MEETING OF THE BOARD OF DIRECTORS OF THE CANADIAN KENNEL CLUB, JULY 20th, 1939

The regular monthly meeting of the Board of Directors of The Canadian Kennel Club, Inc., was held in the Board Room of the Club's offices, 25 Melinda Street, Toronto, on Thursday afternoon, July 20th, 1939, at 3.30 o'clock. The President, Reg. P. Sparkes, presided. Directors present included: Capt. H. Dudley-Waters, Dr. H. E. Batt, Mrs. E. Brown, B. W. Essery, K.C., Wm. McDerment and W. J. Risewick.

It was regularly moved by Mrs. Brown, seconded by Dr. Batt, and carried:

"That, the minutes be taken as read".

The Assistant-Secretary reported that in accordance with the instructions received from this Board the Minister of Agriculture had been written on June 3rd with regard to an understanding that in the event of the Canadian Kennel Club signing the present proposed Articles of Affiliation, the Club could withdraw as a "going concern" should it wish to do so at some future date. In the absence of a reply the Secretary had written the Department on June 8th and again on June 14th. On June 16th a communication was received from Mr. A. T. Charron, Acting Deputy Minister, in which he advised that the matter of affiliation was receiving the consideration of the officials of the Department, but due to the absence of Dr. Barton, through illness, it was felt that a reply to the Club's communication should remain in abeyance until his return. In the absence of any further reply to the original communication, the Assistant-Secretary had written the Department again on July 15th but up to the time of this meeting no reply had been received. In view of the Assistant-Secretary's report the matter was ordered to be left in abeyance to come before the Board of Directors again at their next meeting.

In order that the Directors could be aware of the progress being made in regard to the proper carrying out of the latest requirements for registration, namely identification, the Assistant-Secretary advised that each member in good standing received a letter from the Records Office dated June 1st, pointing out the requirements of the new Article on Identification. They were also asked to file a card with the Records Office stating definitely just what system they would adopt as their method of identification. The number of cards received at the Record Office in respect to the three systems of identification was also reported on.

It is planned to insert a short notice in the next issue of *Kennel and Bench* suggesting that those members who had not returned their cards do so as soon as possible.

The Assistant-Secretary presented for the examination of the Directors the new forms for registration, nose printing and charting.

The Assistant-Secretary read a letter received from the Club's Honorary Solicitor in regard to the unpaid advertising accounts of *Kennel and Bench*.

The Assistant-Secretary referred to

two letters from breeders of Cocker Spaniels in Western Canada enquiring as to whether certain dogs owned by them should be considered as Cocker Spaniels or English Cocker Spaniels. After discussion and in consideration of the understanding that appeared to exist at the Annual General Meeting the Board agreed:—

"That only those Cocker Spaniels having three generations of pure English breeding may be entered in classes scheduled for Cocker Spaniels (English) or may be registered at the office of the Canadian National Live Stock Records as Cocker Spaniels (English)."

The Assistant-Secretary was instructed to send a copy of this to all show secretaries for forthcoming shows and so advise any breeder or exhibitor of Cocker Spaniels making enquiries at this office.

The Board granted authority to the Regina Kennel Club to hold a junior judging competition.

The Directors instructed the Assistant-Secretary to authorize the Records Office to add Basenjis to the list of recognized breeds.

The Assistant-Secretary read correspondence from the B.C. Gun Dog Club in regard to their desire to participate in regional championship trials held under the auspices of the Amateur Field Trial Clubs of America. After discussion it was regularly moved by Mr. Risewick, seconded by Dr. Batt and carried:—

"That the Board of Directors of The Canadian Kennel Club do not object to the B.C. Gun Dog Club participating in regional championship trials held under the auspices of the Amateur Field Trial Clubs of America providing such regional trials do not conflict with the regulations and jurisdictions of The Canadian Kennel Club Inc."

The Assistant-Secretary read a letter from Director Mr. Irving on the matter of amending the Criminal Code to permit the shooting of pigeons or other birds at Field Trials held under the supervision of organized game clubs, or of the Fish and Game Department or under Game Department officials.

The Assistant-Secretary read the resolutions passed at the B.C. Fish & Game Convention held at Kelowna, B.C., on June 9th, 1939. After discussion the Board agreed to take no action and ordered the file on the matter tabled.

The Assistant-Secretary read a letter received from Mr. W. H. Pym expressing his appreciation of the kindness of the Board to him whilst in Toronto on May 30th.

The following statement of General Accounts for June was presented for payment:

NOTES FROM THE EDITOR'S DIARY

AFTER the strenuous labors of the years 1937-38, when Stud Book No. 2 was compiled and completed, the history of the C.K.C. written, and the Golden Jubilee Year satisfactorily marked, the kindness of the Board of Directors in granting the Secretary-Editor a two months leave of absence is being greatly appreciated. So the writer is abroad in the land and is at this very moment located at Astoria, Oregon, U.S.A. where the M. S. Ida Bakke is taking on millions of feet of lumber. Three days will be well spent here and so make the keeping of a diary possible if not altogether pleasant. At any rate we trust it will provide material for copy that will have a special interest for Kennel and Bench readers, in fact if they will tag along with us, we promise to take them for a distance of at least 10,000 miles, and we will constantly enjoy their company. There will be stop-overs at Winnipeg, Regina, Calgary, Banff, Vancouver, New Westminster, Crofton, then over the United States boundary into Astoria here, then on to Portland, Seattle, San Francisco, Los Angeles, through the Panama Canal and across to Glasgow, to London, probably to Dublin, Liverpool and then to Montreal and home again. The original plan made this coverage possible, but already we are 8 days behind schedule, and losing time consistently. The idea behind this kind of a vacation—a vagabond trip—being to rest a tired heart, which has been clamouring for just such attention for some considerable time now.

A telegram from Vancouver suggested a start from Toronto several days before schedule, but a good soldier is, and always must be subject to orders from his officers, so on Monday evening, June 18th, the grips were made ready, and an "Au Revoir" party seemed to assemble out of thin air who shoo'd us off on the train leaving Toronto, at 10.45. The excitement of bidding the folks good-bye only came to an end as slumber took the upper hand. Those of our readers who have travelled to the Pacific Coast will understand why we have nothing to write about before reaching Winnipeg, the "Gateway of the West", for the simple reason that the seemingly endless stretches of featureless land lying between Sudbury and Port Arthur, and Fort William and Winnipeg offers little or nothing for the stimulation of the imagination. Therefore, this first 1,400 miles is really barren of incident worthy of recording. We did enjoy the restful hours however. The sun speckled surface of the world's greatest and largest body of fresh water. Lake Superior, and the evening meal of Lake Superior trout failed to raise any enthusiasm worth talking about.

At Winnipeg we had hoped that our Manitoba director, Mrs. J. L. Pateman would meet our train and we were rather non-plussed when she failed to show up, but a telephone call brought that worthy representative to the depot post-haste, and we had some time to talk our club matters of mutual interest before the "All Aboard" signal called a halt on our

miniature conference. This was on the morning of June 21st.

At Regina the time table allowed a stopover of 20 minutes, so we sent forward a telegraphic request for our Saskatchewan director to meet the train, and on our arrival, there was Mr. Walter J. Pym and his smile of welcome. We had a spot of coffee together, and an opportunity to talk matters over. That 20 minutes passed faster than any other similar period of time since we left Toronto.

For Calgary we had planned a two day and one night stop-over as the guest of our member Mrs. F. E. Jullien, and much had been planned for that short time. Calgary is the gateway to the grandeur of the Canadian Rockies where the urge to explore the vast mountain stretches seems to master the traveller. To the human eye the Rockies are limitless. The word "limitless" may not be in perfect order as we use it here, but it does represent the inadequateness of the human mind to appreciate the actual extent of the amazing mass of marvel which is casually referred to as "The Rockies". So, we agree with Mr. Edward Whimper, the hero of the Matterhorn, who went on record as declaring that the Canadian Rockies were 50 Switzerlands thrown into one, and indeed they stretch in all their snow capped glory from the Gap almost to Vancouver a distance of 600 miles.

Mrs. Jullien, with her husband and son, Arthur, are well known to all Western fanciers, and to many Eastern fanciers as well since Mrs. Jullien has shown one of her German Shepherd dogs at Toronto. On Thursday, June 22nd we travelled 150 miles by auto, and there was no single item of interest that we overlooked. At Exshaw the first of the mountains was disgorging limestone and shale for the manufacture of the noted Portland cement. At Bankhead the marks of discontinued coal mines told of other mineral wealth nearby. Then came gorgeous Banff, and the altitude above sea-level was 4,534 feet, but we felt no discomfort, and so far there was no singing in the ears. The run to Lake Louise, along the side of the

Bow River, was something to remember until the end of our natural days, and particularly intriguing was a side trip over the mountain side to Moraine Lake. Down in Paradise Valley we could see the rare Alpine flowers in full bloom. Along the valley are stretched a mountain range known as the "Ten Peaks". Not one of these giants are less than 10,000 feet in height, with the highest one, Mount Deltaform raising its head for 11,235 feet into the sky, the whole being awe inspiring to this tenderfoot from the Queen City.

One very special overland trip brought us to Peyto Lake, and in order to get there we had to travel over a trail for almost a mile, and why this beauty spot has not been featured is more than we can understand. Its beauty took our breath away and left us in a more or less speechless condition. A whisper would have sounded like sacrilege, Peyto Lake is the most beautiful picture we have ever seen, and that includes the exquisite Lake Louise. The pen could never hope to adequately describe this beauty spot. Down in the valley the surface of the lake looks like a mixture of emerald-turquoise, a greenish-blue, and we realize that this description is tawdry at best. What appears to be the left shore is simply a vast stretch of solid ice. On the way out we stopped at a bank of soft snow that was virgin white. The idea of such now in summer was so infectious that we felt compelled to indulge in an oldtime snowballing bee.

Reaching Calgary at the end of a never-to-be-forgotten day, we received a telegram from the Coast advising further enjoyment in the "Rockies" and a stay extension of two more days, an arrangement that was pleasantly acceptable in the fullest sense of that term. This extra time was spent making visits to Chief of Police Ritchie, Mr. "Bobby" Thompson, Mr. W. G. Climo, Mr. John Hunter, Mr. J. C. Fletcher, etc. It also furnished an opportunity for us to meet the ladies of the Calgary Hospital Aid Society, when matters of dog show management with a view to increased entries and proportionately increased profits for hospitalization for needy children the desirable objectives.

A visit to the Calgary Airport was a treat too, and it was a modern marvel to watch an immense Lockheed cabin plane arrive from Edmonton, disgorge passengers, mail, and we believe some small freight as well as reload, and on its way again, this time to Lethbridge. That others shared this pleasure was obvious from the large numbers of automobiles which were parked almost everywhere.

On Sunday night, June 25th, we were reluctantly obliged to take leave of our delightful host and hostess, and to entrain for Vancouver where we arrived late on the following night. As we stepped off the train at the end of the transcontinental steel, we were at once chatting with our 2nd Vice President, Mr. Wm. H. Pym, and our Director for British Columbia,

Our wandering scribe and his Calgary host, Mr. A. Jullien. Taken from the Lake Louise-Jasper Highway.

Mr. J. A. H. Irving, both gentlemen having come to the steps of the coach as I alighted. After a short chat Mr. Irving left for home, and in a few minutes we arrived at the hospitable Pym home where over the "cup that cheers", we indulged in further chatter until the order for "lights out", made it possible to dig a tired old head into the recesses of a very comforting pillow on a very inviting little bed. The first step of our adventure had come to an end, and the second step had already commenced.

Tuesday, June 27th, was a day that was rather heavily charged with surprises from early morn until late at night, but we have decided to allow our fair Provincial contributor, Mrs. H. E. Fletcher the privilege of chronicling the feature part of this day's activities. It was a pleasure to meet Mrs. Fletcher, and to be advised of her activities in pursuit of copy to make her B.C. page a feature of *Kenel and Bench*. Her story, when told, will tell of a red letter day in this scribe's life.

Wednesday, June 28th, allowed of no respite from the wonderful day which had preceded it, and we were still at our grape-fruit when Mr. C. Butler called to commence a long day in a general tour of Vancouver and district. At the noon hand we stopped

off at the Hotel Belmont to enjoy a luncheon with the officers of the B.C. Gun Dog Club, where we had the pleasure of the company of our 2nd Vice President. Mixing a little business with our eating, the allegation was advanced that the existing Trial Rules for Gun Dogs gave inadequate

coverage to the sport. After the whole matter had been thoroughly thrashed out it was felt that all necessary adjustments would be matters for B.C. Gun Dog Club attention, the solution of their problem being within its own jurisdiction.

Time was found to pay a visit to our member Mrs. S. C. Sweeny, at West Vancouver, whom we found in splendid spirits, although she will be obliged to spend the summer in a plaster cast having broken her hip as the result of a serious though simple enough accident.

From here we went to Mr. Irving's home, looked over his very complete kennel and his galaxy of cairn terriers—grand champions, champions and near champions—each one of them, old and young alike, in the pink of condition. To see them make for their run through the bush was a real treat for anyone interested in dogs. Mr. Irving's own house dog is a good specimen of the dachshund breed. The evening gave us the privilege of meeting and dining with Mr. Irving's B.C. Provincial Committee at the new Hotel Vancouver. The meal was something to remember because of its excellence and variety, plus the bright lights, and the entrancing music. There was very little

of business allowed to mar this evening's enjoyment but the occasion made it definitely clear that direct personal contact with head office representatives was heavily fraught with advantages to the club as a whole.

Thursday, June 29th, was one of those easy days, with the fog trying to take the upper hand but gradually beaten in the attempt. A visit was paid to the Bannockburn Collie Kennels of W. A. Mounfield, where we saw the very attractive "Bannockburn Perfection", rather out of coat, but otherwise in real good condition. A short trip was made to Mrs. Mary Pickford's Kennel of cockers at New Westminster and looked over some solid blacks that really were jet black in color. One outstanding little chap was "Holdfast Sonojo", who scored for Best of Breed at Oakland, California, under Judge Mr. A. W. Forbes, when there were 79 cockers offering the little Canuck all the contention they were capable of. Given the softer eye, that is characteristic of the breed, this dog would be a contender for Best in Show wherever he would appear. Mr. Chas. M. Butler, Vancouver, showed us his springers amongst them Int. Ch. "Prince of Huntsville", a best of winners dog at Golden Gate show in 1937 under our old friend, Mr. Freeman Lloyd. Then for good measure there was the comely Ch. "Butler's Flirt". We were glad to have Mr. Butler as our Chaffeur for several days, which gave us an opportunity to cultivate the acquaintance of a real bird dog fancier who can appreciate the writer's ideal of a sporting dog—the bench specimen who can walk rings around his opposition on the field. We should have mentioned our visit to the kennels of "Wally" Wilgress at Burnaby, New Westminster. We just happened along when the likeable "Wally" was transferring the lovely English setter Ch. "Ship-lake Sandy" to Mrs. Taaffe, of San Francisco. We predict international honors easily for this beautiful dog.

Every day was full of interest, thanks to our host and business manager, Mr. W. H. Pym, who, by the way, is now en route to Honolulu to fill an important judging engagement and who will later come to Eastern Canada to judge the Central Canada Exhibition at Ottawa, Ont.

Just as samples of Mr. Pym's foresight for his guest's pleasure we give now four sample programmes:

No. 1—"Globe Trotting Secretary's Social Schedule for Friday, June 30th, 1939—9 a.m.: Mr. C. Butler will call with his car and pick you up; 1 p.m.: Be at my office at 736 Granville St.;

6 p.m.: Be at Mrs. O. Balshaw's for a party; after 12 p.m. the rest of the day will be your own. Not so bad, you will all agree.

No. 2—At 9 a.m. Meridian Lodge, A.F. and A.M. Installation (Mr. Pym is a Past Master of Meridian 108, B.C., R.); 2 p.m.: Pick up baggage; 2.15 p.m.: Call at Vancouver General Hospital and visit Kenneth McNaughton; 3.15: Call on Mr. George Tyson; 3.45: Call on Mrs. J. J. Jackson; at 4.30 up the gang plank and on to the M.S. "Ida Bakke"; 5.00 p.m. report to Miss Lester.

No. 3—July 5th: When you drop anchor at Crofton, N.J., you will be close to Mrs. Jack Aitken, Duncan Kennel Club and Mr. J. Galloway, Nanaimo Kennel Club, C. W. Lonsdale and Alec McCloy.

No. 4—July 12th: Drop anchor at Portland, Oregon, call Mr. J. S. Playfair.

No. 5—When you reach San Francisco contact Mr. Jack Wolfenden, Hotel Governor, and Mr. Irving C. Ackerman, Casino Theatre Bldg.

No. 6.—At Los Angeles phone Citrus 2-9823 and contact Bert Heath of "Kennel Review" and so on and so forth. Naturally all contacts were made up to and including Crofton and every contact was a mutual pleasure with all concerned. It is simply marvellous what a live manager can do for a fellow.

It would not be a complete story if we failed to mention several pleasant hours which we spent with Colonel and Mrs. Magoffin at their veritable little palace-by-the-sea. Surely paradise can have nothing more to offer than this exquisite retreat away from the world and yet in full view of every worthwhile thing to look at. After leaving this haven we visited the Rockhaven Kennels and looked at the golden retrievers that have won enough championship certificates to cover the walls of the spacious office where Mr. "Slim" Hall reigns supreme. This kennel, like every other kennel we visited, was scrupulously clean and so we pay our British Columbia members a well deserved compliment in this respect.

Another of our chaffeurs, and we had several, was our ex Alberta director, Mr. Arthur Wright, who was busy building an attractive bungalow with rockery and lily pond facing the front. Mr. Jack Meadows, our erstwhile Toronto-Oakville friend,

even took a spell at showing us his adopted city but it would take reams of paper to bring the whole picture into focus and so we pass on to thank Mr. Pym's mother, his daughter Gwen, his brother Bert and his sister Maude for the hundred and one little kindnesses which made our stay on the slopes of the Pacific the pleasure which it unquestionably was.

On Tuesday, July 4th, we finally went aboard the M.S. "Ida Bakke" of the Knutsen Line, at New Westminster. "Ida" was to leave at 5 o'clock, and quite a party came long distances to say "au revoir" and we had tea and a chat together in the lounge, however, word came round that we would not slip our moorings until 9:30 so after the "good-byes" were said we went back to the "Tralee" Kennels of Mrs. Gladys S. Peers and had dinner there. It will be remembered that this brave Scotch lassie travelled all the way from New Westminster to Madison, New Jersey, to show one of her handsome Kerry blue terriers and so made history for British Columbia and for the Kerry blue breed. We must mention the co-operation of Mrs. H. E. Fletcher, our

B.C. Kennel and Bench correspondent, whose services were complete and made this recording rather pleasant.

Finally, and a week late, we sailed away in the darkness of night on Tuesday, July 4th, and we felt sure

that we were on our way to somewhere after all. But we were only out for a breather it turned out to be and ere long we pulled into Crofton, V.I., to load millions of feet of lumber and here we were visited by Mr. and Mrs. Jack Aitken of the Duncan Kennel Club and later in the day Mr. James Galloway, President of Nanaimo Kennel Club, with his wife and daughter and the Club Secretary, Miss Lillian Hickling, joined us. This session was very pleasant and as many matters of interest were discussed the little conference may yield its own results later.

On Thursday we moved on to Astoria, Oregon, and under the Stars and Stripes. We were to be here but a couple of days, but a freight boat is primarily a freight boat and so of course freight is the outstanding consideration at all times, so this is our 5th day here and we may pull stakes to-night. The next stop will be Longview, then Portland where we will hope to meet that old Canadian breeder of Boston terriers, Mr. J. S. Playfair and we may have further items of interest for our readers for the September issue.

NOTES FROM BRITISH COLUMBIA

By MRS. H. E. FLETCHER, 6996 Durnfries St., Vancouver, B.C.

ONE of the latest importations into Victoria from England is a little wire-haired Dachshund female "Rima of Dunkerque", imported by Mrs. L. Tyrwhitt Drake, to be jointly owned with Mrs. C. McGee of the Buccleugh Kennels. "Rima" was bred by Sir Charles Lamb and comes as a welcome addition to the Wire Haired Dachsie ranks. Last year as a puppy this little dog won 1sts and 2nds in the puppy class at championship shows and in May of this year won first limit Dachsie bitch at Cheltenham Championship Show.

Mr. and Mrs. "Stan" Dainard report the sale of a ten month old English Cocker "Alberstan Blaze Away" to Mrs. E. D. Levering (of Ruxton Irish Setter fame), Ruxton, Maryland.

Another good Canadian bred dog to go to the States is W. R. Willgress' noted English Setter, "Ch. Shiplake Sandy", who has gone to Mrs. Paaffe's small but select kennel in San Rafael, California. This is the second Canadian champion that Mrs. Paaffe has imported from W. R. Willgress, the other one being the well known "Ch. Shiplake Major". It will be remembered that "Sandy" has been shown four times only, and that he has gone to best of breed each time, three times winner of the Sporting Group, once 2nd in the group. He later defeated the dog that had beat him, so that "Sandy" has really defeated every sporting dog shown against him. He has also one Best in Show win to his credit.

Wally Willgress and his brother, Mel. of Seattle, are motoring to the San Francisco Show where Mr. Willgress will show his good young female, "Joyful Beauty".

While it is true that Mr. Tyson has not been seen out at the recent shows, it should not be construed that he is lying down on the job. Mr. Tyson has sold his well known Wire Fox Terrier, "Ch. Barovian Master Piece" to Mr. Sunderland of Seattle, and it is to be hoped that "Master Piece" continues his previous good record for his new owner. "Barovian Acquisition" has been purchased by Arthur Wright and E. M. Floyer of Victoria has a pair of Barovians in "Barovian Kilstar" and "Barovian Miss Dainty". Mr. Tyson says he has still some good ones left and now that his health has improved we will see him out at future shows.

Mr. W. H. Pym and his daughter, Gwen, have embarked on a holiday jaunt to Honolulu, where Bill will judge the Hawaiian Kennel Club Show, July 16th.

Harry Pickford and Arthur Wright have left for the Calgary and Edmonton Shows. Mr. Wright is combining a business and pleasure trip, while Mr. Pickford intends to show that grand little Cocker, "Holdfast Son-ojo". Two other dogs to make the trip to these shows were Mr. and Mrs. Dainard's English Cocker, "Gerry of Colwyn" and George Gough's English Setter, "Virile Rex".

Another fancier to go "English Cocker" is Mrs. Winifred Powles and as her foundation stock has purchased from Billy Oates a female by "Ch. Lucky Streak of Ware" out of "Dainty Charlotte of Tulloch". Mrs. Powles

has also imported two American type Cockers, one a red female, "My Marriane", bred by Mrs. Ruth Harper, Wheaton, Ill. and sired by "Ch. Blow's Discovery". The other is a male, "Hunts Stormy Night", bred by the Bellmore Kennels, Los Angeles, Cal., sired by "Ch. Bellmore Stormalong" out of "Felicitia De Knebworth", and carrying Sand Spring blood lines. Mrs. Powles has also purchased a litter of Cocker puppies from Mrs. Mary Pickford of Vancouver, sired by "Binscarth Nugget".

Vancouver fanciers seem to be more active in importing, exporting and in showing at out-of-town shows which surely is encouraging. Vic. Williams has left for the San Francisco Dog Show with a string which includes Jack Forbes' good Irish Setter, Ch. "Strathbogie Red Mac"; Mr. and Mrs. Dainard's nice pair of English Cockers, "Alberstan Rhapsody in Blue" and "Alberstan Wildflower"; John Rose's Yorkshire Terrier, "Ch. Little Jetsom" and his own Smooth Fox Terrier, "Nornay Saddle Pad". J. H. Logan and his Doberman Pinscher, "Adventure of Okerwood" are also travelling the long route with Vic.

The Golden Retriever Club are holding a Sanction Matinee Show on July 22nd on the beautiful grounds of Mr. and Mrs. W. C. Woodward in order to raise funds for the Free Animal Clinic. Three rings will be run at the same time with Mrs. G. O. Alsen, Miss Edna Dodds, Dr. T. E. Sleeth and Mrs. W. C. Woodward as Judges.

Mr. and Mrs. Neil, who are just completing new and up-to-date kennels, recently imported two Boston Terriers from the Playfair Kennels, Portland, Oregon. The male, "Playfair Rockfeller's Sonny" is sired by the Int. Ch. "Playfair Rockfeller". I am sure the Boston breeders will welcome "Sonny". A female, "Playfair Blossom", sired by "Yankee Captain", has been purchased for a foundation brood bitch. We welcome these newcomers into our ranks.

A really representative gathering of B.C. fanciers gathered at the home of W. H. Pym on Tuesday, June 27th, to do honor to Jimmie Strachan, our Editor-in-Chief, who is on his way to Britain, and if Kennel and Bench readers can visualize close on 100 fanciers in one man's home, then they will have some vague idea of the story I am now writing. Mr. Pym and his very capable sister, Maude, were host and hostess for the evening and took care of all necessary introductions as the guests arrived.

Mr. Strachan was quietly resting upstairs when the commotion suggested to him that there were big things in the offing somewhere, and when he joined the party it was clearly noticeable that he was astonished to see so many folks together and his pleasure manifested itself in the well known grin from ear to ear that has always characterized him. After the guest had met all his friends, Mr. Pym formally introduced him in a general way and said that there was only one Jimmie Strachan and here he was in person and all theirs. Mr. Pym then presented Mr. Strachan with a very handsome Heuer 1/5 second

wrist chronograph watch, with combined tachometer-telemeter dial, and center snail for tachometer readings from 400 to 20 miles per hour. The watch was a really beautiful gift and its 17 jewel movement guarantees its usefulness. On the outside of the back case were the letters "J.D.S." and on the inside were the words, "Presented to J. D. Strachan as a token of esteem by his Vancouver friends, June 27th, 1939".

Our guest, when accepting the gift of his Canadian Kennel Club members, was quite visibly affected, but in a moment he had full control of himself and in a very convincing manner told the assemblage of his pride in their friendship and in his labours on their behalf in his capacity of Secretary of The Canadian Kennel Club, an institution that all the members should be proud of. Frankly he was amazed to see so many present and asked that a record be made of their names which appear herewith: J. A. H. Irving, W. H. Pym, J. A. Blair, Archie Hogg, Col. and Mrs. McGoffin, Evan and Mrs. Gravel, Mr. and Mrs. (Mary) Pickford, Mr. and Mrs. Arthur Wright, W. "Billy" T. Oates, Mrs. G. O. Alsen, "Nat" McConnell, Mr. and Mrs. (Uncle Billy) Hassell, Mrs. T. E. Sleeth, Mr. and Mrs. Vic. Williams, Mr. and Mrs. Stan Dainard, Mr. and Mrs. W. A. Mounfield, Mr. and Mrs. A. E. Grant, Joe Dodds, H. Wilkinson, Mr. and Mrs. Bert Swinden, Tom Swinden, Jack Meadows, MacKenzie Mathieson, K.C., Dr. G. A. Lamont, Mr. and Mrs. Bob Hatley, Mr. and Mrs. C. Butler, A. Van Mourik, Miss V. C. Rogers, Mrs. Dolly Wall, Pat Brennan, Mr. and Mrs. McCullough, Mr. and Mrs. J. S. Cunningham, Edgar Smith, Miss Esther Pett, Albert Pett, Mr. and Mrs. Oswald Balshaw, Alberto Principe, Miss V. Trump, Mr. and Mrs. C. Worthington, Mrs. Edgar Smith, Mrs. J. MacKinnon, Mr. W. G. Moffett, Fred Withers, Dr. and Mrs. R. C. Cuthbert, Capt. W. E. Plumb, G. M. Hewer, Mrs. W. S. Smith, Miss Judy McCaughey, Mrs. C. McCaughey, Mrs. H. A. Guiver, Mrs. C. Huggins, Mr. and Mrs. J. T. Vipond, Mr. and Mrs. J. Neil, "Slim" Hall, P. Jansen, Mrs. E. A. Munn, Miss Maude Pym, Miss (Bud) Gwen Pym, Bert Pym, Jasper Daniels, W. W. Steeves, Mrs. E. Pym, Mr. and Mrs. Ted Pym, Mrs. Gladys Peers, Jack Forbes, W. Edgerton, Wynn Jones, Jimmie Carbone, Mickey Jaci, your correspondent and husband, Herb, the whole constituting the "really representative gathering" already referred to.

It may be of interest to mention here, that the original plan had been to hold a "Welcome" picnic at Newcastle Island, so that the Vancouver Island fanciers could have participated in the enjoyment, but as those in charge of the arrangements had no definite understanding on the date of Mr. Strachan's arrival at the Coast, the picnic idea had to be reluctantly abandoned and the house party was decided upon.

To many the party allowed for renewing old friendships and meeting old acquaintances, but to others was given the opportunity of meeting Mr. Strachan for the first time, although

we are all familiar with his well known signature and this in itself was something that was enjoyed by everybody.

To your correspondent it was meeting in person for the first time the "wielder of the big blue pencil", the man who strikes out at a single dash the copy I have spent hours in collecting and in writing, the man who insists that readers generally are not interested in the birth of puppies and that they insist on finding their champions in the show ring and not in the nest, and when one considers the number of litters born and the many things that happen of great individual interest, are such litters of general interest? Maybe the "big chief" is right after all, anyway he is a wonderful personality who has been endowed with a marvellous memory. Frankly I had been rather scared to meet Mr. Strachan myself and my first impression on meeting the gentleman was, how prone we were to criticize someone we had never met and didn't even know, but I certainly have the answer ready for all such from now on. Repeatedly, I was obliged to notice as Mr. Strachan was being introduced his easy ability to contact the breed that a person kept and to which of the Vancouver clubs such a person belonged to. He seemed to know too, the kennel names, and from that angle alone contacted persons with their breeds and clubs. It was interesting to notice these things.

We have been hearing of Bill Pym and his drums recently in Kennel and

Bench, but on this occasion we had the versatile William back at his old job again and making a four piece orchestra sound like Sousa's band. Speaking of the orchestra it was a full fledged Pym affair with Bill, Bert and nephew Ted, or 75% of the whole, but at one time our Second Vice President, of whom we are all so proud, used to make his living playing in orchestras.

The sustaining programme was quite remarkable too in many ways. Mrs Gladys Peers (the first fancier from British Columbia to exhibit her dogs as far afield as the Morris and Essex Show) a late associate of the D'Oyly Carte Opera Company, sang several Scotch songs acceptably and her "Comin Thru The Rye" was one of the features of an evening rich in features. Mr. Wynn Jones, an associate of the Metropolitan Opera Company, made a hit with his rendition

of "I Love My Jeannie With The Nut Brown Hair", and as encore he contributed the Italian classic "Inesta O Quella". Mr. and Mrs. Evan Gravell gave a flash of their vocal ability in a duet which was well received and of course Evan in his desire to pay homage to his old friend had to get "The Wee Hoose Amang The Heather" off his chest before he could feel that his part had been fully played. Mrs. Stan Dainard sang sweetly to her own accompaniment and W. T. Oates repeated the piano-forte selections that he had specially prepared for the return of Bill Pym from the Morris and Essex—it was a good turn. A vocal contribution by Mr. Albert Pett made a hit and the offering was generally enjoyed. Much of the success of the evening was attributed to Mr. Irving, our British Columbia Director, and to Mr. Nat. McConnell.

Flash Again's
Regards

As the all too short social session came to its close, the entire group, extending into four rooms and a hallway, joined hands with everybody's friend, smiling Jimmie Strachan, in the centre and sang "Auld Lang Syne", and as if we hated to leave the appealing hour again, we went all over the songs we had sung earlier in the evening. It was truly a grand party, and it was swell of Mr. Pym and his dear old mother, who incidentally was back to all the old tricks which had made the Pym Hotels famous in days gone by getting the tasty things for eating and drinking ready for all and sundry, to turn their beautiful home over to us on this occasion. The ladies brought their bundles and the bottles were on the house, and if that is not the nicest arrangement, then we are all too darned hard to please. Anyway it was a grand party as I have already said and its memory will long remain with Canadian Kennel Club members in this Province.

The New Westminster Angling and Game Club held a sanction show, July 5th, in Queen's Park, New Westminster. There was a good turnout for Archie Hogg to go over. Best in show bouquet went to Mrs. G. O. Alsen with her Doberman Pinscher, "Lucia Von Dorn", also best of working group.

Enjoyed a pleasant visit with one of my first doggie friends, Mr. George Lydiat, who is seriously thinking of getting back into the dog game by way of a little Boston Terrier female, "Timmy". Walter Lydiat, whom you all remember, is living in Toronto and writes to say he is very interested in Greyhound racing and intends owning a few good ones. Don't be surprised if Mr. Lydiat, Sr., takes up the breeding of Greyhounds too.

While Mr. Strachan was in Vancouver many of us enjoyed meeting him. Mr. Fletcher, the writer and our little boy spent a very delightful morning in the Park with the "big chief" and later a visit to our home.

Mrs. S. C. Sweeny is feeling much more cheerful these days because she expects to be out of her plaster cast in another month. Staying in bed all these months is indeed tough on anyone especially if they are as active as Mrs. Sweeny. Mrs. Gertrude Jarvis is looking after the females and puppies at her kennels now located on Lulu Island.

Mr. and Mrs. Leslie Cameron of Whonnock, B.C. are back again from their trip to Morris and Essex and other Eastern States. A new Dachsie, "Benno Von Plater Schulhaus" accompanied them home. "Benny", whose sire is Ch. "Etzel Von Plater Schulhaus" and dam "Gretchen Von Rosedale", won a third in American-bred dogs at Morris and Essex. Mrs. Hedley-Peck and myself have a new male each with the same bloodlines as "Benny" and I have a new female enroute, so between the three of us we hope to go places with our Dachshunde.

Jasper Daniels is going in for Poodles and has purchased a black female from Mrs. B. Davidson of Victoria. "Tulloch Marie Antoinette", out of "Ch. Blakeen Perfection", is still a young puppy.

Mr. and Mrs. Charles Butler of Vancouver have shipped the Springer Spaniel "Solo of Huntswell" to Whitehorse, Yukon Territories.

SUBSTANTIAL REWARD

Offered for information leading to the recovery of the Pekingese male "Yu Ki of W", 2½ years. Dark mahogany red with jet black mask and very long ear fringes. Few white hairs on chest. Lighter tail and breechings. Weight 12 lbs. All information strictly confidential.

MRS. C. de P. DONIPHAN
4047 Dorchester W., Montreal, Que.

Had a very interesting letter from Mrs. A. T. Taylor up in Barriene, B.C. Mrs. Taylor imported a female Borzoi from England some time ago, where this female Borzoi was used in coursing hares until she broke her leg. Unfortunately she got mated to a Collie and had eight puppies. Three of these were trained as coyote dogs and turned out rather good. Mrs. Taylor says the Collie strain added bone which was needed for such rough country. An Indian took one female and with patience and kindness trained her and she is now used for the actual kill.

Miss Ena Dodds is to be married soon to Mr. Gilbert Bryce Anderson. Ena is a well known fancier and made her judging debut last year. Miss Dodds will live in Merrit, B.C., where she intends to keep a few of her favourites.

Mr. Tom Percy passed away in his 74th year, July 2nd. He was born in Devon, England and had lived in Vancouver for 19 years. Prior to coming to this country he was a noted breeder of pedigreed horses, breeding some of the finest Shire horses in the West of England and winning many prizes with them. The first pedigreed dog he owned was a Collie, bred by the Rev. Hans F. Hamilton, who, I under-

stand, sent the first really high class Collies to this continent. This Collie was originally owned by Mrs. Percy's brothers, but when Mr. Percy visited her home at Combe St. Nicholas, Somerset, the dog took a great fancy to him and would not leave his side. It was finally decided to give him the dog as a present and it remained with him until it died of old age.

About ten years ago Mr. Percy became greatly enamoured of the German Shepherd dog and has owned and exhibited them ever since. His special pride and joy has been his dog, "Ch. Abarard Mark von Dutch 2nd", a grandson of "Ch. Coltness Flying Dutchman" and a son of "Ch. Abarard Dutch 2nd". He purchased Mark's dam, "Abarard Bettel Von Dutch", in whelp from Jonathan Davies. Mr. Percy was always interested in all pedigreed animals and he would rather breed a good one than buy the best to be had.

Our condolences go to Mr. Percy's family and to Miss Barbara Percy whose best pal was her dad, and who was always with him at the shows. Mr. Percy's last wish was that "Mark", his personal pride and joy, be put to sleep and that wish Barbara will carry out. "Mark", however, has left his stamp in a litter of seven beautiful black and tan four month old puppies which no doubt will carry on Mr. Percy's good work. Mr. Percy was laid at rest July 5, 1939, and was carried to his last resting place by his doggie friends, Mr. W. H. Pym, Mr. Jonathan Davies, Mr. Vic. Williams, and Mr. Pat Brennan.

SCOTTISH TERRIER NOTES

The news of the month, from the writer's viewpoint, is the recent mating of Ch. "Susan of Agbrigg" to "Desril Rock" who won his class at Morris & Essex this spring, consequently "Susan" will not be entered at the Exhibition or the Royal Winter Fair.

We have been advised by J. M. Howard of the "Merlin" Kennels, Montreal, that he is preparing his well known show bitch "Merlin Isabelle" for the Fall shows and has engaged Mr. Collins, the Quebec handler, for the occasion. Mr. Howard was most unfortunate in having had stolen his famous stud "Wynot Jhonnie Walker" and has purchased "Middlemount Tam" from Mr. Bruce Webb, the southern breeder and fancier.

Mr. W. H. Pym, who is judging them at Ottawa, definitely knows our breed and should draw a splendid entry. Mr. Pym, of course, judged Best in Show at Morris & Essex, and Canadians are to be congratulated upon having had him as their representative at the largest dog show in the world.

Due to existing conditions abroad, now would seem to be the right time to buy good specimens at a price the average fancier could afford.

Chief David Ritchie of Calgary's police force, paid a recent visit to "Aberdeen Kennels" to see "Desril Rock" and Ch. "Susan of Agbrigg". While we missed him at the time, he was under the capable guidance of Alf Loveridge who did the honors.

SO HELP ME—NOT A SINGLE FLEA!

It was "Old Home Week" for fleas on my hide till the Master got wise. "Say," he says, "fleas can cause serious troubles." "You're telling me!" I says under my breath. Well, he brings on Sergeant's Improved SKIP-FLEA POWDER. "That'll get 'em," he mutters. And he's right—this SKIP-FLEA really kills—and soothes too!

And SKIP-FLEA SOAP works the same way! Get SKIP-FLEA at a drug or pet store—and the free Sergeant's DOG BOOK, or write Sergeant's, 179 Dufferin St., Toronto, Ontario.

NOTES FROM ALBERTA

By H. P. SAUNDERS, 1010-4th Ave. N.W., Calgary, Alta.

WE ARE sorry to report the sudden illness of Bill Carson's wife, who is now resting more comfortably after a major operation.

We were very pleased to have a call from our editor in chief, but were sorry his stay was so short; a trip to the mountains, and along the new Jasper Highway seemed to delight our scribe. May he have a longer stay with us on his next trip. We all trust he will write up his trip to the old sod just as soon as time and the opportunity permit.

Mr. Bond, the genial secretary of the Alberta Kennel Club, has lately joined the ranks of the benedicts. His many friends are offering their congratulations and wishes for a long, happy and prosperous life.

Many entries have been received for the Calgary Stampede dog show.

Earl Kennedy of Calgary, has his new car decorated with a couple of pictures of Bostons. It makes a real advertisement, and a drawing card wherever he parks as he usually has the back seat filled with good ones.

A Calgary dog has been decorated by the Humane Society for assisting in the rescue of a drowning boy.

The Lund Kennels at Milk River are sending a brace of English also a brace of American Fox hounds to the Calgary dog show. We remember in the good old days the late Maurice Carr usually exhibited a large entry of foxhounds.

Bert Finch, a former Calgarian and now a resident of Southern California, wishes to be remembered to all doggie friends. Bert usually kept the press well informed of all dog news.

Brig. Gen. Pearkes, who is in command of all military matters in Calgary, has a very typey bull terrier.

Great preparations are already being made for the Junior Hospital Aid Society show to be staged in the Hudson Bay in Calgary some time in the late fall.

Bill Burrows of Medicine Hat has a pair of Bostons that will make them all step. Even as youngsters, they were real contenders, and while we are on Bostons, watch Horncastle's dogs, they were out in front at Edmonton, and I look for real keen competition between both of these breeders from now on.

Bill Armstrong of Medicine Hat is putting the finishing touches on his Springers. They are just fresh from their spring laurels so should be in good shape for the coming events.

R. B. Smith of Medicine Hat has definitely decided that Dachshunds shall be brought out in the very keenest competition at all future western shows. He is going in for this breed, and his foundation stock are the kind that produce good ones.

Edmonton dog fanciers are sending a number of entries to the Calgary

show, and the Calgary exhibitors are reciprocating in no small way. Both shows will have good quality, and the indications are both will have a big show.

Jack Tanton has some very promising youngsters coming along. They will no doubt take in Calgary, Edmonton and Saskatoon.

Alderman and Mrs. McColl have been busy while the reception for our King and Queen was on in Edmonton. They have sold some of their good ones, but retained the very best.

Marsh Cunningham, always to the fore in Cockers, can boast of some

really first class stock, and he always pilots his charges right to the front.

Stan Bear has "Bluebell of Colwyn" in the very pink of condition and he is making plans for a big turn out for the summer shows.

Mr. Patterson the man with the big entry of Newfoundlands would like more competition in this breed, so come out and make him step, come all you Newfoundland breeders.

M. A. Ainslie has the "Doreen's" all ready and fit for the ring.

Frank and Jeanne Kingzett are not to be outdone, and they are fast getting to the front with their Cockers.

Alexander W. Robertson is now on top again and setting his sail to the wind, so watch him, he is a chip off the old block, and he has at an early age what it takes to make a dyed-in-the-wool Cocker fancier.

Ralph and Mrs. Smith can always be counted on to make the other fellow sit up and take notice, they show in all colors and are always there when the bell rings.

John S. and Mrs. Grant bring out some real cockers, and enjoy showing them.

Ye Old Firm Quilley and Caswell are rather terrier minded but never hesitate to jump in and show and breed. It is fun to watch them stack up against one another each trying to beat the other to the first ribbon. Now a younger generation of the old firm is taking hold, and seem to be following in the footsteps of their sires. Their dams are enthusiastic spectators and don't know where the placements should go.

Mrs. Mary Gardiner with her "Flying Hostess" makes the terrier division most interesting.

J. R. Benson is always a good supporter of the shows with his Scotties and West Highland White terriers.

Mrs. E. G. Galbraith has her "Wires" all strung, and hopes to make some champions this summer.

Mr. and Mrs. Clutton with their toys and Labs never stop this side of the big New York show, and they bring out a large entry of very nice dogs.

"Quantock" Rawlings with his Seals and Springers make history for Edmonton and also for the whole of Canada, for his entries grace the larger shows across the imaginary line, and always make good.

Charles and Miss J. L. Batten are real Welsh Corgi fanciers and have some of "Tamarac's" best young stock, so now Mr. Gardiner will have strong competition from now on.

D. J. Lonsberry of Lethbridge patronizes all the western shows. I would like to see more entries in some of the classes he exhibits, as he has some Schipperkes and Collies that seem to have pretty nearly everything their own way.

NOTES FROM THE MARITIMES

By S. E. KOMINSKY, 231 Union St., St. John, N.B.

"WHEN good fellows get together" was the rule of the day at the all breed show of the Bedford Kennel Club, held in beautiful Francklyn Park in Halifax, N.S. Many of the dog lovers from Saint John made the 600 mile trip and carried home a good share of the splendid trophies. Some very fine specimens were shown and the writer is pleased to state that the quality of the dogs in general was better than good. It would be unfair not to mention the very fine lot of Cockers benched. They were good enough for any of the larger shows across the border.

Best in show went to that excellent Boxer "Heidi V Uracher Wasserfall of Dorick" owned by Mr. and Mrs. Richard C. Kettles. This dog has been a consistent winner across the border and in Europe.

A number of dogs came up from the U.S.A. and helped make the total benched 110.

The writer must say a few words with reference to the management of this fixture. The show committee deserve credit for the able manner in which they carried on. No long waits and everything in ship shape. Special mention is due "Doug" Anderson, the Chairman and his able secretary and ring steward Arthur Smith.

Congratulations to our Mrs. E. R. H. Huntington, of Huntington, Cape Breton, who carried off all the honors at the great Morris and Essex with her string of Japanese Spaniels. Her "Nippon Mitsue of San" went best of breed in a total of 36 entries. It would be interesting to have Mrs. Huntington and some of her dogs with us at our September shows.

Now that arrangements with the Exhibition Association for a building on the grounds to hold our two shows in have been completed, the committee can sit back and say, "a good job well done". This building is nicely situated, is large and airy with lots of exercising room. Our thanks to Mr. Wetmore the president of the Exhibition Association and his able directors.

Two two day shows will be held this year starting Sept. 4th. and 5th. and Sept. 6th. and 7th. The first show will be held under the auspices of the Saint John Exhibition Assoc. and will

be judged by Mr. George T. Kane of Saint John, N.B. For the past thirty years Mr. Kane has been breeding and showing a variety of breeds and many champions have gone forth from his kennels and made a name for themselves and their owners across Canada and the U.S.A. He has had judging assignments in Malden, Boston and Halifax. A bumper entry is expected, for Mr. Kane's knowledge of dogs and reputation for being fair and fearless is known far and wide.

One of the most popular wins at the Bedford Show was the one made by "Carry On Lady Katinka", a very neat little quality bitch owned and shown by L. P. Bourgeois of Moncton, N.B. This little lady was bred by Dr. L. H. Reed of Woodstock, N.B. and boasts as her parents "Carry On Royal Kid" and "Katinka Belle 3rd". She will be campaigned in the east and no doubt will make the best of them hustle.

"Leila Maid of Cheriton" and "Ben-Edar Rags" are two lively Kerry Blue terriers imported by the writer of this column from the kennels of Mark Kenworthy, of Melrose, Iowa. These dogs will make their appearance at the fall shows. At the present time they are being rounded into shape by that veteran breeder Robert Orr, Sr. of "Easco" fame.

Mrs. R. F. Houlston, of the Miramichi Cocker Kennels, Derby Jct., N.B. has purchased a very pretty red cocker from the kennels of R. H. Heppleston and answers to the name of "Autocrat of Barrie". The demand for reds and parti-colors is increasing daily and many new specimens will be featured at the fall shows.

The writer is having difficulty in getting news of an interesting nature so how about you and you and you sending some newsy items.

APPLICATION FOR KENNEL NAME

The following application for Kennel Name will be considered by the Board of Directors of the Canadian Kennel Club, Inc., on Thursday, July 20th, 1939. Any person having objection thereto should communicate promptly with the Secretary, Canadian Kennel Club, Inc., 25 Melinda St., Toronto, Canada.

Chedington — N. M. Gilchrist, Toronto, Ont.

OMISSIONS OBSERVED

Readers of this magazine interested in Norwegian Elkhounds could not be but impressed with the winnings made at the Morris and Essex show by dogs owned by the Grey Dawn Kennels of Miss Rosalie Sladen, Ottawa, Ont. We reported that Miss Sladen's Fling of the Holm was winners dog, best of winners and 2nd for best of breed. Our report also indicated that Miss Sladen's Meach of Grey Dawn was 1st in senior puppy bitches. It has now been pointed out to us that this latter dog was also reserve winners bitches, surely a wonderful win for a puppy. All in all it would appear that Norwegian Elkhounds from Canada did themselves proud at the world's largest show.

Among the many specialty clubs regarding the Morris & Essex as their specialty show may be found the Japanese Spaniel Club of America and thirty-five specimens of this toy breed were in competition. In our review of the Morris & Essex show as it appeared in last month's issue we inadvertently overlooked recording the many fine wins made by Japanese Spaniels the property of Mrs. E. R. Huntington, Nippon Kennels, Cape Breton, N.S. Her "Nippon Mitsui San" was 1st in novice dogs, winners dogs, best of winners and best of breed. Also exhibited by Mrs. Huntington were the following: "Nippon Konoye San", 1st in puppy dogs; "Nippon Chichibu San", 1st in limit dogs; "Nippon Kojimatchi San", 1st in puppy bitches; and "Nippon Komura San", 2nd in novice bitches. Congratulations are in order for Mrs. Huntington in view of the many fine wins made by her Japanese Spaniels.

NOTES FROM OLD QUEBEC

By W. W. ROONEY, 2331 Coursol St., Montreal, Que.

I WOULD like if I may thank the provincial correspondent for "Manitoba" on her very well taken point of the sincerity of Judges. We also like a Judge to take his time (not too long) when he displays this seldom heard of quality and as Mrs. Pateman says it comes so seldom of late years that it is not hard to put in a night with it at a Dog Show. I do envy the spirit of breeders in Manitoba who can put on such shows as described in the Manitoba notes of last month.

Looking over show reports in the mid-west and far west, I cannot but feel regret the few English Bull Terriers shown in the West and if the provincial directors will correspond with me, I will send out some of my surplus females to responsible and worthy people who would like to popularize the breed in their districts on terms that will encourage them. I would like to see some in every show in Canada, the more the merrier.

In passing I would like to congratulate Mr. Ferguson on his first judging appointment. We have lots of room for good judges and I can quite see how Mr. Ferguson would easily qualify being a good horseman and judge. He could make a mixture of the two and give a good honest decision. We would be glad to see you often, Sir.

I am indebted to a Mrs. J. Detmold, who writes me from Terrebonne, looking forward to our Fall Shows and who expresses regret that we have not more shows in Montreal. So nice to see the page referred to as "our page" in Kennel and Bench, looks like a booster, also making request for tattooing information. Her address will be "Silver Lake", Laurel, for the summer where anyone doggie minded will be welcome. English Setters rule the roost at the Demold Establishment and like all good fanciers, hoping for "flyers". We wish them success and in passing may I admire your choice for what looks more dignified than a good English setter along side of its master—in the field or in the show ring, truly the Gentleman dog anywhere and all the time.

The further I travel in search of a more intimate touch with our Quebec members, the more I am satisfied that we have dog breeders and lovers that are second to none. I was privileged to visit Mr. Coley of Mascouche, on an investigation of pedigree and in this gentleman I found the sterling attributes that should go with the game. Mr. Coley breeds Newfoundlands and Scotties, also runs a poultry farm with a goodly number of cattle and I gather pedigreed stock at that. I saw two of his Newfoundlands and I would suggest a change of blood would do his stock good. His Scotties are away above the dog and with care in his selection of Stud dogs, could make showing interesting what with the condition of these dogs, having plenty of room to romp, plenty of good food and the care they receive at the hands of their owner. I am satisfied that a fair measure of fame awaits this Kennel. I was delighted at the pride he had in saying that he had been a member of the C.K.C. for four years. He gave me the im-

pression that he valued his membership more than I am afraid most of us do. His reference to Kennel and Bench was likewise tempered with pride. This was my first visit but by no means my last. I hope to do some tattooing for him in the near future, when I shall have a good opportunity to try out the "White Ink" on Newfoundlands and Scotties and report accordingly.

In my mail this A.M. I received a premium list from one of our American Annual Dog Shows and as is the case in all the big successful shows I read "The following Specialty Clubs offer their annual Special". From my observation I can see that these specialty clubs are the backbone of the showing in our neighbor shows to the south and while their all breed show giving clubs encourage (and wisely so) this support, we have clubs in Canada who are so near sighted that they are afraid to establish a precedent by allowing any specialty club to run their specialty show in conjunction with their show. The only object that can be in this is to deter entries or that such a show does not need support and I am not so sure if it is healthy. If all breed show giving Clubs will look deeply into this all important matter, they will see only benefit and support. I believe that with the Specialty Club backing, all breed clubs have little to fear for success and therefore should encourage Specialty or Breed clubs. I am

convinced that more and more knowledge and understanding will result with much less trouble in our all breed clubs.

Money to burn for "Good Uns" was what the late Ben Lewis Sr. said to me a few years ago and the same applies today. I could find ready cash for good 'uns of all breeds in our Province. Why not advertise in Kennel and Bench for your needs. I wager you will be surprised at the quality and quantity of real good 'uns to be found right in our midst.

The Ladies Kennel Club of Canada are busy as the proverbial bee, getting ready for the big event. The cause for which this show is run is worthy of support.

We have now a new Club known as "The North End Kennel Club" who, I hope, will advertise in the next issue of Kennel and Bench their first licensed show and will be under one of our best known promoter's able hand and guidance, Mr. Cliff Butler as show Superintendent, the well known commentator. It is a new venture and worth while. Who knows this may be the new life we are so much in need of. Mr. Butler might become the Quebec "Foley". Let's hope so.

Miss Eddie of Montreal reports two litters of Cockers. Since none are for sale it will be very interesting to see this fancier showing in the near future.

Montreal had a very busy visitor I understand last week in the person of Mr. Thompson of Brooklyn, New York. He called his old friend, Mr. Harry Armistead and several other breeders. I understand several very nice puppies have been shipped over the line since Mr. Thompson's return. Some from the Dunroman Kennels. Mr. Thompson was on his vacation but finds it difficult to keep away from Kennels. When at business he is Sales Manager for Kennel Rations and a familiar figure at Madison Square Gardens.

I would like to congratulate all and everybody who are in any way responsible for the Golden Jubilee Stud book and the thought that prompted the Golden cover. It is truly a keepsake of great value to us all.

Only a few months ago Miss L. Rafter of Ville St. Pierre (a very doggie superb of Montreal) had the misfortune to lose all her Bull dogs in a fire at her home, and I am now happy to report that this never-say-die Bull dog enthusiast purchased a one year old Bull bitch "Buckingham Bright Star" who is by "Leaside Rambler" Ex, "Buckingham Berge" from J. W. Tillett, of Toronto. "Bright Star" a white and fawn, while Canadian Bred, her pedigree teems with imported blood. Miss Rafter speaking to me of her purchase said, "I can't fault her and I am very pleased with her and hope to breed her soon". We may look forward to new Bull dog activity and welcome new blood. Always a healthy sign in any breed. It takes courage to be knocked out and then come back smiling as this Bull Dog enthusiast has done and I say "BRAVO".

NOTES FROM MANITOBA

By MRS. J. L. PATEMAN, 836 Henderson Ave., East Kildonan, Man.

KENNEL activities in this vicinity seem to be in the doldrums, judging from the paucity of news received for these columns. Undoubtedly owners are on vacation, and with no immediate show in the offing and kennel clubs suspending their regular meetings may be the chief reasons. However, it was noted that the Greater Winnipeg Kennel Club held their Annual Picnic on Sunday, July 2nd when three bus loads of members and friends went to Highland Park where an excellent time was enjoyed by all.

In last month's notes it was reported that Harry Fitchett's "Freckles of Riverview" went best Cocker at the recent Fort Garry Show, but it has been drawn to my attention that the spelling is incorrect, and should be "Freckles of Rivervue"; the latter being the name of the breeder Mr. N. J. Dinnen's old home in Ireland, a happy thought when selecting his prefix.

Last Saturday, June 15th, fifty-four carloads of sportsmen and friends journeyed to Fort Whyte where the up and coming GUN DOG CLUB OF MANITOBA held their second annual field trial for all retrievers. To say the least the officials of this organization are to be highly congratulated for their grasp of the necessities required for the running of such an event. In a full page story the Winnipeg Tribune wrote a glowing account of the trials, and it is unfortunate that the Free Press does not grasp the news value of such a high class sporting event. There was a marked improvement in the arrangements and calibre of dogs handled. One of the most striking features was a lovely canopy of evergreen boughs providing shade for the dogs as they waited at their plainly numbered post for their call; it was a warm day, but the dogs enjoyed every minute of it, and large sanitary basins of pure water were always in reach and kept replenished as required. It is such thoughtfulness as this that makes a hit with the public; too often the welfare of the dogs is secondary but it is indeed a pleasure to realize that with this Club the welfare of the dogs came first, last and all the time.

The dogs were given severe tests in water and on land. In the water trials a real natural duck "blind" was provided where the handler knelt or stood with gun and dog. To the right another cover was provided, and mallards (purchased from the market) were mercifully killed and thrown high in the air to land kicking in exact imitation of a shot duck; the handler was required to fire at the bird, and better reproduction of actual duck hunting would be hard to arrive at judging from the keenness of the dogs and attitude of the hand-

ler. I believe a good many handlers enjoyed the shooting as much as the dogs.

In the land test, a dead mallard was trailed through bush, a shot was fired and the dog ordered to fetch, and some fine land work was witnessed.

A fine string of eighteen retrievers toed the mark and in the Open All Age thirteen dogs competed. All of them showed the effects of careful training and the top four were so close it would be difficult to choose unless the judges had kept a careful score. All four were beautifully steady, retrieved their birds nicely, but the outstanding dog was a rather small Irish Water Spaniel owned and handled by the popular J. Duganis, a simon pure amateur, who certainly showed the professionals how it should be done. His dog was almost perfect, only making one slip when it nearly broke at the first bird of the "double" but it returned to the blind instantly at a quiet word from the handler that created a big impression indicating it was under perfect control. "Sparks" was the name of this canine wonder, and Mr. Duganis is to be highly congratulated for his fine showing. His delivery was perfect and never a ruffled feather. "Darktown Barney" took second place, a nice Labrador owned by E. J. Greenway and handled by his son in a very capable manner. Third place went to "Labbie", another Labrador, owned by Harris McFayden and handled by Bert Aconley, and fourth place went to "Dinnie O'Shea", an Irish Water Spaniel, as the name indicates, owned by A. L. Stewart and handled by Bert Aconley. This dog was a lovely retriever in all respects but lacked the finish of the others.

In the puppy stakes only one dog was placed in the open stake owned by Ted Kling and handled by B. Aconley. The others sure showed they were pups and in one instance decided to lay down and play in the water; was the handler's face red, but leave it to a contrary pup to do the wrong thing at the right time.

There were three entries in the

Amateur All Age, and again Mr. Duganis with "Sparks" took top honours with "Darktown Barney" again coming a close second, handled by E. J. Greenway Jr.

When an event of this nature creates such a large interest in the public and owners alike, and can draw fifty-four automobiles of fans and interested spectators, a lot of credit is coming to the officials of the Club. The Judges are to be very highly commended on their placings and were Messrs H. S. Scarth, Arch. Blackie and A. B. Adamson. They worked tirelessly and Mr. Glen McDonald who acted as their secretary and is President of the Club was a very busy gentleman. Two new cups were offered for Annual Competition, the Spratts Patent Ltd. of London, England, was a very beautifully engraved Cup and the one donated by Mr. H. S. Scarth is a very lovely thing and worthy of the competition it heads. Valuable merchandise prizes were offered in addition. Chairman of the Field Trial Committee Major J. E. Tulloch is to be warmly congratulated on his portable loud speaker arrangement, which was heard distinctly in all quarters of the field, and was just about tops in announcing the dogs coming up as well as those performing, the name of the handler and owner. The Major gave a running commentary that kept the interest of the crowd at a high pitch at all times. It is these things that count. Dick Hillier was a very busy man with his assistants providing birds for the dogs and he handled his assignment flawlessly; as a matter of fact the entire show was a howling success, and will go down in history of sporting dog events as a practically faultless event. The arrangements indicated that much careful planning had gone into the affair, not to mention hard work on the part of the Directors. These notes would be incomplete without mentioning the unassuming part played by Mr. Harold Taylor. He says very little, but is right on the job with the printing and other essential necessities.

Next event coming up in sporting dog circles is the trial for Springer Spaniels to be run off at the same grounds and under the same capable management. Wise Springer owners will be bearing down on their dogs right now and working them daily. The event will be a bumper entry and some real Springers will be on hand.

Then the Sporting Dog Club of Western Canada will hold their Field Trial the week following, and this club is noted for the quality of dogs entered, so gun dog owners are urged to note the dates, Saturday, September 9th and 16th. Further particulars will be available next month, when judges and exact location of both trials will be announced.

NOTES FROM SASKATCHEWAN

By MRS. W. M. KING, 2170 Hamilton St., Regina, Sask.

AT THIS time of the year all the fanciers are very busy getting their entries in shape for the shows, and looking forward to meeting all the exhibitors again, not only those from out of town, but a lot who live in the same city all the time. It is indeed strange how little we see of some of the folks living right in our own city, and what a mistake!

I paid a visit to Mrs. Beatrice Preston of the "Branksome Kennels" a few days ago. This enterprising lady has gone in for some Pekingese of late, in addition to the Wires she has had for some time. Just recently she purchased a male and female from the Humberside Kennels. The male "Blond Dee of Humberside" sired by "Sno Kee of Humberside" ex "Sno Lin of Humberside" is a very pale cream dog, and a showy little specimen, and I am sure will give a good account of himself both at the shows and as a stud. This dog has been entered for the Saskatoon show, and both the newcomers are slated to be shown in Regina. Mrs. Preston has just had a very attractive kennel built, and altho' the day I called the city was in the throes of a heat wave, it was quite comfortable and airy in the building. We are very pleased to welcome you to the ranks of the

fanciers, Mrs. Preston, and wish you the best of luck in your new venture.

Springer fanciers will no doubt be interested in hearing that "Ch. Busher Jackson" has sired two very nice litters this year, and C. W. Pollard is feeling quite elated over it. "Busher" was placed best in show at one of the Winnipeg shows last year.

I regret to report the passing of that grand little Pekingese "Ch. Kingwin Ted Dee", owned by Jack Smith, and the playmate of his little girl Betty. Betty at the present time is holidaying at Vancouver with her Mother, and I'm glad that she is away right now, and will not be here for the summer show, as she always had the little tyke in the children's class.

By the time this is published the shows for this province will be history, and some of the fanciers will be elated and others likely somewhat disappointed. Here's hoping we can take the bumps and boosts with the same spirit, and start our plans for the next shows immediately. I am looking forward to meeting the doggie folks from the north at the Regina show. I regret that I shall not be able to take in the Saskatoon show myself as at that time I shall be busy on the preliminaries for the Regina show, but I do hope that we shall have more news for next month's publication.

DACHSHÜNDE NOTES

OFTEN I think that people who have never owned dogs are missing not only the pleasant companionship of the pet but missing one of the great opportunities of making congenial human friendships also. There is nothing like a common interest in dogs to draw people together and, from my own experience, I find that I owe my dogs the credit for making some of the best and most valued friendships which have come to me.

This month my correspondence is widespread, not only being from coast to coast, but even taking in Newfoundland where Mr. Edgar L. Halliday is planning to start a kennel at St. John's.

Mrs. Gladys McGee wrote me from Victoria, B.C. She tells me that she raises Dobermans and American Cockers but has fallen under the spell of our dear little fellows and is joining forces with Mrs. Tyrwhit Drake to raise the wire-haired variety. They have recently brought out a daughter of the English Champion "Hero of Dunkerque". She was bred by Sir Charles Lamb who showed her at the last Cheltenham Show in May where she won the minor Limit award—a good start for a very young bitch.

Mrs. H. E. Fletcher writes a bright entertaining letter. She regrets not having written lately and advises that she has the flu. From her sickbed she has been trying to catch up on letters. She adds that has been very busy and from the list of interests, I feel sure she is. She says "I have seventeen dachshies, a pair of Shepherds, a little boy and a grand garden, two cats (one has kittens) and a bantam rooster, an old hen and

couple of dachsie litters, a parrot too and, of course last but not least, a husband."

I have also heard from Mrs. Claude Flanders of Brockville and from her letter I gather that she and Mrs. Fletcher have much in common. Mrs. Flanders reports an equally busy life what with spoon-feeding a sick dog, driving a tractor—incidentally through a hedge—and pinch-hitting for her veterinary-husband in his absence, saying by quick action the life of a poisoned dog.

Miss Barbara Bannigan drove up from Pickering one day with her brother and plans to take her miniature dachshies to the Montreal shows in order to try to induce the Montrealers to come back to our Toronto shows.

Mrs. J. L. Symons of Waterdown dropped in one day to find out which method of identification the Dachshund Club members would adopt. As far as I know practically everyone will use the nose print method. The charting would be impossible for the red dogs and while our Club has had little to say on the subject, there appears to be considerable feeling against using the tattoo method.

My husband spent an evening with the Philip Dickinsons at Wyndemere and came back wildly enthusiastic about their new kennels which certainly are outstanding on this or any other continent. We can hardly wait till Mr. Dickinson's house is finished and those Field Trials can be held. However there is still so much to be done that our pleasure will be postponed for some time I fear. It will be all the sweeter when it comes.

several times partly to see me and mostly to see the dogs. She has a sister of one of mine and although she has owned Schnappsie nearly two years now she believes in keeping memory between the litter sisters and so again a dog has made me a friend.

An old man almost totally deaf brings the loam—"loom" he calls it—for the garden. The other day he suddenly perceived a very young puppy and asked me if I would let him hold it. I picked up the wagging, ingratiating little bunch of good nature and the old fellow curled his fingers around its nose and gave it a resounding kiss as he remarked "Friendly, ain't he?" and so I conclude my notes grateful to friendly dogs for bringing me so many friendly people.

OUR FRONTISPIECE

We are pleased to portray on the front cover of this month's issue of KENNEL and BENCH a photograph of one of Canada's outstanding Fox Terriers. "Ch. Startling Event of Wiloaks" was bred by Mrs. R. C. Bondy of the internationally known Wiloaks Kennels, Golden Bridge, N. Y. and was purchased as a puppy by Mr. S. W. Scarpa of the Malabar Kennels, Point Fortune, Que. A study of his pedigree will provide ample justification for the belief that "Startling Event" is destined to become one of Canada's outstanding stud forces. For the benefit of our Fox Terrier readers a three generation pedigree is reproduced here:

Signal Warily
Beau Brummel of Wiloaks
Gains Great Surprise
Ch. Crackley Startler of Wiloaks
Ch. Talavera Simon
Pettigo Prudence
Pettigo Princess
Ch. Startling Event of Wiloaks
Fountain Crusader
Ch. Talavera Simon
Kingsthorp Donah
Ch. Gains Great Surprise O'Wiloaks
Wycollar Trail
New Town Bella Donna
Miss Harvest Time

No student of fox terrier breeding fails to appreciate the importance of the many well known dogs whose names appear in the pedigree above.

Turning to his show record we find that as a puppy "Startling Event" was placed first in the Puppy and Novice Classes at both the Fox Terrier Specialty and Westminster Kennel Club shows. He was also awarded the special for the best male or female bred by exhibitor. Since becoming the property of the Malabar Kennels he has earned his championship and in so doing has been placed six times Best of Breed and on three occasions Best in the Terrier Group, twice at shows in Montreal.

Fox Terrier breeders interested in reserving "Startling Event" for stud puposes should communicate direct with Mr. S. W. Scarpa, Malabar Kennels, Point Fortune, Que. or with Mr. William Adair, Aurora, Ont. in whose care he is at the moment prior to his being campaigned at the Ontario fall circuit.

Another inmate of the Malabar Kennels known to many Fox Terrier exhibitors in the east is the imported female "Ch. Thet Thelma", Best in Group at the York Kennel Club show last year. "Thelma" was bred by Miss L. M. Dixon of the well known Thet Kennels in England and was imported by Mr. Scarpa. She is by "Ch. Fourwents Rocket" out of "Simon's Dimple", a daughter of "Ch. Talavera Simon".

Obituary

JIMMIE SULLIVAN DIES AT SAN FRANCISCO

America lost one of its best known and most successful professional handlers in the death of Jimmie Sullivan of Chicago as a result of a heart attack early Saturday morning, July 15th, in the Hotel Governor, San Francisco, Cal. A native of Wausau, Wisconsin, Mr. Sullivan was forty years of age at his untimely passing.

Since his first employment in a professional way in December, 1916, as an apprentice with the Leeds Kennels owned by Mr. Alfred Delmont, where he learned all the rudiments of handling and conditioning of dogs under the tutelage of Mr. Delmont and Mr. Frank Brumby, Mr. Sullivan has handled with marked success many of America's best known dogs. Among these may be listed the bulldog "Ch. White Light"; the Doberman "Ch. Claus von Sigalsburg"; "Ch. Jockel von Burgund" and "Int. Ch. Troll von der Engelsburg"; the Chow "Ch. Yang Fu Tang" and the Boxers "Ch. Dorian von Marienhof of Mazelaine" and "Ch. Lisl von der Blutenau of Trulgey Wood".

Mr. Sullivan had a reputation for pleasing and correct sartorial appearance and because of this was known as the "fashion plate of the handlers".

The sympathy of all goes to his family, Mrs. Eleanor Sullivan and his young son, Jimmie Jr.

MRS. JOHN TOMLINSON PASSES

The many friends of John Tomlinson, for over fifty years a breeder of Cocker Spaniels at Woodstock, Ont., will regret to hear of the passing of his beloved wife on June 21st after a long illness. Mr. and Mrs. Tomlinson celebrated their golden wedding anniversary on February 4th, 1936. Mrs. Tomlinson was very keen on dogs especially Spaniels and assisted the master of the Woodlawn Kennels at all the shows until the past two or three years. The sympathy of the entire fancy goes out to Mr. Tomlinson and his daughter, Mrs. Harold Sutherland, in their great loss.

MR. CHARLES S. WALKER DIES

The fancy in general and Colliedom in particular lost one of its most ardent supporters in the sudden passing on Monday, July 10th, of Mr. Charles S. Walker at Cainsville, Ont. A member of the C.K.C. since 1927, Mr. Walker is known to collie fanciers as the owner of the Heather Kennels. To Mrs. Walker we extend deepest sympathy in her great loss.

PEKINGESE FANCIER DEAD

A member of the Canadian Kennel Club for twenty-one years, Mrs. A. J. Haley died at Toronto recently. Though not prominent for the last few years as an exhibitor the owner of the Goatby Pekingese Kennels continued her breeding operations up until the time of her passing. To Mr. Haley we extend our deepest sympathy.

Here 'n' There

"HAPPINESS PERSONIFIED"

On a recent visit to the St. Lawrence Market to see Mr. Sid Perkins with regard to his advertising in KENNEL AND BENCH the writer met in Mr. Perkins what might most aptly be described as "happiness personified". Apparently Mr. Perkins had ample justification for feeling so elated for in her report as it appears in OUR DOGS on her judging engagement at the North Westchester Kennel Club show while on her most recent visit to this side of the Atlantic, Mrs. Winifred Barber of England has this to say:

"The following Airedales came in for best of breed: 'Ch. Fielsuma', 'Ch. Shelterock Monclair Sport', 'Ch. Fair-service Chief Arrival', 'Ch. Rockley Riot Act' and 'Ch. Glenmavis Solitaire'. 'Solitaire' was far too fat which ruined her shape entirely, and she was not moving too well behind; she has a glorious head, neck, shoulder, and front; colour is really perfection. I had no hesitation in putting 'Ch. Rockley Riot Act' (a Canadian-bred bitch, I hear) over the lot; she is a really lovely bitch with the exception of colour; her quality Airedale character, refinement in head, and lovely moulded lines completely filled my eye. The bitches were far ahead of the dogs, as so many of these were course in head."

It would therefore appear that the Rockley Kennels have once again demonstrated their ability to produce Airedales much above the average, and present plans point to a continuance of the many successes experienced during the past years.

NEW STUD BOOK OUT

As if by way of reminding us that 1938 was the Golden Jubilee Year of the Canadian Kennel Club, the latest Stud Book, Volume 42, made its "debut" recently. Resplendent in a gold coloured cover the Stud Book, as usual, contains List of Officers, Constitution, Kennel Names, List of Members, Registrations, Show and Field Trial Awards for 1938, a mine of information to be sure. Copies are available to those not receiving a copy through membership with the Canadian Kennel Club.

MRS. PURVESS FRACTURES ARM

The many friends of Mrs. M. A. Purvess, Toronto, will regret to learn

that this lady suffered a fractured right arm as the result of a fall. The fracture was such that a cast was necessary and this will not be removed until after this issue has gone to press. Of necessity Mrs. Purvess has been obliged to curtail her activities in canine and home matters. Everyone, we are sure, will wish Mrs. Purvess a speedy recovery from an accident that had such painful results.

BOSTON CONSISTENCY

"Consistency" may well be the keynote of this short note on the wins made by the Two Boston Terriers—"Flash Again's Regards" and "Golden Jubilee's See-Me-Go"—both owned by the Jubilee Kennels of Mrs. Martha Stevens, Toronto, and Mr. T. Richardson, London, at the shows comprising the Ontario spring circuit. "Regard", a son of Int. Ch. Flash Again and Hagerty Hit's Lady Argo (by Ch. Hagerty Hit Again), was awarded Winners Dogs, Best of Winners and Best of Breed at the London, Guelph and Windsor shows, and was beaten only by his kennel partner for the highest breed honours at the Chatham fixture. At the latter show "See-Me-Go" was Winners Bitches, Best of Winners and Best of Breed thereby adding to her wins of Winners Bitches at London, Guelph and Windsor. In addition to these wins "Steven's Kid Glove" was Reserve Winners at the London, Hamilton and Canine Breeders' shows.

PRESIDENT ACTIVE AS JUDGE

Since his most recent trip to Wheeling, W. Va., as judge at the Tri State Kennel Association, Inc. show our President has accepted two invitations to "don the ermine" at other shows in the United States. At the Chagrin Valley Kennel Club show, sponsored by the Chagrin Valley Hunt Club, at Gates Mills, Ohio, on August 27th, Mr. Sparkes will pass on a number of breeds. While this show will not be of the same size as the gigantic Morris and Essex nevertheless it will be patterned as far as possible after that famous fixture. On September 10th Mr. Sparkes journeys to Fon du Lac, Wisconsin, to function as "all rounder" at the show of the North Eastern Wisconsin Kennel Club.

FROM FOX TERRIERS TO ENGLISH SETTERS

An advertisement appearing in the July issue of Kennel and Bench confirms information received to the effect that the Gateway Kennels of Mr. and Mrs. A. R. Rown, North Bay, are disposing of their kennel of fox terriers and will be devoting their future activities in doggy matters to English setters. The foundation of their kennel of English setters will be found in females descended from the Poliocho and Unomont Chick strain. "Gateway Tamerlane", sold to a resident of North Bay, has already demonstrated his ability in the field much to the satisfaction of his new owner.

The kennels are situated on two acres within the city limits on Lake Nipissing with bushland at the rear of the property, surely an ideal location.

The Problem of Puppy Feeding is Quite Easily Solved

GAINES FORMULA 107-A

is the solution, as it presents a proven, convenient and inexpensive method of reducing mortality among puppies. GAINES FORMULA 107-A. is simulated bitch's milk in powdered form and revolutionizes puppy feeding entirely. The two hour feeding method of yesterday has been replaced by THE 8 HOUR METHOD OF TO-DAY—only three feeds at 8 hour intervals—JUST THINK OF IT.

GAINES DOG FOODS Meat and Milk Meal and Krunchon

is a COMPLETE dog food and contains every known element necessary to nourish each cell, tissue and organ of a dog's body. It is economical because no fresh meat need be added. In addition, it is ready to serve saving time and worry in preparation of food. It is GUARANTEED.

AND IT HAS BEEN SUBSTANTIALLY REDUCED IN PRICE

SPRATT'S

Directly the litter was born, his mother was wisely fed on Spratt's Puppilac (full-cream milk in powder form) thus helping her to stand the strain of the suckling period. As weaning time approached Puppilac was given to him direct and he found it quite as tasty and nourishing as his mother's own milk.

SPRATT'S

When the time arrived to make that big step over to solid food SPRATT'S WEETMEET No. 1 was introduced into his diet. This kibbled biscuit meal "builds up" bone and muscle and, at the same time, educates the pup to the benefits and enjoyment of a "hard tack" diet, so important later in life.
