The most successful kennel owner has an open mind on the question of feeding—he analyzes costs—finds that cheap quality or home prepared feeds do not pay in the long run.

In feeding as in everything else, you get what you pay for. That's why more and more kennel owners are turning to R-M the well-known kennel food that takes the guesswork out of feeding.

R-M is a scientific combination of those ingredients your dogs should have; specially processed to save the vitamins.

Over fifty years practical experience in animal nutritional feeding is back of R-M Foods.

Get the facts on how R-M cuts feeding costs in kennels.

IMPORTANT

In writing your advertisements or other articles for publication in Dogs in Canada, do not abbreviate or omit words. Write all names plainly and correctly.

Club Secretaries are requested to notify us of appointments and dates for all shows to be held by them. All items of interest, such as meetings of all breed or specialty clubs, will be welcomed and given due publicity. In short, we want this paper to be of every assistance to the fancy in as wide a sphere as possible. All matter intended for publication should be written on one side of the paper only, and must be accompanied by the writer's name and address, not necessarily for publication, but as a private guarantee.

Closing dates, for reading matter, 20th; for advertising, 22nd preceding.

The regular monthly meeting of the Board of Directors of The Canadian Kennel Club, Inc., will be held in the Club's Board Room, 25 Melinda Street, Toronto, on Thursday afternoon, May 16th, 1940, at 2.00 o'clock.

MEETING OF THE BOARD OF DIRECTORS

OF THE CANADIAN KENNEL CLUB, APRIL 18th, 1940

THE regular monthly meeting of the Board of Directors of The Canadian Kennel Club, Inc., was held in the Board Room of the Club's offices, 25 Melinda Street, Toronto, on Thursday afternoon, April 18th, 1940, at 2.00 o'clock. The President, "Reg." P. Sparkes, presided. Directors present included: Walter H. Reeves, Mrs. E. Brown, Dr. H. E. Batt, W. McDerment, W. J. Risewick and F. W. Walkerdine.

The President raised the question of the Secretary's attendance at the meetings of the Board in view of the arrangement agreed upon by the Directors at their Annual Meeting. After discussion it was regularly moved by Mr. Walkerdine, seconded by Mr. McDerment and unanimously carried:

"That the Secretary be instructed that his duties are that he be at the Canadian Kennel Club office each day of the week (six days) for one half day and that he shall attend all Board meetings."

It was regularly moved by Mr. Walkerdine, seconded by Mr. Risewick and carried:

"That the Minutes of the meeting of the Board of Directors held March 21st be taken as read."

The Secretary's letter of February 28th to the Minister of Agriculture in respect to the Minutes of the Annual General Meeting held in February, 1939, together with the Deputy Minister's reply of April 25th were read, also the Secretary's two letters to the Minister of Agriculture dated March 14th in respect to the amendments to the Constitution adopted at the Annual General Meeting held February 8th, 1940, together with the Deputy Minister's replies of April 5th and 11th. The President advised that following receipt of the Deputy Ministers letter of April 11th, he had written the Second Vice-President, Mr. William H. Pym, and Mr. Pym's letter dated April 16th was read. Mr. Reeves reported that he had discussed the matter with the President and expressed the opinion that it would be advisable to secure through a referendum ballot the consensus of opinion of the members of the Club before further action was taken. After discussing the matter at length, it was regularly moved by Mr. Reeves and seconded by Mr. Walkerdine:

"That a ballot be taken of the membership of The Canadian Kennel Club in good standing pertaining to the fact that whether they wish to retain their status with the Canadian National Live Stock Records or whether they wish to withdraw from membership of same."

It was unanimously carried.

It was regularly moved by Mr. Reeves, seconded by Mr. Risewick and carried:

"That a copy of this resolution together with a specimen of the ballot be sent to the Deputy Minister of Agriculture."

It was suggested that for the benefit of the members it would be advisable to publish the letters to the Minister and the Deputy Minister's replies in the May issue of "Dogs in Canada", and it was regularly moved by Mr. Risewick, seconded by Mr. McDerment and carried:

"That a copy of this correspondence appear in the May issue of "Dogs in Canada" together with reasons for its appearance."

The correspondence appears on pages 6 and 7.

The Board then agreed upon the following ballot:

IMPORTANT

This Ballot Must Be

returned to the Election Commission on or before June 10, 1940 Postmark.

Are you in favor of The Canadian Kennel Club Inc. severing its connection with The Canadian National Live Stock Records of Ottawa?

Yes	
No.	

Mark ballot with X only.

For full information read Pages 6 & 7 of "Dogs in Canada", May 1940 issue.

It was then regularly moved by Mr. Walkerdine, seconded by Mr. Risewick and carried:

"That these ballots be sent out by the Election Commission along with a stamped and addressed envelope on May 10th to all members in good standing at that time, the ballots to be returned to the Election Commission at a date not later than June 10th postmark."

Upon Mr. Reeves suggestion it was agreed that copy of a ballot appear in "Dogs in Canada" with the notation that the ballots will go out on May 10th and all members wishing to cast a ballot on the subject must renew their membership for the current year on or before May 5th.

Mr. O. C. Hughes' letters dated March 30th and April 8th together with the Assistant Secretary's replies dated April 6th and April 9th in respect to Mr. Hughes' objection to the kennel name, "Cliffmarr" were read as was also the Honorary Solicitor's letter dated April 18th. After discussing the matter, it was regularly moved by Mr. Reeves, seconded by Mrs. Brown and carried:

"That the Secretary advise Mr. Hughes that the usual procedure had been followed in respect to the publication and granting of this kennel name and no objection having been received by the date of the Board meeting held March 18th, the kennel name "Cliffmarr" had been granted."

The Honorary Solicitor's statement for the accounts collected on behalf of the Club's official organ, was presented for payment and the Assistant Secretary was instructed to see that the collection fees were paid.

Correspondence to the Records office, the American Kennel Club and the Chief Registrar, Mr. A. P. MacVannel, was reviewed in respect to the registration of the German Short-haired Pointer "Grott von Hollenfelsen". After discussion, it was regularly moved by Mr. McDerment, seconded by Mr. Walkerdine and carried:

"That for the purpose of registering the German Short-haired Pointer, "Grott von Hollenfelsen", this Board of Directors hereby authorize the Canadian National Live Stock Records to recognize and accept the certificate which accompanied the application for registration for the above-named dog and further that the letter from Mr. Joseph Wenzl to Mr. Feigl, dated January 20th, 1936, together with the translation, be regarded as the official transfer of ownership."

The following statement of General Accounts for March was presented for payment:

The following licensed Show dates were ordered granted:

May 18th—Vancouver Island Dog Fanciers' Association.

May 24th—Vancouver Kennel Club.

July 10th-11th—Alberta Kennel Club.

August 5th—Toronto Ladies' Kennel Association.

September 2nd, 3rd and 4th—Canadian National Exhibition.

The following sanction Show dates were ordered granted:

April 12th—Canadian Terrier Club.

April 26th—Toronto Ladies' Kennel Association.

May 5th—Thames Valley Beagle Club (changed from April 21st).

Judges for the following Shows were approved:

Fort Garry Kennel Club.

Vancouver Island Dog Fanciers' Assoc.

Province of Quebec Kennel Club.

Hamilton Kennel Club.

Alberta Kennel Club.

The President suggested that the section of Dog Show Regulation I (a) which restricted the granting of a license Show date to a time less than four months previous to the Show, was a regulation that had outlived its usefulness and should be rescinded. The Assistant Secretary was ordered to make note in a book ordered set aside by the Board for suggested amendments to the Constitution and Dog Show Rules, to be discussed at the September meeting of the Board.

It was regularly moved:

"That this meeting do now adjourn."

NOTE: The Minutes are subject to correction when presented for adoption at the next meeting of the Board.

CANADIAN GOLDENS FOR FIELD AND BENCH SHOW

Col. S. S. Magoffin, Vancouver, B.C., the original fancier of Golden Retrievers in America, intends sending several of his best field dogs to compete in the two day Field Trial and Bench Show at the first such fixture to be sponsored by the Golden Retriever Club of America, at Mequon, Wisconsin, May 13th and 14th. We will be pulling for the Canadian entry, you bet, as the Colonel and his good lady rank amongst the best in the field of sportsmanship on the American Continent.

IMPORTANT NOTICE TO ALL MEMBERS OF THE CANADIAN KENNEL CLUB IN GOOD STANDING

IN the minutes of the meeting of the Board of Directors as they appear on pages 4 and 5—reference will be found to correspondence between the Department of Agriculture and the Secretary-Treasurer of The Canadian Kennel Club in respect to the amendments to the Constitution as adopted at the Annual General Meeting held Thursday, February 8th, 1940. By virtue of a resolution regularly adopted at the April meeting of the Directors, it was an instruction to the Secretary to publish in this issue of Dogs In Canada his three letters to the Minister of Agriculture relative to the amendments together with the replies received from the Deputy Minister. These letters follow:

Toronto, Ont., February 28th, 1940.
Honourable James G. Gardiner,
Minister of Agriculture,
Ottawa, Ontario.
Honourable Sir:—

This letter will serve to advise you, that, at the Annual General Meeting of the members of the Canadian Kennel Club, Inc., held at Toronto, on Thursday February 8th, 1940, the correctness of the minutes of the previous Annual General Meeting, held at Toronto, on Thursday, February 9th, 1939, as published in the March (1939) issue of Kennel & Bench, official organ of our Club, was questioned and a committee, named by the members from the floor of the house, was given authority to investigate the matter.

The committee referred to was composed of Nelson S. Duckett, (Chairman), Capt. H. Dudley-Waters (Secretary), Albert Roberts, David W. Mitchell and S. G. Sharpe (Committeemen) and in due course the committee reported:—

"We found so many discrepancies and we should still go on finding them if we sat there all night."

The committee submitted the following recommendations:—

"In view of the fact that the minutes of the 1939 meeting, as published in Kennel & Bench, were incorrect and were not a true record of the Annual Meeting and did not represent the wishes of, or intentions of the members, they suggest that a letter be sent to the Minister enclosing this same, respectfully suggesting that, he be governed by the minutes of this meeting of 1940."

"Also move that the deleted parts of the minutes of 1939 be published in the March issue of Kennel & Bench."

In order to be entirely fair to the members, and to the committee, I have deemed it advisable to refer you to our letter to you dated February 27th, 1939, and its accompanying enclosures and particularly to my sworn declaration which you will find attached thereto.

And further, we send you a copy of the March (1939) issue of Kennel & Bench showing the edited minutes together with a bound copy of the verbatim minutes as prepared and delivered to the Canadian Kennel Club by Angus, Stonehouse & Baldwin, Chartered Stenographers, Toronto.

You will now be in possession of all available material, Mr. Gardiner, and it will be appreciated if you will give the matter all the attention that you may deem necessary.

Yours faithfully,
(Signed) J. D. Strachan,
JDS/JN Secretary-Treasurer.

Ottawa, Ont.
April, 5, 1940.

Dear Mr. Strachan:—

This will acknowledge your letter of February 28th addressed to the Honourable James G. Gardiner, Minister of Agriculture, and which has been referred to this office.

I also have copy of the March (1939) issue of Kennel and Bench showing the edited minutes, together with a bound copy of the verbatim minutes as prepared and delivered to the Canadian Kennel Club by Angus, Stonehouse & Baldwin, Chartered Stenographers, Toronto.

Yours very truly,
(Signed) H. Barton,
Deputy Minister.

Mr. J. D. Strachan,
Secretary-Treasurer,
Canadian Kennel Club,
25 Melinda Street,
Toronto 2, Ont.

* * *

Toronto, Ont.
March 14th, 1940

Honourable J. G. Gardiner,
Minister of Agriculture,
Ottawa, Ont.
Honourable Sir:—

Kindly be reminded that it is the desire of the members of The Canadian Kennel Club, Inc., that you be advised of the following resolution which appears in our book of standing resolutions:

"That the Secretary, whenever an amendment to the Constitution is passed, do submit direct to the Minister a copy of this resolution, and a request that the Minister give properly accredited officials of the Club an opportunity of being heard before he exercises his powers of veto."

We will thank you to observe the spirit of this resolution in respect to the amendments to our Constitution, which we all now place before you.

Yours faithfully,
(Signed) J. D. Strachan,
JDS/JN Secretary-Treasurer.

Ottawa, Ont.,
April 5, 1940.

Dear Mr. Strachan:—

This will acknowledge your letter of March 14th addressed to the Honourable James G. Gardiner, Minister of Agriculture, and which has been referred to this office.

The resolution of which you advise with respect to procedure concerning amendments to the constitution has been noted. The Department will be pleased to confer with accredited officials of the Canadian Kennel Club with respect to the proposed amendments to which there may be objections provided such amendments come within the provisions of the Live Stock Pedigree Act, otherwise no useful purpose could be served by such conference since amendments which do not come within the provisions of the Live Stock Pedigree Act cannot be favourably considered.

Yours very truly,
(Signed) H. Barton,
Deputy Minister.

Mr. J. D. Strachan,
Secretary-Treasurer,
Canadian Kennel Club,
25 Melinda Street,
Toronto 2, Ont.

* * *

Toronto, Ont.,
March 14th, 1940.

Honourable J. G. Gardiner,
Minister of Agriculture,
Ottawa, Ontario
Honourable Sir:—

In accordance with the established procedure the writer encloses herewith his sworn declaration dated February 29th, together with the amendments to our Constitution as adopted at the Annual General Meeting on February 8th, 1940.

In addition to the above you will also find enclosed a copy of a letter received by the writer dated March 7th, together with the signed copy of a report which accompanied the letter, this latter report being signed by the three members of the Committee appointed by the members assembled at the Annual General Meeting.

The report we believe is self explanatory, however, in order that there may be no delay in these amendments receiving your attention, we are enclosing the amendments as originally adopted by the members together with the report indicating the changes to the amendments as agreed upon by the Committee.

Yours faithfully,
(Signed) J. D. Strachan,
JDS/JN Secretary-Treasurer.

Ottawa, Ont.,
April 11, 1940.

Dear Mr. Strachan:—

Your letters of February 29th and March 14th addressed to the Honourable James G. Gardiner, with enclosures mentioned, were received and referred to this office.

The proposed amendments were considered by officers of this Department and have been referred to the Department of Justice. I have to advise you that no objection is taken to the first amendment to Article 11, which reads:

"Article 11 — Amendments, be amended by inserting the word "annual" between the words "any" and "general" on the first line of the present Article. (Page 8)."

With respect to the other two amendments, however, one of which is a further amendment to Article 11 and which reads:

"Article 11 — Amendments, be amended by striking out the first three lines of the present Article and substituting therefor the words: "This Constitution may be amended by any Annual General Meeting of the Club, and all amendments shall go into the Constitution of the Club, if passed by a majority of the members at the Annual General Meeting without the approval of the Minister of Agriculture." The balance of the Article to remain as it is. (Page 8)."

And the other an amendment to Article 16A, reading:

"Article 16A — Identification, be amended by inserting the following words to commence the Article: "The identification of dogs for registration shall be voluntary notwithstanding any requirements of the Canadian National Live Stock Pedigree Act."

I would point out that according to advice received from the Department of Justice these proposed amendments are contrary to the provisions of the Live Stock Pedigree Act and they could not be approved under that Act.

FOR YOUR INFORMATION

We print the following memorandum WM No. 2,
Supplement No. 2, and respectfully suggest that in con-
nection with the exportation of dogs for exhibition pur-
poses, and their return to Canada, when valued at over
\$25.00, the proposed transactions should be discussed
with your banker who issues the necessary permits and
the authority to issue same.

MEMORANDUM

FOREIGN EXCHANGE CONTROL BOARD

Export of Goods and Animals for Exhibition, Racing and Convention purposes

In connection with goods or animals exported from Canada
for exhibition, racing or convention purposes, the following
routine for licencing has been established by the Board:

EXPORTS—Where the export is over \$25.00 in value and
consequently requires an Export Licence, Form
B, Column E of Form B should be completed
by entering the value of the export, Item (K)
(iii) of the form should be completed by quoting
the serial number of the permit to export, Form
D, previously obtained from the Authorized
Dealer of the exporter. Form B should also be
prominently endorsed — "TEMPORARILY EX-
PORTED FOR RETURN BY....."

(Approximate Date)

Banks are being notified that they will have the necessary
authority to issue export permits, Forms D, without the exporter
having previously obtained a Control Permit from the Board.
The exporter will not be required to obtain a consignment per-
mit for these exports.

Return to Canada from Exhibitions, etc.

On return to Canada from Exhibitions, etc.,
where the value of the goods or animals exceeds
\$25.00, Licence to Import, Form E, is required.
This Form E should be prominently endorsed—
"RETURN OF GOODS TEMPORARILY EX-
PORTED THROUGH"

(Port of exit from Canada) (Entry number)

The foregoing instructions are subject to the variation in
licencing of imports and exports made by holders of BD Per-
mits of BE licences.

Sgd. H. D. SCULLY,
Commissioner of Customs.

TATTOO YOUR DOGS

Ketchum's Dog Tattoo gives per-
manent, satisfactory results.

Tattoo markings are put on the
flank or the ear and will last the
lifetime of the animal.

Set complete, with nickel plated
pliers, any three initials, TWO sets of
numerals, 0-9, and special ink—\$5.50.
Price to non-members of the Canadian
Kennel Club — \$6.50.
Price includes 8% sales tax and delivery.

Detailed information on request.

KETCHUM MANUFACTURING

Ottawa, Ont.

ronto for the purpose of being mated
to Ch. "Desril Rock" who only last
week won three Terrier Groups, Lon-
don, Chatham and Windsor, where he
was Reserve Best in Show. Dr. J. A.
Campbell is attending to the mating
arrangements. Due to the train wreck
at Little Falls, Friday 19th, "Belle"
did not arrive until Saturday after
closing hours for the Customs. The
owner of Ch. "Desril Rock", F. H.
Secretan, D.C., was away on the Lon-
don, Chatham and Windsor circuit so
Dr. Campbell stood surety for Regu-
lations to be complied with on the
return of the owner of the "Aberdeen"
prefix.

WINTER—SUMMER—WINTER SUMMER

That is the merry-go-round that
Bob and Mrs. Schelling have been en-
joying in recent times. After the frigid
weather which marked the To-
ronto Kennel Club Show, March 22nd

and 23rd, the Schellings made for
the sunny south to take in the Green-
ville, Savannah, Macon shows and as
luck favoured the enterprise a healthy
lot of championship points were gar-
nered in for the Saints Rest Bostons,
but particularly for the near Cana-
dian Champion, Saints Rest
Double Ace who is hot foot after Inter-
national honours. This smart dog has
won 6 out of 8 of his recent starts
for a total of 14 points in the United
States and Canada. He has been Re-
serve Winner or better at the last 10
shows where he has appeared in com-
petition, a really consistent show re-
cord for a dog of the Boston Terrier,
or any other breed.

Coming back to Canada for the
London, Chatham shows Mr. and Mrs.
Schelling were gathering violets, wis-
teria and dogwood on the hillsides
with the barometer flirting with 90
degrees, but they ran into a snow
blizzard which they had to buck for
around 200 miles. Back in Canada,
more "freeze to death" weather, so
quite unconcerned away the Saints
Rest folks hie themselves back to the
sunshinely spots for another spell
of lazing under the palm trees.
Some folks get all the breaks!

THE HALL MARK OF SPORTSMANSHIP

By REG. SPARKES, Toronto

(President Canadian Kennel Club, Inc.)

"WE can't all play a winning game—
someone is sure to lose,
Yet we can play, so that our name
No one may dare accuse,
That when the 'Master Referee'
Scores against our name,
It won't be whether we've won or lost,
But how we've played the game."

J. B. Downie gave something to sportsmanship in the above lines which I have seen fit to quote. The lines have been quoted time and time again at gatherings of representative sportsmen affiliated in all branches of sport. Invariably are the lines received with great acclaim, quite irrespective of the party reciting them, thus conceding that they do register properly in the correct atmosphere.

The standard of sportsmanship has been raised on the foundation of the near perfection of every known human virtue and men and women desirous of being recognized as sportsmen or sportswomen must be prepared to at all times measure up to and conform to the standard.

The word, "sportsmanship", has been ranked as one of the six most important words in the English language. The word is regarded as the synonym of British fair play. Analyzed, the interpretation of the word might well be manliness in accepting defeat, modest graciousness when successful, observing the rules of fairness irrespective of Club rules or a country's laws.

There can be no swerving from the foregoing observations in respect to the sport we recognize by the three words, "the dog game", because here we are concerned beyond the considerations of sportsmen and sportswomen, and must include our dogs which we have acknowledged to be the "best friend of both". Nevertheless, we are confronted on all sides on our playing grounds with players whose conduct must be prejudicial to the best interests of "our game", and it becomes more and more essential that the behaviour of our team mates must be controlled if the game is to prosper and if the players are to continue to remain under the banner of sportsmanship.

As President of The Canadian Kennel Club, I deeply deplore the many difficulties encountered by the novitiates who seek places in our sport and I rule that experienced players are in many cases responsible for these difficulties and would personally appreciate the co-operation of all parties for the general welfare of the game.

It is with grave concern that I observe the growing tendency on the part of many exhibitors failing to pay due respect and courtesy to the ladies and gentlemen functioning as judges at our shows. There is a dignity that goes with all refereeing and judging that we must recognize and hold in high regard if we are to keep clean sportsmanship in the dog show. Not long ago I was horrified to hear a judge's decision being booed by a portion of the ringsiders at a Toronto show. That is misconduct of the rankest nature. At the same fixture, when one judge, a man recognized as one of the world's greatest adjudicators and one of the very few living authorities on all breeds of dogs, was explaining the origin of the representative dogs of the several groups to an interested ringside as an educational feature, someone, with more pennies than they had brains, threw coppers into the ring. That was an insult to a gentleman and misconduct that might easily lead to suspension or disqualification under certain circumstances.

Another misdemeanour that is developing steadily is drinking liquor openly at our dog shows and there can be nothing said to recommend the practice. It is reprehensible as it is positively undesirable. I do not wish to dwell on this matter, but I do ask all our people to recognize the desirability of creating confidence and respect with the general public, because once that confidence is shaken and that respect is lost we will find ourselves surrounded by knockers instead of boosters. The dog game is a good game; the players should be real men and real women; the rules should be thoroughly understood and fully observed; the standard of sportsmanship should be met wholeheartedly. Let us get together on this matter of sportsmanship; it will do us all plenty of good.

Reg. Sparkes

THE MORRIS and ESSEX SHOW

Each year Mr. and Mrs. M. Hartley Dodge and A. McClure Halley, their right bower in running the Morris and Essex show, find some way to make the annual fixture better than its predecessors.

That is one of the principal reasons why this has become the greatest of all bench shows and why the thousands of exhibitors and fanciers who gather at the Giralda Farm polo field in Madison, N.J. on May 25, will find

innovations that promise to make the fourteenth annual event of the club the most brilliant yet.

And colorful as the previous Morris and Essex shows have been, none of them is expected to approach the 1940 show. Not since the show was first held and during its subsequent development has there been such striking changes as have been made for the final Saturday of this month.

Foremost among them is the erection of a special permanent stand, seating 5,000 persons, in which the variety judging will take place. Those who remember the set-up of previous shows will have no difficulty in placing the new structure, since it is at the head of the big parking field that stretched out to the south of the show itself. Possibly an even better way to locate it would be to say that it is back of the building that served as a judges' headquarters—not the little open building in the center of the field but the permanent office—and is about where the big Foley trucks were ordinarily drawn up.

This will do away with having to remove the individual judging rings in the center of the polo field to prepare for the group judging. Furthermore, it will provide seats for the crowds that ordinarily stood around the big ring while the groups were being judged. And it is the first time that a special arena has been constructed just for the judging of dogs—another milestone in bench progress erected by Morris and Essex.

Another innovation, less important to the exhibitors than to those who chronicle the bench history that is always written at Madison, is the construction of a new press building in which there will be a room for the writers and where the telegraph wires will be located. It will replace the open-fronted stand the press previously used on the south side of the field.

These changes, important as they are, do not alter the general pattern of the show, the pattern that has proved so effective and colorful that this has come to be the biggest of all dog shows.

The big field will be laid out with judging rings, each with its bright-hued beach umbrella, its stand on which the dogs can be placed, its pennants and its numbered signs for the placings in the various classes, all of them in the purple and gold colors of the club. The huge benching tents will rim the field as usual and there will be the big space in which exhibitors will be entertained at luncheon by the club.

There will be the unparalleled array of sterling silver trophies, the huge cash prizes, the excellent judging assured by the premium list now in the hands of exhibitors—if yours went astray notify the Foley offices at once—and all the other things which will draw dogs, exhibitors and spectators from every state in the union. Work on the grounds and new structures began the middle of last month so that everything would be in readiness for the affair no real bench fan would think of missing—the Morris and Essex show. They'll all be there on May 25.

BREEDING THE GREAT DANE

By CHAS. W. CALDWELL, New York

AMERICAN breeders have produced some very lovely Great Danes, but over a period of years the greatest number of outstanding Danes seen in America have come from Germany. Year after year Americans have gone to Germany and have paid fancy prices for the best specimens of our breed. Only once in a while, however, do our American breeders get outstanding dogs from their fine imported animals, yet the Germans continue to produce champions from the depleted stock left after our American breeders have taken their pick. And we say to ourselves, how do they do it?

Well, the answer would logically seem to be due to feeding or breeding or a combination of both. So, let's have a little examination of conscience—let's take the probable causes individually and try to arrive at a conclusion.

First we will consider feeding. The American breeders who have purchased foreign Great Danes have sufficiently ample resources to buy the best of foods and medical supplements available in America and we have every reason to believe that this is done. On the other hand we know that some of the breeders in Germany who produce the finest specimens are very poor and feed their dogs at times on what we might almost classify as a "garbage diet." Therefore, it looks as though feeding in itself is not the answer, so let's consider breeding. What is the practice of American breeders? The answer must be that there isn't any definite practice. American breeders have their own individual ideas and policies. Some breeders consider blood lines, some look for dogs or bitches that have certain physical perfections that their own dogs lack and a great many others simply breed to a dog because it is a champion with a great many show victories to its credit. The results we know; now and then an outstanding dog—but on the most part, just the ordinary run of the breed. The German breeder, however, follows a very definite formula. In the first place, they adhere very closely to blood line breeding. They have maintained their various "strains" throughout the many years they are credited with the development and perpetuity of the breed. Their breeding practices and registration rules are rigidly controlled. In January, 1938, the German Great Dane Association adopted a set of 20 rules concerning breeding and registration which all breeders must comply with. Here they are:

1. It is desirable that all Great Dane (Doggen) which are to be used for breeding, are selected by the Breeding Commission. The examination shall be made at the District Show to be held every year, by a Breeding Commissioner to be elected at the District meeting; such examination, however, can also be made at any other time against reimbursement of the travelling expense.

2. The stud dog must be at least 18 months old and the brood bitch (matron) must be at least 15 months old before they can be used for breeding. There shall be controlling the

age of the dogs at the time of the mating. In connection with bitches a difference of four weeks is permissible.

3. In every case of covering, the owner of the stud dog must write out on the same day a stud service certificate on the prescribed blank and deliver such certificate to the owner of the brood bitch against payment of the stud fee.

4. Not more than six puppies of one litter may be kept for raising.

5. Only such Great Danes can be registered whose parents are already registered in the stud book of the German Great Dane Association or in a stud book of an association which is in contractual relationship with the DKH. All pure breed Great Danes entered in the stud book (See Article 4) are eligible for registration irrespective of their color. The cross-breeding of yellow and brindled Danes with spotted and black Great Danes is forbidden.

6. All litters must be registered completely within four months, using in this connection the prescribed blanks. Subsequent registration of individual puppies is not permitted.

7. All puppies of one litter must be given different names with the same initial letter. Two dogs must not have the same name (not even with the appendix I, II, etc., as, for instance, "Dolf I v. d. Saalburg" and "Dolf II v. d. Saalburg").

8. Individual entries of older Great Danes are only permissible up to December 31, 1932. Beginning with this time only complete litters can be registered.

9. Registration can only be made under a registered kennel name, which can also be the name of the breeder.

10. The kennel name, after it has once been registered, cannot be changed and cannot be transferred or assigned, except from father to son. Widows can continue using the name until they re-marry.

11. The breeders are under the obligation to have every litter entered in the Stud Book and deliver to the purchaser of the dog the pedigree of same.

12. For registration there must be submitted litter applications in duplicate accompanied by the Stud Service Certificate. Separate submission of litter applications and of pedigrees is not permitted.

13. All blanks must be obtained from the Stud Book Registry.

14. In the litter application there must be mentioned first the males and then the females in alphabetical order. The writing must be very legible.

15. The death of any Great Danes must be recorded with the Registrar of the Stud Book.

16. Every breeder of German Great Danes is under the obligation to register immediately any whelped litter with the Breeding Commissioner of his District or with his District directly.

17. The Breeding Commissioner is under the obligation to inspect any litter of which he has been advised, if possible within the first 8 days after the whelping, and determine, in agreement with the breeder, what

WHAT EVERY
MOTHER KNOWS
—ABOUT WORMS!

I don't try to fool myself — every litter's going to get worms sooner or later. And it's no joke — they carry off too many pups! Of course, I'm wormed with Sergeant's SURE-SHOT CAPSULES before the pups arrive. Then we worm the pups at six weeks with PUPPY CAPSULES — and keep on watching them for new signs.

That's the system the Master learned from the Sergeant's DOG BOOK. Says he wouldn't have a dog if he couldn't have a DOG BOOK too. Get your free copy at a drug or pet store (they have SURE-SHOT and PUPPY CAPSULES too) — or use this coupon.

puppies are to be raised.

18. There must be put to death in any event: All puppies in excess of six (See Article 4); all puppies physically weak or defective, i.e., having congenital defects of any kind.

19. Together with the application for registration in the Stud Book the breeder must remit the fees to the Stud Book Registry. As long as the fees have not been received by the Registry the application cannot be complied with.

20. The expenses incurred by the Breeding Commissioner in connection with any trips shall be born by the breeder. Only the cash expenditures are to be refunded.

Due to economic conditions in Germany resulting from the war, American breeders may find themselves facing the responsibility of the preservation of our breed. I, therefore, suggest that our breeders give more serious thought to the important matter . . . that they conscientiously try to come to a common understanding of the "type" of Great Dane that properly represents our grand breed and then concentrate on breeding that type.

It is my belief that faithful adherence to blood-line breeding is the answer to consistent "type" propagation.

CANADIAN NOTES

CLEVELAND provided a great day for Canadians, and a new-comer to that show was Mrs. Robert Simpson, the former Sheila Proctor, of Toronto, who won through to best of winners with the Samoyed, "Byfang of Cobe". The Samoyed is such a hardy dog, with a natural coat for our invigorating climate that one wonders why more are not seen around the Queen City.

While noting that our climate is an invigorating one, it is doubtful if the British Columbia enthusiasts could have foreseen the struggle Miss Mildred Dagger had to go through in taking one of her cocker spaniels to Roslyn, L.I., last month to mate with "Ch. Dungarvan Damfyno". Although the Easter Parade was a thing of the past, it was necessary to follow a snow plow for two hundred miles through snowdrifts close to fifteen feet in height on either side of the highway. To make the trip more arduous, a sudden thaw developed and the return was made through floods so characteristic of upper New York State at this time of the year.

Shades of the great "Inferno", a bull terrier which won many victories some 30 years ago. This feat was duplicated at the Toronto Kennel Club Spring Show when the one and only Fred Coles with a stout little miss called "Buxton Curtsey" who romped through to head the terrier group. The late John Miles bred "Inferno", and the Quebec director, W. W. Rooney, bred "Buxton Curtsey".

Beverly Lewis had good luck last year with his homebred bull terrier, "Charlewood Damon Memory", the best of winners dogs at Boston, Mass., but unfortunately the dog died shortly after the Cleveland show a year ago. A litter sister, "Charlewood Best", is now carrying the banner. She won through to reserve winner females at Cleveland over an entry of fifty-seven white ones. A smart puppy, "Charlewood Perfection", won the puppy class laurels.

English Champion "Basford Golden Nymph", has more than lived up to expectations for "Reg" Sparkes. In the English bulldogs, "Golden Nymph" has almost completed his American championship, capturing winners, best of winners, best of breed, and placed in the group at New York, Buffalo and Cleveland. He added materially to his laurels at Chicago by taking his breed honors, after which he topped the non-sporting group. As a show dog he now reigns supreme and as a producer he establishes a fine record in the bulldog hall of fame. Already he has his first litter of puppies in Canada to his credit and they are now nearing the weaning stage. Those who know bulldogs say that they are exceptionally fine specimens. These puppies are out of "Kamel Miss Mugs", a daughter of "Tri-Int. Ch. Basford Ideal". Mr. Sparkes' most recent importation is "Kamel Burrbill

Bunty" sired by "Burrwood Bill", out of "Barn Duchess", and is from such well known blood lines as "Ch. Boltonia Barrister", "Ch. Dunscar Draftsman", "Ch. Sweet September" and "Ch. Oakville Supreme". In five generations of her pedigree, she has no less than nineteen champions. A brindle with white markings, and possessed of a wonderful head with excellent body proportions, plus plenty of bone and substance, "Kamel Burrbill Bunty" was bred by J. A. Pickles of England, and was born on June 23rd, 1938. One week after her arrival in the Dominion, she too was bred to "Golden Nymph" and much interest is anticipated in her progeny. "Bunty" is said to resemble "Int. Ch. Junior's Juno" in many respects, having much the same body lines, and critics indicate that she is what dogdom would call a "doggy" bitch.

The fifty-second International Dog Show at the Canadian National Exhibition is a certainty. We are happy to state that Director Mrs. E. Brown is recovering her health and for the thirteenth consecutive year plans to bench her champion schipperke "Jean O' The North" at this show. It is doubtful if such a record has been made before and one of the most welcome sights will be Mrs. Brown and her great little dog.

Mrs. M. Purvess will be another welcome visitor, and to her the years have been most kind. It will be her 28th year as an exhibitor, and those who saw Mrs. Purvess 78 years young, win an assortment of trophies at the recent Toronto Kennel Club show will certainly wish her many happy returns of the day.

The Pembroke Corgi had advanced steadily, until the finest bred specimens in England are represented in Ontario. Mr. and Mrs. J. P. Holland and Miss Hay brought a select kennel from England, the top dog being "Libbear Bowhit Porgi" bred by Mrs. S. Bowler, and sired by the great "Ch. Bowhit Prince". Mrs. Holland who was prominent in the horse show ring some years ago is the daughter of the late Sir Adam Beck and has introduced her sound knowledge of thoroughbred breeding into the Corgi

Kennels. Mr. Holland is a director of the Corgi Club of America and is considered one of the foremost authorities on the breed.

Bethune Smith continues to make inroads into the setter award columns, with "Alpha of Larana" taking the winners ribbon at Chicago, Springfield, Rochester and Buffalo. The dam of "Alpha" is "Ch. Lakeland Dawn", producer of such noted winners as "Daro" and "Maro" of "Maridor" the latest addition to the Larana kennels is "Racketts Mary Ann", a full litter sister to "Ch. Lakeland Dawn". "Mary Ann" has been bred to "Ch. Sturdy Max" a repetition of "Alpha's" breeding. The result will be watched with interest.

Sporting dogs are again in the lime-light, a shipment of at least eight field trial winning springer spaniels having arrived in Toronto from England and Scotland at the training kennels of A. Colthart. The provincial directors while attending the meeting in Toronto, visited the kennels, where they witnessed one of the finest exhibitions of trained dogs ever seen in Canada. Mr. Colthart had no intention of residing in Canada when he left Scotland ten years ago, but Ontario gained much when Colthart decided to remain here. A definite trend is towards a larger cocker spaniel for field trials, a three purpose which may be used as a playmate for the children, a guard for the house and a hunting dog for the master.

Dr. C. A. Temple has imported a Labrador retriever "Lockhart Gold-ost", a product of John Dinwoodie's kennels in Scotland. Although but four years old, a long list of his winning progeny remains in Great Britain.

One of the most interesting persons in the dog world to-day and one who can muster up a wealth of historical facts from an amazing memory is Charles G. Hopton of Brooklyn, N.Y. While in Toronto recently he called on J. V. McAree the famous Fourth Columnist of the Toronto Globe and Mail. While Mr. McAree is an enthusiastic dog breeder and boost pure bred dogs at every opportunity, it is a well-known fact that he also is one of the continents foremost authorities on pigeons. It was a coincidence that Mr. Hopton should produce from his watch chain, a gold medal which he won in 1893 for his exhibition of racing pigeons, and another medal for flying tipplers.

From this visit emanated the fact that it was the late Queen Alexandra who made the quotation "Youth has its Day" and it was to Charles Hopton the remark was made. It seems a borzoi owned by Her Majesty met defeat for the first time under Mr. Hopton, and upon the Queen inquiring why, Mr. Hopton explained why the younger dog was the victor. Her Majesty then remarked, with a smile, the now famous quotation.

EASTER PARADE

Ch. Hagerty Again.

*Ander's Dixie Dream.

Ch. Dixie Romance.

*NOTE—Ander's Dixie Dream is full litter sister to the famous Stud dog "Royal Kid."

EASTER PARADE will be available to approved females only.

Fee \$15.00, for a limited time.

Incidentally we have just returned from a circuit in the South Eastern United States, where our good dog

CANADIAN CHAMPION SAINTS REST DOUBLE ACE was judged winners or better at 3 out of 4 shows.

SEVERAL LITTERS ARE EXPECTED AT SAINTS REST

in late Spring and early summer, sired by the above and other outstanding dogs, and out of Saints Rest Show—type brood bitches.

BOB & DODY SCHELLING, Canadian Address: SAINTS REST, River Rd., Fort Erie, Ont.

May 24th should be a gala day for the greyhound owners for on the Queen's Birthday the racing season is to open at the Ulster Stadium track in Toronto. This very complete oval, offering quarter-mile and five-sixteenth-mile distances lends itself to good racing. The electric rabbit has been made as foolproof as possible and exceptionally fine speed is being manifested, a tribute to the fine management. Improved starting boxes so that the dogs will now come out of a chute, have been built and these may be moved to any point on the track. The owners' paddock is arranged with close-in benching similar to that of dog shows the dogs being visible at all times but not crowded together, minimizing the danger of over heating or infection. With two meets a week under floodlights, and eight races nightly, nine o'clock is the starting hour for the contests. Last year at this track, "My Mamie", owned by Cliff Allore, one of the most successful Canadian trainers of greyhounds and who is now operating in Florida, established a mark for the quarter-mile of twenty-six seconds. Of interest to the fanciers is the fact that many of the dogs which run at this track have also won at various dog shows. "Flash Targa", "Honor Toes" and "Fife and Fiddle" have been among the more consistent ribbon winners, and all are fast movers in competition which tends to discount the belief that show greyhounds are not of much account in the racing game.

The three-day circuit which included shows at Chatham, London and Windsor proved most successful and the entry list was excellent both as to quality and numbers. Final awards saw a wide disposal of the honors with three Best in Shows being awarded to different dogs at each of the contests. Conditions were ideal at all of these shows and those in charge of them are entitled to orchids for a fine job, well done.

According to the Mayor in his address to the exhibitors at the Chatham Dog Show, this event is destined

to grow enormously in the next few years, and there will be no need to worry about accommodation. Chatham has taken the dog show idea seriously, and a building will be erected which will conveniently house large entries in the future.

The general management of the show, and close attention to details which made for the comfort and convenience of exhibitors and spectators could not be surpassed. Nothing was overlooked and things moved along with a minimum of friction. The quality of the entries was particularly high, and much larger numerically than last year.

There were a number of interesting and educational features, including a poster contest, which might well be adopted by other all-breed clubs. The children of the Chatham Public and Secondary schools were invited to draw posters, advocating the dog show, and suitable prizes were awarded the winners by the Chairman of the Board of Education prior to the group judging. The posters lined the walls of the show and provided an interesting hour for the exhibitors, particularly those drawn by the younger children, whose efforts to visualize a dog show were, to say the least, ingenious. The contest helped bring capacity crowds to the show building.

The ladies of the Major George Smith Chapter I.O.D.E. under the leadership of Mrs. Frank Murray, had the show well in hand by 10 a.m., but out of consideration for the handlers who did not finish London until the early morning hours, the judging was deferred until after lunch. Mrs. C. G. Murphy and Miss Evelyn Earl presided at a tasty luncheon for the exhibitors which was greatly appreciated.

The public address system was excellently handled by Mrs. J. G. Watson, who kept the entries flowing from bench to ring without interruption, and with a minimum of confusion, the result being that all the breed judging was completed by 6 p.m., leaving the evening free for an interesting program prior to the judging.

Reg. P. Sparkes judged all breeds with the exception of Boston Terriers and Cocker Spaniels, and placed the pekingese "Remenham Derrie of Orchard Hill", owned by Mrs. R. S. Quigley, of Lock Haven, Pa., best in show. The feeling that this dog is a great one, seemed to be quite unanimous. Mrs. Quigley, in thanking the show for the award, enumerated the long list of wins made by the dog not only in the United States and Canada but also in England prior to his importation to this continent. Best Canadian-bred in show was "Ch. Carmen of Glen Grove", owned and shown by Frederick Rife, of Toronto, a newcomer at the shows who showed his dog perfectly. Best puppy in show was the snow white bull terrier, "Royal Emblem", owned by A. B. Ferguson. "Royal Emblem" is all quality and with ring experience will place high in future award columns.

The Sporting Group was headed by the English Springer spaniel, "Ch. Showman of Shotton", owned by Mr. and Mrs. Paul Quay, of Chagrin Falls, Ohio. This victory incidentally, concluded the "Showman's" points in Canada and he now carries an international title. Second to the winner of best Canadian-bred in show was the English setter, "Ch. Carman of Glen-grove", and third, the cocker spaniel "Chimney Sweep Roamer", owned by George Boyd, of Niagara Falls, Ont. "Roamer" was placed best of breed by the cocker spaniel specialty judge, E. S. Jones, of Walkerville. The Hound Group was closely contested by the Afghan Hound "Kerrin Facha Ma", owned by Mr. and Mrs. Frank Wiet-hoff, of Detroit, Mich., and the dachshunde, "Elmcroft Nancyanne", owned by Ray McLaughlin, of Oshawa, the Afghan taking first place. This pair played a nip and tuck game in the three shows taking turn about in winning the group. Third was the beagle "Parkwood Bingo", owned by W. W. Grooms, who showed the dog like a veteran. The largest and keenest competition was seen in the Terrier Group, which was won by the imported Scottish Terrier, "Ch. Des-

VITAMIN REX WHEAT GERM OIL

at Willow Registered Pekinese Kennels

"Marina of Willow"

Miss Berthe Cousineau, owner of Willow Registered Pekinese Kennels, 2240 Visitation Street, Montreal, writes,—"I have been specializing in the breeding of Pekinese and on several occasions I have used wheat germ oil, but found it very expensive. After reading one of your advertisements I decided to try "Rex", and am very pleased with the results. The last litters have averaged from four to five puppies, whereas I was only getting one to two before. Attached to this letter is a picture of "Marina of Willow", a puppy which has been raised

on your product and I have never seen finer bone development or better general condition and thriftiness than this puppy shows. I find that the dogs do not refuse "Rex" as they have other additions to their feed and as this appears to me a good feature of your product, I think you should mention it in your advertisements. I am using "Res Wheat Germ Oil" regularly now in my kennel and have advised all my friends to do likewise. Trusting you will be pleased to hear of my experience with your product and thanking you for aiding me in making my kennels a profitable business."

TRY REX YOURSELF

You will find that Rex Wheat Germ Oil will give you results similar to those obtained by Miss Cousineau. Send for prices and FREE literature on the value of adding Rex to your feeds.

VioBin (Canada) Limited, Dept. 45

ril Rock", owned and shown by F. H. Secretan, of Toronto. Second was the cairn terrier, "Kirth of Cairndania", owned by Mrs. G. W. Hyslop, of Brockville, and third, the winner of best puppy in show, the bull terrier, "Royal Visitor", owned by A. H. Ferguson, of Toronto. The non-Sporting Group brought forward the beautiful, standard French Poodle "Scallawag of Piperscroft of Blakeen", owned by Dr. C. C. Young of Detroit. Second was the Boston Terrier, "Saints Rest Double Ace", owned by R. Schelling, of Fort Erie. This dog headed a smart Boston Terrier entry, judged by the specialty judge, Mrs. M. Firman, of Toronto. Third was the Chow Chow, "Countess of Chia Wan", owned by Mrs. Ralph Spike, of Port Huron, Mich.

The Working Group provided another win for Mr. and Mrs. Frank Wiethoff, of Detroit, when their collie, "Avril of Kerrin, placed first. Second was the German Shepherd, "Sonya of Bismark", owned by F. Hammerton, of London, and third, the Newfoundland, "Laurel Brae's Maid of the Sea 2nd", owned by H. S. Carvill, of North Simcoe, Ont. The Toy Group was headed by the best in show pekingese, second place going to the Yorkshire Terrier, "Janie's Nutmeg of Rosevale", a lovely Yorkshire with correct color of coat, owned by Mrs. Agnes Brander, of Montreal, while third honors went to a nice, orange pomeranian, "Broadway Michael", owned by Mrs. Theresa Stewart, of Chatham.

HOUSE OF SEAGRAM

A most distinguished House indeed, with a historical background of which Canadians are justly proud, has added a new chapter to our Canadian shows, by offering a Trophy valued at \$100.00 for Best Dog in Show at the forthcoming First Annual Dog Show of the Province of Quebec Kennel Club to be held on Saturday, May 18th, at Montreal. Judge "Reg." P. Sparkes, Toronto, will have the honor of awarding this worth while prize to the dog that he decides to be the best of all at the show on the 18th.

JUDGES DONATIONS TO I.O.D.E.

A really patriotic donation of a generous proportion was placed in the hands of the members of the Major George Smith Chapter I.O.D.E. at the close of the dog show on Friday, April 19th at Chatham, Ont., when "Reg." P. Sparkes, Toronto, endorsed back his cheque for \$100.00, his judging fee, to the Chapter. Mrs. M. Firman, Toronto, also wrote off her fee and

these donations will be welcome additions to the Chapter funds which are now urgently needed for war purposes.

A LONG SEIGE

When we visited British Columbia last summer we had the honor of visiting our member, Mrs. S. C. Sweeney, and found her in a cast suffering from a broken hip bone. At this late date we learn that our good friend is not yet allowed to try and walk and will not be allowed to do so for 2 months yet. However, if Mrs. Sweeney has been able to follow her affliction through with the same fortitude that was so noticeable at the time of our visit, then all will be well in due course.

CENTRAL CANADA EXHIBITION SHOW

We regret to announce that there will be no Exhibition held at Ottawa this summer, because of the fact that the Exhibition Directors are giving every possible facility to the Department of National Defence in the prosecution of the war. Ever since war was declared the grounds, buildings and Exhibition equipment have been available to the troops, and in order that the Department would enjoy unhampered possession, the Directors agreed on April 10th to cancel the Exhibition for this year. Dogs In Canada readers will be in sympathy with the action of Central Canada directorate, and will be looking forward to that day when the war will become history, and world affairs will again function normally.

4 MORE REASONS FOR USING GAINES FORMULA 107-A and GAINES MEAT AND MILK MEAL

Trenton, Ont., Dec. 7th, 1939.

We find Gaines Food wonderful, easy to feed and economical. Our dogs like it and I have recommended it to every one I know who is interested in their dog's health. We have one dog who used to suffer from eczema every summer but we have fed him Gaines since the spring and this was the first year he did not have it, so we put it down to your balanced diet. I also feed it to my puppies after they are weaned and find they thrive on it.

HAPPY HILL KENNELS, REG'D.
W. E. and Mrs. Baker.

Write for our new 62-page booklet "Health For Your Dog"

ALL'S WELL AT THE SOUTH POLE

Reports on the condition of the Gaines-fed dogs and puppies on the U.S. Antarctic Expedition are very, very pleasing. Not only was a record made in not losing a single dog during the arduous trip south, but, as far as we have heard, every dog has kept in grand condition while doing especially heavy work since landing. No use of our pretending to be modest about this—we're really very proud. After all, if Gaines Food will prove adequate under these terrifying conditions, there isn't much doubt of its ability to give satisfactory results up here in the north.

OUR FRONTISPIECE

DOGS IN CANADA (Kennel and Bench) is proud to welcome back the good old summer time with the feature dog English Champion "Basford Golden Nymph", the property of "Reg." P. Sparkes, Toronto, President of The Canadian Kennel Club, Inc., lending doggie dignity to its front cover. This dog is destined to rank equally in importance with such dogs as Tri. Int. Ch. "Parkholme Primula", Tri. Int. Ch. "Clarinda", Int. Ch. "Basford Ideal", Int. Ch. "Juniors Juno", Tri. Int. Ch. "Bunji", and etc. In fact, he is already well on his way to the higher places that will finally bring him to the inner circle of the breeds celebrities.

"Basford Golden Nymph" has met and defeated all the breed opposition he has encountered since his arrival on this side of the Atlantic. Making his debut in the United States, he tackled the great Westminster Show under Judge George Steadman Thomas and his first leg on Tri-International honours distinction was achieved. Then came Buffalo, Cleveland and Chicago, and at these three important fixtures he went Best of Breed in his stride, and in the Non-Sporting Groups he invariably made his presence felt.

His only appearance in Canada so far was the important Toronto Kennel Club show on Good Friday, Saturday, where under Judge Charles G. Hopton, "Basford Golden Nymph" won 5 points towards his Tri-International crown when he was given the highest honours—Best Dog in Show.

With the Directors meeting being

held on the same day as the London Canine Association show on April 18th, and Mr. Sparkes judging at Chatham the following day, it looks as if our feature dog of the month will lose the shows of the spring circuit, but he can well afford to wait, because he is one of those good natured, happy-go-lucky dogs that is always in show trim and he has that sufficiency of breed type and character that will land him top for his breed no matter where he appears. He has already met all the serious opposition that is available at the present time.

"Peter", to give this sterling Bulldog the name he prefers for himself, is a fawn and white son of "Glendene Bahram" ex "Tangerine Grand Slam"; bred by H. Cooper, England, who sold to Ernest Roddy, England, who sold to Mr. Sparkes. Born on August 20th, 1936, it may truthfully be said that he is in his prime right now. As a stud dog, he is the answer to the bulldog breeders prayer, always ready and always willing. As a producer, his get will speak for themselves when they get to the shows some time towards the end of the present year and thereafter. Mr. Sparkes has considerably made arrangements for the services of Ch. "Basford Golden

Nymph" to be made available to a few specially selected females, and no doubt many discriminating breeders will avail themselves of this exceptional opportunity.

CASH PRIZES FOR ALBERTA KENNEL CLUB SHOW

The 1940 edition of the Alberta Kennel Club Show is to be marked by several changes, which may prove something or other to the management. It is quite logical to assume that in dog shows as in everything else, a silk purse may not be made out of a sow's ear, and it may also be safely assumed that if exhibitors expect to get something out of a show, they must first be prepared to put something in. During the first Great War the costs of almost every conceivable thing skyrocketed more or less, but not with our dog shows, at least not to any extent that was noticeable. This year the cost of entering a dog at the A.K.C. Show will be \$2.00, and all subsequent entries of the same dog will be \$1.00. And the new arrangement will enable this good old club to offer cash prizes in all classes having 3 or more dogs entered. We notice too that our 2nd Vice-President has accepted the clubs invitation to judge, and so the club feels justified in securing dependable judicial protection for the exhibitors. It will be interesting to keep an eye on the reaction of the Western exhibitors to the increased entry fee, but we do trust that it will be of a nature that will encourage the policy of offering cash prizes in Western Canada.

NOTES FROM BRITISH COLUMBIA

By MRS. H. E. FLETCHER,
6998 Durnfries St., Vancouver, B.C.

THE first show to be held in British Columbia this year was the Victoria City Kennel Club fixture held on April 6th, when the well known "Sandy" Forbes of Tacoma "donned the ermine". The show was said to be one of the largest and most successful shows ever held on the Island. We refer you to the show award columns in another part of this issue for the highlights of the event, but we must point out that the Best in Show winner, Mr. and Mrs. Wm. F. Fox's noted Kerry Blue Terrier, Am. Ch. "Blue King II", an American-bred dog, won the American Kennel Club award for best Terrier in 1939, and that Reserve Best in Show was Cliff Lumb's English Setter, "Credentials Madonna", and as this win came to Vancouver, it would seem that the highest honors of the show were shared internationally.

News comes from Mrs. C. Bloomfield, well known to all of us as the Secretary of the Vancouver Island Dog Fanciers Association, advising that Major Bloomfield has gone back to Ottawa as 2nd in command of the base Post Office and that she will join him there shortly after the dog show on May 18th. Mrs. Bloomfield intends to go to England with her husband in the event of his being sent over there.

As usual the Vancouver Island Dog Fanciers will hold their annual summer show in the Crystal Gardens at Victoria on May 18th and they have been fortunate in securing the services of James W. Trullinger as judge. Mr. Trullinger is considered to be the youngest all-round judge and comes to us from Harrisburg, Pa. This show will be held in the aid of the Canadian Red Cross, Victoria branch.

News comes from Miss Pearl Prinssep of the Sunshine Shepherd Kennels, New Westminster, that recent sales have been very good.

Mr. W. T. (Billy) Oates informs me that he has sold 15 dogs in one week to as many uniformed men who, before leaving for the war bought the dogs for their wives or sweethearts.

Congratulations to Miss H. Harfield whose marriage took place on April 6th to Lieut. Mellish, 2nd Battalion (M.G.) Canadian Scottish Regiment (M.P.A.M.). The wedding ceremony took place at Oak Bay, Victoria and was attended by a large gathering of friends. Miss Harfield was well known for her Scottish Terriers and as Lieut. Mellish is just as doggie conscious as Hyacinth, they are going to continue breeding Scotties at their new home.

At the recent Portland and Tacoma shows, "Heatherbelle Lady Scot" went winners bitches, while "Heatherbelle Robin Adair" went to Reserve Winners. Now Lieut. it is up to you to maintain the record set up by your little wife. Miss Billett, also of Victoria, went from Best of Breed to 3rd in the Terrier Group at Tacoma with her imported "Westy".

Mrs. Gladys Peers of "Tralee" Kerry fame, New Westminster, was placed Best of Winners at the Tacoma show with her Kerry Blue Terrier, "Leading Lady of Tralee". Mrs. Peers also reports that sales are good.

The many friends of Tommy Milner

of Vancouver will be glad to hear that after his recent illness he is back home again and is doing well.

The Vancouver Kennel Club will hold their annual show on May 24th. A. W. Brockway, Chicago, Ill., is to judge the show.

A special Sun Gold trophy will be given for Best in Show providing 200 dogs are benched. A trophy will be given to the Best Canadian-bred dog or bitch registered in the Canadian Kennel Club Stud Book and owned by a member of the Canadian Kennel Club in good standing.

The Officers for the year are Norman McConnell (Acting) President; Dr. T. R. R. Hoggan, Vice-President; O. Balshaw, Secretary.

The B.C. Gun Dog Club held a very successful Field Trial under C.K.C. rules at Ladner, B.C., March 23rd and 24th. An exceptional turn-out of visitors was a pleasing sight both on the Saturday and Sunday. Many dogs from the U.S.A. were entered and a good turn up of American sportsmen participated in the two days sport. The trial was run mostly on pheasants and the birds being exceptionally hard to handle made many good dogs seem rather mediocre. Many of the sportsmen would have liked to have had it explained to them why there was equal 2nd placing in the puppy stakes and how the judge arrived at such decisions. The award columns will give all necessary particulars.

Mrs. Dolly Wall known to most of us has bought a new home with spacious grounds overlooking the picturesque Fraser River.

Mrs. Mary Pickford of "Holdfast" Cocker fame has purchased from Dr. Fraser M. Greig, Bracebridge, Ont., "Binscarth Bugler", who has several outstanding wins to his credit including a five point win at Toronto where he went to Best of Breed under Judge Backus. Recently Mrs. Pickford sold a Cocker puppy who flew by plane to his new home at Zebalos.

Mrs. Munson of "Of Dene" Kennels has sold "Peter Pan of Dene", an American type Cocker out of "Estrallita of Dene" sired by "Gnilnoc Old Gold" to Jack Goff of Medicine Hat, Alta. There's a new family of "Of Dene's" out of "Estrallita" sired by Ch. "Holdfast Sonojo". These youngsters will be advertised later in Dogs In Canada.

April 13th and 14th found many B.C. fanciers at Seattle to attend the Spring show there. Best in show went to a Great Dane from California, Am. Ch. "Hansi of Garricrest" owned by Kay Garrity. Best Toy dog, John Rose of Vancouver won this award with his little Yorkshire, Ch. "Little Jetsom". This win marks the second Group class that "Little Jetsom" has won at Seattle. "Jackie" as he is known to all looked exceptionally grand as his coat was in the pink. The ringside cheers nearly brought down the house; a popular win.

Sporting Group winner was Dr. Magnusuns English Setter, "Chief O' Bainbridge". "Chief" was best in show at Tacoma recently and is sired by W. R. Willgress' Ch. "Shiplake Challenge". Incidentally "Challenge" also sired the group winner the previous week at Victoria.

Best Smooth Dachshund went to Leslie Cameron's "Benno von Plates Schulhaus". Best of Breed also went to a B.C. dog, Mrs. C. Drake's Wire Haired Dachsie, "Wurst of Kilkee". "Wurst" placed 2nd in the Group. Mrs. Davidson of Victoria won Best of Breed with her Poodle, "Tulloch Monsieur Pinochio". Mrs. Anderson, nee Ena Dadds, took Winners in Wire Fox Terriers with her Dad's dog "Royal Salute". Best of Breed in Bedlington went to a female bred by Stanley Dorrell, "Swansea Firefly" now owned by Mr. Boecop of Seattle. Best Kerry Blue was a Canadian-bred dog, "Blue Chip Barbara" bred by Mrs. Ena Peterson and now owned by Mr. and Mrs. Hitsman. Mrs. E. Bell of Victoria went Winners with her Pomeranian, Can. Ch. "Shantung Zoe". Miss Billett, Victoria, B.C. went Best of Breed with her West Highland White Terrier, Belmerville Aldrich. Mrs. C. E. M. Pemberton of Victoria went Best of Breed with her Australian Terrier, "Tatters of the Wells". Mrs. Mellish, nee Miss Harfield, took best brace with her Scotties, "Heatherbelle Robin Adair" and "Heatherbelle Lady Scot". I hope I have not left out any of our B.C. winners, but readers of my column certainly won a large portion of the best awards.

April 14th the B.C. Gun Dog Club, Inc. held their Retriever trials with Judges Chas. Butler and C. C. Hatch. The weather was rather dull in the morning which slowed things up, but

J. H. Logan's, Vancouver, Doberman Pinscher "Adventure of Oakerswood" in action. This smart dog won the Working Group at Victoria on April 6th, and was trained for the Obedience Tests by his owner.

when the weatherman sent out the sun to smile down on everyone, it just made all the difference in the world. A very good turn-out of spectators watched the dogs work with much interest.

At the Seattle show Mrs. Pemberton attracted a good deal of attention with her Australian Terriers. These little dogs were first bred in Australia but they have become one of the popular breeds in England today.

Three years ago Mrs. Pemberton imported from England two "Aussies" and their advent into Canada has caused quite an agreeable stir in doggie circles. Mrs. Pemberton's dogs come from the best of stock. The sire of her homebred "Gonzales Toc" is "Torres Blue Jacket of Clewer" who is grand champion of England, India and Australia.

NOTES FROM ALBERTA

By H. P. SAUNDERS.
1010—4th Ave., N.W. Calgary, Alberta

Genial John E. Hunter, Pres. Alberta Kennel Club says "All roads will lead to Calgary July 10th and 11th."

SASKATOON Kennel Club held their twelfth annual spring show on Easter Saturday, March 23rd, H. H. Allen, Esq., Winnipeg, judging all breeds; and as usual he turned in a very satisfactory job.

The President, Mr. Hogg, and the Secretary, Dr. M. D. French, were actively engaged all the time as theirs was a one day show, and all dogs had to be on the way home before nine-thirty in the evening.

Two outstanding features of this show—The cocker entry far outnumbering any other breed, with quality in every class, and headed by a really sensational puppy bred by R. Simpson, of Winnipeg, and owned by Geo. Kynoch. This cocker has completed his championship within eighteen days of being first shown and in keen competition. The second feature was the exhibit of Dr. J. T. Cooper. Let me say that collies from the Elmhill Kennels can hold their own in competition anywhere. Just lately one of the most outstanding collie fanciers on the American Continent made a visit west and of course wound up at Dr. Cooper's kennels and picked out one of his dogs that is bound to make history in collie circles in the United States.

Many Winnipeg exhibitors were present including the Manitoba director, Mrs. Pateman; G. Kynoch; T. Smith; A. H. Kirby; Mr. and Mrs. Pettigrew; Mrs. Morrison; Mrs. Caruso; J. Rodgers and J. E. Tulloch. Edmonton was well represented by Jack Tanton, Billy Quilley and his son Tom. Leonard Horncastle, Alex. Ainsley each brought their very best exhibits and they all did well.

Medicine Hat sent along Jack Goff, Bill Burrows, Mr. Grayson. The best dog in show was the collie, "Elmhill Elegance", owned by Dr. J. T. Cooper.

Junior Hospital League of Edmonton, Alberta, held their Seventh Annual Dog Show at the Memorial Hall, Edmonton, March 25th-26th. E. Cargill of Capilano, B.C., judged all

breeds in a very capable manner. As is the custom at western shows the cocker spaniel entries topped the lot and like at all the other shows the quality could not be surpassed. I will venture to say that the winners could be taken to any of the larger shows and make the going tough for the best of them. Mr. Cargill selected Dr. Wright's English setter female for best dog in the show. This female was bred by Mrs. Gove of Winnipeg.

W. D. Gardner of Edmonton has no peers when it comes to ring stewarding. He has the right way of keeping things moving and his quiet manner and thoroughness keeps the machinery well oiled and moving right along without any unnecessary delay.

Harry Nash has not been in very good health lately and we all hope to have him back hale and hearty before another show.

The ladies of the Junior Hospital League are to be congratulated on the very efficient way their show was conducted and I believe their effort was a profitable one.

I am indeed indebted to Quilley & Son for some kennel items that relate to their up and coming kennels. They have four top notch wire females looking very fit: Talaura Spicy Piece; Felbourne Fancy Free; Nor-West Whispering Charm, this female capturing best terrier at a recent show. Then they have a young bitch pup by Ch. Felbourne Foxcatcher out of Talaurora Spicy Piece. This is a very promising one. The Scotties at these kennels are headed by Ch. Drambuie. The springers consist of Aberfeldy Suretrick and Quantock Susie. This one was purchased from Jack Rawlings, one of Canada's premier springer breeders.

The senior member of this firm will judge all breeds at the forthcoming show in Regina, April 27. I know he will draw a big entry and he will do a bang up good job too.

At Fidalta Kennels, Edmonton, can be found some beautiful English and American Cocker and the owners, Mr. and Mrs. Ralph Smith, take delight in showing their cockers.

Varscona Kennels, owned and operated by Joe Caswell, breed high class Irish and Wirehaired Fox Terriers.

Seafeld Kennels, owned and operated by John S. and Mrs. Grant, specialize in English Cocker. Their dogs take in all the leading shows.

Marvel Kennels house some of the very best Pokes and Poms and their owner, Mrs. Arno, can always be relied on to make the toy entry a good one.

Alsagar Kennels are always to the fore with Welsh Corgis and their owner, Charles and Jessie Batten, always have their dogs in A 1 condition. They always have admirers wherever shown.

Mrs. S. G. Collier, of Edmonton, is building up a kennel of Toy Spaniels and has just lately imported two beauties.

Rev. J. T. Stephens, a real cocker and toy enthusiast, greeted many friends at the show. Edmonton is fortunate in having men like him take an interest in the welfare of the club.

Mrs. Lilian Fox had a very nice

Miss Eileen Mitchell, Sec'y. Alberta Kennel Club says "Biggest and best show ever to be held at Calgary"

entry of Chihuahuas and they were shown in marvellous shape.

Norval C. Grayson won the Toy class with a darling Pom.

The regular monthly meeting of the Alberta Kennel Club was held on Thursday the 11th inst. with the Pres., John E. Hunter, in the chair. The reports of the different committees were received and from all indications we are to have one of the very best summer shows on record. The prizes are the best the club has ever offered and the enthusiasm has never been surpassed, so with a judge of the calibre of Mr. Pym we are all set for the big event.

The Alberta Field trials had to be postponed for a week, on account of weather conditions, but now that the weather man is helping out the course should soon dry out.

Austin De. B. Winter, K.C., will adjudicate assisted by Joe Rudolph, both men of wide experience in field trials. The managing committee announce that One Hundred Dollars cash will be added to the winnings of the open event, and a valuable prize will be offered to the winner of the novice. All dogs should be in the pink of condition after such a marvellous winter. It is anticipated that the gallery should get some real thrills in every event as the birds are real plentiful and are already paired up.

Bill Clements, the President of the Club, is very anxious for a good turnout. The draw will take place at the Empire Hotel. I am very sorry to report the death of Ch. Nora von Hutten, one of the best Dobermans in Canada. She was owned by Miss M. E. Fox, owner of Foxhall Kennels, Calgary.

Pat Mitchell Now Introduces "Flo and Fluff"

side a display window of a canine supply store in downtown Calgary.

"My dear . . . Why Flo, how fine you are looking today. If I can only look as stunning as you do at your age I will ask for nothing more. Really my dear, how ever do you do it?"

Flo bristled, and then eyes twinkling, reminding one of her Irish ancestry, she woofed out in answer, "Oh! I'm not so much of an 'oldie' as all that. You're not exactly a sub-debutante puppy you know. If you remember, we were in the terrier class of 1937 together—remember, before we turned show girls?"

"Oh heavens yes, dearie. How frightfully silly of me not to remember", growled Fluff, and steered the conversation into more vanity-comforting channels by gushing on unabated, "Isn't the dog show sponsored by the Alberta Kennel Club going to be dandy? Windston, my latest pugnacious boy friend says its their thirty-fifth annual competition, and that it is bound to be a real battle royal."

"Yes", yapped Flo, with a resigned-to-her-fate sort of look, "The show is going to be held two days this year, July the tenth and eleventh. There will be oodles and oodles of dog biggies to see us strut and model. A friend of a friend of mine told me there was a Hollywood talent scout coming this year to locate a leading lady for Rin-Tin-Tin II in his next production. And with all the Americans coming to Calgary for the Stampede (many of whom will bring their 'biscuit-burners' along), it will be the biggest 'Yap and Yip' contest that Alberta has ever seen."

Prancing happily about to emphasize her points as she scored them, Fluff, not wanting to let anyone get away without her showing them how steeped she was in the facts of the coming summer show continued, "No doubt its going to be the blue-blood hit parade of the season . . . Entries have been coming in from Winnipeg, Victoria, Vancouver, Toronto—in fact, from practically everywhere". "IT is the prizes!" wagged Fluff, "Why the trophies and cash awards—simply scads my dear—the most attractive prize list of any show in Western Canada."

Flo wistfully dropped finger-length eyelashes over her innocent baby-brown eyes, and answered, "Have to slim again to compete against some of those glamorous 'cuddle-cats'. Must whittle down the biscuit ration if we want to beat those omph gals

ALBERTA KENNEL CLUB 35th ANNUAL DOG SHOW

(Under C.K.C. Rules)

July 10th and 11th, 1940.

in July." (The sins Ann Sheridan will have to answer for some day!)

Then Fluff took Flo aside to the comparative secrecy of the feed store doorway, and whining in lowered voice for dramatic effect, she queried, "Flo, do you want to know who is going to judge the Stampede show? . . . Yes, its the solemn truth! William H. Pym! Yes . . . the Mr. Pym of Vancouver, B.C."

Flo drooled at this startling news and, simply bursting with curiosity to learn more, she thumped hard on the pavement with her tail asking, "But Fluff—are you positive? Why he's the man who judged the best in show at the famous Morris & Essex show at Madison, N.J.—the largest competition in the world!"

"That's the man Flo!" chortled Fluff as she hopped gleefully about the sidewalk, "We're really going places this Stampede—and just think dearie, what a chance to collar some savage brute for a boy friend from among the registered four hundred!"

Then they both dashed merrily down the street, gone but not forgotten. I resolved then and there to have a talk with "Bonzo" my own 'best friend' about his entering the show . . . and now he's competing too.

AN A.K.C. VISITOR

It was a real pleasure to receive a visit from R. Bond (late Secretary to the Alberta Kennel Club) the other day. In the uniform of the Royal Canadian Air Force and all set for the duties of Air Gunner, but in that respect our visitor has been disappointed, his actuarial-banking experience will keep him grounded, and in Canada—we hope. He is now at Winnipeg and nearer to the little home that covers the head of the baby he has not yet seen.

FOX TERRIER PRODUCE STAKES

Mr. Winthrop Rutherford, President of the American Fox Terrier Club and dean of the Fox Terriers in the U.S., has made the most interesting announcement to all Fox Terrier breeders as to a new Produce Stake, which is offered by the Club to all breeders of Fox Terriers in this country and Canada, and not just to Club members.

In addition to all entry fees offered in cash prizes the Club is offering \$100.00 in cash each year.

Summary of the fees is as follows:

	Amount
Each bitch nominated	\$2.00
Time Payable	
Before produce is born or at time of service.	
Registration of entire litter....	3.00
Time Payable	
Before litter is 2 months old.	
Acceptance for 1 or more of litter	5.00
Time Payable	
On or before December 31st for the First Division; on or before June 30th for the Second Division.	

Time of closing of entries for show: Puppies entered in Stakes must all be entered in regular classes at regular entry fee.

If an eligible puppy has been disposed of and wins the Stake the money will be divided between the breeder and the owner.

The First Division will be shown at the Spring Specialty Show, May 1941 (Produce of nominated bitches whelped between January 1st, 1940, and June 30th, 1940).

The Second Division will be judged at the Fall Specialty Show, 1941 (Produce of nominated bitches whelped between July 1st, 1940, and December 31st, 1940).

The entry fees will be divided as follows in each Division:

- A. Smooth and Wire Haired Dogs.
- B. Smooth and Wire Haired Bitches.

Prizes: Each Division will be offered the following percentage of total fees received, to which the American Fox Terrier Club will add \$25.00 for each sex in each Division:

First.....	50%	Second.....	25%
Third.....	15%	Fourth.....	10%

Further information and entry blanks may be obtained from Foley Dog Show Organization, 2009 Ransstead St., Philadelphia, Pa.

Notes From Old Quebec

By W. W. ROONEY, 2331 Coursol St.,
Montreal, Que.

I WOULD like to thank those members who took the time and trouble to write or 'phone me in reference to the very reluctant need of my rather plain speaking in the April issue. As was expected everybody was not pleased and as one plainly said "you humanly enough jumped to conclusions too quickly", and concluded with, "I hope only good may be the result". But I have still hopes for a better "Dogs In Canada"—and don't we all. Let us see just what we really get for our One Dollar per year, this being the amount taken from our annual membership fee of \$4.00 to pay our year's supply of "Dogs In Canada". We get twelve magazines postage paid, we get all the show reports, provincial and other news, Directors meeting reports. Through its columns we keep abreast of other people, of judges, of champions and in general we get a compendium of the game we are interested in, as far as Canada is concerned. This service we receive monthly at less than ten cents per month and granted it does not quote stock markets or other such news, if we do not have it we are dependent on some other source for its contents. What other dog paper can we get for less than ten cents per month? Disraeli said "Candor is the brightest gem of criticism", and I believe that in most cases critics mean well, but who shall ignore constructive criticism? Men of old were not allowed to take away a single stone from a building, unless they had another and a better fitting stone to replace it, hence we see in an old world a thing of beauty and a joy forever. So I say, come with your candid criticism and if you truly believe in progress, as I believe you do, your constructive suggestions will be to your credit and all will bless you. Let us build even a dog society that will be the envy of all. After all, do we not say that the man who likes a dog has that something about him that is so different, the whole world admires him and should we as breeders of man's best friend not be the very essence of good fellowship ourselves. I think so, and when we realize that so much of our thought and energy goes into our dogs, all we need to do is to pool constructive effort to attain that success we so much crave for.

Have you noticed the swing to Welsh Terriers of late? I have been called on twice lately for information, and while in New York in February I was struck by the great improvement that has come to this breed in the last ten years. We have a new addition in the "Welshie" breed in Montreal; I was happy to be of service to the new owner in acquiring this smart little Welshman. Terrier men get busy, these dogs are sure to be in demand when the public gets to know this smart little chap. The same may be said of Cairns. I had a similar case in this sporty little terrier breed during last month.

The Good Friday show in Toronto, from my observation, was a decided success in spite of the cold weather.

I was taken aback by the lack of grumbling. Everybody seemed to be satisfied. This might account for the Queen City's success and the answer to why they have so many more shows there than we do here. Some will say they have more dogs. My answer is, yes, they do have more shows, but the shows are the necessary encouragement to own, breed, and show dogs.

My visit to Toronto was dog business of course and so I was there at my own expense. I visited the much discussed Dog Cemetery with none less a personage than our worthy President, Reg. P. Sparkes, and while it may seem almost absurd for me to say, that in spite of the 2 feet of snow we tramped through and the three-quarters of a mile tramp from the road, I really did enjoy that visit.

The genial proprietor of the Ben-cruachan Kennels is the owner of this little cemetery nestled among the boxwood, the birch and the oak trees, and even under winter conditions it commanded a feeling of reverence with its rustic entrance, the rustic seats scattered here and there and in the stone monument that is set in the center, evidently the work of an amateur sculptor set on the top of a cluster of dogs. Snow deprived us of being able to offer a better description. Each grave is marked and recorded. Graves can be purchased just like in any other cemetery. Everything is done in a business manner. You may buy a large or a small grave and every care is taken of each one. I am told that dogs for burial have been received from as far off as Montreal. At Christmas time wreaths arrive from many parts of the country. These are placed on the graves which bear the corresponding number. In Mrs. Blochin's own words, "we are kept busy with them". Our host gave me full particulars in response to my questioning, because that was part of my mission to Toronto. I would like to see something of the same kind here in Montreal district, because I know many who would support the idea and I may say that I have already started the wheels a-rolling towards that end. What measure of success I may attain I know not, but I'm willing to try, and I would be glad if anyone interested in the venture would write or call and see me, or I would be glad to call on them instead. It would be nice work for anybody to interest themselves in. The layout is quite simple but it could be made very effective. Members, anything that has to do with our hobby, we will support it if it is worth while. Our dogs come closer to us than they do to anyone else and if we choose to bury them decently that is our own affair, and I believe most of us would rather do that than send them to a rendering plant.

At the Toronto Kennel Club show the one and only Chas. G. Hopton judged. He was "King for a day". He found ready ears for his running comment on the various breed repre-

sentatives competing in the Groups and not the least of his listeners was the writer, and I do not beg to be excused for quoting his remarks when judging English Bull Terrier bitches for Winners. There were three of them in the ring. (I quote) "I judged the Bull Terrier Specialty Show in New York last month; the dogs there battling for top honours were not as good as the three you have before you here today in spite of the fact they were imported". All of which should encourage local Bull Terrier breeders, and it was a decided boost for our Canadian dogs.

While in Toronto, what proved to be a shock to many including the "Loveridges" came news of the death of that grand Skye Terrier, "Roland of Merrymount", which was imported last Fall by Mrs. R. Percy Adams of Westmount. The breed on this continent is the poorer by this dogs death. To many, a loss such as this would be a deterrent but not so with Mrs. Adams; others will follow, for like Britain with her battleships, Mrs. Adams' losses may be keenly felt but they are soon replaced.

Of Ryde Kennels report a freak whelp in a puppy. This youngster only lived a few hours after birth and was whelped with two hindquarters starting from the middle of the back.

The generous response of the dog fanciers to the call for special prizes for Montreal's Patriotic Dog Show, May 18th, 1940, which is in aid of and under the War Charities Act for The Adoption Plan Committee M.D. 4 is little short of wonderful. Despite the fact that three or four different drives were afoot at the same time, more than 100 good specials were collected, and for Best in Show the House of Seagram is offering a One Hundred Dollar cup, an attraction that will bring the dogs to Montreal in larger numbers than ever before.

The columns of the Montreal Herald feature a Kennelmans Column daily. The replies to the smart and the cynic are always very amusing, but I would like to congratulate the Editor who signs himself "Kennelman". Keep up the good work, Sir, I am all for your column because it's doggie and you sure know what you are selling the public.

I was pleased to make contact at last with a fancier whom our B.C. correspondent was lamenting the loss of last Fall. We understand Mr. Dey fancies Doberman Pinschers.

Our local Spratt's representative, Mr. Hanrahan, tells me that he is an old Western Boston breeder. Can't we lead this gentleman back to the fold in Montreal? This is a good town for Bostons, so grab yourself a good one and let us see you out at our show trying for the House of Seagram trophy.

Many will remember A. Steel, who is well known in Toronto and Montreal. The writer opened his door a few nights ago to this welcome visitor and being a good listener I was rewarded with a wealth of historic dog lore on both sides of the Atlantic. A man with a wonderful memory, a command of descriptive language and a stickler for facts, he is showing signs of wear and tear but still able to hold the ear of any dog fancier. I like such evenings, don't you?

NOTES FROM MANITOBA

By MRS. J. L. PATEMAN,
"Glan Avon," Lot 116 East St. Paul,
Winnipeg

THE Annual Meeting of the Fort Garry Kennel Club was held on Thursday, March 28th, when a large turn out of members heard a very satisfactory report of the club's activities from its officers. The secretary reported a very satisfactory bank balance. The following were elected to carry on for the coming year: Pres., Harry Greenwood (who is on his fourth year and the writer as Secretary for the fifth year); 1st Vice-Pres., H. Fitchett; 2nd Vice-Pres., Mrs. J. Gove; Executive Committee, A. Farler, A. Gostick, Joe Valente, Mrs. H. Joule and Mrs. J. Gove. Several new members have been accepted into the club. On May 17th and 18th the Club is putting on an all breed point show in conjunction with the Silver Wings Chapter Imperial Daughter of the Empire. Arrangements are well under way and over one hundred special prizes are being offered. The Judge for this gala occasion is W. A. Brockway of Chicago, a man of international fame, whose services are in keen demand at all times. By securing Mr. Brockway, fanciers are assured of impartiality in the ring from a sportsman who knows his dogs. Exhibitors will be well advised to take advantage of this opportunity to parade their dogs before him; a win under such a judge will be of more value than the securing of a mere ribbon. Three new trophies have been secured for this event. Our second Vice-Pres., W. H. Pym, of Vancouver, is offering a lovely piece of engraved silverware for the Best Dog in Show, S. Jackson is offering a Cup for members of the I.O.D.E. and M. H. Smith is donating a silver Memorial Cup on behalf of himself and family in memory of Mrs. Smith who was a devoted lover of the German Shepherd dog and the Springer Spaniel. This cup is for Annual Competition, while the two others are to be won outright.

Joe. Valente reports the sale of his Canadian Champion, Valente's Aviator, to J. Gilhool of Carbondale, U.S.A. His new owner reports he is doing excellently at shows in the States and is being offered at stud to approved matrons only. Mr. Valente knows his bostons and is to be congratulated in this connection. He assures us he will have one or two very nice ones in competition at the coming show.

I am advised that the Gun Dog Club of Manitoba is getting in full swing for the season's activities, and sporting dog owners are already afield getting their dogs in condition for the trials. They will hold a series of "fault correcting" sessions, details and dates to be announced later. So many sportsmen own trained dogs that have slight faults but do not seem to know how to go about rectifying them. This innovation will be welcomed by all sporting dog owners.

Here's news of another Western Canadian-bred Cocker owned by the Silverdale Kennels of this city. This is a solid black bred by "Bob" Simpson, prop., of the Isla Kennels in North Kildonan, sired by Ch. Live

FORT GARRY KENNEL CLUB

I. O. D. E. SILVER WINGS CHAPTER

DOG SHOW

(Under Canadian Kennel Club Rules)

May 17th and 18th,
1940

In the Hudson's Bay Store

JUDGE

A. W. Brockway, Esq.,
Chicago, Ill. U.S.A.

Sec'y. Treas.

MRS. J. L. PATEMAN

P.O. Box 2. Station F.

Winnipeg, Man.

(Phone 503644)

Oak Spring Storm, out of one of his own bred females Champion, Judy of Isla. This grand little youngster made his championship before he was eight and a half months old, in the stiffest competition seen in the west for many years. On March 8th and 9th he was shown in Winnipeg; March 25th in Saskatoon and March 27th and 28th in Edmonton. In Winnipeg he went winners and best of winners in solid color; in Saskatoon he went to best of breed, best sporting and reserve best in show, and at Edmonton, he was best of breed and best puppy in show and at Saskatoon he defeated the dog that went best in show at Edmonton. All of the three shows had enough cockers benched to make a five point win, so that Ch. Thunderbolt of Isla achieved the distinction of obtaining his championship in three successive five point shows, in eighteen days under three outstanding judges before he was nine months of age. Congratulations to his breeder and owner.

The Sporting Dog Club of Western Canada held their annual banquet on the evening of April 5th in the Marlborough Hotel, Winnipeg, with 125 guests present. The affair was quite elaborate, and the Pres., J. C. Cook, occupied the chair. At the head table were Dr. Merkley, Chairman Manitoba Game Commission; A. Blackie, Pres., Manitoba Fish and Game Association; A. B. Howell, Chief Game Guardian of Manitoba and Mrs. Howell; T. A. Smith, Secretary of the Club and his good wife. Fred Ferguson, Secretary, represented his Worship, Mayor Queen, who at the

last minute found it impossible to attend. The junior section of the club headed by Geo. Wilkes were out in full force. After the usual addresses, moving pictures of sporting events loaned by *Field and Stream* were shown. The club has not yet outlined its activities for the coming season, but it is believed that all these arrangements will be completed at the next meeting, which will be held within the next two weeks.

At the Silverdale Training Farm everything is in readiness for a busy season, and as in former years the establishment will be under the supervision of Tommy Wade. Some fifty dogs, chiefly springer spaniels owned by Silverdale Kennels will be trained in readiness for the coming hunting season. Several dogs from the U.S.A. are being trained.

Hazeldel Kennels, breeders and exhibitors of high class Springer and Cocker Spaniels, have moved to new and commodious quarters on the banks of the Red River in East St. Paul, where several excellent specimens of the breed as well as some highly trained springers will be on view in the very near future, when accommodation for the dogs has been concluded. It is a beautiful spot and the "Welcome" sign is out for all dog lovers.

A WELCOME SURPRISE

Whilst in Chicago for the International Kennel Club Show on March 30th, we got a real thrill when Archibald Lappin came to the ringside to pay his respects. We had to look the gentleman over very carefully before it was possible to name him. Mr. Lappin used to breed better than ordinary Irish Terriers in Winnipeg some 20 years ago, and was a member of the Canadian Kennel Club from 1921 until 1926 when he left for the Windy City. All the difference we could find in our old friend was the difference made in his personal appearance by the years. His enthusiasm has never waned apparently and his activities are "Canine Laundry" and "Canine Barber", and both are quite successful year in and year out. Of his adopted city Mr. Lappin had this to say: "Chicago is the finest city in the United States for any doggie man who knows his business."

CORRECTION

TORONTO KENNEL CLUB SHOW

Our report for the above show published in our April issue indicated that a Shetland Sheepdog was Best in the Working Group. This was an error as the Old English Sheepdog, Ch. "Snow Devil", owned by Mr. and Mrs. J. Birch of New Toronto was placed first in the Working Group and was later declared the Best Canadian-bred Dog in Show.

B.C. GUN DOG CLUB TRIALS

The first licensed Field Trials of the year were held by the B.C. Gun Dog Club at Ladner, B.C., on March 23rd and 24th for Pointers and Setters. First in all age stake was F. A. Graham's Pointer, "Golden Dawn"; second, Lloyd Suitor's Pointer, "Suitor's Lady De Luxe", and third, Crist & Christie's Pointer, "Imperial Air Pilot". It will be noted that all first three placings were made to Pointers. The judges officiating in the all age stake were Messrs. W. N. Egerton and B. J. Abbott. Stakes also run off were Derby Stake, Puppy Stake and Amateur Shooting Dog Stake.

MAN'S BEST FRIEND—AND "THE WOMEN"

By GERTRUDE W. DREW, TORONTO

PROBABLY in no other sphere of activity has the advent of the hand of woman played such an important and successful part as that instanced in the realm of dogdom, for, not only does a comprehensive survey of the situation on this continent but in the motherland as well, show that women have become most successful breeders of every kind of dog. To say they are successful would indeed be a modest remark. They are outstanding in this particular venture, and in England they virtually eclipse man's endeavours.

Women's entrance into the breeding of dogs requires neither speculation as to the reason of her interest nor wonder as to the success she has achieved. The ever increasing popularity of our dumb friends answers the former, while, the inherent desire of women to mother anything provided the latter. Woman has always been described as passive—man as active, and that passiveness perforce lends itself to one of the breeding industries most needed qualifications, "patience".

Not only have the fair sex won pre-eminence in this field of industry surpassing waning male competition, but, survey shows that they have in the parlance of the day, consolidated their gains. So firm a position have they captured in England, it is, perhaps a natural progression of events that the need of imparting their knowledge to others, took the form of establishing kennel colleges.

At these schools young women known as kennel maids are thoroughly trained in every phase of the work of rearing pure-bred stock. Taught by teachers whose knowledge of modern scientific methods backed by years of successful results, the extensive education in dog culture reaches its height and, the peak of attainment is indeed hard to speculate upon, for until the outbreak of the present war the demand for the services of graduates far exceeded the supply.

Although the last few years have witnessed a large increase in the number of women breeders and exhibitors, it is equally true that their added interest and participation is but a natural healthy growth of the love and respect for "Man's Best Friend". Undoubtedly this is due to achievement in attractiveness and intelligence of each and every breed. In this, women can also claim a large share of the credit. It is an entirely erroneous impression that man alone is responsible for all the primary work done in this regard. Throughout history breeding records show that women have made noteworthy contributions to the evolution of the splendid types of today.

In Great Britain there are numerous titled women who own and operate large kennels and whose interest in the advancement of dog culture has widespread influence. In this connection the name of The Countess Howe is synonymous with the celebrated Banchory gun dogs; that of the Hon. Mrs. Hill-Wood with the Hiwood Kennels of retrievers; that of Lady Edith Wyndham with her famous Soham

Kennels of Yorkshire terriers. Her Grace the Duchess of Montrose is not only president of the Schnauzer Club of Great Britain but is the owner of the extensive Brodick Kennels. Lady Helen Berry holds the limelight for cockers with her well known Haybury Kennels. The Hon. Mrs. Ionides is not only a director of the Nunsoe Kennels of World-wide reputation for poodles but owns her own Vulcain Kennels.

In Canada as in other countries of the world the breeding of dogs shows no discrimination from a social status. From Newfoundland to the Pacific Coast women vie with male competitors for fame and fortune in this fascinating and enthralling venture. Every year more and more women are entering into this arena and the profession is no longer confined to masculine predominance. So successful women have become that the exhibiting and handling of dogs leaves little to be desired and one cannot laud the female participant too highly in this connection, for the results of her perseverance and patience speak for themselves in the show ring. In such great numbers have women entered into this field that space obviously does not admit individual mention.

Incidental to the breeding and exhibiting of dogs are other branches necessary to the advancement and prestige of these superior animals, and in these capacities women perform a maximum of service. Specialty clubs, and sanction shows run correlatively and in this phase of canine interest there are innumerable women whose efforts, time and ability have whole-heartedly been devoted to the welfare of the dog.

Women's participation at obedience test trials is now becoming the rule rather than the exception and their ability in this regard has been shown to no mean advantage. The field trials can also boast the same feminine representation, and many have gained well merited recognition, although women are somewhat reluctant to make any ostentatious display of their prowess in a field hitherto dominated

by masculine control. The board of directors of our own Canadian Kennel Club includes two women members.

In United States as in Great Britain women have become so dog conscious that regardless of affluence or fame their interest in the vast kingdom of "Man's Best Friend" has become an all absorbing hobby in many cases and a fascinating and lucrative profession in others.

With upwards of four hundred dog shows annually the expansive scope in competition reaches its zenith at the great Westminster and Morris and Essex exhibitions. Here hundreds of women as well as men from all over the Union accompanied by the cream of their kennels, converge with the one great purpose in mind, that of determining the merits of their dogs as against the best in the country and, always with the hope of carrying off some of the honours, and these honours are invariably garnered by women exhibitors.

The dog as an individual, owing to his fine qualities and virtues, deserves more than abstract thought, and here may it be stressed, his mute solicitude for understanding has met with a spontaneity from womankind hitherto unparalleled in the annals of canine history, this no doubt is due to the innate qualities of feminine nature, and the dog in his helpless appeal has struck that responsive chord, with the result that his position and his mode of living have become greatly improved.

To many of the great moving picture artists goes praise and tribute for their interest and humanitarian work in the dog domain. Among these benefactors, the names of Mary Pickford, Delores Del Rio, Bette Davis, Katherine Hepburn, Mrs. Jack Oakie and many others are prominent.

Other notable women who are directly responsible for many of the fine specimens on exhibit today are Mrs. Hartley Dodge of Madison, N.J., Mrs. Biddle-Duke of Tuxedo Park, N.Y., Mrs. Sherman Hoyt of Katonah, N.Y., Miss Marie Leary of Greenwich, Conn., and Miss Laura F. Delano of Rhinebeck, N.Y. Incidentally, Miss Delano is a first cousin of President Roosevelt, and her famous Knocknagree Irish Setters are well known around Canadian shows.

Women are now acting in the capacity of judges, with the same competence and success that has marked their other activities in this unique field.

It would be superfluous to expatiate further on the association of women and dogs. Their entrance into the realm has been of inestimable value. The fruits of their efforts are well known, and regardless of conditions, the dog world marches steadily on and a limitless field lies ahead for many more enthusiasts.

And so this happy association of dogs and humans grows larger and larger, year after year, and if the dog could voice his sentiments to his benefactors, in a universal language, his response would be instantaneous, especially to "The Women."

Gertrude W. Drew, Toronto, with a brace of her cherished Irish Setters.

Canadian Dogs at Chicago

THE few dogs from Canada who made the long trek to the International Kennel Club of Chicago Show, at Chicago, Ill., Saturday and Sunday, March 30th and 31st, fared rather nicely in the strong competition encountered at this important fixture. In catalogue sequence we find the following achievements: 51, Alex Wilson's (Toronto, Ont.) Retriever (Labrador) 1st open bitches, and best opposite sex; 68, Bethune L. Smith's (Toronto, Ont.) Setter (English) "Alpha of Larana", 1st open bitches, winners, and best opposite sex; 444, Emerson Robertson's (Toronto, Ont.) Beagle "Porter's True Boy", 1st open dogs (13-15) and winners; 713, P. J. Campbell's (Toronto, Ont.) Doberman Pinscher "Ladd of Pontchartrain", a dog that can do lots of winning, but ran into the stiffest kind of competition here; 955, Mrs. G. W. Hyslop's (Brockville, Ont.) Cairn Terrier "Kirth of Cairndania" (a home-bred), 1st open dogs, winners, and best of winners; 196, same owners "Chrystabel of Crockshed", 1st open bitches; 1628, last but by no means least, "Reg" P. Sparke's (Toronto, Ont.) Bulldog "Basford Golden Nymph", 1st open dogs (45 lbs. or over), winners, best of winners, best of breed, and 1st in Non-Sporting Group.

The entry was around 1,800 dogs benched, and as that was 200 odd dogs better than the 1939 entry, the catalogue foreword by John Ruskin seemed to be aptly chosen and fitted perfectly the steady progress of the Chicago International. The quotation: "Therefore, when we build let us think that we build forever. Let it not be for present delight nor for present use alone. Let it be such work as our descendants will thank us for and let us think as we lay stone on stone that a time is to come when those stones will be sacred because our hands have touched them and that men will say as they look upon the labor and the wrought substance of them, 'See! this our fathers did for us'."

The show was replete with features and the three that "clicked" best were probably Willy Necker's trained Doberman Pinschers, unquestionably the best trained dog turn in all-America. To see a Doberman feed a 2 months old Southdown lamb from a feeding bottle was something to grin over and to remember for a long time. The signal for the "Doberman Show" found hundreds of interested fanciers leaving the judging rings and making for the "fun factory". The Amateur Judging Contest as instituted and sponsored by the late C. Groverman Ellis a year ago, was repeated this year and had the advantages of last year's experience. Boston Terriers, Fox Terriers, Doberman Pinschers and Cocker Spaniels were the breeds judged by Walter H. Reeves, Belleville, Ont., and G. V. Glebe, Bryn Athyn, Pa., and by the boys and girls who had entered the competition. We tried to get a look at the contestants score cards but found that the youngsters figures were considered to be almost sacred and inviolate. There-

R. RAY McLAUGHLIN

OSHAWA - ONTARIO - CANADA

fore, we had to content ourselves with the information that the amateurs were allowed 15 minutes to rate the 4 dogs of each breed as 1st, 2nd, 3rd and 4th. A warning bell was given 3 minutes before the time allowance expired. The contestants were not permitted to confer with each other, nor to refer to any source of information whilst the contest was in progress. After the 4 breeds had been passed upon the contestants appeared before the judges and were given back their rating cards and from that source of guidance only they gave their reasons for their placings. The time allowed for this part of the contest being 2 minutes only. The judges then scored each contestant on the correctness of his or her ratings and his or her reasons for making the placings for each breed. The contestant making the highest combined score, after having been scored by the official judge on the correctness of ratings and reasons, in this way the winners were decided upon.

The tabulations showed a difference of only 30 points separating the 6 winners in Boston Terriers, 35 points difference in Fox Terriers, 65 points each in Dobermans and Cocker. The total points ranging from a high of 595 to a low of 475. These figures show a rather remarkable consistency accruing from the combined effort.

This is a real effort to encourage amateur judging and the rewards command attention, 1st prize is the C. Grover Ellis Sterling Silver Trophy plus \$30.00 cash and a silver medal, with other prizes ranging from \$25.00 to \$5.00 and a bronze medal to each. Miss Betty Smith, Chicago, won the Trophy and the cash with 595 points.

Then there was the Boy Scouts Contest for "Dog Care" with merit badges, and other prizes as stimulation. The contest called for 8 requirements and contestants qualifying must know lots about their dogs, the first requirements being "to own and care for, or to have been responsible for the care of the family dog for not less than 6 months", the eighth being to "know the State and County laws, and town or municipal ordinances involving dogs, including ownership, control and humane treatment."

It was most interesting to watch the Scouts stand up on their two feet and tell the judges just how the boys cared for their dogs, leaving the antics and tricks of the dogs to tell of the satisfaction of Boy Scout ownership.

The boy and girl of to-day, being the man and the woman of to-morrow, the contests as sponsored at Chicago, will have an influence on future judging material, and the objective is worthy of extended sponsoring in every community.

There were no dull moments at Chicago.

At Last A DOG SOAP that

PULVEX, the new six-benefit medicated health soap for dogs, stops itching by oiling dry skin. Promotes hair growth, kills fleas and lice, lathers marvelously, cleans perfectly, destroys dog odors, gives a "dog show" sheen. At pet and drug stores, 50c. More economical, outlasts 2 ordinary bars.

- Oils
- Tones
- Grooms
- Kills Fleas
- Deodorizes
- Cleans

ALL in one operation

PULVEX
The NEW 6-USE DOG SOAP

POODLES (Standard)—DOGS—Open, Winners and Best of Breed—1, C. C. Young's Scalawag of Piperscroft of Blakeen (1 dog, 1 point).

CH. "CANALINE SPORT" DOING WELL

When W. P. Gudgeon, Port Nelson, Ont., called the office to-day—April 29th, we could hardly imagine what had happened to the man, his voice sounded weak as it sounded rather peculiar, and not at all like the happy, full throated voice we had heard in his home a couple of weeks or so ago, but in the short meantime our good friend had been in the hospital, and we imagine he had been rather rough handled there, anyway his ray of sunshine was the winnings of his good Springer Spaniel Ch. "Canaline Sport", who had gone to Best of Winners at such shows as Richmond Kennel Club, Richmond, Va., April 23-24, National Capital Kennel Club, Washington, D.C., April 25-26 and old Dominion Kennel Club, Alexandria, Va., April 27. Adding 9 Championship points to the 2 already earned and coming within shooting distance of his International crown. Wishing you a speedy recovery, Mr. Gudgeon.

IDENTIFICATION

IN ORDER to be helpful to the breeders of dogs in Canada, we have sought for, and have received valuable information which we now impart with a view to removing misunderstanding and possible irritation in respect to registration. It has been found in actual practice that carelessness in preparing applications for registration is responsible for plenty that has been blamed on something else, therefore, it is entirely logical

to take for granted, that with extra care in preparing the vouchers of registration much unpleasantness may be eliminated.

When Tattooing is used as a means of identification, the proper arrangement of the letters and numerals is essential. For example "TA T1" "TA T2" would be considered wrong, and "TA 1T" "TA 2T" would be considered right. The breeders identification letters definitely establish that the letters preceding the numeral are those of the owner at time of identification and the dog will be more easily identified when the year letter appears last, as in "TA 1T". Then a great many applications are received without the tattoo imprint appearing in the space provided on the application form. Many applications are received that do not state where the dog has been tattooed. Such omissions should not be necessary and this condition can be easily remedied by a little co-operation. It has been found, too, that clearer tattooing is made possible when the letters and numeral are placed in the center of the

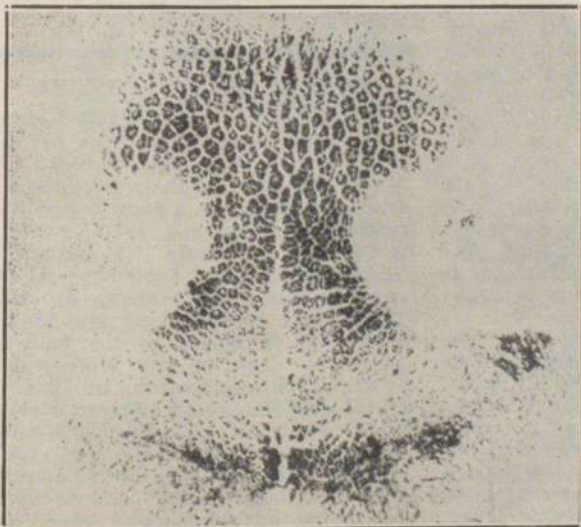

holder of the tattoo instrument.

The designating year letter for 1940 is the letter "V" and should only be used when tattooing dogs born this year. Registration of a dog born last year would show the year letter "T".

Tattoo marking may be made at the one operation, and there is no necessity for tattooing in two flanks, lips, bellies or ears.

Nose-Prints, 50% of nose-prints submitted are not acceptable for the very good reason that they are not nose-prints, 25% are not considered to be good prints, and 25% are really acceptable. The chief trouble is the use of too much nose-print ink, which gives a smudge and not a print, but with a little patience good acceptable prints are easily obtained, and the tiniest speck of ink, evenly spread out will be sufficient for many excellent prints, so the correct combination is a very thin film of ink, applied to a dogs nose (with the moisture wiped off) will give good prints when the paper is pressed to the nose firmly but not harshly. Don't allow the ink to get all over the whiskers, it's a nose-print only that is required.

Charts. Applicants go to extremes in preparing charts, and charting need not be a job for an artist. All that is necessary is to show the predominant color by its own abbreviation, as found down the center of the chart form, then show the markings (if any) by their abbreviation, but do not show any more on the chart than is actually necessary to show, the proper markings and colors, and, it is very important, too, that all charts should be completed in ink.

A Nose-print that would be quite acceptable to the Registrar. Notice the clarity of the detail.

Obituaries

A legion of personal friends as well as many pioneer citizens of Vancouver were shocked to learn of the sudden demise of Mrs. E. A. Dunn, who passed away at the family residence on March 30th.

Mrs. Dunn was born near Ottawa, Ont., but was brought to Vancouver when about one year old, and has resided there ever since. She was always active in Club and Fraternal circles, and for many years was an Officer of the Vancouver Kennel Club. She was Club and Show Secretary for many years and occupied the office of President at the time of her death. She was also a charter member of the Club.

As an exhibitor, our late friend favored Boston Terriers and Whip-pets, although at times her interest in other breeds is indicated by old catalogues showing her to have exhibited other varieties of dogs during her thirty-five years as an exhibitor, but Boston Terriers undoubtedly held first place in her affections. She was a pioneer in this breed, having exhibited the then well-known Boston Terrier "Nibbles" under Judge George Cranfield in the year 1907, thirty-three years ago.

Quite recently the "old time" dog fanciers, upon learning that Mrs. Dunn was not enjoying her usual good health, sent her a tribute of their sympathy, little realizing that her final call was so close to hand.

The services were conducted by her Rebecca Sisters at the Chapel and at

Mount View Cemetery. Prominent among the floral tributes were wreaths from the Vancouver Kennel Club and the Coast City Kennel Club, and many individual pieces from her host of friends. Mrs. Dunn will be greatly missed by American and Canadian exhibitors, as well as her wide circle of friends.

(EDITOR'S NOTE: Mrs. Dunn was one of Canada's very best Club Secretaries with whom it was always a pleasure to co-operate. Her passing must necessarily leave a void in British Columbia dogdom.)

It is with a real sense of regret that we are called upon to mark the passing of Donald McKellar, late of Oakville, Ont. On April 11th, Donald, as he was familiarly known to many in dogdom, was a member of the Canadian Kennel Club from 1916 until 1936, and during those years he enjoyed importing a few good ones, breeding and exhibiting in a manner that proved to be both pleasant and profitable. To hear him refer to his Scotties as "the wee black dugs" and his West Highland White Terriers as "the wee white dugs" was to be entertained rather pleasingly.

Donald had a large clientele who favored the kind of Scottish dogs that were kenneled at his "Argyle" establishment at Oakville, of which he was very proud. Perhaps the most outstanding Scottish Terrier that our old friend ever owned, was the imported "Tullibardine" brought over from the kennels of John Davidson, Peterhead, Scotland, in 1920 by Mrs. McKellar. This dog is unique in respect to Canadian National Exhibition

winnings, as he won at that notable fixture for the years 1920, '21, '22, '24, '25 and 1927, and that is some kind of an out of the ordinary record. Ch. Tullibardine won 42 championship points, he was by Bonaccord Boxer ex Whimbloom and was an Abertay — Bonaccord — Romany combination of rugged constitution, and great as a breed specimen and extraordinary as a producer.

There is a rich storehouse to draw from that is replete with humorous incident relative to this grand old Scotchman, who, at his 73rd year, leaves us for the "land o' the leal" and our sympathies go out to his family of lads and lassies in their bereavement.

KENNEL CLUB STUD BOOK

Vol. LXVII of the English Kennel Club Calendar and Stud Book for the year 1939 has just come to hand and it tells the story of the unsettled conditions in Europe in a manner peculiar to dogdom in England, 381 shows less in 1940. Harrogate Championship Show, held early in September, marking the halt for the shows in 1939, 21,618 less registrations too shows. What has happened in the field of pure-bred dogs in the Motherland, from 57,762 registration in 1938 to 36,124 in 1939 would suggest a crippling condition for the English Kennel Club. However, the mother of registration bodies has experienced similar conditions before, and has invariably weathered all storms and came out with flying colors, and unquestionably she will write further history in this respect again.

Don't Miss

THE **MORRIS & ESSEX**

KENNEL CLUB SHOW

Saturday, May 25, 1940
