Meeting of the Board of Directors

of the

Canadian Kennel Club, Incorporated

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club, Inc., was held in the Board Room of the Club's offices, 25 Melinda Street, Toronto, on Thursday evening, September 17th, 1936, at 7.30 o'clock.

Mrs. W. H. Dean, 10010 Stark Road, Plymouth, Mich. Boston Terriers. Permit granted.

Chris. H. Barker, 2134 Semlin Drive, Vancouver, B.C. Field Trials. Permit granted.

The matter of the alleged misconduct of one, Louis Rudginsky, in the judging ring at St. John, N.B., was considered. Mr. Pym gave a close-up description of the occurrence and expressed his regret that it should ever have happened at all. A telegram of apology from Mr. Rudginsky's lawyer was read, and Mr. Pym said he was willing to accept the apology if that would be suitable to the Board of Directors.

It was agreed that, in view of the widely scattered publicity which had been given to this regrettable occurrence through the press and by radio

broadcasting, the apology could not be accepted, and it was moved, seconded, and carried:—

"That, the matter of Lewis Rudginsky was then considered and it was moved, seconded and carried, that Mr. Rudginsky be asked to appear before this Board at the next monthly meeting.

The matter of Miss E. Crew's enforced retiral from the services of the Club was further considered, and it was regularly moved, seconded and carried:—

"That, a present of $100.00 be made to Miss Crew, as an appreciation of services faithfully rendered."

Mr. Pym suggested that the Express Companies were charging over the regular rate in respect to shipment of dogs and he was of the opinion that the Canadian Kennel Club should have the matter investigated. It was regularly moved, seconded and carried:—

"That, the Secretary be instructed to investigate the express charges in regard to dogs shipped in crates."

Mr. Pym recapitulated the activities of Colonel and Mrs. MacRae, during the month of July, making special mention of the wonderful part in the general scheme played by Mrs. Mac Rae. Mr. Sparkes, speaking for the Board of Directors, asked the President to convey to Mrs. MacRae the appreciation of the Board of Directors for the duties performed by her during the President's visit to the Western Provinces. This sentiment was seconded by Mr. Walkerdine, and heartily endorsed by the Board.

This being the business coming before the Directors at this time, it was moved:—

"That, this meeting do now adjourn."

Note:—These minutes are subject to correction when presented for adoption at the next meeting of the Board.

EDITORIAL COMMENT

● IMPORTANT ANNOUNCEMENT

WE stated in our last issue that we would have something of importance in the way of an announcement to present to our readers. The arrangements have been made to include in our coming Christmas Number a British Section. With that end in view one of England's foremost contributing canine journalists has undertaken to obtain reviews, photographs and other data of some of the leading British kennels for us. This venture on the part of Kennel and Bench, carried to a successful issue, will create a new era in Dominion dogdom and coinciding with our Bits from Britain section will do much to put Canadian fanciers in closer touch with what is readily admitted to be the world's breeding centre. Introducing this innovation it goes without saying that as an advertising medium the Kennel and Bench Christmas Number will have no equal and we are sufficiently optimistic to believe that its lasting results will be of untold value.

● JUDGING THE GROUPS

THE incomplete method of awarding group prizes has always appealed to us as something that should be changed definitely for the common good. The handing over of the trophy, or a ribbon, or both to the dog placed first whilst being so far so good, and the other contestants are generally placed in their standing order. Having nothing further to wait for there is an immediate movement of all handlers with their exhibits (except the one placed on top) towards the exit. The spectator whose interest is invariably centred on the little presentation ceremony surrounding the winner then loses all track of how the runners-up were placed. Hence our suggestion that to arrive at and maintain a really concrete finish to these important competitions at any show, second, third, and even fourth ribbons should be handed out as in the regular breed classes. The value of these awards is not easily estimated when we remember that at a recent show the Best of Breed winners who met in the Groups figured as follows: 14 in Sporting, 8 in Working, 12 in Terrier, 7 in Non-Sporting, 3 in Toy. In the face of this our readers will agree that five first prizes only distributed amongst over forty competitors does not seem sufficient to establish the standing of so many breeds. Further, the less popular breed where competition is more or less scant, finds the group competition the only one where he can really test his steel, and hope to receive further public recognition. Where the best of different breeds compete together prizes from first to fourth should be awarded to enable the standing of any of the varieties forward to be successfully gauged.

● TRIMMING VERSUS FAKING

THIS question has received the attention of authorities and writers from time to time in past years, yet, today we appear to be as far away as ever from any solution of the matter. Time charts have been submitted and details published covering the many angles of preparing dogs for show and whilst these efforts have borne some fruit there has not been the general improvement such as could have been reasonably expected. Granting that it behooves every person to present his or her dog before the judges to the best advantage

and with our knowledge of what's what in this regard and readily conceding that the application of soap and water, plus elbow grease and its accompanying energy, is far from being sufficient to get the desired result. The line that determines where trimming ends and faking begins still rests in obscurity. The removal of old hair and loose coat by grooming is legitimate and if the operation is governed by an eye for make and shape the results are invariably creditable.

But the many caricatures in a number of breeds that we see on the bench today with their all too much evidence of over-plucking, exaggerated trimming, singeing and gouging are nothing short of pitiable and if not the results of ignorance (it would please us to believe it was so) on the part of the operator goes further than to border on the ridiculous. There are handler's establishments on the top rung of their profession, where shears and clippers are unknown and resin only recognized as a product of the pine.

Manitoba Notes

By Provincial Contributing Editor,

T. K. MacKENZIE,
282 Davidson St., Winnipeg, Man.

AN interesting contingent of sporting dogs was shipped by Lieut.-Col. Hugh D. Niven, officer commanding P.P.C.L.I., from the Garrison Hunt, Tuxedo Barracks, Man., and consigned to Sir. J. M. Brien, chief of the Canadian Mounted Police, for the Ottawa Hunt Club. In all twelve English Fox Hounds. The providing of shipping crates, and billing at railway was in the hands of Mr. George Kynoch of the Silverdale Kennels, acting for Col. Niven, who is to be remembered by his interest in canine matters for many years in the West. The shipment weighing upwards to 1200 lbs, reached its destination in first class order.

I am indebted to my good friends Mr. and Mrs. Jopling of the Rockerside Bulldog Kennels, Winnipeg, for a pleasant motor drive in the N. Kildonan district. A fellow traveller was Bill Corson of the Arthurlie Kennels, whose objective was the home of Mr. Jack Blythe, Fur Rancher, who had recently brought from the Old Land (England) a brace of Irish Red Setters. This beautiful home is situated in the heart of the Fox Rancher's Country. Running around were the dogs we came to see and no doubt we were well rewarded, for a finer brace I have not seen in this Western county. Beautiful in type and carrying magnificient rich colored coats, with the grandest feathering possible. Both big winners overseas. The bitch "Jane Ann Velma Graham", was a winner of many certificates, while the dog, "John of Richstone", has many wins to his credit. Their breeding is of the highest order, and all British records are in possession of the owners, but not yet recorded in C.K.C. A pleasant hour was enjoyed in Old Country dog talk, Mr. Blythe having been a successful Airedale and Fox Terrier exhibitor. It was interesting on my mentioning names of old friends, how Mr. Blythe told stories of incidents relating to the names I quoted. Looking around the Ranch many beautiful silver and blue fox were to be noted, and a fine display of mink seen. Imported English lop ear rabbits and large white Californians play a part in this well appointed plant. Kind invitations to call again were extended by the owners.

The well known red roan Springer bitch, "Erinville Judy" by "Ch. Lamonds Mike" ex "Marxy of Avandale" was recently bred to Dr. Lambert's stud dog "Silverdale Rye". Many happy returns of the day, were the wishes extended to the genial Charlie Cowell, who had a birthday celebration on the evening of the 12th.

The following Smooth Fox Terriers have left the Bonadale Kennels, Fort Garry, Man., "Bonadale Miss Valentine" has gone to Mr. W. I. Carse, Winnipeg, while Mr. R. M. Willis has become the owner of "Bonadale Mystery", both parties being pleased with their purchases. Enquiries are numerous at present for Smooths from this Kennel.

From Frank Gorth, the well known old time Cocker Spaniel breeder and exhibitor, comes the news that he is raising two nice puppies, sired by "Ch. Detonator of Belmont", ex "Manitola Goldie of Isla" a red dog and a particolor black and white and both doing well and please their owner at present.

The well known Dr. Snider, long associated with the veterinary practice in Moose Jaw and Winnipeg and now of Porth Arthur, Ont., has recently acquired from the Rosewood Kennels, Norwood, Man., a classy Scottish Terrier dog puppy sired by "Rosewood Rector" ex the good winning bitch "Invincible Airth" by "Ch. Normandy Airth". Also to a client in the same city a litter brother was sold by Mr. Altham to our old friend, Mr. Johnstone, Moose Jaw, a dog puppy, same litter and a very promising female, same litter, has been acquired by Mr. Richard Anderson of Winnipeg.

Mrs. Manchester, of Winnipeg, became the owner of a stylish dog puppy whose dam is "Invictor Ebony" and sired by "Ruglen Tam" by "Ch. Ruglan Rabbie". Three puppies from same litter have found new homes in Winnipeg and district. Buyers have expressed their satisfaction by letter to Mr. Altham.

A visitor to the stud force "Rosewood Rector" was the bitch "Snooky" owned by Mr. T. A. Smith, Secretary of the Greater Winnipeg Kennel Club. The good results from a previous meeting warranted a return visit.

A recent acquisition to the Deeside Kennels, West Kildonan, Man., was "Haldon Deeside Rose" sired by "Ch. Nosegay Cuckoo Bud" by "Ch. Gaisgill Nosegay" ex "Croindene Nosegay". Dam "Haldon Jass", sister to "Int. Ch. Haldon Minstrel". This youngster, a May production, is giving great satisfaction, being full of promise, the breeders being the Haldon Kennels, Guelph, Ont.

From Mrs. Williams, Old English Sheepdog fancier, Winnipeg, I learn, that her female "Raindrop" is now nursing 3 dog and 2 female puppies, sired by "Ch. Broadlands Blue Boy". All are nicely marked and clear in head with dark ears, healthy, strong and doing well.

Two nice young dogs, now growing their color coat, are in fine shape, and will be initiated to the show business in course of time.

They are by the same sire and dam as the above litter. The sire, who is cared for and kenneled by Mrs. Williams for the Silverdale Kennels, is at present growing a nice coat and some time will elapse before he is fit for the show bench.

A visitor to Winnipeg, recently, was Mrs. Pratt from Vancouver, B.C. For many years a successful breeder and exhibitor of Bulldogs in this city and still likes to see a good one and talk of those that made history. Of the many winners produced in her kennels Mrs. Pratt thought of "Guinea Gold", who started a winning streak for the Silverdale Kennels, but met misfortune on a trip to Chicago, when she passed out.

A companion is all that Mrs. Pratt keeps now in her B.C. home.

The Pekingese "Kirkfield Geisha" is nursing two extra fine puppies sired by "Sankow Chanteclair". Both are reds and excell in head properties and coming along in good style.

The black and white Cocker "Lily of Isla" has been mated to "Ch. Detonator of Belmont" and puppy's are due in the next week or so.

A visitor to the kennels, recently, was Bob Simpson, who had one of the Of Isla bitches bred to "Detonator" who is out in the country at Kirkfield Park, Man., the home and kennels of Mr. C. H. Wright.

Mr. Gray of the Aric Kennels, Winnipeg, reports the visit of Mrs. J. D. Wade's West Highland White "Ch. Cruachan Ben" to his stud dog "Bob of Edenside".

The monthly meeting of the Scottish Terrier Club of Canada was held Sept. 1st in the Majestic Hotel, Winnipeg, with a good attendance of members and visitors. J. Kay McKenzie presided and welcomed the visitors. Minutes of previous meeting adopted as read. The Secretary, Mr. A. Gos-

tick, informed the meeting that all obligations, specials, etc., sponsored by the Club and members at the recent exhibition had been complied with. Preliminary suggestions were many for a Specialty Show, and it was decided to proceed with that object in view. Mr. Tom Kane and Mr. Geo. Kynoch were appointed to ascertain information regarding benching and location for show and report next meeting. Three new members were admitted. Quotations were submitted by the Secretary for club buttons and the order will be placed in the hands of Mr. Hutchinson, Winnipeg.

A special prize for show was donated by Mr. Saidman, Heavensgate Kennels, Canora, Sask., who we were glad to have with us as a visitor.

The monthly meeting of the Greater Winnipeg Kennel Club was held in the Majestic Hotel on Sept. 8th, Mr. Harold Bentley in the chair. Minutes of previous meeting adopted as read. Considerable discussion was indulged in re the show held in the Hudson Bay store in February and it was hoped by next meeting that the points under discussion will be amicably agreed upon, and greater care exercised when accepting associates in show events in the future. The ladies of the club are now arranging for a social evening and it is expected by next meeting that plans will be launched for the event.

We regret to report the loss of the Chow Chow, "Chang of Green Gables", who was killed in an accident recently. Big things were expected of this dog who was one year old, and had gone Reserve Winners to "Kin Wong" on the two occasions he was shown. He leaves 3 pups of his get behind to make the loss easier to take. The well known Scottish Terrier, "Haldon Roundelay", apart from his recent wins, is proving his worth as a sire and is leaving his mark on all the puppies he has sired to date. Of the many youngsters in the Green Gable Kennels, there are four which grade select and they will find their way to the show yard in course of time.

Dr. R. H. Virploeg, Denver, Colorado, is now the owner of the English Setter bitch, "Ch. Pride of Arthurlie", secured from her breeders, Mr. and Mrs. Corson, of Winnipeg. In color, a lemon belton. "Pride" was always attractive on the bench and a nice shower in the ring and recently attained the championship status.

Mr. G. L. Wright, Winnipeg, has purchased a blue belton dog puppy sired by "Dewain of Avondale" ex "Nora of Arthurlie" from his breeders.

A black Pointer bitch arrived at the Arthurlie Kennels on Saturday 12th from the Southern States, in nice shape after three days travelling and is slated to leave on the 13th by car, accompanied by the Corson family, who are holiday bent, to the training camp of Mr. Olson, Mair, Sask. Said to be a good worker in the field, and with a few wins to her credit in the show ring, a proven breeder and now in that condition success is what we wish you all in the new purchase.

We wish to join in congratulations to the winners of championships, recenty, noted from the C.K.C., namely, the Shamrock Kennels, St. James, Man., The Arthurlie, Ornetzie, Elgin, Cromwell, and Silverdale Kennels of Winnipeg.

We regret to announce that Bill Nixen, owner of the Cocker Kennels, Silver Heights, Man., met with an accident while at work and will be confined in the General Hospital, Winnipeg, when he enters on the 14th to be operated upon. A speedy recovery is what we all wish for.

An important sale took place on Saturday at the Silverdale Kennels, when the Scottish Terrier bitch, "Janet", became the property of Mr. and Mrs. John D. Wade, of the Ornetzie Kennels. Many have been after this female and money speaks, and to see Jack Wade deal out a stack of

ten dollar bills, one was tempted to say happy days are here again.

"Janet" was bred by Dean A. M. Shaw of the University of Saskatoon, her sire being the imported "Rosehall Rector" by "Ch. Heather Fashion Hint" by "Ch. Heather Necessity". Her dam, "Ruadh" by "Ch. Normandy Airth" ex "Inverurie Belle" Imp. "Janet" with her fine breeding will and should suit the kennel's stud "Ornetzie Simon", who is also classically bred. With seven points to her name now, it should not take long to make the grade and we are pleased to know "Janet" stays in town.

The Cromwell Kennels, Winnipeg, have been active of late and report the visits of females owned by Mrs. Reid, Mrs. Davies and Mr. Petersen of Winnipeg, all wires and bred to "Cromwell Invasion". Sales of puppies to Mrs. Williams, Mr. G. Buckley and Mr. G. A. Allen are recorded, all being males.

The Pekingese, "Sankow Chanteclair" Imp., by his recent win at the Exhibition show, has attained the points which admit of his now being named champion.

"Nankin of Cromwell" is nursing a fine litter of 4 males to the new "Ch. Sankow Chanteclair", who has been visited by the following matrons: H. Johnson's "Wee Lady", Miss Milner's "Nada", Mrs. Jamieson's and Mr. Ainsworth's. Orders for young stock have been received from Mr. Jones of North Dakota and from Mrs. Walker of Sacramento, Cal.

Mrs. G. F. Christie's "Goldwyn Jolly Maid" is nursing a fine litter, all males, sired by the well known Pom. Ch. "Elnor Mite"," while visitors to the same sire have been Mr. Thompson's "June" and owner's Ch. "Sandhills Cherry" who is in the condition of expectancy. From this proven matron many fine specimens have been bred, and a tempting offer is now to hand for her daughter "Cromwell Golden Fairy" (3 lb. weight), whose sire is Ch. "Elnor Mite." At the Exhibition show she made her debut, taking winners, best toy puppy, best female puppy all breeds. Rich Orange in color, fine in bone, short in back, well carried plume and neat well set small ears and abundant coat.

The inmates of this successful Variety Kennel are all in first class condition, the quarters are well appointed, and equipped with hot water heat, etc.

"Jefferson Little Lady" showed to perfection at the recent Fort Garry Show to win: Open bitches, winners, best of winners, best of breed, best in toy group and finally to reserve best in show. Three trophies were captured by the "Little Lady", namely:

"The Harmony Trophy" for reserve best in show and the two new trophies offered for first time.

"The Tail Waggers Trophy." Reserve best in show and "The Kamel Trophy" for best dog or bitch in show. Bred and owned by exhibitor.

A handsome medal donated by Mr. Fred Walkerdine, accompanied the Kamel Trophy to commemorate this win.

Mrs. Staniland reports good sales of her Poms, both locally and south of the line, where she was tempted with a good offer to part with the sweet little Pom, "Jefferson Honey Boy", who was recently shown and winning honors.

INT. CH. JUBILEE SEE ME GO

This celebrity of her breed has been the cynosure of all eyes, as her career on both sides of the line has established something of a record in Boston Terrier history. Her Canadian championship was obtained by being awarded Winners at the Canine Breeders and Exhibitors Show, 1935-1936, Central Canada Exhibition and Canadian National Exhibition, 1936. The brilliance of this performance was only exceeded by her prowess across the line, where in the keenest competition she won this year, Winners, New York, Cleveland, Youngstown, Ashland, Ohio, Wheeling, West Virginia, and Toledo, adding for good measure Best of Breed at Youngstown and 1st in non-Sporting Group at Ashland. She was bred and is owned by Mrs. Martha Stevens, Toronto, Ont.

CANADIAN DOGS SOLD

Mr. Joe Viner of Chicago, Ill., U.S.A., made his first appearance in Canada as a professional handler at the C.N.E. Dog Show. His purchases included the Irish Terrier "Ch. Newtownards Daredevil" from Mr. W. T. McCord of Clarkson, Ont. "Daredevil" for the steenth time won Best of Breed. The Smooth Fox Terrier "Ch. Clarkson King Pin" was another buy from Mr. Oliver T. Parkin of Clarkson, Ont. "King Pin" also landed Best of Breed. "Icanwin", another of the same breed and who touched Reserve Winners Bitch, made up the trio. She was purchased from Mr. Geo. Ward, Albany Kennels, Oakville, Ont. Following the Hamilton Show the next jump for Mr. Viner and his string was to Glendale, California, where he commenced on a five-show circuit.

IMPORTS

SCOTTIE

Mr. Gordon S. Bennett of Toronto has imported the year-old Scottish Terrier "Heather Sensation" from the kennels of Mr. Robert Chapman, Glenboig, Scotland. Through his sire, "Heather Realization", and his dam, "Heather Whisper", who is a daughter of "Crich Certainty", he can boast of two crosses of the great "Ch. Heather Necessity". Mr. Bennett has our sincere good wishes that his purchase will prove to be a "sensation" in every sense of the word.

OUR FRONTISPIECE

The English Bulldog, "Kamel Moravian Mainstead" (Imp.), owned by Mr. Reg. P. Sparkes, Toronto, Ont.

Here we are introduced to yet another importation from Great Britain by Mr. Reg. P. Sparkes. "Mainstead" is just a youngster still in the junior stage and arrived in the Dominion practically unheralded and unsung for he has never been shown. His bow to the world at large is a matter for the future, for he has made no public appearances. This statement does not mean that his light previously has only existed under a bushel. To those in the know he has been something of a prodigy since early life, and there were several would-be buyers at a price. When Mr. Sparkes was advised of him the transatlantic telephone was immediately called into operation, and in less time than it takes to write, this "Moravian Mainstead" was secured for the Kamel Kennels Limited. We are not at liberty to disclose the price paid for him, suffice it to say that it was no doubt the highest figure ever handed over for an unshown Bulldog. The speaking or barking likeness of "Mainstead", which we present and which makes it unnecessary for us to describe him, and the preview which we were privileged to have immediately on the youngster's arrival, convinced us that the photo taken when he was eleven months old does anything but err on the side of flattery. His sire is the stud dog of the period. "Champion Basford Revival", who has to his credit an almost record number of champion sons and daughters. Through his dam, who was sired by the late "Ch. Sunbarry", his blood lines are further enhanced and his third generation contains the names of "Ch. Boltonia Barrister", "Ch. Dunscar Draftsman", "Ch. Silent Jill", and "Ch. Glenalmond". "Mainstead" is a proved sire.

Alberta Notes

By Provincial Contributing Editor,
S. W. FOSTER,
9617 101st St., Edmonton, Alta.

WE wish to start this month by making a small request of the Alberta fanciers. Many of you no doubt have noticed in previous issues of Kennel and Bench where one of the points insisted on by the recently appointed improvement committee was that the magazine be in the mail not later than the last day of each month, and in order to comply with this request it will be necessary for the Provincial correspondents to have their notes in at an earlier date, and we have received notice to this effect from the new editor, Mr. Swann, so that we in turn pass the request on to the fanciers. We very greatly appreciate the splendid cooperation we have received from many of the fanciers, especially of late, and hope it may continue to improve. And believing that on the average it is as easy to forward the news one time as another, we would be greatly pleased to receive your notes by the tenth of each month if possible.

We are very pleased to receive another letter from Mr. John E. Hunter of Calgary. It contains a rather belated, but we hope not too late, notice of a dog supposed to have been stolen from the Dog Show building, Victoria Park, Calgary, on or about July 11th, 1936.

Description. Whippet female, white, slightly marked with black, ears marked black, the left ear being quite black. Eyes, black markings around left eye. Black markings along the back, three in number, about size of silver dollar pieces. Age about two and a half years. Answers to name—Queenie.

Mr. Hunter again brings to the attention of all fanciers the dog show to be held under the auspices of the Children's Hospital Aid Society, in the Hudson's Bay Store, Calgary, November 6-7, 1936. It goes without saying that breeders and exhibitors will support the Second Annual Winter Dog Show, and make another great triumph for the Calgary C.H.A.S. who sincerely hope that a record entry will be forthcoming. The secretarial duties of the show are in the capable hands of Mrs. Fred F. Filteau, 1301 Frontenac Ave., Calgary, Phone W-4388, who is leaving no stone unturned in her efforts to secure every success for her society's second show, in aid of the Children's Hospitals. Entries close finally October 25th.

Mr. Henry Repp gives a glowing account of the Saskatchewan Field Trials which he thinks may be considered as having beaten the record of all field trials held in the West. Henry also had the added pleasure of travelling to and from the trials with his friend Mr. Jack Miller who was one of the judges, and they report having a real trip.

We have just had the pleasure of a week-end visit from Mr. W. "Billy" Quilly, accompanied by his two sons and Mr. Harry Arnold, well known Cocker specialist from Vancouver. Mr. Quilly, who judged the last dog show in Saskatoon, appears to have made quite a hit in the Saskatchewan city, as several letters he has received since his return home would go to prove. A letter from Dr. J. T. Cooper, Provincial Director for Saskatchewan, contains in part: "I am satisfied you did a good piece of work for us, and I admired the quiet, thorough way you went over all the dogs, and especially the way you refused to be influenced by ballyhoo or former placings."

Another letter from Mr. J. T. Kayser conveys the thanks of the Saskatoon Kennel Club expressed at a regular meeting. "Billy" is naturally very pleased with the feeling expressed in these letters. But they contain nothing to surpris those who knew him, at least in so far as having the courage of his convictions.

Another very friendly letter was received from Mr. "Monty" Wallace, who needs no introduction to dog fanciers in Western Canada. This letter contains news to the effect that Mr. Wallace is shipping a Newfoundland puppy to that good old lover of the breed, Mr. John Patterson of Edmonton.

But in addition to these letters of goodwill there was another letter from Jack Ayers of Saskatoon, that all of us would rather not receive, as it contained word of the death of that good dog lover and true sportsman Frank Jackson. Only two years ago Mr. Jackson was an exhibitor at the Edmonton dog show. At that time he was president of the Saskatoon Kennel Club. Together with J. J. "Jesse" Howe they motored to Edmonton with quite an entry of dogs. And Mr. Howe being a fellow Chesapeake fancier we naturally spent quite a lot of time together, and while as a result we may feel that we knew him better than some, we know that we are voicing the feelings of a great number of Alberta fanciers and others when we express very great regret at his passing.

Mr. Quilly reports business quite brisk around his kennels these days. There is a litter of four Wires by Mutual Perfection ex Varscona Tip Top, and two by Eastborne David ex Varscona Select. Also a litter of five Smooths by Clapton Revolt ex Calgaree Nanette. One of these has already found a new home in Saskatoon, and another in Calgary. A wire has been shipped to Mr. Vic. Ingram, Postmaster at Cameron Bay in the far northern mineral belt, and two Wires are to go to Fort McMurray.

As for Mr. Quilly's fellow visitor, Mr. Harry Arnold, who is spending a vacation visiting relatives and friends around Edmonton. He will be remembered by some for quite a number of years, and later by many others when he visited the Edmonton Dog Show with a string of Cockers from the Pacific Coast in 1934, at which time he was successful in placing Ch. Sweetheart of Ware (imp.) at the head of the sporting group.

Ch. Sweetheart of Ware was purchased at that time by Mr. and Mrs. M. B. McColl and is still an inmate of their "Aberfeldy" kennels.

By the way Mr. and Mrs. McColl have just recently returned from a very pleasant holiday at the Pacific Coast, where they visited a large number of the leading kennels and made many new acquaintances among the fanciers. Among the kennels visited were those of Mrs. M. F. Pickford, at which kennel they saw a nice red cocker female bred by the former Edmontonian, Arthur Wright, this bitch being a litter sister of Magart Wendy. now owned by Mr. and Mrs. Ralph Smith of Edmonton. Some of the other kennels visited were those of Harry Dodds, Dr. W. F. Daw, Col. and Mrs. Davidson, A. S. and Mrs. Dainard, J. A. Blair, W. F. Cleator, W. T. Oates and many others, besides having very pleasant visits at the homes of two former Edmonton fanciers, W. C. Burns and Arthur Wright. Mr. McColl was rather disappointed that he was unable to meet W. A. and Mrs. Rhodes of the well known "Of Moray" kennels, both being away at the time. However, he is very pleased by the way in which they were received by the dog fanciers of the Coast cities, and is particularly anxious to express his appreciation of the effort to make their visit a pleasant one by Mr. T. P. Murray, provincial contributing editor for

British Columbia, and also Mr. Malcolm, representative for "Pet" Dog Food.

At the kennels of Mr. and Mrs. McColl we find among the Cockers, Ch. Sweetheart of Ware (imp.) and her litter by Boy Blue of Chalvey, of which five remain, and one male, a nicely marked black and white, is a real standout and if he develops with even a fair amount of his early promise he is sure to be heard from later. There is also a very nice blue roan male around six months by Merrie Napoleon ex Darky Ware of Aberfeldy, she by Romeo of Moray ex Sweetheart of Ware. Then there is Fidaltas June, a very nice red roan recently purchased from Mr. and Mrs. Ralph Smith and already showing in whelph to "Merrie Napoleon". Besides these Cockers there is the veteran of the kennel the good Springer bitch, "Ch. Belmos Betty", also recently bred to Mrs. G. H. Laycock's "Quantock Rusty," he by Ch. "Belmor Count."

This brings to mind the tragic accident which happened at the Quantock Kennels recently, resulting in the death of the well known bitch, "Ch. Quantock Vale of Kent". It seems that for some time "Vale" had been in the habit of climbing at will over the wire fencing around the kennel yards, and this time a snap attached to her collar caught on a top wire, and while it is probable she would have been dead before being found, yet in her struggles she turned several times in one direction, thus twisting her collar so tight that she choked rather than hanged. Mr. Rawlings has our sympathy in a loss which is a real one at best, but must seem much worse due to the circumstance.

Some few months ago it was mentioned that Mr. J. R. Benson of Edmonton, owner of the "Pastime Kennels" had arranged for the purchase of a West Highland White Terrier female from the "Bencruachan Kennels" of Mr. and Mrs. Victor Blochin, Aurora, Ont., and that she was being held in the East until she was bred before being shipped, so we had a call from Mr. Benson just the other day to announce that she had arrived. She had been mated around the middle of August to Ch. "Bencruachan Cotopaxi" and is a really nice little Terrier. Since the arrival of the female Mr. Benson has purchased a male from a party at New Westminster, B.C. This dog, "Bobby of Rushmore," 125560, was bred by T. S. Robinson, Toronto, and is sired by Fraich (imp.), his dam being Frauin (imp.) "Bobby of Rushmore" as a senior puppy went to best of breed at Hamilton Kennel Club Show, April 27, 1935, and also best of breed at the Junior League Show, Vancouver, November 16, 1935. This little Terrier is in wonderful bloom at the present, and while it is not for us to say here which of Mr. Benson's pair we like the best, we will however say that should either of their former owners fear that they are not in good hands, they may set their minds at rest, as we think their new owners would make a splendid manager of a home for dogs. Mr. Benson still retains his interest in Scotties, and we noticed in his kennels a very nice male puppy sired by Ch. Littlebury Barty (imp.) ex Ishbel of Isla. This puppy has been sold to a party at Jasper, Alta.

Mrs. M. D. Gardner has shipped her Scottish Terrier female, "Haldon Tambourine", back to Dr. Batt's kennels to be mated to one of the "Haldon" Studs. We have not learned which dog will be used, as the choice is being left to the judgment of that successful Terrier breeder, Dr. H. E. Batt.

Mr. R. A. Cross has just recently shipped his royally bred little Wire bitch, "Talaurora Indicated," by Ch. "Gallant Fox of Wild Oaks" ex "Signet Subrette" (imp.) to Dr. Boulding's kennels, where she was bred to Ch. "Talavera Symington."

The Labrador fanciers again merit a place in the news. Mr. W. C. Bradburn has purchased from a party in British Columbia a male Labrador that is said to be thoroughly field trained, and should also prove a valuable stud force, as he has the breeding and is a pleasing individual. Lacking the massiveness of some dogs of his breed and built on somewhat racier lines, he still has many qualities that stamp him as a decided improvement over many we have seen. Bred by the well known breeder, Capt. R. Leckie Ewing, of Ewings Landing, B.C., he is registered as "Okanagan Skippy," sire Barnaby of Bryn, he by "Banchory Jock" (imp.) ex Stigma (imp.), Banchory Jock's sire being Dual Ch. Banchory Bolo, this also brings the breeding close to Dual Ch. Bramshaw Bob. Dam of Okanagan Skippy is Okanagan Nell, by Ingleston Nith, ex Gays Vesta (imp.)

At the Victor Kennels of Mr. and Mrs. H. V. Clutton we find about half a dozen well grown puppies all ready to start light work in the field, while several of the older dogs have just been returned from the well known trainers, Lloyd Bros. of Greenlawn, Alta., where they have been getting a final brushing up on their field work preparatory to starting the hunting season. Mr. and Mrs. Clutton plan an extensive hunting trip which will take them east into Saskatchewan, and they expect to take several of their

NERVY, traffic shy, a tendency to fits or hysteria; a dog troubled like this is useless for show work or breeding, and makes a poor and unreliable companion. But this nerviness can be conquered. Leading Vets. and Dog Breeders in England declare that 'nerves' can be quickly and completely banished by a course of *Karswood Dog Powders.*

Karswood Powders are a scientifically-balanced blend of tonic salts and nerve foods. In the EIGHT ingredients are included, phosphorus for the nerves and muscles; iron for the blood; sulphur for the skin; iodine for the glands; tonic salts and correctives for the bowels, liver and kidneys. Karswood Dog Powders can end doggy ailments and *keep* a dog in 'champion' condition.

Karswood Dog Powders are an excellent tonic and pick-me-up for dogs of all sizes and breeds.

dogs along and hope to interest some prospective buyers while in the field.

We also hear that Mr. Harry Nash, president of the Edmonton Dog Fanciers Club, once more has some Labrador puppies in his kennels, sired by his "Crailing Don" (imp.) and their dam "Bonnie Rig Belle" (imp.). We understand the litter is small in number, but hope this will be made up in quality.

Another last minute note from Calgary says: There are kennelled at Captain Harwick's kennels at Glenbow around thirty dogs. Sporting dogs of various breeds account for two-thirds of this number. All of these dogs are in readiness for the shooting season which opens in a few days. The remainder are German Shepherds owned either locally or by the Captain, with the exception of two. One is from the Province of Quebec, and he is owned by a member of the Quebec Provincial Police, and the other is owned by Dr. J. W. Ogawa of Honolulu. As both of these dogs are to have a very thorough and complete police training it is not expected they will be returned to their owners before next spring.

CARNIVAL DOG SHOW AT TIMMINS, ONT.

The Legion Fall Carnival included a dog show which was sponsored by the Timmins and District Humane Society and this northern town on Monday, Sept. 14th, went entirely to the dogs. Such enthusiasm was aroused that there is already talk of forming a local kennel club and a dog show under the rules of the Canadian Kennel Club, is included in the programme for 1937.

Seventy-five dogs were present on this occasion. Best in Show, English Bulldog, Mr. A. A. Vine's "Rock Boy", a son of "Champion Marwell Shamrock". Best Puppy went to Mrs. Dewar's Cocker Spaniel.

The judges were Messrs. John K. Massie and W. J. Mitchell. Mr. M. McKillop of the Prevention of Cruelty to Animals Society, acted as superintendent.

ALL TERRIER SHOW IN TORONTO

Saturday, Nov. 14th, is the date of the All Terrier Show sponsored by the Canadian Fox Terrier Association. President R. McAdam and a strong working committee have decidedly everything well in hand. Mr. H. G. Lepman, of Chicago, Ill., U.S., who will judge is well known here. His last appearance on the wool-sack in the Dominion was at the Hamilton Kennel Club Show a couple of years ago. The Trophy list is assuming large proportions and includes one for Best in Show and one for Reserve Best in Show. Mr. Jas. Eccles, the popular secretary of the Hamilton Kennel Club, is in charge of this department, Mr. W. McDerment, ring steward, Mr. Alex Craigie, show superintendent. The membership drive put on by this association has received good results, and so it should. Anyone joining from now on receives full member privileges until Dec. 31, 1937.

CANADIAN WOMAN OPENS NEW YORK SHOP

Having bred, owned and shown Manchester Terriers for many years, Janet Mack, born in London, Ont., decided to go in for dogs as a paying hobby just five years ago. The first endeavors in this direction were under the roof of Abercrombie & Fitc.., in New York City, where she acted as kennel maid-of-all-work, latterly selling dogs and trappings for them. After one year with "the greatest sporting goods shop in the world", as modestly stated on their own letter-head, Miss Mack hung out a shingle for herself: "Councillor and Consultant to Dog Owners".

Dog exercising: a dog feeding service: canine paying guests: plucking, bathing and grooming were a few of the chief services dispensed. On September 15th, with a substantial clientele established, Janet Mack is opening in New York City the first shop to be devoted exclusively to dogs and their many needs. "The Dog's Own Shop" occupies an entire ground floor on Perry Street near Loew's Sheridan Theatre. In the rear a large garden will be converted into a city canine camp to fill the long felt need of city boarding other than in cages in veterinary and hospital accommodation quarters. Dog foods and a select line of everything the dog wears, in addition to accessories and supplies, will be on display. Which reminds us that "Grenadier Brass Hat", Best of Breed, Manchester Terrier, at Morris & Essex, 1936, was bred, owned and shown by Miss Mack.

British Columbia Notes

By Provincial Contributing Editor
T. P. MURRAY
4854 Lanark St., Vancouver, B.C.

AUGUST 29th on board the C.P.R. Steamer Princess Joan, bound for the Nanaimo Kennel Club Show, are the following fanciers: Mrs. R. W. Hatley, Mrs. J. Howard, Mrs. W. R. Willgress, Mrs. Gladys Peers, Mrs. G. O. Alsen, Mrs. W. Mounfield, Miss Pauline Olsen, Mr. and Mrs. C. M. Butler, Mr. and Mrs. Findlay, Mr. G. Blair, Mr. Al. Blair. Mr. Vic. Williams, Mr. Cliff Lumb, Mr. Evan Gravell, Mr. Jonathan Davies, C.K.C. Director, Mr. J. A. H. Irving, Mr. and Mrs. S. Dainard and our well known American fancier, Mel Willgress from Seattle. A beautiful day for crossing the Gulf of Georgia and a swell crowd to travel with, and to top it off, the best show on the Pacific Coast for a long time; this seemed to be the general opinion of all concerned on the way home. Judge Sandy Forbes had done a good day's work.

Sept. 3rd, the opening of the Vancouver Exhibition Dog Show, with Judge Frank Walsh, of Winnipeg, making the awards. Not a large show in numbers of dogs benched, yet their was plenty of quality; the three-day show does not seem to appeal to the fanciers generally, particularly when you come to compare the number of entries in a three-day event against the entries of a one-day event.

Best in Show at Nanaimo was awarded to the well known Sealyham Terrier, "Ch. Felscourt Startler" (imp.), owned by the Tulloch Kennels. He is by "Nutfield Successor" out of "Manorbier Minse" and was bred by Miss H. Thomas, England.

Best in Show at the Exhibition Show was awarded to the Irish Setter, "Ch. Derrys Hope", owned by Mr. C. McCaughey, of Vancouver. "Derrys Hope" is sired by the well known "Ch. Tzouhalem Trail Blazer", and is out of "Aintree Cariboo Peggy".

Best in Show at the Vancouver Kennel Club Show held on Labor Day, Sept. 7th, which was the largest show of the three, was awarded to the Sealyham Terrier, "Ch. Abarard Repeater", bred, owned and shown by the well known local fancier, Jonathan Davies. He is by the internationally known producing Sealyham, "Ch. Felcourt Fox-Hunter" out of "Ch. Rawnsley Repute", however, he was certainly put down right and handled to perfection by his owner. There seemed to be a great deal more interest taken in the judging of this show than at the two previous ones for the ringside was crowded with exhibitors and other spectators at all times, the Terrier group and Sporting being particularly interesting and after the final award of Best in Show had been made the general opinion seemed to be that Judge J. C. Fletcher had given the dogs a real going over and that he had done a very good job.

MISS RUBY ERNESTINE YET
Vancouver, B.C.
With "Mitzie von Kluck (C.K.C. 22330), Group Winner at Canada Pacific Exhibition and Vancouver Kennel Club Fall Show.

Miss Margot Robertson of the Drumadoon Kennels informs me that sales have been very good indeed during this year, and that the following dogs have gone to new owners: "Titherton Tingle" to Mr. D. Campbell, of Victoria, B.C.; "Drumadoon Demure" to Mrs. B. Davidson, of Victoria, B.C.; "Drumadoon Dale" to Mr. Blannin, of Colton, California, who is also a breeder of Sealyham Terriers, and expresses his satisfaction with "Dale"; "Drumadoon Digger" to Mr. Brennan, of Seattle, Washington; "Drumadoon Drifter" and "Drumadoon Drake" have been sold to Mrs. Dickson, of Shanghai, China; "Ch. Satterfield Satyr" has been purchased by Dr. Arthur Hogg, of Winnipeg, Manitoba, and the promising youngster, "Drumadoon Double Flight" is now the property of Mr. Frank Duford, of San Francisco, California. There are quite a few youngsters of much promise at Drumadoon by "Nutfield Senator" out of "Ch. Brampton Buttercup" and also "Nutfield Souvenir", and I understand that very shortly we shall hear of a new importation, a real topping bitch in whelp, here's hoping so; the keener the competition, the greater the win.

The Of Dene Kennels inform me of a nice litter of parti-color Cockers, sired by "Critic of Colwyn" out of "Penelope of Dene", 2 males, 2 females, and they are very attractively marked, they are now 3 months old and very promising. Another female of much interest is "Lovely Rose of Dene", sired by "Old Ironside of Dene", out of "Windridge Antonia". She is now 7 months old and will soon be ready for competition. Another red female is "Goldilocks of Dene", by the "Gladiator of Dene", out of "Sonia of Dene", and is worth watching.

Very interesting visitors to British Columbia during the month of August were two very well known fanciers from Edmonton, Alberta, Mr. and Mrs. McColl, and it was my privilege and pleasure to visit one or two of our leading kennels with them during their visit to our city, and we paid a most interesting visit to the B.C. Packers plant at Stevenson, where we saw thousands of the well known B.C. Sock-eye Salmon being unloaded at the plant prior to being canned.

I am asked by the officials of the Junior League Kennel Club to make the following remarks: The Annual Junior League Show, of All-Breeds, will take place on Saturday, November 21st, in the usual place, Beatty Street Armouries. The judges will be, Robert Nolan, of San Francisco, for all Terriers and Mervin Rosenbaum, also from San Francisco, for all other Breeds. All the proceeds of this show will be devoted to Junior League Charities as in former years, and full particulars may be obtained from the Secretary, Miss Jean Russell, 7250 Hudson Ave., or telephone Marpole 195.

A very interesting afternoon parlor show this month was held at Drumadoon, Cadbora Bay, Vancouver Island, through the kindness of Mr. and Mrs. Fred Robertson. Approximately 90 dogs were exhibited and a splendid crowd on hand to see the judging of Mr. J. C. Woodend, formerly of Winnipeg, and Mr. T. P. McConnell, of Victoria, B.C.

Best in Show was awarded to Mrs. M. Carlson's Wire-Haired Fox Terrier, "Shandy Gaff".

Best Sporting—J. R. Clark-Geoffrey's "Laddie" (English Setter).

Best Working—Quandella Kennels' "Quandella Utz" (Shepherd).

Best Toy—Mrs. Reese Burns' "Chang of Burnside" (Pekingese).

Best Non-Sporting—Beatrice Griffin's "Don Quixoto" (Boston).

Best Brace—Miss Margot Robertson's Sealyhams.

Excellent organization was apparent in every detail of the show. Mrs. J. R. Clark, the Secretary, being general convener, and having as assistants, Miss Margot Robertson, Mrs. B. Davidson, Mrs. B. Buckley and Mrs. B. N. Woolston. Judging commenced at 3 p.m. sharp and continued until 6.45, when refreshments were served and so ended another wonderful day.

Sporting dog fanciers are making preparations for a few good days outing in the near future. First, the Springer Spaniel Trials which are to be held on Sunday, Oct. 4th, and also the English Setter Trials which are to be held Sept. 27th, at a place to be named later.

A letter received to-day from the Poplar Kennels in Abbotsford, B.C., informs me of several very promising youngsters (Springer Spaniels) sired by "Richard Coeur De Lion", who was placed best of breed by Judge Frank Walsh at the recent Vancouver Exhibition Dog Show, and quite naturally Mr. Busby is hoping that there may be a real good one amongst them. Here's hoping there is.

Mrs. E. Fawdry of the Arbutus Cocker Kennels at Cobble Hill, Vancouver Island, informs me of the sale of "Arbutus Golden Swallow" and "Arbutus Juliette" to Mrs. E. D. Serris, Sagethorpe Ranch, at Harrop, B.C. Another red female has been sold to Mrs. E. B. Duke of the Bushy Ruff Kennels at Patricia Bay, Sidney, Vancouver Island. Also a few red males have been disposed of to various fanciers on the Island. Good work say we. Keep it up.

This time we receive a note from a very well known American fancier of the Merry Cocker — the Windridge Kennels of Everett, Washington, informing me that they have sold the seven-month old bitch "Windridge Red Robin," to Mrs. E. Fawdry, of Cobble Hill, Vancouver Island, and that her new owners are quite pleased with her. She is sired by the well known American "Ch. Sand Spring Red Rust", he being by that great producer "Red Brucie," her dam being also of Sand Spring Breeding.

My next report is from a new member of the Canadian Kennel Club, Mrs. M. Hamilton Henry of Powell River, B.C., who informs me of a very nice litter of Scottish Terriers, sired by "Gaisgill Nicotine," the dam being "Merstone Kelpie," who I am informed produced eleven puppies at her first whelping. Mrs. Henry would like to know if this is a record whelping for a Scottie bitch. So now you Scottie fanciers let's hear from you, and on behalf of the fanciers of B.C. I wish you much success in your future efforts. Referring to the last paragraph of your letter Mrs. Henry, may I suggest telling the fanciers of your stock through Kennel and Bench.

I wish to make considerable mention this month of a very attractive bench display which I am sure everyone noticed at the Vancouver Exhibition Dog Show. I refer to that very fine Chinese fancier and exhibitor, Mr. W. E. Yet or in other words (Ernie) and his Dobermans. Many of us have watched him for the past two years and this much we have to concede him, he sure is a real sport, win or lose. I believe his good bitch "Mitzie Von Kluck" who was placed best of breed and finally best of working group at both the Exhibition show and also the Vancouver Kennel Club Show has finished her championship, and so congratulations Mr. Yet. The first importation of this ardent fancier was the dog "Rolf Von Lackanblick," who is by "Sgs Ch. "Muck Von Brunia" ex "Lil Von Luxenburg," his pedigree being very interesting, the male line being I understand, all Seiges and Champions, and intensively Blankenbury bred. Time or space does not permit me to go into details of recently acquired stock, however, I believe our Doberman fanciers agree with me when I express the wish for your continued success.

Another attractive display was the booth of the British Columbia Packers, whose product was attractively arranged at the entrance to the judging room and under the personal charge of Mr. W. Malcolm. Many were the splendid remarks passed upon this brightly lit Neon sign during the shows. Good work, keep it up. And now to prepare for Victoria on September 26.

CHAMPION FRANK OF AVONDALE II.

This English Springer Spaniel, as his name implies, was bred by the Avondale Kennels of Winnipeg. Whelped May 16, 1932, he was purchased whilst

still a puppy by his present owner, Mr. W. F. Cleator, President of the English Springer Spaniel Club of British Columbia. Sired by the Eastern bred Champion "Lammond Mike," he can boast of eight champion ancestors in his first three generations.

EVANSVILLE ENTRY WINS DOMINION BIRD DOG STAKE

"Air Pilots Sam", white and liver Pointer, owned by L. D. Johnson, of Evansville, Ind., and handled by Ed. Farrier, of Union Springs, Alta., recently won the all-age stake of the Dominion bird dog trials near this southwestern Manitoba town.

Second place was won by the Pointer, "Wicomico", owned by Jacob France, of Baltimore, Md., and handled by C. H. Harris. "Chimes Mississippi Jack", owned by Col. B. C. Goss, of Cleveland, and handled by George Payton, Michigan City, Miss., placed third.

"Air Pilots Sam", which won the Saskatchewan championship at Moose Jaw recently captured first place with a fine exhibition in a second series trial against the Pointer, "Farmwood Yankee", owned by U. M. Fleschmann, New York.

The stake had 51 starters. The judges were Dr. T. W. Shore, of Booneville, N.C., and H. C. Sutter, of Kansas City, Mo.

DOG RACING IN CANADA MAY BE LEGALIZED

Minister of Justice Lapointe has promised to give consideration to a petition from London asking legalization of Greyhound racing in Canada with $2 pari-mutuels, G. A. P. Brickenden revealed on his return here from Ottawa. Mr. Brickenden presented the petition, bearing 3,000 signatures, on behalf of the Western Ontario Greyhound Racing Association.

MR. MITCHELL COMES TO TOWN

Mr. W. G. Mitchell, of Timmins, called to see us on his way to Peterboro to buy some Springer Spaniels. From Mr. H. S. Routley he purchased a brace, "Trent Valley Dash" and "Trent Valley Chum". They are half brothers, both being sired by "Trent Valley Lucky Chance". On his way home, Mr. Mitchell stopped off to see the Toronto Exhibition Dog Show, and all in a day's job, as it were, he won the Cocker Spaniel puppy put up as a catalogue premium.

ACCORDING to reports, the Hungarian partridge are not as numerous this season as they have been in recent years, while prairie chicken appear to be on the increase. Evidently the native bird is better able to withstand the severe weather such as was experienced here last winter, due mainly to the fact that much of its food consists of berries and buds that remain above the snow, whereas the imported birds have to scratch through snow right down to the earth in order to obtain the necessary food and grit.

Whether these reports are accurate or not will not be definitely known until the shooting season actually opens, for until the young birds are strong on the wing these game little birds have an uncanny habit of remaining unseen. One thing I have noticed this year is that the number of birds to a covey is of a high average. The exceptionally dry summer has evidently been favourable to the nesting birds.

Hunting with well trained dogs enables one to appreciate their usefulness in locating these elusive game birds. An experience I had last fall can be cited as an example.

Out shooting with a companion who was accompanied by his well trained pointer we were about to enter a quarter section of wheat stubble when we were informed by a dogless hunter who was just leaving this field, that it would be a waste of time for us to hunt there as he had just walked all over it without finding so much as a feather. We decided to try it anyway and inside of an hour I counted nine different coveys of "huns" that the dog located on these same one hundred and sixty acres.

A letter to hand from Mr. Hugh Greenhorn of Milden, Sask., brought back memories for it was about four miles south of this town, just twenty-five years ago this fall, that I enjoyed my first duck shoot in Canada. Having set forth alone, I was just turning the corner of a field of standing grain on my way to the lake, when I came upon four fully grown coyotes standing about thirty yards away. They appeared to be quite unafraid as they stood gazing at me. Stories I had heard of how these prairie wolves sometimes ganged up and attacked human beings came to my mind. For me to turn and run I thought might give them the necessary courage to attack, so I retreated as quickly as possible, walking backwards. The flat stretches of prairie land adjacent to Milden are especially suited to the training of bird dogs, which is probably one reason why Mr. Greenhorn favours the English Setter. His "Ch Blue Lady" a daughter of Dr. Robbs, "Ch. Blue Dans Pat" is well known around the western shows. Her litter sister "Blue Gipsy" has a promising litter of eight puppies, three males and five females, born July 27th, sired by "Robbs Racketts Boy."

Mr. B. J. Perry Lurgan Kennels Regd., Saskatoon, a consistent supporter of Western shows, has recently purchased two Irish Terrier females, also two male puppies from Mr. W. Hoy, Saskatoon. One of these puppies has already been resold to Mr. Garden at Wolsely, Sask. The other is being retained by Mr. Perry. Another male puppy of this breed has been sold to a customer at Mortlach, Sask.

Mr. J. C. Mitchel, the "Wheat King" from Dahinda, Sask., an interested visitor to the recent Saskatoon show, informed the writer that jack rabbits were so numerous in his locality they had become a pest. This he attributed to the killing off of the coyotes. A brace of Borzoi's are used on his farm to keep the rabbits in check. Mr. Mitchel considers these dogs superior to the greyhound for this work as they use their nose to advantage and are faster on the turn. Our visitor went on to say that while the dog shows held in conjunction with our summer fairs were not as successful as they were a few years ago, he felt that the show giving clubs were doing the right thing in continuing to stage these shows. In his opinion a good crop in the West was all that was needed to bring them back to their former status.

Readers of Kennel and Bench with an eye for a good Springer, no doubt appreciated seeing the excellent photo of Ch. Dunoon Daphne, that appeared in last month's issue. We could do with many more such unretouched photos of outstanding specimens of other breeds in our magazine. It isn't every fancier who is able to travel around to see all the good ones and much can be learned from a good photograph, especially in regards to type.

Now that the shooting season for water-fowl is in full swing, many dog fanciers will be heading for their favourite lakes to hunt the wily mallard, etc. A couple of incidents, if related here, might possibly be the means of preventing accidents such as would mar the pleasure of any shooting party.

A few seasons ago I was one of a party of seven out for an early morning duck shoot at two lakes, situated just north of the small town of Asquith, Sask. With the morning flight ended we were gathered near the shore of one of the lakes watching one of our companions retrieving his ducks. "Frank" was one of those hunters who had no use for a dog. Having gathered up the shot birds he was returning to shore through mud and water about up to his knees. Suddenly he disappeared completely beneath the water. Loaded down as he was with heavy clothing and hunting equipment it is doubtful if he would have succeeded in getting out had not immediate help been available. Evidently a farmer had dug a well here at one time when the water was low. There are many similar death traps around western sloughs and a word to the wise is sufficient. A dog of one of the retriever breeds would make light of such work, besides adding to ones enjoyment.

Now a word or two of warning on behalf of your dog.

"Dyed in the wool" duck hunters seem to take a delight in relating incidents of how their dog accomplished some excellent feat, such as breaking ice in late fall to make a retrieve. Breaking ice is alright. It's when the ice is of sufficient strength to carry the dog that danger appears.

A friend of mine who owns a splendid Retriever of the Chesapeake breed went forth to hunt near the end of the season, accompanied by two other hunters. The day was bitterly cold and the large lake at which they were shooting was frozen over with the exception of a spot near the centre where the water was still open. Several birds were shot, most of them falling into the water. With the shooting over, the hunters appeared in a joyful mood as they watched the Chesapeake plunge into the water to retrieve the ducks. But their happiness gave way to consternation when it was seen that "Dan" could not climb back on the ice. With a duck in his mouth he made repeated attempts, only to fall back into the water each time. With no available assistance within miles and the dog gradually losing his strength, his owner finally laid down flat on the ice at much risk to himself and by reaching out with his pumpgun, managed to place the end of the barrel through the dog's collar, and helped him back on the ice. Attention Mr. W. Malcolm

Dear Sirs:—

It gives me a great deal of pleasure to be able to advise you that your "PET BRAND DOG FOOD" can take considerable credit for the recent win of my Sealyham Terrier, Champion Abarard Repeater, awarded best dog in show, all breeds, at the Vancouver Kennel Club's Fall show of Sept. 7th, 1936.

Your food is truly a balanced ration and I think no more fitting comment can be made than to say it is the food for Champions.

I can assure you that I can certainly recommend it to any breeder or fancier who might be looking for a real good dog food.

Yours very truly.

remove the collars from their dogs when hunting, but in this instance a collar saved a life. I have heard of two other incidents where the dogs were actually drowned. In each case the dogs being powerful Irish Water Spaniels.

News for this page should reach me not later than the eighth of the month as my notes are required in the Toronto office not later than the fifteenth. I would especially appreciate some news from breeders of the Toy and Non-Sporting varieties, also from all fanciers residing in the Southern part of the province. As I have said before, my intention is to make this page representative of all sections of the province. Without your co-operation this is impossible so let me hear from you. My address will be found at the top of this page. I am at your service.

Many fanciers throughout the three prairie provinces will hear with great regret of the death of Mr. Frank Jackson, Saskatoon, who passed away on August 23rd last at the age of fifty-two years. The late Mr. Jackson was well known as a breeder and exhibitor of English Bulldogs. As a member of the Saskatoon Kennel Club, he had rendered much valuable assistance, having acted as show superintendent on different occasions. Mr. Jackson joined the Canadian Kennel Club in 1932. He imported "Moravian Mutineer" from Mrs. M. Boyd Buckle, of England, in 1930. He exhibited him at Western Shows, completing his championship at Regina, 1935. His "Lady Diana of Marmadot", another prize winner, secured her eighth point towards her championship crown at Saskatoon this summer. I am sure all those who knew him will join in extending to Mrs. Jackson and family our deepest sympathy in their great loss.

IMPORTS SCOTTISH TERRIERS

Rev. George A. Dickson, D.D., Metropolitan Church, Toronto, has returned from a two months' sojourn in Scotland, and brought with him three better than ordinary Scottish Terriers. Outstanding is the bench show winner "Rosehall Asset," bred by Mr. Wm. Crawford, Falkirk. This smart two year old bitch is in whelp to Ch. "Albourne Black Magic," and her litter is expected in mid-October. "Rosehall Asset" has won over 30 first prizes at shows across the "big pond" and outstanding are 3 firsts won under Mr. Robert Chapman at Cheltenham, 3 firsts under Dickinson at Bath, 3 firsts under Singleton at the Great Joint Show, and firsts under Johnston at the Ladies' Kennel Association, London.

CANADIAN DOG'S SENSATIONAL JAUNT

"Ideal Weather," Old English Sheepdog, owned by Mr. Len Collins of Toronto, took a flying tackle at American competition at four consecutive shows recently. His bag included Winners and Best of Breed, Tuxedo Park, N.J.; Winners, Best of Winners, Best of Breed, Westchester, N.J.; Winners, Best of Winners, Best of Breed, 1st Working Group, Somerset Hills; Winners, Best of Winners, Best of Breed, 1st Working Group, Cup for Best dog in show, all breeds, Camden, N.J. We extend congratulations to Mr. Collins on his dog's success and also to Mr. Alf. Loveridge who had him in charge.

GREYHOUND RACING AT TORONTO

The Greyhound Breeding, Racing and Coursing Association of Canada, will hold a racing meet at Riverdale Park, Toronto, on October 12th, at 2 p.m. The course will be three hundred and fifty yards and four dogs will run in each heat. The sweepstake will be made up of the eight dogs making the fastest time and will be the closing event o fthe meet. Maritime Notes

ANOTHER bench show of the N. B. Kennel Club has passed into history as one of the most successful. Much credit is due to Mr. John Scott, the superintendent, for the layout of the show. The building, which had been decorated by Mr. Robert Orr, presented a neatly attractive appearance, side walls and ceiling being artistically decorated in tones of purple and gold, the club colors. These provide a cheery and effective background, while on the judge's table members of a family proudly gazing at the family pets, a Pointer and a Wire-haired Fox in miniature, the handicraft of Mr. George P. Orr.

While the quantity was not up to expectations, the quality throughout was most gratifying. There were 149 dogs benched with 291 entries. The groups were headed by:

Mr. E. V. Turner's Pointer, "Easco Ridgewood Scout"; Mr. A. V. Martin's Collie, "Norandas Sensation II"; Miss A. J. G. O'Brien's Sealyham Terrier, "Netheredge Nickle"; Mrs. Colonel G. Simms' Pekingese, "Ch. Duskie Chog of Mawnan", and Mr. Edwyn M. Wright's English Bulldog, "Bashford Whiteman".

Despite the very high quality of the contestants in the ring for the Best of Show, Judge Pym went over them with his usual care and keenness that marks his work in the ring, and found best, in that beautiful majestic Sealyham Terrier, "Netheredge Nickle", shown in wonderful coat condition by its owner, Miss Alice J. G. O'Brien, proprietress of the Cardigan Kennels of Halifax, N.S.

Mr. Wm. J. Farren, of West Saint John, has recently acquired that sterling little Boston stud dog, "Katinka's Kid Boots Again", from a leading kennel in Vermont.

Mr. Alex. Thorburn is getting a very select collection of Bull Terriers together at his kennels, in Sussex, N.B.

The Glen Falls Kennels, Mr. Ralph Preston, owner, is a busy establishment. Ralph has nearly 50 dogs housed at his kennels, and reports several sales during the past month, especially Wires, which are in great demand.

Mr. William F. Kiervin has had his fine young Wire bitch bred to Mr. S. E. Kominsky's Hallwyre Hardy Punch, and is looking forward to having something well above the average.

Mr. Frank Shute has a wonderful collection of Springer Spaniels at his Sunstead Kennels, Fredericton, N.B. His two males, "Domestic of Avondale", by "L'lle Donson" out of "Ch. Marvello of Avondale" and "Bellmoss Marquis" by "Ch. Marol Duke of Errob" and out of "Int. Ch. Bellmoss Countess" are making a name for themselves as sires. Mr. Shute has some puppies and youngsters that are much above the average, sired by the above two studs and out of bitches of the finest English and American bloodlines. Stock from this kennel are finding a ready market for all that are available for public purchase.

The last issue of Dog News, American, carries mention of the Maritime's pioneer Bull Terrier fancier, Mr. Jas. D. Whitely, and prints an extract from Mr. Whitely's letter which is as follows:—"I have been in the breed a good number of years and quite recently added a Colored to my kennel —probably the first registered Colored in Canada. Bull Terriers are doing well up this way and I feel sure the new variety is going to boost the breed and double the Bull Terrier entry at our local shows. It was a considerable shock to the old-timers around here when Mr. J. P. Thompson and myself started the Whites twenty years ago. I have had them ever since, some good, some bad, some indifferent."

This just about describes the case but I believe that Mr. Whitely has owned more good ones than otherwise and this is particularly true of the past several years. I have not yet been able to secure any information on the Colored dog mentioned in the letter, but hope to be able to give details later.

Mr. Fred O'Connell has purchased, from the writer, a smart little red and white Cocker Spaniel bitch puppy out of a litter by "Thetford Jolly Mistie" and sired by "Thetford Tiny Tim". This makes two of this litter to go to Mr. O'Connell, the other being a very promising black and white dog pup. These two, along with the good young black and white bitch, "Thetford Joan", obtained from Mr. J. T. McCallum's Thetford Cocker Kennels, will lay the foundation for a nice select kennel of Cockers that will probably be favorably heard from in the near future. Mr. O'Connell has spent many years with the breed and has a keen eye for a good specimen and we await with interest his first litter from the lines he has chosen, which are comparatively new to this Province.

Another one of this litter, "Burnleigh Jock", has gone to Dr. A. Ernest Doull, of Halifax. This is a red and white dog of much promise.

Halifax is not without its stray dog problem and has, on many occasions, been faced with the question of handling this situation. During the early months of 1933 the problem became rather acute and, as a consequence, a meeting of the Halifax Health Board was held and an effort to draft ways and means of coping with the mongrel strays resulted in the passing of a by-law known as Regulation No. 14 of the City Board of Health of Dog Kennels. This by-law was Gazetted on March 1st, 1933, and was previously published in Kennel and Bench. The writer believes that this will bear reprinting and is presenting it for the benefit of those concerned. It is as follows:—

Regulation No. 14
of the City of Halifax Health Board
of Dog Kennels
Gazetted March 1, 1933.

Be it enacted by the Halifax City Health Board as follows:

1. In this regulation the expression:
"Board" means the Halifax City Health Board.

"Secretary" means the Secretary of that Board.

"Inspector" means any Sanitary Inspector appointed by the Board.

"Adult Dog" means any dog more than six months of age.

"Kennel" means any premises where five or more adult dogs are kept for sale, purchase or exchange.

2. No person shall maintain a kennel without first having obtained a permit from the Board. There shall be a fee payable therefor on application of fifty cents. Any such permit shall be in force until the first day of May next succeeding the date thereof when a fresh application shall be required, but no fee shall be required on a renewal thereof. The Board may cancel any permit at any time.

3. No kennel, without the approval of the Board, shall be maintained in any building.

4. Any kennel shall at all times be subject to inspection by an inspector and shall be maintained in a clean and sanitary condition to his satisfaction.

5. Every application for a permit shall specify the premises on which it is proposed to maintain the kennel and the number of dogs proposed to be kept therein, and that number, or such num-

ber as the Board sees fit, shall be specified in the permit and no greater number of dogs shall at any time be maintained in that kennel. In computing the number of dogs puppies less than six months old shall not be included.

6. Every person who maintains a kennel without having obtained a permit or a renewal permit therefor shall for each day during which a kennel is maintained be liable to a penalty not exceeding five dollars and in default of payment imprisonment for a period not exceeding one week.

Passed by the City Health Board at a meeting held on the 14th day of February, 1933.

Arthur C. Pettipas,
Secretary, C. H. B.

It is not necessary for me to make any comment on this by-law other than to point out that it is impractical and poorly drawn up, insofar as it does not serve the purpose for which it was intended and would tend to contribute to the stray problem rather than assist in remedying present conditions, which are now of such a serious nature that it is quite probable that Section No. 14 will be subjected to considerable criticism in the not far distanct future.

We note that Major E. P. Flower's Irish Setter, "Sport Goldenrod", completed his Championship at the Bedford Kennel Club show. This makes two with this title owned by Major Flowers. The other is the well known "Ch. Mike Haliburton", who, when a couple of years younger, was a consistent runner-up for best in show awards.

I wish to correct an error that appeared in my report of the group winners at the Bedford K. C. show. I previously reported that the Best in Show award, Mrs. Margeson's Pekingese, "Mickie of Toytown", was given the top award over Mr. A. V. Martin's Collie, "Noranda's Sensation". Mr. G. D. Anderson's excellent Scottish Terrier, "Glen Garrell Skipper", finished second best in the final award. It is my pleasure to report that this great little Scottie has completed his championship.

Another new champion from the Maritimes is Mrs. Margeson's winning English Toy Spaniel, "Ch. Amo's Bundy".

A meeting of the Nova Scotia Kennel Club was recently held at the Board of Trade rooms in Halifax. A fairly large number of members were in attendance and attended to considerable business. It was decided to hold a one day point show in Mayflower Rink, Halifax, and the date was set for Saturday, October 24th. Mr. Nelson was appointed Show Secretary for this event and the Club President, Mr. C. A. Power, was appointed Show Superintendent. This will be a one day event, held in a suitable location, and will commence at three o'clock in the afternoon, judging to continue until the final award. We are pleased to note that Mr. J. T. McCallum's Cocker Spaniel, "Thetford Jock 2nd", completed his Championship at the New Brunswick Kennel Club show, recently held in Saint John.

On the evening of Sept. 11th a number of members of the local kennel clubs gathered at the home of Mr. A. V. Martin to meet Mr. Pym, of Vancouver, who so ably judged the Saint John show a few days previously. Mr. Pym met some of the newer members and renewed acquaintances with many others and made many friends in the Maritimes. A capable judge and a thorough gentleman, with the interest of the fancy at heart. All in the Maritimes will welcome a return engagement of this gentleman to the East.

It is with much regret that I have to report that, owing to circumstances beyond my control, I am obliged to discontinue my writing of the Nova Scotia news and take this opportunity of expressing my sincere thanks to those who have so kindly assisted me during the past sixteen months and would ask that they give the same consideration to Mr. Gerald G. McCarthy, the Maritime Correspondent. Until further notice Mr. McCarthy will handle all news from both Nova Scotia and New Brunswick and I am sure that the full co-operation of breeders in the two Provinces will be greatly appreciated by him.

BOSTON TERRIER CLUB OF BUFFALO

Many Canadians are planning to attend Annual Specialty Show of the Boston Terrier Club of Buffalo. On Sunday, October 25th, at Buffalo, New York, the Boston Terrier Club of Buffalo will hold its 26th annual specialty show in the Knights of Columbus Auditorium, on Delaware Avenue. Last year saw the largest group of Toronto exhibitors and fanciers attending that has ever been present at a Buffalo show.

The local club this year has secured the services of Mr. Charles P. Squire of Chicago, Ill. Mr. Squire has remained inactive for a number of months upon request of the Buffalo club. His able and efficient handling of dogs in the show ring should assure him of a record turnout.

The premium list includes a cash special in every class in addition to class money which the Buffalo club has always given. There are also several valuable trophies to be awarded.

The annual judges' dinner will be held at 6 o'clock in the evening and fanciers are invited to attend. Entries close on October 14th and the secretary, Harry J. Brogan, of 362 East Utica Street, will be glad to mail a premium list to anyone requesting it.

KENNEL ACTIVITIES AT AURORA

Talaurora Kennels is a veritable hive of industry these days—many kennel improvements—larger runs are being constructed.

Our latest litter by "Crackley Smasher" ex "Harecote Harmony", an imported bitch by "Ch. Tal. Simon" ex "Talavera Patchwork" are a treat to see.

"Talaurora Venus" is in whelp to "Ch. Talavera Symington".

"Ontario Reliance" is bred to "Tally-Ho", and a lovely Gallant Fox maiden has been mated to "Talaurora Tally-Ho".

These matings should produce some further winners for Talaurna.

Mr. Wm. Adair, in charge of the kennels, will be glad to show visitors any of the dogs and puppies any time.

DOUBLE-HEADER FOR ROUGEMONT

The recent show at Ottawa, Ont., saw the Rougemont Kennels of Toronto complete two championship records when their Wire Fox Terriers, "Wire-clad Major of Glynhr" and "Miss Springtime II", by their wins assumed the right to the title. A kennel mate, "Ch. Warwell Wrusty", supplemented their efforts by taking Best of Breed and Best Terrier in Show. Congratulations.

WINS HONORS IN ALL-AGE STAKE

"Highland Dumpkin", a dog owned by Dr. L. O. Crumpler of Danville, Virginia, won the All-Age Stake, the opening event of the third annual field trials of the Saskatchewan Field Trials Association.

Second place went to H. E. Eyster's "Uncas Flying Devil". Mr. Eyster comes from York, Pa. Both the winner and second place dog were handled by W. D. English.

"Spunky Creek Farmer" owned by Mrs. Nina Billingslea of Catoosa, Okla., handled by Mack Pritchette, and "San Hill Dick", owned by H. W. Hart of Wichita, Kansas, and handled by John Parker, tied for third place.

The winning owner received $691.85 in stake money while the second dog received $518.15 and the two third place dogs divided $276.75.

A start was made with the Derby Stake for which 17 brace of dogs are competing and two brace underwent trials before the light failed. This event will be continued tomorrow with the open Saskatchewan championship to follow and then the amateur events.

WINS OPEN EVENT

"Air Pilot Sam", owned by L. D. Johnson and trained and handled by Ed. Farrior, won the coveted open professional event at the dog trials of the Saskatchewan Field Trials Association held at Buffalo Lake, 30 miles north of this city. The dog won $947 in stake money. Runner-up was "Ten Brock's Bonnet", owned by W. V. Knowles of Houston, Tex., and handled by Clyde Anderson. Stake money amounting to $236 went to the runner-up. This completed the professional events in the trials, which are now down to the amateur events for Western Canada.

Judges were W. D. English of High Point, North Carolina, and Dick Young of Houston, Texas. Seven and one-half brace of dogs competed.

LOCAL DOG CAPTURES TWO AMATEUR STAKES

"Boots", owned by W. G. Ross, K.C., M.L.A., captured the R. L. Hutchinson cup by winning the Amateur Derby stake Sunday, as the third annual Saskatchewan field trials were brought to a conclusion.

All Western Canadian amateur events were completed in the one day's running to conclude what competing dog owners called "by far the largest trial ever held in Canada."

Second in the Amateur Derby stake was "Spunky Creek Jennie", owned by R. L. Hutchinson, and third was "Blenheim Sonorias", owned by J. Burkinshaw, Saskatoon.

* * *

In the Amateur All-Age competition for the Dr. David Low cup, J. Burkinshaw's "Blandford Sonarius" placed first. "Hagels Nell", owned by William Little, Rosetown, placed second, and R. L. Hutchinson's "Spunky Creek Jennie" came third.

Mrs. James Small, Moose Jaw, directed J. Burkinshaw's "Muntaz Sonorias" to victory in the ladies' amateur shooting dog stake, and W. G. Ross' "Boots", handled by Mrs. Ross, placed second.

J. Burkinshaw's "Muntaz Sonorias" annexed its second win of the day by capturing the W. L. Joyner Memorial cup, emblematic of victory in the amateur shooting dog stake.

Two Moose Jaw-owned dogs took first and second places in the Cocker and Spaniel trial, with the winning Plaxton cup going to "Blackie", owned by Moran Rutherford, and second place being awarded to "Rip", owned by P. W. Graham.

The Boston Terrier, International Champion "Jubilee See Me Go," lifted Best in Show, all Breeds, at London and Leamington within five days. Congratulations to Mrs. M. Stevens of Toronto, owner and breeder.

C.N.E. DOG SHOW, TORONTO

Of all the attractions provided in Exhibition Park at Toronto during the two-week carnival of the Canadian National Exhibition, the Dog Show stands out as one of the headliners. With an increased entry, more exhibitors, visitors by the thousand and a comeback spirit in evidence during the whole three days one more dog show has joined the field of past events that will be added to our store of historical values. The opening (Labour Day), saw the weatherman introduce some vagaries of conditions that no doubt told against the gate, but whilst the ordinary variety of sightseer may have been reduced in numbers, the fancier fraternity and their friends were out stronger than ever once again emphasizing the fact that the dog show at the Toronto Exhibition is the rendezvous for the Dominion. The commodious building had been tastefully touched up in holiday garb and the stream-line effect obtained by the top rails of the judging rings and benching front boards being picked out in red added a brighter finish to the whole. The judges all toed their mark and their duties being run off strictly to schedule, it was satisfactory to everyone interested to know when the various happenings would take place. The presence of the Chairman of the Dog Show Committee, Mr. A. A. Macdonald, and his co-directors, during the whole show until the last slip was handed in on Wednesday night was another noteworthy attention. The presence of the officials of the C.N.E. and their friends during the closing scenes of Group judging gave further evidence of the drawing powers of man's best friend.

Geo. Steadman Thomas—Best in Show and General Specials.

Ring Stewards—J. W. Bruce, W. A. Price, J. Waggitt, Joseph Perkins, W. Unthank, W. L. McGill.

Judges of Obedience Tests—Mr. H. McDowell and Mr. Z. Joyce.

The entry of six hundred and fifty dogs was quite an increase, not only on the show of 1935, but it is nearly a decade or more since we had such a splendid showing, and on this occasion quality was quite in keeping with the size of the turnout.

Mr. Peter Herd, a master of detail in dog show management, with a faithful henchman in Mr. J. McNaughton, President of the Toronto Kennel Club, and a competent staff operated the show well.

For the first time in dog show history the opening was introduced by the Obedience Tests. Previously, these interesting exhibitions have been relegated to the second or even third day and held during the quietest hours, so the 1936 innovation of bringing them forward as the opening number will give those devotees of canine brain culture added incentive and the crowded ringside during the running of the various tests should provide further encouragement to the promoters.

Sporting breeds produced the palm in numbers with 65 Cocker Spaniels, followed by 34 Beagles. Working Breeds were headed by 32 German Shepherds, 16 Collies came next.

Terrier Group was topped by 29 Wire Fox Terriers, 25 Irish Terriers in the next place provided the surprise entry of the whole show.

Non-Sporting breeds saw 40 Boston Terriers on top and 30 Bulldogs in second place.

Toy Group—48 Pekingese had as followers 18 Poms.

The judging of the Groups and General Specials.

Best in Show was followed closely by a packed ringside and the enthusiastic outbursts following the various decisions gave ample proof of the keen interest displayed.

The final line-up for the crown of Best in Show was Mrs. D. E. Thomas' Old English Sheepdog, "Champion Mistress Fay of Pastorale". The heroine of the show a year ago this celebrity did not look her best. She had lost some face furnishing and she did not display her usual fine gait. Miss Laura F. Delano's Irish Setter, "Clondeen Girl of Knocknagree", just a good sort, whose front kept her handler busy. Mrs. Henry Stroh's Pekingese, "Champion Chinky of River Valley", in grand coat this little chap never looked better. Mr. Edward F. Maloney's Scottish Terrier, "Heather Gold Finder", seven years old and looked it. He was not in top bloom. Mr. Reg. P. Sparkes' Bulldog, "Champion Junior's Juno", he never looked so well. The Scottish Terrier went up with the Bulldog placed Reserve. Mrs. R. McColl's Harlequin Great Dane puppy, "Alva Schatzie", was the sensation of the evening. She won no less than 7 General Specials and Best Puppy in Show, but the award that made her Best Canadian-bred, any age, was the startling judging of the whole show.

HAMILTON KENNEL CLUB SHOW

The Barton Street rink housed the Fall fixture of the above club under Canadian Kennel Club rules and success surely attended the effort with the largest entry in years, and a fine day encouraging for the attendance was responsible for large crowds, particulary that of the evening session. The judging was carried out by Mr. Enno Meyer, of Milford, Ohio, U.S. Of the nearly 250 dogs benched, the outstanding breeds in numbers were Cocker Spaniels with 28; Boston Terriers, 21; German Shepherds, 20; and Wire Fox Terriers, 19. The officials had everything in order. Mr. Jas. Eccles, Secretary, Mr. T. Cocker, Superintendent; Assistant Secretary and Superintendent, Mr. G. Lawless, and an exhaustive committee with Messrs. W. Foster, G. R. Day and T. Frankland, Ring Stewards. Judging commenced at 11.15 a.m. and the last slip was handed in at 2.30 a.m. the following day. The preparatory ring that was to supply the judging enclosure did not function as it should, and Mr. Meyer, who stuck to his guns admirably, in fact his first recess was not until evening, and a very short one at that, took up too much time with non-apparent problems and it was generally conceded early in the proceedings that it was going to be a long drawn out affair. In the 12½ hours of our attendance

there was no evidence of any bursts of speed in the proceedings, and it was a weary lot of dogs and their owners who had to stick it out. We did not see any of the closing competitions. The Wire Fox Terrier, "Champion Warwell Wrusty", was awarded the crown for Best in Show. Boston Terrier, "Int. Ch. Jubilee See Me Go", went fast enough to win Best Canadian-bred, whilst the Great Dane puppy, "Alva Schatzie" continued to maintain her apparent strangle hold on juvenile competition by once more lifting the Special Prize for Best Puppy in Show.

NEW BRUNSWICK KENNEL CLUB SHOW, ST. JOHN, N.B.

Impressions of the Show

The large clean judging ring with exceptional daylight, as well as ample artificial light, gave a most pleasing impression upon entering the building.

Artistic decorations adorned the judging ring, and it was noticed that several benches were appropriately decorated. The effect achieved was evidence sufficient that this feature could be further developed, and imitated by other show-giving clubs to advantage.

The dogs as a whole were a very fine lot. The attention given to them by the individual owner's expressed the true fancier spirit, and would indicate that every day is show day with Maritime exhibitors.

This Club is fortunate indeed in having such a competent secretary as Mr. S. E. Kominsky, and a hard working committee, as well as the veteran superintendent Mr. J. A. Scott, and Veterinary Ralph Preston, Sr.

Space would not permit a detailed resume of all the dogs exhibited, but one could not refrain from expressing admiration for such an even entry of Pointers; Irish and English Setters, Cockers, Irish Water Spaniels, Springers, etc., in the sporting group. Great Danes were a show in themselves. This breed is obviously making wonderful progress in this community. One specimen in particular deserves special commendation, and that is the female puppy "Fawn Von Moritzburg," which was ultimately the best puppy in the show, and had she found her "ring legs" and had been presented as capably during the breed judging on the opening day as she was on the final night, the best of breed trophy would undoubtedly have been hers. Shepherds were a larger and better entry than is usually encountered at the average show, while the Collie entry, small numerically, was full of quality from which was taken the Working Group winner, A. V. Martin's "Norandas Sensation 2nd." A real one in excellent condition. The lone St. Bernard deserved competition.

Practically all of the popular terrier breeds were well represented with Scotties, Wires, Smooths, Bull Terriers in the lead in regard to numbers, and of excellent quality, yet Sealyhams supplied the group winner.

The non-sporting group was favored with a strong entry of excellent specimens of Bulldogs from Montreal. Edwin M. Wright's "Basford Whiteman" won the group. There were 13 Boston Terriers entered. It has always been this writer's conviction that it required two good ends and middle piece to construct a good dog. The creator intended that all breeds should have four good legs and feet. What does it profit a man to own but half a dog? Why do some breeders close their eyes to unsoundness? If a dog is built right, he cannot stand wrong. Proper exercise at the right time would work wonders with this breed in many cases. Best of breed was the typical sound middleweight, "Delmar's Bubbling Over", owned by George T. Kane, and won on the day with something to spare.

The Terriers shown on the reasonably long leash usually do full credit to themselves and owners. This contention was amply proven by the performance of S. E. Kominsky's best of breed winner "Hallwyre Hardy Punch," also the winners female, Garwoods Kennels "Hallwyre Heirloom," and the reserve winners dog, W. G. Smith"s "Burlington Bondman," and others. Sufficient length and texture of coat was duly rewarded.

Miss Marietta P. Clark won the championship points in both sex Irish Terriers. Mrs. J. E. Burns and Master John E. Wyld are also keen supporters of this breed.

Seven Schipperkes entered by Mesdames Smith, Rockwell, and Cassidy, suggests that the "skip" is well established in this community.

A galaxy of stars entered the ring for the final competition. Here was seen the Group Winners, the Pekingese "Ch. Duskie Chag of Mawnan" (owned by Mrs. Simms), on parade in all his glory. The Collie "Norandas Sensation 2nd" teeming with quality and poise. The Bulldog "Bassford Whitman" as majestic as a battleship. The stylish up and coming Pointer, E. V. Turner's "Easco Ridgewood Scout," and the beau brummel of the party the Sealyham, "Netheridge Nickel," owned by Miss Alice J. G. O'Brien. Each entrant was a contender from the first parade, but that grand little Sealyham could not be denied and he finished the race just where he belonged, best dog in show.

Three thousand three hundred odd miles from the Pacific to the Atlantic oceans is a long jaunt to judge a dog show, which necessitated passing through various climates and "believe it or not" it was also necessary to advance the time piece one hour on six different occasions to keep up with the prevailing current time. Yet be it on the Atlantic or Pacific seaboards good dogs are to be found, and genuine folks in abundance. It was a pleasure to be with you, and your frendliness is appreciated.

W. H. PYM.

Building decorated by the old veteran Pointer breeder, Robt. Orr, of Easco fame. Very good attendance. Weather bad. Judge very satisfactory.

OTTAWA DOG SHOW
AUGUST 26th, 27th, 28th

This was a good show, and the change of the dog days to those of the middle and latter part of the week worked wonders with the gate, the largest attendance in years being recorded. There was an increase in the number of dogs benched, and all in all this early Fall fixture rang down the curtain with a satisfactory echo. Mr. E. A. Runions, that experienced official, acted as superintendent, whilst the dogs were vetted by a quartette of local surgeons who issued a clean bill of health for all exhibits. Mr. Chas. G. Hopton of New York City judged the whole show. He has fulfilled similar positions at almost every important show in the Dominion and is well known and recognized as one man who can find the plums, whilst his timely advice always carries weight with exhibitors, and on this occasion the careful manner in which he made the awards was freely commented upon.

Mr. Hopton kindly furnishes us with the following:

The show was by far the best in numbers and quality ever seen here. The building has been much improved, the smooth cement flooring being on the Fair Ground level and it was the best ring I have ever worked in.

The final line-up of Group Winners for Best in Show was of a quality equal to that at any of our largest shows. They finished in the following order: Old English Sheepdog, "British, Canadian and American Champion Downderry Volunteer", in perfect coat and excellent movement. I make him, when fit, the best Bobtail I have ever seen. Wire Fox Terrier, "Ch. Warwell Wrusty", looking well, followed on. Next, a wonderful American Fox Hound, "Baldwin's Doolie", a rich mahogany tan, black and white; such balance, neck and shoulders with true front, and no Terrier ever had better feet, with deep, well-ribbed body and hindquarters like a wrestler. Look this one over. If her owner will only place her propertly she can beat them all. Pom, "Melbourne Supremacy"; a gorgeous orange in perfect coat. I think this about the best Mrs. Bruce has ever shown; what bone, feet, balance and style. We have few, if any, that can beat him? An English Setter, a very good Blue Belton, shown by Mr. A. C. F. Archambault. Some of the Breed winners were: Great Dane, "Senta Hexengold", about the best bitch alive; when walking can act stilty, but a real one and quite good enough for Best in Show. A very nice Airedale puppy, "Coleman's Jupiter of Fashion", needs time to mature in body; at present careless with his ears but a very promising sort. Four wonderful Beagles from Baldwin's Kennels that can win over here (United States). Two outstanding Boston Terrier bitches, "Jubilee See Me Go" wants about another half a pound on her then she can step. "Tam of Cairndania", a really good Cairn Terrier dog. A very massive but beefy Bull bitch, "English Champion Basford Elite". Some really good Smooth Fox Terriers. "Breakeyton Tanya", a tan marked bitch best, a shade light but extra good. A lot of good Wires, the top one I have already referred to. A wonder Great Dane puppy, "Ajax von Graf". Dane shown by Mrs. Russell G. Graul of Montreal. Best puppy in show and the best puppy of the breed I have ever seen. He should make history. (High praise indeed; congratulation to his breeder, Mrs. T. C. Hopkins of Toronto.—Editor). In Scottish Terriers, "Haldon Juanita, a nice bitch, was handicapped; she did not show well.

REPORT OF LION'S CLUB DOG SHOW, LEAMINGTON, ONTARIO
By the Judge

The second annual all-breed Dog Show, under C.K.C. Rules, was held at Leamington under the auspices of the Leamington Lion's Club on Saturday, September 19, 1936. The entire proceeds of this show are donated for the welfare of the crippled children in South Essex County. The entry was fair, there being about 120 dogs (twenty-one were not admitted because of late entry). No English or Irish Setters were entered, most of these being in training for the Field Trials.

Credit is due to Dr. E. K. Lyon, Show Superintendent and Secretary, and his Committee, for the staging of such a successful event. His right hand man, Mr. E. K. Brooker, President of the Lion's Club, particularly seemed to go out of his way to make everyone comfortable. This cause was a worthy one and their efforts were evidently well rewarded, to judge from the crowd of spectators attending the show. A special word of recognition is due to Mr. J. Handyside, who, as chief steward, rendered courteous and valuable assistance throughout the day.

The only fly in the ointment was that the judging ring was very small, owing to the size of the building and space required for benching. However, there was plenty of seating accommodation around the ring. This is one point which is often overlooked by show officials, and the lack of seating facilities could easily be rectified, adding to the comfort of the visitors who are worthy of this consideration.

In the Sporting Group, Springer Spaniels had the largest entry, followed by Cockers. The winning dog in this group was Mrs. Janet Paterson's Russian Wolfhound, Ch. "Romanoff Kasloff II." There was very little in it between the wolfhound and Mr. Conroy's Springer bitch "Dunoon Bonnie Doone." This bitch had recently left a litter of puppies, however, and was not in the best of condition. When in proper condition she will probably be able to hold her own in the best of company. The wolfhound, on the other hand, was shown in splendid condition and is a laster, being seven years old, and a credit to his owner-breeder.

In the Working Group, the Harlequin Great Dane, "Herold Von Ludwigs Kanel," owned by Mr.and Mrs. K. Wright, stood out like a sore thumb. This dog is one of the soundest Danes on the bench today. To be hypercritical, I would just like to see him a little better in head quality. He won his class with plenty to spare.

In the Terrier Group, Wire and Smooth Fox Terriers, Airedale and Scottish Terriers were well represented The winner of this Group was the Airedale bitch Ch. "Lamorna Princess Nobbler," owner by Mr. and Mrs. W. H. Humphries. This bitch improves with every show; she is of nice size and type, with a real Airedale coat and should do the breed a lot of good. The runner-up in this Group was Mr. and Mrs. G. P. Tilley's (of Detroit) Scottish Terrier bitch "Brynda." This bitch had a nice clean head with good eye and expression, good front with depth of brisket, well made body, good quarters, and harsh jacket. She did not make the most of herself, however, and had to pay the penalty.

The Yorkshire Terrier, "Byngo's Royal Masher, owned by Mrs. H. Riddock, won the Toy Group. This is a smart little dog with good coat, but rather faded; a sound mover, and was shown in excellent condition.

In the non-sporting group, Boston Terriers and English Bulldogs predominated, the winner being the Boston bitch Int. Ch. "Jubilee See Me Go," owned by Mrs. M. Stevens. This bitch is very sound, hard to fault, and was shown to perfection by her owner-breeder.

The awarding of the special for Best-in-Show required considerable thought, as the two final contestants, the Great Dane, "Herold Von Ludwigs Kanel," and the Boston bitch "Jubilee See Me Go," were both exceellent specimens of their breeds. In coming to a decision, point for point, on body formation, outline and symmetry, they were placed as equal; but when it came to head, the Boston bitch had something to spare and was eventually

awarded the trophy for best dog or bitch in show.

I would like to make the suggestion at this time to show-giving clubs, that in the group classes there should be three ribbon prizes. In some breeds an outstanding dog who meets with no competition in his own breed is eventually well placed and occasionally wins the group or is placed second or third, beating dogs who have met keen competition in their respective breeds. I think it would be appreciated by the exhibitors if first, second and third ribbons were awarded in the group classes, especially in large groups like the Sporting, where there is only one prize and some excellent specimens receive no recognition for being second or third in a class of this description. In some of these groups, there is very little, at times, between the first three dogs, and the awarding of second and third place ribbons would give the exhibitor something to show that his dog had met competition by being placed in the groups.

CHAMPIONSHIP FIELD TRIAL OF THE GERMAN SHEPHERD DOG CLUB OF CANADA, 1936

Manor Farm, Clarkson, Ontario, September 19th and 20th

The Field Trial Championship this year saw an innovation in that the tests were conducted during two days—Saturday and Sunday. In the past an early start has been required and it has been impossible to finish the judging until after nightfall, and the last dogs have invariably performed some tests in the doubtful light of motor car headlights. This year the trailing, retracking, and scouting were completed on Saturday and the balance of the tests ran off on Sunday. In the first three exercises a lot of room is required, and the gallery has to travel across fields practically incessantly. The Sunday trial was completed on the main field by the lake shore, which added greatly to the pleasure of the spectators on that day.

The weather on both days was ideal, which is by way of another innovation for the Trials, which have in the past not been favoured by the weatherman.

On the first day a comparatively small crowd was in attendance to see the five entries take the tests, but on the second day fully 150 people in over 50 motor cars attended the meet, and apparently enjoyed the day thoroughly. Many newcomers turned out and a fair portion of them no doubt saw

Field Trials for the first time, and judging from the enthusiastic comment will now join the ranks of the regulars.

The Judge, Mr. B. R. Stitt, London, Ont., made a thoroughly satisfactory job of his difficult task and pleased contestants and the public alike. After completion of the Trials Mr. and Mrs. Stitt were presented with a handsome entree dish to commemorate the 25th anniversary of their wedding, and to show the Club's appreciation.

First place and the Canadian Field Trial Championship was won by "Ch. Gai Cherie of Northmere," bred, owned, trained and handled by Mr. A. L. Gooderham . It was a popular and well deserved win, and completes "Gai's" laurels, as she is already a champion in the Bench Show world. She scored 442 points out of a possible 500, gaining the full possible in the gun test, retrieving over six foot jump, retrieving from the water, advancing on inaudible signal, following at heel through people and dogs, giving continuous voice on command, and standing for examination. She lost 1 point for faulty heeling in the retracking, 10 points in the trailing test, 20 points in scouting, where she failed to recover two of the three objects. She dropped, 2 points for requiring repeated commands in picking out one of five articles, 2 points for improper delivery in simple retrieving, 9 points for faulty heeling—and also 7 points for extra commands for going in ordered direction, 3 points in staying down for five minutes, as she ran to the guide on his appearance. She also lost 12 points for general obedience and demeanour.

Second place and reserve championship went to "Rum of Northmere," winner of the Companian Trial held last Spring. Rum, who is owned, trained and handled by Dr. Halderson, scored 409 points out of a possible 500, and turned in a faultless performance in retracking, gun test, retrieving over six foot jump, simple retrieving, retrieving from the water, making down while heeling, advancing and down on inaudible signal, heeling, through crowds of people and dogs, and staying down for five minutes and standing for examination.

He lost 20 points in trailing, requiring a second start, and failing to hold the first of the trail, although he completed it properly—allowance being made for a strong wind.

He also droppel 20 points in scouting, as he did not seem to understand what was required of him, and failed to find two of the three objects.

19 points were lost in picking out one of five objects, as he required a second start and dropped the object before delivery.

16 points were lost in giving voice continually, as he required added stimulus.

3 points for going in any given direction, as he required repeated commands.

14 points in general demeanour, for refusal to return to handler while chasing a rabbit which he put up during the scouting test.

Third place with 289½ points was taken by "Tillie von Rhein" — 1935 Champion, owned and handled by Mr. Thomas W. Lee. She scored perfectly in eight of the tests, but faulted severely on trailing, losing 45 points there; 20 points in scouting, and scored nothing in the test of picking out one of five objects.

Half point was dropped in retrieving over the jump, for a poor position at finish.

Five points in the simple retrieving as additional commands were required.

Four points because extra commands to go in a given direction were required.

Two points in staying down, as she rose to a sitting position on Mr. Lee's return.

Four points were deducted for general demeanour.

Fourth and fifth places went to Mrs. Levack's "Boots von Gettensby" and Ch. "Blue Magic of Northmere," (Field Trial Ch. of 1933) owned by Mr. M. S. Soules, scoring 370 and 369½ points respectively.

The Judge quite properly penalized faults severely, and in so doing will undoubtedly stimulate the trainers to greater effort. It was very noticeable that almost all the dogs turned in perfect or near perfect scores in the obedience work, but faltered badly in the service tests, which most city dwellers have not the same opportunity to practice as they have for the obedience work.

CHRISTMAS ANNUAL

Our special number for the Yuletide season will be published on the regular date, viz., December 1st. To enable us to do this, we will need and ask for your co-operation in every way. The photographing of kennels and their inmates should be carried out whilst the sunny days are still with us to obtain the greatest satisfaction. The earlier these are completed and with their accompanying reviews forwarded to us, the better will be the results.

Among the new features which will be introduced is the Club Section—with a department for the exclusive use of Specialty and All Breed clubs. An announcement with the list of officers, or a reservation made up of members' advertisements with the club heading. This will be set out in half-page reservations (there will be no limit to the number of pages available). As an additional benefit to our advertisers, those who have reserved one-half page or more before October 20th will be included in the listing in our November issue.

Christmas Number

There is no limit to our ambition as to the size that may be attained by our Yule Tide number and the quality of its offerings.

There will be no change in our advertising rates as set forth on page 3.

We can arrange for cuts to be made from your photographs at reasonable prices.

Reserve your space now, so as to be listed in our November issue.

Bits From Britain

The Kennel Club's 75th Championship Show will be held at the Crystal Palace, London, S.E., on October 7th and 8th. Every breed of championship status will be provided for in one thousand classes, and no less than sixty judges will make the awards. On the opening day fifty rings will be in operation at one time.

What next? Have you ever met a singing Pekingese? Well, neither had I till this week. But at Runnington House, which is situated at Wellington, Somerset, where Mrs. H. F. Northorp Lee has her kennels, I met one.

Six years ago Commander Lee gave her this one as a pet and she became so attracted by its character that she decided to go in for Pekingese breeding when they settled in Somerset.

But to return to the singing part. This old lady has quite definite likes and dislikes in music. Highbrow stuff leaves her cold—as it does some humans—but she has only to hear jazz played and, no matter whether she is in the garden or in another part of the house she will come dashing in, jump on the chair near the wireless, climb on the back of the cabinet and sing! Directly a vocalist starts she stops—obviously she thinks that the comparison would be unfair to him. When he stops she will take the song up again. Her favorite instrument is the saxophone.—Mr. Jas. Saunders in Dog World.

Are Two or More Judges a Success? There is one aspect of this best-in-show problem which seems to have escaped being dealt with; some of you may think that it is no part of the problem, but I think it is. I refer to the number of judges responsible for this award. Unlike the judicial practice in some other lines of livestock exhibiting, we in the dog fancy believe in one judge, and one judge only, being responsible for the awards in a one-breed section. In my day I have exhibited quite a lot under both systems, and I unhesitatingly give the palm for ability, even if it is no more than ability to give more general satisfaction, to the single-judge system. It is not only that in the single-judge system the one individual has to take the full responsibility for his awards (he cannot come out of the ring and pretend that it was his fellow-judge or judges who insisted on any particular placings, and if he had had his own way the awards would have been different); but having to take such sole responsibility, the judge concentrates on his judicial job to an extent I have never found him doing when he is sharing the task with another, or others. If the single judge is a success as a judge, we know whom to praise; if he is a failure, we know whom to blame. In dual or triple judging, the awards are often a judicial compromise, and that is my point against the system being applied, as it usually is applied, to the award of best in show.—Extract. Will Hally in Our Dogs.

Good men and true—Gallantry for the rescue of a dog was recognized recently at Portreath, when William John Dingle and Reg. Williams, both of Camborne, were presented with a silver medal and certificate.

It appears that a dog fell down the cliff at Portreath and was unable to get up. The men, at great risk, descended the cliff, but were unable to reach the little animal. Not being deterred they entered the sea and swam to the spot, reached the dog, and brought it ashore amidst applause.—S. Oatey, "Dog World."

Collie Wins Championship. "Loos", a Border Collie, is the champion sheep dog of the 400,000 acre track of the Romney marshland.

Working to the command of his master, Mr. J. Kerr, a shepherd from Iden, Rye, he won the Championship Cup for the best dog of any age at the annual trials of the Romney Marsh Sheep Dogs Society, at the Pilot Field, Hastings.—News of the World.

THEY GROW ON WHAT THEY EAT

Nature and the mother gave them a good start. But what they eat after they are weaned makes them or breaks them as grown-up dogs.

If you have a young pup, don't feed it trash. Feed it dog food—**real** dog food.

Ross-Miller Dog Foods are safe, sound and absolutely reliable. They contain what the nature of a dog demands. You don't want a rickety, half-dead, half-alive dog that succumbs to the first attack of some disease.

You want a hardy . . . active . . . healthy . . . lively dog . . . a dog that is all dog.

Build his constitution from the first with Ross-Miller Dog Foods. They are scientifically formulated. They contain the minerals and the vitamins a growing dog must have—that **all** dogs must have if they are to be any good. Feed young pups Ross-Miller Kibblo and Ross-Miller Midgets. When they are well grown swing to Ross-Miller Standard Biscuits.

For sale at Department Stores, Grocery Stores, Feed and Seed Stores. If you have any difficulty write us direct.

NAPANEE, ONTARIO

HIS way of saying "PLEASE!"

Just look at those pleading paws . . . and those eyes sparkling with anticipation,—anticipation of OVALS, his favourites. Artful fellow . . . he **knows** what's in that bag . . . knows from past experience the irresistible flavour and crisp crunchiness of SPRATT'S OVALS.

These little biscuits contain just those ingredients necessary to keep a dog fit and happy. The meat in them builds muscle; the wheatmeal promotes strength; while the crisp baking ensures thorough mastication, thus aiding digestion by the proper stimulation of the gastric juices.
