- The biggest thing that vitamin-starved dogs do around any kennel is—EAT UP PROFITS.
- Improper feeding—hit and miss policy of rationing—offset all the advantages of careful breeding and kennel care. Dogs poorly fed lack show appeal and sales appeal.

PRIVATE RECORD BOOK

Our private record book has become very popular with our breeders, and it will become more popular still as its value becomes better understood. Some fanciers have purchased several copies which leads us to believe that they are writing up back records for their own pleasure and information. One of our real old time fanciers, who has bred and imported Fox Terriers on a large scale for many years, has this to say:

"SPLENDID — JUST THE THING.

I wish we could have had these record books thirty years ago when I started in first, what a history I would have written up by now."

Well, it's better late than never they say, and now is a good time to start writing private records, because, when particulars are recorded there is nothing left to chance.

MEETING OF THE BOARD OF DIRECTORS

OF THE CANADIAN KENNEL CLUB, THURSDAY, SEPTEMBER 19th, 1949

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club, Inc., was held in the Board Room of the Club's offices, 25 Melinda St., Toronto, on Thursday, September 19th, 1949, at 2.00 P.M. The President, "Reg." P. Sparkes, presided. Officers and Directors present included Walter H. Reeves, Dr. H. E. Batt, Mrs. E. Brown, Wm. McDerment, W. J. Risewick and F. W. Walkerdine.

The President reported that the Secretary-Treasurer, Mr. James D. Strachan, had left St. Michaels Hospital on September 3rd and was now convalescing at home.

It was regularly moved by Mrs. Brown, seconded by Mr. Walkerdine and carried:

"That the Minutes of the meeting of the Board of Directors held July 18th be adopted as read."

The Board considered three complaints in connection with registration, etc., and decided the action that should be taken in connection with each complaint.

The President reported that five \$1,000 Dominion of Canada, 4½% Bonds held by the Club had matured on September 1st and believing that the new War Loan would be oversubscribed before this meeting and also believing that the Board would wish the funds available to be reinvested, he had instructed the Assistant-Secretary to purchase new War Bonds.

It was regularly moved by Mr. Walkerdine, seconded by Mr. Risewick and carried:

"That the President's action in ordering the purchase of the new bonds be endorsed."

The Assistant-Secretary reminded the Board of the resolution sponsored by the Club's Second Vice-President, Mr. W. H. Pym, at the September, 1939, meeting of the Board of Directors and subsequently adopted, requiring that the Secretary approve only those breed special prizes which are automatically won at the conclusion of the judging of a breed. Mr. Pym's letters of July 20th and August 16th in respect to an extension of this same principle were read. After discussion it was regularly moved by Mr. Risewick, seconded by Mr. Walkerdine and carried:

"That this matter be referred back to Mr. Pym suggesting that his proposal be brought forward in the form of an amendment to the Dog Show Rules."

The President reported that a Staffordshire Terrier had been imported into Canada and rather than have registration of the dog delayed, he had instructed the Assistant-Secretary to advise the Live Stock Records to add the breed to the list of recognized breeds. It was regularly moved by Mr. Risewick, seconded by Mrs. Brown and carried:

"That the President's action in ordering the addition of the Staffordshire Terrier to the list of recognized breeds, be endorsed."

The President reminded the Board of the instruction given to the Assistant-Secretary earlier in the year that a note book be set aside in which notes were to be made of those amendments to the Constitution, Dog Show Rules and Regulations that the Board believed should be attended to. The President recommended that a Committee be named to draft those amendments that the Board believed should be presented for the attention of the members. After discussion it was agreed that the Committee be not named but that a copy of the suggested amendments be referred to all Directors for their consideration with a request that if any Director wished to sponsor any of the amendments in their present or other form, they were to so advise the Assistant-Secretary not later than October 12th.

The Assistant-Secretary presented for consideration of the Board the matter of a 2nd prize winner at a recent Toronto Show having been awarded Winners, the same dog not having won a 1st prize ribbon in any other class. After consideration of the Dog Show Rules, the judge's letter

stating his reasons for so placing the dogs and the marked judge's book, it was agreed that the judge's decision be upheld.

The Assistant-Secretary tabled sample judging sheets sent to the office by Mr. W. H. Pym. The Board agreed to adopt the new style judging book and the Assistant-Secretary was instructed to secure sample sheets and backs and quotations on the printing of the books.

The President read a letter received from the Treasurer of the Canadian National Railways in respect to the interest on bonds held by the Canadian Kennel Club.

The President appealed for the support of all Officers and Directors in assuring the success of the forthcoming Christmas issue of DOGS IN CANADA.

A copy of the letter despatched by the President to the Chairman of the Canadian National Livestock Record Committee, a copy of which was sent to each Director, was tabled, and the President advised that he had nothing further to report as no reply had as yet been received.

The Assistant-Secretary advised that a number of copies of the Obedience Trial Regulations, adopted at the last annual meeting, had been prepared and a limited number were available for those who wished to secure a copy.

The meeting adjourned at 4.45 P.M.

Note: These minutes are subject to correction when presented for adoption at the next meeting of the Board.

NOTES FROM BRITISH COLUMBIA

By MRS. H. E. FLETCHER, 6998 Dumbries St., Vancouver, B. C.

THE Canada Pacific Exhibition dog shows have come and gone, but they both made history, not only for Vancouver but for dogdom in all of Canada. Last month I pointed out that there would not be a new building for this year's shows, yet it is surprising the number of regular exhibitors who would not believe that they had not been transferred to a new building — such were the improvements.

The benching was new, streamlined, and constructed in such a way that it could be dismantled in short order. In the ring at the judges table sat Miss Mary Blair who handed out the prize money as the lucky exhibitors left the ring. A public address system was in use throughout the two shows and the dogs were brought to the ring in record time with little or no delay. The Show Committee is deserving of much credit for the able way the show was handled. I understand there was a forty percent increase in the entry with many new exhibitors. The dogs were exercised in indoor exercising rings and it is to be hoped that we will never again see the day of dogs exercising on lawns and streets at future B.C. shows.

The first show, judged by Harry Osborne, saw the wife of the Exhibition President, Mrs. Dunsmuir, present the Group and Best in Show winners with their trophies. For the second show, Mrs. W. R. Lowrey, wife of the Exhibition Treasurer, did the honours.

Many out-of-town visitors were in attendance. Col. Ritchie, of Calgary, known for his good Scottish Terriers, was full of praise for our shows and

testified to the comfort of the seats provided by commenting that "he had never sat so long in his life at a dog show". Mrs. R. B. Smith, a breeder of Dachshunde and Bostons, and her girls journeyed from Medicine Hat, Alberta. H. P. Saunders of Calgary, well known to you all as the Alberta correspondent of "Dogs In Canada", was present with his dogs. Incidentally Mr. Saunders' uncle, Mr. Saunders of Montana, came to pay our shows a visit and thought them a great improvement over those of days gone by. Miss Pat Randall, well known Saskatoon handler, was a visitor. Another Saskatoon exhibitor was Mr. C. W. Pollard. Mr. and Mrs. Pateman from Winnipeg were showing their Springer. Mrs. Pateman writes the Manitoba news for "Dogs In Canada" and is the Director for Manitoba. Mr. and Mrs. George Duncan of the well known Trapystok Boston Kennels of Winnipeg were visitors here also. Many of the usual American and Vancouver Island exhibitors were in attendance.

Not once during the three days of judging was there a lull in the number of interested spectators passing through the show building and I believe the gate receipts reached a new record. The largest entry of Dachshunde known at a B.C. show were benched at the first show and, incidentally, constituted the largest breed entry at that show.

Dogdom has taken on a new lease of life and it has been shown that dog shows can be an entertainment that will hold the attention of non-doggy folk and I heard it said by

several spectators that the dog show was the brightest and best at the fair.

I am sorry to report that Jimmie Blair, the Show Superintendent, has been seriously ill and confined to bed for some time. Mr. Blair is deserving of much credit for the able way he handled his work at the shows.

On the Saturday following the Exhibition shows a sanction show was held at Abbotsford in conjunction with their fair. Mr. and Mrs. Geo. Busby were the busy couple trying to make everyone happy and much credit goes to the Fraser Valley Kennel Club, sponsors of the show. Stanley Dainard of the Alberstan Cocker Kennels officiated as judge. The day was a "scorcher", however, the dogs had the coolest spot being benched under tents. Best in Show was the writer's Dachsie, "Ginger".

The Victoria Kennel Club show was held September 14th at the fair grounds with the well known Vic. Williams officiating as judge of all breeds. I understand the entry was decidedly better than it has been for some time. As usual Harry Dodds as Superintendent was "busy as a bee" as was also Wally Bowden, Secretary Mrs. Clarke and Mrs. Kaltenback. Here again the public address system was employed to call the entries to the ring and in the evening to announce the group winners. Excellent trophies were awarded. The Victoria City Kennel Club spare no effort to put on a good show.

Many breeders report that sales are good despite the present conditions. Mr. McGill of the Glenisla Scottish Terrier Kennels reports that sales are very good and is advertising some very promising youngsters for sale in this issue.

Unofficial news is to hand that the Vancouver Island Dog Fanciers Association will be holding a show on the first Saturday in November.

NOTES FROM MANITOBA

By MRS. J. L. PATEMAN, Box 2, Station F, Winnipeg, Man.

LOCAL notes will be necessarily scarce at this writing in view of the fact that I have just returned from a vacation in British Columbia with my husband. During that time I had the opportunity of visiting three shows, two in Vancouver during the Canadian Pacific Exhibition and one at Victoria on Saturday, September 14th.

At Vancouver the first thing that captured my attention was the benching and general layout. Painted in green and gold, the setting was really nice. The walls of the building were freshly painted white, while the floor of the ring, a new cement one by the way, was done in a rich grass green. Easy for the dogs to move on which is something appreciated by those who have had to handle their dogs on a smooth hardwood floor, with consequent poor action resulting from their canine charges. The exercising rings were completely isolated, one for males and females, each separate, and additional exercising rooms for the smaller breeds. Each one was clearly marked on the door, and this struck me as being something worth while. On top of that the attendant, who by the way answered to the name of Joe, a colored lad, did a remarkable job in keeping everything spotlessly clean.

It was quite a treat to see so many of our friends from across the border competing for top honors, and they sure were in the running. I believe it adds quite a bit to the attraction of a dog show if outsiders enter their dogs; certainly it puts zest in a win. The scores of American folks I met created in me a very favourable impression; good sports and they love their dogs; put them down in tip top shape and take a win or a loss in their stride. Above all I enjoyed my visit with Mrs. Miller of Seattle Collie fame and Miss Zara Smith who owns some beautiful little Pekes. The former had tough luck with her Collies, but I believe one of the latter's Pekes made its title. And there were one or two very good handlers from down Seattle way too. My only regret is that Winnipeg is not closer to these good people; and why cannot we get just as many visitors from the U.S.A. as Vancouver or Victoria? There are half a dozen fair sized cities within four hundred miles of Winnipeg on good all weather roads, whereas these folks have to ferry their cars and dogs across four score or so miles of sea, and then drive a considerable distance before reaching the port of entry. Some thought ought to be given to this angle.

As usual decisions were reversed in the two Vancouver shows, which is all in the game, but it was good to see Mr. Geo. Kynoch putting on an excellent job in the ring. There were nearly two hundred dogs for his one day show, and he handled them efficiently and got through in excellent time. My only regret is that I couldn't get a candid snap of "George" in a faultless "fish and soup" get up, on his hands and knees looking over a wee bit of a Yorkshire Terrier that had won its group.

Another thing that struck me very

forcibly, and that was the absence of "specials", and a two dollar entry fee. In other words the fixtures were just plain dog shows and not a competition to see how many "specials" one could collar. Sometimes I think we in Manitoba pay too much attention to these breed prizes and not sufficient in getting the dogs which after all are the real money makers. Let us think this over too, as after all it is points we are after in an all breed show, and the more dogs in each respective breed the higher the point rating.

At Victoria I had the extreme pleasure of visiting the Victoria Kennel Club's fixture at Willow Park which was held in conjunction with their Annual Exhibition. They had a record entry, about one hundred and seventy dogs, which were judged by Vic. Williams, Director for B.C. Their building was also tastily decorated with fall flowers and red white and blue bunting. A feature of this show was a competition amongst members of the V.C.K.C. for the best decorated bench, and this added greatly to the appearance of the set up. In each corner of the ring were vases of freshly cut flowers, and how this little island can grow them. The hard working secretary, Mrs. Clarke, and the superintendent, Arthur Dodds, are to be congratulated for their untiring efforts, and they must have had a hard working committee to put such a nice one day affair over. During my visit to this gem of an island (how I would love to live there) I had the extreme pleasure of meeting a pair of the finest folks I have met so far in this dog game, and have met a good many, in the persons of Mr. and Mrs. J. Wood, proud owners of the nicest little doggy establishments one would wish to see anywhere. Clean and tasty, with the main kennel building a gem of construction. I told my husband to remember the details. Each dog has a separate compartment with an exit into a large individual run, and as before stated the kennel and surroundings were spotlessly clean with an entire absence of doggy odours. The Quandalla Kennels, as their quarters are known, specialise in Cockers and Shepherds, and do quite a business in boarding dogs. They took excellent care of the two dogs I had and brought them to the show building in tip top condition, for which I shall be eternally grateful. As a matter of fact the splendid win I made with my Springer can be credited largely to these good folks. I took Mrs. Pat Randall's Cocker over to the island in an effort to gain a much coveted point, but the judge "overlooked" him, so he is still minus. However this little dog will yet be heard from, and he went down under some real dogs which made the licking a bit easier to take.

In conversation with Mr. and Mrs. Woods, they advised me they wished to breed a very nice little bitch they had, "Windridge Rythm in Red", to "Ch. Cinder of Heavensgate" whose balliwick is Winnipeg, and I had the pleasure of bringing this nice little female with me for a "social" visit

THERE OUGHT TO BE A
LAW-AGAINST WORMS!

I had 'em as a pup — and they nearly got me. But this time the Mistress was wise. I noticed her eyeing me over the top of her Sergeant's DOG BOOK — and right away I realized I hadn't been up to par. "You've got worms again," she says. "Let's get the SURE-SHOT CAPSULES!"

She was right! I took the SURE-SHOT — and did it chase the worms! Just like the Sergeant's PUPPY CAPSULES that pulled me through as a pup. I don't know where we'd be without the DOG BOOK. Better get yours free at a drug or pet store — or with this coupon.

to that merry little cocker who is so well known in local circles. Apparently the owner of "Cinder" had met these people at the Stampede last July, and if I have assisted in consummating a mutually satisfactory deal then I shall be grateful.

I noted in the papers that the Sporting Dog Club of Western Canada have held two field trials, and my sincere wish is that they had an entirely successful entry in both fixtures. My husband's keen regret is that he was not home to make a couple of entries that he believes will take some stopping, but work cannot be neglected even for a field trial, and that's saying something.

Before finishing this, I was delighted to see George Duncan and his wife with their chins over the rail at all fixtures. He is looking one hundred per cent better; may he continue his wandering ways if it will do this to him.

In conclusion I would again like to follow up what I said in the last issue. We ought to have a show this fall, put on by the two clubs, which would eclipse anything ever put on in Winnipeg. Co-operation and joint effort could do just that.

NOTES FROM ALBERTA

By H. P. SAUNDERS, 1010-4th Ave., N.W., Calgary, Alta.

VANCOUVER is definitely on the map when it comes to holding dog shows, for the Canada Pacific Exhibition demonstrated to the public that the support they gave those conducting their dog shows this year was not in vain, and another worthwhile attraction had been added to their exhibition. A new building to house dogs has already been promised.

I do so hope that other exhibition boards will follow such an example; after all, few realize just how great an asset the dog industry is to Canada. It is amazing the amount of money turned over each year in the manufacture of dog foods, the different ingredients of which are grown and sold by Western Farmers. Now the canned dog food industry is becoming more important each year. Canada benefits considerably by the money spent in the country by the many trainers coming to the Prairie Provinces from the United States each year to train their dogs, the whole is a sizable amount and one that should warrant any organization to support to the utmost.

Both shows were under the care of an expert, W. H. Pym and his competent committee, with Mr. J. A. Blair as Superintendent, and Horace Wilkinson as ring steward, so it is little wonder that everything moved along just like clock work. Mrs. Fletcher will give you all the particulars so I will confine my story to the impressions received by a visitor and an exhibitor.

It was indeed a pleasure to meet so many of the stalwarts in the dog game, both residents and visitors, in Vancouver; and they certainly know just how to make one feel at home out there on the Pacific Coast. Alberta was represented by Jack and Mrs. Goff of Medicine Hat, Col. Ritchie from Calgary, and the writer. Saskatchewan had Pat Randall, Mr. and Mrs. Pollard and their Springer Champion "Busher Jackson". Manitoba had Mr. and Mrs. Pateman, and their lovely springer; also George Duncan, the expert Boston fancier, from whose kennels so many top notchers go forth to make history. Add to the above the many exhibitors who came from across the line and you have competition sufficient to make any show most interesting.

Now let me tell you of the different kennels I visited. First, Mrs. Peers' with her kennel of Kerry Blues: while there I stood under a pear tree and helped myself to the most luscious fruit I ever tasted, while the lady paraded her prize winning terriers.

Then on to Mrs. Pickford's kennel

of Cockers headed by "Ch. Holdfast Sonojo", a real typical dog, that has won wherever shown. Next call was at the kennels of S. S. Magoffin, here they have the greatest collection of Golden Retrievers on the American continent. It was well worth the trip to Vancouver to see these dogs. I do hope to again visit "Rockhaven" when time will permit me to go over their dogs again.

Next call was at Billy Oates place where the Dean was away and his good wife was busy, so we tried to get back again but fate decreed otherwise.

Now out to Teddy Cargill's where we found the proprietor taking a much deserved rest under a shady willow tree, but as we drew up to the place he was up and giving us a rousing welcome, as did his wife. Here was an ideal location and while he had few dogs to show, he informed me on the Q. T. that he was again getting back in the game. This man made cocker history, and I shall be pleased to hear of him making a repeat.

Next was W. R. Wilgress, the Setter man; you know Vancouver has a collection of setter fanciers that simply excell. Take our second vice-president, W. H. Pym, he shows his setters in the big ring everywhere, and wins. Mr. Wilgress has also made history—his "Shiplake Sandy", a champion across the line, adorns the front page of Western Kennel World, Sept. issue. He now possesses some real first class setters and loves to show them. I missed E. E. Gravell, but from what I saw at the show, I would say that this is a breeder to

be reckoned with. A. H. Charlett, Mrs. Jack Hughes, Billy Oates, W. A. Moore, Alex E. Lacroix and Dr. Christoffersen all had good setters and had them down in good shape.

English Cockers are headed by Stan and Mrs. Dainard with a kennel situated at R.R. No. 3, New Westminster, right on the highway; here is one of the very choicest locations I have ever seen. Their dogs are marvellous and they are kept in the most ideal surroundings. Imagine how a cocker would revel in a twenty acre run, shaded by big trees. Their kennels are well kept, sanitary, and everything a dog or man could wish. Mr. and Mrs. Dainard take delight in making their visitors welcome.

Mrs. Anderline, of Tacoma is another English Cocker fancier. Such gorgeous cockers, and no wonder, for she imported them direct from England from the most outstanding kennels.

Miss Swalwell from Everett, Washington, is also well known for her quality Cockers, and is always a consistent exhibitor at all the Pacific Coast shows. Her preference is for good reds.

As we go to press, word has just been received that the Military authorities have taken over the building where the Alberta Kennel Club formerly held its dog show, but we are in hopes that a more suitable location will be found and a better building procured before the next "stampede" show.

Tommy Thomas, Calgary's pointer expert, is working out his new purchase, a daughter of "Norias Kremlin", one of the most popular field trialers on the continent. This female is show calibre, and will be brought out at the Childrens Aid Show this fall.

The Childrens Aid Hospital show will be held this fall as usual, and the Calgary ladies are busy getting things in order. They have selected our C.K.C. President, "Reg." P. Sparkes as Judge of All Breeds. Mr. Sparkes plans to fly to Calgary for the show, and I know he will draw a large entry. The Alberta Kennel Club at its last meeting went on record as stating that every member would be behind this show 100%; now it is certain that everything will be done to make the event a huge success. Col. Ritchie gave a most comprehensive talk on Scotties at the regular monthly meeting of the Club, and took his "Champion Viceroy" as a model. The standard was explained, also anatomy of the breed. "Viceroy" was at his best and his pleasing manner made the talk most interesting.

NOTES FROM OLD QUEBEC

By W. W. ROONEY, 2331 Coursol St., Montreal, Que.

STORIES about dogs are always acceptable and when you know the personal side they are so much more interesting. This time the dog is a Sealyham Terrier and its owner, Mrs. W. Rimmer, is responsible for this interesting narrative.

Mrs. Rimmer cut her hand while working in the garden and feeling herself growing weaker and weaker from loss of blood, she made for the house and medicine cabinet only to find some old iodine. Thinking it was too old she called up the druggist and asked for some fresh iodine. She then fainted allowing the receiver to drop hanging down. Her Sealyham terrier seeing that all was not right started to bark his hardest. The receiver being off the druggist heard the barking, called the police who investigated and arrived at the house, revived the patient and left her in the hands of a neighbor. This may not be a feat of bravery, but it could have been very serious. Fortunately, Mrs. Rimmer was not much worse for fainting and naturally thinks so much more of her Sealyham and has a feeling of security when alone in the house. This is surely a boost for dog brains.

Have been informed that as a result of my appeal for entries on time, the Ladies Kennel Club of Canada were able to close entries at the given time and the results were encouraging. All is set for yet another grand day out for all doggie lovers. These days come so seldom in Quebec, they are anticipated eagerly by those who for some reason or another are unable to travel to other cities and shows. All that remains now is a nice day, a large attendance and the cause for which these ladies are working will benefit to the full. If you have not an entry, make it a point to be there.

In the July issue I promised I would give more particulars of the newly imported English Setter bitch owned by Mrs. J. Detmold of Terrebonne, P.Q., "Margels Marmar Priscilla", sired by none other than Ch. "Sturdy Max" out of Ch. "Prunes Own Lady Margaret" who in turn is by Ch. "Clown of Stagboro" out of "Rackets Mary Ann". This bitch is a full sister to Ch. "Lake-lands Yuba", now the property of Bethune Smith of Toronto. This excellent breeding was purchased with a view of mating to "Spruce Sailor" a home-bred, out of "Melody of Harperley" (Imp.) sired by Ch. "Lakelands Yuba". Show reports will give his recent show record, an enviable one. With such care and selection of breeding all points to future success of this promising kennel of English Setters where results are planned and anticipated.

I was thrilled when I visited the Exhibition to see the Quebec "Ambassadors", A. C. F. Archambault, Mrs. J. Detmold, Malabar Kennels, Mrs. Joy Osterdahl and Mr. and Mrs. Sheehan.

May I be permitted to make note of the fact that breed clubs can be a factor in boosting the breed and the bringing out of new fanciers and stimulating the activities of older fanciers. Due to breed clubs, Cockers and English Bull Terriers were the two largest entries at the Exhibi-

tion this year. Breed clubs can be run on a very inexpensive scale. They can be the court of appeal and the barometer of the breed's affairs; last but not least they promote values, for it is the breeder who will pay and a sale to a breeder is a permanent advertisement. Breed Clubs well managed should take advantage of advertising space in magazines and catalogues.

Looking over catalogues of shows in U.S.A. which I recently visited, I cannot help thinking how we in Canada, Montreal particularly, have been spoiled with regard to specials and the thought struck me that it might be timely and profitable for show giving clubs to give this their attention. After all what does a cup give. I believe we will have to take a leaf from our neighbors to the South and place more value on a win and a ribbon for breed wins and make Groups and Best in Show specials more worth while and more interesting. Those who have had the experience of collecting specials will, I feel sure, agree with me that the task is an unsavoury one. I am also of the opinion that we would see more shows in our midst. I do not say no specials at all, but breed clubs could do this to advantage and I believe all breed show giving clubs would be better able to anticipate Cash prizes, Group and Best in Show specials or trophies.

To the fancier its the win that counts and I have often heard specials referred to as "balast", "junk", and many other names and so have you. The days of trophy rooms are past. I believe a small useful trophy for the Groups and a worth while Best in Show (cash if possible) would satisfy the exhibitor and stimulate membership in Clubs and entries. In these days when the demand on business men is so great, we might well take advantage of the time and try to paddle our own "doggie" canoe.

SENSATIONAL EXPOSURE of that dirty dog flea

It used to be considered that a few fleas, so far from doing a dog harm, were a positive benefit to him because they kept him scratching and active—lively is the right word. But science has since probed deeply into the dog flea's private life and revealed him for what he is, a blood-sucking villain, disgusting in life and dangerous in death. Fleas and lice can transmit tapeworms and sarcoptic mange to dogs.

Veterinarians and authorities on dogs have found that the most effective, easy way to keep your dog free from dangerous fleas and lice is to dust him regularly with PULVEX Flea Powder. It is incredibly quick in killing fleas! None ever revive to reinfest. **Kills fleas, too, when put on one spot!**

Ask for PULVEX at all leading drug, pet, and department stores, 25c. and 50c. Registered under the Pest Control Products Act.

Get what we can from doggie people and let show giving clubs do a little financing for the major prizes.

Many will remember Witty Warren, of Bulldog and Whippet fame. He will tell you "I am through with dogs", but he's not and I'll tell you why.

Gracie Fields was in Montreal working to aid soldiers and sailors. Witty saw a chance to continue where he left off in the Great World War work with his cigarette fund, by staging a Football Match for the Boys with Miss Fields making an appearance at half time. This is where his doggie interest asserted itself. To add colour to the picture "Witty" had Ed. Wright's five Bulldogs lead half round McGill Stadium by 5 tars in uniform headed by a petty officer and needless to say they did get a hand from the crowd.

Miss Fields had her picture taken holding two of these British Bulldogs and true to her reputation for wit she said "These Birds have the asthma or something".

Witty might be too busy to exhibit dogs but it is evident beyond a doubt he is not through with them and never will be.

Through the courtesy of Mrs. Camille de P. Doniphan we have before us a newspaper clipping in which is reported the death, by automobile accident, of that Pekingese fancier, Miss Ida Bachand, who has been a steady contributor of beautiful cups and trophies as well as an enthusiastic exhibitor at all of the Mount Royal Toy Dog Club shows. Miss Bachand was travelling to her country home at St. Elie de Caxton with Mr. Mortimer B. Davis, Jr., son of the late Sir Mortimer B. Davis, internationally known Montreal financier and philanthropist. Two of Miss Bachand's Pekingese, "Happy" and "Mitzie of Wanga", were in the front seat of the car when the accident happened. "Mitzie", clutched in Miss Bachand's arms, was already dead when passing motorists investigated and "Happy" was so badly cut and injured that he had to be destroyed. Both of these Pekingese had been shown and had won several prizes.

 RICHMARYS SON OF SOLOMON

RICHMARYS SON OF SOLOMON (Buff)

Sire: Ch. SCIOTO KING SOLOMON

This dog went to reserve winners on two different occasions in Canada. The colour beat him. He has everything a cocker should have, shoulders, rib spring, coupling, head, neck, style, lovely hind quarters—ask those who have seen him. He transmits his good qualities to his puppies. His fee is \$15.00 for the month of October only, but a bitch can be nominated by paying \$5.00 and the balance at time of service. After October the fee will be \$25.00 to all. We have 12 black bitches here, all will be bred to him and some offered through "Dogs in Canada" for sale when in whelp.

This Cocker, if given a fair break, will do well for Canadian Cockers.

THE CARE OF THE BITCH DURING AND AFTER PARTURITION

By H. E. BATT, V.S., B.V.Sc.

Reproduced by courtesy of the "Veterinary Digest".

YOUNG bitches having their first litter of pups may become uneasy twelve or more hours before actual parturition begins. During this time they should be given a certain freedom—that is a large pen, or better still, a room to move around in. Provide some newspaper or a clean sack which is often torn up and arranged as a bed. Novice owners often get alarmed during this period, as the female may make a great fuss—sometimes becoming quite hysterical. Watch her from time to time in order to ascertain when straining really begins. It is then advisable to make an examination of the vagina and os in order to be certain that events are proceeding normally. Give her plenty of time. There is no need to interfere so long as the pup remains in the uterus and straining is not severe. The periods of straining will come on gradually, being at first slight with perhaps half an hour or more between. As time goes on, straining will become more frequent with intervals of about ten minutes between spasms which may last perhaps a minute. At this stage look for the birth within half an hour. The straining should be well marked at this time and spasms will be frequent and severe. If after half an hour no pup is delivered, make another examination to find out for certain if the pup is being presented in a normal manner. A large percentage of pups are presented breech first and will be delivered just as well as head presentations. If after several hours the straining is slight with long intervals between, examine, and if the os is open (in which case the pup can be felt with the index finger) it may be deemed advisable to give an injection of pituitrin, 2 c.c. is about the correct dose for a 25-lb. bitch. Give this in two situations to avoid the possibility of absence formation. Fifteen minutes after the pituitrin is given marked straining should begin, and if the procedure is successful, birth should take place within half an hour or so. If this treatment fails, decide shortly whether a Caesarian operation is indicated. Be careful in the use of instruments on a living pup. It is often best to operate and so save all the pups alive.

As the pups are born remove them from the bitch, leaving her just one. Place the others on a warm pad until all are born. New born pups will stand a lot of heat, and will keep quiet if quite warm. After all the pups are born, wash off the bitch and give her a dry bed. A sack tacked down to the floor is best. The pups are often restless for some twelve hours or so after which time they should settle down and be quiet. If, however, they persist in crying, place an electric pad under the sack as they may be cold. Sometimes the flow of milk does not begin for some hours in which case keep the pups warm and give the bitch plenty of liquid food. The pups require but little milk for the first hours of life. They must, however, be

kept warm—that is the floor should be warm.

After parturition is over the bitch herself should settle down and stretch out so as to give the pups a chance to suckle the glands properly. If she refuses to stretch out and persists in sitting up, it is often a sign of uterine irritation, perhaps a retained placenta. Examine for this and irrigate uterus to remove the retention. It is often well to place a clean sheet of newspaper under the bitch and to watch this for signs of discharge, which if green and offensive, is a sign of retained placenta. The discharge in a case of metritis is often profuse and blood-stained. Where irritation of the uterus is maintained, the bitch is restless and the pups suffer. Irrigate the uterus with plenty of warm normal saline solution every six hours until discharge ceases and temperature returns to normal.

Feed the bitch, for a few days, mostly on liquid food such as milk, raw eggs and a little meat, after which time she may be brought back to her regular ration. Feed a nursing female three times a day. Give plenty of food and increase the quantity, if required, as the flow of milk increases. Bitches should not fail when nursing pups if fed properly. Some individuals will fail in spite of careful feeding and attention.

March 1st, 1940.

Dear Sir:

I want to tell you how much I value the Gaines foods as a staple diet for both dogs and puppies. I have used both the Meal and Krunchon for puppies and grown pugs with great success and I find it is all that you claim it to be. Recently I had occasion to feed a young puppy from birth on your 107A Formulas and it gave excellent results.

I have recommended your Meal for two dogs with chronic bowel disorders which cleared up entirely after a few days feeding. One of the chief benefits of the Meal with regard to the pugs is the way it keeps the eyes clear and free from disorders connected with a large prominent eyed breed such as the pug.

I shall be pleased to recommend your feed to my customers both old and new.

Sincerely yours,

WINIFRED M. STEGGALL.
