," owned by Mr. Stewart, U.S.A. Most of us would like to see much larger entries of the King of Terriers. We could well do with more enthusiasts today as we think of some of the breeders and exhibitors of recent years, such as Mr. Danby, of Prince Albert, now of Wakaw, who owned "Ch. Barnsley Boy," a terrier correct in size, nice full muzzle, real Airedale expression, and a grand disposition. We could do with more like him today. He was a Grandson of "Midland Master G," "Ch. Punnichy Queen," a daughter of "Ch. Barnsley Boy," raised by Robert Hogg, of Punnichy and later sold to Mr. Danby. "Punnichy Queen" was a nice sized one, sound, good coat, and produced several nice ones, including "Ch. Punnichy Pat," now owned by Mr. Macklin, Saskatoon, "Ch. Punnichy Squire," owned by the writer. Later, Mr. Hogg purchased "Ch. Chattrick Miss Winnitoba," who is still in splendid form and looked 100 per cent at Saskatoon Show this year. "Rockcroft Crag," bred and owned by W. A. Childs, Saskatoon, is a son of "Rockcroft Clelland," he by "Ch. Martley Squire," owned by Mr. Hines, Saskatoon. "Ch. Martley Squire" produced many good ones, including "Ch. Silverdale Tornado" whom Geo. Kynoch considers to be one of the best in the country today. "Rockcroft-Clelland" was out of Mr. Childs' bitch, "Hanleys Best Girl," imported from Dr. Payne, Glen Falls, New York. This bitch was a good small one, with a real hard coat, very dark eyes, splendid expression, and as keen as they come. Back in her breeding was "Ch. Silver Birch Banker," "Ch. Geelong Gladiator," "Ch. Boxwood Barkentine." Recently we had the pleasure of seeing "Rockcroft Miss Briton," a bitch by "Int. Ch. Warland Ditto." She must be seven years or more, still standing up on her toes, a worthy daughter of so great a sire. "Rockcroft Miss Briton," bred to Rockcroft Cleland," produced "Ch. Lake View Molly," owned by Dr. Margaret French, of Saskatoon. "Lake View Molly" in turn produced a couple of champions, their sire being "Ch. Silverdale Tornado." From the splendid blood lines now in the kennel and the introduction of "Ch. Wycote Special Edition," no doubt Dr. French will be right in the front ranks of the Airedale breeders. We could speak of other Airedales of Alberta, owned by Albert Bean, but since that is outside the limit of the Sask. Page, we must not overlap on our neighboring province. After the busy show season we expected to receive an abundance of news for our page, but so far that has not been the case. We hope, however, for better conditions next month.

Howard Riome is watching one lone puppy out of his Whippet, "Flying Nomad," and sired by "Ch. Hunter's Gallant Fox," the youngster is a blue and being the only one to cater for, is making rapid growth.

ODDS AND ENDS

This column having been well and favorably received by **Kennel & Bench** readers generally, we intend that it shall be continued just as long as it continues to satisfy, and we will welcome from our readers any news items of general reader interest which can be made suitable for the "Odds and Ends" column.

This month, the Canadian National Exhibition dog show furnishes most of the necessary copy to fill the column. All due respect to the Million Dollar Horse Palace, with all its grand equipment and other attractions, we certainly missed the old "come and go" stairways and the old flag-bedecked gallery, aye, and many of the old familiar faces which, alas! we shall never see again until we reach the "Golden Stairs" which lead to the largest show of all, or until we appear before the Greatest Judge.

Bill—"Well, what do you think of the show anyway? Some difference between this and the old ramshackle fire trap up on the corner, eh?"

Ed.—"You bet; from end to end, and from side to side she's all dog show. This is a credit to the Canadian National Exhibition, I would say."

Ed's answer to Bill's queries tells the whole story. "She's all dog show," said Ed., and she was.

Affable Alderman Frank Johnston, chairman of the Canadian National Exhibition Dog Show Committee, made a hit with the exhibitors on Tuesday when he appeared in the dog show building with the C.N.E. president, Mr. Inglis, Mrs. Inglis and the C.K.C. president, Col. G. F. McFarland.

Coming into the judges' ring the visitors were introduced to the judges, and Mrs. Inglis was presented with a bouquet of choice blooms. The party was photographed in the ring and then proceeded to look at the dogs in a very thorough manner.

Mrs. Inglis paid a nice compliment to the German Shepherd Dog when she said: "That is the breed I like best; the Shepherd dogs look so friendly and so trustworthy". And irrespective of anything to the contrary Mrs. Inglis was not very far wrong!

Ex-Alderman "Bob" Leslie says: "I wouldn't take $1,000 for my Shepherd Dog. He is the most dependable companion-protector that I ever owned or ever heard of."

That's speaking up for one's dog, isn't it?

George Steadman Thomas has been attending the Canadian National off and on for the last 43 years. In 1890 he attended with a string of 50 dogs, and he recalls that the late Ben Lewis, Sr., had also a string of dogs which numbered 50 at the same show. "The 1933 show is the best I have ever seen in Toronto," said Mr. Thomas, and "I have never seen such an entry of Beagles at any show," the veteran breeder-judge declared.

George "Dad" Ward, Oakville, Ont., has been under the weather for the past 10 weeks or so, but the "urge" got into him and he was present at the "Ex". Handling Beagles in large classes where the going was strenuous and necessarily prolonged, "Dad" seemed to take on new life, as he outmanoeuvred Oscar Pierson at Oscar's own game to take some of the higher prizes.

Speaking of Beagles, here is the breed that is making great headway towards the standard of quality. Such owners as Oscar Pierson, Cainsville, Ont., Dr. G. Haigmeier, Preston, Ont., E. Robertson, Toronto, the Dominion Brewery packs of Toronto, are all leaders for quality in their working hounds, and their enthusiasm is spreading far and near.

Beaglers in the Toronto district were invited to attend a meeting of the Central Ontario Beagle Club on Friday, September 8th, at the Prince George Hotel, the objective being to bring all men interested in "The Little Hounds" together.

Beagles were 41, Wire Fox Terriers 36, Bostons 35, Cockers and Cairns 34 each, Pekes 29, German Shepherds 25, Poms. 23, Collies 20, Bulldogs 18, Airedales 17, Springers 14 and Scotties 16. There's over 300 dogs—a show in itself.

When the other breeds are counted in we find 441 dogs benched, which would indicate a 5-point show.

The "gate" was not so large this year; at least, that was the general impression. However, there were times when the writer imagined that the old building never could have housed the show and the gallery that found themselves in the new building which was bright and airy at all times.

Smooth Fox Terriers—twenty of them—were benched at the Canadian National and there was enough quality amongst them to make one feel that the breed was taking a strong hold on the general public again. The entry was very much admired.

Russian Wolfhounds were down to four and represented but two breeders. It is about time for the Romanoff and the Vaski Kennels to renew their interest in this beautiful breed.

As Mrs. H. A. Ross piloted the Brampton Kennel Cockers through the several classes, we seemed to realize the extent of her handicap in not having the guidance and assistance that her late husband was always so capable of giving.

Joe Hill, Toronto, a veteran of the Cocker colony, came to the C.N.E. with a couple of nice ones in "Misty Morn" and "My Ideal", and had the satisfaction of personally steering the latter to best Cocker in show, proving that experience will always be valuable when applied to the breeding plans of any kennel.

It is always interesting to notice the older fanciers in the ring matching their wits against the younger exhibitors. Men like Charles A. Stone, Fred. Miller, Geo. Bailey, "Dude" Baldwin," Joe Perkins, Ray Tyrwhitt, and that good old lady fancier, Mrs. T. Worthy. Some of these fanciers may not be as spry as they once were, but they do put their dogs down perfectly and always in nice physical condition.

It was again demonstrated that the Obedience Tests as sponsored by the German Shepherd Dog Club of Canada are capable of holding the interest of spectators. Three out of seven dogs entered scored better than 90 out of a possible 100, which proves the excellence of the entertainment as a show feature and the consistency of the training of the dogs themselves.

A Shetland Sheepdog puppy showed that almost any breed of dog may qualify for obedience work. This smart little miss balked at the four-foot jump, otherwise she would have been right up with the leaders. What she lost at the jump she made up with the gallery, who acknowledged her performance with approval.

Mrs. M. C. McGlone, New York, has accepted the invitation extended to her by the Boston Terrier Club of Toronto to judge the club's specialty show on Thanksgiving Day.

Exhibitors are advised that there will be hundreds of cash prizes offered for competition and that all exhibitors and their friends will be expected to attend the turkey banquet in the evening.

The officers for the above club have been elected, and the following will govern the affairs of the club until their successors have been appointed: Hon. Pres., H. M. Jackson; Pres., H. Shaw; 1st Vice-Pres., C. B. Firman; 2nd Vice-Pres., Mr. Hamilton; Sec., Mrs. C. B. Firman, 587 Markham St., Toronto; Treas., P. Boughs; Executive, Mrs. Sim,

Mrs. Hemsley, Mrs. Lipe, Mrs. Caley and Mrs. Ward. Trophy Sec'y, Mrs. Routley; Show Sec'y, A. Patchell.

Hamilton Kennel Club lost a valued and experienced member when Bert Shevel died from cancer trouble on August 26th. Mr. Shevel was a hard worker for the club and had the friendship of every officer and member; in fact there were many of the members who had more confidence in Mr. Shevel's ripe experience than they had in anything else when they had trouble in their kennels, and his kindly assistance was always appreciated, since it was generally followed by satisfying results.

The German Shepherd Dog, "Ch. Armor von Vogel," will be a passenger on the "Empress of Asia" en route for his new home in Japan, by the time this is being read. C. M. Tangstad, Winnipeg, is the seller.

Another good Canadian dog which goes to a new home in Japan is the Wire Fox Terrier "Ch. Barovian Reflex". This consistent winner had for sire "Ch. Whitecroft Reflex," and for dam a daughter of "Ch. Watteau Roberts," so he leaves our Canadian shores with the choicest credentials.

Fred McLean, Hull, P.Q., says: "I attend the important shows in the United States and Canada. I meet the officers on occasion and generally find them all very obliging, but there is one dog show official in Canada that has retained my respect for a long period, and that is Mr. Fred. W. Jacobi, superintendent of the Canadian National Exhibition.

Mr. Jacobi has the quiet, assured manner of the able executive and he is always master of his shows. In all the many years I have exhibited at Toronto, I have always admired the austere looking gentleman in a big way. Many take the outward severe look as a "stand-off" sign, but the man's heart is bigger and more generous than the heart of any dog show superintendent that I have ever met."

"Blood will tell," and a little English blood, when infused into our Canadian Cockers judiciously, is going to do a lot of good. No mistake was made when "Stanley Storm Cloud," a bitch who had for dam "Ardleigh Mist," daughter of "Cymbal of Ware," was bred to "Ch. Limestone Laddie" and produced "The Coming Storm", and we think that W. M. Nickle would have had lots of sport had he retained this good black Cocker and had campaigned the animal at the shows himself.

"The Coming Storm" was always well up in the award columns when shown in Canada and soon won his championship in this country. He was taken to New York this year by F. L. Coleman, Hull, P.Q., and won first prize in the open class for blacks. "The Coming Storm" was not allowed to return to Canada, but went to Atlanta, Ga., to the Newbold Kennels of Mr. and Mrs. Paul Hamer there, and under the astute guidance of Mr. Hamer the dog has become a champion in the United States, where he continues to win at the larger shows.

As for instance, best in show all-breeds on August 28th at Mission Valley Kennel Club, where 386 dogs were benched. Only a few days ago, September 9th, he won for best of breed and was second in his group class. A son is now five months old and gives plenty of promise of being able to trim his "daddy" at maturity.

The English stamp is prominent in "Int. Ch. The Coming Storm", and he is conceded to be one of the best black Cockers on the American continent today. Fearless of the gun and a capable retriever of fur or feather, on land or water, sound as a dollar, with perfect movement fore and aft, and it is to be regretted that he was allowed to leave Canada.

Walter Lee, Welland, stepped into the role of judge at the County Field Dog Club Show held in conjunction with the Hamburg, N.Y., fair, and reports to hand assures us that Mr. Lee gave a good account of his stewardship there. The breeds included Beagles, Pointers, Setters, Cockers, Springers and Dachshunde, and the greatest of these was W. F. Gilroy's English Setter, "Ch. Gilroy's Chief Topic."

Fred. W. Coles, Toronto, veteran sidekick of the late John Miles of Bull Terrier and *"Inferno"* fame, continues to sponsor the "White Cavaliers", and this year he showed his "Silent Avenger" and won the Championship points.

"Inferno" was born on January 28th, 1907, and was by "Dufferin Ben Hur" ("Queensbury Boswain," ex. "Newmarket Countess") out of "Epsom Countess Gray," who was by "Epsom Wonder," son of "Ch. Faultless," ex. "Epsom Jean," a daughter of "Ch. Woodcote Wonder." So Mr. Coles should know his Bull Terriers.

We have been receiving many enquiries from owners of registered dogs in connection with the matter of kennel licenses. We receive correspondence, too, from Town Clerks asking for guidance on the same subject, therefore we publish the following information:

KENNEL LICENSE

"The owner of a kennel of pure-bred dogs registered in the register of the Canadian Kennel Club Incorporated shall pay an annual tax of $10.00 to the treasurer of the municipality as a tax upon the kennel and he shall not be liable to pay any further tax in respect of such pure-bred dogs."

(Revised Statutes of Ontario 1926, Chapter 62, Section 3, Sub-section 5).

The Field Trial idea is spreading, and since we have Field Trials for German Shepherds and Beagle Hounds, why not Field Trials for Pointers, Setters and other bird dogs? It is true that our Honorary President, C. A. Stone, Toronto, together with his bird dog associates, has tried from time to time to organize recognized Field Trials in the East, but the actual drawing up of Trial rules for official approval never was really consummated, and so the cry now comes from Western Canada where the Manitoba Trials are considered to be amongst the best in the world.

R. L. (Bob) Hutchinson, Saskatoon, is ready to sponsor an extention of the Manitoba Trials to be held in other Western cities, and he has found his proposal has its attractions for many Western sportsmen. Perhaps 1934 will see the necessary rules approved of, and bird dog Trials functioning under Canadian Kennel Club license.

A noted addition to the local Great Dane colony to be campaigned at the Fall Shows is the German Grand Champion of 1931, "Cyrus Von Der Pissa", who has arrived in Toronto from the Cirrol Kennels at Chappaqua, N.Y., to compete for his Canadian title. "Cyrus" is of a deep golden fawn color, standing thirty-three inches at the shoulder, with a well knit and symmetrical body, topped by a typical head. He has successfully defeated all Fawn Danes in competition, and was the only Dane to defeat "Cuno Von Moritzburg" in the 1932 series. His sire, "Bosko V. D. Ottoberg" won the 1926 German championship title, while a litter sister of "Bosko" won the female championship of that year. A litter brother to "Cyrus" won second in the 1931 competition, being defeated by "Cyrus." The services of this remarkable dog were quickly claimed on his arrival, "Ch. Ironwood Queen of Sheba", owned by Mrs. G. W. Hyslop, and "Fergunni V. Keenan", owned by Mrs. R. McColl, both of Toronto, are expected to whelp some typical Canadian-bred puppies sired by this dog. He will make his home with Mrs. McColl while in Canada.
