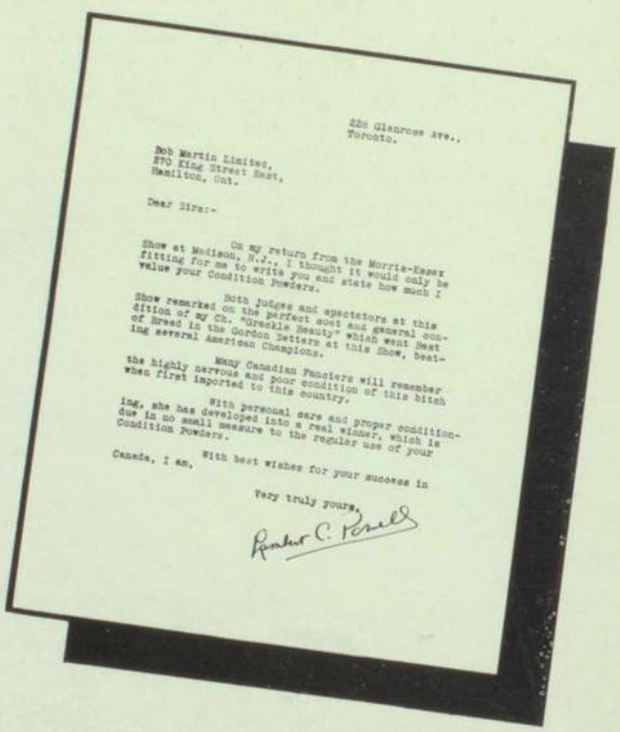
This GORDON SETTER Bitch –

Ch. "Grackle Beauty", owned by L. C. Powell, Toronto, went winners bitches, best of winners and best of breed at the recent Morris-Essex Show held in May, 1934, at Madison, N.J.



226 Glenrose Ave.,
Toronto.

Bob Martin Limited,
270 King Street East,
Hamilton, Ont.

Dear Sirs:-

On my return from the Morris-Essex Show at Madison, N.J., I thought it would only be fitting for me to write you and state how much I value your Condition Powders.

Both judges and spectators at this Show remarked on the perfect coat and general condition of my Ch. "Grackle Beauty" which went Best of Breed in the Gordon Setters at this Show, beating several American Champions.

Many Canadian Fanciers will remember the highly nervous and poor condition of this bitch when first imported to this country.

With personal care and proper conditioning, she has developed into a real winner, which is due in no small measure to the regular use of your Condition Powders.

With best wishes for your success in Canada, I am,

Very truly yours,

Lauder C. Powell

"With personal care and proper conditioning she has developed into a real winner," states Bert Powell, Canadian owner.

Whether you breed and exhibit for a hobby, or as a business, you cannot afford to let your dogs fall short of the standard of condition demanded today.

The surest way to keep your dogs in perfect condition is to be guided by the experience of world famous Fanciers and use **Bob Martin's Condition Powders regularly.**

They will give your dogs that extra touch of condition which makes the difference between an occasional prize winner and those that are consistently "in the money."

For 40 years the world's greatest Fanciers have advised **Bob Martin's Condition Powders** as the key to consistent success. You too can follow their advice to success and profit.

Bob Martin's *tasteless* **Condition Powders** purify the blood and prevent the common blood disorders in dogs, such as **excessive scratching, listlessness,** and **sulky temper, loss of appetite, loose coat, eczema** and **eczema-gout** (swellings between the toes).

The correct way to keep your dog always fit and in lovely coat is to give him a **Bob Martin's Condition Powder** three times a day for two successive days in every week.

First, we would like you to try these famous Condition Powders. Enclose 10c. in an envelope to cover cost of mailing, stating age and weight of your dog and one complete treatment will be mailed to you immediately.

Have you obtained a copy of the valuable book, "Bob Martin on Dogs"? Write today to obtain your copy. Mailed free on request. Address Box 15.

Meeting of the Board of Directors of the Canadian Kennel Club, Incorporated

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club Inc. was held in the Board Room of the Club's Offices, 25 Melinda Street, Toronto, on Thursday afternoon, June 21st, 1934, at three o'clock.

The President, Col. J. N. MacRae, presided. Directors attending included W. H. Reeves, Capt. H. Dudley-Waters, W. H. Carter, Alex. L. Gooderham and Brig.-Gen. C. M. Nelles.

The Secretary advised that Dr. H. E. Batt was attending a Fox Breeders' Meeting and regretted being unable to attend the Directors' Meeting.

Mr. and Mrs. John W. Bruce, Richmond Hill, being present as requested by the Board of Directors, it was agreed to hear Mr. and Mrs. Bruce before proceeding with the regular agenda.

It was explained, that the Board of Directors were not desirous of having Mr. and Mrs. Bruce withdraw from membership in the Club, as they had indicated they intended doing in correspondence.

It was regularly moved, seconded and carried:—

"That Mr. and Mrs. Bruce be asked to reconsider withdrawing from the Club, but rather that they carry on in the future as they had in the past."

Mr. Bruce agreed to reconsider the decision and thereafter Mr. and Mrs. Bruce retired from the meeting.

The Minutes of the previous Directors' Meeting were read, and it was regularly moved, seconded and carried:—

"That, the Minutes as read, be adopted."

The Secretary reported that Mrs. Albert Ableson, Galt, Ont., and Mrs. O. Despatie, Montreal, had both received registration papers showing their ownership of the Boston Terriers purchased from or through the agency of Mrs. E. Horning, Lake Shore Road, Humber Bay, Ont.

The Secretary advised that he had received from Mr. W. J. Barber, Cornwall, Ont., several applications of litter registration, and that the applications were covered by a sworn declaration as to their content.

It was regularly moved, seconded and carried:—

"That, the matter be referred to the Live Stock Commissioner for consideration, and in the event of the applications now offered complying with the original applications as to intent and purpose, that any necessary action be taken with advice to the Board of Directors."

Mr. Reeves reported on his recent visit to the Live Stock Records Office, and gave it as his opinion that he had been impressed by the desire of the Records Office to co-operate for the best results, with all affiliated Associations. One of the greatest drawbacks of the Canadian Kennel Club was the somewhat conflicting content of the Constitution in its present condition and he offered the suggestion, that the Constitution be revised.

It was regularly moved, seconded and carried:—

"That, Mr. Reeves and the Secretary go to Ottawa for the purpose of drawing up a Constitution which would be up-to-date in every respect."

It was announced that Mr. Bert Swann, Toronto, was now in attendance, and it was agreed to hear Mr. Swann.

The President explained to Mr. Swann that the Directors had been of the opinion that certain editorials which had appeared under his name had not met with the approval of some of the Directors. Mr. Swann gave it as his opinion that the editorials referred to being true, in his judgment, they were offered only as constructive criticism. Mr. Swann expressed his pleasure for the opportunity of meeting with the Directors, and retired from the meeting.

The Secretary read the report of the investigation by the Royal Canadian Mounted Police into the private records of Dr. T. E. Sleeth, Vancouver, B.C., and it was regularly moved, seconded and carried:—

"That, Dr. T. E. Sleeth be notified of the content of the report, and that he be requested to put in a defence before the date of the next meeting of the Board of Directors showing cause why he should not be denied the privileges of the Canadian Kennel Club."

Two letters were read from E. A. Campbell, Plantagenet, Ont., who desired to learn the outcome of the recent investigation made at his Kennels, and it was regularly moved, seconded and carried:—

"That, a letter be sent to the Live Stock Records asking if any further evidence in the Campbell investigation had been procured."

There was no report to hand on the Brennan-Principe matter.

A letter was read from the Canadian National Live Stock Records Office which had received the attention of the Pedigree Committee, and it was regularly moved, seconded and carried:—

"That, the Live Stock Records Office be authorized to accept the necessary transfer fee from Mr. N. H. McCallum for the transferring of the Newfoundland 'Sea Gypsy' back to Mr. McCallum."

A letter was read from the Live Stock Records which had received the attention of the Pedigree Committee, and it was regularly moved, seconded and carried:—

"That, the Live Stock Records Office be authorized to accept the necessary transfer fee from James Barringer for the transferring of the Cocker Spaniel, 'Greenwood Countess' to Mr. Barringer."

A letter was read from the Live Stock Records Office regarding a complaint made by Wm. Black, Makwa, Sask., against Mr. V. Harrison, Saskatoon, Sask., and it was regularly moved, seconded and carried:—

"That, the Secretary be instructed to write Mr. Harrison advising him that he must furnish the necessary certificate of registration showing Mr. Black's ownership of the Pomeranian purchased on Sept. 11th, 1931, as requested by the Canadian National Live Stock Records Office, prior to the next meeting of the Board of Directors."

A letter was read from the Live Stock Records Office regarding a complaint made by Mr. A. Pratt, Toronto, against Mr. J. W. McNulty, Toronto, and it was regularly moved, seconded and carried:—

"That, the Secretary be instructed to advise Mr. McNulty stating that he must furnish the necessary papers of registration showing Mr. Pratt's ownership of the Bulldog purchased around August, 1933, or appear before the Board of Directors at the next Board Meeting to show cause why he should not be denied the privileges of the Canadian Kennel Club."

The Secretary read a letter from Mr. W. H. Pym, Vancouver, B.C., tendering his resignation as Director of the Canadian Kennel Club for the Province of British Columbia. After considerable discussion, it was regularly moved, seconded and carried:—

"That, the matter of Mr. Pym's proposed resignation be referred to the British Columbia Provincial Committee for consideration, and if found necessary to recommend a successor to Mr. Pym."

A letter from the Live Stock Records Office was read in connection with the revised Live Stock Records Constitution. It was agreed to secure copies of this revised Constitution for the in-

formation of the Club's representatives to the Live Stock Records Board.

The Secretary submitted a sample Trophy proposed to be used by the Board of Directors, by having it offered for Best Canadian-bred Dog or Bitch at licensed All-breed shows held in Canada. It was regularly moved, seconded and carried:—

"That, the Trophy be approved and similar Trophies offered at all all-breed shows held under Canadian Kennel Club Rules for 'The Best Canadian-bred Dog or Bitch in Show' with the proviso that it is optional with the winner whether he shall receive a Trophy or five dollars cash in lieu of the Trophy."

A letter was read from Mr. George Kynoch, Winnipeg, Man., advising that a member of the Manitoba Provincial Committee, in the person of Mr. J. C. Woodend, had left Winnipeg, and recommending that Mr. Woodend's place on the Committee be filled by Mr. S. Sikorski, Winnipeg. The recommendation submitted by Mr. Kynoch was declared endorsed.

The Secretary read a letter from Mr. Eurique Cota, Solicitor for the Mexican Kennel Club, which letter had been sent to the Club's Past-President, Mr. Justice McFarland, who had forwarded same to President Col. MacRae, who had replied to Mr. Cota's letter. The Secretary then read to the meeting a letter written by George A. Cranfield to Mr. Dodsworth, Secretary of the Victoria City Kennel Club, dated the 18th of March, 1932, and it was regularly moved, seconded and carried:—

"That, Mr. George A. Cranfield be notified to appear before the Board of Directors of the Canadian Kennel Club on Thursday, the 19th day of July, 1934, at the hour of 8 o'clock p.m., in the evening to show cause why he should not be deprived of all privileges of the Canadian Kennel Club and of the Canadian National Live Stock Records, on account of the libelous statements in regard to the Club, and its Secretary, contained in said letter."

The Secretary submitted a tear page taken from "Kennel Review", together with a page taken from "The Schipperke" for the consideration of the Directors. It was regularly moved, seconded and carried:—

"That, the matter be referred to the American Kennel Club for investigation."

An appeal from the protest of Mrs. E. Bradley, regarding the Pomeranian "Firland Dark Rosaleen" was considered, and it was regularly moved, seconded and carried:—

"That, the ruling of the Veterinary Surgeon at the time of the Show be upheld for that Show."

The Secretary was instructed to return the appeal fee.

The Secretary read a letter from Mr. W. MacBeath, Hamilton, Ont., regarding the "Ryan Trophy," which the Directors had asked him to return. It was regularly moved, seconded and carried:—

"That, the Secretary be instructed to write Mr. MacBeath requesting him to appear before the Directors at the next Board Meeting to show cause why he should refuse to accede to the wishes of the Directors in respect to the 'Ryan Trophy'."

It was agreed that the transferring of the entry of the Boston Terrier, "R. Wee Joy," from Class 215 (Novice, under 15 lbs.) to Class 218 (Limit, under 15 lbs.), at Oakville Kennel Club Show on November 25th, 1933, should not have been authorized, that the win of "R. Wee Joy" be cancelled, and the reserve winners bitches, "Hagerty Naughty Girl," be moved up to winners.

CHAMPIONSHIP POINT RATING

On May 9th, 1934, our new Championship Point Rating became effective, and since that time nine shows have been held, the awards of which appear in this issue of **Kennel and Bench.** Quite naturally there has been suspicion and probably some misunderstanding surrounding the new Point Rating, but we feel, that as the new system becomes better understood all such suspicion and misunderstanding will gradually disappear.

So far we have endeavoured to trace the advantages of the new system, its disadvantages are well known, but the advantages of the old system could never be successfully justified, the idea of only one dog of any breed—having no competition—securing 5 points towards a championship at a show, where over 400 dogs would be benched, and another dog competing with say fifty of his kind would only get the same rating, truly this was an evil that should have been declared obsolete long ago.

For the information of our readers we give particulars herewith of several matters which have been discovered whilst the awards were being written into the records. At the Ottawa Kennel Club show (see awards on page 12), we found Mrs. G. W. Hyslop's Great Dane, "Ch. Pax of Birkenhof," was the lone dog of her sex in competition, and so earning but one point. Then we found Mrs. Mercedes Gibson's Newfoundland "Perivale Vesta" alone in competition in her sex and earning one point. In the dog classes for Newfoundlands, George S. Walker's "Gypsy Baron" met four of his sex in competition and earned three points, but "Perivale Vesta," in defeating the dog, "Gypsy Baron," increased her rating from one point to three points, when she was awarded Best of Winners, whilst the Great Dane, "Pax of Birkenhof," by winning the Working Group, where he defeated the Newfoundland, increased her point rating from one to three.

In Pomeranians, Mrs. J. W. Bruce's "Melbourne Supremacy," with six males in competition, earned two points. This dog did not increase his rating by winning the Toy Group, as the two points represented the highest rating earned by any breed represented in that group, but when "Melbourne Supremacy" was awarded Best Dog in Show, his points were raised to four, as four points had been earned by Mrs. Allan Horwood's West Highland White Terrier, "White Witch," with six females of that breed in competition.

Then in Springer Spaniels, Dr. Charles B. Baker's "Belmoss Critic," was awarded winners with two dogs in competition and so earning one point. In bitches, three competed and the winner, T. P. Hackett's "Marcella of Avandale" was awarded two points, but the dog, "Belmoss Critic" by defeating "Marcella of Avandale" for Best of Winners, increased his rating from one to two points.

We realize that our exhibitors are intensely interested in the functioning of our New Championship Point Rating, and we trust the several examples quoted above will serve to create a further interest, and that these examples will enable them to clearly understand the workings of our Dog Show Rule No. 13, (a), (b), (c), (d) and (e).

A TIMELY WARNING!

Breeders will be well advised to give the matter of their PRIVATE BREEDING RECORDS plenty of consideration. Several rather large dog breeding establishments have already been suspended, or are under investigation at the present time. Breeding Pure-bred animals is a matter that should be taken quite seriously for satisfactory results, and reliable private breeding records are indeed an absolute essential and must be kept.

OUR FRONTISPIECE

Suggestive of the strength of the Jubilee Boston Terrier Kennels, Reg'd, Toronto, Ont., owned by popular Mrs. Martha Stevens, our front cover has again been called upon to feature a "Jubilee" Boston. This time it is "Champion Pennridge Playboy (Pennridge Hagerty x Pennridge Phoebe"), a nicely marked young dog of rare quality, a dog that is invaluable in the stud kennel and extremely valuable as a show specimen.

We remarked about the strength of "Jubilee" Kennels. Well here is the line-up—believe it or not: "International Champion Susan Conde," the successful show and stud dog, "Champion The Burglar Dee Cee," "Champion Million Dollar Beauty," "Champion Stevens' Conde Boy," "Champion Jubilee Happy Day," not forgetting our feature dog, "Champion Pennridge Playboy," of course. This chap has had a wonderful show career. Winners at Toronto Kennel Club show under Judge V. G. Perry, Winners Dog at Brantford, Winners Dog at Montreal (Montreal Kennel Association, Inc.) under Judge Krueger Seguin, and finishing at Ottawa under Judge W. H. Reeves, but probably the most satisfying win was when our new Champion ran into the Reserve Winners station behind the great "International Champion Grand Slam" at the 1933 Boston Terrier Club of Toronto Specialty Show, under Judge Mrs. M. McGlone of New York City.

Mrs. M. Stevens is a staunch supporter of all the shows and all the judges as they come along. Her consistency can be measured by her success as described above. The first puppy born to "Champion Pennridge Playboy" in Canada has been registered as "Stevens' Show Girl" and this sweet "Miss" has inherited all the quality of her lightweight sire. At the time of writing she is just nine months old and has already won 1st puppy at Hamilton (Spring Show), Reserve Winners at Oakville, and again at Hamilton (Summer Show), where she won for Best Puppy, Boston, Best Puppy all breeds, Best owned by a member of Hamilton Kennel Club and finished the good work by taking the highest honors of the show.

BRAEMORE KENNELS

The Canadian Fancy

By WALTER H. REEVES, Belleville, Ont.

THE other day I was speaking to a well-known sportsman about dogs, dog shows and breeding, and he asked me why the breeding and exhibition of dogs had become so popular amongst all classes! When I replied that the reason of its ever increasing popularity was the uncertainty of the sport my friend seemed very doubtful until I explained that a wealthy exhibitor could invest several thousand dollars in buying a dog that was considered by experts to be one of the best of his breed, but at the dog's debut under the colors of his new owner, there was no certainty that he would win. Many a great English winner has been beaten and beaten rightly by a puppy bred and owned by a novice. The wealthy breeder can build expensive and up-to-date kennels, and can employ the very best of experienced help, acquire the best obtainable breeding stock and have his best puppy beaten on his debut by a puppy reared in a barrel, and whose meals have been uncertain to say the least. My friend after listening for some time asked the question: "Do you find exhibiting or breeding the most interesting?" My reply was breeding. The uncertainties of the show ring are not nearly as full of surprises as the breeding kennel. Experts disagree in the show ring, but not nearly as much as breeders. Take in-breeding, I have met many constructive breeders who are strongly against line breeding. Line breeding in their opinion produces weakly puppies. My arguments that line breeding is the only sure way to build up a successful strain has not always convinced the breeder who has a theory that blood lines are not the sane and sure way to attain success, but individuals "Like will produce like" is their argument. Writing of line or in-breeding reminds me that amongst my mail this month there is one interesting letter from that constructive breeder, R. S. Tyrrell, of the Cossack Kennels, Bottrel, Alberta. He writes: "It is generally accepted as a fact that in-breeding results in diminished size and stamina, and while this is often the result through lack of knowledge, it is not the result of a 'law of nature.' For a number of years hunters have observed that the coyotes on the plains are becoming faster and more hound like in build, a result of being chased by hounds, the slower falling prey, whilst the latter continue to produce their kind. In our brush country my observations have convinced me that the bush wolves are becoming larger though not swifter, speed not being a sine qua now to preservation. In both instances occasional outcrosses may result from the depredation of hunters, but in the majority of cases the natural mating of litter brother and sister will be the rule. What we have to consider in breeding is the object desired. My operations with Whippets and Russian Wolfhounds show that with the former, where a small fine specimen is the aim, breeding a small fine dog to his dam gives the desired result. With the Wolfhounds, where size is desired, mating litter pairs of large refined stock intensifies these virtues." One of the most interesting and instructive articles on breeding I have read appears in Cassel's "New Book on the Dog," and the Editor, Robert Leighton, says of In-breeding, "that in-breeding is the reverse of outcrossing. It is the practice of mating animals closely related to each other, and it is within limits an entirely justifiable means of preserving and intensifying family characteristics. It is a law of family zoology that an animal cannot transmit a quality which it does not itself innately possess, or which none of its progenitors have ever possessed.

By mating a dog and bitch of the same family, therefore, you concentrate and enhance the uniform inheritable qualities into one line instead of two, and you reduce the number of possibly heterogeneous ancestors by exactly a half, right back to the beginning. There is no surer way of maintaining uniformity of type and an examination of the extended pedigree of almost any famous dog will show how commonly in-breeding is practiced. In-breeding has to be managed with judgment," continues Robert Leighton, "for it has to be remembered that the faults and blemishes are inherited as well as merits, and that the faults have a way of asserting themselves with annoying persistency."

Every line breeder comes to the time sooner or later when he has to outcross, and many a great breeder has left this until too late, either he refused to see the unmistakable signs that line breeding had been carried far enough, for the puppies produced were sickly and sterile, or if he did, he failed lamentably to find an outcross. My experience has been that the constructive and successful line breeder is ever alive to the fact that he has to find an outcross, and that at the same time as he is line breeding, he is also carrying out experiments with outcrossing, so that he is ready for the time when the danger signal says halt to in-breeding.

When one considers how important the breeding of dogs is becoming in Canada, it is strange but nevertheless true to find how slipshod and unbusinesslike are the methods employed by many breeders in keeping breeding records.

The Directors of the Canadian Kennel Club has had cause to peruse some of these records the last year or so, and to put it mildly they were somewhat of a Chinese puzzle, not only to the directors, but also to the breeder, who when asked to explain certain entries and erasures only got deeper and deeper into the mire. Admittedly, the breeding and exhibition of dogs is a sport, but to carry on successfully any kind of sport business methods have to be used, and from my experience many Canadian breeders seem to think that dates of services and births can either be kept in their heads, or put on a scrap of paper which sooner or later is sure to be mislaid or lost.

The National Live Stock Records have spent much time, and so have the Secretary and the Directors of the Canadian Kennel Club trying to straighten out some of the tangles breeders have gotten themselves into through the lack of keeping reliable records. The writer took advantage of being at the National Live Stock Records to ask to see some of the records kept by breeders of other kinds of live stock, and after a careful perusal he is of opinion that the record used by Fox breeders could with advantage be used by dog breeders with a very few slight alterations.

The Canadian National Live Stock Records have a reputation second to no other Live Stock Recorders of pedigrees, and after seeing some of the slipshod methods employed by dog breeders in keeping their kennel records, one can understand why the registering of dogs entails more work for the Live Stock officials than any other kind of live stock.

The American Kennel Club was organized on September 17th, 1884, and it is celebrating its Fiftieth Anniversary by making the September issue of the American Kennel Gazette a Golden Jubilee number. The writer is passing this information on to his readers as he feels sure there are many who will wish to obtain this issue. There is sure to be a great demand for the Jubilee number, so if you wish to obtain one, send off today and re-

serve a copy and address your letter to 221 Fourth Ave., New York City, N.Y.

I am asking my Editor to include in these pages a cut of Dr. W. F. Daw's English Setter, "Ch. Dusky D." In sending the photograph Dr. Daw sent the following information. "I am sending you an untouched snapshot of my English Setter, 'Dusky D.,' who completed his championship at Victoria shows, May 19th, with, I believe, a four point win, giving him thirteen points. As soon as I am officially notified that his championship is completed I intend to offer him at stud through **Kennel and Bench.** I am particularly anxious to give the Canadian fancy a look at this animal for he is as good in action as he is in the pose." I for one certainly agree with Dr. Daw and would like to see "Ch. Dusky D." competing against some of the Eastern cracks.

Miss Jean F. Grant, the judge of Toys at the Toronto Kennel Club Show, sends the writer some particulars of her career. She writes: "I have just come from Virginia where I have been for some months previous to which I was living in Edinburgh, Scotland, where I had a very successful kennel. Amongst the many good ones I exported is the famous American Champion, "Ch. Mo Chum of Earlsferry," owned by Mrs. Murray Brooks; "Robin of Blossomlea," full brother to "Ch. Mo. Chum," and owned by Mrs. Peter Herd. "Robin" was a big winner at the English and Scottish shows. I have just purchased from Mrs. Herd the black Pekingese, "Sultan of Tainan." This dog went to Best of Breed at the last Toronto Kennel Club Show held in Toronto. I have acquired him to head my kennel, and feel confident that he will prove of great value to Canadian breeders, for he owns as his sire the famous "Ch. Redd Boi of Iwade," for which $15,000 has been refused, and his dam, the famous Scotch bitch. "Tainan Fiole," a sister to "Ch. Mo Ghradh of Earlsferry." "Fiola" is a descendant of my own strain, being a granddaughter of "Ch. Wundah Peach Blossom," who is here with me and still going strong. I have also purchased from Mrs. Herd, "Moonflower of Blossomlea," a daughter of "Ch. Mo Ghradh" as a mate for "Sultan." The writer feels confident that all Toy breeders will wish to join the writer in wishing Miss Grant every success in Canada.

Evidently the publishing of standards through these pages is meeting with approval, for I had many letters asking when I can publish different breeds. The requests are so numerous for the Scottish Terrier standard that I am comparing the standard published in Pure-Bred Dogs, by courtesy of the Scottish Terrier Club of America. The standard adopted by this club shall be the same as that of the Scottish Terrier Club of Scotland, as follows:

Skull—Proportionally long, slightly domed and covered with short hard hair, about three quarters of an inch long or less. It should not be quite flat as there should be a sort of stop or drop between the eyes.

Muzzle—Very powerful and gradually tapering towards the nose, which should always be black and of good size. The jaws should be perfectly level and the teeth square, though the nose projects somewhat over the mouth which gives the impression of the upper jaw being longer than the under one.

Eyes—Set wide apart of a dark hazel color, small, piercing, very bright and rather sunken.

Ears—Very small, prick or half prick, but never drop, they should be sharp pointed but not cut. The hair on them should not be long but velvety. The ears should be free from any fringe at the top. **Neck,** short, thick and muscular, strongly set on sloping shoulders.

Chest—Broad in comparison to the size of the dog and proportionately deep. **Body** of moderate length, not so long as a Skye's, rather flat sided, but well ribbed up and exceedingly strong in hindquarters.

Legs and Feet, both fore and hind legs should be short and very heavy in bone, the former being straight or slightly bent and well set on under the body as the Scottish Terrier should not be out at elbows. The hocks should be bent, and the thighs very muscular; the feet strong and thickly covered with short hair, the forefeet being larger than the hind ones and well let down on the ground. **Tail,** which is never cut, should be about 7 inches long, carried with a slight bend and often gaily. **Coat** should be rather short, about 2 inches, intensely hard and wiry in texture and very dense all over the body.

Size—About 16 pounds to 18 pounds for a bitch and 18 pounds to 20 pounds for a dog. **Colors,** steel or iron grey, brindled or grizzled, black, sandy and wheaten. White markings are objectionable and can only be allowed on the chest and that to a small extent. **General Appearance**—The face should wear a very sharp, bright active expression and the head should be carried up. The dog owing to the shortness of his coat should appear to be higher on the leg than he really is, but at same time he should look compact and possessed of great muscle in the hindquarters. In fact a Scottish Terrier, though essentially a Terrier, cannot be too powerfully put together. He should be from 9 inches to 12 inches high.

Faults, Muzzle — Either under or overhung. **Eyes**—Large or light colored. **Ears**—Large, round to the points or drop. It is also a fault if they are too heavily covered with hair. **Coat**—Any silkiness, wave or tendency to curl is a serious blemish, as is also an open coat.

Size—Any specimen over 20 pounds should not be encouraged. It should be the spirit and purpose of the judge in deciding the relative merits of two or more dogs to consider the approximation of nature to the standard rather than the effect of artificiality.

Points—skull, 5; muzzle, 5; eyes, 5; ears, 10; neck, 5; chest, 5; body, 15; legs and feet, 10; tail, 2½; coat, 15; size, 10; color 2½; general appearance, 10. Total, 100. The writer wonders how many judges pay attention to the fact that 15 points are allotted to coat,

This is Ch. "Dusky D." Look him over carefully. He is probably the best dual type English Setter alive. He is a Field Certificate winner.

A CANADIAN PRODUCT TO SUIT CANADIAN CONDITIONS

coat being evidently considered most important. Notwithstanding this fact judges continue to place Scottish Terriers that are shown with nanny goat beards and leg fringe enough for an Old English Sheepdog. Any experienced breeder must know that the present fashion does not call for an intensely hard and wiry coat. It is very seldom that nature produces a hard coat, with excessive furnishing on face and legs. Then take the tail, the standard calls for a slight bend and carried gaily. How many judges take heed when comparing that approximation of nature to the standard rather than the effect of artificiality.

Nanny goat beards and excessive leg feathering surely come under the meaning of artificiality, and a well-known writer on Scottish Terriers wrote the truth when he stated that many of the tails were faked. The Scottish Terriers have never been so artificially shown in Canada as they have been across the border, and that is the reason that the game little Die-Hard is slowly but surely gaining in popularity all over the Dominion. "Pure-Bred Dogs" sums up the breed's description when it states that the Scottish Terrier is a sturdily built, low set little dog, possessing a philosophic and independent nature, not quarrelsome, but when fighting is to be done, not soon finished with it. He takes a friendly interest in the family, possesses the tact and unassuming self-confidence of assured strength, but is usually devoted to but one master. Originally used to hunt Fox and other vermin, today it is as the household pet that we know him.

Jimmy Strachan will be able to use his facile pen to advantage describing the high lights of the Morris and Essex Show. Reg. Sparkes writes me that he gained both winners dog and bitch and also Best of Breed and finished up a glorious day by being placed Best in the Non-Sporting Group—a different story comes from George Bailey, of Ottawa, whose team of Smooth Fox Terriers arrived too late for competition.

I'll bet he wished that he had accepted "Doode" Baldwin's invitation to go by car to Madison. However, George stills seems to be selling Smooths. "Ch. Bowden Gay Lad," litter brother to the English Champion, "Bowden Rakish," has been sold to the Larrowe Milling Co. of Detroit. George also sends the information that his new Smooth, "Solus Gold Finder," a very appropriately named Terrier, judging from the gold coin he must have collected at his last English Show at Bath, where he won three firsts, ten seconds and seven thirds, should arrive in Ottawa on the following Saturday, so by now he is an inmate of the Bailey Kennels. A reproduction of the photograph "Solus Gold Finder" will probably be included in these pages and Smooth breeders will be able to see for themselves the quality and type of this really beautiful Smooth.

Mr. Bailey has and is still doing his best to place the Smooth Fox Terriers back to where they belong. During the last eighteen months this keen fancier has imported the following train of English celebrities: "Stall Superb," by "Ch. Chosen Don of Notts," "Selecta Reminder" by "Selecta Ideal," "Ch. Bowden Gay Lad," "Haven Spotlight," by "Haven Viking," "Solus Goldfinder," by "Ch. Aire Ideal," "Sweet Glenavon" in whelp to "Drungewick Don Domino," "Princess Gertrude" in whelp to the last mentioned sire, "Glenavon Pride," in whelp to "Ch. Avon Pedlar,"

Motoring through Quebec the other day we happened to see a sign, Point Fortune, and remembered before going too far that this was the place where S. W. Scarpa was building his kennel. Making enquiries we found out that we had passed the kennel so we turned the car around and were quickly being greeted by S. W. Scarpa, who is building a most attractive kennel. We spent a very pleasant hour inspecting the many nice Terriers owned by this enthusiastic fancier, and cast rather envious eyes on a home-bred Wire dog to which we had given winners a few days previously at Ottawa, and was informed by his owner and breeder that a litter sister was away on a trip across the border under the care of Ted Ward. Glancing through the prize lists we see that the Point Fortune Wire is bringing home a goodly list of firsts and other prizes. Well, if she is as good as her dam she should quickly gain her title, for her dam is one whose record here and in Europe is one of which to be proud. Mr. Scarpa is young and keen and he should "go places" with the real team of Wires he owns.

Considering the difference of opinion between Canadian and American Cocker breeders, it is certainly most gratifying to R. H. Heppleston to hear that his well-known parti-color dog, "Romilla of Barrie," was given reserve winners at the great Morris and Essex Show. This really beautiful Cocker has been taken by Judge Scudder to handle for his international title which should be quickly forthcoming. Up to the time of writing "Romilla" has thirteen points towards the fifteen needed for his title.

The writer is sorry that a promised marked catalogue of the recent show of the Ottawa Kennel Club has in some way gone astray. The very excellent show held by this influential club was held in the Exhibition Dog Show Building, one of the most suitable buildings for holding a show I have ever seen. Regarding the arrangements they were as usual carried out in a most business-like way and sincere congratulations are due to Secretary Allan C. McGuirl, F. H. Plant, Major Drew Thompson, and the committee, who one and all vied with each other to make the show a success. The entry all through stood out for quality, the weather was ideal and the gate excellent.

Stanley Dorrell, the owner of Vancouver's successful kennel of Scottish and Sealyham Terriers sends me an excellent photo **untouched** of the undefeated Canadian Champion, "Nosegay Saxifrage." Congratulations, Stanley, you have evidently a very bonnie little "Die-hard," who is proving a credit to his breeding and his prefix. A kennel companion, the Sealyham, "Felcourt Foxhunter," secured his title in seven weeks, going Best Terrier, all-breeds on his first three appearances in Canadian rings and Best of All Breeds at Victoria. "Maythom Supreme," the Sealy recently imported from England, I regret to hear was not in whelp when she arrived.

The writer feels very strongly about the apparent neglect of the novice exhibitor in Canada. If the sport is to continue to prosper as it should the regular breeder has got to do his part. During the fourteen years I have been living in Canada I have seen considerable growth, but it could easily have been doubled if more encouragement was given the one dog man to exhibit. The following suggestions have reached me:—

1st—A breeder selling a registered puppy should try to keep in touch with his customer, local ones at any rate. He can often in the end turn them into enthusiasts, fellow breeders, and Canadian Kennel Club members. That is what happened to us.

2nd—Well managed matinee shows, especially an occasional puppy show, are a better draw to green novices than a championship show. But once let a novice get a decent win at a fair sized puppy show, and his appetite is whetted. That again is what happened to us. When our first Airedale pup at 5 months, with a very little trimming up the night of the show (by her willing breeder) won 1st Airedale and was reserve best in show at a local puppy match, we were caught. The very next show was the T.K.C. Spring show, and when the very same puppy got a 1st novice, 2nd puppy, prepared and handled by my husband, who knew nothing but what his eyes taught him, there was no doubt about it whatever.

3rd—I think with you that special "Beginners Class" at championship shows are not much good. The novice, after all, feels that a win in them is not of so much value as a win in a variety class at a matinee show. Better than that, I think is to keep the ordinary classes and provide special prizes for "bred by owner," "handled by owner" and so on. You can easily think up conditions to encourage the novice, while the "old hands" are scrapping for championship points, and will be more pleased with a winner's ribbon than with half a dozen specials, thus both classes are satisfied (we hope).

4th—I think the American idea of

"REGISTRATION APPLIED FOR"

This is a term that is perfectly meaningless when used in connection with making entries at dog shows. A dog either has a registration number, or he has no registration number at the time the entry is made. The Canadian Kennel Club, when checking for listing fees, collects a listing fee for each dog entered without a number, therefore the show giving club is the loser when an entry is accepted which offers "registration applied for" instead of the actual registration number as required by the dog show rules.

doubling prize money in American-bred classes, or holding a special home-bred class, is worthy of consideration in Canada. Many novices are rather poor, and the attraction of doubled money would perhaps get them in. I may say that I do not think Canadian-bred should include dogs imported in dam.

Show giving clubs will, I am confident, get plenty of support from the one dog man if only they offer him a little encouragement, and I would suggest a really worth while special for the best dog entered and shown by a debutant. Make it a feature special to be judged before the special offered for Best in Show, and see that this special is given plenty of publicity in the local press.

Notes from Manitoba

By Provincial Contributing Editor,
A. P. MUTCHMOR, Winnipeg

THE annual spring bench show of the Greater Winnipeg Kennel Club (May 25th and 26th), is now a matter of history, and although the number of dogs benched was not up to the quantity of a year ago, yet, a number of the breeds showed a marked improvement in quality, and this makes up for any deficiency in numbers. The new rule as to point rating was commented upon very freely, and a few breeds showing exceptional quality will only get credit for the minimum number of points, through lack of numbers. The rule apparently worked out to the satisfaction of the majority of exhibitors, and emphasizes the necessity of the owners and patrons of each breed interesting themselves in getting out an entry of that breed. It was gratifying to see so many outside entries and I trust that this may be considered a good omen for future shows, and that future ventures will show an increase from outside points, and that local exhibitors will show their appreciation by patronizing the Western shows with an entry. It is not my intention, nor do I consider it my privilege, to enter into any discussion as to the merits or demerits of any of the exhibits at this show, yet, in justice to those good sportsmen and sportswomen who made their entries prepared to meet all comers, I feel that as an officer of the club, and most certainly from a personal standpoint, that some comment is due them and I extend to them this acknowledgment in appreciation of their kind patronage. While the outside entries were a most welcome attraction, the attendance of some of the owners of the outside exhibits was greatly appreciated. We had the pleasure of welcoming Mr. and Mrs. G. D. Wrye and Mr. and Mrs. R. B. Dunsire, of Brandon. The former exhibiting her good little Pom, "Ch. Crest Mite" with which she won Best of Breed, and the latter showing her Peke, "Ch. Cactus Ku Chi" which went Best of Breed and Best Toy. Both these dogs are well known throughout the West and need no comment. We would not consider a show in Winnipeg a successful one unless we had an entry from Mrs. A. Fisher of Stonewall, and again we had the pleasure of renewing a very pleasant acquaintance that has extended over several years. Mrs. Fisher came with her usual entry of four Irish Setters, all showing that careful preparation and training as to ring manners that we always look for from this kennel. Mrs. Fisher has every reason to feel proud of her exhibit, as glancing over the particulars in the catalogue we find that each entry has the notation "breeder, owner." German Shepherds brought out a very small entry, and we heard it remarked that this was due to the action of the City Council in increasing the license fee on this breed to $10.00. Old English Sheepdogs are a new breed to this city and the quality of the two shown should merit a greater credit of points than they will receive, however, judging from the comments of visitors, the breed is sure to become a very popular one in the future, and they will then receive their reward as to points. English Setters were a very fair entry and shows a marked improvement in the quality, and a sure sign of the breed again becoming one of the popular ones of the West. This may be due to the action of the government in extending the shooting season each year. We again cannot help making some reference to Dr. T. I. Robb's (Regina) "Blue Dan's Pal." This dog is much improved since we saw him in February last and is Setter all over.

We always get a decided kick in watching the manner in which exhibitors show their dogs, and if some exhibitors could only see themselves in the ring, as others see them from the ringside, there would not be so much adverse criticism of the judge's placings. If one will only stop to consider that the judge has only a few minutes to look over your entry, and if during that time you are showing the dog to the poorest advantage, how can you expect the judge to imagine what the dog might be if properly shown. You have, no doubt, seen your dog under more favorable circumstances than a show ring, and when he was showing perfectly. And you have all the time imaginable to get him in this position. The judge has not all this time at his disposal nor can he hold up the class until you can get the dog in that perfect position. The judge has not the advantage of the picture you saw when the dog stood for you, and cannot, in justice to all, bring his imagination into play. And above all does it show a spirit of good sportsmanship to criticize the awards on a breed that you acknowledge you know very little about?

Wires were not up to the usual quality, the winning dog, "Yorick Sunfire" being far the best. This dog was put down in much better shape than we have ever seen him, and it is about his first time out that we could honestly say we liked him.

We were interested in seeing an exhibit of Pugs making their appearance, and most of all that there were three exhibitors. We liked the female shown by Mrs. J. B. Harrison and although the only representative of her sex, she came into her own through "Best of Winners" and "Best of Breed," walking away with both these awards.

Scotties were the largest entry of any one breed, the winning bitch providing the maximum number of points, under the new rating, in the final class for Best in Show.

The local dogs seem to be slipping, as four of the five winnings the group classes, and coming together in the final, were outside entries.

Collies brought out some good ones, the best of breed and afterwards Best in Show going to Dr. J. T. Cooper's (Saskatoon) "Elmhill Monarch." He is a grand dog, a perfect gentleman in the ring, and the best Collie we have ever seen.

We think that the new point rating might have been carried further. While the Canadian Kennel Club rules do not require more than the first award in this final class, this show has a trophy which goes to "Reserve Best in Show." The Setter, "Blue Dan's Pal" caught the eye of the judge for this award. Therefore, the Setter as well as the Collie had beaten the Scotty, in competition, and why shouldn't the Setter get as many points as the Scotty. In fact, there would appear to be some justice in requiring the judge to place his five dogs (winners of group classes) so that all that are placed above the highest rated dog, would benefit by the number of points of that dog

We have always thought that dog shows were a profitable venture, in that it not only gave one the chance of looking over the good dogs, but also provided an opportunity of looking over and estimating the exhibitors. In other words, exhibitors are on parade as much as the dogs. Without further comment, I leave this thought with the local exhibitor. Again, each successive show should be an improvement on the preceding one, so far as conduct is concerned. And this not only means the actual work of the show officials, but the co-operation of the individual members of the show-giving club, and more especially those who allow their names to be published as the show committee. It is that co-operation which means loyalty, sincerity and good sportsmanship which makes the show a success or a failure, and without which no show can expect to succeed. The success of a show is not measured from a monetary standpoint solely. I also leave

this thought with the local club members.

We regret to learn of the accident that befell Mr. and Mrs. Wyre, of Brandon, on their motoring home from the local show. While we have not heard the particulars, we understand that they either collided with or ran into a tractor on the highway, that was travelling without lights. Fortunately nothing very serious happened to Mr. and Mrs. Wyre, but their motor was badly damaged, and they had to find their way home without it.

In a former issue we found occasion to remark upon the promising qualities of a Smooth puppy we saw at the Bonadale Kennels. We sympathize with Mr. and Mrs. Sikorski in the loss of this puppy through an accident, but commend both of them for the philosophical view they took as to "accidents will happen." These kennels inform me of a sale of a Smooth female puppy to Mr. Bevan of Winnipeg.

The Silverdale Kennels report the sale of a young Springer dog to a Minneapolis breeder. We saw this dog when being crated for shipment, and while we do not like to see the good ones leaving the country, it emphasizes the fact, that the best market seems to be south of the line.

It is to be hoped that all readers of **Kennel and Bench,** gave particular attention to that portion of Mr. Reeves' letter in the June issue, regarding his suggestion as to the appointment of an "amendment committee," whose duties would be to go over the proposed amendments that are to be offered at the annual meeting. This appeals to me and a number of members who have spoken to me on the subject as a very constructive suggestion and a time saver so far as the annual meeting is concerned. Mr. Reeves very justly points out the saving that would accrue through the efforts of such a committee, as well as the clarifying of the rules so that they are self-explanatory.

Mrs. Caruso, of Stella Avenue, Winnipeg, has recently purchased a black and tan Peke from a Toronto Kennel. She is getting together a kennel of this breed and her awards at the last show should be an encouragement and a strong inducement to continue as an exhibitor.

We had occasion to visit the "Of Isla Kennels" (R. Simpson). We found the genial "Bob" under the weather with an attack of neuritis, but he took us around the kennels. We saw some nice Cocker puppies, in the best of condition. A particularly promising parti-color (red and white) caught our fancy, and we understand that this one will be the "Of Isla" dark horse at the fall shows.

Glad to see that the Western shows are lined up this year to look more like a circuit. Regina or Moose Jaw could fill in a gap which would complete such a circuit. It is regrettable that there is not a larger exchange of entries, but express charges are so high, that it takes a goodly bank account to stand the transportation.

"Doggy Men" are feeling the depression as much as anyone, and even the gate receipts at a show have fallen off to about one-third of the usual take.

The Greater Winnipeg Kennel Club held a special meeting on the evening of the 12th June, for the purpose of considering the question of giving a bench show at the coming exhibition, Aug. 4th to 11th. The President reported an interview with Dr. Munn, who is in charge of the Live Stock exhibits of the exhibition. The objection of the Association was to holding a show for only a portion of the continuance of the exhibition. As they had set aside certain days for specific purposes, they did not want visitors attending the last three days, enquiring as to where the dog show was, or why it was closed. The original idea was to hold a show for three days and the poultry men would then follow, in the same building, for the balance of the time. The poultry men have decided to hold an exhibit for the full time, and which will mostly consist of pens of birds of different breeds. The suggestion was made that the dog men do likewise. At this meeting, members of the club did not approve of the exhibit idea, but favored a bench show, where championship points would accrue to winners. It was first suggested that the breeds be split, to apply for dates for two shows, and to arrange the breeds for each three days, so that a favorable display would be given for each. It was finally settled that the club would apply for a four-day license, and that the other two days would be in the form of a display or advertising exhibit. Local judges were favored and the following were selected: A. F. Picard for the Terrier and Working Group; R. P. Billar for Bostons; Chas. Cowell for Sporting and balance of Non-Sporting Groups; T. A. Smith for Toy Group; Messrs. Picard, Cowell and Smith for the final or Best in Show. Mrs. Currie and Messrs. J. F. Kerr, S. Sikorski, John Wade, W. H. Bryans, C. G. Beatty, J. H. Masterman, A. F. Kirby and George Ferguson, were appointed a show committee. W. H. Bryans was appointed Show Secretary and S. Sikorski Show Superintendent. Mrs. Chas. Jopling, Mrs. Thos. Eamens, Mrs. S. Sikorski and Mr. George Ferguson will act as ring stewards, and Mrs. Pateman and Mrs. R. Simpson were unanimously assigned to look after the arm bands.

While calling at the Silverdale Kennesl we were informed that one of their Springer bitches had just whelped twelve puppies. This looked a lot to me, but Mr. Kynoch informed me that about three years ago they had a bitch whelp seventeen. This is mass production, or it may be an effort to outdo the Corbeil record.

A WORD FOR THE GORDONS

"Canadian fanciers came down and made a successful invasion in Gordons with a very impressive bitch, "Grakle Beauty," owned and shown by the well-known amateur boxer, L. C. Powell of Toronto, winning best of a good entry. We espied this very typical and well marked daughter of "Byland Gay Gordon" during 1933 at the York Kennel Club Show and advised the owner to exhibit her at the best shows. She won handily from one of the best entries of the breed seen for many a year, where "Boyer's Thorn Tree" was the best in dogs."—(Chas. G. Hopton, in "American Field").

GOOD NEWS FOR BIRD DOG LOVERS

A very enthusiastic group of sportsmen gathered together from many Ontario points, met at the Royal Connaught Hotel, Hamilton, Ont., on Friday evening, June 1st, and formed a new organization, which in future will be known as "The Ontario Bird Dog Association."

The gentlemen present whole heartedly endorsed the forming of this Association. There are many Associations of this nature throughout the British Isles and the United States, where Field Trials are run on a very large and successful scale. In England, sporting bench show dogs must show merit in a Field Trial before they can be awarded a championship; in the United States there appears to be two separate types, one for show purposes and the other for Field Trials. Field Trials in the United States are very widely held, almost every town of any size has a Bird Dog Association. The small local Trials being handled by amateurs who use their shooting dogs, and the larger or Championship Trials are mostly handled by professional trainers, who make a business of training Bird Dogs. These professionals come to Canada about the 1st of July each year and establish training camps in Southern Manitoba, where they train their dogs on prairie chickens. The first big trial is then held at Pierson, Manitoba. There many well known sportsmen from many parts of Canada and the United States gather to see these professionals run their dogs.

Trials for Bird Dogs are held in British Columbia and in New Brunswick. These Trials have proved very popular and of real benefit to sportsmen choosing a hunting companion. We believe that before the World War, Ontario had a Bird Dog Association and that Field Trials were held in South-Western Ontario, we presume on quail. Perhaps some of the old timers can tell us all about this Association and its Trials, officers; also why it was not continued after ths war and where its Trials were held.

The Ontario Bird Dog Association feels that the time has now come when an association of this nature will be widely supported by Ontario sportsmen. Our native birds, grouse and quail have shown that if properly protected they are able to look after themselves and show an increase. The foreign game birds, pheasants and Hungarian partridge released by the Department of Game and Fisheries have made rapid progress. These foreigners have made themselves at home in our native cover and are quite nume in all parts of Southern Ontario. Hungarian is a good bird to work dogs on. They lay close and give trainer an opportunity to handle dog when flushed. They are very and travel a long distance. The P sant is a very difficult bird for a to handle; he is very tricky, run at the least provocation, flushes on any excuse and it takes a dog to handle these birds successf

We hope that all Ontario sports will join the Association to the mu benefit of all parties concerned. Sportsmen's Association and also Upland Game of Ontario need or ized support. Our game wardens sincere hard-working chaps, but cannot be everywhere at once, and game birds need the support o true sportsmen and conservatio who spend their holidays in the and woodland. This association that a representative body of men by proper observance of property ri and mutual co-operation with farmer, open the way to sports which is not barred by the widesp sign "No Trespass."

Join the Association! Lend it support and your days afield wi well trained dog will be more plea The objects of the Association are

1st—The running of Field Trials Bird Dogs.

2nd—The conservation and prop tion of upland game.

3rd—The control of predatory b and animals.

4th—To encourage sportsmen in use of a well trained dog for his afield in order that true conserva will be practiced.

Saskatchewan News

By Provincial Contributing Editor,
W. W. RIOME, Moose Jaw, Sask.

WITH the polling day for Parliamentary elections near at hand, all interest seems to be absorbed in the big issue. It's in the home, on the streets, and in the air. The excitement probably accounts for the temporary lull in kennel news.

The long evenings are with us, and should afford opportunity for starting puppies on the lead and a little ring experience. The gun dog puppies can be given their early lessons, and a romp on the prairies will do them a whole lot of good.

Saskatchewan dogs made a good showing at the recent Winnipeg show. Dr. J. T. Cooper, our Saskatchewan Director, again met with great success with that splendid Collie, "Elmhill Monarch," he being selected for best dog in show, together with the other wins leading up to this climax, completing the championship of "Elmhill Monarch." "Monarch" is purely a Saskatoon product, born and raised there as were his ancestors for several generations. Few kennels have enjoyed as much success as the Elmhill Collie Kennels of Saskatoon.

Three of the five or six dogs sent to Winnipeg show from Saskatchewan were in the final line-up for Best in Show. H. Middlemas, of Regina, was again successful with his Scottie female, "Gale Mayflower," she also being among the favored few for supreme honors at Winnipeg show, completing her championship. The newly crowned champion was bred on the fifth of June to "Rosehall Rector" (Imp.), owned by T. P. Devlin of Winnipeg. We hope this worthy champion will produce a litter of such quality to enable them to follow in their mother's footsteps.

In the Toy section the Peke winner was a recent purchase from Mrs. Semple's kennel of "Cactus" prefix. Mrs. Semple recently reported the sale of two Pekes to Mrs. R. B. Dunsire of Brandon; they are, "Ch. Cactus Ku Chi" and "Cactus Mei He Hung." Mrs. Dunsire was undoubtedly pleased with the good wins with her newly acquired Pekes.

Another Peke recently changed ownership from the Cactus Kennels, "Cactus Mitzi Ho" to Mr. and Mrs. Porter of Regina. A Peke puppy sold by Mrs. Semple went to Mr. and Mrs. Hodges, the puppy being named "Cactus Pallie Wough."

Another dog from Saskatchewan in the final line-up at Greater Winnipeg Kennel Club show was that beautiful English Setter, "Blue Dans Pal," owned by Dr. Robb of Regina. "Pal" has already made a name for himself. He is a combination of beauty and physical perfection, with intelligence and working ability. We congratulate Dr. Robb on his success.

Another Regina Setter enthusiast is Mr. Robert Cook, manager of Lloyd's of London, brokers and agents. We regret to learn Mr. Cook had the misfortune to lose his imported female, she being killed by car on June 1st. This high class English Setter, "Sundial Angus," was imported from the Shiplake Kennels, England, and was a female of quality. Fortunately for Saskatchewan, "Sundial Angus" presented her owners with seven nice puppies, four males and three females, on April 19th. We trust these will all survive and partly recompense for the unfortunate loss of the dam.

Bron Wyn Kennels, owned by Walter Pym, Regina, reports that his imported Terrier, "Lady Necessity," was bred to "Wyrecote Sandy MacParton" on May 29th. A son of "Ch. Ruglen Rabbie" (Imp.), out of "Heather Sunflower" (Imp.), this young stud is owned by the Middlemas Kennels and will be heard from in due course. Two wire male puppies, two months old, by "Bron Wyn Stormfiend," out of "Wyrecote White Tips," were sold to Dr. Cameron, Leroy, Sask., also one of the same litter to Mr. L. P. Seymour of Regina, and both of these puppies show much promise.

Mrs. A. P. Semple, of Regina, further reports the sale of two Scotties. Mr. and Mrs. Dave Mills, of Regina, purchased that classy little specimen, "Wyrecote Cutty Sark." This female should start her new owners off right on top, for beyond being a nice type, her breeding is invaluable for breeding purposes.

Mr. Otto Bowes, manager of the Grand Theatre, Regina, was fortunate in securing the male, "Wyrecote Black Dougall." Regina is certainly rich in Scotties of distinction.

A. O. Underbakke of Radville, Sask., has taken a keen interest in Labrador Retrievers. He is loud in his praise for the great ability of the "Lab.", their quick intelligence, keen noses, hardy and persevering in the retrieving of water fowl, one of the leading all-round gun dogs. Recently he sold that good bitch, "Princess of Qu'Appelle" to a sportsman at Wilkie, Sask. "Princess" was bred by G. Foley of Ft. Qu'Appelle.

A male puppy from the Aurora Kennels was sold to C. C. Costar of the Costar Kennels, Montreal. His breeding is of the best, carrying the blood of "Duke of Harwood," "Banchory Jake," "Ch. Beauty of Harwood," "Ch. Alvestas," "Banchory Jock," etc.

Our good friend, Bob Carter of Bell Rock Kennels, Assiniboia, is still showing much activity with his Bostons. "Belle Rock Hagerty Belle" finished her championship at Medicine Hat show, May 24, under Jack Fletcher. This is the fifth straight show that she has gone to winners in exactly one year to the day, starting at Medicine Hat last year, and finishing there this year. She is by "Hagerty Kings Laddie," he by "Ch. Hagerty Again." "Belle Rock Hagerty Belle's daughter, "Bell Rock Little Countess," won 1st puppy, 1st limit, 1st Canadian-bred, 1st open under 15 lbs. and winners bitches at Winnipeg show, May 26-27. This is the pair that went to winners and reserve winners at Saskatoon on Good Friday, 1934. This young female is by "Ch. Reigh Counts Sensation." Owing to the death of Mrs. Carter's mother, Bob was unable to attend the last two shows, but hopes to be present at future events.

"Belle Rock Intruders Lassie" by "Ch. Belle Rock Intruder," whelped a nice litter of three on May 25th, sired by "Ch. Reigh Counts Sensation." One female looks like making a flyer. We appreciate Bob's contribution fully realizing it is such fanciers that are keeping the dog game alive in our province with dogs that will go down in history in the years to come.

A case of dog poisoning has come to light in Moose Jaw. The "Spitz" was a great pet of an old lady, who feels the loss of her old companion very keenly. The Chief of Police has offered a reward to any who can and will give information regarding the offending party.

Monty Wallace of Drumnod Newfoundland Kennels, Saskatoon, has sold a high class bitch to Mrs. C. L. Young of Edmonton, who already owns a champion Newfoundland of "Drumnod" breeding. The newly acquired female will be compaigned this season on the Western Circuit. Monty's Newfoundlands have been consistent winners for a long number of years.

Mutual Kennels have several new litters of wires out of "Thet Trio" and "Talavera Tantalus" females, also a litter out of that smart Irish Terrier, "Ch. Culbahn Molly," sired by "Tim Healey."

Now that summer puppies are coming along, we hope to receive more kennel news from our Sask. breeders, **and don't forget to send along your advertisements to "Kennel and Bench."**

Maritime News

By Provincial Contributing Editor,
G. D. ANDERSON, Halifax, N.S.

HELLO everybody. No, this isn't the voice of Kate Smith trying to get the moon over the mountains, but it is the well sharpened pencil of your Maritime scribe all ready to greet you with the doggiest dog-gone dog column that has emanated from the Atlantic provinces for several months.

Now there's just so much of interest to record that I hardly know where to start. Friends, you may remember that last month's **Kennel and Bench** contained no news from New Brunswick; but the folks there have made a real come-back, and I think it only fair to give them the first place this time.

Mrs. B. M. Frost, whose "Saint John" Kennel of Bostons has turned out six or more champions in as many years, reports good demand for the products of her kennel. Sales are good. Since February she has sold no less than seven to U.S. fanciers. While the number of dogs in the kennel has been materially reduced, the quality has not been interfered with. And a small kennel of "good ones" can be as much joy and pride, and give almost as much experience as a kennel that is overcrowded with twenty or thirty.

Some of you may recall "My Little Nominee," the winning female bred by Mrs. Frost and sold to Alf. Loverige and will be interested to know that she is now the property of that astute fancier and judge of this breed, Mrs. M. C. McGlone.

Robert Orr has made a number of changes in his "Easco" Kennels and now has much more room for his young stock. And, believe me, when I say that "Easco" has some real pointers that can win in any man's land.

At Cossar Farms there is lots of activity with a lot of new young farm stock and six litters of "braw young Scots." The litters were all quite small and will be nearly all used up in supplying present orders. The puppies by "Cossar Revolt" seem to be the pick of the lot.

What's this we hear? Another canine association in Saint John? Yes sir, and this time it's a ladies' kennel club that is being planned. Several years ago such a club was proposed by several, but lack of a real leader caused the scheme to be but short lived. Mrs. Stanley Kirkland, the Scottish Terrier enthusiast, is very active in her efforts to organize this new club and she is being ably supported by Mrs. B. M. Frost and Miss D. Cassidy. These three and twenty others met a few weeks ago in the N.B.K.C. rooms with Commissioner LeBaron Wilson and T. A. Linton. They were fortunate in having one so well versed in the rules of "the game" as well as the gavel to act as chairman. This new club is receiving lots of support from the New Brunswick Kennel Club members and its success seems assured. Since the gay nineties this Atlantic Province has been most active in all sorts of doggy activities and it is only natural that the first Ladies' Kennel Club of the East should be formed there.

My good New Brunswick correspondent further reports that C. C. Sullivan will act as judge for the first New Brunswick Kennel Club show which will be held on Sept. 3rd and 4th at Saint John. The judge for the second all-breed show, which will be held on Sept. 5th and 6th, is yet to be appointed, but we can assure you that he will be one of the best to be found on the continent.

Charlie Sullivan, you remember, judged a Nova Scotia kennel club fixture in 1932 and also officiated in Ottawa last year. At both places he drew a good entry and did a real job so we feel sure that he will do himself, and the dogs, justice when he places the awards this year in his own town. He is one of the old guard and his kennel activities go back to the pre-war days. We believe that he has bred more Champions than any other Maritime exhibitor. He is liked by all and we feel confident that he will draw a real big entry of dogs who will be making their first appearance since the new point rating has gone into effect.

This new schedule of "point rating" can quite aptly be called a "New Deal" and is quite fair. It is favorable to the majority in Eastern Canada but a bit tough on the Toys. In the East the Peke and Pom entries are not nearly as large as those in Upper and Western Canada, but the one that tops the group will get all possible Toy points, so perhaps it won't work out too badly.

Exhibitors of those two breeds that claim four winners for the same type of different size or color, as Beagles and Cockers, may be hard put to, to get three or four points as they could under the former rule. Only the best of the four winners will get a chance to step up on points and a chance to head the sporting group. These favored owners will have to look within their own ranks for support to make the quota for each winners class. This also applies to other hound breeds, Collies, Newfoundlands, Cairns, Irish and Bull Terriers, also Poms and English Bulldogs that have benefitted in the past by the grand total entry under the former rules.

Saint John newspapers have given the new point schedule no little publicity, a good feature because too few of the general doggy public in the maritime see or read C.K.C. rules and new canine legislation.

On the north shore, Edmundston, N.B., we now have D. A. Fraser, a new Cocker owner, club member and prospective exhibitor. He has recently purchased two solid puppies, "Red Pepper of Pocologan," a red, bred by T. J. Hunter, Oswego, N.Y., a December puppy out of "Beauty of Oswego," sired by "Rowcliffe Foreglow"; the older one a July puppy, "Blond Sportsman Glory," is a cream son of "Adibor Just Martha," whose sire, "Adibor Red Denny," is a prolific son of "Ch. Idahurst Recruit." Such excellent breeding is welcome to the gundog group, for this pair of Cockers come from dual purpose stock, whose pedigree of sires and dams in the first three generations have many field and bench show records in "Foreglow," "Idahurst" and "Mepal" prefixes.

J. Edmond Britt, who owns a small select kennel of English Setters at Eastmount, near Saint John, is much pleased with his recent litter of blue and lemon beltons that are so equally divided in sex and color. "J. E." has been unfortunate in losing his previous litters; but their promising health and wealth of these "growing ups" is encouraging to him. They are sired by his "Eastmount Blue Moon," their dam his Western bred "Trevallen Una."

Just beyond Eastmount is Glen Falls Variety Kennel and the Saint John Boston Kennels. The former has Ralph Preston in charge. He is a successful Wire Fox Terrier breeder, usually high in the awards at show time, and he is looking forward to another good season, with at least two neat, well matured wire bitch puppies out of his imported dam by "Thet Trio," (Imp.). This attractive hound marked pair own lovely heads, ears, right fronts, good quarters, and are all nicely balanced. "Ralph" also has a later litter out of the same dam by his veteran sire, "Ch. Epping Edict," one of these is already sold to a Miss Lingley, Milledgville, N.B. There are about ten wire adults at this kennel and about fifteen lodgers. These keep the owner busy and as healthy as he looks. His neighbor, Mrs. B. M. Frost, has procured a new stud dog named "Kid Boots of Saint John," recently arrived from Mrs. Jessie Thornton, Baltimore. This year old sire is a seventeen pound dog, ideally marked, seal brindle, sired by "Ch. Million Dollar Boots Kid," who is a twelve pound sire; the dam is "Ch. Million Dollar Joy Girl." The sire of both parents is "Ch. Million Kid Boots," one of America's best. Mrs. Frost's

"Saint John Boy," that was sold and exhibited at Montreal shows, has been resold to a U.S. fancier as is also "My Little Nominee." "Nominee," by the way, has twice been reserve winner since going to the U.S. Saint John Boston Kennels have also sold three matured terriers to Mrs. F. E. Storer, the well known New England breeder. Also three puppies to a Brookfield, Mass. fancier, and a six months' old female to Sheriff Tomkins, Woodstock, N.B. Two visiting females have visited Mrs. Frost's home-bred stud, "St. John Introduce Me," who is now siring some likely winners for his kennel. Mrs. Frost is reserving two excellent puppies by him out of different dams. One of much promise is "Saint John Ioneder," a mahogany seal bitch with faultless markings, a bright show prospect, lightweight, with lots of style and character; the other a dark seal brindle, evenly marked, young male that owns a good head, splendid front and nice body. Here and about the province the Boston Terrier outlook is much brighter than it was last season.

Harry Brodie of East Saint John, who owns some Irish and Scotch Terriers, reports a new litter, now weaning, out of his "Drumclamph Leal II," by his own bred, "Kinlock Bobbie Burns." This litter is at present in the Mayfly Kennels, at Milford, N.B., owned by Gerald McCarthy. He is one who goes to extremes for size and variety ownership, care or training of dogs. At his kennel one sees Poms, Irish Wolfhounds, Fox Terriers, Setters, Pointers, Scotties, Bull Terriers, Retrievers, etc., all in good form.

And now, folks, for a few words from Nova Scotia. And "Canada's Ocean Playground" is just boiling over with pep and doggy enthusiasm. First let me tell you all that we have a brand new kennel club in the Province. Officially it is called "The Bedford Kennel Club" and its membership right now is larger than that of any other club in the East. It officially came into being on May 17, when twenty or more Bedford and Halifax fanciers met in Bedford and "signed the covenant." A quick membership drive doubled the number of members. Harry L. Roper, of Brookfield Construction Co., is the first President, while J. D. Whiteley, one of the old guard, is the Vice-President. Ralph Willis is the struggling Secretary-Treasurer. And to give help where needed we find an executive committee composed of that well-known old-timer, Roy McKay; the popular owner of the "Bedford" Kennels, Harry Willis, and your hard-working Maritime correspondent.

This club has had several enthusiastic meetings and has drawn up and approved a real constitution and code of by-laws; has already mapped out a programme which calls for an outdoor, one-day, matinee show, to be held early in August, and has laid plans for a programme of real live activity and interest for each month of the year.

The Secretary tells me that the membership is rapidly growing. I know that the interest is increasing. So just watch this column for further news of the activities of "The Bedford Kennel Club."

And now for some show news. The Nova Scotia Kennel Club will, this year, hold only one show instead of the two shows it usually sponsors. The one show this year will, as usual, be held in conjunction with the Nova Scotia Provincial Exhibition. The dates are August 28th, 29th and 30th. This is much earlier than usual but will be better for both dogs and spectators because the weather will be much more conducive to comfort. And these dates fit in nicely with those of the New Brunswick shows which will be held the following week in Saint John.

Complete details are lacking as yet but the judge has been decided upon. We think that a very wise selection has been made and we feel sure that a person who has judged All-Breeds in many parts of the world, and but recently judged at least one breed at the famous Morris and Essex, will attract a real entry in Halifax this August. Friends, the judge is to be T. W. Hogarth, who is well known in doggy circles on both sides of the Atlantic. This is going to be his first judging engagement in the Maritimes. Let's support him with a record entry.

No, I am not finished yet. I told you that I had lots of it this month. I'm making it short in order to get it all in our limited space.

At "Maritime" Kennels a lovely litter of five Scotties ex "Glen Moir Mona" by "Inverness Rab," and also a small litter of quality Wires by "Humberval Cracker," who needs no introduction to you, ex "Ch. Queen Road White Collarlass." This litter, W. G. Smith tells me, has two males and one female who are all sold in advance. They are lovely looking pups, too.

J. D. Whiteley just recently sold his Irish Water Spaniel bitch, "Glen Moir Surprise," to Mr. Heffler, of Bedford, N.S.

WHITE STAR KENNELS

Have for immediate sale, Pomeranian puppies of all colours, including white females, 3 months, and orange male, 5 months; also blacks, and dogs at stud of each colour.

MRS. E. VALLOM

23 Eaton Ave. - Toronto, Ont.

A. V. "Bert" Martin has just sold two Cocker pups to Halifax fanciers. One went to Dr. McIntosh and one to Miss E. C. Egan. Both are by "Cedargrove Pride" and are ex "Haliburton Jean."

Will O'Hearn had some tough luck when his Boston bitch died a day or two after whelping six perfectly marked pups. The cause of death was three pups that did not manage to get born. When six healthy puppies arrived, and the dam seemed in good shape, the owner did not dream of three more. But the three were there and in just a few days they caused the inevitable to occur. But the six are doing fine and growing like weeds on a good old-fashioned milk bottle. That litter stud of Jack Huggins is a dandy stallion force, and what a producer.

Henry McLeod has had too many sales of Cockers and Irish Setters for me to keep track of. But here are a few: An Irish Setter male pup by G. B. Goodwin's imported English dog ex "Mac's Nora" to ex-Alderman Ryan. Another of the same litter to Eric Grant, who is a son of the ex-Lieutenant-Governor Grant. A Cocker male ex "Haliburton Jean," by "Cedargrove Pride," to Miss Edna Judge. And another Cocker, same litter, to J. H. Trapnell, manager of the Halifax office of the C.N.R. Telegraphs.

I must acknowledge welcome letters and news from Sergt. L. A. White, of the R.C.M.P., in Fredericton, N.B. You will have some "Toy" news soon from him. And a letter from "Bob Waddell," which asked some questions re some news from my N.B. correspondent, R. B. Laskey, and also contained some interesting news.

But I'm using more than my allotted space so will have to stop. I'm looking forward to seeing you all at the shows. Cheerio till then.

OAKVILLE KENNEL CLUB SHOW

The Second Annual Summer Show of Oakville Kennel Club was held in the spacious Trafalgar Park, Oakville, Ont., on Saturday, June 9th. Col. J. N. MacRae had charge of the German Shepherd entry, Mrs. W. Graves judged Bostons, Chas. Bowerbank, Cocker Spaniels, and George S. Thomas, who has been proclaimed "The Silver King," all other breeds.

Mr. "Weatherman" was inclined to be unkind on the day, but his "bluff was called," and with the exception of blowing the trophy tent over no further annoyance was recorded. The evening turned out fine and many journeyed to Oakville to see the Groups and Best in Show judging, only to find the day's work already done, and the folks all gone home.

Following are the awards:—

Best in Show, Pomeranian, Ch. Melbourne Supreme, Mrs. J. W. Bruce.

The "Big Five" Circuit

THE long arduous winter was hard to satisfy in many ways, and the early summer seemed to invite an early vacation, so we decided to take a doggie man's rest and attend the circuit in the United States, commencing at the ever appealing Morris & Essex and finishing at Greenwich, where we had accepted an invitation to judge Collies for Miss Marie Leary's aggressive club.

Planning to resist the temptation to witness the running of the historic "King's Plate," it was arranged to leave Toronto early on the morning of May 24th, but a "break" found us headed for the "open spaces" on the afternoon of the 23rd instead, by nightfall we were as far as Batavia, N.Y. On the 24th we were on our way again "brite an' early" intending to reach Stroudsburg, Pa. in that day's travelling, but night found us in Morristown, N.J., within a very few miles of Madison, N.J., and was it raining? Friday the 25th will long be remembered, it simply "poured" the whole day long. A visit to the Morris and Essex grounds "everything going on as usual" sou'-westers, oilskins and rubbers being the only dress possible, but the tents were going up in "Canvas City" just like so many mushrooms. We tried to visualize the progress that had marked the one and only Morris and Essex. On the occasion of our first visit in 1927 we found 595 dogs benched. This year 2,827 had to find comfortable housing—what a problem! It is a fact, however, that if there had been twice as many dogs—and there may be some day—the almost mechanical George F. Foley Dog Show Organization, Inc., "will arrange accordingly" and without apparent effort.

The show this year was a stupendous affair. As usual several interested parties had arranged to secure copies of the Morris and Essex catalogue—seven of them to be exact. This addition to our freight added exactly 14 lbs., so you can imagine what a dog show catalogue weighing 2 lbs. looks like.

At the palatial Suburban Hotel we were happy to meet Mr. and Mrs. Ben S. Matthews, of New Orleans, La., for the first time. Having in mind that the genial "Ben" was to sort out Bulldogs on the morrow, we got to wondering how the entries in the "National Breed" which had come from Canada to contest the issue with their kind at the Morris and Essex would stand up in competition. How the Canadian dogs actually did fare at the hands of Mr. Matthews is now recorded history. Anyway, we feel now that the drinks should have been on us at that.

Jack Ritchie, of Ottawa, was also at the "Suburban." Mr. Ritchie was Canada's lone representative on the list of judges. Twice at the Morris and Essex, as a judge, within three years must be conceded to be a mark of merit. Probably there was no judge officiating in any of the 45 judging rings, who drew for themselves the applause given Mr. Ritchie at the end of every class he judged, we were proud to make this notation in our diary.

There were so many people of note at the "Suburban" that we feel content to have met them all again, and to record the circumstances here, but we must hurry on.

Into ring No. 20 about midway down the Polo Field from either end of the grounds came the dapper Mr. Matthews promptly on the stroke of ten o'clock. An entry of no less than 94 Bulldogs awaited his findings as to their respective degrees of merit. All the "top notchers" were included in the catalogue. Open dogs (45 lbs. and over) found Reg. P. Sparkes', Toronto, recently imported "Ch. Juniors' Juno" and R. W. Hunt's (Toronto). "Blackburn Banker" (nearing his championship) in the ring together. "Ch. Juniors' Juno" was bye and bye declared winners dog, a win that was emphasized by Alf. Delmont, who made the attractive "Ch. Junors' Juno" Best Non-Sporting, and the importance of this splendid placement was greatly raised when George S. Thomas found the Toronto Bulldog

Kennel & Bench readers will be able to get a fairly good idea of the ring arrangements from this illustration. Three sets of rings run from tent to tent and there are fifteen sets altogther. As the breeds are judged one large ring is made of six sets, and here the Groups come together and later Best Dog in Show. The 1934 Best in Show was the

to be the third best of the gigantic Morris and Esesx Show. Truly this was the 1934 Morris and Essex "highlight" as far as Canada was concerned. In bitches, Mr. Sparkes fared splendidly when "Ch. Parkholme Primula" was awarded winners bitches. Here Mr. Blackburn's good bitch, "Blackburn Beulah II" was awarded Reserve Winners, what wins for Canada! Looks as if we were again "going places" with our Bulldogs in this country. Congratulations to Mr. Sparkes and to Mr. Hunt, and we hope the wins will long be cherished by both of you gentlemen.

Our Directors, Dr. H. E. (and Mrs.) Batt and Dr. C. R. Boulding, were prize-winners in the real hot breeds "Scotties" and "Wires," respectively.

Still other winners were Frank Beer, Toronto, with a couple of young Smooth Fox Terriers, they were both puppies and litter sisters, bred by Mr. Beer. These two were greatly admired by the "Smooth" talent surrounding the ringside. Sid Perkins was a substantial winner in Airedales, Harry Robinson was seen taking Blue and Red envelopes with the Cairn Terriers of the Clairmar Kennels, Erindale, Ont. W. E. Baker, who judged the Cairns paid a nice tribute to "Dirk of Clairmar," said Mr. Baker, "bar being under standard size he was, in many respects, the best Cairn in the show. He was a fiery showman, with a lovely head, eyes and ears, good coat and perfect ring manners. He has that real Terrier character so sadly lacking in many of our Cairns."

L. C. Powell, Toronto, made a great hit with his Gordon Setter, "Grackle Beauty," who topped the greatest entry of Gordon Setters seen for years at any show.

Mr. and Mrs. W. Wylie, Vineland, Ont., had a collection of Poms in charge, but owing to the immensity of the fixture it is quite impossible to catch all the winnings. Anyway, to even have dogs in competition at the Morris and Essex is a great honor in the writer's judgment.

At Wissahicon, Pa., on May 27th, Devon, Pa., May 31st, Bryn Mawr, Pa. on May 31st and at Port Chester, N.Y. (Greenwich Kennel Club), June 2nd, we noticed that some of the Canadian dogs were still on the circuit, most of these were in the care of Ted Ward. At Devon we noticed Dr. C. R. Boulding's, Aurora, "Talavera Symington" giving a nice bunch of Wire dogs, a real battle under Judge J. W. Spring, "Symington" made the Reserve Winners station comfortably, and was a nice win. C. A. Ward, Toronto, had a nice bitch in "Dogberry Golden Shower," but she too had to be content with the Reserve Winners ribbon. Canadian dogs run into red hot competition at these shows, and such wins as those referred to, mean a great deal to the owners of the dogs they send to these shows. At Devon, too, we noticed that Dr. and Mrs. H. E. Batt, Guelph, Ont., was hotly contesting 18 other "Scotty" dogs for supremacy, but, yet again the Reserve Winners was the portion of "Haldon Minstrel." We would have liked to have seen Reg P. Sparkes' two Bulldogs remain on this circuit, as we feel that both could have made Bulldog history for Canada if they had.

At Bryn Mawr, Pa., T. H. Carruthers found a Reserve Winners ribbon for Frank Beer's, Toronto, "Sweet Smooth Fox Terrier puppy, "Dancing Lady."

The information that Jack Thorndike, Boston, noted Irish Terrier breeder and judge had passed away seemed to pass like wildfire, from mouth to ear the news was passed along and invariably was received with much regret.

At Ardsley, N.Y., we learned that the late Frank H. Addyman was considered "King" in the little town. On the eve of Frank's funeral, the brethren of the Masonic Order came from far and near to pay their last respects to one of their number who had always been loved and respected amongst them. On the day of the funeral the streets were lined on both sides by the school children who had always a staunch friend in Mr. Addyman. In conversation with those best qualified to express an unbiased opinion, we gathered that the late Mr. Addyman was considered to be the greatest all-

Sealyham Terrier, "Gunside Babs of Hollybourne," owned by S. L. Froelich, New York, handled by "Bob" Craighead, and judged by George S. Thomas.

breed judge of dogs ever to officiate in dog show rings in the United States. George F. Foley's opinion as expressed in his written appreciation of Mr. Addyman probably voices the conceded opinions of those to whom we have referred, says Mr. Foley in "Popular Dogs":

"In the death of Frank H. Addyman the dog show has lost its most respected and outstanding personality. Of all those connected with the game during the past 10 years he will be most sorely missed. He was without question America's most sought-after all-rounder, his popularity arising not alone from his intelligent and impartial adjudication but from the gentlemanly seriousness with which he went about his work. He was dependable to a degree and could judge to definite time more closely than anyone I have ever known. Specify twenty minutes or two hours for a certain breed, and that breed was ably placed to the minute and the book turned in.

He was strictly business from the moment he entered a show, just before judging time, until he left immediately upon completion of his appointed tasks. He never got into arguments with exhibitors and when asked reasons for his decisions could give careful analyses of the various dogs that had come under him.

I knew Frank Addyman 30 years ago when he first showed Irish Terriers. Later he became a professional handler and was one of the few earlier ones to be really successful. He attended to business meticulously and nothing was permitted to interfere with his work. He was prompt to answer his clients' communications and to send them catalogues of the shows where he exhibited for them. In fact, I believe that all through his life, the quality that more than any other took him to success was this dependable promptness which was an inherent part of him. And though he probably was given heavier assignments than the average judge, he was never too busy to help, many a novice exhibitor attesting to the kindly advice and encouragement that he gave.

We can ill afford to lose such a man."

So say we all—and may Frank's honest soul rest in peace.

At Greenwich we got the "low-down" on a Cocker Spaniel that had been sent to Canada. We believe it was sent to Mrs. H. Giddings, Oakville, Ont. A red and white Parti-color, named "My Own Seductive," and quite the best Cocker ever bred at "My Own" Kennels, Poughkeepsie, N.Y. The future of "My Own Seductive" was to be closely tabbed in the United States and Canada. She had been bred to "My Own High Time"—the dog with the famous dual record. H. E. Mellenthin was proud of, at least, one Cocker in Canada.

Speaking of Greenwich and of Cockers, reminds us that we noticed "Dick" Hepplestones' (Barrie) Parti-color "Romilla of Barrie," being awarded winners ribbon from the judge, Mrs. E. B. Moffitt.

German Shepherds were an entry of 119 dogs for O. Sickenger, Germany. We mention this merely to show that this smart breed has as many sponsors as ever before. Mr. Sickenger was in no hurry and the exhibitors had plenty of exercise whether they won or lost. Best of Breed was the Giralda Farms' "Ch. Giraldas' Susan." In Wires, Dr. S. Millbank's Toronto born "Corinthian Circulet" was placed reserve winners. Scottish Terriers—31 benched—Winners Dog was Dr. and Mrs. H. E. Batt's "Haldon Minstrel"—a nice win.

An entry of 19 Collies having been straightened out to the best of our knowledge and interpretation of the standard, which gave Winners Dogs to Mrs. F. B. Ilchs' "Laund Luckystone of Belhaven." Res., Mr. and Mrs. C. Wernsman's "Scion of Arkon," and in bitches winners to Mrs. F. B. Ilchs' "Belhaven Eden Edith." Res., Miss E. McKees' "Faverdale Fingertip." Best of Winners to "Luckystone" and Best of Breed to Mrs. F. B. Ilchs' "Ch. Lucason of Ashstead o' Belhaven," a truly representative Collie in every respect.

A telegram calling for our appearance—within 30 hours—at Detroit, Mich., to pay last respects to a very dear sister-in-law, meant a few hurried good-byes to old and new friends, then the old "Chevvy" hustled from New York State, through New Jersey, Pennsylvania, Ohio, into Michigan. Our duties performed there, it was back to 25 Melinda Street again for a while.

We would like to see a caravan of Canadian fanciers take in this circuit next year, there can be no better holiday than the one I have tried to describe.

Our illustration will serve to give a good idea of the benching and ring lay-out of the Morris & Essex Show. Forty-five judges and forty-five rings, and presto! the show is over almost before you have fully realized its great immensity.

Notice "Spratts Patent Ltd." stand near the left of the picture, it is here that fanciers find everything they require in accessories, leads, bench chains, combs, brushes—"anything and everything at Spratts." Notice the superintendent's office in the centre, but it would amaze you how very little trouble is reported here. A great show, a great circuit of shows.

We intentionally stated Jack Ritchie was the lone judge from Canada, for the reason that T. W. Hogarth was catalogued as being from Berwickshire, Scotland, nevertheless we realized that Mr. Hogarth was at the time resident at Guelph, Ont. 7/34

JIMMIE H. SULLIVAN

Popular Jimmie Sullivan has had the breaks against him in recent times, but then, you can never keep a good man down. Mr. Sullivan is now located at Lake Villa, Ill., a suburb of Chicago, where up-to-date kennels are ready to take in dogs to board, condition, exhibit or what have you. One thing certain is that Mr. Sullivan "knows how" and no doubt he will soon build up a strong clientele for the new establishment at Lake Villa.

Collie, Senior Puppy Dogs, "ALANDALE ARMINIUS," ineligible, being too young.

LONDON CANINE ASSOCIATION SHOW

For the past seventeen summers "Canada's oldest Dog Club" has been featuring dog shows at London, Ont., and it has been conceded that the 1934 summer fixture was quite as successful as any of its predecessors. Popular Alf. Delmont was the all-rounder for the occasion, and drew an entry of 149 dogs, benched.

As at Brantford, Oscar C. Pierson benched his incomparable line-up of champion Beagles, an even dozen in his own name, two others in the name of Pierson and Dunkleman, and still another in the name of Pierson and Eberhardt. As the great majority of these beautiful dogs were bred by Mr. Pierson, he has just cause to be proud of what he has accomplished in recent years. It was George Steadman Thomas, who remarked at the Morris and Essex Show, that he could take a score of Mr. Pierson's Beagles to England and sell them for a thousand dollars apiece, so Canada is rich in Beagles of supreme quality.

It would appear that Mr. Pierson will win the first Grand Championship under the revised rules of the Canadian Kennel Club. Wait and see.

Following are the awards:—

Best in Show, English Bulldog, Juniors Juno, Reg. P. Sparkes.

Best in Sporting Group, Beagle, Ch. River Park Someboy, Oscar C. Pierson and J. Dunkleman.

Best in Working Group, Old English Sheepdog, Ch. Mistress Fay of Pastorale, Mr. and Mrs. D. E. Thomas.

Best in Terrier Group, Wire Fox Terrier, Vanity Miss Lone Eagle, W. H. Shortt.

Best in Toy Group, Pomeranian, Melbourne Supremacy, Mrs. J. W. Bruce.

Best in Non-Sporting Group, English Bulldog, Juniors Juno, Reg. P. Sparkes (4 points).

GERMAN SHEPHERD DOG CLUB SPECIALTY SHOW AND OBEDIENCE TESTS

The Specialty Show and Obedience Tests featured annually by the German Shepherd Dog Club of Canada, were held at the Ontario Jockey Club grounds, Toronto, on Saturday, June 23rd, under ideal weather conditions for man and beast.

Although the entry could not be considered exceptionally heavy—31 dogs, nevertheless it was a nice entry of good average quality and I considered it to be a great honor when I received the invitation to judge the fixture. It will be quite impossible for me to go into detail concerning the degrees of merit of the dogs which came before me, but the award column will honestly set forth my judgment on the day. I do congratulate the exhibitors on the general good character of their dogs—("GRANT E. MANN, Judge.").

Dogs benched, 31.

Championship points, 1.

Following are the awards:—

Best in Show, Baron von Richtofen, H. S. Weller.

DOGS—Puppy—1, Ed. Summerfield's Curt of Edgetown; 2, Miss G. I. Williams' Guard von Gettensby; 3, Ronald A. McKinnon's Stephanitz Lindy.

Novice—1, Gordon Radford's Leonidas Mardofen; 2, Curt of Edgetown; 3, Guard von Gettensby.

Canadian-bred—1, H. S. Weller's Baron von Richtofen; 2, Leonidas Mardofen; 3, F. H. Rodley's Dandy Canuck.

Limit—1, Dandy Canuck.

Open—1, Victor Moench's Erich von Grafmar; 2, Dandy Canuck; 3, M. J. Morgan's Carlo of Morgandale.

WINNERS—Baron von Richtofen; Res.—Erich von Grafmar.

BITCHES—Puppy—1, Mrs. H. G. Slean's Dawnalda's Gerda von Horund; 2, Mrs. H. G. Slean's Dawnalda's Sylva von Horund; 3, H. Silverthorn's Wera von Stephanitz.

Canadian-bred — 1, F. H. Rodley's Norma Canuck; 2, Thos. W. Lee's Mathilda von Rhein; 3, G. Arthur Lawless' Irma von Kreye.

Limit—1, Geo. Gerricks' Bessie von Strassburg.

Open—1, Norma Canuck; 2, Mathilda von Rhein; 3, Alex. L. Gooderham's Gai Cherie of Northmere.

WINNERS—Norma Canuck; Res.—Mathilda von Rhein.

Best of Winners—Baron von Richtofen.

Col. J. N. MacRae, Galt, Ont., was judge of the "Obedience Class," and after the entrants had gone through the schedule of six tests, "Gai Cherie of Northmere," owned by Alex. L. Gooderham, Toronto, was placed first, "Mathilda von Rhein," owned by Thos. W. Lee, Clarkson, second; and "Northmere Indian Chief," owned by C. W. Radford, Toronto, third.

The officers and members of the German Shepherd Dog Club entertained the judges and other guests at supper in the Royal York Hotel on the evening of the show. Enthusiasm, characteristic of this well wearing Specialty Club, was again prominent, and it was with regret that time brought the social function to a close.

FOR GERMAN SHEPHERD BREEDERS

(A Review by CAPT. R. C. BAYLDON, Eng.)

Some one wrote somewhere — who, and when, have slipped my memory—that after every war in which Great Britain was engaged she has adopted the national dog of her late adversary. I do recollect, however, that the writer's standing was such that one took for granted his assertion; he had evidently probed into the matter and well knew what he was talking about.

Now the Shepherd Dog is a very ancient breed; its origins have not satisfactorily been traced; but at least we know that it is common to France, Germany, Holland, Belgium, and to Switzerland. We might have adopted it after past wars with the three former of the countries mentioned above—but we did not! That privilege was somehow deferred till 1918-19; when my authority might have claimed that here was one more instance to bear out his assertion. But, on the other hand, it was an equally popular dog with two of our allies. And when we adopted it, it was no canine uncertainty which we welcomed — but a standardized breed, with a stud-book lineage that will bear comparison with most breeds of our own.

Perhaps because its appearance was almost a complete novelty in this country, aided doubtless by its unusual sagacity and tractability, the breed took on at once. Since then it has never looked back. And now comes the Third Edition of Mr. George Horowitz's well known work, "THE ALSATIAN" (German Shepherd Dog), by Geo. Horowitz—Third Edition on the subject; which in itself is ample evidence that the popularity of the Alsatian is far from on the wane. The great majority of its enthusiasts will be familiar with either or both of the previous editions. This, and the English translation of Captain von Stephanitz, are the two books which they absolutely must have.

In the new edition the author has followed on the lines he formerly adopted and which have deservedly proved so popular. It is not that there is much fresh matter to write about the breed, excepting the chronicle of a world-wide successful progress; but that the immediately preceding edition must needs be revised and brought thoroughly up-to-date. If this volume meets with the past successes of Mr. Horowitz, it will likewise soon be out of print, and the author be engaged on yet a fourth edition. And may that time be soon.

For the benefit of new breeders to whom the work is unfamiliar, I will state emphatically that until they own it—have read it, re-read it, and digested it—they do not know their breed. Space does not allow of a synopsis of contents or a list of the chapter headings; but one may state that no aspect is overlooked—all authoritatively dealt with, and, moreover, in an interesting manner. And, finally, that the wealth of photographs and other illustrations are most excellent.

"CONTENTED DOG" AT "CARNATION FARMS"

"Champion Rockhaven Mermaid" (C.K.C.S.B. 108590), a Golden Retriever, bred by Mr. S. S. Magoffin, North Vancouver, B.C., is a double cross of "Ch. Speedwell Pluto" (imported), and has proven her great quality within and without the competition of her own particular breed.

Competing at the shows in Canada this sweet bitch was reserve winners four times, and winners four times which was sufficient to pass her within the portals of the "charmed circle." To emphasize her quality further, it is only necessary to add, that on her last appearance in a Vancouver show ring, she was awarded Best in the Sporting Group over a very representative field of sporting dogs. That only starts our story.

"Contented Cows" and "Carnation Milk" are synonomous terms to the radio listeners of the United States, Canada and far beyond. "Ch. Rockhaven Mermaid" has been purchased by Carnation Company, of Seattle, for exhibition purposes at the company's $1,000,000 stock farm located at Carnation, Washington, some forty miles east of Seattle.

After having seen the impressive American and Canadian Champion, "Speedwell Pluto" going to Best in Show at Pugent Sound Kennel Club Show at Seattle, last December, the Carnation Company approached Mr. Magoffin with a view to securing a typical Golden Retriever brood bitch as representative of the Sporting Group, giving the assurance that no other member breed of the Sporting Group would be featured at the Carnation Farms where 15,000 interested visitors arrive from all over the world each year, and so our "Rockhaven Mermaid" has been selected for this very important role. She has been bred to "Gilnockie Dan," the winners dog at the same show where she was selected for "Best Sporting." To those familiar with Goldens in Canada, the Kennel Name "Gilnockie" will suggest at once, the late B. M. Armstrong, Winnipeg, one of our Canadian pioneers in respect to Golden Retrievers, so "Gilnockie Dan" is from the pioneer "Noranby" strain of Mrs. Charlesworth, England.

Our illustration shows a fine upstanding bitch of substance, breed type and character. That she is going to play a strong hand in popularizing the Golden Retriever on this side of the Atlantic may be conceded at once. We know that Mr. Magoffin receives a consistent enquiry mail. We notice with pleasure the development of gun dog clubs everywhere. The Golden Retriever is going to fit in and become a popular breed with gun dog men generally. Mr. Magoffin is already doing his part in a large way. At the Rockhaven Kennels there are 14 splendid brood bitches, home-bred and imported. During the last couple of years 48 puppies were successfully raised, and for these there has been an insistent demand. As we have said before on several occasions, breeds who have their consistent sponsors are bound to create and develop popularity. "Goldens" are indebted to men like Charles H. Large, New York city, whom we regret to notice died recently, and S. S. Magoffin, Vancouver, for the place they hold in the sun at the present time.

Ch. Rockhaven Mermaid, Canadian born Golden Retriever, selected by "Carnation Company" as representative of the Sporting Group.

THE CHOW CHOW

Captain Will Judy of the "Dog World" (Chicago) has added one more book to his list of breed books, and this time the Chow Chow has been favored, and so the aristocratic Chow will be the better understood because of Captain Judy's interest on its behalf.

Fifty-four chapters make the coverage over origin, history, training, feeding, kennelling, etc., together with the standard and the interpretation of the standard.

In the writer's opinion, this latest book to come from the Judy Press is the most attractive and educative of the series. It sells at $2.00 and should be in the library of every owner of Chows, experienced and inexperienced alike, and copies may be ordered through **Kennel and Bench.**

MAKING HISTORY IN CANADIAN BULLDOGS

As we go to press we receive the good news concerning the great achievements of Reg. P. Sparkes' two superb Bulldogs at the Sewickley, Pa., Show. Ch. Junior's Juno romped right through to best Bulldog and best non-Sporting under Judge Anton Rost, then on to capture Best Dog in Show under Judge C. G. Hopton. Ch. Junior's Juno requires but one single point to complete his American Championship.

Ch. Parkholme Primula was winners bitch at Sewickley. And so we have in our midst the only Tri-International Champion Bulldog of her sex ever to be so distinguished. Congratulations, Mr. Sparkes.

THE WHITE CAVALIER AT MORRIS & ESSEX

Special to Kennel and Bench

By MRS. DRURY L. SHERATON

THE Bull Terrier fancy in the United States were paid a great compliment by Mrs. Hartley Dodge when Thomas W. Hogarth of Scotland, but now resident in Canada, was invited to judge our breed at Morris and Essex. That this compliment was appreciated is shown by the entry —fifty-one actual dogs being entered. This is the largest entry at Morris and Essex of Bull Terriers with the exception of 1931. It was my great and unexpected privilege to act as one of the ring stewards for Mr. Hogarth, being ably assisted in this job by Henry M. Atweed.

From the moment the first class came into the ring until his final awards for Best of Breed, and Best Opposite Sex, Mr. Hogarth showed very distinctly that he knew what he wanted, and that he knew when he found it. After one class it was quite possible for the ringside to follow his every placing. This is an unusual condition in most judging, and was of inestimable benefit to the old time breeder and novice alike. At least we learned to define type as Mr. Hogarth sees it.

Nothing escaped his eye. Apparently standing idly in the ring, not looking at anything in particular, he would glance out of the corner of that far seeing eye of his, and instantly catch the fault that the handler was hoping to screen, or the quality that was in the dog. This quick glance of his is a great idea. While a judge is looking straight at a dog, naturally the person showing the dog is making every effort to show the dog at its best, but is apt to relax a bit if the judge looks away. This quick unexpected glance shows many things. I shall probably try so hard to imitate it that everyone will think that I have suddenly become cross-eyed. Mr. Hogarth showed by his placings that he likes a big Bull-Terrier, a Bull Terrier averaging, say from fifty to fifty-five pounds. He likes and demands bone, he dislikes ticks, he wants a showman dog, he insists upon spirit. He gave shy dogs every opportunity, but if they failed to come up to scratch, they were out. He dislikes a fighting, snarling dog. He showed that this kind of spirit is not true breed character. A Bull Terrier must be ready, but must wait. He likes a low stationed dog or bitch. He appreciates good ear carriage, but was kind about those who did not have ear carriage, but had other good qualities. He was patient, unhurried, but wasted no time. He went straight to what he liked, and very rarely found it necessary to change the position of a dog once he had placed it. His adaptation of himself to the American method of judging was nothing short of marvellous. Our system is different from that of any other country, and yet even in his puppy dog class, he placed his dogs and went through his classes as though he had judged in this country for years, and it was his first assignment. May it be but the beginning of many.

He found for his Best of Breed, "Ch. Faultless of Blighty." For his Best Opposite Sex, "Ch. Tything Titbit." For his Best of Winners and Winner's Bitch, "Far Cry Novice." For his Winner's dog, "Adenis of Lime Ridge." For his Reserve Winner's Dog, Beshelson Barnacle," and for his Reserve Winner's Bitch, "Brendon Bloom."

Winner and loser alike were more than satisfied with his decisions. H. H. Stewart, Vice-President of the Bull-Terrier Club of America, writing in "Popular Dogs" of Mr. Hogarth's judging, says in part, "An eagle eye, a priceless thing, and an analytic mind sought the Bull Terriers at Madison and put them in their places that day. The eye and mind belonged to the young Scotchman, T. W. Hogarth. It is apparent that this man sizes up a ring full of Bull Terriers quickly. In 20 classes I do not believe he changed his first arrangement as to choice on more than three occasions. In 17 out of 20 classes he got his first, second and third smack off the bat and never hesitated. . . . T. W. Hogarth knows type and can see it quickly. His top dogs and bitches at Morris and Essex all had type, the same kind, and were as nearly as possible of a standard size. I enjoyed his judging immensely and got much from this quiet studious tall fellow from Scotland and I thank him." So say all of us.

"Ch. Faultless of Blighty has been mated to R. M. Kenny's "Robust Laddie." "Robust Laddie," now owned in Buckingham, Quebec, was, you will remember, the dog who went Best Opposite Sex to "Faultless" when they made their show debut in England when both were puppies.

Hon. Mr. Justice McFarland sent me some time ago a young bitch puppy. She is out of his "Franklin Grappler," and is sired by his "Ch. Franklin Galloper." "Galloper," you will remember, is a son of "Juniper Jealousy," who was a daughter of the great English dog, "Ch. Hades Cavalier." "Grappler" is a daughter of "Ch. Grit," son of "Grit," out of "Ch. Cloudland Scrappler." This young bitch, now "The Lady June of Queen Anne's," has just whelped a litter of seven all white puppies to "Sir Robbs of Queen Anne's." "Robbs" is a son of the English "Ch. Numscull," out of "Cylva Judy," a daughter of the international "Ch. Cylva General."

Another bit of news that might interest the Canadian fanciers is that "Ch. Rhode Island Nancy," bred by J. E. Brunette, of Kingston, Ont., and now our property has just been bred to "Sir Robbs."

J. M. Creech, of Indianapolis, has a litter of four bitches, out of the bitch he purchased from Mrs. J. W. Wilkes' "Trafalgar Silver Charm." This litter is sired by the "International Ch. Shure Thing."

BULL TERRIER CLUB YEAR BOOKS

Another "First" Annual Year Book is the Year Book of the Bull Terrier Club of America, Clifford G. Nuhn is the editor, and he has managed to furnish much valuable information for his readers that will be appreciated. Well known writers have prepared interesting articles, so that readers really interested in the "White 'Uns" come together with the "powers that be" in a friendly way and at their own firesides.

Mrs. Drury L. Sheraton, Queen Anne Corner, Hingham, Mass., will send a copy to anyone interested for 55 cents postpaid.

The Bull Terrier Club (England) presents a most attractive year book for 1933-34, and we should imagine that it presents reader appeal from cover to cover. Particularly interesting is "An Outline of Bull Terrier History," by T. W. Hogarth, Guelph, Ont.

Dr. G. M. Vevers, the author, tabulates all essential information concerning the club itself. The list of members is a large one, and here we find Mrs. D. L. Sheraton, Hingham, Mass., is a full fledged Honorary Member.

The "Declaration of Honor" applies to all members of the Bull Terrier Club, and infringement of the code calls for severe penalties. This "Code of Honor" call for refusal to exhibit, sell, or breed to or from a deaf animal. The members also undertake not to breed from "brindle bred Whites." Deafness, as far as the Bull Terrier Club is concerned, considers that any dog that "cannot hear perfectly" is deaf.

Copies of this Year Book may be secured from Dr. G. M. Vevers, Zoological Society of London, Regents Park, N.W.8. Price 2/6d.

The Alberta News

By Provincial Contributing Editor, C. H. PARK, Medicine Hat, Alta.

FAVORED with glorious weather, the Medicine Hat Kennel Club once more staged a very successful show on May 24th, and although not up to their usual standard, judged from a numerical standpoint, this was amply made up for by the splendid all-round quality of the exhibits, there being some really outstanding specimens in some of the breeds. As this club was the first in Alberta to come under the new ruling re championship point rating this had quite a lot to do with the lower number of entries. The shows are also suffering from the aftermath of distemper which played such havoc during the winter throughout the Western provinces. Those who escaped it were in fear and trembling lest another epidemic should follow the show. The Arena Rink, where the show is held each year, is one of the best in the West for this purpose, and with the club's new benching, flags and bunting the building had quite a festive appearance.

Among the out-of-town exhibitors, were Mrs. Gardner, of Edmonton, with her splendid Sealyham bitch; Mr. and Mrs. Roberts, the former, the new secretary of the Edmonton Dog Fanciers Club, who was on deck with his Wire Fox Terrier puppy, a son of that splendid sire, "Int. Ch. Crackley Startler." Mr. McGregor, also of Edmonton, was showing his daughter's Scotty, "Littlebury Barty," which made a clean up in his breed.

Calgary was represented by Mrs. Godderidge, who was without a dog of her own, being one of the unfortunates who suffered so badly in the distemper epidemic, but she was handling that good Wire, "Calgaree Crackley Startler," bred by John E. Hunter, as the prefix indicates, and now owned by Robt. G. Reid, of Calgary. Another Edmonton visitor showing Wires was R. A. Cross, who had two good bitches. Mr. Cross is slated to be the Show Superintendent at the forthcoming show at Edmonton. Mrs. Pat Render from Calgary, was showing her own Scotties, but was without a "Wire" this year. She promises to be back next year with a few when the new crop matures, she also being one whose kennel suffered badly in the epidemic. "Bobby" Thomson, who was the judge last year was showing his trappy little dog, "Ch. Cromwell Stylish Announcer," this good Boston going Winners and Best of Breed. D. B. Young, of Shaughnessy, who had a field day here led the Lethbridge contingent, which included that doughty warrior, E. F. Brierly, who was dogless and taking a "busman's" holiday, "Duke" Wellington, Dick Verwoerd, who was being congratulated on the birth of twins, which in addition to his "Nappo von Westfalenheim" getting "Winners" and thereby completing his championship, filled his cup of happiness to overflowing and possibly caused him to lose the "Kid Boots" between Medicine Hat and Lethbridge.

In addition to "Nappo," another good German Shepherd finished her championship at this show when Ex Mayor George Worts, of Redcliff, got "Winners" with his good bitch, "Suix of Gold Bond." Others from Lethbridge were Joe Craig, of Craigavon Kennels, who was showing two good Smooth Retrievers for Ritchie Paterson, of Lethbridge, and the Collie, "Buddy of Brookland" for Miss Lonsberry of that city. Our worthy Canadian Kennel Club representative, genial George Climo, came, saw and conquered with a couple of good Cockers, "Calma's Crusader" (black) and "Calma's Golden Dawn," (a grand red). T. E. Thomas, of Calgary benched a couple of good Springers. Another owner to finish his dog here was "Bob" Carter, of the Bell Rock Kennels, Assiniboia, Sask., whose Boston bitch, "Bell Rock Hagerty Belle" went "Winners" bitches and thus became entitled to enter the charmed circle.

The Medicine Hat Kennel Club is suffering a severe loss in the losing of two of its valued members in the person of Harry C. Gibson, who has been Treasurer of the Club for the past two years, the club had no sooner got D. F. "Ferdy" Legh to take over his old job which he had held prior to Harry Gibson being elected, than the news was received that his employers, the Bank of Montreal, had transferred him to Halifax, N.S.

It was a fitting wind up for Harry Gibson's association with the Medicine Hat Kennel Club when his good Collie, "Ben Lomond 2nd" went "Winners" dogs, Best of Winners and Best of Breed and his good bitch, "Oakland Betty" captured "Winners" bitches. Harry is going near Nelson, B.C., where he will engage in fruit and chicken farming. Fanciers in Halifax should not be slow in getting Ferdy Legh into their club, as the West's loss is the East's gain and the Medicine Hat Kennel Club wish both these good fanciers good luck in their new venture, and prior to their leaving Medicine Hat, they were each presented with a fountain pen and pencil as a slight token of the esteem in which their fellow members held them. Calgary is the next city in Alberta to hold a show this season, and as usual, theirs will be held in connection with the Stampede on July 11th and 12th, and will be judged by A. P. Mutchmor, of Winnipeg, whom your scribe looks forward to meeting on that occasion. Mr. Mutchmor comes originally from Ottawa, from a well known family, he was a lacrosse player of outstanding merit at one time. He ran an extensive kennel there of Collies, Foxhounds, Beagles and Scottish Terriers. When he came to Winnipeg many years ago he established the Garry Kennels which for the most part consisted of Wire and Smooth Fox Terriers. Mr. Mutchmor has exhibited on both the American and Canadian circuits with considerable success. He is an outstanding Canine writer and critic of note having edited the Canadian Kennel Gazette, published in Winnipeg.

As a Terrier judge, he is without a peer in Canada, and has with much success, judged all breeds of dogs in Canada. He owned the great Airedale Terrier, "Ch. Clipston First Shot," considered by many experts to have been the world's premier Airedale, having been 25 times "Best of All Breeds" in show, quite a wonderful record. Jack Fletcher will be Superintendent of the Show, C. B. Cummer is again undertaking the duties of Secretary and Lt.-Col. D. Ritchie, M.C., continues to hold the office of President.

The officers of the club are looking forward to having a good entry and hope to have the support of fanciers from all parts of Western Canada. Any one not able to personally attend the show can with confidence send along their dogs, and they can rest assured that they will be properly attended to and exhibited in the ring by competent handlers. Already the club has been assured of support from Winnipeg, Saskatoon, Medicine Hat, Lethbridge, Edmonton and Vancouver, and they feel assured that the show will be one of outstanding merit in point of numbers and quality. Certain alterations are being made in the judging ring which will greatly improve it, both for the handling of the dogs and for the comfort of the spectators. "Bobby" Thomson, of Calgary, is the judge elect for Edmonton, the week following Calgary show and he needs no introduction to Alberta, and in fact, all Western fanciers as he has judged repeatedly and always with great satisfaction, at the various shows throughout the West.

Mrs. Pat Render, who with Mrs. Godderidge, both of Calgary, judged the children classes at the Medicine Hat Show, sends me the following news of Calgary Kennels. Mrs. Jepson, who owns a pair of Dandie Dinmonts, has just been presented with a fine litter of six puppies on June 3rd. The parents are the only "Dandies," it is thought, in this province and recently won five points at the Calgary shows. A newcomer to Alberta is Mrs. Smith, who has arrived from New Brunswick to reside in Cal-

gary. She is a member of the Canadian Kennel Club, and for some years has bred Cairns, two of which she has brought with her, they being imported from England. It is hoped it will be possible to induce her to show at the summer shows. I recently visited Mrs. Murison, whose Scotty bitch, "Ch. Tayette" had given her a splendid litter of 5 dogs and 2 bitches. These were sired by Miss McGregor, of Edmonton's dog, "Littlebury Barty," who has been making a name for himself at the recent shows.

Miss Dorothy Spencer seems to be getting quite ardent over her two Cairns which she had intended showing at Medicine Hat, but owing to an accident, was unable to do so, but hopes to show at a later date. My own Chow, "Sanang So Pai Chee," has a pair of promising puppies which look good show prospects.

A recent addition to the Wymund Kennels is a Scottish Terrier female which has recently had a litter of six to "Tayside Jimme," now owned by these kennels. The "Wires"—our good old stand bys—keep coming along and selling, which is the main thing now-a-days.

We recently shipped to Victoria two females, sired by "Ch. Barrack Hill Black Magic," and an unrelated male, a promising youngster. Mrs. Burr, the purchaser, is starting up a small kennel of Wires. Here's wishing her every success. We have recently acquired an Irish Terrier female, "Gillingham Floss" from Joe Caswell, of Edmonton. She was recently mated to "Ch. Gillingham Patrick Boy," and we are hoping for something good from this mating. Mrs. Earnshaw recently sold her spendid young Chow, "Sanang-Chee-Ki" to Mr. Justice Clark, of Calgary, after a lot of persuasion. She is now very interested in one of the writers' puppies which she says are exceptionally good, Mrs. Earnshaw being an authority on the Chow. D. B. Young, of Shaughnessy, President of the Southern Alberta Kennel Club, which is also staging a show in the near future at Lethbridge in connection with the Exhibition, and with Wm. Forrest, of Calgary, making the awards, writes as follows: "Just received the fine issue of **"Kennel and Bench"** and read your "appealing note" for more news. I have been a little neglectful in that line lately, but I will try and help all I can. Well, we have now recovered from the excitement of the Medicine Hat Show, and as usual we all had a great time and thoroughly enjoyed the show. You boys from the 'Hat sure have the "knack" of making visitors feel quite at home and your hospitality cannot be exceeded. I only hope that when our show comes along, we can in some way return the compliment. Personally, I would not miss that annual trip to the 'Hat, and all the boys here feel the same.

I was sorry I could not attend the party after the show, but I hear it was a fitting climax to a "Perfect Day." Naturally, I felt quite elated at the wins my dogs made, to win Best in Show after trying for four years, was quite an event, in my doggy experience, and I hope it is not the last time that I do it. Activities in my kennels have been quite brisk this Spring. A Gordon Setter dog has been sold to J. P. Schofield, of Trail, B.C., and a bitch of the same breeding has been sold to J. C. Hendry of Lethbridge. This bitch went "Best of Breed" at Calgary last December, and again at Medicine Hat two weeks ago. I have no more Gordons now.

English Setter pups went to W. J. Derby at Lethbridge, E. R. Stitt, Bow Island, and E. A. Sparrow, of Enderby, B.C., leaving me still one male pup in the kennel. My Springer, "Freemans Mighty Cute" presented me with a litter of 6 males and 2 females, all black and white, their sire being, "Kim of Kent," he by "Int. Ch. High Tide Barney." My bitch is sired by "Ch. Freeman of Avandale," ex "Barmaid of Burnside." This breeding in Springers is unsurpassed and the pups certainly show it. One of them has gone to H. Murray at Barons and another to that keen Springer fancier, "Duke" Wellington of Lethbridge. Another litter of Springers I have is from "Aristocrats Ideal" by "Ch. Aristocrat of Avandale," ex "Placid of Avandale," the sire of the litter being "Kootenay Emperor" he by "Ch. L'ile Messenger Boy" ex "Kootenay Belle." These pups are also doing well and reflect their excellent breeding. Numerous enquiries having been received for Springer pups, so I guess they will soon all be in new homes. My Pointer bitch, "Stylish Girl" is showing in whelp to that good dog, "Prince of Airy Hill," and I am expecting something good from this mating. My Scottish Terrier bitch, "Fashion Hint of Airy Hill" has been mated to "Ch. McWilliam of Tayside," and I am anxiously waiting to see the result. The bitch is "Haldon" bred, and the dog is one of the finest Scotties in Canada today, so I cannot be blamed for expecting something good. I also have a nice litter of Wire Fox Terriers, and they will be in new homes as soon as they are ready to go.

There is one thing we did learn from the Medicine Hat Show and that is that the new point rating was rather hard on some breeds and lax on others. These records will have to be kept and the information obtained from them used to correct the faults in the present point rating on our Western Shows. Have just received word that Dick Verwoerd's good German Shepherd, "Nappo von Westfalenheim," who went to best working dog at the Medicine Hat Show, and had just completed his championship has been killed by a car. We welcome a new correspondent this month in the person of J. Ernest Roberst, new secertary of the Edmonton Dog Fanciers Club who writes: "Speaking on behalf of the Edmonton crowd who attended the Medicine Hat Show, may we say we enjoyed same very much. All of us certainly thought your benching arrangements splendid, and that the show was carried off without a hitch and everyone seemed well satisfied with the judge's decisions. It seems to me unfortunate that you do not hold your show at a later date in order that the exhibitors could start at Medicine Hat and carry right along to Calgary and Edmonton finishing up at Lethbridge completing a circuit. It is quite an expensive proposition to travel any distance to just one show, however, these comments are by the way. With reference to Edmonton notes, we have been very busy completing arrangements for our Annual Summer Show. However, we have been very successful to date in lining up a very splendid Premium List, and we feel that our show this year is going to be an outstanding success.

As you already know, "Bobby" Thomson, of Calgary, has been selected as judge, and we feel that he will serve us in a most satisfactory manner. Was over to Jack Young's "Normandy" Kennels of Scottish Terriers yesterday. His dogs, eleven in all, are looking grand. He also has six lovely ten-month-old puppies that look promising. We hope to see some of Jack's dogs out this year. Last week was over to see W. R. Graham's "Rockmount" Kennel of Wire-Haired Terriers. He has just completed his new kennels and they look like the real thing. I saw two beautiful ten weeks' "Wires" and also another one of his bitches nursing a litter of four puppies. Mr. Graham expects to come out with a couple of good "Wires" this year. R. A. Cross is a very busy man building his new kennels and stripping and conditioning the odd "Wire." Joe Caswell tells me that he has a new male "Wire" puppy that has the makings of a good one. I am informed that Jack Rawlins is expecting a good Springer female from the Old Country. Mrs. Mary D. Gardner's Sealyham Terrier, "Highland Mary of Hollybourne," visited Stan Dorrell's imported Sealyham, "Felcourt Foxhunter," the latter part of May and great things are expected from this mating."

JUST A MONGREL!— BUT A REAL DOG IS DEAD

By Rev. George A. Dickson, B.D., B.Th., D.D., F.R.G.S., Calgary, Alta.

"BON" is dead, and all the gang mourns his loss. True, he hadn't a long pedigree, and no one could be sure what breed he was. His tail was too long for a Terrier, his legs too short for a hound and the coat too sleek for an Airedale. He was just a dog—but a "thoroughbred" every inch of him, for all that.

He came to us a stray one summer day two years ago; just wandered in, a little lost dog. He was so confiding and friendly that somehow we could not turn him away. So he stayed and soon had made his place in our hearts. But, while he was polite and good-natured to everyone, it was George he really adopted, and whom he regarded as master.

George and his gang had rigged up an old car of ancient build and without a top. When an expedition of any sort was planned, "Bon" seemed to know by instinct. He would leap in without waiting for the door to be opened, and take his place in the back seat, gazing about him with a lordly air, as if to say, "Home, James!"

He went everywhere with the boys, and when the fun waxed fast and furious, "Bon" was the gayest of the party. He appeared actually to laugh, with his jaws wide open and his lips drawn back. If he thought enough attention was not being paid to him, he would pat them on the ankle with his paw as though reminding them. "Here, fellows, I'm in on this!"

It was not convenient to have "Bon" sleep in the house. He had a warm bed in the garage, but occasionally his master would smuggle him in, even to his bedroom. On these occasions "Bon" would keep perfectly still, acting the part of a conspirator, his wise face showing that he understood the situation and could be trusted to behave with discretion.

Short on Pedigree—but long on Fidelity was "Bon"

Then came the tragic morning when "Bon" all unsuspecting of guile, swallowed the tempting piece of meat in which someone had concealed a deadly poison. When it began to take effect, his first impulse was to run to his master. He would be able to help him, he felt sure. He would know what to do about that strange pain. So he ran to him and fell down at his feet.

His master did what he could. "Bon" was put into a car and rushed to the veterinary surgeon, but the deadly dose had been too well calculated, and all that the doctor could do was to give him some morphia and let him die without pain.

And so "Bon's" lithe body, his friendly wagging tail, his soft brown eyes are seen no more by the lads who loved him. But somehow his master feels sure that:

"High up in the courts of heaven today,
A little dog-angel waits.
With the other angels he will not play,
But he sits alone at the gates;
"For I know my master will come," says he,
'And when he comes he will call for me.'"

SUCCESSFUL SHOWS—EAST AND WEST

Through the courtesy of Oscar C. Pierson, President of Telephone City Kennel Club, we have received the figures of income and expenditure in connection with the show held at Brantford on May 5th, and it must be very gratifying to Mr. Pierson and his associates to find themselves with a credit balance of over $200 following their first attempt at dog show management.

From Victoria, B.C., we have received the delightful information that the Junior Women's Auxiliary of the Jubilee Hospital at Victoria has benefitted to the extent of $500 approximately. Congratulations, Victoria City Kennel Club.

CANCELLATION HAMILTON KENNEL CLUB

Scottish Terrier, Novice Bitches, "MONTROSE SANDY," ineligible, having won a first prize in the Novice Class at the Toronto Kennel Club Show, 1934, placing "SUNNIEHOLME JEAN AMOUR" 2nd.

British Columbia News

By Provincial Contributing Editor, R. H. F. Purdon, Vancouver, B.C.

FROM Mrs. Chas. A. McGee, of the Shepherdholm Kennels, Esquimalt, comes word that her Doberman bitch, "Sonia von Balanka," formerly "Sonia von Olgahoe," bred by Mrs. Roy, completed her Canadian championship at the Victoria show where she went to "Best of Winners" and "Best of Breed." Shepherds still seem to be good sellers, and from a recent litter two have gone to new homes, one to Montreal and the other to the Naval Barracks in Esquimalt. We must not let the cat completely out of the bag, however, we expect to have some news of a new arrival which should create much interest in the ranks of Doberman breeders.

George J. Busby of the Poplar Kennels, Abbotsford, reports shipping a fine Springer dog, "Poplar Sir Jerold," to J. B. Shaw, of Regina, Sask., also a bitch puppy by "Wembley Marquis" to T. Kerr, of Kilgard, B.C. The Regina sale was kindly engineered by Mr. Blake, the owner of "Beattie of Avondale," the sire of "Jerold." J. Heath, of Abbotsford, a previous customer returned for another Springer, this time he got one by "Wembley Marquis." "Woodhurst Media," one of the Poplar matrons, has been on a visit to "Wembley Don," a son of "Wembley Marquis," so I expect Mr. Busby is ticking off the days on the calendar in anticipation.

Another dog club for British Columbia, this time it is the B.C. Gun Dog Club, which according to the name covers a very large field with immense possibilities, was formed on May 16th at a meeting of a few enthusiasts of sporting dogs, the idea being originated by Messrs. W. T. Oates, Geo. Gough, W. Willgress and J. R. Fleming. The aims of the new club are the privilege of approving or selecting the judge for their groups at the all-breed shows, and if given this, will support the show by guaranteeing entries and specials in various breeds. To promote Field Trials, Retrieving trials and Gun Dog trials, also specialty shows. It is their intention to hold a full meet early in September. As regards membership there is a prospective one of about fifty at present, with possibilities of around one hundred and fifty when the club gets into full swing. This should be a great help to the all-breed clubs and remove some part of their troubles financial and otherwise, anyone desirous of further information can apply to J. R. Fleming, Acting Secretary, 1325 Richards St., Vancouver, who will be glad to hear from those interested.

Dr. J. D. Calvert, of Armstrong, had two splendid litters of Springers this year, and some nice typey youngsters found new homes in different parts of the province and Alberta. From letters he has received from several of the new owners, Dr. Calvert says, that Springer entries at Vancouver shows are due for a healthy boost in the near future, and naively adds "and they certainly could stand it too." The bitch, "Miss Singleton," who went to Winners at the Coast City and Lions Gate shows, has been sold to David Dowd, of Kansas City, Mo., Mr. Dowd writing to say that she arrived in great condition, and he is very pleased with her. He hopes to send her to E. D. Knight, of Charleston, to be bred to "Ch. Pat of Abilene. The doctor has a promising black and white dog pup by "Rocky of Avondale" being kept at home, which will probably be heard of later. "Nanette of Avondale," who is by "Ch. Masterpiece," and her dam by the great "Int. Ch. Boghurst Rover," is showing heavy in whelp to "Ch. Aristocrat of Avondale," so a few toppers are looked for in this coming family. Dr. Calvert was extremely interested in T. W. Hogarth's frank discussion of the Toronto Kennel Club show as reported in May **Kennel and Bench,** finding his remarks regarding the Springers which came before him were quite significant to anyone as interested in the Avondale strain as he is. For the last paragraph in Dr. Calvert's letter, he writes, "Am glad to see the new point system under way, and all we need now is at least one show a year in Vancouver, where we can have a specialist on our breed, and with a little publicity beforehand, you would get a Springer entry that would be an eye opener to many. Canadian championships are going to mean something to our friends in the South now, just the same as they are going to be harder to get and mean more to all of us. I have had correspondence with two different Springer men in Oregon just recently, who would require very little coaxing to send dogs up to a Vancouver show. There are lots more like them in Washington and California, and once they get coming, just try and stop them."

The Victoria City Kennel Club show held on May 19th drew an entry of 179 for the judges J. H. Meldrum, of Victoria, who took Sporting Breeds (except Cockers), and Joseph Dodds, of Vancouver, all other breeds.

The Widbrook Kennels of Victoria made the handsome entry of 14 dogs, this being the largest entry coming from any kennel.

The Victoria show was the first for the "new deal" in ratings, which gave the Best in Show five points, the greatest number possible to gain at this show, and we offer Mr. Dorrell our congratulations on the win of his tip top Sealyham, "Felcourt Foxhunter" in securing this award.

Entries to the show came mostly from Vancouver Island, some from Oregon and Washington, and a very sparce number from Vancouver and New Westminster, ten in all sending over entries.

The Vancouver Kennel Club show held on May 24th drew entries from the Mainland, Vancouver Island, Oregon and Washington, which were judged by Norman McConnell who took Working, Toy and Non-Sporting Breeds, additional specials and Best in Show, H. Wilkinson taking Terriers and Sporting Breeds. Twenty-seven varieties made a total entry of 146.

We have to congratulate Mrs. H. L. De Vaull, of Portland, on winning Best in Show with the Boston, "Hagerty's Fascinator 2nd."

In entries each show had seven breeds in the double figures, a deplorable state of affairs, and one that calls for serious consideration. Are our entry fees too high for the times, or the plethora of so-called Parlour Shows damaging the Canadian Kennel Club fixtures, owing to their low entry fees and less exhibiting trouble. Many people seem quite content with wins made at these shows, and sell puppies to the uninitiated on the strength of them Or is it local judges, and I am quite sure we have a few here as good as lots of imported ones, but they may have at times unfortunately expressed an opinion on a certain dog or dogs, which if it gets abroad will seriously damage entries in that breed, whereas the imported judges' likes and dislikes are not so well known, but his choice involves a bigger outlay for the show giving clubs.

Along with others I was surprised to see a list of licensed judges appearing in last month's **Kennel and Bench,** containing many B.C. names. I was under the impression that the old list of names had been cancelled, in favor of more recent qualifications.

Stanley Dorrell, of the Swansea Kennels has, "Believe it or not," purchased another Sealyham from England, by name "Felcourt Rosette," considered by quite a few old country judges to be the best bitch over there. "Rosette" was exhibited at Cruft's, but had the misfortune to be bitten through the front foot by an Airedale just before entering the ring, which caused her to move badly, therefore she was duly penalized, however, even with this severe handi-

cap she won five thirds in exceptionally strong classes, meeting the very best of the day. Since Cruft's she has been shown twice, gaining the supreme award of "Best of all breeds" on each occasion. Gwyn Jones, a name familiar to all Sealyham breeders, says "Rosette" can beat "Felcourt Foxhunter." What a wonderful team of Sealyhams are now housed at the Swansea Kennels. By the way, the great little "Foxhunter" made his Canadian championship in less than eight weeks, and in the process has defeated every Terrier he has met since arriving on the coast. The following have been bred to him, Mr. Davies' "Ch. Abarard I'll Say" and "Ch. Felcourt Repute," Mrs. M. Gardner's (Edmonton) "Highland Maid of Hollybourne" and Miss Kidd's "Eastfield Confidence." The Scottish Terrier, "Nosegay Saxifrage" of the same kennel is now a champion and undefeated, a formidable lot of inmates for one kennel.

In a letter from Jack Cottle, of Nanaimo, Irish Setter breeder of note, he sends news that an Irish Setter bitch was coming out in whelp from the old country to a new breeder on Vancouver Island, perhaps Mr. Cottle may be able to give me fuller particulars later, for the benefit of our Setter readers, as I don't think an Irish Setter could land on the Island without this veteran fancier learning about it. A new Northfield puppy appeared at Victoria show under the ownership of Mr. Grant, of Victoria, full of promise, and will probably prove a rare worker as Mr. Cottle is a stickler for stamina and intelligence.

At the annual meeting of the Vancouver Island Setter and Pointer Club, the Secretary, W. Grieves, reported funds on hand to carry on the future work of the club. Then with deep regret members listened to him read out his resignation as Secretary of the club, owing to the possibility of his having to leave the district in the near future, however, promising if he again returns will be delighted to assist the club in any way he can. The President, Wm. Willgress and Governor, Thos. Barnard, both made appreciative references to Mr. Grieves and regretted to have to accept his resignation. The following were elected to hold office for 1934, President, Wm. Willgress; Secretary, J. Cottle; Governors, Thos. Barnard and J. Easton.

In last month's **Kennel and Bench** much space in Mr. Reeves' article is given up to the subject of judges, and he quotes Dr. Fayette Ewing, who writing in part on judges qualifications says, "His character should be rigidly looked into by the licensing body, not in any perfunctory way, accepting the casual endorsements of Tom, Dick or Harry, but with that same rigidity that a commercial organization considers in the appointment of an important employee," and I personally think he hits the nail right on the head. No matter how good the judges qualifications are in knowledge of dogs, if he is not a man of character, far better not to have him. Another famous dog man, one of the greatest in the world, Holland Buckley, gives character as the first essential in a judge. I would offer the suggestion to our Provincial Committee, if they have the power, that before they accept anyone as a judge, that their character be enquired into, and a set number of questions be submitted, answers to be written and signed by applicant, along with the names of two responsible people for character reference, and who are not doggy people, and the public to be aware of the questions that are asked. One question should ask the applicant if he has ever been found guilty of any misdemeanour, and if judgment was given against him, if so how many times, and for what, if for anything discreditable, absolutely bar him off judging. And another one, have you ever been brought up before the Canadian Kennel Club or any governing kennel club, to answer for wrongdoing, how many times, and for what, if found guilty, bar him off too. No honest person fears the light of day, so if these questions and some others hurt the dignity of the applicant, all he has to do is tear up his application form. By these means we should at least arrive at securing a judge who would inspire confidence in exhibitors, and losses under such a one would be accepted in the true spirit.

Before these notes closed I had hoped to have some further particulars of the new B.C. Gun Dog Club, as it is of great importance to the many interested in shooting throughout the province, but as it has not come in and my notes must go off today, I hope to have more news about it for next month.

News from Old Quebec

By Provincial Contributing Editor,
MRS. C. de P. DONIPHAN,
Montreal, Que.

THE Montreal Kennel Association Dog Show held on May 22nd taken as a whole was a big success. I shan't comment on the courtesy and efficiency of the Superintendent, Secretary and officials, nor on the commodities and advantages of the spacious St. Antoine Market Hall as everything ran in apple pie order. The judges were: Oscar Pierson, All Sporting; Harry Armistead, Wire and Smooth Fox Terriers and Sealyhams; Henry E. Whitley, all other Terriers; "Krueger" Sequin, Boston Terriers; Harry Silver, English and French Bulldogs and All Toys; Wm. W. Rooney, all other breeds and Bob Ross, Best in Show and unclassified specials; all were most conscientious and thorough in making their decisions and their placings were contentedly received by winners and losers alike.

Many new factors contributed in making this exhibition one of quality rather than quantity. It was hard for many business men to take a double holiday during the same week; the $2.00 entry fee in several instances practically prohibited the entry of "medium" specimens, and the new point rating was I'm afraid a little misunderstood and discouraged a few, so that the animals present were "the dogs" who were worthy of bucking the above handicaps.

One interpretation could be that the interest in and popularity of the different breeds rest entirely with their breeders and owners, who will from now on have to canvass and provide their own competition. The rating for the less popular breeds is fairly easy, and it should not be impossible for a dog fancier to bench another entry and provide the required competition. Everyone should have the welfare of his or her "pet breed" at heart and get busy collecting entries and specials instead of leaving everything to a harrassed secretary, who has so much big and important business to attend to at show time.

The Best in Show award proved a very popular one and round after round of applause greeted the beautiful Great Dane, "Ch. Pax von Birkenhof" and her enthusiastic owner, Mrs. G. W. Hyslop. "Pax" was at her best and displayed her charms with such proud coquetry that she won the hearts of both judge and ringsiders. The imported Cocker Spaniel, "Pamphlet of Ware," owned by Mrs. G. A. Carruthers, took Reserve Best in Show, and also came in for a goodly share of cheering. The Canadian Kennel Club prize for the Best Canadian-bred, owned by exhibitor, was won by the parti-color Cocker Spaniel, "Voyageur Kaisa," owned by Dr. A. H. Jenks, and the Norman K. Swire Memorial medal by the Irish Terrier, "Newtonards Norah," owned by Bert Collins. All of these special wins roused the cheerful approval of the onlookers and closed a most enjoyable gathering of old and new friends.

Many Montrealers attended the Ottawa Kennel Club Show on May 24th. The ideal weather and hearty welcome made the day a very pleasant one, and Mr. W. H. Reeves was so decisive and quick in his selections that no one was kept in suspense very long, and we were all ready to start back for home the same evening. I understand the Scottish Terrier, "Cedric Chieftain," by "Haldon Gaisgill Mac Simon," ex "Langrange Trifle," bred by Mrs. E. J. Atkinson, Toronto, and owned by Mrs. T. P. Ritchie, of Montreal, completed his championship; also the Blue Merle Collie bitch, "Mousette" by "Coila Grey Peter," ex "Knocklayde Moonshine," bred and owned by Emile Vanier of Longueuil, returned with the coveted title; congratulations to both. Other Quebec owned "Winners" were: A. C. F. Archambault's English Setter, "Silver King de Bourbon"; Amedee Trudeau's Irish Setter, "Sonora Elcho Jr."; W. Maloney's German Shepherd female, "Peggy of Montreal"; S. W. Scarpa's Wire-Haired Fox Terrier, "Malabars Point of Fortune"; Bert Collins' Irish Terrier, "Newtonards Norah"; A. H. Paton's Dachshunde, "Fritz of Mynthurst," imp.; Mrs. M. S. Threlfall's Pugs, "Ch. Budworth Bogey" and "Folly of Bitchet"; Mrs. O. Despatie's Schipperke, "Reo," and Mrs. W. G. Ross' Japanese Spaniel, "Tai," not a bad list is it? Best Pomeranian, Best Toy, Best Puppy in Show, Best Canadian-bred and Best in Show All Breeds all went to Mrs. J. W. Bruce's lovely puppy, "Melbourne Supremacy," who also had the very distinct honor of winning over his illustrious and very beautiful sire, "Int. Ch. Melbourne Supreme."

The Ladies' Kennel Club of Canada are now next with their Canadian Kennel Club Show on Saturday, August 25th. Being part of the Toronto-Ottawa exhibition circuit should guarantee a good entry of local, Ontario and American dogs. Mrs. Enright says every breed will be catered for, as apart from prize money, specials are just pouring in. The two American judges should also prove a good drawing card, as both are most favorably known on both sides of the border. Mrs. A. W. Ocorr, of Pittsford, will adjudicate on Non-Sporting, Toys, Cocker Spaniels and children variety and Mr. Walter G. Graham of West End, N.J., will judge the remainder.

Mrs. Enright and Miss Steggall are planning a new layout which would permit special and elaborate decorations, each breed being benched under the flag of their country of origin. This innovation should prove most attractive and interesting. The good old Coliseum so centrally situated on Guy St. will again welcome dogs from near and far. This building feels like home to many as nearly twenty dog shows have already been staged within its walls and we all hope this one will be the "biggest ever."

"Ch. Budworth Babs," Mrs. Threlfall's delightful fawn pug brought fresh laurels to the Budworth Kennels by her outstanding success at the big Morris and Essex Show last month. "Babs" has been a consistent winner since her early puppyhood, and as well as heading the lists at the Canadian shows piled up points by coming Best of Breed at the Westminster Kennel Club Show in New York this spring. At both shows the competition was of the keenest, the number of pugs benched being bigger than any previous show down south.

As well as "Babs'" first and best of winners, Budworth Kennels scored Reserve Winners, with that upstanding black pug, "Ch. Ranjitsinhji," and second in the limit class with "Budworth Buttons." As "Buttons" is a son of "Babs" by "Ranji," the whole show was something of a family affair.

"Ch. Budworth Bogie" scored for the same kennels at Ottawa, winning Best of Breed, with "Folly of Bitchet" and "Topsy of Bitchet," also owned by Mrs. Threlfall, as winners and reserve winners in the female class.

The popularity of the Pug seems to be gaining ground very quickly in the United States. Three new names have been added to the list of breeders and fanciers within the last few months and one American breeder reports more enquiries than he can satisfy. Whether the fancy will spread in like proportion here in Canada remains to be seen, but Mrs. Threlfall reports the sale of three puppies to a prominent American fancier and several more enquiries in hand.

Incidentally, Judge C. G. Hopton, when awarding "Babs" her prize at the Morris and Essex, said that the quality of Pugs there was equal to anything he had ever been called upon to judge and that even at Cruft's he had never seen such keen competition.

Mrs. Threlfall is an ardent worker in behalf of her favored breed and, so I understand, is doing her best to induce the Pug Dog Club of America to visit some of the leading Canadian shows en masse this season. This should mean anything from twenty to thirty of these interesting little dogs on the benches; be on the lookout for this invasion.

"Ch. Winna Treasure," formerly owned by Miss Victoria Bouchard, of Montreal, and now the property of Mr. Yensen, N.Y., was awarded the winner's rosette at both the Morris and Essex and Greenwich Shows.

"More show prospects"—I hear the Longueuil fanciers are seriously talking of staging a dog show to be held in conjunction with a local butterfly exhibition; the Sherbrookers are also considering a revival of their annual fixture and there is the scheduled all-breed dog show of the Ta-i-O. Club of Beagles to follow immediately their Field Trial. This is really comforting news which show we good "Quebecers" are not so easily discouraged and if everyone "gives a turn to the wheel" a short south shore circuit could easily be organized, and there is no reason in the world why every single one of the three individual clubs should not make a success of their own private venture. Busses could be conveniently chartered for the circuit, and there are plenty of good handlers to look after the dogs who could not be accompanied by their owners. Don't forget the old saying, "United We Stand," etc.

Mr. and Mrs. Allan Chisholm have now reached their old Scottish home and it probably won't be long before we note some "Lorne" Bulldogs in Scotland's award lists. A last round up of their old friends gathered at the new Carlton Hotel for a farewell smoker. "Witty" Warren presented Mr. Chisholm with a walking stick. Appropriate speeches were made by representatives of different breeds. Mr. Chisholm's reply was really pathetic: "I leave Montreal with deep regret as Canada has treated me very well; it really has been home to me, and I have made so many staunch friends that a good bit of myself will always remain here with you all; however, one cannot foretell the future and may be some day I shall be back with you again." A most hearty welcome will always await Mr. and Mrs. Chisholm in Montreal.

Mrs. H. Fairbanks, of Point au Pic, Murray Bay, is delighted with her Lakeland Terrier. This fine puppy was purchased from the Egton Kennels, owned by W. B. Cleland, of Troy, Ont., and is the pride of the household.

Mrs. G. A. Hird, of St. Lambert, has recently shipped an excellent Irish Setter puppy to Plasker Rock, N.B., where the surrounding 150 mile stretch of forest is, it appears, a hunter's paradise. Bears, Moose and birds of all descriptions are there ad libitum, and it is expected the Setter will make a name for himself, both as a working and show dog. Another puppy is reserved for Dr. Wilder Penfield, who is more than pleased with the "Deveron" he already owns. A record litter of seven males and four females arrived at the kennels on May 28th, all are doing well and own the great "Ch. Squire of Kildona" as their sire. Mrs. Hird tells me that the name "Kildona" belongs to Arthur Keiller, of Montreal, she has registered the prefix of "Deveron," which is a most beloved and picturesque spot in the north of Scotland.

Edwin M. Wright has imported a pair of fine English Bulldogs, "Ch. Throstan Duchess" by "Kingsmoor Colonel" ex "Stonebreak Mona", was bred by H. Lockwood, England, and arrives here a full English Champion; "Nitsill Bouncer" by "Royal Scot," ex "Dunterlie Maid," comes from the kennels of Thos. MacDonald, Scotland, and has already done some good winning. These two dogs are certainly a credit to Mr. Wright's sound policy of owning nothing but the very best.

Dr. A. H. Jenks, owner of the Voyageur Cocker Spaniels, was very pleased with the success of his home-bred female, "Voyageur Kaisa," who won the Canadian Kennel Club special at the recent Montreal Kennel Association Show. "Kaisa's" litter sister, "Voyageur Dinah," is nursing some excellent puppies, sired by "Voyageur Black Watch." "Voyageur Sally," a fine daughter of "Wayridge Lucky," has recently been bred to "Ch. El Capitan of Golden State," (owned by Mrs. J. H. Enright), so there should be more winning youngsters to carry the "Voyageur" prefix through next year's shows.

The Roslyn Kennels, owned by Nelson McKim, have been very busy of late with the arrival of several litters. In Cairns, "Montvic Bluebell" is the proud mother of three exceptionally fine puppies, sired by no less than the great "Ch. Tinker of Tapscot" and her kennel mate, "Montvic Red Witch" is showing in whelp to the well-known "Ch. Scottie of Clairmar." The Scottish Terrier, "Bangle," is nursing three most promising dog puppies by "Heather Martin," an imported son of the English "Ch. Heather Fashion Hint," and in Cocker Spaniels there are six very good youngsters, sired by "Dan Patch of Roslyn," ex "Voyageur Chloe." Mr. McKim is not only breeding on scientific lines, using only the best blood obtainable, but has made a careful study of the housing, diet and care of his dogs. The kennels are ideally situated on the Lakeshore Road, where there is good accommodation and plenty of open runs, so it is easily understood why the Roslyn inmates are always in the pink of condition.

I have just received the first issue of "The Canadian Pet journal," a new magazine of four sections devoted respectively to: Cats, Canaries, Tropical Fish and Dogs, the latter being represented by an article on "Pekingese" by W. W. Brown and "Plucking and Trimming Terriers, by G. Manby. Published in Montreal by Ella M. Ramage, editor, and E. Muriel Richardson, advertising manager, it will certainly be most helpful to all animal lovers and any articles, news items and club notes will be gladly received by the Editor, who deserves all our good wishes of success.

Mrs. R. M. Phillips, formerly of Boston, Me., has now made her home in Montreal and is an enthusiastic Boston Terrier breeder. Her small but select kennel was started many years ago with two females, bred by that pioneer of the breed, Mrs. A. B. West, of the Artcraft Kennels, Boston. "Phillips' Yankee Boy," an American-bred dog by "Tri Mount Ace High," ex "Phillips' Sweet Jenny Lee," is the head of the establishment and proving invaluable as a sire of well marked puppies of excellent type and quality. Despite a Cesarian operation, "Phillips' Little Lady" is as well as ever, and most devoted to her family of five very fine and healthy puppies. "Phillip's Lady Boots" is also nursing 2 males and 2 females, all evenly marked and showing great promise; the "Daddy" of them all is of course the proud "Yankee Boy." "Pepper Pot 4th" by "Blaze Away Boy," "Queenie" and "Elmo's Flash," the latter owned by Mrs. Robillard, have all been mated to "P. Yankee Boy," so more good youngsters will appear shortly and out of such a good collection it will be easy to select a couple of real topping specimens for the 1935 shows.

Mrs. J. H. Enright is greatly distressed over the loss of her American Champion, "El Capitan of Golden State," who died suddenly during the last heat wave. A son of "Ch. Esten of Golden State," ex "Ch. Nugget Buttercup of Golden State," "El Capitan" had been left to Mrs. Enright by the late Miss Herrige, of California, and apart from his sterling qualities as a stud and show dog he had become the pet of the house. A good son and daughter of his are left to carry on his good work in the Cocker Spaniel field, and the litter from "Voyageur Sally" is anxiously awaited.

A. Klebnikoff reports the arrival of a topping litter of German Shepherd puppies, sired by Mr. Rowe's noted winner, "Nores von Strasburg," out of his good female, "Lola von Blaisienberg"; the pedigrees of both sire and dam are of the "Ch. Brando von Filsek" and "Kriminalpolezi" strains which are hall marks of quality. A few years ago the extensive popularity of the "Alsatians" threatened to become their undoing by flooding the market with hundreds of inferior specimens, so the members of the German Shepherd Dog Club adopted as their motto, "To breed fewer and better Shepherds," and true to their word this is the first litter bred by a member during the last three years. Well trained, standard type Shepherds are still highly prized in all countries, and due to this club's energetic policy, Montreal is on the upgrade again, and we all look forward to seeing our Shepherd classes permanently "equal to all and second to none."

Fred Rowe, the tireless and genial President has been elected District Representative for the German Shepherd Dog Club of Canada, who are holding a Specialty Show in Toronto on June 23rd.

Here are a few news items from our good Sherbrooke friends. Mrs. Nora Donovan is very pleased over the arrival of a lovely batch of Cocker Spaniel puppies by "Sherbrooke Honey Boy" ex "Belmoss Seductive." All the dogs have spent a good winter and they certainly are a credit to their owner whose interest in doggie matters never wanes.

H. J. Placey has just returned from a fishing expedition in the Lachute district, and while passing through Brownsburg greatly enjoyed the hospitality of those two enthusiastic Springer Spaniel breeders, Mr. and Mrs. W. F. Hagel. "Belmoss Caruso," a black and white son of "Ch. Inveresk Collyshot," ex "Ch. Belvedere Flossie," will make his debut at the Fall shows; he is a real hot one and will make all good Springers run a stiff race for their ribbons." "Belmoss Girlie," a daughter of "Ch. Belmoss Jacobite" is nursing a most promising litter, sired by Int. "Ch. Inveresk Cockshure." We hope Mr. Placey will soon be back with us in Springers in a large way again.

Two new dogs have joined the kennels of Dr. L. R. Boisvert. "Padraig of Halcrest," a remarkably fine Kerry Blue, was purchased from Percy Roberts and from the Beverley Kennels of North Conn. comes "Terry of Beverley," a very good Wire-Haired Fox Terrier. Dr. Boisvert's Greyhound, "Mistrel," imported from England in 1930, and a son of "Sigman Jazzar," was unfortunately run over by a motor car and will be very hard to replace.

Mr. and Mrs. J. A. McKecknie having left their good Wire, "Warrior Teddy," in charge of the Warrior Kennels whilst spending the winter in Hollywood, were so lonesome without a pal that they visited the kennels of H. M. Robertson, Lamanda Park, Cal., and purchased "Sidlaw Sir Donald," a typical son of "Albourne Dundalk Defiant." No doubt this little Scottie will be heard of again.

Dr. L. A. Gadbois keenly feels the loss of his good Doberman Pinscher, "Halt of Pontchartrain," who passed on to his "happy hunting grounds" a few days ago. "Halt" had been purchased from the Pontchartrain Kennels of Detroit a couple of years ago, and besides being a consistent winner in the show ring was the doctor's faithful companion.

Congratulations to Wm. Ogden, of Montreal, who celebrated his 71st birthday on the 3rd of June. Born in London, Eng., he came to Canada many, many years ago. A member of the Canadian Kennel Club since 1902 Mr. Ogden is still most enthusiastic over anything pertaining to dogs and dog shows. Of course, English Bulldogs have always been his center of interest, and there are some very fine "Guinea Golds" in the kennels at the present time. We sincerely wish their genial owner many more "happy returns."

Eleven thousand, four hundred and forty-seven honest canine citizens have dutifully paid their $3.00 head tax to the city of Montreal Treasury during 1933. This does not include the immediate suburbs who all have their own doggie population, viz., Westmount, 11,000; Outremont, 521 and Verdun, 11,003. Although the "leash and muzzling" by-laws have fallen into oblivion along with the rabies scare of six years ago, it is remarkable to note how very few dogs roam the streets unattended.

Skin Trouble

very soon went

If your dog is suffering from any form of skin trouble—start him or her on Karswood Dog Powders forthwith. This is the surest and quickest means for permanently ending this condition. Scores of the World's leading dog breeders have proved the truth of this for themselves.

Here is another case of persistent skin trouble cured by Karswood Dog Powders after all else failed. In this case the trouble was of 2 years' standing, but soon gave way to Karswood Dog Powders.

Ivy Cottage, Baydon Road, Lambourn, Berks.
I am very pleased to tell you that Karswood Dog Powders have been a great benefit to my dog, a Pekingese. Nearly two years ago he had spots and dry eczema about his body, which caused him to scratch very much. Of course, I tried many things, different powders and treatment on the skin, but nothing seemed to do any good. I saw your Karswood Dog Powders advertised and sent for a supply and gave him a course of them. He soon began to improve, and before very long the spots cleared right away. Now I always give the dog one a week, as I find it keeps him in good health all round.
Miss B. HART.

The reason why Karswood Dog Powders are so successful in tackling all forms of skin trouble is because they provide the dog with nerve foods and organic salts which his system must have in order to throw off disease. Outward application of ointments in skin troubles can help locally, but to secure permanent results, give Karswood Dog Powders regularly, and they will not only cure the trouble, but prevent it re-occurring. Prove this to your profit.

"Where can I buy the best Life Insurance Policy?"

Several things enter into the consideration of this important subject. What is the premium rate charged? What dividends are given on the policy? Is the company economically managed so that its future prospects for dividends are good? Does it earn a good interest rate?

JAPAN LIKES THE GERMAN SHEPHERD

We hear so much these days about the German Shepherd losing favor and friends that it is refreshing to have a look at the other side of the picture.

In the recent war by Japan against China for the occupation of Manchuria, **Kennel and Bench** lost one of its readers and boosters when Captain Itakura was killed in action. The Captain's German Shepherd dog was killed at the same time and shortly before the dog's death the animal was decorated by the Minister of War for his wonderful service on the field.

A monument has been erected in Japan in honor of Captain Itakura's dog. The cost of erecting the monument was defrayed by the school children of the country, and we are advised that in the recent Japan-China troubles the Japanese used thousands of trained German Shepherds on the several war fronts.

Do not become prejudiced against any breed of dog, they all represent the Creator's dumb creation. They are valued servants of men, and in the matter above described they are valuable adjuncts to fighting armies in the opinion of the Japanese Government.

"THE MASTER'S VOICE"

"One evening, Jesus lingered in the market-place,
Teaching the people parables of truth and grace,
When in the square remote a crowd was seen to rise
And stop with loathing jestures and abhorring cries,

"The Master and his meek disciples went to see
What cause for this commotion and disgust could be,
And found a poor dead dog beside the gutter laid—
Revolting sight: at which each face its hate betrayed.

"One held his nose; one shut his eyes; one turned away,
And all among themselves began to say:
'Detested creature! He pollutes the earth and air!
His eyes are blear! His ears are foul! His ribs are bare!
In his torn hide there's not a decent shoe-string left,
No doubt the execrable cur was hung for theft.'"

Then Jesus spake and dropped on him the saving wreath:
"Even pearls are dark before the white-of his teeth."

"The pelting crowd grew silent and ashamed
Like one rebuked by sight of wisdom higher than his own;
And one exclaimed, 'no creature so accursed can be
But some good thing in him **a loving eye can see.'**"

—Wm. Rouensville Alger.

What Makes Dogs Grow ?

Nature doesn't build bone, muscle and flesh in dogs haphazardly . . . but by a complex metabolism which depends on an abundant and balanced supply of proteins and vitamins.

Ross-Miller Dog Foods are rich in these elements. That is why dogs thrive on them. The proportion of proteins and vitamins in Ross-Miller Dog Foods is scientifically determined. They are balanced foods, made from high-grade beef and pork cracklings, bone meal, fish meal, alfalfa meal, milk and other ingredients, including a carefully controlled percentage of pure cod-liver oil.

Give your dogs the benefits of these made-in-Canada foods.
