There are no two ways about it—skimping on quality in feeding is poor business. But when you can buy quality at low price that's economy.

That is why more and more kennel owners are switching to Ross-Miller. It's the old standby in quality, dependability and low cost feeding in relation to returns.

Get the facts. A letter will bring you samples, prices and convincing proofs of profitable feeding the Ross-Miller way.

MEETING OF THE BOARD OF DIRECTORS

OF THE CANADIAN KENNEL CLUB, MARCH 21st, 1940

THE regular monthly meeting of the Board of Directors of the Canadian Kennel Club, Inc., was held in the Board Room of the Club's offices, 25 Melinda Street, Toronto, on Thursday, March 21st, 1940, at 2.00 P.M. The President, Reg. P. Sparkes, presided. Directors present: Walter H. Reeves, Dr. H. E. Batt, Wm. McDerment, W. J. Risewick and F. W. Walkerdine. Absent: Mrs. E. Brown (Illness).

It was regularly moved by Mr. Walkerdine, seconded by Dr. Batt and carried:

"That the Minutes of the meetings of the Board of Directors held on February 8th, 9th and 10th, be taken as read."

In a letter dated March 12th, Director Mrs. E. Brown again thanked the Board for the flowers sent to her during her recent illness and hoped to be able to attend the next meeting of the Board.

The President and Secretary's report of their visit to the offices of the American Kennel Club was read. The President and Asst. Secretary reported on the further progress made in several of the matters cited in the report since the President and Secretary had returned from New York. The President instructed that a copy of the report should be sent to all Directors not present.

It was regularly moved by Mr. Walkerdine, seconded by Mr. Reeves and carried:

"That the report of the President and Secretary's visit to the American Kennel Club offices be adopted as read."

A letter from the Records office in respect to the registration of Spaniels (Cocker) and Spaniels (English Cocker) was read by the Asst. Secretary. After discussing the matter, it was agreed that the resolution adopted by the Board of Directors at their meeting held on July 20th, 1939, would govern in the registration of Spaniels (English Cocker) and all other Spaniels (Cocker) not meeting the requirements of this resolution would be considered for registration purposes under Article 17, Section (e) of the Constitution.

The following statement of General Accounts for February was presented for payment:

The matter of printing Obedience Test Rules and the price at which they were to be sold was considered by the Board who agreed that the Secretary would communicate with Show-giving Clubs in an effort to ascertain the number of Obedience Tests likely to be held, this information to serve as a guide in respect to the printing and sale of the Rules.

Mr. Walkerdine asked for information as to the status of Mr. Gunderson insofar as this Association was concerned. The President advised that Mr. Gunderson, while Registrar at the Records office for the Canadian Kennel Club, was an employee of the Canadian National Live Stock Records and as such was under the jurisdiction of the Live Stock Record Committee and Director R. G. T. Hitchman. The President further advised that the attendance of Mr. Gunderson at the Directors' meetings in February was arranged as a matter of courtesy.

It was regularly moved by Mr. Risewick:

"That this meeting adjourn."

NOTE: These minutes are subject to correction when presented for adoption at the next meeting.

IF YOU HAVE PUPPIES— REMEMBER GAINES FORMULA 107-A

Formula 107-A is a new but definitely proved product that has almost identically the same chemical composition and gives the same feeding results as natural milk. It makes the feeding of very young puppies as nearly comparable to natural feeding as possible. It is nutritious and easily digested and is valuable in many other cases, especially if you feed it with

Dear Sirs:

In appreciation of the splendid results received from the exclusive use of Gaines' Food at Longview Kennels, we wish to send a word of praise for these grand products.

The "Meat and Milk Meal" has been our standard kennel feed for over four years and we have noted with satisfaction the strong bone, marvellous coat and fine general health of our champion Kerrys at Longview Kennels.

We enclose a photograph of three generations of our Kerry Blues which includes an International Champion, an American Champion and an up-and-coming youngster who went best of breed at Batavia, New York, at the age of nine months. The bloom in which these dogs were shown speaks volumes for the use of Gaines formula.

In closing, we might say that with the sale of each dog from our Kennels we recommend the continuance of the use of Gaines.

Yours very truly,

LONGVIEW KENNELS.

THE HOME OF SAINTS REST KENNELS

IT TAKES GOOD STOCK TO PRODUCE GOOD STOCK

Saints Rest Bostons continue to prove their superior quality by gaining top honors at many of the MAJOR shows.

At Flint, Mich., "Saints Rest Double Ace" was awarded Winners Male, Best of Winners, Best of Breed, and 1st in the Non-Sporting Group, his second Group win in six weeks. Total entries at this show — 400.

At Detroit, Saints Rest took Reserve Winners Male, with a record entry of 118 Bostons. Total entries at this show — 1,467.

At Toronto, March 22nd and 23rd, Saints Rest won 2nd in Non-Sporting Group, Best of Breed, Best of Winners, Winners Male — and 5 class awards.

NOTE: Winners Female at Buffalo, N.Y., was "Saints Rest Mischief", bred by us, and not "Blossom Time", as mentioned in error in our last month's announcement. "Mischief" also went Reserve Female at the great Madison Square Garden show, in New York City.

Our Spring Breeding Program is now under way, and pups from our exceptional stock should be available in late spring and early summer. Bred and raised under the ideal combination of modern kennels, country air, and country sunshine.

WITH THE GEE GEES

ON PAGE 4 of our January issue we told our readers what Charlie Ayers had to say about Alf. Loveridges promising young colt "My Fancy", and observant readers will recall that Charley mentioned that Alf. had his horse at the stables of Bill Risewick's Pine Ridge Farm, at Pickering, Ont., and this leads us on to our present story.

The other morning we noticed where the horsiest of all horsey writers around these parts had something rather interesting to say concerning our Ontario Director, W. J. Risewick in his "Hoof Beats" column in the Globe and Mail, Toronto. Said Douglas Eppes:

"W. J. Risewick, who races under the nom de course of the Ravina Stable, has a nice breeding farm a mile or so west of Pickering. The stables are equipped with thirty box stalls, and let's hope that the day will soon come when each of them has an occupant. Meanwhile, there are some brood mares there and some active racers, of which the best known are "Ucha" and "Ontegra". "Ucha", now a 4-year-old, was bred by the noted Toronto horsewoman, Miss Kathleen Christie from the mating of "Buddy Bauer" with "Bad Girl". "Ucha" carried Mr. Risewick's red, white and blue silks with fair success last season. Her record reveals that she won three of her twelve starts, finished second twice and third the same number of times. She was the mare that figured in the huge double at the last meeting of Thorncliffe Park last season.

"Ontegra", bred by the Parkwood Stables, is another member of the Ravina Stable. So is a 3-year-old mare, "Seebe" by name, who was bred in Montreal from the union of "Brother Joe" with "Chical". This young mare never has raced, but is reputed to have shown speed in her gallops. Mr. Risewick has a couple of 2-year-olds that will make their turf debut in the coming Canadian season. One is "Phalamaid", a daugh-

ter of imported "Haytime 2nd" from "Lady's Maid". She was purchased at the William H. Wright yearling sales in Woodbine Park paddock last autumn. Then there's "Alfred T.", sired by "Arlesian" from "Daughter of Dawn", which makes this colt a full brother to the speedy "Ardawn". The services of "Arlesian" have been leased by Mr. Risewick, who believes this one-time shifty racer is capable of siring racers that will reproduce the speed qualities of their daddy. Incidentally, "Cup Winner", owned by the Dook of Avion, otherwise Bill Campbell, was sired by "Arlesian". He's been a good hoss, hasn't he Dook?

Though Mr. Risewick has come into the racing and breeding game in a modest way, there are strong possibilities that he will enlarge his present interests. We hope he does, for racing has plenty of room for business men of his type."

So there you are, and what Mr. Eppes says goes, only, the writer has

been out at Pine Ridge Farm quite frequently in recent months, and there never seemed to be a vacant stall in the whole extensive establishment, a plant that is quite as modern as yesterday afternoon, so, we take it for granted that Mr. Eppes has in mind, when he says, "and let's hope that the day will soon come when each stall has an occupant", that the day will soon come when the space occupied by the boarding racing horses, will be occupied by a Ravina Stable racing or breeding animal, and surely the Ravina Stables of Mr. Risewick have been planned for just that.

It might not be a bad idea to remember the two names "Ucha" and "Ontegra" because both are rather useful horses in any racing stable.

Not so many hundreds of years ago we were enjoying the sunshine at Woodbine Park, Toronto, and in one of the races Mr. Risewick had a mare running by the name of "Lotta Wells", the race was a 7 furlong affair, and Mr. Risewick and his trainer Mr. Cook were away over at the starting gate to watch the getaway. Mr. Risewick had his hands in his pockets as is his usual custom, and the logic, "blessed is he that expects nothing for he shall not be disappointed" seemed to be made to order for that particular race, but after a couple of furlongs had been run the black hide of "Lotta Wells" was well in the van, and coming into the home stretch, she was winging away like something possessed. Owner and trainer exchanged glances, agreed that the purse was to be theirs, and away they sped across the track, and only arrived in time for the photographs. We have seen many owners and trainers sporting a well developed grin after one of their horses had crossed the finishing line in first place, but the exultant look in Mr. Cook's eyes as he led "Lotta Wells" back to the paddock we shall never forget, we bet his chest expanded at least 60% beyond its normal.

It is more than a possibility that Mr. Risewick will enlarge his present interests, and Pine Ridge Farm leads itself splendidly to anything and everything that Mr. Risewick may have in mind for the plant.

Is your Kennel a Profitable Business - - or Expensive Hobby?

VITAMIN REX WHEAT GERM OIL, ADDED TO YOUR RATIONS, REDUCES BREEDING FAILURES - - - ASSURES MAXIMUM LITTERS AND STRONGER, HEALTHIER PUPS

If you are in business to make profits, you cannot afford to overlook the value of Rex. Due to its high content of Vitamin E (the anti-sterility vitamin), Rex Wheat Germ Oil is a big aid to maximum production and helps produce pups with fine, rich, glossy coats that find a ready market at good prices.

Be sure the wheat germ oil you buy is Rex. Tests have proven that no other wheat germ oil has higher

Vitamin E strength. Rex is a solvent extracted, cold-processed, pure, unadulterated oil. It is definitely stabilized, will not go rancid and its Vitamin E content is guaranteed for one year.

Make your kennel a profitable business. Do not allow expensive breeding failures to ruin it. Tests have proven the ability of Rex Wheat Germ Oil to increase breeding success.

GEORGE S. THOMAS, of South Hamilton, Mass., best known of the all-around professional judges and one whose opinions are sought by exhibitors wherever dog shows are held, has been selected to head the list of seventy experts who will judge the fourteenth annual show of the Morris and Essex Kennel Club at Madison, N.J. on May 25.

Mr. Thomas, who recently returned from a judging engagement in Australia, will make his choice for top honors in the world's biggest dog show from the six dogs sent to him by six other widely known all-arounders; Vinton Breese, of Caldwell, N.J., for the gun-dogs; Louis H. Murr, of Spring Valley, N.Y., the hounds; Walter H. Reeves, of Belleville, Ont., the workers; Enno Meyer, of Milford, Ohio, the terriers; Mrs. Enno Meyer, the toys; and Matt R. Korshin, of Media, Pa., the non-sporting.

With the exception of a few Canadians, the Morris and Essex list this year is composed entirely of American experts. As usual, they have been recruited from all parts of the country, from the deep south and the Pacific coast, in order that exhibitors may have the benefit of opinions that have not recently been illustrated by other judging engagements in this vicinity.

The judging list reveals that Ch. "My Own Brucie", the cocker spaniel, and Ch. "Nornay Saddler", the smooth fox terrier, which met at the last Morris and Essex and at the recent show in the Garden, will not be entered since their owners are judging. Herman Mellenthin, who owns Brucie, is doing the American cockers and best of breed, while James M. Austin, who owns Saddler, is doing the wire-haired terriers.

Mr. Reeves has been made responsible for inter-sex competition in Dachshunde. In Fox Terriers he will select the best of the two coats. He will judge the Pomeranians (Specialty) and he will judge the Working Group, so he will have a busy day on Saturday, May 25th.

Other Canadian judges include John Ritchie, of Ottawa, Ont., who will judge the English Springer Spaniels (Specialty), Fred C. McLean, Hull, P.Q., will judge Manchester Terriers,

also Toy Manchester Terriers, Mrs. W. C. Routley, Toronto, Ont., will judge the Cairn Terriers.

A. McClure Halley, in whose capable hands so much of the detail of the Morris and Essex is placed, points out that no less than 32 clubs, 30 of them with a nation-wide influence, have elected to recognize this fixture as being their Specialty Show, and he explains that the arrangement makes a substantial contribution to the bag of gold that is at the end of the Morris and Essex rainbow each year. The Dachshund Club of America, sponsoring as it does the three coats characteristic of the breed. Makes the largest contribution, and that this joint offerings will make, approximately, \$1,200.00 available for competition without restriction.

Each year the Morris and Essex Club manages to find new ways to make its annual show more attractive to exhibitors, which is one of the principal reasons why it has become the world's biggest dog show. It has now arranged an innovation which will have a special appeal to fanciers of the toy breeds.

For them, the fourteenth annual Morris and Essex affair will really be a show within a show, since the club has arranged to give them a space of their own adjoining the big polo field on which, since its inception, the show has been held.

At the northwest corner of the field, where the exercising paddock for the horses used to be, a new field has been cut out of the woods. A space 300 by 200 feet has been levelled off and sodded and on it will be the big 220-foot tent for the toy varieties and the six judging rings in which those breeds will compete for the beautiful silver trophies and the cash awards open to all contenders at this show.

The problem of the toy dog exhibitors is somewhat different from that of fanciers in the larger breeds. Most of the toy dogs come to the show in private cars and in the special baskets in which they are exhibited. They are not taken from shipping crates and walked to their places on the benches. The cages have to be carried from the parking spot to where the dogs are shown.

Under the new arrangement, the toy dog fanciers will be able to take their cars to a special parking field of their own adjoining the tent and, as a result, they will find it much more convenient to exhibit than has been the case in the past. The new toy field will be reached by the road along the left side of the field, past the luncheon tents, where, as usual, all exhibitors will be guests of the club at luncheon.

In addition to making the field itself, the club has had the brush thinned out in the woods around the space so that there will be ample opportunity for the exhibitors to exercise their dogs in a shady spot. It represents one more substantial contribution Mr. and Mrs. M. Hartley Dodge, sponsors of the show, have made to the comfort of exhibitors, especially since they have desired to keep as much of Giralda Farm as possible in its natural state.

GOOD MORNING CHARLIE!

It was Charlie Quetschke, of Toledo, Ohio, who presented President Harding with the Airedale Terrier "Laddie Boy", and so gave the "Waterside" type front page publicity all over America. Charlie was a great favourite with our own past President, the late Joseph Russell who was none too pleased when Mr. Quetschke decided to go in for raising Fox and Mink, as he seemed to visualize that the Airedales would have to go.

FIFTY YEARS AGO THIS MONTH

Fifty years ago this month "The Simcoe Reformer" said "Mr. J. Lorne Campbell's well known Gordon Setter, Ch. "Becky Sharpe", now on exhibition at the Westminster's Kennel Club Exhibition in New York, is reported to have taken second prize in the Champion Class".

(Courtesy, Mr. H. S. Carvill, Simcoe, Ont.).

Apropos of the foregoing we would say that the late J. Lorne Campbell, Simcoe, Ont., was the second President of the Canadian Kennel Club, and served in that capacity from September 17th, 1890 until September 16th, 1891.

OUR FRONTISPIECE

WE ARE delighted to introduce to our Dogs In Canada readers this month the elegant Dachshund Champion "Helmar Flottenberg" (A.K.C.S.B. A240347) owned by Mr. and Mrs. Herbert Bertrand, Greenwich, Conn. as an outstanding show bench winner, and also, as an outstanding producer of show bench winning stock. A look at his picture reveals that Ch. "Helmar Flottenberg" is a sweet smooth dog, whose color is a very becoming stag red. He is a son of "Elmar Vom Fortunpark", and Ch. "Herzi-Flottenberg", and so a Luitpoldshiem-Flottenberg combination that is so truly representative of the breed itself. Then he comes from the Ellenbert Farm, R.F.D. I. Stanwich Road, Greenwich, Connecticut, from whence came the Westminster Best Dachshund for the years 1933, 1935, 1936 and 1940. In 1933 Ch. "Heini Flottenberg" was best. In 1935, Ch. "Feri Flottenberg" was best. In 1936, Ch. "Feri Flottenberg" was best again, and in 1940, Ch. "Helmar Flottenberg" was best of course.

After all is said and done, it is as a stud force that our feature dog shines out so brilliantly. His daughter, "Hylah Ellenbert" (Ch. "Helmar Flottenberg"-Ch. "Heidi Flottenberg") was winners bitch at the Bronx show last December, winning 4 championship points. Won 1st, American-bred (Red) and Reserve Winners bitches at Westminster this year. She went to Winners at the Eastern Dog Club Show at Boston, and won herself three points. She was whelped, November 20th, 1938. Another daughter "Hilma Ellenbert" was 2nd in Open Bitch Class. Standard, Red, in a class of nine at Westminster. Still another winning daughter to be in the money at Westminster was "Huka Ellenbert", who was placed 3rd, in the large Limit class in bitches.

A son of Ch. "Helmar Flottenberg"—"Helmar Ellenbert" born towards the end of 1938, that has great promise will not appear at the shows until he is fully matured, but he will be worth watching from the time he makes his debut sometime this Fall. Other litters as they come along have

their percentage of really promising prospects to carry the Ellenbert standard to even greater heights than those already attained.

Raising Dachshunde is a hobby with Mr. and Mrs. Bertrand, and they have enjoyed its pleasures since 1932. The dogs are ideally kennelled, and every dog goes for his mile and a half constitutional walk every day plus the odd run through the back of the estate grounds where meanders a brook that invites the dogs to all kinds of sport.

Ch. "Helmar Flottenberg" was first shown at Baltimore, in 1939, and here he was Best Dachshund. Because of a kennel ailment he did not appear at Westminster in that year, but at Westchester and Westbury he was Best Dachshund, and then he was obliged to take an enforced vacation from the shows, because his kennel mate Ch. "Hanko Flottenberg" was taking everything in his stride at the shows, but there are plenty of opportunities for all the good Dachshunde, and the dogs of Ellenbert Farm will all have their full share of attending the shows, and some time we hope to find them in the front at shows on this side of the border.

A LEAP YEAR HONOR

Dr. J. O. McDonald, Sudbury, Ont., brought a real Kerry Blue Terrier bitch to Canada near the end of 1939, in "Rio Rita O Rom", and sent her out in quest of championship honors at the shows held in the United States during February. Apparently the little lady made an immediate and lasting impression on the judges that she met, for in 21 days in the shortest month of the calendar she won her American championship, and scored a 'bull's eye' for England.

(Am. Ch.) "Rio Rita O Rom" was born on December 25th, 1935, and was bred by Mrs. M. M. Cummings, Romford, Essex, and was a welcome Christmas gift for Mrs. Cummings, Dr. McDonald and Canada. The doctor has just purchased "Rio's" half sister who has been bred to Ch. "Downsview Duellist", and may be in Canada before this appears in print. There are three champions in Dr. McDonald's Kennels now in Champions "Ben Edar Birkie", "Rogue O Rom" and "Rio Rita O Rom". The kennels are situated on the beautiful southern shore of Lake Ramsey, 4 miles from Sudbury, and interested fanciers travelling that way may stop off and see the dogs, and probably borrow a rod and reel as well.

"FOR THE DURATION"

The Canadian Kennel Club, Inc., is extremely interested in having prepared a complete list showing the rank and names of all its members now serving in His Majesty's Forces on land, on the seas, or in the air, and the co-operation of the entire membership is solicited to submit such information as will make the list wholly complete and absolutely reliable. All persons recorded in the proposed Honour Roll will be granted full membership privileges without paying the membership fee, and the Official Organ "Dogs In Canada" will be sent regularly to all members at home, or overseas whose names appear on the list.

Provincial Directors, Provincial Correspondents and every interested member will kindly volunteer their co-operation in making the proposed list inclusive and dependable—Thank you.

WHAT IS DOG NEWS?

By CAPT. WILL JUDY
(Dog World, Chicago)
Past Pres., Dog Writers' Ass'n.

"We do not care greatly for petty news notes. They have little news value; they usually are only local news notes; they are too often published mostly to please the party concerned; they are often used to bolster up advertising in unfairness to other advertisers, and they are an imposition upon readers who pay \$2 per year to read worthwhile reading matter.

"Another vital point is that petty news notes are not of interest to breeders nationally. The man in California is little concerned whether Sam Brown in Florida is proud of a litter of six beautiful puppies.

"What other publishers wish to do is a matter of their own concern.

"Petty news notes consist of ordinary sales of ordinary puppies, whelpings of mediocre unknown bitches, matings of two ordinary dogs, and statements of breeders that puppies in a two-weeks' old litter are coming Champions."

Captain Judy has opinions to offer that are well worth minding and nobody knows better than the publishers of canine magazines that Will is right when making the above observations. A national magazine must serve general reader interest at all costs.

WHAT MAKES GOOD READING MATERIAL?

By J. D. STRACHAN
(Dogs in Canada)
Past Pres., Dog Writers' Ass'n.

Good reading material must have as its first essential general reader interest appeal, and failing in that essential anything appearing in the printed page becomes just so many words strung out. This standard is conceded by writers the wide world over, and when it is fully observed success follows in its train, be the instrument anything from a book to a dodger.

Almost every person considers himself, or herself as the case may be, to be a born writer, and some do write very excellent and readable material, but there are many with a flair for writing who insist upon following the most elementary rules and usages, instead of enlarging their talent to the point where "appeal" is to be found, and then cashing in on the advantage. When a reader feels obliged to leave an article, only partly read, the writer has fallen down somewhere, and the "general appeal" has been absent.

Budding writers will be well advised to make a friend and confidant of the editor they send their manuscripts to, very likely he will understand, and will be ready to offer some encouragement. He may appear to be hard boiled and void of feeling, but actually he is more likely to be rather human on the inside shell, but even at that, he will advise leaving the sawdust, and reaching for the more substantial plank.

WHAT IS A JUDGES' CRITIQUE?

By MILTON DANZIGER
(Springfield Republican)
Past President, Dog Writers Ass'n

"A judge's critique is usually an inept description by an inept judge defending his placement of dogs at a dog show. The fable is often a hodge-podge of puff and prejudice. Puff for the winning dog and owner and adversely for the loser.

"This is not true with all judges' critiques. Several of our judges, more particularly dog scribes who take judging assignments are in a position to give readable and unbiased description of their placings.

"Some of the dog scribes will not take judging assignments, and if they do, refrain from discussing their placements for publication. It would be better, instead of judges' critiques, to have critiques of the judges by some capable, unbiased, unfettered writer and observer."

We agree with Mr. Danziger entirely, but capable, unbiased, unfettered writers, and observers, do not grow on berry bushes, like competent all-round judges, they are admittedly very scarce. Those that are available cost considerable and the space taken up by their copy costs plenty too. Then we have to consider what can fairly be done with the available talent and is there sufficient to go around?

There is room here for much food for thought with a view to the larger and more enjoyable sport.

Finish that Championship.

Notes From British Columbia

By MRS. H. E. FLETCHER,
6996 Durnfries St., Vancouver, B.C.

THE Victoria City Kennel Club held a successful sanction show at the Crystal Gardens in aid of the Junior Auxiliary of the Victorian Order of Nurses. One hundred and ten dogs were judged by Mrs. Wally Bowden and Mr. Dodsworth with the result that the sum of \$194.00 was handed over to the Treasurer of the Victorian Order of Nurses.

Two of the finest dog shows in Western Canada are now being arranged to be held in Vancouver, B.C. during the Canada Pacific Exhibition, August 26th to September 2nd.

The first of these shows is scheduled for August 30th and 31st and the second for September 2nd, both being under the auspices of the Canadian Pacific Exhibition, and under the rules of the Canadian Kennel Club.

Under the Chairmanship of W. T. Moodie and the Vice-Chairmanship of W. H. Pym, plans have already been completed to stage the shows under Canadian Kennel Club rules and winners will be awarded points in addition to ribbons, cups and cash prizes. It is expected that the prize lists will soon be off the press, copies of which may be had by writing the Canada Pacific Exhibition, Exhibition Grounds, Vancouver, B.C.

A special building is being prepared to house the dog shows and will contain every modern facility for judging and benching. Special judging rings are also being prepared with uniformed stewards in attendance at all times. No announcement is made at the moment concerning judges, but arrangements are being made to have present outstanding Eastern dog show judges.

"No effort is being spared to make

W. H. Pym, Vice-Chairman, who has set for his objective British Columbia's greatest dog show for 1940.

these the outstanding Dog Shows in Western Canada", states S. C. McLennan, General Manager of the Canada Pacific Exhibition. "We are fortunate indeed to have on the Committee Mr. Moodie and Mr. Pym and through their efforts we will expect entries from as far south as Los Angeles and east to Winnipeg to fill the full classification which will be offered."

One of the most recent importations to Vancouver Island is the West Highland White Terrier "Belmerville Aldrich" who was recently imported by Miss Rosamond Bellett of Albert Head, Victoria. "Westy" came from Dr. D. A. Tyler of Parkville, Mo. At last years Morris and Essex Show his litter sister went to Best of Winners.

Mrs. Sweeney of Cairn Terrier fame has been busy lately. Two of the Cairns have gone to China. Two have found new homes on Vancouver Island. One has left for Baise, Idaho, while another has found a new home in Alberta.

Probably sold for the largest sum in a long time is John Rose's Yorkshire Terrier "Raemon of Soham". Mr. Rose imported this little morsel of dogflesh from the Old Country where he had won many ribbons, and it will be remembered that he won the Toy Group at the Canada Pacific Exhibition at the show held on Sept. 4th, last year. Put down in A.1. condition and ably handled by 'Vic' Williams "Raemon" was always a ring-side favorite.

A meeting of the Fraser Valley Kennel Club was held on March 12th, when tentative plans were made to hold a Point Show sometime during this summer. Our Director 'Vic' Williams attended the meeting in company with A. S. and Mrs. Dainard. Mr. Williams referred to the highlights of the annual meeting of the Canadian Kennel Club, and to the great New York Show, and concluded his remarks by offering his services to the Fraser Valley Club in their desire to get off on the right foot, and so to encourage the breeding of

pure-bred dogs in the Fraser Valley.

It will be recalled that a successful sanction show was held by these enthusiastic fanciers last fall, and under the leadership of George Busby, of Springer Spaniel fame, this club is likely to play an important part in British Columbia doggie activities.

The report of the Annual Meeting having been carefully read, I think W. H. Pym, and 'Vic' Williams are worthy of special notice for the splendid manner in which they handled matters of interest for the British Columbia members. Constructive common sense suggestions for the betterment of dogdom generally just about sums up the effective efforts advanced by our B.C. representatives, and it is plain to see that the East recognized the calibre of our two Ambassadors of goodwill by the manner in which our British Columbia requirements were received and endorsed. It is quite evident also that those with apparent chips on their shoulders, and probably with axes to grind, believed in that old saying that "birds of a feather flock together" but I do not think that their esteem and respect has been enhanced much by their actions.

The Provincial Committee as selected by Mr. Williams in both the Mainland and the Island are fanciers of long standing, of the highest integrity, and known by their record of being able to deal with any problem which might be presented to them without fear or favour and so stimulate harmony and a better understanding amongst our ranks. It should be borne in mind that the choosing of a Provincial Committee is of paramount importance, and all the pros and cons have to be carefully considered before the final selection can be made, and so once again we must judge our representatives fairly and stick by the old proverb "by their deeds shall we know them".

Well it's off to Victoria we will go to attend the Victoria City Kennel

W. T. Moodie, Chairman Canada Pacific Exhibition Dog Show.

Club show on April 6th, when 'Sandy' Forbes of Tacoma, will once again don the "ermine". I predict a nice entry for this event and I understand that at the suggestion of 'Vic' Williams there will be featured a luncheon during our noon recess, where all exhibitors and friends may meet and enjoy a real old-time get-together. No doubt it is also being planned to receive from Mr. Pym and Mr. Williams a further report of the doings down East, and at Westminsters wonderful show. At any rate it is a move in the right direction, and we all are looking forward to a good time together.

W. Burns of Victoria, reports that sales this past winter have been extra good and that he had bought two Springer puppies from the Silver Creek Kennels, at Guelph, Ont., and also one from the Winsome Kennels, at Vancouver.

On March 23 and 24 the B.C. Gun Dog Club will hold a licensed C.K.C. Trial for Pointers and Setters to be held at Ladner. All dogs will be run on ring neck pheasants and Huns and a large entry is expected so take part in this trial. Participating in the judging will be W. M. Egerton, B. J. Abbott, A. L. Whalen and D. Kerr, whilst Chief of Police Scott Fenton of Ladner will act as Field Marshall.

Mrs. L. M. Wood, of Victoria, has shipped a female puppy to Billings to be trained as a den dog for coyotes, while another female, in whelp, goes to Rockford, Ill. At time of writing Mrs. Wood was still confined to her

bed, but she will be back to her dogs shortly I hope.

Jasper Daniels of the Dorn Dog School has done some extensive remodeling of his spacious kennels and has concreted fifteen new runs. With Spring just around the corner we all get a new lease on life apparently, and try to spruce up our kennels to the best of our abilities.

Congratulations are in order at this time to our 2nd Vice-President, W. H. Pym on the occasion of his Best in Show victory at the Winnipeg Show, March 8 and 9, with his English Setter bitch "Bradwynne Dainty Maid". Ably handled by her owner "Dainty Maid" went on from Best of Breed, and thus finishing her championship, to the highest honor. "Bradwynne Dainty Maid" was bred by Charlie Bradbury, of Vancouver. Mr. Pym, as you will recall, was reserve in a hot class, at the New York show recently, the show where the cream of Setters come together.

Talking of setters, Wally Willgress of "Shiplake" fame informs me that Ch. "Shiplake Sandy" which was sold to California, made a nice win by going Best Sporting Dog at the recent Pasadena Show. So it looks as tho' Vancouver has made further history in English setters recently. Mr.

Willgress has sold a young setter female "Shiplake Sapphire" to Mrs. J. J. Taaffe of California who is incidentally "Sandy's" owner. Another youngster to leave for a new home is "Shiplake Pilot" who goes to Mr. O. H. Smith of Hewassee, Virginia.

When my Dachshund "Ch. Betty" had her litter of ten little Dachsies' the other day, I had to call on an electric heating pad to help keep the puppies warm while I went hunting for a foster mother. Everything would have been fine, except that the heating pad went on fire, burning a hole clean through the whelping box and killing two of the puppies. If it had not been for "Helga" barking and our parrot yelling Mother! Mother! the house might have been burned down before I woke up, as it was, the fire had just made a start on the linoleum, and was put out rather quickly. If any of my readers ever revert to an electrical heating pad for this purpose, be sure and keep your eye on it, for you may be able to replace almost everything, but never the life of innocent little puppies. I shudder when I think of what might have happened but for "Helga" and the parrot.

A Great Dane by the name of "Dane" who is owned by Mrs. Douglas E. Johnston, Vancouver, is doing his bit towards collecting funds for the Red Cross. "Dane" accompanied by members of the S.P.C.A. and Junior Auxiliary of the Red Cross walks the streets with white collection boxes attached to his white harness, the combination is a sure fire appeal, and many donations are collected for a good cause.

Notes From Old Quebec

By W. W. ROONEY, 2331 Coursol St.,
Montreal, Que.

THE many indignant expressions concerning what transpired at the Annual General Meeting can never be construed as being favorable to the Canadian Kennel Club. One lady said, "I think it was disgraceful and it should draw letters of condemnatory indignation from all the Clubs in the country". Said another, "If I were thinking of starting a Kennel and was fortunate enough to find out that "Dogs in Canada" for March, 1940, was the official organ of the Canadian Kennel Club, Inc., most assuredly I would refrain from starting, I would say 'not for me'." Another one said, "I was so disgusted that I only read one column, then decided I had had enough". Still another said, "It's high time the Annual General Meeting of the C.K.C. should be held in some other city than Toronto." The sentiments expressed are from some of the members and from some of our local disturbers, and we have a few. One of them said, "I think the meeting was alright, that is the only way we get our money's worth and it is a good job some one gets after those guys up there". So you see we have some fairminded members in our midst and it will also be gathered that we have some of the disturbing element in Quebec, some who would wreck anything and everything that they could not run their own way. We even have some of the type who would like to make the bullets and expect their Directors to fire them and strange as it may seem these are the people who have done the least toward building up our Canadian Kennel Club, the people who make the most out of the game and in some cases make a living out of it and even then they are not satisfied. Some are disturbers in everything they get into, but I have made up my own mind that I will refuse to be a mouthpiece for these disgruntled persons who have been little less than a blot on the fair name of Canadian dogdom. Of course they are the type who are always right, the type who boo at the judges at our dog shows, the poor losers, the type who spoil every phase of sport they ever get into, the kind who, living in glass houses as they do, should not indulge in the pastime of throwing stones.

No, "Dogs in Canada" readers, I refuse to blackguard anyone when I realize they are doing a real good job and doing it for the good of the game; if they are making a livelihood out of it, good luck to them, the better the livelihood they make, the more credit I will give them. From my personal observations our headquarters at 25 Melinda Street are an open book and were it not so, I would be big enough and frank enough to say so, but I will not allow myself to calumniate anyone just to please that class of people whose chief assets are hate and dishonesty. In defence of the staff who serve the C.K.C. members, I tell you they are untiring in their efforts and have only the Club's interest and welfare at heart. Our Secretary is respected the entire dog-

world over. He has earned that respect because of his sterling character, he has commanded that respect. This I know and have proof of and when he tells me that advertising will not be allowed in the Provincial pages, I am with him, he is saying so in our best interests and he is not alone in that respect. This I know because only last week the Ladies Kennel Club of Canada went to one of our local daily newspapers to ascertain why they could not get publicity via the 'reader' route, they were told plump and plain that they would have to guarantee \$250.00 worth of advertising in order to get the free publicity they had in mind. So there will be no free advertising in this page quite irrespective of what these dead-beats and failures in everything may have to say. Let us be honest above all things, let us give credit where it is due and when undeserved criticism is hurled at us, let us weigh well where it originates and by what authority they criticize. We should be glad to notice that the members' paper is fair to every person and that favoritism is unknown in respect to it, and it is only to be expected that people who expect everything but give nothing are likely to be disappointed. The game is full of such people and the sooner they learn that their influence doesn't count for much, the better it will be for all concerned. Some people don't care who pays for what they want as long as they get it.

I am most reluctantly obliged to speak as I have done, but I am in a position to see for myself "Who is Who" and in my 25 odd years in the game locally, I have met and know all our discontents. Some have enjoyed much more than they were ever entitled to and some have never been any credit to the game since the first day they got into it. They never have a good word to say about any Show or any person, everyone is wrong but themselves.

Members, the time has come when we can afford to talk plainly and let us hope that we may be able to do so. The persons who boo and make ugly noises at dog shows when a judge's decisions are made are the people we must avoid and positively refuse their entries, explaining the whys and the wherefores to headquarters. Those who cannot say a good word about a dog show or its officials are in the same class as the anonymous letter writer, the class that stab decent fanciers' in the back.

I have always endeavoured to promote harmony through the Quebec page. I have honestly tried to promote trust and confidence in our officials at Toronto and at Ottawa where lies the great secrets of our success but that seems to be misunderstood in some quarters. I have been accused of joining 'the clique' because I refuse to trump up something to harass our officials. Let me assure our Province of Quebec members that I would be the first man in the world to speak right out if I had any cause to do so and then I would do it in a gentlemanly manner as you would expect me to do as your representative. Let me ask some of our members this, do you like and expect fair play from your own employer? I know you do, then for the sake of good sportsmanship extend the same privilege to

those whom you employ. When you consider that there are hundreds of members from Coast to Coast who may all feel that they should be attended to first and that they are the only concern of the C.K.C., I know only too well that the patience of our officials are often tried to the limit, but I also know of the courteous and diplomatic manner in which our affairs are handled which assures me that we have a good, honest, efficient staff at Head Office and I know first hand whereof I speak.

I am heartened by the thought that I enjoy the confidence and association of so many wonderful people in the dog world, if it were not for this I would not wish to continue in the service myself. Many people are with me one hundred percent I know but it is a pity that so many charming people must of necessity be brought together with the element that makes itself so obnoxious most of the time. Our fairminded people will, I feel sure, understand the attitude I have taken.

Mrs. Sutherland, the genial President of the Ladies Kennel Club, had the misfortune to lose her good Poodle by having it run over by a car, but I feel sure that we will soon see another one just as good to replace the loss. We have so few good Poodles in the Province that we can ill afford to lose any of them.

I learn that Mrs. Percy Adams' winning Skye, "Roland of Merry-mountain", is recovering very nicely from a cold he contracted after the Westminster Show which upset the well prepared plans of this rather busy kennel.

The three months old Skye puppies shipped to Florida and Los Angeles recently arrived in good shape and "Lord Ross of Talisker" and "Lord Sirius of Talisker" leave for Winnipeg and Philadelphia respectively some time this month.

It is a very comforting feeling to realize that we have such excellent shipping facilities as the Railway Express Agencies who make a specialty of handling livestock, and Mrs. Adams is loud in her praise of this particular service.

The new matron to be imported for the Talisker Kennels was believed to be in whelp but as so many do, the new arrival "missed". Long ocean voyages especially in the wintertime, may well aggravate this tendency. The untiring efforts of Mrs. Adams are being exercised to insure a good Skye entry at most of our Canadian Shows from fanciers' south of the border. If similar efforts were made on behalf of all our breeds what an influence for good it would make for our Shows. Moral—here's the chance to show how interested we really are, some on you supporters of breeds and of Shows, and emulate Mrs. Adams' example.

One of our most prominent men in Canada once said to me, "When you find success in anything at all you may rest assured that there is at least one person in that organization that almost sweats blood". This thought struck me when I attended the Mount Royal Toy Dog Specialty Show on March 16th, and to anyone who knows anything that philosophy pointed directly to Madame C. de P. Doniphan who deserves the orchids in this case. She knows how and so she always puts on a Show that does

credit not only to her Club but to Canadian dogdom as well.

R. A. (Bob) Ross judged in his usual painstaking manner and with some 56 Toys to go over, the Club did well to finish before midnight. Lady Tait presented the cup for Best in Show while reserve best in show trophy was presented by Miss Olive Osmer.

Many will be glad to know that Mrs. Armistead, mother of the well-known brothers, Ted and Harry, is slowly recovering from a rather prolonged illness.

E. Vanier, our Collie expert, tells me that he has imported the sable and white Collie, "Pleasant Motto of Progress" from A. L. Mitchell of New York. The newcomer is by Ch. "Hartzville Headstone" who is by "Pleasant Motto of Mainwood"—out of "Sunderland Sharme". Mr. Vanier is very pleased with his new dog and says that he is a fine upstanding dog on the big side with a fine disposition and Mr. Vanier feels that this dog is a real acquisition to the kennel and to the breed generally. He hopes to have him ready for the Spring shows.

Mr. Vanier's hobbies are not confined to dogs alone, he being one of our foremost judges and authorities on rabbits, while for a sideline he keeps the best in poultry, pigeons and pheasants. He tells me of a very amusing incident between a Collie and the pheasants. The Collie, curious to become more familiar with his neighbors—the pheasants—found a small hole where he could put his inquisitive nose through. The pheasant, also curious to know what the cold inquisitive nose was all about, kept pecking away at it all through the night. When Mr.

Vanier found the dog with half his nose pecked away, the thought struck him, what good would nose prints be in a case like this, he being an ardent advocate for tattooing.

Notes From Alberta

By H. P. SAUNDERS.

1010-4th Ave. N.W., Calgary, Alta.

THE February meeting of the Alberta Kennel Club was held on the 15th ulto. John E. Hunter presiding. After the regular routine was transacted, the club decided to engage W. H. Pym, Vancouver, B.C. for the Stampede Show, and it is now known that he has accepted and that he will be on hand, so every shoulder to the wheel and let's make it the best show on record. Miss Mitchell, the genial Secretary, has been working overtime on advertising, and from all reports her committee has gathered more advertising than we have ever had before, so now it is assured that the show is bound to be a financial success. New members are being brought in at every meeting and all are anxious to help the dog game along through these trying times.

Percy Thomas gave a very interesting talk on Pointers, tracing their history almost back to the origin of the breed, then demonstrating the steady improvements down to the present day, using his father's outstanding Champion dog for a model. At the March meeting we are to be favored by having Mr. Trevellyn tell us about Dalmatians, and he certainly has a good model in his own topnotch dog. If other kennels will adopt this system of education, and sponsor it at our club meetings there is little doubt but it will add new members to the club.

A very interesting letter comes from Mrs. Gladys McGee, a former Californian now living in Victoria, she says she is bringing a nice string of dogs along to our summer show, among the number will be her recent importation Ch. "Windridge Trumper".

Miss Tyrrell, of Edmonton, has just taken delivery of her imported Kerry Blue Terrier bitch, the newcomer is 6 months old and is one of the best bred dogs to ever leave the 'old sod'. I will be anxious to see her make her debut at her first Western show.

Jack Goff is off to Winnipeg with a string of Cocker, and we all hope that he will come out on top or near the top, his good wife is accompanying him; and she is just as enthusiastic as Jack is himself, and she has no peer when it comes to bringing out the good points of whatever dog she is handling for the judge to look at.

Saskatoon will be the next show, and Hugh Allan, of Winnipeg, will be judging all breeds. Albertans should well patronize this show for Pat Randall, Dr. French and Hugh Leslie always patronize our shows, and they always bring a big entry of real contenders along with them.

Edmonton, the home of Social Credit Government, had to choose March 25th and 26th as the dates for their show, and the latter date falls on election day. There might be method in their madness and if there is I hope their objectives will be accomplished, as this is another show where the proceeds are donated to the Red Cross. Ted Cargill who has been selected as the all-breed judge is not a stranger hereabouts as he at one time lived in Calgary. At that time

he had some worthwhile Cockers, and their breeding may be found in most of the outstanding pedigrees to-day, such as Ch. "Goldstream Guard of Cordove", "Goldstream Ambassador", "Matlock Durbar", both the latter were Canadian champions.

I note that Canadian dogs did very well at the big New York show, our C.K.C. President, Reg. P. Sparkes, winning best of breed with his new "Sour-Mug".

Congratulations to Heavensgate Kennels, Winnipeg, their Parti-Colored "Freckles of Riverview" made his presence felt too.

Notes From Saskatchewan

By MRS. W. M. KING,

2170 Hamilton St., Regina, Sask.

THE Regina Kennel Club sponsored a play produced by the Regina Repertoire Players on March 7th. The ticket sale furnished enough to clear all expenses and show a little profit to both organizations. Unfortunately "Gone With The Wind" was being featured at a local movie theatre, and proved to be rather strong competition. A number of soldiers from the barracks here were special guests, and everybody seemed very well pleased with the entertainment. After the show the Kennel Club members were hosts to the Players at the Novia Cafe. The management of the Cafe supplied coffee at a very nominal charge, provided a large room and a piano, and the ladies of the Kennel Club brought along the "eats" so we really had everything necessary for a very enjoyable evening.

I paid a visit to the kennels of J. and Mrs. Hartley recently and was surprised to find so many new dogs there since my last visit. Among others were a couple of cocker bitches — "Croydon's Lady Beth", a very nice black, and a blue roan, "Silver Ware of Alcrest", both bitches were busy attending maternal duties, so Mr. and Mrs. Hartley are now definitely in cockers. I also noticed a new springer "Birdie Gamebird" which they recently purchased from C. W. Pollard.

In a letter from Dr. French of Saskatoon received this week the news comes that the Saskatoon Kennel Club are practically sure that there will be no Exhibition dog show at Saskatoon this year. The military authorities have taken over a lot of the buildings, so the Kennel Club is just out of luck. This will be a disappointment to all those exhibitors who follow the mid-western circuit. C'est la guerre.

And now, here's an item from my own kennels. Believe it or not, Kingwin has a pom! It does look strange to see a Pomeranian running around with the Pekes. The new arrival came from the Sunstar Kennels of Mrs. Gertrude Rogers of Burlington, Iowa.

I must again ask the fanciers of Saskatchewan to step up and send in their news. More items from the north would be greatly appreciated, and would be of considerable interest to

NOTES FROM MANITOBA

By MRS. J. L. PATEMAN,
836 Henderson Ave. E. Kildonan, Man.

THE highlight of our doggy activities for this month was the all breed show held under the auspices of the Greater Winnipeg Kennel Club, in the Hudson's Bay Store in aid of the Children's Hospital of Winnipeg, and the St. Agnes Guild.

The catalogue indicates that some 176 dogs were entered. The judge of all breeds was Harry Osborne of Chicago, who impressed the ringsiders with his manner in the ring and his undoubted knowledge of judging. His placings were well received by exhibitors and spectators alike.

As usual the cockers were the largest entry, some 46 being benched. That sound little parti-color, Ch. "Freckles of Rivervue" won for best of breed. This dog has just returned from a show campaign in the States under Alf Loveridge, and he was set down here in the pink of condition; certainly a credit to "Alf". His handler and owner H. Fletcher did a good job in the ring and the applause that greeted the placing of Mr. Osborne was a fair indication of the approbation of the ringside crowd. My opinion, which is shared by scores of exhibitors in this city is that this dog is one of the best cockers bred in the west for a number of years.

Mrs. Pat Randall brought down a very beautiful collie, "Elmhill Eager" owned by Dr. J. T. Cooper of Saskatoon. This dog seems to be improving every time out, and will take some stopping at future shows. He went best working dog and reserve best in show.

Jack Goff of Medicine Hat also had some very nice cockers along, and a rather nice springer bitch owned by Mr. Armstrong. Mr. Goff is a well known figure at our Winnipeg fixtures.

Out of a nice group of Scotties that classy young female "Deeside Augbna Shillagh", owned by T. Kane and handled by Miss Ina Donald went best of breed thereby adding another three points to the five she already had towards her championship. She was bred by Tom Donald of 'Deeside' fame and is out of Ch. "Braw Lass 2nd" by Ch. "Haldon Bugler". Congratulations are also due Mr. and Mrs. Costin, who bred "Robert Bruce of Cosdon" a nice scottie who went to reserve winners and is now owned by Mr. and Mrs. Bruce Wood, of Winnipeg.

A. H. Kirby, a breeder of 17 years standing in Boston Terriers made a clean sweep in his classes. One particular dog he recently imported has some real class, "Joyful Johnny's Kid Boots" he easily outclassed all competition and won for Best of Breed. Incidentally, Mr. Kirby during his 17 years of breeding and exhibiting has only missed two shows in Greater Winnipeg during all of this time.

Last, but certainly not least, it was a real pleasure to have our worthy second vice-pres. W. H. Pym competing for show honours with his very beautiful English setter Ch. "Bradwynne Dainty Maid". He handled her faultlessly right through to become Sporting Group Winner, and from then on she was piloted to her crowning glory of Best Dog In Show by

Champion Cinder of Heavensgate

AT STUD

This great black Cocker Spaniel is proving himself to be the greatest Cocker stud of all time in Western Canada. Only four years old and with his services limited, he has already sired such well known dogs as: Ch. Freckles of Rivervue, Ch. Winnitoba's Dark Seeker, Ch. Cinder of Salsown, Ch. Calma's Durbar 3rd, Ch. Calma's Boy, Ch. Croydon's Black Judy, and many other winners with points to their credit. With the improved quality of the bitches now being mated to him he should have no difficulty in producing many more champions.

He produced solid blacks, reds, and buffs to solid color bitches and perfectly marked partis to parti-color bitches. His breeding is of the very best, being of Sand Spring, My Own, Cordova and Freeland's bloodlines. His pedigree shows 39 champions in five generations.

George Kynoch, after stiff competition from the Cocker Ch. "Freckles of Rivervue", and that grand collie "Elmhill Eager" in the final awards. Congratulations to Mr. Pym.

The handling of the show was under the superintendency of T. K. McKenzie, and his layout, the scrupulous cleanliness of the surroundings, and of the exercise ring was commendable. All in all it was a nice show, and the Greater Winnipeg Kennel Club outdid themselves. A very noticeable improvement was the entry into the ring, and a new idea in the blackboard arrangement, so that the dogs being judged and their placings were always plainly in view, and quite easy to follow.

Before closing this part of my notes I would like to make mention of that old campaigner in black cockers Ch. "Cinder of Heavensgate". Despite the fact that he was overweight and not in the condition he usually is he still was very noticeable, and we hope present plans for his conditioning will see him back again at the peak of his form and making the youngsters sit up and take notice. By the way this great little cocker is offered at stud in an advertisement in this issue and breeders cannot go very far wrong in utilizing his services. He is a mere four

years old and has produced six champions in his time, his most outstanding get being Ch. "Freckles of Rivervue" previously mentioned.

On Wednesday, Feb. 26th the writer called a meeting of Canadian Kennel Club members to give a report on the Annual Meeting, and I am glad to report that a nice turnout of members responded. A thorough discussion was held on all matters, and it is hoped that the work of C.K.C. is being more generally understood through these meetings. At the close it was suggested that the Provincial Committee composed of the writer as Chairman, J.E. Tulloch, representing the Gun Dog Club of Manitoba, Geo. Duncan representing the Greater Winnipeg Kennel Club and Boston breeders, Geo. Henry, representing the Fort Garry Kennel Club and Alex Gostick, representing the Scotty breeders would undertake to call a general meeting of all members of sporting dog clubs and kennel clubs as well as those of the general public interested in the breeding and exhibiting of pure-bred dogs, for the purpose of bringing all sections into a close working unit. It is hoped that through these gatherings the public will be enlightened, both as to the aims and objects of the Canadian Kennel Club as well as to encourage that spirit of harmony so necessary in all public ventures involving the holding of dog shows or field trial events.

On March 15th the Gun Dog Club of Manitoba held their regular open meeting of members and friends in Theatre A, University Building. Some four hundred attended and listened with rapt attention to a splendid address by E. D. Honeyman, K.C., who reviewed his latest book, "Memoirs of a Man and his Dog", or "Training a Springer on Manitoba Prairies". The manner in which he handled his subject was masterly. He interspersed the technical portions of his review by anecdotes of his own experiences, his joys and disappointments, and personally I did not realize that he had spoken for over an hour when he concluded. Two moving pictures from Field and Stream were shown, one of which, "Ducks, Dogs and Decoys" was taken by the Pathe Co., of U.S.A. was a gem on waterfowling, gunning and retrieving, it was being shown for the first time in Canada, and it had just been released to the leading theatres. Two other shorts in technicolour taken in Western Canada, as well as those of the Club's latest field trials were shown and thoroughly enjoyed. The Chairman of the Field Trial Committee J. E. Tulloch outlined the Club's programme for the coming season. Water trials in early summer and the regular trial for springers under C. K.C. Rules later on in the year. This club has as its secretary the energetic R. Hillier who reports a steadily increasing membership.

The Fort Garry Kennel Club are now actively engaged in perfecting plans for their Spring show, and several outstanding judges of international standing have been contacted. The show is being sponsored by the Imperial Daughters of The Empire and the proceeds will go for the furtherance of war work. Further details will be forthcoming as the plans mature and they will be outlined in our next issue.

AS OTHERS SEE US

Dear Sir:—

Chancing upon a copy of the February issue of your splendid little paper, Kennel and Bench, I became very interested in an enlightening article by Mrs. Gertrude Drew, Toronto. Through the channels of your paper, and with your kind permission, I would like to offer this lady my sincere congratulations on her work, I think you will agree with me Mr. Editor, that this work is a classic in its own sphere, how Mrs. Drew could cover dogdom so admirably in such limited space is beyond my comprehension, but this she does in no mistaken fashion, and I for one would appreciate more from her pen, for here without doubt is a real dog lover, her writing radiates it, this should be the spirit of the fancy, it is, I am convinced, the true fanciers spirit.

I came out to this country a little over six years ago, at that time I was prepared to try and forget anything that I had ever known about dogs, for up to that time I had been absolutely wrapped up in the dog fancy, so much so, that with me they had almost become an obsession, further, whilst I knew there were lots of dog fanciers in the United States, I was under the impression that in Canada, there were very few, but lo, I was very much mistaken, for that I rejoice because I miss my dogs and the many friendships they were instrumental in making for me, the memory of which I shall always cherish. Just how much I missed them I did not realize until I read this same resumé of Mrs. Drew's, but I do now, and sir, obsession or not, I'm going

to jump back into the dog fancy just as quickly as I know how to.

In passing, I might add, that I received much of my early training at the hands of Wilfred Hirst of the now famous Stockmoor Kennels, Highburton, the village where I was born being just a mile from Stockmoor. Yes, I was associated with Wilf and Vernon for a long time, and believe me sir, I only wish that I was going the round of shows again, meeting all those great fanciers, com-

peting against them, giving my opinion for what it was worth about their stock, they mine, comparing opinions, constructive argument, and all the thousand and one things that goes to make the dog fancy one of the most interesting games in the world. Over there one finds that for the most part the fanciers are jolly good winners and equally good losers.

I could ramble on for hours in this vein but I must refrain lest you think that I am becoming homesick, truth to tell I believe that I am.

I am interested in all live stock and have been a consistent exhibitor at the Canadian National Exhibition and the Royal Winter Fair in the poultry section, also having judged at these shows, but enough, I started out to tell you how much I enjoyed your paper and here I am rambling all over the place, so here's to the dog fancy, and, if at any time, anyone feels like discussing dogs, if they will drop in to see me at High Burton Farm, R.R. 3, Newmarket, Ont., they will be most welcome, for I am always interested, also be it known, that I have no axe to grind nor have I anything to sell.

Cheerio and Good Luck.

Sincerely yours,

Harry Crumpton Clegg.

—(Thanks for your good letter Mr. Clegg, we do agree that Mrs. G. Drew's clever article would make its impression on you, that is just our only reason for publishing it, you see it impressed us first. We also believe that you are a trifle homesick, but you have the proper solution for your problem, get back into the game.

TORONTO KENNEL CLUB SHOW

Good Friday and Saturday, 1940, drew a large entry of dogs to the 32nd Annual Show of the above club, and although the entry was substantial the quality did not seem to suffer, in fact the quality of the dogs generally was outstanding, this was apparent when the breed representatives came to the ring for the Group Judging.

Chas. G. Hopton, Brooklyn, N.Y., was the chief adjudicator, his share being all breeds excepting Boston Terriers, and this branch was judged by Paddy Boughs, Toronto, who was making his debut as a distributor of championship points. The show was held on Yonge Street, and this move was justified by the large crowds attending proving that the arrangement had been found convenient by the general public.

President Jack McNaughton had the close co-operation of his officers and committees from curtain to curtain, and at the close of the show he was on the receiving end of many compliments. Mrs. J. W. Bruce had charge of the office detail as usual.

Honourable Mr. Justice McFarland, A. A. Macdonald, and S. Foster, graced the ring, and shared in presenting the prizes to the Group Winners, and for Best In Show. As each Group came to the ring moving pictures were taken, and Mr. Hopton gave much information concerning the breeds, and was given a generous hand from the large crowd that listened to him attentively. We were too far removed to catch his remarks, but we did hear him say something about the Afghan Hound originating on a small peninsula between the Gulfs of Suez and Akaba, where Jehova delivered the Ten Commandments to Moses, and we felt that there was a real background for any breed. About the Pekes he said that it was 1864 before that breed had been allowed outside the gates of the Imperial Palace in China. A close look seemed to give assurance that both breeds were conscious of their ancient family tree, and were inclined to be 'snooty' and lord it over the other breeds around them, but really Mr. Hopton's remarks were historical and gave much pleasure to his audience. His flattering references to Toronto fanciers being the most sincere lot to be found anywhere, and to the Toronto Working Group being better than the Westminster Working Group brought their own rounds of applause.

Six dogs came to the Sporting Group, and Alf Loveridge seemed to be in charge of presenting five of them to the judge, and the award columns will show that 1st, 2nd and 3rd placed dogs were all from Alf's string. In Hounds his own recently acquired Afghan "Barberryhill Kali" was tops. Best In Show was 'Reg.' P. Sparkes's recently acquired Bulldog (Eng. Ch.) "Basford Golden Nymph" who was looking at his very best.

Held at Toronto on March 22nd and 23rd.

Use "Distempout"

You, too, will swear by "Distempout" for your canine pets, once you use it. An Akron, Ohio user (for five years) states, "I highly recommend your product to my friends." A well-known Pennsylvania fancier (a constant user for over 7 years) states, "I have never found anything approaching your remedy..."

Our files are full of letters like these from our friends. Some have used "Distempout" since its development, almost 20 years ago! THERE MUST BE A REASON!

MONEY BACK GUARANTEE

SPECIAL INTRODUCTORY OFFER—\$1.00 Size "Distempout" and 50c size "Nose Lax"—both for only \$1.00, postpaid. Money Back Guarantee. Use for 2 to 5 days, on one or more dogs, then if dissatisfied return unused portion for full refund. Send your dollar today.

**NOBODY LOVES
A SICK MAN!**

My name was Mud around the house — they didn't know I was sick! So I just sat around and tried to remember the Good Old Days. Then the Master clipped a coupon for the Sergeant's DOG BOOK — and did I get attention! The DOG BOOK tells how to keep me well — symptoms and treatments of illnesses, and advice on feeding and training.

With the DOG BOOK'S help, we stocked up on Sergeant's Dog Medicines — and I started getting well. I've been tapering off with Sergeant's CONDITION PILLS. Get a free DOG BOOK at a drug or pet store (or with this coupon).

"CLIFFMAR'S COUNTESS" DEAD

We regret to advise that this sweet Springer Spaniel bitch who won so conspicuously at the Canadian Patriotic, where she earned one half the amount of points required for her Canadian championship, but probably

her greatest claim to distinction was identified with her Westminster win of Winners bitches, and best opposite sex to Ch. "Showman of Shotton".

Pneumonia was the demon robbing us of this fine animal, and our sympathies are with Mr. and Mrs. Clifford Willmott, Toronto, who spent the last part of two weeks nursing their most cherished possession, only to admit defeat in the end.

"Cliffmar's Countess" was a daughter of Ch. "Gun Boy of Moira" ex a bitch whose sire was that great Springer Ch. "Inveresk Cocksure". She will be replaced as soon as possible if Mr. and Mrs. Willmott's plans materialize as expected.

EXPLANATION

It has been suggested to us, that the first paragraph of our front cover dog for February, probably lent itself to misinterpretation inasmuch as the words "but still there remains 7 Championship points that have a glamour all their own", seemed to suggest that "Pelham Peggy 2nd", still required 7 championship points to secure her title.

It would be quite impossible for any dog to require 7 points to finish championship honors, who had 4 winners ribbons, 2 best of winners ribbons, 3 best of breed ribbons, and 1 non-sporting group ribbon, and "Pelham Peggy 2nd", has won all those desirable ribbons, and they have made 7 championship points to appear in her favor on her record at the Canadian Kennel Club office, and may she soon earn the necessary 3 points required to finish her championship.

Obituary

Hale and hearty to look at during the Toronto Kennel Club Show on Good Friday and Saturday was the late A. H. Beal, Toronto, and to think that we will bury him to-morrow (Thursday, March 27th). Mr. Beal became a member of the Canadian Kennel Club on June 10th, 1937, so he was, comparatively speaking, quite a young member. His choice of breed was the Cocker Spaniel, and his start was a couple of females from the kennel of Mrs. Henry A. Ross, Philadelphia, "Nonquitt Lady Anne" (Ch. "Nonquitt Nobleman"—"Nonquitt Black Mandy") and "Nonquitt Newsreel" (Ch. "Windsweep Gallant Sir"—"Nonquitt Firefly"). "Nonquitt Newsreel" he bred to Ch. "My Own Peter The Great", and from that mating he produced Ch. "Sir Gallant Boy of Victoria Park", a red and white Parti that won Best of Breed at London last year, then took Toronto Kennel Club, Guelph, Hamilton and a championship in the same stride. We sincerely regret the passing of this fine English gentleman, who first saw the light of day at Dover 53 years ago, and extend our sympathy to his son Jack at this time.

Through the courtesy of our 2nd Vice-Pres., W. H. Pym, Vancouver, B.C., we learn of the death of our ex-Director, Neil Kelso, who died rather suddenly, to the consternation of his host of friends, a great number of whom attended his funeral to pay their last respects to one they had known to be a real gentleman.
