IMPORTANT

In writing your advertisements or other articles for publication in Dogs in Canada, do not abbreviate or omit words. Write all names plainly and correctly.

Club Secretaries are requested to notify us of appointments and dates for all shows to be held by them. All items of interest, such as meetings of all breed or specialty clubs, will be welcomed and given due publicity. In short, we want this paper to be of every assistance to the fancy in as wide a sphere as possible. All matter intended for publication should be written on one side of the paper only, and must be accompanied by the writer's name and address, not necessarily for publication, but as a private guarantee.

Closing dates, for reading matter, 20th; or advertising, 22nd preceding.

The regular monthly meeting of the Board of Directors of The Canadian Kennel Club, Inc., will be held in the Club's Board Room, 25 Melinda Street, Toronto, on Thursday afternoon, July 18th, 1940, at 2.00 o'clock.

APPLICATION FOR KENNEL NAMES

The following applications for Kennel Names will be considered by the Board of Directors of the Canadian Kennel Club, Inc., on Thursday, July 18th, 1940. Any person having objection thereto should communicate promptly with the Secretary, Canadian Kennel Club, Inc., 25 Melinda St., Toronto, Canada.

"Dunstrae" — William P. Lambert Ann

MEETING OF THE BOARD OF DIRECTORS OF THE CANADIAN KENNEL CLUB, THURSDAY, JUNE 20th, 1940

THE regular monthly meeting of the Board of Directors of The Canadian Kennel Club, Inc., was held in the Board Room of the Club's offices, 25 Melinda Street, Toronto, on Thursday afternoon, June 20th, 1940, at 2.00 o'clock. The President, "Reg." P. Sparkes, presided. Directors present included: Walter H. Reeves, Dr. H. E. Batt, Mrs. E. Brown, Wm. McDermont and F. W. Walkerdine. Absent: W. J. Risewick (out of town).

The President reported that the Secretary took ill whilst returning from the conference at Ottawa and was unable to attend this meeting of the Board.

It was regularly moved by Mrs. Brown, seconded by Mr. McDermont and carried:

"That the Minutes of the meeting of the Board of Directors held Thursday, May 16th, be adopted as read."

By way of introducing his report on the visit of Mr. Walter H. Reeves, Vice-President, Mr. W. H. Pym, Second Vice-President, the Secretary and himself to Ottawa to confer with the Deputy Minister of Agriculture and his associates, the President instructed the Assistant Secretary to read his letter to Mr. Pym dated June 5th; Mr. Pym's letter of reply dated June 11th and the President's further letter to Mr. Pym dated June 15th. The President's report on the meeting referred to above was then read following which the Assistant Secretary read a letter received by the President from Mr. Pym together with a letter the President proposed sending to the Deputy Minister providing the Board agreed that the letter should be sent forward. When presenting his report to the Board, the President declared that he could not stress too forcibly the excellent spirit of co-operation that had been shown by each member of the Committee and particularly the co-operation received from the Deputy Minister and the other officials of the Department of Agriculture. "It was," the president stated, "a pleasure I can assure you to do business with the Department and I do not think that any undertaking by any officials of this club has ever been so successful or more beneficial." After the President's proposed letter to Dr. Barton had been read, it was regularly moved by Mrs. Brown, seconded by Mr. Walkerdine and unanimously carried:

"That the action of the President in drawing up this letter to be sent to the Deputy Minister, be confirmed."

The President asked for permission to take additional space in the Club's magazine to provide the members with a report of all that had transpired and this permission was readily granted by the Board.

It was regularly moved by Mr. Walkerdine, seconded by Dr. Batt and unanimously carried:

"That this Board confirm the actions of the President and his Committee in regard to the meeting with the Deputy Minister, Dr. Barton, and that the President's report to the Board of Directors together with Mr. Pym's letter to the President be published in

full in the next issue of "Dogs in Canada" for the benefit and information of all members of The Canadian Kennel Club."

Mr. Reeves, in confirming the President's report and verbal additions thereto, added that the President was to be complimented on his initiative in arranging the conference and the masterful way in which he had arranged for the presentation of the Club's case to the Deputy Minister and his associates. The President then declared that he wished to thank Mr. Reeves, Mr. Pym, Mr. J. D. Strachan and also the Assistant Secretary, Mr. Norman F. Brown, for the support and help which had contributed to the success of the conference.

It was regularly moved by Mr. McDermont, seconded by Dr. Batt and unanimously carried:

"That a vote of thanks be tendered President Sparkes and the Committee."

The following statement of General accounts for the month of May was presented for payment:

Phillips, 3825 St. Urbain St., Montreal, Que.; Lloyd Pivnick, Sutton W., Ont.; Mrs. Peter Thomson, Alliston, Ont.

And it was regularly moved by Mrs. Brown, seconded by Dr. Batt and carried:

"That the applicants be received as members."

The following licensed dates were ordered granted:

August 11th and September 22nd—Shepherd Dog Club of Canada (Trials).
August 19th-20th—New Brunswick Kennel Club.

August 30th-31st—Toronto Kennel Club.

August 30th-31st and September 2nd—Vancouver Exhibition Association.

September 30th to October 5th—Canadian National Beagle Club (Field Trials).

Thanksgiving Day—Boston Terrier Club of Toronto.

Judges for the following shows and trials were approved:

Regina Kennel Club.
Vancouver Exhibition Association (2 shows).

Canadian National Exhibition.

Canadian National Beagle Club.

Toronto Ladies Kennel Association.

The following kennel name was ordered granted:

ROBIN HOOD—Mr. and Mrs. G. W. Ryley, Greenwood, Ontario.

It was moved by Mr. Walkerdine:

"That this meeting do now adjourn."

NOTE: These Minutes are subject to correction when presented for adoption at the next meeting of the Board of Directors.

ENTRIES CLOSE
AUGUST 17th

REPORT OF THE COMMITTEE INTERVIEWING OFFICIALS OF THE DEPARTMENT OF AGRICULTURE, JUNE 18th, 1940 TO THE BOARD OF DIRECTORS:

AT THE last Annual General Meeting the members adopted an amendment to our Constitution which would have made identification optional. In due course the Department was notified of this amendment, however, we were subsequently advised that the Department was not prepared to approve of the amendment.

It has been my opinion that some understanding should be reached with the Department on the very important matters of incorporation, affiliation and identification, and as our Second Vice-President, Mr. W. H. Pym, was judging down in the Eastern part of the United States, I deemed it advisable to have Mr. Pym, Mr. Walter H. Reeves, our Vice-President, the Secretary and myself meet officials of the Department of Agriculture to secure such an understanding, therefore an interview was sought with the Deputy Minister of Agriculture, Dr. Barton, who very kindly acceded to our wishes and a meeting was held in Dr. Barton's office on Tuesday, June 18th. At that time the matters of incorporation, affiliation and identification were discussed thoroughly.

Mr. Strachan and I left Toronto on the afternoon train. After reaching Ottawa we were in conference with Mr. Reeves until well after midnight on the 17th. Mr. Pym arrived at the Hotel during the night and your representatives were again in conference at 8.30 in the morning before repairing to the Deputy Minister's office at 10.30 o'clock. At the beginning of the conference I handed the following statement to Dr. Barton:

"I do not think it necessary Doctor to go to any great length in stating why we are here today; suffice it to say that Mr. Pym, Mr. Reeves and myself, as Officers of The Canadian Kennel Club, are not at all satisfied that our limit in progress is being made, and having very definite opinions as to why this condition exists I thought it expedient to seek this appointment with your good self and other officials of your Department in order that we could arrive at some definite understanding, particularly in regard to our status as an incorporated association. We of course realize that the House is

in session and that very likely your Department is very, very busy at this particular time and I would, therefore, at the very beginning, like to thank you again for your co-operation in agreeing to receive us this morning.

"Obviously it is not my privilege to say how this conference should be carried on, however, if you will be kind enough to permit me to make a suggestion, it would be that we have a number of questions to ask, which in any subsequent discussion may branch out to questions asked by Departmental officials, or ourselves, and in this way we may be able to bring a picture of the situation, as seen through the eyes of your Department and as seen through the eyes of the Kennel Club into its actual focus.

"I think it can truly be said that the matter of the incorporation of The Canadian Kennel Club was a subject that never came prominently before the attention of our members before 1915, until the time the Department insisted upon our incorporating identification into our Constitution. Being quite definitely of the opinion that incorporation under the Live Stock Pedigree Act is a definite asset and protection to The Canadian Kennel Club, nevertheless for information purposes, we would appreciate your answer to the following questions."

Rather than have your Committee meet the Departmental officials unprepared I had drafted a series of questions on the three important subjects mentioned above. Reproduced in this memorandum are the most important questions, the answers to which will likely form the basis of any future steps to be taken, at least your Committee most strongly recommends so.

In respect to the matter of incorporation of The Canadian Kennel Club under the Live Stock Pedigree Act the following questions were asked:

QUESTION 1—Is it the opinion of the Department of Agriculture that any association incorporated under the Act must feel obliged to function in conjunction with the Live Stock Records?

ANSWER—Only one recording association would be allowed to function under the Live Stock Pedigree Act as recorders of the same breed and the Department of Agriculture retained the power of saying which Association would be so recognized.

COMMENT—In respect to this question I would repeat what I consider the sections of the Act applicable to this question: Article 3, section (1) of the Act reads:

"The Minister, upon the application of any number of persons, not less than five, being British subjects, of the age of twenty-one years or over, who desire to form an association for the purpose of keeping a record of pure-bred domestic live stock of a distinct breed, or several records, each of a distinct breed of the same species of animals, may approve of the application and grant the certificates hereinafter mentioned."

Note that the Minister **MAY** approve of the application for incorporation; he is not obliged to do so. Section (1) of Article 4 of the Act reads:

"Not more than one association for each distinct breed or a number of breeds of the same species shall be incorporated under this Act."

This is self-explanatory and needs no further explanation on my part.

QUESTION 2—If the Canadian Kennel Club were to voluntarily seek dissolution of its incorporation in order to get away from the requirements of identification, which are not considered to be satisfactory, what would be the attitude of the Department in the matter?

ANSWER—The Department would have the power to recognize any body if The Canadian Kennel Club surrendered its incorporation under the Live Stock Pedigree Act and the validity of the Act would have to be settled in court.

COMMENT—Were the Canadian Kennel Club to surrender its incorporation obviously there would then be no association incorporated under the Act for the registration of dogs which would then leave the way clear for another canine association or group of individuals to make application for incorporation in the same way as the Canadian

June 18th, 1940.

MR. R. P. SPARKES, President,
Canadian Kennel Club, Inc.,
Toronto, Ontario.

Dear Mr. Sparkes:—

Permit me to congratulate you upon your initiative in arranging the conference held today at Ottawa with the Deputy Minister of Agriculture, Dr. H. Barton, the Live Stock Commissioner, Mr. J. M. McCallum of the Department of Agriculture and the Chief Registration Officer, Mr. A. P. MacVannel, your own delegation consisting of yourself, as President, 1st Vice-President, W. H. Reeves, Secretary, J. D. Strachan and the writer.

While the importance of this conference cannot be fully conveyed to the membership at large by a word picture, it can be said that your delegation was fully equipped with legal knowledge and the necessary co-operative spirit to achieve genuine results, on behalf of the membership of the Canadian Kennel Club; and by the same token, it should be said that the same co-operative spirit prevailed on the part of the Deputy Minister and his associates.

Personally, I am glad that our problems could be approached, and surveyed, by gentlemen in the proper frame of mind to do justice to the important subject under discussion, and if the representations made by your delegation are carried to their logical conclusion, history will prove that this conference was the most important session ever held in the life of the Canadian Kennel Club, and progress and contentment will result therefrom.

With kindest regards.

Yours very truly,

W. H. PYM.

June 20th, 1940.

DR. H. BARTON,
Deputy Minister of Agriculture,
Department of Agriculture,
Ottawa, Ontario.

Dear Doctor Barton:

It is the unanimous opinion of the Board of Directors of The Canadian Kennel Club that if that clause in the Live Stock Pedigree Act making identification of dogs compulsory is suspended until the Act itself can be so amended and the "colour and markings" rule, that formerly existed, substituted therefor, as outlined in our representations to you on June 18th last, it would remove the obstacle that is now strangling our business, has caused much unrest among dog breeders of this country, and disrupted the harmony of our relationship with the Canadian National Live Stock Records. We are satisfied that if this recommendation is approved by you the authenticity of our pedigrees will be the equal of those pedigrees registered by any other breed association in Canada. At the same time you will enable our organization to render whole hearted support to the proposition of maintaining a Central Pedigree Registration Bureau in Canada.

It may be pointed out that the matter of the three present forms of identification may still be optional with those who care to continue practicing any one of the present systems.

As this matter is of the most vital importance on account of certain actions that may be taken by a great number of our members, may it be pointed out to your good self that harmony can be restored if immediate action is taken and we are placed in a position whereby we can notify our membership of your decision through the medium of our official organ which goes to press on June 25th.

It is my desire at this time to confirm our verbal thanks for the courtesies extended the Committee when you so kindly met us on June 18th.

Faithfully yours,

RPS:C

R. P. SPARKES, President.

Kennel Club made application for incorporation in 1915. Should The Canadian Kennel Club decide that even though unincorporated it would still have the right to continue as a registration body after another association had been incorporated for the same purpose "the validity of the Act would have to be settled in court", and as far as I am concerned there is little question as to the validity of the Act.

QUESTION 3—Does the Department feel that in order that there may be no question as to the present status of The Canadian Kennel Club as an incorporated association it is advisable or essential to apply for incorporation under the Act of 1932?

ANSWER—In the opinion of the Department of Agriculture the posi-

tion of The Canadian Kennel Club is absolutely sound since our original application for incorporation had been approved by the Department and was so recognized.

COMMENT—The Canadian Kennel Club was incorporated in 1915 under the Live Stock Pedigree Act—1912. This Act was later replaced by the Live Stock Pedigree Act—1927 and later this Act was replaced by the Act of 1932. The question therefore arose as to whether or not The Canadian Kennel Club, not having made application for re-incorporation under the new Acts, was considered to be automatically incorporated under the new Acts as they were passed by Parliament. It is the opinion of the Department of Agriculture backed by the written opin-

ions of the Department of Justice that The Canadian Kennel Club is incorporated under the Act of 1932 since our original application for incorporation had been approved by the Department and was so recognized.

QUESTION 4—Is it the opinion of the Department of Agriculture and the Department of Justice that an association is not properly incorporated under the Act unless it meets all of the requirements of the Act?

ANSWER—No association could be considered as being properly incorporated unless such an association was first prepared to meet all requirements of the Act.

In respect to the matter of affiliation of The Canadian Kennel Club

(Continued on Page 10)

CANADA
DEPARTMENT OF
AGRICULTURE

OFFICE OF THE
DEPUTY MINISTER

Ottawa,
June 25th, 1940.

Dear Mr. Sparkes:

I have your letter of June 20th in further reference to the identification of dogs for registration which we discussed during your visit here with the Vice-Presidents and Secretary of the Canadian Kennel Club.

In view of the difficulties in connection with identification which were outlined and stressed by you and the other representatives, the Department is disposed to do anything it can to meet the situation. It is not within the power of the Department, however, to suspend any clause of the Live Stock Pedigree Act, but the Department would be prepared to accept a statement of "colour and markings" as one alternative method of identification subject to ratification and the necessary amendment in the Constitution at the next annual meeting of the Canadian Kennel Club. It would appear to me that this would overcome the objection of those who desire to register Canadian bred dogs to certain forms of identification provided under the Constitution which have not been found entirely satisfactory, since it would give them the privilege of using the former method and, at the same time, it would allow for the acceptance of registration on the basis of identification for imported dogs which are registered under similar provision and, therefore, facilitate the importation at this time of dogs from the Old Country, the importance of which was stressed at our meeting.

If further changes are to be made in identification methods, this, as you no doubt will realize, will have to be done in annual meeting and through the amendment of your Constitution, and if identification of dogs is to be eliminated entirely it can only be done by the exemption of dogs from the present requirement of identification in the Live Stock Pedigree Act through an amendment to the Act.

Yours very truly,

(Sgd.) H. BARTON,

Deputy Minister.

Mr. Reg. P. Sparkes,
President, Canadian Kennel Club,
25 Melinda Street,
Toronto 2, Ontario.

FOUR OPTIONAL METHODS OF IDENTIFICATION

THE members of The Canadian Kennel Club, Inc., who have read my report on matters of vital interest which were discussed by Mr. Reeves, Mr. Pym, the Secretary, Mr. Strachan, and myself, with the Deputy Minister of Agriculture, Dr. Barton, and his associates, Mr. McCallum and Mr. MacVannel, in the Deputy Minister's office at Ottawa on Tuesday, June 18th, will no doubt be highly gratified to learn that the representations then made were so favourably received and considered, that I have since been advised that the Department has recognized the difficulties in connection with identification as stressed by the delegation and is disposed to do anything it can to meet the situation. Naturally it is not within the power of the Department to suspend any clause of the Live Stock Pedigree Act but the Department is prepared to accept a statement of "**colour and markings**" as one alternative method of identification, subject of course, to ratification by amendment to the Constitution at the next Annual General Meeting.

This Ministerial concession removes in its entirety any objection to the other methods of identification which some of our members have advanced, besides the advantage of restoring the privilege of this former method of identification. A further advantage will be the acceptance of registration on the basis of identification for imported dogs which have been registered under similar provision and so facilitate the importation of dogs from the Old Country, the importance of which was stressed at the conference.

Any one of the four following methods of identification may NOW be practiced: 1. Tattooing; 2. Nose-printing; 3. Charting; 4. Colour and Markings (as formerly practiced).

I cannot too emphatically express my deep sense of appreciation for the loyal support I have received from the chief officers of The Canadian Kennel Club, Inc., when preparing the brief for the Club and for its presentation before the Departmental officials, and I have no words at the moment that would adequately express to Dr. H. Barton and his associates my appreciation for the very splendid reception of the Club's delegation on June 18th but I can honestly declare that from the very first moment of our conference I was deeply impressed with the strong desire that was so apparent on the part of the Deputy Minister to make the functioning of The Canadian Kennel Club, Inc., practical and at the same time satisfactory to the officers and members of the Club.

As I have already mentioned, the new arrangement can only be made possible in virtue of an amendment to our Constitution, and I shall personally be very happy indeed to undertake the preparation of the necessary amendment and to sponsor it before the members at the next Annual General Meeting.

In view of the foregoing there can be no possible excuse for the Club's failure to signal "full speed ahead", and I appeal now to every officer and member to assist me in making the Canadian Kennel Club everything that it is capable of being made.

"REG." P. SPARKES,
President.

June 26th, 1940.

(Continued from Page 7)

with the Canadian National Live Stock Records the following questions were asked of the Deputy Minister:

QUESTION 1—Has it been established that the Canadian National Live Stock Records are legally in existence and what if any documentary proof is available in substantiation of such establishment?

ANSWER—In view of the support given by the Department of Agriculture the Department of Justice is of the opinion that the Live Stock Records were legally in existence and this opinion would continue to be recognized by the Department until such time as the status of the Live Stock Records had been successfully challenged.

COMMENT—It has been alleged in various quarters that the Live Stock Records were not "legally in existence" because, it was said, the requirements of Article 14 of the Live Stock Pedigree Act had not been met. The opinion of the Departments of Agriculture and Justice is stated above, that is that these Departments will continue to recognize the Live Stock Records as being legally in existence unless or until it has been established that the Live Stock Records are not legally in existence.

QUESTION 2—If the Department is prepared to permit The Canadian Kennel Club to take its records from the Records office and to continue their maintenance at Toronto, what arrangements would have to be made to meet the requirements of the Department and the Live Stock Pedigree Act, particularly insofar as the approval of certificates of registration by an official representative of the Government.

ANSWER—Should The Canadian Kennel Club wish to sever its connections with the Live Stock Records, the Department would consider all angles of the question and MAY possibly grant the request although in the opinion of the Department it was much more advisable to have all such records centralized and near the officially recognized representative of the Government signing all certificates on behalf of the Government. Were the records to be moved to Toronto, it would still be necessary for them to be signed by the Chief Registration Officer, in which case all such certificates and office records for checking purposes would be required to be forwarded to Ottawa, necessitating a delay of several days in every instance.

COMMENT—This whole question of severing our connections with the Live Stock Records is of the most vital importance to the Club that if such a step is considered your Board of Directors would first secure and weigh all the facts involved in such an undertaking and having done so make their recommendations to the membership as a whole.

Dr. Barton was asked whether or not the Live Stock Pedigree Act in its present form was considered satisfactory and in reply your representatives were advised that it is the intention of the Department at some opportune time to bring the amendments to the Live Stock Pedigree Act before the House, at which time each association incorporated under the Act would have an opportunity to consider the proposed amended Act. Dr. Barton declared that when amendments to the Act are drawn up consideration would be given to the exclusion of dogs from the requirements of identification.

In view of two instances in the last two months where the Secretary was not satisfied with the reasons for refusal set forth by the Records office and Chief Registrar in respect to the applications for registration of two imported dogs, the question was put to the Department officials as to whether or not an incorporated association had any recourse against the Chief Registration Officer for the Department of Agriculture should he refuse to sign any certificate of registration without a satisfactory explanation to the association interested in such registration. We were advised that an appeal against any rulings in this respect not being satisfactory to this association, the matter should be taken up direct with the Department of Agriculture.

The matter of identification as at present in force was discussed. In the opinion of the Department the two methods, charting and nose printing, were not considered satisfactory. Since tattooing had been found unsatisfactory in the cases of several breeds and could not, therefore, be considered as being applicable to all breeds of dogs without exception, the Department felt that this system also could not be con-

sidered as assisting the members of The Canadian Kennel Club in meeting the requirements of identification. It was then suggested to your representatives that should this Board of Directors instruct the Secretary to return to the Department the amendment adopted at the last Annual General Meeting calling for identification to be voluntary, the Department would be prepared to give consideration to a further request for its approval.

Naturally I would have preferred to have received a direct instruction from this Board of Directors to proceed to Ottawa and handle the business reported on above, however, I trust that the Board of Directors will endorse my action in calling upon Mr. Pym, Mr. Reeves and the Secretary to go with me to Ottawa. I am sure that future developments will indicate the wisdom of the course that has been followed, and I will have the Assistant Secretary-Treasurer read a letter that I have had the pleasure of receiving from Mr. Pym since the Committee met endorsing my actions, and it is my earnest hope that each and every member of The Canadian Kennel Club will feel that I have tried to carry out my duties in a manner befitting my office. In this case I feel immediate action had to be taken rather than have the business of The Canadian Kennel Club, Inc. retarded. The trip to Ottawa was certainly no "joy trip" as your Committee was in session until long after midnight on June 17th, and business was being transacted between the Department of Agriculture representatives and your Committee right up to a few minutes before your Committee left by train to return to Toronto. I have no apologies to make for undertaking this trip nor do I intend to give any as I feel that we, as Officers and Directors, are elected by the members to our respective offices to carry on the business of our organization in a manner that will be beneficial to each and every member from the Atlantic to the Pacific and whilst I have the honour of being President of The Canadian Kennel Club my aim will always be in that direction.

Respectfully submitted,

Reg. J. Sparrow

President.

NOTES FROM ALBERTA

By H. P. SAUNDERS, 1010-4th Ave. N.W., Calgary, Alta.

THE regular monthly meeting of the Alberta Kennel Club was held Friday evening the 13th, at the home of our secretary Miss Eileen Mitchell. Reports from the various committees indicate that even now everything is in readiness for the big Stampede Show. The building is being thoroughly cleaned and interior decorations are now in progress, in fact every minor detail seems to have been well taken care of, and not left until the last minute.

The entertainment committee have arrangements made to see that all outside exhibitors are looked after.

Through the untiring efforts of Mr. Elgar Higgin and his committee many prizes have been secured, and allotted to the different breeds, and the early entries now received indicate the fanciers more than appreciate his work.

After all business had been transacted Miss Mitchell served a most delicious lunch. The meeting then broke up, all saying it had been the most enthusiastic ever held, many thanks to our genial and efficient secretary.

Miss Fox reports an unusual litter of Dobermans, thirteen, and all females.

Word comes from Winnipeg that Ch. "Thundrebolt of Isla" bred by Robert Simpson, and owned and campaigned by Geo. Kynoch has been sold to U.S.A. This outstanding cocker will be heard from. This man Simpson has bred some good ones.

A very tempting offer has been made for Mr. and Mrs. Dave Johnson's crack English Setter "Davina's Ranger", a dog that is already showing great possibilities on the bench and in the field, and his owners are rather reluctant to dispose of him.

A few years ago a prominent breeder of Collies passed away. When it came to disposing of the dogs so much difficulty was experienced in identifying the different animals that eventually they had to sell them without furnishing pedigree, this of course with a great loss. Had each been tattooed how different things would have been.

Mr. Macrae, editor of the Hanna newspaper, had his beautiful pointer poisoned. This dog had just started a fine career.

Varscona Kennels owned and operated by Joe Caswell of Edmonton are bringing along some high-class Irish and Wire-haired Fox Terriers. Like his old sidekick Billy Quilley, Joe is a first rank judge.

Word has already reached Calgary that J. H. Tanton one of the best judges in the West will come to the Stampede Show bringing along as usual a big entry of Cocker. This man Tanton is an outstanding judge but the kind that "hides his light under a bushel."

Fidalta Kennels owned by Ralph and Mrs. Smith are sending both American and English Cocker. We hope to see them personally but should they be unable to come Brer Tanton will do the trick for them.

Quantock Kennels owned and operated by J. and E. Rawlings are bringing their own exhibits, they have a name to live up to and we are told

they expect to even surpass anything heretofore.

I received a beautiful picture of Mr. and Mrs. Marsh Cunningham's cockers, they certainly look as though they will go places.

Alsagar Kennels seem to be the only Corgis fanciers that can be relied on showing. Both Charles and Jessie Batten are fearless showers of this breed and they show fearless dogs, and woe betide the dog that challenges, for they fight from the drop of the hat (I mean the dogs).

Now you Edmonton fanciers, we want an ad from each member of your club to make an Edmonton feature for the next issue of our magazine. I will be on hand to assist you in every way at our show, and will assist you to obtain every entry possible for your coming show. Calgaryans realize it is up to them to support you through these trying times, and they will bend every effort to make your show as successful as possible.

Medicine Hat should get the sponsorship of some of the charitable organizations to assist them and put on a real bang up show, they have the stuff down there and it only takes the co-operation. So Messrs. Goff, Armstrong, Currie, Smith and Bell,

NEVER GIVE A
FLEA A BREAK!

One thing I'm not soft-hearted about is fleas—and that goes for the Mistress too! One scratch and she's all attention. Two scratches and I get a bath with Sergeant's SKIP-FLEA Soap. Down the drain they go—SKIP-FLEA really kills 'em!

A third scratch is rare, because we follow up the bath with borated SKIP FLEA Powder—it soothes the old bites and kills the new fleas! Get wise—get both SKIP-FLEA Soap and Powder! At all drug and pet stores. And ask for the free Sergeant's DOG BOOK—or mail this coupon.

get busy. You have about the best place in the West to hold a Bumper Show, and in times like these the proceeds of such a show could well be used to assist any of your local organizations that would care to take it on.

I hope some member of the Hospital League in Red Deer, Alberta, would have a talk with any member of the Calgary Junior Hospital League. They could put on a show in their City and do a lot toward raising funds for their Red Deer Red Cross. Solicit the aid of Walter Thompson and H. P. Ellis two of Canada's real sportsmen, they will do the rest for you.

I just could not close this month's notes without making a call on the Laird of Calmas, Geo. W. Climo. He can show a visitor real type in both solids and black.

Mr. Geo. Kynoch of Winnipeg states that he will be on hand with one of the best strings of dogs he has ever handled.

Today we were advised that many cockers from Vancouver would come to Alberta for both Calgary, and Edmonton shows. Mary Pickford's string and Gladys McGee are both sending their prize winners.

Notes From Old Quebec

By W. W. ROONEY, 2331 Coursol St., Montreal, Que.

NO DOUBT the members of the Canadian Kennel Club have received their copy of the form letter sent out by the self styled British Columbia Canadian Kennel Club Protective Association, and I feel reasonably certain that the content of the letter would be read with the same degree of disgust as most of our members read the published report of our last Annual General Meeting. At its heart, the Canadian Kennel Club can never be measured by such letters, or such reports, and the time must surely come some day soon, when the general membership will have means of expressing themselves as such, and when that day dawns, certain letters and certain reports will show up as their own contradiction of the general membership feeling.

After all we are only engaged in exhibiting and breeding pure-bred dogs, and there can be no suggestion of any life and death struggle attached to it as the letter referred to would have the members believe. The members understand that the Board of Directors can be depended upon to function as the safety valve for our organization, otherwise what have we been elected for. There is not now, and there never has been any necessity for such an organization as the British Columbia Canadian Kennel Club Protective Association, and who are they and what are they anyway, someone should make that clear some time when the Canadian Kennel Club is believed to be clear of the alleged rocks, and the promoters are not too busy.

The suggested curtailment in the number of memberships, and etc. might be more intelligently attributed to a former activity of the B. C. C. K. C. P. A. and to the recent letter received by the members, than by blaming the condition on recent legislation. We have an ideal background for our business which is represented by the Government of the Dominion of Canada and by the Canadian National Live Stock Records. What canine registration body in the whole world can boast of such a background. The British navy itself could hardly guarantee more substantial protection. Should we not forget those tea-cup storms, and get on with the job of popularizing the Canadian Kennel Club for a change. Now is the time to leave the ranks of the wreckers and join up with the construction crews. Let us get out into open waters, decide where we are bound for and arrange our charts accordingly. All due respect to the B. C. C. K. C. P. A. and don't take yourselves too seriously.

I have always had an open eye for the English Cocker Spaniel and I believe we have some of the very best specimens of the breed in Canada. They have been shown extensively both in Canada and in the United States and in most cases they have had the advantages of masterly handling by Alf Loveridge, of Toronto, who always handles the "Sherrygroom" entries. It is gratifying to know that at this kennel everything points to a further interest in this smart spaniel. "Nancy of Sherrygroom" has attended to that, by presenting the kennel with seven blue

roan puppies about a month ago, so we will likely see and hear more about the "Sherrygrooms" later on. They are pleasing to look at and nice to own, so a few more good ones will help all round. The recent splendid wins at the Morris & Essex Show gave all the Quebec dog cult a mild thrill.

For some reason or other, I find that the sanction shows are being scorned by many and they say that a point or licensed show takes very little, if any more trouble, to run. This might be quite true, but the sanction show has so many intriguing advantages of its own, and I think this picture should be considered seriously by show-giving clubs. Such shows give the novice a chance to "get the run" of showing his dog and many good fanciers of to-day owe their continuing in the dog game to wins made at Sanction Shows. Then too, here is where our judges get their baptism, and we must not overlook that. We need good judges, they are our goodwill ambassadors. Sanctions Shows keep our local clubs to the fore, they encourage outside entries, these we must have, so may I make a plea for Sanction Shows, they are worthwhile.

It may be of interest to many to know just what late entries mean to the officials of a dog show, and I hope that what follows may be a guide both to exhibitors and to clubs. At the late Province of Quebec Kennel Club Show there were eleven such entries, and these were far more trouble than all the rest put together. Money had to be collected, printers charges were extra, the ring stewards had trouble with some who could not find their entries in the catalogue, some exhibitors were not pleased when they found their entries on a late entries sheet, this extra page cost more than the amount of the entries, but finally from these eleven entries we learned that such late entries must not be encouraged. We pass this experience on for what it is worth to show-giving clubs, in the hope that exhibitors may be educated what late entries mean to officials who attend to dog show work in their spare time, the reward being the knowledge of serving exhibitors and clubs.

Bulldogs are again attracting attention—Montreal has always been a city of good Bulldog fanciers. My memory goes back to some older breeders and dogs, Mr. Thomas, Bob Mills, Mr. Smith, W. W. Marshall, Elmer Ferguson, Dr. Villeneuve, Mr. Charbonneau, Mr. Abbot, Bill Ogden, Allan Chisholm, Paul Malovitz and Mr. Ess. In those days we had a Specialty Bulldog Club. We had in dogs "Prince Albert", "Drummond Sir John" (once seen never to be forgotten) "Irish Challenger", and to-day, I believe I am right when I say that we have only the staunch breeders and exhibitors (Ted) Edwin Wright, and I do mean Staunch, for with Mr. Wright, Bulldogs seem to be a part of his life. Mrs. Laliberte, and that never to be discouraged Bulldog fancier, Miss L. Rafter, whom I wrote of some months ago, when all her dogs and birds were destroyed by fire,

went out and bought yet another good one, and is now in the thick of raising a Bulldog family by none other than the recently imported "Ch. Basford Golden Nymph". They are the kind that are raised behind the stove, and you all know what that means in good doggie vocabulary. Does it mean that we are in for a new era of Bulldogs and Bulldog fanciers in Quebec? If dame rumour has it right, things are are going to buzz Bulldoggie in this Province almost at once, and if I can be of any assistance in the formation of a new Specialty Club or for the resurrection of the old Club, I am ready for such service. I am a believer in Breed Clubs, they are the backbone of the dog game and the life blood of all breed activities. Come on Bull-

dog men, dig your fists into your job.
Now's your chance.

Some time ago the writer suggested
that if we wanted outside entries at
our shows we would have to go to the
outside shows ourselves, and it is gra-
tifying to learn that so many Quebec
members are just doing that, and we
do get a thrill when one of our mem-
bers goes abroad and completes the
hat trick. At Syracuse the now noted
Pug Kennel "Winna" did just that
with her imported dog "Ch. Capers of
Swainston". A nice win that consum-
mated in the group. Nice going and
above all good business for our local
dog Clubs. We only get what we give
in this and any other line of endeav-
our into which we enter, so to our
travellers, we say "Bravo" and Bonne
Chance.

Tattooing as a means of identifica-
tion seems to be gaining in Quebec,
and rightly so, and the writer would
like to offer a suggestion in this re-
spect. For all small dogs and on up to
the larger terriers, Irish, etc., the
logical place for the small dogs is
on the flank, and for the terriers, in
the lower lip. We have found these

to be the most convenient places and
gives the least pain. Tattooing an
English Setter quite recently, I am
sure the job was done without causing
the slightest pain or trouble and the
dog hardly noticed that the job had
even been done.

"New blood" is always news. Mrs.
J. Detmold of Terrebonne, Quebec, has
imported a very nice English Setter
bitch, but for the want of more par-
ticulars I will be obliged to leave the
new comer at that, but more later.
Mrs. Detmold was enthusiastic about
the idea of a Field Trial and was
ready to co-operate with Mrs. Meag-
her or others interested in this desir-

VITAMIN REX WHEAT GERM OIL

Eliminates many of the diff- iculties of dog breeding

says James Roden, well-known
breeder of chows.

Mr. Roden is an AKC Chow judge, belongs to 5 Chow Chow
and Kennel Clubs—owns many Chow champions. He writes:
"The value of REX Wheat Germ Oil has manifested itself in
producing large, strong, healthy litters. We find its continued
use aids in the growth and general condition of the dogs,
as well as the improvement in the quality of their coats. My
dogs take to REX Oil immediately and it gives them that
'peppy' condition that all admire. I gladly recommend REX
Wheat Germ Oil to all who are anxious to eliminate many of
the difficulties of dog breeding."

CLEARED UP 3-YEAR SKIN TROUBLE IN LESS THAN A WEEK

REX Wheat Germ Oil aids in prevention
of summer eczema. Read what this user
has to say about it. "I have been giving
REX Wheat Germ Oil to my two Scotties
for more than a month now. They have
had a skin trouble which has been bother-
ing them for more than three years. In
less than a week after giving them the
oil the skin trouble cleared up and their
hair is healthy and thick now. It is almost
difficult to bathe and brush them."

REX Wheat Germ Oil is a specially extracted, cold-processed,
pure, unadulterated oil. It is definitely stabilized, will not
go rancid and its valuable Vitamin E content is guaranteed
for one year. Write today for valuable FREE literature.

460 St. Francois Xavier St., Montreal, Que.

able activity, and judging by the let-
ter received from C. C. Coster to-day,
we are well on the way to a big field
day with our gun dogs. So all those
interested better give me a "ring" or
a call. Think of it, a day with the
"gun dogs" and with the "Big Shots".

Miss V. Robson, proprietress of
Montreal's only beauty parlour for
dogs will judge at a Sanction show
to be held by the Montreal S.P.C.A.
held at the Montreal Hunt Club, and
I know of no one more able than she.
Miss Robson has been an ardent dog
fancier all her life, breeding and ex-
hibiting Scotties, and White West
Highlands for years at Calumet, and
she was the first secretary of the
Ladies' Kennel Club of Canada, and
at present she again holds that posi-
tion with dignity.

Before closing I would like to thank
all those who take the time and
trouble to write me. This month I
have had correspondence from far off
B.C. and other distant points, so just
let me say thanks. Such correspond-
ence takes the grief out of spare time
writing and puts pleasure into it
instead.

NOTES FROM MANITOBA

By MRS. J. L. PATEMAN,
"Glan Avon," Lot 116 East St. Paul,
Winnipeg

OWING to the hustle and bustle prior and subsequent to the Fort Garry Kennel Club's All Breed Show on May 17th and 18th, I was unable to prepare my usual notes of interest to the fancy in this Province. I trust this explanation will be accepted in good faith as I believe you all will agree as to the extent of the burden that a Show secretary has to carry when a Show is in the offing and immediately thereafter.

A full report of the awards of the aforementioned Show were given in the last issue of Dogs in Canada, hence there is no need to further mention them in detail other than to say that the all-round judge, F. W. Brockway of Mount Sterling, Ky., U.S.A., did a thorough job. The highlight of the Show, in my opinion, was the fight staged for top honours between the Airedale Terrier, Ch. "Lamorna Madame Nobbler", owned by Dr. M. French of Saskatoon and handled in the finals by Mrs. "Pat" Randall, Ch. "Silverdale Showman", an Old English Sheepdog owned and handled by George Kynoch, and that merry little Cocker, Ch. "Freckles of Rivervue", owned and handled by Harry Fitchett of the Winnipeg Kennels. The "nod" eventually went to the Old English Sheepdog, and right here let me venture the opinion that Mr. Kynoch was a shade on the lucky side. "Showman" took a barking fit, due no doubt to the extreme heat of the building, and had it been anyone else handling the dog but the "Sorel topped Scot", I doubt if it could have again been taken in the ring. He handled it in masterly style and when the decision was rendered the applause was just as much for a fine piece of handling as for the award; at least that is the way I felt about it and that opinion was shared by dozens of other ringsiders. Congratulations to Mr. Kynoch. In the Sporting Group, one of the nicest little Springers seen for a long time in these parts was exhibited by Ted Smith, owner; a young male, "Timekeeper of Well Sweep", imported from the Well Sweep Kennels of Casanova, New York, (by Ch. "Green Valley Hercules" ex "Orientia"), a flashily marked nice, liver and white. A very sweet youngster who, with a few added pounds, should go a long way. As a sire he should do immeasurable good for the breed in this city, and from the class of Springers that have been put down in Shows this last year back, the breed sure needs improving if Winnipeg is to maintain its known reputation in this all-round sporting dog.

One regrettable feature of the Show was the small number of dogs entered and benched and I am wondering if such a quick "follow up" from the Show held in February by The Greater

Winnipeg Kennel Club in the same building could have had that effect. Certainly the surroundings are ideal and the management of the Hudson's Bay Store did everything possible to accommodate the Clubs, but the atmosphere was always stifling and there seems to be no remedy for it. The dogs really must suffer and there was many a limp collar amongst the owners and handlers. The small entry was also regrettable from the viewpoint that the proceeds were for a very worthy cause; the war work of the I.O.D.E. Still, a nice little sum will be available for the Silver Wings Chapter and it is to be hoped that the next effort will be more successful.

From the Alcrest Kennels owned by Robt. Pettigrew comes the gratifying news that he has acquired a classy red and white parti-color Cocker Spaniel, imported from the Duck Wing Kennels owned by Geo. Miller of New Kensington, Pa., U.S.A., "Duckwing Gazeteer" (by Ch. "Camelot Grenadier" ex "Salsown Shela"). High hopes are entertained for this little male and the Pettigrew's are to be congratulated on their endeavors to attain the highest possible perfection of their favorite breed.

Hugh H. Allen, of the Antrim Kennels, has informed me that he has purchased two nice 'wires from A. J. Wilson, of Winnipeg. These two are "Athlone Timothy" (sired by Int. Ch. "Dogberry Rio Grande", dam "Barovian Charm"), strong in "Gallant Fox" blood, and a female "Athlone Merry Minx". (She is sired by Int. Ch. "Benholme Bayard" and dam "Barovian Miss Dainty"). With the addition of these two well-bred specimens, Hughie feels that this will keep the Antrim Kennels right on the map.

The Fort Garry Kennel Club held their last annual meeting for the summer months on May 23rd last. It was decided to suspend regular meetings during the hot weather season and leave the business in the hands of the Executive with full power to handle or call special meetings as may be deemed desirable and necessary.

The Greater Winnipeg Kennel Club will hold its annual picnic on Sunday, July 14th, next. This affair has become a regular ritual with the Club members and their friends, and this

PULVEX

Kills FLEAS

PULVEX is the flea powder guaranteed to absolutely kill all fleas, and ward off fresh attacks for days. Ordinary flea powders only stun the fleas, so they revive and reinfest.

PULVEX kills fleas, too, when put on one spot! Non-irritating; odorless; easy to use.

Guarantee your dog's health by insisting on PULVEX and other Cooper Dog Remedies. At all pet, drug and department stores.

year's event promises to be even a greater success than in former years. It seems that when the lady members of this Club take hold of anything, no effort is spared and so it goes over with a bang.

George Duncan, the genial President of the Club, who has been confined to his home for some time through illness, is progressing most favourable, and there is a decided improvement in his condition. This news will be most gratifying to his host of friends and acquaintances in the "doggy" game throughout the Dominion and in the United States. My personal and sincere wish is that with the steady progress he is making, it will not be long before he is again able to occupy the chair at the meetings of the Greater Winnipeg Club.

The Sporting Dog Club of Western Canada have commenced their summer activities. This year they are devoting most of their time to the Junior members of the Club. Two schools have already been held, and it was reported that the junior members had put on a better show than the seniors. It is most encouraging to see so many young lads taking such a keen interest in the development of shooting dogs.

The Silverdale Kennels report that they have sold their grand young champion Cocker dog "Thunderbolt of Isla" to Mrs. Annie S. Howell of Savannah, Ga., U.S.A. His new owner intends to campaign him on the Southern U.S. circuit this Fall, where we are sure he will meet with the approval of his several adjudicators. Due to the extreme heat in the South, Mrs. Howell will not take delivery of him until some time in September. In the meantime he will be trained

for field work. The same kennel reports the sale of two fine Springers to U. K. Swift of Walla Walla, Washington, U.S.A. While there is no doubt that the world war will have some effect on the dog business in general, it has not yet saddened the hearts of the owners of Silverdale Kennels. They are training as many dogs as ever and this Spring they remodelled their main kennel at St. Charles and repainted all the buildings. They also report having bought one of the best Springer show and stud dogs they have seen for some time, in "Seafeld Sirdar".

A most unfortunate accident occurred a few weeks ago when the great young Cocker dog "Bobby Burns of Isla" had the misfortune to get hit by an automobile outside the owner's home. Bill McAuley, the owner of this grand dog was just starting in the dog game and while he only kept one dog, he derived much pleasure in exhibiting it at all Shows in Winnipeg and the West. Needless to say the whole family were very much upset as "Bobby" was really one of the family and to quote Bill himself, "Bobby" was the only dog we ever had that could chew up Dad's slippers and get away with it".

"Bob" Simpson, owner of the Isla Kennels in North Kildonan, has bred some really great Cockers during the last year or so. He bred both Ch. "Thunderbolt of Isla" and "Bobby Burns of Isla", and he claims he still has one left that will make them all step in "Braw Lad of Isla", a full litter brother to Ch. "Thunderbolt". Two of his best bitches are due to whelp this month — "Fascination of Isla" to "Braw Lad" and "Gladys of Isla" to Ch. "Thunderbolt". The Simpson Brothers (Bon and Charlie) operate quite an establishment in this beautiful suburb. The main business is the raising of mink and fox, but lately they have established quite a Zoo by acquiring several species of ornamental pheasants, peacocks, fancy bantams, a rare species of domestic ducks, Angora rabbits, and the latest addition is a young fawn. It is also rumored they are dickering for some fine Togenburg goats.

George Kynoch reports further that he has acquired from Dr. Cooper of Saskatoon, a great young tri-color Collie dog "Elmhill Exeter". This young dog is a full litter brother to "Elmhill Eager", reserve Best in Show at the G.W.K.C. Show held in March, who was purchased by the well known Eastern Collie fancier, W. (Billy) Ormiston Roy.

Mrs. J. Floyde, the consistent and popular exhibitor from McCreary, Manitoba, had the misfortune to lose her nice tri-color Collie dog "Floyde's Pride O'Danny Boy". It broke away from her keepers and despite persistent advertising all trace of the dog seems to have been lost. This is considered quite a loss by Mrs. Floyde as the dog was a home-bred one and a real pal.

Thos. Donald, of the Deeside Kennel, was taken suddenly ill and rushed to Deer Lodge Military Hospital. Latest report is that he is slightly improved.

Carl Tangstad has imported from Waterloo, Ohio, a very lovely female Doberman Pinscher. I had the pleasure of seeing her. She is something every lover of good dogs dream about once

in a while and hope to possess some day. She is by Int. Ch. "Figaro of Pontchartrain" ex "Schoenas of Navigator" (sire of "Schoenas": Int. Ch. "Navigator of Pontchartrain"). Mr. Tangstad had the misfortune to lose his good Dachshund, "Dan Von Luitpoldsheim" which contracted a cold and died in twenty-four hours.

A very enthusiastic meeting of the Greater Winnipeg Kennel Club was held Thursday evening, June 13th, and amongst other business transacted it was unanimously voted that the Club purchase \$80.00 worth of War Bonds. Another motion that carried without a dissenting voice was "That the Greater Winnipeg Kennel Club offer to, and give all possible assistance to the Government of the Dominion of Canada in dealing with the problem of subversive elements, or any other problem dealing with the matter of home defence for which we may be called upon and do offer the entire support of the Club to that end; that a copy of this motion be sent to the Department of National Defense, at Ottawa."

A. H. Kirby reports that his Boston Terrier "Joyfull Johnny's Kid Boots" imported in February, completed his championship at the recent Fort Garry Kennel Club Show. "Kid Boots" in earning his championship under four different judges was Best of Breed at Winnipeg, Best in Group at Saskatoon, Best in Group at Edmonton and Best of Breed at Winnipeg. This little "13 pounder" is indeed a credit to his new owner, also his late owner Mr. Keener with whom Mr. Kirby regards it a pleasure to do business.

Advertisements being enquiries and enquiries, when properly handled, invariably lead to sales, and it is the sales that weed out the surplus stock and lead to further enquiries for Show or breeding stock at prices that make the exhibiting and breeding end of the Kennel show profits. But the first move is the advertisement, it is only then that the light comes from under the bushel—a word to the wise etc.

Mrs. Pettigrew advises that her last advertisement in "Dogs in Canada" brought her many enquiries for puppies.

THE LATE BLISS A. SMITH

(AN APPRECIATION By R. B. LASKEY)

IT WAS during those rather disturbing war days of 1914 that our late friend, Bliss A. Smith, of Saint John, N.B. became a Cocker Spaniel fancier. Before that eventful August of 1914 he had imported a very attractive looking black and white Cocker bitch that he called "Mona". I cannot recall her registered name but when she was shown she won prizes under that veteran judge, the late Chas. H. Mason of Long Island, who judged the N.B. Kennel Club Show that year.

During 1917 Bliss Smith was Secretary of the New Brunswick Kennel Club. He was also Treasurer of the dog show that year and proved himself to be a most efficient officer. He loved to buy a puppy, raise it and put it through to its championship and it was his unerring successes in this respect that brought him to the attention of the Canadian Cocker fancy. A keen student of the breed with a clever knack of putting his Spaniels down fit and with good show manners, which accounted for his consistent winnings, as these essentials gave him the edge over a close rival.

Following up the novice's luck he secured "Patricia of Saint John" a black and white daughter of "Scioto Boto" and for some time his best bitch and his first champion. "Patricia" was sold to L. McC. Ritchie, Saint John, who, though overseas always kept in touch with his friend, Bliss Smith. Sometime during 1918 he purchased another similarly marked, but very young parti-coloured dog puppy which he called "Billy" afterward known on the show circuits as "Ch. Sir Namgis". This really attractive dog was well bodied and with his lovely head and appealing eye was a worthy son of "Overcross Goldspeck" and was a useful sire as well as a grand showman. "Billy" was the most consistent winning Cocker of his time in Eastern Canada with a long list of awards made in Toronto, Montreal, the Maritimes and at Westminster Kennel Club in the United States. For a short period during 1919-1920 this Cocker fancier took a flight into Airedales but that was short lived for from Winnipeg came the solid black Cocker "Goldstream Pollyanna" one of the best self-coloured Cockers Mr. Bliss ever owned. She made her championship under his ownership but she was re-sold to T. P. Murray and afterwards she went to United States and there she continued winning most encouragingly.

It was about this time that Ch. "Sir Namgis" found a new home with L. McC. Ritchie to brace with Ch. "Patricia of St. John" and they were a hard pair of Cockers to beat. Early in 1924 or 1925 Bliss Smith formed a partnership with Mr. Ritchie using Alhambra for their prefix. Neither of the two partners approved of using or joining the two prefixes on any of their Spaniels, a practice that is often seen today on imported dogs. Theirs was a flexible partnership for Bliss sometimes showed Cockers under his own name such as, "Smiths Ebony Girl", "Midnight Queen Marie" and

"Goldstream Gunner", the latter a Western-bred black that soon made his championship in New Brunswick.

Another very excellent black dog carrying the partnership prefix was the noted "Alhambra Chief" who was campaigned far and wide. This litter brother of "The Great My Own" won his title in short order and was a champion of considerable merit and was much in demand as a sire. Ch. "Alhambra Chief" was Bliss's companion, when he was at home. The careful selection of such useful Cockers kept "Alhambra" Kennels in the winning columns; most of them were chosen by Bliss when recently they had added Ch. "Humeresque of Happy Haven", Ch. "My Own Monty" and Ch. "Hodges Ace of Spades". The Happy Haven Cocker won the sporting group at a C.N.E. show, the others too won high honors and their titles under "Alhambra" banner in Canada. They won also many awards in United States.

Lately, in addition to his partnership activities with the Alhambras, Bliss Smith bred and exhibited in collaboration with Edw. B. Johnson of Saint John. The last Cocker he had as a house pal was "Sherbrooke Flying Cloud", another solid black with

several championship points to his credit.

Though Mr. Smith was recognized here and abroad as one of our best Canadian Cocker men who had an eye for a good dog, our late friend declined many invitations to judge. Bliss was a sentimental exhibitor and was rather particular about entering his Cockers under amateurs or all-rounders unless he knew that they were sporting dog breeders or at least that they had owned some winning Spaniels, so when the winners ribbons came his way he felt confident that his Cockers had merit.

In the business world Bliss Smith was a competent Accountant. His health was never rugged and his recent illness was brief. A seizure overtook him early the morning of May 23rd on his way to the office of the National Canadian Drugs Limited, where he was employed. He passed away on the 24th leaving his widow, Lena Ward Smith and his two grown-up daughters to mourn his death. Our sympathies go out to the family in Saint John and to the brothers who reside in Vancouver.

Those of us who knew him best will miss him, not only as a C.K.C. member and real dog fancier but as a good citizen of quiet unassuming manner and a ready smile, meaning goodwill to all.

At the funeral which was conducted by the Baptist Minister, Dr. DeWolfe, L. McC. Ritchie was one of the chief mourners. Our Maritime Director, R. C. Vaughan and other members of the C.K.C. and N.B. Kennel Club attended. The C.K.C. floral wreath was one of the many that was appreciated by the family and friends.

KEEPING THE PRESIDENT BUSY

We understand that 'Reg.' P. Sparkes, Toronto, is enjoying his busiest year as a judge of dogs in Canada and the United States, the latest invitations to be accepted include the Tonawanda Valley Kennel Club Show to be held at Batavia, N.Y., on August 13th, where he will judge several of the important breeds. One of the Groups, probably Working Dogs, or Terriers, and Best in Show.

On October 6th, Mr. Sparkes will judge the Specialty Show of the Bulldog Club of New England, in the Horticultural Hall at Boston, one of the more popular specialty fixtures on the 1940 calendar.

CORRECTION

SASKATOON KENNEL CLUB

Pomeranians. Winners Bitches was awarded to "Gold Flame Teddums" and not to "Gold Flame Patsy Mite" as previously reported. Reserve Winners Bitches was awarded to "Gold Flame Patsy Mite". Best of Winners and Best of Breed was awarded to "Margeos Top Sergeant" (2 points).

CORRECTION

In our last issue we reported that G. P. Davies, Newtonbrook, Ont., Kerry Blue Terrier "Kenmare Dark Review" had won 3rd in Limit Bitch Class, and was unplaced in the Open Class, and that was wrong, the proper placings of the daughter of Ch. "Lisnalia Enbuska"—Ch. "Ben Edar Ballerina" were second in Limit, and fourth in Open, and that Open Class particularly was "hot stuff".

Maritime Notes

WE HAVE good reason to believe that Scottish Terriers head the list for the Maritime export of dogs to the United States. Cossar Farm, which for six years has maintained a respectable lot of "die-hards" housed in a well modelled kennel, have had their share of booms and bumps, a few good winnings and a few champions. Apparently there was a lure about the Cossar Scotties, and buyers during those years seemed to feel they always got value for their money.

Since the summer of 1935 ten Scottish Terriers from these kennels were exported to the United States. All the purchasers were breeders, some were residents of New York State, some resided in the Middle West, others in California. The two that were sold last month were Ch. "Reefer of Rookes", and "Cossar Clara". The latter a senior puppy won for best puppy any variety at the recent all-breed Novice and Puppy Spring Show, also Best in Show. "Clara" went to a breeder in Saratoga, N.Y. Sheriff James M. O'Reilly, Toledo, Ohio, is the new owner of the exported stud dog Ch. "Reefer of Rookes". The sheriff is well pleased with "Reefer" and lost no time in using him. "Reefer's" sire was the noted Ch. "Heather Fashion Hint". His dam was "Ladeside Betty". This was the third champion Scotty to leave Cossar Farm. The other two to be sold were Ch. "Heather Highlander" and Ch. "Cossar Constance". This month an American breeder has been corresponding for one or two of Cossar's best bitches—if the offers are considered to be good enough one or both may go.

Robert B. Laskey, who for six years was the guiding hand in the kennels Scotty breeding, has retired from the farm and its duties and is now residing in Saint John.

This summer will see the kennels at low water mark with maybe only six or seven left. During the early season of 1939 there were about 18, and the kennels can accommodate about 28, but careful management kept the number down to 23 and less. They were fortunate too in not having too many bitch puppies.

Cossar Scotties are not all being disposed of and a few will be kept about the place for Supt. John J. Jackson has a weather-eye for a good terrier as well as an expert eye for dual-purpose Shorthorns. For a small out-of-the-way kennels Cossar Farm has done very well. One particular

reference is pertinent here which we call attention to the Canadian Scottish fanciers. In a recent issue of "Dogs In Canada" one breeder stated that he or his partner had the only daughter of Ch. "Heather Necessity". Let it be said here that there is now at Cossar Farm a very excellent daughter of the late "Heather Necessity" who is as sound and as fit as any young terrier. She is "Heather Pierette" bred by a sister of the Chapman brothers. Being much oversize she has never been shown on this side, but she was owned and has lived with Dr. G. C. Cossar, C.B.E., M.C., M.A., at his home in Clydeneuke, Uddingston, Scotland, which is only fifteen minutes ride from Robert Chapman's home at Glenboig. The same Robert Chapman offered Dr. Cossar £50. to let her stay with him but she came over to the kennels and produced at least one winning puppy that sold for £60. for the Farm. This was "Cossar Clarisa". If she was entered in a catalogue, the entry would read like this,—"Heather Pierette", (Imp.), C.K.C. No. 136941 sire Ch. "Heather Necessity"; dam, "Albourne Suggestion".

WINNERS—Carnarvon Grug Y Mynydd (2 bitches, 1 point); Res.—Aman

MODERN RESULTS versus ANCIENT HISTORY

YOU BOSTON TERRIER FANCIERS ARE INTERESTED IN
WHAT TODAY'S BOSTON BREEDING STOCK IS DOING TODAY.

Saints Rest solicits your support on its PRESENT accomplishments, and is making no attempt to COAST ALONG on any past reputation of several years ago, or by publicising Class placements.

Since the first of this year, Saints Rest stock has won 37 MAJOR AWARDS (Winners or better) at point-shows in Canada and the United States, and 27 of these awards were achieved at the LARGER SHOWS having 3 points or more in the Boston breed.

This record is definitely unsurpassed.

Saints Rest stock is based on those bloodlines which accounted for the Best of Breed at the late Morris and Essex, and the great Westchester Specialty show the following day.

It is the same blood that predominated in 26 WINNERS at 28 point-shows which we personally attended since January, 1940.

It is the same stock that produced our own record breaking Int. Ch. "Saints Rest Double Ace", and his sire "Easter Parade", who is also the sire of the lovely "Dawn of Shore Meadow" (11 U.S. points), and other fast ones.

"EASTER PARADE" by his producing record and by his bloodlines, is one of TODAY'S leading young studs. His "get" have 4 times as many Championship points than any other young stud available in Ontario.

BREED TO "EASTER PARADE", and get into this record breaking stock. Fee \$15.

("Saints Rest Double Ace" while not yet at public stud, may be booked for services to a few select females on application.)

BOB & DODY SCHELLING, Canadian Address: SAINTS REST, River Rd., Fort Erie, Ont.

Mid Day Sun. Best of Winners and Best of Breed—Carnarvon Rhagorol.

(The balance of the York Kennel Club Show report will appear in the August issue of "Dogs In Canada".)

OUR FRONTISPIECE

In dogs, as in humans we find many outstanding characters with tell tale faces and such is "Locan of Tynewydd" (Imp.) the Wire-Haired Dachshund owned by Mrs. Oscar R. Phillipowsky, Vancouver, B.C., which adds dignity to our front cover for July. Here we have the open, frank, friendly face that Miss Jean Ramsey conveyed to her canvas when she painted this handsome little dog when he was only nine months old. The photograph we used for the half tone has been copyrighted and therefore cannot be reproduced without the sanction of Mrs. Phillipowsky.

"Locan of Tynewydd" was bred by Miss Theo Watts, the energetic and capable Secretary of the Wire-haired Dachshund Club of England. His dam was "Cecily of Tynewydd", a daughter of the famous Champion "Achsel" and his sire was "Loki von der Zeven Bergjes", a dog imported from Holland by Miss Watts.

"Locan" or "Panda" as he is known to his intimates has enjoyed a very consistent dog show career ever since he arrived in Canada on December 15th last year. In his four appearances at shows held in British Columbia he has always been awarded the Best of Breed prizes.

"Locan of Tynewydd" has a long life before him yet, barring sickness or accident, as he was born on August 5th, 1939, and so still a puppy and the heights to which he may yet reach must be left in the lap of the gods. He is a beautiful specimen and his eloquent eyes with their pleasant expression mark him as a valuable inmate of Mrs. Phillipowsky's kennel.

"THE BUSY SCHELLINGS"

That is the most appropriate caption we can think of in respect to the attendance at the dog shows this

There's Real Quality in Dr. Ballard's Dog Biscuits

All we ask is that you buy Dr. Ballard's for your dog just once. He will make sure you make a habit of it.

Dr. Ballard's (Ontario) Animal Foods Limited

Toronto, Ont. Vancouver, B.C.

year so far by Bob Schelling of Saints Rest Kennels, Fort Erie, Ontario, and his good lady, "Dody" Schelling. Since January 1st, they have attended 28 dog shows and competed at 25 of them, an excellent and probably an unsurpassed record of dog show support on the part of any Canadian exhibitor. This has been a good inning but like every good thing it has to come to an end, temporarily at least because there are ten Power Boat Regattas on the tape now, that Bob will either oversee or Referee, as Commodore of the Eastern Canadian Region. When the York Kennel Club was on at lovely Woodbine race track on Saturday, June 8th, Mr. Schelling was handling a local regatta at Niagara-on-the-Lake. The real work will start at Pictou, where the Ontario championships will be held and after that ten other meetings will have their personal attention. We believe that the very important International Championships which are a feature of the Canadian National Exhibition will take about three weeks of Bob's time. He has been invited to take complete charge of this Regatta which will run for a full week this year.

As compensation for the loss sustained through inability to attend the summer dog shows, as they would like to do, comes the International Championship honours which have fallen so gracefully on the shining shoulders of "Saints Rest Double Ace", and the Schellings will be counting the days until the fall arrives when they can commence the trek to the dog shows all over again.

OUR SECRETARY IN HOSPITAL

Everyone, we are sure, will regret to learn that our able Secretary-Treasurer, "Jimmie" Strachan, is under a doctor's care and has been so since the return from Ottawa of the delegation which interviewed officials of the Department of Agriculture. The latest word is that Jimmie is to know the meaning of the surgeon's knife and very likely the preliminary operation will have been completed before our readers receive this current issue of *Dogs in Canada*. Jimmie's legion of friends in Canada, the United States and elsewhere will wish him a speedy recovery from his present indisposition.

7 Afghan Pups Raised on Gaines Formula, 107-A

WEAR FOOD CO.,
2114 Queen E., Toronto, Ont.

June 3rd, 1940,
Highland Creek, Ont.

Dear Sirs:

On March 17th, 1940, my Afghan bitch, Manda of Chaman (imported in whelp), sire Tarik of Chaman, gave birth to seven fine puppies. I take this opportunity to tell you that your Formula 107-A saved these seven valuable puppies when, on the second day after birth the bitch's milk failed entirely. I raised them on the formula 107-A and when they were three weeks old I started feeding them Gaines Meat and Milk Meal, adding a little of the Formula. I have been using Gaines Meat and Milk Meal for some time and find it all that you claim it to be—an easy, safe and economical method of feeding. I will surely recommend the Formula 107-A and the Meat and Milk Meal as I am more than pleased with the results.

Truly yours,
MYIA KENNELS, Mrs. E. R. Matchett.

A Modern Type of DOG FOOD

THAT NOURISHES and PROTECTS

Gaines Dog Foods are made to do more than merely satisfy hunger. True, they contain all the elements needed for growth—for maintenance—for energy. But, they also have ingredients designed to ward off the *deficiency diseases*—to keep dogs healthy—to improve their appearance. Try it for one month—see for yourself that “feeding a dog is no problem with Gaines Food”. The scientifically balanced proportions of the foods listed below will help your dog just as they have the sledge dogs in the Antarctic Expedition.

Beef—30% by weight, Milk, Carotene, Beets, Soy Beans, Cod Liver Oil, Liver, Corn, Whole Wheat, Eggs, Rice, Minerals, Starch-Splitting Enzymes, Lactoflavin, Glandular Material.
