Meeting of the Board of Directors of the Canadian Kennel Club, Incorporated

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club, Inc., was held in the Board Room of the Club's Offices, 25 Melinda Street, Toronto, on Thursday afternoon, September 12th, 1935, at three-thirty o'clock. The president, Col. J. N. MacRae, was in the chair. Directors present included Wm. Stockdale, Wm. H. Pym, Dr. H. E. Batt, Dr. C. R. Boulding, James Eccles, Brig.-Gen. C. M. Nelles and W. H. Carter.

It was regularly moved, seconded and carried:—

"That, the Minutes be taken as read."

Secretary: Mr. President: Dr. J. K. Morrow, our Director for the Province of Manitoba, was married on Saturday, September 7th, and on Saturday, August 10th, Capt. H. Dudley-Waters, our ex Second Vice-President, was married.

It was regularly moved, seconded and carried:—

"That, the Secretary convey to both gentlemen the congratulations of the Directors."

The Secretary further advised that the regular Board meeting was put back one week by instruction from the President so that our Second Vice-President, Mr. Wm. H. Pym, would be able to attend the meeting whilst he was in the East.

Mr. Pym agreed to draft a set of Field Trial Rules and to submit them to the several Field Trial clubs for consideration, the whole to be submitted to the next annual general meeting. It was regularly moved, seconded and carried:—

"That, the secretaries of Field Trial and Retriever clubs be advised that any Trial held prior to February, 1936, sanctioned by the Canadian Kennel Club, will receive official recognition when the rules are adopted at the next annual general meeting. Application for interim sanction must be made to the Canadian Kennel Club prior to the holding of any Field or Retriever Trial."

A letter from George A. Cranfield, Santa Monica, California, was read by the Secretary.

After discussing the matter of Mr. Cranfield's suspension, the Directors agreed that before Mr. Cranfield could be reinstated he must do the following:

1. Apologize to the Canadian Kennel Club.
2. Must adjust the advertised reward.
3. Must adjust Mr. Strachan's expenses.

The first of the above three requirements was complied with when Mr. Cranfield apologized to the Canadian Kennel Club in the letter from him as mentioned above.

In **Kennel and Bench** there had appeared an advertisement over Mr. Cranfield's name advertising a $200 reward. Mr. Cranfield explained that this should have read $300, made up of $100 to be paid by Ben Lewis, Jr., $100 by the Buffalo Kennel Club and $100 to be paid by himself.

Mr. Cranfield agreed to pay the sum of $75 in the adjustment of the reward and he further agreed to pay the sum of $50 in the adjustment of Mr. J. D. Strachan's expenses.

Mr. Cranfield, having written out a cheque for the above amounts, it was regularly moved, seconded and carried:—

"That, the privileges of the Canadian Kennel Club be restored to George A. Cranfield."

The following statement of General Accounts for August was presented for payment:—

Our Frontispiece

The illustration which adorns the first number of our volume 24, will serve to introduce to **"Kennel and Bench"** readers, a born dog lover in the person of Mrs. Ryland H. New, of the Rycroft Kennels, Reg'd, Oakville, Ontario, and we trust that some day soon we may have this gracious lady taking an active part in our dog shows. Mrs. New is the wife of that noted sportsman, Mr. Ryland H. New, the owner of two King's Plate Winners, "Troutlet" in 1927, and "Aymond" in 1930.

Appearing in the illustration with Mrs. New is a group of happy-go-lucky-hooligans, Great Dane puppies of wonderful breeding, and of great promise as individual specimens, boned like young oxen, and as sound as bells. Really this group of puppies makes an inspiring picture. Mrs. New prefers to keep her Great Danes natural, and will raise them satisfyingly without the aid of ear cropping.

For sire and dam, the puppies we feature, have animals of the world's choicest breeding. "Rifraf of Ouborough," the sire, was bred by Mr. J. V. Rank, of the Ouborough Kennels, England, and is a son of "Ch. Ruffian of Ouborough," a son of "Ch. Ruffler of Ouborough," and out of "Ch. Ruth of Ouborough," by "Ch. Primley Perides," a son of "Ch. Rufflyn Regan," out of "Ch. Primley Nina." Surely this is breeding of the very best kind. The dam is "Roserea of Ouborough," and she was also bred by Mr. Rank. She is a daughter of "Ch. Ruffler of Ouborough," out of a daughter of "Ch. Bellovien of Ouborough," and we would frankly say that the puppies show their most wonderful breeding in every respect.

The Great Dane has found a staunch friend in Mrs. New, not only is she interested in the breed to the point of near adoration, but she loves them best with their natural ears, and probably they may never see our show rings, although there can be no good reason why uncropped Danes should not be shown and win. For companion dogs, and for estate protectors, Mrs. New believes that there is no breed better adapted for these purposes than the Great Dane.

When "Roserea's" first litter arrived, shortly after she reached Oakville, from England, they numbered nine, but two were none too welcome to the young mother when born, and it was right here that Mrs. New found she loved her Danes. The two little "outcasts" were retrieved from the nest and became Mrs. New's especial care. Armed with an eye-dropper, a supply of milk, and some good Scotch whiskey, the attempt to keep the two unwanted babies alive was started, and continued until they were strong enough to go back to their mother and take care of themselves.

"Roserea of Ouborough," bred to "Rifraf of Ouborough," has produced a litter of fourteen husky puppies, and at meal times no less than thirteen answer the call to dinner with alacrity, and with unfailing regularity. The comely "Roserea" had the assistance of a wet nurse to raise this last little army of Danes. This help was given cheerfully by a Collie sister who gave the best she had to offer to her adopted charges, and the devotion of the mistress, the natural mother and the foster mother is all showing in the fast finishing products.

We trust that Mrs. New will continue to sponsor the Great Dane. Surely those who stand behind our larger breeds are to be commended, because without this substantial support the larger breeds would soon become extinct.

Canadian National Exhibition Dog Show

IT is many years since we noticed as much enthusiasm at a Canadian National Exhibition dog show as was noticeable this year. Never have we seen any Canadian National Exhibition dog show as attractive or as inviting as it was this Fall. The floor of the building had been painted since last year, and the dust nuisance, complained of at that time, has almost disappeared. The interior of the building was so profusely decorated that one was compelled to recall that this was the Silver Jubilee Year. The attendance was all that could be desired each day, and this was a condition which became prominent as the large stock of catalogues reached the point of depletion.

There were several attractions which tended to make for a pleasing fixture. Possibly it would be quite unwise to try and rate such attractions for their strength of appeal, and so we make no such effort. However, there can be no gainsaying the appeal of the roster of Judges which had been chosen to sort out the dogs at this show. Mr. W. J. Nichols, of London, England, is possibly the ablest judge of dog flesh alive in the world today, and he had all breeds to judge with the exception of Cocker Spaniels, Boston Terriers and French Bulldogs, needless to say, Mr. Nichols' assignment was altogether too heavy for any one person in view of the great entry which rolled up beyond all expectations. The magnificent co-operation between the management and Mr. Nichols made it possible to follow the schedule of judging quite closely. This marked the first occasion that Mr. Nichols judged in Canada, and his work was acceptable throughout the three days of judging.

Mr. Ralph Craig, Albany, N.Y., was also adorning the Canadian "Woolsack" for the first time we believe, and this studious looking chap certainly gave each dog coming before him that measure of judicial attention which is said to be the perfect variety. Mr. Craig had a flattering entry of 57 Cockers, and when he comes back to Toronto, he will be made very welcome, we feel sure.

Mr. Vincent G. Perry, London, Ont., had an entry of over 30 Bostons to take up his attention for a while. Some day soon we hope to see an entry of around 100 Bostons come before a judge of Mr. Perry's calibre. This chap has bred champions, and he has bought and sold plenty of good ones, so there is no good reason why he should not draw a bumper entry wherever he may be chosen to "don the ermine."

Mr. Rudy Vallee, the world's best crooner, and the ace attraction of this year's Canadian National Exhibition had his good pal dog, "Himmel", entered for competition, and when "Rudy" had time to pay his respects to "Himmel", the whole show was theirs. Mr. Elwood Hughes and Mr. Vallee visited the dog show several times, and on each occasion they had great difficulty in navigating the several commodious aisles of the dog show building, however, both seemed to enjoy the experience and Mr. Vallee very kindly surrendered to a large group of autograph collectors which seemed to drop out of the clouds. "Himmel", by the way, won for best of his breed, and was ably handled by Miss MacPherson, Toronto.

The Obedience Tests staged by the German Shepherd Dog Club of Canada on the Tuesday and Wednesday evenings held the interest of hundreds of spectators, proving beyond all doubt the popularity of these tests as a dog show attraction. The audience was most generous in their applause, and were quite sympathetic towards the dogs which were being tried out for the first time before the public gaze. A dozen dogs were entered, and nine of these actually competed, and of the nine such dogs as "Bluey", "Tilly", "Gai", "Jill", "Von" and "The Baron" are quite capable of offering entertainment of real merit.

The thanks of Canadian fanciers are due the management of the Canadian National Exhibition for this year's very complete show, and it is said that next year further attractions will be sponsored, and further inducements offered in order to bring the dog show up to the high standard of every other feature on the exhibition grounds. Mr. A. A. Macdonald, the chairman of the dog show committee, is an experienced dog fancier himself and his "Aldon" prefix was famous on this continent when attached to Wire and Smooth Fox Terriers some forty years ago. Only our older fanciers will remember "Aldon Praetor" ("Warren Safeguard" ex "Venoya"), "Aldon Swagger" ("Ch. D'Orsay" ex "Dusky Pearl"), and the many other Aldon Fox

RUDY VALLEE AND HIS DOBERMAN PINSCHER "HIMMEL"
and how those two love each other.

Terriers registered in the early Stud Books, where about a dozen registrations per year was considered big business. Mr. Macdonald has never been out of touch with our Canadian dog shows, and he is desirous of stimulating interest to the extent of his influence.

This influence was, no doubt, responsible for bringing the President of the Canadian National Exhibition, Col. F. H. Deacon and his good lady into the ring when the Variety Classes and Best in Show Class were being judged. Other visitors to the ring as the show came to its close were, Mr. Rudy Vallee, who presented the prizes to the Obedience Test Winners; Mr. Elwood Hughes, the General Manager of the Exhibition; Mr. and Mrs. Wm. Inglis and others. What is the most pleasant of all our reflections is the thought that all our visitors spoke very highly of the dog show.

A word of praise is due to the Superintendent and his staff of stewards, they certainly tackled a great responsibility courageously, and saw it through to a most successful finish.

Bostons at the Canadian National

By Judge Vincent G. Perry,
London, Ont.

Toronto is always very kind to me in the way of entries. I have judged my favorite breed in the Queen City five times in less than eleven years and upon each occasion I have been honored with the best the country had to offer, but on no occasion have I found a finer lot of Boston Terriers than at the 1935 Canadian National Exhibition, particularly does this apply to the female classes, where there were at least six bitches good enough to become international champions.

In males it was no hard task to select "American Ch. Rockefeller's Ace" from the lot. This dog, in my opinion, is one of the six best Boston Terriers in the world today and if I were to make up such a list he would certainly be named on it. He is a showman to begin with, a beautiful mover, well-proportioned with a splendid body, and a head that has remained marvellous since the first time I saw him and then he was just a puppy in the nest. This dog is destined to do the breed a lot of good.

Second to "Ace," and just as far from the other dogs as "Ace" was from him, was B. W. Hamilton's, Toronto-bred, "Fireside King 2nd." One must know their breed to appreciate this good dog who has been knocking at the door for about four years longer than it should have been necessary, due only to the fact that he was a golden brindle that is not much favored by judges who forget that the standard allows any combination of white and brindle or white and black. He has also been criticized by those who hoped to beat him for having slight scars on his eyes from distemper ulcers. These scars, almost obliterated by the perseverance of an owner who has shown rare courage and tenacity, have taken nothing away from the dog's expression, and his sight is sound. He was the best fronted male in the show, moved as well as any one of them behind, possesses a well turned, stylish body, a beautifully arched neck of proper length, is a dog of excellent skull and outscored the dogs under him in muzzle. I was happy to be able to award the win to this dog, a champion when he appeared under me again at London the week following the Toronto show, when the competition was lessened by the absence of "Rockefeller's Ace," who went home to his owner, W. C. Ely, Terre Haute, Ind., an international champion.

Mrs. M. Steven's "Jubilee Centennial Boy," second to the Reserve Winners dog in his classes, was among the first five dogs, by right of his attractive markings, level top-line, good skull and general conformation. Paddy Bough's "Paddy's Wee Sam" accounted for the lightweight class where he out-showed and out-moved the more attractively marked "Mac's Junior," owned by C. McQueen, of Hamilton; both dogs had lots to recommend them. A pleasing puppy from the O'Kay Kennels was "O'Kay Watchme," a quality little fellow that I most certainly will watch with interest.

The real joy of the whole show were two puppy females. The first to attract me was a little peach owned by Wm. Blum, of Toronto, and named "Susan of Riverview." What she lacks in size she makes up for in quality and type, being extra good in front, head, body and markings. Had she been seven months old (instead of eleven, I would have been tempted to put her at least as high as Reserve Winners, but other judges who are a bit kinder to the toy type of Boston will no doubt find her and she will soar to the top before many shows have gone down in history. The second puppy to create a sensation with me did not appear until the lightweight classes, as she had a less worthy sister in the puppy class, but she was worth waiting a few classes for. I don't know when any female of our breed has impressed me more than Mrs. R. E. Lipe's "Bonnie Kaye," who at ten months old went to best female in this show among a class of bitches that rarely get together on either side of the international boundary line. Her head is a study of the standard, yet sweetly feminine. Her neck is beautifully arched, her front refined and of beautiful round bone and despite an occasional tendency to stand wrong she can stand as well as any of them as she proved to me when I had an opportunity to judge her a second time. She had the best hind action of any female in the show, true as they can make them behind. She could be shorter in back and needs the spring age which will bring her in rib, but these are very minor faults in a bitch and detract very little from her general appearance, which is "style" all over. Even in this show, where good eyes and expression were abundant, her lovely placement of eye and sweet expression stood out. A bonnie Boston indeed!

My Reserve Winners bitch was another new face to me, Mrs. M. Steven's "Jubilee's See Me Go," overabundantly marked in the eyes of some but correctly marked from my viewpoint and a most stylish little female. Better than most in head, yet not approaching the winning female there, she is nicely ribbed up, and was another of the good fronted ones in this division. The same owner's "Steven's Play Girl," one that I much admired when others judged her, did not impress me as much as usual on this day, but only a good bitch could have beaten Mason and Healey's "Mason's Dolly Dimples," who had to take third in the class with "Bonnie Kaye" and "Steven's Play Girl." Here was another beautifully marked bitch, also good fronted and excellent in body points, and better than average in head. Any one of these bitches were of championship calibre, as is also Clare Hammett's "Rock-around Patsy Jane," who accounted for the middleweight classes and is one of the best of her size out today. Mrs. Martha Stevens should be commended for the new faces that she constantly brings to the show ring, always typical and usually bred in her own kennel or sired by one of her many stud dogs.

As a matter of fact the Canadian entrants were noticeable for being homebreds and the thought that I have had in recent years that the breed was suffering a serious setback in Canada was completely dispelled by the entrants at this show.

BOOSTING THE ENGLISH SETTER

Mr. Joseph Maski, Toronto, was rather disappointed when an expected litter of English Setters by "Ch. Pilot of Crombie" failed to turn up on time, but Mr. Maskin says that it is only a pleasure deferred as far as he is concerned and "Pilot" will get another chance to help the cause that he represents, and hopes that "next time" there will be a different story to tell.

A nice litter of fashionably-bred youngsters, sired by "Mike of Brimore," a splendidly bred dog, ex "Lady Myra of Glen Grove," a beautiful blue belton daughter of "Marvel of Crombie" ex "Roxy of Happy Valley" are advertised for sale in this issue of **Kennel and Bench.**

Mr. Maski intends enlarging his kennels with a view to breeding some better than the average English Setters for the show bench, and for the working field.

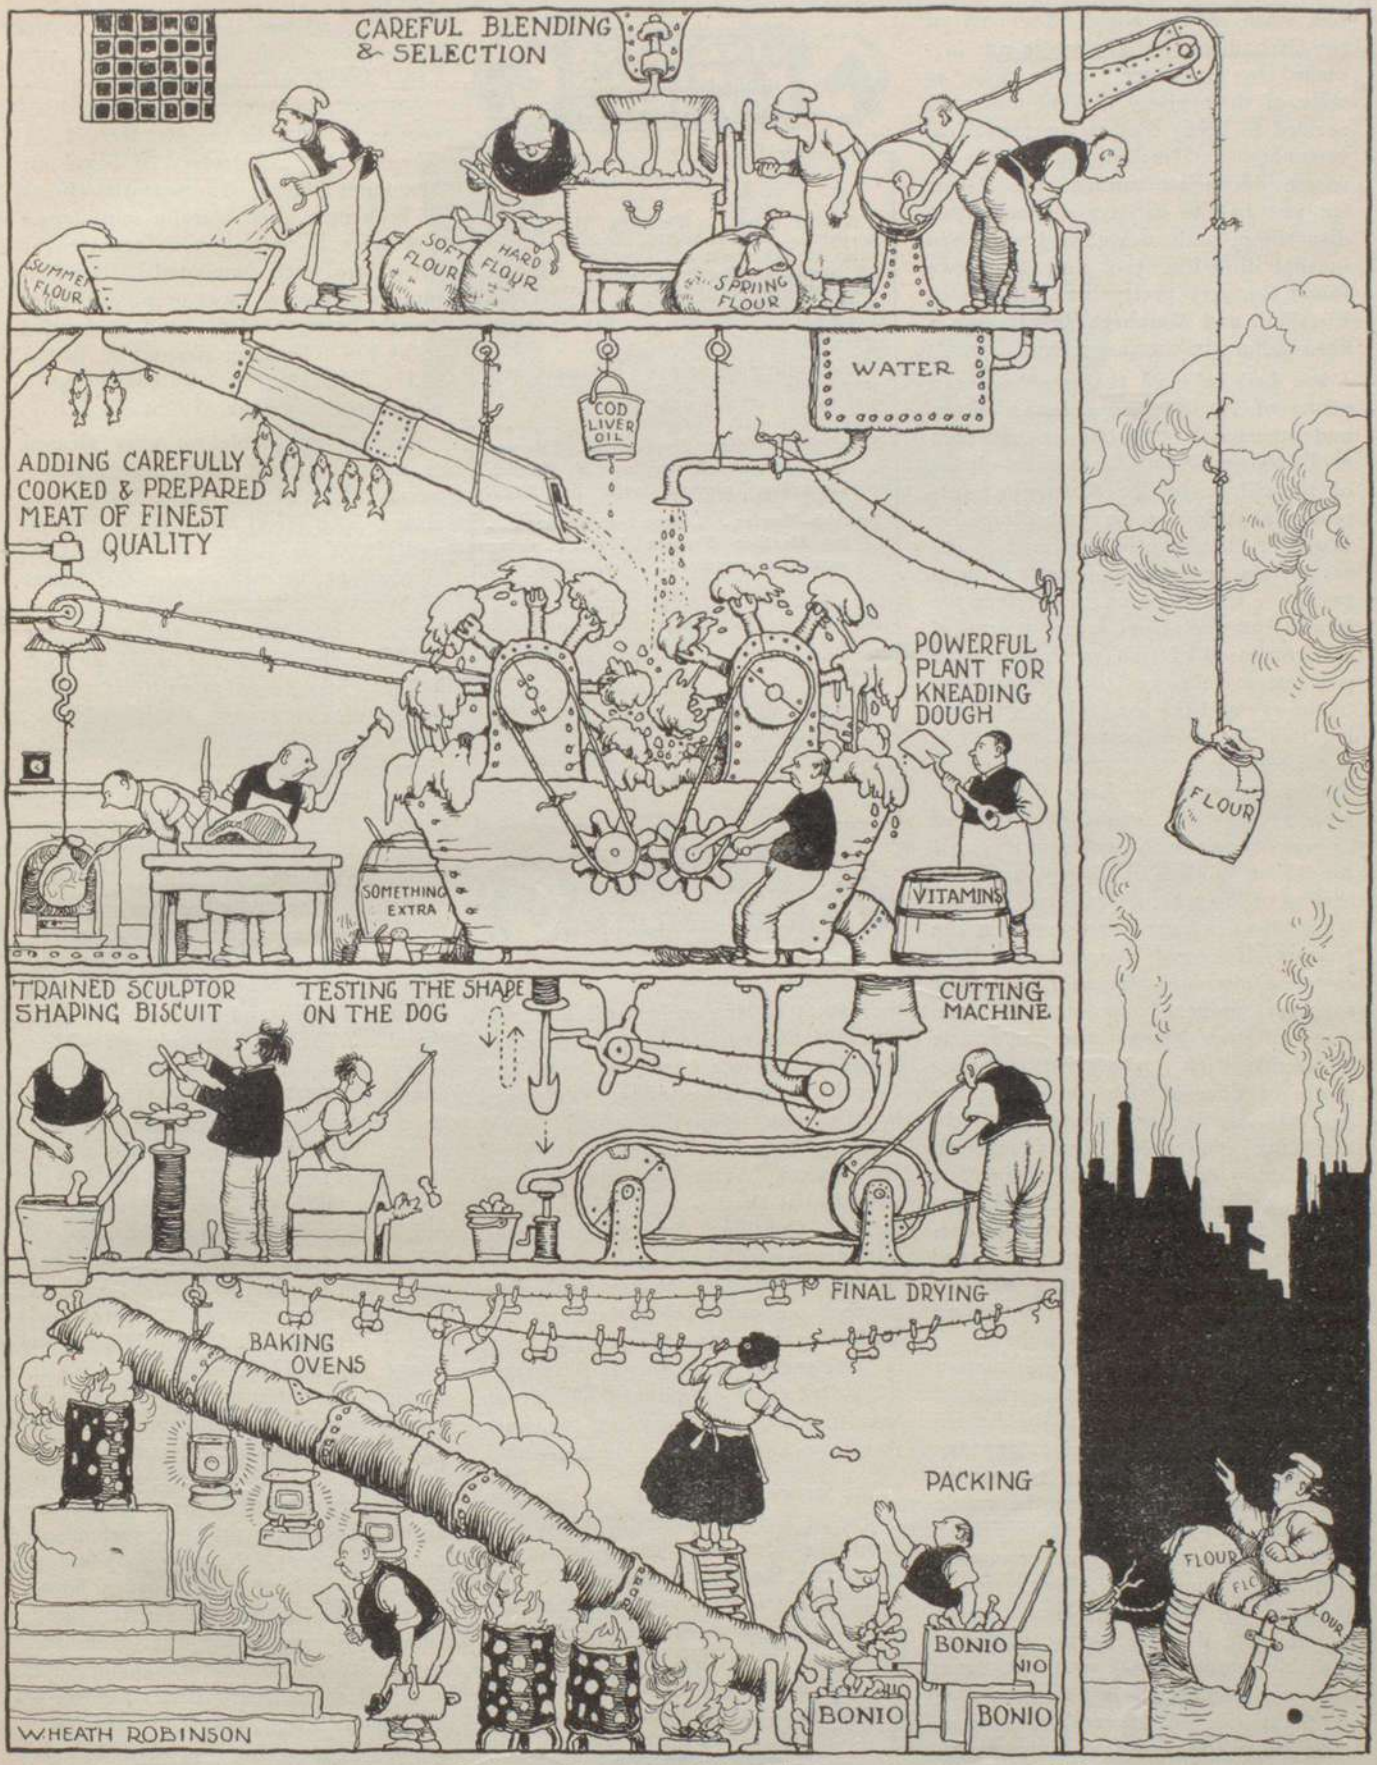
Cross Country News Hunting

A FRIEND of **Kennel and Bench** suggested to us the other day that our caption was all wrong and that it did not fit the subject appearing beneath it. Perhaps he was right at that, but we will let it go for the present anyway, as we certainly did cross "Land and Sea" to get our copy. Our education concerning the actual manufacturing of dog foods had been strictly confined to what we had read on the subject plus a visit to the progressive Ross-Miller plant at Napanee, Ont., some years ago, and so it was quite fitting that we should set aside one day for a visit to Poplar, on the banks of the Thames, and to the very heart of Spratts' Patent, Limited, itself. Mr. Crawford was to have furnished the wherewithal for the satisfaction of our hunger after knowledge concerning the general happiness of dogdom, but this stalwart of Spratts' House was obliged to be away at the time of our visit, but we did not suffer much on account of that, our guide was happy to explain Mr. Heath Robinson's chart, which had appeared in the "Tail-Wagger" magazine in October, 1934, issue, a chart that had intrigued the writer at that time, and which we now reproduce in this issue of **Kennel and Bench.** The chart is an exaggeration, of course, nevertheless it does tell the story rather completely. . . On the top floor, which is the fifth storey up, the flour is received from the barges below, these flours come from all parts of the British Empire, the flour from Australia giving color, the flour from Canada giving strength, and the English flour giving flavor, the whole being carefully blended so that our dogs may enjoy their food. . . We had tuned our rather delicate nostrils for an introduction to the beef department, but even there we were disappointed, as the meat used at Spratts comes in highly concentrated form and contains 55% of protein, all the other materials were fresh and inviting. . . The mixing room was intensely interesting and everything was done on a methodical scale. . . The kneading and rolling machinery was a revelation to the writer because of its wholly automatic operation, from a first thickness of about three inches this mechanical rolling proceeds until the dough is about one half inch thick, or the thickness required for the finished biscuit; this is fed to the cutting or stamping machinery, and we openly marvelled at the magnitude of these operations. Imagine if you can the cutting and feeding which we have tried to describe, then as the scrap is carefully taken up away goes the "ovals", the "Bonios", the "Puppy Cakes", the "Dog Cakes" into the gas heated ovens, not one single mishapen cake ever allowed to enter the ovens; to watch the dough that is left after the cutters stamp out the cakes of all sizes and shapes is to stand amazed, every scrap is cleanly redeemed and passed back to the mixers again. . . Like many others, we were of the opinion that the several varieties of kibbled biscuits were simply broken cakes crushed and screened, but such is not the case, every food bearing the famous X is baked specially for its own particular field. Have that in mind when you handle Rodnim, Alsax, etc. . . Several cakes were sent through the long gas heated ovens bearing the legend "J.D.S." and smart like we felt that we would never see them again, but we did, and that without fuss or trouble. . . Out in the labelling room we found expert fingers filling cartons, and for the warmer climates hermetically sealed tins were used instead of the cartons familiar to Canadian users of the Spratts products. . . Foods for cats, for birds, for fishes, for everything in the whole world of pet life. Stimulants, pills, vermifuges, oils, combs, brushes, leads, collars, and the good Lord only knows what all. . . The day was hot, and this excursion of ours gave use to the idea, that if the worst comes to the worst many will feel the heat more than we do. . . From the mammoth ovens there came 80 tons of dog cakes per day. . . A dog cake as it comes from the oven breaks easily; a properly dried out cake that has passed the skilled testers will pack whole and travel far without breaking. . . The shipping room is a veritable bee-hive and here packages of all sizes are stacked up in long rows and labelled to all parts of the world. . . It was hard to believe that 65 years ago the late Mr. James Spratt first invented his meat-fibrine dog cakes, and that his rental at that time only amounted to £1 os. 6d. a week.

Really the red letter day of our sojourn in England was Monday, June 24th. We had been advised that a Dinner of Welcome would be given to the Secretary of the Canadian Kennel Club by the committee of the Kennel Club. Other honored guests were Mr. S. T. Lethbridge, Chairman and Managing Director of Spratts Patent, Limited, and Captain H. E. Hobbs, the Founder and Honorary Director of the Tail-Waggers' Club. . . Representing the Kennel Club were Mr. G. D. Howlett (Chairman of the General and Show Committees), Mr. A. Cornish-Bowden (Honorary Veterinary Surgeon to the Kennel Club), Mr. E. Royston Mills (Chairman of the Executive Committee and Vice-Chairman of the General Committee), Mr. E. G. Oliver, Mr. Holland Buckley (Chairman House Committee), General Lord Roundhay, Squadron Leader Cecil Wright, Mr. E. Holland Buckley, the Assistant Secretary, and Mr. H. T. W. Bowell, the Kennel Club Secretary. . . The writer had no idea that it could be possible for Mr. Howlett to be as familiar with the functioning of our Canadian Kennel Club as he proved to be in his address of welcome. Here he specifically referred to the spirit of co-operation which had prevailed between the two Clubs for a long period of time, and particularly mentioned the several personal contacts which had been made from time to time at Westminster Kennel Club shows where the officers of the two Clubs had had an opportunity of meeting sometimes. Mr. Howlett very kindly expressed the hope that he would have other opportunities of becoming more friendly in the future as a result of the very welcome visit of the Secretary of the Canadian Kennel Club. Other officers of the Kennel Club spoke in equally kindly terms. . . The dinner and the accompanying wines were both very choice indeed, and a very happy evening was the result. We cannot imagine the kennel clubs of the United States or Canada being run on the same lines as the Kennel Club of England, but we did gather the impression that the latter organization enjoyed the confidence and respect of its people to a greater degree than either of the canine governments on this side of the Atlantic.

We were surprised when we were informed that the Kennel Club owned its own premises, and we take pleasure in showing our readers "84 Piccadilly." Near the right of our illustration, and above the doorway you will notice a fine Pointer, and if ever you are in London and get to this spot you must go inside and introduce yourself; the social side of the Kennel Club will take care of you if your credentials are acceptable. Here is the home of the Kennel Club in England. The organization is complete in every respect.

One of the most spectacular days was spent at St. James' Palace grounds on Friday, June 28th, at noon, when the Duke of Connaught and Strathearn, K.G., inspected the King's Body Guard of the Yeoman of the Guard. The invitations sent to Mr. and Mrs. S. T. Lethbridge, Capt. and Mrs. H. E. Hobbs and the writer by General Lord Roundhay were certainly appreciated.



Making dog biscuits as Mr. Heath Robinson thinks they should be made to meet the requirements of the modern dog.

. . . The occasion was the 450th anniversary of the foundation of this distinguished body of men. The average height was 5 ft. 11½ in., the average weight 252 lbs. (approximately), and the average age about 62 years. On each breast there hung several medals which bespeak of acceptable service on the part of each one of the hundred men appearing in their Tudor uniforms for inspection. We regretted to notice that the venerable Duke of Connaught was showing his advancing years. . . Every eye found Sergeant Bryant, a man 6 ft. 5 in. tall, and weighing 228

lbs., once of the King's Company of the Grenadiers. . . The music was furnished by Grenadier Guards, who, in spite of their heavy looking uniforms, seemed to be as cool as the proverbial cucumber. . . Noticing an orderly invasion advancing towards the Palace we just had to satisfy our inquisitive disposition, and so we hied ourselves in that direction, too, and there we found the very pretty little Princesses Elizabeth and Margaret Rose taking a keen delight in the inspection.

We had believed that we had seen plenty of Tattoos before, both military and otherwise, but what we had seen as Tattoos must only have been whelps of the Silver Jubilee Tattoo we attended at Aldershot on June 22nd. No words of ours may be expected to describe this never-to-be-forgotten spectacle. . . Can our readers visualize the largest massed band ever assembled and composed of 1,500 musicians. Can you imagine the soul thrilling reaction to the eye and the ear seeing and hearing this Tattoo in action? . . . The promoters built the spectacle around the predecessors of King George V, whose reigns had reached the span of 25 years requisite for inclusion amongst the Silver Jubilees of history, exclusive of that of his present Majesty. . . Five Royal Houses were represented in the pageant—Norman, Plantagenet, Lancaster, Tudor and Hanover. . . As if specially prepared for the Toronto representative was the spectacle "Cuidich'n Righ", which is the Gaelic motto of Clan MacKenzie and of the Seaforth Highlanders, and means "Help the King". We shall always cherish the memory of the "Cuidich'n Righ". . . After the Tattoo at Aldershot it is customary for the tens of thousands attending to have a midnight picnic, and this is something else that we can heartily recommend to those intending to visit England any year in June. . . One mail brought us the information that we had been granted the privileges of the Kennel Club, and of the British Empire Club for the period of our stay in England, and we began to wonder who on earth was carrying the magic wand around; we had not anticipated such a variety of attention, or such a plentitude of kindness. . . That is right! We have not said much about dogs so far, but we did see plenty of them, probably around 3,000 of them, some good, and plenty not just as good, but on the whole our several visitations were more or less associated with dogs. . . On June 29th we attended the 1166th meeting at the Empire Stadium, Wembley. This plant has been called "The Ascot of Greyhound Racing", and when we tell you that there is seating accommodation for 40,000 people you will readily visualize the extent of this enclosure. This was our initiation to Greyhound racing and it did not take us long to learn how to make an honest shilling. We played hounds like "Gilly Flower", "Gold Bugle", "Winning Banner" and "Playful Artist". What we should have played—but that is another story altogether. Our host, Capt. H. E. Hobbs, is the owner of the Greyhound "Albion Bombadier" and of course we had to go and see our own Hound run at Catford track several times. This sport is quite speedy at all times. The races are called every 15 minutes, and if you have to "cash" and "play" on each race you have to step lively enough.

The proper place for a Canadian visitor in London on the first of July is at the Dominion Day dinner at Grosvenor House. Here you will find Britishers gathered together from the centre of the Empire to the circle of its circumference. The Honorable G. Howard Ferguson, K.C., LL.D., High Commissioner for Canada, received the visitors, and was the chairman of the evening. . . The Rt. Hon., The Lord Chief Justice of England, proposed the toast to "The British Empire", and response came from the Rt. Hon. J. H. Thomas, M.P., Secretary of State for Dominion Affairs. The oratorial efforts of both men were literally scintillating and were a revelation in repartee as far as we were concerned. "The Dominion of Canada" was proposed by Sir Josiah Stamp, G.B.E., and responded to by Col. The Hon. Herbert A. Bruce, M.D., F.R.C.S., the Lieutenant-Governor of the Province of Ontario.

At the head table we were pleased to notice The Rt. Hon. Lord Greenwood, K.C., Col. The Hon. Herbert A. Bruce, The Hon. Mr. Justice Masten and Mr. W. N. Tilley, K.C. Capt. H. E. Hobbs and the writer were the guests of Mr. W. L. Ketcheson, London, but late of Belleville, Ont., and to further celebrate the "First of July" our host indulged in a long chat with his mother in Canada by transatlantic telephone. Since then Mr. Ketcheson has come to Canada on a vacation.

We promised to take our readers along with us to the world famed Theatre Royal, Drury Lane. The host and hostess is Mr. and Mrs. S. T. Lethbridge, and the invited guests are Capt. H. E. and Mrs. Hobbs and the writer, and now we are altogether. The play is "Glamorous Night", musical, it was devised, written and composed by Ivor Novello. The leading lady was Miss Mary Ellis, and although we have always loved the legitimate theatre we have never heard a more glorious singer, who, at the same time was a marvellous actress. Mr. Novello played his part perfectly. Mr. Barry Jones and Mr. Lyn Harding were both splendid. We could easily imagine that scenes 6 in the first and second features could only get justice on a stage of the dimensions and possibilities of Drury Lane. The story—oh yes; it was just the old story of the Prince of a neighboring kingdom summoned to marry a Princess whom, strange as it may seem, he has never seen before. In the grounds of the Palace the Prince meets a shepherd girl who, instead of looking after sheep, spends a "Glamorous Night" in the garden, but—it's all right—she **is** the Princess, and much to everyone's joy, the lovers are betrothed. No wonder Londoners are proud of their Drury Lane Theatre—marvellous! . . . Probably we have strung this story far beyond the bounds of interest, however, we have still to tell our readers about the Richmond Championship Show, Aldershot Open Show, and the Caledonian Canine Society's Open Show at Edinburgh, and other little odds and ends which may be of interest.

The Kennel Club—Here the visitor is apt to find dog fanciers from the far corners of the earth. "84 Picadilly" represents the foundation of organized dogdom. Established April, 1873. It is more vigorous today than at any other time since its inception.

On the left of the illustration our readers may notice the Pointer over the doorway at the entrance to the Kennel Club, and on each of the doorway pillars they will notice the legend "84 Picadilly".

ONTARIO BIRD DOG ASSOCIATION ELECTS OFFICERS

The Ontario Bird Dog Association elected Col. W. H. Singer, Niagara-on-the-Lake, as its president for the 1935-36 season.

Other officers elected are as follows: First vice-president, A. L. Johnson, London; second vice-president, G. G. Vincent, Port Nelson; third vice-president, Norman Brownlee, Ottawa; secretary-treasurer, G. W. Boag, Woodstock, and recording secretary, Lillian Baines, London. Members appointed to the executive committee are as follows: C. W. Meakins, Hamilton; Ernest Weld, London; Wallace Brown, Toronto; W. D. Elliott, Owen Sound; E. R. Miles, Windsor; Major B. C. Ball, Hamilton; H. S. Easton, London; Dr. H. Cotton Bliss, Toronto. Judges: S. M. Costello, Goderich; J. E. Hancock, Leamington; E. McCoy, Hamilton; A. H. Reynolds, London, and Charles Kennedy, Comber.

The association consists of prominent Ontario sportsmen and is interested in the running of field trials for Pointers and Setters and also in the propagation of game birds.

It was announced that the first fall trial will be held on October 6th, when an all-age shooting dog stake will be run at Colonel Singer's farm at Niagara-on-the-Lake. Competition will be for the V. E. Green trophy.

Pelee Island will be the scene of the annual field trial of the association on October 21st and 22nd. This meet will consist of an open all-age shooting dog stake for the Meakins & Sons' trophy and the Ontario shooting dog stake championship, open to all members residing in Ontario. The trophy for this event is awarded by Mr. Taylor, deputy minister of game and fisheries.

Ozark Ripley, internationally known sportsman and field trial judge, has been secured for the judging staff for the Pelee Island trials. He will be assisted by Fred W. Jefferies of London and Lewis E. Alderich of Birmingham, Michigan.

A special boat will leave Kingsville at 2 o'clock on Sunday, October 20th, for Pelee Island. For further information about trials, communications should be directed to George W. Boag, secretary-treasurer, 122 Vansittart Ave., Woodstock, Ontario.

SMOOTH KENNEL DEVELOPING

Not long ago a serious minded chap named Ian Breakey, down at Breakeyville, P.Q., became interested in Smooth Fox Terriers. Mr. Breakey was a novice and didn't care very much who knew it, but he has made good use of his time, and at present he is the owner of 21 specimens, and of these 16 are puppies. A youngster of his own breeding, "Breakeyton Freckles", has been at the shows recently and has made a very nice impression on the several judges he has come before. At Toronto (Canine Breeders' and Exhibitors' Association) he won 1st Puppy, 1st Novice and Reserve Winners. At Bedford Kennel Club Show on July 1st he won the Canadian-bred, Limit and Open classes and on to Best of Breed, walking over a champion in his stride. At Central Canada this smart youngster again went to Best of Breed, and this time took the measure of an American-owned champion.

Besides "Breakeyton Freckles", Mr. Breakey owns one imported bitch which he secured from Mr. Geo. W. Bailey, Ottawa, and another which he purchased himself from Mr. L. C. Wilson, England, this spring when he was in the Old Country. The first one, "Drungewick Drift" ("Ch. Chosen Don of Notts" ex "Ch. Avon Snowflake"), whelped a litter of five by "Solus Ajax" (imp.), he by "Ch. Farleton Flavian", on June 5th, and the second, "Lapping Wavelet" ("Ch. Homestead Aristocrat" ex "Leaping Wave"), whelped a litter of eight by "Bytown Freckles" ("Haven Spotlight", imp., ex "Bonadale Molly", and she by "Ch. Danby Mogul", on July 14th.

It looks as if Mr. Breakey will add further strength to the ranks of the faithful followers of the Smooth cult and probably he will try conclusions with his fellow competitors at the National Kennel Club Show next month.

TWENTY-FOUR AIREDALES AT C.N.E. SHOW

Did you notice that old-time showing of Airedale Terriers at the Canadian National Exhibition Dog Show? That particular entry was very encouraging and seemed to suggest that the depression was over or that a revival of interest in the largest of the Terrier breeds had set in at last. Not only was the entry large, but the quality was really good.

Mrs. Kenneth D. Marlatt of the Aldon Kennels, Reg'd., Oakville, Ont., benched seven, and Mrs. W. H. Humphries, Richmond Hill, Ont., benched seven; the former garnered in the prize for Winners Bitches and Best of Winners, and the latter collected the prizes for Winners Dogs, Reserve Winners Dogs and Best of Breed.

Mr. Sid Perkins of the Rockly Kennels, Reg'd., Toronto, although not an actual exhibitor himself, was interested in following the fortunes of the progeny of his Rockly sires.

Dr. and Mrs. Dick of Minneapolis were Airedale enthusiasts in the "good old days," and both are convinced that the breed is fast coming back to its "place in the sun" quite consistently, and because of that belief they have bought a pair of bitch puppies from the Lamorna Kennels of Mrs. Humphries on account of their "Walnut King Nobbler" blood.

Our transfer records show that all the principal Airedale Terrier breeders must be very busy selling their surplus stock; not only that, but we notice that their market is a large one, several going as far as California. Japan is a probable market, too, but as far as we know there have been no Airedales leave Ontario for Japan, but enquiries usually lead to sales and the Japanese market should be given consideration and attention.

CANADIAN JUDGES FOR WESTMINSTER

The judging slate for 1936 Westminster Kennel Club Show has been released, and we notice two outstanding personalities chosen from Canada which have been given very important assignments. The Honorable Mr. Justice McFarland, Toronto, will adjudicate in the Bull Terrier ring, and the versatile Mr. W. Ormiston Roy, of the noted Coila Collie Kennels, Montreal, will officiate in the Collie ring. Both those judges will draw large entries, because both men are experienced breeders, and as such both are well qualified to "wear the ermine" in any judging ring where their respective breeds come together in competition.

FEATURING THE SHOW AND WORKING DOG

The Eastern States Exposition at Springfield, Mass., always arranges for a special appeal for its dog-loving followers, and this year we find that arrangements have been made to hold a competitive sheep driving contest in the Coliseum between the hours of 3 o'clock and 5 o'clock on Friday, September 20th, then on the following day an all-breed show will be held under American Kennel Club rules. Mr. Milton Danziger is the Assistant General Manager, and of course, he is also the very capable President of the Dog Writers' Association.

THAT WHITE COCKER SPANIEL

Page 11 of our September issue introduced the question of the White Cocker ever having been produced, and apparently the suggestion has caught the eye of Mr. Herbert J. Cox, Redcliff, Alta., who hastens to advise us that he owns a white female Cocker, who is now seven weeks old. There is a pair of very pale ears to mar the otherwise wholly white specimen, but that is plenty of white to justify a concentration of breeding plans with a solid white as a final objective.

A BOWLER'S PARADISE

The Athenaeum Bowling Alleys at 14 Queen Street E., Toronto, have always enjoyed a splendid following of ladies and gentlemen participating in bowling for sport or for exercise. Here you will find the individual or team spirit at its very best, but attractive as the Athenaeum Alleys have always been, a new attraction, with an especial appeal to dog fanciers who enjoy bowling, Mrs. Tom Grimshaw, of "Benson Kennels" fame will be in charge of the Cafeteria there, so that in future Toronto downtown bowlers may enjoy their eating and their bowling under the Athenaeum's inviting roof.

The ladies may add to their bowling pleasures by having tea cup readings by the celebrated Madame Campbell, who is the seventh daughter of a seventh daughter. Madame Campbell will be at the Athenaeum tea rooms from 2 p.m. until 6 p.m. each business day. Yes, indeed, there is an elevator service, too.

HONOR FOR TORONTO SPECIALTY JUDGE

When the first specialty show of the Bulldog Club of Greater Cleveland is held at Cleveland, Ohio, on Sunday, October 13th, it will be found that Reg. P. Sparkes, of the famous "Kamel" Kennels, Toronto, will be the "first man" in the ring. This appointment is a great honor indeed and we feel reasonably sure that Mr. Sparkes will recognize it as such.

COCKER BEST CANADIAN-BRED AT OTTAWA

The black and white parti-colored Cocker Spaniel, "Enright's Pickles," bred by Mrs. J. H. Enright, Montreal, P.Q., was returned the winner of the Canadian Kennel Club Cup for best Canadian-bred dog or bitch at the Central Canada Exhibition under Judge Mr. Bert Swann, Toronto. This good win emphasizes the placing of "Pickles" at the Cocker Spaniel Club of New England Specialty Show held at Boston last November by Judge Mr. James Anderson, of Paisley, Scotland.

LEN BRUMBY WINS BEN F. LEWIS MEMORIAL

To likeable Len Brumby, president of the Professional Handlers' Association, falls the credit of having scored the most points in connection with the $100 Benjamin F. Lewis Memorial, offered by the Troy Horse Show Association for 1935. Len led the nearest contention by 16 points. This cash prize will be paid to the agent or kennel winning the award for three years. The Norka Kennels had the distinction of winning the 1934 honors.

OUR SECOND VICE-PRESIDENT IN TORONTO

When Mr. Wm. H. Pym, our esteemed second Vice-President arrived in Toronto, from Vancouver, on Wednesday morning, September 4th, and phoned to say "Hello, James," it made the morning just a trifle more inviting to start the day's work. Mr. Pym carries an enthusiasm around with him that is at once infectious and stimulating.

In company with our first Vice-President, Mr. Wm. Stockdale, and Mr. Pym, we shipped off to Orillia and Huntsville, the "happy hunting grounds" of both men some 25 years ago. That both were popular individuals "up north," was demonstrated wherever they chanced to present themselves. In our travels we visited the "Of Barrie" Cocker Kennels of Mr. R. (Dick) Hepplestone, and looked over the many breeding and show Cockers domiciled there. A visit to the kennel where the Canadian National Exhibition Best in Show dog eats his dog cakes at Port Hope, Ont., was another pleasure we indulged in, and there we found Mrs. D. E. Thomas still enjoying the thrill of the greatest win that she had enjoyed throughout the entire course of her doggie career. The two "bob-tails," "Ch. Mistress Fay of Pastorale," and her son, by "Ch. Snowflake," "Peerless Roddy Boi," were both eager to "show off" for their visitors.

Other really high-class dogs that we were privileged to look at were the typical Pekingese, "Wee Togs of Tum Tum Hoting," owned by Mrs. Fisher, Huntsville, Ont. This dog won 3rd (Red or Red Brindle, male) at the Pekin Palace Specialty Show, under W. W. Brown, Montreal, in 1932, but he looked a real winner when we saw him on Tuesday, September 10th, as he walked out of his kennel on to the lawn. Then there was a smart St. Bernard that had lots of breed type and character plus lots of weight that it could shed to great advantage. Mr. Christenson advised us that the dog was easily cared for as far as his feeding was concerned, however, the fact remains that this good specimen was carrying altogether too much avordupois for his general welfare. It seems to be a hardship on the St. Bernard breed to have a dog of this quality, and not to be making the most of him as a stud proposition.

FEEDING NEEDLES TO HUNGRY DOGS

We frankly detest the dog poisoner and have always felt that next to him for low down cruelty was the chap who would feed ground glass to a dog; but we are always learning the older we get. Up Ingersol way the dog poisoner has been practicing his nefarious calling recently, but someone with a kinked brain there has been feeding bread and grease with small needles mixed in the mess and feeding it to hungry dogs.

Reading the account of the above coming to work on a street car recently, we referred the paragraph to a fellow passenger, and his reaction to it was the following blast of words: "May the Lord strike a hump on that guy's back as big as the Hamilton mountain." We do not go as far as that, but if such a thing ever did happen we can't imagine our losing any sleep about it.

WELL KNOWN WESTERN FANCIER DEAD

Thanks to Mr. J. A. H. Irving, our British Columbia director, we have advice regarding the death of Mr. Malcolm McCraith. The late Mr. McCraith was associated with the Canadian Kennel Club as a member since 1914, and was well known in Western Canada. Mr. McCraith was found dead in his stateroom on S.S. Princess Mary, when that vessel docked on Saturday morning, August 31st.

The funeral was held on September 5th, and once again our members showed their loyalty in times of trouble when they took up a collection, and sent a beautiful wreath in the name of the members of the Canadian Kennel Club.

From a newspaper clipping we learn that our late member was a son of Sir James McCraith and the late Lady McCraith, of England.

ENGLISH POM FOR OTTAWA

Mrs. G. G. Thompson, Ottawa, was a visitor to several of the larger English shows held recently. We noticed her at Richmond Championship Show, and in her arms she was chaperoning the winning Pom. It was easy to see that Mrs. Thompson's mind was made up to take something good back to Canada with her, therefore we are not a bit surprised to learn that she brought back the orange colored, ten months old "Billie Blackacre", a nice short-backed little specimen of splendid quality; in fact Mr. Chris Houlker has declared that "Billy" was an exact duplicate of that noted Pomeranian, "Old Bill of Blackacre"; so if Mr. Houlker has been correctly reported, "Billie Blackacre" should be a valuable asset, not only to Mrs. Thompson but to the Pomeranian fancy in general.

Christmas Number
- OF -
Kennel and Bench

We have aimed at one hundred pages for our Christmas Number for a long time now, but with the depression now behind us, and an awakening market that is positively with us now, we should reach our objective this year. We will if we have the co-operation of our readers!

The preparation of this special number is well in hand, and already we have sold several preferred positions such as the outside front cover, and the inside centre spread, but an objective involving a possible one hundred pages leaves plenty of the choicest locations available for those who will name their requirements as soon as possible.

There will be no increase in our advertising rates and our rate scale appears each month on page three of **Kennel and Bench.**

Get some good photographs before the shorter days come round as it takes your best photographs to get the half-tone cuts that will do justice to your advertising. The cuts can be made to your specification, and at reasonable prices when left to us.

Reserve your space now! We are ready to work for you at any time!

WHEN CUPID TAKES THE WHEEL

Something in the nature of an all-time record seems to have materialized recently. On Saturday, August 10th, our ex-Second Vice-President, Capt. H. Dudley-Waters, Highland Creek, Ont., entered the ranks of the benedicts when he married Miss Elsie Mabel Bragg, of Bowmanville, Ont. Always a methodical chap the Captain had the Waters estate all planned and built to his own specifications, and it is believed that the builders added to their knowledge plentifully when taking their instructions from the building inspector, who was none other than the Captain himself.

Then on Saturday, September 7th, our Manitoba Director, Dr. J. K. Morrow, Winnipeg, married Miss Jessie Howes, Edmonton, Alta., and went off to Banff for their honeymoon trip.

We congratulate all four parties, and trust that all their joys will be of the larger varieties, and that all their sorrows will be small ones.

TORONTO BOSTON AT AMERICAN SHOWS

Mrs. M. Stevens, of the Jubilee Kennels, Toronto, has had a nice innings at shows across the border with her good Boston Terrier bitch, "Stevens Play Girl" ("Pennridge Playboy" ex "Hello Jewel"), a daughter of "Ch. The Burglar Dee Cee." At Buffalo Fall Specialty the Canadian contention landed at the reserve winners station. At Flint, Mich., Winner's Bitch, and Best of Winners. At Kalamazoo, Mich., the Flint wins were repeated, and so "Stevens Play Girl" is now well on her way to her American Championship, and should soon qualify for International honors, as it is understood that she completed her Canadian Championship at Hamilton on September 7th. We believe that Mrs. Stevens has sold "Champion Play Girl" to Mrs. Conway of Lansing, Mich., and a new dog named "Hagerty Hagerty's Togo," will fill the vacancy at the Jubilee Kennels.

Bitches, thereafter, and in order 13 in. Dogs, on Saturday, 26th, 15 in. Bitches, and on Sunday, 27th, 15 in. Dogs with every day's work commencing at 8 o'clock each morning.

Messrs. Fred Perrow, of Hamilton, and Russell Long, of Elmira, will be the judges. Hotel accommodation is but $1.50 per day, and on Saturday night a banquet will be held. TORONTO BULLDOG WINS AT LACKAWANNA

Mr. W. J. Risewick's "Ch. Falstone Duchess" is fast making her international title grade at shows across the border, and at the time of writing is standing with but one-third of her points to win. At the Lackawanna fixture she was made Best of Winners, and the argument between "Int. Ch. Drinkmoor Moonshine" for best of breed was more than interesting.

RAISED ONE HUNDRED AND FORTY PUPS

Over at Cainsville, Ont., where the River Park Kennels "shingle" hangs out the 1935 crop of youngsters was exactly 142. The percentage of sellers moved out fast enough and Mr. Pearson was obliged to do some buying in order to meet the demand. Of course the Kennel's choice of specimens for bench or breeding kennel objectives have been retained and will be heard from later.

NEW BOSTON FOR LONDON, ONT.

From the famous Mosholu Kennels of Mrs. M. C. McGlone, New York, comes "Mosholu Bantam Blink" to Mr. Vincent G. Perry, of London, Ont. This little son of undefeated "Ch. Mosholu Bunk 2nd" and "Ch. Shenandoah Blinkette" weighs less than 12 lbs. In addition to his wonderful breeding he is a perfectly marked attractive little dog that Mr. Perry feels will do the breed some good. Although the "Globe" Bostons are not as many as they were in the 1920's, there is always a good one under the Perry banner. "Canadian Ch. Globe Glowing Flashette," who like her distant ancestor, "Ch. Globe League O'Nations," went through to her crown in record time and without a defeat. She was Reserve Winners at the last specialty show of the Boston Terrier Club of New York and defeated the Madison Square Garden winner there.

ODE TO THE ENGLISH BULLDOG

Long live the Bulldog—our prayer is ringing
From sturdy hearts—where'er "The Flag" is flown
An Empire's "Motto"—honor to his throne.
Long live the Bulldog.

Long live the Bulldog—noble, true, devotion,
Who serves his master, for that master's good,
And watches, as custodian should,
Long live the Bulldog.

Long live the Bulldog—from ocean to ocean
His name a token of courage, devotion.
Long live the Bulldog.

Others build their planes, my lads,
And think they know the game,
But they can't build boys of the Bulldog breed
That made Old Blighty's name.
Long live the Bulldog.

SIR TISTRAM FATHER OF TEN

Mr. J. Cunningham, Wellington Kennels, Reg'd., Guelph, Ont., claims that his English Bulldog, "Sir Tistram", is the first son born to Mr. Reg. P. Sparkes' famous dog, "Int. Ch. Junior's Juno", in Canada, and advises us that "Sir Tistram" is already the proud father of a litter of ten puppies, nine of which are now alive and at the kennels of Mr. Bennett, Kitchener, Ont.

MR. NORMAN MACKENZIE, K.C., ILL

It was with deep regret that we received the information from Mr. Bert Swann, Toronto, advising us that Mr. Norman MacKenzie, K.C., Regina, had been very seriously indisposed, but we trust that this good sportsman will soon be restored to health again in the very near future. Mr. MacKenzie will long be remembered as the owner of the Airedale Terrier, "Ch. Polam Maxim," which was imported by Mr. Swann early in 1916 for Mr. MacKenzie. "Polam Maxim" was possibly the most colorful dog ever to come to Canada from England, and started out on his winning career soon after he reached this country and continued for five years winning consistently at all the shows as they came along on both sides of the International Boundary. The record of championship points earned in Canada was sufficient to make "Maxim" a champion four times over. A most peculiar circumstance will make it quite impossible for the writer ever to forget "Ch. Polam Maxim" is this: At will, we can produce in our minds' eye the picture of Mr. Swann backing his way into a dog show ring with a beseeching look on his face as he tried to tell all and sundry that they better give his charge plenty of room, and in this respect the dog never let his handler down. With a continuous snarl, backed by a pair of flashing eyes, with tail all of a shiver the setting was all ready for the judge, and the combination was a winning one which "clicked" constantly. At home, at the Parkdale Kennels, "Ch. Polam Maxim" was everything that a real good dog should be.

The Alberta News

By Provincial Contributing Editor, W. G. Climo, Calgary, Alta.

DOG fanciers in the West are now looking over their dogs and many are being prepared for the show to be held on November 29th and 30th at the Hudson Bay Co. Store, Calgary. In previous years the Alberta Kennel Club held their Winter Show at this time. Following the lead of other clubs, the Alberta Kennel Club has transferred these dates to the Children's Hospital Aid Society in the hope of enabling them to carry on the very useful work that they have been doing for a number of years.

Plans are now well advanced for making this fixture one of dogdom's leading events in the province. If you have a dog, show him even if you know that there is only a mere chance of his winning a prize; it will help to swell the funds so badly needed to carry on such benevolent work as is being done by this society.

Smith Foster, of Edmonton, whose kennels has been very much reduced by buyers who were looking for the best, has a beautiful lot of young stock, and with the maturing of these, his kennels will be able to retain the high standard for which they are known.

The Quantock Kennels is fast coming to the front. Jack Rawlings is very pleased at the success of his Springer bitch, "Quantock Beauty," where she is attending shows in the U.S.A. Her first show was at Springfield, Mass., where she won best of breed and 3rd in the Sporting Group, which had an entry of over 100 dogs. At Pontiac, Mich., Best of Winners and Pottawatomie, South Bend, Ind., Best of Breed.

We understand she has many admirers, and that she has been sold at a price well into the three figures Jack claims that he can well part with her as he has two or three youngsters that he considers to be a little better.

"The Calma Kennels" has just added two parti-color females to their already strong kennel of solid colors. "Calmas Rosy Morn" is now nursing a splendid litter whose sire is "Ch. Skyrocket of Dene."

Earl Kennedy informs me that he has a rare litter of Bostons, exceptionally well marked, which claim for their parents, "Wheatland Haggerty's Kid" ex "Aviators Moochie," there being 3 males and 2 females.

Mr. Jack Tanton, of Edmonton, one of our "old faithfuls" in dog circles, has a nice litter of Cocker Spaniels about two months old. They are from Mr. Tanton's "Mollie Bowdler," sired by "Calmas Durbar."

Mr. Alex. Anslie also has a good litter of Cocker Spaniels, all black, by "Ch. Calmas Crusader."

Mr. Joe Caswell is boasting about a good litter of Wire-Haired Fox Terriers from "Wymund By Gosh," "Vivadora Masterpiece" being the sire. Mr. Quilley has bought the pick of the bitch puppies, so it seems that "ye old firm of Quilley and Caswell" is still going strong. Mr. Caswell is waiting daily for the arrival of a litter of Irish Terriers.

Mr. Harold Clutton is shipping one of his trained Labrador Retrievers to Jimmie Sullivan, U.S.A. Jimmie was apparently well impressed by some of the Edmonton dogs on his trip here this summer.

Mr. R. A. Cross has a fine litter of motherless Wires, he having had the misfortune to have his bitch killed shortly after she had whelped.

Mr. M. B. McColl has recently shipped a black Cocker dog from "Sweetheart of Ware" and sired by the late "Romeo of Moray" to "Mountain Park." This was an outstanding dog and the buyer, Mr. Pascoe, is very much pleased with him.

News from Old Quebec

By Provincial Contributing Editor, MRS. C. de P. DONIPHAN, Montreal, Que.

NOVEMBER 1st, 2nd and 3rd will again be red ribbon days at Iberville when the Ta-i-o Club of Beagles stages its second annual Field Trials under C.K.C. rules. Enthusiasm runs high among our Beaglers and time, work or money is not being spared to make this the best ever.

At least 75 Beagles are expected, judging by the inquiries arriving from Ontario and U.S.A., and some thirty locals are already in trim and just "raring to go" so that the quaint Iberville Hotel will again witness much merry-making in good old French-Canadian style. Three days have been reserved with a fourth added, if necessary, as no event will be split or cancelled and every entry will have a fair chance. Everything points to a big success: rated XXX, don't miss it! And don't we all wish we owned a Beagle!

When Mrs. Marie Charlebois of Laval des Rapides left to spend the last Xmas holidays in England she promised "the family" she wouldn't bring any more dogs—some twenty Poms being already housed in the kennels. But, when she visited Mrs. I. Emberton in Manchester and saw the beautiful pair of winning oranges, "Sentinel Inspiration" and "Red Guntit", the temptation was too strong and a female puppy was there and then booked from that mating. "Nola", a tiny and lovely orange daughter of the above pair, has just arrived on board the "Duchess of Richmond". Mrs. Charlebois writes that "Nola" has more than fulfilled all her expectations and is ready to make her debut at the very first opportunity.

Now is the time to plan your Xmas advertising and have good pictures of your dogs taken. There are at least two Montreal studios specializing in dog photography and you know there is nothing like an attractive doggie picture in a well-set-up ad. to draw the sales your way.

The Editor has kindly sent me a 90-page dummy copy and I will be able to keep our province together in respect to its reading matter and advertisements. Quebec province has the dogs and the money necessary to tell the world all about them, so now is a good time to get started to take suitable photographs of our best specimens.

Miss Marion Ekers is finding great pleasure in the frolics and antics of her first litter of Pekingese puppies sired by "Wun Lung of Wangza" out of "Chekie of Manchu". They look most promising and a pair of them are fully expected to give their enthusiastic owner a good start in the show ring.

Mrs. Reginald Molson has just purchased a lovely granddaughter of "Am. Ch. Glen Gris Dai Toy", bred her to "Ch. Tongking of Wangza", and is looking forward to some really good puppies.

A sad accident happened at Lake Tremblant when Mrs. Martin Sproule's Peke, "Winkie", caught her tail in the propeller shaft of their motor boat. Though "Winkie" was taken to Montreal by the next train and given the best medical aid, her hindquarters were so injured that nothing could be done to save her.

Mr. Edwin M. Wright has had the great misfortune of losing his newly-imported English Bulldog, "Basford Magnet", who was found dead on his bench during the Ottawa show, exactly six days after his arrival from England. "Basford Magnet" was an outstanding golden fawn son of "Ch. Anzlezarth Sonny Boy", bred by Mr. Roddy, and 1934 reports in "Our Dogs" described him as one of the super show Bulldogs of the year. "Nitsill Bouncer", another of Mr. Wright's well-known Bulldogs, completed his championship after being awarded Best of Breed and best Non-Sporting at the Saint John Show. Together with his kennel mate, "Ch. Sunny Sue of Barnards Green", they make a pair any fancier can be proud of, but the loss of "Magnet" is keenly felt as such great hopes had been placed on his show and stud career.

Mrs. Phillips has made quite a few changes in her Boston Terrier kennels. The well-known stud, "Phillips' Yankee Boy", has been sold to the States and as he leaves many young sons and daughters behind, a new stud was found in "Phillip's Persuaser". Bred by Mrs. Frost and sired by "St. John Introduce Me" out of "St. John Sigourney", his bloodlines, type and markings are considered by Mrs. Phillips as a perfect outcross for her "Yankee Boy" stock. A litter sired by "St. John Kid Boots" ex "St. John Little Queen" are a feast to the eye, and a male and a female are positively labelled N.F.S. and fully expected to add many laurels to the Phillip bench winnings.

We hear that the Malabar Kennels are now registered under the two names of W. Scarpa and Bill Warr. This is certainly an association of two ardent and experienced Fox Terrier enthusiasts and should prove a very successful one. We expect to visit Point Fortune during the coming week and will give you more details of these well-known kennels in the next issue.

Here and There in British Columbia

With Provincial Correspondent, T. P. MURRAY

I AM in receipt of a letter from Mr. Sparrow of Enderby, B.C., in which he informs me of the arrival of a litter of Springer Spaniels sired by "Sparrow's Masterpiece" out of "Trent Valley Gleamlight". Another litter of Springers is by "Ch. Emperor's Messenger Boy", who was recently placed Best Dog in Show at Lethbridge, Alberta. Mr. Sparrow tells me that he has sold "Aristocratic Belle" to a fancier in Vancouver, and that sales have been very good recently. So, keep on advertising your litters in **Kennel and Bench** and watch your sales develop.

VANCOUVER ISLAND

An interesting item comes from the Holdfast Kennels, the well-known breeders and exhibitors of Cocker Spaniels. They have purchased four acres amidst lovely surroundings at Burquitlam and in future more extensive breeding will be carried on at the new location. Mrs. Pickford informs me that she has sold her good young dog, "Holdfast Crusader", to a client in the United States.

This morning, whilst driving along Dunbar, I noticed a number of English Setters exercising in the park grounds and being curious, I stopped to investigate whose they were. I soon came across the owner and breeder, Wally Willgress. He was giving eight youngsters a morning gallop, and a young dog, now eight months old, caught my eye, a blue, nicely marked, and a great prospect. He is to my mind the best youngster in English Setters I have seen in many a long day, and it will be interesting to watch his show career.

Amongst the many out-of-town exhibitors at the Vancouver Exhibition I noticed Mrs. Oxenham of the Gold Flame Kennels, Winnipeg. She exhibited a brace of Pomeranians and did very well. Another entry I noticed on the bench was a gallant wee Scottish Terrier surrounded by admirers. Looking up my catalogue I found he was "Braw Lad 2nd". He is just one year old and, according to Judge G. S. Thomas, he is a real good 'un. The judge in his remarks about him stated that if he had been a little better in flesh he would have gone up much higher. He is owned and was bred by our old friend Chief Ritchie of Calgary, who informed me that he had some tempting offers for him whilst he was here in Vancouver, but declined them, preferring to use him at stud in his own kennels for some time. We hope he is as successful at stud as he is on the bench.

I see that Mr. George Jackson of the Tzouhalem Kennels is carrying along a fine young Irish Setter dog whom he has named "Tzouhalem Mighty Mike". He is now six months old and will be ready for the Junior League Show in November.

This is the month that the Pointer and Setter fanciers have been patiently waiting for and final arrangements are now made for the B.C. Gun Dog Pointer and Setter Trials—all age. All contestants and spectators are asked to meet at the Gowdy Road in Ladner at 7 a.m. on September 29th. The draw will be made at 7.30 and the first brace will be down at 8 a.m. The co-operation of the Ladner Gun Club has been asked for in locating courses, and like the good sportsmen they are, this service has been given cheerfully. Entries are assured from Nanaimo, Duncan and Victoria, and the trial judge is none other than Mr. Syd Conway of Vancouver.

Referring to the judge's remarks on the dogs at the Exhibition in Vancouver, I asked Geo. S. Thomas to comment on the show as a whole. He did so by saying: "You may quote me as saying that I never had a ring kept as clean as this one has been kept by Superintendent Pete MacLaughlin". We all agree with him there. There is no better worker around a dog show anywhere than Pete.

On Tuesday, September 10, I paid a visit to the Widbrook Kennels of Mrs. Hedley-Peek at Colwood, Vancouver Island, and I was very much surprised at the fine quality of Dachshunde there are at these kennels. To enumerate them would be quite a task, so I will just mention a few outstanding prospects as puppies. First a young black and tan, sired by "Red Rusk of Widbrook" out of the great producer, "Widbrook Zenda," who is also the dam of the consistent winning Dachshund, "Widbrook Zieta," now owned by the Black Forest Kennels of Forest Park, Everett, Washington, U.S.A. This youngster has not been named yet, or, if he has, I did not get his name. I will predict for him a wonderful career when matured. A rather attractive feature at these kennels are the numerous silver dappled Dachshunde that are fast becoming very popular in this country, although I do not think they will ever outnumber the black and tans or reds.

I was shown around the kennels and grounds, the latter comprising some five and a half acres close by the Colwood Country Club in very lovely surroundings. Mrs. Peek tells me that she is very much interested in miniatures and would like to see the Canadian Kennel Club provide a separate weight class for them. This, I understand, has been done in England with a twelve-pound maximum weight for miniatures. I have no doubt that if sufficient exhibitors come forward in miniatures of the breed and the request for weight consideration is made to the C.K.C., it will be given careful thought and attention by the directors. Another Dachshund full of quality I noticed was "Dorkas", now three years old, bred by Mrs. Thornton Sharp of Vancouver. In concluding my visit I remarked to Mrs. Hedley Peck how strange it seemed that any kennels containing such quality and quantity of any one bred should not be telling the world through **Kennel and Bench** about their stock.

My next visit was to the well-known Conwood Kennels, where a variety of breeds are to be found. Here I saw a most promising litter of tri-color Collies sired by "Uncle Billy" Hassell's "Ch. Elmhill Black Watch". One in particular took my fancy and it will be interesting to see how he matures. I was very much struck with a five-month-old Cairn puppy dog I saw in this kennel, "Conwood Beater". He is to my mind a puppy of excellent promise and just enough fire in his make-up to be interesting at his age. Another fine little dog full of character is "Conwood Kim", by "Roy of Luclen" ex "Whealden Breeze", and a showman of the best quality. The Conwoods are quite interested in their Shelties, and this is a breed that I would imagine could be made popular by a little consistent advertising. There are three good specimens of this breed at these kennels. Two are sable and white, one is a tricolor. This latter, in good shape, will always be a serious contender in his group, in my opinion. A feature of great interest at these kennels is the experiment they are now making in color breeding.

We next visited the kennels of Mrs. Jack Aitken, who is the proprietor of the well-known Cumloden prefix at Duncan, Vancouver Island, about forty miles from Victoria. Here we have ideal sporting country with an abundance of pheasants. We were agreeably surprised to see the splendid layout of outdoor runs for the Cumloden Cairns. In the first run we saw "Lady Malice", now heavy in whelp to "Ch. Silver Stirup". Then we saw the gallant little Cairn, "Conwood Tom Thumb", whose sire is the famous "Ch. Sammy of Bourton", the dam being "Kinross Jean". Mrs. Aitken informed me that the demand for Cairn puppies has been, and is still far greater than the supply.

Airedale Terriers are on the rebound in and around Victoria. Three were exhibited and I saw a very promising litter of six at the kennels of Mr. Thomas Chalmers, the sire of the puppies being "Aristocratic Gentleman" (imp.).

Mr. W. C. Burns of the Burnside Kennels, Victoria, tells me that he has a nice litter of Springers by "Barry of Burnside" ex "Nancy of Aberfeldy". There are seven in all. Three were sold to fanciers in Prince Rupert, one went to Honolulu and the remaining three were sold locally.

Mr. C. M. Butler of Huntswell Kennels has shipped his Springer bitch, "Flyaway of Avondale", to E. Chevrier of Avandale Kennels in Winnipeg to be mated to "Errand Boy of Avandale".

The Springer Spaniel "Clothilda of Avondale", recently acquired by Mrs. T. P. Murray, has presented her owner with a nice litter of six, four males and two females, sired by "Ch. Baron Byng".

Now may I call your attention to the annual charity event of the year, namely, the Junior League Kennel Club Show. This, as you are all aware, takes place every November, and this year it will be held on Saturday, November 23rd, in the usual place, the Drill Hall on Beatty Street. It is expected that all fanciers will, as before, give their full co-operation to this event, thereby making it possible for the Junior League to carry on the good work they have been doing for some years. We hope to make this show the largest ever held under the auspices of the Junior League.

The Swansea Kennels of Mr. S. Dorrell, have sold the Sealyham Terrier bitch, "Felcourt Rosette", and another young female to Mr. J. C. Fletcher, Calgary.

An interesting item of information comes to me this month from the well-known Wire Fox Terrier breeder, T. P. Milner of the Point Grey Kennels, who informs me that he has sold "Lynecote Startler" to Mrs. McLaughlan of Duncan, Vancouver Island, and also "Point Grey Salome" to Mrs. Walker, of Duncan, Vancouver Island. "Success" is to be shipped shortly to Kamloops, B.C., to be mated to Mr. Farnish's Wire dog, "Thet Tippy", he being a son of "Thet Tetrarch". It will be interesting to watch what this mating will produce.

Please send all your news items and advertising copy to your correspondent, T. P. Murray, at 4854 Lanark St., Vancouver.

Saskatchewan News

By Provincial Contributing Editor,
ARTHUR G. GODDARD
1522 Ave. E., North Saskatoon, Sask.

AS your newly appointed contributing Editor for Saskatchewan, this, my first contribution to the pages of **Kennel and Bench** will be somewhat lacking in Provincial news. I was somewhat reluctant in accepting the responsibility of this undertaking, due to the fact that I have very little time to devote to the correspondence, etc., that will be necessary. However, if all fanciers in Saskatchewan cooperate and assist me by sending in news of their kennel activities, I will do my best to make the Saskatchewan Page as newsy and interesting as possible. So come on fanciers, send me your news, not only of your sales, purchases and litters, but anything relative to dogs that will be really interesting to readers of our widely read **Kennel and Bench.** Although it is but eight years ago since I owned my first registered dog, all my life I have been a lover of animals and the birds of the great out o' doors.

Born in the county of Suffolk, England, the recreation hours of my boyhood days were spent among the Spaniels, Setters, Retrievers, Hounds and Terriers of Norfolk and Suffolk. As a boy of fourteen years I had a room full of Norwich Canaries and Finches, later I raised poultry and even tried my hand at pigs. Dad used to say, "That boy has kept everything but a Monkey and he'll have a Monkey yet."

I often recall those days when I would start out with a small polecat ferret in my coat pocket, and a rough haired old Terrier at my heels to hunt rats. "Spy" was a terror to fight and I always picture him with one eye partly closed and carrying one leg, usually a front one. This old dog,

somewhat larger than a Fox Terrier, with a wiry coat the color of an Airedale, was the property of my Uncle and I can remember my exclamation of surprise upon taking him home one evening after a day with me in the fields hunting rabbits, to see Uncle Will open the door of his shed and put "Spy" in loose with about thirty tame rabbits. Uncle explained to me that the rats had gnawed holes through the wooden floor, so he placed "Spy" in there each night to prevent the rats from killing his rabbits.

I feel I could write enough to fill a book about the many delightful days I spent with "Spy" and Billy Cole—the village rat catcher—in field and farmyard. Billy used this old Terrier for years and I have heard him say that "Spy" never told a lie, meaning that when "Spy" indicated, by lifting one foot and tilting his head on one side, that a certain hole was occupied, "Mr. Rat" or "Mr. Bunnie" was always found to be "at home." What a kick I used to get in seeing this hard bitten, perfectly trained Terrier stand at a hole in the earth as soon as a ferret had entered, and then kill half a dozen rats as fast as they emerged, no fuss, no shaking, or chasing, one nip and he was ready for the next, and then when the ferret returned, to see him back up and trot away to find another occupied hole.

I could tell my readers of another boyhood pal, a blue colored hound the size of a large whippet, that could top a five barred gate, catch a European rabbit "going home" and deliver it frightened, but unharmed, to hand. But this is the Saskatchewan page, allotted to us by the Editor in which to chronicle the "doggy doings" of this Province, so I must leave my boyhood ramblings for the time being and get down to business.

Mr. Ben Perry, proprietor of the Lurgan Kennels, Saskatoon, has purchased "Inglewood Playboy," a young Smooth Fox Terrier male, from Mr. Wilkinson of Vancouver. His sire is "Inglewood Saddleback" and his dam, "Inglewood Countess." Ben reports the sale of five Irish Terrier pups, all sired by "Glendall Red Rufus" (C.K.C. 109110) ex "Sheila" (C.K.C. 11456), to buyers at Kerrobert, North Battleford, Regina, and Saskatoon.

Dr. Margaret French, Springlake Kennels Regd., Saskatoon, has always a ready market for her Airedales. Just recently she has shipped one male to Mrs. Wm. Wallace of Glenside, and another to Mr. J. B. Watson, Regina. Upon visiting this Kennel recently I looked over a splendid litter of five males and five females, sired by "Int. Ch. Wyecote Special Edition," their dam being "Ch. Springlake Molly." Surely there is another flyer in this litter. I also saw the "king of the roost," "Int. Ch. Wyecote Special Edition," who has added fresh laurels to this kennel by siring the dog that was the best of all breeds at the recent Saskatoon Show.

Mr. W. A. Childs' Rockcroft Smooth Fox Terrier Kennels, Saskatoon, reports the arrival of three litters by his new stud, "Terror of Notts," he by the great English Champion, "Chosen Don of Notts."

Mr. Glenn Williams, of Saskatoon, is expecting a litter of English Springers from his good young bitch "Aphrodite of Lynn." She has been mated to "Woodhurst Ringtail," owned by this same fancier. With such dogs as "Int. Ch. Boghurst Rover," "Int. Ch. L'Ile Messenger Boy" and "Ch. Flint of Avandale," close up in the pedigrees of both these dogs, some typical offspring should result from this mating. Glenn intends to become a member of the Canadian Kennel Club and we wish him every success with his Springers.

Dr. Panton, of North Battleford, has just purchased a nice Wire Fox Terrier bitch and his present intention is to mate her to a good stud in due time. Nothing short of top-nochers are good enough for the many doctors now in the dog game and we trust Dr. Panton will be no exception.

That splendid retrieving breed the Labrador is steadily gaining in popularity out here in the West. His short waterproof coat and clean cut appearance, coupled with his hunting and retrieving ability is finding a seat for him in many a hunter's car.

Mr. G. B. Willis, of Humboldt, owns a kennel of nice blacks, and evidently takes great pride in his favorites, judging from the splendid condition of the three good specimens exhibited by him at the recent Saskatoon Show.

Mr. Herb Barr, Mr. George Eggleston and Mr. Jack Willox, were down from Prince Albert for the Saskatoon Show, and were all very much concerned over the increase in size of the English Springers that are being shown on the bench today.

These men have been breeding and shooting over Spaniels for a good many years, and in a conversation I had with them after the show, they all voiced their opinions in no uncertain manner, claiming these oversized Springers, as they termed them, are bound to do this variety considerable harm, and unless a halt was called the English Springer would loose the place it holds at the present time as one of Western Canada's most popular all round sporting dogs. These seasoned fanciers are of the opinion that the present American Standard, calling for a height of eighteen inches at the withers, and a weight of forty-five pounds, specifies the ideal size for this variety, and unless judges abide by this Standard when handing out ribbons, the English Springer will loose his place to other varieties of retrievers of a handier size. I would be interested to receive letters on this subject, with a view to a possible discussion on the matter in **Kennel and Bench.**

Here is some more welcome news, folks, Mr. Jimmy Lawson is back in the game. Of course it's his old love, the Boston Terrier. Jimmy has evidently regained all his old time enthusiasm, so watch out you Boston breeders around these parts, for with Jimmy Lawson back, the going is sure to be a lot hotter from now on. I have not had the opportunity of securing particulars of all the dogs now housed at his Kennels, but one male has been purchased from Mr. P. Biller, of Winnipeg, the sire being "Million Dollar Special," he by "Ch. Million Dollar Kid," dam "Hi Nellie," by "Kinky Kid." Another dog whose pedigree we hope to give next month is named "Joe Lewis," this one coming from the kennels of Mr. Sam Jackson, also of Winnipeg.

Mr. Bob Hogg received many congratulations on the success he achieved with his Airedale "Punnichy King 2nd" (C.K.C. 124802). This young dog led the parade at the recent Saskatoon Show, annexing most of the silverware in his march right through to best in show, all breeds. Here is further proof that blood will tell, his sire being "Int. Ch. Wycote Special Edition," ex his owner's good bitch "Ch. Miss Winnitoba."

Two well known gentlemen, Mr. W. Ormiston Roy, of Montreal, and Dr. J. T. Cooper, of Saskatoon, have been appointed to Judge the Collies at two of the approaching largest shows in America; Mr. Roy at the great Westminster Show held in Madison Square Gardens, New York, in February, 1936, and Dr. Cooper at the Chicago Collie Club Specialty Show in November, 1935. Canada is greatly honored by having the Collie Judges of these two great shows selected from the list of Canadian Judges.

Mr. Monty Wallace of the Drumnod Kennels (Reg.), Saskatoon, wishes to correct the statement which was misquoted in last month's Saskatchewan News. The facts are "Waterwitch of Drumnod" was bred by him, but she is now owned by Miss Loring, of Boston, Mass. "Waterwitch of Drumnod" is the dam of such well known winners as "Ch. Waseeka's Sailor Boy," "Ch. Waseeka's Louise," "Ch. Waseeka's Stowaway," "Barnacle Bill of Waseeka," which were all bred by her present owner, but out of "Waterwich of Drum-

nod" that was bred at the Drumnod Kennels in Saskatoon. "Ch. Shelton Cabin Boy" (Imp.), is not an International Champion.

The annual general meeting of the Saskatoon Kennel Club was held in the Board of Trade office on Wednesday, September 11th. The following were elected to office:—President, Dr. M. French; Vice President, Mr. A. Goddard; Honorary Secretary, Mr. J. Keyser; Honorary Treasurer, Dr. J. T. Cooper.

Mr. Harry Hunking, a prominent business man of Saskatoon and a lifelong lover of dogs and one of the most loyal and liberal supporters of Saskatoon's dog show, has recently acquired a very typical Whippet from the famous racing kennels of Mr. James Booth. This dog is "Happy Teddy" (Ch. Portland Boy" ex "Xmas Daisy"). He is a dark brindle with a white blaze and Harry will certainly wear the broad smile when he sees him coming down the race course.

Maritime News

By Provincial Contributing Editor,
By J. F. BURNS, Halifax, N.S.

SOME very interesting and welcome news from Mrs. P. A. Margeson's Cedarcrest Kennels, at Kentville, N.S., advises us that this lady has purchased a lovely Pekingese show bitch. This beautiful bitch was purchased from Mrs. Washburn and is known as "Wah Bagin Dark Hope," and comes to the Cedarcrest Kennels in whelp to "Sundah's Wundah of Wah Bagin," who is described by Mrs. Margeson as "One of the best reds I have seen." "Dark Hope" is a black bitch with very dark red markings. She has heaps of quality and comes from the best, being full sister to "Cavalcade of Tien Hia" and was sired by "Paul IV," a line bred "Rajah of Hesketh" stud. Her dam is "Gargoyle's Mo Chu," a daughter of "San Kow Gargoyle Of Tien Hia," and out of "Ch. Mo Chu Star of Tien Hia's" daughter. Mrs. Margeson reports the loss of her lovely imported bitch, a daughter of "Ch. Romeo of Hesketh," together with her litter, at birth. Also the loss, through whelping troubles, of "Mo Chu's Buddah of Wah Bagin."

"Cin Mon of Cedarcrest" produced a splendid litter with one outstanding bitch puppy—a typical little Peke with a wonderful head,—one that will be watched with interest. "Somesa of Cedarcrest" is in whelp to Mrs. Margeson's new stud, "Mickey of Toytown," best in show winner at the Ladies' Kennel Club, Saint John. "Mai Wong of Cedarcrest" is also in whelp to him.

Give the Puppy a Real Start In Life

When puppies are weaned and put on cow's milk their growth may be severely retarded as cow's milk is deficient in fats and solids.

The cow's milk should be supplemented with small quantities of DR. BALLARD'S HEALTH FOOD as soon as the puppies will eat.

To give pups a real start in life, the mother should be fed regularly on DR. BALLARD'S HEALTH FOOD before the pups are born.

DR. BALLARD'S HEALTH FOOD

For sale at Pet Shops, Departmental Stores and Chain Stores.

This good little bitch has given her owner some real nice stock and the mating of "Mickie of Toytown" is expected to produce something exceptional.

Mrs. Margeson has sold her English Toy Spaniel, "Celamo Trudy," to Mrs. C. Hannes, Rochester, N.Y. "Trudy" was sold in whelp to "Amo's Bundy." "Celamo Leading Lady" has been mated to "Amo's Bundy."

Mrs. Margeson states that her dogs are looking wonderfully well. This is to be expected as this lady puts a great deal of time and attention on her dogs and always puts them down in perfect condition. This, together with the excellent breeding of her stock, accounts for the great success that Mrs. Margeson has attained in both sales and show winnings.

I regret to report the loss of Mrs. Hutton's Yorkshire Terrier bitch puppy. A very tiny bitch, less than a year old, with a beautiful coat, well balanced and a great show prospect. This is a great loss to Mrs. Hutton as she had planned to show this little bitch at the coming N.S.K.C. fixture. We are pleased to note that Mr. Hutton is convalescing from his recent illness and hope to see him in action at the fall show.

Mr. Arthur Fordham has purchased from the Bluenose Kennels, a nice little Scottish Terrier male puppy and although very young, this puppy already shows signs of developing into a good one.

Mr. Geoffery G. Ryder's good Irish Setter bitch, "Lady John," was one of the Halifax dogs to gain a couple of winners points at the New Brunswick Kennel Club Show. "John" was bred by James D. Whitely and was sired by "Ch. Mike Haliburton," ex "Red Dawn." She is a very showy bitch with lots of substance, nice headpiece, well gaited and with a wonderful depth of brisket. She is now being groomed for the N.S.K.C. show.

Miss Alice J. G. O'Brien, Cardigan Kennels, has imported a smart Sealyham Terrier, "Netheredge Nickle." He was bred by V. Saunders, England, and is out of "Netheredge Jennie" by "Dolland Peter." He was winners dog at both the Saint John shows where an exceptionally strong representation of Sealyhams appeared. This new importation adds still another good one to the well-known Cardigan Kennels.

Mr. C. Steeves, of Surrey, N.B., has some royally bred Airedales in his kennels, both young and mature stock of which I have just received copies of pedigrees that speak well for the future of the Airedale Terrier in the Maritimes. I would particularly like to report on the two Airedale bitches that Mr. Steeves recently brought east. One is "Regal Re Echo," born May 9th, 1934, sired by "Ch. Eclypson of Idlewood," and out of "Rockley Gold Flake." Her pedigree contains such outstanding names as "Ch. Warbreck Mixer," "Ch. Rockley Flirt," "Ch. Clee Courtier," "Ch. Ileen Brigand" and "Ch. Rockley Reminder" (Imp.).

The other is "Rockley Gold Flake," bred by Sid Perkins, Toronto. She is by "Ch. Warbreck Mixer," ex "Ch. Rockley Flirt." I have not seen this stock but, judging from the breeding, I am prepared to believe that they are all that is to be expected from the strain from which they descend.

I have seen a nice little Wire Fox Terrier from Mr. Steeves' kennels. He is "Bridegroom Sensation," a grandson of "Int. Ch. Wellwire Barrington Bridegroom," and a sturdy, compact little dog. Well marked, with a good coat, nice head, ears and expression and as game as they come. Mr. Steeves has a couple of Wire bitches, one sired by the imported, "Wireboy Simon" and her breeding bears the names of "Ch. Fountain Crusader," "Ch. Lipworth Wireboy," "Perry Paignton," "Ch. Bishop's Neglected," and others well known to the Wire fancy.

Miss Dorothy Cassidy, Saint John, has formed a nice kennel of Schip-

perkes and exhibited no less than six of this attractive breed at the recent shows held in the New Brunswick city. I believe that this was the largest number of "Schips" ever shown east of Montreal. Much of Miss Cassidy's older stock was bred at Mrs. E. Brown's O' The North Kennels, Toronto.

The second annual dog show of the Saint John Exhibition and the twenty-seventh annual show of the New Brunswick Kennel Club have passed into history. These shows were held at Saint John on September 2nd, 3rd, 4th and 5th. The former was judged by Mrs. T. E. L. Kemp, of Bridgewater, Mass., and the latter by Mr. F. W. Simmons, Dalenhills Farm, Windham, Conn. Both fixtures benched a large entry and many out-of-town dogs were entered for competition. The second show was featured by many reversals of wins and the spectators and exhibitors were treated to the many thrills that a "double header" usually provides. The Batt of Guelph, Ont., bred Scottish Terrier, "Ch. Haldon Minstrel," was the choice of both judges for top honors and, I understand, this choice met with popular approval. The best in show winner is now owned by the Elseff Kennels, Newport, R.I. He was handled perfectly, put down faultlessly, showed to perfection and certainly deserved his wonderful wins.

Many Haligonians attended the New Brunswick shows and all were loud in their praises of the hospitality shown them by the members of the N.B.K.C. and the people of Saint John, in general. Both shows were very well conducted and a spirit of good sportsmanship prevailed throughout.

The Saint John Telegraph-Star has the following to say regarding Mr. Simmons:—"He and the Prince of Wales are related by dog-in-laws . . . . his prize bitch is a neice of the Prince of Wales' prize bitch."

"Hollywood is Mr. Simmons' home town. He knows many of the screen city's stars and is quite familiar with their likes and dislikes in dogs. 'I was talking with Charlie Ruggles in New York a few days ago,' he said, 'Charlie is an ardent dog fancier and has some fine Cairns. He recently bought a sensational white Poodle which sold for a great deal of money.' The visitor remarked that the stars often pay thousands of dollars for their pets. . . . Mr. Simmons declared that Gary Cooper likes Sealyham Terriers and Afghan Hounds. Richard Barthelmess has fine Dachshunds. It's Great Danes with Harold Lloyd and Clara Bow."

I did not receive any direct news from Saint John for this month's columns and was obliged to depend mainly upon newspaper reports and information received from Halifax dog breeders just back from New Brunswick, so if any wins are omitted it will not be intentional.

The newly imported Wire Haired Fox Terrier, "Hardy Punch," owned by Mrs. S. E. Kominsky and bred by the Hallwyre Kennels, was best Wire at the Saint John shows and was the subject of much attention. He is a worthy son of the well-known "Punch Drunk" and shows lots of quality. A nice sized dog, sound and steady and has a beautiful head and body, good quarters and coat and is an attractive little Terrier who made a well deserved win on his first time out in Canada.

A number of Maritime breeders have young stock for sale—Puppies that are well bred, typical specimens but their breeders do not appear to be taking full advantage of the opportunities offered them through the medium of advertising space in our own magazine, **Kennel and Bench.** I frequently receive inquiries for dogs of various breeds, some of which are difficult to obtain in the East, and in many cases the inquirers emphasize the fact of a scarcity of kennel publicity. It would appear that the remedy for this situation is in our own hands. The advertising space of **Kennel and Bench** is at our disposal and at very reasonable rates. The coverage is large, both in Canada and the United States, and that potential market—Japan. When we fail to advertise, we refuse to recognize that opportunity is indeed knocking at our door.

Not so long ago the possibility of holding field trials in Nova Scotia was considered by some owners of sporting dogs and, for a time, this matter was the subject of much interest, but of late interest in this direction seems to have dwindled and the probability is that, unless new interest is aroused, field trials will remain just a subject for conversation. Nova Scotia and New Brunswick breeders produce a great many sporting dogs of various breeds, many of which remain in these Provinces and are trained and used for work on both land and water so it is natural to assume that the possibilities of holding successful field trials in either or both of these Eastern Provinces would be bright indeed. Personally, I would like to see some of our sporting dog men get behind this project and give some serious thought to the advisability of staging field trials in Nova Scotia—possibly at Bedford or at Lake William, during the Guide's Meet.

The subject of tatooing as a method of identification has not gained any headway in the Maritime and although much has been said regarding the matter, nothing definite has been done to aid in bringing this method into general practice. Some question has been raised as to whether or not this method will prove injurious to ear carriage in some breeds. I would be glad to hear from any breeder who has had much experience with the tatoo system.

Mr. Eric Morse, Halifax, has purchased an Irish Terrier male puppy, "Donegal Mike Begorra." This puppy was bred by Mrs. Burns and was sired by "Brantvale Begorra" and out of "Ch. Donegal Red Riot."

Scottish Terriers are still gaining local favor and a record entry of this breed is expected to face Judge A. A. Rost at the N.S.K.C. show. Boston Terriers will probably make a strong bid for second place and should be an interesting class as quite a number of this popular breed have been brought to the Maritimes during the past few months and, what is more important, some real good home-breds have appeared. This is a healthy sign in any breed and the future of the Scottie in these parts is well assured.

A perusal of the marked catalogue of the C.N.E. Show, tells the story of the successes for association members under Mr. W. J. Nichols, of London, England, whose findings gave great satisfaction. Members showing in the Wire classes carried off the following prizes:—Puppy Dogs, 1st and 2nd; Novice Dogs, 1st and 3rd; Canadian-bred Dogs, 1st and 2nd; Limit Dogs, 1st; Open Dogs, 1st and 2nd; Winners Dog and Reserve; Puppy Bitches, 1st and 3rd; Novice Bitches, 1st and 3rd; Canadian-bred Bitches, 1st; Limit Bitches, 2nd; Open Bitches, 1st and 2nd; Winners Bitch and Reserve; Best of Winners; Best of Breed and Reserve. In the Smooth classes there was not as large a number of members showing. However, they made their presence felt, carrying off a first in Open Dogs; Winners Dog; a first in Canadian-bred Bitches; 2nd in Limit Bitches; 2nd and 3rd in Open Bitches; Reserve Winners Bitch, and Best of Breed.

In a welcome letter from Mr. Wm. Rushton, we learn he is very proud of his Wire bitch puppy "Chestnut Tiny", taking 1st in the only three classes entered at the Exhibition, namely, Puppy, Novice, and Breeders Dogs and Bitches. A litter sister followed this up the next Saturday by winning a 1st and 2nd at Hamilton. As these young Wires carry Gallant Fox blood from

three different sources, they can be said to come by their quality honestly.

Mrs. W. Diment, of Toronto, has entered Wire Fox Terrierdom most aggressively, and has full intentions of making future competition rather hot. We find, almost before we realized it, that "Warwell Rusty" ("Flornell Safeguard" ex "Ch. Warwell Worthy") has completed his Canadian championship and that he needs but three more for his American Championship. If rumors are true, Mrs. Diment's future acquisitions will prove very interesting to Fox Terrier breeders.

Tom Cocker is quite optimistic about his young dog "Westdale Brokers Tip". This youngster went 1st Puppy, Toronto Exhibition, the same at Hamilton, and at London. Being a blend of "Ch. Beau Brummel" and "Ch. Gallant Fox" blood, Tom feels that the youngster should go places after another six months of maturing.

We learn in a very cheering letter from Mr. Stephen Roblin, of Picton, that sales are showing signs of picking up. Thanks, Mr. Roblin, this is just the specific many of us need, and congratulations on "Moby Dick" being placed Reserve at London. Another interesting item from "Crackwyre" tells of their imported bitch "Startler Prudence of Ilerwire" whelping two fine puppies by this dog which are being watched with wide interest since both dam and sire are by "Ch. Crackley Startler".

The highlights in the recent history of Talaurora Kennels was the sensational wins of their (now) champion, "Annandale Miss Fox Trot", at the Can. Nat. Exhibition. This was augmented the following Saturday by her being placed Best of Terrier Group at the Hamilton Kennel Club Show. Dr. Boulding has told us of the many nice things that were said about this irresistable young bitch and we can quite believe it. We hear, too, that the Ch. Grandon Masterpiece bitch, "Ontario Reliance", has just left a litter of four males and one female, sired by "Ch. Aman Admiral"; and also that Miss J. Grant, the Kennel supervisor, is very busy arranging for forthcoming litters and shows.

Mr. "Bob" McAdam is apparently still able to find time for showing his dogs, in spite of his activity on behalf of our Association. We note his promising young dog, "Stormy Bridegroom", went 1st Can.-bred Dog, 2nd Open Dog, and Reserve Winners Dog at the C.N.E. show, and he repeated this performance at Hamilton.

An interesting little story of "casting bread on the waters, etc.," was unfolded to us a few nights ago. Some two years ago, or so, Mr. W. Ireland gave a bitch pup, sired by "Ch. Foxcliffe First Favorite", to Harry Chamberlain. This bitch was named "She's A Gift". In the course of time, this little lady was bred to Mr. Frank Beer's ill fated "Larranaga", unfortunately lost on the show circuit through distemper, the resulting litter, consisting of one bitch and two dogs. The bitch pup was retained by Harry, and today is "Ch. Donna Favora". One dog pup was secured by Mr. and Mrs. A. L. Fraser and today is known as "Ch. Barnsley Tracery Two". The last dog was, we believe, sorta "He's a give back" to Mr. Ireland, under whose ownership he has won six of the necessary 10 points, and in addition he is reported to be proving himself at stud in no uncertain manner.

Mr. Alex. Craigie, of Mavisbank fame, is holidaying in the vicinity of Long Island, New York, and while there will take the opportunity of looking over the Wild Oaks establishment, and also that other famed kennel presided over by Len. Brumby. We'll have to hear what he has to say on his return.

We don't want to say good-bye for a month without speaking of a project next to the heart of all Association members, and of particular interest to all other Fox Terrier breeders. We mean our Show.

In Mr. Guy A. Cowper, an expert of long and valuable experience, of international reputation, we offer you a specialist judge of the finest calibre, and worthy of the most flattering entry.

We have reason to believe, from the keenness and the energy shown so far, that this show will prove our most successful effort in this line, and we ask that you Fox Terrier exhibitors mark the date on your calendar now, when it will be necessary to start giving the finishing touches to those exhibits that you are going to feature on Dec. 7th.

In presenting the Canadian Fox Terrier Association's activities this month we take this opportunity to express our appreciation of the advertising furnished by our members which enables us to make **"Our Monthly Chat"** possible. Will the members of the Canadian Fox Terrier Ass'n. kindly send their notes and advertisements to R. Milligan, 26 Chamberlain Ave., Toronto, so that their copy will be in his hands by the 15th of the month preceding, at the latest.

MAKE ME A GOOD LOSER

Teach me to observe the rules of the game. Teach me neither to cry for the moon nor the spilt milk. Help me to distinguish between fulsome sentiment and sentimentality, cleaving to the one and despising the other. Help me neither to proffer nor to receive cheap praise. If I am called upon to suffer, let me be like the well bred beast who goes away and suffers in silence. Teach me to win when I may, and if I may not win, then above all, I pray, make me a good loser.

REGISTERING GREYHOUNDS

The racing commissioners of the States featuring legalized Greyhound racing i.e., Arkansas, Florida, Massachussets and Oregon has passed the following resolution. "No dog or Greyhound shall be entered or permitted to race or be kennelled at any race track operated or licensed under the jurisdiction of the Racing Commission, unless registered in the American Kennel Club Stud Book." For years the Commissioners have been interested in having Greyhounds registered by some body not having any connection with the racing tracks and here is the sequel to that laudable desire, and certainly no more reliable body could have been entrusted with the task than the American Kennel Club. And, of course, the new arrangement will immediately stimulate registration at the A.K.C. headquarters as is will be essential that all racing Greyhounds be registered before they will be allowed to race on any track operating in the States where the sport has been legalized.

NOTED PEKE DEAD IN U.S.A.

We notice that Mrs. C. Hager, the correspondent to the Peke Column of our contemporary, "Popular Dogs," tells the story of the passing hence of "Ch. T'San Pam of Balcroft," a gray brindle Peke that enjoyed a wonderful period of winning at our Canadian Shows during the years 1924-26; in fact T'San Pam of Balcroft was winners dog at the Canadian National Exhibition in 1924 and 1925, but we will let Mrs. Hager continue the story:

"Another famous member of the old guard passed on when Shieh Yuan's Canadian and American 'Ch. T'San Pam of Balcroft' died. Mrs. Clarke found him curled up in his basket, sleeping his last sleep. No illness, no struggle, just the peaceful leave-taking we would all like to obtain for our loved four-footed friends when life ebbs.

"Ch. T'San Pam of Balcroft was sired in England by the late Ch. Wundah of Chinatown and imported in utero by the Canadian breeders Treleaven and Hatcher, owners of the Balcroft Kennels. He was whelped July 2, 1923, and was the product of a half brother-half sister mating, his dam being a daughter of T'San Pam of Chinatown, to which he bore a marked resemblance in color and size especially. When the youngster grew up he soon made a name for himself on both sides of the border. He was almost unbeatable in the Canadian ring, made championship there in record time and, starting on his show career over here was purchased by Mrs. Clarke. He fetched the record price of all times paid for a Canadian-owned Pekingese, and rightly so. In Mrs. Clarke's hands he romped home with win after win, made his American title in short order and was a dog to be reckoned with for many years. Age dealt kindly with him; it brought but a tinge of grey to his black muzzle. He kept his huge coat to the last and, most remarkable of all, he had lost only two of his teeth when he died; the rest were still in perfect shape. 'Ch. T'San Pam of Balcroft' was a lovable dog, a great pal to his owner. His passing leaves a void that can never be quite filled. We who have all loved and lost dear dogs of our own, deeply sympathize with Mrs. Clarke."

Thanks Mrs. Hager and we would just add the information that "Ch. T'San Pam of Balcroft" had for dam "Mar Kee of Chinatown," and she was a daughter of "T'San Pam of Chinatown," as suggested by Mrs. Hager. Our friends Mr. Jack Treleavan and Mr. George Hatcher, will regret the passing of "Pam" as both men had a particular liking for the dog.

DOING HER BIT

Mrs. M. Reynard, Toronto, has a Chow matron that does not believe in losing time, probably the little overworked mother feels that life is too short for nonsense, anyway she has set up the following record of her fidelity to duty:—October 6th, 1934, four puppies, April 23rd, 1935, five puppies and on September 28th, 1935, she whelped a litter of five more. We have heard the saying: "All work and no play makes Jack a dull boy," but what about a little more leisure time for overworked producers such as the one we have just referred to.

BIG ENTRY FOR S.K.C. SHOW

Mr. H. C. Sloan, Secretary of the Scottish Kennel Club Show, held at Waverley Market, Edinburgh, on September 25th and 26th, has advised "Our Dogs" that the number of entries was 3,400, an increase of almost 500 entries over last year, but with 84 less classes.

KENNEL NAMES GRANTED

The Kennel Name "Kingsvale" has been registered in the name of Herbert and Mrs. Goulder, Hamilton, Ont.

The Kennel Name "Charlevoix" has been registered in the name of Charles Donohue, Pointe au Pic, Charlevoix-Saguenay, Que.

TOUGH ON THE DOG SHOW

"Where's your puppy now, Alfie?"

"Ain't got one now, teacher."

"How many times have I told you not to say that? Listen: I haven't got a puppy, you haven't got a puppy, they haven't got a puppy—."

"Well for goodnes sakes, they ain't going to be no dog show now teacher."

LET 'ER BLEED

The squire was anxious to buy a pure-bred Wire Fox Terrier pup. He offered the breeder four pounds for the dog.

The breeder was in a quandary. He did not consider four pounds enough, but at the same time he did not care to displease the squire.

He said, "I can't do it, sir. You see, the missis is so fond of him, and her heart would bleed if I sold him." There was a pause, and then he added: "But what do you say, sir, if we make it a fiver and let 'er bleed?"
